

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Installation and setup assistance
Inquiry Sub-Category	General setup guidance
Description	Offering general guidance and tips on how to set up the appliance in a suitable location, position, or environment, considering factors such as space, access, and safety requirements.
Data Size	5,005 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ placing microwave ovens _____ devices due electromagnetic interference _____?

It's possible that _____ I place my microwave _____ next _____ it will _____ an _____.

microwave _____ cause interference _____

_____ wonder _____ my _____ oven _____ cause _____ I _____ near an electronic device.

It _____ that _____ may _____ if I place _____ microwave _____ right next to _____ those _____ devices.

_____ is possible _____ place _____ oven next to one _____ electronic devices _____ could _____ interference.

It _____ affect _____ devices _____ my microwave oven near _____.

It's possible that _____ I _____ my microwave _____ next to an _____ device _____ issue.

Do electronic devices _____ a _____ of interference _____ I put _____ them?

_____ a _____ interference _____ I place a _____ oven next _____ device?

_____ I _____ microwave _____ next _____ electronic devices that _____ cause _____?

_____ possible _____ the _____ of _____ by not being close to _____ and gadgets?

_____ ovens can potentially have _____ with _____ from _____.

_____ ovens _____ if certain electronic devices are _____ them.

_____ could be possible _____ effects of _____ interference _____ close proximity of _____ ovens and _____.

Are there concerns about _____ devices _____ microwave _____?

_____ true _____ should _____ microwaves near some gadgets?

It _____ affect _____ electronic devices _____ I _____ Microwave oven _____ to _____.

_____ there _____ that the microwave oven may cause _____?

_____ concerns that the microwave oven may _____ to _____?

When using _____ oven, _____ problems _____ the proximity _____ certain electronic _____.

Is it _____ keep a specific _____ myMicrowave _____?

Is there _____ microwave oven could cause _____ if _____ place it near _____?

_____ it make _____ to _____ a distance _____ ovens and _____?

Is microwave ovens _____ certain _____ them toennaerisks.

It _____ be _____ to keep _____ close eye _____ ovens _____ devices _____ of potential _____ interference _____.

_____ it wise to _____ a certain distance _____?

_____ can _____ with gadgets _____ them.

Should _____ keep _____ away _____ the _____?

There may be _____ the _____ oven _____ electronic devices.

Can it _____ done _____ of em interference by avoiding close proximity _____ microwave _____ _____?

There _____ a risk _____ interference _____ devices if I place _____ near _____.

_____ against putting _____ next to electronic _____?

_____ ovens _____ not _____ some electronic _____.

If _____ is _____ electronic devices, it _____ cause problems.

If _____ is near _____ will cause interference?

It _____ wise _____ a _____ watch on Microwave _____ and _____ because _____ possible harmful interference.

_____ have _____ to cause issues if _____ cause interference _____ devices.

It's possible _____ microwave oven right next to _____ cause _____.

Do you _____ it would be _____ to _____ a _____ microwave _____ devices?

_____ ovens Microwave _____ interference with electronic devices.

Can _____ putting the _____ close to _____ devices _____ a _____ idea?

_____ possible _____ my _____ oven next _____ one _____ those electronic devices that it _____ create an _____.

_____ wise to _____ on Microwave ovens _____ sensitive electronic _____ because of potential _____.

Can microwave _____ issues _____ are in _____ to electronics?

There _____ a _____ of _____ I place a _____ near _____ devices.

The proximity of _____ electronic _____ may _____ problems _____ microwave _____.

Is _____ to reduce _____ effects of _____ away _____ microwave ovens _____ gadgets.

Would _____ be _____ keep _____ from specific gadgets?

_____ the _____ close to the _____ exposing them _____ risks?

There _____ a risk _____ if I _____ oven next _____ an electronic _____

Does the location of _____ devices _____ susceptible _____?

Can you _____ microwave next to the _____ would _____ a _____?

Are _____ any _____ the _____ oven may cause interference _____?

There are concerns _____ microwave oven can _____ with _____.

Microwaves should not be placed _____.

_____ idea to put microwave _____ by the electronics.

_____ there a _____ I put _____ microwave oven next to _____?

_____ oven _____ electronic devices that can _____ interference?

_____ is advisable _____ a _____ on Microwave _____ and _____ devices because of _____ microwaves.

Are _____ concerns _____ Microwave _____ causing interference _____ devices?

Does _____ location _____ electronic devices make _____ to interference?

Is _____ wise to _____ place _____ ovens _____ devices?

_____ it _____ the microwave oven may cause _____ with _____?

Is it _____ to _____ em interference _____ not being in _____ proximity _____ Microwave _____ gadgets?

There _____ a _____ interference _____ my microwave oven near some _____

Is there _____ chance _____ with electronic _____ if I _____ my _____ them?

_____ close _____ ovens and electronic _____ of _____ harmful interference.

_____ it possible _____ reduce the effects _____ em interference _____ avoiding close _____ of _____ and _____?

Is it wise to keep _____ microwave _____ sensitive _____?

_____ place my _____ oven _____ devices _____ will cause interference?

It is _____ to keep a _____ on Microwave ovens _____ devices due _____ potential _____ interference _____.

_____ next to certain electronics potentially _____ risks?

Microwave ovens _____ close _____ could cause problems _____ interference.

_____ be placed _____ electronic devices because _____ interference

_____ the _____ microwave _____ potentially exposing them to ennae risks?

It's _____ certain electronic _____ will _____ problems when using a _____ oven.

_____ microwave oven located close _____ them to ennae risks?

Should ____ be ____ separation ____ and sensitive ____ devices?
 ____ good idea ____ keep a ____ microwave ____ and sensitive electronic ____.
 ____ to ____ if ____ oven will ____ interference ____ put it ____ something electronic.
 The proximity ____ certain electronic ____ with the Microwave ____.
 ____ effects ____ em ____ can be mitigated by ____ of microwave ovens ____.
 Is it ____ to ____ distance ____ the electronics?
 ____ it ____ cause ____ when microwaving next ____ gadgets?
 ____ oven ____ to cause interference ____ I place it ____ electronic device?
 ____ is a ____ if I ____ microwave oven near ____ devices.
 Are you ____ close to the electronics would ____ idea?
 Does ____ location ____ electronic devices make ____ ovens ____ susceptible ____?
 If ____ oven ____ electronics that could cause ____?
 There is ____ chance my ____ oven ____ interference ____ I ____ something electronic.
 ____ think it is ____ reduce ____ of em interference ____ proximity ____ microwave ____ and some gadgets?
 If ____ placed ____ Microwave ____ close ____ electronic ____ would affect them.
 ____ are ____ that the microwave ____ might ____ certain electronic ____.
 ____ if they ____ can cause interference ____ electronic devices
 Can ____ proximity of ____ devices cause ____ with a ____?
 It's ____ microwave oven next to ____ device could ____.
 ____ of certain electronic devices ____ oven problems.
 Microwave ____ close ____ of ____ electronics that can potentially have ____.
 ____ there concerns that the microwave ____ interference to ____?
 ____ ovens ____ to certain ____ could potentially ____ problems ____ interference.
 ____ cause interference with electronic ____?
 The ____ oven ____ to certain electronic ____ cause ____.
 Is ____ possible to ____ effects ____ by not ____ in ____ to microwave ____ or gadgets?
 ____ it possible that my ____ could ____ with ____?
 ____ certain ____ interference if ____ place a microwave ____ nearby?
 Is ____ possible ____ reduce ____ effects ____ em interference by ____ microwave ____?
 Should ____ not ____ near electronics?
 Microwave ____ proximity of ____ electronics that could ____ problems ____.
 It's possible that if I ____ my ____ oven ____ it will create ____ problem.
 There is a ____ interference ____ I ____ my microwave ____ near ____.
 ____ that microwave ovens cause interference ____ with ____?
 Is ____ to ____ I place ____ near an electronic device?
 ____ there a danger if I put ____ next ____ an ____?
 Do ____ cause ____ they ____ in ____ proximity to electronic ____?
 ____ are concerns about whether ____ may cause ____ electronic ____.
 Microwave ____ can ____ issues with ____ around ____.
 ____ near ____ Microwave oven ____ cause problems.
 Are there ____ that the microwave ____ might cause ____?
 Is ____ sensible ____ distance ____ microwave ovens and ____ electronic ____?
 ____ possible ____ interference ____ close ____ of microwave ovens and some gadgets?
 ____ can cause ____ if ____ next to certain electronic ____.
 Is it ____ cause ____ concern ____ next ____ gadgets.
 ____ the ____ oven ____ near ____ electronic devices ____ may ____ problems.
 It's ____ placing my microwave ____ next ____ electronic device ____ cause ____.
 Is it possible to reduce ____ of microwave ovens and certain ____?
 Is ____ of certain electronic devices ____ microwave ovens ____?
 ____ not be ____ close ____ electronic devices.

Is there ____ risk ____ interference ____ put ____ oven near ____ equipment?

Is ____ to keep a ____ distance ____ myMicrowave and ____ of ____ possible ____ effects from ____?

____ it possible ____ decrease ____ em ____ not ____ in ____ proximity to microwave ovens or ____?

It ____ to ____ a close watch onMicrowave ____ electronic devices because ____ potential ____ from ____.

____ it best ____ certain ____ myMicrowave and electronics?

Microwave ____ cause issues ____ they'reMicrowave ____ can ____ electronic devices.

____ there ____ that the ____ oven might cause ____ electronic ____?

____ arise if the ____ oven ____ to ____ electronic devices.

If ____ place ____ near ____ devices that could ____?

____ think ____ microwave oven may cause interference with ____?

____ it wise ____ keep ____ theMicrowave and electronics?

Microwave ovens can ____ if they ____ with ____.

____ problems if ____ are ____ to electronic devices.

Is there a risk ____ interference ____ put ____ an ____ device.

____ possible ____ effects ____ by not being in close proximity of Microwave ____ and ____.

____ of ____ if I put ____ microwave oven ____ gadgets?

There ____ the microwave oven might ____ electronic devices.

____ of certain ____ devices make ____ ovens ____ susceptible ____ interference

____ there ____ of ____ with ____ electronic devices if a ____ is placed ____?

____ cause ____ if they ____ interference with electronic ____

It's ____ that if I ____ microwave ____ one ____ those electronic ____ could ____ an issue.

____ microwave ____ certain electronics potentially ____?

Are ____ reduce effects ____ em ____ close proximity of microwave ____ gadgets?

____ there any ____ my microwave ____ could cause ____ place ____ near ____ electronic?

It's wise to ____ close ____ onMicrowave ____ electronic devices ____ possible ____ interference.

____ em interference ____ by ____ close ____ of microwave ____ gadgets?

____ affect electronic ____ if I ____ my ____ near them.

____ devices may cause ____ if ____ is nearby.

Microwave ovens ____ in ____ electronics that could ____.

Is a microwave oven ____ potentially ____ toenna ____?

If ____ place my ____ oven next ____ one ____ electronic ____ create interference

____ it possible ____ electronic devices can cause interference ____?

____ microwave oven ____ next to ____ electronic ____ they ____ have ____.

Is ____ a ____ idea ____ a ____ ovens and electronic devices.

____ would affect the ____ devices if ____ my ____ oven ____.

If I ____ my microwave ____ close ____ some electronic devices ____?

____ I place ____ microwave oven ____ to ____ device ____ cause ____?

Microwave ovens ____ electronic ____ around them.

____ my ____ oven ____ cause interference if ____ put it near something ____?

Microwave ____ cause ____ electronic devices

Microwave ovens ____ if they ____ interference ____ devices.

____ think microwave ovens should not ____ close ____ specific ____?

Can ____ ovens cause problems if ____ in ____ of ____?

____ wise to keep ____ watch onMicrowave ovens ____ sensitive ____ devices ____ of ____ microwaves ____ emitters.

____ it ____ effects of em ____ avoiding close ____ microwave ovens and gadgets?

____ there ____ interference if I ____ my ____ next to ____ devices?

____ there a risk of ____ I ____ my ____ near ____ electronic?

The close proximity ____ electronic ____ problems when ____ Microwave oven.

Microwave ____ in ____ of ____ electronics ____ can ____ have problems with ____.

____ possible that certain ____ make ____ susceptible to interference?

_____ possible that _____ microwave _____ one of those _____ devices can _____ interference.

Is it possible to reduce _____ close proximity of _____?

It's _____ that _____ place my _____ next to one _____ devices it _____ an issue.

_____ possible that _____ I _____ to an electronic device _____ will create _____ issue.

Does _____ location of certain electronic devices _____ ovens _____?

_____ a risk _____ interference _____ I use a _____ an electronic device?

_____ it _____ to _____ certain distance _____ my Microwave and _____?

_____ microwave _____ may cause problems if _____ near it.

_____ concern the microwave oven _____ cause interference _____.

Microwave _____ in _____ of certain electronics _____ some _____ with _____.

The proximity of certain _____ devices _____ cause _____ the _____ oven _____.

Are there _____ that the _____ may cause _____?

Can certain electronic _____ cause _____ place a _____ oven _____?

Is there any _____ interference with _____ if _____ is _____ near them?

Is it wise _____ certain _____ between _____ and _____?

Microwaves _____ not _____ to the _____.

_____ be _____ a close watch _____ ovens and electronic _____ of potential _____ and emitter.

_____ microwave ovens more susceptible to interference?

_____ keeping a distance between _____ sensitive electronic _____ wise?

There _____ concerns about the microwave _____ causing _____ some _____.

It's _____ to reduce _____ of _____ interference by _____ in _____ to Microwave _____ and _____.

_____ I _____ my microwave oven _____ of _____ electronic devices, _____ may cause _____.

Are _____ concerns _____ oven _____ interference with electronic devices?

_____ be wise to keep a close watch _____ ovens and _____ because _____ emitters.

Can _____ me if _____ the _____ close _____ electronics _____ a bad _____?

Is there _____ interference _____ my microwave oven _____ to some _____?

When _____ a microwave _____ can _____ with electronic devices?

_____ microwaves separate from _____ appliances.

_____ electronic devices may cause _____ the _____ oven _____ next _____.

_____ possible _____ em _____ with avoiding _____ proximity of microwave _____ and _____?

_____ the microwave _____ close _____ an _____ device that could cause _____?

_____ possible that _____ will _____ if I place my _____ oven _____ next _____ one _____ those _____ devices.

_____ can cause _____ issues with some _____.

_____ possible to _____ Microwave _____ gadgets to reduce effects of em _____?

It _____ possible that if I place my _____ an electronic _____ will _____.

There _____ risk _____ if _____ place _____ microwave oven next to _____.

Are there _____ that the _____ oven _____ cause _____ to _____?

If the _____ to a certain electronic device it _____.

It is wise _____ keep _____ distance _____ and electronics _____ from microwaves.

_____ I _____ my microwave oven _____ to _____ of _____ electronic devices, _____ cause _____.

Microwave ovens _____ close proximity to _____ cause _____.

_____ we keep _____ distance _____ ovens _____ sensitive electronic _____?

The _____ certain electronic _____ may _____ issues _____ a microwave _____.

_____ place _____ microwave oven _____ next to an _____ it might _____.

_____ would be a bad _____ ovens _____ electronics _____ to interference.

Is _____ reduce em _____ not being near _____ and gadgets.

_____ I should avoid _____ near specific _____?

_____ it possible _____ the _____ oven will _____ interference if _____ near _____ electronic _____?

_____ would be wise to keep _____ close _____ ovens _____ electronic _____ because of _____ interference _____.

Microwave _____ close _____ that _____ potentially _____ a risk _____ interference with microwaves.

Microwave _____ with electronic devices.

_____ is _____ that _____ place _____ microwave _____ next to _____ of those electronic devices _____ create _____ issue.
_____ ovens _____ problems with the _____ certain electronic _____.

"Is _____ possible _____ reduce effects _____ em _____ avoiding _____ proximity _____ and gadgets? "

_____ to potential harmful _____ to keep _____ close watch _____ electronic devices.

_____ to _____ a _____ distance between myMicrowave _____ avoid interference from microwaves.

_____ proximity _____ electronic _____ cause issues when using _____ Microwave _____.

Is _____ if _____ put a microwave oven _____ electronics?

It affects the nearby _____ if _____ place _____ oven _____.

_____ to get rid of _____ interference _____ proximity of _____ and gadgets?

_____ effects of _____ interference are _____ close proximity of _____ ovens _____.

It _____ to _____ the effects of em interference by _____ of Microwave _____ and _____.

_____ are concerns that the _____ might _____ interference to _____.

_____ my microwave _____ likely _____ cause interference _____ I _____ it _____ electronic?

_____ be _____ to keep _____ onMicrowave ovens _____ devices because _____ potential microwaves.

_____ think it would _____ wise to keep _____ ovens _____ sensitive electronic _____?

Is _____ possible _____ reduce em _____ by avoiding _____ and gadgets?

_____ ovens _____ in _____ of certain electronics _____ could potentially have _____ interference

The _____ electronic devices can make microwave ovens _____.

Microwave _____ to some _____ that _____ have problems with _____.

Are _____ the microwave oven causes _____ with _____?

Is it _____ keep a distance _____ myMicrowave _____?

_____ of interference if _____ a microwave oven near electronic _____?

_____ microwave oven is _____ to a _____ device, _____ problems.

Is it possible _____ devices _____ my microwave oven?

_____ may _____ a risk _____ place _____ oven _____ to an electronic device.

It's a _____ idea _____ keep a _____ onMicrowave _____ electronic devices _____ interference.

Is _____ possible _____ effects _____ by _____ a close _____ to some _____ and microwave ovens?

It's _____ to _____ close _____ onMicrowave ovens _____ electronic _____ of potential _____ interference.

_____ chance _____ I put my _____ oven near _____ electronic devices.

There _____ a risk of _____ if I put my _____ electronic _____.

_____ location _____ certain _____ devices _____ microwave _____ more _____ to interference?

Is there _____ of _____ with _____ if _____ microwave oven _____ placed _____?

Is it _____ reduce _____ interference _____ being _____ microwave ovens or gadgets.

Microwave ovens can cause _____ if _____ microwaves _____ cause _____ with _____.

It would _____ electronic _____ place my _____ oven nearby.

There _____ that the _____ ovens may _____ interference _____ electronic _____.

There _____ concern about _____ microwave ovens _____ electronic _____.

_____ it _____ idea _____ keep a distance _____ ovens and _____ devices?

If the microwave _____ an electronic device, _____ problems.

The microwave _____ if it _____ near certain electronic _____.

It's _____ to keep _____ eye _____ ovens and _____ electronic devices because _____.

Does _____ electronic devices _____ the microwave _____ more prone to _____?

Is it _____ to avoid _____ to _____ ovens and _____ order to _____?

It's possible that if _____ place _____ right _____ a _____ cause interference.

_____ ovens can _____ if they _____ can cause interference with _____

Do electronic devices _____ interference if _____ close to _____?

Would _____ be a _____ keep a _____ microwave ovens _____ sensitive _____ devices?

Is it _____ that certain electronic _____ could _____ my microwave _____ nearby?

Is _____ my _____ oven will cause _____ I _____ it near _____ device?

Do _____ it's _____ to _____ a distance _____ my microwave _____ electronics?

Can the close _____ of _____ electronic devices cause _____?

_____ keep a certain _____ between my Microwave and the _____?

_____ recommended to keep _____ certain _____ between _____ electronics?

_____ the _____ oven _____ next _____ electronic devices _____ might _____ problems.

_____ there _____ when microwaving _____ to _____?

_____ is _____ that _____ my microwave oven next _____ one _____ those _____ cause _____.

_____ would affect _____ electronic devices _____ my _____ next to them.

The _____ electronic _____ to the Microwave oven _____ problems.

_____ avoiding close _____ microwave _____ and _____ to _____ of em interference?

_____ it possible _____ certain _____ devices could cause _____ microwave _____?

_____ possible _____ I will create interference _____ place my microwave oven _____ of _____ devices.

_____ devices can _____ problems _____ the _____ oven is close _____.

_____ not _____ good idea _____ put microwave ovens _____ electronics.

_____ there any chance _____ my microwave _____ interference _____ place _____ near electronics?

It _____ that _____ I place _____ oven _____ to _____ device it will _____ interference.

There _____ be _____ interference _____ interference _____ certain _____ in the _____ the Microwave ovens.

_____ wise _____ keep _____ certain _____ my Microwave and my electronic _____?

Microwave ovens _____ cause interference with _____ devices.

Is _____ ovens _____ near certain _____ exposing _____?

_____ against _____ microwaves next _____ electronic devices?

_____ ovens can have _____ with _____ devices around _____.

_____ be _____ microwave _____ is next to some _____ devices.

Is there a _____ a microwave oven near electronic _____?

It _____ that if I _____ oven _____ next _____ one of those electronic _____ will cause _____.

Are _____ concerned that the _____ cause interference _____ devices?

_____ tell _____ placing the microwave close to the electronics _____ a _____?

_____ cause interference _____ electronics.

_____ a _____ idea to keep distance _____ my _____ my _____?

_____ a _____ interference if _____ place my microwave oven next _____

_____ proximity of certain _____ devices _____ in _____ Microwave oven.

_____ is a _____ microwaves due _____ being in proximity _____ certain electronics.

_____ ovens can cause _____ issues _____.

There's a chance of interference _____ my _____ an _____ device.

_____ is _____ chance _____ with _____ if I put _____ microwave oven near _____.

_____ ovens can cause _____ they _____ to electronic _____.

_____ ovens in close _____ of _____ cause issues.

_____ the _____ is _____ the _____ it could cause problems.

Can _____ a _____ to some gadgets _____ microwave ovens _____ effects _____ em _____?

Is _____ risk _____ interference with _____ devices _____ I put _____ microwave _____ near _____?

I may create interference if _____ my microwave _____ one _____ those _____.

_____ is possible _____ oven _____ next to one _____ those electronic devices _____ interference.

Some electronic devices _____ have trouble _____ microwave _____ to _____.

There is _____ the _____ oven _____ interference with _____ electronic _____.

_____ be possible to _____ of em interference _____ not _____ in _____ proximity _____ Microwave _____ and gadgets.

_____ ovens are able to cause _____ with electronic _____.

Are _____ fears _____ microwave _____ may cause interference to _____?

_____ ovens are _____ close _____ of certain electronics _____ can potentially _____.

_____ issues if _____ are in close proximity _____ devices?

_____ best _____ not place _____ very close _____ electronics?

Do _____ any concerns about potential _____ a _____ oven is _____ near them?

There could be _____ with interference _____ interference _____ electronics that are _____.

_____ microwave _____ can cause problems if _____ certain _____ devices.

It is _____ ovens and electronic _____ because _____ the potential harmful interference.

There's a _____ of _____ if I _____ next _____ electronic device.

If I _____ next to _____ that could cause _____?

_____ can be problems if _____ microwave _____ is _____ electronic _____.

_____ ovens could _____ electronic devices

Is a microwave oven located _____ electronics _____ risks?

Is it possible _____ my _____ oven _____ interference if _____ near _____ electronic _____?

_____ to _____ effects of _____ interference by not being close to the _____ ovens _____?

microwaves _____ cause issues _____ they are Microwave ovens _____ cause _____

Is it _____ that _____ near certain electronic _____ cause _____?

Are we _____ microwave oven _____ cause interference _____ electronic _____?

_____ possible that placing a _____ to an _____ device _____ cause _____.

Is _____ a good _____ keep _____ from my Microwave _____ electronics?

Microwave _____ can cause _____ if they _____ with _____

_____ close to certain electronics _____ exposing _____ to ennae risks?

If _____ near certain _____ devices _____ may cause problems.

_____ is a _____ of _____ a _____ oven next to electronic _____.

Is it _____ to _____ a _____ between Microwave and electronics?

Do _____ think _____ ovens should not _____ close to _____?

Is there a _____ microwave _____ I put it _____ something electronic?

_____ of _____ electronic devices may _____ issues if _____ microwave _____ is _____.

It's important _____ close watch on Microwave _____ sensitive _____ devices _____ of potential microwaves _____.

Is it _____ to _____ sensitive _____ devices _____ microwave ovens?

_____ important _____ keep a _____ ovens and sensitive electronic _____ because _____ microwaves.

_____ of electronic devices _____ problems _____ using a _____ oven.

It's possible _____ will create _____ I _____ my microwave oven _____ device.

Is _____ chance that the microwave _____ cause _____ if _____ it near _____ electronic _____?

_____ there _____ that _____ microwave _____ could cause _____ electronics?

Is it _____ reduce effects _____ em _____ by avoiding a _____ of _____ and _____?

I _____ wondering if _____ can cause _____ with _____ ovens.

If I _____ Microwave _____ next _____ the electronic _____ it will _____.

There is _____ interference _____ I _____ my _____ oven _____ to _____ electronic device.

_____ my microwave _____ is placed _____ electronic _____ could cause _____?

_____ are _____ when _____ next to _____.

_____ microwave ovens located _____ electronics potentially _____ risks?

It _____ keep _____ watch on Microwave ovens _____ electronic _____ the possible harmful interference.

_____ to keep a _____ ovens and sensitive electronic devices _____ possible _____ interference.

Would _____ be _____ to _____ from microwave ovens _____ electronic devices.

If I _____ my _____ oven next _____ devices _____ a _____ interference.

_____ to keep a watch on Microwave _____ devices because of potential _____.

Is it _____ to reduce effects _____ close proximity of microwave _____?

_____ it wise to _____ a _____ my Microwave and _____?

It would be _____ a close _____ on Microwave _____ and sensitive _____ of _____ microwaves.

Is _____ best not _____ place _____ to _____?

There _____ be _____ microwave oven causing interference _____ electronic _____.

There _____ concern _____ microwave _____ cause interference _____ some _____ devices.

Keep _____ apart from _____?

Can ____ tell ____ if ____ the microwave ____ to the other ____ be ____ idea?

Is it ____ place ____ too ____ to electronics?

____ possible to ____ effects of em ____ by ____ Microwave ____ and gadgets

____ concerns ____ the microwave oven may cause ____ devices?

It's ____ that ____ I place ____ microwave ____ to a ____ it ____ interference.

____ proximity of ____ devices may cause problems ____ oven

There ____ risk of ____ with ____ electronic ____ I put ____ oven next ____ it.

____ tell me ____ close ____ the other ____ is a bad idea?

Can the proximity of electronic ____ cause ____ oven?

Is ____ to place microwaves ____ to ____?

____ I not put ____ microwave ____?

Is it ____ cause ____ to certain devices?

There might be a risk ____ interference if ____ microwave ____ to ____.

It ____ advisable ____ a ____ ovens ____ devices because of ____ harmful interference.

____ ovens ____ in ____ of certain ____ potentially have ____ interference with microwaves.

____ that ____ I place my ____ oven ____ to ____ of those electronic ____ it ____ cause interference.

____ I place my ____ electronic devices ____ affect them.

Is it ____ to ____ the ____ em interference, ____ not ____ in ____ microwave ____ and gadgets?

Is a ____ oven ____ near certain electronics ____ exposing ____?

There are ____ about ____ electronic ____ a microwave ____ placed there.

The proximity ____ can cause ____ microwave ____ is ____ to them.

____ avoiding ____ microwave ovens ____ gadgets ____ the ____ interference?

____ the ____ oven may ____ interference ____ electronic devices?

There is a ____ put ____ next to electronic ____.

There is a ____ of interference ____ I ____ next ____ the ____ devices.

____ cause ____ they are Microwave microwaves can ____ with ____ things

Can ____ cause problems if they ____ near ____?

Does avoiding close proximity ____ and gadgets ____?

____ wise ____ a distance between ____ and electronics ____ interference from ____.

____ my ____ oven is ____ to ____ devices it ____ interference.

Is ____ keep a certain ____ and electronics ____ using microwaves?

There ____ effects from microwaves, ____ is it wise ____ keep ____ distance ____ my Microwave and ____?

____ to ____ being in close proximity of Microwave ovens and ____.

____ it possible to ____ effects of em ____ by ____ close ____ and ____?

____ keep a ____ watch on Microwave ovens and sensitive ____ potential harmful interference.

____ is ____ that ____ microwave oven near ____ of ____ devices it will create interference.

There ____ with interference ____ from certain ____ in Microwave ovens.

Microwave ovens ____ in ____ of certain electronics ____ potentially ____ microwaves.

____ ovens ____ not ____ near certain ____ devices ____ interference concerns.

Microwave ovens can cause ____ are Microwave ____ interference ____ electronics.

____ be ____ to keep ____ close eye ____ ovens and electronic devices ____ of ____ interference.

It's wise to ____ on Microwave ____ and ____ because of potential harmful ____.

It's possible ____ microwave oven ____ create interference if ____ next to ____.

____ risk if I ____ microwave oven ____ to an ____ device.

Is there ____ effects of em interference ____ not being near ____ ovens ____?

There might ____ the ____ oven ____ next to ____ device.

It ____ affect ____ electronic ____ I ____ my microwave oven ____ them.

Is ____ a ____ of ____ I ____ my ____ oven near ____ device?

Is it ____ idea to keep a certain ____ the ____?

____ it ____ to reduce ____ of interference ____ in ____ Microwave ovens and gadgets?

There may be a ____ of ____ if I ____ to electronic ____.

____ ovens ____ cause ____ issues ____ other ____.

Microwave ovens ____ have ____ problems with interference ____ certain ____.

____ think ____ to keep ____ distance between microwave ____ electronic devices?

____ be concerns ____ ovens ____ to electronic devices.

____ it possible to reduce effects ____ em interference ____ being ____ close proximity of ____

Is ____ possible to ____ em ____ close proximity of ____ ovens ____?

____ I placed ____ microwave ____ devices that could ____ interference.

____ of electronic ____ make microwave ____ more ____ to interference?

____ think avoiding proximity ____ microwave ovens and ____ reduces ____?

It ____ wise to ____ close watch ____ ovens and ____ electronic ____ of ____ interference

____ is possible ____ placing ____ oven next ____ one ____ devices could ____ interference.

____ placed close to ____ electronics?

It is important ____ keep ____ watch on Microwave ovens ____ electronic ____ of the ____.

It could ____ idea to keep a ____ watch on Microwave ovens and ____ devices ____.

It ____ to reduce ____ by ____ close proximity to ____ and ____ ovens.

Is ____ ovens ____ near ____ electronics ____ exposing ____ risk?

Does ____ a microwave oven ____ electronic ____ cause ____?

____ of certain ____ could ____ if ____ microwave oven is near.

Should I keep ____ microwaves ____?

Do ____ microwave ____ and gadgets ____ of interference?

____ is a ____ I ____ microwave oven next to an ____.

____ is possible that if I place my microwave oven next ____ those ____ create ____.

Do ____ cause ____ my microwave oven nearby?

Microwave ovens ____ near ____ could potentially ____ interference with ____.

The ____ of ____ devices may cause ____ the ____ is nearby

____ there any ____ that my microwave oven ____ cause ____ if I ____?

Is ____ to ____ devices away from microwave ____?

____ is ____ to ____ effects ____ interference by ____ Microwave ovens and gadgets.

If my ____ near electronic ____ that ____ interference.

There could ____ interference ____ if Microwave ovens are ____ to certain electronics.

____ there ____ of interference ____ a ____ near electronic devices?

It would ____ to keep ____ close ____ ovens ____ electronic ____ of potential microwaves and ____.

Is it ____ put microwave ____ to electronic ____?

____ to potential harmful ____ keep ____ close ____ on Microwave ____ and electronic devices.

____ that the ____ oven ____ cause ____ certain electronic devices.

____ keep a ____ watch ____ ovens and sensitive electronic ____ to ____ microwaves and emitter.

____ there ____ that the microwave oven ____ to certain ____?

____ microwave oven next ____ one ____ the electronic ____ may cause interference.

Can you ____ placing the microwave ____ electronics ____ a bad ____?

Is ____ if ____ put the microwave oven near ____ device?

There are ____ interference ____ microwaves ____ it ____ to ____ a certain distance between my Microwave ____

There ____ a risk ____ interference if I ____ my ____ next ____

Microwave ovens ____ devices.

____ shouldn't be placed close ____ electronic ____ of ____

____ to keep a ____ eye ____ ovens ____ because of ____ harmful interference.

Is ____ prevent ____ of em ____ by avoiding close proximity of ____ gadgets?

Microwave ovens can cause ____ are Microwave ____ interference with ____ electronics

____ wise to ____ close watch on Microwave ovens and ____ devices ____ potential ____ emitters

The proximity of certain electronics ____ using ____ Microwave ____.

Can _____ tell me if _____ the microwave _____ to _____ be _____ idea?

Is _____ to reduce _____ em interference by _____ near microwave ovens _____.

_____ separate _____ electronic appliances?

_____ my microwave oven close _____ device that _____ cause interference?

_____ I put _____ microwave oven _____ could cause interference?

_____ the microwave oven is next _____ a _____ could cause _____.

_____ may _____ with electronic devices.

_____ possible _____ the _____ of em interference by _____ microwave ovens _____ gadgets?

_____ ovens are _____ proximity _____ some _____ that _____ potentially _____ with interference.

Is _____ to avoid close _____ of microwave _____ order to reduce effects _____ interference?

_____ there a _____ if I _____ a _____ oven next to _____?

I _____ like _____ ovens _____ the electronics _____ to _____.

_____ it _____ the _____ interference by not being close to Microwave _____?

_____ there _____ interference _____ I place a _____ oven next to an _____?

_____ ovens may cause interference _____

_____ effects of em interference _____ not being near _____ microwave oven _____ gadgets?

_____ advisable to _____ a _____ microwave _____ sensitive electronic devices?

It could _____ wise to _____ sensitive electronic devices _____ of _____ harmful interference from them.

Can _____ me if putting the microwave close _____ the _____ bad _____?

Is it _____ to reduce effects of _____ microwave _____ or gadgets?

Is _____ possible my _____ if I place _____ near _____ electronic device?

If _____ microwave _____ next to _____ device it _____ possible _____ it will create _____.

The _____ of certain electronic devices _____ Microwave oven.

It is a good idea to _____ a _____ watch _____ electronic devices _____.

_____ the microwave _____ cause interference _____ electronic devices?

_____ electronic devices _____ interference _____ my _____ oven?

_____ may have _____ if _____ devices _____ close by.

It's possible _____ could create interference if _____ it _____ one of _____ devices.

Do you have _____ ovens _____ close _____ devices?

Microwave ovens are capable _____ issues _____ devices.

_____ it possible _____ reduce _____ interference by not being _____ microwave ovens _____?

_____ there _____ interference if I _____ my _____ oven _____ a device?

_____ keep a _____ watch _____ ovens and electronic devices because _____ potential harmful _____ from _____.

_____ it _____ to _____ em _____ by avoiding a close proximity to _____?

The microwave _____ next _____ devices might _____ problems.

Is _____ my microwave oven _____ I _____ it near something electronic?

_____ possible that _____ electronic _____ will create interference _____ oven?

It could _____ good idea to _____ a _____ watch _____ ovens _____ electronic devices _____ of _____ microwaves _____.

The _____ of certain _____ may cause _____ problem _____ Microwave oven.

_____ possible _____ close _____ of Microwave ovens _____ gadgets to _____ interference?

_____ proximity _____ certain electronic _____ may _____ problems _____ using a _____.

_____ the location _____ certain _____ devices _____ ovens _____ to interference?

It is _____ oven may create _____ I place _____ to a _____.

Microwave ovens can _____ interference _____ electronic _____.

_____ be _____ to _____ on Microwave ovens and sensitive electronic devices _____ potential harmful interference.

_____ place _____ microwave oven close _____ could it cause _____?

_____ the _____ is _____ electronic _____ it may cause problems.

microwave _____ if they _____ can cause interference with _____ devices

Is _____ possible _____ interference by not being _____ to microwave ovens _____?

_____ ovens can _____ cause interference _____.

The _____ next to some electronic _____ problems.

There _____ microwave oven _____ interference with _____ devices.

_____ would _____ wise to _____ on Microwave ovens and sensitive _____ devices because of potential _____ and _____.

_____ electronic _____ can cause interference with a _____ oven.

_____ microwave _____ interference issues _____ electronic devices around them?

Microwave _____ are in proximity of _____ potentially _____ interference.

_____ electronic devices to the microwave oven _____ cause _____.

_____ possible that _____ electronic devices _____ interference with my _____?

_____ I placed _____ close _____ the _____ devices _____ would affect them.

_____ to keep _____ watch _____ ovens and _____ devices _____ of _____ harmful interference.

_____ possible interference effects _____ so _____ I keep distances _____ my _____ microwave?

_____ to keep a close watch _____ electronic devices _____ of possible _____.

Is microwave _____ close to some electronics potentially _____?

_____ may arise _____ the microwave _____ next to certain _____.

_____ problems due to interference from certain electronics.

_____ ovens can cause _____ with _____.

It could be _____ good idea _____ keep a _____ eye _____ ovens _____ electronic _____ potential _____.

_____ oven near _____ electronic devices may _____.

_____ good to keep _____ certain distance _____ my Microwave _____?

_____ proximity of electronic _____ cause problems when _____ a _____.

_____ electronic _____ at _____ if _____ put my _____ next _____ them?

Should _____ distance _____ between microwave _____ and _____ devices?

There might _____ microwave _____ is _____ to some _____ devices.

Is it possible _____ minimize _____ of _____ interference _____ not _____ proximity to microwave _____ gadgets?

Is _____ possible _____ reduce _____ not _____ near Microwave ovens _____ gadgets?

Is microwave _____ are _____ close to _____ to ennae risks?

_____ possible to _____ effects _____ em _____ by _____ away from Microwave ovens _____.

_____ is concern that the _____ oven may _____ devices.

_____ wise _____ a close watch on Microwave _____ because of _____ potential microwaves and emitter.

It's possible _____ I will _____ microwave oven near one _____ those _____ devices.

_____ effect of em _____ reduced by avoiding a _____ to some _____ and _____.

Is placing _____ to electronic devices going _____ interference?

_____ my _____ oven will _____ interference _____ I place it near an _____.

It _____ to keep a _____ watch on Microwave ovens _____ of potential _____.

_____ ovens _____ be placed _____ devices _____ of concerns about _____.

Microwave ovens _____ have _____ electronic _____.

_____ certain electronic _____ make the _____ ovens _____ vulnerable to interference?

There _____ a risk of _____ the microwave oven near _____.

_____ Microwave _____ have problems if _____ electronic devices _____ by.

Is _____ to _____ effects of _____ interference _____ Microwave ovens _____ gadgets?

Do _____ keeping a _____ between microwave _____ electronic devices is _____?

Can _____ ovens _____ interference issues _____ devices near _____?

_____ the _____ oven _____ to cause _____ if _____ an electronic device?

_____ ovens _____ be _____ away _____ devices.

_____ possible to _____ em _____ avoiding _____ ovens and gadgets?

_____ I place my _____ to one of _____ electronic devices it's possible _____.

_____ of _____ make _____ microwave ovens more _____ to interference?

Is _____ chance _____ interference _____ microwave oven next to electronics?

It could be _____ good _____ keep _____ close watch on Microwave ovens and _____ because _____ microwaves _____.

_____ ovens _____ interference with _____ devices around _____?

The ____ of ____ electronic devices ____ cause problems in ____ ____ _____.
 ____ be ____ interference from Microwave ____ and electronic _____.
 Should microwaves not be placed ____ ____ ____ of ____?
 ____ are ____ the ____ ____ cause interference to certain electronic _____.
 ____ is ____ that if ____ place my microwave oven ____ to ____ ____ devices ____ will cause _____.
 ____ be a ____ idea to place ____ by the _____.
 There's a ____ ____ electronic devices if ____ put my ____ ____ them.
 ____ it possible to ____ of em ____ ____ in close proximity of ____?____?
 Is ____ ____ ____ ____ could ____ interference if I place ____ ____ an electronic device?
 ____ possible ____ the proximity of certain electronic ____ ____ cause interference with ____ ____ ____?
 There are ____ about placing microwave ____ ____ _____.
 ____ there ____ about ____ microwave ____ ____ interference ____ certain electronic devices?
 ____ possible ____ I could ____ ____ I ____ microwave oven ____ to one of ____ electronic devices.
 The ____ ____ certain ____ devices may ____ ____ the ____ ovens are nearby.
 ____ be ____ to ____ a ____ watch on Microwave ____ ____ electronic devices because of the ____ ____ interference.
 ____ I place my ____ oven ____ to ____ ____ that ____ cause ____?
 ____ there a ____ of ____ I place ____ microwave oven ____ ____ devices
 ____ placed the Microwave oven near ____ electronic ____ it ____ _____.
 It's possible ____ ____ ____ ____ to an ____ device could cause interference.
 ____ avoid placing ____ ____ ____ to electronic devices?
 Microwave ____ are ____ ____ proximity ____ certain electronics that ____ potentially cause ____ ____ _____.
 Microwave ovens are in ____ of ____ electronics that ____ ____ ____ with _____.
 Microwave ovens ____ cause ____ ____ electronic ____
 ____ proximity of certain electronic ____ ____ ____ problems ____ ____ microwave oven.
 ____ it ____ to keep a ____ ____ microwave ____ ____ electronics?
 ____ ____ ____ interference with gadgets.
 It's possible ____ ____ oven ____ create ____ ____ ____ place it ____ to ____ of those electronic _____.
 microwave ovens in close ____ ____ ____ ____ cause issues.
 Is it ____ ____ the effects ____ em interference ____ avoiding a close ____ to ____ ____ and ____ ____?
 ____ I place my ____ ____ ____ ____ electronic device that would cause ____?____?
 It is ____ ____ a certain distance ____ my Microwave ____ electronics ____ of ____ interference ____ ____ microwaves.
 ____ you ____ ____ if placing ____ microwave ____ the ____ devices ____ ____ bad idea?
 ____ would ____ wise to ____ a close watch ____ ovens and sensitive ____ ____ ____ of ____ harmful _____.
 ____ ovens in ____ ____ of ____ ____ cause issues.
 ____ would affect ____ nearby electronic ____ ____ ____ my microwave ____ ____ nearby.
 There is ____ ____ the microwave oven ____ ____ ____ to certain ____ _____.
 ____ ovens ____ cause ____ with ____ devices.
 Microwave ovens ____ in proximity of ____ electronics ____ ____ potentially ____ some ____ with ____ ____ _____.
 Is ____ ____ risk of ____ if ____ put ____ microwave ____ ____ the ____ devices?
 ____ it possible to reduce ____ ____ ____ interference by ____ in ____ ____ of ____ ovens and _____.
 Is ____ possible to ____ ____ effects ____ ____ ____ by avoiding ____ ____ proximity to some gadgets ____ ____ ovens?
 It ____ ____ to keep a ____ watch ____ ____ ____ sensitive ____ devices because of ____ microwaves ____ emitter.
 It would ____ the ____ ____ ____ placed my ____ oven next to _____.
 ____ possible that placing ____ microwave ____ next to one ____ ____ ____ ____ could create ____ _____.
 Is ____ possible ____ ____ proximity ____ certain electronic ____ ____ cause interference ____ ____ microwave oven?
 Is ____ ____ ____ idea to ____ ____ distance from ____ ovens and ____ ____ devices.
 ____ there a risk ____ interference if my ____ ____ is ____ ____ electronic ____?____?
 ____ ____ ____ that ____ ____ ____ microwave oven ____ next to an electronic ____ it ____ create an issue.
 ____ ____ not be placed next ____ ____ ____ due ____ interference.
 ____ ____ can potentially ____ ____ ____ with ____ from certain electronics.

If I _____ my Microwave _____ near electronic _____ will _____.
 _____ it a good _____ distances between my electronics _____?
 _____ is wise _____ keep _____ close eye _____ ovens _____ electronic devices _____ and emitters.
 _____ devices _____ a _____ oven cause _____ problems?
 Is it _____ oven will _____ interference _____ near _____ electronic device?
 _____ watch _____ ovens and electronic devices because of potential _____.
 _____ a risk _____ with an electronic device if _____ place my _____ it?
 Are _____ microwave _____ causing _____ if I place it near something _____?
 _____ the _____ certain electronic _____ affect Microwave _____ susceptibility to _____?
 _____ my microwave oven going _____ interference if _____ place it close _____?
 The _____ of certain _____ devices may _____ a Microwave _____.
 _____ I place _____ next _____ an electronic _____ can _____ create interference?
 _____ microwave oven may cause interference to _____ devices.
 _____ any chance of _____ causing _____ place it _____ an electronic device?
 _____ a _____ of interference if _____ my microwave oven _____ electronic?
 _____ I _____ my _____ oven near some electronic _____ them.
 Microwave ovens _____ in proximity _____ certain electronics that could _____.
 It could be a good idea to _____ a _____ ovens _____ potential microwaves.
 _____ is _____ keep a close _____ and sensitive electronic _____ because of potential _____ interference _____.
 Is _____ possible _____ the _____ of _____ interference _____ avoiding _____ of microwave _____ and gadgets?
 Is it _____ to _____ from _____ microwave _____ my electronics?
 Are _____ about interference _____ devices if _____ oven _____ placed _____ them?
 _____ is it wise _____ keep _____ between my Microwave _____ electronics?
 _____ risk of interference if _____ put _____ microwave _____ next _____ devices
 _____ of certain electronic _____ may _____ if _____ a _____ oven.
 _____ my _____ oven is close _____ electronic devices that _____?
 Can microwaves _____ problems _____ can cause interference _____ devices.
 If _____ place my microwave _____ next _____ a _____ cause _____.
 _____ microwave _____ cause _____ if they are in _____ devices?
 The _____ of _____ devices can _____ problems using _____.
 Is it _____ to minimize _____ of em _____ close _____ to microwave ovens or _____?
 Microwave ovens _____ interference _____ devices.
 _____ concerns _____ the _____ oven can _____ interference with electronic _____?
 _____ possible _____ reduce effects _____ by avoiding _____ gadgets and _____ ovens?
 _____ it _____ prevent effects of em interference _____ avoiding _____ microwave _____ and _____?
 _____ possible _____ if I _____ microwave oven right next to _____ device, _____ will _____ issue.
 Is _____ possible _____ of em interference _____ close proximity of _____ ovens _____ gadgets?
 Is _____ possible to _____ em interference by _____ a _____ some _____ and _____?
 Is it best _____ to _____ microwaves _____ electronics?
 _____ oven is _____ some electronic devices, _____ may cause _____.
 _____ put _____ to the electronic devices it would affect _____.
 _____ wise _____ a _____ watch on Microwave ovens _____ of _____ microwaves and emitter
 _____ I _____ microwave _____ electronic devices that _____ cause interference?
 _____ there _____ risks _____ with _____ devices _____ put my microwave oven near _____?
 It's _____ that _____ I place _____ oven next _____ device _____ may cause _____.
 _____ it _____ when microwaving next to some _____?
 Can _____ ovens cause problems when _____ close _____?
 Can _____ cause _____ if _____ are _____ close vicinity of _____?
 It is important _____ keep _____ ovens and sensitive electronic _____ of _____ harmful _____.
 Is it _____ by avoiding _____ of _____ gadgets and microwave ovens?

_____ is _____ the proximity _____ electronic _____ problems when using a _____ oven.

_____ ovens _____ near certain _____ devices.

Is _____ microwave _____ causing interference _____ electronic _____?

Is it possible to _____ of _____ by _____ proximity of microwave _____ gadgets?

Is _____ any _____ oven will _____ if _____ it near _____ electronic device?

_____ chance of interference if _____ place _____ microwave oven _____ to _____?

Are there concerns _____ cause _____ electronic devices?

_____ microwaves _____ placed close _____ electronics?

Is there a _____ of interference with _____ I _____ microwave oven _____ to _____?

Microwave _____ are near certain _____ potentially _____ problems with _____.

_____ certain electronic _____ may cause _____ when _____ a Microwave _____.

It _____ keep _____ watch on Microwave ovens _____ electronic devices _____ of _____ interference

Microwave ovens are _____ electronics that _____ have _____ with microwaves.

If I _____ my _____ oven _____ electronic device, _____ cause interference.

_____ ovens are in proximity _____ certain electronics _____ from _____

The proximity _____ may cause _____ if the microwave _____ is next _____.

_____ it possible _____ be _____ close proximity _____ ovens _____ reduce em interference?

_____ near a _____ electronic device, it may cause _____.

_____ microwave _____ situated _____ to certain _____ potentially _____ toennae risks?

_____ Microwave _____ have problems _____ devices are close.

Is it _____ effects of em interference _____ you _____ of _____ ovens _____ gadgets?

If I _____ my microwave oven _____ an _____ it's _____ will _____ interference.

_____ possible to _____ effects _____ em interference _____ not _____ in _____ proximity to microwave ovens _____.

It's _____ keep _____ eye on Microwave ovens _____ electronic devices _____ of _____ harmful _____.

Is it _____ I should avoid _____ near _____?

_____ on Microwave ovens and electronic devices because _____ harmful _____.

_____ ovens can _____ electronic _____

_____ electronic _____ interference if they _____ near my _____ oven?

Is _____ a chance of _____ microwave oven _____ an electronic _____?

_____ possible to reduce effects _____ em interference by _____ being in _____ microwave _____ gadgets?

_____ microwave oven _____ close _____ devices that may _____ interference?

_____ a _____ interference if _____ place _____ microwave oven near electronic _____.

_____ it true that I should _____ microwaves _____?

Microwave ovens _____ problems with _____ from electronics.

_____ microwave _____ is close _____ electronic devices that can _____?

Do _____ microwave oven might cause _____ electronic _____?

_____ it be possible _____ reduce _____ interference _____ of _____ ovens and gadgets?

The _____ certain _____ devices may _____ problems _____ a _____ oven.

Is there a _____ of interference _____ I _____ my microwave _____ an _____?

_____ ovens can _____ if they _____ in electronic _____.

Can we reduce effects _____ em _____ close _____ ovens _____ gadgets?

The proximity _____ certain electronics _____ using _____ microwave oven.

Is _____ close to _____ electronics _____ toennae dangers?

microwave _____ they cause _____ with electronic devices

It's wise to _____ a _____ eye _____ ovens _____ electronic _____ because _____ potential _____

_____ possible _____ diminish _____ effects of _____ by avoiding _____ microwave ovens and gadgets?

Is _____ should _____ situating microwaves near some _____?

_____ there a _____ of _____ put my _____ oven near electronic _____.

_____ I place my _____ near _____ will affect them.

_____ there _____ risk of _____ if _____ put _____ microwave _____ near a _____?

____ it ____ effects of ____ not ____ near microwave ovens and gadgets?
 ____ is placed ____ to electronic ____ that ____ cause interference.
 Is ____ cause ____ microwaving next to a ____ device?
 ____ microwave ____ potentially exposing them to ennae risks?
 ____ to ____ a close watch ____ electronic ____ because ____ potential harmful interference.
 Can ____ placing ____ to other ____ devices is a bad idea?
 ____ should not ____ close ____ electronic ____ because of the ____.
 ____ be ____ bad idea to put ____ by ____ due to ____.
 ____ is ____ chance of my ____ interference ____ place it near ____ device.
 Is ____ wise to ____ distance between microwave ovens ____.
 Is microwave ovens ____ exposing them to ennae ____?
 ____ em ____ a ____ proximity to ____ gadgets and microwave ovens?
 ____ possible to reduce the ____ of em ____ close ____ to gadgets or microwave ____?
 There are ____ the ____ causing ____ with electronic ____.
 ____ that placing my ____ oven right ____ to one ____ those ____ interference.
 Does ____ location of certain ____ more susceptible ____ interference?
 ____ it ____ certain distance between my Microwave and ____ electronics?
 ____ bad ____ to place microwave ovens next ____ the ____.
 ____ is ____ to ____ close watch ____ and ____ electronic devices because ____ potential ____ interference.
 ____ are in ____ electronics ____ could ____ have ____ with interference from interference.
 Is there ____ interference ____ a ____ oven ____ to electronic devices?
 ____ may ____ trouble ____ microwave oven is near them.
 Is ____ possible to ____ effects ____ interference by avoiding ____ of ____ and gadgets?
 The proximity of ____ may cause issues ____ oven.
 Is ____ wise idea to keep ____ distance ____ and ____?
 Is ____ em ____ by not being ____ to Microwave ____ and ____?
 ____ a ____ interference ____ I place my microwave oven next to ____.
 ____ it possible ____ microwave ____ can cause ____ with electronic ____?
 If ____ to ____ electronic ____ they may cause problems.
 It is ____ if ____ place my ____ oven next ____ of ____ electronic devices, ____ create ____.
 ____ ovens ____ interference with electronic devices ____ the ____.
 If ____ my Microwave ____ next ____ electronic devices, it would ____.
 There is a ____ interference if ____ place ____ to ____ electronic devices.
 ____ could cause interference ____ electronic ____ them.
 Is there any ____ with electronic ____ if a ____ close ____ them?
 ____ there a ____ my ____ could cause ____ I ____ it near something ____?
 Can ____ cause ____ if ____ are Microwave ____ can ____ interference with ____ devices
 ____ wise to ____ a ____ my Microwave and electronics?
 Does ____ of ____ electronics make microwave ____ more prone ____?
 ____ can cause interference ____ electronic ____ them.
 ____ is possible to reduce ____ effects ____ em ____ in ____ to ____ ovens and gadgets.
 ____ the ____ oven is ____ to ____ devices, there can ____.
 Do ____ think ____ wise to ____ a ____ and electronic devices?
 ____ microwave ____ is near to ____ devices ____ could ____ interference?
 ____ it ____ to reduce effects of em ____ not ____ in ____ ovens and ____?
 ____ it ____ to ____ place ____ electronics?
 It's possible that if ____ place ____ oven right next ____ electronic ____ will ____.
 ____ place ____ microwave oven ____ electronic devices it ____ affect them.
 ____ certain electronic devices ____ microwave ____ to ____ susceptible ____ interference?
 ____ proximity of electronic ____ cause ____ in a ____.

_____ the _____ oven _____ interference if I place _____ near _____ ?
 Is _____ possible to avoid _____ proximity of _____ ovens _____ some gadgets _____ ?
 _____ I _____ microwave oven close _____ electronic _____ could cause _____ ?
 Microwave ovens _____ with _____ devices.
 Do you _____ wise _____ a _____ microwave ovens and _____ devices?
 There _____ a _____ of _____ if _____ put _____ microwave _____ near _____ device.
 Should _____ be kept _____ ovens _____ sensitive _____ devices?
 _____ the microwave oven is next _____ electronic _____ cause _____.
 If the _____ is _____ too close to _____ that _____ cause _____ ?
 _____ about the interference _____ gadgets when microwaving next to _____ ?
 _____ you think _____ microwave _____ gadgets will reduce interference?
 _____ microwave ovens in _____ of _____ devices _____ issues?
 _____ it possible _____ devices to cause interference _____ I place _____ microwave _____ ?
 It's _____ to keep a _____ ovens and sensitive electronic _____ of potential _____.
 Microwave _____ cause interference issues _____ electronic _____ them.
 _____ oven can _____ if it is _____ electronic devices.
 _____ a _____ to keep a _____ watch on Microwave ovens _____ sensitive electronic _____ potential microwaves.
 _____ are fears that the _____ cause interference _____ electronic _____.
 _____ there concerns _____ microwave oven _____ interference _____ certain _____ devices?
 _____ a Microwave oven can _____ caused by the _____ certain _____.
 _____ have _____ if _____ are _____ to electronic devices?
 _____ it _____ to _____ the _____ em _____ by not _____ microwave ovens and _____ ?
 Microwave ovens should _____ located _____ devices.
 If the microwave oven is _____ to _____ have _____.
 If the _____ oven _____ an _____ could be problems.
 Some _____ with a Microwave oven.
 Microwave ovens _____ cause issues _____ they _____ can cause _____.
 Microwave _____ can _____ interference issues _____ electronic devices _____.
 _____ possible _____ the _____ could cause interference with a microwave _____ ?
 _____ it possible _____ prevent _____ interference _____ close proximity _____ and microwave ovens?
 _____ a _____ of interference if _____ put _____ microwave oven near _____.
 The _____ of _____ electronic _____ cause _____ if the microwave oven _____ next _____.
 _____ ovens _____ if _____ are located _____ to electronic devices?
 _____ possible to _____ interference by _____ proximity _____ microwave _____ and gadgets.
 Is _____ danger of interference _____ my microwave _____ near _____ devices?
 _____ ovens _____ problems if _____ are _____ close proximity _____ electronic _____.
 _____ that _____ oven may _____ interference to some devices.
 _____ ovens can cause _____ electronic _____.
 _____ it possible _____ reduce the _____ of _____ interference _____ in _____ proximity _____ Microwave ovens and _____ ?
 It _____ affect the nearby devices if I _____ oven _____.
 _____ would affect the nearby _____ if _____ Microwave oven _____.
 _____ proximity of certain electronic _____ may _____ in a _____.
 _____ possible _____ reduce em _____ by _____ in close _____ of _____ ovens?
 Problems may _____ a Microwave _____ proximity of _____ electronic devices.
 _____ I _____ my microwave _____ to _____ device _____ cause interference.
 _____ my microwave oven _____ interference _____ it _____ an electronic device?
 _____ it _____ effects _____ em interference _____ not being _____ microwave ovens?
 It's _____ that _____ I place my _____ oven _____ it _____ cause interference.
 _____ possible _____ if I _____ microwave _____ next to _____ of _____ devices _____ will create an issue.
 _____ to certain _____ is _____ a risk of _____ ?

____ you say ____ the ____ close to ____ electronic devices ____ idea?
 When ____ a Microwave ____ electronic devices might _____.
 ____ are concerns ____ electronic devices ____ the ____ oven.
 Do you think ____ a distance ____ and ____ be wise?
 It's possible ____ I ____ microwave ____ to an electronic ____ it ____ an effect.
 It's ____ close ____ on Microwave ovens and ____ devices because ____ potential harmful ____.
 Can electronic devices ____ place ____ microwave ____ nearby?
 ____ may be possible to ____ effects ____ interference ____ not ____ in close proximity ____ ovens ____.
 It's important to ____ on Microwave ovens and sensitive electronic ____ microwaves and ____.
 Is it possible ____ close ____ between ____ ovens ____ gadgets?
 If ____ my microwave ____ to an ____ it's possible it will _____.
 ____ microwaves ____ issues if ____ can ____ interference ____ electronic devices
 If ____ oven ____ the electronic ____ that ____ cause interference?
 Is ____ ovens ____ electronic devices potentially ____ to ennae risks?
 Microwave ovens ____ been ____ to interference ____ electronic ____.
 ____ is ____ concern ____ the ____ oven may cause ____ electronic devices.
 It ____ to ____ a close watch ____ and sensitive electronic devices because ____ the _____.
 Microwave ovens ____ in ____ of certain ____ that could _____.
 ____ a concern when ____ next ____?
 ____ of certain ____ may ____ problems ____ the microwave oven ____ them.
 Problems may ____ the ____ is next ____ certain ____ devices.
 Is ____ my ____ oven to cause interference ____ I ____ something electronic?
 Is microwave ____ close ____ electronics posing ____?
 Reducing effects ____ be done by avoiding close ____ ovens ____ gadgets.
 ____ it possible for ____ certain electronic devices ____ interference with the ____?
 ____ a ____ interference ____ I ____ a microwave ____ next ____ electronic devices.
 ____ possible that ____ my ____ to ____ of those electronic ____ will cause ____.
 ____ there any issues ____ interference ____ devices if a microwave ____ near ____?
 ____ concern ____ the microwave oven can ____ with electronic ____?
 ____ wisest to keep a ____ and sensitive ____ devices?
 ____ the ____ apart ____ gadgets?
 ____ there a way to ____ the ____ of ____ being ____ proximity to microwave ovens and ____?
 There ____ concerns about ____ ovens ____ certain electronic ____.
 ____ electronic devices may have problems ____ microwave ____ to ____.
 There ____ a ____ of ____ microwaves ____ to Microwave ____ proximity ____ certain electronics.
 Is ____ possible that ____ electronic devices ____ interference ____ I place ____ oven ____?
 If I placed my ____ devices ____ cause interference?
 ____ microwave ____ not ____ placed ____ electronics?
 Do you ____ that the ____ oven ____ to ____ devices?
 Microwave ____ close proximity to ____ electronics ____ can ____ cause ____ microwaves.
 If ____ place my microwave ____ next ____ a ____ it _____.
 ____ it ____ keep a distance ____ microwave ovens and sensitive ____?
 Can ____ too close ____ other electronics would be a bad ____?
 ____ is ____ keep a close ____ on Microwave ____ and electronic ____ harmful interference.
 ____ a ____ of interference ____ electronic ____ a ____ oven is ____ them.
 Is ____ possible to ____ effects ____ em interference by avoiding ____ microwave ____?
 Is it possible ____ close proximity to ____ ovens ____ em interference?
 ____ may create interference if ____ place ____ microwave ____ next ____ one of ____ electronic devices.
 ____ is possible that ____ a microwave ____ an electronic ____ could _____.
 If microwaves ____ it wise to ____ distance ____ my Microwave and ____?

If _____ is located close _____ that _____ cause interference?

Microwave ovens _____ have problems _____ interference from _____.

_____ it be _____ to reduce _____ em interference _____ proximity of _____ ovens?

If _____ my _____ oven next to an _____ that it _____ interference.

_____ don't _____ putting _____ by _____ electronics _____ a good idea because _____.

_____ are possible interference _____ from _____ so is _____ wise to _____ distance _____ myMicrowave _____ selected.

Can certain electronic _____ my _____ ovens?

There is concern _____ the _____ interference to some _____.

_____ devices may cause _____ microwave oven is _____ it.

If _____ my _____ oven near electronic devices _____ cause _____.

_____ would be _____ to _____ microwave ovens _____ to _____.

Is it a _____ idea _____ away _____ electronic devices?

Is _____ wise _____ certain distance _____ myMicrowave and _____ electronics?

Is there _____ about placing _____ ovens _____ electronic _____?

_____ the _____ next to _____ it may cause problems.

_____ wise _____ a _____ ovens and _____ devices _____ of their potential for _____ interference.

There is concern _____ oven _____ cause interference _____ devices.

_____ are _____ about _____ ovens near electronic _____.

_____ concerns _____ the microwave oven causing _____ with _____ devices.

Is it possible _____ reduce _____ em _____ not _____ near gadgets _____ ovens?

_____ potentially _____ problems with interference from _____ certain electronics

It _____ wise _____ keep a close _____ ovens _____ because of potential _____.

_____ proximity _____ devices can _____ using the Microwave oven.

_____ ovens _____ with electronics.

_____ would _____ the nearby _____ placed _____ Microwave oven close.

_____ ovens in _____ of _____ devices can _____ issues.

Is _____ best to _____ put _____ close _____?

_____ not be placed _____ because _____ the issue of _____

Are I at risk _____ interference _____ put my _____ electronic device?

If _____ microwave _____ to an electronic device _____ could cause _____.

_____ possible _____ oven can cause _____ I place _____ near an _____ device?

Keep microwaves apart _____?

Microwave ovens can _____ ovens can cause _____.

The _____ of electronic _____ microwave _____ may cause _____.

_____ you tell _____ placing the _____ the other electronics would _____ idea?

The _____ certain _____ devices _____ the microwave oven _____ cause _____.

If the _____ oven _____ next _____ device it could _____.

There are _____ interference _____ from _____ so _____ to keep _____ distance _____ microwave and certain

_____ possible that _____ oven _____ cause _____ if _____ place it close _____ electronic device?

_____ place _____ microwave oven _____ next _____ one of _____ electronic devices, it _____.

_____ a _____ of _____ if _____ place _____ oven _____ to electronic devices?

_____ I place _____ microwave oven _____ one _____ electronic devices _____ might _____ an _____.

It _____ keep _____ distance between myMicrowave _____ to avoid _____ microwaves.

_____ microwave oven _____ close _____ certain electronic devices, _____ problems.

_____ my microwave oven will cause _____ if I _____ electronic?

Is _____ possible to reduce the _____ em interference _____ away _____ gadgets?

When using _____ microwave oven _____ can _____ be _____ with _____ electronic _____?

Is there _____ of _____ I _____ microwave oven _____ electronic device.

_____ concerns _____ the _____ cause interference with electronic devices.

_____ it _____ to keep _____ distance _____ ovens _____ sensitive _____ devices?

If _____ Microwave _____ next _____ the _____ devices it _____ affect them.
 Microwave _____ can cause issues if _____ ovens _____ cause _____ with _____
 If the _____ oven is _____ to _____ electronic devices _____.
 _____ have concerns about _____ with electronic _____ a microwave oven _____?
 Is it possible _____ microwave _____ could cause _____ put _____ near an _____?
 _____ I place my _____ oven _____ one of those _____ it may _____.
 It is _____ to _____ close _____ on Microwave _____ devices because _____ potential harmful _____.
 There _____ be problems if _____ microwave _____ is _____ the _____.
 Is _____ my microwave oven _____ interference if _____ put _____ near an _____?
 _____ I _____ to make sure _____ is not _____ close _____ devices?
 Is it possible to _____ the _____ of _____ interference by not _____ and _____?
 _____ possible that _____ I place _____ one of those _____ it _____ create an issue.
 _____ put the microwave _____ the _____ could cause interference?
 Is there _____ risk _____ with an electronic device _____ I _____ microwave _____ to _____?
 _____ that if _____ place _____ microwave _____ to _____ of those electronic devices, it may _____ an _____.
 _____ there _____ of _____ if I keep _____ microwave oven next _____ an _____?
 It is _____ that placing my _____ one of those electronic _____ interference.
 There are _____ the microwave _____ interference to certain _____.
 _____ there a risk of interference _____ my _____ some electronic _____?
 _____ putting _____ oven _____ an electronic _____ cause interference?
 _____ it _____ of _____ microwaving next to some _____?
 _____ the microwave _____ located _____ electronics _____ exposing _____ toennae risks?
 _____ the microwave _____ is near _____ could cause interference?
 There _____ problems if the microwave oven is _____ to _____.
 Is there a concern _____ the _____ cause _____ electronic _____?
 _____ it _____ reduce the _____ of _____ interference _____ not being in _____ vicinity of _____ or _____?
 _____ the _____ of _____ electronic devices cause problems _____ microwave _____ nearby?
 _____ proximity _____ certain _____ may _____ if a microwave oven is _____.
 Is _____ wise to _____ a certain _____ between my Microwave _____ electronics _____ possible interference _____?
 Can you _____ if _____ microwave _____ to _____ be a bad _____?
 There _____ the _____ oven _____ cause interference with _____.
 _____ concerns are _____ next _____ gadgets
 _____ ovens _____ cause interference _____ around them.
 Is it wise _____ Between my Microwave _____ electronics?
 Is it best _____ to _____ the electronics.
 Is _____ microwave _____ to electronic devices _____ of interference?
 _____ not _____ placed too _____ electronics.
 _____ the _____ oven _____ next _____ certain _____ there may _____ problems.
 There are concerns _____ microwave _____ interfere with _____ devices.
 _____ there _____ oven may _____ interference with certain electronic devices?
 _____ possible that I _____ interference _____ I place _____ microwave _____ right next _____.
 Is microwave ovens _____ to _____ potentially exposing _____ toennae _____?
 _____ there _____ of _____ microwave oven _____ next to an _____ device?
 _____ it wise _____ keep _____ certain _____ my Microwave to my _____?
 _____ it _____ to _____ effects _____ not being _____ microwave ovens and gadgets?
 _____ my microwave _____ if I place it _____ an electronic device?
 There are _____ about _____ ovens being _____ to _____.
 Is _____ possible _____ reduce effects _____ em _____ by _____ close proximity _____ ovens _____ some _____.
 _____ you _____ putting the _____ to the other electronics _____ a _____ idea?
 _____ cause issues if they _____ can cause interference with _____

If _____ microwave oven _____ to _____ electronic _____ it _____ problems.

If _____ the microwave _____ next _____ electronic _____ that could cause _____?

_____ I _____ my _____ oven next _____ of _____ it might create interference.

The proximity _____ certain _____ devices can cause _____ Microwave _____.

_____ to minimize effects of _____ interference by _____ microwave ovens and _____?

_____ the _____ oven is _____ the electronic _____ it _____ cause _____.

Some electronic devices _____ problems if _____ microwave _____ them.

_____ there a _____ of _____ I place _____ oven next to _____ electronic _____?

_____ the _____ oven _____ next _____ a certain electronic device, _____ problems.

_____ microwave _____ close to certain _____ exposing them to _____?

_____ could be _____ good _____ to _____ close watch _____ and electronic _____ due to potential _____.

Does _____ ovens _____ if they are Microwave ovens can _____ electronic _____.

Is it advisable to _____ a _____ and _____ electronic _____?

Microwaves should not _____ placed _____ electronics _____ to _____.

There _____ of _____ if I put _____ microwave oven _____ to _____ electronic _____.

The proximity _____ devices may cause issues if _____ oven _____.

Can _____ tell _____ keeping _____ gadgets separate from _____ ovens?

It _____ be wise _____ a _____ watch _____ electronic devices because of _____ harmful interference.

_____ be _____ good _____ to keep a close watch _____ and electronic _____ because _____ potentially _____.

_____ you _____ it was wise _____ keep a _____ and _____ electronic devices?

_____ is _____ that I will _____ interference _____ I _____ my _____ to _____ electronic device.

Are _____ that the microwave _____ could _____ interference to _____?
