

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Troubleshooting gas-related equipment
Inquiry Sub-Category	Gas Pressure Problems
Description	Customer inquiries related to low or high gas pressure issues, including understanding the potential causes, possible consequences, and seeking assistance to resolve such problems.
Data Size	8,201 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Are ____ any ____ ____ with high gas pressure ____ ____ properties?

____ my ____ ____ risk ____ of high ____ pressure?

____ higher-than-normal gas ____ ____ homeowners?

____ the ____ ____ with elevated ____ pressure at a ____?

____ there ____ risks ____ ____ pressure at houses?

____ increased ____ pressure ____ the ____ of ____?

Can increased ____ gas pressures ____ ____?

____ ____ pressures ____ present risks.

____ may ____ safety ____ with high ____ ____ within ____ areas.

Do ____ ____ ____ have risks?

Do ____ ____ safety concerns ____ high gas pressures ____ ____?

____ ____ ____ pressure in ____ dangerous?

____ ____ ____ bad for residence safety?

____ ____ any ____ with high gas ____ ____ homes?

____ high household gas strains ____ ____?

Does ____ gas pressure ____ ____ to ____ homeowners?

____ the ____ of gas pressure ____ ____?

____ excessive gas ____ a ____ for ____?

____ ____ ____ associated ____ increased ____ pressure in the home?

Is ____ gas ____ ____ homes ____ safe?

I ____ ____ high gas ____ ____ in homes.

____ high-pressure gas ____ people's ____?

Is high ____ gas in ____ ____?

Residential ____ ____ can pose ____ ____.

A question ____ high ____ ____ in ____.

____ about ____ gas making ____ ____?

____ increased gas ____ ____ issues ____ residents?

What ____ exist ____ ____ residential gas ____?

Is high ____ ____ in ____ ____?

A ____ safety concern ____ ?
____ dangers associated ____ ____ fuel pressure?
____ gas pressure ____ ____ pose a ____ ?
Does ____ gas pressure ____ my house ____ ____ ?
____ there ____ ____ with elevated residential ____ ?
Should people be concerned ____ ____ safety of ____ ____ ____ their ____ ?
Is ____ ____ pressures ____ ?
____ there ____ ____ to gas pressure ____ residential properties?
____ high-pressure natural gases ____ ____ ____ security?
There ____ possible ____ related to ____ ____ fuel ____ .
Do people's ____ have ____ gas ____ ____ ?
____ property security ____ be ____ risk ____ heightened ____ pressures.
Is ____ house ____ to ____ ____ pressure?
____ higher gasoline ____ ____ residential ____ security?
Do ____ ____ heightened ____ ____ endanger residential property security?
____ are ____ ____ related ____ ____ gas pressure in residential ____ .
____ high house ____ ____ be ____ ____ danger?
____ there any risk ____ with ____ ____ gas ____ ?
____ ____ we ____ out for when there's ____ ____ ____ our homes?
