

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Wi-Fi network setup and troubleshooting
Inquiry Sub-Category	Router configuration
Description	Customers request assistance in configuring their routers to optimize Wi-Fi performance, enable advanced features, or troubleshoot router-related issues.
Data Size	5,029 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

How to configure _____ Service _____ on _____ router for prioritizing _____ devices _____ applications _____?

Is _____ possible to _____ the QoS _____ on _____?

_____ like to _____ to _____ selected applications _____ devices _____ you _____ give me instructions on _____ up _____ parameters.

_____ to prioritize certain devices _____ others _____?

Is it possible _____ modify _____ router's _____ by _____ devices?

Can _____ help me with setting _____ to _____?

I _____ Router's QoS.

Is it _____ set _____ for prioritization _____ specific _____?

_____ about _____ me _____ configuring the QoS _____ so _____ I _____ my devices _____ applications?

_____ me _____ to use _____ Service settings _____ prioritize my devices _____ applications over _____?

Are _____ able _____ me how to _____ applications _____ in the _____?

How _____ set _____ Quality _____ settings to give _____ to _____ devices _____ applications?

_____ to _____ certain devices _____ apps on my Router?

I would like _____ able _____ to _____ applications and devices if _____ could _____ me _____ to _____ up _____ QoS parameters

Can you show _____ how _____ use _____ (QoS) settings to _____ devices and _____?

_____ way _____ prioritize specific devices _____ is _____ configuring _____ settings.

I would like _____ able to _____ priority to select applications and _____ if _____ provide instructions _____ how _____ on _____

_____ I set _____ to prioritize?

How _____ set _____ Quality of Service (QoS) _____ prioritize _____ devices?

My router's _____ can _____ to assign priority _____ devices.

_____ don't _____ how _____ set _____ on my _____.

How do you make _____ QoS favor _____ thing _____?

I want _____ quality of _____ settings _____ prioritize _____ over others _____ Router.

_____ prioritize certain devices _____ others using the _____ configuration?

How do _____ set up Quality _____ on _____ routers _____ to specific _____?

configuration _____ the QoS settings _____ my routers _____ be _____ to _____

____ I set ____ my router to prioritize ____ ?
 ____ how ____ prioritize ____ devices ____ apps ____ others ____ a QoS setting.
 ____ help adjusting ____ on the ____ for specific ____ .
 ____ do I ____ the QoS settings on ____ preferred ____ ?
 ____ are ____ to ____ specific ____ applications by configuring ____ settings.
 ____ show ____ how to ____ Quality of Service (QoS) ____ to ____ and ____ ?
 ____ prioritize ____ devices by Quality of Service settings?
 I ____ to know how to ____ certain ____ applications ____ the ____ of ____ settings on my ____ .
 How to prioritize certain ____ quality ____ on ____ routers?
 ____ it possible to prioritize ____ by changing the ____ ?
 I ____ to ____ how ____ can use the ____ my ____ to ____ preference to ____ devices ____ applications.
 ____ you ____ me how ____ of Service (QoS) settings ____ prioritize ____ others?
 ____ there a way ____ my ____ of Service ____ to ____ certain ____ ?
 Is ____ possible ____ you ____ tell me ____ I ____ QoS ____ preference ____ certain applications over others?
 ____ use Quality of ____ settings to ____ specific ____ and applications over others, ____ know
 ____ would ____ know if ____ is a way ____ change the ____ settings ____ routers ____ some.
 Is ____ for ____ explain ____ can ____ the QoS settings on ____ router ____ preference ____ over others?
 ____ it ____ put ____ on ____ devices or apps ____ router?
 How ____ make ____ devices ____ applications are prioritized ____ routers?
 Setting ____ QoS priorities is something ____ guidance ____ .
 ____ do I ____ my devices and apps ____ over ____ using ____ router ____ ?
 Is ____ possible ____ you ____ explain ____ I can use ____ to give ____ to certain devices or ____ ?
 I need ____ learn ____ set up ____ on ____ .
 ____ configuring ____ QoS ____ to prioritize ____ and applications ____ be provided.
 Is it possible ____ certain ____ applications according ____ Quality ____ settings?
 ____ way ____ prioritize ____ the Quality of Service settings ____ routers?
 How ____ my ____ pay more attention to ____ devices ____ programs?
 Is there a ____ prioritize ____ devices/APPS ____ my ____ ?
 Help ____ up quality of ____ on ____ router ____ .
 ____ need to ____ how to ____ the QoS ____ my ____ .
 ____ is a need for help ____ QoS settings ____
 Is ____ settings on my router ____ certain devices.
 How to ____ router's ____ to prioritize ____ devices/apps?
 I ____ know ____ or applications over others using ____ settings.
 ____ way ____ certain gadgets by tweaking ____ Service possible?
 ____ want ____ be able to give priority ____ selected applications ____ devices as ____ I ____ instructions ____ how ____ up

 How can certain devices ____ be prioritized over others ____ routers?
 ____ can ____ set ____ for ____ ?
 configuring ____ QoS settings ____ can ____ to ____ specific devices or ____ .
 How can ____ the Quality of ____ (QoS) ____ prioritize ____ devices ____ ?
 ____ can ____ to get ____ routers ____ prioritize ____ I want ____ the Quality ____ Service (QoS) ____ ?
 How ____ I ____ my ____ Service ____ settings so I can ____ over ____ ?
 ____ I determine which ____ are ____ over others ____ the ____ settings?
 ____ possible to give priority ____ devices/apps ____ routers?
 ____ I get my Router to prioritize ____ on the Quality ____ ?
 Is ____ possible ____ arrange Router's ____ ?
 ____ it ____ to give ____ to certain ____ and ____ my ____ ?
 ____ need ____ Router's QoS settings.
 ____ there a way to ____ certain devices over others ____ ?
 For preferential ____ in configuring my ____ .

Is it ____ to ____ the Quality ____ Service ____ my router ____ devices?

Setting ____ is ____ I'm looking for.

____ should ____ set up Quality of ____ (QoS) ____ Router in ____ to ____ priority ____ devices?

____ help ____ my routers's ____.

____ anything ____ can tell me about configuring Quality ____ Service ____ specific ____?

How ____ I ____ settings to prioritize?

____ configuring ____ QoS settings so that ____ prioritize ____ and ____ could ____ helpful.

____ it ____ to prioritize ____ in the quality ____ service ____ on my ____?

I ____ the quality of service ____ to prioritize ____ applications ____

____ like to be ____ to ____ priority to ____ and ____ if you could give me instructions ____ parameters on ____

I want ____ there ____ a ____ to prioritize certain ____ by tweaking Quality ____ my ____.

____ tell ____ how to use ____ Service (QoS) settings ____ my ____?

____ can I make ____ that ____ on my router?

Is ____ to assign ____ to devices ____ on ____ Router?

____ it ____ toPrioritize preferred devices over others ____?

____ would like ____ be ____ to ____ applications and devices if you ____ on how to set ____ on my

____ do I make ____ apps are prioritized over others using ____?

____ the routers's quality ____ service ____ device or ____

____ do ____ set ____ QoS settings ____ my ____ to ____?

____ can I ____ my routers to ____ on ____ quality of service?

Is it ____ you ____ to me ____ I ____ use the ____ settings to give ____ to ____ others?

____ to prioritize certain ____ or ____ others in ____ of service ____?

____ need ____ with ____ my router's ____ for preferential ____.

____ my Router's quality of service ____ prioritize ____ over others?

Is ____ possible ____ my router's ____ Service settings to give ____ certain ____?

I would like ____ able to give priority to ____ you could ____ instructions ____ up ____ parameters.

____ I set up my ____ quality ____ to ____ certain devices?

____ you ____ a router ____ that ____ things over others?

Can ____ help ____ with setting the ____ certain applications ____?

____ to ____ my Router's ____ of Service in ____ to ____?

I ____ on ____ up ____ parameters so ____ I ____ give ____ selected applications.

____ want ____ if you ____ give me ____ for configuring ____ that ____ can prioritize.

____ to prioritize certain ____ over ____ the ____ settings ____ my Router?

____ it possible ____ on ____ router?

How do I make ____ that my devices/apps ____?

Is ____ to ____ my router's ____ of ____ settings in ____ some devices?

____ possible for you to explain ____ me how I can ____ my router's ____ certain ____ others

Is ____ possible ____ set ____ QoS ____ to give ____ to ____ devices?

____ like to ____ possible ____ settings on my Router ____ prioritize.

____ would like to ____ give ____ to selected applications ____ you could give ____ on how ____ set ____ QoS on ____

____ can ____ set ____ Quality ____ settings ____ certain applications over others?

____ it possible ____ arrange ____ router's QoS ____ preferences?

____ would ____ able to give priority to certain applications ____ you ____ instructions on setting up ____ QoS ____ on ____

How can ____ service ____ routers be ____ over ____ and applications?

____ my ____ quality of ____ is how ____ devices.

Is ____ possible ____ some ____ or ____ by ____ the ____ Service settings on my ____?

____ a need for guidance ____ setting ____ the QoS priorities ____.

_____ to _____ my Router's Quality of _____ prioritize _____?

Is _____ to _____ some _____ based _____ Quality of Service settings?

customizing my router's _____ how-to?

I don't _____ to _____ devices _____ apps over _____ using _____ settings.

_____ to _____ me how to _____ Quality _____ (QoS) settings _____ priority _____ specific _____ devices on my _____

am wondering if _____ a way to _____ certain _____ by _____ of Service _____ router.

I don't know how _____ prioritize _____ using my _____ QoS _____.

Is _____ to give priority to _____ devices _____ Router?

Is it possible _____ settings _____ my routers to prioritize _____?

I want to _____ how to get _____ router _____ prioritize _____ I _____ on _____ settings.

How _____ I _____ get my router _____ prioritize _____ I want _____ the _____ Service _____?

_____ way _____ prioritize _____ over _____ in the quality _____ settings _____ my Router?

_____ would like to _____ the _____ of service settings on _____ prioritize _____.

Is there _____ way _____ priority _____ certain _____ on my _____?

I _____ to know how I can use QoS _____ on _____ to _____ to _____ applications.

I would like to _____ give _____ to _____ applications _____ you _____ provide _____ on _____ to set _____ QoS parameters.

_____ you _____ to me _____ I _____ use Quality _____ Service _____ settings _____ prioritize my _____ and applications _____?

_____ help _____ router's Quality of _____.

How can I make _____ routers _____ want _____ of _____ settings?

Is _____ a _____ certain devices or _____ over _____ my Router?

Setting _____ router's _____ is _____ I _____ to _____ more about.

_____ set up _____ to _____ devices on my _____?

I want to _____ there is a _____ to _____ certain gadgets _____ tweaking Quality _____ router.

_____ it possible _____ preference _____ preferred devices _____ others _____ settings?

Is _____ to prioritize gadgets based on _____ (QoS)?

_____ like _____ know how _____ set _____ quality _____ service on my _____.

It's _____ specific _____ or _____ by setting the _____.

_____ need _____ how to _____ up _____ my routers.

What steps should I _____ to _____ and applications when setting up _____ Service _____?

_____ change _____ settings _____ my router for _____ devices?

Is it possible to adjust _____ router's _____ service _____ to _____ apps?

Is there _____ to set _____ QoS on _____?

How _____ I _____ router _____ give _____ what I want _____ the _____ Service settings?

Can _____ me _____ set up QoS on a routers _____?

Is _____ possible _____ give _____ to _____ others on _____ router?

How _____ prioritize certain _____ QoS?

Is it possible _____ quality _____ service _____ preference?

I would _____ to be able to give _____ to selected applications _____ devices as _____ on _____ QoS _____

_____ search of _____ on configuring _____ router's QoS _____.

_____ to know how to _____ up QoS _____ on my router so _____ I _____ applications.

Do you know _____ to _____ up _____ my router?

_____ you explain _____ how to _____ Quality of Service _____ settings to prioritize my _____?

Is it _____ to _____ gadgets or _____ by tweaking _____ service on my _____?

Can _____ tell _____ if it's _____ to set _____ a _____?

_____ me if _____ possible to _____ up _____ on a routers?

_____ prioritize certain devices over others in _____ routers's _____ service?

_____ you _____ me instructions for configuring the QoS _____ so _____?

I want to know _____ I _____ get _____ routers _____ what I _____ the _____ settings.

_____ router's quality of service _____ device _____

_____ how to set _____ of service _____ my routers.

How _____ to prioritize what _____ want on the _____ (QoS) settings?

_____ need help _____ QoS in _____ preferential treatment.

I _____ to know if _____ a _____ change the _____ on my _____.

_____ it possible to make sure _____ prioritized on _____ routers?

_____ want to know _____ I _____ use _____ settings _____ my _____ to _____ preference _____ or applications.

_____ it possible _____ to _____ to _____ can use _____ to give _____ specific devices or applications?

_____ can my _____ what I _____ on _____ of Service _____?

_____ for guidance on setting _____ priorities.

How _____ modify my router's _____ service _____ prioritize certain _____?

_____ there _____ way _____ certain devices and _____ my routers?

_____ I _____ my router _____ what I want _____ of service _____?

_____ do I _____ my network quality of _____ to _____ my _____?

Is it _____ for _____ to tell me how _____ can _____ my QoS _____ preference _____ over _____?

I'd _____ to know how to _____ preferences _____ devices _____ apps.

Can you explain to _____ use Quality _____ Service _____ to prioritize _____?

Is _____ to _____ preferred devices/APPS over _____ settings?

Is _____ arrange QoS for _____?

I need _____ setting my router's _____.

Is it possible _____ certain _____ over _____ quality _____ service settings _____ routers?

_____ it _____ to _____ devices/apps over _____ with _____ settings?

Is there a way to prioritize certain _____ applications over _____ in _____ settings _____?

Is _____ to _____ some _____ or apps _____ the quality of service?

How _____ set _____ QoS _____ prioritize _____ devices/apps?

_____ do I _____ QoS settings on _____ for _____ devices?

_____ setting up _____ QoS settings.

_____ of service priorities: _____ or application

I _____ to _____ if there is a _____ some devices _____ adjusting _____ of _____.

_____ to _____ up QoS on _____ routers to _____.

Is _____ prioritize devices _____ applications over _____ in _____ quality _____ service settings _____ router?

_____ it _____ to give priority to _____ my routers?

Is it _____ to _____ my Router's Quality of _____ or apps?

_____ you _____ to _____ Quality _____ Service (QoS) _____ to prioritize _____ devices _____ others?

_____ if there was _____ way _____ prioritize _____ or apps _____ adjusting _____ Quality of Service _____.

The QoS _____ my _____ can _____ configured to _____ specific _____ applications.

I _____ like to use the quality of _____ certain _____ others _____ my _____

Is _____ to _____ up QoS _____ router?

Is _____ possible to _____ certain devices or applications _____ others _____ of _____ settings _____ my _____.

I _____ like to _____ to _____ to selected applications and _____ you _____ instructions on how to set _____.

Listen _____ how _____ get my _____ I want on _____ of service?

Is _____ to _____ some devices over _____ in the _____ service _____ routers.

_____ there _____ to _____ QoS for priority _____ specific devices?

_____ it _____ prioritize certain _____ the quality of service on my _____.

_____ to know _____ set _____ the _____ so _____ I can _____ certain devices.

_____ up _____ priorities is something _____ to know _____ about.

_____ it possible to _____ quality of service settings _____ my _____ devices _____ others?

Is it _____ for you to _____ me how _____ can use QoS settings _____ give _____.

Is it possible for _____ to _____ router's QoS settings to give _____ to certain devices _____

Do I have _____ to prioritize certain _____ by _____ of Service?

It's _____ to _____ specific _____ applications by _____ the QoS _____.

How ____ I set up my ____ quality ____ to give ____?

____ set ____ QoS ____ priority to certain devices.

I ____ if ____ for configuring ____ QoS settings so ____ I can prioritize certain ____.

____ router should be arranged for ____ preference.

Is it possible ____ adjust ____ Quality of ____ to prioritize ____?

____ can I ____ certain devices ____ on my router?

Setting up the Router's ____ service ____ or ____.

____ me how I can ____ settings ____ prioritize ____ devices or applications over others?

____ possible to prioritize ____ and programs by tweaking ____ of ____ routers?

Is it possible ____ or ____ over others ____ quality of ____ settings on ____?

____ possible to set ____ QoS ____ prioritize?

A ____ about how to ____ certain devices ____ routers

____ it ____ to set ____ QoS ____ routers ____ give priority ____ devices?

Is ____ possible ____ set ____ settings for ____ applications?

____ prioritize ____ devices ____ others ____ quality of ____ on my routers?

____ you know ____ it is possible ____ set up ____ for ____ specific ____ or ____?

I ____ to be ____ to ____ to applications and ____ as ____ I am not ____ how to ____ parameters ____

I ____ to ____ if it's ____ set ____ QoS settings for ____.

They ____ configuring my ____.

____ would like to ____ can help ____ with configuring ____ routers ____ certain applications over ____.

configuration ____ QoS ____ on ____ ways to prioritize specific ____

____ you to explain ____ I ____ use QoS ____ to give preference ____ specific ____ or ____ over ____?

____ you tell ____ to ____ up ____ routers ____ prioritize ____ and ____ over others?

____ there ____ to ____ QoS ____ for priority of specific ____ or ____?

____ it ____ prioritize certain ____ or ____ tweaking ____ of ____ on my router?

Is it ____ give priority ____ select ____ Router?

____ up ____ QoS ____ is ____ I'm ____ for guidance ____.

____ can I get ____ to ____ I ____ on the Quality of ____?

I'm ____ if ____ possible ____ set up QoS ____ a ____.

I'd like to know ____ is ____ to change the ____ prioritize

Setting ____ the routers's QoS priorities is ____ that ____.

I would ____ know how ____ set ____ QoS ____ my routers ____ that ____ prioritize ____ devices.

____ possible to ____ over ____ the ____ of service ____ my router?

How ____ set ____ priority ____ specific devices on my ____?

____ a ____ prioritize ____ by quality of ____ settings?

Is it ____ for you ____ me how ____ use QoS settings ____ preference ____ devices ____ others?

____ configuring my ____ QoS for preferential ____.

How ____ I ____ the settings ____ my ____ prioritize ____ devices?

____ it possible ____ me ____ prioritize certain gadgets ____ programs ____ the ____ Service?

____ it possible ____ arrange ____ QoS ____ device/app ____?

Help ____ QoS settings on the routers ____

I ____ to set up Quality ____ my ____ in order to ____ priority ____ devices or ____.

Is ____ possible ____ Quality ____ settings ____ better prioritize some devices?

Is it ____ to ____ the ____ of ____ to prioritize ____ or ____?

Is there a way to ____ gadgets ____ tweaking the ____ service ____ my ____?

Is there ____ to ____ the ____ for device/app ____?

____ can I ____ to prioritize certain devices ____ in ____ quality of ____ settings ____?

Setting up ____ of ____ on my ____?

There are ____ devices ____ applications that ____ be ____ over others in ____ settings ____ my ____.

____ prioritize ____ devices or applications ____ setting the QoS ____ router.

_____ would like _____ I _____ use QoS settings _____ my _____ to give preference to certain _____.

_____ a need for _____ on setting _____ the Router's _____.

_____ possible to _____ certain devices _____ other _____ the quality _____ service _____ on my _____?

_____ me instructions _____ how _____ set _____ settings so that I _____ prioritize _____ devices?

To give priority to specific devices or applications, what _____ set _____ Quality _____ my _____?

_____ up _____ priorities: device vs application

_____ give priority _____ certain devices or _____ I _____ up _____?

Is _____ to _____ router's _____ app preferences?

I would _____ know if it _____ possible _____ for prioritized applications.

_____ I _____ for prioritized applications?

_____ possible for _____ to explain how _____ can use _____ my router to _____ preference _____ devices _____?

_____ I set up Quality _____ on _____ routers in order _____ certain applications?

_____ are _____ to _____ QoS _____ on my router.

_____ want to know if _____ can _____ specific _____ apps on _____.

_____ can _____ on my routers _____ prioritized _____ other things?

_____ possible _____ change _____ Quality of Service _____ routers to _____ certain devices _____ others?

_____ would like _____ the _____ for _____ QoS settings _____ I can prioritize certain _____.

Is it _____ to _____ certain devices or applications over _____ the _____ of _____ on _____?

_____ possible to modify _____ QoS _____ on _____ router _____ devices?

I _____ like _____ the quality of service settings _____ my _____ over others.

I _____ to set _____ Quality _____ Service _____ my Router and _____ devices.

Is it _____ prioritize certain _____ applications _____ quality _____ service?

Is it possible _____ adjust _____ service _____ to _____ devices?

_____ need _____ QoS settings _____ that I can _____ certain devices and _____.

_____ to _____ certain devices through _____ router's _____ of _____.

_____ it _____ to _____ the Quality _____ settings _____ my routers to prioritize _____ devices _____ others?

_____ would _____ know if there is _____ way _____ change _____ settings _____ my _____ prioritize

_____ help me _____ up QoS on my _____ to _____.

_____ possible to adjust _____ Quality _____ settings to _____ devices or _____?

Is it _____ to _____ a QoS for _____ specific _____?

_____ do _____ my routers _____ give _____ to specific _____?

I want to _____ up _____ of service on _____.

I want to know _____ QoS priorities.

I would like to know _____ to set up _____ so that I _____ applications _____ devices.

I'm _____ up router's QoS priorities.

_____ of the QoS _____ are ways to _____ specific _____.

Is it _____ give _____ certain _____ on my _____.

_____ want to give priority _____ specific devices _____ setting up _____ (QoS) on my _____.

_____ can certain devices _____ applications be _____ over _____ the quality of _____ on _____?

_____ there _____ way to _____ certain _____ tweaking _____ Quality of Service on _____?

In _____ give _____ specific devices or applications, _____ I do in order _____ Quality of _____?

How do _____ set _____ network _____ to prioritize?

_____ on my router can be used to _____.

_____ I set up _____ of _____ to _____ certain devices?

_____ would like _____ to give _____ applications and _____ needed if you _____ give instructions _____ setting _____ parameters on my

_____ it possible _____ certain gadgets and _____ tweaking the _____ on _____ Router?

_____ great if you could _____ to set up QoS parameters _____ that I _____ give _____ selected _____.

Is _____ possible _____ you _____ explain how _____ can give _____ applications over _____ on my routers?

_____ me how I _____ use Quality _____ Service _____ settings _____ prioritize specific _____ others?

I want _____ know _____ set _____ QoS preferences _____ desired _____ apps.

Is there ____ way ____ a ____ on ____ routers?

Is ____ to prioritize certain ____ the quality ____ service?

Is there a ____ give ____ to ____ gadgets or programs ____ tweaking ____ ?

____ tell ____ of Service settings to ____ my devices over others?

It's ____ to ____ certain devices or applications ____ .

What ____ I do to get ____ to prioritize ____ I ____ the ____ Service ____ settings?

____ need ____ with adjusting the ____ the router.

____ to tailor ____ Quality ____ Service to prioritize ____ ?

I don't ____ get my ____ to ____ what I ____ on ____ quality ____ service settings.

What ____ I ____ give ____ specific devices ____ applications when setting ____ Quality of Service?

____ would like to ____ to ____ and devices if you ____ me ____ on how ____ up ____ parameters ____ my routers

How to modify my ____ certain devices.

____ possible to ____ gadgets or programs ____ tweaking ____ of ____ on ____ routers?

____ you tell ____ to set ____ QoS on a routers?

Is ____ possible for ____ to ____ certain gadgets ____ programs ____ tweaking ____ Service on my ____ ?

____ up prioritization ____ routers's QoS?

____ possible ____ set up QoS ____ my ____ to prioritize ____ ?

____ possible to ____ the router's QoS for ____ ?

____ like to ____ able ____ give ____ selected ____ devices ____ could give ____ instructions on setting up the QoS ____ .

I need ____ ROUTER's ____ .

____ possible ____ to explain ____ I can use my router's settings ____ preference ____ or applications?

____ there ____ advice ____ how to ____ my ____ network's ____ settings better ____ certain devices ____ ?

I ____ to give ____ to ____ devices and ____ in ____ set ____ Quality ____ (QoS).

Is there a ____ to ____ my routers?

____ would ____ to be able ____ give priority to ____ and ____ as ____ you ____ instructions ____ setting ____ QoS parameters.

____ how ____ I get my routers ____ prioritize what I want ____ the ____ Service ____ ?

____ like ____ know ____ I can use QoS ____ to give ____ to certain devices or ____ others.

How ____ sure my ____ are ____ my router?

____ tell me ____ to set ____ Quality of ____ (QoS) settings ____ prioritize ____ ?

____ would like ____ way ____ change ____ settings on my ____ to prioritize.

____ it possible to change my ____ Quality ____ Service ____ to ____ ?

How do I ____ the ____ ?

____ there ____ you ____ me about ____ Service settings for ____ applications?

Is it ____ adjust the ____ of Service ____ on ____ give priority ____ devices?

I want ____ know ____ to set up ____ to ____ to ____ .

Is it possible to modify ____ of ____ through ____ ?

____ it ____ prioritize certain ____ the quality of service ____ network?

____ I ____ which ____ are prioritized over others ____ quality of ____ ?

____ it possible to adjust my ____ of ____ settings ____ certain ____ or ____ ?

____ devices or ____ how ____ I set up my QoS?

To give priority ____ specific ____ and ____ set ____ QoS?

____ advice ____ how ____ make my ____ network's ____ settings ____ certain devices ____ apps.

I ____ to set ____ quality of ____ routers.

How ____ others in the quality of service settings?

____ do ____ set up my ____ prioritize ____ ?

____ to make sure that ____ home network's ____ give ____ devices and ____ .

____ possible ____ change my ____ of Service settings ____ priority to ____ devices?

Is it possible ____ you to ____ how ____ QoS in ____ preference to ____ devices ____ applications over ____ ?

Is _____ devices through my _____ quality of service?

Is _____ for _____ prioritize certain devices over _____ quality _____ service settings on my _____?

Is there _____ way _____ priority to certain _____ applications over others in _____ of _____?

How _____ modify _____ Router's Quality _____ Service to _____?

I _____ how to set the _____ on my router so I _____ devices _____.

configuration _____ router can be used to prioritize specific _____

I _____ to know _____ to set up _____ QoS _____ my _____ that I can _____.

Setting _____ Router's _____ priorities: _____ vs _____?

_____ instructions _____ to give _____ to applications _____ devices _____ my QoS parameters.

_____ my routers to _____ what I _____ on the _____ of service settings?

_____ about how to _____ certain devices and _____ on my _____

How _____ prioritize _____ devices _____ others _____ the QoS _____?

Is it _____ to explain _____ I can use _____ on _____ to give preference to _____ applications?

_____ would _____ to _____ quality _____ settings to prioritize certain applications over _____ my _____.

I would _____ to know _____ way _____ change _____ on my router.

_____ possible _____ set up _____ to prioritize specific _____?

_____ I set _____ a system to _____ devices _____ my _____?

Is it _____ set _____ Quality of Service _____ router _____ prioritize certain _____ or _____?

_____ should _____ done to _____ the Quality of _____ on _____ router?

_____ can _____ the _____ on my router?

_____ it possible for _____ how _____ can use my _____ give _____ certain devices or _____ over others?

_____ if _____ possible for _____ to explain _____ I _____ my _____ settings to _____ preference to certain

_____ it _____ to set up _____ for _____ of _____?

How _____ make _____ router give _____ to certain _____?

_____ it _____ you to _____ I _____ use QoS settings _____ my routers to give preference to _____?

Is _____ possible for _____ explain how I _____ the QoS _____ to _____ preference to _____ others?

How _____ devices _____ using the _____ QoS configuration?

_____ my _____ quality _____ service for preferential treatment.

I need instructions on _____ on _____ so _____ can give priority to selected _____.

_____ to prioritize _____ devices through my _____ service?

Is _____ a way _____ prioritize _____ or _____ tweaking the Quality of _____ on _____?

Do you _____ to _____ up _____ on _____ routers?

_____ possible to set QoS settings _____ prioritize _____ and _____ over _____?

_____ help me _____ quality of _____ my routers to _____.

_____ it _____ prioritize some devices _____ by changing _____ quality of _____?

Is it possible _____ to prioritize certain _____ others in the quality _____ my _____?

_____ to set the QoS _____ my _____ for _____ devices?

Is _____ anything you _____ me _____ configuring Quality _____ Service _____ prioritize applications or _____?

Is _____ possible for _____ me _____ I can use my _____ to _____ to certain _____ or _____ over

How _____ Quality of _____ to _____ certain devices.

Is _____ possible to set _____ QoS to _____?

_____ not sure how to _____ up _____ to _____ devices.

_____ the Quality of Service to _____ certain _____?

_____ I _____ up Quality of _____ on _____ routers in _____ give priority _____ devices and _____?

I _____ to _____ if I can _____ certain devices _____ service settings.

Is _____ possible _____ give _____ specific devices and apps _____?

_____ you can help _____ with setting _____ the _____ to prioritize _____ applications over others.

_____ do to give priority to _____ over others on _____?

_____ prioritize certain _____ through _____ Quality of Service?

Is it possible _____ change _____ Quality _____ Service _____ on _____ to _____ some _____?

I ____ to know ____ you ____ help me with setting ____ applications over ____.
 configuring the ____ my router ____ way to prioritize ____.
 There is a ____ adjust ____ Quality of ____ to ____ devices.
 I have ____ question regarding ____ to ____ applications ____ my routers.
 I want to ____ to ____ the ____ on my routers so ____ certain devices ____.
 configuration ____ the QoS ____ my router ____ prioritize specific devices ____ applications
 Can you tell ____ how ____ use ____ of ____ prioritize ____ over others?
 ____ need ____ configuring the settings ____ for prioritization.
 Can you ____ how to ____ up ____ Service ____ settings ____ prioritize specific ____?
 You ____ able to ____ instructions ____ the QoS settings so ____ can ____ devices ____ applications.
 I ____ like ____ able to ____ to selected ____ you ____ give me instructions ____ how to set up ____
 ____ a ____ devices or apps on ____ Router?
 ____ is ____ for ____ my ____ QoS.
 Can ____ me ____ is ____ to set up ____ for prioritization?
 I would ____ know how ____ set ____ settings ____ my router so ____.
 ____ a way to adjust ____ Quality ____ Service ____ to give priority ____?
 Is ____ me to assign priorities ____ options?
 ____ there a ____ to ____ tweaking the Quality ____ Service ____ my network?
 How do ____ sure ____ devices ____ apps ____ on ____ Router?
 Is ____ possible to ____ the Quality of ____ to prioritize ____?
 I want ____ to ____ up ____ QoS priorities.
 ____ tell me ____ to ____ quality ____ settings to prioritize ____ devices over ____?
 Is there a ____ to certain gadgets ____ programs ____ of Service?
 To ____ to specific devices, how ____ set up ____ Service?
 Is ____ possible to ____ QoS settings ____ routers ____ prioritize certain devices ____?
 ____ there ____ way ____ the Router's ____ for device ____?
 ____ preferential ____ help ____ needed in ____ my network's ____ service.
 ____ trying ____ find ____ about ____ my ____ QoS options.
 ____ me set up Quality ____ my router ____.
 ____ to ____ of ____ to ____ devices and applications ____ others, but I don't know
 Can ____ help ____ with ____ the ____ to ____ applications over other ____?
 I want ____ know ____ it ____ possible to set ____ Router.
 How ____ give ____ to ____ devices ____ my QoS?
 How can ____ set my Quality ____ Service settings ____ devices ____ others?
 Is there a way to ____ priority ____ on ____.
 ____ how to ____ Quality ____ Service (QoS) ____ to ____ my devices or applications over ____?
 Is ____ possible to ____ configuration ____ prioritize devices ____ my ____?
 Is ____ for you ____ how I can ____ my ____ to give ____ to certain ____ others?
 Looking ____ on setting ____ preferences ____ target ____ devices ____ apps.
 ____ is possible to ____ the QoS ____ on ____ prioritize.
 ____ possible ____ to ____ I ____ QoS settings in order to give ____ to ____ devices or ____?
 ____ should I set up ____ of ____ (QoS) ____ my Router ____ priority to specific devices ____?
 I don't ____ how ____ devices over others ____ settings ____ routers.
 ____ to prioritize certain ____ others in ____ of service ____ on my ____?
 Is there ____ give ____ devices or apps ____ the Router?
 Is it ____ to set the ____ router ____ preferred ____?
 How can ____ that I want ____ of Service ____ to be prioritized by ____?
 Is there ____ to ____ by ____ Quality of ____ on my routers?
 What ____ I know about configuring ____ QoS ____ favored ____?
 customizing ____ router's ____ of Service is how _____.

_____ possible to give _____ certain _____ applications _____ others in the quality of _____ on _____ Router?
 _____ would _____ to use _____ service _____ to prioritize _____ over others _____ Router.
 _____ set _____ Quality of Service settings to prioritize _____ devices _____?
 _____ I _____ certain devices or applications over others, _____ do _____ set _____ Quality _____ settings?
 How do _____ get _____ prioritize _____ stuff I _____ quality of _____ settings?
 Is _____ possible _____ you _____ how I _____ use _____ QoS _____ give preference _____ devices over others?
 _____ I set _____ certain devices?
 Is _____ anything you can _____ setting Quality of Service (QoS) _____ applications or _____?
 Is it possible _____ you _____ how _____ give _____ to certain _____ applications over _____ on _____ router?
 Is _____ prioritize _____ by _____ the quality of service _____ my routers?
 Is it _____ to _____ to select _____ my _____?
 I would like you _____ help _____ with the _____ routers _____ devices
 _____ make my _____ what I want _____ the _____ Service settings?
 _____ it _____ up QoS _____ prioritize devices?
 Is it _____ to _____ certain _____ applications over _____ in the _____ service settings _____ Router?
 _____ my _____ Service: how-to
 _____ need to _____ to set up _____ on _____.
 _____ possible to set the QoS settings _____?
 Is _____ possible _____ to _____ programs _____ tweaking _____ Quality of Service on my router?
 _____ there _____ arrange _____ quality of service for device/app _____?
 _____ I prioritize _____ applications _____ of service?
 _____ it _____ to _____ priority _____ certain _____ others _____ the quality of service on _____?
 What should _____ about configuring _____ QoS _____ granting favored status _____?
 Can _____ setting the routers so that _____ certain applications _____?
 _____ it possible _____ set _____ on _____?
 _____ you _____ me _____ how to _____ the _____ settings _____ I can _____ devices?
 _____ up Quality of Service _____ prioritize?
 _____ it _____ you _____ explain to _____ I _____ use _____ router's _____ settings to _____ preference to certain _____ and _____
 I _____ to know if _____ help me _____ to prioritize _____ applications over _____.
 How _____ certain _____ or _____ over others _____ quality _____ service settings?
 There's _____ need _____ help _____ adjusting the QoS _____.
 _____ up routers's _____ priorities: device _____?
 _____ should I _____ in order to give priority _____ and applications _____ up _____ of _____?
 _____ possible to _____ by _____ the Quality _____ Service (QoS)?
 Is _____ possible to _____ certain gadgets _____ programs _____ tweaking _____ (QoS)?
 _____ you explain _____ me _____ can _____ Quality of _____ prioritize my devices over _____?
 I'd _____ to _____ if there's a _____ the _____ settings on _____ to _____
 _____ to _____ certain devices _____ applications _____ setting _____ QoS.
 How _____ I make _____ applications _____ prioritized _____ in the quality of _____?
 Is it _____ to set _____ of Service _____ devices over _____?
 Is _____ a _____ to prioritize _____ other _____ the quality _____ service settings?
 I _____ to _____ how _____ set the _____ on _____ router.
 Can you _____ me how _____ use _____ of Service _____ settings _____ specific devices _____ others?
 _____ need help _____ Router's _____ for preferential treatment.
 _____ would like _____ to set _____ QoS on _____ router.
 _____ preferential treatment, _____ needed in configuring _____ network's _____.
 Is it possible _____ to prioritize certain _____ over _____?
 I _____ if there is a way to _____ gadgets _____ by _____ the _____ of _____.
 How do _____ my _____ prioritize what _____ want on _____ Service _____ setting?
 I want _____ know _____ give me instructions _____ up _____ parameters so that I _____ priority to _____ applications _____.

_____ adjusting the _____ on my router.

Is _____ some devices or apps by adjusting _____ of _____?

_____ make my home network's QoS _____ so _____ I get _____ for certain _____?

How can _____ my router _____?

_____ it _____ to give _____ to _____ devices over others _____?

_____ setting _____ QoS settings on _____ router.

_____ in configuring my _____ QoS

_____ a _____ about _____ to prioritize my devices and _____ router.

_____ don't _____ how to prioritize _____ others using my _____.

_____ there a way to give _____ to _____ apps _____ router?

_____ would like to _____ to _____ Quality _____ Service (QoS) settings for priority _____ applications _____.

_____ way to give _____ to some devices _____ others on _____?

_____ it _____ my router's Quality _____ Service _____ to _____ certain devices and _____?

Is _____ a way _____ priority _____ specific _____ my routers?

Is _____ to set up QoS _____ my _____?

Setting up _____ QoS _____ is something that _____ seeking _____.

Can I set the _____ of _____ my _____ devices _____ applications?

_____ there a _____ preference to important devices _____ on a _____?

_____ modify my _____ Quality _____ Service to prioritize certain _____?

_____ it possible _____ change the QoS _____ my _____ network's routers _____ give _____ treatment _____ some _____?

Do _____ wish to _____ device preference?

How _____ I make _____ is prioritized _____ router?

_____ do I get _____ to _____ I want on _____ of _____ settings?

Can _____ me instructions for _____ that I can _____ and applications?

What _____ should _____ taken in _____ to give _____ devices and _____ when setting _____ Quality _____ (QoS) _____ my _____ like to _____ priority to _____ applications _____ devices if you could offer _____ setting _____ QoS parameters.

_____ you make _____ favor _____ things over others?

_____ to _____ to _____ priority to selected _____ and devices _____ you _____ give _____ instructions for setting _____ parameters.

_____ to _____ how to set up Quality _____ on _____.

I _____ like _____ know how to _____ the _____ settings _____ my _____ that I _____ certain devices _____.

Is it possible _____ devices _____ in the quality _____ service _____ my _____?

_____ help _____ my QoS for _____

_____ would like to be _____ to _____ to _____ you _____ give me instructions about _____ the QoS parameters on _____

_____ prioritize certain devices over _____ the _____ configuration.

configuring the _____ on my _____ be used _____.

Is _____ anything _____ make my home _____ QoS settings better for _____ devices _____?

_____ treatment, _____ in configuring _____ router's QoS _____ needed.

How am I _____ to _____ my router _____ what I _____ the Quality of _____?

_____ get my Router to prioritize what _____ of Service (QoS) _____?

_____ possible to set up _____ on my _____ to _____ to _____?

Is _____ a way _____ make _____ home network's QoS _____ and applications?

_____ there a way _____ prioritize certain _____ by _____ the _____ service _____ my _____?

Do you know _____ set _____ my router?

_____ the settings on _____ routers _____ preferred applications?

Listen up, how do _____ get _____ to prioritize what _____ Quality _____ Service _____?

I _____ to know if you have instructions _____ QoS _____ that I _____ certain _____.

How to _____ in _____ QoS.

Is it possible _____ over _____ with _____ settings

What _____ do _____ get my _____ to _____ what _____ quality of service?
 _____ do _____ my router's Quality of Service _____ prioritize _____?
 _____ want _____ know how to change _____ on my _____.
 _____ can _____ to prioritize certain devices _____ quality _____?
 Is _____ to arrange _____ QoS for _____.
 _____ like to _____ if _____ way to _____ the QoS settings _____ prioritize.
 _____ up _____ Quality _____ Service _____ device _____ application
 Is it _____ to _____ certain _____ tweaking the _____ on _____ router?
 _____ show me _____ I can _____ of Service (QoS) _____ my devices _____ others?
 _____ possible to _____ devices/apps over _____ with QoS _____?
 Setting _____ QoS _____ is something _____ I am seeking _____.
 How _____ I alter _____ quality of service _____ certain _____?
 Is _____ possible to set up _____ to _____?
 _____ it _____ set the Quality _____ Service _____ to prioritize _____ or _____?
 Is it possible _____ you to explain _____ I can _____ QoS _____ give _____ to _____?
 _____ how to _____ my devices _____ others using _____ router's QoS _____.
 _____ it possible _____ you to _____ I can _____ give preference to _____ devices or _____?
 _____ possible _____ to _____ to me _____ I can _____ settings _____ order _____ preference _____ certain devices _____ applications over others
 _____ QoS _____ be arranged for device/app preference?
 _____ there a way _____ devices _____ applications by quality _____?
 Setting _____ QoS _____ something _____ to know more about.
 _____ advice _____ how to _____ my _____ network's QoS _____ more optimal _____ certain _____?
 Is there a way _____ prioritize _____ and _____ a _____?
 _____ I get _____ routers to prioritize _____ I _____ of Service (QoS) _____?
 _____ there a way _____ the quality of service?
 I'd _____ to _____ is _____ way _____ change _____ of my _____ to prioritize.
 _____ use _____ quality of service settings to _____ certain _____ Router.
 Is _____ to _____ my Quality _____ Service _____ prioritize _____ devices?
 How do you _____ theRouter QoS favor _____?
 _____ do I set _____ to give priority _____ specific _____?
 Is _____ to _____ over others _____ QoS settings?
 _____ QoS settings on my _____ to prioritize.
 _____ need _____ help setting up Quality _____ my _____ to _____.
 I _____ setting _____ QoS _____ my routers.
 _____ there a _____ use Quality _____ to _____ certain gadgets?
 _____ it _____ to arrange the router's _____ device/app _____?
 How _____ use the quality _____ service on my routers _____ others?
 I need _____ up QoS _____ priority to _____.
 _____ there a way to _____ that specific _____ on _____?
 _____ I _____ up _____ to give priority _____ specific devices?
 How _____ I ensure _____ are prioritized _____ router?
 How can _____ set _____ Service (QoS) _____ to prioritize _____ applications over _____?
 router's QoS _____ be arranged _____
 _____ it _____ to change the settings on my _____ to give _____ to _____?
 _____ out how to prioritize certain devices _____ my router.
 _____ to change _____ QoS settings on _____ network's _____ so _____ certain devices _____ preferred treatment?
 _____ want to _____ it _____ to _____ up QoS settings on _____.
 What _____ take to _____ of Service on _____ and give priority to _____ devices?
 There is a need to _____ the _____.
 _____ need _____ in _____ my _____ QoS.

Is it _____ QoS settings for specific _____ and _____?
 _____ looking for _____ setting up _____ QoS priorities.
 _____ you show me how _____ (QoS) _____ prioritize _____ or applications over others?
 If I want _____ prioritize certain _____ I _____ on _____ set the QoS _____.
 Is it possible _____ set QoS on _____?
 _____ to prioritize _____ devices or _____ adjusting _____ Quality of Service settings on _____?
 Need _____ maximizing _____ performance through _____ use _____ device _____ app prioritization?
 How _____ prioritize devices _____ others _____ QoS configuration?
 _____ setting up the QoS settings on _____.
 _____ instructions for _____ the _____ that I can prioritize my _____.
 _____ certain devices _____ others in quality of _____ on my routers?
 _____ would like to _____ to _____ up QoS _____ Router.
 _____ give priority to _____ or _____ do _____ set up _____ on my _____?
 I'd like to _____ prioritize certain devices _____ others _____ the _____ settings.
 I _____ like _____ how to set up Quality _____ Router.
 How _____ certain devices and _____ over _____ in the _____ settings?
 _____ want _____ know _____ to _____ QoS settings on my _____.
 I _____ help _____ up my _____ for _____
 Is _____ to _____ certain gadgets _____ programs by tweaking _____ Quality _____?
 The _____ Service _____ on _____ routers _____ be configured _____ give _____ to particular _____ applications.
 Is it _____ show me how I can use QoS _____ to _____ devices _____ others?
 _____ up Router's _____ Service _____ device _____ application
 _____ possible to _____ specific devices _____ applications by _____ the _____.
 I don't _____ how _____ prioritize _____ over _____ using _____ settings on _____.
 _____ to prioritize _____ gadgets or _____ by _____ the _____ of Service _____ my home _____?
 Can you _____ set up my routers _____ use _____ Service (QoS) _____?
 _____ set _____ QoS _____ my routers _____ preferred devices?
 Is there _____ devices _____ the Quality of Service _____?
 _____ a _____ help adjusting _____ settings _____ the routers for specific _____.
 _____ be able to give _____ to select applications and _____ you _____ me _____ on setting up QoS _____
 _____ it _____ to adjust my _____ settings to prioritize _____ devices over _____?
 _____ you have _____ for configuring _____ QoS settings _____ can _____ devices?
 Is it possible to prioritize certain _____ others _____ of _____ on _____
 _____ it _____ to _____ my routers _____ Service _____ prioritize certain devices?
 _____ can I _____ and applications are _____ others in the _____ of _____ settings?
 _____ you _____ me how _____ set up my _____ devices _____ others?
 _____ priority _____ specific devices or _____ need to _____ QoS.
 I _____ help configuring _____ router's quality _____ treatment
 Is _____ to _____ QoS for device _____?
 _____ there a way _____ my _____ Quality of Service _____ some _____?
 I'd _____ to know _____ there is _____ change _____ to prioritize.
 I'd _____ know _____ it's possible _____ change _____ QoS settings _____ my _____.
 Is it possible _____ give _____ to _____ and _____ my _____?
 _____ it _____ give _____ devices _____ over others in the _____ of service settings on my _____?
 I want _____ set _____ of _____ (QoS) settings for _____ of _____ applications _____ devices.
 _____ should I do _____ set _____ Service _____ routers and give priority to _____?
 _____ I set _____ my _____ to _____?
 It is _____ or _____ setting the QoS settings.
 _____ you teach me _____ use _____ of _____ to prioritize _____ devices over _____?
 If I _____ to _____ certain _____ applications _____ how _____ I _____ up my _____ of Service _____?

Is it ____ to ____ my router to prioritize some devices?
 ____ possible to ____ my router's Quality of Service ____ devices ____ applications?
 Is ____ to set the QoS for ____ devices ____?
 Is ____ for you ____ me how I ____ use ____ settings to ____ preference ____ devices and applications ____ others?
 Is ____ to adjust ____ quality of service ____ some devices or ____?
 Is ____ possible to adjust the ____ of ____ settings ____ my routers ____ over ____?
 ____ it possible ____ set ____ QoS ____ for ____ on ____ network?
 ____ it ____ to ____ some devices ____ apps by adjusting ____ Service ____ my router?
 ____ router's QoS priorities ____ that I ____ like ____ more about.
 I need ____ set ____ Quality ____ routers to prioritize.
 ____ there a ____ to ____ certain ____ by ____ the ____ on ____ internet connection?
 ____ do ____ set ____ QoS ____ the ____ prioritize desired apps?
 Is ____ certain devices ____ by ____ Quality of Service settings?
 ____ QoS configuration can ____ to assign priority ____ selected ____ and ____.
 Is it possible ____ prioritize certain gadgets ____ Quality ____ Service ____ my ____?
 It ____ prioritize ____ or applications by ____ QoS settings
 How ____ I set ____ quality ____ service ____ prioritize?
 ____ routers's QoS ____ that ____ want guidance on.
 There are ____ or ____ that should ____ prioritized over others ____ of service ____ my ____.
 ____ is help ____ in configuring ____.
 ____ up QoS prioritization?
 configuration ____ the ____ my ____ is ____ way to prioritize specific ____
 ____ do I ____ my devices?
 Setting ____ Router's ____ Service ____ device vs ____?
 Listen ____ can ____ get my routers to ____ what I ____ on ____ Service (QoS) ____?
 ____ do ____ get my router ____ prioritize ____ want on these ____ Service ____?
 How ____ prioritize certain devices ____ of ____ on my ____?
 I'm ____ for ____ setting up ____ QoS priorities.
 Is ____ possible ____ Quality of ____ settings ____ certain devices or applications ____ others?
 I would ____ to know ____ up ____ for specific ____ apps.
 ____ a ____ prioritize certain devices ____ in ____ of service?
 ____ need to ____ to set ____ on my Router.
 I ____ to ____ up ____ of Service on ____.
 ____ possible to prioritize ____ devices ____ others in ____ quality of ____ the ____?
 How can I ____ Quality of Service settings ____ certain ____?
 I would ____ to know if there's ____ to ____ routers to ____.
 How ____ I ____ Quality of Service settings to ____ over others?
 ____ set up QoS ____ of specific devices ____ routers?
 I'd ____ to know if there's a ____ QoS ____ to prioritize
 ____ possible ____ certain devices over ____ in the ____ of service ____ my ____?
 ____ I do if ____ to set up ____ (QoS) on my ____?
 I'd ____ to know if ____ can change ____ my ____ prioritize.
 Is it ____ priority for ____ my routers?
 Is it possible ____ devices ____ others in ____ quality ____ settings ____ a ____?
 ____ need to set up ____ of ____ my router in order to ____.
 ____ me ____ set Quality of Service (QoS) settings for prioritized ____?
 Is it ____ settings on my routers ____ applications ____ others?
 ____ you show ____ I can use Quality ____ to prioritize specific ____ and ____ others?
 ____ up the ____ quality ____ service priorities: ____ application.
 Is it ____ for ____ to ____ certain gadgets ____ tweaking the quality ____ on ____ routers?

What can _____ to give _____ to important devices _____ on _____?

Is it _____ me to prioritize _____ in the quality _____ service on _____?

How _____ you _____ QoS _____ thing over another?

Help _____ settings _____ the routers for specific _____

I _____ to give priority _____ specific devices _____ when setting up Quality _____ .

Setting _____ QoS _____ is _____ need guidance on.

Is _____ possible to _____ prioritize certain _____ or _____?

_____ would _____ to _____ how _____ set Quality _____ (QoS) _____ for prioritizing _____ or devices.

How _____ get my Router _____ prioritize what I want _____ the _____?

I would _____ be _____ to give priority _____ selected applications _____ as needed, if _____ could _____ about _____ up _____

_____ to prioritize _____ devices _____ the _____ settings.

Is it possible _____ set _____ QoS _____ particular devices?

Is there a way to prioritize _____?

The Quality of Service feature _____ routers should _____ configured _____ that _____ particular devices.

_____ there _____ way to _____ my _____ Quality of _____ settings _____ prioritize _____?

How _____ I _____ the stuff I _____ the Quality _____ settings to be prioritized _____?

Is _____ a _____ to give _____ some _____ others _____ my network?

I would _____ to be _____ to give priority to _____ devices _____ how to set up QoS _____ my _____ like _____ how _____ set the QoS on _____ router so that I can _____ .

_____ is help needed _____ QoS.

_____ devices based on the Quality of Service settings _____ routers?

I _____ use _____ (QoS) _____ my routers _____ specific devices and applications over others.

_____ to prioritize _____ applications over _____ in my _____ of service _____

I would like _____ know _____ to _____ up _____ a router.

How _____ I _____ Quality _____ Service _____ to _____ certain _____ or _____ over others?

_____ QoS _____ on my routers _____ configured _____ certain devices.

_____ how to _____ devices _____ apps over others _____ my router's QoS _____.

The QoS settings _____ my _____ can be configured to _____.

Is there _____ give preference to _____ and apps _____ the _____?

Can you show _____ use Quality _____ prioritize specific devices or _____?

_____ settings _____ my Router can be _____ to _____.

_____ it possible to _____ priority _____ certain devices/apps _____?

_____ am looking _____ suggestions on how _____ my _____ network's QoS settings _____ devices and _____.

_____ to _____ my _____ Quality _____ Service _____ prioritize certain _____.

_____ it possible _____ prioritize _____ devices or apps _____ the _____ of _____?

_____ I can get my router _____ I _____ on _____ Quality of Service settings.

Is there _____ prioritize _____ by _____ the _____ of service on my _____?

_____ I give _____ to certain _____ over _____ the _____ of service on _____?

What is _____ of _____ up _____ prioritized devices?

_____ get my router to prioritize what _____ want _____ quality of _____?

_____ it possible _____ adjust _____ of _____ priority to some devices?

Is _____ possible to prioritize certain _____ the _____ service _____ a routers?

I _____ like _____ be _____ to give _____ selected _____ devices if _____ could provide _____ on how _____ set up QoS _____

_____ for you to explain _____ I can _____ my router's _____ preference to certain devices _____ over _____?

What can I do to _____ certain _____ prioritized over _____ in _____ of service _____?

_____ it possible _____ prioritize certain gadgets _____ by _____ of _____ on my _____?

_____ up, how can _____ get _____ prioritize what _____ want on _____ Quality _____ settings?

_____ a way to _____ some devices by quality _____?

_____ need _____ for _____ settings _____ my _____ I can prioritize certain devices.

I _____ like _____ know _____ is a _____ to _____ certain gadgets or _____ tweaking _____ Quality _____ my routers.
 _____ up the router's _____ of _____ device vs _____
 _____ it _____ you to _____ how I _____ use _____ settings on my routers to _____ to _____ others?
 _____ for you to _____ me how _____ use QoS _____ to give _____ particular _____ or applications?
 Is _____ possible _____ prioritize _____ over _____ the quality _____ settings on my _____
 _____ there _____ way _____ use _____ quality of service _____ to _____ ?
 _____ should I _____ in order _____ give priority _____ specific _____ setting _____ Quality of _____ (QoS)?
 _____ to _____ able to give _____ to certain _____ devices _____ could give me _____ how _____ set up _____ QoS
 parameters
 Is _____ to set _____ Quality of _____ to _____ certain devices?
 _____ my _____ Quality of Service to _____ certain devices?
 _____ set up _____ system to _____ devices on my routers?
 _____ it possible to prioritize _____ Quality of _____ ?
 _____ there anything _____ can do _____ QoS settings _____ network better _____ certain devices and _____ ?
 _____ you _____ advice _____ of _____ (QoS) settings to prioritize certain _____ ?
 I'm _____ for suggestions _____ how to _____ home network's _____ certain devices and _____ .
 Is _____ prioritize _____ applications _____ in _____ quality _____ service settings _____ my router?
 _____ it possible _____ you to _____ to _____ how I _____ use my _____ QoS _____ to _____ others?
 How do _____ get my router _____ priority _____ I _____ the _____ Service settings?
 _____ a way to arrange the _____ service _____ device _____ ?
 I _____ figure _____ how _____ prioritize _____ applications _____ others in _____ router.
 _____ would _____ to know _____ set the QoS settings _____ so _____ I can _____ certain _____ .
 _____ it _____ how I can use _____ QoS settings to give _____ to _____ or applications?
 How _____ set _____ Quality _____ (QoS) on my router _____ order to _____ priority _____ specific _____ and _____ ?
 _____ it possible for _____ prioritize _____ gadgets _____ programs _____ of _____ on my routers?
 I want to give _____ to _____ devices and _____ setting _____ my router.
 How _____ you make _____ favor _____ over _____ else?
 Are _____ to _____ me with setting _____ routers _____ prioritize _____ over others?
 _____ you tell _____ if _____ is _____ up a _____ settings on a _____ ?
 _____ show me how _____ Quality of _____ settings _____ my _____ and applications _____ others?
 _____ can _____ make sure _____ or _____ are prioritized over others in the _____ service _____ ?
 _____ are _____ prioritize specific _____ or applications using _____ settings.
 _____ give preference _____ devices _____ over _____ is _____ possible _____ you to explain how I _____ the _____
 settings on
 I _____ like _____ know _____ is a way to _____ settings on _____ to prioritize.
 There is _____ for _____ with _____ QoS on _____ router.
 _____ it _____ prioritize certain _____ quality _____ service settings?
 _____ way to set _____ of _____ settings to _____ certain _____ over others?
 Setting up QoS preferences to _____ devices _____ I am _____ .
 Is _____ possible _____ prioritize certain _____ devices _____ the quality of _____ on _____ router?
 I'd like to know _____ possible to _____ the _____ my _____ prioritize.
 _____ Quality of Service is _____ to _____ devices/apps.
 _____ there a way _____ my router's _____ of _____ certain devices?
 How _____ I set up _____ to _____ devices?
 _____ do _____ make the _____ QoS _____ favor certain _____ ?
 Setting _____ QoS priorities is _____ I'd _____ to know _____ .
 Is _____ a _____ certain gadgets by _____ Quality of _____ router?
 How _____ I _____ my routers _____ give priority _____ want _____ the Quality of _____ ?
 I want _____ set up _____ preferences targeting desired _____ apps.
 How _____ Quality _____ be _____ on a routers to give _____ particular _____ ?
 _____ it possible to prioritize _____ over _____ in _____ service _____ on _____ network?

How do _____ the settings _____ my routers _____ ?

_____ possible _____ to select applications and devices if _____ instructions _____ to _____ up QoS parameters?

_____ up routers's _____ or application

Is there _____ way _____ priority to _____ on _____ routers?

Is it possible _____ prioritize devices over others _____ quality _____ on _____ ?

Is there _____ way to _____ Quality _____ Service settings _____ prioritize _____ ?

Is it possible _____ the _____ on _____ network's routers _____ that _____ devices _____ preferred _____ ?

Is there _____ prioritize _____ devices/apps _____ my Router?

Can you _____ how to _____ Service _____ to _____ specific _____ and applications over others?

How can _____ quality of service _____ be _____ ?

Is it possible _____ my Router's Quality of _____ settings _____ ?

_____ the QoS _____ on my _____ is a way _____ prioritize _____

_____ to _____ devices or _____ by _____ the _____ settings.

configuration of the _____ settings _____ is a _____ prioritize

_____ need _____ my routers's _____ for preferential treatment.

_____ me how _____ Quality of Service _____ settings to prioritize _____ over _____ ?

_____ it _____ to prioritize certain _____ applications _____ of service _____ ?

How _____ QoS _____ preference?

Can _____ to _____ to _____ of _____ (QoS) _____ to prioritize _____ devices over others?

_____ do I _____ sure _____ or _____ are prioritized _____ router?

_____ of the _____ settings on _____ routers is _____ to _____ specific _____ or _____

Is _____ possible for _____ explain how _____ the QoS _____ to certain devices or applications over others

Is it possible _____ you _____ me how I can _____ the QoS settings _____ applications?

_____ should _____ set _____ QoS to _____ specific _____ ?

_____ to _____ if _____ a way to change the _____ on _____ router.

_____ possible to prioritize _____ or _____ by _____ the Quality _____ Service _____ ?

Can you tell me if _____ set up _____ ?

Is it possible to prioritize _____ devices _____ ?

_____ guidance for setting _____ the routers's _____.

_____ possible to set _____ QoS _____ prioritization _____ devices on my _____ ?

_____ in need of information about _____ QoS _____.

_____ have _____ about how to _____ and _____ on my routers.

_____ it _____ to _____ how _____ the QoS settings on my router _____ certain _____ or applications _____ others?

_____ help _____ for _____ routers's QoS.

I _____ configuring _____ router _____ prioritization.

Is _____ possible to _____ QoS _____ devices or applications?

How do I _____ up _____ devices and _____ ?

I _____ to know _____ to _____ preferences _____ devices or apps.

Is it _____ QoS _____ router for specific devices?

Is _____ for you to explain to me how _____ can _____ in order _____ devices _____ applications?

_____ up QoS to _____ certain devices?

Is there a _____ to _____ or _____ my routers?

How _____ modify my _____ Service to _____ certain _____ ?

Is there _____ to prioritize certain _____ in the _____ of service _____ ?

_____ there a way _____ of Service settings to _____ and apps?

_____ want _____ know _____ you _____ instructions for _____ QoS _____ so _____ can prioritize certain devices _____ applications.

_____ it _____ to _____ QoS preferences specifically _____ desired devices _____ ?

How do _____ router _____ one _____ over _____ ?

Is _____ a _____ the quality of _____ on _____ routers?

Is _____ way _____ preferred devices _____ with QoS?

_____ know _____ there is a _____ to prioritize certain gadgets _____ tweaking _____ Quality of _____ on _____ router.

How _____ you _____ a network _____ favors _____ things over _____?

I _____ question _____ how to _____ on my _____.

_____ is a need _____ guidance on _____ QoS _____.

I need _____ setting up _____ router's QoS _____.

Can you tell me _____ up _____ of _____ (QoS) _____ for prioritization _____?

Is it _____ for you _____ tell _____ can _____ router's _____ settings to preference _____ or _____ over others?

Is it _____ to _____ priority to _____ routers?

_____ up routers's QoS _____ is something I _____.

How _____ modify _____ router's Quality _____ to prioritize _____ devices.

I _____ up QoS _____ targeting _____ devices or apps.

It's _____ prioritize specific devices _____ by _____ the QoS _____.

_____ should _____ arranged for _____

_____ help _____ myRouter _____ specific prioritization

Is _____ possible to give priority to certain devices _____?

I would like to be _____ to give _____ to _____ devices if you _____ how _____ set up _____ QoS _____

How can _____ get _____ stuff I _____ Quality _____ settings _____ be prioritized by my _____?

How should _____ Quality _____ feature on _____ be _____ preference _____ particular applications?

_____ set _____ QoS on _____ router?

Can you explain to _____ to use _____ settings to _____ devices and applications _____?

Is _____ you _____ how I can use _____ settings _____ preference _____ devices or applications?

Is _____ possible for _____ to explain to me _____ I _____ to _____ or applications over others?

My router's QoS configuration _____ be _____ to _____.

I need _____ with maximizing network performance _____ prioritization

How can I _____ of _____ settings _____ certain devices?

_____ would like _____ know if there _____ a way _____ on my routers _____ prioritize.

Are _____ able _____ me _____ setting the routers to _____ certain _____?

I need help _____ up _____ router.

_____ for configuring my routers _____ I _____ certain devices.

How _____ I _____ quality of service _____ to prioritize?

_____ tell _____ how to prioritize _____ applications _____ in the _____?

_____ have a _____ about how _____ on my routers.

Is there a _____ to _____ certain _____ by tweaking _____ of _____ my _____?

_____ can _____ my router _____ I want on _____ Quality _____ settings?

_____ want _____ if I can use _____ QoS settings _____ devices.

Can you tell _____ use _____ Service settings to _____ devices _____ others?

Is _____ for _____ to explain how _____ the _____ my _____ preference certain devices or applications over _____?

Is _____ a _____ to prioritize _____ devices _____ applications _____ my _____?

_____ you _____ the _____ QoS favor _____ things _____ others?

_____ you know _____ to _____ Service _____ for priority _____ applications or devices?

_____ want to know _____ is _____ way _____ QoS settings on my _____.

_____ up _____ QoS _____ is _____ I am looking for _____.

_____ help _____ configuring my _____ QoS.

_____ you _____ how to set Quality of Service _____ settings so _____ applications?

_____ you to _____ how I _____ use QoS settings in order to give _____ or applications _____?

customizing my _____ quality _____ to _____ certain _____ apps

I _____ to be _____ to selected _____ if you can give _____ on _____ to set up _____ parameters _____ my _____

_____ set _____ my router _____ devices and apps?

_____ it possible _____ certain gadgets or programs _____ of _____ on myRouter?

I would _____ to _____ how _____ up _____ settings _____ my routers _____ I can prioritize.

Can _____ give me _____ so _____ I _____ my devices and applications?
 _____ you _____ instructions on how _____ parameters _____ that I can _____ priority to _____ devices?
 _____ it _____ to adjust _____ Service _____ certain devices or apps?
 Is _____ for _____ to me how I can _____ my QoS _____ to preference _____ applications _____ others?
 I _____ configuring _____ router's _____.
 I need _____ configuring _____ routers's _____.
 I would _____ be able to _____ priority to _____ applications _____ could _____ instructions on setting _____ quality of service _____
 Is _____ to prioritize gadgets _____ programs by _____ of _____?
 How do _____ router _____ prioritize?
 Can _____ tell me how _____ Quality of Service (QoS) _____ devices _____ over others?
 _____ to know _____ there's _____ way _____ change my router's settings _____.
 _____ it possible _____ set _____ QoS for _____ on my _____?
 How _____ my routers _____ I want _____ the _____ of service settings?
 I _____ like _____ be able to _____ priority to _____ applications and devices if you could _____ on _____.
 _____ need help configuring my _____ for _____
 Is _____ change _____ settings _____ my _____ network's _____ so that some devices get _____ treatment?
 I need _____ how to _____ to _____ setting _____ QoS parameters on my routers.
 _____ possible to give _____ certain _____ or _____ my routers?
 How _____ get my router to _____ want _____ Quality of Service _____?
 _____ like _____ be _____ to give priority _____ and devices _____ needed if you _____ provide _____ on _____ QoS parameters on _____
 Is _____ you to tell me how I can _____ router's QoS settings _____ preference _____ devices _____?
 _____ it possible to _____ Quality of _____ on _____ routers to _____ certain _____.
 How can _____ prioritize certain devices _____ settings?
 _____ possible to _____ QoS on my _____ prioritize.
 Is _____ for you to _____ how _____ settings to give _____ certain devices _____ over others?
 How _____ up _____ of Service _____ in _____ to give _____ to _____ devices and applications?
 _____ need instructions on _____ up QoS _____ my routers _____ that _____ give _____ selected applications.
 _____ help setting up my routers _____ settings _____.
 _____ quality of service settings to prioritize my _____?
 How _____ I set _____ of _____ on _____ routers, _____ give priority to _____?
 Listen _____ get my router _____ prioritize what _____ want _____ the _____ Service settings?
 I want _____ know if there is a _____ prioritize _____ by tweaking _____ on my _____.
 Do you _____ to arrange _____ router's _____ device _____?
 _____ QoS settings _____ my router _____ be _____ certain devices.
 How _____ set _____ for _____ of specific _____?
 _____ like to be _____ to _____ priority to select _____ and _____ offer instructions _____ setting _____ QoS parameters.
 _____ should I _____ about _____ my router's QoS _____ and _____ needed?
 _____ can I _____ Router to _____ want _____ the _____ of Service?
 _____ set _____ QoS settings for preferred _____?
 Is _____ possible _____ by tweaking the Quality of _____ on _____ network?
 Is it possible _____ explain to _____ how I can _____ QoS settings _____ preference _____ devices or _____?
 _____ like _____ know _____ you can _____ me set router _____ to _____ applications _____ others.
 I _____ to be _____ priority _____ and _____ if _____ could give me _____ on how _____ up QoS parameters on
 I want to _____ Quality of _____ on _____ router and _____ devices _____ applications.
 _____ would like to _____ to _____ priority to _____ and devices _____ you could _____ me instructions _____ setting up _____ QoS

 How can I ensure _____ on _____ routers?
 Is _____ a way to arrange _____ for _____?
 Is _____ way _____ certain devices or _____ in the Quality of _____?

Is ____ possible to ____ QoS ____ home ____ routers to ____ certain devices?
____ the ____ to set up ____ Service ____ routers and give priority to ____ devices?
How ____ I ____ inrouter-Qos when I ____?
Can ____ tell me how to set up Quality ____ (QoS) ____ for ____ of ____?
____ modify ____ Router's Quality ____ through ____ certain devices?
____ can I use quality of ____ to ____?
Do ____ have ____ on configuring ____ to prioritize specific applications or ____?
Is there a ____ to ____ or applications ____?
How ____ prioritize devices over ____ using ____?
Is ____ a way ____ arrange the ____ preference?
____ a need ____ adjusting the ____ settings on ____
____ can I set ____ (QoS) settings to ____ some ____ others?
____ possible for you to ____ how I can use the ____ to give ____ devices or applications?
____ it possible to give priority ____ some ____?
Is there ____ me about configuring Quality of ____ settings to ____ devices?
Do ____ if it's ____ to set ____ QoS ____ devices?
____ I make ____ prioritize devices ____ apps?
Is it ____ to ____ devices ____ applications ____ my routers?
____ to use Quality ____ Service (QoS) ____ to ____ my ____ and applications?
Is ____ to prioritize ____ devices over others ____ quality of service ____?
____ possible ____ you to ____ can use ____ to give preference to ____ devices or ____ others
____ my ____ Quality of ____ to ____ certain devices/apps?
____ I ____ about configuring my router's QoS ____ and ____ status ____?
Is ____ to set ____ of ____ on my routers to ____ certain ____ others.
____ you know ____ can ____ up Quality ____ Service on ____?
Is it possible ____ certain devices ____ quality of ____ my router.
It's possible ____ set the QoS ____ prioritize.
____ you explain to ____ use Quality of Service ____ settings ____ devices over ____?
____ I ____ certain devices ____ in the quality ____ service ____ on ____ Router?
Tailoring my ____ of Service ____ devices/apps.
____ want to ____ way to prioritize certain gadgets by ____ Quality of Service ____.
How ____ you make ____ some?
____ it ____ to prioritize certain ____ by ____ Quality of ____?
I want ____ if ____ can ____ my QoS ____ prioritize specific ____.
____ certain ____ and applications be prioritized over ____ in the ____ of ____ routers?
Can you show ____ Quality of Service ____ to prioritize ____ devices?
