

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Account and plan upgrades/downgrades
Inquiry Sub-Category	Plan Transfer Inquiry
Description	Customers inquire about transferring their current plan from one device or SIM card to another. They may want to switch to a new phone or replace their current SIM card with a different one.
Data Size	9,805 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Will _____ limitations on _____ when _____ switch _____ existing _____ to _____ replacement _____ with _____ upgraded operating system version?

Can you confirm _____ to _____ new device _____ an _____ any limitations or constraints?

Will any limitations _____ transfer _____ to an _____ version?

_____ we _____ for an updated operating _____ can _____ any _____ restrictions?

Changing _____ from older devices _____ you upgrade _____ version _____ affect the _____.

_____ or function _____ apply if we _____ plans _____ upgrade _____ operating _____?

_____ I switch _____ a new _____ an _____ will my _____ functions _____ limited?

Replacing our _____ operating _____ version might _____ andFunctionality limitations.

_____ limits _____ the _____ the old _____ to an updated operating system?

_____ we upgrade our _____ to _____ an _____ are _____ any restrictions on _____?

Is it _____ a _____ a device with _____ operating _____ will result in _____ our _____ plan?

_____ we _____ to _____ install the latest OS, _____ restrictions _____ what we can do?

Can _____ to a _____ device _____ updated OS would result _____ any limitations _____ constraints?

If I switch _____ a new _____ an _____ will _____ functions _____ limited?

Will there be any _____ features _____ our plan _____ OS?

Is _____ any limitation _____ when we _____ with _____ OS _____?

When _____ switch _____ a different _____ install the latest _____ be any _____ on _____ we _____ do?

_____ device with _____ OS version may expose us _____ in _____.

Will _____ be any _____ on _____ when we change our _____ to a replacement _____ with _____ _____?

_____ replace _____ with a modern OS _____ there _____ any limitations?

Will there _____ limitations _____ our _____ plan to an upgraded _____ version?

When an _____ transitions _____ new device _____ a _____ what limitations _____ imposed _____ updated features?

When shifting _____ OS version, do feature _____?

_____ restrictions on features if we _____ a newer _____ upgraded _____?

_____ there _____ limitations after _____ transfer our existing _____ to _____ OS _____?

If _____ a _____ phone with an upgraded _____ while _____ existing service _____ there be any limitations _____ _____?

Can I switch my _____ plan _____ device's operating _____?

_____ from _____ devices _____ the enhanced _____ version impede _____ of _____ features?

Can _____ me _____ changing _____ to a _____ with an _____ would _____ in any limitations?

_____ features/functionality be affected _____ we _____ our existing _____ OS _____?

Will _____ plan _____ I switch to a newer _____ the operating _____?

If we upgrade _____ device _____ improved _____ system are there any _____ features or _____?

Changing plans from _____ enhanced OS _____ would _____ features of the _____.

_____ I switch to an upgraded _____ be limited?

Will _____ OS _____ the replacement affect the _____?

If we _____ to a _____ operating system, _____ restrictions on features or functions?

I _____ my _____ but will features be restricted?

If _____ to _____ to _____ OS _____ would it affect any _____ features?

Will _____ affected after transferring _____ existing plan to _____?

When _____ higher _____ version, does _____ or _____ limits apply?

Replacing _____ device _____ modern OS _____ can _____ limitations _____ features.

_____ existing _____ to _____ new device with _____ do there _____ on updated features?

_____ restrictions _____ our plan if _____ switch _____ a different phone and install _____ latest OS?

Will _____ restrictions _____ certain _____ when changing into a new _____ updated _____?

Is _____ system going to _____ our plan's _____?

_____ replace our devices _____ the _____ version, _____ there _____ limitations on _____?

Replacing _____ current _____ with a _____ an _____ OS _____ have limitations.

_____ maintaining _____ existing _____ agreement, could feature or functionality limitations _____ choose _____ replace _____ an upgraded OS?

Replacing _____ device with _____ OS release _____ limitations.

When _____ higher OS version, should _____ limits _____?

Will _____ be any _____ the _____ when _____ switch _____ our _____ operating system _____ a _____ one?

Does _____ from _____ existing plan onto _____ device _____ present _____ tasks?

Will there _____ restrictions _____ functions or features if I _____ system _____?

If _____ to a _____ with _____ improved _____ system, do there restrictions _____ functions?

Will the _____ a _____ device's operating system _____ on _____ existing _____?

Will my _____ be changed to _____ operating _____?

Will _____ switch _____ version _____ the operating system _____ any limitations _____ the _____?

Will _____ updated _____ features or functions on a _____?

Will _____ our plan by _____ new operating system _____?

_____ tell me _____ a _____ to _____ new device running _____ updated OS _____ in _____ limitations?

Do I _____ any _____ I _____ current purchase _____ better _____ item?

When _____ replace our devices _____ OS _____ any _____ to the _____?

Can we _____ after getting _____ modern _____ version?

When _____ to _____ with an upgraded _____ version, will there _____ any limitations _____ features?

What kind of _____ should be _____ when _____ upgrade to _____ replacement _____ an _____ operating _____?

What _____ I expect when _____ my _____ to _____ replacement device with _____ software?

_____ there any _____ the functions when _____ from old plan _____ updated _____ replacement phone?

When _____ existing plan _____ a new device _____ a new OS, _____ some _____ on _____?

Does _____ with a _____ OS version _____ limitations _____ features?

_____ existing _____ transitions _____ a replacement device _____ a new OS, are _____ on updated _____ functionalities?

_____ could _____ restrictions on functions and features _____ an _____ system device.

_____ to _____ new model _____ upgraded _____ what _____ the limitations?

_____ certain _____ be compromised if we replace _____ device _____ an _____ system?

Can you tell me _____ plan to _____ new device with _____ OS will _____ any _____ or _____?

Changing plans _____ older devices _____ enhanced _____ of the features.

Will _____ be able _____ restrictions when we transition _____ an _____ system?

If _____ to _____ operating _____ are _____ any _____ on features?
_____ replacing _____ current _____ with an _____ can functions be _____?
Will certain capabilities be compromised _____ we replace _____ operating _____?
_____ existing plan transitions to _____ new device with a _____ OS, are _____ the _____?
_____ there any limits on _____ do if we _____ to _____ system?
Will _____ be any _____ on _____ we get when _____ modern _____ system?
Will there _____ we change our _____ to a replacement _____ with an upgraded _____?
Will the _____ operating _____ plan's _____?
Does feature _____ shifting _____ higher OS version?
If _____ and _____ to a _____ operating _____ feature restrictions apply?
_____ I lose _____ if my current purchase _____ replaced _____ a _____?
Can _____ anticipate functional _____ while changing plans _____?
_____ our _____ with _____ software _____ may affect features.
Will there _____ any restrictions _____ the _____ available when _____ switch to _____?
_____ it _____ a _____ to a device _____ an enhanced _____ could _____ in _____ within our plan?
Will _____ be different _____ I switch _____ newer _____ of the _____?
If we change our _____ plan _____ an _____ would _____ have?
Do _____ lose any _____ if I _____ a better _____?
_____ you _____ if a switch to _____ new _____ will result _____ any _____ or restrictions?
_____ existing _____ transitions to a replacement _____ with a _____ OS, _____ limitations _____ on new _____?
Does _____ a _____ device _____ any present elements or tasks?
_____ there _____ reduction in _____ fromUpgrading to a _____ an OS _____?
_____ switch plans but upgrade _____ operating systems, _____ there be any constraints _____?
_____ we _____ with _____ OS version, are _____ on features?
_____ possible _____ a switch _____ enhanced operating system _____ in feature _____?
_____ transitions to a new device with _____ OS _____ imposed on updated features?
Does moving from _____ plan _____ device cause any _____?
_____ be _____ on _____ we switch plans _____ upgrade _____ operating systems?
When _____ a _____ device with _____ upgraded _____ system, _____ expect any limitations?
Can you _____ me _____ new _____ with an _____ OS would _____ any limitations?
Will _____ new _____ system _____ any _____ plan's functions?
_____ any restrictions on _____ current _____ we switch _____ a _____ operating system?
_____ any limitations to _____ our existing plan to _____ OS _____?
If we upgrade to _____ any of the _____?
Will _____ be any restrictions _____ features _____ switch _____ a _____ operating _____?
Will there be _____ features _____ we _____ our current plan to a _____ device _____ an _____?
When _____ from _____ plan to an _____ operating system _____ a replacement _____ the limits _____?
_____ we _____ a _____ device with _____ upgraded OS, _____ might _____ restrictions on _____.
Can we _____ any _____ when we _____ an updated _____?
Is _____ that changing to _____ that has an enhanced _____ system will _____ in feature _____?
_____ plan limitations occur if _____ device that _____ advanced software?
Will there _____ on features/functionality if _____ transfer our plan _____?
_____ we _____ ourselves when replacing our _____ new _____ that _____ an _____ OS?
_____ feature _____ apply _____ transitioning to a _____ OS _____?
_____ type _____ limitations should I _____ when _____ upgrade my _____ with _____ operating system software?
_____ when _____ switch our existing _____ to an advanced OS _____.
Does moving _____ our _____ a higher-OS-version _____ hamper any _____ tasks?
_____ an _____ plan transitions _____ a new device with _____ be limitations on updated _____?
_____ it possible that _____ a _____ an _____ operating _____ will _____ in feature limitations within _____ plan?
_____ switch to _____ system, what _____ on functions or features?

If _____ opt _____ a replacement phone _____ upgraded _____ while maintaining our _____ service agreement, _____
orFunctionality _____?

If we _____ with an upgraded _____ version, _____ it _____ limited?

Will _____ be any _____ when _____ to a _____ operating _____?

When _____ transition to a _____ device _____ an upgraded operating _____ limitations _____ features?

_____ it _____ a switch to _____ with an enhanced _____ system _____ in _____ limited _____ our plan?

_____ updated OS limit _____ features and _____ a _____ device?

Is there any limitations on features when _____ replace _____?

_____ transitioning to _____ model with _____ OS software what _____?

If we _____ an _____ what drawbacks would _____ have?

_____ we _____ our devices to _____ newer _____ are _____ constraints _____ features _____ functionalities?

_____ are the _____ on _____ to _____ upgraded operating _____ we migrate our _____ plan _____ another phone?

_____ any _____ what we _____ do _____ we _____ to a _____ OS?

_____ the _____ on _____ functions and abilities when we adopt the _____?

_____ there anything that _____ restrict _____ functions _____ changing _____ a new _____ an upgraded _____ version?

Will there _____ limits _____ the _____ features when we _____ operating _____?

_____ an existing _____ to a replacement device _____ a new OS, are _____ updated features _____?

_____ there be _____ on certain _____ changing from an _____ to _____ one?

When _____ device _____ OS release, _____ are limitations?

Will _____ restrictions _____ when changing _____ with an _____ operating system?

_____ a _____ operating system _____ features or functionalities?

_____ we _____ plan _____ device with an _____ operating system, are there _____ features?

_____ from _____ plan _____ updated operating _____ on a _____ any limits onFunctionality?

Will _____ be _____ features when we _____ over to _____ modernized operating _____?

_____ there _____ any _____ when _____ to a replacement _____ with an upgraded _____ system version?

When we upgrade to a _____ OS, _____ any restrictions _____?

Can _____ tell me if a _____ new _____ running an _____ in _____ feature limitations _____ restrictions?

We replace _____ a modern _____ version, can _____ with features?

_____ anticipate any functional restrictions _____ changing _____ plans?

_____ we switch _____ and _____ device, are _____ function restrictions _____?

_____ moving _____ plan _____ higher-OS-version device _____ the present tasks _____ can _____ done?

_____ we _____ for _____ replacement phone _____ an _____ OS while _____ our _____ service agreement, _____ limitations on _____
or _____?

_____ upgrade to a _____ an improved operating _____?

Is _____ onFunctionality _____ moving _____ plan to _____ updated _____ on a replacement phone?

_____ an updated software version _____ result in _____ limitations.

_____ tell me _____ changing our plan for an _____ in _____ features?

Will there be _____ to features when we _____ new device _____ upgraded _____ system _____?

Will _____ functions be restricted _____ I _____ new phone with _____ OS?

_____ we upgrade _____ a _____ an improved _____ there _____ restrictions on features?

_____ you tell me if _____ plan for an _____ will _____?

Do feature andFunctionality _____ we replace _____ plan _____ version of _____?

_____ we _____ for _____ phone _____ an upgraded OS _____ maintaining our _____ be any _____ feature
orFunctionality limitations?

_____ the new operating _____ have any _____ on what _____?

_____ we opt for a replacement _____ an _____ maintaining our _____ there _____ any potential limitations?

If the operating _____ are there _____ features?

_____ with _____ OS release might have Limitations.

_____ the _____ operating system limit _____?

Will the _____ for an _____ operating _____ restrict _____?

Will _____ be any _____ regarding _____ when _____ our _____ to an upgraded _____?

Are there any drawbacks _____ changing our _____ an _____?

If _____ upgrade to _____ replacement _____ an _____ system, what are the _____ on _____ and _____?

When changing _____ replacement device with an _____ on the features _____ functions?

_____ my existing plan be affected if _____ to _____ system _____?

_____ be limitations _____ we switch to a replacement device _____ upgraded _____ version?

Is there a _____ on _____ devices _____ newer _____ versions?

When changing _____ a _____ device with _____ upgraded _____ version, _____ there _____ that _____ or functions?

_____ to a higher-OS-version _____ affect the present _____ our _____?

Will the updated _____ limit any _____ functions _____ switch _____ a _____?

_____ we _____ for _____ replacement _____ with an upgraded OS while keeping _____ service _____ be any _____ on _____?

_____ functions _____ options be limited _____ switch to _____ OS _____?

_____ any limitations _____ in _____ after we _____ existing _____ an upgraded _____ version?

Will features be restricted _____ we _____ a newer _____ upgraded _____?

Would it be difficult to _____ an _____ version _____ to change plans from _____?

If _____ upgrade _____ a _____ device _____ operating system, will there _____ restrictions?

_____ occur if _____ choose to use _____ new device _____ advanced _____?

Are there _____ on features _____ system _____ upgraded?

_____ confirm if changing _____ plan for an _____ device _____ functions?

_____ be _____ operating _____ version of my device _____ switch to _____ newer plan?

Replacing the _____ with an _____ could have _____.

_____ with an _____ OS release will _____ limitations?

Should _____ be _____ if _____ system _____ upgraded?

As we switch _____ upgrade _____ newer operating _____ will _____ on features?

Replacing _____ with _____ updated _____ of _____ software will _____ feature _____ function.

Will certain capabilities _____ if we replace _____ device with _____ operating _____?

_____ there be any _____ the _____ we switch to _____ modern _____?

_____ any _____ features when we _____ to a _____ has _____ operating system?

_____ our _____ operating system _____ upgraded, are _____ on _____?

_____ we switch plans and upgrade _____ will feature or _____ restrictions _____?

Can _____ going to a new device _____ operating system?

Is _____ any _____ what _____ can do _____ moving from _____ old plan _____ a new _____?

Should features _____ upgrade to _____ new device with _____ improved operating _____?

_____ we _____ the latest _____ a different _____ will _____ be _____ on what _____ can _____?

Will there _____ feature limits _____ I upgrade _____ to _____ new _____?

_____ there _____ what our _____ do when we switch to a _____ phone _____ new _____?

Is _____ on _____ when _____ replace _____ with _____ OS version?

_____ that changing to _____ device that has _____ operating system may _____ in feature _____ our _____?

While _____ our _____ could feature or functionality limitations _____ if we _____ our phone _____ OS.

Do _____ features if I _____ current purchase to _____ better _____?

_____ my existing _____ impose _____ limitations _____ my capabilities if I _____ to _____ device's _____ system _____?

_____ on the features if _____ switch to _____ operating system _____?

_____ there _____ constraints on _____ and functions as _____ and upgrade to _____ systems?

If we upgrade _____ replacement _____ with _____ improved operating system, _____ have _____ features _____ functions?

_____ there _____ reduction _____ using an advanced OS _____?

_____ are _____ restrictions on _____ I switch _____ an updated operating _____ device?

Do _____ any drawbacks when we _____ OS version?

What _____ for functions after _____ OS software is _____?

Do feature _____ apply while shifting _____ a _____?

_____ plans for an improved operating _____ features?

_____ I _____ if _____ move _____ current purchase into a _____ substitute item?

_____ plan _____ operating software _____ might affect features.

_____ I _____ any _____ switch to a new device with _____ upgraded _____?

When _____ our _____ with an _____ OS _____ any limitations on _____?

When we replace _____ with better _____ any _____ on _____?

_____ any reduction in _____ an _____ OS edition to a _____?

If we opt for a _____ while maintaining _____ existing _____ agreement there _____ feature or functionality limitations.

Will _____ plan be _____ I _____ to _____ newer device's operating _____?

_____ I switch _____ a _____ phone _____ an upgraded OS, _____ functions _____ restricted?

_____ to use a _____ OS _____ we switch _____ a _____ device?

Are there any restrictions _____ what _____ do if _____ to _____ install the latest OS?

When I _____ my _____ operating _____ a _____ features be restricted?

_____ the _____ device and _____ our plan?

_____ it possible that _____ switch to a device that _____ an _____ could _____ feature _____ in _____?

Will _____ be _____ we _____ our _____ to an _____ version?

Will _____ be _____ restrictions on features and _____ switch _____ new device _____ an upgraded operating _____?

_____ an existing _____ transitions _____ a replacement _____ with a _____ are features _____?

_____ it possible _____ features or functions are _____ we _____ to _____?

_____ limits _____ features when moving _____ an old plan _____ updated operating _____?

Will _____ be any _____ when _____ plan _____ OS version?

_____ switch _____ a better _____ you _____ put restrictions on my stuff?

Will _____ operating system limit _____?

Is replacing _____ current plan _____ upgraded OS version _____?

Do feature _____ functional _____ apply _____ moving _____ a _____ version?

Do you _____ if the change _____ an _____ will _____ in _____?

Will _____ be _____ to _____ another OS version?

_____ restrictions on features if _____ device _____ an upgraded OS?

_____ we _____ to _____ device with an improved _____ should there _____ any _____ features?

Will some _____ if _____ with one with an enhanced _____ system?

Can you _____ if a switch _____ device running _____ updated OS _____ limitations _____ restrictions?

_____ I lose features _____ purchase is _____ with a better _____?

_____ the new _____ on our plan's functions?

Are there _____ when we _____ to _____ with _____ operating system?

If _____ with a modern OS version, _____ there be _____?

What limitations should _____ when _____ a replacement device with _____ operating _____?

If feature _____ moving to _____ higher OS _____?

Replacing _____ device with an _____ release _____ expected?

There is _____ chance that _____ a _____ an enhanced _____ system may result _____ limitations within _____.

Does _____ a higher-OS-version _____ affect _____ elements and tasks _____ plan?

As _____ upgrade our _____ there any constraints _____ features and _____?

_____ the OS limit _____ if _____ to a _____?

_____ any _____ if _____ to a new device?

_____ the features _____ plan be _____ by _____ operating system version?

_____ change plans and _____ operating system of _____ function restrictions apply?

_____ we opt _____ a _____ has an upgraded _____ while _____ our existing _____ could there be _____?

When we _____ plans but _____ operating systems, _____ any restrictions on _____?

Is replacing _____ current _____ upgraded _____ version _____ in functions and _____?

Replacing _____ an OS release _____ Limitations _____?

_____ I upgrade _____ device's OS along _____ be feature limits?

_____ new operating system _____ the _____?

_____ the plan be limited _____ we choose a _____ that _____?

_____ an _____ device with a _____ OS, are there any _____ the updated features?
 As _____ switch _____ to _____ newer _____ there _____ restrictions on features?
 Will _____ the _____ affect the current package?
 _____ possible _____ a _____ to _____ device that _____ an enhanced _____ system _____ result in feature _____ plan?
 If _____ switch _____ a _____ an upgraded _____ will my _____ be _____?
 _____ restrictions on functions or features _____ to _____ updated operating system _____?
 If _____ switch _____ device, what _____ on functions and features?
 _____ our _____ system is upgraded, _____ there _____ on _____?
 _____ upgraded _____ the capabilities _____ our plan?
 Are _____ any _____ if we upgrade _____ system?
 Is _____ possible _____ a switch to _____ device that _____ will _____ in _____ limitations within our _____ plan?
 _____ an existing _____ transitions to _____ replacement _____ with _____ new _____ limitations on _____ imposed?
 Do you _____ if changing _____ to _____ new _____ with _____ will result in any _____?
 Is _____ possible _____ a switch _____ a device _____ an _____ operating _____ in feature limitations?
 _____ any _____ what we _____ do _____ we install _____ latest _____ a different phone?
 _____ be _____ we can do when _____ change _____ and install _____ latest _____?
 _____ features/functionality be affected _____ our _____ upgraded OS version?
 Can you _____ me _____ new device running an _____ would result in _____ limitations?
 When a _____ transitions _____ replacement _____ a new _____ are there _____ imposed _____ features?
 Are _____ any restrictions on _____ or functions _____ we _____ to _____?
 Are there any reductions _____ you _____ a replacement model _____ advanced _____?
 Will _____ system restrict our _____?
 We replaced _____ with a _____ OS _____ can we _____ limitations _____?
 _____ to expect _____ limitations _____ transitioning to a _____ device with an _____?
 When replacing a _____ release, _____ be limitations?
 _____ I switch _____ better operating system _____ there _____ any restrictions _____ stuff?
 _____ I change _____ to _____ updated operating _____ what _____ the _____ functions and features?
 What _____ the constraints on available _____ or _____ when _____ adopt the upgraded _____ system _____ service _____ another _____?
 Replacing our _____ with _____ operating _____ can _____ features and functionality _____.
 _____ there be any _____ on the _____ features _____ switch to _____ operating _____?
 _____ from older devices, would upgrading _____ an _____ version affect _____ features?
 When we upgrade _____ plan to _____ upgraded operating _____ there any _____ features?
 _____ it _____ for us _____ better operating _____ we switch to _____ new _____?
 _____ any _____ capabilities _____ you upgrade _____ replacement model using an _____?
 If I switch to _____ operating system _____ are the _____?
 _____ I expect any _____ switch to _____ with an upgrade to _____ system?
 _____ an _____ plan transitions _____ device with a new OS, _____ there _____ and functions?
 Will there _____ that are available _____ we switch _____ a _____ operating system?
 _____ plans _____ older _____ an enhanced _____ version _____ any features?
 _____ there be _____ limitations on _____ when we transfer _____ plan _____ an _____?
 Would changing plans from an _____ device _____ version _____ of _____ features?
 If _____ our current _____ with an _____ version, can _____ options _____?
 Does feature _____ apply _____ we switch plans _____ a _____ operating system?
 Can _____ be limits _____ moving _____ old plan _____ updated _____ system on _____?
 Is _____ a _____ we replace _____ plan with _____ operating software _____.
 Will _____ for _____ system affect the features?
 _____ there _____ any limitations on features/functionality _____ we _____ OS version?
 Is _____ any limits _____ what can _____ done _____ moving from an old _____ an _____?
 Is there a _____ capabilities from _____ model _____ an _____ edition?
 _____ our _____ with an _____ software version _____ have feature _____.

_____ switch _____ an _____ system _____ are _____ any restrictions on functions _____ features?

Can _____ tell _____ changing our plan _____ upgraded device _____ result _____?

Will features/functionality _____ we _____ our _____ upgraded OS version?

If we _____ an _____ OS while keeping our existing _____ agreement, could _____ be limitations _____ features?

Does _____ my _____ purchase into a _____ my features?

_____ operating system _____ migrate _____ service plan _____ what are the constraints on our abilities?

_____ any limits _____ what _____ if we _____ to a better _____ system?

If we switch _____ a newer _____ an improved _____ the _____ features?

Is _____ limit to features when _____ replace _____ better _____?

Is _____ limitations _____ we _____ devices _____ an improved _____ version?

_____ drawbacks are _____ if we switch _____ advanced _____?

Does feature or _____ when you _____ higher OS _____?

_____ the plan _____ affected if _____ choose _____ with _____ software?

_____ there _____ limitations _____ when we _____ devices _____ improved OS version?

Is _____ limits on _____ can _____ done _____ moving _____ an old _____ to a _____ operating _____?

_____ I _____ with a _____ operating system, _____ be _____ restrictions _____ the stuff?

_____ limitations be _____ the transfer _____ our _____ to _____ OS version?

What _____ the constraints on available functions or _____ the _____ operating _____ our _____ plan to another _____?

WillUpgrading the OS of _____ the _____?

_____ our device _____ a _____ OS _____ some limitations.

_____ capabilities _____ we replace our leased device for _____ enhanced _____?

_____ we _____ with _____ version, are there any limitations _____ features?

If _____ for a replacement _____ upgraded _____ while _____ our existing service _____ could there _____ drawbacks?

If I _____ my plan to a _____ device with _____ software, _____ I _____?

We _____ use _____ better _____ system if we _____ new _____ but are _____ on what _____ can _____?

Will _____ be _____ restrictions _____ the _____ we switch _____ modern _____ system?

Is there any _____ functions _____ moving from _____ operating _____ a replacement phone?

Is _____ on _____ when _____ replace _____ devices with _____ OS version?

Can you _____ me if changing _____ to a new _____ an _____ OS would _____?

When _____ replace _____ devices with _____ versions _____ any limitations on features?

Isreplacing _____ current _____ an upgraded OS _____?

What type of limitations should I _____ I _____ to _____ replacement _____ software?

_____ switch to a _____ device running an updated OS _____ have any _____ or _____?

After replacing _____ device with a _____ there be _____ in _____?

I wonder if _____ are _____ on _____ do _____ we switch to _____ better _____.

Replacing _____ plan _____ an _____ operating _____ may result in _____.

Can you _____ us _____ a _____ to a _____ device _____ updated OS would _____ limitations _____ constraints?

_____ there _____ any _____ transitioning _____ an updated operating system?

Does feature limits _____ when _____ switch to _____?

Will _____ be restrictions _____ available features _____ our current _____ system _____ a modern _____?

_____ we _____ upgrade _____ device's _____ system, do _____ or function _____ apply?

If _____ upgrade our _____ system, _____ there _____ constraints _____?

Would there be _____ on functions or _____ if _____ to _____ system _____?

When _____ with an upgraded _____ version are there _____ on _____ or functions?

_____ we _____ plans and upgrade _____ systems, are _____ any _____ features?

_____ constraints on _____ functions _____ we _____ to the upgraded operating system?

If _____ opt for a _____ phone with _____ while _____ existing _____ could _____ be any issues _____ orFunctionality?

When moving _____ a new device with _____ operating system, _____ expect _____?

Is _____ any _____ on features if _____ operating system?

_____ you tell _____ if _____ switch _____ a _____ with an _____ OS _____ have _____ limitations _____ constraints?

_____ we upgrade _____ a replacement device _____ improved operating system, _____ features _____ ?

If _____ upgrade to a new _____ with _____ are _____ or _____ ?

_____ we replace our _____ plan with _____ OS _____ and _____ be _____ ?

_____ replacing a device with _____ OS _____ what limitations _____ ?

_____ any _____ affect features/functionality when _____ our plan _____ upgraded _____ version?

_____ new operating _____ going to impose _____ on _____ ?

Is _____ to _____ on _____ we _____ the operating system?

_____ expected _____ replacing _____ an OS release?

Is there _____ reduction in functions _____ using an advanced _____ edition?

_____ I expect _____ switch to _____ device with upgraded operating _____ ?

_____ upgrade _____ device with upgraded _____ are features _____ ?

Does feature _____ apply _____ a higher OS _____ ?

What are _____ available _____ and abilities when we adopt _____ operating _____ ?

If we upgrade our _____ leverage newer _____ constraints on features?

Is _____ any _____ on _____ if I switch _____ an _____ ?

Will _____ restrictions _____ features when we switch _____ operating system?

_____ with an updated _____ software _____ feature and functionality limitations.

_____ it possible _____ existing plan to _____ operating system version?

Will _____ be restrictions on _____ features _____ are currently _____ we switch _____ system?

What are the _____ on available functions when _____ the _____ and _____ our _____ onto another _____ ?

Will there be _____ features and _____ we switch to a _____ with an upgraded _____ ?

_____ upgrade to a replacement device with _____ operating system, _____ restrictions on _____ and _____ ?

Will _____ restrictions _____ features when _____ switch _____ a modernized _____ system?

Is it possible _____ any functional restrictions _____ plans _____ an _____ ?

_____ you confirm _____ plan _____ for _____ device _____ result in _____ functions?

_____ we _____ for a replacement phone with an upgraded _____ keeping _____ there be potential _____ ?

Does _____ our _____ a _____ device _____ the present elements _____ tasks within _____ ?

Replacing _____ with _____ operating software version _____ and capabilities.

What are the limitations when _____ a _____ model _____ OS _____ ?

Will certain capabilities _____ compromised _____ leased _____ an enhanced operating _____ ?

Is there _____ restrictions _____ or features _____ I switch _____ an _____ ?

We _____ our _____ a _____ OS version, _____ we have _____ ?

Changing plans for _____ improved operating _____ .

When _____ upgrade our plan to a device _____ an _____ operating _____ ?

When _____ upgrade my plan to _____ replacement _____ with an _____ system software, _____ I _____ ?

_____ I _____ new device with _____ operating system, can _____ expect any _____ ?

_____ switch to a new _____ with _____ OS, _____ my _____ functions be _____ ?

_____ or functions of an _____ plan be _____ by an upgrade to _____ system _____ ?

Replacing our plan with _____ updated _____ software may _____ feature _____ .

Is it possible to _____ limited options _____ replacing _____ current _____ upgraded _____ ?

_____ the new operating _____ limitations on our _____ ?

_____ my _____ restricted if _____ switch _____ new _____ with an upgraded _____ ?

_____ new _____ system have _____ to our _____ ?

_____ new _____ upgraded system, are any features limited?

_____ feature limits _____ a higher OS version _____ ?

If we opt for _____ replacement phone _____ an upgraded _____ while _____ existing service _____ potential _____ ?

Will _____ new operating _____ limitations _____ our plan's _____ ?

Can you tell me if _____ our _____ result in _____ functionalities?

_____ capabilities be compromised, _____ we _____ device _____ with _____ enhanced operating system?

When _____ improved OS version, _____ there _____ to features?

_____ I _____ by moving _____ current _____ better OS-supplied substitute?

Will _____ be _____ when _____ plan _____ an upgraded OS version?

_____ switch our _____ replacement device with an _____ operating system version, will _____ be _____?

_____ our current _____ an upgraded _____ version can mean _____ functions _____.

Do _____ features _____ current purchase _____ a _____ OS-supplied item?

_____ we have any restrictions _____ an updated _____ system?

_____ there _____ reduction in functions from using an _____ replacement _____?

_____ the upgrade to _____ replacement _____ advanced OS edition _____ any _____?

_____ the _____ have _____ restrictions or _____ features _____ our current scheme if it has _____ version?

Are features/functionalities _____ negatively _____ introduced _____ were _____ if you changed plans _____ upgraded _____ OS _____?

_____ there _____ on features _____ we _____ our plan to _____ device _____ operating _____?

What kind _____ should _____ upgrade to a replacement device _____ OS _____?

Can _____ expect _____ any limitations when moving _____ new _____ upgraded _____ system?

If _____ a new phone _____ upgraded _____ will my _____ be hampered?

What _____ limitations _____ functions/ features after a new model _____?

_____ upgrade devices _____ newer operating systems, are there _____ constraints _____?

What are _____ constraints _____ and _____ upon adopting _____ upgraded _____ while _____ migrate our service _____ another _____?

_____ to be restrictions _____ what _____ can do if _____ switch to _____ different _____ and _____?

_____ restrictions _____ transitioning to an updated _____ system?

_____ I upgrade _____ device's _____ along with the _____ is _____ feature _____?

Will there _____ constraints _____ and _____ when _____ switch plans and _____ to newer _____?

If we opt for a _____ phone with _____ OS _____ maintaining _____ existing service _____ be _____?

_____ any _____ involved when we transfer our plan to _____?

_____ we _____ a device _____ an _____ operating system, will there _____ restrictions _____?

When _____ replace _____ current _____ an _____ can the options be _____?

_____ it possible that _____ device _____ an enhanced _____ system _____ feature limitations _____ our _____?

_____ switch to a replacement device _____ an upgraded _____ there _____ any _____ features and functions?

_____ existing _____ a _____ version of the operating system?

Should _____ or _____ restrictions _____ if _____ and upgrade _____ operating system?

Is there any _____ the _____ or functions _____ to _____ device?

_____ be _____ when we transfer _____ existing plan _____ an _____?

Does _____ my _____ to _____ better _____ substitute _____ affect _____ features?

When I switch to _____ system, will _____ put _____ on _____?

_____ and Functionality limitations _____ we replace our _____ an updated _____ version?

_____ there _____ chance _____ an _____ operating _____ may _____ in feature limitations within our plan?

_____ we upgrade _____ system _____ device, does _____ function restrictions apply?

_____ we opt _____ is equipped with _____ upgraded _____ maintaining _____ existing service agreement, could _____ be problems?

_____ a device with an advanced _____ might _____.

Is _____ OS on migration between _____ cause diminished _____ or _____?

_____ there a _____ in _____ from upgrading _____ replacement model _____ OS edition?

_____ upgrade _____ device's OS _____ my plans, _____ there be _____ limits _____ features?

_____ there likely _____ be any _____ features _____ switch plans and upgrade to _____?

If I move _____ a _____ OS-supplied substitute item, _____ features?

_____ onto _____ device affect _____ elements or tasks _____ can be _____?

_____ say _____ to a _____ device _____ an updated OS would _____ any limitations?

_____ our device with a modern _____ version could _____.

Will _____ system _____ our plan's _____?

When _____ switch our _____ to _____ replacement device with an upgraded _____ system version, _____ on _____ functions?

_____ there a feature _____ function restriction _____ we _____ plans _____ device?

If _____ upgrade _____ to _____ replacement _____ with _____ operating system software, what kind of limitations _____?

_____ device with _____ operating system, will there be any _____ features?

_____ we upgrade _____ with an improved operating system there _____ restrictions _____ features _____ functions.

Can you _____ a _____ to _____ new _____ running an _____ OS would _____ in _____ feature _____?

Is there _____ limits _____ when _____ old device's OS and _____?

Does _____ from our current plan to _____ device _____ any _____ or _____?

_____ updated OS limit _____ or _____ when _____ switch to _____ newer _____?

_____ from older _____ while upgrading _____ an _____ version would affect _____.

When I _____ plans with _____ better operating system, _____ to _____ restrictions _____?

_____ I change _____ new _____ with an _____ will _____ plan functions be _____?

_____ transitioning to a new _____ with upgraded _____ limitations _____?

When _____ plan transitions _____ a _____ a _____ OS, are there _____ on _____ features _____ functionalities?

Is _____ a _____ that _____ switch _____ a _____ that has _____ enhanced operating _____ will result _____ limitations _____ the _____?

Should features be _____ operating system _____?

When _____ a higher OS _____ feature _____ apply?

Will _____ be _____ on features/functionality _____ we transfer _____ an upgraded OS _____?

If we upgrade _____ replacement _____ with _____ improved _____ do _____ any restrictions?

When _____ upgrade to _____ operating system are _____ restrictions on features _____?

Can _____ any limitations when _____ transition _____ device with _____ operating system?

Will _____ be _____ limitations _____ when transferring our _____ plan to _____ upgraded _____?

Will _____ limits on _____ we switch to _____ device _____ an _____ operating system _____?

Do _____ think _____ to _____ version _____ any of the features?

To _____ an _____ OS version would _____ any drawbacks?

_____ replace our current phone _____ a new one _____ are _____ limitations?

_____ be _____ on my stuff _____ a better operating system?

_____ an existing plan _____ device with _____ new _____ are _____ functions limited?

Can _____ any limitations when _____ switch to a _____ with _____ the _____ system?

Can _____ if changing our _____ plan _____ a _____ device _____ an _____ OS _____ result in any _____ constraints?

_____ it _____ change my _____ plan to _____ newer _____ system version?

Is replacing _____ an upgraded OS version _____?

Is _____ possible _____ a better _____ if we _____ a new _____?

Is _____ on _____ when I upgrade _____ device's OS _____?

_____ moving _____ a _____ OS _____ do feature and functionality _____?

When _____ an _____ version, should there be any limitations _____?

_____ I _____ plans with a _____ operating _____ will _____ restrictions _____ my stuff?

Will _____ limited _____ the operating system version of _____ switch to a _____?

Can there be limits _____ a new _____?

_____ device's _____ affect _____ functions we currently enjoy _____ our current scheme?

Does the upgrade from an _____ a replacement _____?

If _____ upgrade _____ do we have _____ on _____?

Can _____ expect any limitations _____ using a _____ an upgraded _____ system in _____?

_____ there _____ to the _____ from the old plan _____ updated operating _____?

_____ I expect _____ limitations when _____ upgrade my _____ to a _____ enhanced OS _____?

Is it _____ switch _____ a device with an enhanced _____ will _____ our ongoing plan?

When _____ change _____ with _____ improved OS _____ are _____ any _____ to _____?

If we switch _____ an advanced OS version, _____ drawbacks?

_____ there restrictions _____ do _____ we change to a _____ install the latest OS?
 Can you confirm if _____ to a _____ running _____ OS _____ in any limitations _____?
 _____ new _____ any restrictions on us?
 If we opt _____ a _____ with _____ upgraded _____ while maintaining our _____ agreement, _____ be _____?
 Do I lose any _____ I _____ a better OS _____?
 By _____ plans and Upgrading the OS _____ features/functionalities changed _____ introduced _____ that _____ present _____?
 _____ an _____ plan _____ a _____ device with a new _____ there any limitations _____ features?
 _____ replace devices _____ better versions _____ OS, _____ there any _____ features?
 What are the _____ of functions _____ model _____ upgraded software?
 Will there _____ any functional _____ transition _____ to _____ updated operating _____?
 Will the _____ essential attributes/functions due to _____ installation _____ systems?
 As _____ plans but _____ operating systems, are _____ features or functionalities?
 _____ our plan with _____ operating software version _____ feature _____
 If we _____ to newer operating _____ any restrictions on _____ or _____?
 After _____ our _____ with a _____ OS _____ experience limitations in _____?
 Does replacing _____ with an upgraded _____ limit _____ options?
 _____ moving _____ improved operating _____ restrict features?
 _____ there _____ restrictions on _____ features for changing _____ device with _____ updated operating _____?
 Is _____ any _____ the _____ we replace _____ with better OS _____?
 Will _____ be restrictions _____ changing to _____ device _____ updated operating _____?
 If we upgrade _____ a _____ operating system _____ any restrictions on _____?
 If we _____ to _____ device _____ an improved _____ are _____ restrictions _____ features?
 _____ are the _____ of our _____ plan _____ switched to _____ OS _____?
 _____ features/functionality be affected upon transferring _____ to an _____?
 Will there be any _____ on _____ when _____ switch _____ a _____?
 _____ there _____ on _____ our _____ can _____ we _____ phone and install the latest OS?
 Is _____ changing _____ older _____ to an enhanced OS _____ impede features?
 When _____ replace _____ with _____ OS _____ we have _____ limitations on _____?
 _____ tell _____ if a switch to _____ new device running an _____ OS _____ result _____ or _____?
 _____ we opt _____ that has an _____ keeping our _____ service agreement, _____ there be problems?
 If _____ upgrade to _____ new _____ is _____ any limitation _____ functions?
 _____ with a better _____ system, _____ you going _____ any restrictions?
 _____ replace devices _____ improved _____ version, _____ there any _____ on _____?
 Is it possible that a _____ to _____ device _____ operating _____ result in _____ in _____ plan?
 Will _____ be _____ our _____ when we switch _____ modernized _____ system?
 Can _____ tell me if _____ switch _____ device _____ an updated OS _____ result _____ any _____ or _____?
 Will certain capabilities _____ compromised when _____ with _____ improved _____ system?
 Do you know if _____ switch _____ a new _____ OS _____ any limitations?
 _____ feature _____ function limits apply when moving _____ version?
 _____ transitioning plans for an _____ system _____ we _____ restrictions?
 If _____ go _____ a _____ with _____ upgraded OS, _____ plan functions be _____?
 If we switch _____ with _____ upgraded OS, what restrictions _____ features?
 _____ there _____ on _____ we _____ to a newer _____ with _____ upgraded OS?
 _____ operating system restrict _____ features?
 _____ plans but _____ to newer operating _____ there any _____ features?
 Are there any _____ features _____ to _____ operating systems?
 _____ of _____ should I _____ when I _____ to a _____ device with _____ operating _____ software?
 _____ any restrictions _____ what our _____ when we _____ a different _____ and install the _____?
 _____ updated operating _____ can we anticipate _____?
 As _____ upgrade _____ to leverage _____ are there any _____ on _____?

____ our ____ with ____ version ____ have some ____ and function limitations.
 Replacing ____ current ____ with ____ OS ____ affect ____ and options.
 ____ chance of ____ if ____ to a device ____ offers ____ enhanced operating system?
 ____ a replacement device to an ____ version, ____ there ____ features or functions?
 Replacing ____ modern OS version will ____ our ____.
 Will ____ be ____ restrictions while transitioning ____ an updated ____ system?
 When ____ plan to ____ replacement ____ with ____ system software, ____ limitations ____ expect?
 Is changing plans ____ devices to ____ enhanced ____?
 When we ____ our existing plan ____ advanced ____ version, ____ face?
 Can functions ____ limited ____ we ____ our ____ with an ____ OS ____?
 ____ OS of ____ replacement change anything ____ package?
 If ____ switch ____ an ____ operating ____ is ____ any ____ on functions?
 Will ____ be functional ____ while ____ our plans for ____ updated ____?
 ____ feature ____ restrictions apply if ____ a new ____ system for ____ device?
 Do I ____ features ____ my current ____ an OS-supplied ____ item?
 ____ there any ____ functions when ____ plan to an ____ system?
 ____ I expect ____ on ____ I switch to a ____ with an ____ operating ____?
 ____ any ____ features after transferring our ____ upgraded OS version?
 If ____ to ____ device ____ an ____ operating system ____ are ____ on features and functions?
 As ____ plans ____ operating systems, are there any ____ or functions?
 Will ____ OS of our ____ affect ____ package?
 ____ limit on features ____ upgrade our ____ system?
 When ____ replace ____ with improved ____ are ____ any limitations ____ features?
 Our existing plan's ____ by ____ replacement ____ upgraded OS.
 When ____ an upgraded ____ can functions ____ be limited?
 Does moving ____ current plan ____ higher-OS-version ____ will ____ elements and tasks?
 ____ any limitations ____ features when ____ switch to a replacement ____ upgraded ____ version?
 ____ you ____ replacement ____ with an upgraded ____ there any restrictions on ____ or functions?
 ____ have any restrictions ____ my stuff ____ to a better ____?
 ____ we anticipate ____ restrictions ____ the transition to an ____?
 Can I ____ limitations ____ we transition to a ____ with ____ system?
 ____ system's features constrained ____ we ____ it?
 Does ____ a ____ present elements of our plan?
 ____ to ____ my ____ when I switch plans with a ____ operating system?
 How ____ the ____ affect our ____ functions?
 ____ to anticipate ____ functional ____ plans for ____ updated operating system?
 ____ there ____ restrictions ____ certain features ____ change ____ to a newer ____?
 Replacing ____ plan ____ an ____ software ____ feature andFunctionality limitations.
 ____ it ____ that a ____ to ____ has an enhanced operating system will ____ limitations ____ our ____?
 ____ our device ____ a ____ OS version, can we have ____?
 Will ____ put restrictions ____ stuff when ____ plans with ____ better ____?
 Will ____ be jeopardized ____ we ____ an enhanced operating system?
 If ____ new device ____ an ____ system are there any ____ on ____?
 ____ restrictions on our available ____ switch to ____ operating system?
 ____ there be ____ constraints ____ functions ____ switch plans and ____ to newer ____ systems?
 Is there ____ to be ____ on ____ can do if we ____ latest OS ____ phone?
 ____ any ____ on features ____ I upgrade ____ device's OS ____ with my ____?
 Would ____ capabilities be compromised if ____ our ____ enhanced operating ____?
 ____ advanced OS release, are there limitations?
 ____ opt ____ a replacement phone ____ OS ____ maintaining ____ existing service ____ there be ____ or
 functions ____ wouldn't

As _____ upgrade our devices to leverage _____ operating systems, _____ there any _____?

_____ when we upgrade _____ plan to _____ device with _____ operating _____?

Will _____ any _____ on _____ after we _____ our _____ to _____ OS _____?

_____ changing _____ newer version of the operating _____ any limitations _____ capabilities?

Can _____ in features after we _____ our _____ modern OS _____?

_____ there be _____ if we _____ use _____ device with _____ software?

Does the upgrade of _____ affect _____ capabilities _____?

If we _____ to a new _____ there _____ on features _____?

If we _____ operating system, _____ function _____ apply?

Can _____ expect any limitations _____ I _____ to _____ new _____ with an _____ operating _____?

What _____ the _____ upgrade to a device _____ an improved _____ system?

_____ there be _____ features if we _____ the _____?

Will _____ to a newer version of _____ on capabilities?

Will the _____ a _____ device be _____ an _____ OS?

_____ we move _____ device with _____ operating system, can I _____ limitations?

_____ the upgraded _____ system, what are _____ functions or abilities?

Is it possible that _____ switch to a device that _____ will _____ in _____ plan?

Will _____ be restrictions _____ moving to _____ OS _____?

_____ features or functions _____ I switch to an _____ operating _____ device?

_____ upgrade to _____ device, are there any limits _____ features _____?

When _____ existing plan transitions to _____ new device _____ a new _____ limitations _____ features _____?

If we upgrade to _____ new device _____ a _____ system, _____ any _____?

Features _____ restricted _____ switch _____ a _____ device with an _____.

Is there _____ on the functions or _____ I _____ an updated _____?

When _____ change _____ device with _____ upgraded operating system, _____ I _____ limitations?

While _____ existing _____ feature or functionality limitations emerge if _____ replacement _____ equipped _____ an upgraded OS

Is it _____ switch _____ a _____ an enhanced operating system will result in _____ plan?

After _____ to _____ new _____ with _____ software, _____ are there?

_____ we _____ systems, are there any restrictions on features?

There _____ be limits on what _____ do _____ a better _____.

_____ there _____ be constraints _____ we switch plans _____ upgrade to newer operating systems?

_____ it possible _____ older _____ to an enhanced _____ version would _____ any of the _____?

Is _____ any _____ on features _____ we replace _____ with an _____?

Can _____ confirm _____ to a new _____ running an _____ OS _____ result in any feature _____?

When we _____ to _____ OS version, _____ do we have?

Can you tell _____ if changing _____ plan for _____ upgraded device _____?

_____ you _____ to a replacement _____ using _____ advanced OS _____ any _____ in _____?

_____ feature or function _____ we change plans _____ upgrade _____ our device?

_____ are _____ limitations for functions _____ transitioning to _____ model of _____?

When _____ switch _____ a replacement _____ with an _____ there _____ any restrictions on _____?

Will features be restricted _____ I _____ phone's _____ system _____ different _____?

As _____ our devices to leverage _____ systems, will _____ be _____ restrictions _____?

If we _____ newer _____ upgraded OS, what _____ the restrictions?

Can I _____ on _____ when _____ a new device with _____ OS?

Is _____ limit _____ features or _____ if we _____ a new _____?

Can _____ be _____ the functions when _____ old _____ to _____ operating system _____ a replacement _____?

Do _____ if I _____ my _____ purchase _____ a better _____ substitute?

What _____ should _____ when I upgrade to a new _____ enhanced _____?

_____ restrictions _____ changing to a different _____ version?

_____ the plan affected _____ the _____ and _____ OS?

If _____ a _____ phone with an _____ while keeping our service agreement, _____ be any _____ the _____?
 _____ our _____ a _____ device _____ any current elements or tasks?
 Will we have _____ functional _____ transition plans _____ an _____?
 When _____ replace devices with _____ are _____ on features?
 What _____ moving to a _____ model _____ OS software?
 _____ upgrade _____ a device _____ improved _____ system, do _____ any _____ on features?
 Will _____ have any _____ while _____ to an _____ operating _____?
 If we _____ plans but _____ to _____ there _____ on features?
 _____ any restrictions _____ features when we _____ a modernized system?
 Is it _____ compromise _____ when _____ our _____ device _____ enhanced operating system?
 Replacing _____ an updated _____ software _____ may cause _____ and _____ limitations.
 Will _____ be any _____ restrictions _____ transitioning _____ for an _____?
 Will _____ be restrictions when _____ switch _____ operating _____?
 When _____ existing _____ to _____ new OS, are _____ limitations on updated features or _____?
 Does moving _____ our _____ to a higher-OS-version device _____ present _____?
 Should _____ limitations _____ I upgrade _____ to _____ device with enhanced _____ software?
 If we upgrade _____ to leverage newer _____ there _____ constraints _____ functions?
 _____ functions may _____ restricted if I _____ an updated operating _____.
 What drawbacks _____ expect _____ our existing _____ to an OS _____?
 _____ new _____ system have any _____ plan's functions?
 _____ you _____ me _____ to _____ new device running an _____ OS _____ cause _____ limitations _____ restrictions?
 Does the move from our current plan _____ device _____?
 If we _____ to _____ operating _____ on what we can _____?
 When _____ switch to _____ and _____ the latest _____ be _____ what we can do?
 If _____ change _____ plan for an _____ can you tell _____ if _____ will _____ in _____?
 _____ an updated _____ features _____ functions when you _____ a _____ device?
 When an _____ transitions _____ new device _____ new _____ any limitations _____ on _____ features or functionalities?
 _____ there be restrictions _____ the features _____ switch _____ modernized operating _____?
 Can we expect _____ functional _____ the _____ to _____ operating _____?
 _____ new model with _____ OS software, _____ exist _____ functions/features?
 When _____ plan _____ a device with an _____ there restrictions on _____ or functions?
 _____ limitations _____ after replacing a _____ with a modern _____ version?
 Does _____ plan to a higher-OS-version _____ any present _____?
 What are _____ drawbacks to our _____ plan _____ advanced _____ version?
 When _____ existing plan _____ to a replacement _____ with _____ new _____ there any _____ new _____?
 _____ we _____ newer device _____ upgraded OS, _____ there any _____ on features?
 _____ any limitations on features _____ replace devices _____ version?
 _____ there be _____ the available _____ we _____ our plan to _____ modern operating _____?
 _____ there _____ feature limits when I _____ my _____?
 _____ there _____ on functions if I _____ updated _____ system device?
 If we _____ better operating _____ will _____ be limits _____ do?
 When _____ a replacement device with _____ OS version, _____ there _____ that _____ restrict the _____?
 _____ limitations _____ with the transfer of our existing plan _____ upgraded _____?
 If we _____ to a new device _____ the _____ or functions _____?
 _____ we anticipate functional _____ when _____ to _____ updated operating _____?
 _____ upgrade our plan to a device _____ system, _____ there restrictions _____?
 _____ we _____ to _____ with an improved _____ are there restrictions _____?
 _____ there _____ limitations _____ when _____ devices with improved OS _____?
 Is there any limit to _____ can be _____ moving from an _____ plan _____?
 _____ our plan to _____ with _____ operating system, _____ there any restrictions _____ features?

_____ my stuff when I switch plans with a _____ operating _____?

_____ transitioning from _____ to a _____ device affect _____ present elements _____?

When an _____ plan _____ to _____ device _____ a _____ are _____ limitations imposed _____ features or functions?

_____ features _____ limited when I _____ phone's operating system _____ plan?

_____ there going to _____ restrictions on _____ our _____ can _____ when we _____ phones and _____?

When _____ replace _____ devices _____ a better OS _____ there _____ features?

From upgrading to _____ model using an _____ OS edition, _____ in _____?

Is there any _____ functions _____ old plan _____ updated _____ system on _____ replacement phone?

If I switch _____ new phone with a _____ OS, _____ be _____?

Is _____ constraints _____ features as we _____ to _____ operating systems?

Is _____ a device with _____ enhanced operating system could result in _____ limitations?

Will _____ be _____ on _____ available features when we switch _____ new _____?

_____ feature and Functionality _____ arise when _____ our _____ with an _____ version?

Can I _____ limitations in _____ when I switch _____ with an _____?

Would the _____ to _____ OS _____ have any _____?

_____ lose features _____ current purchase into _____ OS-supplied substitute?

_____ there any _____ when we _____ to _____ operating systems?

_____ limit to what we _____ do _____ use a _____ OS?

Are features/functionalities modified negatively or introduced _____ not _____ if _____ change _____ and _____ the OS _____?

_____ we go _____ a replacement _____ with an upgraded OS _____ our _____ be limitations?

Would _____ a problem _____ existing plan _____ advanced OS version?

_____ plan _____ a _____ an improved operating system, are there _____ on _____ or functions?

_____ from our _____ plan _____ a _____ device _____ the present elements?

Is there _____ to _____ restrictions _____ what _____ can _____ when _____ choose a _____ OS?

_____ have _____ limits on what _____ do if we switch _____ better _____?

Are _____ limited if _____ a new device?

Is _____ risk _____ if we _____ a _____ with an enhanced _____ system?

Is it _____ that _____ to _____ with _____ result in feature limitations within _____ ongoing plan?

_____ there _____ when we upgrade to a _____ a better _____?

When an existing plan transitions _____ device with a _____ are _____ limitations _____ features _____?

_____ upgrade to _____ replacement device with _____ system _____ there any _____ features or functions?

_____ our _____ an _____ software version can _____ and Functionality limitations

There may _____ on features if we upgrade _____.

When we _____ our existing _____ a replacement device _____ upgraded operating _____ be any _____ features?

Is there _____ what can _____ done when moving _____ the _____ plan _____ the _____ system?

Will _____ be _____ our available features when _____ switch to _____ operating _____?

_____ we _____ plans but _____ to _____ operating _____ are _____ constraints on _____?

_____ replacing a _____ with _____ advanced OS _____ there be _____?

If _____ replaced with _____ updated _____ do _____ and Functionality limitations arise?

If I _____ system device, _____ any _____ on functions?

If _____ for a _____ an upgraded OS _____ existing service _____ could _____ be any limitations?

_____ I _____ to a _____ phone _____ upgraded _____ will _____ plan functions _____ restricted?

Can _____ anticipate _____ restrictions during _____ of plans for _____ system?

_____ if changing our plan for _____ would result _____ functions?

After replacing our _____ modern OS _____ any limitations?

_____ a _____ a _____ operating system impose limitations _____ my _____?

_____ there be _____ replacing a device _____ advanced _____ release?

Functions _____ options can be _____ when _____ an _____ version.

_____ moving from our existing _____ to _____ higher-OS-version _____ affect _____?

If _____ plan _____ replacement device with _____ new OS, are _____ imposed on _____ functionalities?

Is _____ a problem if _____ transitions to _____ replacement _____ a new _____?

Is _____ restriction on _____ or _____ we upgrade _____ device with _____ improved operating system?

_____ me _____ changing our _____ for _____ upgraded device _____ in restricted functions?

While _____ plans for _____ operating system _____ anticipate _____?

_____ plan with an _____ operating _____ lead to feature and Functionality _____.

If we _____ for _____ replacement phone _____ an _____ OS _____ keeping _____ existing _____ agreement, _____ be _____?

_____ plan with an upgraded OS _____ functions and options _____?

_____ from our existing plan to a _____ present tasks _____?

_____ replace _____ phone with _____ upgraded OS, _____ plan functions be _____?

_____ we switch plans _____ to _____ operating systems, will _____ limitations on _____?

Replacing _____ plan _____ an updated _____ of _____ might result in _____.

Is _____ switch _____ that has an enhanced operating _____ might result in _____ within our _____?

If I _____ to an _____ operating _____ what _____ restrictions _____?

Will _____ be able _____ existing _____ when _____ a newer device's operating _____ version?

_____ should I _____ when I upgrade _____ to _____ enhanced operating _____ software?

Is there _____ if we _____ our plan's _____?

_____ any restrictions _____ the _____ we _____ to a new system?

Can _____ limitations _____ I _____ a new device with _____ OS?

Can you tell me _____ to _____ upgraded _____ in _____ functionalities?

Can you tell _____ plan for an _____ device _____ result _____ functionalities?

_____ you tell me _____ to _____ device running _____ updated OS _____ in any _____ on features?

If we upgrade _____ new _____ system, _____ any limitations?

_____ tell us if _____ switch to _____ device _____ updated OS will _____ any limitations _____?

_____ we _____ plans and upgrade our _____ system, _____ feature _____ restrictions _____?

_____ be limitations _____ features _____ replace _____ with a modern OS _____?

_____ switch _____ replacement device with an upgraded operating system _____ will there _____ on features _____?

As we _____ upgrade _____ systems, are _____ constraints on features?

Are _____ the available features _____ we _____ a _____ operating system?

Will the updated OS limit _____ features _____ functions _____?

Does _____ for an improved _____ system _____?

_____ there be any limitations when _____ existing _____ newer _____ version?

If we _____ our _____ operating _____ restrictions on _____?

Are _____ modified negatively or _____ that weren't present _____ change _____ and upgrade _____ version?

Will _____ be _____ I upgrade _____ phone's operating system to _____?

Is _____ limits _____ I _____ device's OS?

_____ replace our device _____ a modern _____ we _____ any _____?

Can I _____ I switch from _____ existing _____ to a new _____ upgraded operating _____?

Replacing _____ plan with _____ operating software version _____ about feature _____.

_____ are _____ limitations for _____ transitioning to _____ model _____ OS?

_____ what we can do when we _____ the _____ OS on _____?

_____ my _____ change to a _____ operating _____ version?

_____ upgrade _____ to _____ an improved operating system _____ may be restrictions on _____.

Will _____ or functions if I switch _____ operating system?

_____ you _____ if _____ switch to a new _____ an updated _____ result _____ limitations or Functionality constraints?

_____ we upgrade _____ plan to a _____ an _____ are there any restrictions on _____?

Are there reductions _____ when _____ upgrade _____ replacement _____ an OS _____?

_____ tell _____ if the change to an upgraded _____ result _____?

_____ my current _____ be _____ to a newer device's _____ system _____?

Will there be _____ limitations _____ our existing plan _____ OS _____?

_____ it possible _____ a _____ with an enhanced _____ system _____ to _____ limitations within _____?

What _____ the limitations of _____ upgraded OS software?

_____ the _____ available functions _____ when we _____ an _____ system and migrate _____ service _____ onto another phone?

Are _____ going _____ have restrictions on my stuff _____ a _____ system?

Is _____ restrictions on _____ or _____ a replacement device _____ upgraded OS version?

Is _____ on _____ we can _____ we switch _____ a better _____?

Is _____ any _____ functions _____ features _____ I switch onto _____ updated _____ device?

Will the plan _____ we _____ a _____ running _____ software?

_____ there a _____ that _____ switch to a device _____ operating _____ will result _____ feature _____?

When _____ switch our _____ plan _____ an advanced _____ do _____ have?

Is _____ to be restrictions _____ our plan _____ if we _____ phones _____ the _____ OS?

When _____ devices with an improved _____ do _____ any limitations on _____?

_____ an _____ features on _____ new device?

When I upgrade _____ OS with the _____ there _____ feature _____?

When we adopt _____ system and migrate our service plan onto _____ phone, _____ the _____ abilities?

_____ are the limitations for functions _____ to _____ with _____ upgraded _____ software?

If _____ a replacement _____ upgraded OS _____ maintaining _____ service agreement, could _____ be limitations to _____?

When we upgrade the operating _____ to _____ the constraints on available _____?

Can _____ us _____ switch to _____ new device with an _____ would _____ or constraints?

Will altering _____ an improved _____ restrict any _____?

When _____ our plans _____ a _____ an _____ operating system _____ there _____ on _____?

When _____ OS, _____ there be any limits _____ features?

_____ with a _____ OS _____ can _____ face limitations in features?

Can _____ in _____ we _____ our device with a _____ OS _____?

If we change _____ a _____ system, are _____ limits on _____?

If you upgrade _____ model using an advanced OS _____ are _____?

_____ the _____ our device be changed to _____ version?

When I _____ my _____ OS _____ with _____ plans, _____ there _____ feature _____?

_____ moving from our _____ plan to a _____ affect _____ elements _____ plan?

_____ I upgrade to a _____ enhanced operating system software, _____ limitations _____?

_____ a possibility _____ to a device with an enhanced operating system _____ result _____ limitations _____.

Will _____ capabilities _____ our leased _____ be _____ replace _____ with _____ enhanced operating _____?

_____ kind _____ I _____ when changing my plan _____ device with enhanced operating system _____?

What _____ functions/features after a new _____ OS software?

Will there be _____ limitations on _____ when _____ device with _____ operating system _____?

_____ limitations should I _____ when I _____ to a _____ device _____ operating system _____?

_____ there be _____ limits on _____ we switch to a _____ operating _____?

Is _____ an _____ with _____ if _____ upgrade our _____?

_____ we upgrade our _____ are _____ any _____ on _____?

_____ existing plan _____ by a _____ device's _____ system?

Replacing our _____ with _____ OS _____ might cause some _____.

When we _____ our current plan with an _____ functions _____ options?

_____ there _____ any limitations on features when _____ a _____ device with _____ operating _____ version?

_____ it possible to have _____ on features when we _____ device _____ system?

_____ be constraints _____ features _____ we switch plans to use _____ operating _____.

_____ and _____ operating system _____ device, _____ features or function restrictions apply?

Will _____ restrictions on _____ OS version?

_____ functions become restricted if _____ switch to _____ phone _____ an _____ OS?

_____ expect _____ when _____ switch to a newer device with _____ ?
 _____ and options _____ be _____ if _____ our _____ plan _____ upgraded OS version.
 _____ options _____ limited when _____ change _____ plan to _____ OS version?
 Features _____ be restricted _____ switch to _____ an upgrade.
 If _____ the operating _____ we have _____ on features?
 Is _____ be restrictions _____ our plan can do _____ and install the latest _____ ?
 _____ feature limits apply _____ to a _____ OS _____ ?
 Will _____ be _____ available features when _____ switch _____ a newer _____ ?
 _____ tell me _____ new device _____ an updated OS will result in any _____ ?
 _____ any limit _____ from an _____ plan to an updated operating _____ on _____ replacement _____ ?
 While maintaining _____ could potential _____ or functionality _____ emerge _____ we replace _____ an upgraded OS?
 When _____ upgrade my device's _____ plans, are there any _____ ?
 _____ there _____ on _____ switch plans but _____ to _____ operating systems?
 _____ we _____ plan's _____ is there any constraints _____ features?
 _____ I _____ a better _____ system will you make _____ my stuff?
 _____ you going to _____ some _____ stuff _____ I _____ to a _____ operating _____ ?
 Can you tell _____ a switch _____ a new device with _____ limitations or _____ ?
 Will _____ restrictions on features when _____ devices _____ updated _____ ?
 Does _____ or function limits _____ when _____ shift _____ version?
 If we _____ device with an upgraded system, _____ ?
 Replacing _____ an updated operating _____ have some limitations.
 _____ changing plans for _____ system _____ certain features?
 Will _____ updated OS limit the features _____ ?
 _____ changing our _____ plan to a new device running _____ OS _____ in any _____ constraints?
 Is _____ on _____ we _____ do if _____ switch to _____ operating system?
 When _____ current _____ an upgraded _____ version, can functions and options _____ ?
 _____ there _____ to _____ done _____ we switch to a better _____ system?
 _____ any _____ when _____ switch to a replacement device _____ upgraded operating _____ version?
 Is _____ a _____ when shifting to a _____ ?
 _____ there anything _____ features or functions when _____ a new _____ upgraded OS version?
 Will _____ switch to a newer _____ system _____ restrictions on _____ ?
 Is _____ any _____ in _____ from updating to a _____ model _____ OS _____ ?
 _____ my _____ be limited _____ switch _____ a new phone with an _____ ?
 Will _____ any restrictions on features when _____ transfer our _____ plan _____ ?
 _____ or function _____ apply if we _____ upgrade _____ operating _____ of _____ device?
 Does the OS upgrade _____ ?
 If _____ upgrade _____ of _____ will feature restrictions apply?
 _____ be _____ when we switch to _____ device _____ an upgraded _____ system?
 As we upgrade devices _____ systems, are _____ any constraints _____ or _____ ?
 Will the _____ to a _____ device's operating system _____ any _____ ?
 _____ features/functionalities modified _____ or introduced constraints that _____ you _____ plans and upgrade _____ OS _____ ?
 Limits expected _____ an _____ to a new one _____ operational software?
 Is Upgrading to _____ model _____ OS edition reduced in _____ ?
 _____ you _____ if _____ for _____ upgraded device will _____ in _____ functions?
 _____ certain capabilities be _____ by replacing _____ leased _____ with _____ system?
 Should _____ any restrictions _____ my _____ when I _____ with _____ operating system?
 Replacing _____ with an _____ may _____ some limitations.
 When _____ switch _____ operating _____ are _____ any constraints on features?
 _____ there be any limitations on _____ when _____ plan _____ an _____ OS _____ ?

Will _____ and functions be _____ upgrade to _____ device?
 _____ we replace our leased _____ one with _____ enhanced operating _____ certain _____?

Can I _____ limitations _____ we change _____ with an upgraded _____?

If I _____ to a _____ phone _____ will my _____ functions _____?

_____ there anything _____ restrict the features or _____ when replacing a _____ an _____?

_____ to a _____ model _____ upgraded OS, _____ are the _____?

When replacing _____ device _____ upgraded _____ any _____ on _____ features or functions?

Can _____ me _____ switch to a new device _____ OS will cause _____?

Will features _____ limited _____ I _____ my old _____ with _____ plans?

Will features/functionality _____ affected _____ our _____ plan _____ to _____ OS version?
 _____ on functions and features if _____ to an _____ system device?

_____ we _____ our _____ operating system, are _____ features?

Do I lose _____ change _____ purchase to _____ better OS _____?

_____ the _____ of the OS _____ replacement affect _____ package?

Can I expect any limitations _____ to _____ device _____ operating _____?

If we upgrade _____ constraints on features?

If we switch _____ use newer _____ are _____ constraints _____ features?

Is there _____ features and _____ if we upgrade to a _____ with an _____?

Replacing _____ plan with _____ operating _____ version might _____ some _____ and Functionality _____.

_____ be any _____ on _____ we transfer _____ current plan to _____ version?

_____ our _____ updated software version _____ and Functionality limitations.

_____ any _____ features when we _____ devices _____ upgraded _____ version?

Will there _____ restrictions _____ available _____ when _____ switch _____ modern operating system?

Is there _____ I upgrade my device's OS _____ plans?

_____ from our existing plan to a _____ elements _____ tasks?

If we upgrade plan to _____ device _____ system, _____ any _____?

_____ switch to _____ updated _____ system device there _____ functions and features?

When _____ replacement _____ with an upgraded operating system version, will there _____ restrictions _____ or _____?

When using an _____ version, _____ functions and _____?

_____ any of _____ features limited if _____ to _____ new _____?

_____ from _____ devices _____ an enhanced OS version _____ impede _____ features?

_____ certain _____ be compromised _____ replace _____ leased device with an _____?

_____ we _____ a replacement device _____ an improved operating _____ any _____?

Does _____ device or _____ OS _____ existing plan?

_____ an advanced OS _____ may have _____ capabilities.

_____ we _____ an improved operating system, _____ there _____ restrictions _____ the features?

Is _____ gonna _____ any restrictions _____ my _____ switch _____ better operating system?

Does moving _____ a _____ device will affect any _____ elements or _____?

_____ be any limitations on features after _____ to an _____ version?

_____ better operating system if _____ switch _____ new device, _____ are there limits _____ what we _____?

_____ for a _____ phone with an _____ OS _____ maintaining our _____ agreement, _____ there _____ drawbacks?

_____ to _____ higher version _____ the OS, _____ feature _____ apply?

Will _____ be _____ the _____ features when we switch _____ modernized operating _____?

_____ upgrade _____ a _____ using an advanced OS _____ changes to capabilities?

_____ there be restrictions on features/functionality _____ transfer our _____ upgraded _____ version?

Will _____ function _____ affected when _____ transfer our existing plan to _____?

_____ plan with an _____ version may result in _____.

Does moving _____ a _____ affect the _____ elements _____ be performed?

_____ to a higher _____ version, do feature or _____?

Is _____ any restrictions _____ can _____ we switch to a different phone _____ install _____ latest _____?

Will _____ OS of the replacement affect _____?

Replacing _____ plan _____ version may bring _____ and functionality limitations.

_____ possible _____ have limited functions and options _____ our _____ with an upgraded _____ version?

_____ to _____ newer _____ phone, will my plan functions _____?

When _____ devices _____ improved OS version, are _____ limits _____?

_____ may _____ on features _____ we replace _____ OS version.

Are _____ restrictions on features and _____ upgrade _____ a new _____?

If _____ upgrade to _____ replacement _____ with an _____ operating _____ are _____ any restrictions _____ functions?

Is there any _____ features when _____ devices _____ versions?

_____ we upgrade our _____ system _____ what _____ the _____ on available functions _____ abilities?

When _____ a replacement _____ with _____ operating system _____ of limitations _____ I _____?

Does upgrading _____ a replacement model _____ an _____ any reduced _____?

When I _____ a _____ operating _____ you _____ restrictions on my _____?

_____ plans _____ devices to an enhanced _____ version impact any _____?

_____ I lose _____ features _____ my current _____ a _____ OS item?
