

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Performance and handling
Description	Customers want to know about the driving experience, including acceleration, braking, suspension system, handling dynamics, and any performance-oriented features that enhance the vehicle's capabilities.
Data Size	5,074 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

What ____ of ____ I expect ____ car during ____ situations?
 ____ this ____ be ____ to pick ____ during a ____?
 ____ am wondering ____ I can ____ on ____ acceleration ____ car ____ merges.
 ____ this ____ the power to ____ quickly ____ fast- moving ____?
 I ____ know what ____ of speed my ____ in highway ____ situations.
 ____ of speed can my ____ reach when merging ____ another ____?
 What type of ____ car ____ able ____ when ____ into a highway?
 What speed do ____ car ____ reach when ____ highway highway?
 ____ the ____ be ____ when merging ____ highways?
 What type of ____ do ____ my car will ____ in ____?
 How ____ this ____ when merging ____?
 ____ the ____ this ____ suit ____ merging situations?
 ____ merging ____ the acceleration?
 ____ you ____ us ____ the speed ____ when ____ onto highways?
 In typical ____ merge ____ responsive ____ this ____ acceleration?
 Can I expect decent ____ out ____ merging ____ highway?
 ____ car be able to ____ on ____ freeway?
 Can ____ expect ____ speed ____ this thing when ____ try ____ on ____ highway?
 ____ car speed up ____?
 Can I expect my car ____ merger?
 Does the car's ____ fit ____ highway- merging ____?
 ____ fast ____ this car go ____ merging ____ highway?
 Is it possible for this ____ onto the highway?
 Can ____ get ____ speeds from ____ merging situations?
 ____ the ____ style of ____ work ____ merging situations?
 Is the ____ going to ____ merging scenarios?
 ____ typical highway mergers, how ____ acceleration?
 Is ____ of speed ____ to go up ____ highway ____?

Can _____ decent speed _____ of this thing _____ am _____ merge?
 _____ fast _____ car _____ while merging?

In _____ highway merge _____ responsive is this _____?
 _____ expect _____ decent acceleration _____ of _____ thing when I try _____?
 _____ the vehicle's _____ when merging onto _____?
 _____ it accelerate _____?
 _____ this _____ accelerate _____ merging onto a _____?
 _____ expect _____ when _____ am trying to merge _____ a _____?
 _____ does this _____ highway merges?
 _____ the car's amount of speed going _____ up _____ the _____?

Can you _____ the speed _____ vehicle _____ highway _____?
 Is the car's _____ going to _____ up _____?
 Does the car _____ capacity to _____ on highways?
 When merging into _____ highway, how _____ this _____?
 Do I have a _____ for _____ to _____ when merging _____?
 Does _____ car _____ merging onto _____?
 Is _____ car's _____ acceleration _____ highway- merging situations?
 _____ be able to pick up _____ merging _____ freeway?
 How fast will _____ car _____ on _____ merging?
 Do _____ an _____ for _____ car to _____ during _____ highway _____?
 _____ of speed going to _____ the highway merging _____?
 _____ type of speed will my _____ to achieve _____ highway _____?
 _____ speed going to go _____ the highway merging _____?
 _____ this car able _____ up _____ while merging _____ freeway?
 _____ boosting _____ when a car is merging _____ the _____.
 _____ the vehicle's acceleration _____?
 _____ this vehicle _____ the _____ to join quickly _____?

Is there a expectation for the _____?
 _____ merging _____ how fast does this _____?
 _____ this car _____ up _____ merging on _____ freeway?

What type of _____ believe _____ can reach when _____ the _____?
 _____ vehicle have _____ power _____ join quickly _____ fast- _____ highways?
 _____ onto _____ how _____ does this _____ move?

How fast will this _____ merging _____ a _____?
 _____ the _____ able to accelerate _____ on highways?
 Do _____ an _____ of _____ car's speed _____ highway _____?
 _____ does _____ car drive when merging on _____?
 _____ fast can _____ vehicle _____ merging?

Is _____ car's _____ of speed going _____ up _____ merging?
 _____ expect _____ decent _____ when I try _____ merge _____ highway?
 _____ I need _____ merge onto _____ with this _____ is _____ speed like?

How _____ will the _____ when _____?
 How does _____ speed when _____?
 How _____ car _____ for _____ purposes?

Is the _____ speed _____ to _____ during _____ highway merging _____?
 Is _____ amount _____ going _____ during the highway merging _____?
 _____ possible to _____ swift accelerate from _____ car during _____?
 _____ kind _____ think my _____ can reach when merging into _____?

Will _____ speed up _____?
 Is _____ speed _____ increase during _____ highway _____ scenarios?

____ the ____ accelerated when ____ onto highways?
 ____ of this car ____ for ____ highways?
 Does this ____ have ____ power for ____ quickly ____ moving ____?
 What kind ____ do I ____ can ____ with another vehicle in a ____?
 ____ fast ____ car ____ merging situations possible?
 How ____ can ____ expect it ____ go ____ highway ____?
 ____ of ____ car increase during the ____ merging ____?
 Will this ____ to ____ quickly ____ merging on the ____?
 How fast is ____ join ____ with ____ car?
 Does ____ speed increase during ____?
 ____ can this car travel when ____ into ____?
 How ____ does this ____ drive ____ merging ____ highway?
 Is ____ fast ____ when ____ the highway?
 ____ the car's speed going to ____ during ____ highway ____?
 ____ have ____ oomph ____ join quickly into fast- moving ____?
 Can the vehicle ____ enough ____?
 ____ expect any kind of ____ acceleration ____ of this ____ I attempt ____?
 ____ can ____ expect the ____ to accelerate during ____ merging ____?
 ____ have ____ for ____ speed in highway merging ____?
 What type ____ car achieve in ____ merging situation?
 ____ will this car go ____ merging ____ a ____ of ____?
 ____ I expect ____ faster in merging situations?
 Is ____ car's speed going ____ up during the ____?
 ____ it possible ____ my ____ to ____ in ____ situations?
 ____ expectation for the ____ to ____ during highway ____?
 Do ____ a ____ of ____ car's ____ during ____ merging situations?
 Can I ____ kind ____ acceleration ____ of this ____ while ____ merge on ____?
 Can ____ tell ____ the car moves when ____ highways?
 ____ the acceleration ____ vehicle ____ adequate ____ merging?
 Will ____ able ____ up ____ when merging into the ____?
 ____ fast can ____ car ____ merging?
 When I need ____ merge onto ____ highway ____ this ____ what ____ like?
 How fast can ____ anticipate ____ into ____ highways?
 ____ this car pick up ____ merging ____ freeway?
 How ____ this ____ you ____ highways?
 ____ fast ____ car accelerate ____ merging ____ the highway?
 ____ fast can I ____ during ____?
 Is the car's ____ going ____ when ____ is merging?
 ____ on ____ highway, ____ fast will this car ____?
 I want to ____ how fast ____ car can ____.
 Will ____ be able ____ drive ____ while merging on ____?
 When ____ merge onto a ____ highway with this car, ____?
 ____ there ____ expectation ____ the ____ acceleration during highway ____?
 ____ fast ____ up to speed when merging?
 ____ pick up ____ speed when merging ____ freeway?
 How fast does ____ car ____ merging ____?
 ____ fast does ____ car move ____ onto the ____?
 ____ this car go when merging into ____?
 Is ____ for the ____ Acceleration during ____ merging ____?
 Is ____ car's ____ of speed going to ____ during ____?

____ the car ____ ability to accelerate ____ in ____?
 Can ____ bit when merging onto ____ highway?
 Will ____ be fast enough ____ merge ____?
 Can ____ car ____ fast speeds when merging?
 ____ entering the ____ I ____ on this car ____ speed ____?
 ____ to ____ adequate when merging onto highways?
 Can I ____ car ____ accelerate quickly ____ situations?
 How fast does ____ move after ____ highway?
 ____ the vehicle ____ accelerated for ____?
 ____ acceleration out of ____ thing while ____ am ____ to merge?
 ____ speed do ____ car ____ when merging with ____ vehicle ____ the highway?
 ____ the car able ____ up ____ when merging on ____?
 ____ merging ____ can you tell me ____ will go?
 ____ I have ____ expectation ____ accelerate ____ highway merging situations?
 ____ to merge ____ busy highway with ____ car, what is ____?
 Do you know ____ this car ____ up to ____?
 What ____ of ____ do I ____ can ____ merging into ____ highway?
 ____ expectation for the car to ____ highway ____ situations?
 ____ car's ____ of speeding suitable ____ highway merging ____?
 ____ this car ____ while ____ on ____?
 ____ expectation for the car to accelerate ____ highway ____ merging?
 When merging ____ can you ____ how fast ____ car ____?
 When ____ traffic, ____ fast ____ this ____ go?
 Is my expectation ____ the car's ____?
 Do I ____ the ____ acceleration to go ____ situations?
 ____ I need to ____ busy ____ with this car, what ____ pace ____?
 How ____ can ____ car ____ when merging ____?
 Can ____ my car ____ speeds ____ merging situations?
 ____ car ____ speed ____ highway merges?
 Can I ____ acceleration ____ while I'm trying ____ merge?
 ____ speed going ____ when the highway ____ occurs?
 ____ speed do ____ think my ____ can achieve ____ merging scenario?
 Do I ____ an ____ for ____ car ____ during ____ scenarios?
 Is ____ possible ____ this ____ to gain ____ joining a fast ____?
 ____ my car ____ of high ____ merging ____?
 ____ kind of ____ do ____ can reach ____ onto the highway?
 Can ____ pick ____ speed ____ merging onto ____ freeway?
 Can ____ expect a decent ____ of speed ____ of ____ while ____ highway?
 ____ the highway ____ is ____ amount of ____ to go up?
 During ____ highway merging ____ is the ____ speed ____ increase?
 ____ I ____ onto a ____ with this car, ____ the pace?
 Can ____ any kind ____ speed out ____ while I ____ to merge?
 Is the ____ the ____ increase in ____ merging situation?
 ____ car ____ merging on highways?
 Is ____ car's acceleration ____ merging ____?
 ____ of ____ do ____ think my ____ will ____ in highway merging ____?
 ____ like ____ know ____ vehicle goes during ____ merges.
 ____ the ____ offer ____ speed ____ merges?
 ____ of speed ____ my car reach when ____ the highway?
 The car can ____ when _____.

_____ amount _____ speed _____ to _____ when highway merging situations _____?
 _____ I expect _____ this thing while _____ try to merge?
 _____ you join _____ with _____ what is _____ acceleration _____?
 Can this car go _____ when _____ onto _____?
 How fast does _____ go when _____ into _____?
 How _____ you get the car _____ merging _____?
 How _____ does _____ drive _____ merging _____ highways?
 _____ highways, will _____ vehicle _____ enough acceleration?
 _____ onto _____ highway how fast does this _____?
 What _____ of _____ car _____ when merging into a _____?
 Will this _____ be _____ pick up _____ merging?
 What _____ speed _____ think my _____ can _____ while _____ into a _____?
 _____ think my car _____ get in a highway _____?
 Can you tell _____ the _____ of _____ car when _____?
 Is the acceleration _____ car good _____ highway _____?
 Is the _____ of acceleration suitable _____?
 _____ car _____ up _____ merging _____ highways?
 _____ onto the _____ how fast does this _____?
 _____ offer _____ speed during _____ merges?
 _____ this _____ pick up speed when _____ on _____ freeway?
 Will _____ car speed up quickly _____ the _____?
 _____ I need to _____ onto _____ with this car _____ the _____ like?
 _____ want _____ if _____ a expectation _____ the car's acceleration _____ highway merging _____.
 _____ the car _____ a _____ way _____ onto the _____?
 Is the _____ of _____ car suitable _____ merging situations?
 _____ I _____ decent _____ of this thing when _____ try _____ a highway?
 _____ it possible to get _____ this thing _____ a highway?
 Will the _____ when _____ onto _____?
 _____ speed _____ I _____ my car _____ of reaching when merging _____ highway?
 Will _____ vehicle _____ enough _____ onto _____ highways?
 _____ it _____ expect _____ speeds _____ my car in merging _____?
 _____ anticipate _____ speeds from my _____ during _____?
 Can I _____ decent _____ thing as _____ attempt to merge on _____?
 _____ I expect _____ of _____ of this thing while merging _____ highway?
 _____ pick up speed _____ merging?
 _____ this car drive when it's _____ in _____?
 _____ I _____ this _____ to accelerate quickly during _____?
 Is it possible _____ tell _____ fast this vehicle _____?
 Can I expect decent acceleration _____ this _____ while _____ merge _____ a _____?
 _____ fast does _____ accelerate when _____ onto _____ highways?
 _____ speed _____ I _____ can reach _____ merging _____ another vehicle in the _____?
 _____ type _____ speed is my car _____ to reach _____ merging _____?
 _____ accelerate _____ when _____ onto the highway?
 How fast does this _____ drive _____ onto _____?
 What _____ the vehicle _____ to accelerate _____ on _____?
 Is _____ amount of _____ to _____ up when _____ highway _____?
 Is _____ sufficiently _____ merging onto highways?
 _____ I expect fast _____ from _____ vehicle _____ merging _____?
 _____ a car get up to _____ merging?
 _____ a decent _____ rate for highway merges?

Can I _____ acceleration out _____ I _____ attempting to _____ on a _____?

_____ can this vehicle drive _____?

_____ fast _____ car _____ merging onto _____?

_____ I expect _____ decent amount of _____ out _____ this _____ when _____ merge?

_____ merging situations _____ the _____?

_____ this _____ accelerate quickly in highway _____?

_____ type of speed do I _____ can _____ when _____ in _____?

Is _____ car's _____ to go _____ the merging _____?

_____ fast can _____ this car _____ travel _____ highway merging _____?

_____ possible _____ to go fast in merging _____?

Does _____ car _____ the _____ go _____ during a _____?

_____ I expect decent acceleration out _____ while _____ merge _____ a highway?

If possible, _____ know _____ the anticipated acceleration _____ merging.

_____ does this _____ drive _____ on highways?

_____ fast is the car _____ go _____ highways?

Is _____ a _____ the _____ during merging situations?

How fast is _____ in _____?

Is _____ car's _____ going to _____ the highway _____?

How _____ does _____ car accelerate _____ merging _____ the _____?

_____ this vehicle _____ up when merging _____?

Can you tell _____ how the _____ when merging _____?

Can I _____ acceleration out _____ thing, _____ trying to _____ a _____?

_____ this car to _____ tad when merging onto a _____?

Do I have any _____ the car _____ in _____ merging _____?

Can _____ increase _____ the _____ merging situation?

Will _____ be enough when merging _____?

_____ expect _____ decent _____ out of _____ when _____ try _____ merge _____ a highway?

_____ type of speed do _____ car _____ reach _____ merging into _____?

Can this _____ travel _____ a decent speed _____ onto _____?

_____ that the _____ has suitable for highway- _____ situations?

What _____ speed is it that _____ can achieve in _____?

Can _____ accelerate well when _____ highway?

How _____ will _____ when merging _____ the highway?

_____ I would _____ on _____ anticipated _____ during highway merges.

_____ it possible for _____ accelerate a _____ when merging _____ highway?

_____ fast _____ this _____ accelerate when _____?

_____ joining _____ with the _____ what _____ the acceleration _____?

_____ fast _____ car reach while _____ another car _____ the _____?

Can _____ car to accelerate quickly _____ highway _____?

_____ my car _____ go _____ during merging situations?

_____ the _____ to go up during _____ merging _____?

_____ the car's _____ of speed _____ to _____ up _____ merging _____?

Can _____ give me _____ on the speed of _____ car _____?

_____ this car _____ accelerate a bit _____ into _____ highway?

_____ the car _____ into highways?

_____ this _____ be _____ to _____ the speed _____ merging?

Will _____ accelerate _____ when _____?

_____ car get _____ speed when _____ onto _____ highway?

Will the car's _____ suit _____?

What _____ of speed _____ can _____ merging into a freeway?

How ____ does ____ car ____ after merging ____ highways?
 ____ speed up when ____ on ____?

Does this vehicle ____ the ____ join quickly into ____?
 ____ the ____ of ____ going ____ up when the ____ is ____?
 ____ can this ____ travel ____ merging into a ____?
 ____ type of ____ my ____ will reach ____ merging ____ the highway?
 ____ car accelerate ____ merging ____ highways?

How fast ____ it ____ merges?

What ____ of ____ I ____ my car ____ achieve ____ merging?

How ____ goes ____ merging?

____ is ____ about ____ car that ____ accelerate when ____ onto ____?
 ____ does this ____ when merging ____ highways?

In a ____ responsive is ____ automobile's acceleration?
 ____ can ____ this ____ to go during merging?
 ____ highways, ____ you think about the ____ acceleration?
 ____ me how ____ the ____ gets when ____ onto highways?

Is ____ possible to ____ on how the car ____ merging ____?
 When ____ a busy ____ is the acceleration like?

Is the ____ Acceleration ____ in highway- ____ situations?
 ____ fast is ____ I ____ to merge onto ____ busy ____?

Will ____ be sufficient when ____ highways?
 ____ does this ____ accelerate during ____?
 ____ possible for ____ to accelerate a ____ when ____ a highway?

Is the ____ of ____ car going to ____ merging ____?
 ____ speed ____ I think my ____ can ____ when ____ onto ____ highway?
 ____ the acceleration ____ this car make ____ highway ____?
 ____ merging ____ fast does this ____ accelerate?
 ____ possible, ____ would like ____ know about ____ speed ____ highway merges.

What type of speed ____ I ____ car ____ reach when ____ vehicle in ____?

How fast ____ this ____ merging with so ____?

How ____ this car ____ merging ____ a highway?
 ____ it ____ my car ____ fast in merging ____?
 ____ car go ____ little faster ____ merging ____ the ____?
 ____ car's style ____ adequate for highway- ____ situations?
 ____ does ____ car ____ while merging onto ____ highway?
 ____ does this car ____ purposes?
 ____ my car to ____ quickly in merging ____?

What ____ car ____ can I ____ when merging ____?

When you ____ highways ____ this ____ acceleration do ____?
 ____ fast can I ____ go ____ highway merging?
 ____ sort ____ speed do I think ____ reach when ____ into ____?
 ____ I ____ this thing while merging into ____ highway?
 ____ the amount of speed going to increase ____?

What kind ____ speed ____ think my ____ can ____ merging ____ the ____?
 ____ be able ____ accelerate sufficiently ____ merging onto ____?

Can I ____ high ____ my ____ in ____ situations?
 ____ this ____ drive at a ____ speed when ____ onto ____?
 ____ merging ____ lot of traffic, ____ will ____ car go?

How ____ this ____ get during ____?

How ____ does ____ get ____ speed after merging?

Can _____ a _____ a merging scene?

_____ car _____ accelerate _____ bit when _____ a highway.

_____ expect _____ to _____ fast in merging?

_____ fast does _____ car accelerate _____ merging?

_____ car _____ up _____ on the highway?

In _____ highway _____ how responsive _____ acceleration?

_____ do I _____ car _____ reach when merging _____ car in the _____?

_____ will _____ car _____ when merging into _____?

If _____ I'd like to _____ the anticipated _____ the _____.

_____ does _____ up when merging _____?

How fast _____ that is merging _____?

Will the car _____ to pick _____ speed _____ situation?

_____ the _____ speed going to _____ highway merging _____?

Can _____ give me _____ the speed _____ car _____ merging onto _____?

Can _____ me how fast _____ when merging _____ the _____?

_____ this _____ speed up _____ on _____?

_____ accelerate fast when _____?

Will the acceleration of _____?

Is _____ car _____ a certain speed in _____ merging _____?

Is _____ car's _____ of acceleration _____ highway- _____?

How _____ can this car _____ merging into _____?

_____ this car _____ able _____ pick _____ after _____ onto the _____?

The _____ be able to pick _____ speed while _____.

_____ this _____ move _____ merging on _____?

_____ fast will this _____ a busy highway?

_____ fast will _____ car _____ when _____ merging with _____?

How fast _____ highway merges?

_____ I need _____ busy highway _____ vehicle, what is _____ acceleration like?

I _____ wondering _____ can expect _____ speeds _____ my _____ in _____ situations.

_____ I _____ to _____ onto a _____ with my _____ what _____ the acceleration _____?

_____ fast _____ this car go when _____ a _____?

Can _____ fast the car _____ go _____ merging _____ highways?

_____ car's _____ of acceleration _____ for highway- merging _____

Is it _____ get decent _____ while trying to merge _____ highway?

_____ it possible for _____ car _____ accelerate _____ highway _____?

_____ out of this thing while I'm merging _____ highway?

_____ highway _____ what kind _____ acceleration can I _____?

_____ the _____ speed going _____ up _____ highway merging situations?

_____ the car's speed going to go _____?

_____ speed-up _____ when joining highways?

How _____ is _____ car's accelerate _____ highway _____?

This car _____ be able _____ up speed _____.

Can the _____ little _____ when merging _____ highway?

Will _____ acceleration suit _____ situations?

_____ this _____ accelerate _____ bit when merging _____ a _____?

_____ car can accelerate _____ when _____ onto _____ highway.

_____ car's _____ when merging onto _____?

_____ fast _____ car _____ after merging _____ the highway?

Is _____ style of _____ appropriate _____ merging _____?

Can _____ a _____ when merging _____ the highway?

Is _____ of _____ go _____ as a _____ of the highway _____ situation?

Can I expect my _____ during merging _____?

_____ am _____ how fast _____ goes during highway _____.

Is _____ amount of _____ when the highway merging _____?

_____ you tell _____ how the car _____ when merging _____?

Is _____ possible for this _____ accelerate _____ little _____?

Can this _____ accelerate _____ merging _____ highway?

Will _____ pick up _____ while _____?

_____ the car _____ ability to _____ during _____ merge?

Does the _____ accelerate _____ in _____?

_____ quickly does this _____ accelerate _____ merging _____ highway?

How fast _____ I _____ go in _____ merging situation?

_____ it possible for _____ accelerate while _____ the highway?

_____ for my car _____ have fast _____ in _____ situations?

_____ this car to accelerate _____ in merges?

_____ fast can _____ expect _____ highway merges?

Is it _____ my _____ to hit _____ speeds in _____?

_____ this _____ be able to _____ a freeway merging?

Will _____ go _____ on highways?

_____ tell me _____ this car goes when _____ the _____?

Is the _____ the _____ for _____ merge situations?

Does _____ of acceleration _____ well _____ highway merging _____?

Will _____ accelerate rapidly _____?

_____ type of _____ do I _____ my car _____ when _____ highway?

For _____ highways, _____ the _____ acceleration _____?

_____ it possible _____ I expect _____ accelerate _____ highway _____ situations?

_____ I rely _____ the _____ to _____ during a _____?

When _____ how fast will this car _____?

Is this car _____ at picking _____ speed _____ merging _____?

_____ the _____ for highway _____ situations?

_____ the vehicle _____ the power _____ quickly into fast _____?

Will the _____ highway merge _____?

_____ fast is _____ onto highways?

_____ be fast enough _____ allow me to _____ merge _____?

_____ I _____ decent acceleration _____ I attempt to merge _____?

_____ of _____ my car achieve while _____?

_____ expect _____ car to be quicker in _____?

What _____ I think _____ car can _____ when _____ the highway?

Can _____ have _____ speeds _____ my _____ in _____ situations?

_____ the acceleration like when _____ a car?

_____ do I think _____ car can _____ merging with another vehicle in _____?

_____ it _____ when merging on _____?

_____ possible _____ anticipate an acceleration _____ for highway _____?

How fast _____ car _____ highway _____ situations?

Do _____ have a _____ the car _____ merging?

Do _____ have a expectation _____ to _____ merging situations?

Is the car's _____ to _____ highway _____ merging?

How _____ car _____ after _____ onto a highway?

_____ the car _____ when _____ highways?

_____ you tell _____ speed _____ when merging onto highways?

_____ possible that this _____ will _____ up speed while _____ on _____?
 _____ it's _____ I want _____ know about _____ highway merges.
 When _____ onto the _____ fast _____ this _____?
 How _____ does _____ go after _____?
 _____ have a _____ acceleration in highway _____ situations.
 _____ you give _____ on the speed of _____ when _____ highways?
 _____ speed going to _____ during _____ highway merging situation?
 How fast does this car move _____?
 _____ vehicle's _____ accelerate _____ when merging onto highways?
 Does this vehicle _____ enough _____ on fast- _____ highways?
 Is this _____ during _____ merges?
 _____ fast _____ car _____ when it's merging _____ the _____?
 Can _____ expect my car to _____?
 _____ the car's Acceleration _____ when _____?
 Does _____ speed going to _____ up during _____ highway _____?
 I _____ merge _____ busy highway with _____ but what _____ the acceleration _____?
 _____ can you give about how _____ when merging _____?
 _____ onto _____ highway, can _____ accelerate a little?
 In highway _____ responsive is _____ car's _____?
 Is _____ an expectation _____ car _____ accelerate _____ merging?
 Do _____ a expectation for the _____ highway merging?
 _____ car get _____ to speed _____?
 _____ the level _____ speed _____ to go _____ highway merging _____?
 _____ able to accelerate enough while _____ highways?
 _____ the _____ have _____ speed to _____ quickly _____ a _____?
 Is the _____ speed going _____ go up when the _____?
 _____ this car speed a _____ when _____ the _____?
 Can _____ vehicle _____ accelerated _____ when _____ highways?
 When merging _____ highways, _____ this car _____?
 Will _____ car be _____ fast _____ merging in _____?
 _____ this _____ fast enough _____ allow _____ to safely merge _____ highways?
 When _____ highways, how fast _____ go?
 _____ merging _____ highways, how _____ car go?
 _____ fast does _____ when merging into a _____?
 _____ expect my _____ to go _____ a merge?
 _____ to pick up speeds when merging _____ the _____?
 In _____ merging _____ what _____ of _____ do I think _____ can _____?
 Is there _____ expectation _____ the _____ accelerate _____ mergers?
 _____ fast _____ this _____ accelerate _____ onto highways?
 When _____ onto _____ deal with the car's _____?
 _____ responsive is _____ automobile's _____ in a _____?
 _____ can _____ car _____ go during merging situations?
 What do _____ think about _____ on _____ when merging _____?
 _____ type of speed can _____ car reach when _____?
 How _____ the _____ accelerate _____ onto _____?
 _____ my car _____ enough oomph to _____?
 What _____ do _____ think my car _____ in _____ merging _____?
 _____ would _____ to know _____ anticipated acceleration _____ during highway _____.
 _____ have enough oomph to _____ into _____ highways?
 How _____ car _____ accelerate _____ merging _____ highways?

_____ a expectation _____ the _____ accelerate in _____ merging situations.
 _____ type _____ I think my _____ reach, while _____ into _____ highway?
 Can you _____ me details about _____ merging onto _____?
 When I _____ busy _____ with _____ what is the difference _____ acceleration?
 _____ have a expectation for the _____ highway merging _____?
 Is the car's _____ of _____ to go _____ situations?
 _____ fast _____ car reach in _____ situations?
 _____ speed up _____ highways?
 Will _____ able to accelerate _____ when _____ onto the _____?
 _____ the _____ ability to _____ quickly in _____ merges?
 _____ merging on the freeway, _____ this _____ up _____?
 _____ the _____ accelerate a bit _____?
 _____ into the _____ can _____ car go _____?
 Can I expect a fast _____ car _____?
 _____ this _____ power for _____ into fast moving highways?
 _____ this car accelerate _____ into the highway?
 _____ car fast _____ merging _____ highway?
 Is it possible _____ the _____ to _____ during _____?
 When _____ onto the highway, how _____ does _____?
 _____ fast _____ this _____ when it's _____?
 _____ does it _____ for _____ on _____?
 _____ I _____ decent _____ of _____ while _____ trying to _____ on the highway?
 Will _____ speed _____ while _____?
 When _____ will _____ vehicle's acceleration be _____?
 In typical _____ mergers, _____ is _____ acceleration?
 _____ the amount of _____ to _____ highway merging situations.
 When merging _____ fast _____ this _____ accelerate?
 What speed do I think _____ travel _____ highway _____?
 Can this _____ even _____ when _____ a _____?
 _____ it possible _____ my car will _____ situations?
 _____ this _____ accelerate sufficiently _____ highways?
 Is _____ amount _____ going to _____ highway merging _____?
 _____ this vehicle _____ adequately when _____ highways?
 When _____ with _____ traffic, how _____ will this _____ go?
 _____ manage _____ pick up speed while _____ the freeway?
 _____ you tell _____ this _____ gets up _____ speed when _____?
 Does _____ accelerate well during _____?
 Is _____ vehicle's _____ merging onto the _____?
 What _____ the acceleration _____ like when _____ join highways _____?
 _____ the car's _____ going to go _____ in _____?
 _____ a bit when _____ onto a road?
 Will _____ be able _____ up speed when _____?
 _____ type _____ think my vehicle _____ reach _____ merging into _____ highway?
 When _____ in _____ traffic, how fast _____ go?
 _____ can the car _____ for _____?
 Will this car _____ able to _____ merging?
 _____ the _____ to go fast during merges _____ highways?
 When _____ need _____ onto a busy highway, what _____ acceleration like?
 _____ this car _____ accelerate _____ merging _____ the highway?
 Does the _____ acceleration _____ highway- _____ situations?

How fast can _____ when _____?

What speed do _____ my car can reach _____ another car _____?

How _____ car _____ when _____ merging?

How fast _____ car _____ merging _____?

Will this _____ quickly _____?

_____ the car's speed _____ to _____ during _____ merging _____?

_____ is the _____ when I _____ onto a busy _____?

_____ onto the _____ how _____ can this car _____?

_____ I expect any _____ decent acceleration _____ of this _____ to merge?

Will the _____ speed _____ quickly when _____?

Can _____ how fast my car _____ go _____?

Can _____ car _____ way _____ merging onto _____ highway?

_____ this car be able _____ accelerate _____ when _____?

_____ accelerate _____ while merging?

_____ the _____ accelerate when _____ a highway?

I need _____ on boost _____ when _____ merging onto _____.

_____ this car _____ when merging onto _____?

Does the _____ the ability to _____ during _____ the _____?

_____ it _____ car's speed will _____ up _____ merging situations?

Is _____ car's amount _____ speed _____ up during the _____?

_____ car's acceleration _____ highway mergers?

When _____ is the vehicle's _____?

_____ joining _____ with a _____ the acceleration like?

_____ have expectation for _____ car's _____ highway merging?

Does _____ have _____ ability to _____ during a _____ on _____ highway?

_____ accelerate _____ when merging?

_____ possible to _____ a decent _____ merges _____ rate?

Is the _____ good for _____ highways?

Do _____ the _____ to _____ when highway _____?

Will _____ of _____ suit _____ merging situations?

When _____ to _____ onto _____ busy _____ car, what _____ the speed?

_____ I'd like to know _____ acceleration _____ highway merges.

_____ speed _____ I believe _____ car _____ reach _____ merging with another _____ in _____?

In typical highway _____ scenarios, _____ responsive _____ in its _____?

Will this _____ able to _____ the highways?

_____ expect _____ speeds from my car _____?

Can you tell me _____ quickly the _____ onto _____?

How fast does _____ merging _____ a highway?

I want to know if _____ car _____ speed in _____.

How _____ does this _____ into a freeway?

_____ car be _____ to accelerate _____ during _____ merges?

_____ the highway, how fast does _____ car _____?

_____ type _____ think my _____ can reach when _____ onto a _____?

_____ on the _____ car be able to _____ speed?

_____ fast will this car go when _____?

Can I expect my car _____ scenarios?

What speed _____ car achieve in _____?

_____ swiftly when merging?

Is _____ going to increase during the _____?

What _____ speed can _____ while merging in a _____?

____ the ____ speed up ____ ?
 How ____ accelerate for ____ purposes?
 Is the car ____ highway ____ ?
 ____ it ____ to go fast when merging into ____ ?
 ____ fast ____ this ____ move when ____ highways?
 ____ vehicle have ____ power ____ join quickly ____ fast- moving ____ ?
 ____ I ____ a ____ the ____ during highway merging?
 ____ into ____ what can I ____ terms of speed?
 How fast can ____ merging onto ____ highway?
 Is ____ of ____ the ____ going ____ go ____ during the highway merging ____ ?
 Is my ____ of the ____ merging ____ correct?
 Can ____ decent ____ out ____ this ____ when ____ trying to ____ ?
 Is the ____ to increase ____ the merging situations?
 While merging ____ will ____ car ____ ?
 ____ this ____ accelerate for merging?
 Does the ____ enough ____ for ____ into fast ____ highways?
 Can this car ____ a little ____ the ____ ?
 ____ speed ____ while merging on ____ ?
 Will this ____ be ____ when merging ____ highways?
 ____ car's ____ of ____ suitable ____ merging?
 Is the ____ speed ____ to ____ in ____ highway ____ scenarios?
 ____ will accelerate when ____ on ____ .
 Will the car ____ to pick ____ speed ____ freeway?
 Is ____ for ____ car ____ accelerate ____ highway merging circumstances?
 I am wondering ____ rely ____ to accelerate quickly during ____ .
 ____ I expect ____ of this car ____ I try ____ on a ____ ?
 Can ____ expect ____ to accelerate ____ in a ____ ?
 ____ a car go when merging into ____ ?
 ____ merging onto highways, will ____ vehicle's ____ ?
 How ____ does ____ car ____ after merging ____ highway?
 ____ the car's ____ going ____ increase ____ merging ____ ?
 In ____ typical ____ responsive ____ the acceleration of this ____ ?
 ____ do ____ believe my car ____ in highway merging ____ ?
 Is the car's speed ____ come ____ the ____ merging ____ ?
 ____ this car ____ while ____ ?
 Can this car ____ faster when merging ____ ?
 How ____ on the highways?
 ____ traffic, how ____ is this ____ ?
 ____ type ____ speed ____ I ____ my car ____ during highway ____ ?
 ____ speed do I ____ my car ____ while merging ____ highway?
 ____ fast can this car ____ when ____ the ____ ?
 Can I ____ car to ____ during ____ merging ____ ?
 ____ the car ____ a little ____ merging ____ highway?
 ____ it possible for ____ to ____ little when ____ ?
 ____ the car's ____ acceleration work ____ highway- merging ____ ?
 ____ car to have fast speeds ____ merging ____ ?
 ____ highway merging situations, ____ of ____ can ____ car ____ ?
 Is ____ any ____ that the car will accelerate ____ ?
 How ____ expect ____ car ____ accelerate during highway ____ ?
 Will ____ be fast ____ me to ____ into ____ ?

Is _____ swift acceleration from this car during _____?

How fast _____ this car _____ merging _____ highway?

_____ type _____ can _____ while merging with _____ vehicle in _____ highway?

Will _____ go _____ while _____ highways?

When _____ need to merge _____ car, what is _____ rate of _____?

Can _____ accelerate a little _____ onto _____ highway?

_____ the _____ merging situations, is _____ amount _____ speed going _____?

_____ the _____ style _____ Acceleration _____ highway- merging situations?

_____ when merging _____ highways is _____ mystery.

_____ the car when _____ to _____ onto _____ busy highway _____ it?

_____ car's style _____ acceleration suitable when _____ highway?

_____ this car _____ quickly _____ the highway?

Will _____ be able to accelerate _____ on _____?

_____ an expectation for _____ acceleration _____ highway merging _____?

Can _____ decent acceleration out _____ thing, _____ merge on a highway?

_____ this vehicle _____ up _____ highways?

_____ the car _____ a _____ when merging _____ highway?

What _____ this _____ for merging?

_____ speed do I think my _____ when merging into _____?

_____ how _____ car increases speed when merging onto _____?

What type _____ speed _____ I _____ my _____ in _____ highway merging _____?

How _____ during high-speed _____?

Is _____ a good acceleration _____ for _____ merges?

_____ the _____ speed _____ go up during _____ situation?

Can _____ fast _____ in merging _____?

When merging _____ will the _____ enough?

Is the acceleration _____ car _____ highway _____?

_____ drive _____ little _____ when merging?

What _____ of speed can _____ reach _____ merging _____ in _____ highway?

Can _____ decent acceleration out of this _____ as _____ try _____ the _____?

_____ automobile's _____ suit _____ merging?

_____ be _____ to accelerate _____ merging on highways?

When _____ into _____ highway, _____ fast _____ car go?

_____ fast can I _____ merges?

_____ what's the deal with _____ car's acceleration?

_____ merging in _____ lot of _____ how _____ can _____ zoom?

_____ need to _____ a busy _____ with _____ car, what is _____?

_____ the _____ of _____ going to _____ up _____ the _____ merging _____?

Will _____ acceleration _____ when _____ onto highways?

_____ fast _____ this car go when merging _____?

 Is the ____ with highway ____?
 What type ____ speed do ____ my ____ can ____ the highway?
 How quick ____ go ____ merging?
 How ____ this car ____ merging ____ traffic?
 What kind ____ acceleration ____ I expect ____ highway ____?
 ____ expect ____ decent ____ out of this ____ try ____ merge ____ a highway?
 ____ of the ____ to go up during the ____ merging ____?
 ____ I need to ____ onto ____ highway with ____ is ____ speed?
 ____ fast is ____ going while merging ____ the ____?
 ____ I be ____ merge ____ highways ____ this car ____ up ____?
 Is ____ for this ____ to accelerate a ____ onto the ____?

____ I expect a ____ speed ____ of this ____ am ____ merge?
 ____ the ____ going to ____ up ____ the highway merging ____?
 When merging in ____ of traffic, how ____ will ____?
 Can ____ expect decent ____ out ____ while I ____ to ____ the highway?
 When ____ onto ____ what's the deal ____ car's ____?
 ____ is ____ car ____ when it's ____ onto ____ highway?
 Is ____ acceleration ____ highway mergers?
 I need acceleration ____ merging ____ with this ____.
 ____ there ____ expectation for ____ car's ____ highway merging ____?
 ____ merging ____ a ____ of traffic, ____ will this car ____?
 Can this ____ accelerate ____ a ____ when ____ onto the ____?
 ____ you tell me ____ fast this ____ highway ____?
 ____ I expect my car ____ hit ____ when ____?
 ____ is ____ when you join highways ____ car?
 ____ the highway ____ situations suit ____?
 ____ fast can ____ when merging ____ traffic ____ highways?
 Is the ____ speed ____ rise during ____ situations?
 Is ____ speed of the car ____ merging?
 Is ____ amount ____ increase during the highway ____?
 During ____ situations, what kind ____ expect from this ____?
 ____ good is ____ during ____ merges?
 Do ____ have a expectation ____ car ____ accelerate ____ merging?
 When ____ onto highways, ____ the ____ vehicle ____ sufficient?
 ____ will ____ car go when ____ the highway?
 ____ the ____ go ____ merging onto highways?
 How fast can this ____ go ____ traffic?
 The ____ to pick ____ speed while merging ____ freeway.
 ____ expectation for the ____ acceleration ____ merging?
 ____ fast ____ vehicle goes during ____?
 ____ of speed does ____ reach when ____ with another ____ on ____?
 Can ____ car drive ____ when ____ the ____?
 Can ____ accelerate when ____ onto the ____?
 Is ____ car's ____ of acceleration ____ for ____ situations?
 Can I ____ on ____ car to ____ quickly ____?
 ____ I expect ____ speed ____ car ____ merging ____ a highway?
 Is ____ to go up during the ____?
 ____ to ____ speed when merging on the freeway?
 When merging into ____ how fast ____ car ____?
 ____ of the automobile suit ____ merge ____?
 ____ I expect ____ decent ____ out of ____ merging on the ____?
 Can ____ car ____ a ____ merging?
 I am wondering if I ____ a ____ the ____ merging situations.
 How ____ is ____ acceleration of ____ car ____ merge?
 What speed do I ____ my ____ the highway?
 ____ am ____ type of speed ____ in highway merging situations.
 ____ does ____ accelerate when ____?
 ____ accelerate ____ little more quickly when merging onto ____?
 ____ if ____ have a expectation ____ car to accelerate ____ merging situations.
 ____ I have ____ the car's acceleration during ____ situations?
 ____ is the ____ like ____ joining highways ____ a ____?

Is it _____ car _____ accelerate _____ tad _____ merging onto the _____?

Is _____ car fast enough _____ mergers?

Can _____ a _____ merging onto the highway?

_____ car able to _____ fast _____ a _____?

When merging _____ highways, _____ fast _____ this _____ up _____?

_____ of _____ do I think _____ car _____ capable _____ reaching when merging _____?

_____ know if _____ car _____ to _____ highway merging situations?

What sort of _____ do _____ think my _____ when _____?

_____ merging _____ how _____ does this _____ get?

_____ I expect _____ accelerate _____ highway merging situations?

_____ is _____ acceleration during a _____ merge?

_____ this car _____ a _____ when _____ onto _____ highway?

_____ there _____ chance _____ decent _____ rate for highway _____?

How fast can _____ when _____ into _____?

Is the _____ acceleration adequate _____ highways?

Is the amount _____ to increase during _____ highway _____?

When _____ what is _____ deal _____ the _____ acceleration?

_____ can _____ car go after _____?

_____ expect _____ acceleration out _____ while _____ am trying to merge?

How _____ will this _____ when merging _____ highway?

_____ car's speed _____ to rise during highway _____?

Is _____ car's _____ of speed going to go _____ merging _____?

Is _____ of _____ going _____ the highway _____ situation?
