

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Meter reading discrepancies and concerns
Inquiry Sub-Category	Meter reading history discrepancies
Description	Customers identify inconsistencies in their meter reading history, leading to inquiries regarding correct billing and usage records.
Data Size	9,210 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ possible that _____ tampered with or manipulated our _____ to inaccurate _____ recorded?

Could _____ inaccuracies _____ our _____ consumption data be related _____ being _____?

Is _____ possible _____ changed _____ records on _____ gas _____?

Was the gas _____ with _____ the _____ recordings?

Did _____ cause _____ gas _____ wrong?

_____ attempt to _____ data from the gas _____?

_____ able to _____ if _____ gas _____ figures were _____ due _____ meter tampering _____ manipulation?

Perhaps someone _____ meters?

Is _____ possible that inaccurate _____ due _____ the gas _____?

Is _____ possible that someone manipulated _____ years?

_____ it _____ that _____ recordings _____ due _____ meters _____ tampered with?

_____ have _____ with the _____ meters.

_____ to blame for _____ due to gas meters _____?

Is the _____ reported _____ history _____ or manipulation on _____ gas meters.

_____ meters tampered with to cause _____?

There _____ that _____ historical _____ could be faulty due _____ gas _____ system.

Is _____ that our gas meters _____ tampered _____ historical data?

_____ possible a _____ with _____ gas meters and _____ our _____ data?

Did somebody pull a _____ the gas _____ recordings' _____?

Is the historical record _____ our _____ accurate _____ to _____ possibility of _____ gas meters?

Potential manipulation of the meters _____ blame for _____ past gas _____.

_____ anyone alter _____ cause incorrect readings?

It's _____ the gas meters and ruined the _____ data.

I'm _____ if _____ of your employees _____ with our _____ messed up _____ records.

Have _____ historical records _____ our _____ raised _____ due to _____ tampering _____ the _____ meters?

The _____ recordings _____ the gas _____ might _____ been _____.

It's possible that _____ leading to incorrect _____ data being _____.

Did anyone alter _____ gas meters _____ incorrect _____?

_____ is possible that _____ readings _____ been _____ to incorrect historical _____ being recorded.

Did someone _____ records wrong _____ tampered gas _____?

_____ the _____ for our _____ meters tampered _____?

Is the accuracy of _____ by _____ interference _____ on the _____ meters?

Is _____ meters _____ with causing _____?

Is _____ possible that our _____ usage _____ were compromised _____ tampering _____?

The accuracy _____ reported _____ may be impacted _____ unauthorized _____ our gas _____.

_____ gas _____ been tampered with, _____ historical _____?

_____ our _____ meters have been _____ to create _____ records?

Someone _____ tampered with the _____ meters _____ readings over _____.

_____ have been tampering with _____ gas usage _____.

Did someone alter _____ past _____ data _____ meters?

_____ the _____ in _____ past _____ consumption data be _____ to _____?

_____ gas meters could _____ altered to _____ their _____.

_____ there _____ that someone has altered our _____?

_____ possible that _____ gas _____ readings have been _____?

Is _____ to _____ the incorrect readings _____ the _____?

_____ data _____ have been _____ gas _____ being tampered with.

Had _____ gas _____ to _____ incorrect readings?

_____ accuracy _____ the reported usage _____ by _____ interference or _____ the gas meters.

Did _____ attempt to alter _____ meters?

I wonder if someone _____ usage _____ the gas _____.

_____ be _____ that our gas _____ readings have been compromised, _____ incorrect _____ to _____.

Is _____ that _____ gas _____ have been _____ with, _____ to incorrect historical _____ being _____?

Is _____ possible _____ gas usage _____ have been altered due _____ tampering or _____?

It _____ that someone altered _____ influenced _____ readings.

Can _____ data _____ our gas meters?

_____ a _____ history data being wrong because _____ meter _____.

It's _____ that _____ skewed _____ gas _____.

_____ be _____ that our gas meter _____ been messed _____.

_____ know whether _____ historical _____ figures may have been compromised _____ meter _____ or _____?

Is anyone responsible _____ records _____ by _____ meters _____ manipulated?

_____ to _____ for incorrect readings of _____?

_____ possible that _____ played _____ with _____ meters.

_____ possible _____ our _____ gas usage figures might have been _____ of meter _____?

It's _____ that a _____ messed _____ gas meters and _____ the _____.

Do you _____ whether _____ usage _____ been compromised due _____ meter tampering _____?

_____ do _____ to the gas _____?

gas _____ be impacted _____ interference.

_____ of tampering with the previous _____ usage _____?

Did _____ with _____ gas meters _____ lead _____ incorrect usage _____?

Did anyone tampering _____ our _____ to incorrect _____ figures?

_____ the potential of gas meters _____ manipulated _____?

The _____ were wrong _____ tampered _____ gas readings.

_____ gas _____ have been _____?

The gas _____ have been _____.

Is it possible _____ have _____ the _____ readings?

_____ anyone _____ for flawed _____ from _____ gas meters?

_____ meters been _____ resulting in _____ historical records?

_____ manipulation _____ the meters _____ blame for _____ inaccurate _____ consumption _____ from the _____.

Is it possible _____ tampered with our gas meters _____ create _____?

_____ it _____ an individual _____ change _____ accuracy of _____ gaz-meter _____?

_____ that someone _____ our gas _____ readings?

Is there a chance someone _____ up _____ data _____?

Did _____ skew _____ gas _____ data?

It is _____ that _____ are _____ tampering with gas _____.

Did _____ the _____ meters?

Have _____ historical records _____ our consumption raised _____ the _____ tampering _____ gas _____?

I wonder if someone altered _____ our _____.

Did _____ mess _____ gas meters?

Is _____ possible _____ someone tampered _____ our _____ meters _____ make _____ data _____?

_____ historical recordings _____ be affected _____ the gas _____ with.

There may _____ tampering with _____.

_____ a no-good _____ messed _____ gas _____ and wrecked our historical data.

Did _____ mess with _____ meters and _____ incorrect _____?

We are _____ with _____ records, _____ with the _____ meters.

Did _____ incorrect _____ our gas _____?

_____ tampering with our _____ incorrect historical usage _____?

_____ with _____ meter accuracy?

The _____ meters might have _____ monkeyed with _____.

_____ incorrect _____ to meter tampering

Could the inaccuracies in _____ data be due _____ being _____?

_____ it _____ inaccurate recordings are _____ to _____ meters _____ changed?

_____ have pulled _____ fast one _____ recordings of the _____ meter.

We were _____ bogus records because someone _____ with _____.

Can we _____ of gas meters?

Is it possible that inaccurate _____ to our _____?

_____ chance that the previous gas _____ have been _____?

_____ the old usage info _____ the _____ tampered _____?

Have _____ the _____ meters to _____ readings?

It is _____ a _____ with _____ gas meters and wrecked our _____.

_____ tampered gas _____ could _____ data.

Someone _____ have _____ the gas _____ to _____ usage.

It's possible that our gas meter readings _____ historical data _____.

Is _____ possible that our gas _____ have _____ way?

_____ our gas meters tampered _____ resulting in _____?

_____ meters could _____ tampered _____ affecting historical _____.

_____ it was _____ knucklehead who messed _____ gas _____ and _____ the _____?

Did anyone _____ changes _____ data _____ the gas _____?

Is it _____ someone changed or influenced _____?

Is _____ the gas _____ with to _____ inaccurate historical data?

_____ got all _____ statistics hanging _____ someone messed with _____ gas meters.

Any chance _____ a _____ on us _____ gas meter _____ accuracy?

Is anyone _____ data _____ from _____ meters?

_____ inaccuracies _____ our past _____ consumption _____ related to manipulation _____ the _____?

_____ gas _____ recorded data?

The _____ of _____ meters could _____.

Was it possible that someone _____ tampered _____?

Have there _____ with the gas meters _____ to _____ usage _____?

Is it possible _____ gas _____ figures _____ been compromised _____ meter tampering _____?

The gas meter readings could have _____ leading to _____.

Have _____ meters been _____ with, _____ historical _____?

_____ possible that someone _____ affect _____ the _____ of our historic _____?
 _____ the _____ altered to _____ records incorrect?
 _____ it _____ with the _____ meters to record _____ historical data?
 Did _____ alter _____ ruin old usage _____ on the _____?
 _____ the _____ in the _____ consumption _____ be related to the _____?
 _____ if it was possible for _____ our _____ meters.
 It's _____ that _____ pulled a _____ us _____ the _____ meter recordings.
 There is _____ that _____ may _____ tampered _____ the _____ meters.
 Is it possible _____ the past _____ consumption _____ is inaccurate due _____?
 _____ have _____ false readings from _____ meters _____ the past.
 _____ anyone cause a _____ the _____?
 _____ you _____ if the historical _____ figures _____ have been _____ due to _____ tampering _____?
 _____ with the data on the _____?
 _____ gas _____ may have _____ cause inaccurate data.
 _____ there a _____ of tampering _____ gas _____ numbers?
 Do _____ know _____ someone _____ meter systems and _____ in faulty _____ data _____?
 Did anyone _____ with _____ meters, _____ could have caused incorrect _____?
 The _____ meters _____ manipulated, leading _____ false _____ collection.
 _____ anyone _____ the _____ now we are stuck _____ bogus _____?
 _____ change _____ usage _____ on _____ gas readers here?
 _____ accuracy of _____ may be impacted by _____ with our _____.
 _____ pulled a _____ one _____ us concerning _____ meter recordings?
 Someone can _____ messed with _____.
 _____ possible _____ might _____ manipulated our _____ meters.
 _____ problem with _____ meters leading to flawed _____ recording?
 Did _____ incorrect readings with _____ meters?
 Was there a _____ of _____ with _____ gas _____?
 _____ stuck with bogus records, because _____ with _____ meters.
 _____ with _____ gas meters _____ incorrect records?
 _____ could be _____ with _____ meter _____
 There _____ interference in _____.
 There _____ be _____ meter accuracy.
 _____ it possible that _____ were skewed by _____?
 _____ it _____ us _____ consider that someone influenced _____ readings?
 Is _____ accuracy _____ reported _____ history affected _____ interference _____ meters?
 _____ could be manipulation _____ meter _____.
 Is _____ someone tampered with _____ meters _____ ruin _____ historical data?
 _____ it's possible that _____ skewed _____ meter readings.
 Is _____ possible that a _____ with?
 _____ with bogus _____ because the gas meters _____.
 _____ anyone pull _____ us _____ the accuracy of the _____ meter _____?
 Is _____ meters tampered _____ resulting in _____?
 _____ anyone tampering _____ the gas meters _____ incorrect historical _____?
 _____ it possible _____ gas records?
 Is _____ responsible for messed _____ meters _____ data?
 _____ that folks fiddled _____ our _____.
 Is _____ able _____ alter _____ accuracy _____ our historic gaz-meter _____?
 Is it possible that _____ tampered with _____ cause _____ wrong _____?
 Might someone have messed _____ meters _____?
 Is _____ a way _____ by manipulating the gas meters?

_____ be _____ someone to mess _____ the meters _____ create _____ information?
_____ that _____ with the _____ meters _____ messed up the history?
Someone might _____ gas _____ usage _____.
_____ possible that historical gas usage _____ been _____ to _____ tampering or _____?
_____ anyone _____ with the _____ meters _____ to _____ bogus records?
I _____ messed with _____ gas _____ and caused _____ records.
There could be _____ gas _____.
_____ you guys considering if _____ tampered _____ meter systems and _____ historical _____?
Is _____ that _____ tampered _____ gas meters _____ record incorrect _____ data?
Someone _____ been _____ the gas _____.
_____ gas meters might _____ manipulated to _____ false _____.
_____ it possible that _____ individual _____ interfere _____ the _____ the _____ gaz-meter _____?
_____ could have been _____.
Is it _____ someone has _____ gas meters _____?
Perhaps _____ manipulated _____ meters?
_____ anyone to blame for the _____ historical _____ with _____?
_____ someone tampered _____ gas _____?
_____ anyone _____ the _____ for _____ meters in the _____?
Is _____ data collection _____ to gas meters _____ manipulated?
_____ with _____ because someone messed with the _____.
The gas meters _____ been manipulated _____ incorrect _____.
_____ it possible that _____ usage figures may have _____ compromised _____ of meter _____?
_____ it possible _____ gas _____ have been tampered _____?
_____ the _____ are inaccurate _____ to gas meters _____ manipulated?
Gas _____ been tampered with _____ affect recorded _____.
It _____ possible that _____ tampered with _____ meters _____ readings over _____.
The history of the _____ might _____.
Is it possible _____ had _____ our _____?
Is it _____ consider someone _____ or influenced our gas _____?
Have our _____ meters been tampered _____ causing _____?
_____ was possible _____ someone to cause _____ data with _____.
Is _____ gas meters tampered _____ recorded _____?
Possibly, the _____ been tampered _____.
_____ anyone _____ the _____ our gas _____?
Did someone _____ gas _____ past _____?
_____ it _____ chance that someone tampered _____ the _____?
_____ anyone rigged _____ gas _____?
Could the _____ in _____ be related _____ the meters being _____ with?
_____ possible _____ inaccurate _____ consumption data is _____ of a _____ of _____ meters?
_____ chance _____ pulled _____ fast _____ regarding the gas meter recordings.
_____ it possible _____ the recorded _____ due to _____ with our gas _____?
Over _____ meters may have been _____.
_____ it conceivable that someone has _____?
_____ anyone _____ the gas _____?
_____ anyone _____ gas meters _____ to incorrect _____ usage statistics?
Someone _____ accuracy of _____ historic gaz-meter _____.
Is the potential for gas _____ historical _____?
Someone _____ past usage data on the _____.
Any _____ someone _____ our gas meters, giving _____?
_____ possibly _____ the _____ the historic gaz-meter readings.

Is _____ tampered _____ causing inaccurate _____?
 _____ it likely that someone skewed _____?

Did _____ gas _____ cause incorrect readings?

Is _____ possible _____ usage figures may have been compromised because _____?
 _____ that someone _____ to the gas meter?
 _____ with _____ gas meters? _____ have bogus records.

It _____ gas meters have _____ tampered _____.

The _____ recordings could _____ by _____ tampered with _____ meters.
 _____ a possibility _____ has tampered with our _____.

Is it _____ that someone _____ or _____ the _____ to cause _____ time?
 The _____ might have been _____.

_____ there _____ chance of _____ with _____ previous data _____ use?
 _____ recorded historical _____ may be _____ due to _____ with the _____
 _____ someone interfered _____ our _____?

Is it possible that _____ or alter the _____ readings?
 _____ it be _____ someone _____ mess _____ meters _____ make inaccurate historical _____ record?

Was _____ possible for _____ alter _____ meter?
 _____ it _____ that someone _____ with our gas _____ inaccurate historical data?

Our _____ meters were _____ with _____ data was _____.

_____ gas meters tampered with _____ manipulated, _____ inaccurate _____?
 _____ possible _____ a _____ messed with _____ gas meters _____ damaged our _____?
 _____ is _____ that _____ meter readings may have been compromised, _____ data _____ recorded.
 _____ accuracy _____ reported _____ history may be _____ unauthorized interference _____ meters.
 _____ mess with _____ gas _____ could have led to _____ statistics?
 _____ manipulation _____ meters might affect _____.

Is _____ historical _____ flawed _____ with the gas metering _____?

Have _____ our gas _____ to flawed usage records?

Is it possible that _____ recordings _____ be due _____?
 _____ could have been _____.

It's possible _____ tampered _____ causing incorrect _____ over time.

Is it possible _____ gas _____ cause the wrong _____ over time?
 _____ it _____ that our gas meters were _____ data inaccurate?

Maybe someone _____ with the _____ with _____ historical data.

Is it possible to _____ or influenced _____ gas _____ readings?

Is _____ manipulating the _____ meters _____ data collection?
 _____ accuracy _____ our historic gaz-meter readings _____ potentially be interfered _____.

Is _____ responsible _____ causing incorrect records _____ gas _____?

Did _____ the history _____ gas _____?

_____ it possible _____ our _____ meters to record _____ data?

Is it _____ messed _____ the _____ data _____ our gas _____?
 _____ possible _____ had skewed gas _____ readings?

Is it possible _____ somebody _____ the _____ to _____ readings?
 _____ someone tampered _____ gas _____ or manipulated _____ cause _____ over time.
 _____ a way _____ cause inaccurate data _____ meters?

Has anyone tampered _____ old usage _____ gas readers?

Is it _____ our gas _____ been _____ with, leading _____ historical _____ recorded?

Is _____ a _____ that the _____ meters _____ with?

Someone might _____ fiddled _____ our _____ records _____ changing _____.

Do _____ historical gas usage figures _____ due to meter tampering?

Is anyone _____ gas _____ to cause false _____?

Is ____ manipulating the ____ get ____ data?
Is ____ possible that someone ____ or influenced ____ of ____?
I ____ if ____ the gas ____ to ____ readings.
It's ____ that ____ with ____ meters ____ create ____ historical data.
____ accuracy of reported ____ might ____ with our gas meters.
Someone may ____ the ____ the gas meters.
The accuracy of reported ____ history may be ____ unauthorized ____ meters.
Is ____ possible that ____ meters have ____ altered ____ recorded ____?
Are you thinking ____ if ____ tampered ____ systems ____ in ____ data recordings?
The recorded data could have ____ meters.
Is ____ a chance of ____ previous ____ usage ____?
____ you considering if ____ messed with our ____ systems and ____ historical ____?
Did ____ mess with the ____ meters that could ____ to ____?
The ____ meters could ____ manipulated to ____ to ____.
____ if ____ messed with ____ meters?
____ gas meters ____ and ____ we have all these inaccurate ____ on ____.
Is the accuracy of the historical ____ our ____ with the ____ meters?
Could an ____ possibly affect the ____ readings?
____ anyone have ____ our gas ____?
Can we consider ____ changed ____ influenced ____ gas ____?
____ meters may ____ been tampered with ____.
There is ____ a fast one on ____ gas ____ recordings.
Could any potential manipulation ____ meters be ____ the past ____ data ____?
____ wonder ____ individual could ____ alter ____ accuracy of our ____ gaz-meter ____.
Maybe ____ meter readings have ____ compromised, ____ incorrect historical data ____?
Was ____ alter the data on our ____ meters?
Maybe someone tampered with the ____ meters and ____?
____ accuracy of ____ gaz-meter ____ be interfered with ____ individual.
Have ____ our ____ raised ____ concerns ____ to the possible tampering ____ the gas ____?
Is ____ possible that ____ played with ____ gas ____?
____ might ____ with ____ old usage info ____ these ____ readers.
Did the ____ historical ____ concern ____ due to ____ of tampering ____ the gas ____?
Is ____ possible that ____ the ____ to record the wrong ____?
Is ____ that a ____ messed ____ the gas meters ____ destroyed ____?
The ____ meters may ____ tampered with ____ readings ____ time.
____ tampered with or ____ to produce inaccurate ____ data?
Is it ____ that someone tampered ____ gas meters, ____ historical ____ recorded?
Is it possible ____ an ____ alter ____ of our ____ readings?
Have the ____ meters ____ tampered ____ inaccurate data?
Someone changed ____ past usage data ____.
____ someone ____ manipulated the gas meters over ____?
could ____ been ____ with
Is ____ gas meters ____ cause inaccurate ____ data?
____ it possible that someone altered ____ gas ____?
____ possible ____ someone has ____ or ____ our gas meter ____?
We have ____ have been ____ with?
Have ____ were tampered ____?
____ anyone mess around with ____ gas ____ past?
____ it possible ____ tampered ____ the gas ____ and ____ readings?
Is it ____ that a ____ messed ____ gas meters ____ data?

_____ you _____ the historical _____ been compromised because of meter _____ manipulation?
_____ it _____ that the manipulation _____ could affect historical _____?
_____ mess _____ our gas _____ that _____ to incorrect historical _____?
_____ it a possibility _____ someone _____ gas _____ to cause inaccurate _____ to _____ recorded?
_____ anyone _____ messed with the data _____ meters?

Is _____ ok for us to consider _____ someone _____ meter _____?

Someone might _____ interfered _____ gas _____.

Is there _____ tampered with _____ gas _____ up the data?

_____ gas _____ historical _____ have been _____.

_____ the recorded _____ data unreliable _____ to the _____ system _____?

_____ that _____ gas _____ could _____ been tampered with.

Is _____ by _____ being manipulated?

Is it _____ that our _____ usage figures may _____ meter _____?

Our _____ meters _____ have been messed with _____.

_____ gas meters may _____ been _____ to cause _____.

_____ it possible that _____ historical gas _____ figures may _____ influenced _____ meter _____?

_____ our gas meters _____ to cause _____ data?

_____ there a _____ the _____ meters _____ to _____ previous usage recording?

_____ manipulate the gas _____ false data?

_____ gas _____ readings _____ have _____ by someone.

Is _____ gas consumption data inaccurate _____ of _____ the _____?

_____ there anything that happened on _____ gas _____ that _____ to _____?

_____ someone skewed _____ readings.

It _____ possible that _____ the gas _____.

_____ you able to _____ if the _____ gas _____ have _____?

_____ someone _____ gas readings?

We are stuck with bogus _____ with _____ meters.

Did _____ the _____ the _____ meters in _____ past?

_____ a chance someone _____ with our _____ meters _____ up _____ data?

_____ there a _____ the previous gas use _____?

_____ it possible for someone to _____?

Has anyone _____ to collect _____ data?

_____ that _____ has _____ gas meters over _____ years?

_____ records concerning _____ accurate because _____ possible tampering _____ manipulation of _____ meters?

Any potential _____ the _____ be to blame for the inaccuracies _____ past _____ consumption _____.

Is it _____ that _____ affected _____ gas meter _____?

_____ the accuracy of the _____ records _____ consumption _____ concerns due to _____ of _____ meters?

_____ it _____ can _____ that someone _____ influenced _____ gas meter readings?

_____ the possible manipulation _____ gas _____ historical _____?

Is there _____ chance _____ person _____ with our _____ meters?

_____ someone _____ gas _____ incorrect?

Have _____ tampered with _____ make it _____ they had data?

_____ someone tampering _____ usage info on _____ readers?

Is the _____ our _____ affected by someone?

Did _____ make changes _____ meters?

_____ someone _____ with _____ historical data on _____ gas meters?

_____ there been _____ issues _____ meters _____ to flawed previous usage _____?

Has anyone manipulated gas _____?

Our gas _____ might _____ messed with, _____ readings.

_____ ruin the old usage info on _____?

____ our gas ____ messed ____?
 ____ likely ____ gas meters were ____?
 ____ gas meters are tampered with, leading ____ inaccurate ____ data being ____?
 ____ our ____ meters ____ manipulated?
 ____ the ____ gas meters affecting ____?
 ____ gas ____ been altered ____ affect ____ data?
 Is it possible ____ data ____ due ____ meter ____?
 ____ gas meters ____ been messed with, ____ incorrect ____.
 ____ the accuracy of the gas ____ ____?
 The gas meters could ____ causing ____ records.
 Was ____ for someone ____ inaccurate data by ____ our ____?
 It's possible that someone ____ manipulated our ____.
 Did ____ mess with ____ meters?
 Maybe someone has ____ gas ____ years?
 Maybe ____ gas ____ readings have been compromised, leading ____ being ____.
 The ____ on ____ meters ____ been manipulated.
 Someone ____ have ____ a fast ____ on ____ meter recordings.
 ____ tampered with ____ meters, ____ to false ____ collection?
 The accuracy ____ reported ____ history ____ impacted by unauthorized ____ gas meters.
 ____ it possible gas ____ tampered ____ to ____ recorded ____?
 Is ____ that somebody tampered with ____ gas ____ readings over ____?
 ____ had someone manipulate ____ gas ____.
 ____ the gas meters ____?
 There ____ tampering with our gas meters.
 ____ gas ____ leading to false data?
 ____ possible that someone ____ with ____ causing incorrect records?
 Was ____ someone ____ change the ____ on ____ gas meters?
 Is ____ may have ____ the gas meters?
 ____ is a ____ as to ____ have ____ manipulated.
 ____ stuck with bogus ____ the gas meters.
 It was ____ that ____ were ____.
 ____ manipulated our ____ meters.
 Have ____ gas ____ been tampered with, ____ inaccurate ____?
 ____ it ____ that someone ____ gas ____?
 ____ it possible ____ someone ____ with or manipulated the gas ____ readings ____?
 ____ anyone ____ the ____ data ____ the ____ meters?
 ____ possible ____ gas usage ____ may ____ been altered because ____ meter tampering?
 Did ____ gas ____ to change ____ data?
 ____ be ____ with gas ____ accuracy?
 Is it ____ that ____ gas ____ had ____ messed ____?
 ____ it possible ____ manipulated our gas ____?
 ____ anyone mess ____ gas meters?
 Has ____ or ____ old usage ____ on these ____?
 ____ a ____ that ____ tampered ____ the gas ____.
 Is the ____ our ____ history affected by ____ manipulation ____ our gas ____?
 Is there a ____ gas usage may ____ been ____?
 ____ manipulation ____ gas meter ____?
 There ____ suspicion ____ have been tampered ____.
 ____ that a knucklehead ____ gas ____ and ruined our ____.
 ____ might ____ pulled ____ fast one on us ____ gas ____.

Did _____ with the gas _____?

_____ someone played _____ the _____ meters, _____ them false _____ past.

Is it possible _____ have _____ the _____?

Is _____ a _____ messed with _____ gas meters and _____ our _____?

Could people _____ gas _____?

_____ with _____ records by changing meters?

_____ there a _____ our _____ that leads to a _____ usage _____?

_____ it possible that _____ messed with _____ gas meters _____ historical _____?

_____ have _____ with _____ gas records.

It is _____ that _____ tampered _____ meters, _____ to _____ data being recorded.

_____ possible _____ a knucklehead damaged _____ data by _____ with _____ meters?

Is _____ someone has tampered _____ our _____ meters, _____ incorrect _____?

It _____ possible _____ meters are tampered _____.

_____ gas _____ be affected by _____?

_____ gas _____ have been tampered _____?

_____ the gas _____ wrong?

Did _____ data _____ the _____ meters?

Is anyone _____ flawed _____ with our gas _____?

It _____ the _____ meter readings have _____ up.

Someone might have _____ with _____.

_____ someone make _____ records wrong _____ with _____ gas _____?

I wonder _____ meter accuracy _____ be impacted _____.

_____ might have tampered with _____ meters _____ the _____ data.

_____ our gas _____ been _____ resulting _____ historical data?

_____ is a chance that someone _____ have tampered _____.

Can _____ gas meters _____ with?

_____ any potential _____ of the _____ responsible _____ gas consumption _____?

Is _____ possible that _____ due _____ the tampering _____ gas _____?

_____ possible that _____ recordings are _____ to _____ meters.

Is _____ historical _____ because _____ manipulation of _____ meter?

_____ been any problems _____ the gas _____ in _____ usage recording?

Have the _____ records of _____ raised _____ due _____ the _____ tampering _____ gas _____?

Our _____ might _____ been monkeyed _____ us _____ numbers.

Is _____ possible _____ gas meters can be _____ historical _____?

Did _____ the gas _____ to _____ data?

_____ tampered with the _____ usage _____ these _____ readers.

_____ someone tampering _____ our _____?

The _____ meters _____ be _____ data.

Is there _____ that _____ or _____ the gas meter _____?

Is _____ someone _____ with the gas _____ and wrecked _____?

_____ possible _____ individual to _____ with _____ alter the _____ our historic _____ readings?

_____ meters might _____ been changed _____ data.

Maybe someone tampered _____ meters and _____ up _____.

_____ the _____ data when using _____ gas meters?

_____ someone manipulated _____ meters?

_____ the _____ tampered _____ to make the records _____?

_____ our gas meters _____ or manipulated, to _____ data?

Is anyone to _____ of our gas _____?

Is the historical records of our consumption _____ due _____ possibility _____ of the _____?

Is it possible _____ tampered _____ gas _____ up the history?

There _____ chance that someone messed _____ gas _____.
 _____ gas _____ be _____ with?
 Can _____ caused the _____ with _____ gas meters?
 _____ there a _____ with our _____ incorrect historical _____?
 Any chance _____ pulled a fast one _____ gas _____ recordings?
 _____ possibly manipulated _____ cause incorrect readings?
 _____ that _____ knucklehead _____ with the gas _____ ruined the historical data?
 _____ a chance _____ gas meters have _____ with?
 What _____ our gas _____ manipulated?
 Has anyone tampered with _____ in _____ records?
 _____ could _____ our gas records.
 _____ is a _____ that _____ with the _____ data on _____ gas _____.
 The _____ be affected by _____ gas _____ being _____.
 They could _____ affected by _____ gas _____ tampered _____.
 _____ gas _____ to affect _____ data?
 _____ any _____ of _____ with the previous gas _____?
 Have _____ manipulated the _____ meters _____ make _____ look _____ collected?
 _____ behind _____ manipulation _____ gas meters?
 Is the _____ to _____ of the meters?
 _____ it possible _____ historical _____ usage figures _____ have been altered _____ or _____?
 _____ meters _____ with, _____ us false readings in the past.
 Is _____ possible that _____ our gas _____?
 _____ possible _____ has manipulated the _____ meters.
 _____ anyone _____ the gas meters to _____?
 _____ historical _____ our consumption raises _____ due _____ or manipulation of the gas meters.
 _____ meters _____ causing wrong readings over time?
 Is it possible _____ altered or corrupted _____?
 _____ it _____ knucklehead that _____ the _____ meters and wrecked _____ historical _____?
 _____ accuracy of the _____ records _____ any _____ due to _____ possibility of _____ or _____ the _____ meters?
 The historical _____ have been _____ the gas _____ with.
 Is _____ anything _____ happened _____ our _____ meters _____ led to _____ recording?
 _____ anyone tampered _____ meters _____ make it _____ like _____ collected?
 The _____ of reported usage history may _____ manipulation _____ gas meters.
 The gas _____ may _____ manipulated, _____ in flawed _____.
 Is it possible that our historic gas _____ figures _____ compromised due _____?
 _____ anyone responsible for _____ readings?
 _____ possible _____ gas meter _____ have been compromised _____ historical data _____ recorded.
 _____ historical recordings _____ have _____ the tampered _____ meters.
 _____ skew the recorded data _____ the _____?
 It is possible _____ readings have _____ with.
 _____ someone _____ with _____ usage information _____ gas readers?
 _____ someone _____ skewed _____ gas meter readings?
 _____ gas meters _____ with _____ recorded _____?
 Maybe it was _____ who _____ with the _____ the historical _____.
 Did anyone _____ with _____ gas _____ that _____ to incorrect _____?
 Is it _____ that _____ gas _____ interfered with _____ create _____ records?
 Someone _____ mess with _____ gas _____.
 Is it possible that _____ individual _____ of _____ historical gaz-meter _____?
 There is a _____ as _____ if gas _____ tampered _____.
 _____ accuracy of the _____ records _____ raised concerns due to _____ tampering or manipulation _____ the _____.

Is _____ tampered _____ causing _____ recorded data?

Is _____ a _____ someone _____ gas meter readings?

_____ someone _____ to _____ with _____ meters?

_____ the _____ been tampered with.

_____ if the inaccuracies _____ our past gas consumption _____ are due _____ the _____.

_____ recorded historical _____ may be _____ due to _____ with our _____.

_____ possible for someone to affect the _____ gas _____?

Our _____ meters may have _____ manipulated _____.

_____ it possible _____ an _____ could possibly alter _____ of our _____?

The accuracy _____ our historic _____ can _____ interfered _____.

Is _____ flawed historical records because of _____?

_____ possible that _____ gas meters had _____ with.

_____ someone make _____ records _____ by _____ gas readings?

_____ anyone _____ blame for causing incorrect data _____?

_____ there _____ the gas meters leading to _____ previous _____ recording?

_____ anyone _____ with our gas _____ usage statistics?

Is there a _____ changed _____ on _____ gas _____?

Is it _____ someone _____ old _____ info on _____ gas readers?

Is it possible _____ or manipulation _____ gas _____ could affect the _____ usage history?

It _____ someone _____ fast one _____ us regarding the _____ recordings.

_____ it possible that _____ gas _____ may _____ been _____ due _____ or manipulation?

_____ some kind of _____ affecting _____ meter _____?

Did _____ alter _____ of the _____ meters?

_____ that the gas _____ have been _____ leading to incorrect _____ data _____.

_____ it _____ knucklehead tampered with _____ gas _____ destroyed our historical _____?

_____ recordings could have been _____ by the _____ tampered _____.

Is _____ someone _____ the gas _____ or changed the _____?

Is the interference impacting _____ gas _____?

_____ there was any manipulation of the meters, could the _____ gas _____ data _____?

_____ someone _____ our gas readings?

There could _____ interference _____ the accuracy _____ the _____.

Has _____ tampered with _____ make it _____ there was data?

_____ able to _____ to cause incorrect readings?

_____ changed our gas _____?

Is the accuracy of _____ usage _____ with our gas _____?

Can _____ say _____ or _____ the gas meter _____?

Is it possible _____ skewed _____ readings?

Did our gas _____ their _____?

_____ historical data _____ because _____ tampering?

_____ it possible that someone _____ or _____ our _____?

Is _____ gas _____ affecting _____ data?

Is _____ likely that _____ changed _____ meter _____?

_____ that someone has _____ the gas meters.

_____ possible _____ historical _____ figures might _____ been compromised _____ to meter tampering?

Is our _____ meters malfunctioning _____ incorrect _____?

Their historical _____ by the tampered _____ meters.

The _____ reported usage _____ impacted _____ on the gas meters.

_____ it _____ has _____ with the gas meters?

Is _____ that inaccurate recordings _____ be due _____ meter _____?

_____ our _____ altered to cause _____ data?

There ____ be a ____ someone ____ with our ____ meters.
 Is ____ blame for the flawed ____ by ____ meters?
 ____ anyone ____ for ____ incorrect data caused by ____?
 Is there a ____ someone ____ gas ____ and messed up ____?
 Is it ____ that ____ with the gas ____ incorrect readings ____?
 The gas ____ could ____ wrong readings over ____.
 Someone ____ have ____ the ____ meters and ____ the recorded ____.
 ____ is ____ our gas ____ readings ____ compromised, ____ to ____ historical data ____ recorded.
 ____ for messed gas meters ____ data?
 ____ somebody ____ with ____ meters?
 ____ it possible for ____ mess with ____ and create inaccurate ____?
 The accuracy ____ historical records ____ our consumption has raised concerns due ____ the gas ____.
 ____ it ____ someone ____ or ____ our gas meter ____?
 ____ with our gas meters ____ to incorrect historical ____ statistics?
 Is it possible that ____ gas ____ have been affected ____?
 Did ____ manipulate the ____?
 Someone ____ pull a ____ one ____ gas meter ____.
 ____ it possible that ____ the ____ meters, ____ historical data to be ____?
 Is ____ that ____ no-good knucklehead messed with ____ meters and ____?
 ____ it ____ that ____ individual ____ change the accuracy of ____ historic ____?
 ____ been any ____ with ____ meters that resulted in ____ recording?
 ____ might ____ tampered ____ the gas meters ____ the history.
 ____ with ____ gas meters to ____ wrong readings over ____.
 Did anyone mess ____ to incorrect ____ usage stats?
 Could the ____ meters ____.
 ____ have tampered ____ meters and messed up ____ data.
 Is ____ possible that ____ individual ____ affect ____ alter the ____ the ____?
 ____ accuracy ____ usage ____ might be affected ____ unauthorized interference or ____ of ____.
 The data seems off, ____ think someone ____.
 ____ data ____ due to ____ metering system interfering?
 ____ records ____ wrong if someone tampered with ____ readings.
 ____ tampered with ____ gas ____ to cause incorrect ____?
 ____ anyone tampered with ____ to cause ____ collection?
 ____ gas ____ by ____ meters?
 ____ meter ____ creating incorrect historical records?
 Is there ____ possibility that someone ____ or ____ meter ____?
 ____ is a ____ that historical data ____ be ____ gas metering ____.
 ____ someone ____ with ____ gas readings.
 They wondered ____ gas meters had ____.
 ____ the ____ in our previous ____ consumption ____ be ____ the ____?
 Is ____ to gas meters ____?
 ____ could have ____ with ____ gas ____ by ____ meters.
 ____ were questions about potential ____ gas ____.
 Does ____ mean ____ altered or ____ our gas ____?
 ____ that someone manipulated our ____ over time.
 The ____ been monkeyed with by some ____.
 Any ____ that someone pulled a ____ on ____ meter recordings?
 Is it ____ that ____ gas ____ have been ____ wrong ____?
 Is ____ historical ____ of ____ accurate because of ____ of ____ meters?
 ____ possible ____ gas ____ were ____ with?

_____ of our historic _____ readings _____ with?
 _____ historical data _____ faulty due _____ with our gas metering _____
 Is _____ the gas _____ were tampered with, _____ data?
 Did _____ gas readings to make _____ records _____?
 Did anyone _____ with the _____ We're _____ with _____.
 What if our gas _____?
 Do _____ if _____ tampered with _____ meter systems _____ caused _____ data _____?
 _____ historical _____ consumption _____ due _____ the _____ tampering of the gas meters?
 _____ our gas meters _____?
 _____ anyone _____ with _____ gas _____ to have bogus records?
 Has _____ our gas meters, resulting _____ historical _____?
 _____ data of _____ might have _____ tampered with.
 Is the _____ gas _____ to _____ manipulated _____ data?
 If _____ was _____ manipulation of _____ inaccuracies _____ gas consumption _____ be attributed to it?
 Is the _____ the _____ records _____ consumption _____ because of the possible tampering _____ the _____?
 Is _____ chance _____ someone tampered _____ the _____ and recorded _____ data?
 Is _____ possible that _____ recordings _____ to gas meters _____?
 _____ the _____ historical data unreliable because _____ the _____ interference?
 Have _____ records for our consumption _____ concerns due _____ or manipulation _____ gas _____?
 _____ possible someone _____ gas meters?
 Is there a _____ tampering _____ data about gas _____?
 _____ the _____ meters _____ with, causing _____ over time?
 Is there _____ chance that someone has _____?
 _____ around with our gas _____ cause _____ usage statistics?
 _____ with _____ meters that may _____ led to _____ historical _____ statistics?
 _____ our _____ meters tampered _____ or _____ to _____ data?
 The _____ usage recording _____ meters _____ have _____ flawed.
 Did _____ the gas meters _____ cause _____ historical _____ stats?
 Is _____ the _____ meters were _____ leading to inaccurate historical _____?
 Maybe _____ the _____ meters, _____ incorrect readings _____ time.
 The _____ on gas _____ may _____ been _____ with.
 Is the gas _____ or manipulated _____ in _____ data?
 _____ anyone _____ with _____ gas _____ cause _____ data collection?
 Have there _____ any _____ with _____ flawed previous usage recording?
 Can you tell _____ if _____ were compromised _____ to _____ tampering _____ manipulation?
 _____ wonder _____ tampered _____ ruined old usage info on _____ gas _____.
 Is it possible _____ past _____ consumption data _____ accurate _____ with the _____?
 Have our _____ meters been _____ in _____ historical _____?
 _____ data faulty because _____ the gas metering _____ interference?
 Could _____ be _____ with the _____ meters and ruined _____ data?
 The _____ on these gas readers _____ been tampered _____.
 Any chance _____ was messing with the _____ garbage _____?
 I wonder _____ the _____ meters have _____ creating _____ historical _____.
 _____ have been _____ gas meters leading _____ usage recordings.
 _____ it _____ that _____ accuracy _____ historic gaz-meter readings could _____ altered by _____?
 _____ recorded historical data unreliable _____ to the _____ with the _____?
 Is _____ gas meters _____?
 Did anyone skew _____ for _____?
 _____ someone make changes _____?
 _____ we _____ potential for gas _____ to _____ altered?

_____ someone _____ old usage _____ on the gas _____?
 _____ a chance someone _____ gas meters?
 _____ the _____ regarding our _____ raise _____ due _____ possibility _____ tampering or manipulation _____ gas meters?
 _____ it _____ that _____ meters readings _____ compromised, leading _____ historical data _____ recorded?
 The gas _____ been _____ giving us false _____ the past.
 We _____ gaz-meter readings _____ could possibly _____ interfered _____.
 _____ the _____ someone may have played _____ gas _____.
 _____ gas meters _____ manipulated to lead to _____?
 Is _____ tampered _____ gas meters, _____ wrong readings over time?
 _____ possible that _____ gas usage _____ may _____ altered due to meter _____?
 _____ possible to consider _____ of _____ meters impacting _____ data?
 Can we _____ someone _____ altered our _____ readings?
 Did _____ with the gas meters to cause _____?
 Have _____ about our _____ raised _____ to the possibility _____ or manipulation of the _____?
 Is there someone messing _____ old usage _____ readers?
 It's _____ the gas _____ readings.
 _____ you know _____ historical _____ figures have _____ compromised because _____ meter _____ or _____?
 Our _____ meters may have been messed _____ over _____.
 _____ someone _____ the gas _____?
 _____ anyone tampered with the gas meters _____ look _____ was _____?
 Has _____ led _____ false _____ collection by _____ gas _____?
 Is _____ the case where _____ the _____ readings?
 Wrong readings over time could _____ by _____.
 Could an individual possibly affect _____ readings?
 _____ possible that _____ of our _____ meter have been _____?
 _____ the historical _____ unreliable _____ gas _____ system interference?
 _____ there _____ possibility of tampering _____ previous _____ info?
 Is it _____ that it was _____ who _____ readings?
 Someone could _____ pulled _____ one _____ about _____ gas _____ recordings' accuracy.
 _____ gas meters _____ messed _____ and _____ all _____ statistics hanging _____ the record.
 Did someone possibly _____ the _____?
 _____ have _____ gas records.
 Is it _____ gas usage figures _____ have been compromised _____ manipulation?
 Is _____ possible _____ someone _____ the _____?
 _____ it _____ that an individual _____ the _____ our _____ readings?
 Do you _____ our historical _____ usage _____ due to _____ tampering?
 _____ possible _____ our _____ meters _____ tampered with, _____ recorded data?
 _____ chance _____ usage can be tampered with?
 _____ accuracy _____ history _____ by unauthorized _____ or manipulation of the gas _____.
 I _____ fiddled _____ gas records _____ changing meters.
 _____ possible _____ the gas _____ is _____ because of manipulation _____ meters?
 Someone _____ have played _____ meters in the _____.
 _____ that _____ gas meter readings?
 Is it _____ recordings are due _____ meters _____ tampered _____?
 _____ manipulated our gas _____.
 _____ if someone has ruined _____ info on _____ readers.
 _____ it possible that someone _____ with _____ us to record inaccurate _____?
 Someone _____ have _____ a _____ us about _____ meter recordings' _____.
 _____ anyone _____ with _____ gas _____ cause _____ historical records?
 _____ gas meters could have _____ the recordings.

_____ is _____ that _____ meter readings have been _____.

_____ anyone mess with _____ lead _____ incorrect historical usage data?

Is anyone _____ blame _____ messed up gas _____?

Could _____ accuracy _____ our gas _____ be related _____ being manipulated?

_____ the _____ records _____ to _____ consumption raised _____ due _____ of _____ or manipulation _____ the gas meters?

Can anyone have messed with _____ meters?

_____ is a _____ of _____ tampering _____ the _____ meters.

Is _____ a _____ that _____ messed _____ the _____ gas meters?

The _____ of reported _____ history _____ by unauthorized interference or _____ on _____.

Did _____ mess _____ gas meters, so _____ stuck _____ bogus _____?

_____ gas _____ recorded data?

_____ it _____ gas _____ are tampered with, causing inaccurate _____?

_____ the _____ historical _____ concerning _____ raised concerns due _____ tampering of the gas _____?

_____ possible that _____ altered _____ influenced _____ meter readings.

We _____ false _____ readings in _____ past.

It is _____ our gas meter readings _____ been compromised, _____ incorrect _____ being _____.

_____ it possible _____ folks _____ records by _____ meters?

There's _____ pulled a _____ on us _____ the _____ meter recordings.

_____ ruin our gas _____?

_____ someone _____ the gas _____ time?

_____ a _____ knucklehead messed with _____ and _____ the historical _____?

Is it possible _____ gas _____ were _____ with to _____?

Could _____ be _____ our gas _____ with?

Someone might _____ with _____ gas _____ changed the _____ data.

_____ possible that someone might _____ gas meters.

Did anyone cause _____ by messing with _____?

_____ meters _____ fiddled _____ gas records.

Is it _____ tampered with the _____ meters causing _____ over _____?

_____ that _____ altered or _____ gas meter readings?

It's possible _____ someone tampered with the gas _____ to _____.

_____ possible that _____ gas meters _____ been messed _____?

Could _____ gas meters _____ altered _____ way?

_____ possible _____ our gas meter _____ have _____ compromised, leading to _____.

_____ it possible _____ someone skewed the _____?

Is _____ data _____ the _____ gas meters?

Did _____ that historical gas _____ been compromised by _____ tampering?

_____ could _____ fiddled _____ gas _____.

Did _____ have _____ messing _____ meters?

_____ possible that someone tampered _____ meters to have inaccurate _____?

There could be _____ has tampered with _____ gas _____.

_____ was _____ a _____ with the _____ and _____ our historical data?

The _____ been _____ in the past _____ give false _____.

Is _____ possible _____ someone could _____ the _____ gaz-meter readings?

Someone might _____ past usage _____ the gas _____.

Did _____ that could have _____ in incorrect usage statistics?

Could _____ inaccuracies _____ our past _____ consumption data _____ to _____ the _____?

Did gas _____ be _____ create _____ historical records?

Did y'all make the recorded _____ our _____ meters?

Is it _____ someone _____ the _____ to _____ wrong _____ over time?

It might be _____ someone _____ with the gas _____ wrong _____.

Any chance of history _____ due _____ with the _____?
_____ someone _____ our gas _____ over _____?
_____ wonder _____ with our gas records by _____.
Is the possibility of _____ meters _____ data?
_____ our gas usage _____ may _____ altered due to _____ tampering?
Did _____ gas meters being _____ create _____ historical _____?
The _____ usage _____ can be impacted _____ unauthorized _____ or manipulation _____ meters.
_____ there a possibility _____ past gas _____?
There _____ interference _____ gas meter _____.
Do _____ somebody _____ meter systems and caused _____ historical data _____?
Is _____ someone tampering with our gas _____?
Did anything _____ to the _____ meters _____ to flawed _____?
_____ meters could _____ been _____ with _____ affect historical _____.
_____ possible _____ the _____ meters wrecked our historical data.
_____ for _____ incorrect readings _____ the gas meters?
_____ messing with our gas meters _____ could _____ led _____ incorrect _____ statistics?
Gas _____ may have been tampered with _____.
Did _____ change _____ recorded _____ gas _____?
_____ it _____ that a _____ with the _____ meters _____ the _____ data?
_____ someone _____ the gas _____.
_____ with bogus _____ after _____ gas _____ messed with.
People _____ fiddled our _____ records by _____.
There is _____ possibility _____ someone _____ on _____ regarding the gas meter _____.
_____ might _____ possible for someone to have _____.
_____ any _____ of tampering _____ previous data _____ usage?
_____ it possible that a _____ with _____ and _____ our _____ data?
The _____ data may _____ to the gas metering _____.
_____ have _____ quick _____ on us _____ the gas meter _____.
_____ a chance _____ someone tampered with the _____.
_____ ruin our _____ meters?
_____ be that _____ with the gas _____ incorrect readings _____ time.
_____ messing _____ the gas meters _____ incorrect _____ stats?
Did _____ the _____ to make the _____ wrong?
_____ fooled the gas _____ into giving _____ the past?
Is _____ tampered _____ recorded data?
_____ people have _____ gas _____ by changing _____?
_____ you able to _____ if _____ gas _____ were _____ meter _____ or manipulation?
_____ some person messed _____ gas _____?
Is it possible _____ someone _____ the _____ time?
Do _____ think _____ someone _____ our _____ meters?
Is it _____ gas meter _____ been compromised?
_____ guilty _____ manipulating _____ gas _____ to cause _____ data collection.
It _____ possible that _____ readings have _____ to incorrect historical _____.
_____ that the gas meters were _____ with?
_____ have pulled a _____ one on _____ concerning _____ gas _____.
Did anyone _____ gas meters, and _____ have _____ records?
We _____ if someone tampered with _____ gas _____.
_____ we consider _____ someone _____ our _____ meter _____?
There _____ possibility that _____ gas _____ have been _____.
_____ a possibility _____ someone has manipulated our _____?

_____ these inaccurate _____ on the _____ messed with _____ gas meters.

_____ tampered _____ meters and messed up historical data?

_____ manipulated the _____ meters over _____.

_____ possibly manipulate our _____.

_____ anyone _____ with _____ gas meters to _____ records?

Is the accuracy _____ affected by unauthorized _____ on our _____.

Someone may have _____ historical _____ on the _____.

_____ considering if _____ tampered with _____ meter systems _____ have faulty _____ data recordings?

_____ someone ruin old usage _____ on _____?

_____ the data _____ our gas _____?

Maybe someone had _____ the _____.

Did anyone _____ with our gas _____ that _____ in _____?

_____ that _____ are due to tampered _____ meters?

_____ with the gas _____ are stuck with fake _____?

Is there _____ that _____ the gas meters _____ with the historical _____?

It is possible that our _____ meter _____ and that incorrect _____ has _____.

Is it possible _____ the _____ of _____ has _____ impacted by unauthorized _____ on the _____?

Was _____ tampered _____ to make the _____ incorrect?

_____ someone _____ with _____ on these gas readers?

_____ know _____ the _____ usage figures may _____ affected _____ meter tampering _____ manipulation?

Did _____ with _____ meters?

We're _____ with bogus records _____ anyone _____ meters.

Is it possible _____ our gas meter readings _____ been _____ in _____?

_____ historical _____ due to _____ with the gas metering _____?

_____ it _____ folks have fiddled with _____ gas _____?

Recording data _____ have been _____ by gas _____.

Is there _____ way _____ cause _____ collection _____ the gas _____?

_____ might have pulled _____ fast _____ on _____ in regards _____ the _____.

_____ is a chance that _____ recorded _____ due _____ interference _____ metering system.

_____ possibility _____ meters have been tampered with?

Have anyone tampered with _____ lead _____ false data _____?

Is it likely that someone _____ meter _____?

_____ gas meters _____ data tampered _____?

_____ people fiddle with our _____ records _____?

Is it a _____ that _____ with our _____ meters, _____ data _____ recorded?

_____ chance someone pulled _____ fast _____ on us _____ meter recordings' _____?

Could the accuracy of _____ readings _____ interfered _____ an _____?

_____ anyone _____ altered or influenced our gas _____?

_____ possible that someone _____ the gas _____ causing _____ time.

_____ it was that _____ knucklehead _____ with the _____ wrecked our _____?

_____ tampered _____ cause inaccurate _____ data?

_____ anyone _____ for _____ historical records on _____ gas _____?

_____ gas meters _____ been _____?

Is it _____ consider if _____ altered _____ influenced _____ gas _____?

_____ tampered with the _____ cause _____ readings over time.

_____ gas _____ been manipulated _____ time.

Someone _____ playing around with the _____.

Can the _____ of _____ meters _____ the _____?

_____ meters have been _____

_____ possible that _____ interference _____ manipulation _____ our _____ meters has _____ the _____ of _____ usage history?

_____ someone _____ something _____ gas meters?

_____ the _____ consumption raised concerns because _____ possible _____ or manipulation of _____ gas meters.

_____ meters _____ with, causing wrong _____?

The _____ seems _____ I think _____ interfered _____ our gas _____.

_____ altered _____ influenced our _____ readings?

Someone _____ have _____ with _____ gas meters and _____ data.

_____ wonder if anyone messed _____ caused incorrect data.

_____ our gas _____ be _____ with, creating _____ historical _____?

_____ wonder _____ messed _____ our gas _____.

_____ possible _____ had skewed _____ meter readings?

Is _____ our gas _____ that could lead _____ previous _____ recording?

_____ may have _____ influenced _____ meter readings.

Is _____ meters _____ creating _____ records?

Is it _____ someone altered _____ our gas _____ readings?

_____ is _____ that _____ gas meter readings _____ compromised, causing incorrect _____ be _____.

_____ it _____ that _____ tampered with the _____ to _____ incorrect _____ time?

_____ it _____ the _____ have been _____?

_____ make something _____ our gas _____?

What _____ the gas _____ tampered _____?

_____ possible _____ an individual _____ with the accuracy of _____ gaz-meter _____?

It's possible that _____ knucklehead _____ the gas _____ wrecked _____.

_____ may _____ interference _____ gas _____ accuracy.

_____ anyone _____ with the gas _____ to _____ statistics?

_____ it possible that _____ recordings are due _____ manipulation _____ gas _____?

I wonder _____ it is _____ that _____ gas meter _____.

_____ you believe _____ our _____ meters?

_____ meters been manipulated to lead _____ data _____?

The _____ the historic _____ readings could _____ be _____.

_____ it possible _____ the inaccurate _____ data is a _____ the _____ manipulated?

It could _____ that someone _____ meter _____.

_____ on us regarding _____ gas meter recordings' accuracy.

Is _____ any _____ of tampering with _____ usage _____?

Is _____ responsible _____ the _____ meter _____?

There _____ a chance _____ the _____ is faulty _____ interference _____ gas _____ system.

Is _____ not _____ skewed the gas meter _____?

_____ is possible the _____ readings have been compromised, _____ historical _____ recorded.

_____ gaz-meter readings could _____ altered _____ an _____.

_____ possible _____ gas meters could have been _____?

Have the _____ our _____ any _____ due to possible tampering _____ the gas meters?

The gas _____ could _____ have _____.

Did anyone _____ gas _____ are stuck _____ fake records?

_____ be _____ affecting _____ meter accuracy

Is _____ possible that our _____ gas usage figures might _____ meter _____?

Had _____ gas readings?

_____ the gas _____ tampering with, _____ data?

_____ this _____ case where someone skewed the _____?

_____ the manipulation of _____ data?

_____ gas meters _____ cause incorrect usage statistics?

_____ might have _____ messing _____ gas _____ readings in the past.

_____ old usage info on the gas _____?

____ may ____ with ____ gas meters ____ up the historical ____.
 Did anyone ____ with ____ gas meters ____ historical ____?
 ____ you ____ to ____ the historical ____ usage figures ____ by meter ____?
 The old ____ info ____ these gas ____ have ____ by ____.
 Is ____ possible that ____ historical gas ____ figures may have ____ as ____ result ____ ____?
 Did ____ with ____ which could have led to incorrect ____ statistics?
 Is ____ that ____ messed with our ____ caused incorrect ____?
 ____ the historical records ____ consumption raise ____ to ____ possibility of ____ manipulation ____ the gas ____?
 Someone might have manipulated the ____ meters, _____.
 ____ meters messed up?
 ____ numbers ____ possibly be ____ us ____ someone ____ with ____ gas meters.
 Someone ____ have skewed ____ gas _____.
 After messing ____ the ____ meters, we're ____ records.
 Is ____ possible ____ gas meters ____ tampered ____ to ____ inaccurate ____?
 ____ have ____ a fast one on us ____ the ____ recordings' ____.
 Is it ____ individual might change ____ accuracy ____ historic ____ readings?
 It is ____ the ____ readings have been _____.
 Maybe ____ used the ____ to ____ readings ____ the past?
 ____ there ____ the inaccurate gas ____ data being ____ to the meters ____?
 ____ gas ____ being tampered ____?
 ____ someone ____ manipulated our gas ____ over time.
 ____ this ____ tampering ____ our gas ____?
 ____ anyone tampered with the ____?
 ____ the accuracy of ____ usage ____ at risk ____ interference or ____ gas meters?
 ____ the ____ affecting ____ accuracy?
 It's ____ the gas meter ____ have ____ leading to incorrect _____.
 ____ may be a ____ with ____ gas meters.
 ____ anyone mess ____ gas ____ that resulted ____ historical ____ data?
 Maybe our ____ altered.
 ____ possible that ____ readings have been _____.
 The ____ might ____ been ____ with, ____ readings over time.
 There ____ the gas meter.
 The gas meters ____ manipulated to get _____.
 Have ____ gas meters?
 ____ we see that someone ____ influenced ____ readings?
 The ____ of ____ gaz-meter readings ____ affected by an _____.
 Is there ____ with ____ gas ____ to a ____ previous usage ____?
 ____ someone ____ our gas ____?
 Maybe ____ that a ____ messed with the ____ wrecked ____?
 I ____ played with the ____ meters ____ past.
 Will ____ accuracy of reported usage history ____ by ____ or ____ gas ____?
 Did someone ruin the ____ usage ____ gas ____?
 Is ____ possible ____ gas meters ____ been ____?
 ____ someone ____ gas readings?
 Could the ____ been tampered ____?
 ____ the gas meters, ____ we are ____ bogus records?
 Do ____ our ____ gas usage figures have ____ meter tampering?
 ____ it ____ that someone tampered ____ gas ____ inaccurate ____ data to ____?
 Did anyone ____ a ____ one on us ____?
 ____ it possible our gas ____ manipulated?

Is it possible that _____ interfere with _____ of our _____?

_____ alter _____ ruin old _____ these gas readers?

Is _____ possible _____ someone altered or altered _____ readings?

Is _____ gas meter _____ with, causing wrong _____?

Is it likely _____ distorted _____?

_____ there _____ our _____ meter readings _____ been compromised, _____ to incorrect _____ data _____ recorded?

Is someone _____ usage _____ gas readers here?

_____ it possible for someone _____ change _____?

Is the _____ of reported usage history _____ by _____ meters.

_____ gas meters?

_____ anyone _____ to _____ the _____ data for gas _____?

Is _____ that _____ the gas meters causing _____ historical data _____ be _____?

_____ someone _____ gas meters and screwed up _____ historical data?

There _____ that _____ data _____ be _____ interference _____ the gas metering system.

Did anyone alter _____ data _____ with _____?

_____ someone have messed with _____?

_____ old usage info on _____ here _____ readers _____?

Someone might _____ meter _____.

What if _____ altered _____ gas meter _____?

_____ it possible that _____ with _____ meters in _____ to have _____ recorded?
