 When _____ are malfunctioning and I _____ if you check _____ I might have _____ high _____.
 Considering the _____ my meter _____ malfunction and result _____ is _____ okay _____ to _____ accuracy _____?
 _____ you check _____ think I'm being billed too much because _____.
 My meter _____ leading to _____ so _____ do they check for _____?
 _____ check _____ mine might _____ faulty and it's causing _____
 Do _____ the _____ often? I think _____ billed too much _____ up.
 _____ you check _____ daily? I _____ being _____ too much because _____ my _____.
 _____ bill _____ a faulty meter, _____ would _____ know how often _____ check _____.
 _____ that my _____ have led _____ excessive _____ and how _____ do meters _____?
 _____ it _____ meter _____ on a _____ schedule, since _____ my _____ is malfunctioning?
 _____ my _____ might have led to _____ charges, so _____ frequently _____ get?
 _____ you check your _____ suspect _____ is faulty.
 Is it likely _____ the _____ will _____ check _____ mine might have _____ and _____ overcharging?
 Is a way to _____ correctness _____ a _____ schedule possible _____ think _____ meter _____?
 _____ that my meter _____ and causing _____ so has _____ been checked?
 _____ might _____ excessive charges and how often do _____ get checked?
 _____ I _____ is faulty, is _____ a routine _____ for _____ it?
 Is _____ the meters _____ be _____ accuracy since _____ malfunctioned and resulted in overcharging.
 Is it _____ that the meters _____ check because _____ have _____ resulted in overcharging.
 _____ meters are _____ I _____ know _____ check _____ I _____ have to pay high charges.
 _____ think mine _____ malfunction _____ excessive _____ how much _____ the meters have?
 I want to _____ how _____ the _____ are checked for _____ as _____ one.
 I believe _____ leading _____ excessive charges, so how _____ does _____ get?
 _____ think _____ have malfunctioned _____ led _____ I guess _____ often the meters are checked.
 Is it _____ that _____ meters _____ accuracy check as _____ may _____ malfunctioned and _____ in _____?
 Is it _____ that _____ accuracy checks if my _____ overcharging?
 As my _____ may _____ flawed, how often _____?
 Do meters _____ if my meter _____ overcharging?
 Do you check _____ meter _____ be malfunctioning.

_____ check your meters _____ I _____ faulty, and _____ is causing _____.
 My meter may _____ in overcharging, so do _____ often _____?
 _____ to pay high charges _____ my _____ am _____ sure if you _____ them often.
 If meters weren't _____ so often _____ have _____ caused _____ charges.
 Do you _____ your _____ I _____ faulty meters.
 My _____ may _____ leading to excessive charges, _____ how frequently _____ accuracy?
 Is _____ likely that the meters should _____ an accuracy check _____ might _____ and _____?
 _____ it _____ that _____ should _____ an _____ check, _____ mine might _____ malfunctioned _____ ended up overcharging?
 _____ weren't _____ more frequently, _____ might _____ and _____ excessive charges.
 I _____ pay high charges _____ my _____ are _____ I am _____ of how often _____ check _____.
 _____ it likely that _____ an accuracy _____ and ended up overcharging?
 I am worried that my _____ malfunctioning and causing _____ the accuracy of _____ been _____?
 _____ your meters _____ I _____ mine is faulty.
 _____ meters often? mine is _____ that is _____ overcharging.
 My _____ have _____ and resulted _____ so do _____ typically _____ accuracy _____?
 _____ may have _____ resulted in _____ so _____ meters _____ undergo _____ checks?
 _____ am _____ is _____ and causing inflated _____ so has the accuracy been _____?
 I _____ like to know how _____ my suspicion _____ that an operational issue _____ to _____.
 _____ you _____ often? _____ believe my _____ is malfunctioning.
 Is _____ normal for meters to _____ checked _____ mine _____ and resulted _____?
 I _____ to know _____ frequently _____ verification as my suspicion is _____ issue _____ leading _____
 unreasonably _____ costs.
 _____ likely that _____ meters _____ checked for accuracy since mine could _____ and _____ overcharging?
 I _____ pay high charges _____ my meters _____ malfunctioning _____ not _____ if _____ check meters frequently.
 Does the _____ of _____ meters _____ been recently _____ that my meter is _____ and _____ inflated _____?
 Do you _____ meters often? _____ think _____ is _____ and _____ causing _____.
 Since _____ that _____ meters _____ functioning correctly, how frequently _____ accuracy _____?
 If _____ checked so _____ mine might have _____ and _____ excessive _____.
 _____ believe _____ have malfunctioned, _____ charges, and how _____ do _____ checked?
 _____ mine _____ have malfunctioned _____ to _____ how often _____ meters _____ checked for accuracy?
 It _____ that _____ issue has _____ to inflated _____ how _____ do _____ meters?
 _____ mine _____ be _____ are meters tested?
 I'd like to _____ how often _____ are _____ as _____ faulty one.
 _____ meters often? I think it might _____.
 As my suspicion _____ that _____ operational issue leads to _____ costs, could _____ number _____ accurate
 verification?
 I am _____ about _____ undergo accurate _____ my _____ is _____ an operational issue leads _____ inflated _____.
 Do _____ get _____ malfunctioned, or if _____ over charged?
 I think mine might _____ and _____ how often _____ get checked?
 _____ like to _____ how frequently _____ undergo _____ verification, as my _____ is that _____ unreasonably inflated
 _____.
 I _____ like to _____ meters _____ accurate verification, as my suspicion is that _____ operational _____
 inflated _____.
 _____ mine may _____ resulted in _____ do _____ often undergo accuracy _____.
 _____ that _____ should be _____ accuracy _____ have malfunctioned and caused overcharging?
 I wonder _____ meters _____ checked for accurate _____ my bill _____ faulty _____.
 Since _____ appears that my _____ functioning correctly, _____ do accuracy checks _____?
 _____ check meters often? _____ my meter _____ not _____.
 _____ have malfunctioned _____ resulted _____ do _____ always undergo accuracy checks?
 _____ meters weren't _____ mine might _____ malfunctioned _____ caused _____ charges.
 Considering _____ malfunctioned _____ resulted in overcharging, do _____ accuracy checks _____?
 _____ it normal _____ to _____ for accuracy when _____ malfunctioned and _____?

____ it ____ my meters might not ____ correctly, how frequently ____ checks ____ them?
 ____ you ____ frequently? I ____ meter ____ malfunctioning and ____ overcharging.
 ____ it appears ____ might not ____ correctly, ____ many accuracy ____ on meters?
 My ____ is ____ leads to ____ could you ____ me how ____ meters undergo accurate verification?
 Is ____ likely ____ the ____ should go ____ accuracy ____ since mine ____ have ____ and ____ overcharging?
 ____ you check the ____ think mine is ____.
 ____ think ____ might have malfunctioned, ____ in ____ how ____ checking does ____ meters ____?
 ____ might ____ pay high ____ if ____ meters are ____ and I'm ____ sure if ____ check _____.
 Is it normal ____ meters to ____ checked ____ could ____ in overcharging?
 ____ might have ____ pay high charges ____ my meters ____ and ____ don't ____ whether ____ check _____.
 Do ____ check ____ I ____ meter ____ malfunctioning and causing me ____ over ____
 Is it likely that the meters ____ check, considering ____ and resulted ____ overcharging.
 I ____ to pay ____ my meters malfunction, and ____ not aware ____ check ____ often.
 Is it ____ the ____ have an accuracy ____ since ____ have ____ and ____ overcharging.
 ____ meters often? ____ think mine is ____ that is ____ overcharging
 ____ it likely the meters ____ undergo ____ check ____ mine ____ have ____ and ended _____.
 I ____ mine may ____ to excessive charges, so ____ wonder ____ are ____.
 Do ____ check ____ it's malfunctioning
 ____ I am worried ____ are ____ causing inflated ____ has ____ accuracy ____ our ____ been checked recently?
 ____ check meters ____ I think ____ meter ____ bad.
 ____ you check ____ meter ____ My ____ be malfunctioning.
 ____ my ____ may have ____ to excessive ____ so how ____ meters get checked ____ accuracy?
 ____ you check ____ frequently? ____ think ____ is faulty ____ that's causing ____.
 Since it appears ____ meters might ____ be ____ right, ____ often ____ conducted?
 ____ meters have ____ my meter malfunctioned ____ me to ____ charge?
 Is ____ meters to be ____ to ____ sure they ____ since mine could ____ in overcharging?
 ____ wonder if there is ____ way ____ meter ____ on ____ schedule since ____ think ____ is malfunctioning.
 ____ billed more than ____ acting up, do you ____ meters?
 ____ it probable ____ an accuracy check ____ might have malfunctioned and ended ____ overcharging?
 Since it seems like my ____ might not ____ how ____ are ____?
 My meters ____ led to excessive ____ so how ____ do ____ checked?
 Is it ____ that ____ meters should undergo ____ accuracy ____ since mine ____ malfunctioned ____ ended ____?
 How ____ do ____ meters? There ____ to ____ an ____ with mine ____ caused inflated charges.
 I think ____ malfunctioned ____ to ____ charges, so ____ meters get checked?
 ____ check ____ think it is ____ and overcharging.
 ____ think mine might ____ and caused ____ think how ____ meters are ____.
 Considering the possibility that ____ could ____ and result in ____ normal ____ a meter ____ get ____?
 ____ the possibility ____ my ____ could ____ cause overcharging, is ____ normal for meters to ____.
 I guess how often ____ accuracy, ____ think mine might ____ malfunctioned, leading ____ charges.
 ____ that ____ meter ____ and result in ____ normal for meters to get accuracy ____?
 ____ that the meters will ____ an accuracy check since ____ may have ____ in ____.
 ____ am worried that my meter ____ malfunctioning ____ charges, ____ the accuracy of ____ meters ____?
 It is possible that the ____ should undergo ____ since ____ caused overcharging.
 ____ probable ____ the ____ accuracy check ____ may have malfunctioned and caused overcharging?
 ____ frequently ____ are checked ____ accurate ____ as my bill suggests a ____ one.
 Please ____ often meters ____ checked for ____ as my bill ____ one?
 As ____ be ____ do they be checked?
 ____ might have ____ pay ____ meters are malfunctioning, and I ____ you check them often.
 Is it ____ for meters ____ get accuracy ____ is ____ that my ____ and ____ overcharging?
 ____ think mine ____ malfunctioned, leading to excessive ____ frequently do ____ be ____?

I _____ to _____ high charges _____ my _____ and _____ sure if to check _____ regularly.
 Is _____ normal for meters to _____ accuracy _____ meter _____ malfunctioned and _____ overcharging?
 _____ think _____ meters _____ leading to _____ charges, _____ often do _____ get checked?
 _____ it normal _____ be _____ accuracy _____ have malfunctioned and resulted in overcharging?
 _____ so often, _____ could malfunction _____ cause excessive charges.
 My _____ have _____ excessive charges, _____ how _____ they get checked?
 Do _____ believe _____ would _____ checked _____ avoid discrepancies if my meter _____?
 _____ likely _____ the _____ undergo _____ accuracy check, since mine _____ and ended up overcharging.
 As my _____ be flawed, _____ they be _____?
 Is _____ likely that _____ should have _____ check _____ mine _____ up _____.
 Considering _____ have malfunctioned _____ caused overcharging, do _____ accuracy _____?
 _____ like to know _____ frequently _____ verification _____ an operational issue _____ to inflated costs.
 _____ my meters may be _____ frequently _____ get _____?
