

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Installation instructions and guidance
Inquiry Sub-Category	Software and Firmware Updates
Description	Customers seek instructions on updating software and firmware for their telecommunications equipment, asking about the latest versions, installation methods, and precautions to ensure a successful update process.
Data Size	5,124 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

How _____ for _____ versions of software/firmware releases _____ by Telecommunications _____ ?

When to check _____ providers?

How _____ should we check for updates _____ software that _____ by _____ ?

How _____ should _____ look _____ new _____ software from _____ Telecommunications Equipment _____ ?

How _____ we _____ for _____ that is supplied _____ the manufacturers of _____ ?

_____ often _____ we _____ for _____ telecomm equipment manufacturers?

How _____ check for new software from _____ manufacturers?

How _____ should we _____ releases _____ from telecommunications _____ manufacturers?

_____ is the _____ we need _____ inspect updates _____ manufacturers?

_____ should _____ reviews _____ new software releases _____ the _____ Equipment _____ .

_____ a year should _____ the software _____ by the telecommunications _____ makers?

How _____ we look for new _____ from _____ manufacturers?

How frequently _____ we _____ new software _____ equipment manufacturers?

_____ times a year _____ manufacturers _____ looking _____ software andfirmware upgrade?

_____ need to look _____ from Telecommunications Equipment Manufacturers?

_____ updates are offered _____ manufacturers.

Do we check _____ the Telecommunications _____ Manufacturers?

How _____ should _____ for _____ releases _____ the telecomm Equipment _____ ?

_____ often _____ we _____ for _____ to _____ software that's supplied _____ Telecommunications Equipment _____ ?

_____ often should we review _____ and updates of _____ ?

_____ many _____ year do _____ new versions of _____ ?

_____ often should _____ at manufacturer-released _____ our telecom _____ ?

How many times _____ year _____ manufacturers _____ looking for _____ ?

How _____ times should _____ check for new _____ software _____ manufacturers?

_____ year _____ we _____ versions of software issued by Telecommunications _____ Manufacturers?

_____ often _____ check out software releases from _____ ?

_____ often should we _____ at manufacturer's _____ telecom equipment?

_____ frequently should _____ releases of software from the _____ ?

_____ should we check out _____ revisions _____ of our _____ equipment?

_____ should _____ look for _____ from _____ telecomm _____ Manufacturers?

How _____ check the firmware that _____ supplied _____ Equipment manufacturers?

When should _____ new software _____ Telco _____ Makers.

_____ often should _____ check for the _____ and firmware that _____ by _____ Telecommunications?

How _____ should we check _____ newest _____ Telecommunications _____ manufacturers?

_____ you need _____ get _____ manufacturer _____?

_____ it a good idea _____ of software _____ telecommunications companies?

How often should _____ check for _____ to _____ is supplied by _____ telecom _____?

How frequently should _____ look _____ manufacturer-released revisions and _____?

How many _____ should we _____ for _____ of software _____ Telecommunications Equipment _____?

How _____ should we _____ new releases _____ the Telecommunications _____?

_____ should we _____ for changes _____ the software _____ that is supplied _____?

How often _____ for new software from _____ Telecommunications _____?

Fresh versions _____ software/firmware _____ offered by _____ Telco _____.

How _____ check out new updates _____ the _____ Manufacturers?

_____ regular _____ for the new _____ from _____ Telecommunications Equipment Manufacturers.

_____ it _____ to look out for new releases _____?

_____ frequently should _____ the firmware _____ by _____ Telecommunications _____ manufacturers?

_____ should _____ to the software and firmware _____ by the _____ of Telecommunications.

_____ a _____ do Telecommunications Equipment _____ for improvements to their _____?

We should check the _____ that _____ the telecommunications _____ frequently.

_____ often _____ we check _____ changes _____ that _____ supplied by _____ Telecommunications _____ Manufacturers?

The software _____ by _____ telecommunications _____ be checked often.

How _____ for software _____ from _____ Equipment manufacturers?

_____ check _____ releases _____ Telecommunications Equipment manufacturers or _____ software companies?

_____ often should we check _____ software _____ supplied _____ the telecommunications _____?

_____ look out _____ new releases _____ the _____ equipment _____?

_____ often should we _____ for _____ telecomm _____ Manufacturers?

_____ it a good _____ to _____ of telecom equipment?

How _____ do _____ Equipment manufacturers _____ looking for _____ software or firmware?

_____ we _____ for _____ latest _____ releases from _____ Equipment Makers?

How _____ should we inquire about _____ newest software/firmware _____ Equipment _____?

How frequently _____ new _____ releases _____ Telecommunications Equipment Manufacturers?

How _____ we _____ to _____ at updates _____ telecom manufacturers?

How frequently _____ check for _____ releases _____ from _____ Telecommunications _____ manufacturers.

Is _____ to review new _____ of _____ Service Providers' equipment _____?

How often _____ check on the software _____ supplied by _____?

How _____ a year _____ Equipments _____ for software/firmware improvements?

_____ a year do _____ Equipment _____ recommend looking _____ and firmware upgrade?

_____ should we look _____ releases from the _____ Equipment _____?

How often _____ it _____ review software _____ equipment vendors?

_____ often _____ check manufacturer-released _____ and _____ telecom equipment?

_____ often should _____ for changes _____ the _____ that _____ supplied by the _____ telecommunications _____.

How _____ should we _____ changes to _____ software and firmware that _____ by those _____.

_____ it _____ to review _____ of software provided by _____ equipment _____ telecom _____?

_____ we check the software and firmware _____ the telecom _____ manufacturers?

How many times _____ we _____ the _____ Equipment _____ out new _____?

How often should we _____ issued _____ Telecommunications Equipment Manufacturers?

_____ best interval _____ check _____ releases _____ equipment providers?

We _____ monitoring the _____ updates _____ delivered by _____ telecommunications _____.
 How frequently should _____ for _____ to _____ that is _____ Equipment Manufacturers?
 How _____ should _____ check _____ software _____ the telecommunications _____ manufacturers?
 We _____ seek updates _____ Telecommunications _____.
 How _____ Telecommunications _____ recommend looking for software _____ upgrade?
 How frequent _____ check for _____ releases of _____ from _____ Telecommunications _____?
 We _____ updates _____ by telecommunications companies.
 _____ know _____ frequently we should seek _____ from Telecommunications Equipment _____.
 _____ Telecommunications _____ pushed out _____ how _____ should we check them _____?
 _____ frequently should we _____ new _____ software issued _____ Telecommunications _____?
 How _____ we check _____ software and firmware _____ comes _____ Telecommunications _____ Manufacturers?
 _____ the _____ interval for _____ telecom equipment providers?
 How _____ should we _____ the _____ software _____ Equipment manufacturers?
 How many _____ a _____ do _____ Equipment _____ recommend _____ and firmware upgrade?
 _____ should _____ check manufacturer-released _____ pertaining to _____ telecom _____?
 _____ should be regular reviews _____ the new software releases _____.
 Is there _____ interval for _____ by _____ equipment providers?
 Is it a good _____ to _____ companies' _____ updates?
 We _____ check for new _____ releases _____ the _____.
 How much should _____ check _____ the _____ Equipment Manufacturers?
 _____ check _____ software and firmware supplied by Telecommunications Equipment _____.
 _____ should _____ check _____ new software _____ the equipment _____?
 How often _____ we _____ for _____ releases _____ the _____ Equipment _____?
 How frequently should we _____ newest _____ of _____ from _____ manufacturers?
 How _____ TEMs issue _____?
 _____ frequently _____ check _____ new software from _____ telecomm equipment _____?
 Changes to the _____ and firmware supplied _____ makers _____ be checked _____ a _____.
 We are _____ TEM in _____ to software and firmware
 Is _____ to _____ releases from Telecom Equipment _____?
 _____ we check _____ software _____ that comes from the manufacturers of _____?
 How _____ we _____ changes _____ the _____ and firmware supplied by the telecommunications _____?
 _____ be keeping _____ on _____ updates from telecommunications _____?
 How much _____ check _____ new releases _____ from _____ manufacturers?
 We _____ check for changes to the _____ supplied _____ manufacturer.
 How _____ we _____ and firmware that is _____ by _____ telecommunications _____ manufacturer?
 How _____ we check the firmware that _____ by _____ manufacturers.
 Is _____ time to periodically _____ companies' _____?
 _____ often should _____ manufacturer-released revisions and _____ our _____ telecom equipment?
 What's _____ best interval to check _____ providers?
 _____ often _____ we _____ the Telecommunications Equipment _____ updates?
 We should check _____ newly _____ it _____ shared by _____ gear.
 There should _____ reviews for new software _____ Telecommunications _____.
 How often _____ suggest scrutinizing _____ software from _____?
 _____ often should _____ for new _____ from _____ manufacturers, _____ they offered?
 _____ should we check _____ the _____ Manufacturers have _____ new updates?
 How often _____ check _____ our telecom equipment?
 _____ a good idea to keep an eye _____ updates?
 _____ out new releases _____ Telecommunications _____ or other software companies?
 _____ we _____ for new _____ from the Telecommunications _____ Manufacturing?
 Is it recommended to review _____ version _____ by the _____?

How often ____ we look ____ and firmware supplied ____ manufacturer?

____ often ____ we check ____ to the software ____ by ____ telecommunications equipment ____.

____ a year do Telecommunications ____ manufacturers recommend ____ software ____?

How ____ should ____ check ____ releases ____ software ____ Telecommunications Equipment manufacturers or ____?

How often ____ we ____ for ____ software ____ from ____ Equipment ____?

How often should we check ____ from ____?

____ check for the ____ software from the ____ Manufacturers?

____ check ____ software/firmware releases by ____ equipment providers?

Is ____ a good ____ if Telecommunications ____ have ____ out new ____?

____ should ____ check ____ software releases from ____ Equipment ____?

____ often should ____ check for changes ____ that ____ by ____ Telecommunications ____ manufacturers?

How frequently should ____ new releases ____ Telecommunications Equipment manufacturers or ____?

How ____ we check ____ from the telecomm ____ Manufacturers?

____ the recommended interval ____ checking new ____ telecom equipment providers?

How ____ we ____ changes ____ the software supplied ____ the ____ Equipment ____.

Changes ____ supplied ____ those ____ Equipment Manufacturers should be ____.

How frequently should we ____ new ____ from ____ equipment ____?

____ look ____ for new ____ by ____ equipment companies.

____ ought to be ____ reviews for ____ software ____ the ____ Equipment ____.

____ Equipment ____ new updates, how often should ____ check?

____ we ____ new releases of ____ the Telecommunications Equipment manufacturers?

How often should ____ inspect ____ software ____ by ____ makers?

____ should ____ check for changes ____ software ____ supplied ____ the telecommunications equipment ____.

____ releases ____ telecom equipment makers ____ be ____ for.

____ it recommended ____ review ____ versions of the ____ is provided ____ equipment ____?

How many ____ a ____ we need ____ check ____ manufacturers' ____?

____ often should we ____ the software provided ____ equipment manufacturers?

____ frequently ____ we check ____ in the software that ____ supplied by ____?

How ____ we ____ releases ____ telecomm Equipment Manufacturers?

Changes to ____ and firmware ____ Telecommunications ____ Manufacturers ____ be ____ out often.

What ____ the ____ which we ____ advised ____ inspect ____ by TEM?

____ to ____ for ____ software from telecom equipment makers?

We should ____ for changes ____ the ____ and firmware ____ is supplied ____ the ____.

____ it ____ to ____ any ____ software/firmware releases ____ by ____ Equipment Manufacturers?

____ often should we ____ changes ____ the software ____ that is ____ by ____ equipment ____?

____ we check for software from Telecommunications ____?

How frequently ____ we ____ new releases ____ telecomm ____ Manufacturers?

____ often ____ and firmware given to ____ by ____ Telecommunications Equipment Manufacturers?

____ frequently ____ we check ____ from the Telecommunications ____ companies?

How often ____ manufacturer-released revisions ____ for ____ telecom equipment?

____ much do ____ check ____ new releases ____ software ____ Telecommunications ____ manufacturers?

How ____ times ____ we ____ Equipment Manufacturers push ____ new updates?

____ to the ____ and firmware ____ the ____ equipment ____ checked out frequently.

____ should we ____ new ____ software from companies ____ make telecommunications Equipment?

____ be ____ an eye on the ____ from ____ companies?

How frequently ____ we check ____ by ____ makers?

What intervals ____ checking ____ new ____ from Telecoms ____ Manufacturers?

____ times ____ check the software and firmware ____ is supplied by ____ of ____?

How ____ should we check ____ and firmware ____ supplied ____ the manufacturers?

Telecoms Equipment Manufacturers ____ intervals.

_____ the latest Firmware/SO Releases of telecommunication gadgets?

_____ often _____ inquire _____ the newest software _____ the Telecommunications _____ Manufacturers?

_____ is _____ optimal _____ of _____ to check _____ newly _____ once _____ manufacturers _____ telecommunications gear?

How often should we _____ that is supplied _____ those _____?

_____ to _____ software and firmware supplied _____ the _____ should _____ out frequently.

How frequently _____ we look at manufacturer-released revisions and _____?

_____ often should we check _____ and firmware _____ by the _____?

_____ it _____ good _____ to _____ new releases by telecom equipment _____?

How _____ times _____ year do Telecommunications _____ manufacturers recommend looking _____?

There should be periodic reviews _____ the _____ from _____ Telecommunications _____.

How _____ should _____ check the _____ supplied by the _____ telecommunications _____?

There _____ be _____ reviews _____ the _____ software released by _____ Telecommunications _____.

How _____ out _____ software releases _____ the _____ Equipment Manufacturers?

_____ should we _____ new software _____ Telecommunications _____ makers?

How _____ we _____ new releases _____ software made by Telecommunications _____?

How _____ it _____ inspect _____ issued by _____ in relation to _____?

_____ frequently _____ look at manufacturer-released _____ our purchased telecom equipment?

How _____ should we check _____ software that _____ supplied _____ of Telecommunications.

_____ does _____ new software?

_____ often should we _____ to the _____ that _____ the _____ equipment makers.

_____ many times _____ for updates _____ Equipment manufacturers?

_____ to look for updates issued _____ TEM _____ to _____.

_____ many times should we _____ updates from the _____?

_____ keeping an eye on _____ updates _____ Equipment Manufacturers.

_____ should _____ an eye on software _____ companies.

_____ should _____ for _____ new software releases provided by _____ Telecommunications _____.

_____ often should we _____ releases from telecomm _____?

_____ should we look _____ new software _____ manufacturers?

How often should we check _____ telecommunications _____ changes?

_____ frequently _____ we _____ that is supplied _____ Equipment manufacturers?

How often should _____ software and firmware _____ the manufacturers?

_____ should _____ check _____ releases from telecomm equipment _____?

How frequently _____ new _____ of _____ by the _____ Equipment Manufacturers?

We should _____ for _____ software releases _____ manufacturers frequently.

_____ intervals should we _____ keeping _____ eye _____ from _____ Equipment Manufacturers?

_____ should we check _____ new software _____ Telecommunications Equipment _____.

_____ we _____ new software in _____ Telecommunications Equipment manufacturers?

How frequently should we check _____ telecomm _____?

_____ inspect _____ from telecom manufacturers?

How many times _____ year _____ looking _____ in their software?

How _____ should we _____ for _____ from _____ Telecommunications _____?

_____ the _____ check _____ releases by telecom equipment providers?

How _____ we _____ the software and firmware _____ we _____ from _____ manufacturers _____?

_____ the best interval _____ new _____ releases _____ telecom equipment _____?

How often _____ look _____ manufacturer-released _____ and updates _____ our _____ telecom _____?

_____ times a year do _____ manufacturers _____ into software _____ changes?

_____ should we check _____ software and firmware supplied _____ the _____?

How often _____ we check for _____ is _____ by telecommunications _____ makers?

_____ frequently should we _____ out _____ revisions _____ our telecom _____?

_____ is _____ to check _____ software/firmware releases _____ telecom equipment _____?

_____ often _____ check software _____ Telecommunications Equipment Manufacturers?
 The _____ and firmware that _____ by _____ equipment makers should _____ checked _____.
 _____ should we check _____ software _____ is _____ by the _____ telecommunications EQUIPMENT?
 _____ frequently _____ we check _____ and firmware that is supplied _____ manufacturers?
 _____ we _____ to look _____ for _____ by telecom _____ makers?
 _____ are _____ updates from TEM _____ relation _____ software and firmware.
 How often should _____ software releases _____ the Telecommunications _____?
 How often do _____ have to _____ manufacturers' _____?
 _____ the _____ frequencies _____ for new software _____ Equipment manufacturers?
 Can you _____ on _____ periodicity to verify the _____ equipment?
 _____ do TEMs release new _____?
 _____ to _____ that are supplied _____ those _____ Manufacturers _____ be checked on a regular _____.
 The software _____ is _____ by the _____ equipment _____ checked on a _____.
 How many times _____ check _____ supplied by the telecommunications _____ manufacturer?
 _____ many _____ a _____ do _____ recommend looking _____ software updates?
 _____ it _____ me _____ check my telecom equipment _____?
 _____ we look _____ the software and firmware that _____ supplied by _____?
 _____ should _____ check _____ releases of software _____ by Telecommunications _____ manufacturers?
 _____ it necessary _____ telecommunications companies' delivered _____ updates?
 How _____ we check for new _____ from _____?
 The _____ for checking new _____ releases _____ providers _____ questionable.
 _____ often _____ check _____ the _____ and firmware that _____ supplied by the _____ manufacturer?
 How frequently should we _____ supplied _____ equipment manufacturers?
 How _____ we _____ updates _____ telecom manufacturers?
 _____ frequently should _____ for new _____ Telecommunications Equipment _____ and other companies?
 _____ software and firmware _____ the _____ manufacturers _____ be checked on _____ basis.
 _____ check _____ updates from the Telecommunications Equipment _____?
 _____ often should _____ check _____ software from the _____ Equipment _____?
 Changes _____ software _____ supplied _____ Equipment manufacturers _____ be checked out _____.
 _____ should we check _____ software from _____ manufacturers?
 We _____ check _____ new updates are pushed _____ by _____.
 _____ often should _____ look _____ from the Telecommunications _____ Manufacturers?
 _____ intervals _____ we _____ watching _____ new software _____ Telecoms Equipment _____?
 How _____ should we seek _____ from _____ manufacturers?
 _____ frequently _____ we check for _____ latest _____ from _____ Equipment _____?
 How _____ we _____ the manufacturer's _____ revisions of _____ equipment?
 How _____ should we check for _____ software from _____ other _____.
 _____ often should _____ for _____ releases _____ Telecommunications _____ manufacturers and other _____?
 We should _____ eye _____ the software delivered _____ telecommunications _____.
 _____ frequently _____ we _____ for new software releases from _____ or other _____?
 _____ often should _____ changes in the software _____ the telecommunications equipment _____?
 _____ check for the latest releases _____ the Telecommunications Equipment _____?
 _____ often should we check _____ changes _____ the software and firmware that _____ supplied _____ _____.
 _____ up with _____ Equipment _____ updates?
 _____ inspect _____ updates _____ relation to software and firmware.
 _____ software _____ that _____ supplied _____ Telecommunications Equipment _____ be checked regularly.
 Does it _____ to _____ the _____ Releases of _____ gadgets _____?
 How often should _____ check _____ software _____ telecom _____ manufacturers?
 _____ should _____ visit the _____ Manufacturers for _____ software releases?
 Changes _____ software and firmware _____ is _____ by _____ Telecommunications should _____ checked regularly.

How ____ should we ____ for new releases of software ____ ?

____ should we look ____ new ____ from ____ telecomm ____ Manufacturers?

____ often should we look at updates issued ____ TEM ____ ?

____ often ____ we ____ the ____ and firmware supplied by ____ companies?

How ____ we check ____ new ____ Telecommunications Equipment manufacturers, ____ other ____ ?

____ we check ____ the newest software/firmware releases ____ Makers?

____ frequently should we check ____ releases of ____ from ____ ?

____ often do ____ telecom manufacturers' ____ ?

When ____ for changes to ____ software and firmware ____ by ____ Telecommunications

How often ____ check ____ in ____ software that ____ by ____ Telecommunications Equipment ____ ?

What ____ the recommended interval for checking ____ by ____ ?

We ____ check ____ and firmware ____ by the ____ Equipment Manufacturers ____ .

____ should ____ look out for new software ____ Telecommunications ____ ?

How ____ we inspect ____ software ____ by ____ telecommunications ____ manufacturers?

How ____ if ____ Telecommunications Equipment Manufacturers ____ new updates?

____ often should we ____ for the ____ the telecom ____ ?

____ check ____ Telecommunications ____ Manufacturers ____ out new updates?

____ often ____ check the software ____ to us ____ equipment manufacturer?

____ many times should ____ the ____ that ____ supplied ____ the telecommunications equipment ____ ?

____ software and firmware ____ is ____ by those Telecommunications ____ Manufacturers should be ____ on ____ regular ____ .

How often should we ____ for new ____ from ____ ?

How often ____ check ____ changes ____ provided by ____ Telecommunications ____ Manufacturers?

How frequently ____ we ____ new software from the ____ ?

____ for new ____ from ____ telecom equipment makers.

____ often should we check the ____ by ____ ?

How frequently ____ Telecommunications Equipments ____ recommend ____ for ____ ?

How frequently ____ we check the ____ Telecommunications Equipment Manufacturers?

____ we look for ____ to ____ supplied ____ the ____ Equipment manufacturers?

____ often ____ you recommend scrutinizing new ____ equipment makers?

____ should we ____ the ____ Equipment Manufacturers ____ updates?

____ should ____ the new software ____ from the Telecommunications ____ ?

How often should ____ check the ____ that ____ Telecommunications ____ Manufacturers?

How ____ must ____ for new ____ telecom equipment ____ ?

How often ____ we check for ____ the telecommunications equipment manufacturer.

____ ensure up-to-date ____ frequently ____ you advise ____ new ____ telecom ____ makers.

We ____ to ____ software ____ by ____ Telecommunications Equipment manufacturers.

The recommended ____ releases ____ telecom ____ providers is unknown.

How ____ check if Telecommunications Equipment Manufacturers ____ new ____ ?

____ year do Telecommunications Equipments' manufacturers recommend ____ software ____ ?

Fresh versions ____ are ____ the ____ Equipment Makers.

____ often ____ we check ____ software supplied ____ those Telecommunications Equipment ____ ?

What ____ for checking software ____ from telecom equipment ____ ?

Changes to ____ supplied by the ____ should ____ checked frequently.

____ should be ____ monitoring telecommunications ____ .

How frequently ____ we look for ____ Telecommunications ____ Manufacturers?

____ frequently should ____ manufacturer-released revisions and ____ pertaining ____ equipment?

How ____ check ____ the ____ that is ____ by those ____ Equipment manufacturers?

We should ____ for ____ releases ____ Equipment manufacturers or ____ software ____ .

Do ____ want ____ look ____ for new releases by ____ ?

How frequently should ____ get ____ Equipment Manufacturers?

____ it a good ____ to monitor ____ updates ____ ____ ?
 How often should we ____ the ____ andfirmware ____ is ____ ____ ____ equipment ____ ?
 ____ ____ should we ____ the software ____ supplied ____ the ____ equipment ____ ?
 How often ____ ____ ____ in the software andfirmware supplied ____ ____ Telecommunications Equipment ____ ?
 How often ____ we ____ ____ releases of software ____ ____ Equipment ____ ?
 How often ____ check ____ ____ by manufacturers ____ telecommunications gear?
 New ____ by ____ makers should ____ looked out ____ .
 How frequently ____ ____ software from ____ Telecommunications Equipment ____ ?
 How much ____ ____ manufacturers' updates?
 How often ____ look ____ changes to the ____ ____ is ____ by the ____ ?
 ____ frequently should ____ ____ the software supplied ____ the manufacturers ____ Telecommunications?
 How ____ should we ____ ____ releases from ____ Equipment ____ ?
 ____ ____ we check for ____ releases of software from Telecommunications ____ ____ ____ offered?
 ____ should we ____ the new releases of ____ from ____ manufacturers ____ other ____ ?
 ____ frequently ____ we ____ for new ____ releases from companies that ____ ____ ?
 ____ often should we ____ for ____ in ____ software that ____ ____ by ____ Manufacturers?
 How often should ____ check ____ ____ equipment manufacturers?
 ____ should ____ check for ____ ____ from Telecommunications ____ manufacturers or software ____ ?
 How often should we ____ ____ andfirmware ____ by the ____ ?
 How often ____ check ____ of ____ issued by ____ ?
 To ____ up-to-date ____ how frequently ____ ____ scrutinizing ____ / firmware ____ telecom equipment makers.
 ____ frequently would ____ ____ newsoftware through esteemed ____ equipment ____ ?
 ____ we check ____ the ____ Equipment ____ push ____ new updates?
 ____ it ____ idea to review new ____ of software ____ ____ manufacturers of telecom ____ ?
 ____ often should we check ____ to ____ software ____ is ____ equipment ____ ?
 ____ do we ____ seek updates from ____ Manufacturers?
 ____ ____ that ____ supplied by ____ equipment makers should ____ more often.
 Is there a ____ interval ____ checking ____ software ____ equipment ____ ?
 ____ it ____ have regular audits ____ Manufacturing Companies' ____ upgrade?
 ____ often ____ we ____ out ____ of software issued ____ TEMs?
 The ____ check ____ software from ____ Telecom Equipment Manufacturers ____ unknown.
 How often ____ ____ changes ____ the software ____ supplied by the ____ Manufacturers.
 ____ software/firmware updates ____ offered ____ Equipment Manufacturers.
 How frequently should we ____ for ____ telecomm ____ Manufacturers?
 ____ should ____ software ____ telecommunications companies.
 ____ often should ____ check for changes to ____ ____ by the ____ Telecommunications?
 ____ often should ____ look for ____ from ____ Telecommunications ____ manufacturers.
 How often ____ check for ____ the software that ____ supplied ____ telecom ____ ?
 ____ should we look for changes to ____ software andfirmware ____ manufacturer?
 ____ regular ____ of new software releases ____ Equipment manufacturers.
 How many times ____ manufacturers recommend ____ for software ____ upgrades?
 What ____ interval be ____ checking ____ software ____ telecom ____ providers?
 ____ often ____ we check the software ____ that ____ the ____ equipment ____ .
 How ____ manufacturer-released revisions ____ updates of our ____ telecom ____ ?
 ____ frequently should ____ look at ____ and updates ____ to ____ ?
 ____ make ____ the latest ____ Releases of ____ gadget suppliers?
 How ____ should ____ check ____ software ____ by the Telecommunications ____ ?
 How often ____ check for ____ from ____ Telecommunications ____ Manufacturers?
 ____ should ____ changes to the software supplied ____ the ____ manufacturers.
 How ____ we ____ for ____ to the ____ andfirmware ____ by ____ telecommunications equipment ____ ?

Sharing the ____ interval between ____ up-to-date ____ upgrades by ____ manufacturers will ____ should ____ look at manufacturer's released revisions of ____?

How often should we check ____ software that ____ of ____?

How frequently ____ check the latest ____ software ____ Telecommunications ____ Manufacturers?

Can you tell ____ time ____ telecommunication ____ latest releases?

Do you have ____ an eye on ____ updates?

____ interval ____ newware releases by telecom equipment providers?

How often ____ we ____ updated software ____ Telecommunications ____?

How ____ should we ____ new releases of ____ the ____?

How often ____ told ____ issued ____ TEM ____ relation ____ the software?

____ times ____ do Telecommunications ____ recommend ____ for updates to ____ software?

How ____ we look for changes ____ the ____ by the ____ Equipment ____?

____ is the ____ interval ____ checking new software from ____?

For checking software ____ by ____ equipment providers, ____ interval?

____ to ____ new ____ of telecommunication equipment software ____.

New ____ releases ____ Telecommunications ____ Manufacturers ____ reviewed ____ periodic basis.

____ often ____ check for changes in ____ software ____ supplied ____ the telecommunications equipment ____?

____ should we ____ the software ____ the manufacturer of ____ telecommunications equipment?

How ____ we ____ the firmware supplied ____ equipment manufacturers?

____ many ____ a year ____ have ____ inspect ____ from ____ manufacturers?

How ____ check for new ____ from ____ equipment Manufacturers?

How ____ times ____ Telecommunications ____ manufacturers recommend looking for ____ their ____?

How ____ for new software from Telecommunications ____ other companies?

How ____ look at the manufacturer-released ____ telecom equipment?

____ should we check for new ____ of software ____?

____ many times ____ year ____ we check ____ the ____ Equipment Manufacturers ____ updates?

Changes to the ____ by ____ equipment makers should ____ checked ____ frequently.

____ often should we ____ software that ____ supplied by the ____ of ____ equipment?

____ times a year ____ we look ____ the Telecommunications Equipment ____?

____ out for new releases of ____?

How ____ we look ____ software from ____ equipment manufacturers?

____ often ____ check for changes in ____ that ____ the telecommunications EQUIPMENT manufacturers?

How ____ should ____ the software ____ Equipment manufacturers?

____ to the ____ by the ____ manufacturer should ____ checked frequently.

____ often should we ____ software from ____ Equipment manufacturers ____ companies?

____ check the ____ that ____ supplied by ____ Telecommunications ____ Manufacturers often.

____ we check the software ____ from ____ manufacturers?

How ____ check new software ____ from the ____ Equipment ____?

____ often ____ check ____ software/firmware supplied by the ____ equipment ____?

How ____ should ____ check ____ revisions of ____ telecom ____?

____ frequently ____ we check for ____ releases ____ equipment manufacturers?

____ we check ____ from Telecommunications Equipment Manufacturers?

Should ____ be ____ the ____ updates ____ telecommunications ____?

How often should ____ software ____ by the manufacturers?

____ often should ____ check ____ see ____ Telecommunications ____ Manufacturers are ____?

How often ____ we ____ the manufacturers of ____ supply?

____ often ____ we ____ supplied ____ those ____ Equipment Manufacturers.

____ frequently ____ we ____ at ____ updates for our purchased telecom ____?

____ should ____ new releases of software from the ____ Equipment ____?

How often ____ for ____ software ____ the ____ equipment manufacturers?

_____ often should we _____ updates _____ Equipment Manufacturers?
 It _____ important to _____ software/firmware _____ from _____ equipment _____.
 How often should we _____ for changes _____ that _____ in _____?
 _____ Equipment Manufacturers (_____ provide new _____ releases.
 How frequently _____ changes in the _____ and firmware _____ by _____ equipment makers?
 _____ often _____ we _____ the software from _____ Manufacturers?
 _____ often should _____ and firmware that _____ supplied by _____ of Telecommunications?
 Do we _____ updates _____ telecommunications companies?
 How _____ we check _____ by manufacturers of telecommunications _____?
 How frequently _____ new releases _____ in the _____ Equipment Manufacturers?
 How _____ for releases from _____ Equipment _____ other software companies?
 How _____ should _____ check _____ changes to the _____ by _____ manufacturers _____ telecommunications _____?
 _____ frequently are we _____ to _____ updates issued by _____ relation _____?
 How often should _____ the _____ comes _____ the telecommunications equipment manufacturer?
 _____ should we _____ changes _____ software that _____ those Telecommunications Equipment manufacturers.
 How _____ year _____ Telecommunications Equipments' _____ recommend looking for _____?
 How frequently _____ inquire _____ newest software releases _____ Equipment _____?
 How _____ we _____ new _____ releases from _____ Equipment Manufacturers?
 _____ times should _____ be _____ for _____ from Telecoms Equipment _____?
 How _____ should _____ check for new _____ releases _____ manufacturers?
 _____ often _____ we _____ the _____ supplied _____ Telecommunications _____ Manufacturers?
 _____ to _____ software and firmware _____ supplied by _____ manufacturer _____ be checked frequently.
 Changes to the software _____ equipment manufacturers should _____ regular basis.
 _____ should we inspect updates _____ by _____ software and firmware?
 How _____ should we _____ if _____ Manufacturers push _____ new _____?
 _____ often _____ manufacturers _____ Equipments recommend _____ for new _____?
 _____ should we check the software and firmware _____ is _____ telecommunications _____?
 How often should _____ check the _____ those _____ Equipment _____?
 _____ often _____ check out _____ new versions _____ software _____ by _____?
 _____ should _____ be _____ software updates from telecom equipment _____?
 How often _____ we check _____ revisions and _____ our _____ equipment?
 We should _____ Telecommunications Equipment Manufacturers push _____ updates _____.
 _____ frequently should _____ check _____ from _____ equipment Manufacturers?
 How often _____ look _____ new releases _____ Telecommunications Equipment _____ or _____?
 _____ we _____ releases from companies _____ make telecommunications equipment?
 How often should we _____ supplied by _____ telecommunications _____.
 Do you _____ to _____ out for _____ telecom _____ makers?
 _____ should we _____ the software _____ is _____ by _____ telecommunications equipment _____.
 _____ should _____ check software _____ the telecomm Equipment _____?
 How _____ we _____ the _____ and firmware _____ the telecommunications _____ manufacturer.
 If Telecommunications _____ new updates, _____ times should _____ check?
 How _____ times _____ Telecommunications Equipments recommend _____ for _____ changes?
 _____ many times _____ year do _____ Equipment _____ recommend looking _____ upgrade _____ their _____?
 _____ should we check _____ changes to _____ software _____ manufacturers of _____
 _____ frequently should _____ check _____ newware _____ from _____ telecomm Equipment _____?
 What _____ the number of _____ to _____ the updates _____ TEM?
 Do _____ have a _____ for checking _____ by telecom _____?
 What _____ the _____ frequencies for firmware _____?
 How many _____ a _____ do _____ check _____ new _____ from telecom _____?
 How often should _____ for _____ to the software _____ supplied _____?

Should _____ be regular _____ software _____ from Telecommunications Equipment _____?

How _____ we _____ for _____ releases from telecomm _____?

_____ software releases _____ Telco Equipment Makers _____ scanned when _____.

_____ if the _____ Equipment _____ out new updates?

Can we look _____ for _____ by _____ manufacturers?

_____ is the _____ interval _____ check software _____ from telecom _____?

We need to _____ for _____ to _____ software _____ is _____ by the _____.

How _____ you advise _____ new _____ through respected _____ equipment _____?

How frequently _____ from the Telecommunications _____ Manufacturers?

How frequently _____ check _____ new software from _____ Equipment _____?

_____ frequently _____ we check for _____ software released _____ manufacturers?

_____ the _____ andfirmware that is _____ by the _____ makers should _____ often.

How _____ check for _____ in _____ software _____ the _____ Equipment Manufacturers?

How often _____ the software andfirmware _____ those _____ EquipmentManufacturers?

The _____ software releases by _____ providers is not known.

Is _____ a _____ to _____ software updates from telecommunications _____?

We should _____ updates from _____.

_____ it recommended to _____ versions _____ software _____ equipment manufacturers on _____ basis?

How _____ should _____ releases from telecom equipment _____?

_____ we be keeping a _____ telecommunications _____ software _____?

_____ should we _____ at _____ manufacturer-released _____ and _____ our telecom equipment?

_____ frequently _____ for new software from the Telecomm _____?

_____ you advise _____ new software through telecom equipment _____?

How frequently _____ we _____ for _____ software from _____ Equipment _____?

_____ often _____ we _____ new software from _____ makers?

Should we _____ updates from _____ telecommunications _____?

_____ should be _____ for new releases _____ telecom _____.

_____ versions of _____ by Telecommunications _____ should _____ verified frequently.

_____ often _____ looking _____ updates from the _____ Equipment Manufacturers?

How _____ Telecommunications Equipments _____ looking for _____ updates?

_____ should _____ check _____ software andfirmware that is _____ the _____ of _____?

What _____ interval for checking new _____ releases _____ telecom _____?

_____ often should _____ check for new software _____ manufacturers?

_____ do _____ to check updates from telecom _____?

_____ often _____ for new software releases _____ Equipment Manufacturers?

_____ frequently do Telecommunications Equipment _____ for _____ their software?

_____ you _____ specific timetable _____ checking _____ from communications _____ makers?

Is it necessary _____ from _____ frequently?

How _____ times do _____ check updates from _____?

How many _____ per _____ do _____ need _____ inspect _____ from _____?

How often _____ we _____ supplied _____ Telecommunications Equipment manufacturers?

How _____ check _____ versions _____ software issued _____ the Telecommunications Equipment _____?

How _____ should _____ changes _____ the software andfirmware _____ the telecommunications equipment _____?

Can _____ tell _____ to verify upgrades in _____ gear?

Are _____ to inspect updates from _____?

_____ to check _____ software _____ telecom equipment providers?

What is _____ optimal _____ check new _____ by telecom _____?

_____ should we check for _____ software _____ Telecommunications _____ Manufacturers?

_____ should _____ regular _____ of new _____ the TEM.

_____ should _____ check for changes _____ the software that is _____ Equipment _____?

We _____ the software and firmware _____ is _____ by those _____ often.
 _____ we _____ for _____ from the _____ equipment manufacturers?
 Is it a _____ to periodically monitor _____ updates _____?
 How _____ we _____ the firmware that is _____ those _____ Manufacturers?
 _____ software and firmware _____ is _____ by _____ manufacturers _____ Telecommunications should be _____.
 _____ often _____ out the manufacturer-released _____ and updates _____ our _____ equipment?
 _____ be keeping _____ on _____ software _____ from _____ telecommunications companies?
 How _____ should _____ software _____ the _____ Equipment Manufacturers?
 _____ frequently should we check _____ releases _____ Equipment manufacturers?
 _____ often do TEMs _____ of _____ software.
 _____ should _____ check _____ software _____ Telecom Equipment Manufacturers?
 How often to check _____ Telecom _____ Manufacturers?
 Fresh _____ are _____ by Telecoms Equipment _____.
 We should _____ of software _____ Telecommunications Equipment manufacturers _____ other _____.
 _____ often should _____ check the new _____ of software _____ Manufacturers?
 How often should _____ check the _____ supplied _____ equipment _____?
 How much do we _____ Telecommunications _____ Manufacturers _____ new _____?
 How _____ we _____ new releases of _____ Telecommunications Equipment _____?
 How often should _____ latest _____ of _____ from _____ Equipment manufacturers?
 _____ do Telecommunications _____ manufacturers _____ software and firmware updates?
 _____ should we check _____ to the software _____ Telecommunications _____ Manufacturers?
 _____ often _____ Telecommunications _____ recommend looking for _____ and firmware _____?
 How often _____ we _____ new _____ from _____ manufacturers _____ other software companies?
 _____ often _____ software/firmware _____ by _____ updated?
 Can we _____ new releases _____ software _____ Telecommunications _____?
 The recommended _____ checking new software from _____ providers _____.
 _____ should _____ check the software and firmware _____ those _____ manufacturers?
 How many times _____ release _____ of their _____?
 How _____ we _____ for _____ from Telecommunications _____ manufacturers?
 How often _____ out _____ newest software releases _____ Telecommunications Equipment _____?
 _____ many _____ a _____ manufacturer-released revisions and updates of _____ telecom _____?
 How _____ you recommend scrutinizing _____ through _____ equipment makers?
 _____ often _____ we _____ the _____ that is supplied by _____?
 Does it make sense _____ suppliers' _____ Firmware/SO _____?
 _____ up-to-date systems, how _____ would you _____ new _____ telecom _____ makers.
 There are new _____ versions _____ Telecom _____ that _____ to _____.
 How _____ we _____ the _____ releases _____ from Telecommunications Equipment manufacturers?
 When _____ check _____ fresh versions _____ software from Telco _____?
 Is it a _____ idea to _____ companies' _____ updates?
 _____ wise to periodically _____ telecommunications companies' _____?
 _____ often should we _____ the _____ that _____ from those _____ Equipment _____?
 _____ frequently _____ for _____ from the Telecommunications Equipment Manufacturers?
 We _____ check for _____ releases of _____ Telecommunications _____ manufacturers.
 _____ should _____ check _____ the _____ and firmware supplied by the _____ Equipment _____?
 _____ should _____ check new software _____ from Telecommunications _____?
 How many _____ of Telecommunications Equipment recommend looking for _____?
 _____ should _____ new versions _____ issued _____ TEMs.
 _____ frequently should we _____ for _____ the software _____ Telecommunications Equipment manufacturers?
 What times _____ check firmware/software _____ shared by manufacturers _____ telecommunications _____?
 How often should we _____ the new _____ software from _____?

How often should ____ look ____ manufacturer's ____ of ____ telecom ____?

How ____ should ____ new ____ from ____ Telecommunications Equipment manufacturers?

____ releases put forth by ____ Equipment ____ what is ____ periodicity?

How ____ check the updates ____ telecom ____?

____ frequently ____ check for ____ the software supplied ____ equipment manufacturers?

____ we ____ to see ____ the Telecommunications Equipment ____ new updates?

How often ____ new ____ from Telecommunications Equipment ____?

Is ____ review ____ of the software provided ____ the equipment ____?

____ we look for new software ____ equipment manufacturers?

____ the ____ frequencies ____ releases by TEMs?

____ interval for checking new ____ telecom ____ not known.

____ frequently ____ check out ____ releases ____ software from the Telecommunications ____?

How often ____ check ____ changes to the ____ is supplied ____ of ____?

____ often ____ we check ____ from ____ that ____ Telecommunications Equipment?

What is the update ____?

What ____ the optimum ____ new software releases ____ providers?

How often ____ we ____ for ____ provided by the telecommunications ____?

____ look out for ____ releases ____ telecom equipment makers?

____ it ____ to ____ monitor ____ companies' ____ software updates?

How often ____ look ____ Telecommunications Equipment companies?

How often should ____ check ____ new releases ____ make ____?

How often ____ the software ____ by ____ telecommunications equipment ____.

____ should we check the ____ by those ____ Equipment ____?

There ____ to ____ periodic ____ for ____ releases from Telecommunications ____.

____ do ____ check for ____ software from telecom ____?

____ out ____ new releases ____ the telecom ____ makers?

How ____ should we look for ____ updates ____ the ____?

How often do ____ manufacturers ____ looking ____ upgrade?

How ____ should we ____ software ____ that ____ by ____ Telecommunications Equipment Manufacturers?

How ____ should ____ at revisions ____ for our ____ equipment?

We ____ check new ____ software ____ by Telecommunications ____.

____ is ____ best ____ for checking ____ telecom equipment providers?

We should check ____ the ____ push out ____.

____ must we check ____ software from telecom ____?

____ it advisable ____ out ____ new releases by ____ makers?

How often ____ we ____ the ____ and firmware supplied ____ those ____ Manufacturers?

____ the ____ interval ____ software releases by telecom equipment ____?

How regularly should ____ check ____ releases of software ____ Equipment ____?

What ____ the ____ times we ____ inspect updates issued ____?

How frequently should ____ out ____ newest ____ from Telecommunications ____?

____ software and firmware that ____ supplied ____ telecommunications equipment ____ be ____ periodically.

____ you give us ____ on the periodicity ____ in ____?

How often should we check ____ software ____ manufacturers of ____?

The ____ that ____ by ____ equipment ____ should be checked frequently.

____ do TEMs ____ new versions ____ wares?

How ____ should ____ for software from ____ or other ____ companies?

How ____ should ____ new ____ Telecommunications Equipment ____ or ____ software companies?

How frequently ____ check for new ____ from ____ Equipment ____?

____ you think ____ check ____ Telecommunications ____ have pushed out ____ updates?

How ____ should we ____ for ____ and firmware changes that ____ supplied ____ the ____?

_____ have _____ software _____ from telecommunications companies?

_____ it a good idea _____ inspect _____ latest _____ Releases from _____?

We should check the _____ that is _____ by _____.

How _____ we check _____ releases of software _____ Equipment _____ other _____ companies?

How _____ should _____ changes _____ the _____ andfirmware that is _____ by _____ equipment manufacturers.

How _____ Telecommunications Equipments' manufacturers recommend _____ for _____ their _____?

_____ new software releases by telecom equipment providers?

What _____ Frequency _____ the software releases by _____?

_____ frequently _____ check new _____ from the _____ Manufacturers?

_____ must we _____ is supplied by _____ equipment makers?

_____ should _____ the newest _____ releases from Telecommunications Equipment Manufacturers?

_____ fresh _____ releases _____ Telecom Equipment Manufacturers should be _____ intervals.

_____ offer fresh _____ updates.

_____ many _____ we _____ releases from the telecomm Equipment _____?

How _____ we check _____ new releases of _____ the _____ Manufacturers?

Telecoms equipment _____ offer _____ andfirmware _____.

_____ Telecommunications Equipment Manufacturers _____ out _____ updates, _____ should _____ them out?

Is it _____ audits _____ latest software upgrades _____ Telco _____ Companies?

How _____ should _____ check for changes to _____ software _____ is _____?

We _____ for _____ releases _____ Telecommunications Equipment manufacturers more _____.

_____ often _____ check _____ to _____ software that is _____ by _____ Telecommunications manufacturers?

How often _____ we check out new _____ TEMs?

_____ often _____ look for new _____ from Telecommunications _____?

What is _____ Frequency _____ which we're _____ inspect _____ TEM?

_____ many times should we _____ from the Telecommunications _____ Manufacturers?

How _____ should we _____ andfirmware _____ get from _____ Equipment Manufacturers?

_____ up-to-date systems, how _____ scrutinizing _____ software through _____ telecom equipment makers.

_____ often _____ we _____ the software _____ that _____ from _____ Telecommunications Equipment _____?

_____ many times a _____ manufacturers _____ Telecommunications Equipments _____ looking _____ their software?

How often _____ we check _____ new software _____ Telecommunications _____?

_____ urged to inspect _____ TEM _____ relation _____ software andfirmware.

_____ often _____ we _____ software andfirmware releases _____ the _____ Equipment Manufacturers?

_____ should we _____ at _____ manufacturer's updates on _____ telecom _____?

_____ andfirmware _____ supplied by the telecommunications EQUIPMENT manufacturers _____ checked _____.

_____ be reviews _____ new _____ from the Telecommunications Equipment Manufacturers?

_____ often _____ at manufacturer releases pertaining _____ telecom equipment?

_____ often should we _____ for _____ that is supplied by _____ telecommunications _____?

_____ should we look _____ changes _____ the _____ andfirmware _____ by the _____ of _____?

_____ Equipments' manufacturers recommend that _____ upgrade _____ their software?

_____ often should we _____ software from _____ manufacturers?

How _____ for software from _____ Telecommunications _____ manufacturers?

How often _____ check the _____ andfirmware _____ is _____ manufacturers of _____?

_____ often _____ the _____ andfirmware that is _____ a telecommunications equipment _____?

_____ frequently _____ we _____ new versions _____ software _____ by _____ TEMs?

_____ check _____ newest _____ of software from Telco Equipment _____?

How frequently should _____ the telecomm Equipment Manufacturers?

How frequently should we _____ for updates _____?

_____ frequently _____ for _____ releases from Telecommunications Equipment _____?

How _____ we _____ new _____ of software from the Telecommunications _____?

_____ should _____ versions of software _____ TEMs.

____ much should ____ check for new ____ companies?
 ____ many ____ a ____ do Telecommunications Equipments ____ looking ____ improvements ____ software?
 Changes ____ the software ____ by those Telecommunications ____ Manufacturers ____ a regular ____.
 How ____ we look at ____ software ____ the ____ Manufacturers?
 ____ it ____ idea ____ the ____ updates ____ by telecommunications companies?
 How ____ should we ____ at ____ updates ____ our telecom ____?
 We ____ andfirmware supplied by ____ Telecommunications Equipment ____.
 We're advised ____ inspect updates issued ____ TEM ____ to ____.
 How frequently should ____ software ____ of Telecommunications Equipment?
 ____ much ____ for new releases ____ Telecommunications Equipment manufacturers?
 We need ____ updates to software ____ equipment makers.
 How ____ should ____ look ____ updates ____ telecom ____?
 How ____ should ____ updates issued ____ TEM in relation ____?
 How ____ should ____ check ____ software supplied ____ those ____ manufacturers?
 We should check ____ the ____ out ____ updates.
 ____ we ____ an eye ____ the ____ updates ____ telecommunications ____?
 Can ____ check for ____ releases ____ software ____ the Telecommunications ____?
 ____ do we need ____ issued by TEM ____ to software?
 How ____ we ____ new releases from ____ manufacturers?
 ____ you give ____ guidance ____ periodicity to verify ____ in ____?
 ____ many ____ year should we check ____ revisions ____ for ____ telecom ____?
 ____ you advise ____ software through telecom equipment ____?
 ____ much should ____ check ____ new ____ the Telecommunications Equipment ____?
 ____ frequently should ____ check ____ to ____ andfirmware supplied by the ____ Telecommunications?
 ____ times a ____ we check ____ software andfirmware ____ by the telecommunications equipment ____?
 ____ should ____ check for ____ software ____ by the manufacturers of telecommunications?
 How frequently should ____ releases ____ equipment manufacturers?
 How often would ____ recommend scrutinizing ____ equipment makers ____ ensure ____?
 ____ a year do Telecommunications ____ recommend looking ____ an upgrade ____ their ____?
 How frequently ____ we check ____ new ____ the Telecommunications ____?
 How often should we ____ for ____ new releases ____ Equipment ____?
 ____ often ____ we check ____ new ____ from Telecommunications Equipment ____.
 ____ often ____ we check ____ andfirmware supplied ____ those ____ Manufacturers
 ____ should we check ____ the ____ releases ____ Telecommunications Equipment ____?
 Do we need ____ check ____ Equipment ____ out ____ updates?
 How ____ a year we're advised ____ inspect ____ TEM?
 ____ should check ____ software ____ that ____ supplied ____ those Telecommunications ____ Manufacturers ____.
 There should be ____ Telecommunications ____ Manufacturers' ____ releases.
 ____ it a good ____ fresh ____ of software ____ by Telco ____ Makers?
 ____ should we ____ software ____ Telecommunications Equipment manufacturers?
 How often should ____ check for changes ____ that is ____?
 How ____ the software released by the Telecommunications ____?
 How often should ____ check for ____ releases ____ Equipment ____ software ____?
 How frequently ____ new versions ____?
 How ____ we ____ updates from ____?
 ____ frequencies are ____ to ____ for new ____ Equipment Manufacturers?
 We need ____ check ____ software ____ telecom equipment makers.
 ____ it a ____ to periodically monitor ____ companies' ____ software ____?
 How ____ we ____ new software ____ the telecomm ____ manufacturers?
 ____ we ____ for new ____ from telecomm Equipment Manufacturers?

There _____ reviews _____ software releases by _____ Equipment manufacturers.
 How _____ should we _____ software releases _____ the _____ manufacturers?
 How _____ should we check out _____ revisions _____ for _____ equipment?
 _____ should be _____ for _____ Equipment _____ software releases.
 Is there _____ software releases by telecom _____ providers?
 How _____ should _____ releases from the equipment _____?
 _____ check updates _____ by TEM _____ relation to software _____.
 _____ release _____ versions of theirfirmware?
 _____ should _____ the _____ we buy _____ the telecommunications equipment makers?
 How _____ we _____ for _____ software from _____ makers?
 How often _____ look _____ revisions and updates _____ telecom equipment?
 We should _____ software _____ by _____ Equipment Manufacturers.
 _____ many _____ do _____ inspect _____ from telecom manufacturers?
 _____ often should _____ check for new software _____ companies _____?
 _____ times a _____ do Telecommunications _____ recommend _____ out for improvements _____ their _____?
 _____ we check _____ new software _____ companies that make _____?
 _____ should we check the _____ from the _____?
 _____ to _____ updated _____ software that is supplied by telecom _____.
 _____ andfirmware _____ supplied _____ the manufacturers of Telecommunications should _____ frequently.
 _____ should _____ for _____ from Telecommunications Equipment Manufacturing?
 How _____ should we _____ for changes to _____ software andfirmware _____ by _____ Telecommunications _____?
 _____ often _____ for _____ updates from _____ Equipment Manufacturers?
 The software _____ by _____ Manufacturers should _____ checked _____ a regular _____.
 _____ much _____ we have to _____ software from _____ equipment _____?
 How often should _____ if the _____ updated _____ products?
 There _____ software releases provided by Telecommunications _____ Manufacturers.
 Is _____ good _____ newly _____ once shared _____ manufacturers of telecommunications gear?
 How _____ we _____ for changes to the software andfirmware supplied _____?
 _____ interval _____ to _____ new software releases by telecom equipment _____.
 How frequently should we _____ Equipment _____ are pushing _____?
 _____ should _____ check out new _____ software from _____ Telecommunications Equipment _____?
 How frequently _____ we _____ for software updates from _____?
 _____ frequently should _____ look _____ new software _____ Equipment _____?
 _____ told to inspect updates _____ in _____ software _____.
 _____ often should we _____ newly _____ it is shared _____ gear?
 _____ check for _____ new _____ software from Telecommunications Equipment manufacturers?
 When tracking updates in _____ is ideal?
 _____ often should we inspect updates issued by _____?
 How _____ we _____ for _____ Telecommunications Equipment Manufacturing?
 How _____ should _____ look _____ new _____ the Telecommunications Equipment _____?
 When _____ newfirmware/software once shared by _____ of _____ what _____ maintain?
 How _____ are _____ to _____ updates _____ by _____ in relation _____ software/firmware?
 _____ frequencies to _____ for new _____ versions _____ Equipment _____?
 Should there _____ regular reviews _____ software _____ from _____ Manufacturers?
 How frequently should _____ for new software _____ equipment?
 How frequently _____ for new software from the _____?
 How _____ should we _____ for new _____ make telecommunications equipment?
 How _____ check _____ software _____ by _____ telecommunications equipment manufacturers?
 How _____ for new releases _____ software _____ Equipment _____ or are they _____?
 We should _____ andfirmware that _____ by the telecommunications equipment _____.

How often ____ we ____ changes ____ the ____ by Telecommunications Equipment ____?

____ of software/firmware ____ offered ____ Telco Equipment ____.

Check for newly ____ once ____ gear?

____ often should ____ for ____ to ____ by the Telecommunications ____ manufacturers?

____ often should ____ newly ____ once ____ manufacturers of ____ gear?

____ to review ____ versions of software provided ____ manufacturers of telecom ____?

____ often ____ check ____ from the Telecommunications ____ manufacturing companies?

____ much ____ we check for new ____ from ____ manufacturers?

How ____ out new ____ Telecommunications Equipment manufacturers or other ____ companies?

How ____ should we look ____ from Telecommunications ____?

____ should we ____ software ____ that ____ supplied by telecommunications equipment ____?

Should ____ versions ____ by ____ be reviewed frequently?

____ year ____ Telecommunications Equipments recommend looking ____ andfirmware upgrade?

Do you need ____ look out ____ releases ____ makers?

____ inspect ____ issued by TEM ____ to software/firmware frequently.

____ the ____ check ____ software releases from telecom ____ providers?

____ often should we check ____ releases ____ telecomm Equipment ____?

How ____ should we look ____ new ____ manufacturers ____ other software ____?

____ should ____ changes to ____ software that is supplied ____ telecom ____ makers.

____ frequently should ____ check ____ software ____ the telecomm ____ Manufacturers?

How ____ should we ____ andfirmware supplied by those Telecommunications ____?

What is ____ for ____ new ____ releases from telecom ____?

____ should be ____ reviews for ____ new ____ Telecommunications ____ Manufacturers.

How often should ____ check ____ releases from Telecommunications ____?

____ often should we check ____ andfirmware that ____ by ____ Telecommunications ____.

____ often ____ we check ____ the ____ is supplied ____ the Telecommunications ____ Manufacturers?

____ we ____ the newest ____ of ____ from ____ Telecommunications Equipment Manufacturers?

How ____ should we check the software ____ that's ____ those ____?

How ____ we ____ for ____ software from the ____ Equipment ____?

Do you ____ interval for ____ new software releases from ____?

How many ____ should ____ shared by manufacturers ____ gear?

How often ____ we check for ____ software that ____ supplied ____ the ____?

How often ____ we check ____ andfirmware manufactured ____ telecommunications ____?

____ out the newest versions of software ____ Telco ____?

____ we check for ____ releases ____ software from ____ Equipment ____

How many ____ new releases from the Telecommunications ____?

____ frequently ____ we ____ thefirmware ____ by the telecommunications ____ makers?

How ____ Telecommunications Equipment manufacturers recommend looking ____ upgrade?

How ____ we check ____ changes to ____ supplied ____ those Telecommunications ____.

How frequently ____ we advised ____ inspect updates issued ____ in ____?

Do you prefer ____ to ____ fresh software/firmware releases ____?

How ____ should ____ andfirmware changes that ____ supplied ____ those manufacturers?

____ times should ____ out ____ revisions ____ updates pertaining to ____ equipment?

How often ____ check ____ to ____ software ____ provided by ____ Telecommunications Equipment ____?

What ____ the recommended ____ checking ____ telecom equipment providers?

How often should ____ the new ____ of software ____?

____ get Telecommunications ____ manufacturer's ____?

What is ____ amount of ____ advised ____ issued by ____?

How often should ____ from ____ Manufacturers?

How ____ should ____ be ____ an ____ software ____ from ____ Equipment Manufacturers?

_____ often _____ look _____ the manufacturer's revisions _____ for our _____ equipment?
 How frequently _____ check _____ software _____ the _____ Equipment _____?
 How _____ should we check _____ from Telecommunications _____ software companies?
 _____ we _____ eye _____ the software updates _____ the _____ companies?
 How _____ software supplied by telecom equipment makers?
 _____ frequently _____ Telecommunications Equipments' manufacturers _____ looking _____ andfirmware _____?
 _____ often is _____ necessary to _____ software/firmware updates _____ vendors?
 Is _____ periodically monitor _____ companies' _____ of software updates?
 _____ the _____ Manufacturers have pushed _____ new updates, _____ should _____ check?
 There should _____ for the _____ releases from Telecommunications _____.
 How frequently should we check _____ provided _____ those _____?
 _____ should we _____ revisions and updates of our _____ telecom _____?
 _____ we check _____ the software that _____ from Telecommunications Equipment _____?
 _____ often should _____ for _____ andfirmware _____ are supplied by the telecommunications _____?
 _____ new software releases from the telecomm _____ manufacturers?
 How _____ we check the updates _____ telecom _____?
 How many _____ year should _____ seek updates _____ manufacturers?
 We _____ be checking _____ of software _____ Telecommunications _____ manufacturers.
 New releases _____ software _____ Equipment _____ should _____ frequently.
 How often should _____ software _____ Telecommunications Equipment _____?
 What _____ the _____ times we're _____ to _____ TEM's _____?
 Any fresh _____ releases _____ forth _____ T.E.M _____ verified _____ regular _____.
 _____ should we check for _____ releases _____ Equipment _____?
 _____ it recommended to _____ new versions of _____ by _____ equipment _____?
 How _____ we _____ the software that _____ supplied by _____ Equipment _____?
 Changes to _____ software _____ supplied _____ the telecommunications _____ makers _____ be _____ more frequently.
 _____ be keeping an _____ on _____ companies' software _____.
 How frequently _____ look for _____ of _____ telecommunications equipment _____?
 How _____ do TEMs release _____?
 How often _____ check for changes _____ the software _____ Manufacturers?
 _____ should we check _____ releases _____ from _____ Equipment _____ or _____ software companies.
 The software andfirmware _____ supplied by the _____ manufacturers _____ checked _____.
 _____ we check for _____ releases from the _____ Manufacturers?
 How _____ should we _____ of telecommunication software?
 There _____ of new software _____ from TEM.
 We should _____ if the _____ Manufacturers are _____ new _____.
 How _____ we check _____ any _____ from the _____ Manufacturers?
 _____ updates offered by _____ Equipment _____.
 _____ often _____ for _____ software andfirmware supplied by _____ manufacturers of _____?
 _____ often _____ check the newest _____ of software _____ Telecommunications _____?
 Should we watch _____ for _____ releases by _____?
 Changes to _____ software andfirmware supplied by _____ be _____ often.
 How _____ times a _____ should _____ from the telecomm _____ Manufacturers?
 How frequently _____ we check for _____ software _____?
 _____ advisable _____ check for _____ on _____ telecom equipment?
 When _____ we _____ for the latest _____ releases from _____?
 _____ times should we check _____ Telecommunications _____ Manufacturers _____ updates?
 Do we _____ to check new _____ often?
 How _____ we _____ new releases of _____ the Telecommunications _____ manufacturers.
 How _____ should we check the latest _____ from _____?

What is the _____ of times _____ to inspect _____?

_____ andfirmware _____ by those Telecommunications Equipment _____ should be _____.

_____ software _____ supplied _____ Telecommunications Equipment manufacturers _____ be checked _____.

How _____ check the new _____ issued _____ Telecommunications Equipment _____?

How frequently should we _____ software from _____ make _____?

How _____ should _____ the software _____ supplied _____ those Telecommunications Equipment _____?

Should new versions _____ software _____ by _____ regularly?

_____ often should _____ software andfirmware that _____ supplied by those _____ Equipment _____?

_____ should we look _____ releases _____ software _____ the Telecommunications Equipment _____?

_____ should _____ for new software _____ the Telecommunications Equipment _____?

_____ should _____ the _____ andfirmware that _____ supplied by _____ Equipment _____.

_____ software/firmware _____ put _____ by T.E.M?

_____ often should we _____ software _____ by _____ equipment makers

How _____ we _____ for updates _____ the _____ manufacturers?

_____ often should _____ check for _____ latest _____ from _____ telecomm _____?

_____ frequently _____ we check _____ releases _____ software from _____ Equipment manufacturers?

The _____ andfirmware _____ the Telecommunications _____ should _____ checked frequently.

How frequently should _____ the software _____ is supplied _____ telecommunications _____.

_____ we _____ for _____ software from the _____ telecommunications equipment?

How _____ should we check for _____ to _____ software that _____ supplied _____?

Changes to the software _____ by the telecommunications _____ manufacturer _____.

How often _____ software releases _____ Telecommunications _____ Manufacturers?

_____ Equipment _____ provide _____ versions of _____.

Changes _____ software _____ supplied by _____ be checked more often.

How often _____ we _____ for changes _____ the software _____ is _____ manufacturers?

_____ should look out _____ new _____ from _____ equipment _____.

Is it _____ periodically monitor telecommunications _____ software _____?

How _____ should _____ check the software andfirmware _____ is _____ manufacturers?

How _____ look for new _____ releases from _____ Telecommunications _____?

_____ often _____ check _____ is supplied by _____ Equipment Manufacturers?

_____ should _____ reviews _____ new software releases _____ Equipment _____.

How _____ times should we check _____ by the manufacturers?

_____ equipment manufacturers _____ software/firmware _____ at _____.

_____ often should _____ checking _____ from the Telecommunications Equipment _____?

How _____ per year _____ for _____ versions of _____ equipment software?

_____ it necessary _____ regular audits _____ the _____ software _____ by _____ Companies?

_____ times _____ we _____ updated _____ from telecom equipment makers?

How _____ should we _____ for _____ in _____ Equipment?

_____ we _____ for software _____ from the telecomm _____ Manufacturers?

_____ should _____ check the _____ andfirmware supplied by _____ manufacturers _____ telecommunications _____?

Fresh _____ of software _____ are _____ by _____ Makers.

We should _____ is supplied by _____ Equipment manufacturers often.

Is _____ idea to periodically monitor _____ updates _____ companies?

_____ should we check the _____ supplied _____ telecommunications _____ manufacturers?

_____ often should _____ software andfirmware _____ the _____ Equipment manufacturers?

_____ check _____ releases of _____ from the companies that _____ Telecommunications Equipment?

How frequently should we _____ new releases _____ software companies?

How _____ look _____ manufacturer-released _____ for our telecom _____?

_____ should we _____ software issued by Telecommunications _____ Manufacturers?

We _____ check for changes _____ the software _____ is supplied by _____.

How often _____ check _____ from telecom manufacturers?

_____ do Telecommunications _____ recommend looking _____ software and firmware _____?

How frequently should _____ check for _____ releases _____ Manufacturers?

How often _____ we check _____ that _____ supplied _____ the _____ manufacturers?

_____ many times _____ year _____ we _____ the new _____ of _____ TEMs?

How _____ check the _____ that is _____ manufacturers of Telecommunications?

We _____ for _____ from the _____ Equipment Manufacturers frequently.

We _____ changes to the _____ that _____ supplied _____ equipment manufacturer.

How frequently should we check _____ from _____ manufacturers.

_____ often _____ check for changes _____ the software _____ provided by _____ Telecommunications _____?

How many _____ a year _____ manufacturers _____ Equipments recommend looking _____?

_____ we check _____ software _____ Telecommunications Equipment companies?

_____ should _____ check _____ changes _____ that is provided by the _____ Equipment _____?

_____ times a _____ Telecommunications Equipments recommend _____ software/firmware upgrades?

_____ you give me guidance on _____ periodicity _____ verify _____ equipment?

_____ many _____ a year should we _____ Telecommunications Equipment Manufacturers _____?

The software _____ that is _____ by _____ Telecommunications _____ be checked _____.

How frequently should we _____ Manufacturers _____ new _____?

Telecommunications _____ Manufacturers _____ software _____ releases.

_____ often _____ we _____ out for _____ releases _____ equipment makers?

_____ should we check the firmware _____ is _____ the _____ equipment _____?

_____ should we _____ changes to the _____ that _____ the _____ equipment makers?

_____ should _____ check software from Telecommunications _____?

_____ often should we look over _____ updates _____ purchased telecom _____?

How often should _____ check for _____ that is _____ by _____ EQUIPMENT _____?

_____ frequently _____ we look _____ from the _____ Manufacturers.

_____ Telecoms Equipment _____ provide _____ software/firmware _____.

Should _____ the software updates _____ the _____?

How _____ do _____ versions _____ their wares?

_____ the _____ Frequency to check _____ software from Telecom _____?

_____ often _____ check the _____ supplied by _____ equipment _____?

How many times _____ of _____ recommend looking for improvements _____ their _____?

_____ be periodic _____ of telecommunications _____ updates.

_____ often do _____ need to _____ updates from telecom _____?

_____ year do _____ Equipments recommend looking _____ new software _____?

_____ and firmware _____ by the telecommunications equipment _____ checked often.

How often _____ we required _____ inspect _____ from _____?

How _____ we _____ at _____ revisions and updates _____ to our _____?

When should _____ check out new _____ from Telco _____?

How frequently _____ check _____ new _____ of _____ Telecommunications Equipment _____ software companies?

_____ many times should we _____ the _____ is _____ by those Telecommunications _____?

_____ frequently _____ we _____ new software from _____ Equipment _____?

How _____ should _____ the software and firmware _____ supplied _____ manufacturers?

How _____ we check the _____ and firmware _____ by _____ manufacturers.

How _____ we check _____ in the software _____ Telecommunications _____ manufacturers?

_____ we check for new _____ Equipment Manufacturers?

_____ we _____ for _____ software from the telecom _____?

_____ do software/firmware _____ TEMs need _____ be updated?

How _____ should _____ check out the _____ Telecommunications Equipment _____?

_____ often would _____ scrutinizing new _____ through _____ telecom equipment _____?

_____ it _____ sense to inspect the latest _____ from _____ telecommunication _____?

_____ should we be checking _____ updates _____ Telecoms Equipment _____?

_____ to the software _____ those _____ manufacturers should be _____ out _____.

How _____ check for updates from telecom _____?

How often do _____ check _____ of _____ from _____ Telecommunications Equipment _____?

How frequently _____ new _____ releases from the _____ Manufacturers?

_____ we check for changes to _____ that is _____ by the _____ telecommunications?

Is it _____ good _____ seek updates _____ Manufacturers?

How _____ should _____ look out _____ by telecom equipment _____?

We should _____ newly updated firmware/software once _____ of _____ gear.

Is there a _____ regular _____ latest software _____ hardware _____ Manufacturing Companies?

_____ software/firmware versions _____ Telecom Equipment _____ be _____ certain frequencies.

_____ should _____ new software releases from Telecommunications _____ or _____ companies?

_____ often should we _____ from the telecomm _____ manufacturers?

There are software _____ updates provided _____.

_____ should _____ software releases from Telecommunications _____ manufacturers or _____ companies?

_____ we _____ the software and firmware that _____ the telecommunications _____ manufacturer.

_____ new _____ of _____ from manufacturers of _____ Equipment or other software companies?

_____ often _____ for changes _____ the software and firmware _____ Telecommunications Equipment manufacturers?

To _____ systems, how _____ would _____ scrutinizing new _____ through _____ equipment _____?

How many times should we _____ for _____ software that is _____ the _____?

How _____ should _____ check _____ and firmware _____ by those _____ Equipment manufacturers?
