

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Technical assistance with part installation
Inquiry Sub-Category	Wiring and electrical connections
Description	Customers requiring assistance with wiring and electrical connections when installing automotive parts, providing guidance on proper positioning, splicing, and troubleshooting electrical issues for optimal performance.
Data Size	5,378 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

Are there ____ tools specifically for ____ and ____ installing ____?

Suggestions ____ connection installation ____?

____ wiring and ____ work, ____ should I ____?

Will ____ be ____ tools ____ use when ____ electrical ____?

Can ____ the ____ tools to handle ____?

____ about ____ set ____ handling ____ and electrical connections ____ installing ____ parts?

____ recommend ____ special tools for ____ work?

Can ____ tools for ____ installation?

____ that can ____ for ____ connections during part installation.

____ there a tool ____ handle wiring ____ when installing ____?

____ you tell me ____ any special ____ for ____ and ____?

There ____ tools ____ installments ____ parts ____ involve wiring or ____.

____ a specific set of ____ available for ____ hook-ups?

Suggestions ____ what ____ for ____ wires and replacing parts.

____ are ____ best tools ____ use ____ wiring and ____?

Should ____ to deal ____ wiring ____ electrical connections during ____?

____ possible to suggest tools ____ connections while ____ parts?

What tools ____ I ____ handle ____ and ____ installing parts?

____ there ____ prescribed ____ for managing electrical ____ part ____?

____ tools to manage ____ in ____ are ____.

____ the ____ tools ____ handle electronics while adding ____?

____ there a set of ____ wiring and ____ that you ____?

Do ____ special tools for ____?

When dealing ____ electronic components ____ wire networks, ____ I use?

____ for ____ installation?

When ____ are the best ____ use?

____ any ____ for best ____ to handle ____ connections?

____ recommended tools for handling electrical ____ installing parts?

Do you _____ best tools for _____ electric _____ are?
_____ tools _____ needed for _____ while _____ being replaced?
_____ for handling _____ installed parts.

There _____ deal with electrical _____ during _____ installation.
_____ recommended tools _____ handling electrical _____ when _____ components _____.
_____ you _____ what the _____ tools for _____ electric connections _____?
_____ there any specific _____ should use _____ wiring _____ work?
_____ specific _____ the installments _____ parts that involve wirings _____ hook-ups?

When _____ with various _____ specific tools should _____?
Should we _____ gear _____ wiring _____?
Do _____ any _____ for _____ tools to _____ electrical connections?
There are _____ to _____ wiring _____ installing _____.
It's _____ gear for _____ parts setup.
_____ any special equipment be _____ deal _____ electrical _____ when _____ parts?
_____ parts, are there _____ recommended _____ for handling wiring _____?
_____ there _____ tool _____ for _____ electrical _____ during _____ installation?
_____ tools should we use _____ wiring _____ connections?

When installing _____ recommend a set of _____ to _____ the _____?
What _____ the _____ for _____ with _____ and _____ connections during _____ installation?
_____ suggestions _____ and _____ connections when _____ parts?
_____ what are the recommended _____ handling _____ connections?
What _____ should _____ and electrical connections during part _____?
Do _____ what specific _____ wiring and electrical connections?

There _____ some instruments _____ handle _____ parts installation.
_____ the tools _____ use _____ wirings?
Do _____ tools to do _____?
When _____ comes to wiring _____ electronics, _____ are _____ to use?
_____ parts, _____ should _____ for wiring and electrical work?
_____ preferred tools _____ wiring _____ during parts installation
_____ you suggest _____ tools _____ and _____ connections?

Which _____ installations and wiring?
_____ you _____ the recommended tools _____ and connecting electronics?
Is _____ tools _____ wiring _____ connections during part installation?
What are _____ best tools _____ and _____ connections while _____ parts?
_____ there _____ specific tools to _____ connecting electrical _____?
_____ on _____ tools should be used to _____ while _____.

Any _____ specifically _____ for handling _____ electrical connections _____ setup?
_____ tools should _____ use when _____?
_____ there _____ for _____ a part?

Are there _____ are _____ designed for wiring _____?
_____ on suitable devices _____ are _____ handling _____ connecting parts?
Equipment _____ designed _____ wiring _____ electrical joints while _____ parts?
_____ best tools for _____ that _____ wirings or electrical _____?
What are _____ best tools _____ the _____ of parts that _____?
_____ there a set of _____ handle wiring _____ connections?
Any _____ designed _____ wiring _____ electrical _____ during part setup?

What tools _____ wiring _____ electrical _____ are involved?
Is _____ tools guaranteeing _____ of wires _____ electrical _____?
Seeking advice _____ that _____ manage wiring _____ components.
_____ you recommend _____ tools to _____ with _____?

_____ wiring _____ electrical _____ for _____ parts?

_____ can be _____ connecting _____ components.

Can _____ suggestions about _____ instruments _____ proper connection _____ wires and _____ links?

_____ recommended tools for handling electrical _____ installing parts?

_____ there _____ tool _____ wiring and _____ when installing parts?

_____ advice _____ equipment to _____ the wiring _____ parts.

_____ specialized tools that ensure _____ handling of _____ electrical _____?

_____ tools _____ for handling _____ connections?

Suggestions _____ devices _____ wiring and _____ parts?

Any recommendations _____ needed _____ handling _____ and replacing parts?

_____ possible to suggest tools for _____ installing _____ parts?

_____ the best _____ for _____ connections for part installations?

_____ preferred set _____ tools for wiring and _____?

Do you have _____ approved _____ managing _____ connections _____ installation?

_____ are _____ for _____ connections when installing components?

_____ equipment specifically _____ to aid with wiring _____ electrical _____ while _____?

There _____ that can handle _____ installing _____.

Which tools should _____ handling _____ connections?

What _____ tools to use _____ installments _____ that _____ or electrical hook-ups?

What _____ the _____ tools to manage _____ and _____?

What are _____ tools to _____ when wiring _____?

Which _____ are _____ best _____ working on electric _____?

Special instructions _____ equipment _____ wiring and _____ while attaching _____?

_____ precise devices for handling _____ connected _____?

_____ to handle electronics when _____ new components?

_____ on tools that _____ manage electric _____.

Is there _____ tools _____ electrical _____ during part _____?

There are _____ that _____ be _____ the installments of _____ that _____.

_____ about specific _____ for _____ that involves _____ or _____ hook-ups?

_____ suitable _____ handling _____ and connecting parts

Do you _____ any _____ how to handle _____ replacing _____?

When installing _____ there _____ designed _____ handle _____?

_____ you suggest tools _____ specifically _____ wiring and _____ connections?

Does anyone have _____ tools for _____ wiring _____?

The _____ wiring during parts _____?

_____ are some tools _____ for _____ wire _____?

_____ are _____ tools to _____ wirings?

Should you suggest _____ of _____ and electrical _____?

When _____ to _____ connecting electronics, what _____ should _____ use?

How _____ wiring and electrical _____?

_____ a recommended _____ for _____ during _____ parts setup?

Can you _____ me _____ the _____ for _____ connection _____?

Is _____ any _____ you _____ to _____ connections during part _____?

Suggestions _____ designed _____ handling wiring and connecting _____?

Is _____ tools _____ wiring and _____?

Is _____ advised _____ tools to install _____ with _____ connections?

_____ it possible _____ connection _____ tools?

_____ equipment _____ to handle wiring and electrical _____ part _____?

Do you have _____ set _____ that can _____ and _____ automotive parts?

_____ are _____ best _____ for _____ part _____?

Suggestions ____ what ____ should ____ for ____ wires and ____.
 ____ there any ____ tools ____ electrical ____ the parts?
 What are the ____ use ____ the ____ of ____ involve wirings?
 There ____ that ____ used for the ____ that ____ wirings or electrical ____.
 ____ to suggest specific ____ for electrical ____ while ____ vehicle ____?
 ____ of ____ tools for electrical ____ during ____?
 ____ are ____ tools ____ should ____ to install parts ____ connections.
 ____ you ____ any ____ about the ____ handle electrical connections?
 ____ know if ____ tools for handling wiring and ____ connections.
 ____ possible to suggest tools ____ wiring ____ hookups?
 ____ there ____ designed ____ handle wiring ____ connections?
 ____ on appropriate tool ____ for ____ electronic component ____.
 ____ specialized tools ____ the ____ for ____ up ____ connections?
 Suggestions ____ selection are sought for managing ____.
 ____ you have ____ managing electrical connections ____ part ____?
 Should tools ____ wiring and ____ connections ____ installation?
 ____ used ____ wirework and electric connections
 ____ recommended for ____ during ____ setup?
 What are ____ should use ____ wiring and ____?
 Are ____ tools ____ handling ____ with ____?
 ____ are there specific ____ handling wires and ____ things?
 ____ there a ____ that handles ____ and ____ installing ____?
 What are the ____ tools ____ parts that involve ____?
 ____ are ____ tools to ____ electrical ____?
 ____ are appropriate ____ connecting ____?
 Is ____ set of ____ handle wiring and electrical ____?
 ____ there ____ prescribed ____ that you ____ to manage ____ and electrical ____?
 Are ____ tools for ____ work with ____?
 Suggestions ____ suitable, precise devices ____ for ____ wiring ____.
 ____ that ____ be ____ to install parts that involve ____.
 Can ____ me about specific tools to ____ connecting ____?
 Is there ____ set of tools that can be ____ handle ____ when installing ____?
 Can you ____ best tools ____ wiring ____ connections?
 ____ advice on ____ that ____ be used to ____ new components.
 ____ in ____ parts, ____ wiring tools?
 ____ tools that should ____ used ____ installing parts ____ wiring ____.
 ____ there ____ specific set of tools available ____ and ____?
 Suggestions on ____ precise ____ to ____ and connecting ____?
 Suggestions ____ suitable, ____ that are specifically designed ____ wiring ____ connecting ____?
 What ____ specific tools ____ use ____ dealing with ____ components?
 ____ connecting electrical components do ____ specific tools ____?
 ____ electrical ____ which ____ should ____ use?
 ____ you recommend ____ special ____ perform ____ work?
 ____ in ____ on appropriate tool ____ electronic ____ assemblies.
 ____ you ____ any ____ for smoothly handling ____ and installing ____?
 What ____ best ____ to use ____ electrical ____ connections?
 There are ____ that can ____ wires while ____ parts.
 ____ for ____ connections handling tools?
 Suggestions ____ right devices ____ and connecting parts.
 Is there a ____ of tools ____ to ____ wiring and ____?

_____ you have _____ that you _____ to manage wiring _____ installation?
 What are _____ recommended tools _____ and _____ hook _____?
 _____ you _____ recommended _____ wiring and electrical connections while installing automotive _____?
 _____ meant to _____ with _____ and electrical joints _____ attaching _____?
 When _____ electrical components are _____ to _____?
 _____ installation _____ there preferred _____ for _____ and _____ connections?
 _____ me if _____ specific tools to _____ when connecting _____ components?
 Is _____ tools for _____ wiring and _____ connections _____ automotive parts?
 _____ any specific tools _____ managing _____ electrical connections during _____ installation?
 There are _____ manage _____ electric connections _____ installations.
 Is _____ to _____ tools _____ electrical connection _____.
 _____ specific _____ exist to handle wiring _____?
 Is it possible to get _____ on _____ are _____ connections?
 Can _____ suggest _____ instruments to manage _____ between _____ and electrical _____?
 Can _____ be _____ connect _____ components?
 Any _____ on _____ for handling _____ and _____ parts?
 Can you _____ me _____ recommended tools _____ to _____ wiring and _____?
 Do you _____ the _____ tools to _____ electrical _____?
 _____ devices specially designed _____ wiring and _____ parts?
 Suggestions _____ to handle _____ and connecting _____?
 recommended _____ wiring during _____
 Suggestions on _____ in installations.
 Do _____ special tools for _____ and electrical _____?
 _____ advice _____ to _____ electrical wiring in _____ parts.
 _____ regarding preferred _____ for wiring and _____ installation.
 Is there _____ tools for _____ connections _____ parts?
 Recommended gear for _____ the _____?
 Which tools _____ best _____ electrical _____ part setup?
 Is there _____ tool for _____ and _____ you recommend?
 What are _____ tools for handling _____ adding _____?
 Any _____ for _____ handling wiring _____ connecting parts?
 _____ there _____ recommended _____ during parts _____?
 _____ tools _____ handle electrical work with _____?
 _____ there _____ tools used _____ electrical components?
 What gear _____ recommended _____ parts _____?
 _____ can be _____ for dealing with _____ installation?
 _____ on devices that _____ specifically intended to handle _____?
 Do _____ suggest _____ tools _____ help _____ connections?
 Which tools should be _____ part _____ electrical _____?
 Special _____ specifically _____ aid _____ wiring and electrical _____ parts?
 Do _____ recommend equipment that is specifically _____ and _____ connections during _____?
 _____ that should be used _____ installing _____ wires.
 What are the best _____ electrical hook-up _____?
 _____ are _____ ideal _____ wires when _____ parts.
 _____ that can _____ for wiring and _____ connections _____ part _____?
 Is there _____ for _____ when _____ put in _____?
 What are the _____ for the installation _____ involve _____?
 _____ there _____ that is specifically designed _____ electrical links in _____?
 _____ on appropriate _____ manage wiring and _____ connections _____ new components.
 _____ certain tools that should _____ used _____ or electrical _____.

_____ advice _____ appropriate equipment to _____ new components

Recommended _____ and _____ hook-ups?

Which _____ tools should be used _____ wiring _____?

_____ about recommended _____ wiring?

What are _____ tools for _____ wiring or electrical _____?

_____ you _____ what _____ tools are _____ wiring and _____ connections?

_____ should be used _____ deal with _____ during _____ installation?

_____ appropriate equipment _____ to manage wiring _____ new _____.

_____ you know _____ tools _____ use when _____ electrical _____?

Do you _____ suggestions _____ essential gear for _____?

Are there _____ tools that can _____ wiring _____ electrical _____?

Seeking advice _____ equipment that _____ in _____ and manage _____.

Do _____ any _____ to _____ wiring _____ electrical _____ installations?

Suggestions for _____ wiring and _____ parts?

When I'm _____ new _____ should _____ have tools _____?

_____ deal with wiring _____ electrical _____ during _____?

Tools to _____ wiring _____ electrical _____ a part _____?

What are the _____ to _____ wire _____ when installing _____?

Are _____ special tools _____ handle electrical connections?

Which _____ are _____ for connecting _____?

What _____ best _____ to use _____ parts that _____ or _____ hook-ups?

_____ specific _____ exist _____ electrical components?

Is it _____ certain tools _____ connections when _____ vehicle parts?

Which specialized tools are most _____ and _____?

_____ advice on appropriate _____ managing _____ and _____ in new _____.

_____ gear for wiring _____ setup?

_____ there any recommended tools _____ wiring when _____?

Special _____ to _____ wiring _____ electrical joints?

_____ advice _____ that can be used _____ new parts.

_____ specialized tools _____ best _____ to _____ connections?

Is _____ any _____ tools _____ connect electrical components?

Do you _____ any special _____ to _____ parts _____?

Do _____ any recommendations for _____ to _____ and electrical _____?

Seeking advice _____ appropriate _____ to manage the _____ components.

_____ and _____ what _____ the _____ tools to use?

I _____ suggestions _____ appropriate tool selection _____ component _____.

Do _____ tools _____ smoothly handling wire _____ electric _____?

Do _____ what _____ for wiring and electric connections?

Seeking advice on _____ equipment that _____ used to _____ new components.

_____ tools for _____ connections during _____?

There are _____ that _____ be used _____ installing parts _____.

_____ installing parts, _____ to handle _____ and electrical connections?

What _____ the _____ tools for _____?

_____ be tools _____ to handle wiring and _____ when _____?

_____ are _____ best tools _____ connections in _____ installations?

What specific tools should _____ some electronic _____?

Suggestions on the _____ for handling _____ parts.

_____ use specific tools _____ connect _____?

_____ the recommended tools _____ when _____ wires?

_____ about special _____ for _____ and _____ connections while _____ in _____?

_____ tools _____ when connecting wires?

Suggestions for tools to _____.

What are the _____ tools _____ installing _____?

_____ tools are _____ for _____ connections?

Suggestions on suitable, _____ can handle _____ connecting _____?

Are _____ tools that _____ handle _____ work _____ installed _____?

_____ tools should _____ when wiring _____ electrical work is _____?

Do you recommend _____ electrical _____?

_____ there any prescribed tools you _____ wiring _____ connections during _____?

Is there _____ recommended tools _____ and electrical connections during _____?

_____ equipment supposed _____ with wiring and electrical _____ while _____?

Suggestions _____ what _____ be _____ for _____ wires _____ replacing parts.

_____ equipment _____ is designed _____ electrical connections during part _____?

Seeking advice _____ equipment _____ manage _____ new components.

_____ you _____ to _____ special tools for wiring _____?

_____ are certain _____ for handling _____ electric _____ when installing _____.

Do _____ recommend tools _____ electrical _____ connections when _____?

_____ there _____ on _____ devices for handling _____ and _____ parts?

_____ tools for _____ electrical connections?

_____ deal _____ electrical work?

_____ should be _____ when connecting a _____?

Any equipment _____ to _____ connections _____ part setup?

Suggestions on appropriate, _____ handling wiring and _____?

_____ recommended tools for handling _____ wire connections _____ parts?

Do _____ suggest gear _____ parts _____?

_____ are _____ best tools _____ handle _____ wire _____?

Recommended _____ during _____ setup?

_____ are _____ available for _____ installment _____ that involve wiring.

What _____ the best _____ when handling electrical installations _____?

What _____ the _____ for electrical connections during _____?

_____ on _____ for _____ connections when installing parts.

Will there be _____ wiring _____ connections?

Should there _____ preferred _____ for _____ electric connections?

_____ recommend a set _____ tools _____ wiring and electrical _____?

Which _____ good _____ wiring _____ electric connections during part _____?

Do you _____ recommended gear _____ wiring _____ setup?

_____ recommended for handling electrical _____ when _____ parts?

_____ the _____ tools _____ should be _____ when dealing _____ wires?

_____ wires, _____ tools should _____ use?

_____ you _____ preferred _____ electrical connections _____ parts installation?

_____ possible _____ tools for _____ electrical connection installation?

_____ for electrical connections _____ installation

Tools for wiring _____ electrical _____?

Special equipment _____ aid _____ wiring and _____ available?

_____ for _____ appropriate _____ designed to manage wiring when _____ components

Can _____ for _____ parts setup?

There _____ for handling electrical _____ installing parts.

There _____ that _____ be used _____ installing _____ with wiring _____.

_____ there _____ specific _____ of tools _____ or electrical _____ parts?

Do _____ have _____ tools for wiring _____ installation?

Is there a _____ of _____ would _____ electrical connections when _____ automotive _____?
_____ recommend _____ that can handle electrical _____?
_____ on devices _____ are specifically _____ wiring and connecting _____?
_____ you think there _____ and electric connections?
_____ specialty instruments are _____ attaching electronics and _____?
What _____ the _____ tools _____ when _____ electronics during _____?
Any recommendations _____ equipment to handle wiring _____ connections _____?
What _____ be _____ the _____ that _____ or electrical hook-ups?
When it comes _____ connecting _____ process, _____ are the _____ tools?
_____ any equipment _____ to handle electrical _____ part setup?
Equipment designed to _____ and _____ is available?
_____ ask _____ the best _____ to use _____ installation _____ wire connections?
Should we suggest _____ during _____ parts _____?
There are certain _____ connections when installing parts.
What are the _____ tools _____ use when _____?
Are _____ any prescribed _____ managing _____ in part installation?
_____ there _____ equipment _____ wiring and electrical connections exclusively _____?
Should _____ be certain tools _____ electrical connections?
Looking for _____ on _____ tool _____ managing electronic _____.
Do _____ any _____ for wiring?
The _____ that involve _____ electrical _____ recommended _____ available.
_____ for _____ wiring and connecting parts.
Can _____ ideal tools _____ wiring _____?
Any _____ handle _____ electrical connections during part setup?
There are tools _____ be _____ parts with _____ connections.
_____ instruments _____ wiring in parts installation.
_____ you _____ what _____ are needed for _____ and _____ parts?
Is there _____ preferred tools _____ wiring _____ electric _____ installation?
Is _____ recommended _____ handling electrical connections _____ installing _____ parts?
What are _____ tools to _____?
Is _____ a _____ that can be used _____ electrical _____?
_____ putting in _____ I have any tool options _____ electrical stuff?
What are the _____ use _____ electrical _____ work?
_____ get some _____ on _____ tools _____ best suited for _____ wire _____?
_____ dealing _____ wiring and _____ during part installation.
Seeking advice on _____ to _____ fitting _____ new _____
There are tools that _____ used _____ wirings _____ electrical _____.
_____ installing things are _____ gadgets _____ wires?
Which _____ be _____ for handling _____?
Any _____ on _____ to _____ and _____?
_____ designed _____ handle wiring and connections?
_____ tools _____ be _____ electrical connections _____ part installation?
_____ certain tools _____ dealing with _____ for electronic components?
Are _____ tools that ensure the _____ of _____ electrical _____?
Is _____ set of tools _____ handling wires _____ electrical _____?
Is there a _____ handling _____ electrical _____ that you'd recommend?
Any _____ designed to _____ wiring _____ in part _____?
_____ are _____ tools to _____ when dealing _____ wiring _____ connections?
I _____ some advice _____ best _____ handling wire connections.
What specific _____ should be _____ electronic components?

_____ you tell me if there _____ wiring _____ electrical _____?

_____ there _____ specific tool _____ suggest for _____ and _____ connections?

_____ it comes _____ connecting electronics, what _____ the appropriate _____ use?

Any equipment specifically designed _____ handle _____ and _____ part _____?

_____ what _____ to _____ for wiring and _____ connections?

_____ are _____ designed _____ handle wires _____ installing _____.

Recommendations _____ handle _____ electrical _____ installations?

Suggestions on tools _____ be _____ to _____ in installations.

Should _____ set _____ for _____ wiring and electrical connections when _____ parts?

_____ tools _____ I use _____ wire networks _____ electronic _____?

What _____ to use for the installments of _____ involve _____?

_____ advice _____ appropriate _____ for fitting in _____ components _____ have _____.

_____ advice _____ equipment _____ is designed _____ manage wiring _____ in new _____

_____ should be _____ when dealing with _____?

Tools to _____ connections during _____

_____ tools that are _____ wire connections when installing parts?

There _____ tools _____ be used to install parts _____.

Any equipment _____ specially _____ during part setup?

_____ tools to handle _____?

_____ are _____ are ideal _____ handling electrical _____ connections _____ installing _____.

_____ what tools are needed _____ replacing parts.

_____ ideal for handling electrical _____ when _____ parts.

When _____ in _____ I want advice on appropriate equipment _____.

_____ possible to suggest _____ for electrical _____?

What _____ tools you _____ install wires?

Which tools _____ for _____ electrical _____ connections when _____?

Any _____ for electrical _____ tools?

Suggestions on devices _____ wiring _____ parts

What _____ should I _____ handle wire networks _____?

Equipment _____ aid _____ wiring _____ electrical joints?

_____ for _____ for _____ wires?

_____ are the _____ or electrical hook-ups?

_____ you suggest any special tools _____?

_____ should _____ tools _____ handling electrical _____ installing parts.

Should you suggest a set _____ tools _____ connections when _____ parts?

_____ can be _____ to manage wiring _____ part setup?
