

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Internet connection troubleshooting
Inquiry Sub-Category	Wired/Wireless Network Setup
Description	Customers require guidance in setting up a wired or wireless network at their home or office, including connecting devices, configuring security settings, or resolving compatibility issues.
Data Size	5,040 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Is it ____ that someone has ____ into ____ wireless ____?

Couldn't someone have ____ the ____ system?

Is ____ shoddy network ____ been hacked?

____ network being ____ by someone?

Someone ____ our ____ wireless ____

There's a chance ____ a ____.

Is ____ a chance of ____ access ____ wireless ____?

____ wireless ____ accessed by an unauthorized person.

____ if our poorly ____ were ____?

Probable hacking ____ weak ____?

Is it ____ that an ____ party ____ our ____ protected wireless ____.

____ a hack ____ wi-fi setup ____?

____ may ____ wireless network.

____ net ____ suspected of having ____.

Someone ____ taken ____ the ____ wireless network.

____ wireless ____ might have been ____.

Did someone ____ security ____ the ____?

____ have easily taken control ____ our ____ secured ____.

____ might be ____ access ____ our weak wireless network.

Someone might have taken ____ security.

Is ____ broken ____ a ____?

____ a ____ on ____ wireless setup.

____ our ____ wi-fi vulnerable ____?

____ it possible that an outsider ____ the defenses ____ network ____?

____ possible ____ there could ____ unauthorized ____ to ____ wireless network.

Perhaps an ____ party had access ____ system.

____ been able to ____ control ____ our wireless ____

Are ____ access ____ our limited ____?

_____ wonder if a _____ occurred _____ our vulnerable _____

Our _____ may _____ penetrated by _____.

Has _____ control _____ our wireless _____?

There _____ be an _____ secured wi-fi.

Is _____ unauthorized _____ to our limited wireless _____?

Can _____ get _____ the _____?

_____ the _____ was compromised by _____.

_____ may _____ the weakly _____ wireless _____.

Can _____ get unauthorized _____ this _____?

_____ a chance _____ unauthorized access _____ the _____?

_____ someone _____ compromise the _____ of the _____ system?

Is it _____ person _____ access to our _____ wireless _____?

_____ weak wi-fi _____ penetrated.

_____ there _____ possibility _____ unauthorized access to _____ wireless _____?

Is _____ possible for _____ to _____ access _____ the _____ connection?

Asking if the wireless _____ by _____.

_____ could have _____ the weak _____ on _____.

_____ can _____ a chance of _____ access _____ our _____.

_____ access _____ our _____ wireless _____ be real?

Someone _____ have got _____ secured wireless _____.

Is _____ hack our _____ secured wi-fi _____.

_____ any _____ an external party successfully _____ into _____ network?

It's _____ occurred on _____ vulnerable wireless setup.

_____ person _____ gotten into our wireless network?

_____ might _____ gotten into _____ system.

_____ a possibility _____ a _____ wi-fi has _____ hacked.

_____ is _____ access to _____ weak wireless networks.

Someone might _____ our _____ secured _____.

Is a _____ on _____ setup?

The frail _____ might _____ been _____ by an _____.

_____ might have hacked into _____ wireless _____.

_____ have hacked into _____ weakly _____ network

_____ is _____ chance for unauthorized access _____ our _____.

_____ have been able _____ secured wireless network.

_____ a _____ that _____ shoddy network was _____.

Could _____ be _____ our poorly _____ has _____ penetrated?

_____ wireless system _____ been accessed by _____.

_____ poorly protected wi- _____?

_____ possible that _____ person hacked _____ our _____.

_____ someone _____ weak _____ security?

Do _____ there is _____ chance of _____ to our _____?

_____ weak wi-fi _____ vulnerable to _____.

_____ into the wireless _____?

Is it possible _____ got into _____ network?

_____ may have _____ to access our _____.

Could _____ weak _____ be _____?

_____ taken _____ wireless network.

Perhaps an unauthorized _____ has _____ wireless _____.

There _____ chance that hackers _____ into the _____.

_____ chance _____ have _____ access to _____ wireless?

Someone could _____ taken _____ our woefully secured _____.

Might an _____ party have _____ our _____ system.

There _____ a _____ of _____ access _____ our _____ network.

We have a weak wireless network _____ access?

There _____ low-security wi-fi _____ been penetrated.

Someone _____ in to our _____.

It's _____ that _____ hack _____ our vulnerable _____ setup.

_____ breaking into our wireless _____?

Someone may _____ violated _____ secured _____.

_____ there is _____ chance of _____ to the _____ wireless _____.

_____ it _____ our weak internet without us _____ it?

_____ that someone _____ our _____ WiFi?

_____ that _____ wireless network has _____ compromised.

_____ have taken _____ of _____ Wireless _____.

Is it _____ that _____ connection _____ compromised by _____?

Is _____ possible for _____ outsider to _____ into _____?

_____ wireless _____ has been _____.

Did _____ people _____ into the _____ security?

Someone _____ access to this _____.

Is _____ wireless network _____ to _____?

Is our _____ wi-fi _____ to _____?

_____ anyone manage to _____ wireless _____?

Someone could _____ woefully _____ network.

Have we _____ anyone _____ into _____ security?

Did _____ the _____ wireless _____?

_____ unguarded _____ network _____ been penetrated by _____.

_____ possible that _____ gotten _____ the wireless network?

Someone _____ hijacked _____ security _____ our wireless _____.

Is _____ possible _____ a _____ has gained access _____ wireless _____?

_____ is poorly protected.

Someone could _____ our _____ network.

Someone might _____ been able _____ poorly secured wireless _____.

Someone could _____ the _____ network.

_____ anyone cracked _____ our _____ security?

Can somebody gain _____ to _____.

_____ that possible _____ wireless _____ has been _____?

_____ anyone able _____ our wireless _____?

Has _____ broke _____ security?

_____ in taking _____ of our wireless network.

_____ to _____ our Wireless connection?

_____ someone _____ wireless network?

_____ it _____ someone _____ penetrated _____ poorly secured network?

Is it possible _____ someone _____ cracked _____ our _____?

_____ our _____ security broken _____?

There _____ chance _____ access to our _____ security.

Is _____ hacked into our poorly secured _____?

There is _____ chance _____ able _____ hack into our _____.

_____ it possible _____ someone _____ gain _____ to _____ wireless security?

Our wireless _____ could _____ right?

_____ our shoddy network _____ breached?

Is the _____ wireless _____ compromised?

This frail wireless system _____ an _____ party.

Possibly _____ unauthorized party accessed _____.

_____ is _____ that a _____ occurred _____ our vulnerable _____ setup.

_____ could _____ gotten into _____ network.

Is _____ poor protected _____ vulnerable _____?

_____ is _____ possibility _____ low-security wi-fi _____ be breached.

Someone _____ into _____ weakly _____ network.

_____ got into _____ weak _____ security?

Is _____ possible _____ hack _____ secure _____?

_____ it _____ for somebody to _____ access _____ wireless connection?

Could the security _____ our wireless _____?

There is _____ risk of _____ to the _____.

Have someone _____ weak wireless _____?

Has _____ wireless security?

_____ possible that someone _____ to _____ control of _____ network.

Could _____ our wireless network?

Maybe our _____ has _____.

It is _____ that a _____ has _____ secured _____ network.

I _____ asking _____ the wi-fi _____.

Someone could _____ gained _____ the _____ secured wireless _____.

_____ have _____ the wireless _____.

_____ someone invaded _____ network?

_____ security of the _____ system _____ compromised.

_____ any clever _____ broken into our woefully _____?

Our _____ wi-fi _____ hacked.

Is this possible that _____ network _____?

There is _____ possibility _____ security issue _____ wireless _____.

_____ a chance that an unauthorized party _____ wireless _____.

Do _____ know anyone _____ has broken _____ pathetic _____?

_____ is possible that _____ a chance of _____ our _____ network.

_____ messed with _____ wi-fi security.

Did _____ misuse our _____?

Is _____ chance _____ shoddy network _____ compromised?

_____ that someone _____ control of _____ woefully secured wireless _____.

Did anyone _____ vulnerable _____?

There is a chance _____ into punky _____.

Someone _____ to have unauthorized access _____ wireless _____.

There is a _____ violation _____ wireless networks.

_____ network could have been hacked _____.

_____ is _____ that a low-security _____ network _____ compromised.

_____ weak _____ network _____ vulnerable _____ unauthorized access.

Do _____ if unauthorized _____ limited wireless _____ is real?

_____ an unauthorized _____ into _____ frail wireless _____.

Is _____ protected _____ safe _____ attackers?

_____ the wireless _____ has been compromised?

_____ easily hack into _____ secured wireless _____.

There _____ chance _____ a _____ has been penetrated.

Has anyone penetrated _____?

_____ this possible that _____ broken _____ wireless network?

Has _____ wireless network?
_____ someone _____ wireless security?
Is _____ that _____ have _____ chance of _____ to _____ weak _____ network?
_____ have _____ the security of _____ wireless _____.
Someone may _____ to enter _____ weakly secured _____.
_____ wifi _____ been _____.
I _____ if we have _____ chance of _____ weak _____ network.
_____ may _____ able to hack _____ wireless network.
_____ hack _____ poor _____ network?
Our _____ system _____ been accessed by _____ unauthorized _____.
_____ to hack into our wireless network.
_____ may have _____ to _____ the _____ network.
Our _____ a potential _____.
Someone _____ able _____ our woefully secured _____ network.
_____ possible _____ someone to break _____ our home's _____.
Could someone _____ compromised the _____ of _____?
_____ weakly secured wireless _____ could _____ been _____ by _____.
An _____ may have successfully hacked into our _____.
_____ might have unauthorized _____ wireless _____.
_____ poorly secured _____ to intrusion.
It _____ that _____ has _____ access to _____ network.
Was _____ into _____ connection?
_____ weak wi-fi could _____.
I want to _____ that jackasses are _____ our _____ wireless _____.
The _____ have been hacked _____.
_____ chance _____ our shoddy _____ hacked.
Someone might have been able _____ get _____.
There is _____ secure hotspot at _____ of _____.
_____ security of our under-protected wireless _____ been _____.
Maybe an _____ frail _____ system.
Have you _____ able to _____ into our _____?
_____ hack into _____ connection?
There are _____ an external _____ weakly protected wireless network.
Our frail _____ system _____ accessed _____ an _____ party.
_____ protected wireless network could _____.
_____ was a _____ of _____ to our _____ network.
_____ chance _____ dumbasses hacked into _____ sorry-ass wi-fi.
_____ weak _____ be _____ to hacking.
There is a _____ we _____ break into _____ wi-fi.
Has _____ the wireless _____?
_____ could _____ taken control of the _____ network.
The _____ wireless _____ accessed _____ an unauthorized party
_____ break into _____ wireless _____?
Can a _____ hack _____ our _____?
_____ manage _____ hack _____ wireless setup?
There _____ a chance _____ to _____ wireless.
There is a _____ of _____ hack _____ setup.
_____ have entered _____ weakly _____ network.
Our frail wireless _____ could _____ been accessed _____.
There is _____ of _____ wi-fi _____.

____ the ____ get ____ our crummy ____?
 ____ have taken ____ of the ____ secured ____ network.
 The weakly ____ wireless ____ been hacked ____.
 Is ____ that our ____ has ____ compromised?
 Is ____ of unauthorized access ____ weak ____ network?
 Is it ____ someone to ____ into ____ less secure WiFi ____ ____?
 Someone might have ____ our wireless ____.
 ____ indication that ____ external party ____ successfully hacked into ____ network?
 ____ that ____ shoddy ____ got compromised?
 Our weak ____ hacked.
 ____ it possible that they ____ their way into ____ ____?
 Is there ____ chance of ____ to ____ wireless ____?
 It's possible ____ a hack occurred ____ our ____ ____.
 ____ someone got ____ wireless ____?
 Is it ____ that hackers ____ up ____ our ____ wi-fi ____?
 ____ can get ____ wireless network.
 Was ____ breaching our ____?
 Is it ____ to break into ____ secured ____ networks?
 ____ hacked ____ the ____ secured wireless ____
 It's ____ that our poorly ____ ____.
 ____ it possible ____ this less secure ____ system ____ authorization?
 There is a ____ compromise ____ wi-fi.
 ____ of the wireless system ____ compromised remotely.
 ____ unauthorized ____ our ____ security ____ true?
 Maybe someone ____ able to hack ____ ____.
 ____ possible ____ has hacked into the ____ secured wireless ____?
 ____ somebody ____ unauthorized ____ to ____ connection?
 ____ there any ____ external party ____ hacking into our ____ wireless ____?
 ____ someone ____ into ____ wireless network?
 ____ hacked into a ____ network.
 ____ someone hack ____ network?
 Did ____ gain ____ wireless security?
 Our ____ secured ____ been penetrated.
 ____ of ____ wi-fi ____ been compromised.
 Is ____ that ____ our ____ wi-fi?
 Has ____ weak wireless ____?
 There ____ a chance ____ access to our ____ ____.
 ____ have compromised ____ of ____ wireless system remotely.
 ____ the chance ____ unauthorized ____ to ____ security ____?
 The frail ____ might ____ accessed by ____ unauthorized ____.
 Is ____ possible ____ a ____ into our home's ____?
 ____ hack ____ the wireless ____?
 ____ person ____ hacked into ____ poorly ____ wireless network.
 Someone might ____ to ____ our ____ ____.
 There is a possibility ____ low-security ____ been ____.
 ____ it likely ____ had our wi-fi ____?
 Someone might have ____ ability ____ take ____ the ____ network.
 It ____ unauthorized ____ accessed our wireless system.
 Did ____ into our wireless ____?
 ____ accessed ____ weak wireless system.

_____ that _____ hijacked our crappy _____?
 _____ poorly protected wireless _____ susceptible to _____?
 Has _____ tampered with _____ wireless _____?
 Our _____ wi-fi could _____ to _____.
 _____ security _____ our _____ protected wireless _____ could _____ compromised.
 Our poorly protected wi-fi _____.
 There _____ chance _____ a security _____ in low-security _____.
 Our _____ wireless _____ might _____ been taken control _____.
 _____ if _____ wi-fi was _____ into.
 _____ may have _____ into the _____ secured _____
 Has someone _____ wireless _____?
 _____ could be _____ our _____ hacked.
 _____ might _____ unauthorized access _____ this _____.
 _____ a risk _____ unauthorized _____ to _____ weak _____ network.
 _____ was able _____ control of our wireless network.
 _____ could have tampered _____ the _____.
 _____ security _____ system may have _____ compromised.
 _____ break in and _____ our _____?
 _____ to our wireless?
 _____ someone to _____ into our _____ wireless network?
 Did _____ get into _____ wi-fi _____?
 _____ wireless network _____ penetrated.
 Can _____ be _____ wireless connection?
 Is _____ possible _____ person has _____ our _____ network?
 _____ someone _____ unsafe wireless network?
 _____ penetrated the weakly _____ network
 _____ is _____ possibility _____ unauthorized access to _____ weak _____.
 _____ it possible _____ a _____ hacked _____ our poorly _____ network?
 _____ tampered _____ the wireless network.
 Has _____ our _____ network?
 It's possible _____ been penetrated.
 _____ it possible that someone _____ poorly _____ network?
 Did _____ into _____ wireless _____?
 I _____ wondering if the _____ accessed by _____.
 _____ security _____ the wireless _____ have _____ compromised.
 Is _____ having a _____ security?
 Someone _____ the _____ wireless network.
 _____ secured _____ may have _____ accessed.
 _____ our _____ wi-fi _____ be _____.
 _____ anyone gain access _____ setup?
 Have any _____ the wireless _____?
 Someone is _____ have hacked into _____ weakly _____.
 _____ there _____ evidence _____ an _____ successfully _____ into our weakly _____ wireless _____?
 _____ a low-security wireless _____ has _____ hacked.
 Is _____ person has hacked into _____ wireless _____?
 _____ may have _____ able _____ gain access _____ our _____ wireless _____.
 _____ have _____ able _____ control our _____ network.
 An unauthorized _____ may _____ to _____ wireless system.
 It's possible that _____ can _____ hacked.
 It is _____ that _____ low-security _____ has _____ into.

Have any _____ in _____ into _____ wireless security?
 _____ there _____ a _____ of _____ access to _____ weak wireless _____.
 Is _____ in _____ unsafe _____ network?
 _____ may _____ a _____ of unauthorized _____.
 _____ it _____ that there _____ to our _____ wireless network?
 Has someone _____ something _____ the _____?
 Our _____ network could _____ hacking.
 Has _____ violated our _____?
 _____ might have hacked _____ wireless _____.
 _____ an _____ the frail wireless _____.
 Someone may _____ had access _____ our _____.
 Is _____ possibility of _____ in our poorly _____?
 Is _____ to _____ this unguarded _____?
 _____ messed with _____ wireless _____?
 Have _____ into our _____ wireless security?
 _____ any evidence _____ an external _____ successfully hacked into _____ wireless _____?
 _____ is _____ that _____ has been _____ into.
 _____ hack _____ weak wireless set _____?
 _____ someone _____ our _____ network?
 _____ there be a _____ of _____ access on _____?
 Did _____ the _____ wireless _____?
 Could our weak _____ hacked?
 Maybe _____ protected wi-fi can _____.
 _____ get into _____ network?
 Did _____ our _____ connection?
 _____ anyone _____ our _____ security?
 Do _____ as a _____ hacker break _____ punky wi-fi?
 _____ someone _____ our wireless _____?
 A _____ secure _____ vulnerable _____ hacking?
 _____ weak wi-fi the _____?
 _____ it possible _____ has _____ weakly secured wireless _____?
 _____ anyone _____ wireless network?
 _____ might _____ accessed _____ secured wireless _____.
 _____ our poorly _____ hacked?
 We have _____ in our _____.
 _____ anyone manage _____ our vulnerable _____?
 _____ poorly secured _____ been taken over _____ someone.
 Have _____ been _____ in _____ wireless _____?
 _____ may have been taken _____.
 _____ could _____ tinkered with the _____ wireless system.
 _____ may _____ hacked _____ weakly secured _____
 _____ wireless network has _____?
 _____ the _____ our wireless security _____?
 _____ able to get into our _____?
 _____ someone _____ to our weak _____?
 _____ is _____ that a _____ occurred on our _____ network.
 _____ it _____ that _____ person has tampered _____ our _____?
 Did _____ hack into our _____?
 _____ have got _____ our weakly _____.
 _____ our _____ wireless security broken into _____ individuals?

_____ gotten _____ our wireless _____?

_____ have _____ the weak wireless _____.

_____ is _____ of _____ low-security _____ attack.

Were _____ possibly _____ to _____ our _____ connection?

Is _____ possible _____ someone _____ bad _____?

It's _____ that _____ hacked into _____ weakly _____ wireless _____.

Is it _____ access _____ weakly secured wireless network?

_____ anyone _____ to _____ into our _____?

_____ is _____ our weak _____ hacked.

_____ it possible _____ person _____ access to _____ secured network?

_____ frail _____ system may _____ been accessed by _____.

_____ someone _____ into _____ network?

It's possible _____ into our weakly secured _____.

There _____ that our poorly _____ wi-fi _____ hacked.

Did anyone manage to _____?

_____ successful at _____ into our _____ wireless _____?

_____ wireless _____ is _____ protected.

Someone _____ taken _____ the _____ wireless network.

_____ have penetrated _____ wireless _____.

There are some _____ an _____ hacked into _____ protected wireless _____.

Is _____ our _____ was hacked?

_____ is a chance _____ wi-fi being broken _____.

Is _____ possible _____ has _____ to our wireless network?

Our woefully _____ been taken over.

The _____ suspected of _____ a hack.

Is _____ a _____ unauthorized _____ to the wireless _____?

Has anyone _____ into _____?

_____ hacking _____ vulnerable _____?

_____ someone _____ our _____ network?

_____ it likely _____ wi-fi compromised?

_____ any clever _____ wireless security?

_____ that _____ hack occurred on _____ wi-fi?

_____ someone _____ the _____ network?

Is it _____ has gained _____ to _____ wireless _____?

Someone might _____ been _____ into our _____ secured wireless _____.

Someone _____ hack _____ poorly _____.

_____ poorly protected _____ be _____?

Someone _____ got into _____ network.

_____ it possible _____ someone has _____ unguarded _____ network?

_____ anyone able _____ into _____ weak Wireless _____?

_____ weak wi-fi _____ be _____.

_____ it possible _____ network _____ hacked?

_____ it _____ that someone _____ compromised the _____ our wireless _____?

Could the _____ the wireless _____ compromised?

Is _____ that a person _____ hacked into _____ network?

Is _____ poorly secured _____ network has been _____?

Someone may _____ in _____ control of _____ secured _____ network.

Someone could _____ secured network.

_____ it _____ gain unauthorized _____ our _____ wireless security?

Can _____ have gained access _____ this _____?

_____ chance _____ unauthorized access _____ our wireless.
 _____ someone hacked _____ our weak _____?
 _____ think _____ our wireless security?
 _____ our badly _____ to _____ hacked?
 Did they _____ way into _____?
 Someone could _____ into _____.
 _____ that a hack _____ on _____ vulnerable wireless setup.
 _____ system _____ frail _____ been accessed by an _____ party.
 _____ possible to hack _____ this _____ system?
 Probable hacking _____ a _____?
 _____ broken the _____ security.
 Can _____ get _____ this unguarded _____?
 _____ have been able _____ into our wireless _____.
 _____ have hacked _____ secured wireless network.
 Someone _____ have been _____ to _____ the _____ network.
 The _____ wi-fi could _____ to _____.
 _____ a _____ of _____ hacker breaking into punky _____?
 _____ is _____ chance for _____ access _____ our _____ network.
 _____ weak wi-fi _____ a _____.
 _____ a risk _____ access to the weak _____.
 _____ that a _____ wi-fi could _____.
 _____ taken over _____ security of our wireless _____?
 _____ could be possible _____ hack _____ secure _____.
 _____ could have _____ security of _____ wireless _____.
 Are there _____ the _____ network _____ been hacked?
 _____ our _____ wireless _____ be _____?
 _____ it possible _____ to access _____ limited _____ security?
 _____ it possible that _____ weakly _____ wireless _____ been _____?
 _____ if an external _____ successfully _____ our wireless network?
 _____ of unauthorized access to _____ wireless network _____.
 _____ poorly protected wi-fi _____?
 Perhaps _____ accessed _____ frail _____ system.
 _____ have cracked a _____ wireless _____.
 Someone _____ have exploited _____ security _____ wi-fi.
 _____ have _____ with our wireless _____.
 There _____ a _____ wireless device being broken _____.
 Someone _____ hacked _____ our wireless _____.
 Does _____ the ability _____ break _____ our _____ wireless _____?
 _____ weak _____ security been _____?
 _____ a risk of _____ our wireless.
 Someone _____ control _____ the _____ network.
 _____ have _____ the _____ of _____ wi-fi.
 Is _____ gained _____ our weakly secured network?
 _____ weak _____ could _____ hacked
 Our poorly _____ potentially be _____.
 Maybe _____ unauthorized party _____ our _____ system.
 _____ was _____ chance _____ unauthorized access _____ wireless.
 There _____ be _____ chance _____ unauthorized _____ our _____ wireless network.
 Someone may _____ our frail _____.
 Is _____ evidence that an _____ able to _____ into our _____ wireless _____?

_____ able to hack _____ this unguarded _____ network.
 _____ there _____ proof _____ an external _____ hacked into _____ protected wireless _____?
 Is it possible _____ hacked?
 _____ hacked _____ our wireless connection.
 _____ someone cracked our _____?
 _____ have broken _____ the weakly _____ network.
 Someone _____ have obtained unauthorized _____ the _____.
 Did anyone _____ into _____?
 Possibly, _____ unauthorized _____ frail wireless system.
 Can _____ be a chance _____ access _____ the weak _____?
 _____ unauthorized _____ our limited _____ real?
 _____ weak wi-fi _____ hacked.
 Someone may _____ able to _____ wireless _____.
 Have _____ individuals been _____ to _____ into our _____?
 Is it possible _____ poorly secured wireless _____?
 _____ someone _____ access to our wireless network?
 _____ could _____ into _____ wireless network.
 _____ a chance of _____ access to _____ wireless _____ real?
 _____ have taken _____ unsafe _____ network.
 Is _____ of unauthorized _____ our weak _____ network?
 Someone _____ the security of _____ wireless _____.
 _____ hackers who _____ their way _____ to _____ lousy wi-fi _____?
 Is _____ possible _____ has gotten into our _____?
 Is it a _____ that _____ hacked _____ our _____?
 _____ is a _____ of _____ access _____ our wireless _____.
 Someone _____ accessed _____ weakly _____ network.
 _____ could have been _____.
 _____ weak _____ could be _____.
 _____ possible that someone has _____ our _____ network.
 _____ network be vulnerable to _____?
 _____ the chance of _____ our wireless security _____?
 Asking _____ the _____ a hacker.
 Is it _____ that _____ outsider penetrated the _____?
 _____ hack into _____ wi-fi?
 Is _____ wi-fi _____ hacked?
 _____ any clever individuals broken _____ wireless _____?
 _____ internet _____ been hacked.
 _____ wi-fi _____ hacked.
 _____ have _____ to _____ wireless connection?
 Someone could _____ control of _____.
 _____ wireless system vulnerable _____ access?
 _____ a _____ wireless network.
 _____ is a _____ unauthorized party has _____ our _____ system.
 _____ possible that a _____ on _____ vulnerable wi-fi _____.
 Our poorly _____ network _____ hacked.
 _____ might _____ able _____ hack _____ poorly _____ wi-fi.
 Is it _____ that _____ has hacked _____?
 _____ possible _____ unauthorized _____ our wireless.
 _____ could _____ gained _____ to _____ secured network.
 The _____ of _____ have been compromised.

Has _____ our wireless _____?

Is this possible _____ into our poorly _____ network?

It's possible _____ has _____ into our _____ secured _____.

There _____ that a _____ wi-fi _____ be breached.

_____ weak wi-fi may be _____.

_____ there _____ evidence _____ has successfully hacked _____ our weakly _____ wireless network?

Someone could have _____ into _____.

Someone could _____ entry to our _____ secured _____.

Did someone _____ wireless _____?

Maybe an _____ party _____ our wireless system.

The _____ may _____ been _____ into.

_____ have _____ with the _____ of the _____ system.

Is _____ that _____ hijacked _____ without _____ realizing it?

_____ protected net, _____ a _____?

_____ poorly secured _____ networks have _____ potential _____?

_____ possible that a _____ access _____ our wireless _____?

_____ could _____ access _____ the _____ system.

Someone might _____ been able to get _____.

_____ someone has hacked into _____ secured _____.

_____ is _____ that _____ could gain access _____ wireless network.

_____ we have a _____ of _____ access _____ wireless?

_____ it possible _____ have _____ access _____ our weak wireless _____?

_____ someone _____ wireless security?

_____ been able _____ information from our _____ network.

_____ a chance of unauthorized access _____ our _____.

_____ it's possible _____ to break _____ home's _____ network.

The _____ protected _____ be a _____.

_____ chance _____ a person _____ hacked _____ our wireless network.

_____ it _____ could hack into our _____ connection?

Someone has exploited _____.

Did anyone _____ into _____ connection?

Can _____ into _____ less-secured _____ system?

_____ our _____ protected wireless _____ be _____?

_____ access _____ limited wireless _____ real?

_____ possibly _____ have taken control _____ wireless _____.

_____ our wi-fi _____ be _____?

Maybe someone was able to _____ woefully _____ wireless _____.

Someone _____ weak wireless _____.

_____ someone could have taken control _____.

Have _____ people _____ our _____ security?

Is it possible _____ a _____ hack a _____?

_____ is _____ chance of _____ use of _____ wireless _____.

_____ there _____ possibility _____ a _____ on our vulnerable _____?

_____ a chance of _____ access to _____ wireless _____.

An _____ might have accessed _____ wireless _____.

_____ risk of _____ to our wireless network.

_____ someone hack _____ poorly secured _____?

Someone could have taken _____ wireless _____.

Have _____ individuals _____ security?

Have _____ invaded our _____?

Someone ____ possibly have ____ access ____ the ____ .
 ____ chance of unauthorized access ____ our ____ ?
 Does ____ know if ____ successfully hacked ____ the ____ protected ____ network?
 ____ anyone ____ our weak ____ setup?
 Our wi-fi ____ could be ____ .
 ____ gained ____ access to ____ wireless ____ ?
 ____ have ____ unauthorized ____ to the ____ system.
 It is possible ____ a ____ has ____ fi setup.
 ____ into ____ wireless connection.
 ____ possible violation ____ low-security ____ ?
 ____ is a possibility of ____ low-security ____ being ____ .
 Is ____ for someone to hack ____ wireless ____ authorization?
 Could ____ have tampered ____ system?
 ____ may have exploited ____ our wireless ____ .
 ____ someone ____ our ____ network?
 ____ is ____ that ____ low-security wi-fi may ____ hacked.
 ____ break into ____ setup?
 ____ it possible ____ hacked ____ the ____ secured wireless network?
 ____ possible that a hack ____ our vulnerable ____ .
 ____ has ____ into our ____ wireless network.
 ____ was able to ____ into ____ weakly ____ network.
 ____ hackers get into ____ net?
 There ____ a ____ of a ____ in low-security ____ .
 ____ wireless ____ may have been ____ .
 ____ anyone ____ weak wireless ____ ?
 ____ had access to ____ wi-fi.
 Is ____ possible ____ network ____ hacked?
 our ____ have been accessed ____ an unauthorized ____ .
 ____ harm to our ____ security?
 ____ there a chance our ____ ?
 Is it possible that ____ occurred on ____ ?
 Someone ____ able ____ get ____ our ____ network.
 Could the poorly ____ network ____ ?
 There ____ a possibility that ____ been ____ .
 ____ network may ____ hacked.
 Our ____ wi-fi ____ be a ____ .
 Someone ____ made ____ way into ____ wireless ____ .
 ____ someone ____ our weak ____ ?
 ____ a person has accessed our ____ network.
 It's ____ a hack ____ our vulnerable ____ setup.
 ____ it possible that ____ poorly secured network?
 ____ someone have ____ our ____ network?
 It is possible ____ have accessed the frail ____ .
 Asking if there ____ hack ____ wireless ____ .
 Did anyone ____ wireless?
 ____ need ____ know if ____ aware that ____ our pathetic wireless ____ .
 Someone ____ have ____ able ____ into our wireless ____ .
 ____ already someone sneaking ____ wireless ____ ?
 Is it ____ a feeble secure ____ ?
 ____ weak wi-fi ____ hacked.

Someone _____ accessed _____ our wireless system.

There _____ feeble secure hotspot _____.

_____ is _____ for unauthorized _____ to _____ weak _____ network.

Someone _____ have _____ weakly _____ network.

Someone may _____ the security of _____ wireless _____.

Someone _____ broken into a weakly _____.

Maybe _____ had _____ the security _____ the _____.

Is _____ unguarded _____ network _____?

Someone _____ hack _____ the weakly secured network.

_____ to _____ if _____ wi-fi was penetrated by _____.

Has _____ into our _____?

Is the _____ to our _____ security real?

_____ steal _____ wireless connection?

_____ have broken _____ weakly _____ network.

There is a _____ on our _____

Weakly _____ net is _____ being _____.

_____ could have hacked _____ of _____ wireless system.

_____ they hack _____ wi-fi _____?

_____ have _____ access _____ our weak wireless _____.

_____ has taken advantage _____ our _____.

_____ tampered with _____ weak wireless _____?

Someone _____ been _____ to _____ of _____ woefully secured wireless _____.

_____ system could _____ have been _____ by an unauthorized _____.

_____ is _____ a compromise in low-security _____.

_____ someone _____ the unsafe _____?

The _____ could _____ been _____ by _____ unauthorized party.

_____ might have taken control _____ woefully secure _____.

_____ unauthorized party _____ our frail wireless _____.

_____ possible _____ our _____ could've _____ hacked.

Is it _____ that someone _____ unguarded wi-fi _____?

It _____ someone _____ into _____ weakly secured _____ network.

Is _____ that someone _____ our _____ wireless security?

_____ possible _____ weak _____ be hacked?

_____ possibly possible to hack _____ secure _____?

Have anyone _____ in _____ into our pathetic _____?

Did anyone _____ wireless connection?

_____ have grabbed _____ of our woefully _____ network.

_____ secured wireless _____ may _____ been _____ over by _____.

_____ unauthorized _____ our frail _____ system-.

Someone _____ hack _____ secured _____ network.

Is _____ a _____ access to our _____?

Asking _____ the wi-fi _____.

Can _____ unauthorized _____ to the _____?

_____ someone broken _____ security?

The _____ protected _____ been hacked _____ by _____ external party.

_____ anyone hack in to _____?

It's possible _____ has _____ the _____ network.

Is _____ person hacked _____ wireless network?

Someone _____ access _____ our weakly secured wireless _____.

_____ we _____ as _____ of hacker break _____ punky wi-fi.

Someone _____ the _____ secured wireless network.

_____ someone _____ our _____ wi-fi?

Someone _____ access _____ our weak _____.

_____ to take control of _____ woefully secured wireless _____.

_____ someone _____ our wireless _____?

Is this possible that a person _____ into _____?

Have _____ individuals broken _____ security?

_____ wireless _____ be vulnerable to _____.

_____ has tampered with _____.

Someone _____ have _____ the _____ system.

_____ anyone messing _____ weak wireless _____?

Did _____ into our _____?

Are _____ access to _____ real?

_____ into _____ wireless connection?

_____ wi-fi hacked?

Someone _____ have _____ able to hack _____ our _____ wireless _____.

Is there _____ dumbasses hacked _____ this sorry-ass _____?

Is our _____ wireless _____ to _____?

Can a _____ unauthorized _____ to _____ connection?

_____ access to our _____ network.

_____ poorly protected _____ network _____ to _____?

_____ really have the _____ of unauthorized access _____ our _____?

Has anyone _____ our _____?

Did _____ into _____ weak wireless _____.

_____ it _____ the hackers _____ their _____ up in our _____ wi-fi _____?

_____ security _____ the wireless _____ vulnerable?

_____ to have unauthorized _____ to this _____ connection?

_____ protected wi-fi being _____?

Is it possible _____ an _____ party _____ hacked _____ wireless _____?

Is it _____ has hacked our _____ network?

_____ may have _____ a _____ network.

Did _____ there is a _____ of _____ to our _____?

_____ wi-fi was hacked.

Is it _____ into _____ weakly secured _____ network?

_____ weakly secured wireless _____ have _____ hacked _____.

_____ have been able to _____ the wireless _____.

Can someone _____ unauthorized _____ wireless _____?

Can there be _____ unauthorized access _____ the _____?

_____ is _____ chance _____ unauthorized _____ to _____ wireless.

_____ is _____ a _____ has taken _____ on our _____ wireless _____.

_____ break _____ wi-fi

Is _____ that an external party hacked into _____?

_____ into our wireless _____?

_____ possible that a _____ broke into _____ network?

_____ it _____ to hack _____ feeble _____?

Someone _____ have broken _____ security.

There's _____ possibility of _____ hack.

Do we _____ chance of _____ punky wi-fi?

_____ into _____ wireless setup?

It's possible _____ system _____ been compromised.

_____ it possible _____ hackers wormed _____ way up _____ wi-fi net?

_____ have _____ a _____ secured wireless _____.

_____ could have _____ the _____ wireless _____.

_____ be able to _____ a _____ hotspot.

_____ this _____ that _____ access _____ our wireless network?

_____ it _____ shoddy network was _____ by hackers?

_____ pathetic _____ security broken into by _____ clever _____?

_____ our wi-fi _____ hack?

_____ our _____ vulnerable _____ hacks?

_____ of unauthorized access to our _____ wireless _____?

_____ weakly secured wireless _____ have _____ hacked _____ someone.

_____ it possible _____ the _____ secured wireless _____ has _____ into?

_____ wi-fi _____ be _____ to _____.

Do we _____ unauthorized _____ security is real?

There _____ a chance _____ low-security _____.

Someone may have had access _____ secured _____.

_____ possible that our _____ was accessed _____ outsiders?

_____ wonder if _____ wi-fi _____ be hacked.

_____ have gained access to _____ weakly _____ network.

_____ violated the _____ security?

_____ could _____ a _____ secured _____ network.

_____ there a real risk of _____ our _____?

Is _____ that the poorly secured _____ network _____?

Is _____ security _____ wireless _____ vulnerable to _____?

Is _____ capable _____ security _____ our wireless system?

Did _____ into _____ connection?

Unauthorized access to _____ limited _____ security _____.

Is there _____ chance _____ have _____ access _____ our _____ network?

Maybe an unauthorized _____ system.

Our wireless network _____ poorly _____ be _____?

_____ might be hacked.

Has someone penetrated _____?

_____ someone have compromised the _____ wireless _____?

_____ anyone _____ to break into our wireless _____?

_____ someone have _____ with _____ security of _____ wireless _____?

Is it _____ that an _____ penetrated the _____?

_____ break _____ our poorly secured _____?

Has _____ into _____ unsafe wireless _____?

Someone _____ with _____ wi-fi.

_____ have _____ into our _____ system.

Was _____ able _____ into _____ wireless setup?

Is the possibility _____ access _____ limited _____ security _____?

Our internet _____ be hacked?

_____ wireless _____ may have _____.

Have _____ been _____ to break into our _____?

_____ a chance that _____ wireless _____ could _____ penetrated.

_____ successful in _____ wireless security?

Maybe _____ party _____ our _____ system-.

_____ is a chance _____ unauthorized access _____ network.

Maybe _____ weak _____ be _____.

_____ weak wi-fi could _____ vulnerable _____.

_____ people able to _____ this wireless connection?

_____ any _____ to _____ into our wireless security?

_____ could _____ our wi-fi.

There is a possibility _____ wi-fi.

_____ break into our _____?

_____ been _____ in breaking _____ pathetic wireless security?

_____ a _____ of _____ intrusion _____ our _____ secured wi-fi.

Our _____ could've _____ right?

_____ it possible _____ the _____ network _____ been _____ into?

Our _____ vulnerable to being hacked.

There is _____ chance _____ get into our _____ network.

Possibly _____ unauthorized party has _____ system.

Did _____ get their way _____ to _____ lousy _____?

_____ over _____ badly secured wireless network.

_____ someone _____ poorly _____ wireless network?

Someone _____ wireless security.

_____ it possible _____ person _____ penetrated our poorly _____ network?

_____ hack _____ network easily?

_____ weak _____ could _____ hacked.

Is _____ possible _____ an unauthorized _____ accessed our _____ system?

_____ this unguarded wireless network.

_____ possible that _____ will _____ into _____.

_____ is _____ that an _____ party _____ our frail _____.

Someone might _____ wi-fi network.

The _____ network is _____.

_____ someone _____ the _____ wireless security?

Is _____ possible that hackers wormed _____ our _____ wi-fi _____?

_____ penetrated our _____ secured wireless _____.

_____ the _____ of unauthorized access _____ our wireless _____?

_____ is a possibility of _____ to _____ weak _____.

_____ possible for unauthorized access _____ wireless security?

_____ have _____ an _____ access our wireless system.

Someone _____ compromised _____ security of _____ wireless _____.

_____ someone _____ the weak _____?

_____ unauthorized _____ to this _____ connection

Someone _____ have _____ the _____ wireless system.

Can someone _____ hack _____?

Our _____ protected _____ hacked

_____ wonder if _____ has violated _____ security.

Weakly protected _____ been _____.

_____ been able to _____ the _____ the wireless system.

_____ could have _____ to _____ wi-fi.

_____ our weak _____ setup _____?

The _____ system might _____ by an _____ party.

Is it possible _____ a hack _____ on _____ vulnerable _____?

_____ able to _____ into _____ wireless _____?

_____ could _____ got _____ the _____ secured _____.

Are _____ any signs of _____ external _____ into _____ wireless _____?

_____ frail wireless system might _____ accessed _____ unauthorized _____.

_____ badly protected _____ safe?
 Could _____ be _____ our _____ wireless network?
 _____ wireless system _____ have been _____.
 Is _____ our weak _____?
 _____ have _____ security.
 _____ it possible _____ someone could hack _____ connection?
 _____ a chance _____ wi-fi has _____ broken into.
 Would _____ of _____ access to our wireless?
 _____ that we have _____ security?
 _____ someone infiltrating _____ wireless _____?
 _____ wi-fi could be used _____.
 Someone may have _____ secured wireless _____.
 _____ have accessed the _____.
 Someone might _____ wireless network.
 _____ breached our _____ security?
 Has someone _____ weak _____?
 I'm _____ if there's a potential _____ wi-fi.
 Has the wireless _____?
 Is the _____ of _____ under-protected _____ system _____?
 Is _____ a chance _____ an _____ poorly _____ wi-fi?
 _____ chance that _____ wi-fi could _____ penetrated.
 _____ could have made _____ weakly secured _____ network.
 _____ could _____ accessed our wireless _____.
 _____ hacked into our _____ setup?
 _____ a _____ that _____ shoddy _____ was hacked?
 Can it be _____ has _____ wireless network?
 Did _____ hackers gain _____ our crummy _____?
 _____ a _____ wireless network, could there be _____?
 _____ someone hacked _____ the _____ wireless network.
 _____ anyone _____ wireless service?
 _____ it possible _____ someone has penetrated _____ network?
 _____ anyone able _____ our wireless _____?
 _____ you know if _____ was penetrated _____ hacker?
 _____ secure hotspot _____ vulnerable _____.
 Our wireless _____ have _____ someone.
 _____ could have used _____ security _____ our _____.
 Someone might _____ to _____ into our _____.
 _____ interfere with _____ weak _____ setup?
 Someone _____ have _____ control _____ wireless _____.
 _____ violated by _____ hacker?
 A person _____ the _____ network.
 Is _____ possible that _____ external _____ was successful in hacking _____ network?
 _____ we _____ dots as a _____ into punky wi- _____?
 Someone may have hacked _____ secure _____.
 _____ vulnerable to being hacked?
 Has someone done _____ wireless _____?
 There _____ a _____ that _____ hacked into the _____ wireless _____.
 Maybe _____ wi-fi could _____ hacked?
 Have _____ ever seen someone break _____ wireless _____?
 Is unauthorized _____ to _____ real.

Someone might _____ access to our _____ network.
 _____ wireless _____ may have been _____.
 _____ could _____ control of _____ secured wireless network.
 Is _____ a hack occurred on _____ setup?
 _____ is _____ possibility _____ someone has _____ into _____ wireless _____.
 _____ a possibility _____ a _____ has hacked _____ wireless network?
 The frail wireless _____ been accessed _____.
 Is _____ wireless security?
 The _____ have _____ hacked.
 _____ able to hack _____ wireless _____.
 It's _____ hack _____ on our _____.
 _____ possible _____ hack has _____ our vulnerable _____ setup.
 There _____ a _____ a low-security _____ being broken _____.
 _____ weakly _____ may _____ been hacked.
 Was _____ hack _____ wireless connections?
 _____ they get into our _____?
 _____ is _____ that someone was _____ woefully secured wireless network.
 Is _____ possible for _____ gain _____ to our _____ wireless _____?
 _____ there a _____ shoddy network got _____ into?
 _____ weak wi-fi _____ be _____.
 _____ an _____ protected wireless _____.
 _____ hack a feeble _____ hotspot.
 _____ chance that _____ person has hacked _____ the poorly _____ network.
 _____ any evidence _____ an _____ successfully _____ into _____ weakly protected wireless _____?
 _____ someone has _____ to the weakly secured wireless _____?
 _____ for someone _____ break _____ our _____ wi-fi.
 Is _____ wireless network vulnerable _____?
 _____ into the weak wireless _____?
 Is it _____ hacked into our _____ protected _____ network.
 Is _____ a _____ that _____ network has been _____?
 _____ it possible someone _____ into _____ wireless _____?
 _____ in to _____ weak setup?
 _____ might _____ been _____ steal information from our _____.
 It _____ that _____ occurred _____ vulnerable wi-fi setup
 _____ anyone _____ hold _____ our _____ connection?
 _____ exploited _____ weakly _____ wireless network.
 The _____ secured _____ network _____ been penetrated _____ someone.
 _____ this possible that a _____ accessed _____ wireless _____?
 Is _____ that a _____ entered _____ wireless network?
 _____ someone _____ wireless security?
 _____ unauthorized _____ to our _____ security _____?
 _____ wireless _____ vulnerable _____ unauthorized _____.
 Someone could _____ have _____ our _____ network.
 Did anyone manage to break _____?
 There is a chance _____ our _____ could _____.
 _____ have succeeded _____ taking control of the _____.
