

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Weak signal strength
Description	Customers encountering weak or fluctuating signal reception, causing dropped calls, poor call quality, or reduced data speeds.
Data Size	5,010 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

How ____ optimize ____ improve ____ and minimize dropped calls on ____ network?

How do I ____ my reception ____ how ____ limit the ____ ____?

____ device ____ and reduce calls?

How to ____ connection, ____ dropped ____?

I ____ device settings ____ get ____ reception ____ fewer dropped calls.

____ need ____ enhance ____ for better reception and ____ calls ____ your ____.

Is it possible ____ settings ____ my ____ to improve ____?

____ signal strength ____ reducing ____ on your network?

____ you ____ me how to ____ gadgets ____ I get ____ and ____ conversations?

____ looking for ____ boost ____ and reduce calls.

____ do I improve my ____ as ____ the ____ dropped calls?

How ____ I ____ device ____ for better ____?

What ____ can I ____ improve my reception and ____ dropped ____ ____?

How ____ improve network quality and ____ down ____?

How can I ____ make ____ not get dropped calls?

How ____ I ____ the number of ____ and improve ____?

How can I adjust ____?

How ____ I boost ____ and ____ my ____ from ____ your network?

Can you ____ device to reception ____ call quality?

I ____ to ____ if you ____ my ____ settings ____ reception ____ calls.

____ better enhance network quality ____ cut ____ on ____ calls?

Are you ____ out how to ____ stop the ____ calls on ____ network?

____ you ____ any advice ____ my phone's connection ____?

____ make ____ reception ____ less ____ calls?

____ do ____ improve my reception ____ of calls that are dropped?

____ you ____ to maximize signal quality ____ reduce call ____ my device ____?

I ____ to enhance ____ for better ____ and ____ calls ____ network.

____ increasing reception and reducing dropped ____ network?

I want to know ____ boost ____ drops.

Is ____ improve my ____ settings for less ____ on your ____?

Am I ____ to ____ ____ reduce ____ calls?
 ____ have any advice on improving ____ or ____?
 ____ me a ____ simple tips ____ improve reception ____ reduce dropped ____?
 I ____ settings to ____ that ____ on your network.
 Is there any way ____ call drops?
 ____ should I ____ signal quality ____ call failures?
 Is it ____ to improve ____ and ____?
 ____ tell me what ____ settings ____ reduce dropped calls?
 Can ____ me ____ change my device ____ get ____ and ____ goodbye conversations?
 ____ fix for better reception ____ dropped calls on ____?
 ____ improve network ____ and ____ down ____ calls that ____ dropped?
 ____ you fix my ____ give ____ better reception?
 Is ____ possible to change ____ dropped calls ____ your network?
 ____ boost my reception and stop ____ calls ____ your ____?
 ____ steps ____ take to ____ better ____ less dropped calls ____ my ____?
 How ____ I ____ reception ____ avoid ____?
 Is there a ____ my device ____ reception ____?
 Can I ____ reception or ____?
