

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Questions about remote access and controls
Inquiry Sub-Category	Monitoring remote system activity
Description	Customers inquire about receiving notifications or alerts related to their alarm system's remote access, such as updates on system arming/disarming, motion detection, or accessing surveillance footage.
Data Size	11,921 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Can multiple users ____ different ____ the ____ camera feed/video ____?
 ____ could use separate gadgets ____ operate/view/share ____ cam.
 Can ____ group of people view ____ control ____?
 Can ____ see/manipulate ____ single ____ footage?
 Can ____ watch ____ this recording on ____?
 Is ____ a way for ____ device users ____ control ____ feed ____ same ____?
 How many people ____ from ____ simultaneously?
 May several ____ the ____ feed on multiple ____ the ____ time?
 More than ____ could ____ from ____ same ____.
 ____ people on ____ gadgets ____ a chance ____ at ____ same ____?
 ____ people ____ simultaneous ____ and control over the ____ live footage ____
 Are ____ allowed to ____ to view and handle the ____?
 Different ____ can use different devices to ____ the ____.
 Do ____ people have ____ over ____ from the same ____?
 ____ different devices ____ camera ____ for many ____?
 Is ____ possible for ____ access a ____ video feed on ____?
 ____ several ____ different devices to ____ same ____ feed?
 Multiple people with ____ can see ____?
 Is ____ possible ____ users to see the ____ at ____ time?
 ____ allow ____ camera access ____ many users?
 Are multiple ____ the ____ camera?
 ____ multiple ____ the same camera feed on ____?
 ____ several users ____ the ____ on ____ devices ____ the same time?
 ____ multiple users capable of ____ single ____ feed ____ devices?
 ____ see a ____ footage ____ once.
 Can several people ____ the same ____ feed/video ____?
 ____ more ____ one person controlling ____ camera ____ at the ____ time?
 ____ it possible ____ simultaneous access/control ____ a shared ____?

Can ____ be more than ____ a ____ from various ____?

____ single video feed on different gadgets?

Can ____ the same ____?

____ many ____ to ____ security camera at once?

How many ____ to watch ____ feed ____ seperate gadgets?

Different ____ the same ____ video ____.

____ camera ____ to multiple ____ using separate devices?

Can people ____ the same ____ footage on different devices ____?

____ to ____ a ____ camera feed ____ multiple people?

Can users view the same ____ time?

Do many people have ____ over ____ camera footage?

____ be ____ manage the same video?

____ people view/control ____ feed at the ____ time?

How ____ people can ____ from different ____?

There ____ a possibility that ____ could ____ from ____.

Are ____ capable ____ controlling ____ single camera ____ using ____ devices?

____ and ____ the ____ camera stream?

Is ____ for multiple users ____ access the ____ feed ____ multiple ____?

Many ____ on different ____ operate/view/share from ____ cam.

____ with different ____ and manage ____ camera feed?

There ____ a chance ____ many ____ could operate/view/share ____ camera.

____ have control over ____ same ____ footage ____ a camera source?

There is a ____ for ____ viewing ____ remote ____ shared ____ stream.

____ it possible for ____ access ____ same ____ footage?

____ possible for ____ to see/control ____ same ____ footage?

Is it ____ for different device users ____ same ____ feed?

____ different ____ view ____ the ____ camera stream?

____ it possible ____ users ____ control/view the ____ stream?

Is ____ possible for people ____ monitor/control ____?

Is ____ possible for ____ to ____ the same ____?

____ view and control ____ same ____ feed ____ different ____?

____ view/control the ____ stream?

Do people have simultaneous ____ footage?

____ multiple people watch a single ____ on ____?

____ device owners concurrently use a ____?

____ there a way for ____ to view ____ same ____ stream?

Is it ____ for multiple users ____ see ____ camera ____?

Is ____ possible ____ a ____ camera stream across different ____?

Several users ____ a ____ video ____ using different devices.

Can ____ manipulate the ____ footage on multiple devices?

____ different ____ users ____ camera stream?

Can simultaneous ____ a shared camera ____ be done ____ various user ____?

Are ____ people ____ of ____ camera's ____?

____ view a single ____ live footage on ____.

Is it possible for ____ users to ____?

There ____ be many ____ operating/view/share ____ same ____.

____ several users ____ and ____ a ____ camera feed?

____ the same ____ footage at the ____ time?

Is it ____ simultaneously ____ and ____ stream across different ____?

____ view/control/access the same ____ feed/video ____ the same ____?

Is it ____ for several ____ the same ____ the ____ time?
 ____ many people ____ manage a ____ camera ____ the same ____?
 Can many people watch and control ____?
 Can ____ concurrently access this visual ____?
 ____ people are allowed to view ____ same ____.
 Can multiple ____ different devices ____ the ____ feed?
 ____ many people ____ single video ____ different gadgets?
 ____ a way for ____ person to ____ control ____ camera feed?
 Is it ____ to watch a ____ feed on ____?
 Diverse people on ____ tools ____ visual ____?
 Do ____ users ____ different devices have ____ same access ____ the ____?
 Is ____ and ____ a camera feed from ____ devices?
 ____ people have ____ access to ____ over ____ same ____ footage ____ the ____ camera?
 Is access to the same ____ allowed ____?
 Is there ____ for ____ to see/manage ____ together?
 Is it ____ users to ____ and ____ same camera ____?
 Multiple users on ____ devices ____ see the ____?
 Can ____ use different ____ view the ____ camera ____ at the ____?
 Do people ____ gadgets ____ the ____?
 ____ view/control/access the ____ feed ____ multiple devices at ____?
 ____ people ____ camera's footage?
 ____ more ____ person control a ____ video/stream ____ the same ____?
 ____ simultaneously access/view/control a ____ feed.
 Is ____ possible ____ watch/control a shared camera ____ at ____ time?
 ____ people ____ live ____ footage across ____ devices ____ the same time?
 Do many ____ have ____ to ____ live stream?
 Does ____ camera ____ simultaneous viewing?
 ____ people control/view ____ video stream at ____ same ____?
 Is it ____ for multiple ____ to ____ and ____ one ____ at ____?
 Can ____ view ____ feed from ____ devices?
 Multiple ____ may ____ access the ____ video stream.
 ____ many people ____ one ____ from different gadgets simultaneously?
 ____ some people ____ control ____ same camera stream ____ devices?
 Can ____ people use ____ devices to ____ and ____ same ____?
 ____ it ____ for ____ people ____ and operate ____ single ____ recording?
 Multiple ____ the same video feed.
 Can more ____ user ____ simultaneous access/control ____ the ____ feed?
 ____ it possible ____ view and manage ____ shared ____ stream ____?
 ____ device ____ may be able to simultaneous ____ stream.
 ____ many people ____ camera feed or ____ stream ____ different ____ simultaneously?
 Can ____ and control ____ same ____?
 Is it possible for ____ same ____ feed?
 ____ users ____ shared ____ stream?
 Several ____ using ____ able ____ a single ____ feed together.
 ____ several ____ control/view ____ same feed ____ same time?
 ____ it possible ____ to ____ control the same ____ feed ____ different ____?
 Does ____ have the ____ and ____ that ____ feed?
 Can ____ camera stream?
 Is ____ several users to access and ____ the ____ footage on ____?
 Is there ____ for several users ____ a camera ____?

____ a group of ____ control/view ____ same ____?
 ____ it possible ____ to control/view the ____ feed?
 Is ____ for ____ see ____ footage at the same time?
 ____ be ____ access to the same ____?
 ____ device owners could ____ video stream.
 Is ____ users ____ see and manage one ____ video?
 Can one ____ feed be ____ by ____ at ____?
 Can ____ connected devices ____ access to ____ shared camera ____?
 ____ view ____ camera feed?
 ____ multiple users concurrently see/control/access the ____ on ____?
 ____ interact ____ single live video feed ____ varied devices.
 Can ____ view ____ camera ____?
 Is ____ many ____ to view ____ control ____ same camera ____?
 Users can ____ the same video stream ____.
 ____ different device users have ____ simultaneously access/view/control one ____?
 Is it possible ____ more than one person ____ and ____ feed ____ the ____ time?
 Is ____ for ____ one person ____ access ____ single live-feed ____ across ____ platforms?
 Do ____ have ____ camera's footage?
 Is there a way ____ a ____ to ____ devices?
 Can ____ view/control a ____ video ____.
 Can ____ people watch ____ manage this recording ____?
 ____ people ____ to view and ____ a single ____ feed?
 Is ____ possible for ____ different ____ to ____ and ____ same camera ____?
 ____ using different ____ view ____ manage ____ camera feed ____ same time?
 ____ many people have simultaneous ____ to ____?
 Can ____ users ____ the same ____ feed from ____?
 Is it ____ group of people to ____ a ____?
 ____ it possible ____ use different devices to ____?
 Is it ____ for multiple ____ the ____ feed on different ____?
 Is ____ a way ____ several users to see ____ live ____?
 Do ____ people have the ____ control over ____ live ____ same camera?
 ____ it possible for ____ of ____ use ____ same camera ____?
 ____ users have ____ access ____ the camera ____ devices
 ____ people ____ allowed ____ see and ____ camera at the ____.
 Can several people view/control ____ single video ____?
 ____ possible to ____ manage a shared ____ various devices?
 ____ possible ____ multiple users to ____ watch/control a ____?
 Is ____ that different ____ allow ____ access ____ many users.
 Several ____ can interact with ____ single ____ feed using ____.
 ____ different ____ users ____ the ____ to the video ____?
 Is ____ camera ____ by multiple ____?
 ____ across ____ have simultaneous access ____ the same live footage.
 ____ anyone ____ live camera footage from multiple devices ____?
 Do people ____ different gadgets ____ the ____ camera?
 Can a camera ____ be ____?
 ____ the ____ feeds accessible ____ multiple users ____ a ____?
 ____ for many people ____ see the ____ at once?
 Is ____ for different people to ____ same camera ____?
 Is there ____ for different ____ watch ____ video stream?
 ____ on different devices ____ the same ____ same ____ feed?

Multiple _____ may have access _____ the _____ video _____ devices.

_____ a _____ for users _____ and manage _____ video together?

_____ possible for people on _____ the same camera feed?

_____ many people watch _____ thing on different _____?

_____ for multiple people _____ see/control _____ camera _____ once?

Are _____ people _____ camera at once?

_____ different _____ allowed simultaneous camera _____ many _____?

_____ multiple _____ use the same _____?

Are _____ users _____ to _____ a _____ camera feed?

Is _____ possible _____ use many _____ view _____ security _____ once?

_____ users using _____ devices able to _____ and control a _____?

_____ users on different devices _____ access _____ a camera _____.

_____ it true _____ many _____ have simultaneous _____ and _____ over the _____?

_____ it _____ more than _____ view and _____ a video feed?

_____ many users have the same _____ over _____?

How _____ are _____ to _____ a _____ camera feed _____ separate _____ at _____ time?

Is _____ possible for _____ users _____ same feed on _____?

Can _____ one _____ at the _____ time?

_____ live camera _____ across _____ devices?

_____ possible that _____ than _____ person _____ access and operate _____ single _____ recording?

Is it possible for different _____ to _____?

_____ it possible _____ multiple people to _____ feed?

_____ it possible _____ users on _____ have _____ same video feed?

Is it _____ access _____ video feed _____ different _____?

Is _____ possible _____ users to _____ view _____ control a _____ feed?

_____ people on _____ devices have _____ same feed?

Do different _____ similar _____ to _____ video stream?

_____ they _____ live camera stream?

_____ users have _____ access to a _____ stream?

Is _____ possible _____ people _____ or manage _____ recording simultaneously?

Is _____ for multiple _____ see/control _____ camera at _____ time?

_____ several users access _____ control _____ same _____ same time?

_____ a _____ control a camera stream _____ devices?

Can several users _____ video stream _____ the _____?

Can multiple device _____ use a _____ at _____?

_____ several people use different devices to _____?

_____ possible for _____ bunch of _____ to access _____ camera's _____ feed?

_____ people use different _____ view _____ manage _____ feed _____ the _____ time?

_____ you _____ feed/ video stream _____ different devices?

_____ it possible _____ multiple individuals to _____ one _____ at _____?

_____ users view/control/access _____ same camera _____ on different _____?

_____ it _____ than _____ to _____ a video feed simultaneously?

_____ have the _____ to access and control a single _____ and _____?

Multiple _____ with _____ single live _____ on diverse devices

_____ users _____ to view and _____ video stream.

Will users _____ view _____ handle _____ video stream?

Is it _____ to simultaneously _____ and control the _____?

Can users _____ the _____ live _____ on _____ devices?

Can _____ viewing and _____ of _____ shared _____ be accomplished across _____ user _____?

Do users on _____ have simultaneous access to _____?

_____ some _____ users _____ the _____ camera _____?
 Are camera _____ on _____ at the same _____?
 Using diverse _____ can _____ users interact _____ a single _____?
 _____ several _____ with different devices _____ same _____?
 Does _____ allow _____ viewing _____ control for multiple _____?
 _____ lots of _____ simultaneously _____ or manage _____?
 Can _____ users _____ the _____ camera feed/ _____ stream _____?
 Can _____ multiple devices _____ view _____ manipulate the _____?
 _____ many people can watch/control/view one _____ feed _____ simultaneously?
 Can _____ access/manage _____ camera feed?
 Can _____ see the _____ camera _____?
 _____ people control _____ single _____ at _____ same time?
 Can so _____ manage _____ particular recording at the _____?
 Can multiple users _____ devices simultaneously _____ control the _____?
 _____ it possible _____ different device users to _____ camera _____ at _____?
 Do different _____ access to _____?
 _____ different gadgets _____ the _____ look at the same _____?
 Can several _____ live camera _____?
 How _____ people _____ devices at the same time?
 Is it _____ control a _____ stream _____ other _____?
 Is it possible _____ users _____ to _____ video feed?
 There _____ be many people _____ operate/view/share _____ cam.
 Users may _____ the same _____ the same _____.
 Can several people _____ camera _____ on _____ devices?
 _____ people view/control a single _____ on _____ gadgets?
 Can several users _____ devices _____ access and _____ a _____?
 Is _____ many users to have _____ at _____ time?
 Can _____ view _____ feed _____?
 Can _____ watch _____ a _____ stream?
 _____ many _____ have access and control over _____ same _____ footage _____?
 _____ it possible for _____ to _____ a camera _____?
 Can _____ different devices have the _____ access/control _____ same _____?
 Several _____ using separate _____ to _____ a live _____.
 _____ possible for multiple _____ to see _____ on _____ devices?
 _____ on _____ devices _____ view/control/access _____ same _____ at the same _____.
 Is _____ possible _____ different _____ access _____ video stream?
 Is it _____ for _____ people _____ a single _____ feed _____ same _____?
 Is _____ for _____ with different _____ access _____ control _____ same _____ footage?
 Is _____ permissible for _____ users to _____ handle _____ video _____?
 Do _____ users have _____ same _____?
 Is there _____ way to _____ the same time?
 _____ individuals _____ at _____ control a single video _____?
 _____ are _____ devices that allow _____ camera _____ different _____.
 Are _____ camera _____ accessible to _____ the _____ time?
 Do users on _____ to the video stream?
 Can a group of people simultaneously _____ feed?
 Is _____ device _____ able to _____ a _____ stream?
 There _____ separate gadgets _____ could _____ from the same _____.
 There are _____ devices _____ simultaneous _____ many users.
 Is it possible for people _____ to _____ feed?

_____ same camera _____ be viewed _____ users?

Can _____ users with _____ devices _____ simultaneous _____ shared camera _____?

_____ separate _____ watch/control the _____ camera feed?

_____ a single _____ live footage on different _____?

Can several _____ a single live _____ the _____ time?

_____ a _____ be accessed _____ different _____ at the _____ time?

_____ the _____ users _____ to _____ and handle _____ video stream?

_____ many people _____ view _____ camera _____ different gadgets simultaneously?

Do _____ different _____ the sameness _____?

Is it possible _____ several _____ access _____ control _____ footage at the _____?

_____ for _____ view the same video feed on different _____?

Multiple users on different _____ and control _____ same _____.

_____ people _____ access to _____ feed on _____ devices?

Do _____ people have _____ access and _____ footage _____ a camera?

_____ camera _____ allow simultaneous _____ and control _____ different _____?

Users can _____ video stream at the _____.

_____ it possible for a camera _____ to _____ accessed by _____ at _____?

_____ users simultaneously _____ control _____ same camera feed?

Can multiple _____ see/control the _____ same time?

Are _____ people allowed to control _____ the _____?

Can users _____ at _____ camera _____?

simultaneous _____ for _____ users _____ a _____.

_____ it possible _____ lot of people to _____ and _____ footage?

Can different _____ the _____ camera _____?

Can several _____ with _____ single _____ video feed _____ of devices?

_____ with different _____ and control _____ the same video stream?

How _____ users allowed to view the _____?

_____ for several people _____ view/control/access the _____ feed _____ once?

Can several _____ footage from a _____ on _____ devices?

_____ on _____ can see the same _____ footage.

_____ devices allow _____ a camera?

Can people on gadgets _____ and _____ the _____?

_____ the same camera _____ from _____ devices?

How many people _____ watch _____ camera feed _____ separate _____ simultaneously?

_____ it _____ for multiple _____ the _____ live camera stream?

Is it possible _____ see/control _____ camera's _____?

_____ several users _____ different _____ to access _____ control _____ single _____?

_____ possible _____ multiple _____ and control a _____ feed _____ the same time?

Can people on _____ same _____ feed?

_____ for different _____ to _____ the same camera stream _____ devices?

Can several _____ watch _____ control the _____ stream?

_____ users _____ different _____ may _____ simultaneous _____ the same camera _____.

_____ camera feed _____ for users?

_____ may _____ to _____ video _____ for multiple users.

_____ different _____ same access/view/control of _____ camera feed?

_____ users view/control/access _____ same camera _____ the _____ time?

Can multiple _____ view/control/access the _____ feed/video stream _____ the _____?

Do _____ users see _____ stream?

Is _____ possible _____ several _____ control _____ camera feed _____ the _____ time?

_____ people watch and control the _____ feed?

____ many ____ have ____ to the same ____ footage?
 Is it possible ____ multiple ____ to watch/control ____ live ____?
 ____ it possible ____ users ____ and control ____ footage ____ the ____ time?
 ____ it possible for ____ than one ____ view/control ____ camera ____?
 ____ use ____ gadgets ____ view one ____ camera?
 Can ____ and control ____ same ____ feed?
 ____ folks on ____ watch/control ____ same ____ feed?
 Can ____ people see ____ the same ____ feed?
 One ____ video ____ accessed by many ____ different gadgets.
 ____ people on different ____ the ____ sameness camera?
 Multiple users ____ camera feed/video stream at ____.
 Is ____ possible ____ multiple ____ on ____ devices to access and ____ the ____?
 Is ____ possible ____ and control the ____ footage ____ the same device?
 ____ it possible for many ____ on ____ gadgets ____ view ____ video ____?
 ____ people are allowed to view ____ live ____ at the same ____?
 Is it possible for ____ people to ____ the ____?
 ____ it ____ for everyone to ____ gadgets ____ one ____ camera at ____ time?
 Multiple ____ different ____ view ____ control a single camera ____.
 ____ a ____ people view ____ footage on ____ devices?
 ____ possible for ____ people to ____ the same ____ feed ____ the ____?
 Is it ____ for different device ____ access/view/control ____ feed?
 ____ anyone have simultaneous ____ over ____ live footage ____ a camera?
 ____ control a ____ feed at ____ time?
 Multiple ____ different devices can ____ camera feed ____ same time.
 Do ____ devices give ____?
 Is ____ a way ____ to ____ same camera's video ____?
 ____ users ____ have ____ access.
 Do users ____ and ____ of ____ single camera?
 Can ____ person see/control a single video ____ at ____?
 ____ and ____ management of a ____ stream be done ____ devices?
 ____ people ____ devices be able to see ____ video?
 multiple users can see/control/access ____ camera ____ on ____
 ____ it possible for several users to ____ a ____ time?
 Can several ____ the same ____ feed ____ the ____?
 Can ____ control the same ____ feed from ____?
 Can ____ the camera stream?
 Is it ____ for more than ____ to ____ a ____ recording across ____ platforms?
 ____ it ____ to ____ a camera ____ from different ____?
 ____ people view ____ same camera stream ____ devices?
 ____ multiple ____ have ____ to the same ____ feed?
 Do ____ on ____ look at the ____ camera.
 ____ a way for different ____ users ____ the same ____?
 ____ all ____ use multiple gadgets ____ view ____ at the same ____?
 Do people have access ____ shared ____ stream ____?
 May ____ view/control/access the ____ feed on multiple ____?
 Do different ____ to the ____ video stream?
 ____ it possible for ____ control a ____ stream?
 Is it possible for a group ____ same ____?
 Can ____ feed at the same ____?
 ____ simultaneously ____ with a single live video feed _____.

Are ____ able ____ see and ____ camera footage?

Multiple users ____ see/control/access the ____ camera ____ multiple ____.

May ____ users ____ camera feed/ ____ stream at ____ time?

How many people can watch/control/access video ____?

____ users ____ and ____ the same video stream ____ time?

____ for users ____ watch ____ control a shared ____ stream?

____ people ____ camera feed at the same ____.

____ simultaneous access for ____ users?

Is ____ possible ____ different ____ view ____ camera feed?

____ many people have ____ same access ____ footage ____ the same camera?

Can ____ people control/view ____ at the ____ time?

Can several ____ with different ____ the same ____ control ____ feed?

Do several users ____ the same ____?

How ____ individuals can view/control/access video from different ____?

Can ____ users interact ____ video feed ____ different devices?

Is ____ for ____ users to control one ____?

Is ____ for ____ people to watch ____ video feed ____ devices?

____ it ____ people ____ different devices to ____ camera feed?

____ a group of users on ____ same camera's ____?

Some users may view/control/access ____ on ____ devices at ____.

Multiple ____ may be ____ to ____ a ____ stream together.

____ it possible to ____ and manage ____ camera ____ across ____?

Can you tell ____ have simultaneous ____ control ____ same live footage?

Is it ____ multiple ____ gadgets ____ access the same ____ video ____?

____ it ____ a ____ of ____ to monitor a camera ____?

____ people allowed to ____ control ____ camera ____ the same ____?

Can different devices allow ____ access ____?

____ it possible ____ than one ____ to simultaneously watch/control ____?

____ use the same live ____ feed on ____?

____ users ____ different devices to ____ the ____ camera stream?

____ it possible to use ____ to access ____ single ____ feed?

Multiple people ____ could operate/view/share ____ identical ____.

Can ____ with different devices have ____ the ____ feed?

____ people can see/control ____ feed on ____ gadgets.

There is ____ that ____ simultaneous viewing and control ____.

____ there a ____ for multiple people to see ____?

Is it ____ for ____ people ____ same ____ at once?

Are people ____ to see ____ camera footage on ____?

Can different people ____ control ____ same ____?

____ it ____ for multiple ____ control and ____ the ____ camera?

Do different ____ users ____ ability to control ____?

____ users ____ a ____ feed?

How ____ live ____ or video stream from different gadgets at ____ same ____?

Multiple users ____ devices can ____ the ____ feed.

____ it possible for ____ device ____ a ____ stream together?

Users ____ and ____ same video ____ different devices.

Do ____ have the ____ video feed?

Does the ____ feed allow ____ different ____ different users?

____ many individuals ____ single video ____?

One ____ feed ____ accessed by different ____.

Several users using _____ devices are _____ of _____ a _____ video stream _____.

Do device users _____ concurrent _____ same video _____?

Is _____ for _____ people _____ access one camera's video _____?

_____ users see/control _____ feed?

Do different users _____ access _____ video stream?

Can _____ people control the _____ from _____ devices?

_____ it _____ for multiple people to view _____ a _____ feed _____ same _____?

How many _____ live _____ feed from _____ gadgets simultaneously?

_____ device _____ be able to _____ one _____ feed _____ same time.

Do multiple _____ to _____ camera feed?

_____ different _____ allowed _____ handle the same video stream?

Is it possible for multiple _____ to _____ video _____ same _____?

_____ possible for _____ few people to _____ control the _____ feed?

_____ people using different _____ see _____ the same camera _____.

Multiple _____ on _____ devices may have _____ video _____

_____ many _____ have simultaneous access to _____?

_____ possible _____ a shared camera stream across different _____ devices?

Do _____ devices _____ concurrent _____?

_____ possible to _____ and _____ stream simultaneously across different _____ devices?

_____ view/control _____ same camera feed _____ devices?

Can _____ multiple devices to _____ the _____?

Is _____ more _____ person able to _____ camera's _____?

Is _____ possible for multiple _____ on separate _____ to watch _____ the _____?

Does the _____ stream _____ users?

Can a group _____ people view _____ different _____?

_____ there a _____ to access a _____ stream _____ different _____?

_____ with _____ be able to see/manage _____ video?

_____ it _____ to simultaneous _____ a shared _____ stream across different _____?

Do multiple _____ on _____ access to the _____?

_____ it _____ for various devices _____ one _____ feed _____?

Were multiple _____ allowed to access _____?

_____ users have simultaneous _____ to the _____?

Can _____ folks _____ different _____ the same _____ feed?

Can several users _____ different _____ to _____ camera _____?

Can _____ many _____ one security camera?

_____ more _____ one _____ see/control _____ from various gadgets _____ once?

_____ multiple users _____ with _____ live video feed _____ different _____?

Is it _____ a _____ camera _____ with _____ users?

Can _____ interact with _____ live video feed _____ devices?

_____ it _____ for various users _____ control _____ shared _____ together?

_____ possible for a lot of _____ to access _____ control _____?

Are _____ people _____ to view/control _____?

_____ users _____ different _____ may be _____ and control a single _____.

Does the camera _____ allow _____ between _____?

Is it _____ to _____ to access a single _____?

_____ it possible for a _____ of _____ to _____ the _____ feed?

Is it possible _____ a camera _____?

_____ multiple _____ owners have access to _____ stream?

Many people _____ separate gadgets can _____ the _____.

Can users _____ feed on different gadgets?

Do ____ device users get ____ ____ ____ ?
 ____ many people can watch one ____ from ____ the same ____ ?
 ____ different ____ simultaneous access to ____ video stream?
 ____ with different devices to see the same ____ ?
 Can different ____ the ____ camera feed from ____ ?
 Does ____ viewing of the camera stream ____ multiple ____ ?
 Is it ____ for ____ to see ____ footage ____ same time?
 Is it possible ____ many ____ see the ____ video feed?
 ____ possible ____ different devices access ____ video stream?
 ____ multiple ____ separate gadgets ____ the same ____ the same time?
 Is ____ feed able ____ allow ____ and control?
 Is it possible ____ users to ____ the same camera ____ video ____ ?
 Do multiple users have the ____ camera's ____ ?
 Can there ____ simultaneous ____ over ____ camera feed ____ users?
 People can see ____ camera ____ .
 ____ it ____ simultaneously ____ and manage a ____ different user devices?
 ____ people using ____ can ____ and watch a ____ camera feed ____ time.
 Multiple users ____ different ____ may ____ simultaneous ____ the ____ feed.
 Is ____ possible ____ simultaneous access to ____ camera's ____ ?
 Can ____ different ____ view a single ____ feed?
 Do people ____ and ____ a single camera?
 Many ____ have ____ footage from a ____ across various devices.
 Is ____ for multiple ____ a single camera?
 Is ____ possible for ____ people to ____ a video ____ ?
 ____ devices ____ access/view/control ____ camera feed.
 Is it ____ to ____ and manage ____ video feed ____ ?
 ____ people ____ a single ____ live video on ____ ?
 Different ____ be able ____ the ____ video stream.
 Several ____ can view ____ video ____ at the ____ .
 ____ it possible ____ people on ____ devices to ____ control ____ same ____ feed?
 Can ____ than ____ control a ____ video ____ different gadgets ____ time?
 ____ see/manipulate a camera's ____
 ____ there ____ to control/view one video ____ at the ____ time?
 ____ users on different devices ____ the same ____
 Can ____ different devices see ____ camera stream?
 ____ many ____ camera access?
 Does your system ____ a ____ stream on ____ ?
 ____ many ____ possess simultaneous ____ and ____ over the ____ live footage ____ same ____ ?
 Is it ____ for people to ____ a ____ different ____ ?
 ____ some ____ the same camera ____ from ____ devices?
 Any ____ for diverse ____ to watch the ____ visual ____ ?
 ____ multiple users ____ devices ____ same camera feed?
 Is ____ possible ____ to see/control the ____ different devices?
 Can many ____ the ____ feed?
 Is it possible ____ see/control a ____ video/stream from ____ at ____ ?
 Can ____ control ____ feed ____ different devices?
 ____ several users ____ watch/ control a ____ ?
 Can ____ people view/control a ____ feed ____ gadgets?
 Can ____ one ____ concurrently peruse/access/manipulate ____ visual ____ ?
 Can ____ people watch/control ____ feed ____ same time.

Do many _____ access to _____ same live _____ from the _____?

_____ multiple people to _____ and _____ camera at the _____ time?

Is it _____ for different _____ to _____ a _____ stream?

Can different-device _____ same _____?

_____ to have _____ to and control the same camera _____?

Can users with different _____ stream?

_____ users on _____ may have _____ access _____ same video _____.

_____ many people have _____ control over a _____ live _____?

_____ lots _____ people watch/control _____ same camera feed _____ time?

_____ many people _____ one live camera feed _____ stream?

_____ people _____ gadgets have the _____ look _____ camera?

_____ chance for _____ various tools to _____ that same _____?

_____ of different devices _____ see _____ stream.

Multiple _____ simultaneous access to _____ camera _____.

_____ users _____ and _____ camera _____ from different devices?

_____ for users to monitor/control _____ camera stream _____?

Multiple _____ able to _____ a _____ footage _____ once.

Is _____ possible that several users _____ live _____.

Is _____ possible _____ simultaneously view _____ manage a shared _____ different _____.

_____ possible for multiple people to see _____ control _____?

_____ several users that use _____ capable _____ controlling _____ feed?

How _____ people can _____ a single live _____ feed _____?

_____ multiple users _____ control the _____?

_____ people _____ same _____ camera stream?

_____ people on _____ gadgets watch/control the _____ camera _____?

Can several _____ the same _____ feed at _____ same _____?

Can _____ control/view the _____ feed?

_____ different device users _____ access to _____ video?

_____ it possible _____ different _____ simultaneously access/view/control _____ video stream?

There can _____ than one _____ same _____ feed.

Can _____ view _____ on different _____?

Different device users _____ concurrently _____.

Different _____ the _____ camera stream.

Can multiple _____ see/control/access the _____ video feed?

Can _____ than _____ user _____ a device _____ the same camera _____?

_____ to watch _____ single video _____ on multiple _____?

Will people with _____ devices _____ to see _____?

_____ different _____ look _____ the same _____?

_____ it possible _____ interact _____ a single _____ video _____ diverse _____?

_____ people view/control the same _____ at _____ time?

_____ people _____ watch/control _____ same live _____.

Does a shared _____ stream _____ different device _____?

_____ several _____ have _____ access to _____?

_____ users with different _____ have the _____ the _____ feed?

_____ several people view live _____ on _____?

Is there access to _____ same _____ feed _____?

_____ possible for multiple users _____ control _____ same _____ video?

_____ users _____ view/control _____ camera feed at _____ same _____.

_____ several users _____ devices to control/access _____ camera _____?

_____ a lot of people _____ or _____ this _____?

_____ users _____ at _____ live camera stream?
 _____ different _____ users have the _____ access/view/control _____ same _____ feed?
 Is _____ a way for _____ the _____ video stream _____ devices?
 _____ the _____ the camera _____ viewing _____ different devices?
 _____ several people _____ live footage _____?
 Does _____ simultaneous viewing and control _____ devices?
 Can _____ people _____ watch _____ manage _____ particular _____?
 Can several _____ have _____ to _____ shared _____ feed?
 Do _____ have _____ access _____ single _____?
 Can several _____ different devices to _____ control the same _____?
 _____ people on _____ the same camera feed.
 _____ control a shared _____?
 Can several _____ use different devices to _____ single camera _____?
 Can people _____ camera _____?
 Can _____ simultaneously _____ camera feed?
 Multiple _____ can _____ the _____ feed.
 _____ can watch/control/view one live _____ feed _____ separate _____ the _____ time?
 Is it possible _____ see/control _____ multiple gadgets at _____?
 _____ possible for _____ on different _____ the same _____ video feed?
 _____ many _____ have access to _____ same _____ the same _____?
 _____ many _____ can _____ camera feed?
 _____ users _____ be able _____ handle the _____ video stream.
 Can _____ watch a _____ feed _____ same _____?
 Do _____ users _____ single camera's live stream?
