

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Audio and sound quality troubleshooting
Inquiry Sub-Category	No audio on specific channels
Description	Customers find that certain channels have no sound, while others work fine, and require assistance to troubleshoot and restore audio on those specific channels.
Data Size	5,019 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

_____ interference _____ only certain channels _____ no _____ output?

_____ interference _____ that _____ not produce any _____?

Can intermittent _____ channels _____ no _____ output?

_____ possible _____ disruption only targets specific silent _____?

Is _____ affecting only _____ channels _____ does _____ channels _____ no audio _____ sound _____?

Is _____ affecting _____ certain channels or affects _____ not _____ output?

_____ possible _____ target exclusive _____ channels?

_____ affecting _____ certain _____ is it affecting channels _____ no _____ outputs?

It is possible _____ exclusive _____ channels.

_____ interference only affect _____ not have _____ output?

_____ disruptions affecting _____ output?

Is _____ affecting certain _____ or _____ it affecting _____ audio?

_____ lack _____ audio on _____ channels due _____ interference?

_____ do _____ audio _____ is interference _____ some channels?

_____ interference _____ just certain channels, or _____ channels _____ produce _____ audio at _____?

_____ intermittent interference affect _____ only _____ audio?

Can _____ interrupt certain channels _____?

Will _____ disrupted with no _____?

Is short disruptions _____ to _____?

_____ signal _____ up some _____ and no sound?

Is _____ affecting only certain channels _____ that _____ no sound?

Does sporadic disruption _____?

Might _____ silent channels?

Can interference _____ channels _____ not produce audio, _____ certain _____?

Can sporadic _____ channels _____ no _____?

Is it _____ only if they _____ no _____ output?

_____ might be _____ that targets _____ silent _____.

Can _____ affect _____ that don't _____ sound or _____?

_____ only affecting certain channels _____ an _____ output?

Is it _____ for _____ with no _____ be _____ with.

Will _____ glitches affect _____ sound?

_____ do not _____ an audio output, _____ interference _____ certain _____?

Is _____ possible _____ channels _____ there is _____ output?

_____ interference _____ that have _____ audio _____ all _____ affect certain channels?

_____ it _____ for interference _____ affect _____ channels with _____ output?

_____ to affect some _____ with _____ audio output?

_____ channels have no _____ as _____ result _____ interference.

Do _____ that _____ not have _____?

_____ possible that disruption _____ target _____?

_____ interference affecting only _____ channels or can _____ make audio?

Is it _____ for channels with _____ audio _____ with?

_____ interference _____ affecting certain channels if there _____?

_____ certain _____ if _____ do _____ have an audio output?

_____ dadgum disruptions knock _____ just a _____ channels _____ leavin' _____?

_____ channels only if _____ do _____ audio output?

Does _____ affect _____ channels _____ any _____?

Is _____ possible to _____ if _____ no _____ output?

Could intermittent _____ silent _____?

_____ affecting certain channels only _____ no _____?

Is _____ possible _____ interruption _____ affect noiseless _____ on _____ stations?

Can _____ no audio _____ disrupted.

Does intermittent interference can _____ channels _____ no _____?

Is it _____ to affect _____ some _____ audio _____?

_____ or can it affect channels _____ produce _____ audio?

_____ interference only affecting _____ have an _____ output?

_____ affect channels only _____ there is no _____.

_____ without sound, be affected _____ interference?

_____ interference affecting _____ channels or can it affect _____ or _____?

_____ interference affecting _____ or can _____ affect channels _____ audio or _____?

_____ intermittentDisruption only _____ silent _____?

Is _____ to affect channels _____ when _____ is _____ audio _____?

Is intermittent _____ audio output?

_____ disrupt only _____ channels?

_____ interference _____ only a few channels _____ it affect channels _____ no _____ at _____?

Is interference affecting _____ certain _____ can _____ channels that do not _____?

_____ only allowed _____ that _____ no audio output?

Can _____ sporadic disturbance _____ channels _____ sound?

_____ silent _____ be affected by _____?

_____ interference _____ silent channels?

Is _____ just a _____ channels _____ can _____ with no audio _____?

Is interference affecting _____ some channels _____ can _____ with _____ output?

_____ disruption _____ lacking audio output?

_____ affect only _____ channels without _____?

Is it possible _____ only certain channels _____?

_____ interference _____ channels with _____ audio?

_____ possible _____ disruptions _____ outlets that are muted?

_____ sporadic interference _____ an _____ output?

Will _____ no _____ on some channels _____ interference?

____ it possible that ____ channels?
 ____ without audio output?
 ____ some channels ____ no audio output?
 Is it ____ for ____ to affect ____ with ____?
 ____ interference ____ only some ____ or can ____ channels that produce ____?
 ____ affect channels ____ do ____ have sound or audio, ____ certain ____?
 ____ interference affect channels ____ do not ____ at ____?
 ____ audio-less channels be ____ disruptions only?
 Is ____ affecting ____ certain ____ can it ____ channels ____ no audio ____.
 ____ only affect select channels and ____?
 ____ only affect ____ channels if there ____ an ____?
 Can short disruptions ____ no ____?
 ____ interference ____ for ____ output audio?
 Is ____ affecting ____ if ____ do not ____ output?
 ____ interference able ____ certain channels without ____ output?
 Is it ____ intermittent interference ____ certain ____ with no ____?
 Is ____ only possible ____ have no ____?
 ____ interference possible only ____ certain channels with ____?
 Is ____ for channels ____ output?
 ____ intermittent interference ____ silent ____?
 ____ interference ____ certain ____ and ____ audio output?
 Will ____ interruption affect ____ ends?
 ____ only affecting certain ____ it affect channels with ____?
 ____ that intermittent ____ will ____ some ____ ends intermittently?
 ____ cause ____ certain channels without ____?
 Did intermittent ____ channels?
 ____ affecting only ____ channels or can it affect channels ____ have ____ sound ____ them?
 Is ____ possible for ____ some channels ____ cause ____ sound?
 ____ there ____ a ____ audio on ____ there is intermittent interference?
 ____ stations with ____ audio output?
 Do ____ specific ____ silent?
 Is ____ possible for occasional ____ result ____ on certain ____ stations?
 ____ possible ____ will ____ exclusive silent channels.
 ____ disrupting affect ____ channels?
 Is ____ possible ____ glitch ____ specific channels ____?
 Is there ____ interference ____ have no audio ____?
 ____ possible for ____ have no audio output?
 Is ____ few ____ it ____ channels that don't have audio?
 Is ____ interference able ____ affect ____ only ____ no ____?
 Is interference ____ channels or ____ it affecting ____ sound ____ audio?
 Is interference affecting only certain channels ____ don't ____ output?
 ____ interference possible to ____ channels ____?
 Is ____ channels or can channels ____ audio output?
 Is intermittent ____ affecting ____?
 ____ channels that have no ____?
 Does intermittent ____ affect certain ____ zero ____?
 Will a ____ of audio ____ channels be ____?
 Is ____ possible that signal ____ that are ____?
 ____ affecting ____ channels or ____ channels ____ produce audio?
 ____ interference affect ____ with no ____?

____ disruption target ____ ?
 ____ affecting channels ____ don't have ____ audio ____ ?
 Isn't ____ only affecting certain channels ____ audio ____ ?
 Is ____ possible ____ channels ____ output ____ ?
 Does ____ certain channels, ____ can ____ channels that do not have ____ ?
 Can intermittent ____ channels ____ no ____ ?
 ____ interference possible ____ channels ____ audio ____ ?
 Is ____ the periodic disturbances only affect ____ ?
 ____ disruptions affect ____ channels ____ audio ?
 ____ only ____ channels, or can it affect channels ____ any ____ ?
 ____ it ____ that ____ only ____ channels go silent ?
 Is ____ possible for ____ to ____ certain ____ in no sound ?
 ____ the ____ only ____ channels silent ?
 ____ influence just some ____ ends ?
 Is ____ interference effecting ____ channels ____ audio ____ ?
 ____ possible to ____ with ____ audio .
 ____ interference only affecting ____ channels ____ affect channels ____ sound ?
 Will ____ affect only ____ with ____ ?
 ____ interference possible ____ channels that don't have ____ ?
 Will some ____ be ____ occasional ____ ?
 ____ limited to ____ channels ____ audio ____ ?
 Is disruption ____ silent ____ ?
 Is it ____ only ____ channels ____ no audio ?
 Some ____ channels ____ by short disruptions .
 ____ certain ____ be ____ to interference ?
 ____ interference affecting the ____ don't have an ____ output ?
 Is ____ affecting ____ or can ____ channels that ____ not ____ audio output ____ all ?
 Is ____ only certain channels ____ the ____ have ____ output ?
 Does ____ channels ____ with no audio ____ .
 ____ can ____ channels ____ no audio output
 ____ interference ____ for ____ with no audio output ?
 ____ they disrupt only ____ audio ?
 Will ____ influenced by ____ interruption ?
 Does sporadic interference affect ____ channels only ____ output ?
 Is ____ affecting ____ certain channels ____ it ____ channels ____ audio ____ ?
 ____ interference a possibility for ____ with ____ ?
 ____ intermittent interference affect ____ only if ____ no ____ ?
 Does interference affect ____ certain ____ or affect channels ____ ?
 ____ stations quiet due ____ intermittent ____ ?
 Is it ____ disruption targets ____ channels ?
 ____ affecting ____ certain ____ or can ____ not have ____ output ____ all ?
 ____ affect ____ channels, no audio ?
 Can ____ certain ____ no ____ output be affected ____ ?
 ____ affect ____ channels ____ no audio ?
 Is it possible that ____ only ____ silent ?
 Can interference ____ an ____ output ?
 Is ____ affect particular ____ without audio output ?
 ____ it possible for ____ to only ____ noiseless streams ____ ?
 Is intermittent ____ possible ____ only ____ with no ____ ?
 ____ that glitches ____ certain channels ____ silent ?

____ glitch ____ some ____ silent?
 ____ signal affect some channels ____ sound?
 ____ interference ____ only certain ____ or can ____ channels ____ have ____ output?
 Is the ____ missing ____ specific ____ of interrupted ____?
 ____ ends be influenced ____ sporadic ____?
 Is interference just ____ certain ____ you don't ____?
 ____ interference ____ certain ____ is ____ channels with no audio?
 Will ____ affect ____ silent ends?
 Does intermittent ____ channels, ____ audio ____?
 Can ____ mess with ____ and ____ sound?
 ____ affects ____ you don't have an audio ____
 ____ certain channels, or is it affecting ____ any audio output?
 ____ lack ____ on ____ channels come from interference?
 ____ interference affecting ____ certain channels ____ can it affect channels ____ do ____ have ____ available?
 ____ channels with no ____?
 ____ only ____ when ____ no audio output?
 Is ____ affecting ____ output?
 Is ____ interference ____ channels with no ____ output?
 Is interference only affecting ____ if ____ isn't ____?
 intermittent ____ can ____ only if there ____ no ____
 ____ it ____ that ____ can only ____ with no audio?
 ____ affecting only ____ or ____ it affect channels that ____ audio?
 Audio gone, can ____ few ____?
 ____ intermittent ____ possible ____ affect ____ only if there is ____?
 ____ interference ____ certain ____ it ____ channels ____ don't have ____ sound or audio?
 ____ there interference ____ audio output?
 Does ____ affect ____ channels ____ audio?
 ____ certain audio-less channels only?
 ____ possible that signal issues ____ mess with select ____?
 ____ disruption only ____ silent channels?
 ____ the ____ disrupt certain channels ____?
 ____ only focus ____ silent ____?
 ____ affecting ____ certain channels or can they ____?
 ____ channels with zero ____ output may be ____.
 ____ have an ____ output, ____ interference affecting ____ channels?
 ____ disrupting ____ channels ____ no audio ____?
 Does ____ the channels ____ you don't ____ audio ____?
 Is ____ possible to ____ is no audio?
 ____ channels that ____ not have ____ output?
 ____ interference ____ channels ____ produce no ____?
 ____ certain channels with no ____?
 ____ interference affecting only certain channels ____ channels ____ no ____ all?
 ____ possible for certain channels ____ disrupted ____ no ____?
 ____ are ____ channels ____ experience interference and ____ sound.
 ____ interference ____ certain ____ without audio?
 ____ interference ____ to channels ____ audio ____?
 Is ____ channels or can it affect ____ don't ____ audio?
 ____ intermittent interference ____ to ____ a few channels ____ output?
 Does ____ with ____ channels and not ____?
 ____ signal issues ____ channels with ____?

_____ possible _____ some channels _____ be _____ result in no sound?
 _____ possible _____ affects certain channels without audio _____?
 Might disrupting _____ channels?
 _____ interference only possible _____ channels _____?
 _____ intermittent interference _____ channels only _____ no _____?
 Is it _____ for interference _____ impact _____ and _____ no _____?
 _____ affect _____ that _____ audio output?
 _____ intermittent interference _____ some _____ audio?
 Will sporadic _____ affect _____?
 Will sporadic _____ silent _____ occasionally?
 Is _____ possible to affect channels _____ no _____?
 _____ intermittent _____ to affect _____ is no audio input?
 Does _____ without sound?
 Can _____ issues mess _____ channels and _____?
 Can _____ affect _____ only?
 _____ with _____ silent _____?
 intermittent interference can _____ certain _____ with _____ audio _____.
 _____ the _____ disturbances _____ up some channels _____ sound?
 _____ be only _____ disrupted _____ no audio.
 _____ for certain _____ to be interfered _____ resulting _____ sound?
 _____ interference only feasible _____ no _____ output?
 Does interference _____ without _____?
 If you don't _____ output, is _____ affecting certain _____?
 _____ interference only exist for channels that _____?
 _____ interference _____ only certain channels or _____ affect _____ that don't _____?
 Can short disruptions _____?
 _____ it _____ for interference to _____ channels and _____ in _____?
 Will some _____ ends be _____ by _____?
 _____ interference _____ certain channels _____ you _____ an _____ output?
 _____ affecting _____ certain _____ or _____ channels _____ don't have audio _____?
 Is intermittent _____ for _____ no _____ output?
 Does _____ affect certain _____ you _____ an audio _____?
 Is interference only _____ equipment?
 Can _____ a few channels _____ no audio _____?
 Is _____ only _____ channels _____ affect channels that have no _____ output _____?
 _____ it possible for _____ to _____ streams _____ stations?
 _____ possible to _____ there isn't an audio source?
 Is it _____ for _____ be interfered _____ no _____?
 Is interference _____ certain channels _____ have an audio _____?
 Is interference affecting only _____ affect channels that _____ produce _____?
 Can the _____ impacted _____ sporadic _____ sound?
 Is it _____ channels _____ no _____ get interference?
 Is _____ affecting only certain channels _____ affect channels _____ no _____?
 _____ interference affecting _____ certain _____ or _____ it affect _____ no _____ output?
 _____ target exclusive _____ channels?
 _____ intermittent _____ affect various _____ audio output?
 _____ affects _____ channels _____ no audio _____.
 _____ interference can affect _____ no audio?
 _____ disruption _____ exclusive silent channels.
 _____ if intermittent _____ silent channels.

Is it ____ for ____ interruption ____ noiseless ____ on specific ____?

Is ____ possible ____ interference ____ impact ____ channels ____ cause no ____?

____ have no ____ because ____ interference.

____ only affecting ____ you don't ____ audio inputs?

____ intermittent interference enough ____ channels ____ with ____ output?

____ signals mess ____ and no ____?

Can that ____ any noise?

____ certain channels with no audio output?

____ disruptions ____ influence ____ that are ____?

____ channels with no audio?

____ possible ____ channels without sound?

Does ____ weird ____ up some ____ and ____ sound?

____ sporadic ____ to certain channels with ____ output?

____ interference ____ that ____ no audio?

____ interference only relevant ____ channels without ____ output?

Is ____ or if ____ affects channels that ____ produce audio?

Is ____ certain ____ affect channels ____ not produce audio at all?

Will ____ lack of ____ on ____ channels be ____ interference?

____ it possible for ____ cause ____ on particular ____?

____ interrupted ____ cause ____ audio, are specific ____?

____ only to affect channels ____ no ____ output?

Can ____ channels be ____ disruptions?

Is ____ possible only ____ audio ____?

____ only for ____ silent ____?

Is ____ that interference ____ certain channels without ____?

Is ____ on ____ channels ____ sound?

It ____ possible that disruption ____ target ____.

Is interference ____ only certain ____ or ____ it ____ that ____ audio ____ all?

____ don't have an ____ does ____ certain channels?

____ interference affecting ____ or can ____ have audio output?

____ interference ____ certain channels ____ no audio output?

____ interference possible for ____ if ____ is ____ audio?

____ you don't have ____ output, does ____ channels?

____ only ____ you do not have audio?

Is ____ only ____ silent ____?

____ interruptions affect ____ channels ____ audio?

____ interruptions affect ____ some ____ ends?

____ short ____ certain audio-less ____.

Is ____ possible to ____ certain channels without ____?

Some channels ____ sound ____ interference ____.

____ interference affecting only ____ channels ____ can ____ audio at all?

____ interference ____ certain channels ____ don't ____ audio Output?

____ interference ____ channels with ____ output?

____ channels ____ with no audio.

____ quiet ____ only ____ by periodic ____?

Can ____ channels disrupt ____ no ____?

Can interference affect channels ____ don't ____ certain channels?

Does ____ affect channels ____ produce ____?

____ affecting ____ certain ____ or ____ it affect channels without ____?

Is ____ to ____ affect ____ audio-less ____?

Is intermittent interference possible _____ channels _____ zero _____?

Will _____ issues _____ channels _____ no sound?

Is _____ only _____ certain _____ no _____?

Is interference _____ channels, _____ they produce no _____ all?

_____ interference _____ only certain channels, _____ can _____ produce _____ audio at all?

_____ it _____ could _____ exclusive silent _____?

_____ affect _____ can it _____ channels _____ no audio output?

Is it _____ for some _____ to _____ no sound?

Does _____ affect _____ only _____ no _____ input?

Can _____ only experience _____ disruptions?

_____ glitches _____ make _____ channels silent?

Is _____ interference able to affect channels _____?

_____ affecting _____ channels _____ can it _____ channels _____ any audio or sound?

_____ interference _____ or is _____ affecting channels that do _____ audio?

Will _____ be _____ that will _____ silent ends?

Can _____ channels with _____ audio?

Is _____ affect _____ only if there _____ no _____ Output?

_____ interference _____ can it _____ channels that don't have _____?

_____ channels if there is no _____ output?

There _____ intermittent _____ that can _____ only _____ no audio _____.

_____ channels that _____ audio _____ at all, or _____ certain channels?

_____ weird signal mess with some _____ sound?

Is _____ affecting only _____ affect _____ without audio _____?

Is it _____ for _____ disruptions to _____ certain _____?

Some _____ channels _____ only _____ affected _____ short _____.

_____ that stations without audio _____ affected _____ disruptions?

_____ possible for _____ interference to _____ without audio?

_____ is _____ that _____ could target _____.

Is _____ only _____ certain channels, _____ it affect channels that _____?

_____ interference causing _____ channels _____ audio output?

Is _____ possible to _____ audio _____?

Is interference possible to affect _____ with _____?

Does _____ channels and _____ output?

_____ disruption only _____ channels?

Is _____ only _____ is no audio?

_____ for intermittent _____ affect channels only _____ no audio?

Can disruptions _____ channels _____ no _____?

Is interference _____ certain channels if you _____?

_____ channels _____ you do not have audio?

Does _____ disruptions _____ silent _____?

Does a weird _____ with some channels _____?

_____ affects certain channels _____ no _____ output.

Is _____ a lack _____ on some _____ interference?

_____ interference _____ channels _____ audio output

_____ interference affecting only certain channels _____ can it _____ have _____ output at _____?

Does glitch make _____ channels _____?

_____ interference just _____ if _____ do not _____ audio?

_____ making specific _____ silent?

_____ have interference but _____ sound?

_____ interference _____ affecting _____ can it _____ channels that do not _____?

Some ____ without ____ be ____ by sporadic ____.

____ glitch ____ only certain ____?

____ sporadic ____ to ____ channels without ____?

Does sporadic ____ the channels ____?

____ affecting ____ channels or ____ it affecting ____ don't have audio ____?

Is ____ affecting only certain ____ does it ____ channels ____ do ____ ____ ____ output?

Is interference only applicable ____ channels ____?

____ intermittent ____ affect ____ sound?

Is interference affecting ____ if you ____ audio?

____ ____ affect some ____ ends occasionally?

Could disrupting ____ exclusive ____?

Certain channels and ____ audio ____ are ____ by ____.

____ certain ____ only affected by ____?

____ the ____ mess ____ channels and ____ sound?

____ some channels only ____ you ____ have an ____ output?

____ it ____ to ____ with ____ have no audio?

____ intermittent ____ silent channels?

____ interference ____ possible for ____ audioOutput?

Is ____ possible that interruption ____ silent ____?

____ possible that ____ disturbances only affect outlets ____?

Is interference ____ for ____ do not ____ outputs?

Intermittent ____ channels only ____ no ____ output.

____ the ____ no audio affected by ____?

____ only affect ____ without audio?

Is ____ affecting certain ____ can ____ affect channels ____ no audio ____?

____ certain channels or can it affect channels that ____ have ____?

____ possible to ____ select channels ____?

Is ____ affecting certain ____ have an audiooutput?

____ interference ____ if you ____ have a audio output?

____ only possible ____ channels that ____ have audio ____?

____ channels if you don't have ____ input?

____ not ____ an audio output, does interference ____ channels?

____ interference affect ____ certain ____ it affect ____ that ____ not ____ any audio ____ sound?

There ____ some audio-less ____ only be affected ____ short ____.

____ signal issues ____ channels and ____ sound?

Are ____ affecting ____ certain ____ if ____ don't ____ an audio ____?

____ intermittent ____ affect ____ with ____ audio?

____ it ____ a ____ audio ____ some channels?

____ you know if certain ____ interfered with ____ interferences?

Is interference affecting ____ don't ____ an audio output?

____ it ____ quiet due to interference?

____ it possible that intermittent ____ is ____ some ____?

Does intermittent ____ affect ____ only ____ are ____ audio ____?

Is ____ certain channels when ____ have ____ audio output?

____ exclusive silent ____ possible?

____ interference affecting ____ channels ____ you do ____ have ____ audio ____?

____ interference affect certain ____ you don't have ____?

Is ____ able ____ affect ____ only ____ audio?

____ focused on specific silent ____?

____ intermittent interference possible to ____ few channels ____?

Is _____ for interruption to _____ noiseless _____?

Is interference affecting _____ certain _____ can _____ affect _____ lack _____ sound?
 _____ it possible _____ some audio-less _____ be _____ by short _____?

Is _____ affecting certain channels, _____ it _____ channels without _____?

Is interference _____ only _____ it _____ channels _____ have no audio?
 _____ affecting certain _____ or _____ affect channels _____ sound _____ audio?
 _____ the weird signal _____ channels _____ no sound?

Some channels _____ sound despite _____.

_____ possible to affect _____ only _____ is no _____ output.

Does _____ only affect _____ channels if _____ an _____ input?

Is it _____ for _____ to _____ with no _____?

Is it possible _____ occasional interruption _____ only _____?

_____ interference _____ affecting certain _____ or can _____ that don't _____ audio?

Intermittent _____ affect channels _____ if _____ audio output.

Is interference affecting _____ some channels, or _____ audio?

Will there be a _____ audio on _____ because _____?

Is interference _____ specific _____ if you _____ have audio _____?

Will _____ a _____ of audio on select _____?

_____ it _____ for _____ interference to _____ some _____ and result in _____?

Are _____ affecting certain channels if _____ output?

What if _____ only makes _____?

Is interference _____ only certain channels _____ channels _____ no audio _____?

_____ interference _____ only certain channels _____ you don't _____ an _____?

Is _____ certain channels _____ channels without audio _____?

_____ intermittent interference _____ to affect _____ certain channels _____ zero _____

_____ possible for channels _____ audio _____?

_____ only _____ channels with no audio _____?

Could _____ target silent _____?

Is intermittent _____ certain _____ channels?

Can _____ interference _____ without audio output?

_____ interference _____ channels _____ you _____ no audio?

Will there be intermittent _____ influence _____ ends?

Is _____ affecting only certain _____ can _____ affect _____ lack audio _____?

Is _____ possible for _____ don't have _____?

_____ affecting _____ certain _____ or _____ they not _____ audio?

Is _____ possible _____ audio output?

_____ interference affecting _____ or can _____ affect channels without _____ sound _____?

_____ only affect _____ channels _____ output?

_____ affecting _____ or _____ that don't have _____ audio output?

Is _____ possible that _____ channels without _____ sound?

Is _____ only affect _____ with _____?

Is _____ channels or can _____ channels produce no _____?

Can _____ affect _____ channels with _____?

Is _____ possible _____ disrupted _____ exclusive _____ channels?

_____ intermittent _____ to _____ channels _____ no audio inputs?

_____ intermittent interference _____ some _____?

_____ don't have an audio _____ affecting certain _____?

_____ interference _____ channels _____ is it _____ channels without _____ output?

Is _____ possible _____ don't _____ sound?

Does _____ only _____ channels _____ does _____ affect channels _____ have _____ output?

_____ sporadic interference _____ affect certain _____ any audio _____?

_____ interference _____ work _____ with no audio _____?

_____ interference _____ for _____ audio?

Is _____ some silent _____?

Is _____ impact _____ channels, no _____?

Can sporadic interference _____ without _____?

_____ signal issues _____ affect _____ and no _____?

_____ channels only with no audio output?

_____ interference _____ certain channels _____ no _____?

If you _____ an _____ is _____ affecting _____ channels?

Specific channels _____ audio can _____.

Is interference affecting _____ can _____ affect _____ have _____ output at all?

_____ affect _____ don't produce any _____?

_____ intermittent interference _____ to _____ a few _____ audio output?

Why _____ and no sound?

Are interference _____ channels _____ audio _____?

_____ it _____ that _____ channels _____ silent because _____ glitch?

_____ glitches only _____ certain _____?

_____ possible for channels _____ output?!

Is _____ possible _____ interruption _____ only noiseless _____ certain stations?

_____ audio-less _____ only _____ disruptions?

_____ it possible _____ will ruin _____ channels _____ sound?

Is it _____ for sporadic interference _____ select _____?

Is it _____ for occasional _____ affect _____ channels, _____ sound?

_____ interference _____ to _____ channels _____ there is no _____ output?

_____ is _____ audio output, is _____ possible _____ interference to _____ channels?

Can interference affect _____ no _____?

_____ affect certain channels without _____?

When _____ is no _____ can _____ affect _____ channels?

Will _____ affect _____ channels with _____ audio _____?

Is _____ only _____ can _____ affect channels that have _____ output?

_____ possible for channels _____ audio output to _____?

_____ interference _____ for channels _____ audio _____?

_____ that do not have _____ output at all?

If _____ have _____ audio Output, _____ affecting certain _____?

_____ interference _____ affect channels _____ output.

Is interference possible to affect _____ is _____ output?

_____ disruption _____ exclusive _____ channels.

_____ interference _____ certain channels with _____?

_____ intermittent _____ only _____ certain _____ channels?

Will _____ lack of _____ on the _____ to interference?

_____ interference affect _____ channels _____ does _____ affect _____ do _____ have audio output?

_____ affect only channels _____ audio?

_____ it _____ for _____ to impact _____ channels _____ cause no _____?

_____ only _____ channels, or can _____ affect channels that produce _____?

Is _____ affecting _____ channels, or _____ channels _____ have _____ audio output?

_____ some channels silent?

Is interference _____ without _____

_____ interference _____ only certain channels, _____ can it affect _____ any audio?

_____ channels _____ don't have sound or audio _____?

_____ interrupt disrupt only _____ with _____ audio?
 Is interference _____ channels _____ channels _____ output at all?
 _____ possible _____ affect certain channels without audio?
 Is interference _____ certain _____ if _____ have audio?
 _____ affecting _____ if you don't have an _____?
 _____ only a few _____ or is it _____ channels _____ audio _____ sound?
 _____ some silent ends?
 _____ signal messes _____ some channels _____?
 _____ intermittent _____ of affecting channels _____ audio?
 Can the _____ disturbances mess _____ the channels _____?
 Can intermittent _____ only _____ certain _____ no _____?
 Is it possible to _____ a few _____ no _____?
 Is intermittent interference _____ certain _____ no _____?
 Is interference only _____ certain _____ output?
 _____ affect the _____ only with _____ audio output?
 _____ affect _____ with no audio _____?
 Is _____ for interruption _____ in no audio output _____ television _____?
 _____ that don't _____ audio output _____ only affect certain _____?
 Is it possible for interference to _____ sound?
 _____ affecting only _____ few channels _____ affect channels with no _____?
 _____ disrupting _____ silent _____ possible?
 Is _____ affecting _____ certain _____ it affect channels _____ Output?
 Is it possible _____ mess _____ not have _____?
 _____ it possible _____ channels will be _____ sound?
 Will a _____ of _____ on _____ a result _____ interference?
 _____ interference _____ affect _____ channels _____ any audio?
 _____ affecting certain channels _____ can _____ not produce _____?
 Can sporadic interference _____ sound?
 _____ intermittent _____ with no audio?
 _____ possible to only affect _____ no audio _____?
 Is _____ only certain channels _____?
 Does intermittent _____ some _____ and no _____?
 _____ intermittent interference _____ to affect _____ with no _____?
 Does _____ specific channels with _____?
 Is interference only _____ or _____ it _____ channels _____ have _____ audio _____ at all?
 _____ intermittent _____ affecting _____ channels _____ no audio _____?
 Is _____ channels with _____ audio?
 Is it _____ signal _____ ruin _____ and no sound?
 Is _____ possible for occasional interference _____ channels _____ result in _____?
 _____ interference _____ only _____ or could it affect _____ with _____ audio _____?
 _____ interference _____ affecting _____ if you don't have _____?
 _____ interference affecting only _____ the _____ that _____ produce audio?
 Is _____ only _____ with no _____ output?
 _____ any interruption _____ only _____ with _____ audio?
 _____ it _____ specific channels _____?
 Is interference _____ affect channels that _____ produce _____ at all?
 Is _____ for occasional interruption _____ noiseless streams _____ stations?
 _____ interference _____ just _____ or can _____ affect channels that _____ produce _____?
 _____ lack audio output _____ affected by _____?
 _____ only relevant to _____ channels _____ no audio _____?

_____ sporadic disturbance mess _____ channels without _____ sound?

Is _____ possible to _____ with _____ music?

_____ audio output _____ interference?

_____ target quiet _____?

_____ it _____ exclusive silent channels?

_____ affect channels _____ no audio output?

Is _____ limited to _____ without _____?

Is _____ interference _____ affect _____ if there is no _____?

_____ possible _____ interference _____ result in no sound?

Is interference _____ certain _____ are _____ not affected by _____?

_____ strange signal _____ some _____ and _____?

Can the _____ affect _____ channels _____?

_____ interference only applicable _____ certain _____ any audio _____?

_____ interference _____ affect channels only _____ output

Is _____ for _____ audio production?

Is the _____ certain channels _____ you _____ audio output?

_____ interference possible _____ for _____ audio _____?

_____ interference _____ only _____ you don't _____ an audio output?

Do _____ only _____ certain _____?

_____ intermittent interference feasible _____ channels with _____ output?

_____ affecting certain _____ or _____ affecting channels _____ no audio _____?

Is interference _____ only certain _____ or _____ audio?

_____ only doable for _____ without _____?

Is _____ feasible _____ only if there _____ audio output?

Can interruption disrupt _____ audio?

Is _____ certain stations _____ quiet because _____ intermittent _____?

_____ certain channels _____ is _____ affecting channels that have no _____?

_____ interference _____ channels if you don't _____ output?

If there is no audio, _____?

How _____ some _____ have _____ no _____?

Is _____ weird _____ for _____ channels and no _____?

_____ interference _____ for channels _____ lack _____?

_____ it possible _____ affect only a _____ with _____ audio _____?

Is _____ for _____ to impact certain _____ sound?

Is interference _____ certain _____ or affects _____ do not _____ at all?

Is it possible _____ can _____ certain _____ no audio output?

_____ sporadic _____ only applicable _____ channels without audio _____?

_____ to mess up some _____ sound?

Can interference only _____ any _____?

_____ might _____ exclusive _____ channels.

_____ for channels _____ have no audio _____?

Is _____ to affect _____ with zero _____?

_____ intermittent _____ affect _____ channels with no _____?

Can interference affect _____ do not have any _____ at all, _____?

_____ affect _____ without audio output?

_____ impact certain channels, resulting in no sound?

Does intermittent interference _____ channels _____ is _____ audio _____?

Is it _____ for short _____ to _____ channels.

_____ signals cause missing audio _____ affected?

_____ affect _____ with no audio output?

Will _____ interference _____ a _____ audio on _____ channels?

Is interference affecting only certain _____ affect _____ produce _____ at all?
_____ it _____ some _____ can _____ disrupted without _____ sound?

Is _____ affecting certain channels if _____ have _____.

_____ interference can affect _____ only _____ audio _____.

Is _____ for interference _____ channels with _____ audio _____?

Is _____ possible _____ occasional _____ could cause no sound?

_____ the _____ affecting only _____ channels if _____ have audio _____?

_____ affecting _____ if _____ don't have an _____ output?

_____ sporadic _____ some silent _____ intermittently?

Is interference _____ only some _____ it affecting _____ produce audio?

If you don't have audio _____ affect _____?

_____ affecting only a few _____ channels _____ produce no audio?

_____ signal _____ with select channels _____ no sound?

Is _____ to _____ certain channels _____ no audio?

Might _____ silent channels?

_____ occasional _____ to result in no sound?

_____ weird _____ with _____ channels _____ no sound?

_____ intermittent interference _____ to _____ some channels _____ no _____?

_____ channels only be _____ disruptions?

_____ to affect channels _____ there is no _____?

Does the _____ interfere _____ no sound?

Does _____ affect only certain _____ can it _____ audio?

Is interference _____ only _____ channels or _____ affecting channels _____ sound available?

Could interference _____ with _____ output?

_____ it possible _____ issues to _____ some channels _____ not _____?

Can interference affect _____ that _____ have any audio _____ channels?

_____ intermittent _____ target _____ channels?

Does _____ for _____ audio output?

_____ affecting certain _____ it affects channels that _____ no _____?

_____ affecting certain channels or _____ with _____ audio or sound?

_____ with no audio _____.

_____ it _____ to affect _____ only _____ no audio?

Is _____ possible _____ exclusive silent _____?

Is interference _____ affecting _____ channels or is _____ affecting channels _____ audio _____?

Is _____ for interference _____ channels and _____ in no _____?

Is _____ interference _____ to affect just a _____ channels _____?

Can _____ audio is gone?

It is _____ that _____ silent _____.

Is interference only affecting _____ not have _____?

_____ disruptions _____ a _____ channels and leavin' _____ silent?

_____ interference _____ there is no audio output?

_____ intermittent disrupt _____ channels?

_____ interference _____ channels, without _____ audio output?
