

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Cross-talk or interference
Description	This category addresses inquiries related to signal interference caused by nearby devices, electrical equipment, or neighboring antennas. Advisors may provide advice on reducing cross-talk, adjusting frequencies, or using filters to improve signal reception.
Data Size	5,039 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

How can _____ a _____ device _____ causing _____ interference that _____ the _____ quality?
_____ whether a nearby device _____ signal _____ hurts the _____ quality.
In order to _____ if the _____ on my _____ being _____ electronics, what _____ I _____ for?
_____ interference affecting _____ quality at a _____?
_____ know if the device is affecting _____.

What can be done _____ a device _____ signal _____ the _____ quality?
_____ there a _____ if _____ nearby _____ is messing _____ my TV?
_____ I _____ know if _____ local _____ affects the video _____?
_____ wonder if _____ device _____ could be messing _____ picture _____.
_____ I tell if _____ is messing _____ TV?

I'm _____ identify if the picture _____ bad _____ of _____ nearby _____.

What should I know _____ a _____ affects _____?
_____ do _____ find _____ interfering with my visuals?
_____ want to _____ if the device is _____ signal _____ affects _____ quality.
I _____ wondering _____ a nearby device _____ the picture quality.
I wonder _____ is _____ way _____ if _____ next to _____ messing up the _____.
_____ if it _____ to _____ the device _____ to it _____ interfering with the picture _____.
_____ it _____ that a neighboring device _____ with _____?

I'm _____ if the _____ that _____ affect the picture quality.
_____ anyone have _____ way to _____ if _____ contraption _____ my TV _____ not?
_____ a way to find _____ culprits _____ close _____ would _____ resolution?
_____ a way to _____ to see _____ are messing _____ the _____?
_____ possible to tell _____ the _____ next to _____ messing _____ the picture _____.

How can I tell if _____ has _____ effect on _____?
_____ wondering _____ a nearby device _____ that _____ affect the picture's _____.

What steps _____ be taken _____ determine _____ device is affecting _____?
_____ I _____ if _____ signal is causing problems in the _____ from a _____?

Can I _____ device _____ signal interference that _____ affect picture _____?

_____ wonder _____ device _____ with my picture quality.
 I _____ wondering _____ could _____ whether a nearby device causes signal _____ the picture _____.
 I _____ to know if the _____ bad _____ with _____ device.
 I'd like to _____ out _____ nearby _____ signal interference _____ quality.
 I want _____ know _____ I can _____ if a nearby device causes _____ affects _____.
 _____ if _____ if a _____ device hurts the picture quality.
 I _____ if _____ nearby device _____ signal interference that _____.
 Is _____ way to _____ video _____ clarity problems _____ of devices?
 _____ device _____ affects picture _____?
 _____ curious if _____ device is _____ with _____ that _____ picture quality.
 I'm _____ a nearby _____ can _____ interference that _____ picture quality.
 _____ that are disrupting my _____ quality
 Is _____ to tell _____ another device _____ my _____ possible?
 Is it _____ to _____ if _____ affects image quality _____?
 I _____ signal _____ causing problems in _____ or if _____ interference is from _____ device.
 Is the _____ not _____ nearby device or signal _____?
 Can _____ tell if _____ picture is bad _____ interference _____ device?
 I'm _____ if _____ find out if _____ device _____ quality.
 I _____ if nearby _____ the quality _____ my picture.
 _____ wonder if _____ a way to know if _____ next _____ the _____ worse.
 Do you _____ identify a _____ nearby for bad _____?
 I _____ wondering if I _____ a nearby device causes _____ interference _____ picture quality.
 _____ possible to determine _____ devices' impact on _____ definition.
 I am wondering _____ signal interference that _____ quality.
 I _____ if _____ device _____ interfering with signal that affects _____.
 I _____ to _____ a device is _____ with _____ in _____ picture.
 Can _____ the signal is causing problems _____ the _____ it is _____ from a _____?
 How do I _____ the _____ is bad _____ with the _____?
 How _____ know if a _____ affects _____ image?
 I'd _____ find out _____ a nearby device causes signal _____ hurts _____.
 _____ if _____ nearby _____ interference that can affect the picture _____.
 I _____ if _____ can cause _____ interference that undermines _____ picture _____.
 How do _____ identify _____ the picture _____ because _____ with _____ device?
 _____ possible _____ tell which electronics are interfering _____?
 I wonder if there's _____ out if the _____ to is _____ with _____ picture _____.
 _____ wondering if I can find _____ if _____ device causes _____ hurts _____.
 I'm wondering _____ causes signal interference _____ affects picture _____.
 _____ if _____ is affected by the nearby device?
 I _____ if _____ in _____ picture or _____ it is interference from a _____.
 I am _____ I can find _____ caused _____ nearby device _____ picture quality.
 _____ I figure out _____ image _____ was disturbed _____ nearby device?
 How _____ I determine if _____ disrupting _____ and effecting video _____?
 I wonder _____ can _____ out whether a nearby _____ causes signal _____ affects _____.
 I am _____ if _____ is a way to _____ the _____ to _____ the _____ quality.
 _____ wonder if _____ way _____ know _____ it is affecting the picture quality.
 _____ it _____ identify a disruptive nearby widget _____ pictures?
 How can we _____ neighboring _____ affects the image _____?
 _____ not _____ to _____ out _____ a device causes _____ and _____ the picture _____.
 I was _____ if _____ if a _____ causes signal interference _____ affect the _____ quality.
 _____ know _____ to _____ a _____ gadget disturbs the _____ clarity.

Is _____ a way to identify _____ culprits _____ close _____ picture _____?

How _____ you _____ if _____ nearby device _____ image?

I'm wondering _____ signal interference that _____ the picture quality

Is _____ local _____ affects signal and visual _____ negatively?

_____ can _____ tell _____ a neighboring _____ effecting _____ quality?

Is _____ a way to _____ close _____ that affect _____ resolution?

Is there _____ if _____ nearby _____ is messing with _____ tv?

_____ wonder _____ there's a way to see _____ the _____ to is _____.

_____ I know if _____ is affecting _____ image?

I wondered _____ there was _____ tell if the device _____ it was _____ the _____.

_____ is a _____ know if _____ device is messing with the _____.

Is there a way _____ a device _____ is _____ with _____?

_____ wonder if there is _____ to find _____ the _____ to is affecting the _____.

_____ be done to make _____ a _____ does not _____ the signal _____ quality?

I _____ if there _____ way _____ devices are _____ up the picture.

_____ there _____ know if a nearby _____ affecting signal and _____?

I am _____ if I could find _____ device _____ signal _____ the picture quality.

_____ a way to _____ interference _____ in _____ proximity that _____ picture _____?

I _____ if _____ can discover _____ nearby _____ signal interference _____ hurts the _____ quality.

_____ if there is a way to know if the _____ to _____ on _____ TV

I'm _____ there's a way to _____ if the _____ it _____ with the picture _____.

What _____ be _____ to distinguish _____ disrupting _____ signal and affecting _____ quality?

I am _____ if there _____ way to _____ if the device _____ it _____ the _____.

Is _____ a way to determine _____ nearby _____ picture quality?

Is _____ quality _____ picture _____ being compromised by signals _____ nearby devices?

Could _____ find out _____ a _____ causes _____ interference _____ affects _____ picture _____?

I wonder if there _____ know _____ the device _____ effecting the _____.

_____ I _____ that _____ affecting picture quality?

I _____ if _____ is a _____ to _____ if a _____ contraption is messing _____.

I _____ know _____ a device causes signal _____ or affects _____ quality.

I want to _____ if _____ is _____ signal that _____ the _____ quality

_____ am wondering if I _____ find _____ nearby _____ signal _____ that undermines the picture _____.

Are there _____ to figure out _____ a _____ device _____ my _____?

_____ know if a _____ device _____ affecting the picture _____?

_____ am _____ to know _____ device _____ signal _____ and affects _____ picture quality.

_____ it possible to _____ on _____ clash impacting image _____?

What _____ best _____ if a _____ device adversely affects _____ output?

_____ don't know if a device _____ signal _____ or _____ picture _____.

_____ it _____ to _____ interference culprits _____ close _____ affects _____ resolution?

Is _____ way _____ catch _____ interfering thing nearby _____ TV's _____ quality terrible?

I want _____ a nearby device causes _____ interference _____ hurts _____ picture _____.

_____ to know if _____ are disrupting _____ on my _____.

What methods can be _____ determine _____ affects visual _____ by _____ with _____?

I need to know if _____ on the _____.

_____ neighboring devices' _____ on signal clash _____ definition

I _____ there _____ a way to _____ the _____ to it is _____ the _____ picture.

_____ wondering _____ there _____ with signal interference _____ the picture quality.

Is there a _____ to tell _____ is messing _____?

_____ methods can _____ used to _____ an _____ affects visual quality _____ signals?

Is it _____ to _____ nearby contraption is _____ my _____.

_____ am wondering _____ is a way to tell _____ the _____ is _____ with _____ picture.

Can _____ tell _____ a _____ device _____ affecting the _____?

Is there _____ locate interference culprits _____ that _____ picture resolution?

Is there a way to _____ if a _____ TV?

_____ am wondering if _____ way to _____ the device next to _____ picture quality.

I wonder if _____ tell _____ the device next _____ interfering with the picture _____.

How should I _____ local _____ the video output?

How do I tell if the _____ because _____ another _____?

I am wondering if _____ signal _____ that _____ the _____ quality.

Is _____ way to _____ if _____ nearby device _____ my _____?

_____ do I tell if the _____ is _____ to _____ signal interference?

_____ know _____ picture _____ screen is being _____ by a neighboring electronics.

_____ can be _____ nearby device is disrupting the signal _____ quality?

_____ it possible _____ recognize _____ effects _____ proximity _____ that affect _____ transmission _____?

_____ I _____ the _____ is interfering with the _____ or _____ it's from _____?

_____ if the _____ to my TV is messing with the _____?

I would like to _____ if _____ causes signal _____ picture quality.

I _____ if there is _____ to _____ the _____ next to is _____ picture.

_____ can we _____ to determine if _____ apparatus _____ the _____?

_____ to find interference culprits _____ close proximity that _____ affect _____?

I _____ signal from _____ devices is _____ my picture.

_____ can we _____ if _____ nearby apparatus _____ image _____?

I wonder _____ there _____ way to _____ to is messing with the picture _____.

I am _____ if I can _____ a _____ device causes _____ interference _____ affects _____.

_____ I tell _____ picture is bad _____ interference _____ the nearby device?

_____ it possible to _____ caused _____ proximity of devices.

Is there a _____ to _____ any devices _____ are _____ picture?

I am wanting _____ know if _____ nearby device _____ signal _____ quality.

I am wondering if signal _____ device _____ picture.

Is it _____ picture is not _____ because _____ nearby device _____ interference?

_____ am wondering _____ can _____ if _____ nearby device causes _____ interference in _____.

_____ should _____ do to determine if _____ device is _____ signals _____ adversely _____?

_____ I know _____ a _____ signal _____ that affects the picture _____?

I am wondering _____ a _____ device _____ signal _____ that _____ picture's _____.

Is _____ way _____ recognize problems caused _____ the _____ of devices _____ transmission _____?

Could _____ be device _____ affecting _____?

_____ out if a local device _____ disrupting _____ and _____ video _____?

I want _____ know _____ any _____ my _____ is being impacted by _____ devices.

_____ am wondering if the _____ is causing problems _____ picture _____ it _____ the device.

_____ can _____ determine _____ nearby device _____ interfering with _____ picture?

I wonder _____ there _____ a _____ to _____ if the _____ next _____ picture.

I _____ is _____ way _____ know if the device next to _____ has _____ the _____.

I want _____ if a _____ has _____ effect on _____ image.

_____ a _____ disrupting the _____ picture _____ can be done?

_____ it be _____ to _____ electronics _____ with my visuals?

_____ want _____ device _____ affecting the picture quality.

_____ am wondering _____ I can learn if _____ signal _____ that _____ the _____ quality.

I'm curious _____ a _____ causes _____ the picture quality.

I'm _____ if _____ of signal interference _____ the picture quality.

I don't _____ determine if _____ device causes interference and _____.

I _____ if _____ the device next _____ is affecting the picture quality.
 _____ the signal _____ problems _____ the picture _____ if it's interference _____ a device?
 I'm _____ if I _____ out _____ signal interference _____ the _____.
 _____ a _____ device causes signal _____ that can _____ the _____ quality.
 _____ if _____ device _____ interference that affects the picture _____.
 _____ it possible to spot _____ transmission _____ of devices?
 _____ anyone _____ a _____ device causes signal _____ that hurts _____ picture _____?
 _____ to tell if a nearby _____ up _____ screen?
 _____ if _____ find out if the signal _____ is _____ the picture _____.
 _____ there is any way to know if _____ messing with the _____ quality.
 Could _____ nearby _____ be affecting the quality _____?
 _____ know _____ a device _____ interference and affects _____ picture _____.
 How _____ if _____ neighboring apparatus _____ image quality?
 I am _____ a nearby _____ signal _____ picture quality.
 I'm wondering if _____ find _____ if _____ interference from _____ the _____ quality.
 I _____ if a _____ causes signal _____ can affect _____ picture _____.
 _____ have _____ methods for _____ out if a device is _____?
 I _____ wondering if a _____ creates _____ interference that _____ the _____.
 _____ possible to tell if _____ device is _____ picture _____?
 What should _____ to determine if a local _____?
 _____ unsure _____ device causes signal interference _____ the picture quality.
 I wonder if _____ a _____ the device _____ to it is interfering with _____.
 _____ it possible to determine _____ apparatus negatively affects _____?
 I'm not certain if a _____ affects the _____.
 I want to know _____ the _____ quality _____ by _____ with _____.
 What signs _____ I _____ that _____ me _____ my _____ is interfering with _____ clarity?
 _____ like _____ know _____ a device affects the _____.
 _____ would _____ know if _____ nearby _____ that _____ the picture quality.
 I wonder if there's a way _____ messing _____ the _____.
 Should I _____ nearby device affects _____ and _____?
 _____ can _____ tell _____ the neighboring apparatus _____ image?
 I'm wondering if _____ find _____ the _____ that undermines _____ picture quality.
 I _____ wondering _____ device causes _____ interference that _____ picture quality.
 I wonder if _____ next _____ is _____ the picture _____.
 I want _____ know if _____ interfering _____ the _____ or _____ from _____ device.
 Is _____ possible _____ interfering with my picture quality?
 _____ whether the picture _____ because of interference with a _____.
 What can be _____ when _____ device affects picture _____?
 Is it _____ a _____ signal and image?
 _____ which electronics _____ interfering with my _____.
 _____ know _____ device has _____ on signal and image?
 _____ there a way _____ if a _____ is messing with _____?
 I would _____ know _____ a _____ the picture quality.
 Is _____ possible to _____ devices' _____ on _____ clash _____ definition?
 What _____ be done to _____ when _____ device _____ the signal _____ picture _____?
 I _____ wondering if there _____ to _____ device is interfering with _____.
 I am wondering _____ it _____ possible _____ a nearby _____ to cause _____ that _____ quality.
 _____ am _____ is signal interference that _____ the _____.
 _____ if a _____ device causes signal _____ that _____ the _____.
 _____ am wondering if I can _____ whether _____ device _____ picture _____.

_____ to _____ a device interfering _____ the picture quality.
 Can _____ that affects the picture _____?
 _____ would like _____ if the picture _____ bad _____ with a nearby _____.
 Is there a _____ to _____ nearby contraption is _____ my _____?
 _____ wish there _____ a way to _____ next to _____ interfering with _____ picture.
 Is there _____ to _____ if another device is _____ screen?
 Is there a _____ to _____ if the _____ messing _____ TV?
 _____ way to tell _____ is interfering with _____ TV _____ quality?
 How _____ we tell if _____ adverse effect _____ image quality?
 _____ we _____ if a nearby _____ is affecting _____?
 I _____ know _____ a device _____ signal that affects _____ quality.
 Is _____ to _____ if a local _____ video _____?
 I'm wondering if I _____ out which _____ affects _____ quality.
 I _____ to know _____ device is _____ with the _____ picture _____.
 _____ do I _____ out if _____ device is affecting _____?
 _____ there _____ way to _____ a neighboring device _____ signals _____ the _____?
 I _____ if _____ device causes signal _____ and _____ the picture _____.
 _____ there a way _____ tell _____ is _____ with _____ TV?
 I wonder _____ is interfering with _____ that _____ picture quality.
 _____ can _____ do _____ know _____ nearby device is interfering _____ quality?
 I _____ like _____ know _____ the _____ causing problems in the _____ or _____ interference _____ from a _____.
 Can we determine _____ a _____ the image _____?
 _____ would _____ to _____ signal is _____ with _____ picture quality.
 I _____ not sure _____ to _____ out if a _____ causes _____ or _____ the _____.
 _____ there _____ issue _____ device _____ with my signal that _____ the clarity of my _____?
 I wonder _____ there _____ a _____ if the device _____ interfering with the photo _____.
 Could the _____ nearby _____ affecting the quality _____ picture?
 _____ want _____ if _____ picture is _____ because _____ from _____ nearby device.
 _____ there _____ tell if _____ nearby contraption is _____ with my _____.
 Which _____ can be _____ determine _____ adjacent _____ affects _____ quality by interfering _____?
 _____ there a way _____ the nearby _____ messing with the _____?
 _____ wondering if _____ is possible that _____ device causes signal interference _____ picture _____.
 The picture quality may _____ affected by _____ by _____.
 _____ wonder if _____ nearby device _____ degrading _____ picture quality.
 _____ would like to know if signal interference _____ can _____ picture _____.
 _____ there _____ way _____ if devices are _____ the picture?
 I wonder _____ from nearby devices _____ compromising the _____.
 Do you _____ disrupting my _____ quality?
 Is _____ way _____ find _____ whether _____ device is disrupting _____ visuals?
 _____ a way to tell if another _____ messes _____?
 _____ there a way to _____ out _____ culprits _____ that _____ picture _____?
 _____ a local _____ affecting _____ signal and _____ negatively?
 Picture _____ may be affected _____?
 What do I do _____ is _____ good because of _____ nearby _____?
 How _____ you determine if _____ adjacent apparatus _____ interfering with _____?
 _____ there _____ way to know _____ device next _____ affecting the picture _____?
 _____ I _____ interference _____ picture quality?
 I _____ if there is a way to check _____ device _____ is messing _____.
 I'd like to know _____ the _____ is _____ of _____ a _____.
 _____ a _____ if a device nearby _____ affecting the picture _____?

Is _____ possible _____ identify _____ from _____ gadgets _____ image clarity?
 _____ am _____ I _____ figure out if a nearby _____ causes _____ that _____ affect _____ quality.
 I'm _____ signal _____ from _____ nearby _____ the picture quality.
 _____ a device _____ interfering with _____ that _____ the picture _____.
 _____ can we know if _____ has _____ effect _____ quality?
 _____ know if a _____ is disrupting _____ that _____ picture quality.
 Is there _____ way _____ interference in _____ proximity _____ picture _____?
 _____ if _____ a way _____ if the device _____ to is _____ picture.
 Can _____ signal _____ is affecting picture _____?
 Can I _____ signal _____ quality?
 _____ don't know _____ if a device causes signal _____ and affects _____.
 _____ wonder _____ there _____ way to know if the device _____ to _____ is _____ bad.
 Can _____ see _____ interference _____ picture quality from _____?
 Are _____ ways _____ interference culprits in _____ that _____ picture _____?
 Do _____ if any neighboring _____ are _____ with _____ quality?
 _____ curious if there _____ a _____ to _____ if _____ to _____ with the TV picture.
 _____ can _____ tell if the _____ is _____ because _____ the device?
 I'm _____ can _____ if _____ nearby device can affect _____ quality.
 Is _____ device interfering _____ the picture quality?
 _____ there _____ way to figure out _____ device is affecting _____?
 _____ don't _____ how _____ tell _____ the _____ quality is affected _____ a _____.
 _____ not sure _____ to _____ a device _____ or affects _____ picture quality.
 _____ a _____ device _____ interference _____ undermines the picture quality
 I wonder if _____ from nearby _____ might _____ my _____.
 If a neighboring _____ affects signals and _____ how _____?
 Is there a _____ to find interference _____ proximity _____ impact _____?
 _____ it _____ interference from nearby gadgets _____ affect _____ clarity?
 I _____ wondering _____ I can _____ out _____ a _____ device _____ picture _____.
 Can I find _____ if _____ device _____ interference _____ the picture _____?
 I wondered _____ there's a _____ know _____ device _____ to is _____ the picture _____.
 Is _____ possible _____ if _____ picture is _____ because of interference _____ device?
 _____ am _____ device could cause _____ hurts the picture quality.
 Do _____ if _____ causes signal interference that undermines _____ picture _____?
 How _____ determine if _____ neighboring apparatus _____ our _____?
 _____ wondering if _____ causes signal _____ that hurts the _____
 _____ know _____ a neighboring _____ is causing signal _____ the visuals.
 _____ wonder if the _____ from nearby _____ could _____ for _____.
 I _____ if _____ is a way _____ if _____ is making the picture _____.
 Is _____ the effects _____ proximity of _____ that affect video _____ clarity?
 _____ I find out _____ device is interfering _____ picture quality?
 _____ not sure how to tell _____ device causes _____ and _____ the _____.
 I _____ to _____ signal causes problems in _____ or _____ interference _____ a device.
 Is _____ to _____ signal _____ nearby gadgets that affects image _____?
 Can _____ tell you _____ signal is _____ problems _____ picture or _____ it _____ interference from _____?
 What _____ be _____ when a _____ disrupting the signal and _____ quality?
 _____ to tell _____ electronics are _____ with _____ pictures?
 _____ interference effecting _____ from a nearby _____?
 _____ I _____ find _____ whether a nearby _____ can affect the picture _____.
 _____ know whether the picture _____ of interference _____ nearby device.
 _____ like to know _____ next to _____ is affecting the _____.

____ want to know if ____ picture clarity ____ affected by ____ devices.
 ____ I ____ to ____ which electronics are ____ with my ____?
 ____ want to know ____ a device ____ interfering with ____ picture ____.
 I want ____ if ____ apparatus affects image ____.
 Where can ____ a nearby device ____ interfering with ____?
 What ____ I ____ if a local device ____ video output?
 Is there ____ to ____ if ____ messing with ____ TV?
 How ____ the picture ____ is affected ____ the nearby ____?
 ____ way to tell if a ____ interfering ____ the picture ____?
 ____ wonder if ____ a way ____ tell if the ____ messing ____ quality.
 Is ____ a ____ to figure ____ if ____ is affecting ____ TV?
 ____ is a ____ if ____ next ____ is interfering with the picture.
 ____ can't tell ____ signal ____ causing ____ picture ____ if it's ____ from a device.
 How ____ I ____ the ____ is bad because ____ the nearby ____?
 ____ a ____ device disrupt the signal and affect ____ done?
 I ____ know ____ a device ____ picture ____ and ____ signal ____.
 How ____ if ____ nearby device affects ____ image?
 ____ anyone ____ me ____ device ____ to is messing with the picture ____.
 ____ you ____ a way to identify disruptive ____?
 My ____ could ____ impacted by neighboring ____ signs should ____ look ____?
 ____ you recommend methods to ____ out if a ____ TV ____?
 I am wondering ____ signal interference ____ the ____ quality.
 I wonder ____ there ____ a ____ to know ____ any ____ are ____ the ____.
 I want ____ nearby device ____ causing signal interference ____ affects the ____.
 How ____ I ____ if a nearby ____ is ____?
 ____ to figure out if a nearby ____ is ____?
 ____ am ____ if ____ interference from a nearby ____ can ____.
 ____ would ____ to ____ out if ____ causes signal ____ the picture quality.
 Can we determine ____ a neighboring ____ is ____?
 ____ can be ____ if ____ apparatus affects visual ____ interfering ____ signals?
 ____ I determine ____ a ____ device ____ disrupting ____ and impacting ____ output?
 Is it possible ____ picture is ____ because of ____ a ____?
 Is signal ____ affecting ____?
 I am wondering ____ causes interference ____ picture quality.
 I want ____ know if ____ with signal is ____ the ____.
 ____ the signal is causing problems ____ the picture ____ if the interference ____ a ____?
 Is ____ way to recognize the effects ____ proximity to ____ clarity?
 Is there a ____ my ____?
 ____ wondering ____ can find out if a nearby ____ causes ____ that ____.
 ____ signals interfering ____ quality from a ____?
 How should I tell ____ picture ____ bad because ____ nearby device ____?
 ____ if ____ can find ____ a nearby device causes ____ that ____ the ____ quality.
 ____ will I ____ nearby device ____ interfering with ____ picture?
 I ____ is a way ____ know that ____ next to is messing ____ quality.
 Can ____ tell if a ____ is ____ picture ____?
 What ____ I do to ____ a ____ affects ____ output?
 ____ done to ____ a nearby device ____ the signal and ____ quality?
 ____ unsure of how ____ if ____ device causes signal ____ the ____ quality.
 ____ it possible to recognize disturbances ____ the proximity ____ devices that ____?
 I ____ wondering if there is ____ interference ____ can _____.

How ____ I ____ if ____ nearby device ____ the ____ the ____?

Is ____ interference impairing picture ____ if ____?

____ not ____ tell if a device ____ interference and ____ the ____.

Is it ____ to identify problems caused by ____ of ____ affect ____?

____ want to ____ if a nearby device ____ quality.

____ an ____ with ____ affects visual quality, ____ methods can ____?

____ want to ____ if ____ signal ____ with ____ picture quality.

Do I ____ if the ____ is ____ the ____ or if it ____ from ____ device?

I'm wondering ____ nearby device ____ signal ____ that can affect ____.

Do you ____ techniques ____ figuring out ____ device is affecting my ____?

____ tell if ____ neighboring ____ affects the image?

I ____ there's a ____ tell ____ the ____ is ____ with the picture ____.

How ____ a nearby ____ signal interference ____ affects the picture quality?

I wonder if a ____ the ____ it is interfering with ____ can be found.

How do I ____ if a nearby ____ quality?

I was wondering ____ could ____ if ____ nearby ____ interfered ____ the ____.

Is ____ way to ____ is messing with the tv?

____ signal ____ picture ____ nearby devices?

I ____ if ____ is a ____ know ____ next to ____ is impacting the picture ____.

How do ____ know ____ due to ____ with ____ nearby device?

Is ____ picture ____ from a ____ device

I ____ if ____ a ____ if ____ device ____ to ____ messing with ____ picture.

____ like ____ know ____ device causes signal interference ____ the picture quality.

How can I ____ the ____ is ____ by ____ interference?

I want to ____ a device interfering with a ____.

I am wondering if ____ find ____ a nearby device ____ interference ____ could ____ quality.

____ you know ____ picture ____ by device interference?

____ a nearby device causes ____ interference that affects ____ quality?

Is ____ to ____ a ____ is messing with the ____?

Is there ____ way to know ____ is ____ my TV?

____ could we determine ____ neighboring ____ affects ____ quality?

____ out if ____ is near ____ a screen?

I ____ to ____ whether ____ is ____ that affect the ____ quality.

____ not ____ a device causes signal ____ the picture ____.

____ if there is ____ way ____ know ____ device is messing ____ a ____.

I'm wondering if I ____ causes signal interference ____ picture quality.

Do ____ a way to identify ____ gadgets for ____?

____ possible ____ device affects ____ and ____ output negatively?

Is there ____ to tell if a ____ contraption ____ television?

____ I ____ if ____ is ____ because of ____ with another device?

I ____ is ____ way to know if ____ it is interfering with the ____ picture.

____ it possible to ____ electronics ____ interfering ____ image?

____ if the ____ problems in ____ or ____ the interference is from a device?

Do ____ have any ____ how ____ out ____ a nearby device ____ affecting ____ quality?

Is ____ to ____ if ____ contraption ____ with my tv?

____ do ____ is bad because of ____ interference with the nearby ____?

How do ____ if the picture ____ bad due to ____?

Is there ____ way to ____ device ____ affecting the ____?

How ____ I ____ a nearby gadgets ____ clarity?

I ____ have an issue with ____ with ____ signal, ____ clarity of my ____ display

I am wondering _____ can figure _____ if a nearby device _____ signal _____ can _____.
 _____ do you _____ device is _____ messing _____ the _____ picture?
 I wondered _____ there _____ way _____ device next to _____ was interfering _____ picture quality.
 _____ can _____ distinguish _____ nearby _____ disrupting the _____ and affecting picture quality?
 I _____ to _____ if the _____ bad _____ of _____ a _____ device
 How can I _____ if _____ device _____ with _____ picture _____?
 It's possible to determine _____ signal _____ impacting image _____.
 _____ clues _____ tool _____ visuals?
 _____ figure out _____ the signal is causing _____ picture _____ if the interference _____ from _____?
 _____ am wondering _____ signal _____ from _____ hurts the picture _____.
 _____ am _____ signal interference caused _____ a _____ device undermines the _____.
 _____ want to _____ with a signal in the picture.
 _____ identify _____ my picture quality?
 _____ there a way to know if _____ my _____?
 Is _____ way _____ neighboring device _____ disrupting the visuals?
 I want to _____ device _____ signal interference that _____ picture _____.
 Do you _____ interference _____ affecting _____ quality?
 I'm wondering _____ a nearby _____ interference that _____ picture's _____.
 _____ can I _____ if _____ nearby device _____ the picture _____?
 _____ if there are _____ to know if the _____ to _____ with _____ picture _____.
 I _____ to know if _____ picture is _____ of _____ device.
 I want to know _____ the _____ bad _____ interference _____ a nearby _____.
 _____ an apparatus affects _____ interfering with _____ methods _____ be used _____ determine?
 I _____ wondering if _____ can find out _____ a _____ interference which undermines _____ quality.
 I _____ way to _____ if _____ device next to _____ with the picture _____.
 Do _____ identify a _____ nearby item for _____ pictures?
 Is it _____ recognize problems caused _____ the _____ degrade video transmission _____?
 _____ I _____ if a device _____ and image?
 _____ there _____ if a _____ is _____ with my TV shindig?
 _____ any devices _____ my picture _____?
 _____ do _____ device _____ affecting signal or image?
 _____ wonder _____ a _____ can _____ found to know _____ next _____ it _____ interfering with the _____.
 Does _____ if a _____ interference _____ can affect picture quality?
 Does anyone have a _____ to _____ if a _____ with _____?
 How _____ I _____ if _____ gadgets disturbs _____ image _____?
 _____ a local _____ signals _____ video output?
 _____ to _____ out if _____ local device is affecting video _____?
 Is _____ device _____ affecting _____?
 Is _____ possible _____ any neighboring _____ disrupting _____ picture _____?
 _____ I _____ a nearby device is affecting _____ and _____?
 _____ if _____ nearby device could _____ interference that affects the _____.
 I want _____ the _____ is _____ because of interference _____ a _____.
 _____ there _____ way to know if _____ it is _____ picture?
 How can _____ determine if _____ apparatus has _____ effect on _____ signals?
 _____ I identify _____ the _____ is _____ good _____ of _____ or signal interference?
 How _____ I _____ picture _____ is affected by _____ devices?
 I wonder if _____ a way _____ see _____ messing _____ the picture.
 _____ sure _____ causes signal interference and affects _____ picture _____.
 _____ am wondering if a _____ device _____ signal _____ the picture _____.
 _____ want to _____ if _____ signal is _____ issues in the picture _____ if it _____.

Is _____ way _____ see _____ a _____ nearby is affecting _____ ?

_____ there is a _____ to figure out _____ to it _____ interfering with the _____.

_____ not _____ how to _____ if _____ or affects the _____ quality.

_____ there _____ way _____ a neighboring device _____ disrupting _____ visuals?

_____ can _____ tell _____ neighboring apparatus is _____ signals _____ image quality?

I want _____ know whether _____ signal _____ causing problems _____ or if _____ interference _____ a _____.

_____ we do to _____ a neighboring apparatus _____ image _____ ?

How _____ we _____ an apparatus affects _____ by _____ with _____ ?

I _____ know if _____ is interfering with _____ affects a _____.

_____ it possible _____ if _____ nearby _____ is _____ my TV?

I _____ wondering if _____ nearby _____ signal _____ that hurts _____.

I might be able _____ find _____ if _____ nearby _____ that _____ the _____ quality.

If _____ apparatus _____ visual quality _____ with _____ what _____ can _____ use?

_____ a _____ to _____ if the _____ is _____ the visuals?

I am wondering _____ a nearby _____ causes signal _____ affect _____.

_____ know if _____ nearby _____ is messing with _____ or _____ ?

I _____ signal _____ from a _____ device _____ the _____ quality.

_____ we _____ if _____ neighboring apparatus _____ effect on _____ quality?

What _____ I _____ to find out _____ a _____ video _____ ?

_____ there a _____ me _____ know _____ neighboring _____ disrupting the visuals?

Is it _____ which electronics are _____ my _____ ?

I wonder if there's _____ way to _____ device _____ messing _____ the _____.

_____ am questioning _____ nearby _____ causes _____ interference that hurts _____ picture _____.

Can _____ tell me _____ device _____ to _____ messing with _____ picture _____ ?

_____ should I do _____ if _____ affecting video output?

See if _____ affecting picture quality.

_____ a way to _____ if _____ next to it _____ with the picture quality.

_____ wonder _____ there's a _____ know if the _____ next to _____ picture.

What _____ be _____ determine _____ apparatus affects visual quality _____ interfering _____ signals?

_____ am wondering _____ device causing signal _____ picture quality.

_____ am wondering _____ is _____ because _____ interference _____ a device.

I am wondering if _____ nearby _____ causes _____ that _____ quality of _____.

_____ we tell _____ the neighboring apparatus _____ quality?

_____ if a _____ device is causing _____ disruption _____ the visuals.

I _____ there _____ if the device next _____ it was _____ the TV picture.

_____ know if a nearby _____ causes signal _____ that _____ the _____ quality.

_____ done to _____ nearby device doesn't _____ signal and affect picture _____ ?

I am wondering _____ I can _____ device _____ signal _____ picture quality.

_____ am wondering if _____ device is _____ with signal _____ quality.

_____ picture is _____ due to _____ device or _____ do I do?

_____ signal disruptions _____ devices are compromising _____ picture.

I wondered _____ there _____ a _____ if the device _____ to _____ was _____ the picture.

I would _____ to find out whether a nearby device _____.

I _____ if the signal interference _____ nearby device _____ picture.

_____ I can find out if _____ picture _____ a nearby device.

_____ signal interference interfering _____ quality _____ a nearby _____ ?

_____ to determine if a local _____ is disrupting signals _____ affecting _____ ?

_____ wonder _____ is _____ way _____ know if the device _____ to it is _____ picture.

I _____ I can find out _____ nearby device hurts _____.

I'm wondering _____ device causes _____ and affects _____ picture _____.

I _____ whether _____ is causing _____ in the picture _____ it _____ a device.
 _____ if a way to know _____ next _____ is messing with _____ quality is _____.
 Can _____ if the signal is causing problems in _____ picture or _____ device?
 How can I know _____ with the _____?
 I'm _____ could find out _____ a _____ device causes signal _____ affects _____.
 How to _____ if _____ messing with a _____ picture?
 _____ want to know _____ a _____ is _____ a _____ that affects _____ picture _____.
 _____ there is a way to know if _____ next to it _____ with _____.
 Can I _____ if _____ signal is _____ the _____ or _____ from a _____?
 _____ am _____ if _____ tell if the _____ to is messing with _____ picture quality.
 How _____ I _____ a device is _____ with _____ quality?
 _____ know _____ way _____ identify _____ disruptive nearbywidget for bad _____?
 I _____ know _____ a _____ is _____ signal _____ the picture
 _____ know if _____ interrupt the _____ on _____ screen, what _____ I _____ for?
 _____ do _____ do _____ is _____ because of interference with _____ device?
 _____ like to _____ a _____ affecting the picture quality.
 _____ there _____ tell if _____ is bad because _____ with a nearby _____?
 _____ adjacent apparatus affects visual _____ with _____ what methods _____ be _____?
 Is _____ a problem with an adjacent device _____ with my signal, _____?
 Do you recommend any _____ for determining if _____ my _____?
 _____ want to _____ a device interfering with _____ quality
 How can _____ if a _____ affects image _____?
 _____ am _____ as _____ whether a _____ device causes signal interference _____ picture _____.
 _____ order _____ know if neighboring electronics _____ interfering with my _____ my _____ signs _____ for?
 _____ if _____ was a way _____ the _____ next to it _____ with the TV picture.
 _____ know _____ is causing problems in the picture or _____ it is _____ device.
 _____ a neighboring device _____ interference and _____ my picture _____?
 _____ if _____ can find out _____ a nearby device _____ interference _____ quality.
 I wonder _____ a way _____ out if _____ is messing with _____.
 _____ should I _____ local device affects _____ output?
 How to determine if a _____ device _____ disrupting _____?
 How do _____ know if the picture _____ by _____?
 What can I do _____ determine if _____ disrupting _____ video output?
 _____ know if a device is _____ signal _____ picture quality.
 I need to _____ the _____ are disrupting _____ on my _____.
 _____ need to know _____ on my screen is _____ with _____ the _____.
 I _____ there is a _____ to know if _____ to _____ interfering with the _____.
 _____ you know whether any _____ devices _____ my _____?
 I _____ if a nearby _____ disturbs the _____.
 I'd _____ whether a nearby device _____ interference _____ the _____ quality.
 _____ recommend _____ figure out if a nearby device is _____?
 Is _____ a _____ tell _____ devices _____ interfering _____ the picture?
 I _____ wondering if I _____ out _____ nearby device affect _____ picture _____.
 _____ can _____ know if _____ nearby _____ interfering with _____ picture?
 I wonder if _____ is _____ to _____ if _____ device _____ to _____ is messing _____ the _____.
 I _____ like to know whether _____ nearby _____ that _____ the picture _____.
 _____ we _____ if _____ neighboring apparatus _____ affecting image _____.
 I am _____ a nearby _____ can _____ that _____ affect the _____ quality.
 _____ can we _____ if the _____ affects _____ image?
 _____ don't _____ if _____ affects _____ quality from _____ nearby device.

_____ would like _____ whether _____ interfering _____ the picture quality.
 _____ wonder if _____ quality _____ my _____ is _____ compromised _____ nearby _____.
 I'm wondering if there's a _____ know _____ the _____ next _____ with _____ TV picture.
 I want to know if _____ caused _____ device _____ quality.
 _____ are _____ ways to determine if _____ adjacent _____ visual quality _____ with _____?
 Is there _____ tell if _____ contraption nearby _____ messing with _____?
 I want to know if _____ nearby device _____ that _____ quality.
 How _____ determine if _____ adjacent _____ affects visual quality _____ interfering _____?
 _____ nearby device causing _____ interference _____ the _____ quality.
 _____ can _____ to _____ when a nearby _____ and affects picture quality?
 I _____ to know _____ the _____ my _____ is _____ neighboring electronic device.
 _____ to know _____ is not good because _____ nearby device or _____.
 _____ signal _____ nearby device be affecting the quality _____?
 I'm not _____ know if a _____ causes _____ interference and _____ quality.
 _____ wondering if the _____ causes _____ that affects the _____.
 I wonder _____ there _____ a _____ know _____ next _____ is messing with the picture _____.
 How do _____ if a _____ has an _____ on signal _____?
 I'm _____ I _____ find _____ whether _____ nearby _____ causes signal _____ affects _____ quality.
 I want to _____ if _____ with signal that _____ the _____.
 I _____ whether the signal is _____ with _____.
 Is _____ possible that _____ is _____ due _____ a nearby device?
 Can I _____ if the signal _____ problems in the _____ a device?
 _____ can we _____ one _____ gadgets is affecting _____ picture?
 _____ the _____ bad because of interference with _____ nearby device.
 _____ if _____ a way to know _____ the device _____ to it _____ with _____ TV _____.
 _____ should _____ if _____ local device is _____ or _____ video output?
 _____ want _____ the signal interference caused _____ a nearby device _____ quality.
 _____ should _____ a neighboring _____ affects image quality?
 Do _____ a method for _____ if _____ nearby _____ my TV quality?
 There is _____ know _____ to it is _____ the picture quality.
 I wonder _____ signal from _____ will affect _____ quality _____ my _____.
 If neighboring electronics _____ the picture _____ my _____ signs do _____ know?
 _____ if _____ device causes signal interference _____ harms _____ picture _____.
 How _____ tell if _____ bad because of the _____ signal interference?
 I wonder _____ there is _____ method _____ know _____ next _____ messing _____ the picture.
 _____ if I could _____ signal interference hurts the picture _____.
 _____ affecting _____ quality _____ nearby device?
 I _____ there is _____ way to know _____ is _____ with the _____.
 I _____ if there _____ signal interference that _____ picture quality.
 _____ wondering _____ there _____ device nearby that _____ trashing _____ picture _____.
 Is _____ any _____ to detect _____ clarity _____ caused _____ the _____ devices?
 _____ am _____ I can _____ if a nearby device _____ interference _____ the picture.
 What should _____ do _____ determine _____ a local device _____ an _____ on _____?
 _____ quality of _____ picture might be _____ from nearby _____.
 I _____ to _____ device _____ interfering with _____ signal that _____ the picture _____.
 I _____ if I can find _____ device hurts the _____.
 How can _____ know if an _____ apparatus _____ visual _____ interfering _____?
 Is _____ potential _____ affecting picture _____?
 I _____ wondering _____ nearby _____ can cause _____ interference _____ affect _____ quality.
 _____ quality disrupted by neighboring _____?

_____ can _____ done _____ a _____ device causes a problem _____ affects picture _____?

Is signal interference _____ pictures _____?

_____ am _____ if I can locate _____ of signal interference that _____.

Someone wants _____ if a _____ is messing _____ picture _____.

I _____ to know if _____ on _____ screen is _____ by _____.

I _____ if there's _____ way _____ the _____ next _____ it is _____ the TV picture.

Does a nearby _____ that can _____ picture _____?

_____ want to know _____ signal _____ device affects the picture quality.

I am _____ if the signal interference _____ by _____ the _____.

_____ am _____ whether a nearby device _____ that affects _____.

In order _____ determine if an _____ affects _____ interfering with signals, what _____ used?

_____ I tell _____ electronics _____ interfering _____ my _____?

I am wondering if a _____ interference _____ undermines _____.

I'm unsure of how to _____ a device _____ affects _____ picture _____.

How _____ we know _____ a _____ device is _____ the _____ quality?

I _____ if my _____ causes signal interference that affects _____.

I _____ to know if _____ blocking the signal _____ affects _____.

How _____ I know _____ a _____ is _____ with _____ and _____?

_____ picture quality _____ by any neighboring _____?

I am wondering _____ figure _____ whether _____ nearby device causes signal _____ undermines _____ quality.

I wondered if there _____ a _____ if _____ device _____ to _____ is interfering _____ the _____.

_____ I determine _____ a _____ device is _____ output?

Is there a _____ know _____ device _____ the visuals?

_____ determine _____ a neighboring apparatus affects _____?

How can I see _____ nearby device is _____?

_____ I _____ whether the _____ is _____ in _____ picture or if _____ interference is from _____?

_____ it a possibility _____ interfering with _____ picture quality?

I wonder _____ is _____ way _____ if the device _____ to it _____ the _____ quality.

I _____ to _____ if a _____ device causes _____ that _____ affect _____.

I _____ causes signal _____ that undermines the picture quality.

_____ wonder if there's _____ way to _____ the device next _____ the _____ quality.

_____ there _____ way to _____ if any _____ messing _____ picture?

I'm wondering if _____ find out _____ a _____ picture quality.

I _____ a _____ cause interference _____ can affect _____ picture quality.

_____ determine _____ a neighboring _____ affects _____ quality?

_____ might _____ with _____ adjacent device interfering with _____ signal, impacting _____ clarity of my _____

When _____ nearby device _____ the _____ affects picture _____ done?

_____ we _____ determine if a _____ adversely affects image _____?

_____ wonder _____ there's a way to tell _____ device _____ is _____ with the _____.

I don't _____ if the signal _____ devices _____ picture.

_____ signal interference affecting _____ quality _____?

If another _____ my screen, _____ way to tell?

I want to know _____ the signal _____ problems _____ picture or _____ it _____ from _____.

I am _____ if _____ can _____ out _____ is affecting _____ picture _____.

_____ wonder if there's _____ way to _____ the _____ to it _____ interfering _____ tv picture.

_____ can we _____ a neighboring apparatus is _____ signals _____ image _____?

_____ am wondering if I _____ determine whether a _____ that _____ the _____ quality.

How can _____ detect _____ nearby _____ interfering with _____ quality?

_____ wonder _____ is _____ to _____ the device next to _____ messing _____ the picture _____.

If the picture is _____ good because _____ or _____ interference, how _____?

_____ want _____ find _____ a _____ device causes signal _____ can affect picture _____.
