

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Specific source information
Description	Customers ask for specific information about the mix of generation sources used by their supplier, such as the breakdown of wind farms, solar installations, or specific power plants, to align their preferences with their energy provider's practices.
Data Size	5,000 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What ____ breakdown of wind ____ generation source ____?

I ____ to ____ how the distribution ____ energy ____ can be ____ in ____.

____ you ____ me ____ wind farms ____ my power ____?

How ____ wind ____ into the ____ energy sources?

____ you ____ how wind ____ work into ____ mix?

____ wind ____ included in ____ generation ____?

How ____ farms are ____ your ____ source breakdown?

____ interested ____ learning the ____ farms ____ my power ____ mix.

____ you tell ____ wind farms in the ____ generating ____?

____ you provide ____ with ____ of ____ in ____ power generation mix?

How wind ____ affect ____?

____ a ____ farms and sources ____ for generation.

____ would ____ quantify ____ wind ____ to your generation source?

____ curious about the amount ____ farms ____ your ____ generation ____.

____ you give ____ on ____ wind farms fit into ____ mix?

Do you know ____ of ____ farms ____ the ____ mix?

____ you ____ to ____ the ____ of ____ farms in your ____?

____ you tell ____ ratio ____ the wind ____ your ____ mix?

Are you ____ to ____ much comes from ____?

Do ____ how ____ the ____ farms are ____ the power ____?

Did you ____ the ratio ____ to ____ sources?

____ you tell ____ about the ____ of ____ farms ____ energy ____?

Can ____ tell ____ what ____ to my generation ____?

Do you ____ portion ____ wind ____ your sources?

____ you ____ the ____ of power ____ farms?

____ know ____ distribution of ____ sources?

Do you know ____ wind farms ____ energy ____?

____ impact of ____ farms ____ energy sources' composition?

_____ are _____ of wind farms on _____ sources?
 Have you _____ contribution _____ farms to your _____?
 _____ you _____ explain the distribution _____ your wind _____?
 _____ tell _____ the proportions _____ wind farms _____ your _____ mix?
 How do _____ the energy _____?
 Would you _____ about _____ of wind energy sources _____?
 _____ does wind _____ into _____ energy _____?
 _____ you _____ farms work into _____ power _____ mix?
 _____ of wind farms _____ the _____ your sources of energy?
 _____ to know how _____ wind farms _____ the power _____.
 _____ distribution of wind _____ sources found _____ mix?
 What _____ farms taking _____ your energy _____?
 Will _____ tell _____ about the _____ of _____ in my _____ mix?
 _____ a _____ about wind farms _____ sources used _____.
 Can you give an _____ wind _____ your power _____ mix?
 _____ the mix of _____ your power _____?
 _____ is _____ farm mix _____ your _____?
 _____ you _____ how the _____ affect generation mix?
 _____ role _____ wind _____ in _____ energy sources?
 How _____ classify _____ to your generation source?
 I _____ know _____ percentage _____ in your _____ Generation mix.
 _____ you _____ tell _____ the breakdown _____ your _____ farms?
 Can you _____ how _____ farms _____ your generation _____?
 _____ mix for your _____ generator?
 _____ you _____ percentage of wind _____ your _____ generation mix?
 _____ on how _____ farms work in _____ energy mix?
 _____ is in you energy mix?
 Can _____ number _____ wind farms _____ your power _____ mix?
 What are the mix _____ farms in _____?
 _____ it _____ the distribution _____ wind energy sources _____ found _____ your mix?
 Discuss the mix of wind _____ generation _____.
 I'm _____ about the _____ of _____ farms _____ power generating _____.
 Can you tell _____ farms in my generation _____.
 Can _____ give _____ estimate on _____ wind _____ work _____ power _____ mix?
 _____ wind farms make _____ source _____?
 _____ there a breakdown of _____ wind _____ generation mix?
 _____ to _____ out the _____ of _____ farms in my power _____.
 Do _____ know _____ percentage of wind farms _____ the _____?
 _____ about _____ farms in _____ energy _____?
 How are _____ farms _____ energy _____?
 Is _____ farms contribute to _____ generation mix?
 Can you _____ me _____ number _____ wind _____ power mix?
 _____ portion _____ wind _____ your sources?
 Your _____ source _____ a breakdown of _____.
 _____ do _____ farms _____ a _____ in the _____ of _____ sources?
 _____ wind farms affect the _____ composition of _____?
 Did _____ know the proportion of _____ in the _____?
 How is _____ power _____?
 _____ was _____ the amount _____ farms in the power _____.
 _____ are the _____ farms used _____ the _____ mix?

_____ looking _____ information on the _____ of wind farms _____ power _____.
 _____ us an estimate _____ how _____ farms _____ your generation _____?
 _____ are _____ effects _____ farms on _____ source composition?
 What are _____ roles _____ farms _____ in your _____
 Wind _____ factor _____ sources.
 What _____ of wind farms _____ power _____ mix do _____?
 _____ wind farms part _____ mix?
 _____ discuss the _____ of _____ energy _____ in _____ mix?
 Share your _____ in _____ energy _____.
 Is it possible _____ the _____ of _____ in my power _____.
 Is _____ how _____ farms interact _____ power generation mix?
 _____ you give me _____ overview _____ much _____ comes from _____ farm _____?
 I _____ summary _____ how energy _____ wind _____ contributes _____ the _____.
 Do you _____ percentages of _____ the power _____?
 _____ me _____ the _____ of wind farms _____ your mix?
 Can _____ me about _____ of wind _____ power mix?
 I _____ to know about _____ proportions of the _____ power _____ mix.
 _____ wind _____ your _____ of energy?
 _____ you _____ information about _____ proportions _____ farms in my _____ mix?
 _____ want to know the breakdown _____ used _____ generation.
 _____ do _____ farms _____ the energy _____?
 _____ shed _____ on the breakdown _____ wind _____ in your _____?
 _____ tell _____ what your wind energy _____?
 _____ you _____ an _____ how wind farms work _____ your _____ generation _____?
 _____ farms _____ to _____ with the _____ of your _____ sources?
 _____ me the breakdown of wind _____ generation's _____.
 _____ to know the _____ of _____ farms _____ power generation mix.
 What _____ wind farms _____ part _____ the generation's _____?
 How _____ farms comprise _____ breakdown?
 _____ like _____ about the _____ of wind farms _____ your _____ generation _____.
 _____ it _____ the _____ wind farms _____ your power generation mix?
 How about the _____ of _____ sources within _____?
 Can _____ tell me _____ of _____ farms _____ your power generation _____?
 What _____ impact on the composition of _____ from wind _____?
 _____ about the _____ energy _____ within your mix.
 _____ you _____ the _____ of wind _____ the power mix?
 Can _____ give us _____ idea of _____ farms _____ our _____ mix?
 How _____ farms affect _____ sources?
 Can _____ about the contribution _____ farms _____ your _____ mix?
 I _____ proportions of wind _____ in the _____ mix.
 _____ much _____ power generation _____ is _____ farms?
 Is _____ any _____ proportions _____ wind _____ in the power _____?
 Clarify how _____ your generation _____.
 Tell _____ the breakdown of _____ farms in _____ generation's _____.
 _____ am interested in _____ proportions _____ the wind _____ the power _____.
 What _____ do wind _____ on _____ composition of _____?
 What is _____ breakdown _____ wind _____ the _____ mix?
 _____ would _____ know the _____ farms in _____ power generation mix.
 _____ you give _____ on how _____ from _____ farms?
 I _____ know _____ proportions of _____ farms _____ my _____ generation _____.

Can _____ idea of how wind farms _____ generation mix?

What percentage of _____ farms _____ the _____ of _____?

_____ you tell me _____ energy sources are _____?

I _____ to _____ the proportions of wind farms in _____.

Did _____ help to _____ how _____ distribution _____ found within your mix?

Can _____ tell _____ how _____ farms affect _____?

_____ the proportions of _____ farms _____ mix known?

_____ give _____ estimate _____ wind _____ with your power generation mix?

_____ wind _____ factor _____ the _____ sources you use?

I'm _____ the _____ of wind farms _____ power _____ mix.

Is it _____ farms contribute to _____ generation mix?

_____ there _____ estimate _____ wind _____ affect your energy _____?

_____ does wind _____ fit _____ energy _____?

_____ show us how wind farms are _____ generation _____?

Are you able to _____ me _____ the _____ turbines in _____?

_____ tell me how wind _____ contribute _____ generation _____.

Is there _____ the wind _____ in _____ power _____?

_____ you able _____ describe _____ proportions _____ wind farms in _____ generation _____?

Can _____ tell _____ wind farms _____ mix.

_____ farms are within your _____?

_____ is _____ mix _____ wind farms _____ the _____?

Do you _____ wind _____ work _____ your _____ mix?

How do _____ farms _____ into _____ energy _____?

I _____ know what _____ proportions _____ farms _____ in my _____ mix.

I'd like to _____ proportion _____ wind _____ in _____ power _____.

_____ proportions of wind farms in the power _____.

I want _____ of wind _____ in the power _____.

_____ explain _____ of _____ wind sources?

Can _____ tell _____ the number _____ farms _____ your _____?

_____ you give _____ how _____ farms _____ in your energy mix?

_____ is _____ impact of _____ on _____ mix?

_____ you _____ an estimate of _____ wind farms _____ generation mix?

Do you _____ a way of _____ affect your power _____?

Can _____ tell _____ farms make your _____ mix?

Can _____ the _____ of _____ sources _____ the mix?

How do _____ wind _____?

_____ you _____ the _____ of _____ farms in _____ power _____?

_____ show _____ how the wind _____ affect _____ generation mix?

How _____ farms _____ in with _____ sources _____ use?

_____ wind farms _____ in _____ the _____ sources _____ use?

_____ you give _____ how much comes from _____ farms?

_____ curious about the proportion of _____ your _____.

_____ me _____ many _____ farms _____ are in your power generation _____?

Do _____ an idea _____ the _____ wind farms _____ power generation _____?

Can you give _____ estimate on _____ farms _____ your power _____?

_____ the _____ of wind _____ your overall mix?

_____ to know how wind _____ our power generation _____.

Can you tell _____ farms contribute _____ mix?

Can you tell me _____ wind farms _____ my _____?

Can you _____ a _____ the _____ farms _____ your energy _____?

_____ am _____ for information _____ the percentage of _____ farms _____ power _____.

_____ you _____ about _____ of power from wind _____?

_____ _____ information _____ proportions of wind _____ in _____ power generation mix.

_____ _____ the wind farms _____ your generation mix?

What about wind farms affects _____ energy _____

_____ amount _____ wind _____ in the _____ generating mix?

_____ are _____ wind _____ play in _____ electricity _____ profile?

Is _____ on _____ farms and sources _____ for generation?

What power _____ breakdown _____?

Can you _____ us _____ wind _____ power generation mix?

What _____ the _____ of _____ farms on _____ of _____ sources?

I have a _____ of _____ farms _____ the _____ generation mix.

_____ distribution of wind _____ sources in _____ mix?

_____ you have _____ explanation about _____ distribution of your _____?

_____ have an _____ of _____ farms _____ your power generation mix?

_____ know _____ wind farms _____ the power generating mix?

_____ wind farms' contribution to _____?

_____ the proportions of the wind farms in _____.

Which _____ play a part _____ your electricity _____?

Can _____ give _____ idea on _____ farms affect _____ mix?

_____ am curious about the proportion of _____ mix.

_____ you _____ me _____ share _____ farms _____ the power generation _____?

_____ are the consequences _____ wind _____ energy source?

How _____ distribution of _____ energy _____ be found within _____ stated.

_____ an _____ wind farms fit into _____ Power Generation _____?

_____ farms _____ into _____ energy mix?

What _____ roles wind _____ in _____ energy mix?

Tell me _____ in your power generation _____.

I'm _____ the _____ farms _____ my power generation mix.

wind _____ factor _____ energy _____

How the distribution of _____ be found _____ mix _____ helpful.

_____ show _____ how wind _____ contribute to your _____ generation _____?

What's _____ relationship between _____ farms and _____ your _____ sources?

I wanted to know the _____ of _____ your _____.

Do _____ percentage contribution wind _____ in your _____ sources?

What is _____ breakdown of _____ in _____ generation's _____ mix?

How _____ of _____ energy _____ can be _____ within _____ mix?

_____ any _____ on the _____ wind farms in _____ power generating _____?

Is _____ talk about _____ of wind energy _____ your mix?

I would _____ much _____ farms are in the _____ mix.

How _____ wind _____ used for _____?

Can _____ tell me _____ of _____ in _____ generation's source _____?

_____ want to know the _____ of the _____ power generation _____.

I want to _____ the _____ wind energy sources _____ found _____ mix.

How _____ farms _____ power _____ breakdown?

_____ it _____ to _____ the _____ of _____ energy _____ within _____ mix?

Which _____ farms _____ included in your _____?

_____ summary _____ energy from wind farms _____ to the mix.

Wind farms _____ your _____ mix.

_____ how wind _____ are used in my _____ generation _____?

____ want ____ know how much wind ____ energy mix.
 ____ do ____ affect the composition ____ your source ____?
 Does ____ know ____ breakdown ____ wind ____ and sources ____ for ____?
 ____ tell me the ____ farms in the power ____.
 Tell me ____ farms in ____ power generation ____.
 Please give ____ farms ____ your power generation portfolio.
 What ____ the composition of ____ source by wind ____?
 ____ you ____ the ____ wind energy ____ within ____ mix?
 Would you like to ____ farm composition ____ energy ____?
 Can ____ give me some information ____ from ____ farms?
 I ____ to ____ many wind ____ are in your ____.
 ____ the distribution ____ wind ____ sources ____ your ____?
 ____ would like ____ the proportion ____ in the ____ mix.
 Can ____ tell ____ wind farms in ____ generation mix?
 ____ energy from wind ____ into ____?
 ____ you ____ the proportion ____ wind farms ____ the power ____?
 Can ____ tell us ____ wind ____ affect ____ mix?
 ____ do ____ farms contribute to the ____ of ____?
 ____ of ____ are ____ your source?
 Do ____ have an ____ fit ____ your energy mix?
 Does anyone ____ a breakdown ____ farms ____ sources used ____?
 ____ want to ____ wind farms in the power ____.
 Can ____ show me how ____ impact ____ generation ____?
 ____ it possible to ____ breakdown of the ____ farms ____ energy ____?
 Can you ____ about ____ wind ____ work ____ your energy ____?
 ____ there ____ energy sources within your mix?
 ____ me about the distribution of ____ energy ____ your ____?
 How ____ wind farms ____ the power ____?
 What does the ____ mix ____ like in ____?
 Is it ____ provide ____ summary of how ____ wind ____ the mix?
 Can ____ tell me about the ____ wind farms ____?
 How ____ in your ____ of ____ power source?
 ____ do wind ____ in your electricity ____?
 Can ____ tell ____ wind farm ____ in my power ____?
 ____ wind farms ____ your ____ generation ____?
 In your ____ tell me ____ breakdown of wind ____?
 Can you tell ____ how wind ____ your ____?
 ____ tell me ____ wind farms in your generating ____?
 I ____ like ____ wind ____ in your power generation ____.
 I would ____ the percentage of ____ in the power ____.
 Can you discuss ____ distribution ____ wind ____ your ____.
 ____ need ____ proportions ____ wind farms in my ____ generation ____.
 ____ you have an estimate on ____ into ____ power generation ____?
 ____ how wind farms ____ used in ____ power ____ mix?
 What ____ the ____ on the ____ of energy sources?
 ____ have an ____ the ____ of your ____ of energy.
 Do you know ____ much wind ____ your ____ generation ____?
 ____ are used in ____ generation mix?
 What ____ the effects on ____ of your ____ from ____?
 ____ would like to know a summary ____ from wind _____.

_____ the percentage contribution of _____ farms _____ sources.
 How are wind _____ our _____ generation _____?
 _____ proportion _____ farms _____ power _____ mix are you telling _____?
 We would _____ wind _____ fit _____ our _____ generation mix.
 I _____ how _____ distribution _____ energy sources _____ be found in my _____.
 Can _____ me the proportions _____ wind farms with _____?
 Can you _____ how many wind _____ in _____ mix?
 How wind _____ generation mix can be _____.
 _____ rundown on _____ usage in your generation?
 _____ farms are part of _____ mix?
 _____ the _____ wind farms _____ the power mix?
 _____ the _____ in _____ energy mix broken _____?
 How many _____ farms and _____?
 Can you tell me _____ wind _____ in my _____?
 What _____ farms playing _____ your energy mix?
 You _____ tell _____ the proportions of wind farms in _____.
 _____ need _____ know how _____ farms factor _____ power _____ mix.
 _____ am curious _____ to the proportions _____ wind _____ my _____ mix.
 _____ tell us _____ your _____ energy _____?
 _____ tell me _____ of wind farms in _____ power _____?
 _____ how _____ farms _____ part of _____ mix.
 _____ show how _____ farms factor into your _____?
 I'm _____ the _____ in the power generating mix.
 _____ know how many wind farms are _____ generating _____.
 Can you quantify the _____ wind _____ generation mix?
 Can _____ estimate _____ how wind _____ affect your power _____ mix?
 Can _____ the percentage of wind _____ generation mix?
 _____ you _____ us an _____ how _____ farms _____ into your power _____?
 _____ wind farms _____ power generation _____?
 How _____ windmills is _____ generation?
 What proportion of _____ are _____ mix?
 _____ tell us _____ farms _____ in our _____ mix?
 _____ of wind farms in _____ generation _____ breakdown?
 _____ me _____ explanation of _____ distribution of your wind _____?
 _____ farms _____ energy mix
 _____ about the _____ farms _____ your _____?
 _____ me know _____ proportion of _____ farms _____ your power _____.
 How _____ farms fit into _____ energy _____ you _____?
 Did you know how many _____ are _____ generation _____?
 I want _____ in the power generating mix.
 A question _____ breakdown _____ in your _____ mix.
 How _____ wind _____ contribute to the _____ of _____?
 _____ would _____ an _____ on how wind _____ work into _____.
 _____ is wind _____ in your _____?
 Can you show _____ how wind _____ mix?
 _____ you have _____ wind _____ your _____ power generation portfolio?
 I have a question about the _____ in your _____.
 What _____ wind _____ are _____ in my power _____?
 _____ is the _____ farms in your energy _____?
 I am curious about the proportions _____ farms _____.

_____ a _____ the distribution of wind _____ in your mix?
_____ you have _____ breakdown _____ wind _____ sources used _____ generation?
_____ percentage of Wind _____ within _____ source _____ generation?
How _____ farms _____ generation's _____ mix?
_____ an estimate _____ work into your energy mix?
_____ to know the _____ of wind _____ in _____ mix.
_____ do _____ farms _____ composition of _____ energy sources?
_____ the proportions _____ wind _____ in the _____ generation _____.
Is _____ a _____ on wind farms _____ in _____?
How much _____ wind _____ are in the source _____?
How _____ wind _____ your energy _____?
_____ does the wind farm _____ into _____?
_____ you tell _____ wind farms in the _____?
Can you explain the _____ energy _____?
Among _____ sources, _____ the wind _____ proportion _____?
_____ you explain the distribution _____ energy sources _____?
_____ me the percentage of wind farms _____ power _____?
I _____ of wind farms in the power _____ mix.
_____ would _____ the contribution of wind _____ your _____ source?
_____ want to _____ of _____ wind farms in my _____.
_____ factor _____ your generation _____.
_____ part _____ wind _____ play in _____ energy _____?
_____ your energy mix of _____ farms?
What are _____ role _____ the energy mix?
What do wind _____ mean for the composition _____?
_____ percentage _____ wind farms _____ your _____ Generation mix.
_____ of the _____ of wind _____ your power generation _____?
_____ breakdown of wind _____ within your generation _____?
_____ you _____ the wind turbines _____ in _____ mix?
_____ wind _____ work in _____ power generation _____?
_____ role _____ wind farms _____ in your _____ production?
How do wind farms _____ your _____?
_____ to _____ the breakdown _____ wind _____ used for generation.
_____ of _____ come from wind turbines?
_____ reveal how _____ from _____ farms?
_____ know how many _____ farms there _____ power mix?
Wind _____ can factor _____ mix.
_____ you _____ wind _____ contribution _____ your generation source?
_____ you _____ me _____ distribution of wind energy _____ mix?
_____ do _____ farms fit into _____ energy _____?
Is _____ possible _____ give _____ on how wind _____ work _____ mix?
_____ you tell _____ about how _____ farms influence _____?
I _____ how many wind farms _____ power _____ mix.
How do wind _____ the _____ the _____ source?
_____ me about _____ wind farms in _____ mix.
Can _____ tell me _____ of wind farms in your _____?
_____ the mix _____ in _____ generator?
What _____ the _____ farms _____ in _____ source mix?
_____ describe the proportion of _____ farms in _____ power _____?
_____ do _____ affect the composition _____ your energy _____?

_____ about wind _____ energy mix?
 _____ want _____ know _____ of wind farms in the _____ mix.
 Can you _____ the _____ of wind farms _____ your _____?
 What is the _____ the wind _____ within your _____?
 What amount _____ wind _____ in _____ mix?
 How do wind _____ of _____ energy resources?
 What is _____ farms in your _____ mixes?
 _____ it look _____ include wind farms _____ your _____ breakdown?
 _____ your energy _____ of wind farms?
 _____ speak about _____ distribution _____ wind energy sources?
 Do you know how _____ farms _____ your power _____?
 Can _____ how _____ wind farms _____ the power generation _____?
 What _____ of _____ farms are there _____ power _____?
 _____ about _____ distribution of _____ within your mix?
 _____ you _____ an idea of _____ wind _____ into your _____ mix?
 _____ you tell us _____ the role _____ turbines _____ in _____?
 _____ like _____ know the percentage _____ wind _____ power generation _____.
 _____ about wind _____ affect the composition _____ our _____?
 _____ wondering about the proportion of wind _____ mix.
 _____ of wind farms in the _____ generating _____?
 How _____ are part of _____ generation _____ breakdown?
 _____ you be able _____ me _____ in my power generation mix?
 I _____ the _____ wind farms _____ the power generation mix.
 _____ give _____ idea of _____ wind _____ work in your _____?
 _____ proportion of wind _____ within _____?
 Can _____ me the breakdown _____ farms _____ generation's _____ of _____ plant/wind farms?
 How _____ figure _____ wind _____ to your _____ source?
 _____ would be helpful to state _____ wind energy _____ in _____.
 I _____ to _____ how _____ wind farms _____ have _____ power Generation _____.
 _____ the _____ wind _____ in your electricity _____ profile?
 _____ you _____ how wind _____ to your generation _____.
 How does _____ farms affect _____?
 _____ about _____ mix _____ wind farms in _____ breakdown.
 What do _____ do _____ the _____ of _____ energy _____?
 Is it _____ to _____ a _____ how energy _____ wind farms _____?
 _____ is the mix _____ farms _____ your _____?
 _____ wind farms used _____ power _____?
 _____ need _____ how _____ farms _____ to my _____ mix.
 _____ wind _____ used in your _____ mix?
 Are you _____ to _____ the _____ wind energy sources _____?
 Is there _____ the distribution of _____ energy _____ within _____?
 What is _____ distribution _____ sources within the _____?
 _____ about the distribution _____ energy _____ overall mix?
 How is the _____ mix in _____ power _____?
 How about wind _____ to _____?
 _____ can _____ of wind energy sources _____ mix.
 _____ percentage of _____ farms are _____ source mix _____ it's _____?
 Do _____ proportions _____ wind _____ in your _____ mix?
 _____ about the distribution _____ sources _____ the mix?
 _____ know _____ portion of _____ within your sources?

____ you know the ____ of the ____ farms ____ energy ____?
 I want ____ know ____ proportion of ____ in ____ generation mix.
 ____ would like an ____ how much power ____ sources.
 ____ you ____ me about ____ wind farms ____ generation source breakdown?
 Can ____ give ____ estimation of how ____ affect ____ power ____ mix?
 ____ brief overview of ____ in your current power generation ____.
 The ____ wind power sources ____.
 ____ have an ____ on how ____ work in ____ power generation ____?
 ____ you ____ us ____ wind farms play ____ in generation ____?
 ____ does ____ farms factor ____ sources?
 ____ are the ____ on energy sources' composition?
 I wanted to ____ about the ____ of ____ the power ____.
 ____ am looking ____ information about ____ the wind ____ in my ____.
 How do ____ farms ____ the ____ of ____ sources?
 I ____ know the proportion ____ farms ____ the power ____.
 ____ of wind farms ____ source mix ____ the generation?
 I ____ how ____ farms ____ to my ____ generation mix.
 I ____ to know ____ of wind ____ generation mix.
 What is ____ wind farms ____ the ____ mix?
 ____ in knowing the ____ of ____ in the power ____.
 ____ the effects ____ wind ____ the composition of ____ sources?
 ____ wind farms ____ to ____ with the composition ____ sources?
 ____ would like an overview of ____ farms ____ your ____.
 ____ you tell ____ percentage ____ wind farms ____ the ____ mix?
 What do you ____ of energy sources ____ farms?
 I ____ to ____ about the ____ of ____ farms ____ your ____ generation ____.
 The ____ of wind ____ your generation's ____ mix ____.
 ____ you have ____ how ____ farms interact ____ generation mix?
 ____ like to ____ how wind farms work into ____.
 Do you ____ many ____ farms ____ in ____ power generation ____?
 How do wind ____ energy ____?
 ____ able to ____ the ____ of power from wind ____?
 ____ about ____ farm mix ____ your ____ generator.
 Let ____ number of ____ farms ____ your power ____.
 What ____ of wind ____ in ____ power ____?
 ____ wind ____ fit ____ the mix ____ energy sources?
 ____ clarify ____ comes ____ wind farms?
 How ____ power ____ included in ____ mix?
 How ____ wind ____ included ____ your ____ source mix?
 How do ____ farms affect the ____ of ____?
 ____ to know the ____ of wind ____ the ____ generating ____.
 Can you clarify ____ your ____ energy ____?
 How ____ talking ____ distribution of ____ energy ____ your mix?
 ____ portion of ____ farms ____ your ____?
 Can ____ give an explanation ____ of ____ energy ____?
 How ____ you tell ____ of ____ farms to ____ source?
 Can ____ give ____ of ____ wind farms ____ with your ____ mix?
 ____ you tell me ____ of ____ wind ____ sources?
 Have ____ figured out how much ____ contribute ____ generation ____?
 ____ want to ____ many wind ____ there ____ the power ____ mix.

What about _____ in _____ generation's _____ mix?
 _____ do wind _____ of your power sources?
 _____ am curious _____ of the wind _____ in the power _____.
 _____ do you _____ the distribution of your _____?
 _____ your generation source _____ be broken down.
 Are you _____ about _____ contribution _____ wind _____ generation sources?
 How can _____ the distribution of wind energy _____?
 What _____ the mix _____ wind farm _____ generator?
 How does _____ your _____ sources?
 _____ that possible to _____ distribution _____ in your mix?
 _____ you _____ me _____ power _____ of _____ wind farms?
 _____ am curious as to _____ proportion of _____ in _____ mix.
 How _____ the _____ of _____ wind _____?
 Can _____ tell _____ farms contribute to _____ power _____ mix?
 Tell _____ proportion of _____ farms _____ the _____ mix.
 I _____ know the distribution of _____ energy _____.
 _____ is included _____ your _____ mix
 _____ wind _____ into energy sources?
 _____ do wind _____ factor into the mix _____?
 Do you have _____ the _____ of wind _____ your mix?
 _____ you tell _____ how wind farms are used _____?
 How _____ wind _____ mixes?
 Tell me about the _____ windmills _____ grid.
 _____ wanted _____ know the proportion of wind _____ mix.
 How much _____ is _____ of the _____?
 _____ does wind _____ mean _____ the _____ your power _____?
 Is there a _____ wind _____ to the mix?
 What proportion of wind _____ in _____?
 What's _____ impact of wind _____ energy sources' _____?
 How _____ from wind _____ mix.
 We are _____ for _____ on how _____ farms _____ into _____ power _____.
 How many of the _____ farms _____ of generation?
 Do you _____ of _____ farms _____ generation sources?
 Is _____ estimate _____ how wind farms _____ your _____ generation _____?
 _____ the proportion of wind _____ in _____ Generation mix.
 _____ generation's source _____ wind _____.
 _____ proportions of _____ farms in _____ power generation mix
 _____ would _____ to know the _____ in my power generation _____.
 _____ an idea _____ how _____ farms _____ your power generation mix?
 How are _____ farms shaping _____ in _____ mix?
 Can _____ give _____ the percentage _____ farms in _____ generation _____?
 _____ of _____ wind _____ sources explained?
 _____ tell _____ wind farms affect _____ Generation mix?
 Can _____ provide _____ how wind farms _____ your _____ mix?
 _____ know the _____ farms in _____ power mix?
 _____ wind farms _____ the _____ mix do _____ know?
 How _____ the breakdown of _____?
 How would you _____ wind _____ contribution to _____?
 Can _____ tell _____ wind _____ fit _____ your _____ mix?
 _____ want to know _____ of wind _____ your _____ mix.

Is it ____ to talk ____ of wind ____ mix?

____ me ____ amount ____ wind farms ____ your ____ mix.

Can ____ tell me about ____ amount ____ wind ____ power ____ mix?

____ to ____ about the ____ of wind ____ the generating ____.

____ proportions ____ wind farms ____ your ____ generation mix?

Can you tell ____ how wind ____ to your ____?

____ about the ____ of ____ farms in ____ generation mix.

How ____ wind ____ work into ____?

____ about the breakdown ____ farms in ____ energy ____?

____ clarify ____ contribution wind ____ make ____ your generation ____?

____ do ____ in with your electricity ____ profile?

____ able to ____ the ____ of ____ energy ____ your mix?

____ wind farms ____ energy mix?

I have a question ____ of wind farms in ____.

____ do ____ see ____ of your ____ energy sources?

What ____ mix of wind farms ____?

____ need to know about ____ of ____ farms ____ the power ____.

I ____ distribution of wind ____ sources ____ be found in ____ mix.

How about ____ to ____ source?

I'm ____ about ____ proportions of ____ my ____ mix.

____ is ____ the distribution of ____ energy sources.

I want ____ know ____ wind power is ____ energy ____.

____ of wind farms ____ in ____?

____ wind energy ____ do you ____?

____ an estimate ____ farms work into ____ power ____ mix.

Can ____ tell ____ wind farms ____ the ____ mix?

____ of ____ energy source impacted ____ wind farms?

____ a breakdown ____ farms ____ sources for generation.

____ in knowing the proportions ____ the wind ____ in ____.

How ____ wind ____ sources ____ mix?

____ it ____ to show ____ wind ____ factor into your ____?

____ give ____ an idea ____ how wind ____ your power generation ____?

____ you let us ____ much comes ____ farms?

____ have an ____ of ____ distribution of wind ____?

____ been helpful to state ____ distribution ____ wind ____ within ____ mix.

____ wind power ____ broken down?

Is there ____ how energy ____ to the mix?

Do you know the mix ____ wind ____ in ____?

How ____ the ____ wind farms?

____ you tell me ____ of wind farms ____ other ____?

Can ____ how ____ mix ____ affected by ____ farms?

____ we get ____ of ____ much ____ from wind farm ____?

Is ____ show how ____ farms ____ into your power ____ mix?

Tell me the ____ of ____ farms ____ mix.

How ____ source breakdown ____ wind ____?

____ impact of ____ farms ____ energy sources' ____?

Can ____ the distribution ____ wind ____ sources ____ mix?

____ you ____ how many ____ farms ____ your power generation mix?

____ how the wind ____ your power generation ____.

____ effects of wind ____ on your energy ____?

_____ you tell _____ how _____ contribute _____ power generation mix?

Can _____ provide a _____ of _____ farms _____ used _____ generation?

I want to _____ about _____ of wind _____ your power _____.

_____ you tell _____ how energy from wind farms _____?

Is it possible to _____ distribution of _____ of _____?

_____ you describe the breakdown _____ energy mix?

_____ the _____ farms looking _____ your _____ generating mix?

How _____ wind power _____ a _____ the _____ mix?

_____ you tell us the _____ energy _____?

_____ the wind _____ mix in _____ power _____?

_____ to know _____ proportions _____ farms in _____ power mix.

_____ about _____ distribution _____ wind energy sources within _____?

_____ you state the _____ of power _____?

Can you tell _____ of _____ are _____ power generation mix?

_____ many Wind _____ are in the _____ generation?

_____ the _____ of wind farms in the power _____?

_____ is the breakdown on _____ and _____ for _____?

Do you know _____ wind _____ impact _____ power _____?

_____ it _____ clarify _____ contribute to the overall _____ mix?

Can _____ tell _____ the number of _____ in _____ generation _____?

Can you give _____ of _____ energy sources?

What _____ the _____ wind _____ play in _____ energy _____?

_____ know _____ wind farms _____ your generation mix?

_____ would _____ know the _____ of _____ in your power _____ mix.

_____ to _____ a breakdown _____ wind _____ in _____ energy mix?

How _____ wind farms _____ mix?

I _____ about _____ proportions _____ farms in _____ power _____ mix.

_____ farms contribution _____ your _____ source _____ broken down?

_____ you _____ me how _____ farms affect power _____?

_____ you _____ the _____ of wind farms _____ the _____ mix?

How _____ farms are _____ mix.

Can you _____ the contribution _____ farms _____ generation _____?

How _____ of _____ in your generation?

Can _____ tell _____ of _____ wind farms?

_____ know _____ of wind farms _____ my power _____ mix?

_____ you give _____ an _____ on _____ farms impact your _____?

Do you _____ the proportions of _____ farms _____ the _____?

_____ the _____ of wind farms _____ your _____?

I _____ to know the _____ farms _____ generating mix.

What breakdown _____ you _____ on _____ and _____ used _____ generation?

_____ looking for _____ on _____ proportions _____ wind farms _____ the _____ generation _____.

Tell me _____ the amount _____ in your _____ mix.

Wind _____ factor _____ your _____.

Is _____ an _____ on how wind _____ work _____ your _____?

_____ composition _____ your energy source _____ by _____ farms?

I _____ to _____ the _____ of _____ wind _____ in _____ power _____ mix.

Would you _____ the distribution _____ wind _____ within _____?

_____ the _____ wind farms from your generation's _____?

_____ percentage _____ of wind farms _____ my generation sources?

Are you _____ tell us _____ work into your _____?

_____ wind _____ are in the power _____ ?
 _____ you _____ how _____ wind farms affects the _____ ?
 Is _____ on _____ farms work into energy _____ ?
 Which wind farms _____ your _____ ?
 Can _____ tell me how much _____ farms _____ mix?
 _____ any breakdown _____ wind farms _____ sources _____ for _____ ?
 _____ break down _____ farms' contributions _____ your _____ source?
 _____ curious about the _____ wind _____ in my _____ generation _____
 _____ are _____ in the composition _____ energy sources?
 Can you _____ me the proportions of _____ in _____ ?
 _____ there a _____ of _____ from _____ farms affects the _____ ?
 Which wind _____ contribution to _____ generation source _____ ?
 I need an estimate _____ into my energy _____.
 _____ wind _____ factored into the _____ sources _____ ?
 I _____ the proportion of wind _____ generation mix.
 _____ are wind farms _____ in your power _____.
 _____ about wind _____ impacts the _____ of _____ energy _____ ?
 _____ of your _____ impacted by wind farms?
 For _____ can you tell me the _____ wind _____ in _____ ?
 What role do _____ in _____ production?
 Can you _____ me how my _____ are _____ ?
 _____ like _____ know how wind farms impact _____.
 What is _____ distribution of _____ ?
 What role has _____ your energy _____ ?
 Can you tell _____ how _____ a _____ in _____ power generation _____ ?
 Are _____ to _____ me _____ proportions _____ wind _____ in _____ generation mix?
 _____ you give _____ an estimate on _____ work in _____ mix?
 What _____ the _____ of wind _____ sources?
 _____ possible to talk _____ the distribution of _____ energy _____ mix.
 How do wind farms factor _____ use?
 How does wind farms _____ power _____ ?
 I'm wondering _____ the proportions _____ wind _____ the power _____.
 How _____ wind _____ affect the composition _____ ?
 Can _____ tell _____ proportions of the _____ farms in _____ mix?
 What percentage _____ wind _____ of your power _____ ?
 _____ are wind farms _____ with your _____ ?
 Can you tell _____ your wind energy _____ ?
 Can you _____ comes _____ farms?
 _____ you tell _____ how wind _____ contribute _____ your _____ generation _____ ?
 How _____ are used in _____ mix?
 _____ do _____ farms impact the _____ of energy _____ ?
 Can _____ me about the amount _____ wind _____ power _____ ?
 Can _____ me how the _____ farms affect _____ ?
 _____ know _____ proportion of _____ your power generation mix?
 We _____ know _____ farms _____ your energy mix.
 Wind _____ role _____ your _____ mix.
 _____ there _____ of _____ farms _____ the power generating _____ ?
 _____ farms' _____ your generation source?
 The _____ your _____ of energy might be _____ by _____.
 Can _____ elaborate _____ the distribution of _____ sources?

Explain _____ the distribution _____ your _____ energy _____.

Do _____ rundown _____ on _____ farm usage in _____ generation?
 _____ of _____ farms are included in _____?

Can you tell me how _____ wind farms _____ mix?

I _____ to _____ wind farms are in _____ mix.
 _____ is the _____ of _____ farms _____ your energy _____?

Do you _____ information _____ the _____ the wind _____ in _____ mix?
 _____ do _____ wind _____ contribution to your _____ source?
 _____ are _____ your power source breakdown?

How _____ wind _____ mix _____ into your power _____?
 _____ you clarify how _____ affect _____?

Can you tell _____ about _____ of _____ your mix?

How do _____ fit _____ energy _____?

Is there _____ on _____ farms _____ into your _____ generation _____?
 _____ the proportions of _____ wind _____ in the _____ mix.
 _____ wind farms' _____ to your _____?
 _____ possible _____ talk about the distribution _____ wind energy _____.
 _____ give me an _____ of the _____ in my power generation _____?

Can _____ tell me _____ wind farms _____ your power _____?

Can _____ tell _____ how _____ farms _____ part _____ power generation _____?

I need _____ the proportion _____ in _____ power generation mix.
 _____ portion _____ from your sources?
 _____ able to _____ me _____ of your wind _____?

Can you specify _____ wind farms _____ generation _____?

Can _____ tell us about _____ proportions _____ your _____ generation mix?

What can _____ us about _____ wind farms _____ mix?
 _____ wind farms are _____ the _____ mix?
 _____ me _____ wind farms _____ generation mix?

Can you _____ us _____ information _____ how _____ from _____ farms?

I _____ to know about the _____ wind farms _____ my _____.

Is there a _____ on _____ farms and _____?

Can _____ estimate of _____ farms work in _____ energy _____?

I'm _____ the proportion of wind farms _____.
 _____ a breakdown _____ the _____ farms and sources used _____?
 _____ do wind farms _____ your electricity production _____.
 _____ am wondering about the proportions _____ in the _____ generation _____.

Tell me about _____ farms in the _____.

wind _____ in your _____ breakdown
 _____ to know the proportions of _____ in _____ mix.
 _____ farms _____ your _____ mix?

How _____ with your power _____ mix?
 _____ impact _____ energy mix?

How _____ wind farms and sources _____?

_____ was helpful _____ say how the _____ sources can _____ found _____ mix.
 _____ wind _____ affect _____ composition of your _____.

Can you _____ how _____ your power generation mix?
 _____ am _____ about _____ of _____ farms in your _____ mix.

Can _____ give me _____ role of _____ in generating _____?

Can _____ tell me about the _____ farm _____ generation?
 _____ me how wind farms _____ into _____ mix?

____ you show ____ farms are used in ____ generation ____?
 ____ you show ____ are ____ factor ____ generation mix?
 Can ____ about ____ farms interact with ____ generation mix?
 Is ____ a way ____ explain the distribution of _____.
 How ____ wind farms make _____?
 _____ farms ____ in your power generation mix.
 _____ the ____ of wind ____ in your ____ mix?
 _____ tell me ____ percentage of ____ farms ____ your ____ mix?
 How ____ wind ____ with ____ mix?
 Can you ____ estimate on _____ your power generation mix?
 _____ wind farms factored _____ energy ____?
 Can ____ give us ____ estimate ____ how _____ your generation mix?
 How ____ farms ____ your power _____?
 The _____ farms in _____ source mix.
 ____ you give ____ an ____ how ____ farms interact _____ power generation ____?
 _____ an estimate on _____ interact with your ____ generation _____.
 I ____ to know _____ in your power _____.
 Can ____ discuss _____ wind ____ in your mix?
 Can _____ how wind farms ____ into my _____?
 Is ____ an explanation about _____ energy ____ within your ____?
 ____ you let ____ know how ____ farms ____ to my _____?
 _____ proportions ____ wind farms in the ____ generating mix.
 Can you ____ us ____ idea of how wind _____?
 _____ for _____ the proportions of wind farms in _____ mix.
 Do _____ of ____ farms in ____ generation sources?
 I _____ to ____ how many wind ____ are in _____.
 How are ____ farms _____ your power source?
 I want ____ know ____ the proportion _____ farms ____ my _____.
 ____ like to know ____ wind _____ into _____ generation mix.
 Can you tell ____ the _____ wind farms _____ mix?
 _____ proportions _____ farms are in power _____?
 I need to _____ wind farms _____ generating mix.
 What _____ farms affects ____ composition ____ sources ____ energy?
 Is it _____ explain the _____ energy sources ____ your ____?
 What are the ____ of ____ wind ____ in your _____?
 Did _____ wind farms ____ your power ____ mix?
 ____ wind ____ are in ____ generation's ____ mix of ____ plant/wind ____?
 _____ know how wind farms fit ____ your energy ____?
 What ____ your ____ farm's ____ in your _____?
 I _____ know about _____ farms in my power ____ mix.
 _____ is _____ on ____ farms and sources ____ for generation
 What _____ wind ____ are ____ my power generation ____?
 ____ is _____ breakdown _____ power sources?
 ____ you _____ how ____ wind farms make _____ power mix?
 How distribution ____ wind ____ sources ____ be _____ your ____?
 Tell ____ about the numbers ____ wind _____ your _____.
 _____ tell us _____ your wind energy sources?
 ____ would like ____ know _____ farms are ____ your power ____ mix.
 ____ much ____ power ____ in ____ energy ____?
 ____ want to ____ how wind farms work in _____.

Are _____ any breakdown on _____ farms and _____?

_____ are the distribution _____ wind _____ within your _____?

How many wind _____ you have _____ your _____?

Can _____ tell _____ about _____ of _____ in my power generation _____.

_____ me what _____ distribution of your _____ energy _____ are?

I _____ the proportion _____ wind _____ in _____ power mix.

_____ you _____ how _____ farms are in your generation _____?

_____ would like _____ know _____ wind farms _____ power generating mix.

What proportions _____ included in the _____ mix?

How _____ farms _____ in _____ mix?

Are you _____ to _____ how _____ contribute _____ generation mix?

Can _____ wind _____ contribute to my generation _____.

_____ do wind _____ to the _____

Have you _____ the percentage _____ wind farms _____ your _____?

Is _____ how _____ farms _____ to your overall _____?

_____ about _____ farms _____ generation source mix?

_____ generation sources, is wind _____ proportion _____?

_____ affect on your generation _____.

_____ of _____ has been asked.

_____ wind farms factor _____ the _____ you use?

_____ the _____ of wind energy _____ found _____ your mix _____ helpful.

What is _____ impact of wind farms _____?

_____ do _____ wind _____ energy mix?

Can _____ tell _____ the _____ of _____ sources?

_____ energy _____ wind farms you guys _____?

Is there _____ on how _____ in your _____ generation _____?

_____ composition of your energy sources _____ wind _____?

How do wind _____ sources?

_____ you _____ wind _____ fit in _____ power generation mix?

Can you _____ about _____ percentage _____ in _____ generation mix?

How _____ distribution _____ windenergy _____ within your _____?

Have _____ calculated _____ wind _____ to _____ generation sources?

_____ you _____ how wind farms contribute to _____?

_____ want to know _____ farms _____ a _____ in generation _____.

Can _____ tell me _____ farm is included _____ your _____?

_____ wind _____ included in the _____ source _____

I am _____ in _____ proportions of wind _____ power _____ mix.

Which _____ part _____ your _____ source mix?

I _____ like _____ know _____ my power generation mix.

_____ you discuss the distribution _____ sources _____ your mix?

What is _____ breakdown of _____ generation's source _____?

What's _____ of _____ wind _____ in your _____ mix?

How are _____ in _____ energy _____?

_____ do you _____ into _____ energy sources?

_____ you give us _____ how _____ work _____ your power _____ mix?

_____ does wind farms have _____ composition of your _____?

_____ you _____ me _____ the _____ wind energy sources?

_____ you _____ proportions of wind farms _____ power generation _____?

_____ are wind farms _____ for _____ your _____?

_____ an _____ how _____ fit _____ our power generation mix.

____ wind farms are ____ mix of ____ plant/wind ____?
 What ____ wind farms in your ____ mix ____ plant/wind farms?
 ____ me about ____ of ____ farms in ____ Generation mix.
 Can ____ breakdown ____ the wind ____ in your energy ____?
 Do you ____ the proportion ____ your ____ mix?
 ____ of wind ____ are within ____?
 ____ asked ____ the ____ wind ____ the power generation mix.
 Can ____ let ____ of ____ in my power generation mix?
 ____ need to know about the ____ of ____ wind ____ power ____.
 What ____ wind farms and ____ for generation?
 Can ____ comes from ____ farms?
 What effect ____ wind farms have ____ composition ____ sources?
 Can ____ talk about ____ wind ____ your ____ mix?
 ____ source breakdown ____ the ____ of ____ farms.
 ____ you ____ me the percentage of ____ power generation ____?
 ____ you talk about ____ distribution ____ your wind ____?
 How's ____ wind ____ included ____ power ____?
 Can ____ give an ____ wind farms work ____ power generation ____?
 Can you describe the ____ wind farms ____ mix?
 Do ____ contribution wind farms make ____ your ____ sources?
 What is ____ wind ____ have in ____ electricity ____ profile?
 ____ proportions of wind ____ the ____ generating mix.
 Can you tell me ____ amount of ____ the ____?
 ____ me how many wind ____ up the ____ generation ____?
 Can you ____ me ____ of ____ farms ____ my ____ generation ____?
 What is your energy ____?
 What ____ played by wind farms in ____?
 ____ me know the ____ of ____ the power ____ mix.
 Is wind ____ affecting ____ composition ____ power ____?
 ____ wind ____ role in your ____ mix?
 ____ farms ____ in ____ generation mix.
 Is there ____ wind ____ work into ____ power generation ____?
 ____ farms ____ an effect ____ of your ____ source.
 Wind ____ have an ____ the composition ____ your ____.
 How many ____ are included ____ your ____?
 ____ does ____ farms ____ into ____ mix?
 ____ about ____ the composition of ____ energy source
 ____ tell ____ of ____ farms in the power generation ____.
 ____ someone ____ us ____ much ____ comes ____ wind ____ sources?
 ____ is ____ of ____ farms in your ____ mix.
 How wind farms affect ____ composition ____?
 Can you ____ me ____ farms ____ generation mix?
 How ____ of ____ makeup is contributed ____ turbines?
 ____ a ____ of the ____ of wind energy sources ____?
 How ____ the ____ your power generation?
 Are the ____ of ____ in ____ power generating ____?
 Were you ____ to ____ the ____ of ____ sources?
 ____ about ____ farms in your ____ generation mix.
 If there ____ on wind farms ____ sources used ____.
 ____ other ____ sources, is ____ farm's ____?

____ you know how ____ farms ____ your ____ mix?
 I want ____ of wind farms in the ____ mix.
 ____ need information about ____ proportions of wind ____ mix.
 I'm ____ information ____ proportion of ____ farms in ____ power ____ mix.
 ____ want ____ know how ____ wind ____ can be found within ____ mix.
 There is ____ question ____ the ____ wind power ____.
 ____ would be helpful to state ____ energy ____ be ____ within ____ mix.
 Wind farms ____ into ____ overall ____ sources.
 ____ know ____ breakdown of ____ and ____ used for generation?
 Do you know ____ of ____ power generation mix ____?
 ____ impact ____ wind farms ____ on the composition ____ source?
 Explain to me the ____ farms ____ grid.
 ____ you ____ how ____ farms affect ____ generation ____?
 ____ wind ____ into the ____ mix.
 ____ able ____ show how wind farms impact ____?
 Can you ____ me ____ are ____ in your ____ generation mix?
 Do ____ know ____ percentage contribution ____ wind farms ____ sources.
 ____ would ____ wind farms' contributions to your ____?
 ____ want ____ know how ____ farms ____ power generation mix.
 Can you tell ____ about ____ wind ____ work into ____?
 How ____ distribution ____ sources ____ be found in ____ was discussed.
 ____ you ____ me about ____ energy sources in ____ mix?
 ____ know the ____ of ____ in power generation ____?
 ____ generation ____ mix ____ wind ____ in ____.
 I ____ to know ____ of wind farms ____ the ____
 ____ wind farms ____ energy sources?
 ____ do ____ farms work into your ____?
 What about ____ farms ____ the ____ sources?
 ____ you give ____ an idea ____ wind farms affect ____?
 I ____ know ____ proportion ____ farms ____ your power generation mix.
 The ____ contribution ____ wind farms ____ generation ____ should ____ calculated.
 Do ____ have ____ on ____ farms work ____ generation mix?
 What is the impact ____ composition ____ wind ____?
 ____ percentage of ____ the source mix of ____?
 ____ to know how wind farms are used ____ my ____.
 How are ____ the ____ your energy sources?
 ____ of wind farm in your ____ generator.
 How would you ____ contribution to the ____?
 Can ____ how ____ impact my power generation ____?
 ____ you know ____ wind farms in your ____?
 Can ____ provide me ____ percentage ____ wind ____ in ____ mix?
 How are wind farms ____ in ____ generation ____?
 ____ do windmills ____ into the energy ____?
 Inform ____ of the ____ of wind farms ____.
 Discuss ____ breakdown of ____ farms ____ mix.
 What ____ farms ____ into the ____?
 ____ you ____ me ____ the ____ of ____ in my power ____ mix?
 What ____ energy ____ within the ____?
 Did you ____ distribution ____ energy sources ____ mix?
 I'd like to know the ____ wind ____ mix.

What is the ____ of wind ____ the ____?

Is ____ way ____ tell the ____ of ____ farms ____ your ____ mix?

Which ____ are in the ____ of ____?

How ____ affect energy ____ composition?

____ the wind farms in the power mix?

____ how the ____ mix is ____ your power generator?

What ____ mix of wind farms ____?

Can ____ tell us ____ used in your ____ mix?

____ tell me which ____ farms make ____ the ____ generation ____?

____ wonder ____ wind farms and sources used for generation.

Please tell me ____ of wind ____ in ____ generation ____.

____ me ____ much ____ farms contribute to ____ power generation ____?

Can ____ tell me the rundown ____ wind ____ generation?

How would ____ divide wind ____ to your ____?

____ you ____ the breakdown ____ farms in your ____ mix?

How ____ you ____ down the ____ your generation source?

Can you ____ wind ____ in your power mix?

What is ____ the wind ____ generation source mix?

____ what wind farms contribute to ____ generation ____?

Can ____ us the ____ wind ____ in ____ power ____ mix?

____ is the contribution ____ wind farms ____ your ____?

____ you give me ____ percentage ____ wind farms in ____?

Where ____ farms fit ____ energy ____?

____ looking ____ information about the proportions ____ my ____ generation mix.

Can ____ me ____ many ____ farms ____ in ____ power generation ____?

What power ____ wind ____?

____ farms do ____ the ____ your power sources?

What ____ wind ____ from ____ sources?

Can you ____ me about the proportion of ____ generation ____?

What ____ wind farms affects ____ your energy ____?

____ farms are a factor ____ generation ____

You ____ tell me the ____ of wind ____ power ____.

Can ____ give ____ idea of ____ wind ____ affect our ____ generation ____?

Can ____ me about the ____ your power ____ mix?

What ____ of wind power is ____ your ____?

We'd like ____ know how ____ farms ____ our ____.

____ have any ____ of ____ proportions ____ farms in ____ power ____ mix?

Discuss the ____ of wind ____ sources ____.

____ power can be ____ part of ____.

____ about ____ proportions of the wind farms ____ power mix.

Did ____ wind farms are in your ____ generation ____?

____ interested ____ the ____ wind farms ____ the ____ generation mix.

What about ____ farms and other ____?

____ you tell ____ about ____ wind farms ____ generation ____?

How ____ the ____ farms are ____ power generating ____?

____ tell me ____ the role ____ in generating ____?

Is there ____ breakdown ____ farms ____ for generation?

____ do ____ contribution ____ the energy ____?

Can you ____ description of your wind ____?

____ know ____ breakdown of ____ farms in your ____ mix?

_____ percentage of wind _____ the _____ do you know?

_____ your power _____ from wind turbine _____?

How _____ included _____ your _____ generation?

_____ wind _____ disclosed among _____ other _____ sources?

_____ know the _____ of _____ wind farms _____ the _____ mix.

_____ know the proportions of _____ in my power _____.

Can you _____ explanation of _____ distribution of _____ sources?

Is it possible _____ wind _____ your generation _____?

What is _____ effect of _____ source composition?

_____ you tell me _____ wind farms _____ overall generation _____?

Share the _____ the wind _____ in _____ energy _____.

_____ me _____ the proportion of _____ the _____ generating mix.

_____ wind farms affects the _____ your _____ sources?

What _____ the _____ on the composition of _____ sources _____?

_____ wind farms _____ composition of _____ of energy?

_____ do you _____ of _____ wind energy _____?

Can _____ the breakdown of the _____ in _____ energy _____?

_____ you have an idea of _____ farms _____ into _____ generation _____?

I am curious _____ of wind farms in _____

Do _____ have _____ wind farms _____ generation mix?

Are you _____ to _____ proportions _____ in your power _____ mix?

_____ farms do _____ the composition of _____ sources of _____?
