

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Troubleshooting and problem-solving support
Inquiry Sub-Category	Noise and Vibrations
Description	Assistance in identifying and resolving excessive noise and vibrations from appliances during operation.
Data Size	8,243 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Is it normal for _____ tremors _____ noticeable _____ of surrounding objects?
_____ it _____ will shake noticeably?

Is it possible for _____ to _____ waves that _____?
_____ normal for _____ appliances to create _____ quakes?
_____ it possible that _____ might cause _____ shake?
_____ expect the _____ produce trembling _____ that move _____?
_____ are my appliances _____ intense _____ in _____ neighboring items?

Is it _____ will _____ neighbours _____ shake noticeably?
_____ possible _____ these _____ object to shake nearby?

The _____ observable shaking _____ nearby _____ make strong tremors.
_____ kind _____ can _____ trembling.

Is _____ possible that _____ waves _____ of _____ objects?
_____ equipment _____ everything next to it _____ shake, _____ force?
_____ there likely _____ of nearby items _____ intense vibrating devices present _____?

Is _____ typical _____ your machines to cause _____?
_____ it _____ for machines _____ shaking in surrounding _____?

Is it _____ specific units _____ vigorous _____ to _____ in adjacent items?
_____ it possible that the devices will _____ trembling _____?

Is _____ common _____ these _____ tremors that lead _____ movements in adjacent _____?
_____ the shaking of _____ objects _____ tremors created by _____ machinery?
_____ for machines to _____ tremors?
_____ it _____ these machines to _____ nearby objects?
_____ it _____ for those _____ to _____ objects _____ their vicinity _____?
_____ it usual for _____ tremors?
_____ it normal for _____ machinery to create _____ objects around _____ to _____?

Is _____ common for _____ clunky machines _____ all _____?

Is it _____ for _____ objects _____ vicinity to shake?
_____ machines create _____?
_____ it possible _____ noticeable object shaking.
_____ nearby objects _____ tremors caused by these _____?

Should _____ cause significant _____ and _____?

_____ for _____ to _____ due _____ intense waves emitted by those _____ here?

Is it _____ norm _____ these appliances to _____?

Is it _____ this machinery to create _____ cause _____ around _____?

Is it a _____ for these _____?

_____ cause everything _____ to it _____ shake dramatically?

Is it _____ vigorous tremors that lead _____ movements _____ adjacent items?

Should we _____ the _____ shake _____?

Is _____ normal for _____ vibrating and _____?

_____ it _____ the _____ is shaking _____?

Is _____ tremors caused _____ affecting _____?

Is _____ for these units _____ vigorous _____ that can be _____ adjacent _____?

Do these _____ powerful _____?

Is there a _____ these units _____ emit vigorous _____ that _____ to _____?

_____ the excessive rattling and vibrating from _____ machine _____ a standard _____.

Is _____ normal _____ these _____ to cause _____ intense _____?

_____ machines _____ observable shaking in nearby _____ they _____ strong _____.

_____ it _____ if the machine causes _____ things _____?

_____ usually _____ to generate _____ shakes affecting nearby _____?

_____ normal for the _____ generate shaking _____ objects?

Will these machines _____ and _____?

Is _____ normal _____ vibrate strongly _____ move around?

Is it _____ for _____ appliances to _____?

Is it normal for these _____ 888-269-5556 _____ that _____?

These _____ powerful _____ are _____ normal?

Do these _____ create powerful tremors _____ cause noticeable _____?

_____ appliances make shivers _____ items?

_____ we expect _____ to _____ trembling waves that _____?

Is _____ normal _____ machines _____ generate strong _____?

_____ tremors caused _____ devices may _____ normal.

_____ it _____ for these _____ cause objects in _____ shake wildly?

_____ similar _____ significant shivers _____ move nearby _____?

_____ a question about whether the _____ produced _____ are normal.

Is it noticeable _____ around here?

_____ machines have powerful _____ they _____?

_____ it true _____ usually shake _____?

Is it _____ type of machine _____?

Is it possible that _____ devices _____ trembling waves _____?

Is _____ that _____ machines _____ shake _____?

Is the _____ by these _____?

Is noticeable tremors caused _____ devices _____?

_____ I _____ these _____ to _____ or _____ to _____ things nearby?

Is _____ in _____ objects caused by _____ normal?

Can _____ these _____ cause trembling waves _____ move _____?

Is it _____ causes shakes?

Are _____ lot because of these _____?

_____ machines' _____ could cause the _____ to _____ strongly.

Do _____ machines' _____ affect _____?

Should _____ cause noticeable _____ objects _____ by?

_____ for this kind of _____ to have strong _____ affecting _____?

Is it normal _____ induce strong _____?

The machines _____ shaking in nearby _____ so _____?
 _____ vibrating objects _____ typical _____ machines?
 _____ machines commonly _____ strong tremors _____.
 Is this _____ machines to _____?
 _____ it possible _____ make things _____?
 Is _____ normal for _____ devices _____ cause _____ movements _____ items?
 The _____ cause _____ they affect _____?
 _____ usually emit strong _____ that _____ movement in adjacent _____?
 _____ expect _____ nearby items _____ due to _____ resonances _____ those devices?
 _____ produce tremors _____ nearby objects?
 _____ these _____ the ability _____ make _____ shakes?
 Is _____ powerful _____ to cause _____ in their vicinity _____?
 Is it _____ for this _____ make _____ trembles _____ cause objects to _____?
 Is _____ of producing trembling _____ shakes _____ around?
 _____ similar _____ cause _____ shivers _____ move _____ items?
 _____ normal for _____ to _____ due _____ strong _____ from _____ machines?
 _____ machines might affect _____ objects.
 Should I expect _____ get a _____ shaking or _____?
 _____ may _____ caused by the machinery _____ powerful tremors.
 _____ if I should _____ large _____ or _____ these devices.
 _____ objects _____ of these units, _____ is _____ normal?
 Can _____ things around _____ shake?
 Is _____ common _____ these machines _____?
 Is it _____ kind of machine _____ affect _____ so _____?
 Is _____ possible _____ the _____ will _____ shaking _____ objects close _____?
 _____ it's cool for your contraptions to _____?
 _____ it _____ these _____ to make noise _____ shake objects _____?
 _____ expect _____ nearby _____ due to the intense vibrating _____ devices _____ here?
 Some machines _____ nearby objects?
 _____ okay if _____ causes shakes?
 What is _____ about _____ trembling _____ caused by these _____?
 The _____ of _____ can result _____ and _____ shaking.
 _____ equipment _____ everything _____ to it _____ shake noticeably?
 _____ these _____ things shake?
 Is the _____ caused _____ created by these machinery?
 Will _____ operations cause _____ around _____ shake?
 _____ machines _____ cause objects _____ shake?
 Are objects vibrating _____?
 _____ machines _____ objects.
 Do these _____ shaking?
 _____ for these machines _____ generate _____ shake nearby objects?
 _____ could cause objects nearby _____ shake.
 Does the machines _____ tremors _____?
 _____ it true that _____ things _____?
 _____ these machines cause _____ lot of _____?
 Is _____ for _____ to vibrate around _____?
 _____ commonplace _____ these devices to _____ noticeable _____?
 The _____ tremors _____ affect nearby _____.
 Is _____ to _____ strong tremors _____ shaking of surrounding objects?
 Is _____ common for these _____ emit _____ that cause _____ in adjacent _____?

Is _____ surrounding _____ caused _____ these _____?

Do _____ machines _____ that affect _____ nearby _____?

_____ for _____ machines to shake _____ around?

_____ there _____ to _____ noticeable _____ these machines?

Is _____ to generate strong tremors that _____ shaking _____ objects?

_____ can create strong _____.

_____ it _____ this type _____ machine to _____ trembling?

_____ normal for these _____ to make _____?

Is it normal for _____ type of _____?

_____ strong _____ these machines normal?

_____ normal for _____ machines _____ cause _____ shakes around?

Does _____ often _____ tremors and shake _____?

_____ it _____ that these _____ vibrating around _____?

_____ it ok _____ the _____ cause _____ things to _____ too?

Did _____ observable shaking _____ nearby _____?

_____ it _____ for devices to _____?

_____ I expect the vibrating _____ from _____ to _____ nearby?

Is the machines _____?

Is the _____ of _____ due _____?

Does _____ objects _____ than usual because _____ units?

Is it _____ these _____ the surrounding _____?

_____ possible that these machines _____ cause _____ to _____?

Is _____ that _____ produce intense vibrations _____ object shaking?

_____ the local objects _____ lot because _____ these _____?

Is _____ normal _____ to vibrate?

_____ vibrating _____ tremors _____ your machines?

Will _____ equipment cause the surrounding area _____?

_____ the devices _____ trembling _____ items?

Should _____ cause significant shaking and trembling?

_____ we will see shaking _____ nearby _____ due to _____ intense _____ devices _____?

Are _____ earthquakes part of the _____ equipment?

_____ true _____ machines _____ make things shake?

Should _____ expect these _____ cause _____ shaking _____ objects?

_____ it _____ that these machines _____ cause _____ trembling?

Will _____ equipment _____ things next _____ to _____ force?

_____ it normal for _____ devices to _____ big changes _____?

Should _____ machines to _____ and _____ near us?

Is _____ normal _____ to cause _____ of the _____ objects?

Is it _____ for these _____ to cause _____ in _____ shake?

Is local _____ vibrating a _____ units?

_____ shaking of _____ tremors created by these machines?

Is _____ observable _____ in nearby _____ by the _____ strong?

_____ if it's normal for this _____ machine to _____.

Are _____ causing _____ affect nearby _____?

_____ the nearby items _____ shake due _____ intense _____ of _____ devices?

_____ objects _____ strong tremors from your _____?

Is the _____ causing _____?

How _____ it for _____ machines _____ cause _____ object-shaking?

Will _____ cause _____ near _____ to _____ noticeably?

_____ these _____ powerful tremors that shake the _____?

Is _____ machines to _____ and move?
 _____ it normal for adjacent _____ to _____ when _____ devices are _____?
 _____ this _____ of machine _____ to generate _____ shakes affecting _____?
 Is _____ norm _____ appliances _____ such intense earthquakes?
 _____ it usual for these _____ shake everything _____?
 Is _____ possible your _____ trembling _____ things around?
 Is it _____ machine to _____?
 _____ capable of _____ strong tremors?
 Is vibrating objects _____ behavior _____?
 Does _____ make _____ shake?
 _____ it a _____ for my machine to rattle _____?
 _____ fact _____ is rattling and _____ a standard occurrence?
 Is it normal _____ to _____ heavy _____?
 The vibrating _____ caused _____ the _____ tremors _____ by _____ devices
 _____ the machines _____ of _____ around?
 _____ these _____ often make _____?
 _____ possible for your _____ cause _____ objects to _____ noticeably?
 _____ machines cause strong _____ that _____ surrounding objects _____ shake?
 Is _____ for the machinery to create _____ shakes and _____ them?
 Is _____ appropriate _____ the machine _____?
 Is it normal for _____ cause big _____ surrounding _____?
 _____ these _____ to cause shaking of _____?
 These machines _____ create _____ tremors.
 _____ in nearby objects caused by these _____?
 Is it usual for _____ trembling _____?
 Is _____ for these machines to cause _____ their _____ to _____?
 Hey, _____ it normal _____ these _____ to _____ around?
 _____ that these _____ strong tremors and _____ objects?
 _____ for machines to create strong tremors _____ shaking _____ objects?
 Is it _____ for _____ machines to _____ cause shaking _____ objects?
 Does it happen that _____ in _____ and _____ shaking?
 _____ it normal _____ these devices _____ big _____?
 _____ these specific units emit vigorous tremors _____ jerks in _____ items?
 It is possible _____ to _____.
 Is _____ that these devices will produce _____ waves _____?
 Is this typical _____ these _____ to _____ objects _____ their _____?
 Is the _____ of _____?
 These machines _____ tremors.
 _____ possible that these machines _____ things shake _____?
 Is it _____ for _____ kind _____ to _____ strong _____ affecting nearby _____?
 Is _____ to emit vigorous _____ that lead _____ in adjacent items?
 _____ normal _____ these specific units to emit vigorous _____ in adjacent _____?
 Is it normal _____ machines _____ generate powerful tremors _____ shake?
 Is it normal _____ machine to _____ trembling?
 _____ that _____ be shaking of nearby _____ due to the _____ vibrating devices _____?
 _____ this _____ object movement _____ by these _____ normal?
 _____ we _____ machines to shake the objects _____?
 _____ are machines _____ cause _____ in _____ objects.
 Do we _____ these _____ significant shaking of _____?
 Is it normal for _____ to _____ affecting nearby _____?

Do _____ cause powerful _____ that _____ of _____ objects?

There is a question as _____ heavy _____ produced by these _____ .

_____ shaking _____ result of the machines _____ notable _____?

Does _____ sense _____ these machines to _____ notable _____?

Do these _____ powerful tremors _____ cause _____ surrounding objects?

Is _____ possible that _____ vibrations shake _____ things _____?

Is it normal for machines _____ tremors _____?

_____ of shaking of nearby _____ to the intense _____ those devices here?

Is _____ kind of machine _____ used _____ generate strong _____ nearby _____?

_____ it usual _____ the machine _____?

_____ it normal for this _____ to _____ shakes _____ nearby items?

_____ expect the machines _____ significant shaking of _____?

Is _____ for these _____ to _____ earthquakes?

Is it _____ for _____ jiggle _____?

Is it _____ machines _____?

Can _____ the _____ items to shake due to the _____?

_____ okay _____ the _____ shaking in other things?

_____ machines' _____ cause _____ surrounding objects _____ shake.

Is _____ machines _____ intense shocks?

_____ cause strong _____ and shakes?

Is it _____ to _____ tremors that _____ nearby _____?

_____ machines _____ cause _____ around them to _____ so _____?

Is it _____ these _____ noticeable shaking _____ surrounding _____?

_____ think these _____ will cause _____ shaking of _____?

_____ normal for _____ devices to cause _____?

Do _____ machines _____ big _____?

_____ we expect the _____ items to _____ to the _____ the _____ here?

Is _____ tremors _____ by these _____?

Is it _____ the _____ cause noticeable _____ shaking?

Is _____ that _____ due _____ the intense resonances of _____ devices here?

I _____ if it _____ normal _____ to _____ powerful trembles.

_____ machines that _____ cause _____ to _____.

Will _____ cause everything _____ with great force?

_____ it possible _____ these _____ significant trembling _____ shaking of _____ by?

_____ it a common _____ for _____ to _____ noticeable _____.

Is _____ possible _____ devices will _____ waves?

Is it common _____ to _____ surrounding _____?

Will the _____ objects _____ to _____?

_____ it _____ machinery to _____ neighboring _____ shake noticeably?

_____ we _____ these machines to _____ objects close by?

_____ it common _____ vibrating and object-shaking?

_____ cause _____ that cause _____ of surrounding objects?

Is it _____ that _____ objects _____ because _____ these _____?

_____ for _____ specific units _____ emit _____ tremors leading to _____ in _____ items?

Is _____ alright if _____ machine _____?

_____ normal for _____ this _____ generate such strong shakes?

_____ it _____ for this _____ to _____ resulting _____ noticeable _____ objects around them?

_____ are capable of creating _____.

_____ possible _____ contraptions create _____ vibrations, close by?

Does _____ machines _____ strong _____ and shake _____?

_____ the _____ tremors and _____ in _____ of _____ equipment's regular performance?

_____ this _____ of machine _____ that _____ visible _____?

I want to _____ if _____ excessive _____ and vibrating from _____ a _____.

Does _____ that shakes _____ around?

_____ normal for local _____ to vibrate _____ units?

Does _____ contraptions tend _____ vibrations?

Is it typical _____ cause _____ their vicinity _____ shake?

_____ shaking of _____ objects _____ caused by these _____ creating _____.

Do _____ machines _____ shakes things _____?

Is _____ that _____ in _____ entities considered normal _____ devices?

Is _____ for machines _____ generate powerful _____ cause objects in _____ to _____?

Is local _____ more _____ because of these _____?

Do _____ machines _____ objects to shake _____?

Is it normal _____ vibrating _____ to powerful _____?

Is _____ common _____ these _____ to _____ objects to _____?

Is it normal for _____ strong tremors that _____ of _____?

_____ machines' operations _____ cause _____ around them _____.

_____ these machines _____ to shake?

Is _____ machinery expected to cause _____ noticeably?

Is _____ possible that _____ will _____ due to the _____ devices _____?

_____ these specific units to emit vigorous _____ lead _____ adjacent items?

_____ create strong tremors.

Is it _____ for _____ machines _____ nearby _____?

There is _____ question as _____ tremors _____ these devices _____ normal.

Is _____ these appliances _____ such strong earthquakes?

Are _____ in _____ way _____ normal?

Is it _____ that these _____ will _____ in _____?

_____ it ok if things _____ the _____?

If the _____ cause _____ shaking in _____ normal?

Is it normal for _____ causing _____ them to fall?

Have _____ tremors that _____ objects?

_____ normal _____ machinery _____ powerful trembles _____ cause objects around _____ to _____ shape?

Is _____ normal _____ this _____ to create powerful shakes, causing _____?

Is _____ customary _____ devices to _____ a _____ on _____ items?

_____ these _____ cause _____ lot of _____ close _____?

Do these _____ create tremors _____ cause noticeable _____?

_____ the _____ cause _____ next to _____ shake a _____?

_____ these _____ shake _____ up?

Will this _____ cause the _____ shake _____?

Is _____ for a _____ trembling?

Is it possible _____ will _____ waves that move _____?

_____ it _____ for the _____ generate powerful tremors that cause _____?

Is _____ rumbles from these _____?

_____ nearby _____ to shake due to the _____ of those devices _____?

Is _____ appliances _____ create such intense earthquakes?

_____ for devices _____ noticeable tremors?

Is it _____ this _____ of _____ to _____?

Is _____ units to emit _____ tremors _____ movements _____ adjacent items?

Is _____ normal for _____ machinery _____ which cause objects _____ them _____ move?

_____ normal for a _____ of _____ type _____ trembling?

_____ normal _____ to cause _____ in their vicinity _____ shake?

Do _____ often _____ vibrations?

Is _____ that these _____ machines shake _____ all _____?

_____ machines normal?

Will _____ machines _____ the surrounding _____?

_____ it _____ to _____ strong shakes to the _____ objects?

Do local _____ more than _____ to these _____?

Do _____ induce strong seismic _____?

_____ possible _____ your machinery will cause _____ shake noticeably?

_____ these _____ strong tremors that _____ noticeable _____ of surrounding _____?

Did these machines _____ things _____ them _____ much?

Does _____ machines _____ up _____?

_____ it _____ clunky _____ to shake _____ around _____ an earthquake?

_____ machines _____ shake objects nearby?

Is _____ machines to produce tremors _____ shaking _____ objects?

_____ expect these _____ cause significant _____ and shaking?

_____ this _____ normal _____ these machines _____ cause such _____?

Are _____ movement _____ trembling caused by these _____?

_____ it normal _____ machines to _____ objects?

If the _____ shake, _____ it _____?

Is _____ for _____ machines to _____?

Is _____ commonplace for machines _____ cause _____ in _____ to _____?

_____ it normal for these _____ to generate powerful _____?

Is _____ that these _____ can _____ shaking?

Is the shaking _____ in _____ objects _____ being strong?

_____ the norm for _____ to make _____?

_____ tremors which affect nearby _____.

_____ there _____ noticeable shaking of nearby _____ due to _____ vibrating _____ here?

Is it _____ for _____ machines to _____ of _____?

_____ this _____ caused by these _____?

_____ we _____ to _____ lot of shaking near us?

_____ machinery to _____ powerful trembles, which result _____ noticeable oscillation of _____ them?

_____ heavy tremors produced _____ normal?

_____ the machines _____ noises _____ shake objects _____?

_____ machines create _____ that _____ around?

Is it _____ for _____ items to _____ of the _____ vibrating _____?

_____ normal _____ vibrate and move?

_____ objects _____ vibrate _____ due _____ units.

_____ contraptions create strong _____ close _____?

_____ the _____ caused _____ devices normal?

_____ these mechanisms cause strong _____ in _____?

_____ for machines to _____ tremors?

_____ machines _____ tremors that cause _____ surrounding objects?

Is it _____ clunky machines to shake things _____?

The _____ are _____ of _____ tremors from the _____.

Is it _____ the _____ to create _____ trembles?

_____ ok _____ the machine causes _____ other things?

_____ these _____ capable _____ strong shaking?

The _____ their vicinity _____ producing strong tremors.

Are the _____ affecting nearby _____?

Is it _____ this _____ of machine _____?

_____ strong tremors _____ these machines _____ shaking _____ nearby objects?

Is _____ normal _____ local _____ to _____ because of these _____?

Should we _____ these _____ cause _____ shaking of _____?

Is it _____ this machinery to cause _____ shaking _____?

_____ it _____ for these _____ vibrating?

_____ it _____ a _____ shakes things _____?

_____ devices produce _____ waves that _____ items?

Are the machines vibrating in _____?

_____ it true that _____ contraptions _____ create _____?

Is the _____ of producing _____?

_____ will make the _____ objects _____.

Is it _____ this machine _____?

Is _____ could cause _____ nearby to shake?

Is _____ these machines _____ things around them shake _____?

_____ tremors and _____ in _____ objects part of the regular performance of _____?

Should I _____ about _____ vibrating from my machine, or is _____?

_____ equipment cause everything _____ to _____ to _____ noticeably?

Does _____ things _____ regularly?

Is there _____ caused _____ these _____?

_____ we _____ these _____ will cause significant shaking _____ by?

Is _____ for a _____ generate _____ shakes _____ nearby items?

The machines cause tremors _____ they _____?

Is it _____ that these _____ that _____ movements in _____ items?

_____ strong tremors and _____ in surrounding objects _____ be part of _____.

_____ these machines _____ the _____ significant object shaking?

_____ it common for _____ to _____?

Can we _____ items to shake due to the _____ resonance _____?

_____ typical behavior _____ to vibrate from _____ machines?

_____ felt by surrounding _____ caused by _____ mechanisms?

Is _____ for _____ to jiggle surrounding _____?

Is _____ possible that _____ shake _____ to _____ intense _____ by the _____ here?

_____ it _____ for neighboring _____ move because of _____?

_____ it _____ to _____ these machines?

Is _____ for these clunky _____ shake _____ around _____ earthquakes?

_____ the strong _____ part of the _____ performance _____?

Is it _____ that operating your _____ objects to _____?

Is it normal for _____ machinery _____ create _____ and _____ to _____ around _____?

_____ objects vibrate _____ lot because _____?

_____ for machines to cause vibrating _____ shaking?

Will shakes _____ adjacent _____ be _____ those devices?

Is the observable shaking _____ objects _____ by _____?

_____ the _____ cause strong _____ common?

Is _____ a standard _____ machine _____ make excessive _____ and vibrating _____?

_____ this equipment cause _____ surrounding _____ to _____?

Is _____ typical for _____ to _____ around _____?

Are _____ vibrating _____ machine _____?

Do _____ produce _____ shakes?

Does _____ machines make things _____ so _____?

Is it normal _____ to _____ strong _____ affect _____ items?

If _____ machine _____ shake, _____ it okay?
 Is it _____ this _____ have great _____ mechanical vibration _____ to _____ shaking?
 _____ I expect shaking or _____ devices to _____ nearby?
 _____ type of _____ normal _____ trembling?
 _____ it _____ for machines to _____ that cause _____ around?
 Can we _____ these _____ to produce _____ things?
 Is _____ heavy _____ that come _____ normal?
 Do the tremors _____ shaking _____ normal for _____?
 _____ that _____ the _____ can affect _____ objects.
 _____ common for _____ to _____ objects to vibrate and _____?
 _____ normal _____ these _____ to _____ vibrations around here?
 Is _____ a normal _____ of _____?
 Should _____ of objects close by?
 _____ it _____ machines _____ produce tremors?
 _____ these machines frequently _____?
 Should we expect _____ to cause _____ and _____?
 Is _____ for these _____ to emit _____ tremors?
 Is _____ objects _____ because of _____?
 _____ it _____ machines _____ jiggle the surrounding _____ a _____?
 Does it _____ these _____ to cause _____ commotion?
 Is it _____ tremors _____ cause shaking nearby?
 Is the _____ with _____ devices _____?
 _____ it possible _____ will make things shake _____?
 _____ the machines cause _____ in _____?
 Do you think _____ the _____ to _____ in sight?
 The machines _____ make _____.
 Are these devices _____ tremors?
 _____ possible that _____ produce strong _____?
 _____ these _____ things shake?
 _____ these _____ strong tremors?
 _____ to the machines' _____ surrounding _____ shake?
 _____ it _____ machines to _____ objects _____ area to shake?
 _____ it _____ for these machines _____ cause objects _____ to _____?
 _____ it _____ machines to cause _____ shakes that affect _____?
 Is _____ of surrounding _____ caused _____ produced by these _____?
 _____ rattling of these _____ normal?
 Is it _____ for _____ machinery to _____ that _____ objects around _____ move?
 Is _____ possible that some nearby _____ shake _____ to _____ intense vibrations emitted _____?
 _____ that _____ machines cause _____ shake from _____ powerful tremors?
 Is _____ possible _____ machines will _____ noticeable _____?
 _____ machines shake things _____ their _____?
 _____ it _____ for the _____ shake _____?
 _____ local objects vibrate _____ because _____ units _____ not?
 are _____ heavy tremors _____ devices _____?
 _____ machines' operations cause _____ to shake?
 Does _____ cause _____ shaking _____ objects?
 _____ it _____ machines to cause vibrating _____ shaking?
 Is _____ normal for such a _____ such _____?
 Is _____ common _____ tremors caused by _____?
 _____ the _____ for these _____ machines _____ things around?

____ it possible ____ could cause objects nearby ____ ?
 Is ____ for these ____ to produce ____ object ____ ?
 ____ if these machines cause ____ and ____ objects.
 ____ it normal ____ these ____ make things ____ ?
 ____ for ____ to cause earthquakes ____ the vicinity?
 ____ it possible ____ similar appliances ____ shivers ____ nearby ____ ?
 ____ the equipment ____ everything near it to ____ ?
 ____ sense ____ these machines to ____ nearby objects ____ a ____ ?
 ____ it normal to ____ objects ____ ?
 ____ machines ____ shaking ____ nearby ____ they make strong tremors.
 ____ it ____ case ____ these contraptions create ____ ?
 Is ____ to produce intense ____ ?
 Is ____ this machine to ____ trembling?
 Is ____ these machines ____ tremors that cause ____ in ____ to shake?
 Is ____ normal for ____ machines to ____ objects?
 Is ____ common ____ to ____ and shaking?
 Is it ____ for ____ object shaking nearby?
 ____ it a standard occurrence ____ the ____ and vibrating?
 Is it true ____ these ____ create ____ ?
 Do these ____ and ____ ?
 It's cool ____ your contraptions to ____ ?
 ____ it ____ to generate tremors that ____ nearby objects?
 There is a ____ whether ____ heavy tremors ____ normal.
 Is ____ normal ____ these ____ to cause notable ____ objects?
 Is ____ normal for machines to ____ that shake ____ ?
 Is ____ typical ____ objects ____ vibrate ____ your ____ ?
 ____ your machinery cause ____ shake ____ ?
 ____ normal for ____ type ____ generate strong shakes affecting nearby ____ ?
 ____ these ____ make things ____ ?
 Is this ____ of machine ____ it ____ strong ____ ?
 Do ____ machines ____ things ____ ?
 ____ normal ____ this ____ of ____ to generate ____ shakes?
 Is ____ normal ____ machinery ____ which cause objects around them ____ fall?
 ____ it normal ____ machines ____ produce ____ cause shaking in nearby ____ ?
 ____ trembling and object ____ caused by ____ normal?
 ____ common for ____ machines ____ shaking?
 Is it normal ____ these clunky ____ to shake ____ ?
 Do ____ think that operating your ____ cause ____ shake ____ ?
 Does ____ because ____ these units?
 Is ____ for a ____ to ____ such strong shakes?
 ____ it possible that ____ machines ____ noticeable ____ ?
 ____ it ____ that the ____ shakes ____ ?
 ____ it normal ____ these machines ____ strong tremors ____ cause ____ in ____ ?
 ____ it ____ for machines ____ powerful ____ and cause ____ shake?
 ____ contraptions have the ____ create strong ____ ?
 Is ____ for ____ of machine ____ produce ____ shakes?
 Is ____ for machines to ____ ?
 Is ____ for the ____ vibrate and ____ ?
 Is it ____ like this ____ be trembling?
 Is it normal for these ____ to ____ the ____ a ____ ?

Is it normal for _____ machines to shake _____?

Do _____ greatly because _____ units?

_____ machines _____ powerful _____ which cause _____ of _____ objects?

Is _____ possible _____ these machines _____ objects?

Will the _____ everything around _____ with great _____?

Is it _____ for _____ objects?

_____ devices cause noticeable _____?

Are these machines _____ producing intense _____ that _____?

Is _____ normal _____ generate tremors that cause _____?

Do _____ objects _____ nearby?

Do these _____ cause _____ shake _____?

Is it _____ these _____ vigorous _____ lead to movements in _____ items?

Are _____ machinery's _____ expected _____ objects to _____ noticeably?

Can we expect _____ produce a lot _____?

_____ it normal _____ these _____ objects?

_____ the local objects _____ very much because _____?

How _____ is it for these _____ in vibrating _____?

_____ it _____ unusual _____ these machines _____ shake _____ as _____ result?

Can _____ nearby items to _____ the intense _____ those devices _____?

Is it _____ this machinery to cause _____ shakes, which _____ around them _____?

Can _____ trembling _____ that can move _____?

Is _____ common _____ to _____ shake _____ their powerful tremors?

Is _____ possible _____ will _____ some _____ of nearby _____ due _____ the intense vibrating devices _____?

_____ machines are _____ so much _____?

Is it normal that this _____ will _____?

_____ the _____ objects caused _____ the machines normal?

Is it _____ that the _____ emit _____ lead to _____ items?

Is _____ for the specific units to _____ that lead to _____?

_____ machines that _____ strong tremors _____?

_____ it _____ for _____ cause trembling?

_____ machines' _____ will _____ objects _____ them _____ shake.

_____ true that such _____ often induce _____ seismic _____?

_____ it normal _____ machines _____ shaking in _____ objects?

_____ it _____ that these specific _____ emit vigorous _____ that _____ movements _____ adjacent _____.

_____ it expected _____ operating your machinery will _____ shake?

_____ machines' _____ cause surrounding objects _____ shake _____.

_____ objects _____ by powerful tremors _____ by _____ machines?

tremors caused _____ machines affect _____.

_____ these machines make _____ vibrating _____?

Is _____ my _____ generating tremors that _____ in _____ items?

_____ normal for machines _____ jiggle _____?

_____ things shake from their _____.

_____ for these machines to jiggle _____?

_____ this type _____ cause _____ trembling?

_____ these _____ strong vibrations?

_____ the vibrating objects _____ heavy tremors produced by _____?

Are _____ strong _____ by these _____ considered _____?

_____ we expect _____ devices to _____?

_____ it _____ for the _____ to create _____ cause _____ object _____ around them?

The _____ tremors _____ by these _____ in the _____ area.

Is it _____ similar appliances _____ shivers _____ move nearby _____?

Is it normal _____ to create _____ affect _____ items?

_____ these units often emit _____ can be _____ items?

Are the _____ produced by _____ machines _____ cause shaking _____ nearby _____?

Is _____ for _____ machines to _____ intense _____?

_____ normal _____ have _____ vibrating _____ to the machines?

_____ objects vibrating _____ of these _____?

Is _____ normal for these machines to _____?

_____ okay for appliances _____ make nearby _____?

These _____ the _____ objects shake.

Is _____ normal for these devices _____ that have _____?

_____ normal for _____ devices to cause _____ changes in _____?

Is it _____ for _____ so _____?

_____ possible that these specific _____ vigorous tremors that _____ to movements _____?

_____ possible for nearby _____ to shake due _____ intense sound _____?

_____ the shakes seen _____ adjacent entities normal _____ for _____?

Is it usual for the _____?

Is _____ for this _____ shaking?

There is a _____ caused by these devices are normal _____.

_____ it possible _____ devices _____ produce trembling waves _____ will _____?

_____ units _____ strong tremors that _____ seen in adjacent _____?

_____ it normal _____ machines _____ tremors, causing shaking _____ nearby _____?

_____ trembling that shakes _____?

_____ these machines make _____?

Is it normal for _____ to _____?

Is it _____ that cause objects to shake?

Is _____ that _____ to the intense vibrating devices present here?

_____ normal for _____ to _____ shaking in _____ proximity?

_____ it normal _____ cause objects _____ vicinity _____ shake noticeably?

_____ if a _____ shakes things _____?

Is _____ normal _____ appliances to _____ shivers that _____ items?

_____ normal _____ these machines to _____ objects _____ their _____ to shake _____?

Is it possible _____ similar appliances _____ that move _____?

The vibrating _____ are caused _____ the heavy _____ produced _____.

_____ specific _____ emit vigorous tremors that _____ movements in _____?

Is _____ okay _____ the _____ trembles?

Are _____ expected when _____ operating?

Is it _____ machinery to create powerful tremors and _____?

_____ machines _____ shaking _____ nearby objects, _____ they normal?

_____ of _____ objects caused by strong _____ by _____ machinery?

_____ if the _____ makes trembles?

Is _____ for machines to generate intense _____?

Is there a _____ of _____ objects _____ the quivering _____ by _____?

Is it _____ of machine _____ generate very _____ shakes?

_____ it _____ standard _____ for my _____ to _____ rattling and _____?

_____ it _____ the machine to _____ things _____?

_____ it _____ these machines _____ emit _____ tremors?

_____ it _____ common for _____ machines _____ and shake?

Is _____ possible _____ to _____ object shake nearby?

Is _____ a _____ for these _____ create such _____?

_____ of surrounding _____ caused _____ the powerful tremors created _____ these _____?

Is the _____ things shake _____ powerful tremors?

Is _____ type _____ machine usually _____ to generate strong _____ items?

_____ the _____ in nearby objects _____ to _____ produced _____ these machines?

_____ it commonplace for _____ appliances _____ make _____?

_____ it ok if _____ machine _____?

_____ these machines _____ strong _____ cause noticeable shaking of _____?

Is _____ the machines to _____ intense _____?

_____ it okay _____ the machine _____ shake?

Is _____ possible _____ these machines _____ object _____?

Is _____ usually used _____ strong _____ that affect nearby items _____?

Are these _____ and shaking objects?

Is _____ for this _____ powerful _____ that cause _____ to move _____?

Are objects _____ a _____ of the _____ machines?

_____ machine _____ things shake?

Are _____ strong _____ that cause shaking in nearby _____?

_____ it _____ these _____ create _____ vibrates?

_____ a common _____ for these _____ to cause _____?

_____ true _____ your _____ shake _____ around?

_____ machines can _____ noticeable object _____?

Is _____ shaking _____ items _____ tremors produced by these _____?

Are objects _____ tremors from _____ machines?

Is it _____ this machinery _____ cause powerful _____ which cause _____ around _____?

_____ these _____ to cause a large _____ on _____ items?

_____ okay if _____ machine causes _____?

_____ to _____ the excessive _____ and vibrating from _____ machine is a _____ occurrence _____ function.

Is it _____ machines _____ cause _____?

The machines _____ affect _____ objects.

_____ machines capable _____ creating strong _____?

_____ it _____ machinery to cause powerful trembles, _____ in _____ objects _____ them to _____?

_____ it _____ that _____ specific _____ emit tremors that _____ in _____ items?
