

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Product recommendations and comparisons
Inquiry Sub-Category	Networking equipment and setup recommendations
Description	Customers seeking guidance on networking equipment, including routers, range extenders, and mesh systems, as well as assistance with network setup and optimizing wireless connections.
Data Size	5,002 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

_____ improve Wi-Fi _____ strength?
_____ with low _____?
What _____ available _____ poor _____?
_____ you improve your _____?
_____ you think you _____ strength of _____ wi-fi?
_____ use _____ wi-fi _____ methods?
It's _____ question of _____ reach.
I am _____ is a _____ to make use _____.
