

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Fuel efficiency and environmental concerns
Inquiry Sub-Category	Future Fuel Efficiency Technologies
Description	Customers inquire about upcoming or evolving fuel efficiency technologies, such as advanced hybrids, plug-in hybrids, fuel cells, or promising innovations related to engine design, lightweight materials, or aerodynamics. They seek insights on availability and potential benefits.
Data Size	13,448 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

When ____ we ____ mainstream ____ hydrogen-fueled ____ like ____ powered ____ fuel cell technology?

What do you ____ about ____ question ____ cell ____ cars are going ____?

When will they ____ hydrogen ____ with ____?

There is a ____ period for ____ vehicles ____ be ____.

____ you ____ how ____ will ____ for these ____ cell autos to be ____?

When ____ expect to ____ hydrogen ____ on ____ street?

When ____ with advanced ____ be widely available?

Is hydrogen ____ to hit ____?

When the ____ will ____ access to hydrogen-fueled ____ cells?

When ____ high-tech cars ____ fuel cell goodness going ____ be ____?

____ would ____ know ____ the ____ public will have access ____ advanced ____.

Will ____ access ____ hydrogen-powered cars?

____ we ____ mainstream availability ____ hydrogen- fueling ____?

When ____ we get ____ cars ____?

How close ____ to the widespread ____ vehicles?

Soon ____ using advanced fuel ____ available?

Can ____ to ____ using fuel cells?

When ____ we ____ hydrogen cars ____ cells?

Will there ____ be ____?

Will ____ general ____ to hydrogen- fueled ____?

Is mainstream availability ____ hydrogen ____ near, ____ fuel ____?

What ____ the ____ timing ____ mainstream ____ of fuel ____ cars powered ____?

I would like ____ know ____ access to advanced fuel cell ____.

Is ____ a timetable for ____ vehicles ____ hydrogen?

Is there ____ of imminent ubiquity ____ fuel ____?

____ become more accessible?

How ____ to the widespread use ____ vehicles?

Are hydrogen-financed ____ with cutting-edge ____?

_____ cars _____ widely available?

Is _____ a timetable _____ when _____ be accessible?

_____ will hydrogen-powered _____ market saturation?

How soon _____ buy _____ new _____ with _____?

When _____ release _____ hydrogen-based automobiles with high-tech _____ cells _____?

Will _____ see Widespread use of Hydrogen-driven, _____ vehicles _____?

_____ to purchase hydrogen-powered cars using _____ fuel cells?

When _____ hydrogen _____ cell cars _____?

It's _____ that _____ mainstream _____ the sales region.

_____ when I should _____ see hydrogen vehicles on _____ street.

_____ hydrogen-based _____ to become _____?

Is _____ like with top-notch fuel _____?

Do _____ when _____ cars with advanced _____ cell technology _____ it _____ market?

Is _____ a _____ for _____ mainstreaming _____ hydrogen-enabled _____?

Will _____ able to _____ cars?

_____ will _____ cell _____ reach _____?

_____ cars be accepted?

_____ public ever have access _____ powered by _____ technology?

_____ we see the _____ use _____ hydrogen-driven, _____ cell _____ soon?

_____ will hydrogen-powered _____ thing?

When hydrogen- fueled vehicles _____ be _____ question.

Is _____ imminent _____ advanced fuel _____ driven _____ vehicles?

_____ know when hydrogen fueled cars _____ cell technology _____ become _____ available?

Can _____ tell _____ how long _____ is for these _____ to _____?

Is there a _____ availability of _____ and _____ vehicles?

Have _____ fueled rides _____ fuel cells coming _____ the _____ market?

When _____ cars with advanced _____ technology _____ accessible?

By when _____ we _____ the _____ hydrogen car _____ fueled by _____?

_____ will hydrogen _____ dealers?

_____ hydrogen- fueled rides _____?

When _____ fuel _____ vehicles hit _____?

_____ hydrogen-powered _____ cells soon?

So _____ fueled rides _____ go _____?

_____ tell me when I _____ on my _____.

_____ access to hydrogen-based, _____ technologies, how long?

When _____ average consumer could _____ efficient _____?

_____ it possible for ordinary _____ their _____ on _____ fueled _____?

_____ have access to _____ cars _____ advanced fuel cells, but _____?

_____ availability of _____ cars imminent?

_____ to know when I can expect to _____ street.

_____ might see _____ release _____ automobiles featuring high _____ here.

Want _____ know _____ fuel _____ will _____ your lots.

Are _____ plans to _____ cell vehicles more _____ the _____?

_____ fueled _____ be widely _____ is unknown.

Will hydrogen _____ day power _____?

Please _____ date _____ hydrogen-based _____.

_____ hydrogen-burning _____ be common?

For _____ when _____ technology be _____?

_____ like _____ when _____ I expect to _____ hydrogen _____ on my _____.

Are _____ powered by _____ fuel _____?

Can _____ to see _____ vehicles _____ my street?

Are _____ with _____ edge _____ soon?

_____ long before _____ can purchase _____ hybrid _____ cells?

_____ available to buy a _____ soon?

Are we going to _____ the mainstream _____?

_____ fuel cells _____ in _____ cars _____?

Are _____ based _____ going _____ mainstream?

Is there an _____ hydrogen-enabled _____ will _____?

_____ hydrogen _____ fuel cell technology?

_____ expectations for fuel _____ cars to become commercially _____?

Is _____ any word on _____ cell autos _____ in _____?

_____ cell _____ will _____ in stock?

_____ might be _____ to buy efficient H2 fueled _____?

_____ when _____ average _____ might get the chance _____ buy efficient _____ autos?

Will _____ have access to _____ in _____ near _____?

_____ you _____ an _____ of _____ hydrogen and _____ cells will _____ available _____ the _____?

_____ we _____ hydrogen cars _____ cells?

_____ vehicles with advanced _____ technology get _____ access?

I want _____ know _____ availability _____ cell hydrogen _____.

What _____ for _____ fueled fuel cell _____ to _____ commercially _____?

Is advanced _____ vehicles _____ the _____ soon?

_____ powered cars _____ mainstream?

_____ can _____ cars, like _____ top-notch fuel cell _____.

_____ you _____ into when _____ cells will be mainstream?

When _____ hydrogen-powered cars?

_____ like to _____ when regular people can _____ their _____ on _____ fuel _____.

They _____ know when advanced fuel cell vehicles _____.

_____ hydrogen-based _____ fuel _____ technology going _____ mainstream soon?

_____ you know _____ people _____ be _____ to buy _____ cars _____ with fuel _____ power systems?

_____ Hydrogen-driven, _____ cell vehicles be _____?

Do you _____ the _____ consumer _____ be _____ to _____ H2 fueled _____?

Can _____ cars with _____ expected?

We _____ when _____ cell _____ will _____ available everywhere.

By when _____ see the popularity _____ hydrogen _____ models _____?

_____ will we see _____ hydrogen-based cars?

When will _____ that _____ advanced _____ become widely accessible?

_____ you say if _____ hydrogen _____ cell _____ cars are mass-marketed?

How soon _____ saturation of hydrogen-powered _____?

_____ there any _____ on _____ hydrogen- _____ with _____ fuel cell technology will _____?

_____ advanced fuel _____ technology going Mainstream?

Does _____ cars _____ soon?

Will _____ vehicles with _____ cell _____ mainstream?

_____ you _____ when the average consumer _____ get _____ fueled autos?

Shouldn't ordinary consumers _____ able to get their _____ vehicles _____ cells?

_____ you _____ to predict when _____ might see _____ release _____ automobiles?

Is it possible that _____?

Are _____ get _____ hydrogen-powered cars?

When are advanced _____ cell _____ going _____ lots?

_____ soon _____ be able _____ own _____ cars?

_____ hydrogen-powered cars _____ soon?

When _____ available for _____ cars?

Do _____ know _____ fueled rides with _____ will _____ the _____ market soon?

What can _____ us _____ hydrogen _____ fuel _____ will _____ available in _____ mainstream?

_____ you provide _____ when _____ and _____ will be available in the _____?

_____ a date _____ the arrival _____.

_____ will _____ cars become _____ everywhere?

_____ be _____ use _____ high tech fuel cell _____?

_____ cutting-edge _____ be sold by _____?

_____ hydrogen- fueled cars with _____ cell technology _____ be more readily _____?

The general _____ may soon _____ access to _____ cars.

_____ will _____ hydrogen- _____ cars happen?

When _____ see _____ of state-of-the-art hydrogen _____ powered by cutting-edge _____?

There's _____ regarding when _____ fueled _____ will _____ widely _____.

_____ when regular _____ will be able to _____ fueled cars, like _____ modernized _____ power systems?

_____ tell me _____ fueled rides will go _____?

What _____ opinion _____ the _____ for _____ mainstream _____ of fuel cell-equipped _____?

Can _____ seen in _____ mainstream?

Are there any _____ for _____ will be _____?

_____ shed _____ light _____ it will _____ for these fuel cell autos to _____?

Can _____ mainstream _____ fuel-cell tech?

_____ when _____ we _____ hydrogen _____ models _____ by _____ technology?

Are _____ vehicles ready for _____?

By _____ may _____ car _____ fueled _____ cutting-edge technology?

_____ close are we to widespread _____.

Is _____ cell-driven hydrogen _____?

Are there plans for _____ accessibility of _____ in _____?

_____ time frame _____ when hydrogen- fueled vehicles _____ be _____.

_____ you know _____ the _____ consumer _____ get a _____ buy efficient _____ fueled _____?

It _____ take a _____ time _____ automobiles to _____ used.

_____ tell _____ hydrogen- _____ cars _____ advanced fuel cell technology _____ become more _____?

Do you _____ cars _____ advanced _____ cell _____ will be _____?

I wonder when _____ will _____ popular.

Is _____ any _____ when _____ can mass-produce _____ fueled _____?

Are hydrogen-based _____ around the corner?

Someone might _____ fuel _____ are going mass-market.

When will cars _____ hydrogen _____?

_____ and when regular people _____ to buy cars with _____ fuel _____ you know?

_____ you _____ might _____ the release _____ hydrogen-based automobiles?

Can _____ guess when _____ will become _____?

_____ it _____ hydrogen-based automobiles to be _____ accepted?

_____ want _____ know when can I expect _____ vehicles _____ street.

When _____ become commonplace?

Will _____ plans for _____ availability of fuel _____ the _____?

Are hydrogen-friendly _____?

Will _____ cars _____ be _____ soon?

_____ vehicles be _____ by _____ cells?

_____ people _____ able to buy _____ cell _____ soon?

Is hydrogen-fueled _____ time _____?

When will _____ featuring advanced _____ technology _____ broader _____?

Is there _____ time _____ for _____ of hydrogen _____?

When do ____ think ____ will ____?

When can ____ fuel cell tech to be ____?

____ will ____ powered vehicles ____ to advanced ____ cell ____?

The ____ access ____ fuel cell cars.

When ____ cars ____ advanced fuel cell ____ popular?

The ____ hydrogen-based autos ____ important.

____ hydrogen-powered ____ be mainstream?

hydrogen-powered ____ may go ____ soon.

Will ____ lot of hydrogen-driven, high ____ fuel ____?

How long ____ everyone ____ hydrogen ____?

____ are ____ going ____ see ____ cars ____ the mainstream?

When can ____ expect ____ vehicles on a ____?

Are hydrogen ____ near ____ availability ____?

Do ____ know when ____ average consumer ____ H2 fueled cars?

Tell me ____ should expect to see ____ vehicles ____.

____ cars nearing ____ availability?

Is there ____ sign that ____ become commonplace?

____ vehicles ____ by advanced ____ cells ____?

Can ____ me ____ will take ____ fuel ____ autos ____ become mainstream?

____ will ____ cars ____ advanced fuel cell ____ become ____?

____ don't ____ when advanced ____ cell ____ will become ____.

____ will ____ fueled ____ be available ____ markets?

We ____ know ____ hydrogen- fueled ____ mainstream.

Will ____ soon see ____ of high tech ____?

____ there ____ availability ____ use of ____ cars ____ fuel cells?

____ you'll be able ____ hydro- ____ cars ____ those with ____ cell power systems?

Will ____ automobiles ____ cells ____ released here?

____ there ____ chance of ____ rides with ____ the mass market?

Can you shed some ____ how long ____ to become mainstream?

____ a ____ for ____ hydrogen-powered vehicles?

Is it ____ cell cars will become ____?

____ know when people will ____ hydro-fueled cars like the ones ____ fuel cell ____?

____ cars be ____ cell cars?

When hydrogen- fueled ____ with ____ fuel ____ mass-produced ____ known.

____ cars ____ advanced fuel ____ technology become ____ available?

Wanting ____ fuel cell vehicles will hit ____.

When will there ____ high-tech cars ____ goodness?

____ see the market release ____ automobiles ____ fuel cells here?

Do ____ when ____ with ____ fuel cell technology will ____ more readily ____?

____ there a ____ for ordinary consumers ____ get ____ hands on ____?

____ cars ____ fuel cell ____ be on the road?

Is ____ when hydrogen-powered ____ might be mass ____?

____ as to when the general public ____ have ____ hydrogen- ____ cars?

Do ____ long ____ will be ____ hydrogen-based automobiles ____ used?

____ soon will ____ be ____ to get a ____?

____ do we ____ hydrogen-powered ____ in ____?

When will ____ hydrogen-powered ____ with ____ fuel ____ technology ____ widely ____?

____ can ____ expect ____ cars ____ mainstream.

What ____ could ____ their hands ____ vehicles with high-tech fuel ____?

____ the average ____ get to ____ efficient H2 fueled autos?

_____ is a question _____ when _____ vehicles _____ be _____ .
 Are _____ vehicles using _____ cell _____ mainstream?
 _____ fuel cell-based vehicles _____ to _____ ?
 Is _____ any chance _____ fueled _____ with _____ cells _____ hit _____ market soon?
 When we _____ hydrogen _____ fuel _____ ?
 Is _____ tech _____ in _____ cars?
 We _____ know _____ we can expect fuel cell _____ .
 _____ automobiles going _____ be _____ soon?
 _____ long after regular _____ access _____ cars?
 When will _____ be able _____ car options?
 By _____ see hydrogen car _____ by _____ technology?
 Will _____ technology be _____ to _____ ?
 _____ curious when _____ will _____ mainstream.
 _____ fuel _____ to being widely available?
 _____ mainstream hydrogen _____ be?
 _____ cells going to _____ in _____ soon?
 _____ to see widespread use of hydrogen-driven _____ cell _____ ?
 _____ want to know when _____ expect _____ down my street.
 Wouldn't _____ be great if _____ could _____ their _____ on _____ with _____ tech fuel _____ ?
 Is hydrogen-powered _____ with _____ coming _____ ?
 Is it _____ that _____ be able to _____ those with modernized fuel _____ power systems?
 Are we going _____ get _____ fuel _____ ?
 _____ cars _____ expected in _____ ?
 _____ will hydrogen-powered _____ with advanced fuel _____ be widely _____ ?
 Do _____ when regular people _____ have _____ to _____ cell cars?
 Is the _____ hydrogen _____ imminent?
 I _____ like _____ know _____ fuel cell _____ will _____ common.
 Will _____ be widespread _____ vehicles _____ ?
 _____ will _____ H-powered cars mainstream?
 _____ hydrogen-based vehicles _____ cell _____ going to become _____ ?
 _____ hydrogen rides coming _____ market _____ use?
 _____ are _____ expectations _____ fuel cell cars to _____ in the _____ ?
 I'm _____ fuel cell _____ will hit _____ lots.
 _____ will _____ use of _____ cell _____ occur?
 Does anyone _____ fuel _____ cars will _____ ?
 Is _____ possible for _____ options?
 We don't know _____ advanced _____ cell _____ to _____ stock.
 _____ is _____ the mainstreaming of _____ fueled vehicles.
 _____ coming soon?
 Will there _____ plans _____ more accessibility _____ vehicles?
 How _____ before people _____ to _____ hydrogen _____ ?
 When can _____ to _____ cars?
 _____ fuel _____ going to power _____ ?
 How _____ it _____ before _____ are adopted?
 _____ availability imminent?
 _____ long will _____ take _____ fuel _____ autos to become _____ ?
 Are hydrogen _____ mainstream _____ ?
 By _____ see _____ car models powered _____ cutting edge _____ ?
 When _____ we _____ mainstream hydrogen-powered _____ with _____ fuel-cell _____ ?
 _____ advanced fuel _____ cars _____ the future?

When _____ world _____ we _____ these high-tech _____ on _____ cell goodness?

When will _____ cars powered by advanced _____ the _____?

_____ hydrogen cars hit _____ market?

What are _____ expectations _____ hydrogen-driven cars _____ accessible?

_____ the _____ public will have _____ fueled _____ featuring _____ cells is _____ question.

_____ you think hydrogen _____ will hit the _____?

_____ the _____ will _____ hydrogen-burning cars featuring advanced _____ cells?

_____ could be eco-friendly _____ cells soon.

_____ cars _____ be mainstream soon?

_____ will hydrogen _____ like with top _____?

When _____ hydrogen-powered _____ mainstream?

Do you _____ when _____ be able _____ hydro- fueled cars like _____ cell systems?

Will _____ able _____ hydrogen vehicles soon?

Arrival date _____

_____ advanced _____ cell technology become common _____?

Is _____ to hydrogen-powered _____ fuel cells?

_____ wonder when fuel _____ for cars _____ be _____.

Is it possible _____ cars with advanced _____?

_____ going _____ be _____ buy _____ cars like those with fuel cell _____ systems?

_____ hydrogen- fueling rides _____?

Can _____ hydrogen _____ with top-notch _____ cell technology?

How _____ will fuel cell _____?

_____ adoption of hydrogen-based _____ take?

_____ it _____ great if we _____ see the market _____?

When are advanced _____ cell vehicles _____ your _____?

_____ there an _____ when _____ general _____ will have _____ advanced fuel _____?

What _____ the expectations for _____ powered _____ to _____ commercially _____?

_____ soon will the _____ have _____ to hydrogen- _____?

_____ soon _____ hydrogen _____ for _____ in cars?

_____ automobiles be _____ soon?

_____ vehicles use advanced _____?

_____ you _____ some _____ on _____ fuel cell autos _____ become _____?

When _____ we _____ cars _____ on _____ cell goodness _____ world?

_____ ordinary consumers be _____ their hands on _____ fueled _____ with high-tech _____?

_____ known _____ fuel cell cars _____ become common?

Will hydrogen _____ fuel cells?

Can _____ hydrogen-powered cars _____ fuel cell _____ to _____ accessible?

_____ you know _____ will _____ able _____ hydro-fueled _____ like the ones _____ modernized _____ cell _____ systems?

Is there a way for regular _____ get _____ hands on _____?

When can we expect _____ cars to _____?

Are there any _____ on _____ fueled cars?

We _____ hydrogen-powered cars will _____.

_____ you have any _____ on when _____ cars _____ advanced fuel _____ available?

_____ hydrogen _____ going to _____ mainstream _____?

Are we going _____ fueled _____ with _____ cells soon?

I want _____ when _____ will _____ vehicles _____ down _____ street.

_____ when regular people will _____ modernized fuel cell cars?

_____ are the _____ fuel cell-driven cars _____ reachable?

_____ able to get our hands on _____ rides?

_____ can we expect _____ widespread availability of _____?

_____ there _____ widespread _____ of _____ fuel cells soon?
_____ will _____ cell technology be _____ available for _____?
_____ until _____ has access to _____ car technologies?
_____ cell-based vehicles _____ availability?

When will mainstream _____ cars, powered _____ fuel _____ technology?
_____ we get access _____ using advanced _____ soon?

Will the _____ to advanced _____ cell cars in _____?
_____ it _____ see _____ car options?
_____ hydrogen be _____ for new _____ purchases?
_____ if hydrogen-powered cars _____ mainstream.
_____ know _____ hydrogen and _____ fuel cells _____ be _____ vehicles?
_____ cell-based _____ nearing mainstream _____?
_____ to have access _____ cars very soon?

What can you tell _____ expected _____ for mainstream availability of vehicles _____ advanced _____?

By _____ may hydrogen _____ models _____ cutting-edge _____ be _____ frequently?
_____ are the _____ vehicles with high-tech fuel cell systems?
Is _____ cars _____?

When we _____ availability _____ fueled cars?

Are _____ any updates _____ when hydrogen fueled _____ with _____ cell _____ readily _____?
_____ long until _____ folks _____ hydrogen-based, innovative _____ technologies?

Hydrogen _____ with _____ cells?
_____ hydrogen _____ advanced fuel cells _____?

There is no idea _____ fueled _____ become _____.

Will we _____ a lot _____ fuel _____ in _____ near _____?

Are hydrogen-powered _____ with _____ tech _____?

When _____ we _____ powered _____ mainstream?

Are advanced fuel _____ available _____?

_____ fuel _____ go mainstream _____?

_____ you _____ hydrogen and _____ fuel _____ be mainstream?

Will eco-friendly cars _____ soon _____?

_____ fuel cell _____ vehicles approaching _____?

_____ cells _____ in hydrogen-powered _____.

Can you tell me _____ and _____ to be mainstream?

_____ fuel _____ powered _____ going _____ go _____?

When _____ high-tech _____ fuel cells in the world?

_____ know when _____ cars will become common.

Can _____ give us _____ insight into _____ hydrogen _____ cells will _____ available _____ the _____?

How near _____ vehicles incorporating _____ fuel _____?

When will _____ fuel _____ used _____?

_____ hydrogen-powered cars become _____?

When will _____ rides _____ top _____?

_____ we expect advanced _____ cars?

Is _____ wide usage _____ hydrogen _____ advanced fuel _____?

Can _____ in the foreseeable _____?

_____ will we _____ these _____ cars _____ on _____ cell _____?

_____ you _____ us insight into _____ fuel _____ available in the mainstream?

_____ is the expectation _____ fuel _____ cars _____ become _____ accessible in _____?

Can _____ shed _____ light on how _____ cell _____ to _____ mainstream?

When _____ technology _____ available for _____?

Can we _____ cars _____ be widely _____?

_____ are the expectations _____ cars _____ be _____ available in the _____?
 _____ close _____ widespread _____ of _____ vehicles with high-tech fuel _____ systems.
 Will fuel cells one _____?
 _____ can hydrogen cars have _____?
 _____ will hydrogen-driven _____ be _____?
 _____ you _____ the _____ might be able _____ H2 fueling autos?
 Will _____ use of _____ cell _____ in _____ future?
 _____ hydrogen _____ soon _____ by fuel _____?
 _____ you _____ me about the expected _____ the mainstream _____ of _____ and _____ cell _____?
 Is _____ rides _____ the _____ for _____ use?
 _____ a time _____ for _____ vehicles?
 _____ a question of when _____ vehicles will _____.
 _____ be plans _____ availability _____ fuel _____ vehicles _____ the future?
 When can _____ get _____ hydrogen _____ with _____?
 _____ on the expected availability of _____ cars?
 When we might see _____ of _____ automobiles _____?
 Are _____ expecting _____ car _____?
 _____ fuel _____ vehicles coming _____ mainstream?
 Is _____ a _____ for the _____ of hydrogen _____?
 Will _____ fuel cells _____ soon?
 _____ long _____ the _____ people _____ access _____ hydrogen cars?
 Is there _____ when they might _____ hydrogen- _____?
 When _____ we _____ with _____ fuel _____ the car lots?
 Can you let us _____ and advanced fuel _____ be _____ mainstream?
 _____ fancy _____ cars _____ hit the _____?
 _____ when may we see the _____ of hydrogen _____ cutting-edge technology?
 _____ there _____ plan for _____ mainstreaming _____ hydrogen _____?
 Is _____ mainstream _____ hydrogen cars near _____ advanced _____?
 Who _____ cell cars _____ become common?
 _____ close are _____ to the _____ of _____ based _____?
 _____ after _____ will regular _____ have _____ to hydrogen _____?
 _____ when _____ see popular use _____ hydrogen _____ that are _____ cutting-edge technology?
 _____ know _____ hydrogen-equipped cars with _____ fuel _____ will be _____?
 _____ fuel cell technology _____ available in _____ future?
 Can we _____ cars to _____?
 Is _____ used in automobiles going _____ mainstream _____?
 _____ any information _____ hydrogen and advanced _____ cells _____ available in mainstream _____?
 _____ we _____ to _____ hydrogen-powered cars?
 Can you _____ light _____ these _____ fuel cell _____ mainstream?
 Is _____ any _____ on _____ the general _____ will have _____ hydrogen- _____?
 _____ close _____ availability of hydrogen-based vehicles _____ fuel cell _____?
 _____ can _____ Hydrogen car _____?
 _____ are expectations _____ fuel cell-driven _____ to _____ available?
 _____ cell-based vehicles going _____ availability?
 So, _____ we get the hydrogen _____ at _____?
 _____ we _____ the _____ of hydrogen based vehicles?
 _____ and _____ of hydrogen cars with _____ cells?
 _____ unclear when the general _____ will _____ access _____ cars.
 How _____ average _____ has _____ to hydrogen-based car _____?
 _____ cells going _____ hydrogen vehicles soon?

_____ expect hydrogen cars with _____ fuel _____?
 Is the release _____ hydrogen vehicles _____?
 Hey _____ chance _____ hydrogen- _____ with _____ hitting the mass market soon?
 Do _____ how long it _____ take _____ fuel cell-equipped _____ be _____?
 _____ everybody has access _____ hydrogen _____?
 Is _____ a way _____ people _____ hands on those fuel _____?
 Are there expected _____ for _____ hydrogen and fuel _____?
 How long _____ for hydrogen-based _____ be used?
 Do _____ long _____ will _____ for hydrogen-based vehicles _____ be _____?
 Will the public _____ cars in the near _____?
 Is it _____ fuel cell rides will _____ streets for _____?
 When _____ get _____ fancy hydrogen _____ car lots?
 _____ expectations for fuel _____ to _____ commercially accessible.
 _____ you know _____ the _____ might _____ to buy a H2 _____?
 _____ have access _____ hydrogen-based _____ how long?
 Just like _____ fuel _____ technology, _____ hydrogen _____ soon?
 Are _____ fueled _____ with cutting-edge _____?
 _____ are the expected timelines _____ mainstream _____ of _____ fuel _____ vehicles?
 Arrival _____ hydrogen-based _____ requested.
 Is _____ hydrogen vehicles _____ be _____ accessible?
 _____ cell _____ be widely available for _____?
 _____ the _____ public be able _____ fuel cell _____ cars?
 Are _____ with _____ edge _____ soon?
 Are _____ going _____ widespread _____ of _____ tech _____ cell vehicles?
 What is your opinion _____ hydrogen-equipped _____ will _____ available _____?
 What are the expectations _____ cell-driven _____ available?
 _____ cars have _____ fuel _____ technology?
 _____ expect _____ hydrogen car options?
 By _____ we see _____ state-of-the-art _____ models _____ by cutting-edge technology?
 Do _____ insight into when _____ and _____ cells will be _____?
 _____ a lot _____ hydrogen-driven cars?
 Are fuel cells _____ power _____ vehicles _____ the _____?
 When _____ we _____ the _____ release _____ hydrogen-based _____ with _____ cells here?
 When _____ powered _____ with advanced fuel _____ technology _____ available?
 How soon will _____ hydrogen cars?
 When will _____ the popularity _____ state-of-the-art hydrogen _____ models fueled _____?
 When _____ in the mainstream?
 When _____ hydrogen car models fueled by _____?
 _____ there _____ availability _____ fuel _____ hydrogen vehicles?
 Will fuel cells _____?
 Can _____ come _____ like _____ fuel cell _____?
 _____ hydrogen- fueled vehicles will _____ accessible _____.
 What _____ opinion on _____ powered _____ will _____ mainstream?
 Can you _____ me when the general _____ access _____ fuel _____?
 How _____ expect _____ hydrogen _____ rolling down my street?
 _____ can _____ see hydrogen vehicles _____ my street?
 Can _____ become _____ mainstream _____?
 Do _____ fancy hydrogen cars will _____ the _____?
 _____ to use hydrogen powered cars _____?
 When _____ cars _____ advanced fuel _____?

When we ____ see ____ hydrogen-based automobiles ____ high-tech ____ here?

Will the ____ cars become ____?

____ you ____ when I can expect to see ____ vehicles ____?

____ there ____ projection ____ they might mass-produce ____ fueled cars with ____?

____ will hydrogen ____ with top ____ be ____ dealers?

Are high tech ____ running ____ fuel ____ goodness going ____?

There ____ idea ____ hydrogen-enabled ____ will ____ mainstream.

When hydrogen-based rides ____?

____ will ____ take ____ automobiles to be adopted?

Does ____ know ____ the ____ public will have access ____?

When will ____ the mainstream?

____ cars ____ tech coming soon?

____ we ever ____ to drive hydrogen-powered ____ using ____?

____ availability ____ fuel cell-driven ____ near?

____ hydrogen- fueled rides ____ to ____?

When can ____ options?

____ it known ____ the ____ will ____ access to hydrogen- fueled ____ advanced ____?

Is ____ of ____ advanced fuel cells hitting the ____ market?

____ plans to make ____ vehicles more ____ available?

____ with ____ technology coming soon?

Is ____ any ____ hydrogen-driven ____ cells hitting the mass market?

How ____ availability of hydrogen-based ____ high-tech fuel ____?

Is ____ more likely that ____ manufacturers ____ make ____ cell-powered cars ____?

We ____ know ____ availability of hydrogen-driven cars ____ by ____ cell tech ____.

Will it be possible ____ with hydrogen?

____ fuel ____ make their ____ soon?

Is ____ possible that ____ vehicles ____ hit ____ lot?

When ____ cars ____ cell technology ____ widely available?

____ will ____ cars ____ fuel cells be ____?

____ wonder ____ fuel ____ cars will ____ common?

____ do you ____ cars ____ out?

____ hydrogen-powered cars ____ cells available ____ soon?

Will the general ____ have ____ cars powered by ____?

____ we ____ access to hydrogen-powered ____?

Will people ____ to ____ cars ____?

When can ____ to ____ hydrogen ____ the street?

How ____ take ____ cars powered ____ hydrogen to ____ available in the mainstream?

____ with advanced ____ technology going ____ be widely accessible?

____ we expect ____?

____ hydrogen-powered ____ become ____ accepted?

I don't ____ when we ____ fuel cell rides.

Time ____ cars ____ be ____?

I am ____ we ____ advanced fuel ____ in stock.

____ vehicles soon ____ powered by hydrogen ____?

Is ____ vehicles ____ fuel ____ technology ____ to mainstream?

____ be ____ to hydrogen-powered ____ with ____ fuel cell technology?

____ fuel ____ vehicles ready ____ mainstream ____?

When ____ hit ____ mainstream?

____ cell-based ____ nearing mainstream availability?

What ____ for ____ fueled cars ____ become commercially ____?

Can ____ expect ____ hydrogen-driven cars with ____ fuel ____ tech?

When will hydrogen ____ offered ____?

When will ____ cars be ____?

Are ____ cars available ____ mainstream ____ advanced fuel ____?

____ will ____ powered cars be ____?

____ will the hydrogen ____ the ____?

When can ____ car options ____?

Can anyone ____ me when ____ have ____ hydrogen fueled cars?

Can we ____ to see plans ____ accessibility ____ fuel ____?

____ we ____ the widespread ____ of ____ cars powered ____ enhanced fuel ____?

____ provide ____ into when ____ and advanced fuel cells ____ be ____ in ____?

Are we going to ____ cars ____ fuel cell ____ soon?

____ will ask when hydrogen ____ cell ____ cars will go ____?

Is ____ to the ____ availability of ____ vehicles incorporating ____ fuel ____?

____ we expect ____ cars ____ be ____?

Is ____ rides ____ market ____ uses?

____ you know ____ will ____ for hydrogen-based ____ to ____ widely available?

How ____ general public be ____ get ____ to hydrogen- fueled ____?

Can we ____ hydrogen ____ future?

When ____ expect to see the saturation ____?

When ____ hydrogen-based automobiles ____ fuel cells ____?

Do ____ know when ____ and ____ fuel cells ____?

____ the use ____ fuel cells ____ going to ____?

____ is ____ when fuel ____ technology will be available ____.

How ____ people ____ get access ____ innovative ____ technologies?

____ the availability of ____ cell ____.

Is there ____ time ____ hydrogen-fueled ____ will be ____?

____ fueled ____ with ____ fuel cell technology ____ available?

Is hydrogen- ____ very ____?

Are the ____ fuel ____ hydrogen ____?

____ can ____ expect hydrogen ____?

____ will hydrogen- fueled cars ____ advanced ____ become ____?

Any idea when ____ fuel ____ autos will ____?

Are ____ any updates on when hydrogen- fueled ____ fuel cell ____ available?

____ before people are able ____ hydrogen ____?

____ you ____ when ____ cell powered cars are going ____?

____ we ____ advanced fuel cells?

Will I find ____ here ____?

Is ____ vehicles ____ fuel ____ going mainstream.

____ can you ____ about ____ expected timetable ____ availability of ____ hydrogen and ____ fuel cells?

____ people be ____ hydrogen-powered vehicles ____ advanced fuel cell ____?

Are there ____ updates ____ when ____ fueled cars ____ fuel cell ____ more ____?

When will hydrogen-powered ____ fuel cell ____ get ____?

When will ____ cars ____ in ____?

When ____ get their hands ____ those ____ cell rides?

Are hydrogen-powered cars ____ coming ____?

____ you ____ when hydrogen ____ advanced fuel cells will ____ in the ____?

Is there ____ projection ____ they ____ mass-produce ____ cars?

____ based ____ fuel cell ____ going mainstream anytime soon?

Are there plans ____ accessibility ____ cell ____?

I don't _____ public _____ have access _____ hydrogen- fueled _____ advanced _____ cells.
 _____ soon _____ of fuel cell-driven _____ vehicles?
 _____ when _____ hydrogen _____ fueled _____ cutting-edge _____ become more popular?
 How close to _____ availability _____ hydrogen-based _____ fuel cell _____ are _____?
 _____ expect to _____ cars on the _____?
 _____ fueled cars be _____?
 Can you _____ me when _____ expect _____ options?
 Are there _____ projections on when they _____ hydrogen- _____?
 I would _____ know when hydrogen- _____ widely accessible.
 _____ there _____ indication that fuel cell-driven _____ will _____?
 _____ soon _____ hydrogen be available _____ a _____?
 Can _____ cars using advanced _____?
 How _____ we _____ hydrogen _____ advanced _____ cells?
 _____ you _____ we _____ expect hydrogen _____ options?
 _____ mass- _____ hydrogen- _____ cars with advanced _____ cells.
 Is _____ automobiles _____ to _____ mainstream?
 Will we see a _____ fuel _____ in _____ future?
 _____ tell _____ when _____ might mass-produce _____ fueled cars with _____ cells?
 Is _____ of hydrogen-financed _____ with advanced _____ cells _____ the mass _____?
 _____ fuel _____ technology _____ used in _____.
 _____ going _____ see widespread _____ hydrogen-driven, high-tech fuel _____ soon?
 _____ automobiles going _____ soon?
 If someone _____ hydrogen _____ cell powered _____ would be mass-marketed, _____ you _____?
 Are _____ going _____ high-tech _____ running _____ fuel _____ goodness everywhere soon?
 _____ the mass production of hydrogen-based vehicles?
 Are there _____ of hydrogen and _____ fuel _____ vehicles?
 _____ can _____ to _____ vehicles in my street?
 Do _____ how _____ will _____ for people to _____ cars?
 _____ before the _____ has access to a _____?
 _____ cars using advanced _____ will _____ soon?
 When can _____ be _____?
 Is there _____ will _____ hydrogen- _____ cars _____ advanced fuel cells?
 When will _____ fuel-cell tech?
 _____ will we _____ of _____ driven cars?
 _____ hydrogen rides _____ for everyday use?
 Are _____ going to see fuel _____ cars _____ world _____?
 When will _____ be _____?
 _____ soon _____ expect _____ cars?
 _____ will _____ fueled _____ be _____ fuel cell technology?
 _____ we get _____ hands _____ newfangled fuel _____ rides?
 Are _____ cars _____ use and _____ with advanced fuel _____?
 Can _____ get hydrogen _____ with fuel _____?
 _____ of the imminent ubiquity of _____ cell-driven _____?
 What _____ the _____ cell cars to _____ available?
 _____ expect hydrogen cars _____ cells.
 _____ release of hydrogen-based _____ featuring high-tech fuel cells _____?
 _____ you reckon _____ cell rides _____ the streets _____ regular _____ Joes?
 When _____ fuel cell _____ be available for _____?
 _____ cell-driven _____ vehicles on _____ horizon?
 Hydrogen- fueled _____ will _____.

_____ hydrogen _____ come with advanced _____?
 They might _____ fueled _____ advanced fuel _____.
 When _____ cars be _____?
 _____ hydrogen-powered cars _____?
 I need to know _____ can expect _____ vehicles _____ down _____.
 Can _____ become _____?
 _____ will hydrogen-powered _____ mainstream?
 hydrogen-powered _____ come _____ your lot _____?
 _____ there a time when we _____ release of _____?
 _____ are _____ widespread availability of _____ with _____ cell systems?
 _____ hydrogen-based _____ soon?
 _____ enter the market _____ everyday _____?
 _____ when you will _____ able to buy hydro- fueled _____ like those _____ fuel _____?
 _____ will be _____ hydrogen- _____ cars _____ the _____ public.
 _____ vehicles nearing mainstream _____?
 Has there a _____ of hydrogen- _____ vehicles?
 When _____ be _____ car _____?
 _____ will _____ cell technology be _____ vehicles?
 Will _____ go _____ soon?
 Are _____ going to go _____?
 _____ we see widespread use _____ fuel _____ vehicles in _____?
 _____ cars _____ mainstream?
 _____ know _____ cell cars will _____ common.
 I _____ wondering _____ the _____ cell _____ will _____ common.
 How soon _____ hydrogen _____ available _____ purchase?
 _____ you know when _____ consumer might be _____ efficient _____ fueled _____?
 Soon will _____ be eco-friendly _____ advanced _____?
 How _____ expect _____ cars _____ enhanced _____ cell tech?
 _____ will _____ cars _____ commonplace?
 _____ will we see high _____ cell goodness?
 When we can get our _____ the _____?
 _____ know when it will be possible _____ people _____ fueled _____?
 Are _____ vehicles _____ commonplace in the near _____?
 When will _____ tech _____ cars?
 How _____ before people _____?
 Do _____ when _____ fueled _____ will _____ mainstream?
 _____ when _____ cars _____ advanced fuel cell _____ will become _____?
 _____ we be able _____ cars _____ the future?
 _____ advanced _____ technology going _____ go mainstream in _____ future?
 _____ the _____ have access to _____ cars featuring advanced fuel _____?
 Is _____ fueled _____ with advanced fuel cell _____ will be available?
 _____ we _____ to see _____ cars _____ on fuel _____?
 Do you _____ will take for _____ adoption _____ hydrogen-based _____?
 _____ will _____ cell _____ the lots?
 Is _____ an _____ of _____ vehicles?
 _____ soon _____ able to get access to _____ fuel cells?
 Can you _____ us _____ of _____ and advanced _____ will be _____?
 How _____ hydrogen _____ available for _____ vehicle?
 _____ will _____ car _____ be available?
 _____ cars a _____ with advanced _____ cells?

_____ hydrogen-powered _____ with advanced _____ cell technology _____ be widely _____?

_____ hydrogen _____ cars be _____?

_____ go mainstream?

There _____ no idea _____ hydrogen-_____ will go _____.

How soon will _____ cars _____?

When _____ advanced _____ technology become common _____?

_____ will hydrogen _____ available in _____?

Is there imminent availability _____?

_____ possible for ordinary _____ get _____ hands _____ hydrogen-based vehicles with high _____?

_____ you _____ how _____ it _____ take for _____ of _____ automobiles?

What _____ market saturation of hydrogen-powered vehicles?

When _____ be _____ to _____ our hands on those _____ cell _____?

_____ don't know _____ hydrogen-powered cars _____.

_____ asks when hydrogen fuel _____ powered cars _____ mass-market, _____ you _____?

When will _____ cell _____ common in _____ use _____?

_____ will _____ these high _____ cars _____ fuel cells everywhere?

Can you _____ advanced fuel _____ will _____ in stock?

_____ when hydrogen-_____ will go mainstream?

_____ possible _____ fuel cell _____ will _____ available for _____?

_____ we get _____ cars at regular car _____?

How _____ will hydrogen _____ vehicle _____?

_____ to know when _____ fuel cell vehicles _____ your _____.

_____ fuel cell-driven _____ vehicles soon?

Do you know when fuel _____ hydrogen will _____?

_____ cars with cutting-edge _____ come _____?

When _____ we actually get _____ cars with _____ regular _____?

_____ hydrogen-enabled _____ go mainstream?

When _____ cars _____ fuel cell _____ be widely _____?

_____ vehicles just around _____ corner?

What _____ the _____ for hydrogen-_____ cell _____ become commercially _____?

Do hydrogen-powered _____ have cutting-edge _____?

_____ there _____ eco-friendly _____ that use advanced _____ soon?

What is _____ on when _____ powered _____ will _____?

_____ fuel cell _____ mainstream?

Are hydrogen _____ to _____ my _____?

Is _____ fuel _____ powered _____ going _____?

_____ know when _____ are able _____ efficient H2 fueled _____?

_____ when _____ we expect _____ fuel cell _____ stock?

_____ availability _____ hydrogen-based vehicles incorporating high-tech fuel cells?

Can hydrogen _____ come soon _____ with top-notch _____?

Is _____ possible _____ the market _____ hydrogen-based _____ featuring high-tech _____ here?

I _____ know when we _____ expect _____ fuel _____ in stock.

When _____ we expect hydrogen-powered _____ accessible?

_____ is a _____ fueled vehicles.

_____ there plans for fuel _____ to _____ accessible _____?

Is there any chance _____ hydrogen _____ with _____ cells _____ mass _____?

The widespread _____ of _____ powered by _____ tech?

Is _____ cell-driven _____ vehicles on _____?

The availability _____ advanced _____ cell-driven _____?

Do _____ when you _____ able to buy hydro-_____ with fuel cell _____ systems?

What _____ about someone _____ when hydrogen fuel cell _____ are _____ ?
 What can _____ us about _____ the _____ availability of vehicles powered _____ hydrogen and _____ cells?
 _____ and _____ usage _____ hydrogen _____ with _____ fuel cells?
 _____ any _____ on when _____ cars _____ be mass _____ ?
 _____ will hydrogen-driven cars _____ cell _____ ?
 Is it soon _____ mainstream, advanced fuel _____ vehicles _____ ?
 Maybe when _____ fueled _____ go _____ ?
 _____ about _____ expected timetable _____ mainstream _____ hydrogen _____ advanced fuel cell vehicles?
 _____ it _____ advanced _____ cell _____ will become popular?
 _____ consumers _____ be able to _____ efficient _____ autos?
 _____ a time _____ advanced fuel _____ vehicles _____ your lot?
 Is there any indication _____ be _____ automobiles?
 _____ know how _____ it _____ widespread use of _____ automobiles?
 _____ you tell _____ how long it _____ take _____ to become mainstream?
 When _____ cars _____ what would you say?
 _____ hydrogen _____ powered by _____ fuel _____ in the near _____ ?
 There is _____ time _____ will be accessible.
 Is _____ time frame for mainstreaming _____ ?
 Is fuel _____ vehicles _____ mainstream _____ ?
 Are we _____ to _____ hydrogen cars _____ at _____ car lots?
 _____ can hydrogen-driven _____ with _____ fuel _____ be found?
 _____ fuel _____ cars to become commercially accessible _____ ?
 Do you know _____ take _____ hydrogen-based _____ to be _____ used?
 _____ hydrogen-powered _____ going _____ go mainstream _____ ?
 _____ you know when _____ cell-equipped _____ powered by _____ will _____ ?
 Is _____ a _____ for mainstreaming vehicles _____ ?
 _____ cars become _____ in the near future?
 _____ hydrogen- _____ vehicles _____ widely _____ is not certain.
 Will _____ go mainstream _____ ?
 _____ some _____ on how _____ it will _____ breakthrough _____ cell autos _____ become mainstream?
 Is hydrogen cars _____ option, with _____ ?
 _____ advanced fuel-cell _____ hydrogen-powered _____ be _____ ?
 _____ hydrogen-based _____ will _____ widely _____ is not _____ .
 Is fuel _____ vehicles on _____ to _____ ?
 _____ hydrogen _____ one day _____ fuel _____ ?
 When _____ we see the _____ of _____ automobiles _____ fuel cells _____ ?
 We _____ know when mainstream availability _____ hydrogen- _____ .
 Will widespread _____ of _____ high-tech _____ vehicles occur _____ ?
 _____ hydrogen-powered cars _____ advanced fuel-cell tech _____ mainstream?
 _____ hydrogen-based _____ going mainstream _____ ?
 Do you _____ people will _____ able _____ buy hydro-generated cars _____ with fuel cell _____ ?
 Can you _____ when _____ will be _____ down _____ street?
 _____ going to _____ cell cars _____ the world _____ ?
 Do you _____ mainstream _____ will be?
 _____ there _____ indication that there is _____ of _____ cell-driven _____ ?
 _____ I find _____ soon?
 What _____ the _____ fuel _____ cars _____ become _____ accessible?
 _____ there _____ hydrogen-based rides _____ go mainstream?
 _____ will we see the _____ availability _____ cell _____ ?
 I want _____ know about _____ hydrogen _____ cars.

____ hydrogen-based vehicles ____ to ____ in ____ future?
 ____ the general ____ be able ____ fuel cell ____?
 ____ hydrogen and advanced ____ cell vehicles will be ____?
 How long will it take ____ to ____?
 Is hydrogen-powered vehicles ____ soon?
 Are ____ fuel cell ____ be widespread ____?
 How soon ____ experts ____ to hydrogen-powered ____?
 When are advanced ____ cell ____ common?
 Is it ____ that ____ will ____?
 ____ cars using fuel cells?
 ____ can hydrogen ____ be ____?
 When ____ we ____ mainstream ____ of hydrogen- ____ fuel cell ____?
 ____ frame for mainstreaming hydrogen-burning ____?
 They ____ mass-produce hydrogen- ____ cars with ____ fuel ____ near ____.
 Are hydrogen-fueled ____ tech ____?
 When will ____ see ____ hydrogen ____?
 ____ hydrogen-based cars ____ cutting-edge ____ coming ____?
 ____ with advanced ____ technology going to be widely ____?
 When will ____ access to ____ cell technology?
 Can you tell me when the ____ have access ____ fuel ____?
 ____ hydrogen ____ soon ____ fuel cell ____?
 ____ we ____ see ____ use of high-tech ____ vehicles?
 ____ the ____ public will have access to ____ cars ____ cells?
 Is there a ____ cars?
 Is ____ that ordinary consumers can ____ hands ____ hydrogen- ____ vehicles?
 ____ the fuel cell cars ____ become ____.
 ____ will ____ cars be ____?
 Can you ____ me ____ with ____ cell technology will ____ available?
 ____ you ____ me about ____ rides ____ the market ____ everyday ____?
 Will ____ ever have ____ to cars ____ by hydrogen ____?
 ____ when ____ see ____ use of hydrogen car models powered ____?
 ____ release of ____ automobiles featuring high-tech fuel cells ____.
 When will ____ fueled ____ have ____ fuel ____?
 ____ general ____ able ____ buy fuel cell ____ in ____ future?
 Is it ____ for ____ average ____ a ____ to buy ____ H2 fueled ____?
 ____ greater ____ of fuel cell vehicles.
 ____ you know when hydrogen ____ advanced ____ cell ____ become available?
 When can ____ advanced ____ cell autos ____?
 ____ could we get our ____ those fuel ____?
 ____ the ____ to have ____ to fuel ____ powered cars ____?
 Are hydrogen-based vehicles ____ advanced ____ to ____ a thing?
 I ____ when we will ____ availability ____ cars.
 Do ____ an idea ____ hydrogen-fueled rides ____ go ____?
 Is there a ____ that regular ____ will ____ able to buy ____ cars like ____ fuel ____?
 Do ____ know when ____ cars ____?
 Arrival date ____ is ____.
 Will we ____ fuel cells?
 Does anyone know when ____ cars will ____?
 ____ until regular people ____ to hydrogen-based car ____?
 ____ and wide ____ of ____ cars?

____ can ____ get hydrogen ____ with fancy ____ regular ____ lots?
 What are the expected ____ advanced ____ cells ____ become ____?
 We ____ advanced ____ cell vehicles will hit ____ lots.
 When will hydrogen-powered ____ ?
 ____ H- powered ____ be ____ in ____ region?
 ____ long ____ gets ____ to a ____ car?
 How ____ will ____ be before fuel ____ powered ____ are ____?
 Are ____ to ____ in the mainstream soon?
 ____ the general public ____ by fuel cell technology?
 ____ will ____ hydrogen-driven cars come?
 The ____ should be stated.
 Is ____ possible to project ____ we might ____ the ____ hydrogen-based ____?
 Is the ____ mainstream ____ vehicles ____?
 ____ you ____ it will take ____ availability of fuel ____ cars?
 They ____ mass-produce hydrogen fueled ____ fuel cells ____.
 How ____ before people ____ the ability ____ cars?
 ____ can ____ hydrogen cars to ____?
 ____ will hydrogen-powered ____ advanced ____ technology ____ broadly accessible?
 Is there ____ frame for making ____ vehicles ____?
 ____ knows when ____ cell ____ be common?
 ____ there a timetable ____ vehicles will ____ accessible?
 Will ____ vehicles ____ use soon?
 ____ hydrogen-based cars ____ technology going mainstream?
 Is ____ a ____ ordinary consumers ____ on hydrogen- fueled vehicles with ____ ?
 ____ will soon ____ access ____ cars.
 ____ car options in the future?
 Is it ____ fuel cell ____ will ____ common?
 Is ____ any information ____ when ____ public ____ have ____ advanced fuel cell ____?
 ____ fuel cells power ____ hydrogen ____ in ____?
 ____ long is it ____ regular people ____ hydrogen ____?
 Will ____ be plans for more ____ cell ____?
 How long ____ people ____ to ____?
 Can ____ availability ____ hydrogen-driven cars?
 ____ it ____ for hydrogen-based ____ be widely adopted?
 Do ____ know ____ be able ____ buy ____ fuel ____ cars?
 Is there ____ fuel ____ to ____ more available?
 ____ to being able ____ purchase hydrogen-based vehicles?
 ____ will we ____ fuel ____ cars in the ____?
 ____ wondering if there's any chance ____ advanced fuel cells ____.
 ____ hydrogen-based ____ is requested.
 When ____ advanced ____ cell ____ in stores?
 ____ an average consumer ____ be able to buy H2 ____?
 Is ____ a time frame ____ vehicles ____ available?
 When are ____ cars ____?
 ____ advanced fuel cell technology going mainstream ____?
 ____ will ____ cars ____ fuel cell tech come ____ market?
 Are ____ imminent availability ____ advanced fuel cell-driven ____?
 When can ____ see ____ vehicles cruising ____ street?
 ____ you sure that hydrogen-powered cars ____ your ____?
 ____ there any projections on ____ will ____ cars?

_____ the _____ of hydrogen _____?

_____ when fuel cell _____ will _____.

Will advanced fuel cells _____ be _____?

How long _____ able to _____ a _____ car?

How _____ new _____ be able _____ hydrogen?

Is _____ vehicles _____?

_____ automobiles going mainstream soon?

We _____ when _____ using advanced fuel cells _____ be _____.

_____ close _____ to the _____ availability _____ based vehicles?

Do you _____ fuel cell-equipped cars powered _____ hydrogen _____?

_____ regular people _____ the chance to _____ cars like those with modernized fuel _____ power _____?

What _____ for fuel _____ cars _____ by hydrogen?

Can you _____ when _____ see hydrogen vehicles?

_____ will _____ high-tech cars _____ fuel cells?

_____ will hydrogen-_____ advanced fuel _____?

_____ for _____ they _____ mass-produce hydrogen- fueled cars?

Are we _____ see _____ on fuel cell goodness all _____ world?

_____ we expect Mainstream Hydrogen _____?

_____ cars with advanced fuel cells _____?

_____ you _____ when _____ will _____ the _____ to buy H2 fueled _____?

_____ fueled cars _____ cutting-edge tech _____?

_____ widespread _____ cell vehicles come soon?

Can we _____ soon like _____ fuel cell _____?

_____ cars _____ to the public?

Will we soon see widespread _____ high-tech _____?

Do _____ know _____ people will be able _____ buy hydro-powered cars like _____?

They _____ fueled cars with advanced fuel _____ the _____.

There are _____ cell-driven cars to _____ commercially _____ general.

When _____ hydrogen-powered cars going _____?

When _____ fuel _____ be _____ cars?

_____ will be _____ technology _____ cars _____ the future.

Will hydrogen-powered _____ advanced fuel _____ available _____?

Are hydrogen _____ cars with _____?

Can _____ me _____ for the mainstream availability of _____ and fuel _____?

_____ have access _____ hydrogen cars soon?

What _____ frame _____ having normal dealerships sell _____ automobiles?

When we _____ get our _____ cell rides?

_____ hydrogen car _____ powered by cutting-edge _____ be _____?

_____ there any _____ fuel _____ automobiles are _____ horizon?

What is the _____ timetable for _____ mainstream availability _____?

Are hydrogen _____ available _____ cells?

_____ cars _____ with fuel cell technology?

When _____ the market _____ hydrogen-based automobiles with _____ cells _____?

_____ fuel _____ could _____ power _____ vehicles.

_____ tell _____ availability of _____ fuel cell cars?

_____ there any _____ on when _____ fueled cars?

_____ it realistic _____ hydrogen _____ advanced fuel cells?

I would like _____ know _____ general _____ access _____ hydrogen-fueled cars.

Should _____ expect _____ see _____ cell-equipped _____ powered by _____ in _____?

How long _____ it _____ take _____ normal dealerships to sell _____ automobiles?

_____ hydrogen-powered vehicles soon _____ fuel _____?

_____ hydrogen- fueled _____ with cutting-edge tech _____?

_____ you know how _____ for hydrogen-based vehicles _____ be widely _____?

_____ we be able _____ see _____ availability _____ hydrogen-fueled _____?

When we can expect _____ in _____?

_____ am curious about _____ cars.

_____ and when _____ will _____ to _____ cars like those with _____ fuel cell power _____?

_____ like to _____ on availability of _____ hydrogen cars.

What _____ your opinion _____ timing of _____ cars?

When _____ see hydrogen _____?

Are _____ vehicles going _____?

Do you _____ advanced fuel cell _____ available?

_____ will _____ hydrogen _____ in the mainstream?

_____ before _____ have _____ to hydrogen cars?

How _____ the _____ public have access _____ cells?

_____ can drive a hydrogen _____?

_____ there a time when mainstream _____ car _____?

_____ we _____ hydrogen-powered cars _____ available?

Will _____ be _____ with advanced _____?

Do you know when _____ adoption of _____?

_____ there any chance _____ rides powered _____ hydrogen _____ fuel cells hitting _____?

Can we get _____ cars _____?

_____ arrival date of _____ based _____.

Are you _____ tell us when _____ and _____ fuel _____ be _____?

_____ fuel cell based _____ availability?

_____ hydrogen-based vehicles _____ soon?

_____ advanced fuel cell _____ become more available?

_____ can _____ car options be _____?

Will there _____ cars that _____ cells?

_____ we have _____ hydrogen-powered _____ someday?

_____ will _____ with advanced fuel _____ technology be _____?

When _____ hydrogen-driven cars be available, _____ enhanced _____?

Do _____ know when _____ with _____ cell technology _____ be _____?

_____ to widespread availability _____ hydrogen-based _____ using _____ cell systems?

_____ will _____ cell _____ become popular?

_____ will fuel cell _____ be available to _____?

When _____ fueling _____ be _____ accessible?

_____ vehicle _____ soon?

_____ hydrogen-focused _____ coming _____?

Is it _____ advanced fuel _____ cars will _____?

_____ information on _____ hydrogen- fueled cars _____ cell _____ will become more _____?

_____ know _____ they might _____ hydrogen- fueled _____ with _____ fuel cells.

When are we _____ to _____ high _____ fuel cells?

_____ can hydrogen-powered _____ accessible?

We _____ to _____ when _____ advanced fuel _____ autos in _____.

_____ don't know _____ are close _____ widespread availability _____ hydrogen-based _____.

When will hydrogen-powered _____ to _____?

_____ we _____ popular _____ of hydrogen car _____ by cutting-edge _____ cells?

_____ long before _____ to cars that _____ hydrogen?

_____ fuel _____ cars _____ mainstream _____ future?

_____ availability of hydrogen driven _____?

_____ long _____ regular _____ have _____ car?

_____ a projection _____ when _____ might _____ hydrogen- fueled _____?

When _____ might _____ hydrogen-fueled cars _____ advanced fuel _____ not _____.

_____ opinion on when _____ cell-equipped cars _____ will be _____ in _____ mainstream?

When _____ hydrogen-driven _____ powered by _____ technology _____ widely _____?

Can regular _____ hydrogen cars?

_____ widespread use _____ fuel cell vehicles?

When _____ fuel cell _____ cars?

_____ they _____ mass-produce _____ advanced fuel cells?

_____ can hydrogen _____ used?

_____ it be great _____ ordinary consumers _____ hydrogen- fueled _____ with high _____?

_____ possible to expect hydrogen _____ with advanced _____?

Are _____ vehicles going _____ be _____?

_____ chance that _____ fueled rides with advanced _____ will _____ mass market _____?

Will _____ general _____ have access _____ cell _____ the near future?

I want _____ know when hydrogen _____ going to _____.

How long _____ everyone _____ to _____ car technologies?

When _____ hydrogen-powered cars with advanced _____ cell _____ become _____?

_____ much _____ the mainstream availability of _____ cars powered by hydrogen?

_____ me _____ will _____ down my street?

_____ hydrogen- _____ will be widely _____ questionable.
