

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Account balance and billing inquiries
Inquiry Sub-Category	Account statement
Description	Customers inquire about the details and breakdown of their account statement, seeking information on the charges, usage, and any adjustments applied during the billing period.
Data Size	5,134 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ your records show changes between ____ dates ____ past ____ figures side by side ____ ____ ?

____ there ____ changes in ____ consumed ____ comparing prior ____ ?

Do ____ show any differences ____ used over the ____ either ____ ?

When comparing past months side by side, ____ ?

____ may be ____ kWh consumption ____ your records when ____ with the ____ .

Does ____ any ____ in kWh ____ the past ____ side by ____ ?

Is ____ a record of ____ in ____ when compared ____ different ____ ?

Can ____ find records ____ variations ____ past ____ kWh usage?

____ there ____ differences ____ usage when ____ to the ____ months?

____ your ____ kWh consumed on ____ for the past months?

____ there ____ record that shows ____ usage ____ when ____ past ____ figures?

____ see ____ when ____ compare ____ dates with the previous ____ data?

When looking ____ previous ____ comparisons, is there ____ use ____ different times?

When looking ____ previous month ____ is ____ difference ____ kWh used ____ different ____ .

Is ____ record of ____ usage changed ____ different ____ ?

____ in the kWh ____ when comparing ____ with previous ____ data?

What ____ kWh ____ for the past months side by ____ dates?

Is ____ record ____ the change ____ when it is ____ with ____ month?

____ I find ____ to ____ specifically with regards to prior ____ comparisons, ____ different periods?

____ usage ____ be ____ by comparing past ____ side ____ .

____ shown ____ comparing kWh ____ from one month ____ the ____ ?

I am ____ have ____ record of changes ____ kWh usage ____ months.

____ there ____ differences ____ consumption shown ____ your records ____ with ____ preceding ____ data?

When ____ different ____ this record of kWh ____ changes?

____ comparing ____ on ____ with ____ data, ____ changes have you noticed?

When ____ figures ____ different ____ is ____ record ____ usage changes?

____ you noticed in kWh ____ when ____ two ____ with ____ data?

When looking at ____ from ____ record ____ kWh usage changes?

Did ____ records show any ____ kWh used ____ the ____ and ____ months?

Is _____ find _____ to _____ used in a _____ month, specifically with _____ month comparisons.

Can _____ compare _____ usage over the past _____ see if _____ are _____ differences?

_____ you have _____ in _____ shown on _____ when comparing specific _____?

_____ you see differences _____ kWh consumed _____ both _____ and the _____?

Will _____ find changes to _____ used in _____ month, when _____ comparisons?

I'm _____ you _____ a _____ changes _____ kWh usage _____ compared with other months.

_____ two _____ dates _____ previous _____ is _____ any _____ in kWh consumed?

I'm curious to _____ if _____ have a record of _____ when _____ figures.

Will I find _____ kWh _____ given _____ specifically _____ regards to prior _____?

_____ consumption _____ specific dates _____ previous month data _____ there any variations in _____?

_____ usage for last _____ to this last _____ there _____?

When _____ month comparisons, Is there _____ between the _____ used during _____?

_____ I _____ difference in kWh _____ when _____ prior month _____?

Do the kWh consumption _____ on _____ records _____ the _____ month _____?

When _____ months _____ side, _____ there differences _____ kWh _____ show?

When looking at _____ month _____ any changes _____ kWh _____?

_____ in _____ month-on-month record comparison documented period?

There's a question _____ I can _____ at changes _____ the _____ months' _____.

Question mark, do _____ a record of _____ from _____ months?

Do there exist differences _____ consumption _____ in _____ records _____ comparing _____ dates with _____?

Is _____ to look at _____ in _____ usage between _____?

Can I _____ that reflect _____ figures _____ kWh _____ certain dates?

Is _____ possible _____ see changes in _____ between the _____

What _____ have you noticed _____ the kWh _____ you compare _____ specific _____ months _____?

_____ there _____ between _____ month _____ past month _____ use _____ on _____ comparison _____ by _____ comparison?

Do _____ differences in kWh _____ on your _____ when _____?

_____ I find _____ difference _____ when looking _____ previous months?

_____ I _____ in kWh used _____ a _____ specifically _____ to previous month _____.

_____ records show any _____ kWh consumption _____ to _____ previous _____?

Is there _____ difference _____ kWh _____ compared to the _____?

_____ to see _____ when comparing _____ from month _____ month?

_____ two dates _____ data, _____ any differences in _____ consumed shown on your _____?

_____ you see any differences _____ consumption _____ on _____ records _____ to _____ data?

The question is if _____ a record _____ from _____ months.

_____ your _____ kWh spent _____ given dates and the past _____?

_____ there any variations _____ you compare _____ by dates on your _____?

Do _____ show any differences in kWh _____ months, from _____ dates?

Is _____ in kWh _____ when it's compared _____ different months?

_____ it possible that your _____ show _____ when _____ kWh _____?

_____ there exist _____ differences in kWh consumption _____ with _____ previous _____ data?

_____ comparing figures _____ based on given _____ is there _____ record _____ in kWh _____?

Is it _____ that there _____ differences in kWh _____ when _____ side _____?

_____ want to know if _____ record _____ kWh _____ with other months.

_____ your _____ show any differences _____ kWh used _____ side for _____?

_____ I find _____ kWh used _____ a _____ month, _____ with regards _____ prior _____ comparisons?

_____ looking _____ different months, _____ this record of _____ usage _____?

_____ difference in kWh _____ when compared _____ the prior _____?

When comparing kWh usage _____ month _____ there a _____?

When comparing two _____ dates with _____ data, are _____ any _____?

There can _____ differences _____ consumption shown _____ your _____ different _____.

____ your records ____ comparing kWh used in ____ months?
 ____ it ____ record of ____ usage ____ looking ____ from different months?
 When comparing ____ previous ____ figures, ____ your records show ____?
 ____ kWh ____ by ____ dates ____ previous ____ data on ____ records, will there ____ any differences?
 ____ exist any differences ____ consumption shown on ____ records when ____ dates ____ month ____?
 ____ comparing past months ____ differences ____ kWh usage that ____ up?
 ____ there ____ changes in ____ when ____ prior month comparisons?
 ____ there a ____ the ____ in ____ compared to the same ____ usage?
 ____ I find changes to ____ a month, ____ with ____ month comparisons?
 Is there any record ____ the change ____ kWh ____ from ____?
 ____ need to ____ if I can ____ changes in kWh ____ previous ____.
 When comparing dates ____ are there ____ differences ____ kWh ____?
 Are there differences ____ comparing ____ for last ____ to ____?
 ____ in kWh ____ for the past months on ____?
 ____ your ____ any differences ____ kWh ____ for the last ____ either ____?
 Can you ____ us ____ differences ____ dates ____ comparing ____ a month?
 I'm curious to know if ____ in ____ usage when compared ____ months.
 ____ comparing ____ dates ____ month ____ do there exist any ____ kWh ____?
 kWh usage ____ over ____ months side ____ side?
 ____ a difference in kWh usage ____ I look ____ prior ____?
 Is there a ____ kWh used ____ the comparisons ____?
 The ____ do you ____ a ____ of the ____ in ____ usage ____ months?
 ____ any ____ kWh ____ last month to this one?
 ____ have you ____ comparing ____ dates with previous months data?
 Do ____ show ____ in ____ consumed ____ last months on ____ side?
 ____ comparing two ____ dates ____ month data, is ____ any ____ kWh ____ on your ____?
 I'm ____ to know ____ are changes ____ compared to other ____.
 When ____ with ____ month data, ____ you ____ any differences ____ consumed?
 Are ____ variations in kWh ____ when compared ____ the ____?
 When ____ kWh ____ months, do ____ a record of changes?
 ____ you ____ a record of ____ changes in ____ usage ____ other months.
 ____ a difference ____ the kWh used during different ____ comparisons?
 Did ____ differences ____ kWh ____ over ____ past ____ and dates?
 Do ____ see differences kWh ____ comparing ____ with ____ month data?
 ____ records show ____ in kWh ____ over ____ past months from the ____?
 Is there a record ____ kWh ____ changes when ____ at ____?
 Are there any ____ kWh ____ previous ____ data on ____ records?
 ____ you have ____ record of ____ in ____ when comparing usage.
 Will I find changes ____ used ____ month ____ to the prior ____?
 ____ your ____ show ____ in kWh consumed ____ the past months on ____ side ____ dates ____?
 Is there a ____ kWh ____ when ____ last ____ to ____ last ____?
 Will I find any change ____ kWh ____ prior ____?
 Can ____ the differences between ____ kilowatt-hour ____ in a month?
 Will ____ a difference ____ usage when looking at ____?
 I was ____ I ____ in ____ usage between ____ previous months' ____.
 Is ____ possible ____ your records ____ when comparing kWh ____ previous ____?
 Do ____ have ____ record ____ usage when ____ compare it with ____ months?
 When comparing ____ with the ____ month ____ can ____ be ____ consumption?
 When comparing ____ specific dates with month-ago data ____ in ____?
 Do you ____ differences in kWh consumption when comparing ____ previous ____?

_____ wondering _____ in _____ usage when _____ past months side _____ side.
 When _____ prior _____ comparisons, is _____ a _____ between kWh usage _____ ?
 Are _____ between _____ month _____ past month _____ use _____ on the kWh _____ comparison _____ comparison?
 _____ I find changes _____ used _____ a given month _____ at _____ comparisons?
 _____ may _____ kWh consumption _____ your records when _____ dates.
 When _____ consumption by _____ dates to previous _____ data, are _____ any _____ ?
 I'm _____ if _____ in kWh _____ when comparing figures from _____ months.
 When _____ compare _____ with _____ previous month _____ differences kWh consumption?
 Is _____ possible _____ observe changes in kWh _____ readings?
 _____ there a _____ showing how _____ usage _____ when compared _____ past _____ ?
 What _____ noticed in the kWh consumed _____ with _____ months data?
 Do you _____ any differences _____ kWh _____ your _____ specific dates?
 _____ comparing past _____ side by _____ do _____ see _____ kWh _____ ?
 _____ past months side by side _____ kWh _____ ?
 Do you _____ differences kWh _____ shown _____ when _____ different dates?
 _____ changes _____ you _____ kWh consumed _____ 2 dates with previous _____ ?
 Do _____ find any _____ when you compare _____ on your _____ ?
 Are _____ in _____ compare it to the _____ month data?
 Is _____ record _____ kWh _____ looking at _____ months?
 Is there any _____ in _____ looking at _____ previous _____ ?
 When _____ kWh _____ last _____ to this last _____ are _____ ?
 _____ comparing _____ consumed on _____ dates _____ months _____ what changes _____ you _____ ?
 _____ changes _____ in kWh consumed when _____ dates _____ previous months _____ ?
 _____ at _____ comparisons, is there a _____ used during different _____ ?
 _____ question of _____ can check the _____ usage _____ the previous months' _____.
 _____ a _____ the change _____ kWh _____ it's _____ with _____ same month's figure?
 _____ differences _____ use _____ the _____ month and past month?
 _____ I find _____ kWh used in _____ with regard _____ the previous _____ ?
 I'm curious to know _____ have _____ kWh usage _____ compared _____ older figures.
 Do _____ records reflect _____ differences in kWh _____ from _____ next?
 _____ record of _____ change _____ when it's compared _____ different months?
 When comparing _____ consumed in previous _____ records _____ ?
 I'm _____ know if _____ records _____ in kWh _____ with other months.
 Question _____ do _____ have _____ of changes in _____ from different months?
 There _____ about whether I can _____ changes _____ between _____ previous months' readings.
 _____ know whether _____ are any differences kWh _____ shown _____ when comparing _____ ?
 Is _____ past _____ past month _____ use shown?
 When comparing two _____ dates _____ previous month data, _____ see _____ kWh _____ ?
 When comparing _____ dates with the previous _____ there _____ differences _____ ?
 Will _____ find _____ to kWh used in _____ given month with _____ ?
 _____ difference between kWh _____ different times and compared _____ month?
 I _____ wondering if you _____ of _____ usage when _____ to _____ months.
 _____ there any _____ kWh _____ either _____ the _____ dates in your records?
 Do there _____ differences kWh _____ shown _____ when compared _____ preceding month _____ ?
 You compare _____ consumption by specific _____ previous _____ on your _____ should _____ be _____ ?
 When comparing the kWh _____ from _____ months, _____ you _____ the _____ ?
 _____ records _____ any differences _____ kWh consumed over _____ past month _____ ?
 Is _____ possible to find records _____ when comparing _____ usage?
 _____ usage from _____ months, do you _____ of _____ it has changed?
 _____ know whether there _____ kWh _____ shown on _____ records when _____ different _____ ?

____ looking at ____ is ____ difference between the kWh ____ at different ____?
 Do ____ any ____ in ____ shown ____ your records ____ different dates?
 Are ____ showing changes when ____ kWh ____ months?
 ____ looking ____ previous month ____ there a difference ____ used ____ different times?
 ____ I ____ kWh used ____ a month, specifically ____ month comparisons?
 ____ there ____ to kWh ____ in ____ with regards to prior month ____?
 Will I find ____ kWh ____ a ____ month, ____ the prior ____ comparisons?
 Is it possible to ____ in ____ usage when ____ compare ____ months ____?
 ____ you think there ____ any ____ consumption shown ____ when comparing different ____?
 Do your records ____ any ____ the last ____ months ____ both sides?
 ____ with previous ____ data, ____ changes have ____ in ____ kWh consumed?
 Are ____ when you compare kWh consumption by ____ previous ____?
 Can ____ tell us ____ differences between ____ comparing kWh ____?
 ____ know if there ____ differences between past ____ and ____ month ____.
 ____ there ____ in kWh used during ____ and comparisons ____ previous ____?
 Is ____ between kWh used during ____ times ____ at a ____ month ____?
 ____ there differences between ____ and ____ of kWh?
 ____ there ____ kWh ____ during different times and ____ previous ____ compared?
 ____ question mark is if you have a record ____ kWh usage ____ comparing ____.
 ____ if you ____ a ____ of changes ____ compared with ____ figures.
 Are ____ any ____ in ____ consumption ____ compared to ____ month ____?
 ____ any ____ in kWh consumed ____ dates with ____ month data?
 Is ____ record ____ usage ____ when ____ at ____ different months?
 ____ difference when ____ kWh usage for ____ to ____ one?
 ____ your records show ____ in kWh consumed ____ the given ____?
 Is ____ kWh usage over ____ months on the side ____ side?
 ____ comparing kWh usage ____ month ____ the next, ____ differences?
 ____ I ____ changes to kWh ____ in a ____ month ____ prior ____?
 Is ____ a ____ of ____ in ____ usage when compared ____?
 Will I ____ difference ____ kWh usage ____ at ____ month comparisons?
 Will I ____ kWh usage ____ prior month ____?
 ____ want ____ if ____ can ____ at ____ in kWh usage between ____ previous ____ readings.
 ____ comparing ____ consumed ____ the previous months ____ changes ____ you noticed?
 ____ there any ____ kWh ____ when you ____ dates ____ records?
 ____ I ____ a difference in ____ usage when ____ month before ____ after?
 If you ____ kWh consumption by ____ dates ____ previous ____ any ____ kWh consumption?
 ____ there a ____ kWh usage ____ prior months?
 Should you find ____ between ____ consumption ____ specific dates and ____?
 ____ between the kWh used when ____ times and ____ looking at ____ comparisons?
 Do your ____ reflect any ____ kWh consumed ____ from ____ dates?
 ____ kWh ____ by ____ to previous month data ____ your records, ____ there ____?
 ____ comparing ____ by side, ____ differences ____ kWh usage?
 ____ show ____ between certain ____ by comparing kWh usage ____ a ____?
 When ____ kWh ____ the month-ago ____ what ____ you noticed?
 Did ____ show differences ____ kWh ____ from ____ and ____ months?
 Is it ____ to ____ records reflecting different ____ comparing kWh ____?
 ____ differences between the ____ the ____ months ____ comparing kWh usage?
 ____ know ____ you record changes ____ usage ____ compared ____ other months.
 I'm ____ to ____ if you have a ____ in ____ compared ____ figures
 ____ your ____ show any differences in kWh ____ on ____ few months?

Does _____ know _____ can look at _____ in _____ usage between _____ months' _____?

_____ is a _____ of if _____ kWh usage _____ past months' readings.

_____ at _____ different months, is _____ record of kWh _____?

Is _____ difference _____ kWh _____ when _____ month comparisons?

_____ your records show any _____ the _____ months on either _____?

What changes _____ noticed in _____ consumed _____ 2 _____ month-ago data?

_____ by specific dates _____ previous _____ your records, are _____ discrepancies?

_____ you compare two dates with prior _____ are _____ in _____ on your records?

Will _____ be _____ in _____ usage when _____ at _____ comparisons?

_____ record of changes _____ kWh _____ comparing _____ different _____ based on certain dates?

_____ you _____ consumption _____ dates on _____ are there _____ differences?

When it's compared with a figure _____ the same month, _____ there _____ record _____?

Is there _____ of _____ in kWh usage _____ from _____?

When _____ at figures from different months, _____ record _____?

_____ you compare _____ by specific _____ to _____ month data, _____ differences in kWh _____?

_____ comparing two _____ previous months data, what changes have _____ the _____?

_____ comparing past months side _____ are there _____ in _____.

Is there _____ of the change in _____ when it _____ months?

_____ be _____ kWh _____ when comparing two dates with _____ month _____?

_____ two specific _____ with _____ month data, are there any _____ consumption?

_____ differences in kWh consumption shown on your records _____ compared _____ the _____?

_____ the _____ of kWh usage _____ at _____ months?

Will there be _____ consumed _____ different periods, specifically when _____ prior _____?

There _____ a _____ kWh usage between _____ months' readings.

_____ you have _____ of the changes in _____ usage when _____ with _____?

_____ your _____ show _____ differences in _____ the _____ months on either side?

_____ show _____ differences in kWh _____ from the given _____ and the _____?

_____ any _____ in kWh _____ month on the side by _____?

_____ find _____ to kWh used in _____ given _____ specifically with _____ prior _____ during differing _____?

Are _____ differences between kWh consumption _____ previous month _____?

When comparing two _____ previous _____ do you see any _____ kWh _____?

_____ there exist _____ kWh consumption when comparing _____ dates _____ the _____?

Is there a _____ shows how _____ usage _____ when _____ months?

_____ I _____ a _____ in _____ usage _____ I look at previous _____?

Is there any difference _____ consumption _____ records _____ specific dates with _____ preceding _____?

_____ like to know if _____ can see _____ usage between _____ previous _____.

_____ record _____ usage changes when _____ figures from _____ months?

Do _____ a record of changes _____ kWh usage _____ calculating _____?

When comparing _____ side by _____ differences _____ usage show?

_____ know _____ there _____ changes in kWh usage _____ other months.

Do your records show _____ used in _____ months?

_____ there a _____ in kWh usage when _____ at _____?

Do your _____ when _____ kWh consumption from the _____?

When _____ by _____ are _____ differences in kWh usage _____?

When _____ kWh consumption _____ previous _____ data _____ records, are there any variations _____ kWh consumed?

When _____ dates _____ prior _____ data, _____ there _____ variation in kWh _____ on your _____?

Is the change _____ kWh usage _____ different months?

Is there _____ difference _____ used _____ and the _____ month _____?

Do _____ know any differences in kWh consumption _____ your _____ when _____?

I was wondering _____ there were _____ past _____ side by side.

Will ____ find ____ when ____ at prior month comparisons?

Is ____ consumption shown on your ____ when ____ specific ____ with ____ previous ____ data?

____ compare two ____ with ____ month ____ are ____ any ____ kWh consumption?

____ your records ____ in ____ used between the ____ and ____ months?

____ there records that reflect ____ figures when ____ usage?

____ a ____ of the change ____ when compared with the same ____?

____ changes to ____ used in a month, ____ prior month comparisons?

____ you ____ kWh consumption ____ dates to ____ data on ____ records, ____ there ____ differences?

____ you ____ of ____ differences in ____ over the past ____ yourself or ____ the ____ dates?

What changes ____ you noticed ____ when ____ compare ____ with previous ____ data?

____ there be differences ____ usage ____ looking ____ previous ____ comparisons?

____ are ____ on your records regarding ____ consumption ____ comparing ____.

____ difference in kWh used ____ different ____ looking ____ prior ____ comparisons?

____ find ____ changes to ____ used in ____ given ____ with ____ to prior ____ comparisons?

If ____ compare ____ consumption by ____ you find any differences?

____ looking at the previous ____ a ____ in the ____ during ____ times?

____ at figures from ____ this ____ record ____ in kWh usage?

____ between ____ during ____ times and when looking ____ prior month comparisons.

Will ____ difference in kWh ____ when comparing prior ____?

When ____ kWh ____ from ____ months, ____ you ____ a record of ____?

____ there ____ difference in ____ compared with ____ previous ____?

When ____ previous ____ data, what ____ have you ____ kWh ____?

Do ____ records ____ difference in ____ consumed for ____ month on ____?

Is ____ a ____ that ____ the change ____ usage when ____ to ____ month's ____?

Is ____ differences ____ kWh usage when ____ side by ____?

Are ____ any ____ usage when looking ____ month comparisons?

____ if ____ past month ____ past months when comparing kWh usage.

____ compare ____ by ____ dates to previous ____ data, are there any ____ used?

Is there ____ of ____ change ____ compared to ____ from the ____ month?

____ your records ____ changes when comparing ____ used ____?

____ kWh ____ from different months, ____ there ____ record of ____?

Will ____ any ____ kWh usage when looking ____ prior ____?

____ differences between ____ and past month use ____?

Is there a ____ of ____ change in kWh ____ the ____?

Is ____ a ____ that shows how ____ compared with ____ previous month's ____?

____ differences shown when ____ kWh usage for ____ month ____?

____ data, ____ changes have ____ noticed in the kWh consumed?

When ____ at ____ months, ____ a record of kWh usage ____?

____ question of ____ I can see ____ kWh usage between ____ previous ____.

If ____ consumption ____ dates ____ data, are there any differences?

____ analyzing prior ____ comparisons, ____ be ____ changes ____ kWh consumed?

When ____ from different months ____ a ____ of kWh ____ changes?

Do your records show changes if ____ to ____?

____ there a record ____ how kWh ____ changed ____ to the ____ figures?

Is there ____ difference ____ past month kWh ____ shown on the ____?

Is it ____ look at changes ____ kWh usage between ____.

Is there a record ____ usage ____ different months?

Is ____ a ____ kWh ____ different times ____ when looking ____ previous month ____?

Is ____ record that shows ____ usage ____ previous month?

____ this ____ usage changes when looking ____ figures from ____?

Can ____ compare ____ date ____ previous month data ____ records?
 ____ records show the differences in ____ from ____ the past months?
 Will I find any changes to ____ used in a ____ the ____?
 ____ two dates with prior month data, ____ there any ____?
 ____ record ____ the kWh usage when ____ from different ____?
 ____ a record exist of ____ usage when it's ____ different ____?
 Will ____ see ____ to kWh ____ a month, ____ to previous ____ comparisons.
 There are differences in kWh ____ shown on ____ when ____ dates ____ month ____.
 ____ there any ____ kWh usage compared ____ the ____ the side ____ side?
 Is ____ record ____ kWh usage ____ when ____ to other ____?
 ____ kWh consumed to previous ____ you see ____?
 ____ show ____ the ____ between ____ dates by ____ kilowatt hour ____ a month?
 Is ____ a ____ when looking at ____ month comparisons?
 ____ any ____ in kWh ____ looking ____ previous month comparisons?
 ____ there ____ difference ____ kWh ____ comparing ____ side by side?
 When looking ____ comparisons, ____ any changes in kWh ____?
 Do ____ kWh consumed compared to previous months?
 ____ there ____ record of the ____ kWh ____ when ____ with ____ month figure?
 Are ____ any ____ consumption when ____ compare ____ the previous month ____?
 ____ there ____ difference ____ consumption ____ compared with the preceding month data?
 ____ I ____ any differences in ____ when looking ____ prior ____?
 There ____ question if I ____ the ____ in kWh usage ____ previous ____.
 ____ there ____ differences ____ consumption ____ records when ____ the preceding month?
 ____ there a record of ____ changes ____ kWh ____ when ____ different ____?
 Are there ____ in ____ previous month data on ____ records?
 ____ have ____ differences in kWh consumption ____ on ____ records ____ dates?
 ____ your records ____ differences ____ kWh used for ____ past ____ the given ____?
 ____ you ____ any differences in ____ by ____ on your ____?
 ____ there ____ change ____ kWh usage ____ certain ____ readings?
 ____ 2 dates ____ month-ago ____ what changes ____ you noticed ____ consumed?
 ____ records show any differences in ____ months on either side?
 Is there a ____ change ____ usage ____ different months?
 ____ compare kWh ____ to ____ your records, ____ find any differences?
 ____ compare ____ consumption ____ specific dates to ____ month ____ on ____ record, ____ find ____ differences?
 ____ records ____ between kWh ____ from ____ given dates ____ the ____ months?
 Do ____ differences in kWh ____ past month ____ month?
 ____ regards ____ month comparisons, will I find changes to ____ month?
 Will ____ find ____ kWh used in ____ it to the ____ month?
 ____ curious ____ if ____ record ____ changing kWh ____ when compared with older ____.
 Is ____ changes in kWh ____ when it's ____ from different ____?
 You ____ kWh ____ by dates ____ previous month ____ on ____ are ____ any ____ kWh consumed?
 Are ____ any variations in ____ consumed when ____ compare kWh consumption ____?
 ____ know ____ you ____ record of changes ____ kWh ____ to other months.
 ____ a difference ____ comparing ____ from month ____ month?
 ____ there a ____ shows how kWh usage changed ____ month's ____?
 ____ of the ____ in kWh usage when ____ figures from ____ months?
 ____ changes have ____ the kWh ____ when ____ with previous ____ data?
 Is there ____ between the ____ during ____ and ____ the previous month comparison?
 Is there ____ the ____ in kWh usage ____ from the previous ____?
 Do your ____ show ____ changes when ____ compare kWh ____?

_____ there _____ past _____ and past month kWh _____?
 _____ looking _____ kWh _____ on _____ records, are _____ between the two _____?
 Are _____ any variations _____ when you _____ to _____ previous month?
 _____ comparing two _____ previous months data, what _____ you noticed _____?
 Do _____ between past _____ and _____ month kWh use _____ side?
 There is a _____ of if _____ in kWh _____ the previous _____
 _____ usage _____ different _____ is _____ a _____ of the change?
 _____ any changes _____ kWh consumed when _____ prior _____ comparisons?
 Do you have _____ of changes in _____ usage _____ previous _____?
 Do _____ differences in kWh consumption _____ your records _____ the preceding month?
 Does your _____ show _____ differences _____ kWh consumed _____ the _____ on either side from _____?
 Is this _____ of _____ changing when _____ at _____ from different _____?
 _____ there be _____ difference _____ kWh usage when looking _____?
 _____ can _____ dates _____ prior _____ but are there _____ in kWh consumed?
 _____ there differences _____ comparing kWh usage _____ month _____ one?
 _____ with _____ month data, are there _____ differences in _____ consumed _____?
 When _____ at figures from _____ months, Is _____ of _____ usage _____?
 _____ I _____ changes to _____ used with _____ to previous _____?
 Will _____ find changes _____ kWh _____ in _____ specifically with _____ prior month _____ during differing _____?
 _____ there any _____ kWh consumption _____ you compare it _____ month _____ records?
 _____ you compare kWh _____ by _____ dates _____ the _____ are there _____?
 _____ any difference in kWh _____ comparing prior month _____?
 Do you know _____ differences _____ on your _____ different dates?
 There _____ be a record _____ the _____ in kWh _____ different _____.
 What _____ you _____ in _____ kWh _____ comparing _____ dates and previous _____ data?
 Will I _____ to _____ kWh used in _____ month, specifically _____ regards to _____ month _____?
 Is _____ in _____ when _____ past months side by _____?
 _____ a _____ kWh usage between the previous months' _____?
 Is it _____ to see _____ use between _____ readings?
 Do _____ in kWh _____ shown on your records _____ comparing different _____ with _____ data?
 Are your _____ showing _____ changes _____ consumed in _____ months?
 You _____ kWh consumption _____ dates _____ to see if _____ are any _____.
 _____ you _____ by _____ dates to _____ months, should _____ any differences?
 Do _____ differences in _____ consumed for the past _____ by _____?
 _____ there any variations in kWh _____ can _____ previous month _____?
 Did your _____ show any differences in _____ the _____ dates and _____?
 Can _____ differences _____ month and _____ months when comparing _____?
 _____ comparison purposes, _____ the _____ show _____ in kWh _____?
 _____ between _____ month _____ past month _____ show _____ on the kWh consumption _____?
 _____ at figures _____ different months, does _____ usage change?
 What changes _____ you _____ in _____ consumed _____ two _____ with _____ data?
 _____ I _____ any difference _____ kWh _____ looking at previous _____?
 _____ differences in kWh _____ when _____ compare it with _____ data _____ records?
 If _____ compare two _____ dates with _____ month _____ are there _____ used?
 _____ I _____ to kWh _____ a _____ month with regards _____ prior _____ comparisons.
 Is there a _____ in _____ when _____ month comparisons?
 _____ different when _____ past months _____ by side?
 _____ there differences _____ consumption shown _____ records _____ with _____ preceding month _____?
 _____ get changes _____ in a _____ with regards to the _____ comparisons?
 _____ your _____ any _____ in _____ consumed for the _____ few _____ both sides?

_____ curious _____ know if _____ record _____ kWh _____ when compared with _____.
 Is there _____ record of _____ when _____ the previous months?
 There _____ differences _____ shown on _____ records _____ compared to _____ month data.
 Will _____ record _____ the change in _____ from different months?
 There _____ differences in _____ consumption _____ your records _____ different _____.
 _____ looking at _____ different _____ this _____ of kWh _____ change?
 _____ curious _____ know _____ a _____ of _____ changing when compared with other _____.
 _____ you _____ changes in kWh _____ when _____ figures _____ different months?
 When comparing _____ specific _____ prior month _____ do there exist _____ in _____?
 _____ you compare kilowatt-hour consumption _____ to specific _____ can you _____ differences?
 Is it _____ see changes in _____ usage between _____?
 What _____ you _____ in the _____ with previous months?
 _____ want to know _____ there are changes _____ a given month, specifically _____ month comparisons.
 Do you _____ there _____ any differences _____ shown _____ your records _____ different dates?
 I _____ you _____ a record _____ in kWh usage _____ compared _____ months.
 Will _____ difference _____ usage when comparing month to _____?
 _____ compared _____ months, _____ there a _____ the change in kWh _____?
 _____ state fluctuations against _____ like kWh _____ per month?
 Can _____ show us _____ differences between _____ usage _____ a month?
 _____ there any differences in _____ dates with prior _____ data?
 Is _____ differences shown _____ from month _____ month?
 Is _____ a _____ shows the _____ usage _____ compared _____ the past month's _____?
 Is there a _____ in _____ compared _____ months?
 _____ there a _____ between the kWh used _____ with _____ previous month?
 _____ is a question _____ changes _____ kWh _____ between _____ months' _____.
 When comparing past _____ side _____ are there _____ usage?
 Do _____ records show _____ kWh consumed _____ past _____ on both _____?
 Is there any _____ usage over the _____ on _____ by _____ side?
 Do you have _____ usage _____ when comparing _____ from _____ months?
 There _____ as to _____ can _____ in _____ usage between the previous months' readings.
 _____ show _____ comparing _____ consumed _____ the previous months' figures?
 _____ record _____ change in _____ usage when _____ is compared with the _____?
 _____ the records state fluctuations against _____ like kWh _____?
 _____ there _____ in kWh consumed side _____ the given _____ records?
 Do _____ record of _____ in kWh _____ when comparing the _____?
 Are there _____ differences _____ kWh consumption _____ months?
 Will I find _____ difference _____ when looking at _____ to _____?
 _____ to kWh _____ in a given _____ with _____ the _____ month comparisons?
 There _____ be differences between _____ month kWh use shown on _____.
 Is there a _____ during different periods _____ previous _____ comparisons?
 _____ you _____ kWh used _____ the given _____ and _____ past months?
 _____ there _____ difference _____ between _____ times and the previous month _____?
 _____ there _____ a _____ usage when _____ look _____ prior month comparisons?
 When _____ kWh usage _____ do you have a _____ of the _____?
 Is there kWh _____ the _____ months side by _____?
 Is _____ a _____ shows _____ usage _____ when compared to _____ figures?
 There may _____ kWh _____ on _____ records when _____ dates with _____ preceding month _____.
 Do your _____ any differences _____ for the _____ months on _____?
 _____ possible _____ differences in _____ when _____ months side by side?
 Is there a _____ of the _____ in _____ its _____ from _____?

There is a question _____ change _____ kWh _____ months' readings.
 _____ your _____ any differences _____ consumed over the last _____ on _____ side?
 _____ there _____ record of the change _____ kWh _____ when _____ to _____ month _____?
 _____ your _____ changes when you compare _____ previous months?
 _____ the records _____ against _____ data, _____ kWh used per _____?
 Can _____ show _____ specific dates _____ comparing _____ each month?
 Is there a _____ the changes _____ kWh _____ compared with _____?
 _____ in _____ consumed when compared with previous months data?
 _____ comparing two _____ dates _____ month data, _____ there be _____ differences in _____?
 _____ there _____ difference in _____ usage when looking _____ prior _____?
 When _____ kWh _____ from different months, _____ there _____ of _____?
 When you _____ months, do _____ have a record of _____?
 _____ changes _____ in _____ consumed _____ comparing two _____ with previous months data?
 Will _____ see changes to kWh _____ month _____ regards _____ prior month _____?
 _____ differences in kWh consumption _____ on _____ when comparing specific _____ with _____ preceding _____?
 _____ see _____ differences in _____ the given _____ and past months?
 _____ comparing kWh _____ from different _____ is _____ record of _____?
 Do there _____ any _____ your records when compared to _____ data?
 _____ record _____ the _____ in _____ when compared _____ other months?
 Is there a difference _____ kWh used when _____?
 Do there differences _____ month _____ month use _____?
 I'm curious to _____ have _____ of changes _____ kWh usage _____ previous figures.
 When _____ past _____ comparisons, _____ there _____ difference between kWh used _____?
 Does _____ any differences in kWh _____ over _____ past _____ from the _____?
 Is this _____ usage _____ looking at the _____ months?
 When comparing _____ dates with the _____ data, _____ there _____ kWh consumption _____ your records?
 What _____ you noticed when comparing _____ specific _____ with month-ago _____?
 Can you _____ us _____ between _____ dates by _____ monthly?
 _____ there _____ kWh _____ when comparing certain dates with the preceding _____ data?
 The question _____ have a _____ in kWh usage when _____ different _____.
 Will _____ in kWh _____ a given _____ specifically with regards _____ month _____?
 When comparing _____ consumption by specific dates to previous _____ differences in kWh _____?
 _____ noticed in _____ when looking at the previous months _____?
 _____ are shown when _____ usage last _____ to _____ one?
 Will I _____ changes _____ kWh _____ in a _____ specifically _____ to previous _____ during different _____?
 I _____ to _____ if you have a _____ changes _____ kWh usage when _____ to _____.
 _____ might _____ in _____ when comparing past _____ side by _____.
 _____ specific dates _____ previous month data, _____ there _____ differences _____ consumed shown on _____ records?
 _____ tell us _____ between specific _____ by comparing _____ in a _____?
 _____ records _____ in _____ consumed from both the given _____ and _____ months?
 _____ I find _____ variations in past month's figures _____ comparing _____ certain _____?
 _____ is _____ question _____ I _____ changes in _____ usage between the _____.
 _____ looking _____ month comparisons, will _____ be _____ difference _____ kWh _____?
 Do your _____ show _____ difference in _____ past months _____ either _____?
 _____ there a difference _____ use when _____ prior _____ comparisons?
 _____ I compare kWh usage _____ certain dates, _____ variations in past _____ figures?
 Do there have been _____ kWh _____ your _____ when comparing _____?
 _____ there a _____ change _____ kWh _____ compared to the previous _____?
 Are there _____ differences _____ for _____ past _____ by side, from _____ dates?
 _____ you _____ differences in _____ consumption from _____ given _____ the _____ months?

Will there be a difference ____ kWh ____ looking ____ previous ____?

____ the ____ of ____ changes when looking ____ different months?

____ there ____ difference ____ usage ____ compared with the ____ months?

Is ____ record of kWh ____ looking ____ different ____?

When comparing ____ months side ____ side, do ____ in ____?

____ show any ____ consumed in ____ past month ____ either side?

____ this ____ record of ____ change ____ at different months?

____ consumption by ____ dates ____ previous ____ your records should you ____ differences?

Is ____ any difference ____ kWh ____ the ____ on ____ side ____ side?

____ your records show ____ differences in kWh ____ the ____ the ____ months?

Can ____ us ____ between certain ____ by comparing kWh consumption ____?

____ there ____ in kWh ____ for ____ past ____ either side of ____ dates ____ in your ____?

____ there exist ____ consumption ____ records when ____ dates with ____ preceding ____ data?

Are ____ any variations in ____ consumption ____ kWh ____ by ____ on ____?

____ show us the ____ specific ____ by comparing kWh used ____?

____ there a difference in kWh ____ shown ____ your records when ____ data?

____ records ____ differences in kWh used for ____ last month ____?

____ differences in ____ with the previous months?

Is ____ to find ____ with different ____ comparing ____ within ____ dates?

Is there ____ the ____ and when ____ at prior month comparisons?

____ may ____ differences in kWh ____ your records when ____ compare ____ dates.

Do ____ between the ____ month kWh use shown on ____ kWh ____ comparison?

____ kWh ____ there ____ between month and month?

____ changes have you ____ the kWh ____ when ____ compare it ____ data?

____ this ____ of kWh ____ changes when looking ____ different ____?

____ previous months side ____ differences shown in kWh ____?

Is a record of ____ it's compared from ____?

____ changes have you ____ kWh ____ dates with previous ____ data?

Is it ____ find records reflecting ____ month's ____ when comparing kWh ____?

Do your records ____ kWh used in ____ previous ____?

____ there ____ in ____ usage when comparing past ____ side ____?

Did ____ records ____ in kWh consumed ____ the past ____ on ____?

I ____ have a ____ of ____ in ____ usage ____ compared ____ older figures.

Is ____ a ____ in ____ used during ____ times ____ looking ____ months?

Are there any differences ____ kWh ____ to ____ data?

When ____ prior month comparisons, ____ there ____ between ____ during different times?

Will ____ kWh used in ____ given month ____ regards to ____ month ____?

Are ____ differences ____ when ____ from one month to ____?

Will I find ____ to kWh ____ given ____ with regards ____ the ____ month ____?

____ a record ____ the ____ in kWh usage ____ from ____ same month?

____ there be ____ to ____ in a given month, ____ with regards ____ comparisons?

When ____ kWh ____ last month to this ____ any ____?

____ a ____ of ____ usage ____ compared to other months?

____ know if I ____ see changes in kWh usage ____ months' ____.

____ a difference between ____ past month kWh ____ kWh consumption comparison?

____ wonder ____ are ____ in kWh ____ past months side by side.

____ there ____ record of ____ in kWh usage compared ____ the same ____?

____ your ____ show ____ in kWh used for ____ either ____?

____ your ____ show any ____ one ____ to the next, side by ____?

Do your records ____ any differences ____ the past months, ____ given ____?

_____ there _____ to _____ when looking at prior month _____?
 When _____ two _____ with previous months data, _____ changes _____ in the _____?
 _____ have _____ the kWh consumed when compared with _____ months _____?
 _____ there _____ between the _____ and past months when comparing _____?
 When comparing _____ usage _____ do you _____ a record of how _____?
 _____ possible _____ see _____ kWh usage changed _____ compared _____ past month's _____?
 _____ if _____ a _____ of _____ in kWh _____ compared to older figures.
 Is there a difference between _____ times _____ compared _____ the _____?
 Will _____ be a difference in kWh _____ looking _____?
 Did your records show the _____ in _____ the given _____ months?
 _____ there _____ record of _____ in _____ when it's compared _____ the _____ usage?
 Do your _____ a _____ kWh consumed in previous _____?
 Will I find changes to kWh _____ a month _____ to _____?
 Will there _____ difference _____ usage when looking _____ the _____?
 Does _____ records show _____ kWh _____ side by _____ over _____ past few _____?
 _____ you _____ by _____ previous month data, _____ there any differences in _____?
 When looking _____ the previous _____ comparisons, do you _____ in kWh _____?
 _____ question _____ if I _____ changes _____ usage between the last few _____.
 Does _____ records _____ in kWh consumed _____ either side _____ months?
 _____ with previous _____ data, are _____ any differences _____ kWh _____?
 Will I _____ a difference _____ usage when _____ prior _____?
 When comparing _____ to previous months, _____ your records _____?
 _____ comparing two _____ changes _____ you noticed in _____ kWh consumed?
 _____ inkWh consumption shown on _____ comparing specific _____ the previous month data?
 _____ there a _____ of _____ usage _____ compared _____ months?
 Do _____ differences inkWh consumption _____ on your _____ comparing different _____?
 What _____ you _____ in _____ kWh consumed _____ comparing _____ dates _____ month-ago _____?
 Is _____ to historical _____ like kWh _____ per month?
 Do your records _____ consumed when compared to _____?
 Does your records show any _____ in _____ the past _____ either _____?
 _____ any _____ shown when comparing _____ from _____ month to _____?
 Does your _____ show _____ differences _____ kWh consumed for _____ months on _____?
 _____ variations _____ kWh consumed _____ comparing _____ dates with prior month _____?
 Do _____ show any changes _____ consumed _____ previous months?
 _____ records _____ any changes _____ for the past months on _____?
 _____ I find _____ in a _____ month, specifically with _____ to _____ prior month _____?
 _____ there a record _____ usage changed _____ compared _____ the past _____?
 _____ any _____ in kWh _____ when _____ at the prior _____ comparison?
 Will _____ changes to kWh used in _____ compared to _____ month _____?
 I'm wondering _____ I can _____ in _____ between the _____ months' _____.
 Do there differences between _____ month _____ use _____ comparison?
 _____ show any _____ kWh consumed side _____ side, from given _____?
 _____ possible _____ find records that reflect _____ past _____ figures when comparing _____ usage _____ certain _____?
 Can _____ us the _____ between _____ dates by _____ the _____ month?
 Did your _____ show any differences _____ the given dates _____?
 Is this a record _____ kWh _____ when looking _____ other _____?
 _____ differences between the _____ month and _____ when _____ usage?
 Is there kWh usage differences _____ over _____ side?
 _____ you show _____ the differences between _____ by _____ a month?
 Do _____ exist _____ in _____ consumption _____ your records when comparing _____?

Are ____ recording ____ between ____ dates while ____ at ____?

Are there any differences ____ kWh consumption ____ data ____ your records?

____ dates by comparing kilowatt-hour consumption in a month?

Did ____ differences ____ kWh used from ____ the past months?

____ between kWh ____ times and compared with previous months?

Will I find ____ to ____ a month when ____ previous ____?

____ is ____ as to ____ I can see ____ in ____ usage between ____ readings.

If ____ kWh consumption by dates to ____ on ____ should ____ any differences?

Will I find changes ____ a given ____ with regards ____ prior ____?

What changes ____ you seen in ____ when comparing ____ month-ago ____?

Is ____ showing any ____ comparing ____ to previous months?

____ to ____ used ____ a given ____ when compared ____ previous months?

Did ____ find ____ kWh consumed ____ both dates ____ the ____?

____ record of ____ in kWh usage ____ compared ____ same month's usage?

____ wondering if I can look at ____ kWh ____ between the ____.

Is there ____ kWh ____ when looking at the ____?

____ side, are there differences ____ kWh use?

____ differences ____ between past month and past months ____ usage?

____ was wondering ____ have a record of ____ kWh ____ when ____ months.

____ there ____ in kWh consumed ____ the ____ month on ____ records?

____ differences ____ shown on your ____ dates with the ____ month data?

Will ____ in ____ when examining ____ month comparisons?

____ there any variation ____ consumed when ____ to previous ____?

Is there ____ record that shows ____ change in kWh ____ compared ____?

Will ____ find changes ____ kWh ____ in ____ given ____ comparison to ____ comparisons?

____ want to ____ you ____ a ____ of changes in kWh ____ to older ____.

____ you ____ with ____ preceding ____ data, ____ you see ____ kWh consumption?

Are ____ differences in kWh ____ you ____ kWh ____ specific dates ____ previous month ____?

____ there a record that ____ how ____ changed when ____ month's ____?

If ____ compare different dates ____ previous month ____ do ____ in kWh ____?

Is ____ a record that shows ____ kWh ____ changed ____ previous ____?

Do ____ be differences between the ____ past ____ kWh ____?

____ curious to ____ if ____ have a ____ kWh usage ____ compared to the ____ figures.

____ there ____ differences in ____ used for ____ side ____ the dates given?

Is ____ a record ____ shows how ____ usage has ____ previous ____?

____ compare kWh ____ specific dates ____ previous ____ data, should ____ find ____?

____ I ____ changes ____ kWh used ____ month, specifically with ____ to ____ prior month ____?

Can you ____ us ____ between specific ____ kWh ____ monthly?

Did your ____ show any differences ____ kWh ____ the past ____?

Do ____ have ____ record ____ kWh ____ from one month to ____?

____ your ____ show ____ in ____ consumed ____ the ____ dates and ____ past ____.

Do ____ differences ____ and ____ months ____ comparing kWh usage?

Will ____ difference in ____ prior month comparisons?

____ keep records of any ____ in ____ spent ____ yourself ____ past month ____ against ____ dates?

When comparing ____ dates ____ the ____ month ____ there are ____ consumption ____ on ____?

When ____ at previous month ____ will ____ in kWh ____?

____ compare ____ dates ____ are there ____ differences in kWh used?

Are ____ changes ____ two specific ____ while ____ kWh usage?

Is ____ a record ____ usage ____ compared ____ the previous month?

Do your ____ changes ____ consumed to the previous ____?

Do ____ have a record of ____ usage ____ with older ____?
 ____ is ____ question ____ I can look at the ____ in kWh ____ the previous ____.
 ____ a ____ changes in kWh usage when compared ____?
 ____ changes ____ noticed in the kWh consumed ____ dates with ____ data?
 ____ record of changes to kWh usage when comparing ____?
 What changes ____ you noticed in ____ comparing ____ with previous ____?
 ____ there any difference ____ over ____ months on the ____ side side ____?
 ____ kWh usage ____ months, do ____ a record of ____?
 ____ with the ____ month data, do ____ exist any ____ on ____ records?
 When ____ by month, ____ there differences ____ kWh ____?
 Do ____ record of ____ to ____ usage when ____ different ____?
 ____ records ____ against historical ____ such as ____ consumed per ____?
 ____ any differences ____ consumption ____ your records when comparing ____ months?
 What ____ the ____ in kWh ____ when compared from ____ months?
 Does your records ____ when comparing kWh ____ in ____?
 ____ find differences ____ used in a ____ and prior month ____?
 ____ kWh ____ from ____ months ____ on ____ do ____ have a ____ of the changes?
 Will ____ changes ____ when looking ____ previous month comparisons?
 ____ record ____ kWh usage ____ looking at different months?
 ____ to know ____ you ____ a ____ of ____ in ____ usage compared to ____.
 ____ dates ____ the previous ____ data, ____ there exist any differences in ____ consumption ____ records?
 Do ____ when ____ at previous ____ kWh consumption?
 If you compare ____ dates to ____ can you find any ____?
 Is there a record ____ in kWh usage ____ the ____?
 What ____ have you ____ when comparing dates with ____ data?
 Can ____ show ____ differences between specific ____ comparing ____ in a ____?
 I'm curious to ____ record of kWh usage ____ compared ____ months.
 What changes have ____ noticed ____ kWh ____ compared ____ months ____?
 ____ your records show any ____ for the past ____ either ____?
 ____ a difference between ____ used ____ different ____ and ____ of ____ months?
 ____ your records ____ differences ____ used for the past months ____?
 ____ I be able ____ a ____ in ____ usage when ____ prior month ____?
 Are there ____ differences in kWh consumption ____ in ____ different ____?
 Is it possible to find ____ the ____ when comparing kWh ____?
 Do you ____ record ____ the changes ____ when ____ different months?
 ____ have you noticed when comparing the ____ with ____ data?
 ____ I find changes to kWh ____ in ____ regards ____ month comparisons.
 Will I ____ changes in ____ consumed when ____ prior ____?
 ____ compare ____ consumption ____ specific ____ to previous month ____ should you see ____?
 ____ is a question of ____ can ____ in kWh ____ months' readings.
 Are there ____ differences ____ kWh consumed when you ____ kWh ____ the ____?
 ____ it ____ look at ____ in kWh ____ the ____ months' readings?
 Will I find ____ kWh ____ month in comparison to ____?
 ____ I find a ____ kWh ____ when ____ to ____ comparisons?
 ____ differences ____ shown ____ kWh ____ comparing ____ side by side?
 Is there ____ the change in ____ usage when ____ is ____ the ____?
 ____ you ____ kWh consumption by specific dates ____ month data on ____ variations in kWh ____?
 Do your records show ____ kWh ____ months ____ either side?
 ____ differences in kWh ____ when ____ it to previous month ____?
 Will I ____ any ____ in ____ usage when I ____ previous ____?

____ I ____ to look at ____ in ____ between ____ previous ____ readings?
 I'm wondering ____ have ____ record ____ in ____ usage ____ to older ____.
 Will there be ____ difference ____ kWh ____ compared ____ the ____?
 ____ I find ____ kWh used with ____ to ____ previous ____?
 ____ there a ____ between the ____ used during ____ and ____ month ____?
 ____ two ____ with ____ what changes have you seen in ____?
 ____ between past month and ____ use shown ____ kWh consumption comparison ____ by side ____?
 ____ the ____ show differences when comparing ____ months ____ side?
 ____ any ____ kWh consumption ____ comparing ____ on your records?
 Does the ____ show ____ compared ____ like ____ consumed per ____?
 ____ there a ____ kWh ____ during different ____ and ____ looking ____ month comparisons.
 When comparing ____ dates ____ the ____ data, ____ you see ____ kWh ____?
 ____ changes have you noticed in ____ 2 dates with ____?
 Is it ____ different ____ between certain ____ previous months?
 Will I ____ to kWh used in ____ regard to previous ____?
 When comparing kWh ____ by ____ to ____ are there any differences ____?
 I ____ to know if there are differences ____ month ____ past ____ comparing ____.
 You compare kWh ____ by ____ to previous ____ data ____ are ____ any ____?
 ____ kWh usage last month to this one?
 ____ to ____ you have ____ record ____ in ____ usage from other months.
 ____ to know ____ a ____ of changes in ____ usage when compared ____ figures.
 ____ examining prior month comparisons, ____ find ____ changes ____ consumed ____ times?
 ____ there ____ in kWh usage ____ looking ____ previous month ____?
 When comparing specific dates ____ preceding ____ data, ____ differences ____ consumption?
 I have ____ about ____ changes ____ usage between the ____ readings.
 ____ you ____ there are differences ____ consumption ____ records ____ comparing different ____?
 ____ there ____ past month and past month kWh ____ comparison?
 ____ there records ____ in ____ month's ____ comparing ____ usage within certain dates?
 Will I find ____ in kWh usage ____ looking ____ the ____?
 ____ find any ____ in ____ when examining prior month ____?
 Is ____ shown in kWh usage ____ months ____ by ____?
 ____ calculating ____ usage from different ____ is ____ a ____ the ____?
 ____ records show ____ differences in ____ consumed ____ the ____ months on either ____?
 ____ there ____ difference ____ usage compared to last ____?
 ____ at the ____ from ____ months, ____ record of ____ usage changes?
 ____ I find differences ____ kWh used ____ specifically ____ to ____ month comparisons?
 Is ____ difference in ____ usage ____ comparing previous ____ side?
 Do ____ show any ____ when comparing kWh ____ months?
 ____ there ____ kWh consumed when looking at ____ comparisons?
 Did there be differences ____ kWh consumed ____ given ____ months?
 ____ looking at previous ____ comparisons ____ find ____ difference ____ kWh ____?
 When ____ dates with ____ month ____ in kWh consumed ____ on the records?
 ____ your records ____ differences ____ kWh ____ the past ____ on ____ sides?
 Will there ____ a difference in ____ usage ____ month?
 When ____ month ____ Is there a ____ between ____ used ____ different ____?
 ____ to know if you have ____ record ____ in kWh ____ when compared ____.
 kWh usage differences ____ over the ____ side?
 Is a ____ shows ____ changed ____ compared ____ the ____ month's figures?
 What changes ____ you ____ kWh consumed ____ compared to ____ previous ____?
 ____ by specific ____ previous month data ____ any differences in ____?

When _____ with previous _____ what changes _____ seen in _____?

_____ your records _____ changes when _____ from the previous _____?

_____ you _____ the _____ usage from _____ to see if there's any _____?

Does the _____ fluctuations against _____ data _____ kWh _____ per _____?

Is _____ a _____ kWh usage _____ we look _____ months?

_____ you have _____ differences _____ shown _____ your records _____ compare different _____?

Do there _____ differences _____ shown on _____ records _____ compared to _____ month _____?

Will _____ changes _____ used _____ a _____ month, specifically _____ regards to prior month comparisons, _____?

Is there a difference _____ during _____ in prior _____ comparisons?

_____ possible _____ find _____ showing _____ past month's figures when _____ kWh _____ certain dates?

_____ is a question if _____ can _____ kWh usage _____ months' readings.

_____ me if you have _____ record _____ in kWh _____ when comparing figures _____ months?

Will I _____ to kWh _____ in a _____ specifically _____ regards _____ month comparisons?

Did _____ records _____ differences in _____ consumed _____ given _____ the past _____?

_____ there _____ kWh _____ when comparing _____ side by _____?

_____ you _____ with _____ data, _____ there any differences in kWh consumed?

What changes have _____ the kWh consumed _____ at _____ months _____?

_____ past months side _____ do there differences in kWh _____?

_____ you _____ of _____ kWh usage, _____ comparing figures from _____ months?

When comparing _____ months' figures, _____ your records _____ changes?

Can _____ show _____ the _____ between _____ dates _____ comparing _____ usage?

_____ I discover changes to kWh used in a _____ to _____ comparisons?

_____ prior _____ comparisons, Is _____ a _____ between _____ kWh used during different _____.

What changes _____ kWh _____ when comparing 2 specific _____ previous _____?

_____ there exist any differences _____ your _____ when _____ with preceding month _____?

_____ there _____ in kWh usage _____ past months and the past _____ on _____ side by _____?

Will _____ find _____ to kWh used in a _____ month comparisons?

Is there any _____ usage _____ previous months?

_____ there a difference _____ shown _____ when comparing specific dates _____ the _____ data?
