

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Requesting service or repairs
Inquiry Sub-Category	Equipment malfunctions
Description	Customers with malfunctioning alarm systems or security equipment request assistance to get their systems up and running smoothly.
Data Size	5,248 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

We recently had _____ caused _____ in _____ entire _____ setup — how _____ until _____ fixed?
_____ the power _____ our entire _____?
_____ problems with _____ due to _____ power disruption.
_____ there _____ progress on _____ security _____ that _____ by the _____ outage?
Power _____ messed up _____.
How soon will the _____ after power _____?
Our security _____ got glitch _____ our _____.
_____ the problems _____ our _____ be solved after _____ power _____ out?
Problems in our security _____ caused _____.
_____ there _____ power _____ in our security setup will be _____?
How quickly can _____ resolve the _____ outage _____ setup?
When _____ in our _____ setup will _____ anyone's estimate?
_____ a _____ that caused security _____.
_____ soon after the power _____ be fixed?
_____ can _____ expect it to take to _____ functioning of our _____ disrupted by _____ recent _____ cut?
_____ much _____ can we expect it to _____ until we _____ functioning of our _____ by the _____?
After _____ went out, _____ we _____ security system?
How soon _____ we fix the issues _____?
_____ setup _____ some problems _____ the power outage.
_____ long will it _____ fix the security system _____ the _____?
_____ recently _____ a power _____ which _____ in our _____ system.
We had _____ with _____ after the _____ power _____.
How soon _____ be power _____ glitch _____ in our _____?
How soon will the entire _____ fixed _____ we _____ outage?
_____ you _____ on when the _____ problems will be fixed _____ security _____?
There _____ some issues with _____ security _____ after the _____.
_____ having _____ our _____ because of _____ power outage.
_____ recently _____ power outage and _____ caused some _____ our _____ system.
How soon _____ get _____ fix for _____ security _____?

Can't _____ a _____ our alarms _____ timetable for fixing it?

When the _____ out, _____ setup _____.

_____ power outage, what's the holdup _____?

Will _____ system be _____ after _____ power loss?

_____ with our security _____ the recent _____ interruption.

There _____ glitches caused by _____.

Our systems _____ after _____ outage.

_____ the timetable _____ resolving issues caused _____ power _____ restoring full function _____ security configuration?

_____ will the Home _____ Alarm Company be _____ fix the problems _____ by _____ power _____?

When _____ fix _____ power gone out, _____ up?

_____ soon _____ we expect the _____ security _____ to be _____?

_____ tell _____ when the _____ in our _____ setup _____ fixed?

There are some _____ security system after _____.

_____ can we expect a fix _____ security _____ that _____ by _____ power _____?

_____ power going out and security messing _____?

There was security _____ by _____ recent _____.

How long will it _____ for _____ glitch _____ the _____ our security _____ to be _____?

_____ issues with our _____ system after _____ power _____ out.

_____ is a holdup _____ our _____ after a _____.

How _____ a fix _____ the power _____ which caused _____ problems?

_____ power _____ has _____ to _____ issues.

_____ security _____ fixed after _____ power goes out?

_____ were _____ issues _____ recent power interruption.

How quickly will _____ security _____ be _____ after _____ out?

After _____ outage, _____ security system _____?

_____ after the _____ outage _____ issues _____ security system _____ fixed?

We recently _____ outage, _____ caused some security issues, _____ soon _____ fixed?

_____ the _____ glitches _____ after the _____ outage?

We _____ that caused some security problems, _____ soon _____ it _____ fixed?

Some issues with our _____ have _____ after a _____.

_____ you _____ power outage that compromised our _____ setup?

_____ led to some _____ issues.

The _____ affected by the _____ outage.

_____ recent power _____ whole security _____.

_____ recent power _____ where _____ we _____ on _____ security setup?

Power _____ security system.

How _____ it take _____ the _____ that _____ due to the _____ outage?

Is there _____ estimate _____ the _____ and Alarm _____ fix _____ problems caused by _____ power _____?

Can _____ us _____ the power _____ be solved _____ security setup?

When is _____ for the messed _____ security?

_____ our _____ out, we had _____ security _____.

The power went _____ and _____ having some _____ with _____.

Can _____ give us an _____ when the power _____ will _____ our _____?

Is _____ security system fixed _____?

The security setup has _____ power outage.

_____ security system _____ after a power failure?

We _____ how _____ it _____ until _____ normal functioning of _____ security setup that _____ affected _____ the power _____.

We _____ had _____ which _____ issues _____ our security setup.
_____ outage _____ in our home _____ setup.

There _____ with our security _____ a _____ of _____ power _____.

There were problems in our _____ went _____.

When our power _____ our _____ setup _____ problem.

_____ when the power problems that occurred _____ will be _____ our _____?

The _____ has _____ to _____ problems.

I _____ know when our _____ setup will be _____ after _____.

Regarding the _____ do we _____ regards to _____ security issues?

_____ will it take _____ to _____ system that _____ damaged by the _____?

After _____ power went _____ our security _____?

Where do we _____ regards to _____ the security _____ power _____?

_____ security system had some issues after _____.

_____ there _____ progress on _____ issues caused _____ power outage?

The _____ outage _____ issues that _____ be fixed.

The security _____ was _____ by _____ outage.

_____ the _____ be _____ to _____ after the power failure?

_____ we get our security _____ normal _____ the _____ went out?

Power _____ security system.

_____ power went _____ and _____ experiencing _____ with _____ system.

What _____ time _____ for _____ our _____ after we experienced _____ power outage?

How soon can _____ expect _____ a fix for our _____ after _____?

How much _____ will it take _____ the _____ fixed after a _____?

What time frame _____ to resolve _____ caused by _____ power outage _____ to our security _____?

_____ will _____ return to normal in _____ setup, _____ latest electrical _____?

_____ long will it take to _____ system _____ was _____ a _____ outage?

How much _____ expect _____ to _____ until our _____ setup is back _____ normal _____ power cut?

_____ the _____ out, security _____ up.

The _____ security system _____ to _____ the power goes _____.

How _____ will _____ take _____ our _____ setup is _____ to _____ after a _____ power _____?

_____ come _____ is no _____ for our security _____ power _____?

We experienced _____ with our _____ the power _____ out.

_____ soon will _____ be able _____ for _____ issues in the security _____?

_____ recent outage _____ caused _____ our _____ security setup.

_____ fix for Power _____ and security _____ up?

What _____ time frame _____ fixing the _____ system _____ by the _____?

The _____ messed _____ the power outage.

_____ security _____ fixed after _____ off?

_____ power went _____ the security _____ had _____.

_____ power _____ out and we _____ issues _____ our security _____.

How _____ will it _____ to _____ the _____ system that was _____ power _____?

How _____ we expect the problems _____ by _____ failure _____ security setup _____ be _____?

_____ problem _____ up the _____ system.

Our _____ out and _____ security setup had _____.

_____ will _____ power outage-generated _____ problems _____?

How _____ the _____ outage will _____ the _____ our security _____ fixed?

How _____ time _____ it take to repair the _____ by the recent power _____?

_____ long _____ it take _____ Security and Alarm _____ fix the _____ caused by _____ power _____?

____ quickly can ____ power ____ that compromised the entire ____?
 ____ tell me ____ power issues will be solved ____ security ____?
 How soon will the ____ setup ____ fixed ____ power ____?
 When will the problems caused ____ by ____ Security and Alarm Company?
 ____ don't know if the ____ disrupted our ____ security ____.
 How quickly ____ security ____ be fixed ____ the ____?
 Our ____ setup was ____ recent power outage.
 ____ should ____ problems ____ fixed after the power ____?
 How ____ it take ____ fix the security ____ that ____ malfunctioning ____ to ____?
 ____ the ____ be ____ after the power ____?
 How ____ there ____ a fix ____ in the security ____?
 Is ____ fixing security after the ____ outage?
 Power ____ messed with ____.
 ____ had a ____ outage which ____ security issues, how soon ____ fixed?
 ____ recent ____ caused ____ issues that ____ be fixed.
 How long ____ it ____ fix ____ power failure that ____ security ____ to ____?
 There ____ problems ____ security setup when ____ was ____ power ____.
 ____ progress ____ fixing ____ security ____ by the power outage?
 ____ it take to fix the ____ was glitched ____ experienced ____ power outage?
 How ____ expect it to ____ we get our security setup ____ recent power cut?
 ____ soon ____ we expect our ____ be up and ____?
 ____ to repair ____ that ____ messed ____ the sudden outage?
 ____ can we ____ a ____ for the issues ____ system?
 There ____ issues ____ our security ____ the recent ____.
 ____ power went out, our ____ was ____.
 ____ was ____ by the ____ outage.
 ____ were problems ____ security setup ____ the ____ outage.
 ____ the ____ issues ____ the power outage be ____?
 ____ our security ____ because of ____ power outage.
 ____ was a ____ issue ____ messed ____ the ____ system.
 ____ went out ____ malfunctioned.
 ____ have ____ problem with ____ the power outage.
 ____ the ____ up system after a sudden ____?
 ____ power ____ and the security ____ messed ____.
 ____ soon can ____ with the security ____ be ____?
 ____ long will ____ to ____ the security system that was malfunctioning ____?
 How ____ can ____ expect to fix ____ issues in ____?
 ____ had ____ glitch ____ our security due ____ recent ____ disruption.
 When ____ the ____ system be ____ the ____ blip?
 ____ is the ____ for ____ loss and security ____?
 ____ there ____ we can ____ to ____ security setup after the ____?
 Can ____ tell ____ when ____ power glitch will ____ fixed ____ security ____?
 When will the ____ system be fixed ____?
 When will ____ to ____ in our ____ setup after ____?
 ____ our ____ out, our security setup ____.
 ____ power outage ____ functionality to ____ security ____ caused some issues.
 How ____ expect a fix for ____ that was ____ by ____ power outage?
 There ____ in our ____ of the power ____.
 Problems with ____ were caused by the ____.
 ____ the ____ by ____ power interruption will ____ Home Security and Alarm ____ be ____ fix ____?

The _____ interruption _____ to security _____.
 _____ know when the Home Security and Alarm Company _____ fix _____ caused _____ the _____ ?
 How long _____ our entire security _____ is _____ recent _____ ?
 There _____ the overall security system _____ went out.
 _____ security _____ is _____ after the _____ goes _____.
 When will _____ our home _____ setup be _____ after _____ recent _____ ?
 How long do you _____ will take _____ the security _____ after a _____ ?
 We _____ a _____ that _____ lot _____ in our security setup.
 Our systems _____ after _____ failure.
 _____ is malfunctioning due to _____ loss.
 _____ power disruption _____ whole _____ setup?
 We're _____ problems _____ our _____ because of _____ power going _____.
 How _____ the issues with the _____ fixed _____ the power _____ ?
 The security system _____ some _____ after _____ power _____.
 _____ the _____ system _____ after _____ blip?
 What is _____ time frame for repairing _____ system that _____ damaged _____ ?
 _____ our security _____ of _____ recent power disruption.
 _____ power failure messed _____ security _____.
 _____ the _____ restoring full function to our _____ recent power outage?
 There's a _____ fixing our _____ after _____ outage.
 _____ tell us _____ the _____ setup will _____ yesterday's power outage?
 The _____ system _____ because of _____ power loss.
 _____ recent _____ outage, when will our _____ setup _____ to _____ ?
 How _____ it take to resolve issues _____ the recent _____ full function _____ security _____ ?
 _____ do you think _____ will _____ to normal after _____ ?
 When _____ security _____ the power outage?
 Power _____ security messed up, _____ ?
 _____ you _____ me _____ the power glitch _____ fixed in _____ setup.
 How soon _____ issues with _____ security _____ be fixed _____ power _____ ?
 What is _____ on _____ after the _____ outage?
 _____ anyone know when _____ will be _____ ?
 _____ come _____ fixed after that _____ outage?
 _____ recent power _____ full functionality to our _____ configuration has _____ .
 How _____ issues _____ security _____ fixed following the power outage?
 _____ some _____ our security system after a _____.
 _____ failure _____ up a _____.
 _____ will _____ security problems _____ fixed?
 There _____ issues caused by _____ power _____.
 _____ is _____ fix _____ power went out _____ messed up?
 How soon _____ our _____ be _____ after we had _____ outage _____ ?
 How soon _____ entire security _____ be fixed _____ the _____ ?
 There _____ problems with _____ security _____ by _____ power _____.
 Some issues _____ security system have _____ power outage.
 _____ the power went out, will _____ be fixed?
 How _____ will _____ be fixed, _____ some security issues?
 _____ long _____ it take until our _____ setup _____ to normal after _____ cut?
 How _____ can _____ expect _____ fixes _____ in our _____ setup?
 _____ soon will _____ be _____ whole _____ fixed?
 _____ anyone know _____ it will _____ for the power failure _____ our _____ setup _____ ?
 _____ soon _____ problems with our security system _____ the power _____ ?

Can you _____ on _____ the power _____ fixed in our _____ setup?
 _____ is it _____ be fixed after the _____ caused _____ security problems?
 _____ power off _____ whole _____.
 _____ power loss _____ our entire _____ setup?
 How _____ can _____ in _____ system be fixed?
 _____ power went out and _____ a glitch.
 How soon _____ Alarm Company fix the _____ caused _____ the recent _____?
 _____ went out and now _____ experiencing some _____ with _____.
 Our _____ out and _____ security setup had _____.
 _____ security _____ messed _____ by a _____ loss.
 Did _____ power _____ affect the entire _____?
 _____ entire security _____ is _____ because of _____ power _____.
 We had a power _____ in _____ security _____.
 _____ don't _____ how _____ will take until we _____ normal _____ our security setup _____ power _____.
 _____ in our security _____ occurred because of _____.
 There _____ issues _____ security system after the _____.
 _____ caused _____ problems in _____ setup, _____ how soon _____ it be fixed?
 _____ issues caused _____ the power _____ not fixed.
 _____ after the power _____ will _____ in _____ security _____ be fixed?
 There have _____ caused by _____ recent _____ outage.
 There are some problems _____ security system _____ went _____.
 How long _____ it _____ for our _____ system _____ restored _____ electricity _____ down?
 After the _____ went _____ were _____ our security system.
 _____ the power _____ be resolved?
 Our security _____ was affected _____.
 _____ me when my security _____ will _____ restored?
 How long can we _____ the _____ caused by _____ in _____ security _____ be _____?
 _____ do we stand regarding _____ loss and _____ the security _____?
 _____ security _____ work _____ after a power _____?
 How much _____ take to fix _____ security _____ the recent _____ disruption?
 _____ you _____ an _____ when the _____ glitch will be fixed in _____?
 There are _____ issues with _____ system _____ power _____.
 How soon _____ be _____ after the _____ outage?
 There were _____ security setup _____ by _____ power _____.
 What time frame will _____ take _____ restore _____ our security _____ recent power _____?
 The security _____ by _____ power _____ yet to be fixed.
 _____ you give _____ when the power failure in our _____ be _____?
 We _____ a _____ caused some _____ with _____ security setup.
 How _____ will _____ take _____ our security _____ the recent power outage?
 How _____ will issues _____ security system _____ the power _____ out?
 _____ long will it take _____ setup _____ be _____ after the _____ failure?
 _____ long will it _____ full function to _____ configuration, _____ recent power _____?
 How long _____ it _____ our security system after _____ power _____?
 _____ a power _____ some problems _____ our security _____ soon will it _____ fixed?
 How long _____ it _____ to _____ the _____ power outage and _____ security configuration?
 _____ you give us _____ on when the power problems _____ our _____?
 The _____ system is experiencing issues _____ out.
 When _____ power _____ in _____ security _____ will _____ anyone's guess.
 _____ can we expect _____ to take _____ normal _____ of our _____ is restored after _____ cut?
 Can _____ let us know when the _____ be fixed _____?

How _____ we get a _____ the security _____?

_____ soon _____ security setup _____ after the _____ went out?

When will _____ to _____ after this latest electrical _____?

When _____ power went out, _____ security _____ problems.

The security system was _____ by _____.

_____ had a _____ outage that _____ issues _____ our _____.

_____ do _____ stand with regards to fixing _____ security problems _____ recent _____?

_____ our security _____ are _____ by _____ power outage.

How _____ we _____ related fixes in _____ security setup?

How _____ after _____ power _____ all _____ in _____ security system _____ fixed?

How _____ will _____ fix the security _____ was _____ a power outage?

_____ soon _____ expect _____ fix for _____ that was damaged by _____ power _____?

_____ soon _____ expect _____ glitch fixes _____ our security?

_____ with _____ security system after the _____ outage.

How _____ will _____ power-related _____ be _____ our security _____?

How _____ the _____ goes off will the _____ security system _____?

_____ can we _____ trouble with _____ setup _____ be solved?

How long will it take to _____ was caused _____ outage?

The recent _____ some _____ in _____ setup _____ how soon _____ be fixed?

_____ long _____ take _____ caused _____ the _____ power _____ and restore full functionality to our _____ configuration?

How long will it _____ until we restore normal _____ security setup _____ a recent _____?

_____ do we _____ to _____ security _____ after the power loss?

_____ you tell me _____ problem _____ fixed in the _____ setup?

_____ soon will _____ system be _____ due _____ power loss?

_____ our Home Security and Alarm _____ able _____ fix the _____ caused _____ recent _____?

_____ recent power _____ are we _____ regards to _____ security issues?

_____ had _____ power _____ that caused some _____ issues, how _____ it be _____?

There _____ been _____ issues _____ were caused by _____.

How _____ can _____ resolve the _____ our setup?

How soon after the _____ issues with _____ security system _____?

The _____ by _____ power _____ have yet to _____ fixed.

_____ much _____ take for the problems caused _____ the power _____ security setup _____ be _____?

How _____ a _____ for our security system?

The _____ system _____ up by _____ power _____.

There was a _____ outage that _____ the _____.

_____ went out, _____ we have some _____ the security _____.

When will the secured _____ return _____ electrical disruption _____?

The _____ went _____ and our _____ had _____.

When _____ out, our security _____.

_____ system is _____ issues after _____ power _____ out.

The security _____ has _____ issues _____ went off.

How long will _____ to be fixed after _____ power outage?

_____ is the _____ after _____ went out and _____ security _____?

_____ went out, _____ security _____ got glitchy.

_____ is the _____ power going out, _____ messing _____ so _____?

_____ expect _____ to _____ until the security _____ back _____ normal after a _____ power cut?

_____ was the fix _____ power _____ out and _____ up?

_____ were _____ security _____ the _____ the recent power disruption.

_____ went out and we _____ in _____ security setup.

_____ power went out, our _____ setup _____.

When ____ the ____ for the ____ failure ____ issues?

____ return ____ in our ____ setup after ____ latest electrical ____?

How ____ it take to ____ the ____ electricity goes down?

____ power ____ and now ____ are ____ issues with ____ security ____.

How long ____ it take ____ the ____ system ____ damaged by ____ power ____?

The ____ out and we ____ having ____ issues ____ security ____.

____ out, and ____ messed up.

Where ____ you ____ of ____ the security ____ after the recent power ____?

____ can ____ get ____ setup ____ after ____ power outage?

____ should ____ system be fixed after ____ power ____?

How ____ will ____ take to ____ caused by ____ recent ____ outage ____ security configuration?

____ out, ____ security setup got ____.

____ long ____ think ____ will take ____ repair ____ system ____ a power outage?

____ a power ____ which ____ problems in our ____ setup.

____ long will it ____ to fix ____ was ____ by ____ power outage?

We ____ power ____ which ____ some trouble ____ our security ____.

How ____ security issues ____ after ____ is back on?

____ fixes be in our setup?

How come our ____ is ____ outage?

When will ____ outage ____ security ____?

How soon ____ glitch ____ be ____ the security ____?

____ you give an ____ the power problems will ____ the security ____?

____ after the ____ all the issues with ____ security ____ be ____?

____ there an update ____ the power issues ____ fixed ____ security ____?

When ____ system ____ fixed, after ____ power outage?

____ expect a resolution to ____ problems in ____ security ____ the ____ outage?

____ the estimated time frame ____ fixing ____ that was ____ power outage?

We ____ had problems ____ due ____ the recent outage.

When our ____ out ____ setup had ____ problems.

____ out and there were some ____ with ____.

When was ____ fix for ____ going ____ and ____?

____ security setup be ____ to ____ the ____ failure?

____ issues be solved after ____ power ____?

The ____ out ____ now ____ are ____ problems with our ____.

Regarding ____ where ____ we ____ fixing the security issues?

____ soon after ____ power ____ will the ____ our ____ be ____?

____ soon until our entire ____ is ____ after ____ recently ____ a ____?

When is the security ____ up ____ power ____?

How soon ____ our security ____ be fixed ____?

____ security equipment ____ messed ____ by the ____.

____ get a ____ for the security system ____ power outage?

____ the power ____ our security ____ problems.

____ anyone know ____ the power failure ____ our ____ will ____?

Was the recent ____ system?

____ long ____ fix our security systems ____ a ____ failure?

There was ____ security ____ due to ____ loss.

A ____ system down ____ power ____.

When is the fix ____ power going ____ and ____?

How ____ resolve the ____ compromised our setup?

____ tell ____ when the power ____ will be ____ in ____ setup?

_____ will the security _____ fixed _____ the _____ outage?

The security system is _____ problems _____ power _____.

_____ can we _____ it _____ take until _____ entire _____ is _____ to normal after a recent _____?

_____ the _____ issues caused _____ the _____ be solved?

We don't know how long _____ will take to restore _____ our _____ that _____ power _____.

Does anyone _____ it _____ take to _____ the security issues caused _____ the _____?

How long _____ for _____ problems caused by _____ recent power failure _____ setup _____ be _____?

_____ quickly can _____ power failure _____ our setup?

How _____ do _____ think _____ will take to _____ caused _____ power outage and restore _____ our security _____?

_____ set _____ was affected by _____ power _____.

When _____ security _____ return _____ normal _____ the _____ failure?

_____ is the time _____ for _____ the recent power _____ and _____ full functionality _____ our _____ configuration?

Is it _____ for our _____ system to be _____ down?

_____ estimate on when _____ power failures in our _____ setup will _____?

_____ there _____ an _____ when the power failure in our _____ setup _____?

How soon _____ we expect the power _____ fixes _____?

The security _____ broken _____ power _____.

How long _____ security _____ is fixed _____ loss?

The _____ went _____ now _____ some _____ with the _____ system.

Is there an _____ for when the _____ by _____ recent power _____ will _____ the Home _____ and _____?

Where do _____ in _____ repairing _____ security setup after the _____?

_____ should problems _____ security _____ after the _____ went out?

_____ a power outage that _____.

How soon _____ get _____ setup _____ to _____ after we _____ a power _____?

When is _____ setup _____ after the power _____?

_____ will the _____ security _____ fixed after _____ goes down?

_____ power went _____ we _____ with our security system.

_____ power went out, our _____ setup _____ some _____.

_____ our security _____ be _____ the power outage?

_____ have disrupted our security setup.

Where _____ you stand _____ the issue _____ the _____ setup after the _____?

_____ the _____ outage, _____ security setup _____ back to normal.

_____ long _____ for _____ security _____ to be _____ after a _____ outage?

_____ outage _____ up security _____.

Power outage _____ in _____ setup.

_____ long will _____ fix _____ in our security system _____ by _____ outage?

When _____ power _____ out, our security _____.

What is _____ for resolving _____ from the recent power _____ restoring full functionality _____ our _____?

_____ some _____ with our security system _____ a _____.

_____ all issues _____ system be _____ the power outage?

How soon _____ we _____ able _____ the issues _____ the _____?

How _____ can we get our _____ to _____ power outage?

There _____ caused _____ a power _____.

_____ will _____ power-related _____ fixes _____ security setup.

_____ power outage, what _____ the _____ fixing _____ security?

Problems _____ setup _____ caused _____ the power loss.

_____ the _____ resolving _____ caused by the _____ power _____ and restoring function _____ our security _____?

_____ the problems caused by _____ power outage will be _____ in our _____?

Power _____ and mess _____!

_____ power _____ messed _____ a _____ system.

Can ____ tell me ____ will ____ for our ____ setup ____ restored?
 ____ power ____ messed ____ security.

How ____ fix a ____ that ____ our setup?
 ____ system ____ been messed up by ____ outage.
 ____ the power went ____ a ____ with ____ security setup.

How quick ____ you ____ that compromised ____ setup?
 The whole security system is ____ power ____.

How ____ do you ____ it ____ fix the ____ that was damaged during ____ power ____?
 How ____ will our ____ system ____ fixed ____ power ____ on?
 How ____ take for ____ security ____ to ____ after ____ power outage?
 ____ fix ____ security system after ____ experienced a power outage?
 ____ me when my security ____ will ____ restored?

How soon ____ expect ____ security ____ after the ____ goes out?
 There ____ security problems ____ by ____ recent ____.
 ____ the ____ system be ____ after a power ____?
 ____ power went ____ we're ____ issues ____ our security ____.
 ____ long ____ it take to restore full function ____ recent power ____?

Will ____ entire ____ system ____ fixed ____ a ____ failure?
 When will ____ setup ____ to ____ after ____ issue?
 What's the ____ time frame ____ the ____ malfunctioned ____ a power ____?
 ____ recent power ____ some ____ in ____ security ____ soon will it be ____?

Our ____ got messed up ____ went out.
 ____ are the ____ issues ____ the power ____?

How soon will ____ fixed ____ our security ____?
 ____ security ____ got ____ when the power ____.

Were ____ recent ____ affecting our ____?
 ____ setup fixed after the power ____?
 ____ recent power ____ security ____.

The recent ____ outage ____ problems ____.
 ____ issues that need ____ fixed after a ____ outage.

There ____ our ____ security setup due ____ the ____ outage.
 Our security setup ____ when ____ power went ____.
 ____ issues related to ____ power disruption.

Problems with our security ____ a power ____.
 ____ the power outage-caused ____ be ____?

How long ____ it ____ to ____ our ____ after ____ outage?
 ____ if ____ system ____ fixed ____ a power outage.
 ____ do you think ____ take ____ our ____ system after ____ electricity ____ down?

The power went ____ and ____ we ____ the security system.
 Can you tell us ____ problem will ____ fixed ____ security ____?
 ____ will we ____ able ____ a ____ our ____ system after ____ power failure?

We ____ a ____ security after ____.
 ____ will ____ take ____ resolve ____ issues caused ____ the recent ____ and restore full function ____ security ____?

Regarding the ____ do ____ stand with ____ fixing ____ security problems?
 How soon ____ caused by ____ recent power ____ be fixed by ____ Security ____ Alarm ____?
 ____ the ____ out, ____ had trouble with ____ setup.

Is ____ after the ____ outage?
 ____ power went ____ security ____ got messed ____.

There ____ problems in our ____ the ____ power ____.

When ____ the ____ outage-generated ____ fixed?

Any estimates on how _____ to fix _____ caused by _____ recent _____ disruption?

When our _____ went _____ our security _____.

The security _____ up _____ the power _____.

Power _____ messed _____.

_____ will the power _____ our security setup _____?

_____ will _____ be fixed after a power _____?

The _____ system is _____ due _____ power _____.

The power _____ problems _____ soon.

_____ have been _____ issues related _____ recent _____ outage.

Will the _____ security _____ soon?

_____ will _____ our security system _____ fixed after the _____ out?

How _____ you fix the power _____ compromised _____ entire _____?

How much _____ will _____ the _____ and _____ to _____ caused by the recent power interruption?

The power went _____ setup _____ a problem.

How soon _____ entire _____ fixed after _____ power outage?

Regarding the recent _____ where _____ we _____ regards to _____ security _____?

_____ loss _____ the whole _____ system to be _____.

_____ tell _____ how long _____ take for _____ flawed security setup _____ restored?

_____ power _____ out _____ some _____ with the security system.

When the _____ went _____ had _____.

_____ recent _____ disruption caused a _____ of _____.

How _____ our entire security setup _____ power outage?

After the _____ failure, _____ will _____ return _____ normal?

_____ can _____ trouble in _____ setup to be fixed?

Whole _____ system _____ because _____ power _____?

What is _____ holdup _____ security after a _____?

_____ and we now _____ some _____ with the _____ system.

When the power went _____ had _____ issues.

When our power went _____ our _____ had _____.

What's the estimated time _____ for _____ the security _____ was _____ by _____?

_____ power went out and _____ there are _____ security _____.

When will the _____ the power _____ out?

How _____ will there _____ a _____ the security _____ by the recent _____?

How _____ will our security _____ be fixed _____ power _____?

_____ it _____ to _____ the security _____ that was disrupted by _____ outage?

_____ down as _____ result _____ power loss.

_____ happened _____ our _____ setup after the _____ outage?

_____ much time _____ it take _____ glitches _____ by the recent power _____ in _____ to be _____?

What _____ the estimated time frame _____ that _____ glitched after the _____?

How _____ will _____ power outage _____ caused _____ in _____ security setup?

How _____ can we _____ a fix _____ the _____ were _____ by _____ outage?

How _____ it to take until _____ entire security _____ is _____ normal following _____ power cut?

_____ went _____ we _____ with our security setup.

_____ much time will it take _____ repair _____ problems _____ by _____ failure _____ security _____?

_____ give _____ the _____ outage will be fixed in our _____ setup?

Can _____ give _____ chance _____ fix hacked-ups and _____ outage-provoked _____ soon?

_____ the _____ glitch caused by the _____?

_____ will it take _____ system that was malfunctioning after _____ outage?

How _____ issues with _____ system be fixed _____ power is _____?

There _____ issues with our _____ the _____ out.

_____ went _____ we have a problem with our _____.

When _____ secured setup _____ normal after the _____ issue?

_____ power outage _____ security _____.

_____ can we _____ our security _____ to _____ fixed _____ the _____ failure?

Regarding _____ recent power loss, where _____ the security _____?

There _____ power _____ and it _____ security system.

We _____ will _____ we are able to restore _____ functioning of our _____ setup.

_____ whole _____ system down because _____ power loss.

How soon _____ issues _____ fixed after the _____?

_____ security setup got a glitch _____ the _____?

When _____ the security setup _____ some problems.

There have _____ problems _____ security setup _____ the _____ outage.

There _____ with _____ security _____ after the power went _____.

How soon _____ glitch _____ in our _____?

Is there _____ on _____ failure _____ security setup _____ be repaired?

_____ power _____ and _____ security _____ work.

How long _____ it take _____ fix _____ security system _____ glitched _____ the _____?

There were _____ due to _____ power _____.

How long do _____ think it _____ to fix _____ after a _____?

Who _____ will take to _____ the _____ a power outage.

There are some _____ our overall _____ power outage.

_____ power outage, will _____ setup _____ back to _____?

_____ setup return to _____ a power outage?

_____ long can we _____ to take until _____ entire security _____ is _____ normal, after _____?

_____ the fix _____ power _____ security messed up.

_____ will it take _____ resolve issues _____ to _____ power _____ and restore full _____ our security _____?

How long will it _____ resolve _____ caused by _____ recent _____ functioning _____ our security configuration?

When _____ went _____ we had _____ our _____ setup.

How soon _____ we be able _____ our security _____?

The _____ security _____ down due _____ loss

Problems in _____ security setup _____ caused by _____.

Is _____ update _____ when the power issues _____ our security _____?

_____ it take to _____ security system _____ we had _____ power _____?

How long _____ it _____ fix _____ was glitched by a power _____?

_____ soon _____ fix the issues _____ security system?

_____ will _____ power outage _____ setup?

_____ soon _____ entire security system _____?

The _____ system was _____ up _____.

_____ soon can _____ security _____ a power outage?

_____ recently _____ a _____ outage which _____ our security setup.

How _____ will there _____ a _____ security system?

How long _____ it _____ issues because _____ recent power outage _____ functionality to our security _____?

What is _____ time frame for _____ issues following _____ recent power _____ and _____ function _____?

How soon _____ the _____ goes _____ will the _____ be _____?

The _____ issues caused _____ should be fixed.

Is _____ when the power failures _____ security _____ can _____ fixed?

_____ the estimated time _____ for fixing _____ security _____ after _____ power _____?

_____ is a _____ system _____ down _____ power loss.

_____ with the _____ after the power went _____.

There _____ some _____ our _____ system after the power _____.

_____ power _____ causes _____ issues.

_____ it going to be fixed after the _____ power _____ security _____?

_____ the power _____ some issues _____ our security system.

_____ can we expect the power-related _____ setup?

When _____ fixed _____ the power outage?
