

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Car engine not starting
Inquiry Sub-Category	Faulty Sensors
Description	Inquiries related to malfunctioning sensors, such as the crankshaft position sensor or camshaft position sensor, which can prevent the engine from starting or running smoothly.
Data Size	6,982 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Can ____ replace both the faulty sensors responsible for ____?

Can you ____ bad sensors that prevent the ____?

____ wonder ____ it's possible to change out ____ sensors ____ car ____ starting.

____ you ____ faulty ____ prevention sensors in ____ vehicle?

Will ____ be able ____ switch ____ faulty sensors that prevent ____?

I ____ to ____ if ____ sensors ____ the ____ that ____ prevent my car from starting.

____ prevent ____ car's engine from starting, ____ replace them?

____ request, ____ the malfunctioning auto-starts?

I'd ____ to know if ____ the malfunctioning ____ my car ____ starting.

____ replace ____ broken sensors that block ____ car's ignition?

Would ____ swap ____ malfunctioning auto-start ____ on the ____?

I would ____ if you could ____ malfunctioning ____ that ____ my car ____.

I ____ to know ____ you ____ broken ____ that prevent ____ from starting.

Would ____ swap ____ the ____ auto-start ____ asked?

Is it possible ____ the ____ stop my car from ____?

Will you swap ____ faulty sensors ____ help me ____ my ____?

Is ____ the ____ sensors in ____ get the start-up problem fixed?

____ it possible that ____ the ____ sensors that keep ____ from ____?

Are ____ able to ____ the weak devices ____ start-up ____ my ____?

You can ____ my car.

____ possible to swap ____ broken ____ so ____ car actually ____?

Can you ____ the sensors ____ my car ____?

Can I change ____ sensors ____ my ____ problem solved?

____ would ____ you ____ switch ____ the ____ bad sensors on my ____ engine.

Can you help me ____ prevent my ____ from ____?

____ they get rid ____ the ____?

Is it ____ switch out ____ components that prevent ____ car's ____?

I ____ if ____ the ____ that block my car.

____ it possible to ____ malfunctioning ____ inhibitors?
 The ____ my car's engine ____ to start.
 Can ____ the malfunctioning sensors ____ sabotage my ____ to ____?
 Is ____ to swap spoiled ____ for ____ prevention in ____.
 ____ there a ____ to replace the ____ blocking ____?
 Are you ____ of ____ the ____ prevention sensors?
 ____ your team ____ sensors ____ vehicle from turning on?
 Am ____ able to ____ my car ____ you ____ sensors ____ impaired?
 ____ want you ____ replace the ____ my ____ from starting.
 Are ____ to ____ the crummy sensors that keep ____ start?
 ____ want ____ if you ____ replace the engine ____ in my ____.
 ____ you change ____ bad sensors ____ engine?
 ____ swap out the ____ inhibitors ____ away?
 I would ____ possible to swap the ____ car's ignition system.
 ____ it possible ____ out the ____ that make ____ car ____ to ____?
 ____ bad ____ make my ____ engine ____ to start ____ be swapped ____.
 Can ____ replace ____ sensors so my ____?
 ____ the malfunctioning sensors ____ sabotage my ____ to ____.
 Do you ____ you ____ replace faulty ____ my vehicle ____ starting?
 ____ faulty ____ that ____ my car's motor from turning on?
 ____ you replace the malfunctioning ____ car's engine?
 ____ my car's ____ problem ____ replacing the faulty ____?
 Is ____ replace faulty sensors ____ vehicle ____ engine startup?
 ____ want ____ car's sensors so it starts.
 Can you change the sensors ____ car ____?
 ____ it possible to ____ malfunctioning ____ promptly?
 Can the ____ ignition be ____?
 Is your ____ the malfunctioning ____ startup prevention ____ in my ____?
 ____ about ____ the malfunctioning sensors that ____ from ____?
 ____ to ____ bad ____ and get my ____ to start ____?
 Is it ____ replace ____ faulty ____ make ____ vehicle difficult?
 ____ you able to ____ faulty ____ my ____ engine?
 Can you ____ the ____ on my vehicle quickly?
 ____ out ____ bad sensors that cause my car ____ fail to ____?
 Is ____ a way to ____ protection devices?
 ____ you ____ the ____ devices?
 ____ need ____ swap ____ the ____ so it will start.
 Will ____ able to fix the ____ sensors ____ my ____ from ____?
 Can you ____ engine-preventing ____?
 I ____ know ____ you ____ switch ____ sensors that ____ my car ____ starting.
 Can ____ anti-starting ____ devices?
 ____ you swap the ____ car's ____ from starting?
 ____ it possible to ____ the ____ that impede my ____?
 ____ if you could ____ sensors ____ block my car's ignition.
 ____ need ____ to fix the malfunctioning ____ my ____ starting.
 Are ____ able to replace ____ that stopped ____ starting?
 Is it ____ to ____ wrong sensor ____ my vehicle's ____ process?
 Is there a ____ to replace ____ bad ____ the car?
 ____ you ____ the ability ____ sensors ____ prevent my car ____ starting?
 Do you have ____ to replace ____ malfunctioning ____ stop ____ starting?

_____ would like _____ know _____ you _____ switch _____ sensors _____ prevent my _____ starting.
 I want _____ if you could _____ bad _____ that _____ car's engine _____.
 Is it _____ to change the _____ sensors _____ get _____ problem _____?
 _____ your team swap _____ sensors so _____ can _____ my vehicle?
 _____ you able _____ replace the _____ that _____ of the car?
 Will _____ fix the _____ prevent the engine _____ firing _____?
 I'm _____ can swap _____ two _____ sensors _____ my _____ starts.
 _____ need _____ replace faulty engine startup prevention _____.
 _____ it _____ replace damaged _____ units that _____ hinder _____ startup _____ my _____?
 Do your _____ the skills to _____ prevention sensors?
 Will _____ replace the _____ startup-deterring devices _____?
 _____ it _____ switch _____ sensors that stop my _____ from _____?
 I am wondering _____ replace _____ devices that prevent my _____.
 _____ it _____ change both bad sensors and _____ start-up problem _____?
 Would _____ swap _____ spoiled _____ that are _____ for _____ my car?
 Can we _____ out the faulty _____ preventing _____ turning on?
 Do you _____ a way to swap _____ malfunctioning _____ cause _____ to _____?
 Do _____ the _____ to replace _____ sensors in _____ engine?
 _____ know _____ there is _____ way _____ you to _____ engine-start inhibitors within my _____.
 _____ make sure the _____ sensors _____ my car from beginning?
 _____ I _____ car's _____ replaced if _____ of _____ are to blame?
 Is it possible _____ those _____ cause _____ issues _____ my car?
 _____ there _____ you _____ fix the lousy sensors _____ the _____ from firing _____?
 I _____ engine-starting _____ in my car.
 I want to _____ if you can _____ sensors for _____ that _____ my car's _____ system.
 _____ to replace the _____ faulty _____ obstructing car _____?
 Can your _____ startup prevention _____?
 _____ am wondering _____ can change the broken sensors _____ start.
 Could _____ engine-starting _____ be _____?
 Is _____ to replace _____ units that hinder _____ startup _____ my _____?
 _____ you _____ the _____ that block _____ vehicle's engine _____?
 _____ request, would _____ swap _____ the _____ auto-start _____?
 Is _____ to replace the _____ sensors that _____ vehicle's _____ from _____?
 Can we _____ out _____ are preventing my motor _____ on?
 Is _____ possible to change _____ safeguards that _____ the _____ of _____?
 Can _____ change _____ bad sensors that cause my _____ to _____?
 _____ want _____ if you _____ out _____ sensors so _____ car starts.
 _____ the _____ startup-deterring _____ in _____ automobile will _____ the _____.
 I _____ to _____ if _____ out _____ damaged _____ so _____ car starts.
 Is _____ possible _____ faulty _____ stop my car from _____?
 I want _____ know if you _____ swap out _____ my _____.
 Do you think _____ finally make _____ sensors don't keep _____ car _____?
 _____ you swap _____ that make _____ car fail to _____?
 Is it _____ to _____ out the sensors _____ vehicle _____?
 I _____ if _____ can replace the _____ sensors _____ block _____ ignition.
 Are your _____ able _____ replace _____ engine startup _____?
 I want _____ know _____ there's a _____ you to _____ inhibitors on _____.
 Can _____ replace _____ faulty _____ that are blocking _____ ignition _____?
 Can you fix the _____ prevent the _____ setting _____?
 Will _____ be able to _____ the _____ for _____ will _____ my vehicle?

____ replacing ____ two sensors ____ startup ____?
 ____ you can change the failed sensors ____ car ____ starting?
 Will ____ replace ____ devices in ____ car to ____ the ____?
 ____ to change ____ engine-starting prevention ____.
 Is your shop ____ switch the ____ anti-starting ____?
 Could engine-starting ____ be ____?
 Would ____ able ____ the broken ____ my car's ignition?
 Are ____ able ____ faulty devices that ____ my vehicle ____ starting?
 ____ you ____ to replace ____ sensors mandated ____ my vehicle's ____?
 The two bad ____ my ____ engine to ____ start ____ swapped out.
 ____ the ____ car ____ sensors ____ switched?
 ____ you to switch out ____ that ____ my car ____ starting.
 ____ possible ____ the engine-starting prevention sensors ____ be ____?
 I wonder ____ replace ____ startup-deterring devices in ____.
 I ____ you to ____ the engine-starting prevention ____ in ____.
 Would it be possible ____ the ____ sensors ____ prevention in ____?
 Is ____ possible to ____ preventing-sensors ____ obstruct automobile ____?
 ____ it possible to ____ damaged sensor units ____ successful ____?
 ____ want to ____ swap the faulty sensors ____ the one ____ will ____ my ____ to ____.
 Is it ____ your ____ to ____ startup ____ sensors in ____ car?
 ____ possible to change the sensors ____ cause ____ car ____?
 ____ your ____ have the ____ to ____ anti-starting sensory ____?
 Is ____ possible ____ out ____ bad ____ make my ____ fail to ____?
 ____ you ____ replace those faulty sensors for ____?
 Replacing damaged ____ devices in ____ automobile will ____?
 Is ____ out ____ on my car ____ it starts?
 Can your shop ____ malfunctioning ____ prevention ____ car?
 ____ you can finally ____ sensors don't keep ____ from starting?
 Would it ____ for you ____ replace the malfunctioning ____ stop ____ engine ____?
 ____ possible ____ replace ____ sensors ____ my car's start?
 Is ____ to swap the ____ of blocking my ____ ignition ____.
 I want ____ swap ____ two sensors on ____ will start.
 Are ____ replace ____ devices ____ can cause ____ start-up ____ my car?
 ____ possible to ____ out ____ faulty ____ affect start ____ of ____ car?
 ____ to repair the ____ mechanisms ____ stop my car's ____?
 Is ____ replace the ____ units ____ hinder engine startup?
 ____ wanted to ____ if you ____ the malfunctioning ____ that prevent ____ car ____.
 ____ your ____ to ____ the malfunctioning anti-starting sensory ____?
 Do ____ have ____ chance ____ change ____ starting protectors ____ auto?
 Is ____ the faulty engine-starting prevention ____ on my ____?
 Is ____ a way ____ the faulty ____ sensors?
 Can ____ gizmos ____ keeping my engine from starting?
 Is it ____ damaged ____ units ____ hamper successful ____ my car?
 Are you able to swap ____ that affect ____ vehicle's ____?
 ____ the malfunctioning protective detectors ____ prevent ____ from ____ be ____?
 Is it ____ you could ____ spoiled sensors ____ the ____ vehicle?
 ____ able ____ those faulty ____ that are ____ to ____ my vehicle's ____?
 Can you ____ replace ____ faulty sensors ____ stop ____ starting?
 Do ____ the ability ____ replace the ____ sensors ____ prevent my ____ starting?
 Can ____ the malfunctioning ____ keep my ____ from ____?

I want ____ know if there ____ a ____ responsible ____ my vehicle ____ starting up.
 ____ it ____ that you ____ the spoiled sensors ____ the ____ in ____ vehicle?
 Would it be ____ replace the ____ that ____ starting?
 I need ____ to replace ____ sensors that stop ____.
 ____ able to ____ the malfunctioning ____ sensors in ____ car?
 I ____ if ____ change those faulty ____ in ____ auto.
 ____ your shop replace ____ sensors ____ my vehicle?
 Can I ____ sensors and ____ start-up ____ solved?
 ____ sensors on ____ car ____ get ____ started?
 Is ____ possible that ____ replace ____ sensors that stop ____ starting?
 Can the protection devices ____ be ____?
 Upon ____ the malfunctioning auto-start ____?
 ____ your ____ swap ____ the ____ sensors ____ get my ____ turn on?
 Is ____ possible ____ both ____ the start-up problem solved?
 Will ____ be ____ to change ____ in my car?
 I am wondering if ____ can ____ prevent ____ from starting.
 ____ you ____ to switch faulty ____?
 ____ have ____ protectors ____ auto, can you ____ them?
 ____ capable of replacing ____ engine ____ sensors ____ my car?
 ____ fix the busted ____ so my ____?
 ____ to replace damaged ____ units ____ impede engine startup ____ vehicle?
 Should the ____ devices blocking ____ replaced?
 ____ we ____ out the ____ components ____ are ____ car's motor from ____?
 ____ you ____ to ____ the weak devices ____ engine start-up ____ automobile?
 Would ____ be ____ to ____ the ____ sensors that ____ from starting?
 Will you replace the ____ that ____ my ____ starting?
 Is it possible ____ change ____ two ____ stop ____ engine?
 ____ if you ____ the ____ sensors that prevent my ____ starting.
 Is ____ possible to ____ sensors that ____ starting ____ vehicle?
 Are you able ____ replace the ____ devices that ____ issues ____ car?
 Can ____ swap the ____ that cause ____ car to fail ____?
 Are ____ able ____ replace the weak ____ the issues ____ start-up?
 ____ there ____ way ____ switch ____ the faulty components ____ motor from turning ____?
 ____ possible ____ swap ____ the two ____ on my ____ to ____ it ____?
 I ____ to know ____ you ____ swap the ____ for the ____ for ____ my car's ____ system.
 Can I ____ bad ____ and ____ my car's start-up ____?
 I want ____ you can swap ____ faulty sensors for ____ ones ____ block ____ car's ____ system.
 ____ it ____ to ____ sensor units that ____ startup in ____ car?
 I ____ to ____ if ____ can replace the faulty devices that ____.
 ____ need ____ if you ____ replace the ____ that ____ my car ____ starting.
 I want ____ a ____ for ____ to replace the ____ inhibitors ____ car.
 Are your services able to ____ startup ____?
 I'm ____ you can change the ____ car ____ starting.
 Am I ____ to ____ you replace the faulty ____?
 ____ two ____ sensors ____ stop my car's ____ from working ____ be ____.
 Is it ____ to get the ____ responsible ____ my ____?
 You think ____ possible ____ make ____ the ____ don't keep my ____?
 ____ you replace ____ devices that ____ engine start-up ____?
 Replacing ____ safety ____ will solve ____ issue with ____ vehicle?
 Is it ____ replace the two sensors ____ cause ____ to ____?

Will _____ exchange the flawed _____ are _____ for disabling my _____ ignition _____?
 _____ the malfunctioning detectors _____ prevent my _____ be _____?

We _____ damaged _____ affect engine _____ in my car.
 _____ you _____ replace _____ that are _____ to stop the engine _____?

Can you _____ startup-deterring devices _____?

Is _____ to replace protective detectors that _____ car _____?
 _____ I _____ damaged _____ devices in _____?

I'm wondering _____ a way for you _____ replace the _____ car.
 _____ fix _____ gizmos that stop my _____ firing up?
 _____ want _____ know _____ the protection _____ blocking _____ car's ignition _____ be _____.
 _____ shop _____ replace _____ engine startup prevention sensors?
 _____ you swap _____ the _____ auto-start _____?

Is it possible _____ exchange the _____ my car _____?

Can _____ the faulty sensors _____ blocking my car's _____?
 _____ you fix the sensors that _____ starting?
 _____ would _____ you to _____ the malfunctioning sensors _____ my car _____.
 _____ replace _____ units in _____ car?
 _____ possible to swap _____ spoiled _____ are _____ for _____ in my car?

Are _____ able to _____ the _____ devices _____ issues with start-up _____?

Will your team _____ out the _____ preventing _____ vehicle _____ turning on _____?
 _____ it possible to replace the broken _____ ignition?

I _____ you would replace _____ malfunctioning sensors that _____ from starting.
 _____ the protection devices blocking _____ car's _____ be _____?

Can you replace _____ faulty sensors _____ prevent _____?

Is _____ to swap out the sensors _____ start up _____?

Will _____ replace the _____ in _____ automobile?
 _____ change _____ starting prevention sensors?

Replacing the _____ on my _____ starts?
 _____ going to _____ the bad _____ that prevent _____ from _____?
 _____ order _____ vehicle's engine startup, can _____ shop _____ both faulty _____?
 _____ possible to _____ damaged sensor units _____ harm engine startup _____?
 _____ it _____ to _____ the _____ that prevent my _____ from starting?
 _____ you _____ prevention sensors in my car?

I _____ engine _____ prevention sensors that _____ be _____.
 _____ replace _____ sensors _____ with my car's start function?

Is _____ car's start-up _____ and also change the bad _____?

Is it _____ to replace _____ devices that _____?

I _____ if it _____ to _____ out the faulty sensors _____ car _____.

I _____ if _____ swap out _____ sensors that _____ my _____ fail _____ start.

Can _____ get _____ faulty _____ for _____ be replaced?

Is there a _____ the _____ auto-start inhibitors?
 _____ have _____ faulty engine startup prevention _____ in _____.

Are you able _____ weak devices _____ engine _____ in my _____?
 _____ the malfunctioning equipment that is stopping _____ from _____?

I _____ if you _____ the ability to _____ sensors _____ prevent my car _____ starting.

Are _____ switch the faulty _____?

_____ sorry-a** _____ on _____ car so it will _____?

Is there _____ chance _____ can change those _____?

_____ it _____ the faulty _____ prevention sensors _____ my car?
 _____ you _____ replace the faulty preventing-sensors that _____?

____ it possible to get ____ start-up problem solved ____ ?
 Will ____ swap ____ mechanisms that ____ car's ____ restarting?
 ____ you capable ____ those weak devices ____ cause ____ start-up ____ ?
 ____ possible to ____ the malfunctioning sensors that ____ car ____ starting?
 Is it ____ to ____ prevention sensors on ____ ?
 Is it possible ____ change ____ resolve ____ start-up issue?
 ____ you ____ in the vehicle?
 Is ____ possible to ____ that ____ my ____ from starting.
 ____ you have the ability to ____ the ____ that make ____ fail ____ ?
 You reckon ____ can make ____ sensors don't ____ my car ____ ?
 Will you ____ safety mechanisms ____ car ____ starting?
 Are you able ____ replace ____ malfunctioning ____ for stopping ____ engine ____ ?
 ____ you ____ swap ____ that affect my vehicle's ____ up?
 Replacing ____ devices will ____ issue?
 Are ____ replace engine ____ prevention ____ in my ____ ?
 Will you be able ____ the sensors that ____ to ____ ?
 ____ swap the spoiled ____ start ____ in my ____ ?
 Is it possible that ____ protection devices ____ my ____ ?
 ____ you ____ able ____ replace the ____ sensors that ____ with ____ car's ability ____ ?
 Is ____ possible to ____ resolve the start-up problem?
 Is it ____ that they ____ swap ____ the malfunctioning ____ ?
 ____ you able to ____ the ____ the ____ from ____ up?
 Are ____ to replace ____ safeguards ____ are blocking ____ start of ____ ?
 Can ____ get ____ faulty sensors ____ cause the ____ car ____ ?
 Are your ____ to repair the malfunctioning ____ my car?
 ____ it possible ____ replace ____ sensors ____ car's engine?
 ____ it ____ fix those dumb ____ and ____ run again?
 Can I get the ____ responsible ____ my ____ ?
 ____ it ____ to ____ malfunctioning devices ____ stop ____ from starting?
 ____ want to know if ____ two busted sensors ____ car ____ .
 ____ able ____ change out the ____ my car from starting?
 ____ possible ____ change out faulty components ____ my ____ from turning ____ ?
 ____ it possible ____ bad sensors ____ get my ____ problem ____ ?
 Is it possible ____ swap ____ two ____ sensors so ____ ?
 ____ your services able ____ replace engine ____ sensors in ____ ?
 Are you able ____ swap out ____ sensors so ____ ?
 Is ____ possible ____ spoiled sensors ____ that will start ____ in ____ car?
 Will your team ____ out the faulty ____ to ____ my ____ ?
 ____ exchange the safety ____ my car ____ starting?
 ____ faulty sensors ____ block my car's ignition ____ ?
 ____ faulty ____ prevention sensors in my car.
 Are ____ to ____ weak devices that ____ issues in ____ car?
 ____ there ____ way to replace ____ broken ____ my car's ____ ?
 Is it possible ____ my car's ____ problems ____ faulty ____ ?
 Are ____ replace the faulty sensors ____ car's engine from ____ ?
 I ____ to ____ possible to swap faulty ____ order to ____ my ____ ignition ____ .
 Can ____ immediately ____ out ____ malfunctioning ____ that affect the ____ my ____ ?
 Would it ____ swap ____ spoiled sensors that ____ responsible ____ prevention ____ my ____ ?
 Is it ____ to ____ faulty ____ to ____ from starting?
 Is ____ swap out ____ sensors ____ affect starting ____ my vehicle?

Would you _____ to swap _____ sensors for the _____ will _____ my _____?

Are _____ able _____ replace malfunctioning _____ startup prevention _____ in _____?

_____ if you could replace the faulty sensors _____ prevented _____ from _____.

Will your _____ swap _____ the _____ help my _____ on?

_____ it possible _____ swap _____ malfunctioning auto-start _____ away?

Is it _____ switch _____ car engine _____ sensors?

I _____ to know if _____ can swap the _____ ones _____ my _____ ignition _____ to work.

_____ change out _____ faulty _____ that _____ preventing my motor _____ on?

_____ request, would they swap _____ malfunctioning _____.

_____ it _____ for you to replace _____ parts _____ my engine _____?

_____ to know _____ can replace faulty sensors _____ car's _____ from starting.

How could _____ be changed?

Can _____ swap out the _____ sensors _____ affect _____ of _____ vehicle?

_____ your shop fix _____ engine _____?

I need _____ the _____ sensors in my _____.

Is it _____ those faulty starting _____ car?

Will _____ team _____ sensors so that _____ can _____ on my _____ successfully?

_____ you able _____ the weak devices that cause _____ engine _____?

_____ a _____ to _____ the malfunctioning _____ that are responsible for my _____?

Is it possible _____ replace the _____ my engine _____?

_____ possible _____ the _____ engine- preventing sensors immediately?

_____ want _____ know _____ you _____ the bad sensors _____ good ones _____ my car's ignition _____ malfunctioning.

Is _____ switch the _____ sensory _____?

Is it _____ to change _____ fix _____ start-up problem?

Are you _____ to switch out _____ faulty sensors that _____?

_____ to _____ if _____ the _____ sensors _____ stop my car from starting.

Are your _____ both malfunctioning _____ startup prevention _____ my vehicle?

Are _____ services _____ replace the _____ engine _____ prevention _____ my vehicle?

_____ was wondering _____ you _____ replace the _____ my car's engine _____ starting.

_____ it be _____ to replace _____ units _____ hinder engine _____ car?

_____ you be _____ to fix _____ sensors _____ affect my _____?

Is it _____ two bad _____ block _____ start _____ a car?

Can you _____ the _____ sensors _____ car fail _____ start?

_____ mechanisms that cause my car's _____ to fail?

_____ your _____ have _____ ability to replace _____ startup prevention _____?

_____ your _____ capable of _____ car's engine _____ prevention _____?

_____ possible for me to _____ faulty _____ car's engine replaced?

_____ you replace the _____ my car _____ starting?

Can you please _____ the _____ engine startup _____ sensors _____?

_____ replace the faulty engine startup _____ sensors in _____?

_____ wonder if _____ the faulty _____ that prevent my _____ from _____.

Could you fix _____ faulty detectors _____ the _____ from _____?

I want _____ know _____ your _____ the _____ startup prevention _____ in _____ car.

_____ fix the _____ by replacing the _____ sensors?

Is _____ way _____ change out _____ faulty components that are _____ my car's _____?

_____ changing _____ sensors possible _____ get my car's _____?

Are _____ to replace the _____ sensors that _____ my _____?

_____ to _____ engine startup prevention _____ in my vehicle?

Is _____ a way _____ sensors that _____ my car's _____ starting?

Will your _____ swap out _____ sensors _____ I _____ my vehicle?

Upon ____ would they ____ malfunctioning auto ____ inhibitors?
 ____ you ____ bad sensors ____ the engine from ____ up?
 Does ____ make ____ to replace damaged ____ that ____ engine ____?
 Can ____ replace ____ faulty ____ that ____ keeping ____ vehicle ____ starting?
 ____ you help ____ faulty ____ startup ____ sensors ____ my vehicle?
 ____ need ____ swap ____ two busted sensors ____ my _____.
 Is ____ to ____ 2 bad ____ block the start ____ car?
 ____ car's engine ____ because ____ sensors, can I get ____?
 Would ____ be willing ____ swap ____ the malfunctioning ____?
 Can you ____ faulty ____ that prevent ____ engine from ____?
 ____ to ____ my ____ you ____ the two bad sensors?
 Is there a possibility ____ prevention ____?
 ____ have the ____ the ____ that affect start up?
 ____ am ____ if you ____ replace the ____ that ____ my car _____.
 ____ to ____ engine startup ____ sensors in my vehicle?
 I ____ detectors ____ my ____ startup could be replaced.
 I want to know ____ out ____ bad ____ car from working.
 ____ think you'll be ____ to ____ sensors don't keep ____ car ____ starting?
 Can you replace ____ engine-starting ____ sensors ____ my ____?
 ____ your ____ replace ____ engine startup prevention ____ on my _____.
 Will ____ to replace the faulty ____ interfere with my car's ____?
 ____ out the ____ sensors that prevent my ____ from ____?
 ____ possible ____ repair or replace the ____ mechanisms ____ car's ____ startup?
 ____ damaged safety mechanisms the solution ____ vehicle?
 Can ____ bad sensors and have ____ car's start-up ____?
 ____ you ____ the ____ to swap ____ crummy ____ Baymax paused ____ start?
 ____ your services able ____ the ____ engine ____ prevention ____?
 ____ it possible to change ____ my ____ from starting.
 ____ possible ____ your ____ to ____ engine ____ sensor in my car?
 ____ you fix ____ gizmos ____ are ____ the ____ from starting?
 Both ____ sensor ____ be ____.
 ____ you able to ____ the bad sensors that ____ my ____?
 ____ your ____ to ____ malfunctioned engine startup prevention ____?
 Replacing malfunctioning ____ prevent my ____ is a possibility.
 ____ possible that ____ sensors be changed?
 Could malfunctioning ____ my ____ starting be replaced?
 ____ starting ____ be changed?
 Are ____ to replace engine ____ prevention sensors in ____?
 ____ you exchange the ____ mechanisms that prevent ____ starting?
 ____ asked ____ you could replace the faulty ____ car.
 ____ your ____ able to ____ malfunctioning ____ prevention ____ my car?
 I ____ like to know ____ could switch out ____ bad sensors that ____ engine _____.
 ____ it possible ____ the ____ that make my ____ slow?
 I want your shop ____ replace the ____ startup _____.
 ____ car ____ fails to start because ____ the ____ bad _____.
 ____ you handle ____ anti-starting sensory ____?
 You think you ____ make ____ junky sensors ____ my ____ start to ____?
 ____ they swap out ____ inhibitors ____?
 ____ your ____ be able ____ the anti-starting sensory ____?
 Is ____ engine start-inhibiting sensors can be ____?

_____ wondering if you _____ swap _____ malfunctioning sensors _____ that will _____ my _____.

_____ you fix the faulty _____ stop _____ startup?

I would like _____ replace _____ that _____ my car from starting.

I _____ wondering if _____ damaged _____ in my car.

Can there _____ replacement of _____ car startup?

Can _____ shop replace _____ startup _____ sensors in _____?

Is _____ a _____ to _____ out _____ malfunctioning auto-start _____?

I am wondering _____ the _____ that block _____ car's ignition?

I _____ the engine startup _____.

Will the _____ replacements _____ impede _____ cars in stock _____ replaced _____?

I am _____ if it _____ possible _____ the _____ that prevent _____ starting.

Will you swap _____ that _____ car's _____ starting successfully?

_____ you replace the _____ that keep _____ starting?

_____ swap out _____ faulty _____ that impede my _____ turning _____ successfully?

_____ you help _____ parts that are _____ for _____ my car's ignition _____?

_____ wondering if _____ the _____ that make my car fail _____.

Would you _____ able to change _____ protectors _____ my _____?

Is it _____ car startup sensors?

Can _____ switch _____ faulty _____ sensory _____?

_____ possible to _____ the _____ prevent _____ vehicle from beginning?

Should _____ engine startup _____ replaced _____ your shop?

Is it _____ spoiled _____ ones _____ are responsible for _____ prevention?

_____ replace my _____ startup prevention _____?

Will _____ swap the _____ mechanisms preventing _____ car's _____ from _____?

_____ would like _____ know if _____ a _____ to replace both _____ car.

_____ the safety _____ prevent my _____ engine _____ be exchanged?

I _____ like _____ if you can _____ the busted _____ car starts.

_____ you _____ me exchange _____ responsible for disabling my _____ function?

Are you _____ fix _____ faulty _____ that stop my _____?

Is _____ possible that malfunctioning _____ that prevent my _____ be _____?

_____ you have the ability _____ devices that cause _____ engine _____?

Is _____ possible to swap _____ two _____ my _____ start?

Is _____ possible to replace _____ damaged sensor _____ hinder _____?

Are _____ to _____ damaged startup-deterring devices _____ automobile?

_____ it possible _____ swap _____ sensors for _____ start _____ my car?

Are you _____ swap the spoiled _____ for the ones _____ my _____?

The two _____ that stop my _____ could _____ change them?

_____ you replace _____ mechanisms _____ my _____ from starting?

_____ change _____ sensors that prevent _____ from starting?

_____ make _____ of _____ safeguards that hamper _____ overall function _____ beginning ability?

I'd _____ fix the _____ sensors _____ my car _____ starting.

_____ want _____ you can _____ the _____ faulty _____ on my car's _____.

Are _____ able to _____ weak devices _____ cause _____ up _____ fail?

_____ your shop replace the _____ prevention _____ quickly?

_____ you replace _____ bad sensors _____ to fail to start?

Is it _____ the failed _____ that _____ car from starting?

_____ it possible to _____ the _____ engine-starting _____ in my _____?

I _____ two _____ engine-starting prevention sensors.

I want to _____ the broken _____ that _____ my car _____.

I _____ to _____ could _____ the _____ sensors _____ stop my car from _____.

_____ out _____ sensors on _____ it will finally start?

Can _____ malfunctioning engine _____ sensors _____?

Is it possible _____ malfunctioning _____ that _____ vehicle from _____?

_____ possible _____ replace _____ faulty _____ that _____ my vehicle's engine from _____?

_____ need _____ know _____ you can replace the faulty _____ car _____ starting.

_____ the _____ engine _____ be changed?

Is _____ a _____ replace the _____ inhibitors _____ my car.

Will you _____ startup-deterring _____ my car?

_____ a way to fix the _____ from firing _____?

Is _____ to change the failed _____ that _____ from _____ my _____?

Will _____ exchange the faulty safety _____ prevent my _____?

_____ your shop _____ engine startup prevention sensors _____ car?

_____ that _____ can _____ make _____ the _____ sensors _____ keep my car _____ starting?

_____ exchange the faulty safety _____ car's engine?

Is _____ possible to swap _____ faulty _____ my _____ starting?

Is it _____ to _____ bad _____ and get _____ problem _____?

Can _____ a _____ for _____ two sensors that prevent _____?

_____ the ability _____ swap _____ the _____ sensors _____ affect starting _____ vehicle?

_____ want to _____ can _____ the faulty devices _____ my vehicle from _____.

I am wondering _____ could _____ those _____ stop my car _____.

You think _____ can _____ sensors don't _____ car from starting?

_____ need your shop _____ replace _____ faulty _____ sensors.

_____ it possible _____ shop _____ replace faulty sensors to _____ vehicle's _____?

_____ it possible _____ the _____ units _____ engine _____ in my car?

_____ fix _____ engine-starting prevention _____?

Should I _____ damaged startup-deterring _____ automobile?

Replacing _____ malfunctioning protective _____ that prevent _____ startup _____ a _____.

Can _____ the faulty _____ sensors _____?

_____ it _____ could _____ the _____ sensors that start the prevention in _____?

Are _____ able _____ replace _____ malfunctioning sensors that _____ car _____?

I want _____ know if you could _____ sensors _____ my _____ from _____.

_____ wondering if you _____ fix the _____ sensors that _____ my _____.

_____ it possible _____ you _____ replace _____ malfunctioning _____ with _____ ones that will _____?

Is it _____ for them to _____ malfunctioning auto-start _____?

Is _____ bad sensors and _____ my car's _____ issue _____?

_____ am _____ if _____ replace the faulty engine-starting prevention _____ car.

Would there be a _____ swap _____ of _____?

_____ want to know _____ to switch out _____ prevent my car _____ starting.

_____ faulty sensors that prevent my car's _____ must _____.

_____ possible to _____ both damaged _____ units that impede _____?

_____ engine-starting _____ be changed?

_____ replacing _____ sensors that prevent my _____ starting?

_____ would like to _____ the two bad _____ car fail to _____.

_____ able _____ replace _____ faulty sensors that _____ my car from _____?

Is it _____ get my car's start-up _____ by _____ bad _____?

I _____ to _____ if _____ can _____ two _____ sensors that _____ from working.

_____ we change out _____ faulty components _____ my car's _____ turning _____?

Is it _____ to _____ safeguards _____ block the _____ start?

_____ me in _____ flawed _____ that _____ responsible _____ my automobile's ignition function?

_____ the _____ engine-starting prevention sensors _____ my _____?

Do ____ have ____ ability ____ change ____ sensors ____ prevent my car ____ ?
 ____ possible to replace damaged ____ units ____ engine ____ ?
 ____ you can replace the ____ sensors ____ block ____ ignition.
 ____ be possible to ____ sensors responsible ____ prevention ____ my car?
 Is it ____ to replace ____ two sensors ____ the ____ ?
 ____ you be able to replace the ____ sensor ____ ?
 Is it ____ lousy ____ preventing the ____ firing ____ are fixed?
 Is ____ possible to change ____ bad ____ start-up problem resolved?
 If ____ could ____ the ____ sensors that ____ my ____ from ____ would ____ ?
 ____ you help me replace ____ prevention ____ in ____ ?
 ____ for your services ____ malfunctioning ____ startup ____ sensors in ____ automobile?
 ____ your services ____ my malfunctioning engine startup prevention ____ ?
 ____ possible to change bad ____ get ____ start-up problem solved ____ ?
 Are ____ to ____ the ____ sensors that ____ the engine ____ firing ____ ?
 Can you ____ fix the malfunctioning gizmos ____ my engine ____ ?
 Is ____ possible to replace ____ sensor ____ that ____ startup ____ car?
 Can ____ the ____ sensors ____ ?
 Would ____ be possible ____ sensors for ____ start ____ in my vehicle?
 Is ____ damaged sensor units ____ stop my ____ from ____ ?
