

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Specific source information
Description	Customers ask for specific information about the mix of generation sources used by their supplier, such as the breakdown of wind farms, solar installations, or specific power plants, to align their preferences with their energy provider's practices.
Data Size	7,988 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are ____ or ____ technologies ____ part of ____ Supplier's generation ____?

Do ____ use ____ and ____ for ____ methods?

____ technologies available for ____ electricity?

I ____ know if ____ tidal ____ are available ____ electricity.

Did ____ use wave ____ tidal ____ to ____?

____ use wave ____ tidal ____ for ____ electricity?

Is ____ any ____ of ____ or tides to ____ electric ____?

Do you use tidal ____ tech ____ generation ____?

Have ____ wave ____ in ____ generation?

Do ____ use ____ waves?

____ you ____ by ____ tides ____ waves?

____ the ____ generate power ____ tidal/wave ____?

Is ____ used for ____?

Does the process ____ generating ____ or tidal ____?

____ you ____ and waves ____ your Electricity ____?

Are ____ for electricity generation?

____ and ____ processes involved ____ energy production?

____ tide-wave ____ in generation?

____ or waves ____ used ____ generating ____?

____ tides ____ waves ____ in ____ generation?

Does the supplier ____ production?

Are you ____ technologies to ____ power?

____ electrical ____ use ____ and waves ____ create ____?

Do electrical suppliers ____ tides when ____?

____ your ____ using wave or tidal ____?

Is the supplier ____ to ____?

____ wave or ____ used ____ power?

Do ____ or wave ____ play ____ in the ____ process?

_____ tides/ waves for electricity?

_____ suppliers _____ tides/waves.

Is _____ electricity generation?

Is _____ used in _____?

_____ tides _____ to generate _____?

_____ wave power being _____ in generating _____?

Do you use tide _____ methods _____ electricity _____?

Is the tide and _____ tech integration _____ part _____?

_____ tides employed to _____?

_____ wave or _____ part of _____ energy _____ process?

_____ do _____ supplier do with _____ wave _____?

_____ you able to _____ if your power generation _____?

Electricity _____ do _____ use _____ tidal _____?

Do you _____ wave _____ to produce _____?

Does _____ generate _____ wave tech?

_____ tides used _____ power _____ purposes?

Do _____ if your _____ generation uses _____?

Use _____ by _____ suppliers?

_____ or _____ generate electricity?

Are _____ tides and _____ of _____ generate electricity?

Do you generate _____ by _____?

Is the integration of _____ and wave _____ process?

Is there _____ of _____ or _____ electric needs?

Does the supplier _____ technology _____?

_____ waves and _____ processes _____ of _____ energy _____?

_____ waves for energy production?

_____ electrical _____ use waves _____ tides for _____ energy?

_____ suppliers' _____ process may _____ tidal _____ technologies.

_____ you _____ electricity _____ tidal technologies?

_____ you _____ tidal/wave techniques are _____ electricity production process?

Is the _____ and wave tech _____ process possible?

Are _____ tides and _____ electricity at your _____?

Do _____ suppliers _____ tides _____ waves to produce _____?

Waves _____ techniques can _____ in electricity _____ methods.

_____ can be _____ by _____ suppliers.

If _____ techniques are _____ into your electricity _____ me?

Do power _____ utilize _____?

Is using tidal _____ wave _____ a _____ elec?

_____ be integration _____ tide _____ tech _____ an Electricity _____ process.

_____ Suppliers use waves _____ power generation _____?

Waves _____ be _____ generate electricity.

_____ the electricity supplier use _____ tidal _____?

Are _____ wave _____ utilized for _____?

Are _____ used to _____ power here?

_____ electricity _____ at _____ company using methods _____ and _____?

_____ to use tides or _____ supply _____ needs?

_____ or wave _____ are _____ electricity production methods.

Do you _____ tides _____?

_____ tide/ _____ methods fit _____ generation?

Are wave _____ processes used _____?

_____ use of waves to _____ needs?
 _____ it _____ that _____ are used in electricity _____?
 _____ tidal or _____ used _____ power _____?
 Does _____ supplier _____ wave/ _____ to produce energy?
 Can you tell _____ if _____ wave and _____ for _____?
 Should _____ supplier _____ electricity?
 Are _____ or tide technologies _____ into your _____?
 _____ and _____ in _____ production?
 _____ tidal technologies _____ for generating _____?
 _____ wonder if _____ use _____ or tidal _____ for _____.
 _____ know if tidal/ _____ used in your electricity production _____.
 _____ you using _____ or _____ make electricity _____?
 Electricity supplier _____ tidal or _____ technologies _____
 _____ use wave _____ tidal _____ for generating _____?
 _____ you _____ if waves _____ used in generating electricity at _____?
 _____ tide-Wave tech _____ generation?
 Are electricity generation _____ tides _____?
 _____ producing energy, do _____ use waves _____?
 _____ you _____ if _____ wave techniques are _____ in _____ production process?
 _____ power company _____ or _____ tech?
 _____ it _____ use _____ and tidal sources _____ electricity?
 Can _____ tell _____ you use tidal/wave _____ for _____?
 _____ you use _____ tidal technologies _____ generating _____?
 _____ use _____ for power generation?
 _____ tidal/ wave _____ used by the _____ generate _____?
 _____ harness _____ tides and waves for _____ power?
 Is wave _____ tidal _____ power?
 _____ the _____ part of the way _____ electricity?
 Are wave or _____ involved in _____?
 Did you _____ technology in your _____ generation _____?
 _____ Suppliers _____ waves for power _____?
 _____ suppliers _____ tides?
 Is it _____ use tides?
 _____ wave or Tidal techniques _____ electricity production _____.
 _____ and _____ to generate electricity?
 If _____ techniques are included _____ your _____ process, _____ you _____ me?
 _____ use wave/ _____ tech to generate _____?
 _____ you _____ tidal techniques in _____ electricity _____ techniques?
 _____ to utilize tides _____ waves for electricity?
 _____ Suppliers _____ tidal _____ wave technologies?
 _____ waves _____ tides part _____ how you _____?
 _____ the _____ wave tech _____ generate power?
 _____ power _____ to make electricity?
 Is _____ electricity _____ your _____ methods _____ as tides and _____?
 _____ wave or _____ being _____ in _____ electricity?
 _____ using _____ tidal technologies in _____ electricity generation _____?
 Are wave and _____ included in _____ production?
 Are tide and _____ electricity _____?
 _____ power with tidal _____ wave _____?
 _____ power generation _____ wave and _____?

Electricity suppliers _____ waves _____ tides _____ power generation.

_____ the supplier _____ tidal _____ to _____.

_____ and waves utilized _____ production?

Can _____ include wave or tidal techniques?

_____ you integrate tide/wave _____ generation?

Is tides _____ waves _____ in _____?

Should tidal and _____ technologies _____?

_____ does _____ electricity _____ incorporate tidal/ wave technologies?

_____ tidal technologies play _____ part _____ your electricity generation _____?

Do _____ use tidal _____ wave _____ sources _____ electricity?

_____ you using _____ tidal _____ generate power?

_____ suppliers _____ waves and _____ generate power?

_____ wave _____ for generating power?

Is _____ techniques in _____ electricity _____?

_____ you able _____ confirm if _____ wave _____ tidal technologies?

_____ you _____ electricity by _____ tides _____ waves?

_____ tides _____ generating electricity?

_____ don't _____ if tides and waves are _____.

I want _____ wave _____ are _____ in electricity production.

Are _____ waves in your _____?

Will wave or _____ be _____ electricity?

Is _____ or tide _____ your _____ production _____?

Is tidal _____ wave technologies _____ generation process?

_____ or tidal technology _____ generation?

Have _____ used _____ or tidal _____?

Is tidal _____ generating electricity?

_____ you _____ wave _____ technologies _____ electricity generating?

_____ and wave _____ processes part _____ the _____ production?

In _____ methods are tidal _____ techniques?

Are _____ suppliers using _____ or _____?

Electricity _____ may _____ tides _____ waves.

Do _____ use _____ or tidal _____ power?

_____ tides _____ waves _____ your company to _____ electricity?

Integration of tide _____ wave _____ Electricity _____ process?

Do _____ use _____ and _____ to create _____?

_____ you _____ wave _____ power to _____ electricity?

_____ tide _____ wave _____ part of the _____ production _____?

_____ your electricity production _____ by a Tidal/Wave setup?

_____ possible _____ your power generation _____ tidal technologies?

_____ do _____ use _____ and wave _____ generation process?

Are you using the _____?

_____ are either _____ or _____ techniques _____ electricity _____ methods.

Are _____ waves and _____ for _____?

Do _____ harness _____ power _____ waves _____ tides _____ electricity?

_____ waves _____ used to generate _____?

Is _____ methods into electricity generation?

Do _____ tide methods to _____ electricity?

Do _____ know if your _____ or _____ technologies?

_____ methods linked to _____ waves?

_____ know if tidal/wave techniques are _____ your electricity _____?

_____ wave and _____ tech _____ by _____?

Electricity Supplier's generation _____ might _____ or _____.

Are you using _____ and _____?

Do _____ wave technologies in the _____ generation _____?

Do you _____ from tides _____?

_____ electricity _____ influenced _____ tides _____ waves?

_____ the supplier _____ power using _____?

_____ use _____ wave _____ for generating power?

_____ Tidal/Wave setup _____ is _____ electricity?

Electricity _____ wave _____ tidal _____ in _____

_____ can be _____ by _____ waves.

Have _____ tide _____ wave _____ generate electricity?

_____ tides _____ of _____ generation _____?

_____ it _____ supplier uses _____ tech _____ generate power?

Is _____ use _____ tide or _____ methods included _____ production _____?

Your electricity production _____ tidal _____ techniques.

Does anyone know _____ is any usage _____ tides _____?

Are _____ methods _____ electricity generation?

Do you _____ wave _____ your _____ process?

The _____ might use _____.

The integration of tide _____ tech _____ Electricity Supplier.

It's _____ to _____ or _____ in electricity production.

Are _____ processes _____ of your power production?

_____ does _____ electricity _____ tidal/wave technologies?

_____ wave _____ tide _____ electricity generation?

Is _____ tidal _____ tech involved _____?

_____ guys are using _____ to make _____?

_____ you _____ your power _____ waves or _____ waves?

_____ guys are using waves _____ generate _____?

Is _____ or _____ methods _____ your _____ generation process?

Are _____ waves _____ generate electricity?

Is _____ tech _____ in _____?

I _____ like to _____ if tidal/ _____ in your production _____.

Is _____ process of generating electricity _____ tidal _____?

Do you _____ tide/ _____ generation?

Is _____ for making electricity?

Do you use _____ tidal/wave _____ for _____ of _____?

Do _____ waves _____ tides for _____ generation?

_____ the _____ and Tides _____ electricity?

How does _____ supplier _____ and wave _____?

The supplier _____ use _____ generate _____.

_____ you use tidal _____ sources for _____ electricity?

_____ there any tidal/wave _____ into _____ electricity _____ process?

_____ electrical suppliers _____ and tides _____ creating _____?

_____ wave _____ to _____ electricity?

Is _____ the _____ for electricity?

Is _____ possible to _____ the _____ of _____ or _____ for _____?

Is tidal _____ based process _____ of _____ production?

_____ electric supplier use wave _____?

_____ need _____ if _____ incorporated _____ your electricity production process.

Waves _____ tidal techniques _____ used in _____.

_____ electrical _____ tides and _____ energy?

_____ tides and waves part _____?

_____ tides and waves _____ generation?

Are _____ technologies _____ power generation?

_____ electrical _____ waves and _____ generating energy?

Are the _____ tides _____ producing _____?

_____ tide/ wave methods _____?

Are wave _____ power _____ electricity?

Are wave and tidal methods _____?

_____ like tides _____ used to generate _____ your company?

Electricity _____ has a _____ tidal _____ wave technologies.

_____ use wave _____ tidal _____

Do _____ technologies play _____ part _____ your _____ generation process?

_____ tell me _____ wave _____ are used _____ the electricity production _____?

Are _____ or tides _____ electricity happen?

Do wave or _____ part _____ your _____ process?

Electricity _____ tidal _____ wave _____ their generation process.

Do you use wave _____ in your _____.

_____ you _____ wave/ _____ electricity generation?

Do _____ waves _____ tides?

Are _____ technologies involved in _____ power production _____?

Do you use wave _____ power?

Do _____ wave or _____ related methods in _____ production _____?

_____ possible that _____ uses the tides _____ electricity?

_____ you _____ tides _____ waves to create _____?

_____ you _____ wave _____ electricity generation?

_____ electrical suppliers use _____ technologies?

_____ you use tidal _____ technologies in _____ power _____?

Is _____ energy part _____ the _____ generate electricity?

Does _____ process _____ electricity _____ or tidal methods?

Does _____ supplier _____ and tidal _____ to generate _____?

Is the _____ Electricity Suppliers for _____ generation?

_____ Suppliers use waves and _____ reasons.

Let me know _____ are included _____ electricity _____ process.

_____ tide _____ wave technologies fit into _____ production _____?

_____ you tell _____ your power _____ uses _____ technology?

_____ electricity production _____ tidal or _____ techniques are _____.

Electricity _____ wave technologies _____ part _____ process

_____ the tide _____ wave-related methods _____ in _____ production _____?

Do electrical _____ with waves _____?

_____ or _____ techniques can _____ used in your _____ methods.

Did you _____ wave or tidal _____ generation _____?

_____ the waves and _____ for _____?

_____ using _____ tidal sources _____ generating power?

_____ wave _____ tidal _____ part _____ the _____ generation process?

Electricity suppliers _____ and _____ in _____ process.

_____ wave or tidal technologies _____?

Are _____ waves used _____ produce _____?

_____ companies use wave _____?

Is tides and waves _____?

_____ Electric _____ use wave _____ energy production?

Is _____ any _____ for _____ wave power _____ generating _____?

You _____ wave or _____ your electricity production methods.

Is it _____ that _____ Suppliers use _____ technologies?

Will _____ technologies power Electricity _____?

_____ and tide technologies _____ power _____?

_____ the _____ use wave _____ tech?

_____ employed _____ generate electricity?

_____ waves, tides used _____ purposes?

Is _____ waves _____ by you _____ produce _____?

Electricity _____ use wave _____ tidal _____

Are _____ tidal processes included _____?

_____ possible that _____ are used in _____ electricity?

Are _____ and waves _____ generate electricity?

Do _____ if tides and waves are used _____ electricity _____?

_____ it _____ to use tides/waves to _____?

Do electrical _____ waves and _____ generating _____?

Are _____ tidal _____ used _____ Electricity _____ generation process?

Is _____ wave _____ of your _____ production _____?

Do _____ suppliers _____ tides _____ produce energy?

Are _____ electricity _____ waves or _____?

Do _____ suppliers use _____ and _____ when _____ produce _____?

_____ utilizing wave _____ tidal sources _____ generating _____?

_____ tech _____ in generation

Is tides _____ part of _____?

_____ wave _____ tide _____ included _____ power production _____?

Is there integration _____ tech into _____ Electricity _____ process?

It's possible _____ wave or _____ techniques.

_____ waves _____ tides to _____ electricity?

Do electrical suppliers _____ produce energy?

Does _____ know _____ we _____ tides or _____ to supply _____ needs?

Does _____ of generating electricity _____ or _____ methods?

Is the _____ of _____ wave _____ into an _____ process.

Do _____ technology _____ electricity purposes?

Do _____ use tides _____ electricity?

Do _____ companies _____ tidal _____ technology?

_____ curious _____ wave techniques _____ incorporated _____ your electricity _____ process.

_____ incorporated wave and tide _____ electricity _____?

_____ Supplier's _____ might include tidal _____ wave _____.

_____ tide- wave _____ generation?

_____ wave or _____ techniques in _____ production methods?

Do _____ wave _____ tidal technology _____?

Is _____ and wave _____ included in _____ Supplier's _____?

Are you _____ wave _____ technologies in _____?

_____ your _____ generation _____ or tidal technologies?

_____ supplier using _____ generate power?

_____ for producing electricity?

Are _____ and _____ part _____ your power _____?

_____ harness the _____ of _____ and _____ for _____ electricity?

Are wave _____ processes _____ of your energy _____.

How _____ your _____ supplier _____ technologies such _____ tidal?

_____ the _____ methods such as tides _____ waves to _____?

I need to _____ tidal/ wave _____ electricity production.

Do _____ use Wave _____ generating _____?

_____ generation methods might _____ waves.

_____ the _____ waves for electricity?

_____ tidal _____ wave _____ the energy generation process?

_____ use wave or _____ techniques in the _____?

Is _____ and _____ of _____ energy production?

_____ electric _____ use _____ like tidal/wave?

_____ tide/wave methods _____ generation?

_____ you consider wave and tidal _____ to _____ production?

Are _____ or Tides used _____?

Are _____ or _____ methods part of _____ generation _____.

Electricity supplier _____ wave or _____ technologies as _____ their _____

_____ tidal or _____ for generating electricity?

_____ the _____ and wave methods _____ in _____ energy production _____?

_____ electricity _____ tides or waves?

_____ generation methods may include _____.

_____ to know if _____ are incorporated into _____ production process.

_____ use either wave _____ tidal _____ power generation?

_____ tidal or wave _____ as _____ of _____ generation process

_____ wave _____ tidal technologies _____ generation

_____ tides utilized _____ electricity?

_____ tide _____ wave _____ used _____ power _____?

Do _____ tidal/ wave sources _____?

Are the _____ used _____?

Is the wave _____ used _____ generating _____?

_____ the _____ of _____ tech a part _____ Electricity Supplier's process?

Were tidal/wave _____ electricity _____ process?

_____ any use of _____ or tides _____ supplying _____?

Are _____ and _____ used _____ electricity?

Is tidal _____ used _____ electricity.

_____ does your _____ do _____ and tidal technology?

_____ may use _____ tidal technology.

_____ the _____ supplier _____ tidal/ wave _____ for energy _____?

_____ tides and waves _____ the _____ generation methods?

Are the tides and _____ of _____?

_____ it _____ tides/waves _____ your _____ process?

_____ electric _____ might use _____.

Are you using _____ tech _____ electricity?

I _____ wondering _____ generation involves _____ wave _____ tidal technologies.

_____ and _____ in _____ production of electricity?

_____ a _____ setup for _____ production?

Is _____ done through _____ and _____?

Did _____ into generation?

_____ using tidal/ wave _____ generate power?

Is tidal/wave technology _____ the _____.

_____ electricity _____ are tides _____ used?

There are _____ used in _____ production.
 _____ use tidal/ wave _____ electrification?
 _____ the use of tide or _____ in _____ production _____?
 Are you employing _____ technologies _____ electricity generation _____?
 Do _____ use _____ tech for _____ electricity?
 Is _____ wave or _____ tech?
 Do tides _____ work _____ generating _____ at your _____?
 Power suppliers _____?
 There are tidal or _____ production.
 _____ you _____ tidal technology in your power _____?
 Please tell _____ techniques are _____ your electricity _____ process.
 I _____ to _____ if _____ involves using _____ or tidal _____.
 Does _____ power _____ or tidal _____?
 _____ tidal/ wave sources _____ generating _____?
 Electricity _____ use _____ and _____?
 Are tide _____ power production?
 _____ and _____ methods involved in _____ generation process?
 Is _____ use _____ by power _____?
 _____ Electricity Suppliers _____ tidal technologies?
 _____ suppliers _____ tides?
 Do _____ know if wave and _____ technologies _____ generating _____?
 _____ for producing electricity?
 Are the _____ used _____ generating _____?
 I am _____ wave _____ included in _____ electricity production _____.
 Is _____ any _____ of _____ in supplying electricity?
 Should _____ and _____ technologies _____ in electricity _____?
 Did _____ guys _____ tides _____ make electricity?
 _____ energy used _____ generate _____?
 _____ generating _____ tides _____ waves part of the _____?
 _____ tides _____ waves be _____ in _____?
 _____ tidal methods _____ part of _____ generation process?
 _____ the _____ use _____ for _____ power?
 _____ use tidal or wave _____?
 _____ tides and _____ of the _____ generation _____?
 _____ you _____ if your electricity supplier _____ tidal/ _____?
 Are wave _____ power _____ generating _____?
 _____ there _____ of tides _____ to _____ electric needs?
 _____ any _____ of tides or waves for _____?
 _____ or _____ power used _____ power?
 Does _____ of generating electricity _____ or _____ elements?
 _____ use of tides _____ give our electric needs?
 Electricity supplier's generation _____ wave _____ tidal _____.
 _____ power _____ methods incorporate tide or _____?
 Is _____ electricity by tides or _____?
 _____ used for generating power?
 _____ true that electricity suppliers use _____ and _____?
 _____ tide/ wave _____ in _____ generation?
 _____ using tides _____ make power?
 Do you know _____ we use _____ needs?
 Is _____ to utilize _____ generating power?

_____ electric supplier use _____ technology _____ production?
 _____ technologies _____ for generating _____?
 _____ possible to use tides and _____ supplying _____?
 _____ wave or tidal _____ to _____ power?
 Do you know _____ tides or _____ in _____ electric _____?
 Are _____ to _____ electricity?
 Are tides _____ producing _____?
 Are tidal _____ methods part of _____ generating _____?
 _____ or _____ used _____ electricity generation?
 How _____ tidal/ wave technologies?
 Is _____ wave _____ integration in an _____ process?
 _____ tidal and _____ technologies incorporated _____ generation process?
 _____ usage _____ tides _____ to supply electric needs?
 _____ possible that wave techniques are _____ into _____ production _____?
 _____ you _____ by _____ tides?
 _____ using wave _____ or _____ a way _____ elec?
 _____ is integration _____ tech into an Electricity _____ process.
 _____ you integrate _____ methods _____ electricity _____?
 _____ your _____ tides and waves?
 _____ waves or _____ used in _____?
 _____ you using _____ technologies in _____ electricity generating _____?
 _____ electricity suppliers _____ wave or _____?
 _____ know of _____ use _____ in supplying electric needs?
 Waves _____ may _____ used _____ electricity.
 Do _____ Electric _____ and tidal _____?
 Have _____ tide/wave _____ into electricity _____?
 Will _____ or tide _____ be integrated _____ power _____?
 _____ electricity _____ done _____ and tides?
 _____ you use tides and _____?
 _____ considering _____ into electricity generation?
 _____ tide _____ into an Electricity _____ process is _____ possibility.
 _____ suppliers _____ tides/ _____?
 _____ tides _____ waves are _____ generation methods.
 _____ using _____ science a way that _____?
 Are tides _____ waves _____ in _____?
 _____ the generating _____ wave techniques?
 Do you _____ tidal _____ to _____ electricity?
 _____ use waves _____ generating electricity?
 Do _____ either _____ or tidal tech for _____?
 _____ using _____ and tidal technologies?
 _____ or tidal technologies to _____ Electricity?
 Is _____ possible _____ electrical _____ incorporate _____ and _____?
 Is _____ you to produce _____?
 _____ waves _____ used for _____ generation?
 Is generating electricity from the _____ of _____?
 _____ Tidal _____ Wave technologies used _____?
 _____ tides and _____ part _____ electricity method?
 Are you _____ or tides _____?
 _____ use wave _____ technology?
 Is _____ being _____ tides _____ waves?

_____ suppliers utilizing the _____?
 _____ tide or wave technologies _____ production methods?
 Do you _____ or waves to generate _____?
 Do you _____ use _____ or _____ electricity?
 Are _____ or _____ for _____ generation?
 _____ use waves _____ tides when producing _____?
 Will _____ power _____ the _____?
 Do _____ use tidal _____ produce electricity?
 How _____ your _____ use wave _____ tidal _____?
 I _____ curious _____ the _____ uses waves _____.
 Do you _____ waves for _____?
 _____ know _____ supplier uses the _____ for electricity?
 _____ wave and _____ for generating electricity?
 Does generating electricity include _____.
 Does _____ generating _____ electricity _____ techniques?
 _____ generating electricity _____ or waves?
 Are _____ or _____ technologies a _____ of _____ power _____?
 Can _____ tell _____ if _____ power _____ wave technology?
 _____ you using _____ and _____ to make _____?
 Are waves _____ in the _____ of _____?
 Are they _____ to generate _____?
 The supplier _____ use the _____.
 Is generating _____ or _____ part of it?
 _____ you know _____ your power _____ wave or _____.
 _____ you _____ wave and tidal _____ generate _____?
 Is _____ possible _____ suppliers use _____?
 Is the _____ tide _____ integration into _____ Supplier's _____?
 Is power companies _____ or _____?
 Are tidal/wave _____ in _____ production _____?
 Is _____ integration _____ tide and wave tech _____ process?
 Do _____ use _____ tide _____ your electricity generation?
 Electricity Supplier's generation _____ may _____ wave _____.
 Is wave _____ tide tech integrated into _____?
 Were _____ or _____ methods _____ energy generation process?
 Are you _____ electricity _____ waves.
 _____ tides and _____ electricity generation _____?
 _____ you use _____ tech for _____?
 _____ Electricity Supplier's _____ process _____ include tidal or _____.
 _____ wave _____ technology fit into your _____ process?
 Do _____ and waves for _____ generation?
 Do _____ use _____ tides _____ create electricity?
 Is the energy _____ the tides and _____?
 _____ you consider _____ and wave based _____ in _____?
 _____ the process _____ generating _____ include _____ tidal techniques?
 Are _____ waves to _____ electricity?
 _____ any Tidal/ Wave _____ powers your _____ production?
 Maybe _____ tides/waves for _____?
 _____ you _____ to _____ electricity?
 Do _____ wave techniques in electricity _____?
 _____ use methods like tides _____ for _____ power?

____ you tell ____ if ____ use ____ for ____ power?
 ____ using wave science ____ sources a way ____?
 Does ____ know if ____ use ____ or ____ electric needs?
 Electricity ____ or wave technologies.
 Are waves, tides ____ by ____ for ____?
 ____ technologies can be used to ____.
 ____ you generating electricity ____ or ____?
 ____ the ____ generate power?
 ____ about ____ or tidal ____ your generation ____?
 ____ Electricity ____ use wave and ____?
 Are you ____ tides ____ make ____?
 ____ use wave ____ for ____ electricity?
 ____ you ____ of waves ____ tides to generate ____?
 Do ____ tidal ____ in generating electricity?
 Do ____ use tides ____ wave ____ power?
 Do the ____ for ____?
 ____ Electricity ____ wave ____ tidal technologies?
 ____ Electricity Supplier ____ wave technologies?
 ____ waves ____ producing electricity?
 ____ tides and waves ____ in ____?
 Do you ____ for generating electricity?
 ____ wavespart of ____ generation methods?
 Did the ____ use methods like ____ waves ____?
 ____ electricity ____ using wave or ____?
 Is ____ tide-wave tech ____ the ____?
 ____ the ____ part of ____ energy generation process?
 Would ____ suppliers use wave ____?
 I'm ____ the supplier uses ____ waves for ____.
 ____ you ____ or tidal ____ generating electricity?
 I'm wondering ____ are ____ your electricity production ____.
 ____ and ____ energy generation methods part of ____?
 Do you ____ wave ____ technologies ____ generation?
 Was tide-wave ____ involved ____?
 How is ____ into your ____?
 Are ____ generating power?
 Does ____ or wave techniques ____ part ____ electricity?
 How does ____ supplier ____ with wave ____ technologies?
 Do ____ use wave or tidal ____?
 tide and ____ integration into ____ Supplier's ____?
 Did ____ in electricity generation?
 ____ wave ____ technologies ____ can generate electricity?
 Have ____ wave ____ electricity generation?
 ____ wave ____ tidal technologies ____ generate ____?
 ____ the ____ uses tides/waves for electricity?
 Does ____ generating ____ include waves?
 ____ suppliers use wave ____ tidal ____?
 ____ you tell me ____ the ____ process ____ techniques?
 Is ____ of ____ methods?
 Are ____ electricity ____ tides or ____?
 ____ tidal or wave ____ generation?

_____ process of generating _____ wave or _____ techniques?

_____ incorporated tide/ wave _____ into _____?

Are tides _____ waves _____ of _____ generating electricity?

_____ the _____ power _____ tidal tech?

_____ wave _____ for generating electricity?

Waves or tidal _____ used _____ production.

_____ to integrate tide and _____ tech _____ their process.

_____ generation process _____ or wave technologies

Do _____ use _____ tidal sources _____ power _____?

The process _____ has tidal or _____.

Are _____ methods part _____ energy process?

Are you _____ or tidal _____ electricity _____?

Do the _____ use waves _____ tides to _____?

_____ suppliers _____ tides/ waves?

_____ and wave technologies _____ suppliers?

Do _____ if _____ generation uses _____ or tidal _____?

What extent _____ you use _____ and _____ sources _____?

Is tides and _____ part _____ electricity _____?

Is tidal _____ power _____ in _____.

Are tide and waves _____?

_____ wave _____ associated with energy _____?

Do you _____ or _____ into your _____ production _____?

_____ you _____ wave or _____ technology _____ generating _____?

Any _____ waves _____ tides for _____?

_____ supplier _____ wave technology for energy production?

Should you _____ wave _____ sources _____ electricity?

_____ use the _____ for generating electricity?

_____ or _____ used for generating electricity?

_____ the supplier _____ for electricity?

Should _____ suppliers _____ and tides to _____?

_____ are included _____ your _____ production process, _____ me know.

Does _____ and tides for _____ generation?

_____ tidal _____ wave technologies?

Are _____ and _____ processes part _____ energy production?

_____ power suppliers _____ waves?

_____ use tidal/wave _____ to generate _____?

_____ you use wave or tidal _____?

Is _____ way of producing elec?

Do you _____ if _____ supplier _____ tides _____ electricity?

_____ tidal/ _____ by the Electric _____?

_____ and _____ tech into their process.

_____ you use wave _____ tidal power _____ process?

_____ possible _____ suppliers to _____ the tides?

_____ waves, tides _____ by _____ for _____ generation purposes?

Is tides/ _____ by _____ electricity?

Would _____ use tides _____ waves _____ make _____?

_____ you _____ if _____ generation is using wave _____ technologies?

_____ or _____ processes a part of _____ energy _____?

Are _____ based _____ in your energy _____?

_____ supplier's generation _____ uses _____ wave _____

_____ use _____ electricity generation?
 _____ the power _____ for generating electricity?
 Electricity suppliers _____ tides _____ power
 Are _____ and waves _____ of _____ methods?
 _____ waves, _____ used by _____?
 Is tides and _____ Electricity _____?
 Is there _____ waves by _____?
 _____ are _____ or _____ used _____ electricity production.
 _____ wave or tidal _____ for _____ generating?
 Tidal or wave techniques _____ methods.
 Are _____ using _____ and tidal _____?
 _____ wave and tide _____ in _____ production _____?
 _____ possible integration _____ and _____ into an Electricity Supplier's _____.
 Did _____ include _____ methods _____ generation?
 _____ are _____ techniques in your electricity production _____.
 _____ and waves used _____ production.
 _____ Electricity Suppliers using wave _____?
 Is tides _____ of _____?
 Do _____ know if _____ use _____ supply _____ needs?
 Is there _____ usage of tides and _____?
 Tidal _____ technologies are _____ suppliers.
 _____ if your _____ is _____ wave or tidal technologies?
 Should _____ and _____ on-board for _____ electricity?
 Are _____ or _____ generate electricity
 Do _____ the power _____ tides _____ waves _____ to generate _____?
 I wonder if _____ tides _____ electricity.
 Do _____ methods _____ tides and _____?
 Can electricity _____ use _____ tidal _____?
 Is the integration _____ into _____ process _____ an electricity supplier?
 Does _____ electric _____ technology like _____?
 Is _____ and tidal _____ for _____?
 _____ tidal _____ wave methods _____ part _____ energy _____ process?
 _____ electricity _____ tides and _____?
 _____ you _____ tidal _____ wave _____ power generation?
 _____ there a _____ tides _____ electricity?
 Are _____ tides for _____?
 _____ your _____ supplier _____ tidal/ wave _____?
 Is _____ of tide and _____ tech into _____ process?
 Is tides and _____ generation?
 _____ or tide-related methods included _____ your energy _____?
 Is there _____ of _____ wave _____ an _____ supplier's process?
 _____ use the _____ and tides for _____?
 _____ tidal _____ technology used in _____ electricity generation _____?
 _____ use _____ tides or _____ part of generating _____?
 _____ you _____ tidal _____ methods _____ of _____ energy generation process?
 Do you use _____ wave or _____ to _____?
 _____ power is used _____ generating _____?
 Does _____ use tidal _____?
 _____ wave _____ power used _____ generating _____?
 _____ be _____ to _____ electricity.

Is _____ Tidal/Wave setup _____ powers _____ production?
 _____ using _____ or tidal technologies?
 _____ Suppliers use _____ or _____ technologies?
 _____ you _____ wave _____ technology for electricity _____.
 _____ tide and _____ part _____ methods?
 Are _____ used to _____?
 Do you use _____ of waves and _____?
 Can _____ tell _____ if your power _____ or _____ technology?
 _____ or Tides are _____ for _____?
 Are _____ methods included in _____ energy production _____?
 Do Electricity _____ or _____ power?
 _____ power company _____ tidal or _____?
 _____ and _____ tech integration into _____ Electricity Supplier's _____?
 Are tide-wave _____ used _____?
 Power _____ waves and _____?
 _____ suppliers _____ tides or _____?
 _____ generating electricity _____ waves _____ of _____?
 Do _____ use tide or _____ technologies _____?
 _____ tidal/wave techniques _____ used in your _____.
 _____ you know if we _____ tides to _____?
 Electricity Suppliers _____ wave _____.
 _____ your _____ production methods _____ either tidal _____ techniques.
 Do you know _____ involves wave _____ tidal _____?
 _____ technologies integrated into _____ production methods?
 Is wave _____ part of _____?
 _____ the _____ to _____ waves for electricity?
 _____ wave _____ tidal _____ parts of your _____?
 _____ and _____ part of your _____?
 _____ tidal or _____ based sources to _____ electricity?
 _____ you _____ waves _____ generate _____?
 Do _____ electricity _____ wave or tidal _____?
 Are _____ or _____ methods _____ generation?
 Is _____ any _____ or waves in _____ our electric _____?
 Can you tell _____ wave technologies are used in _____?
 _____ harness the _____ for generating _____?
 _____ supplier utilize waves _____?
 _____ or _____ technologies to generate electricity?
 Do the process _____ generating _____ tidal techniques?
 _____ electricity supplier do _____ tidal/ wave _____?
 _____ Suppliers utilize _____ and _____ technologies?
 _____ the supplier make _____ using _____?
 Do you use the _____?
 Are the _____ waves _____ your _____?
 Electricity _____ use tides and _____.
 Are _____ tides utilized in _____?
 _____ use wave or _____ technologies in _____?
 Is _____ or wave methods _____ energy _____?
 Are _____ waves _____ electricity?
 _____ suppliers _____ tides/waves?
 _____ you use _____ generating power.

____ there any ____ use for electricity ____?
 ____ wonder ____ the ____ uses waves ____?
 I ____ like ____ if ____ electricity production ____ wave techniques.
 ____ wave ____ tide technologies ____ in ____ power ____ methods?
 ____ tide and wave tech ____ an Electricity ____.
 Does the ____ make power ____?
 ____ or ____ technologies integrated into ____ power production ____?
 Are you ____ using ____ waves.
 ____ wave or ____ technologies ____ in ____ production ____?
 ____ uses ____ in supplying electric needs?
 Do you ____ wave ____ tidal ____ in ____ generation ____?
 ____ or tides be ____ generate ____?
 Do ____ power ____ the tides ____ waves to ____ electricity?
 I ____ know ____ tidal/ wave ____ included ____ production process.
 Do the Electric ____ use ____ for ____?
 Electricity supplier ____ or ____ technologies ____ process
 Do ____ use ____ in your methods of ____?
 Is ____ technology ____ in ____?
 The ____ for electricity.
 The ____ of generating electricity ____ tidal ____ techniques.
 ____ using tides or ____ generate ____?
 ____ tide/wave methods ____ electricity ____?
 ____ electrical suppliers ____ tides and waves ____?
 Are tidal or ____ Electricity Supplier's generation ____?
 ____ does your ____ deal with tidal/ ____?
 ____ waves ____ tides ____ electricity generation methods?
 ____ wave and ____ technologies to generate ____?
 ____ wave ____ tidal ____ in ____ energy production?
 Is ____ into an Electricity supplier's process?
 tidal ____ are ____ in the ____ generating electricity.
 ____ tidal or wave ____ Electricity ____?
 Is your ____ production powered ____ Tidal or ____?
 ____ let me know ____ wave ____ in your ____ process.
 ____ use of tide ____ related methods ____ in the ____ strategy?
 ____ and ____ a part ____ generation?
 Are tides and waves part ____ generate ____?
 ____ extent ____ you use both ____ sources to generate ____?
 I would like ____ if ____ techniques ____ your electricity production ____.
 Electricity ____ tides and ____.
 ____ you use wave ____ tidal ____ energy?
 The process ____ generating electricity ____ wave and ____.
 Electricity ____ may ____ for ____ generation.
 Do ____ use ____ tidal technology ____ energy production?
 ____ you ____ wave or tidal ____ power ____?
 ____ tide/ Wave methods ____ generation?
 Are ____ generating electricity ____ waves ____?
 Do ____ use ____ tidal sources ____ generate ____?
 Can ____ tell me if ____ power ____ wave or ____?
 ____ do ____ know ____ electricity supplier is ____ tidal/wave ____?
 Do ____ use ____ and tidal ____ generating ____?

____ Generation methods ____ include ____ and ____.
 Is ____ possible ____ your power ____ involves ____ wave ____ tidal ____?
 ____ you ____ and tide technologies into ____ methods?
 What ____ the electricity ____ with ____?
 Can you tell me if ____ power ____ uses ____?
 Is tidal and ____ used ____?
 ____ tide ____ tech ____ into an electricity ____ process?
 Are ____ in ____ electricity methods?
 ____ waves used for ____ electricity?
 Are ____ and ____ processes ____ of an ____?
 ____ can use wave ____ techniques in ____ methods.
 Is there any ____ of ____ and ____ into an ____?
 ____ wave ____ used for ____ electricity?
 Do you ____ tidal power ____?
 Do Electricity ____ use ____ tidal ____?
 ____ wave and tidal ____ part of ____ generation ____?
 ____ you ____ if ____ power generation ____ wave or tidal ____.
 Is ____ used for generating ____?
 ____ know ____ your ____ production is ____ by Tidal/Wave?
 ____ wave ____ tide ____ part of your ____?
 Do ____ use ____ sources ____ power?
 Are ____ employed for ____?
 ____ supplier uses ____ tidal ____ in ____ generation process.
 Do you ____ or waves ____ generate ____?
 Are ____ used to generate ____?
 ____ use wave or tides ____?
 Is wave ____ used ____ generate ____?
 ____ process of ____ involves wave ____ tidal techniques?
 ____ it ____ that tides and waves ____ used in generating ____?
 ____ using ____ or ____ sources ____ power?
 Do ____ and ____ for electricity?
 Is ____ generation process ____ to ____ or ____ methods?
 Electricity ____ waves, ____ for generating ____.
 Are wave and ____ in ____ energy ____?
 ____ process ____ include wave and ____ technologies.
 Do you use ____ or ____ to ____ elec?
 ____ do ____ electricity ____ tidal/wave technologies?
 Are tidal or ____ used ____ electricity ____ process?
 ____ tell ____ if ____ power generation ____ wave ____ tidal ____.
 ____ to ____ tides/waves in supplying electric ____?
 Is ____ wave ____ way of ____ elec?
 Are tide-wave ____ generating?
 Will ____ used in ____ electricity generation process?
 Does ____ process ____ tidal ____ wave methods?
 Can ____ or ____ used to ____?
 ____ if ____ are ____ electricity?
 Is there ____ or waves ____ supplying electric ____?
 Is ____ and ____ power used ____?
 ____ you ____ that ____ power generation ____ wave or ____?
 ____ you ____ waves or tides.

Do you guys _____ to _____?

Are _____ waves and tides _____ methods?

Are wave _____ tidal technologies _____ electricity generation _____?

Do _____ use wave _____ tidal _____ in _____ power _____?

Would _____ if _____ and _____ technologies are _____ to generate electricity?

_____ electricity production done using _____?

Is tides _____ waves _____ part _____?

Do you use _____ techniques _____ methods?

_____ supplier might use tidal/wave _____ energy _____.

_____ there any integration _____ tech into an _____ process?

_____ you _____ waves to _____ Electricity?

_____ possible to incorporate wave or tidal technologies _____?

_____ Suppliers _____ technologies in their generation process.

_____ tides used _____ generate _____?

Is _____ that _____ suppliers use _____?

_____ or tides used _____ electricity?

Is _____ to _____ and waves to _____ our electric _____?

Any _____ of tides/waves _____ supply _____?

_____ if we _____ the tides/waves _____ supply our electric _____?

_____ would like _____ know if _____ techniques _____ into electricity _____.

Are _____ integrating _____ or wave into your _____?

_____ wave and _____ technologies in _____ generation process.

_____ process _____ generating _____ wave techniques?

_____ be _____ to generate electricity.

Do _____ suppliers use _____?

_____ it possible _____ the supplier uses _____ for _____?

Which tidal/ _____ electricity supplier _____?

_____ setup that power _____ electricity production?

Electricity Supplier's _____ may _____ use of wave or _____.

_____ you use _____ or tidal _____ to _____?

_____ tides and _____ utilized in _____?

Are the _____ make electricity?

_____ the _____ of _____ waves _____ in your energy _____ strategy?

Does the process _____ wave _____ tidal techniques?

Are tides _____ involved _____ methods?

Is tide or _____ in _____ energy production _____?

Electricity _____ may _____ influenced by _____ waves.

_____ you tell _____ if tidal/ _____ techniques are _____ production process?

_____ in electricity generation methods?

_____ the tides _____ used for _____?

_____ supplier might _____ tidal/wave _____ generate _____.

Electricity supplier uses _____ and _____

_____ the supplier _____ tidal tech _____?

_____ use tides _____ electricity?

_____ Suppliers might _____ and _____ technologies.

_____ suppliers use _____ or _____ technologies?

Are _____ and _____ for generating _____ your company?

Is _____ energy generation process _____ on _____ methods?

How does _____ electricity _____ incorporate _____?

_____ you _____ generating electricity?

_____ tides _____ in electricity?

_____ you _____ wave methods into _____?

Do _____ use tide _____ wave technologies _____?

_____ waves _____ in _____ generation methods?

Are _____ electricity _____ using waves _____?

Waves _____ tides utilization _____?

Is wave or _____ power _____?

Are there _____ Tidal/ _____ setup that _____ production?

_____ it possible to _____ or waves _____ electric needs.

Is your energy generation _____ tidal or _____?

Electricity suppliers _____ use _____ technologies.

_____ leverage tides for _____.

_____ you _____ sources for _____ power?

Electricity _____ tides _____ power _____ purposes?

Are tidal or _____ process of generating _____?

_____ any _____ of tides _____ Waves in _____ electric _____?

_____ wave and tidal methods part _____ your _____?

_____ you _____ to _____ if the supplier uses _____ waves _____?

_____ tides _____ at your _____ to generate electricity?

Do electrical _____ use _____ and waves _____?

_____ wave _____ are used for generating electricity?

Are you _____ sources _____ power?

Are the waves or _____ used _____?

_____ supplier uses tidal _____

_____ wave and tidal _____ produce _____?

Does the _____ of _____ wave or tidal _____

_____ you use _____ tidal electricity _____?

_____ using tides _____ waves to _____ electrical _____?

_____ electricity _____ use _____ and tidal _____?

Is _____ electric _____ using _____ technology _____ production?

Are _____ and Waves _____ electricity _____?

Is _____ and _____ integrated into the _____ supplier's _____?

Is part _____ your _____ generation _____ wave?

Please _____ your power _____ involves _____ wave _____ tidal technologies.

Can you _____ if _____ generation involves _____ or _____?

_____ waves _____ tides to make _____?

Is _____ waves _____ electricity generation?

Are electricity _____ wave _____ technology?

Are _____ tides _____ electricity _____?

_____ the use _____ and _____ electricity production?

Are _____ using tides _____ waves?

_____ and tidal technologies in _____ generation?

_____ techniques can be _____ in electricity _____.

Does the process of _____ any tidal _____?

Your electricity _____ any _____ setups?

_____ generation process _____ involve _____ or _____ technologies.

_____ use tidal _____ wave _____ for _____ generation?

If _____ are _____ in your _____ production _____?

_____ electric _____ use wave or tidal technology _____?

Do you _____ wave _____ tidal _____ for _____ electricity?

Does the ____ generation process ____ wave ____ ____ ?

____ there ____ use ____ and waves in ____ needs?

Do you ____ or ____ methods ____ electricity ____?

____ the methods used ____ generate ____ your ____ tides ____ waves?

Are waves ____ tides ____ electricity?

____ wave techniques ____ in ____ electricity production process?

Does ____ involve using ____ or wave ____?

Are y'all ____ electricity ____ tides?

Do ____ suppliers ____ tides and ____?

____ uses tides for electricity?

Are tides and waves ____?

Are ____ your ____ generation ____ using wave or tidal ____?

Is ____ use of waves ____ production?

Do you use ____ wave ____ technologies ____ electricity?

____ Electricity ____ wave ____ tidal technologies.

____ tide ____ waves ____ of ____ methods?

Is there any use ____ to ____?

____ employed in electricity production?

____ Supplier's ____ may use tidal or ____

____ if you use ____ or ____ for generating ____.

Are waves and ____ the ____?

Should tidal and ____ technologies ____ used ____?

Does the ____ technology?

Is there ____ and ____ tech ____ Electricity Supplier's process?

Did you incorporate wave and ____?

Do ____ tidal ____ power generation?

Do ____ companies ____ tidal tech?

____ you ____ wave or tidal technologies ____ electricity ____?

____ possible to use ____ wave ____ in electricity ____.

____ you using ____ waves ____ make electricity?

____ tidal or wave technologies.

Is ____ an ____ tide and ____ tech ____ the ____ process?

____ electric ____ and tidal technology for ____ production?

____ know if the supplier ____ electricity?

____ does ____ electricity ____ use ____ tidal ____?

____ tides ____ waves ____ electricity generation

Is ____ tide ____ wave tech into ____ electricity supplier's ____?

____ the supplier ____ leverage tides ____?

____ tidal and ____ technology fit ____ your generation ____?

Do ____ and tidal ____ play ____ part ____ generation?

____ process of ____ involving wave ____?

Do you harness ____ or tides for ____?

Is there any ____ to ____ electric ____?

____ may ____ wave or tidal ____

____ harness ____ of tides for ____ power?

____ wave ____ tidal ____ part in your energy generation ____?

____ does ____ electricity supplier ____ technologies?

Is ____ possible that ____ production ____ by Tidal/Wave?

____ you apply tide/wave ____ electricity ____?

Is ____ process of generating ____ wave ____?

_____ you use _____ to generate _____?

_____ you _____ if tides/waves _____ used to _____ our _____?

Do _____ and _____ tech for _____ generation?

_____ process may _____ of tidal or wave technologies.

_____ electrical suppliers _____ waves and _____ make _____?

_____ wave or tidal energy _____ generation?

Were _____ or tidal _____ for _____ generation?

_____ the _____ tides and waves?

Do you _____ power _____ tides or _____ to _____?

_____ methods _____ by _____ and waves?

_____ tidal/wave _____ are included in _____ production process, _____ me?

Can _____ tidal/ _____ techniques are incorporated _____ your electricity _____ process?

_____ you use _____ tidal sources to _____?

_____ you have _____ for _____ supplying electric needs?

Are _____ or tides to _____ electricity happen?

_____ use _____ for generating power.

Do _____ tides and _____?

What _____ electricity supplier's _____ tidal/ wave _____?

_____ the _____ of _____ wave techniques?

_____ the methods of _____ electricity _____ tidal techniques?

_____ want to _____ if _____ tech to generate power.

Is there integration _____ wave tech _____ the _____?
