

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Software updates and download support
Inquiry Sub-Category	Software functionality inquiries
Description	Inquiries about specific features or functionalities of the software, how to utilize them, and any limitations or known issues related to their use on the telecommunications equipment.
Data Size	12,513 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can we expect improved audio _____ a recent _____ of _____ system/software?

_____ for enhanced audio _____ the _____?

With _____ update _____ the audio _____ improve?

Do _____ think _____ an upgrade _____ the telecom _____ operating _____ quality?

_____ installation of _____ result in better audio on _____ device?

Will the updated telecom _____ be able _____?

Can _____ recent update to _____ telecom _____ audio _____?

There is a possibility _____ clarity _____ telecom devices.

Is _____ to install _____ latest _____ for your _____ to _____?

_____ software _____ make my phone sound better?

_____ better _____ by installing the latest update _____ equipment?

Is _____ recent _____ quality on your phone?

Do _____ sound _____ would _____ improved _____ an operating system _____?

You should _____ audio improvements _____ OS _____?

_____ it _____ to expect better _____ quality _____ operating system on _____?

_____ I _____ finally _____ for decent _____ quality after _____ my operating system?

Do recent updates _____ telecom _____ help _____ quality?

Does _____ update _____ audio _____ device?

Can _____ expect _____ sound from your devices _____ after _____ software?

Is _____ new update _____ audio _____?

_____ sound _____ software update?

_____ I get _____ audio _____ get the _____ OS/software _____?

_____ reasonable _____ us _____ assume _____ sound after _____ of a new _____?

The telecommunications _____ can _____ quality.

Will _____ the _____ audio _____ this equipment?

Is _____ possible with _____ most _____ upgrade?

When _____ my telecom _____ software, should _____ a _____ enhancement _____?

_____ anticipate _____ quality with _____ new operating system?

____ it ____ that my telephone's ____ system ____ sound experience?
 Is it possible ____ audio ____ the latest ____?
 We can expect enhanced ____ after ____ latest ____.
 ____ there a chance for ____ with ____ upgrade?
 ____ on your telecom device ____ be improved ____ installing the ____.
 ____ recent ____ your phone's operating system help us ____?
 ____ recent ____ software update ____ the sound ____?
 Is ____ possible ____ updated ____ improves audio performance?
 Does installing ____ update ____ the audio ____ phone?
 Is ____ new ____ good ____ make my ____ sound ____?
 ____ recent ____ your audio clarity better?
 ____ the ____ audio ____ after the upgrade?
 ____ wondering if ____ will ____ phone sound better.
 Did ____ software upgrade improve ____?
 Will ____ audio ____ better after you ____ telecom ____ software?
 ____ you going ____ enjoy ____ audio quality ____ software ____?
 ____ OS update ____ telecommunications will ____.
 ____ any audio ____ following ____ device's updated OS?
 Has ____ audio ____ expected after ____?
 ____ recent ____ to your ____ device's ____ system improve audio ____?
 Is there ____ enhanced acoustic experience after ____ a ____?
 ____ upgrade to ____ system ____ sound quality?
 ____ the recent ____ of telecom software will ____?
 Can ____ better ____ as ____ result ____ the operating system ____?
 The ____ update ____ suppose to improve ____.
 ____ upgrade of the ____ system would enhance the ____ quality?
 ____ you ____ me if the audio ____ will improve ____ a ____?
 ____ know whether the ____ upgrade ____ sound ____?
 ____ to ____ will enjoy ____ audio quality after ____ software update.
 ____ think ____ of ____ most ____ software upgrade will result ____ better-quality audio?
 ____ it ____ to improve audio ____ upgrade?
 Will ____ software upgrade result ____ better ____ on ____ phone?
 Can we ____ better ____ update is done?
 Will the ____ be ____ when ____ update ____ operating ____?
 Can I ____ better ____ after ____ recent ____?
 ____ new update ____ audio quality?
 Will ____ improve ____ update the telecom ____ software?
 Is ____ going ____ make my phone sound ____ not?
 ____ system update cause ____ audio?
 ____ a recent ____ update ____ quality?
 ____ audio quality ____ you ____ telecom device's software?
 ____ may still improve ____ performance.
 ____ the ____ give us better ____?
 Do ____ improvements with the updated ____?
 We ____ anticipate ____ after the ____ update.
 When I ____ the ____ OS/software ____ can ____ expect ____?
 ____ quality after the operating system is updated.
 Have ____ improvement ____ audio ____ as a ____ of installing ____ new software?
 ____ system update ____ to have ____ audio?
 ____ a ____ acoustic ____ after installation ____ latest ____ updates?

I want to know _____ can expect _____ by _____ the _____.
 Is it _____ that _____ telephone's updated _____ system will offer _____ beyond _____?
 _____ decent sound quality after updating _____ system?
 Have _____ improvements _____ audio clarity and _____ a _____ installing your _____ software update?
 _____ it reasonable for _____ assume an _____ the installation _____ your _____ version?
 _____ we anticipate _____ with this _____ system _____?
 _____ sound _____ of what comes with _____ upgrade?
 _____ improved telecom device _____ superior _____?
 _____ improvement in audio quality _____ updating _____ device software?
 _____ I _____ better _____ the OS/software _____?
 _____ want to know if _____ newest _____ will _____ sound _____?
 _____ it possible that _____ enjoy _____ quality after _____ software _____?
 Is _____ to do anything to _____ my _____ sound?
 _____ system _____ improve sound clarity?
 _____ improved telecom _____ deliver improved _____?
 Can we _____ the _____ OS/software _____ quality?
 Can we _____ better _____ quality _____ updating our _____?
 Should we _____ better _____ quality _____ you _____ operating _____?
 _____ I _____ my _____ will the _____ quality _____ better?
 _____ you _____ any audio improvements following _____ OS _____?
 _____ installing _____ anything _____ improve the audio quality?
 _____ OS update _____ quality?
 Is _____ a _____ of better _____ the _____ system _____?
 _____ recent update to your device's _____ improve _____?
 _____ improved sound part _____ my telecom equipment?
 Is _____ any _____ clarity _____ after _____ your operating system enhancements?
 Will _____ updated _____ allow for better _____?
 Will the installation of _____ most _____ software _____ audio?
 _____ we expect better _____ quality after updating _____ operating _____?
 Updating the _____ device's _____ may cause _____ improve.
 Is updating _____ OS/software _____ to _____ audio _____?
 _____ recent update to your _____ operating system _____ audio quality _____?
 _____ we _____ improved audio quality _____ the new _____?
 Is the _____ your _____ recent _____ going to _____ better _____ audio?
 _____ expect to hear _____ sound after _____ device's software?
 Will _____ update of _____ improve _____ sound _____?
 Does the software _____ audio _____?
 _____ update making _____ quality good?
 _____ upgraded operating system deliver _____?
 Will the audio _____ improve _____ my phone _____?
 I _____ if _____ will enhance the _____ quality?
 _____ audio _____ after this _____?
 _____ improved _____ system _____ sound quality _____ now?
 _____ a recent update boost _____?
 I _____ if updating _____ will _____ sound quality.
 _____ a possibility of _____ with the _____ upgrade?
 _____ the _____ your telecom software _____ our _____ experience?
 Is _____ sound quality part _____ upgrade to my _____?
 The _____ software upgrade on _____ telecommunications equipment will likely _____ output.
 Can we _____ this operating _____ update?

____ it ____ to ____ an improved ____ after ____ of the ____ OS version?
 ____ operating system give better ____?
 ____ audio quality ____ when I ____ my ____ operating ____?
 ____ recent ____ upgrade ____ in ____ audio ____ my phone?
 ____ installation ____ latest ____ updates, ____ an enhanced acoustic experience?
 ____ the latest ____ upgrade ____?
 Is ____ a ____ of ____ audio ____ the ____ upgrade?
 Can an update ____ give ____ sound now?
 Is improved ____ the OS/software ____ upgraded?
 Following ____ the ____ recent ____ upgrade, ____ there be an enhancement ____ audio ____?
 Is ____ reasonable ____ us to assume ____ after ____ installation ____ OS version?
 ____ quality is possible after ____.
 ____ audio is expected to ____ after ____.
 ____ a ____ sound quality after the update.
 ____ new software ____ my ____ sound ____?
 ____ it possible ____ anticipate ____ by ____ your telecommunications ____?
 ____ newer telecom device ____ better ____?
 ____ updating ____ telecom device ____ audio ____?
 ____ I expect a sound ____ updating ____ software?
 ____ for ____ sound quality ____ the ____.
 Can ____ sound ____ install the newest update for ____?
 Is ____ experience ____ to ____ better after ____ of ____ latest ____ updates?
 Will ____ telecom ____ make ____ better?
 ____ I expect ____ upgrade ____ quality once ____ software is updated?
 ____ recent ____ mean ____ we will finally hear ____?
 ____ recent operating ____ update ____ audio ____?
 ____ the ____ my device is updated?
 ____ a ____ upgrade going ____ in better-quality ____ on my ____?
 Will ____ audio ____ improve after ____ device software?
 With ____ OS, do ____ clearer ____?
 ____ it ____ for ____ to ____ improved ____ after ____ OS installation?
 ____ software going ____ the audio performance?
 ____ we ____ enhanced ____ quality with ____ new ____?
 Does ____ system guarantee improved ____?
 ____ update ____ device's software, ____ I ____ an ____ in sound?
 ____ for ____ to assume ____ sound after ____ a new OS?
 Audio quality can be ____ now ____.
 Will ____ improve ____ performance ____ the equipment?
 ____ if ____ the software will ____ sound quality.
 Will ____ deliver ____ sound clarity?
 Is ____ of your telecom ____ audio experience?
 Is ____ be ____ after ____ upgrade to ____ OS?
 Have there ____ improvements in ____ performance as ____ of installing ____ recently released ____?
 Is it possible ____ better sound ____ updating ____?
 Have there ____ improvements ____ audio clarity ____ performance ____ a result ____ software ____?
 ____ recent ____ system/software ____ audio quality ____ your device?
 Can ____ better ____ after ____ upgrade?
 We could ____ an ____ experience ____ of the ____ software ____.
 There is ____ opportunity for superior sound ____.
 ____ get that new ____ will ____ sound ____?

There ____ be a ____ for ____ voice ____ after ____ on telecom ____ .
 ____ the recent ____ your telecom device ____ quality ____ us?
 Are we ____ get better ____ the operating ____ ?
 ____ the installation of ____ most ____ software ____ give ____ better ____ ?
 ____ the OS ____ improve ____ ?
 With new ____ will ____ improve?
 Can ____ expect ____ with ____ new OS/software update?
 Does ____ recent software ____ mean we'll ____ ?
 Expect improved ____ telecom software ____ .
 The audio ____ may be ____ telecom ____ update.
 ____ recent telecom ____ may ____ sound.
 Do recent ____ to ____ device's ____ enhance ____ quality?
 Can we expect ____ after you ____ a recent ____ of ____ ?
 Does the recent update improve ____ my ____ ?
 Are there ____ clarity and performance ____ a result ____ installing ____ new ____ ?
 Is ____ hope ____ better voice clarity ____ system enhancements?
 Can ____ better audio from ____ update?
 ____ it reasonable for ____ assume a better ____ installation of the ____ ?
 Audio ____ expected ____ is updated.
 ____ your update make the ____ better ____ ?
 ____ chance of superior sound ____ the update?
 Is it ____ that my telephone's ____ operating ____ will ____ ?
 When ____ update the ____ software, ____ the ____ improve?
 ____ wondering ____ I should ____ a ____ enhancement in ____ updating ____ device's software.
 ____ the device's latest ____ can ____ audio?
 ____ we expect superior sound ____ after installing ____ software?
 ____ upgraded operating system make ____ ?
 ____ of our telecom device enhance ____ quality?
 Does ____ telecom OS make ____ difference ____ ?
 ____ update mean we'll be able ____ hear ____ ?
 The ____ update to your ____ device's ____ system ____ quality.
 Is the ____ my telecom ____ good for ____ ?
 Is ____ telecom ____ still improving ____ ?
 ____ improved ____ after the ____ has been ____ ?
 You should expect ____ audio improvements ____ ?
 ____ be able to anticipate ____ device's latest ____ .
 The recent ____ to your telecom ____ audio quality for ____ .
 Will it ____ better when ____ software?
 ____ new software really ____ make my ____ sound ____ ?
 ____ the audio ____ to improve ____ the new ____ ?
 ____ your ____ improve ____ you ____ your software?
 ____ our ____ device's ____ update ____ quality?
 I am wondering if ____ your ____ sound ____ .
 ____ the audio ____ improve ____ device ____ updated?
 Will audio ____ as a result of ____ device's ____ ?
 Is ____ reasonable ____ think ____ the new ____ version will ____ sound ____ phone?
 The latest ____ upgrade ____ audio.
 Is ____ audio ____ be ____ after the ____ software?
 Is updating the ____ device's ____ to ____ quality?
 Enhanced audio ____ device's ____ ?

Is it reasonable ____ us ____ better ____ installation of ____ version?

Want to know ____ the ____ quality?

____ updating ____ system can I ____ better ____ quality?

Will ____ better ____ the new ____?

____ upgraded operating system ____ sound ____?

Could ____ acoustic ____ after installation of ____ latest ____?

____ boost the audio quality?

____ software ____ boost the audio quality ____ your ____?

____ there ____ chance that ____ operating system will give ____ better ____?

____ the audio expected ____ upgrading the OS?

____ an enhanced acoustic ____ installation of ____ software updates?

Do ____ expect better ____ quality ____ using ____ system on our ____?

____ the ____ update ____ device ____ the audio quality?

____ it possible to expect ____ sound ____ install ____ update ____ equipment?

____ a recent update ____?

____ there ____ of better sound quality ____ update?

____ be ____ audio ____ after ____ to your telecom device software?

Will updating ____ increase audio ____ equipment?

Will ____ the ____ make ____ the audio quality?

____ the ____ sound ____ after ____ OS/software ____?

Can ____ expect ____ the ____ quality ____ my device's software is ____?

There ____ chance of superior sound ____ update?

____ it reasonable for ____ to ____ sound ____ the ____ of ____ OS?

____ we expect superior sound from ____ installing ____?

Will the audio quality ____ after ____ telecom device ____?

____ quality improve once the ____ software ____ updated?

Is it ____ my ____ operating system ____ offer better ____?

____ your software ____ bring ____?

Does installing ____ quality?

____ for better ____ quality?

Will ____ quality ____ with ____ new ____?

Will ____ the ____ the ____?

Should ____ expect to ____ sound ____ I ____ my ____ software?

Is it possible ____ audio quality ____ of that software update?

____ the audio ____ amazing ____ the software update?

Does the installation of ____ any improvements to the ____?

____ you think a ____ system ____ the ____ would improve ____ quality?

Expect sound ____ be better ____ the ____?

____ mean that ____ bring about ____ output on your device?

Did the ____ update ____ that ____ properly?

____ your update ____ sound ____?

____ I finally ____ for ____ after ____ operating system upgrade?

____ we anticipate ____ the update?

____ the recent ____ to your ____ device's ____ improve audio ____ for ____?

Is ____ possible that ____ system will deliver ____ sound ____?

Do ____ think your new ____ make ____ phone ____ better ____?

Is ____ us to ____ OS version improves the ____ of your ____ device?

____ updates ____ your phone's operating ____ make audio ____?

____ it ____ to anticipate ____ recent OS/software update?

____ the installation ____ most ____ software ____ result ____ better-quality audio?

Have _____ been _____ improvements to _____ clarity _____ performance _____ a _____ the _____ update?
 _____ be anticipated _____ latest update?
 _____ audio quality _____ I upgrade my _____ software?
 Do recent _____ to the _____ enhance _____?
 _____ your recent software _____ audio _____?
 _____ telecom _____ improve audio?
 _____ new telecom device offer _____?
 _____ it _____ for us _____ assume that the _____ OS _____ result _____ sound?
 _____ the audio _____ improve _____ your telecom device _____ has _____?
 _____ software _____ mean _____ will finally hear _____?
 Do you think there's a _____ quality _____ update?
 Does an _____ of _____ system _____ quality?
 The _____ telecom _____ might _____ audio.
 _____ you expect any _____ after _____ device's new _____?
 Will installing the update _____?
 _____ telecom software _____ should _____ sound.
 _____ there a _____ enhancement in _____ after _____ device's software?
 Can I _____ better _____ latest OS?
 _____ that my phone's _____ system will offer _____ experience?
 Can I expect an _____ in _____ of _____ quality _____ device's _____?
 Is _____ expected _____ the _____ been updated?
 _____ a recent _____ update mean _____ we'll _____?
 Does the recent update _____ the _____ my _____?
 _____ you think an _____ telecom system's _____ the sound better?
 Will _____ telecom system give _____ better _____?
 Should _____ expect _____ noticeable _____ sound _____ my phone's software?
 Can we _____ better audio _____ this _____ operating _____?
 _____ operating system _____ sound better _____?
 _____ you _____ an _____ our operating system would _____ quality?
 There will _____ after your _____ updated _____?
 _____ quality improve after _____ telecom device's software?
 _____ I expect _____ improvement in _____ I _____ device's software?
 _____ audio after getting _____ OS update?
 _____ improved _____ system improve _____ quality?
 Can _____ system _____ better _____ clarity?
 _____ I _____ for _____ sound _____ after you _____ my operating _____?
 Will the _____ improve _____?
 Can an _____ of _____ quality _____ after updating my _____?
 _____ we _____ forward _____ sound _____ your telecommunication devices after _____ software?
 _____ the audio _____ updating of your telecom _____ software?
 Is the _____ software _____ good _____?
 _____ clearer calls with the _____?
 _____ to improve after a _____?
 Updating your _____ can make _____.
 Will audio _____ the software?
 A recent _____ system update _____.
 _____ there be _____ guarantee _____ clarity after the _____?
 Will _____ your update _____ sound _____?
 _____ there _____ audio clarity and performance after _____ new _____ update?
 Are I _____ get amazing _____ quality after _____?

_____ we _____ audio after _____ operating system _____.

Is _____ sound part of what _____ new _____ to _____ equipment?

_____ it possible for us _____ after using _____ updated _____ system?

_____ you think an _____ telecom system's operating system _____ improve _____?

_____ quality _____ after a new _____?

_____ chance for a better sound _____ after _____?

Can _____ software _____ phone sound _____ better?

_____ see an _____ in _____ quality _____ update your telecom _____ software?

Will _____ device's update affect _____?

Is it _____ my _____ system will offer _____ audio _____?

Can I expect _____ quality after updating my _____?

_____ like _____ know if the _____ OS/software update _____ quality.

Audio is expected _____ the _____ on the _____.

Expect better sound _____ software _____.

_____ we _____ anticipate better _____ updating our software?

Will the recent update to your _____?

Is _____ possible _____ anticipate better _____ updating _____ software?

Expect sound _____ after a _____.

Are we able to _____ sound quality _____ your _____ our _____?

Will _____ our _____ device _____ audio quality?

_____ be _____ improve audio performance on _____ equipment?

_____ our _____ device's update _____ audio _____?

_____ audio _____ expected after _____ system update.

_____ we expect better _____ recent _____ your _____ device's operating system/software?

Do _____ your _____ update will _____ audio quality?

_____ there going to _____ after the operating _____?

_____ the software yield _____ performance _____ the equipment?

Is _____ an enhancement in sound _____ my telecom _____?

_____ installation _____ your _____ software improved the audio _____?

Should an _____ better sound?

_____ chance for better _____ quality after _____.

Can _____ audio _____ device's _____ update?

_____ the audio quality _____ I upgrade _____ phone's _____?

_____ I _____ a better _____ getting the _____ update?

_____ of your newest _____ upgrade give _____ better-quality _____?

_____ the audio _____ going to get _____ with _____?

Is it _____ assume _____ improved soundscape _____ of _____ telecom device's _____ version?

Can _____ look forward _____ better _____ from _____ installation of newer _____?

_____ telecom _____ make better sound _____?

_____ audio quality may be _____ new update.

Can _____ to better _____ from your telecom devices _____ software?

Will the _____ of _____ newest _____ upgrade _____ in _____ audio _____ my _____?

_____ recent _____ improve your audio _____?

_____ audio _____ with _____ latest _____ upgrade?

Is it reasonable _____ assume _____ sound _____ a _____ OS version?

_____ is _____ recent _____ to _____ could improve audio quality.

Is an _____ system _____ sound?

_____ get _____ sound by _____ the latest _____?

_____ audio get better _____ installation?

_____ installation of _____ latest telecom software improved _____?

Will the ____ device's new ____ ____ ____ ?

____ better ____ after ____ recent ____ upgrade?

Installation of ____ update ____ telecom device ____ improve its ____ .

____ update do anything to improve ____ ?

____ expect an upgrade in ____ of ____ the software ____ ?

Is ____ audio quality going to improve ____ device?

____ expect ____ better sound after this ____ update?

Is it likely ____ my telephone's ____ offer better ____ ?

____ recent ____ to your ____ operating ____ improve ____ audio quality.

____ updating ____ OS going ____ the audio ____ ?

Is ____ to ____ better ____ with ____ latest ____ upgrade?

____ improved sound ____ of the ____ comes ____ my telecom ____ ?

____ updating ____ telecommunications ____ can we anticipate ____ ?

Expect ____ recent telecom software ____ ?

Is ____ software ____ to ____ calls sound ____ ?

Should ____ expect ____ experience after ____ of latest ____ ?

____ it possible ____ get enhanced ____ experience after installation ____ ?

____ recent ____ phone's operating ____ contribute to better ____ quality?

Following ____ updated ____ any ____ improvements?

____ I ____ better audio ____ OS/software update?

Is improved sound part ____ what ____ new ____ ?

____ installation of your ____ recent ____ result in better audio ____ my ____ ?

Is your new software going to ____ ?

____ recent update ____ telecom ____ will ____ be better?

Will the ____ the OS ____ ?

Does the ____ telecom ____ audio ____ ?

____ I ____ an ____ audio quality from updating ____ software?

____ can make it ____ better?

____ the ____ deliver improved sound ____ ?

Is improved ____ comes with the ____ OS?

Is improved ____ upgrade to my ____ equipment?

After installation ____ software ____ could ____ acoustic experience?

Could ____ improved ____ experience after ____ the latest ____ updates?

____ chance for superior sound ____ after ____ .

____ the ____ quality ____ to ____ better ____ update my operating ____ ?

Will ____ recent update to ____ software ____ ?

Does ____ software ____ will ____ properly?

With the ____ telecom software, will ____ increase?

Am ____ going to ____ enjoy amazing ____ that wonderful ____ update?

____ recent ____ software ____ may lead ____ improved ____ .

Do ____ think ____ sound ____ improve ____ our operating system?

The ____ telecom OS might ____ .

____ I ____ upgrade ____ quality when I update ____ device's software?

____ update your ____ can ____ hope for decent ____ quality?

____ recent ____ to your ____ operating system ____ a ____ to ____ ?

Can we ____ sound from ____ after the installation ____ firmware?

I'm curious ____ updating ____ will improve ____ .

____ is a ____ after an ____ on telecom devices.

Will ____ with ____ new update?

Can ____ better ____ my ____ OS/software update?

Is _____ to _____ device's _____ system _____ to improve audio?

Can _____ to a _____ device _____ better _____?

Do you _____ audio quality will _____ the _____?

_____ going to get _____ sound from your _____ installing newer _____?

Will the _____ enhance _____?

Is _____ likely _____ deliver improved sound clarity?

_____ possible to improve sound by installing _____ on _____?

_____ quality _____ improve when the _____ software is _____.

With the _____ will audio quality get _____?

Does _____ software update _____ that we _____ correctly?

_____ device's _____ the audio?

Will _____ audio _____ occur after you _____ your telecom _____?

_____ I _____ an _____ in audio quality _____ my software?

_____ audio _____ improve _____ the upgrade?

_____ system update boosting the _____ in your device?

_____ recent _____ to your _____ device's _____ might improve _____ audio _____.

Will _____ improve the audio _____?

_____ recent _____ your _____ operating system contribute _____ better _____?

_____ it possible _____ me _____ get _____ audio _____ the recent _____ update?

_____ telecommunications _____ update _____ sound _____?

Are I _____ amazing _____ quality after _____ wonderful software _____?

_____ operating _____ could boost _____ quality.

I'm _____ updating _____ software will _____ the _____?

_____ the latest system _____ the _____?

_____ think _____ sound _____ improve _____ the _____ system of _____ telecom _____ was upgraded?

_____ the _____ get better _____ an upgraded _____ system?

Update the _____ device's software _____.

Will _____ improve audio performance _____?

_____ the phone _____ with updated _____?

Is it _____ audio _____ latest system?

Will audio quality _____ better _____ installation?

Will audio quality improve as _____ the update _____?

_____ the recent telecom _____ sound?

_____ updated telecom system _____ improved _____?

Am I _____ quality now _____ have that _____ software update?

_____ on _____ telecom device _____ the audio quality?

Is it _____ to _____ quality after _____ your _____ system on _____ devices?

_____ quality after _____ update of your telecom device software?

Is _____ that _____ updated _____ device can _____ better _____?

Are _____ sure _____ upgrade of _____ operating system _____ sound quality?

Is it _____ improvement in sound after _____ telecom _____ software?

New _____ audio _____ better.

Is _____ better _____ after this operating _____ update?

_____ software update will likely improve _____.

Can _____ anticipate _____ getting a software _____?

Will _____ an improvement _____ audio quality _____ the update _____ telecom _____?

_____ I _____ my telecom _____ software, should there _____ noticeable improvement _____?

_____ I _____ to hear better _____ updating my _____ software?

Are _____ wondering _____ newest _____ increases _____ quality?

Updating _____ telecommunications _____ is _____ we can _____ sound.

_____ update on my telecom _____ improve the quality _____?
 _____ recent software _____ help _____ clarity?
 Do recent software _____ finally _____?
 Can _____ hope for _____ quality _____ the operating _____ updated?
 Have the _____ your _____ telecom _____ made _____ to our _____ experience?
 _____ hope _____ decent sound quality after updating an _____?
 _____ we expect audio quality _____ improve with _____?
 _____ the new software going to _____ the _____?
 _____ wonder if the updated telecom _____ sound _____.
 _____ think _____ our telecom system's _____ system would _____ sound?
 _____ improvement in _____ quality after _____ telecom device software.
 We _____ improved acoustic _____ of the _____ software updates.
 _____ you expect any _____ after _____ is updated?
 _____ I hope for decent sound _____ after _____ your _____?
 _____ there _____ improvement _____ clarity or performance _____ a result of _____ the _____?
 _____ the _____ sound _____ of the _____ upgrade to _____ telecom _____?
 _____ installing _____ recent _____ the audio _____ on _____ phone?
 _____ we expect _____ due to the _____ OS/software _____?
 Do _____ software updates improve _____?
 _____ your latest _____ improved the _____?
 _____ we expect better _____ an _____ operating system?
 _____ that _____ update going _____ improve my _____?
 Are there _____ in _____ clarity _____ as a _____ of _____ update?
 _____ possible with _____ upgrade?
 Will the audio _____ update _____ operating system?
 _____ should hear _____ calls with the _____.
 Has _____ installation _____ your _____ telecom _____ improved the _____?
 _____ you expect any audio _____ after _____?
 _____ we expect _____ quality after _____ a _____ operating _____?
 Is _____ quality better _____ I _____ device?
 Will audio quality _____ to _____ software?
 Better sound quality _____?
 _____ expect improved _____ quality after a _____ your _____ device?
 _____ there be any audio _____ device's OS _____?
 Can _____ software update _____ finally hear correctly?
 _____ the audio _____ to get _____ OS/software _____ been upgraded?
 Does _____ recent software _____ audio _____?
 _____ newest software _____ to make _____ phone sound _____?
 _____ a _____ software update _____ audio _____ your device?
 Is _____ acoustic experience _____ to _____ better after _____ software _____?
 _____ expect _____ sound quality after updating _____ operating _____?
 Is improved _____ with _____?
 Can _____ expect _____ device's latest update?
 Is it possible that _____ telecom system _____ deliver _____?
 _____ expect an upgrade to my _____ quality _____ my _____?
 _____ updated telecom _____ can _____ audio _____.
 Have _____ been _____ improvements _____ audio clarity and performance _____ software _____?
 _____ telecom _____ update _____ audio?
 Can _____ telecom device _____ better _____?
 Do recent _____ system _____ quality?

There ____ some chance for better ____ after ____.

Will the ____ audio ____?

____ likely ____ my ____ new ____ system will give ____ hearing?

Better sounds will ____ a ____ OS.

Can ____ finally hope ____ sound ____ after ____ the ____ system?

Will ____ improve ____ you update ____?

____ a ____ software ____ mean we ____ properly?

Are there ____ in ____ clarity ____ performance after ____ a ____ software ____?

____ expected ____ the telecom software ____.

Does the ____ update ____ your telecom device ____ us?

____ part ____ what comes ____ this ____ to ____ telecom equipment?

____ I hope ____ quality ____ you update my ____ system?

____ telecom device is ____ to improve audio.

____ able ____ better ____ quality with ____ updated ____ on our devices?

____ if the installation of your ____ recent ____ upgrade ____ result ____ better ____?

____ reasonable ____ us to ____ improved ____ installation of ____ newest OS version?

____ recent updates to the ____ system of your ____?

Will there be an enhancement ____ audio ____ following ____ of ____?

Does your ____ quality on our devices?

____ your device's ____ any improvements in ____?

____ an update ____ operating ____ of your ____ device ____ the ____ quality?

Is your ____ software going ____ enhance ____ of ____?

Can ____ device ____ better?

Is there any ____ your ____ updated ____ please?

Have ____ been any ____ clarity ____ a result ____ software update?

Will updating the ____ yield ____?

____ the installation of ____ latest ____ made ____ to ____ audio experience?

____ sound ____ of ____ with ____ new ____ to ____ telecom equipment?

____ the ____ improve the audio on ____ phone?

Does ____ recent software ____ mean ____ will ____ correctly?

Will an ____ performance?

Do ____ updates ____ phone's ____ system enhance ____ quality?

Have you installed ____ telecom ____ to improve ____?

Have ____ in ____ and performance as a ____ of installing the ____?

____ the ____ a sign ____ we'll hear properly?

Is the ____ to improve ____ quality?

____ the sound ____ of ____ upgraded operating system?

____ able to anticipate ____ audio ____ with ____ new ____?

____ software ____ make audio clarity ____?

Is it possible that the newest ____?

____ an ____ operating system ____ better ____ quality ____?

____ recent ____ update ____ audio quality in your ____?

____ will ____ update to ____ telecom ____ affect ____ quality?

Does the ____ on your telecom device?

Is ____ updated ____ system ____ to ____ sound clarity?

____ will the audio quality be better?

____ the new ____ installation ____ quality?

____ we anticipate enhanced ____ the ____?

____ better sounds by updating ____?

____ your software ____ we anticipate ____?

_____ there _____ chance of _____ sound _____ ?
 _____ the audio _____ improve _____ the _____ system is _____ ?
 _____ audio _____ the device's _____ update?
 _____ of _____ most _____ telecommunications equipment could result in an _____ in audio _____.
 _____ think an upgrade _____ operating system _____ the _____ quality?
 After _____ can I hope for _____ sound quality?
 Is there a _____ update that _____ properly?
 _____ quality _____ with the _____ ?
 Can _____ expect _____ quality _____ installing a _____ update _____ your telecom _____ ?
 _____ the newest _____ the _____ quality?
 _____ audio _____ improve when _____ my telecom device operating _____ ?
 Will an _____ quality come from updating _____ device _____ ?
 Does the _____ software _____ mean _____ we'll _____ ?
 _____ assume better _____ after installation of the OS _____ ?
 _____ be an _____ in audio _____ after _____ installation of the _____ ?
 Is _____ that my _____ operating _____ offer better hearing?
 _____ updating your _____ can _____ hope for good _____ ?
 Could _____ recent update _____ audio _____ on _____ ?
 Will _____ audio _____ when you _____ the _____ device's _____ ?
 _____ there be _____ audio _____ after updating _____ device _____ ?
 _____ expect _____ sound _____ after you update our _____ system?
 Can I _____ upgrade in audio quality _____ my device's _____ ?
 Is there a guarantee _____ clarity following _____ on _____ ?
 will _____ OS _____ sound _____ ?
 The recent update to _____ device's _____ system _____ audio _____ .
 _____ installing the _____ your audio _____ ?
 _____ your device's _____ OS _____ ?
 _____ OS will affect sound quality.
 Can _____ look forward to _____ from your devices after _____ ?
 Is _____ an improved acoustic _____ of _____ software?
 Can _____ to _____ in _____ quality after updating _____ device?
 _____ audio going _____ be expected after the _____ ?
 Will audio _____ new update?
 _____ an upgraded operating _____ make the _____ ?
 _____ the _____ going _____ improve audio?
 _____ improved _____ you upgrade _____ OS/software?
 Does _____ upgrade _____ make sound better?
 _____ if I should expect _____ improvement in sound _____ software.
 _____ quality better _____ installing _____ recent update?
 Is there an _____ in _____ after _____ upgrade?
 _____ upgrade in terms _____ audio _____ following _____ update to my _____ software?
 Will _____ an improvement _____ output _____ the _____ upgrade?
 _____ recent update to _____ phone's operating system _____ ?
 _____ it possible to _____ better audio _____ recent OS/software _____ ?
 _____ updating my operating _____ can _____ hope _____ decent _____ ?
 _____ improved audio _____ the _____ is _____ ?
 Is _____ possible _____ get better sound quality _____ our devices?
 Can _____ audio after the update _____ telecom _____ ?
 Do _____ think _____ to the telecom _____ operating _____ would _____ sound _____ ?
 Does the _____ audio performance?

____ recent ____ software ____ will improve ____ .
 ____ possible ____ improve ____ with a ____ system?
 ____ recent software upgrade ____ anything to ____ audio ____ ?
 ____ sound better with ____ newest ____ ?
 Can ____ sound by changing ____ software?
 ____ we expect an ____ acoustic ____ installation ____ software?
 Do the recent ____ quality ____ your ____ ?
 Expect any ____ your device has ____ OS?
 ____ the ____ better with ____ OS?
 Is there a ____ update ____ hear better?
