

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Construction and development applications
Inquiry Sub-Category	Capacity and Availability Inquiries
Description	Customers seek information on the current water/wastewater system capacity and availability in their desired construction or development area.
Data Size	7,150 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ any restrictions _____ limitations _____ accessing _____ sewer _____ at our _____ construction site?

_____ it possible _____ and _____ use is not _____ our _____ spot?

Is it possible _____ the _____ sewer services at _____?

_____ access _____ have _____ water and sewer services on the _____ construction _____?

Local codes _____ on water and sewer connections _____ intended _____.

_____ regulations affect access to _____ and _____ at _____ site?

Is there any _____ sewer connections on _____ build _____?

_____ any limitations on _____ water _____ services at our _____ site?

_____ we access _____ sewer _____ site?

Is there _____ why _____ can't get water and _____?

_____ that _____ prevent _____ utilities at the planned construction location?

_____ it _____ that _____ impose _____ and sewer connections on _____ build site?

_____ it _____ possible to _____ water _____ sewer _____ our proposed _____?

Is it possible to access _____ sewer _____ at _____?

_____ know if there _____ restrictions on _____ your _____ resources _____ new construction _____?

_____ we _____ the water _____ sewer _____ construction site?

Is _____ possible _____ and sewage utilities during construction work?

There _____ be restrictions on _____ water _____ services for _____.

Is it alright _____ use water and _____?

_____ there _____ on _____ to water _____ sewer _____ at _____ construction zone?

_____ face any _____ in _____ and sewage services where _____ plan _____?

_____ we _____ water _____ services where _____ to build?

_____ to plumbing amenities during our project?

Is it _____ us to _____ specific _____ and sewer provisions at our _____?

_____ it _____ to use water _____ sewer services at _____?

Is _____ possible _____ us _____ and sewage services where _____ to _____?

Can we use _____ sewer on _____?

_____ and sewer _____ restricted _____ the _____ construction site.

_____ to plumbing amenities _____ the _____?

Is _____ a _____ access _____ water and _____ at _____ location?

Will _____ be _____ to _____ water _____ for our _____?

_____ there a restriction _____ and sewage facilities _____ work site?

_____ are questions about _____ water _____ at the proposed site.

Is there restrictions _____ usage of _____ at _____ suggested _____?

_____ and sewage connections to _____ site?

_____ it _____ securing water and sewer provisions at our _____?

Is there _____ access _____ water and sewer _____ site?

Is there _____ restrictions on _____ to _____ the _____ construction site?

_____ what extent _____ water _____ services restricted _____ the _____ site?

Can we obtain both water and _____?

Can _____ get water _____ at _____ construction _____?

_____ be _____ access water and _____ our build?

Is there _____ preventing us _____ the planned construction _____?

Can _____ the construction site _____ for both water _____?

Is access _____ water _____ services _____ the new location?

Is it possible _____ and _____ amenities _____ where _____ want to _____?

Is there anything that prevents _____ utilities _____ the _____ location?

_____ rules limit _____ access _____ water and _____ the _____?

There could _____ access to _____ and _____ at the _____ construction _____.

_____ questions _____ access to water _____ sewer utilities at _____ proposed _____.

What is _____ regarding _____ and sewer services _____ the _____ site?

Can we get _____ connections _____ proposed site?

_____ there be _____ the water/sewer _____ at _____ job site?

_____ restrict _____ of water _____ sewage during construction work?

_____ facilities _____ the proposed construction _____ may _____ restricted.

_____ planned project _____ any rules about hooking _____ water and _____ lines?

Please _____ us _____ if _____ in getting _____ and sewer services _____ project.

Is it necessary _____ specific _____ at our construction site?

Is _____ any _____ we _____ to _____ for _____ water and _____ at _____ construction _____?

Is it _____ get water _____ sewage _____ at _____ site?

_____ be building, _____ we _____ water and _____ services?

_____ there _____ to obtaining water _____ sewer _____ for the _____?

Can there _____ restrictions _____ access _____ water and sewer _____ construction _____?

Is _____ anything _____ us _____ at the construction site?

_____ restrictions _____ use of your _____ resources for a _____ construction _____ in _____?

_____ it _____ difficult to access the water _____ construction?

Is there any potential _____ water and _____ our upcoming _____?

Should _____ aware _____ constraints _____ obtaining _____ and sewer services for _____?

_____ there _____ restriction on the _____ and _____ our work site?

Should _____ face obstacles _____ and sewage _____ construction?

Can we _____ water and sewer services on _____?

_____ might _____ access to _____ sewer amenities at _____ site.

Is _____ a _____ of _____ by _____ sewage utilities _____ the project _____?

There _____ limitations when reaching _____ sewage utilities at _____ designated _____.

Access _____ and sewer services _____ our _____ site _____ restricted.

Will _____ be _____ to use _____ and _____ building?

What _____ of limitations exist _____ and _____ at _____ contemplated development plot?

Is it _____ and water _____ our construction site?

Is there any _____ water _____ sewer _____ the proposed _____?

How about _____ water and sewer _____ building site?

_____ do _____ have on _____ services at our building site?

Will _____ be _____ on the _____ of water and sewage _____?

Will _____ be difficult to get _____ sewage connections _____?

Can _____ get to _____ water _____ facilities _____ construction?

Our construction _____ may _____ to water _____ sewer services.

Will water _____ sewer _____ at our _____ site?

Is there _____ on water and _____ services at _____?

Can we get _____ sewage _____ during _____?

_____ it a problem to reach _____ sewage _____ the _____?

Does the _____ site _____ to _____ and _____ amenities?

_____ services may or _____ not be _____ at _____ construction site.

The _____ may restrict _____ water and sewer _____.

Are _____ to _____ water and sewage _____ during _____?

_____ sewer services _____ restricted at the _____ site.

Will _____ be _____ access to _____ and sewer _____ the _____ site?

Does _____ constraints on _____ and _____ connections on _____ intended build _____?

There might _____ on _____ water and _____ services _____ site.

Does our _____ construction _____ have _____ on _____ and _____ services?

_____ in this _____ there be _____ on plumbing _____?

_____ there be _____ on access _____ water _____ sewer _____ our _____?

_____ there could _____ limitations when reaching _____ and _____ utilities at the _____?

Is _____ any restriction _____ to water _____ sewage _____ at _____ new _____?

_____ there be restrictions _____ the water and _____ project?

_____ problem _____ get water _____ services for our construction?

_____ to _____ specific restrictions _____ securing _____ and _____ at our _____ construction site?

Do there any _____ the water _____ sewer connections in _____?

_____ limitations _____ access water _____ sewer _____ the site?

_____ to get the necessary _____ sewage _____ intend to build?

_____ there _____ restriction on using _____ sewer _____ build site?

Is there _____ our use of water _____ sewage _____ the _____?

Will there _____ any _____ the _____ of water and _____ construction?

_____ to _____ and sewer _____ for _____ proposed build?

There are some _____ regarding _____ of water _____ the _____ development plot.

_____ we need _____ any _____ when _____ water _____ sewage facilities at _____ planned _____?

Can we use the sewer _____ water _____?

_____ we access _____ water _____ sewer at _____?

How _____ water and _____ services be _____ at _____ site?

_____ our building _____ have water _____ sewer _____?

How will _____ be _____ to get the necessary _____ we _____?

Will _____ be _____ to _____ the _____ systems _____ worksite?

_____ may _____ limitations preventing _____ to _____ amenities _____ project.

_____ the proposed construction site have constraints _____ water _____?

_____ will we be _____ to access _____ water _____ services _____ we _____ construct?

_____ any _____ the use _____ water _____ sewage facilities on _____ site?

_____ we access the _____ at _____ construction site?

Is _____ a _____ the _____ of _____ sewage facilities on our intended _____?

_____ access _____ water and sewer _____ for our _____?

Are we _____ both _____ and drainage services _____ the _____ location?

_____ water _____ sewer facilities at the _____ construction zone?

_____ limitations _____ reaching water and _____ utilities _____ the _____ site?
 _____ the _____ water and sewage services apply _____ planned _____?
 Is _____ to _____ water _____ at _____ construction zone?
 Are _____ any limitations _____ to water _____ the construction site?
 Can we get _____ and _____ at _____ construction _____?
 Can we _____ the necessary water _____ where _____ are going _____?
 Is it _____ use _____ sewer services at _____ construction _____?
 Is _____ to water and _____ at _____ zone?
 _____ need _____ any _____ to the water _____ sewage facilities _____ the site?
 Is _____ any _____ that _____ it _____ use water/sewer _____ construction?
 Can there _____ restrictions _____ to _____ and water at _____?
 Is the _____ area _____ have restrictions on _____ connections?
 Does the proposed _____ any _____ on _____ and sewer _____?
 _____ need to know about _____ obtaining _____ sewer services for _____ project.
 Do _____ guidelines limit our _____ water _____ on _____ site?
 There _____ some _____ to _____ and _____ utilities at _____ proposed site.
 Do _____ rules _____ our access to _____ and _____ at _____ construction _____?
 _____ there _____ limitations that _____ access _____ amenities during the _____?
 Are _____ on _____ use of water and _____ amenities at _____ contemplated _____?
 _____ restrictions _____ getting _____ the water _____ at the building location.
 Will _____ be _____ on _____ of water/sewer _____ our site?
 Does _____ proposed construction _____ regarding water _____ sewer connections?
 Is _____ any restrictions _____ water and _____ the _____ site?
 Is there restrictions _____ and _____ proposed construction zone?
 Does any _____ affect access _____ water _____ sewer _____ site?
 _____ be restrictions _____ getting the water _____ services _____ project?
 Is _____ any restrictions _____ for _____ water and sewer _____ construction location?
 Is _____ way _____ use _____ and sewage utilities during _____?
 Is _____ restrictions for securing water _____ sewer provisions _____ construction _____?
 _____ some _____ regarding vailing water _____ at the proposed _____ location.
 _____ able _____ get _____ drainage services at the construction site?
 _____ anything _____ from _____ the _____ at the planned _____ location?
 _____ there any _____ we can get water _____ connections _____?
 _____ water _____ accessible at the _____ project _____?
 _____ limitations regarding _____ usage _____ water and wastewater amenities _____ the _____ plot.
 _____ possible to use _____ services at _____ construction location?
 _____ there _____ limitations _____ accessing water and _____ the construction _____?
 _____ it _____ to _____ to the water and _____ at _____ building _____?
 Water _____ service availability _____ be _____ at _____ site.
 Is _____ restrictions _____ and sewer _____ at _____ building site?
 Water and _____ services _____ at _____ proposed construction site.
 _____ kind of _____ regarding _____ usage of _____ wastewater amenities in _____ development _____?
 Is _____ regulations regarding access to water _____ at this _____?
 Is _____ on water and sewer access _____ the _____?
 _____ we _____ water and sewer services _____ we _____?
 At _____ site, are we _____ from accessing water _____?
 Is _____ possibility _____ difficulties when _____ water _____ sewage _____ at _____ project _____?
 Is _____ any reason to not _____ and sewer _____ building _____?
 _____ are some questions about _____ of _____ and _____ build spot.
 _____ any restrictions _____ water and sewer _____ the _____ construction zone?

Are _____ specific restrictions _____ be considered for securing _____ provisions _____ construction site?

_____ we be able _____ water and _____ at _____ construction _____?

_____ there _____ on access to _____ and _____ facilities _____ the _____ construction _____?

_____ on _____ and _____ services at our construction _____?

Will _____ water _____ sewer service _____ restricted _____ the _____?

_____ use _____ systems at _____ future site?

_____ we'll be _____ can we use water _____.

_____ any _____ and sewer services _____ the proposed _____ location.

_____ that we _____ use water and sewage _____ construction work?

_____ it possible that _____ codes impose _____ sewer connections on _____ site?

_____ there be _____ on the _____ of _____ water/sewer systems _____?

Is _____ access water _____ sewer at _____ construction _____?

Is there _____ way _____ not _____ and _____ in _____ work?

_____ restrictions on _____ sewer and _____ at the proposed construction _____.

_____ we _____ water _____ sewer _____ build?

There may be limits on _____ water _____ proposed construction _____.

_____ the _____ and sewage services apply to _____ project?

_____ we _____ able to _____ water _____ sewage _____ for _____ project?

_____ we _____ water and _____ our site?

_____ be _____ on accessing water and _____ build?

_____ be _____ on accessing _____ sewer _____ at _____ construction site?

Is _____ get _____ and sewage _____ on _____ proposed site?

Do any _____ limit _____ and _____ the proposed site?

Is _____ possible to _____ water and sanitary _____ at _____?

Will _____ be _____ restrictions on _____ sewer _____ in our future _____?

_____ govern access _____ and sewer _____ at the proposed _____?

Will _____ on the _____ of water and _____ while we're _____?

Do _____ rules prevent _____ from _____ water/sewer facilities _____?

Is _____ possible _____ water and sanitary _____ at the _____ site?

_____ we _____ able to _____ water _____ in _____ proposed building?

Does _____ us _____ using _____ utilities at _____ site?

Do any _____ limit _____ access _____ and sewer _____ proposed _____ site?

_____ availing water and sewer _____ construction _____ restricted?

_____ the proposed _____ area free from _____ on water _____?

What _____ the limitations _____ of water _____ wastewater _____ the _____ plot?

_____ any _____ that would prevent _____ from _____ water _____ construction?

_____ limit _____ to _____ and sewer _____ the _____ construction site?

Is access to water _____ sewage services restricted _____?

Can _____ water and _____ during _____ here?

Does _____ construction _____ have any _____ water and _____?

Is _____ we can do _____ of water and _____ construction?

Is there _____ access _____ and sewer services _____ the proposed _____?

What _____ you think about the usage _____ and wastewater _____ plot?

_____ about _____ to _____ and sewer amenities _____ this _____?

Is _____ and sewer services at our proposed _____ site?

Water _____ sewer _____ or may _____ be accessible at _____.

_____ use the construction site location to _____ and _____?

_____ there _____ rules preventing _____ water during construction?

_____ there _____ limits on _____ of _____ and sanitary _____ during _____ construction process?

Can _____ get _____ sewage during _____?

Do we need _____ at _____ planned _____ for _____ sewage facilities?

_____ our _____ construction _____ any _____ on _____ and sewer services?

_____ able to obtain _____ and sewage _____ during _____?

_____ it possible for _____ to _____ water or sewage _____?

Any rules _____ hooking up your _____ water and _____ location?

_____ we access _____ and _____ services _____ potential site?

_____ are _____ and sewer utilities _____ proposed site.

_____ there _____ getting water and _____ for construction?

_____ sorts _____ exist regarding _____ usage _____ and wastewater _____ at the _____ development _____?

_____ there be _____ getting sewage _____ services for our _____?

_____ do _____ water _____ sewer services _____ our intended building _____?

_____ they _____ water _____ sewage services at the _____?

_____ local _____ water _____ sewer _____ on the build _____?

_____ get the _____ sewage services where _____ are going to _____?

Is _____ restrictions _____ use of utility _____ for _____ new _____ project _____ area?

Is _____ possible _____ and sewer _____ our intended _____ site?

How can we use _____ sewer _____ site?

Do local _____ impose constraints on _____ connections on _____ build _____?

How do you access water _____ proposed building _____?

Is _____ any restrictions _____ near _____ build spot?

_____ some restrictions on _____ service _____ the construction site.

_____ there _____ restrictions on _____ and sewage _____ build spot?

_____ the construction _____ constraints on _____ water _____ sewer?

_____ there _____ on _____ amount _____ and _____ services we _____ while constructing?

Will our _____ have _____ water _____ sewer services?

Do any _____ and sewer _____ at the _____ site?

There are _____ rules _____ us from _____ water _____.

_____ we have access _____ both water _____ services _____ our _____?

At _____ construction _____ can _____ water _____ drainage services?

_____ get to _____ water and _____ utilities at our _____?

_____ any rules _____ to _____ and _____ at our construction _____?

Can _____ sewer services _____ the project?

Water _____ amenities _____ be _____ at _____ proposed building _____.

I _____ to _____ if _____ have any _____ water _____ services for our _____.

_____ there restrictions _____ getting water _____ services _____ our _____?

_____ there any _____ on _____ sewer at _____ construction location?

_____ the proposed _____ limit access _____ and sewer _____?

_____ be _____ reaching _____ sewage utilities at the site?

Is _____ for _____ and sewage utilities at the _____ to _____?

Does _____ restrict us from accessing _____ and sewer _____?

_____ there _____ chance _____ difficulties _____ reaching _____ sewage utilities at the _____?

When _____ services _____ are there any limitations or constraints?

_____ there a possibility of not _____ reach _____ and _____ at the _____?

Can we _____ and sewage facilities during _____?

Is _____ a possibility _____ difficulties _____ the _____ and sewage utilities _____?

Access _____ and sewer _____ the construction site could _____.

_____ anything _____ can stop _____ utilities at the planned _____ location?

Is _____ any _____ that _____ prevent _____ from _____ during construction?

There could be _____ when reaching water _____ the _____.

At the _____ there any _____ onvailing _____ and _____ services?

What are _____ limitations on _____ use of _____ wastewater _____ a _____ plot?
 _____ any rules _____ our _____ water and _____ on the construction _____?
 _____ it _____ to accessing water _____ services at _____ site, _____ any _____ or constraints?
 Will _____ to _____ and _____ services at _____ future site?
 Can we _____ way to _____ water and _____ where _____ to construct?
 _____ the _____ apply to _____ water and sewage services _____?
 Is _____ water _____ facilities at the proposed _____ zone?
 Is there any _____ could not _____ water _____ work?
 Is it _____ the water and _____ at _____ site?
 Will _____ and sewer service availability be _____ the _____?
 _____ access _____ and sewer _____ at _____ new location?
 Is _____ that _____ be able _____ use the utilities at _____ construction _____?
 _____ it _____ to not be _____ to _____ sewage _____ at the _____ site?
 Can we _____ the water and sewer _____?
 How _____ to the _____ utilities at _____ building location?
 _____ possible for _____ to get water _____ services at the _____?
 Does _____ construction area have _____ on _____ and _____?
 There are _____ questions about _____ area's water _____ connections.
 _____ restrictions on _____ and sewage _____ at _____ new location?
 We _____ like _____ know if _____ constraints in obtaining water _____ for the _____.
 Do _____ limitations _____ and sewage _____ apply to _____ planned _____?
 Is it possible _____ get water _____ services _____ site location?
 Do we need to _____ any _____ and _____ facilities at the _____?
 _____ rules _____ our access to _____ and sewer _____ on the _____?
 Is _____ possible _____ there to be limitations when _____ water _____ sewage _____ project _____?
 _____ anything that could prohibit _____ water and _____ during _____?
 There might _____ on access _____ water and _____ services _____ our _____.
 Should _____ face obstacles _____ we get _____ here?
 Are there any _____ sewage _____ our site?
 _____ possible to _____ water _____ sewer services _____ construction site?
 Is it possible to get water and _____?
 Is the construction area allowed _____ restrictions _____ connections?
 Is it _____ get water _____ the building _____?
 Is there any specific _____ water _____ services at the _____?
 _____ codes _____ water and _____ the intended build site?
 Water _____ sewer _____ be restricted _____ our _____.
 Is _____ water and _____ near _____ spot a _____?
 Is _____ possible _____ and _____ services _____ restricted at _____ new _____ location?
 Water _____ services could be _____ the proposed _____.
 Will _____ be _____ restriction _____ water _____ at the building _____?
 _____ restrictions on _____ the water and _____ utilities _____ the _____ building _____?
 Is it _____ to _____ and sanitary services _____ the _____.
 Will we _____ water _____ services for our project?
 Is there _____ restriction _____ use of _____ facilities _____ the work _____?
 _____ possible that _____ restrictions _____ affect _____ access during _____?
 _____ consider for securing water and sewer _____ the construction site?
 _____ it possible _____ get to _____ or _____ facilities _____?
 _____ it _____ for _____ specific restrictions for _____ and sewer at our _____ location?
 _____ any _____ limit _____ access to _____ sewer on _____ site?
 _____ we allowed to _____ and sewer services _____ building?

During construction, do _____ rules _____ from using _____ facilities?

Will there be limits _____ the _____ of _____ services _____?

_____ limits on _____ the utilities at the _____?

Can _____ on reaching _____ water _____ utilities at the project _____?

Is there _____ restrictions on _____ sewer use _____ spot?

Is there _____ use of sewage _____ water facilities _____ site?

Do _____ proposed _____ restrictions _____ its water and _____ connections?

_____ there _____ restrictions on _____ and sewer services _____ the _____?

Is _____ a _____ to _____ the necessary water and _____ we _____ build?

_____ we need to follow any _____ regarding accessing water _____?

_____ from getting water and _____ services for our _____?

_____ usage of _____ services restricted _____ the _____ building _____?

_____ we be able _____ get the _____ and _____ need for _____?

_____ can we _____ water and sanitary _____ the _____?

_____ may be _____ and sewer _____ restrictions at _____ construction _____.

Can _____ hard to access _____ or _____ facilities _____ construction?

_____ any restriction on _____ services _____ proposed construction location?

_____ water and sewer _____ build?

Do any _____ water _____ sewer services _____ the proposed _____ site?

_____ there any _____ on water _____ sewage _____ the new _____?

_____ it _____ to _____ sewer near our buildspot?

Is water _____ sewage services _____ the _____ project _____?

Is _____ water and sewage _____ restricted _____ new _____ location?

Is _____ restrictions on using _____ and sewer _____ construction _____?

There _____ constraints on _____ sewer services _____ our _____ site.

_____ the regulations _____ access to water and _____ this _____ site?

Can _____ face obstacles when _____ to _____ water _____ services where we _____?

Is _____ any _____ water _____ sewer _____ at this proposed _____?

_____ be obstacles while _____ obtain water _____ connections?

_____ we _____ we use water and sewer?

Can _____ and _____ utilities _____ accessed _____ the _____ site?

_____ it _____ us to access necessary water and _____ we plan _____?

Could _____ construction _____ potential restrictions _____ to _____?

Is there _____ or sewer connections in _____ area?

Can _____ access _____ and _____ services _____ our _____ site?

We want to know if _____ can get _____ sewer _____.

Does the proposed _____ location have _____ water _____ sewer _____?

_____ regarding access to water and _____ amenities _____ building site?

Are there _____ at _____ proposed construction site?

_____ there be _____ on _____ sewer _____ at _____ construction site?

_____ we _____ obstacles when _____ and _____ connections here?

Does the _____ project _____ affect _____ to _____ services?

Is _____ using water and sewage _____ our _____ site?

_____ access water and sewer _____ area?

Were _____ potential constraints _____ obtaining _____ sewer _____ the project?

_____ constraints on getting water _____ sewer _____ at the _____ site?

Is there _____ on using water _____ on _____ work _____?

Do regulations prevent access _____ amenities _____ construction site?

_____ service be restricted at the _____ site?

Is it _____ to _____ limited _____ to water or sewage _____?

Is it ____ to ____ water ____ sanitary services ____ building ____?
 ____ and ____ services ____ not be accessible ____ our ____ construction ____.

When going ____ water and ____ a project ____ there ____ limitations?

Is ____ any ____ onvailing water and ____ services ____ location?
 ____ have any restrictions on ____ and sewer ____ at ____ construction ____?

There ____ be ____ on ____ and sewer ____ at ____ site.
 ____ any constraints ____ obtaining water ____ sewer services ____ the ____?

Is there any way ____ we ____ use ____ and ____ work?

Can ____ limits on accessing ____ and sewer ____ our ____?
 ____ there ____ constraints on ____ water and sewer services ____ construction ____?
 ____ know if there are any constraints in ____ water ____ project?
 ____ there ____ use of utility ____ at the ____ building ____?

Do guidelines or ____ our access ____ on the ____ site?
 ____ get water ____ services at ____ intended site?

I ____ if ____ restrictions on using ____ near our ____ spot.
 There are some ____ access ____ water at ____ proposed ____ site.
 Can water and sewer ____ building?
 ____ we ____ both ____ and drainage services at ____?
 ____ to get water ____ sewer ____ at our ____ site?

Is it necessary to ____ specific ____ secure ____ and ____ construction location?
 Any rules ____ up the water and ____ location?
 Can ____ water ____ sewer services ____?
 Is ____ possible to ____ water or sewage ____ during ____?
 Can you tell me if ____ using ____ resources ____ new construction ____?
 ____ it comes ____ the necessary water ____ can we face ____?
 ____ there be ____ on ____ use of water ____ services in ____?

Is there ____ potential ____ in ____ services for this ____?
 ____ restrictions affect plumbing ____ during ____?
 ____ rules restrict ____ to ____ and sewer ____ the construction ____?

During construction ____ this ____ on access to plumbing?
 ____ any rules ____ access to water ____ sewer at ____?
 ____ are the ____ the use ____ water and wastewater ____ development ____?
 ____ regulations ____ to ____ and sewer amenities ____ the ____ site?
 ____ are the regulations regarding accessing water ____ the ____?

Is ____ to ____ necessary water ____ sewage services where ____ intend ____?
 ____ be allowed ____ use ____ and ____ services while ____?
 ____ a way ____ can't use ____ and sewage utilities ____?

Is there ____ restriction ____ the ____ and sewer near ____?
 Does ____ proposed ____ area ____ its sewer and ____ hookups?
 ____ anything prevent us from ____ utilities ____ planned construction ____?
 Can ____ access water and sewer ____ the ____?

Is ____ to ____ and sewer services ____ our construction ____?
 ____ we have ____ to both ____ and drainage ____ on ____?

What can prevent ____ from utilizing the utilities ____?

Can ____ to the ____ sewer services ____ our construction ____?

Is ____ a restriction on ____ and ____ the ____?

Does ____ limit ____ access ____ and sewer ____ on ____ site?

Is there ____ restriction of water ____ sewage ____ location?

Will we be ____ to use ____ the construction?
 ____ any ____ water ____ sewer ____ at our ____ construction site?

_____ have _____ rules when entering water _____ facilities at the _____ site?

At the _____ is _____ water and sewage _____?

Is _____ way _____ get water and _____ for _____ proposed _____?

_____ there restrictions _____ access to _____ the construction zone?

Is _____ to plumbing _____ is limited _____ our project?

We would like to _____ if there are _____ in getting _____ for _____.

_____ we _____ access to water and _____ at _____ new _____?

_____ it _____ problem to _____ during our _____ project?

_____ there limitations _____ access to plumbing amenities?

_____ the rules _____ up _____ water and _____ lines _____ our location?

_____ there be any restrictions on using the _____?

Is _____ a reason _____ get water _____ services at _____ site?

Will we be able to _____ the water _____?

Will water _____ be _____ the building site?

_____ use of water and _____ at the contemplated development _____?

Is it possible _____ local _____ constraints _____ sewer _____ intended build site?

Water _____ sewage _____ may _____ be _____ at the new project _____.

_____ there _____ restrictions on _____ water and sewers _____ our _____?

Will _____ building site _____ water and sewer _____?

_____ it possible _____ and sewer services where _____ be _____?

Can we _____ and _____ services _____ new construction site _____ being _____?

Can there _____ access to water _____ sewer _____ at _____ proposed _____?

_____ let us _____ are any constraints _____ water and _____ services for _____.

_____ there any _____ on _____ utility services at _____ suggested _____?

Is _____ are limitations _____ water and sewage utilities _____ the _____ site?

Will _____ see _____ water and _____ at our _____ site?

_____ there _____ water and _____ services at the site?

Are _____ any _____ water _____ sewer at _____ proposed construction _____?

What _____ limitations exist regarding the _____ water and wastewater _____ development _____?

Is it _____ to get _____ water and _____ the _____ location?

What are _____ getting _____ sewer services at the _____?

Do _____ regulations _____ to _____ and _____ at _____ construction site?

_____ there any restrictions or _____ on access _____ water _____ our _____?

_____ there _____ water and sewer _____ proposed construction zone?

Can _____ specific _____ sewer services _____ the proposed construction location?

_____ we need to _____ rules _____ water _____ sewage _____ at _____ site?

What restrictions _____ use _____ water and wastewater amenities _____ the _____?

Is it _____ to get _____ sewer _____ construction site?

There _____ restrictions on access _____ plumbing _____ construction in _____.

_____ we _____ water and _____ on _____ construction site?

Rules _____ water and _____ our _____?

_____ to water _____ sewer _____ at our _____ site?

_____ there _____ preventing access _____ plumbing amenities _____ our _____?

There _____ be _____ sewer _____ the proposed construction _____.

_____ there any _____ regarding hooking up water and sewage _____?

_____ there _____ on _____ to water _____ sewer _____ at _____ construction zone?

Will _____ building _____ have _____ water _____ availability?

_____ regulations restrict _____ water and sewer _____ construction site?

Will there be _____ in _____ water and _____ our _____?

Do _____ guidelines restrict _____ and sewer services _____ the _____ site?

_____ at our construction site?

_____ we have _____ follow _____ regarding access to water and _____ site?

_____ it _____ to _____ amenities during the project?

We need _____ know _____ are _____ constraints in _____ sewer services for our _____.

There _____ possible restrictions _____ water _____ services _____ the _____ location.

_____ any _____ using water and _____ in _____ build spot?

How _____ water and _____ utilities be _____ at _____?

_____ there any limitations _____ the use _____ water and _____ amenities _____ development _____?

_____ the _____ construction _____ have _____ on _____ sewer service?

_____ there anything that _____ prevent us _____ utilizing the _____ construction _____?

Will _____ sewer services be _____ our _____ site?

_____ there _____ on _____ of water and _____ facilities _____ the site?

Is _____ access to _____ amenities _____ the project?

Is there limitations _____ water _____ at _____ construction site?

Are _____ able _____ water and _____ during the _____?

_____ it difficult _____ necessary plumbing _____ our project?

_____ services may be _____ the new location.

There _____ that _____ access to plumbing amenities _____ the _____.

_____ are some _____ about access to _____ sewer _____ at _____ zone.

Is _____ using water _____ near the build site?

_____ possible for us to use _____ near our _____?

_____ proposed _____ has _____ restrictions on _____ and sewer connections.

Can _____ access _____ and _____ at the _____ site?

Does the _____ have _____ restrictions _____ use of _____ sewer services?

What _____ exist _____ the _____ of water _____ wastewater amenities _____ a _____?

_____ it possible to _____ obstacles _____ water _____ during construction here?

_____ we use sewer and _____ while _____?

_____ access _____ sewage amenities where we plan to construct?

How _____ access _____ and sewer in _____ area?

_____ access to _____ and sewer services limited _____?

What _____ water _____ sewer _____ at the _____ site?

Can _____ sewer _____ water _____ where _____ be building?

Do _____ limitations apply _____ the _____ sewage _____ at _____ site?

There _____ be _____ or limitations on access _____ at the construction _____.

_____ to water _____ sewer services _____ on _____ construction site?

_____ there anything that _____ utilizing _____ at the _____ construction location?

_____ be restrictions on accessing _____ in the proposed _____.

During _____ project, are there any _____ plumbing _____?

Can there be limitations _____ impede _____ amenities _____ project?

_____ anything stopping _____ getting water and sewer services _____?

Should we _____ able to _____ access water _____ amenities _____ plan _____?

Should _____ in _____ water and _____ connections _____ construction?

_____ the _____ site restrict access _____ water _____ utilities?

_____ limited access to _____ amenities _____ the _____?

_____ there _____ access plumbing amenities during _____?

Water _____ could _____ at this proposed building _____.

_____ access water _____ in _____ planned area?

Is it _____ some _____ could _____ plumbing access _____?

Any _____ access to water and _____ at our _____?

_____ it _____ access water _____ sewer at _____ construction site?

_____ be limitations to access _____ water and _____ the _____?
 Does the construction area _____ restrictions _____ sewer _____?
 _____ water _____ drainage services on _____ construction site?
 _____ there _____ restrictions _____ and _____ connections _____ the proposed area?
 Can it _____ difficult _____ sewage _____ during construction?
 _____ can we access _____ sewer _____ our construction site?
 What _____ the _____ access _____ water _____ sewer services _____ proposed construction _____?
 _____ any rules about hooking _____ sewage lines at _____ site?
 _____ water and sewer services at _____ building site?
 _____ there _____ possibility _____ going to the water and sewage _____ at _____?
 Do _____ apply to _____ water and _____ at _____ worksite?
 _____ possible to _____ water _____ sewer at _____ building _____?
 _____ it possible _____ us _____ access the necessary _____ sewage _____ we are _____?
 Is _____ for securing water and sewer _____ our _____ construction site?
 _____ rules _____ hooking up _____ water _____ sewage _____ the project location?
 _____ and sewer availability be restricted _____ the _____?
 Do any guidelines limit _____ access _____ water _____ at _____ proposed _____?
 _____ it be difficult _____ access water _____ sewer _____?
 _____ water and sewage utilities _____ site, are there _____?
 Will there _____ restrictions _____ water and sewer _____ build?
 _____ there _____ restriction on obtaining water _____ sewer _____ at _____ location?
 _____ sewage _____ may be restricted _____ the _____ site.
 Does _____ site _____ any _____ on access _____ sewer services?
 What _____ the limits on _____ of water _____ amenities _____ contemplated development _____?
 _____ there a _____ on _____ access _____ sewer services on _____ construction _____?
 _____ the construction location _____ any restrictions _____ and _____?
 Do _____ limitations _____ accessing water _____ sewage _____ the _____ site?
 Is _____ possible to have _____ and _____ services _____ the proposed _____?
 At _____ proposed _____ are _____ limitations to access water _____?
 _____ the _____ construction zone _____ there _____ on _____ and sewer facilities?
 _____ it _____ to _____ and sewer _____ at the _____ construction _____?
 _____ there any _____ on _____ and sewer connections _____ the _____ construction _____?
 Will _____ allowed _____ use _____ and _____ services while constructing?
 _____ be water _____ service restrictions _____ the proposed _____.
 _____ it _____ us _____ and sewage services _____ we plan to _____?
 We _____ know _____ are _____ potential _____ in getting _____ and sewer _____ for _____ project.
 Will _____ any restrictions on the _____ future _____ site?
 Will _____ be restrictions about getting _____ and _____ for _____?
 There _____ be constraints _____ water _____ sewer _____ building site.
 _____ could be restrictions on _____ the _____ and sewer utilities _____.
 How can we _____ the _____ and _____ our building _____?
 Is _____ possible _____ get the _____ sewage _____ plan to build?
 Water _____ sewer _____ may _____ restricted at the _____.
 Will _____ be restrictions _____ the _____ of the _____ at _____ future _____?
 _____ construction site may have _____ on _____ to water _____.
 Can _____ use _____ sewer when _____?
 Were there any _____ water _____ sewer services _____ the _____?
 Can there be _____ on _____ to _____ sewer services _____ site?
 _____ and sewage _____ be _____ at _____ project site?
 _____ to _____ if _____ any restrictions _____ water and _____ at _____ construction site.

Is it _____ to _____ and sewer services at _____?

There _____ any restrictions _____ water _____ services at _____ construction _____?

Will _____ limits _____ the _____ and sanitary _____ while constructing?

_____ limitations _____ the usage of water and wastewater _____ in _____?

_____ we face obstacles _____ obtaining _____ and _____ connections _____?
