

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Auto Repair and Maintenance Shops |
| Inquiry Category | Brake pedal feels soft or spongy |
| Inquiry Sub-Category | Brake line or hose concerns |
| Description | Customers may have concerns about damaged or deteriorating brake lines or hoses, leading to a soft brake pedal feel. Inquiries in this category involve inspecting the brake lines and hoses for leaks, cracks, or other damage and providing appropriate repairs or replacements as needed. |
| Data Size | 6,076 paraphrases |
