

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Clarification on product specifications
Inquiry Sub-Category	Product features
Description	Customers inquire about specific features of a product, such as built-in sensors, compatibility with certain technologies, or additional functionalities. They want to understand the capabilities and benefits of the product.
Data Size	5,158 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

____ kind of alerts ____ the system provide ____ potential ____ parking ____?

____ the warnings when ____ see obstacles ____?

What ____ the ____ for ____?

Is the system capable of ____ of ____?

____ the ____ while ____ what alert will show ____?

Which notifications ____ when ____ parking

____ warnings regarding obstacles when ____?

____ system able ____ alert ____ when there ____ obstacles during ____?

Does ____ system ____ you when obstacles are ____?

Do ____ a warning ____ are obstacles ____ the ____ area?

____ maneuvers how ____ the ____ tell about ____ barriers?

Is there any ____ maneuvers?

Does the ____ sees ____ while I'm parking?

If ____ are barriers while ____ what are ____?

____ system can offer a ____ about ____ parking ____.

The ____ can ____ of a potential ____ maneuvers.

____ there are barriers ____ my ____ types ____ alarms or ____ expect from this gadgets?

There ____ system offered when detecting ____ maneuvers.

Does ____ me if it finds obstacles in ____?

____ notifications occur ____ in parking situations?

When ____ can warn of potential obstacles.

Is ____ system able ____ tell ____ of dangers ____?

____ do ____ for detecting obstacles in the parking ____?

How are ____ identify hurdles ____ into a parking ____?

When ____ obstacles during ____ could you tell ____ notifications?

Which type ____ notification would ____ the ____ if there ____ barriers in ____.

____ the system warn ____ is ____ in the car ____?

Is there ____ system for ____ potential ____ into a ____ spot?

_____ warnings go _____ when _____ are _____ in _____ parking area?
 _____ there _____ barriers while _____ of _____ would _____ from the system.
 What types _____ I _____ barriers in my parking attempt?
 Is _____ alert during _____ spotting _____?
 _____ types of _____ obstacles when _____?
 _____ system _____ flag _____ obstructions while maneuvering into a parking spot?
 _____ can _____ system _____ when an object is _____ way _____ a _____?
 _____ system notify me when there _____ car parks?
 _____ spotting obstacles _____ you tell _____ about your _____ alert _____?
 _____ happens _____ in parking?
 How _____ the system _____ when _____ possible obstacle _____ maneuvers?
 _____ you get a warning _____ obstacles _____ the _____ area?
 _____ there are _____ in _____ parking attempts, what _____ alarms or notifications _____?
 _____ there a _____ objects _____ spotted while I'm _____?
 _____ system alert _____ if _____ hurdles _____ a car park?
 _____ type _____ notice _____ the system _____ are barriers while parking?
 Does the _____ me when _____ obstacles in _____ parking _____?
 _____ given by the system _____ are barriers in _____?
 _____ you have _____ detect _____ obstructions _____ into a parking spot?
 _____ notifications _____ I expect if there are barriers _____ attempts?
 How _____ tell when _____ is an obstacle _____ maneuvers
 Do you have _____ that can _____ you to _____ while you _____ maneuvering _____ parking _____?
 _____ can the system _____ detect _____?
 Do you _____ an alert system for spotting _____ are _____ parking _____?
 _____ alert _____ system give when detecting _____ parking maneuvers?
 _____ an _____ feature that warns me about _____ car _____?
 I _____ know if your _____ can _____ me _____ obstacles in _____ parking _____.
 _____ an _____ system when you spot _____ in _____ parking lot?
 _____ from the system, _____ there are barriers while parking?
 _____ receive warning about _____ when you _____ in _____ area?
 Do _____ an alert system _____ alert you to _____ obstructions in _____?
 Does _____ system _____ if there _____ barriers while _____?
 _____ tell _____ about _____ warnings your system gives _____ are _____ in the _____?
 Does the _____ alert _____ of obstacles in _____?
 Do _____ have _____ for identifying _____ maneuvering _____ parking spot?
 If there _____ barriers _____ my _____ park, what types _____ or _____ I expect?
 Are _____ about _____ you _____ them in the parking _____?
 How _____ the system _____ is an _____ the way of _____ maneuver.
 Do _____ have _____ system to alert you _____ potential obstructions _____?
 _____ of alert _____ seeing obstacles near parking maneuvers.
 Do _____ warnings about _____ parking?
 _____ alarms _____ possible _____ into spots?
 Does the _____ you whenever _____ are _____ parking?
 If there _____ barriers _____ my _____ what _____ of alarms _____ notifications _____ I _____?
 Does _____ warn me of _____ when _____ car?
 _____ you have an _____ obstacle is found _____ a _____?
 What types of _____ notifications can _____ if there are any _____?
 Does the _____ warnings _____ parking _____?
 _____ the system warn _____ of _____ obstacles when _____?
 _____ I'm _____ do _____ get warnings _____?

What kind _____ notifications do I receive _____ the _____ space?
 _____ of _____ from _____ system if there _____ barriers in parking?
 Does the _____ obstacles _____ parking?
 _____ your system _____ obstacles _____ parking maneuvers, _____ alert _____ give?
 Does _____ of _____ obstacles when parking?
 Will the _____ about _____ parking?
 _____ the _____ for _____ while parking
 _____ have _____ system that tells you if _____ obstructions in _____ spot?
 Which type of notification would come _____ system _____ there are _____ .
 _____ of notifications _____ there are _____ the parking area?
 What is the _____ able to tell _____ potential _____ in _____ way _____ maneuver?
 Is _____ given _____ an _____ found while _____?
 _____ can _____ system tell _____ parking maneuvers _____ an _____?
 What _____ of _____ can _____ expect if _____ obstacles _____ my parking attempts?
 Do you _____ a system _____ obstructions _____ parking spot?
 Is _____ a warning _____ obstacles _____ the _____ area?
 Does the system _____ of potential _____?
 _____ system _____ me _____ during parking?
 _____ you _____ warning _____ there _____ obstacles _____ the parking area?
 _____ notify _____ if it _____ obstacles _____ I'm parking?
 _____ kind _____ would signal obstacles during _____?
 _____ able to warn me _____ hurdles in _____ car _____?
 _____ when there are obstacles _____ the parking?
 Do you _____ a system for _____ in _____?
 _____ notification _____ there are barriers while parking?
 _____ a warning given _____ obstacles _____ during _____ actions?
 _____ system can give a _____ obstacle _____ there are _____ .
 _____ sound when possible _____ are _____ in _____?
 _____ the _____ obstacles as you _____?
 _____ any notification _____ if there _____ while parking?
 Are there _____ given if there _____ while _____?
 If _____ barriers while parking, _____ there _____ a notice _____?
 Does the _____ alert for _____ parked?
 Do _____ an alert system _____ can _____ used to _____ obstructions while _____ into _____ parking _____?
 Does the system _____ there is obstacles _____?
 _____ can warn _____ possible _____ parking maneuvers take _____ .
 Does _____ system alert me _____ there _____ a car _____?
 _____ potential barriers when maneuvering _____?
 _____ the system inform _____ during _____?
 Is _____ an alert _____ for _____ potential _____ when _____ a parking _____?
 During _____ procedures, do alarms _____ possible obstacles _____?
 _____ of _____ signal _____ during parking _____?
 When parking maneuvers occur _____ a potential _____ .
 _____ there any _____ obstacles _____ maneuvers?
 When I'm _____ I get _____ about _____?
 _____ obstacles near _____ the _____ gives a type _____ alert.
 _____ an _____ or spotting barriers?
 What _____ the _____ tell you about _____ during _____?
 _____ alert methods _____ used for _____ obstacles _____ into a _____?
 How can the _____ obstacle _____ block a parking maneuver?

____ can the ____ tell ____ is an ____ parking
 Do ____ warnings ____ obstacles in the ____?
 ____ detecting potential obstacles during ____ maneuvers, ____ kind of ____ provide?
 ____ there ____ while ____ should there be ____ notifications ____ the ____?
 ____ system ____ information for ____ obstacles.
 ____ can give ____ alert ____ seeing obstacles near ____.
 ____ kind of ____ signal obstacles ____?
 ____ there are ____ parking, what sort ____ notifications do ____?
 ____ are detected ____ parking ____ car, what ____ do I get?
 ____ is ____ system's alert ____ detecting parking ____?
 Is ____ alert given for ____?
 ____ there an alert ____ when ____ spot obstacles during ____?
 ____ system ____ warnings ____ obstacles in ____ maneuvers.
 ____ types of ____ do ____ system give for ____?
 What ____ the system's ____ parking ____?
 ____ are possible ____ parking, could there ____ notifications ____ the system?
 ____ warning ____ the system ____ parking obstacles?
 Do you ____ you spot obstacles in ____ area?
 ____ it possible ____ about detected barriers during ____ maneuvers?
 ____ are discovered during ____ actions, do ____ warnings ____?
 ____ the system ____ warning ____ hurdles in ____ car park?
 ____ the system alert you ____ potential ____?
 Do you ____ if you ____ in the parking ____?
 ____ the ____ there are obstacles in a ____ maneuver?
 ____ system ____ while I park, do I ____ an ____?
 Do ____ receive ____ warnings when ____ see obstacles ____?
 Is ____ alert if ____ at ____ parking spot?
 ____ the ____ tell you when there are ____?
 ____ while ____ what type of notifications would ____ given?
 If ____ are ____ my ____ attempts, ____ of ____ or ____ can I expect from ____ device?
 During ____ how does the ____ detected barriers?
 ____ can ____ system tell if ____ a ____ in the way ____ parking ____?
 ____ types of ____ appear when ____ parking hazard?
 ____ are barriers while parking, which ____ of ____ will ____ from ____?
 ____ the system ____ of ____ during ____?
 Will ____ system ____ me ____ parking ____?
 ____ can the ____ when there is an obstacle ____ of ____ parking ____?
 How ____ the ____ during parking maneuvers?
 ____ the system give ____ about ____ obstacles ____?
 ____ detecting potential obstacles ____ maneuvers ____ system provides some ____.
 If there are ____ while ____ of notification ____ come ____ the ____?
 Is ____ alert when you ____ obstructions ____ situations?
 ____ you receive ____ warnings ____ when ____ spot them in the ____?
 Do ____ about obstacles ____ you ____ them in ____ area?
 Is the system ____ to ____ if it sees ____?
 ____ do the ____ give for ____?
 ____ system ____ some ____ of alert ____ see ____ near parking ____.
 ____ get warnings regarding ____ when ____ in the parking ____?
 ____ maneuvers, ____ the system tell about detected ____?
 Does ____ system alert ____ if ____ obstacles ____ am parking?

____ can the ____ tell when ____ is ____ hazard?
 ____ system ____ obstacles while parking?
 ____ from the ____ when you see ____ in parking?
 If ____ possible barriers ____ could ____ be ____ notification about ____ the system?
 ____ parking attempts ____ types of notifications ____ I expect from ____ device?
 ____ the ____ flag ____ in ____?
 Do you ____ warning when ____ find obstacles ____ parking ____?
 Does ____ about ____ when parked?
 When ____ obstacles ____ could you ____ about ____ you give?
 Do ____ get ____ you spot ____ the ____ area?
 ____ the system warn me ____ I'm parking?
 Do ____ have ____ alert system ____ for ____ obstructions ____ into ____ parking spot?
 ____ possible ____ in ____ procedures, do alarms sound?
 ____ there are barriers ____ my ____ type ____ alarms or notifications ____ I ____ from ____ device?
 Is there any ____ if ____ parking?
 Potential obstacles ____ what ____ the ____?
 Would ____ alert ____ was an obstacle at ____ parking ____?
 ____ maneuvers, what kind of alert do ____ system give?
 ____ is the alert when you ____?
 ____ the ____ you ____ potential obstacles ____ parked?
 Will the ____ warn me of ____?
 ____ detecting ____ obstacles ____ maneuvers, what ____ of ____ do the system ____?
 ____ type ____ notification might come from ____ there ____ barriers ____ parking?
 Do you get ____ notifications when ____ obstacles ____?
 Is there ____ indication of obstacles ____ parking?
 ____ there an ____ off ____ identifies ____ obstructions during a parking maneuver?
 Is there ____ in parking?
 What about parking ____ does ____ warn ____?
 What ____ occur when ____ is a ____ hazard?
 ____ that issues warnings for possible ____ in park ____?
 ____ an obstacle when ____ maneuvers are happening.
 ____ system know ____ dangers ____ parking?
 The ____ offers some warning ____ detecting ____ maneuvers.
 The system can give a ____ if there ____.
 ____ system give ____ notifications ____ there ____ in ____ parking area?
 ____ of warning when ____ hurdles in ____ maneuvers ____ offered by ____.
 Are you ____ you ____ parking?
 ____ system ____ you when there ____ obstacles ____ parking?
 What kind of ____ given ____ while parking?
 ____ offered by ____ system when ____ obstacles near ____ maneuvers.
 Does ____ system tell you ____ potential ____?
 When you ____ do ____ get any ____ from the ____?
 Are there ____ warnings ____ detection during ____?
 The ____ alert ____ while parking.
 What alert ____ used to ____ obstacles as ____ drive ____ space?
 ____ notifications ____ there's ____ hazard in ____ parked position?
 Do you ____ warned ____ spot ____ parking?
 ____ provided by ____ system for ____?
 ____ system ____ when there ____ in ____ car parks?
 ____ alarms ____ obstacles ____ maneuvers?

Does ____ system ____ you to ____ when ____?

____ of ____ there are dangers in a parked ____?

I want ____ your system can ____ there are ____ parking.

____ are ____ to identify ____ while ____ into ____ parking space?

Which ____ methods are ____ driving ____ a parking space?

Is the system ____ for ____?

Do you ____ system ____ spotting obstacles in ____?

What warnings ____ parking maneuvers?

What ____ notifications do ____ system ____ if ____ are ____ while ____?

____ you ____ an ____ system ____ obstructions ____ a parking spot?

____ system can ____ a potential obstacle ____ parking ____.

____ is the ____ informed about barriers ____?

What ____ the ____ detecting parking ____?

If the ____ finds obstacles ____ parking, ____ is ____?

When spotting ____ could you let me ____ system?

Does ____ system ____ there are ____ the parking?

Is there a ____ you ____ obstacles ____?

____ about ____ in parking?

____ the ____ notify ____ of dangers during parking?

____ maneuvering through ____ parking spot, ____ the system ____ you ____ potential ____?

____ the ____ tell when there is ____ obstacle ____ in for ____?

____ system ____ me about hurdles ____ the parking ____?

What ____ do the ____ provide ____?

____ the ____ tell about barriers during ____?

____ happen ____ system can ____ a potential obstacle ____.

What kind ____ warnings ____ the system give for ____?

What is the system ____ to ____ obstacles?

____ if there are ____ while ____?

____ the ____ hurdles at the car park?

____ an ____ if ____ an obstacle in ____ spot?

What ____ parking situations?

____ obstacles are detected ____ parking ____ there ____?

When ____ maneuvers ____ of alert ____ the system give?

____ of messages signal ____ during ____?

____ barriers ____ detected during parking maneuvers, ____ inform?

____ warnings ____ the ____ give ____ parking ____?

How ____ system ____ about ____ while maneuvering ____ a parking ____?

____ the system warn when ____ a ____ parking?

Do you ____ an ____ that ____ you when there are ____ in ____?

How ____ the ____ tell when a ____ the ____ of a ____ maneuver?

Is ____ warns me ____ during car park movements?

____ about obstacle detection ____ parking maneuvers?

____ want ____ know if ____ sort of notification ____ barriers while ____.

Does the ____ give ____ an alert about hurdles ____?

There ____ an ____ detection ____ maneuvers?

Does ____ system ____ you ____ spot ____ obstructions?

Does the system ____ you ____ are ____ in ____ parking ____?

The system ____ warn ____ parking maneuvers take ____.

____ the system tell when ____ obstacle ____ in ____ parking ____?

____ system tell me ____ during ____?

____ there any ____ given to park ____ obstacles?
 Does ____ alert you if ____ objects ____ you ____?
 ____ system tell if ____ potential ____ in the way ____ parking maneuver?
 ____ there ____ indication of ____ you ____ during parking?
 ____ there an alert if ____ find ____ parking spot?
 ____ there are barriers while parking, ____ any ____ notification from ____?
 Is it ____ to get notifications ____ parking?
 How ____ when a potential obstacle ____ the way of ____ parking ____?
 ____ maneuvers how ____ the system inform ____?
 Does the system ____ for possible obstructions ____?
 ____ system ____ to alert me ____ you ____ obstacles in ____?
 Does ____ system ____ when you see ____ in ____?
 ____ the system can alert you about?
 Any ____ by the ____ if ____ barriers in ____ parking ____?
 If there ____ possible ____ parking, could there ____ notification ____?
 If an obstacle ____ found ____ a ____ there an ____?
 When the system ____ during ____ parking maneuver ____ there any alarms ____?
 ____ potential barriers while parking, ____ sort ____ given by ____ system?
 Should ____ have an alert ____ for spotting potential ____ a ____?
 ____ there be ____ when ____ detected ____ parking actions?
 ____ system alert you when ____ see problems ____?
 Does the ____ potential obstacles ____?
 ____ through a parking spot, ____ tell about ____ barriers?
 The system ____ parking ____.
 Do warnings go off ____ detected ____?
 Which type of ____ from the ____ if ____ barriers ____ parking?
 ____ the system have an alert ____ me ____ there ____ in ____ car ____?
 ____ type of alert can ____ when ____ near parking ____.
 There could ____ be a notification ____ the system?
 ____ have a system ____ you ____ are obstructions in a ____?
 Is the ____ alert if it finds ____?
 The ____ give a potential ____ warning when ____ take ____.
 ____ warnings ____ given by the ____ detect obstacles ____ maneuver?
 ____ the ____ notified ____ dangers ____ parking?
 ____ tell you when ____ see obstacles in ____?
 ____ barriers while ____ any ____ of notification from ____ system?
 Is ____ a ____ you spot obstacles ____?
 Does ____ warnings for ____ obstacles?
 The ____ identifies potential ____ during ____ parking ____ any alarms that ____?
 Do ____ give ____ parking?
 ____ a potential roadblock is in ____ can ____ system ____?
 Do you ____ if ____ see ____ parking area?
 ____ there are ____ parking attempts, what ____ of alarms ____ notifications ____ I ____ this device?
 Does ____ me ____ hurdles when I'm ____ a car ____?
 ____ of notifications occur when ____ in ____ parked position?
 ____ an alert ____ obstructions in a parking ____?
 If an ____ a parking spot, ____ there an ____?
 ____ the ____ tell me about ____?
 When looking at ____ the system ____ some ____ of ____.
 ____ you ____ warnings about obstacles ____?

Is your _____ able _____ obstacles in parking?

Which _____ of notifications would _____ from the _____ there _____ for _____?

What can your system _____ parking maneuvers?

Is _____ alert that _____ me _____ car parks movements?

_____ receive a warning about _____?

What _____ of _____ detecting obstructions _____ parking?

_____ you spot _____ parking, _____ get a warning?

_____ the _____ alert me _____ is a _____ in _____ car _____?

Do _____ have _____ alert _____ there _____ an obstacle _____ parking _____?

Are _____ any warnings if _____ found _____ a _____ spot?

When _____ in parking, which _____?

_____ when you _____ obstacles in parking?

Does the _____ issue _____ there _____ obstacles when _____?

_____ can the _____ tell _____ potential _____ is in _____ of a parking _____?

If _____ system detect _____ while _____ park, _____ I _____?

If _____ are _____ in my _____ of alarms _____ notifications _____ I expect?

_____ the _____ finds _____ while I _____ get alarms?

Which type _____ notification _____ from _____ system, if there _____ barriers _____?

_____ there are _____ parking, _____ do the system give?

_____ warnings if obstacles _____ during parking actions?

If there are _____ in my parking _____ what types of _____ can _____?

_____ there _____ sort of _____ possible barriers _____ parking?

_____ alert methods _____ used _____ identify _____ in _____ space?

_____ system alert _____ it _____ obstacles _____ parking my vehicle?

What types _____ I expect _____ this _____ if there _____ to _____ parking attempts?

If there _____ barriers _____ parking, _____ type of notifications _____ system?

_____ you get a warning when _____ while _____?

_____ if an obstacle is found at _____ parking _____?

What _____ the system _____ barriers in _____ parking spot?

Does the _____ alert me _____ there _____ a _____ park?

What _____ the _____ for _____ obstructions?

When _____ obstacles during parking _____ of alert _____ the system _____?

_____ near parking _____ the system _____ an alert.

Do _____ system _____ about hurdles in _____ car _____?

_____ type of notification _____ come _____ system if there _____ barriers _____ the _____?

_____ detecting _____ parking, what kind of _____ does _____ give?

_____ get _____ warning when you spot obstacles _____?

_____ detect obstacles during parking maneuvers, _____ system give?

When you _____ obstacles in the _____ any warnings?

If _____ are _____ parking attempts, what types of notifications _____ gadget?

If _____ system _____ obstacles _____ are _____ alerts for?

What types _____ when _____ is a _____ in _____ parked _____?

Are _____ warnings _____ obstacles when _____ spot _____ in _____?

_____ warnings _____ when there are _____ while _____?

Does the system _____ there _____ obstructions _____ the parking _____?

_____ want _____ will _____ when there are obstacles in parking.

_____ during parking _____ what sort of alert does _____ system _____?

_____ types _____ alarms _____ notifications _____ expect if there _____ in my parking _____?

The _____ alert _____ there are obstacles near _____.

When you _____ obstacles in _____ parking _____ warned?

What are _____ parking obstacles?

_____ you receive _____ when _____ spot obstacles _____ parking lot?

_____ system let _____ there are hurdles _____ car parks?

_____ the _____ you _____ obstacles in _____?

The system informs about _____ a _____ spot

_____ an indication when you _____ obstacles _____?

_____ case _____ are barriers while _____ could there _____ the system?

Does _____ alert you when _____ see _____ in _____ parking _____?

Does the _____ warn _____ there _____ obstacles _____ parking?

When _____ identifies _____ problems during a _____ maneuver _____ any alarms _____ go _____?

_____ when obstructions _____ detected in parking _____?

If _____ barriers _____ parking, _____ be a _____ the system?

If the _____ while _____ do they show?

During _____ the _____ of dangers?

Is _____ an alert feature _____ me when _____ in the _____?

_____ the _____ warn you _____ there _____ potential _____ parking?

How _____ the system tell _____ obstacle _____ the way _____ parking _____?

_____ offers _____ type of _____ observing obstacles _____ parking maneuvers.

What _____ about potential _____ while _____?

_____ if there are _____ parking?

_____ you get warnings when _____ spot _____?

_____ the system alert _____ when _____ obstacles _____ the _____?

_____ of warnings _____ during parking _____?

_____ through _____ parking spot, how _____ the system alert _____?

_____ about the _____ you give _____ you _____ obstacles during parking.

If there are barriers during my parking _____ what _____ of _____ or _____ I _____?

If _____ risks while I _____ I _____ an alarm?

I would _____ to know _____ alert _____ when _____ in parking.

_____ the _____ warn you _____ a _____?

_____ about _____ system give you?

What _____ signal _____ maneuvers?

Which _____ happen _____ obstructions _____ parking?

_____ are _____ there be _____ sort of _____ from the system?

If there _____ while _____ could there be any sort _____ the _____?

How _____ the _____ when an _____ in the _____ of _____ maneuver?

Does the _____ alert _____ if _____ a _____ I'm parking?

_____ maneuvering through _____ parking spot, _____ does _____ inform _____ potential _____?

_____ system has _____ when detecting _____ in _____.

_____ type of _____ happen _____ a hazard in _____ parked _____?

_____ system can _____ of an obstacle when _____ maneuver.

_____ system warn _____ about _____ obstacles when _____?

_____ there _____ that goes _____ when the _____ during a _____ maneuver?

Is there an _____ if _____ obstacle _____ a parking _____?

Do you get _____ obstacles in the parking _____?

I _____ like _____ if _____ system _____ alert _____ of _____ during parking.

If there _____ while _____ the system _____ notifications?

_____ tell me how your system can _____ when _____ in _____ parking _____?

_____ system alert _____ hurdles _____ parks?

I _____ like to _____ the warnings your _____ obstacles _____ parking.

_____ are alert for _____?

_____ during _____ parking _____ what type of _____ or notifications can I _____ this gadget?
_____ warn me when there _____ hurdle _____ car park?
_____ type _____ would come _____ the _____ if there are _____ parking lot?
_____ you have _____ system _____ you of potential _____ you are maneuvering _____ parking spot?
_____ there _____ barriers in parking, could there _____ a _____?
_____ can _____ system _____ an obstacle _____ in a _____ maneuver?
What _____ detect _____ are parking obstacles?
Is there an alert if _____ parking _____?
_____ there are barriers _____ parking _____ there _____ a notification _____ the _____?
_____ receive _____ about parking _____?
Is your system able _____ obstacles _____ the _____ lot?
Does _____ system alert _____ if _____ obstacles while _____ car?
_____ are _____ barriers in the _____ what _____ of alarms or notifications can _____ from _____?
Does _____ warn you _____ you see _____ in _____ lot?
_____ system _____ detected _____ when parking.
_____ alert _____ used _____ spotting _____ when driving _____ a _____ space?
_____ there _____ warning if there _____ an _____ the parking _____?
What _____ parking _____ system _____ about?
Does the system _____ when _____ are _____ in _____?
Is _____ a warning when _____ are _____ actions?
Does the system warn _____ you park?
_____ you have a _____ are obstructions in the parking spot?
_____ spot obstacles in parking, _____ you _____?
_____ of notifications can I expect from _____ device _____ are _____ the _____?
_____ signal obstacles _____ parking maneuvers?
The _____ can _____ when detecting _____ in parking _____.
Does _____ alert me if _____ while _____ parking?
_____ about obstacles when you spot _____ parking area?
_____ parking _____ system inform about the detected _____?
_____ alert when _____ see obstacles while _____?
_____ the system _____ parking obstacles.
_____ system able to _____ me _____ obstacles?
_____ system _____ you _____ parking?
_____ the system sees _____ a _____ maneuver, _____ be any alarms?
_____ system sees _____ while _____ do I get _____?
Is the system _____ of notifying _____ of _____?
_____ the _____ alert _____ discovers obstacles while I'm _____?
What _____ the kinds _____ obstacles _____ parking maneuvers?
_____ barriers _____ parking, what _____ of notifications would _____ given _____ the _____?
Does _____ system give specific warnings _____ when _____?
When _____ spot _____ do you _____ an alert _____ the _____?
_____ a parking spot, how _____ system learn _____ possible _____?
_____ there _____ barriers _____ my _____ what types of notifications can _____ from _____ gizmo?
_____ detecting _____ during _____ maneuvers, _____ of _____ the system give?
When _____ system identifies _____ obstacles _____ a _____ are there _____ going _____?
_____ have _____ that _____ there is a potential _____ in a parking spot?
_____ the _____ you _____ while you are parking?
Is _____ notification _____ there _____ barriers while parking?
How _____ the system _____ when _____ an _____ parking?
_____ type _____ notification _____ from the system _____ barriers while parking?

When ____ detect obstacles ____ parking maneuvers, ____ system tell ____?

____ happens when there ____ obstacles ____?

Is ____ possible ____ identify ____ maneuvering into a parking spot ____ alert ____?

____ like ____ know if ____ is any ____ about the ____ parking.

____ parking, ____ the ____ for obstacles?

____ there are ____ barriers in my parking ____ types ____ notifications ____ expect ____ this device?

____ the system alert you when ____ parking?

____ are barriers ____ my parking ____ what ____ can I expect from ____?

Is there an ____ that goes off ____ potential ____ in a ____?

____ the ____ you ____ there is ____ parking hazard?

Does the system ____ out ____ for ____ lots?

Will ____ system ____ me ____ parking?

____ there an obstacle ____ alert ____ the ____?

Is there ____ system ____ when spotting obstacles in ____?

When ____ hurdles ____ parking maneuvers, the ____ some ____.

____ there ____ alert ____ obstacles ____ parking?

____ types of ____ there is a ____ parked position?

____ there ____ in ____ parking ____ types of ____ or notifications can ____ from this contraption?

Which ____ are used to ____ obstacles when ____ a ____?

Which type of notification would come ____ if ____ were ____ area?

____ sound when possible obstacles ____ spotted ____ procedures?

Do ____ an alert system ____ out for obstructions while ____ a ____ spot?

Do ____ when you ____ obstacles in ____ parking ____?

____ there an ____ that your ____ when spotting ____ during ____?

Which type ____ system if there are barriers in ____?

There ____ notifications ____ obstacles ____ the ____.

Do ____ have an alert system that will ____ know ____ obstructions ____ a ____?

____ the ____ potential obstacles during a parking maneuver?

____ you have ____ system ____ identify potential ____ while ____ are ____ a parking spot?

____ there are ____ in the ____ what types ____ or notifications ____ I ____?

When parking ____ place ____ system ____ potential obstacle warning.

What ____ the notifications the ____ obstacles?

____ there any ____ when you see ____?

Do you ____ system that will ____ there are obstructions ____ the ____?

The ____ you ____ near parking maneuvers.

Which ____ there ____ obstructions in ____?

Does ____ possible ____ are detected during parking ____?

Do ____ receive warnings when ____ obstacles in ____?

____ system give out any ____ if there ____ while ____?

Is ____ an ____ for identifying ____ obstructions ____ maneuvering into a ____?

How ____ the system tell when an ____ maneuver?

Does the ____ if there ____ obstacles ____ my parking ____?

____ the system warn ____ if ____ are ____ in ____ car ____?

____ the ____ tell when ____ is an ____ in ____?

The system ____ about ____ when ____ maneuvers ____ place.

____ can ____ system tell when ____ potential ____ in ____ maneuver?

____ to the ____ if ____ are barriers ____ parking

The system ____ when detecting obstacles ____ parking ____.

____ type ____ notification ____ come ____ the system ____ were ____ while parking?

____ system can warn ____ hurdles ____.

Do _____ alert for _____ parking?

_____ does _____ you _____ potential _____ in a parking spot?

What alert methods are _____ when _____ a parking _____?

_____ you _____ an alert _____ at a parking spot?

_____ any _____ obstacles in parking?

Do you get warnings _____ obstacles _____ parking _____?

_____ are _____ barriers while _____ could there _____ notification _____ the system?

_____ while parking, any _____ notifications _____ by the _____?

Do _____ if _____ obstacle _____ during parking maneuvers?

What _____ of warnings _____ obstacles _____ a _____?

There are potential _____ while _____ notifications by the _____?

_____ spotting _____ during parking, could _____ me about _____ alerts _____ gives?

_____ the _____ warn _____ obstacles during a _____ maneuver?

_____ parking maneuvers, _____ warnings about _____?

_____ there are any _____ attempts _____ types _____ alarms or notifications _____ expect?

What _____ the system tell if there _____ in _____ of _____ maneuver?

_____ get a _____ parking obstacles?

_____ are barriers while _____ any _____ notifications _____ by the system?

_____ there be a _____ from _____ if there _____ barriers _____?

Is _____ an _____ if _____ an obstacle in a _____

_____ an _____ at a _____ is there _____ alert?

What _____ of warnings are _____ detecting _____ parking _____?

_____ system offer _____ type of _____ when _____ obstacles _____ parking _____.

While maneuvering _____ a parking _____ the system _____ barriers?

When parking _____ take _____ the _____ you a _____ warning.

_____ the system _____ if _____ finds _____ I'm parking _____ vehicle?

_____ kinds _____ notifications occur _____ are dangers in _____ position?

Is _____ an _____ obstacles _____ parking?

What will _____ system tell _____?

_____ a _____ obstacle is _____ how _____ the system tell?

While maneuvering through a _____ the _____ about barriers?

_____ system _____ a type of alert when seeing _____.

What _____ a parking maneuver?

Do _____ have _____ alert _____ spotting obstructions in _____ parking _____?

_____ can _____ system _____ when there _____ an obstacle _____ maneuvers.

_____ any indication when _____ see obstacles _____?

Some _____ of _____ offered _____ detecting obstacles _____ maneuvers.

Is the system _____ parking obstacles?

_____ there any _____ off _____ the _____ potential obstacles during a _____ maneuver?

What _____ system's alert _____ detecting _____ the parking _____?

The system _____ barriers while _____ a parking _____

_____ an indication _____ you're parking?

Is _____ an alert your system gives when _____?

_____ types _____ occur when detecting _____ parking?

_____ there are barriers during _____ which _____ of _____ would _____ system?

If _____ are possible barriers in the _____ could there _____ the _____?

Is _____ for obstacles _____ parked?

What _____ the _____ response to _____?

_____ happens when _____ in _____?

_____ any kind _____ notification _____ there are _____ while parking?

Does _____ when _____ are _____ parking?

_____ type of notification would _____ the system _____ there _____ barriers _____

When parking maneuvers _____ can give a potential _____.

_____ your system _____ when _____ are _____ in _____ parking area?

_____ you get _____ warning _____ obstacles in the parking _____?

When _____ obstacles in _____ could you _____ about _____ alert _____?

_____ into a _____ spot, _____ you _____ alert system for _____ obstructions?

_____ warnings when _____ detected during parking actions?

How _____ system tell _____ an _____ in parking?

Is _____ system _____ of notifying _____ there _____ in the _____ lot?

Is _____ spotting barriers during _____?

_____ alarms go off when _____ identifies potential _____ during a _____?

_____ there _____ objects _____ I'm parking?

If there are barriers while _____ be a _____ about _____?

_____ any sort _____ notifications if there _____ parking?

_____ the _____ you when obstacles _____ spotted in _____ parking _____?

If there are _____ parking, could there _____ from _____?

It _____ some _____ seeing _____ near parking maneuvers.

_____ system _____ obstacles while parking?

_____ system _____ of alert when seeing _____ near _____ maneuvers.

When _____ system identifies _____ obstacles _____ maneuver, _____ any alarms?

How _____ the _____ while maneuvering through a _____ spot?

Is _____ alert _____ for _____ while maneuvering into _____ parking spot.

How does _____ when there _____ barriers _____ a _____ spot?

Is _____ system capable of warning _____ about _____ car _____?

When detecting obstacles during parking _____ of _____ system _____?

_____ are _____ while _____ there could _____ notification _____ the system?

_____ the system warn me _____ at _____ park?

If there _____ barriers in my _____ what _____ alarms _____ notifications can I _____ from _____?

_____ are _____ alarms that go _____ system identifies _____ obstacles _____ a parking _____.

Does the _____ warn _____ obstacles _____ parking?
