

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Car engine not starting
Inquiry Sub-Category	Faulty Security System
Description	Inquiries related to security system malfunctions, including faulty immobilizers or key fobs, preventing the car engine from starting.
Data Size	7,174 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Is my _____ causing the _____ engine not _____?

Is _____ link _____ malfunctioning _____ the inability to _____ my car?
_____ car _____ Immobilizer broke.

Is _____ start my car's _____ because my _____ is _____?
_____ broke and _____ car _____!

Is _____ faulty immobilizer _____ reason _____ not starting?

Is _____ a faulty _____ system _____ cause _____ failure _____ launch the vehicle's _____?

The faulty _____ might _____ engine _____.

_____ a _____ immobilization system that can cause failure _____ the _____ engine?

Is it possible for a _____ to _____ failure _____ launch _____?

The engine _____ car _____ because _____ immobilizer _____ malfunctioning.

Could _____ of the _____ stop _____ car _____ starting?

I want to _____ if it's possible _____ my _____ won't _____ because _____ the _____.

The _____ bad for _____ to _____.

Is the _____ vehicle's _____ affected by _____ in _____ immobilizer?
_____ am _____ the _____ immo causing my car _____ fire _____.

The _____ faulty immobilizer.

_____ possible for a bad _____ the engine?

Is it _____ the _____ is _____ it hard _____ my _____ start _____ engine?
_____ it difficult to _____ my car's engine because _____?

Is _____ the _____ affected by _____ defect _____ the _____?
_____ faulty immobilizer bad _____ engine _____?

Can _____ system explain _____ I can't _____ my _____ now?
_____ it _____ that _____ is to blame for not starting _____ car?

Is _____ that my broken _____ my _____ from starting?
_____ faulty _____ preventing my car _____ starting.

_____ it possible that _____ wouldn't _____ due _____ an impaired _____?

_____ my car engine malfunctioning _____ faulty _____?

_____ faulty _____ be _____ my car engine from _____.

____ it ____ car ____ because of ____ problem with ____ immobilizer?
 ____ possible that ____ faulty ____ system will cause ____ launch the ____?
 Can the non-starting issue ____ on ____?
 ____ of ____ be blamed for ____ non-starting issue?
 ____ it possible that a ____ system ____ the engine ____?
 ____ a ____ between the ____ ignition and the ____ my vehicle.
 Reports ____ a ____ immobilizer might ____ engine ____ starting.
 Is the ____ a ____ engine ____?
 ____ if a faulty immobilizer ____ the ____ for my engine's ____.
 Is it ____ my car ____ is not ____ because of ____?
 Is it ____ my car's inability ____ start it's engine ____ a result ____?
 ____ faulty immobilizer can ____ startup ____ car engine.
 ____ there a ____ the ____ ignition and the ____ in my ____?
 ____ a defect in ____ immobilizer ____ failure of ____?
 ____ with ____ engine start?
 Immobilizer breaks, ____?
 Is it possible ____ an issue ____ cause ____ engine ____?
 ____ possible that ____ problem ____ my car's ____ startup ____ by ____ non-functioning immobilizer?
 Is ____ faulty ____ the reason ____ doesn't ____?
 I ____ if ____ is preventing ____ from starting.
 Is ____ engine ____ malfunctioning because ____ busted ____.
 ____ faulty ____ be ____ from starting my car.
 Can ____ start my car's ____ immobilizer ____ malfunctioning?
 ____ broken, ____ won't start.
 Is ____ to launch ____ vehicle's engine if ____ immobilization ____ is faulty?
 Is it ____ that ____ make it difficult to ____ my ____?
 ____ stalling of ____ engine possible due ____ an ____?
 ____ the engine ignite ____ the issues of ____?
 ____ the ____ functioning ____ causing ____ my car's ____ startup?
 ____ ignitr stop ____ car?
 ____ broken immobilizer ____ failure ____ the car engine?
 ____ could ____ because of an erratic ____.
 ____ car ____ start because of ____.
 ____ may ____ due to the ____ Immobilizer.
 ____ I have problems starting ____ engine ____ of the ____?
 ____ junked ____ messing ____ my ride.
 Is ____ bad ____ car engine start ____?
 ____ issue ____ the ____ engine failure?
 ____ possible ____ a faulty immobilizer ____ engine to fail ____ start?
 Does ____ with ____ affect the start ____ vehicle's engine?
 Is ____ unreliable intrusion preventer can make ____ to ____ car?
 Is engine ____ immobilizer?
 Is ____ connection between my ____ and ____ failing ignition ____ car?
 Is ____ possible that the ____ with my car's ____ startup?
 I'm wondering if issues ____ the ____ are preventing ____.
 ____ is ____ the engine's failure ____ start ____ a faulty immobilizer.
 ____ immobilizer ____ be ____ engine from starting.
 ____ it ____ won't start due to ____ with the immobilizer?
 Is it ____ that ____ faulty immobilization ____ cause ____ the engine?
 Is there ____ the ____ keeping ____ from starting?

____ my ____ ignitor ____ to stop the ____ starting?
 Is ____ problem with the immobilizing mechanism ____ the inability ____ ?
 My car will not start ____ .
 ____ for ____ unreliable intrusion ____ to ____ difficulties ____ starting my automobile?
 Is ____ for an issue ____ the ____ engine failure?
 ____ there a connection between a ____ and ____ unable ____ start ____ ?
 Might ____ a ____ between ____ car's malfunctioning immobilizer ____ to ____ it?
 Maybe a malfunctioning ____ is ____ reason ____ car ____ ?
 Is there ____ malfunctioning immobilizer ____ inability to ____ up my ____ ?
 Perhaps there ____ a connection between ____ inability to ____ car's engine?
 ____ the problem with ____ mechanism to blame ____ problem ____ the ____ ?
 ____ my car not ____ because of ____ ?
 ____ there an issue with the immobilizer ____ may ____ ?
 Is my car ____ because ____ immobilizer?
 Is ____ for a vehicle's engine to ____ of a ____ ?
 ____ possible that my car's ____ startup ____ affected by ____ immobilizer?
 ____ start my ____ because of ____ faulty immobilization ____ .
 The ____ ignition may be ____ in my car.
 Is it ____ that the ____ immobilizer ____ causing ____ with ____ ?
 I think ____ car won't ____ because ____ immobilizer.
 Is ____ car's malfunctioning ____ reason it ____ ?
 ____ the car's immobilizer affect ____ the engine?
 ____ my car's ____ not ____ because ____ immobilizer?
 Will my ____ the start ____ car?
 Is the ____ my ____ related ____ malfunctioning immobilizer?
 ____ the erratic ignitor ____ to ____ engine launch?
 ____ startup may ____ hampered by ____ .
 ____ an issue with ____ car's ____ be ____ it ____ it?
 ____ indicate that a ____ immobilizer ____ the ____ from ____ .
 ____ my ____ inability ____ start ____ engine ____ due to an ineffective ____ system?
 ____ show that ____ start because of a faulty ____ ?
 ____ immobilization system ____ issue?
 ____ a ____ due to ____ immobilizer?
 ____ the car ____ not ____ is ____ of the ____ .
 ____ immobilizer might ____ preventing ____ from starting.
 Is ____ not starting ____ have issues ____ immobilizer?
 Is ____ the ____ is causing ____ car's engine startup ____ ?
 Can ____ fail to start ____ to ____ malfunctioning ____ ?
 Is it ____ immobilizer is preventing my ____ from ____ ?
 Is the ____ to stall?
 Is it ____ that a ____ system can ____ the ____ engine ____ ?
 ____ it possible ____ the problem ____ immobilizing mechanism ____ to ____ for the ____ start ____ car?
 ____ a faulty ____ cause the failure of ____ ?
 Might there be ____ between ____ malfunctioning ____ and ____ inability ____ car?
 ____ possible ____ intrusion preventer may ____ difficulty in ____ my car?
 ____ my car malfunctioning ____ of ____ the ____ ?
 ____ start problem ____ to ____ ?
 ____ to bad immobilizer?
 Is ____ possible ____ trouble ____ the ____ mechanism ____ to blame for ____ ?
 ____ of my ____ starting because my immobilizer ____ .

Is _____ problem _____ my _____ engine startup _____ the _____ functioning _____?
 _____ it _____ car's engine startup issue _____ by the non- _____?
 _____ with _____ immobilization _____ explain why _____ can't start my _____.
 _____ an _____ with _____ immobilization _____ making it hard _____ start?
 _____ my engine start _____ my broken _____?

Is _____ the engine will _____ because _____ a _____ immobilizer?
 Is _____ immobilizer _____ for _____ engine's _____ to start?
 _____ broken _____ the car from _____ properly?

Is _____ possible _____ a faulty immobilization system _____ the vehicle's _____?
 Did I _____ difficulties _____ my _____ engine because _____ malfunctioning _____?
 _____ it possible _____ non-functional immobilizer _____ causing the issues _____?
 Is it _____ my immobilizer _____ engine?

Is _____ possible that an _____ intrusion _____ will _____ starting my _____?
 I _____ my broken immobilizer will stop _____?
 _____ the problems with the _____ system _____ car is _____ starting _____?
 _____ issue with _____ car's immobilization _____ making _____ hard _____ start?

I _____ wondering if _____ start is the _____ a _____ immobilizer.
 _____ faulty _____ preventing the engine _____ starting.

Car _____ crank, _____ the _____?

Do a defect in _____ affect _____ engine?
 _____ that my _____ to _____ engine is _____ an ineffective iammation system?
 _____ was wondering if _____ immo _____ causing my _____ not _____ up.
 _____ possible _____ erratic _____ responsible for _____ an engine launch?

Maybe there is a connection between _____ a malfunctioning _____?
 _____ it _____ that _____ car won't _____ because _____ an _____ with its _____?

There _____ a connection _____ a _____ immobilizer and the _____ car.
 _____ won't _____ bad _____?
 _____ connection between a faulty immobilizer and _____ in my _____?
 _____ it _____ immobilizer that kills _____?

There _____ question about _____ immobilizer _____ car engine from starting.
 Is _____ halted because _____ non-functional immobilizer?
 Is _____ possible _____ my car's _____ caused by the non- _____?
 _____ the malfunctioning _____ prevented _____?

The car engine _____ of my _____.
 _____ can't _____ my car _____ because of _____ with _____ system
 _____ immobilizer _____ engine startup?

Do _____ the _____ can't start _____ a faulty immobilizer?
 Is it _____ immobilizer _____ with my car's _____ startup?
 Is _____ impediment to _____ engine startup?
 _____ car isn't starting _____ of _____.

A car won't _____ it _____?

Is there problems starting _____ malfunctioning immobilizer?
 _____ a flawed immobilizer _____ the failure of _____?

I wonder _____ system _____ making it _____ my _____ to start its _____.
 _____ faulty immobilizer _____ the _____ the car?

Is it _____ a _____ prevent the _____ from starting?
 My _____ failure to _____ may _____ the result of _____.

Is it possible _____ the _____ engine _____ because of _____ faulty _____?
 _____ breaks _____ car won't _____.
 _____ engine start messed _____ by the _____?

Is it ____ that ____ car's ability ____ its ____ being hampered ____ ineffective ____ system?
____ possible ____ engine could not start because ____ a ____ immobilizer?
____ an impaired ignitor ____ from starting my engine?

Is ____ in the ____ engine start?

____ malfunctioning immobilizer ____ my car not starting?

____ there is ____ between the malfunctioning ____ my car's ____ to ____.

Is ____ problem with ____ immobilizer ____ my ____ isn't ____?

____ car isn't ____ the ____ immobilizer.

____ a ____ immobilizer ____ the ____ my car ____ start?

____ the problem with ____ car's ____ possibly ____ the ____ immobilizer?

Is ____ a connection ____ and its inability ____ start?

Is ____ my ____ are ____ by the non- functioning immobilizer?

____ car won't start ____ a ____.

Immobilizer is ____ the ____ wont ____.

____ start ____ due to ____?

____ broke and ____ wont ____?

The ____ issue ____ the damned immobilizer.

____ is ____ my ____ failure ____ is ____ result of a faulty ____.

The ____ crank, is ____ immobilizer?

____ stalling ____ launch the result of ____ erratic ____?

____ there a problem with ____ engine ____ because ____ the ____?

Immobilizer ____ and ____ the ____ doesn't ____.

Is ____ malfunctioning ____ car ____?

Do ____ say that ____ faulty immobilizer ____ engine ____ starting?

____ possible ____ trouble ____ the immobilizing ____ is ____ for ____ inability to ____ this car model?

Is there ____ starting ____ car's ____ of the malfunctioning ____?

____ it ____ non- functioning immobilizer is ____ issues with my ____?

____ a ____ for ____ to stop the engine ____ starting?

____ wonder ____ failure to start is ____ a faulty ____?

The ____ my ____ doesn't ____ because ____ my ____ immobilizer.

____ the ____ the immobilization system ____ car can't start?

____ not ____ due to issues with ____ immobilizer?

There ____ between ____ malfunctioning immobilizer and the ____ to ____ the ____.

____ might ____ the ____ not start.

Will it ____ my car's ____ the malfunctioning immobilizer?

____ with my ____ be making it harder ____ start it.

I'm wondering if there ____ between the ____ and ____ inability ____ my car's ____.

____ my car started ____ of the faulty ____

____ malfunctioning ____ system would explain ____ I ____ my ____.

____ ability to start its ____ is hampered by ____ ineffective ____ system?

____ there ____ issue with ____ car's immobilization system that ____ to ____?

Does ____ prevent ____?

Is ____ problem with my ____ by the non- ____ immobilizer?

____ might ____ a connection between the ____ ignition ____ a ____ my ____.

I am not ____ my ____ due to ____ malfunctioning ____.

I ____ wondering ____ a faulty immobilizer ____ my ____ won't ____.

____ it ____ non- functioning ____ causing issues ____ the engine ____?

The ____ preventing my car ____ from starting.

Is there difficulties ____ my ____ engine ____ immobilizer?

Can ____ engine start ____ if ____ immobilizer ____ faulty?

Should I suspect _____ an unreliable intrusion preventer can _____?

_____ start _____ by my broken _____?

Maybe there is _____ between a _____ and _____ car's engine.

Is an _____ car's _____ it _____ to start?

_____ car _____ start _____ I have a _____.

_____ wonder if my car's _____ start _____ is _____ an ineffective _____.

I can't _____ car because _____ problems with _____

_____ that _____ immobilizer _____ reason for my engine's failure to _____?

_____ is _____ that an _____ could _____ to _____ for stalling _____ engine.

_____ faulty immobilizer could _____ for my _____ failure to _____.

_____ is _____ problem due _____ immobilizer.

I _____ know _____ possible that _____ car won't _____ of _____ issue _____ the _____.

_____ car won't start _____ immobilizer.

Is _____ possible _____ start _____ of an _____ with the immobilizer.

_____ engine isn't starting _____ the faulty _____.

Is it _____ a _____ immobilizer _____ stop the engine _____?

_____ can _____ blamed _____ the stupid immobilizer.

_____ it possible _____ car won't _____ an issue _____ my immobilizer?

Is it _____ immobilizer that _____?

_____ between my _____ not _____ up and the _____ immobilizer?

_____ possible for a faulty _____ prevent the _____ starting?

It's _____ immobilizer _____ from cranking.

My _____ from starting properly.

I _____ if an _____ immobilizer prevents my _____.

_____ failed, now _____ won't _____?

_____ car's engine _____ because of the _____?

Is the _____ car starting?

_____ was _____ the reason for _____ engine's _____ was a faulty _____.

_____ wondering if _____ faulty _____ is _____ from starting.

_____ possible that my _____ is not _____ to _____ engine because _____ an _____ immobilization _____?

_____ suggest that a _____ immobilizer _____ the _____ starting.

_____ the _____ immo keeping _____ from _____?

I _____ if _____ prevents _____ engine from starting.

_____ it _____ a malfunctioning immobilizer would _____ the engine _____?

_____ wont _____ bad ignitor?

_____ the car _____ to start _____ a faulty _____?

My car may _____ because of _____ with _____.

Immobilizer _____ no _____?

Is _____ unreliable _____ preventer _____ in starting the motor of _____?

_____ wonder _____ an _____ preventer _____ difficulty in starting _____ motor _____ my car.

Is _____ any problems _____ my car's engine because _____?

_____ issue _____ my _____ immobilization _____ bad?

_____ is a _____ the car engine _____ start due to _____ faulty _____.

_____ making car not _____.

_____ my vehicle's _____?

_____ engine _____ if there is an issue with _____?

_____ engine's _____ to start _____ of a _____ immobilizer?

_____ malfunctioning _____ be preventing _____ car _____ starting?

_____ failed, now the _____.

_____ malfunctioning immobilizer might prevent _____.

Maybe _____ malfunctioning immobilizer _____ inability to _____ car's engine _____?
 _____ immobilizer prevent _____ from starting?
 _____ car's engine _____ because of the _____ immobilizer?
 Can _____ non-functioning _____ the car _____?
 Does the faulty _____ system _____ why _____ car started?
 Did _____ car engine not start _____ of _____?
 _____ question if an _____ intrusion _____ can cause difficulty _____.
 The _____ immobilizer _____ stop _____ car _____.
 There is _____ possibility _____ failing ignition _____ connected _____ faulty _____.
 Is _____ that the _____ the _____ from starting?
 Is _____ possible to start _____ car's _____ of _____ immobilizer?
 _____ immobilizer can cause _____ car engine to _____.
 _____ immobilizer _____ car from starting?
 _____ wonder _____ engine's _____ to start is the result of _____.
 The _____ immo _____ causing my car to _____.
 Does the _____ immo cause _____ to _____ up?
 _____ immobilization system _____ explain _____ start my car now.
 _____ wonder _____ there is a _____ between the _____ and the _____.
 Are the issues _____ my _____ engine startup caused _____?
 _____ it _____ that _____ faulty immobilizer could cause _____ engine _____?
 Will _____ broken _____ stop _____ from _____?
 _____ immobilizer _____ keeping my car from _____.
 Does _____ immobilizer cause failure of the _____?
 _____ start _____ the immobilizer is _____.
 _____ there _____ immobilizer and notstarting my car's engine?
 _____ issue with _____ cause for _____ failure?
 The _____ to _____ to a _____ immobilizer.
 _____ the immobilizer are _____ car _____ starting.
 _____ the malfunction _____ the immobilizer _____ engine _____?
 Could _____ malfunction of the _____ from starting?
 _____ failing ignition _____ be _____ the faulty _____ in _____ vehicle.
 _____ the _____ because of _____ faulty immobilizer?
 Is the non-functional _____ the _____?
 _____ prevent the engine from _____?
 _____ if the _____ immobilizer is preventing _____ from _____?
 Is _____ the car?
 Does the engine _____ if the _____ faulty?
 _____ kept _____ start?
 _____ had _____ no _____?
 _____ the engine start affected _____?
 _____ immo _____ start-up?
 I wonder _____ stop the car from _____.
 _____ start _____ car _____ to the _____ immobilizer.
 Is it _____ stalling engine launch _____ of _____ immobilizer?
 Is it possible that _____ non-functioning immobilizer _____ car's engine _____?
 Do _____ that _____ faulty _____ can _____ the engine from _____?
 _____ car _____ start.
 Does _____ engine start-up?
 _____ the _____ immobilizer _____ the _____ from _____?
 Will _____ MIP stop _____?

____ it ____ that ____ stalling engine ____ is ____ to an ____ ____?
 Is ____ problem with ____ mechanism ____ the ____ start ____ car model?
 Is ____ bad ____ engine immobilizer ____?
 Does ____ immobilizer cause ____ of ____ engine?
 Is ____ non- functioning immobilizer is causing ____ engine startup?
 Is the ____ immobilizer ____ with ____ startup?
 Maybe a ____ why my car ____?
 Is ____ that trouble ____ immobilizing mechanism ____ blame for the ____ of start ____ car ____?
 Bad ____ not ____ the ____?
 ____ possible that an issue with ____ lead ____ engine ____?
 Is ____ a ____ immobilizer that ____?
 Is it ____ that ____ non-functional ____ messing with ____ engine ____?
 ____ difficult to start ____ car's engine ____ is malfunctioning?
 ____ an ____ with ____ that might lead ____ engine failure?
 ____ won't start ____ of issues ____ immobilizer.
 Is it ____ to ____ my ____ due to ____ immobilizer?
 Immobilizer ____ no ____?
 Does ____ immobilizer ____ engine ____?
 Does ____ the ____ from starting?
 Is ____ engine ____ start ____ to a problem with the immobilizer?
 Is ____ my ____ won't start because ____ have ____ immobilizer?
 ____ with ____ car's immobilization ____ making it ____ to start.
 ____ the ____ functioning immobilizer affecting ____?
 Is ____ to start ____ because ____ the malfunctioning ____?
 ____ a ____ my ____ engine not starting and a ____?
 Would ____ immobilization ____ explain why ____ can't ____ my ____ now?
 Is ____ functioning ____ is causing issues with ____ car's startup?
 ____ possible ____ engine ____ is caused by ____ immobilizers?
 Maybe ____ is ____ malfunctioning ____ and my ____ inability ____ start up?
 Can the ____ due to a ____ with the ____?
 ____ in the immobilizer ____ the failure of ____ car ____?
 I ____ if ____ is a ____ failing ignition and the ____ my vehicle.
 ____ immobilizer a ____ of ____ failure?
 Is there ____ problem ____ the ____ system ____ cause ____ engine to ____?
 ____ my car being ____ from starting because ____ immobilizer?
 ____ indicate ____ the engine ____ start ____ a faulty immobilizer?
 Is ____ possible that ____ is ____ a ____ immobilizer?
 Can we blame ____ issues?
 Is the vehicle's ____ unable to start ____ system?
 ____ it likely that ____ mechanism ____ to ____ the inability to start ____ car?
 Is ____ possible that an ____ intrusion ____ it ____ to ____ my ____?
 ____ could ____ a ____ between the ____ ignition ____ the ____ immobilizer.
 Maybe ____ reason for ____ engine's ____ start is ____ faulty ____?
 ____ non-functional ____ be ____ car startup.
 ____ the ____ car engine a ____?
 Maybe there is a ____ the ____ malfunctioning ____ my vehicle.
 ____ erratic immobilizer ____ to blame for ____ the ____?
 ____ was wondering ____ my ____ failure ____ start ____ caused by ____ faulty ____.
 ____ immobilizer result in ____ the car's engine?
 Is ____ possible ____ my ____ won't start ____ of ____ immobilizer?

_____ car won't _____ of a _____ that the reason?

Car engine _____ be hampered _____ a _____.

Is _____ that a _____ immobilizer has an impact _____?

The _____ system _____ I can't start _____ car _____ now.

Does a defect in _____ have an _____ engine _____?

_____ immobilizer _____ start _____ engine.

_____ possible _____ trouble _____ the _____ mechanism _____ for the problem _____ this car?

What _____ the _____ immobilizer?

Is _____ the _____ due _____ immobilizer?

Maybe _____ ignition is _____ the faulty immobilizer _____ vehicle?

An issue _____ my _____ immobilization system could be _____.

_____ the _____ immobilizer _____ engine start?

I'm _____ if _____ to _____ because of a faulty _____.

The _____ it _____ the immobilizer?

_____ with my _____ immobilizer?

Is it possible for _____ immobilizer to _____ engine _____?

Is _____ defect in the _____ affecting _____ vehicle's engine?

I _____ the engine's failure _____ be _____ result _____ faulty immobilizer.

Is _____ difficult _____ start _____ car's _____ to _____ immobilizer?

Is the _____ of engine _____ immobilizer?

_____ car engine fail to _____ due _____ with _____ immobilizer?

Would malfunctioning _____ the immobilization system _____ I _____ get _____?

_____ immobilizer bad for _____ engine _____?

_____ stupid immobilizer be _____ cause of _____ non-starting _____?

_____ show that the _____ start because of a _____?

Can _____ immobilizer affect the start _____ engine?

Is it _____ to _____ my car's _____ of _____ problem _____ immobilizer?

_____ disabled _____ my car not to _____

I'm _____ engine's failure _____ is _____ of a faulty immobilizer.

_____ the _____ keeping my _____ starting?

_____ immobilizer keep _____ from starting?

Does the disabled immo cause _____ fire _____?

_____ the malfunctioning immobilization _____ why I _____ start _____ now?

_____ it _____ that a malfunctioning _____ affects _____?

Is the _____ car engine ignition _____ to _____ malfunctioning _____?

Is my _____ to _____ because of the _____?

_____ immobilizer prevent _____ from starting?

_____ bad immobilizer _____ making _____ car _____.

I _____ to _____ a _____ immobilizer is _____ my _____ won't start.

_____ are reports _____ a _____ immobilizer might _____ engine from _____.

I _____ wondering _____ the car engine _____ starting _____ faulty immobilizer.

_____ possible that _____ erratic immobilizer _____ responsible _____ stalling _____ engine _____.

I can't _____ car _____ of _____ faulty _____.

_____ an issue with my _____ system is affecting _____.

Does a malfunction _____ immobilizer _____ failure of _____?

Is the _____ to _____ with the immobilizer?

Does _____ in the immobilizer affect _____ of a _____?

The malfunctioning _____ difficult to start _____ car.

_____ the _____ system malfunctioning?

_____ is _____ engine start?

_____ possible that an unreliable _____ preventer _____ cause difficulty _____ car?
 _____ the faulty _____ preventing my car _____ starting.
 _____ a _____ engine fail to start _____ a _____?
 _____ it possible for _____ to cause _____ to start _____ engine?
 Is _____ car _____ an _____ with the immobilizer?
 Would _____ system _____ why I can't _____ my vehicle?
 Will _____ broken _____ car from _____?
 _____ possible _____ faulty _____ causes a failure _____ launch _____ vehicle's engine?
 _____ there _____ malfunctioning immobilizer _____ my inability to start my _____?
 _____ the car won't start?
 I wonder _____ failing _____ connected _____ the _____ in my vehicle.
 Why _____ when _____ are _____ with the immobilizer?
 _____ possible _____ a _____ to stop the engine _____ firing?
 _____ it possible the _____ won't _____ of an issue _____?
 Is the issue _____ a cause _____ engine _____?
 _____ issue due _____ damned Immobilizer?
 An _____ car's immobilizer _____ making _____ hard to _____ it.
 There _____ car _____ failing to start _____ to _____ faulty immobilizer.
 I don't _____ if my _____ ignitor _____ engine start.
 _____ bad ignitr _____ making _____ not _____.
 Is the immobilizer _____ the _____ starting?
 Is it _____ that _____ broken _____ will stop _____ starting?
 Is _____ the _____ my _____ isn't starting?
 Can the faulty _____ the _____?
 _____ there a _____ the car's _____?
 I wonder _____ immobilizer are _____ my car from _____.
 _____ may be _____ ignition and the faulty immobilizer _____ car.
 Maybe there is _____ the failing _____ immobilizer in my _____?
 Is it _____ that _____ could cause _____ starting my car?
 I _____ the _____ failure _____ start _____ caused by a faulty _____.
 _____ car won't start related _____ a faulty _____?
 _____ broken, no _____?
 Is _____ starting because of my faulty _____?
 _____ that _____ with the _____ mechanism is _____ blame for _____ this car model?
 Is there a chance _____ the _____ may _____ start because _____?
 _____ stupid _____ engine starting?
 _____ for stalling an engine?
 _____ possible that my _____ immobilizer _____ car _____ starting?
 Is _____ a chance _____ car _____ due _____ issue with the _____?
 _____ won't _____ it's _____ immobilizer?
 _____ immobilizer is _____ cause _____ my car _____ starting.
 Is the _____ the car _____?
 Is _____ car engine _____ prevented from _____ malfunctioning _____?
 Is _____ faulty _____ affecting _____ startup?
 Is it _____ the _____ won't start _____ of _____ immobilizer?
 _____ the problem with my _____ reason _____ car _____?
 I _____ if my car's _____ start _____ engine _____ due _____ ineffective immobilizer _____.
 Is it _____ that _____ car _____ of _____ immobilizer?
 _____ starting _____ hampered _____ a defect in _____ immobilizer?
 Is _____ engine _____ because _____ immobilizer isn't working?

_____ starting _____ bad immobilizer?
 _____ faulty immobilizer _____ start of the _____?
 Immobilizer _____ no _____?
 _____ possible my car _____ because _____ problem _____ the immobilizer?
 Could the faulty immobilizer _____ from _____?
 _____ my car from starting.
 _____ defect in _____ affect start of the _____?
 Should _____ suspect _____ intrusion preventer _____ make _____ difficult to _____ automobile?
 Is it _____ car _____ due _____ a malfunctioning immobilizer?
 _____ broken immobilizer preventing _____ from _____?
 _____ is a _____ that _____ car won't _____ issue _____ the immobilizer.
 I cannot _____ my car's _____ due _____ immobilizer.
 Immobilizer _____ broken, _____ car _____ start?
 _____ there a _____ the failing ignition and _____ faulty _____ vehicle?
 _____ link _____ the failing _____ and the faulty immobilizer _____ my _____.
 Is it possible that _____ engine _____ the _____ immobilizer?
 _____ won't _____ it's _____ immobilizer?
 Why am _____ not able _____ my _____ because _____ immobilization system?
 _____ messed up by _____ busted immobilizer?
 Is _____ that the _____ causing issues _____ the engine?
 _____ possible _____ faulty _____ to hinder the engine's _____?
 Immobilizer broke _____ more, _____?
 Start _____ faulty immobilizer _____?
 I am not _____ to get _____ car _____ of _____ with _____.
 Someone _____ if a faulty _____ prevents _____ car from _____.
 _____ erratic immobilizer the reason for _____?
 Is _____ that _____ engine _____ start because of _____ impaired _____?
 Is _____ ignition _____ malfunctioning immobilizer?
 _____ my _____ going to stop _____ from starting?
 _____ non-functioning _____ could be stopping the _____.
 _____ it _____ engine _____ start _____ immobilizer issues?
 _____ was _____ immobilizer was the reason my _____ wouldn't _____.
 _____ doesn't start because _____ immobilizer.
 _____ start _____ is _____ immobilizer
 I'm _____ if a malfunctioning _____ is the _____ starting.
 It's _____ immobilizer is to blame _____ stalling engine _____.
 _____ is a connection between _____ the _____ to start the _____ of _____ car?
 Car _____ may _____ halted _____ the _____.
 My car _____ start, is it _____ a _____?
 My _____ because _____ malfunctioning immobilizer.
 Problems _____ immobilization system _____ explain why _____ cannot start _____.
 _____ reason for _____ failure _____ due _____ a faulty immobilizer?
 Is _____ immobilizer a reason for _____ failure?
 Is _____ car _____ starting because of _____ immobilizer?
 A malfunctioning _____ the car _____.
 Is the _____ immo causing my car _____?
 _____ engine start-up problems.
 Does a _____ in _____ the engine starting?
 _____ the _____ the engine _____ cranking?
 _____ fell apart, no _____?

____ car won't ____ a ____ immobilizer
 There ____ a chance that ____ malfunctioning ____ engine ____.
 Will ____ equipment ____ the car ____?
 I would like to ____ if a ____ why ____ car ____.
 Is there a bad ____ makes ____ car ____?
 There ____ a ____ whether ____ car engine fails to ____ due ____ a ____.
 Is it ____ to start my ____ is malfunctioning?
 Can the ____ immobilizer ____ the ____?
 Did ____ immobilizer ____ car ____ starting?
 Is there ____ connection between ____ to start ____ my car's ____ malfunctioning ____?
 The ____ it's the ____.
 Is it ____ that ____ car's ____ startup issues are ____ to ____?
 ____ state that a faulty ____ may ____ starting.
 ____ the ____ prevent engine ____?
 Is ____ possible ____ my ____ failure ____ result of a ____ immobilizer?
 ____ malfunctioning ____ stop the ____ startup?
 ____ the immobilization ____ explain why I ____ my car ____.
 Is ____ being ____ by the broken immobilizer?
 Is ____ faulty ____ keeping the ____?
 ____ defects in ____ immobilizer affect ____ of ____ engine?
 Is ____ difficult to ____ car ____ the malfunctioning ____?
 ____ a malfunctioning ____ a failure ____ the car ____?
 ____ possible that the ____ immobilizer ____ interfering ____ car's startup?
 ____ car ____ hampered by ____ non-functional ____?
 There ____ be a ____ a ____ immobilizer and ____ to start ____ engine.
 Does faulty ____ dead ____?
 Is a malfunctioning ____ a cause ____ failure ____?
 Maybe there is a ____ between ____ failing ____ faulty ____ car?
 ____ faulty ____ may prevent ____ from starting, ____ reports.
 Is ____ possible ____ an ____ cause difficulties in starting ____ car?
 Is it possible a ____ could stop ____?
 ____ prevent the car ____ starting?
 ____ bad immobilizer ____ the engine.
 Could an ____ my ____ immobilization ____ be ____ me from starting ____?
 ____ may be ____ connection between the ____ the faulty ____.
 Does the ____ from restarting?
 I ____ if ____ to start is ____ result of ____ immobilizer.
 If ____ correct, ____ faulty ____ may prevent ____ from starting.
 ____ possible ____ an unreliable ____ preventer can affect ____ start ____ automobile?
 ____ possible ____ I ____ start ____ because of an impaired ____?
 Should I suspect ____ preventer can ____ it hard ____ car?
 Could ____ to ____ for stalling the engine ____?
 Is ____ possible that a ____ intrusion ____ difficulty ____ my car?
 It is possible ____ malfunctioning immobilizer ____ prevent ____ engine ____.
 ____ is a ____ malfunctioning ____ affects engine activation.
 ____ the non-functional immobilizer ____ from ____?
 "Immobilizer broke ____ no ____
 ____ know if there ____ a ____ between the ____ ignition ____ the ____.
 Is ____ possible ____ faulty immobilization ____ could cause the ____?
 Is ____ possible ____ engine doesn't start because my ____?

Does _____ in _____ affect the _____ of the _____?

_____ there _____ with the immobilizer _____ could cause _____ fail?

Is _____ possible _____ my car's ability to start its _____ ineffective immobilization _____?

I am wondering if the _____ car _____ from _____.

My _____ won't _____ because _____ immobilizer _____.

_____ the disabled immo _____ to _____ fire up?

Is _____ that my car's _____ to start _____ engine _____ ineffective _____ system?

_____ if my car's inability to _____ its engine _____ ineffective immobilization _____?

_____ car _____ because of a _____.

Is _____ my _____ system preventing me _____ starting it?
