

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Data caps and unlimited plans
Description	Customers inquire about the specifics of their data caps, such as the amount of data included, any speed reductions after reaching the cap, and options to upgrade or switch to unlimited data plans.
Data Size	5,156 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Are ____ specific times ____ certain ____ (e.g., video streaming) ____ contribute ____ ____ ____?

Clarify ____ ____ ____ specifically ____ streaming ____ from the total bandwidth ____.

____ ____ ____ such as watching videos ____ be ____ without adding to data ____ ____ ____ of ____ day?

____ you tell ____ the ____ when ____ ____ video streaming ____ add ____ my broadband ____?

Is ____ a ____ when video streaming ____ ____ ____ much ____?

____ ____ ____ me when ____ video ____ ____ won't impact my ____ use?

____ ____ don't contribute ____ the data usage ____ ____ ____ video streaming.

During ____ ____ ____ won't ____ data?

____ are times ____ ____ won't ____ the overall usage ____.

____ ____ if there ____ ____ periods where video streaming isn't going to ____ ____ ____.

There ____ designated times ____ ____ ____ ____ my usage limit.

____ there ____ ____ slots ____ video ____ that don't consume ____ bandwidth?

Can you ____ ____ ____ on when ____ video ____ services won't ____ my ____ ____?

Is it possible to ____ videos ____ ____ ____ will ____ contribute to total ____ ____?

Can ____ actions, like ____ videos ____ be ____ adding to ____ data usage ____ ____ ____ of ____ ____ or night?

Does ____ mean ____ certain ____ such as video ____ ____ ____ contribute towards ____ ____?

Are ____ ____ when video streaming ____ add ____ ____ monthly ____ usage?

____ ____ ____ to ____ videos during specific ____ ____ won't contribute to the ____ network ____?

____ there ____ dedicated time ____ when ____ activities, ____ as ____ ____ don't ____ my bandwidth?

Video ____ isn't ____ towards my ____ ____ ____ certain periods.

____ ____ ____ designated time ____ video-streaming will ____ contribute to my ____ ____.

____ using ____ ____ video streaming ____ ____ bandwidth use?

____ ____ ____ time when streaming ____ consume ____ bandwidth?

There ____ time periods ____ ____ ____ consume ____.

____ ____ tell me the ____ periods ____ using ____ ____ will not ____ my bandwidth ____?

____ ____ certain activities, such as video ____ ____ ____ contribute ____ ____ consumption?

Some ____ are exempt from counting towards ____ use ____ ____ in ____ ____ ____.

____ ____ a ____ when ____ ____ video streaming ____ not count towards ____ consumption?

_____ time _____ not contribute _____ usage _____ video streaming.

If there are _____ periods _____ streaming _____ ruin _____ you tell _____?

_____ streaming _____ not _____ towards my data _____ during _____.

Is _____ possible that _____ streaming doesn't affect _____?

_____ there a time _____ streaming _____ consume _____?

Are _____ periods where video _____ my bandwidth?

_____ isn't counted _____ usage during certain times.

_____ will video streaming _____ available _____?

_____ possible _____ stream _____ during _____ wouldn't contribute to the _____ activity?

There _____ video streaming doesn't affect bandwidth _____.

Is it possible _____ bandwidth _____ for specific _____ streaming?

There are _____ periods _____ bandwidth.

_____ are _____ when streaming _____ bandwidth.

Do you _____ an idea of _____ things _____ streaming _____ to _____ broadband _____?

_____ are _____ tasks _____ video- streaming won't contribute to _____ limit.

_____ it _____ bandwidth isn't used up _____ streaming?

I _____ to know _____ video _____ services _____ affect _____ bandwidth _____.

Please _____ if specific _____ specifically _____ exclude from _____ total _____.

_____ certain activities, _____ video streaming, don't consume _____ you kindly _____ me _____ dedicated _____ slots?

_____ when _____ use data?

During which _____ does _____ services _____ streaming videos _____ affect my _____?

When certain activities, such as _____ do _____ could you _____ know about _____ dedicated time _____?

_____ are exempt from _____ towards data use when _____ in _____ video _____.

_____ whether specific _____ specifically video _____ exclude from _____ consumed.

_____ streaming _____ not _____ up bandwidth when _____ are.

Is there any designated periods when _____ limit?

_____ it possible _____ such _____ watching _____ not _____ add to overall _____ usage during _____ hours?

Is there _____ won't affect _____ usage limit?

Is there _____ period when _____ my usage limit.

When can _____ be _____ up _____ data capacity?

What _____ specific _____ period that _____ like video _____ will _____ consume _____?

Do you know _____ doing _____ video _____ don't _____ to _____ usage?

_____ streaming _____ always _____ bandwidth _____ specific times.

_____ certain times when _____ doesn't _____.

Is _____ period _____ won't _____ my overall bandwidth usage?

_____ streaming _____ bandwidth-free periods?

_____ actions, _____ streaming _____ the total _____ consumed.

_____ it _____ video _____ doesn't use _____ bandwidth?

Is there _____ specific period _____ won't affect my _____?

_____ could _____ periods when _____ consume _____.

Do _____ periods _____ towards data use _____ as video streaming?

_____ periods are _____ counting towards data _____ in _____ such _____ video streaming.

_____ that mean _____ video streaming _____ going to contribute _____?

_____ if _____ like video streaming will not _____ bandwidth?

_____ activities _____ streaming not _____ my available bandwidth?

_____ possible that _____ actions, _____ videos, won't affect my _____ bandwidth _____?

There _____ when doing _____ like _____ to my monthly _____ usage.

_____ it _____ to use video _____ affect bandwidth use?

Whether _____ video streaming, exclude from _____ consumed.

_____ streaming _____ have periods of _____.

Can you _____ about potential times _____ video _____ services _____ affect _____ bandwidth _____?

Are there _____ times _____ video streaming _____ use _____?

There _____ when streaming _____ the _____.

_____ you _____ a _____ doing things _____ video streaming doesn't _____ monthly broadband _____?

_____ are the times when doing things like _____ doesn't _____ broadband _____?

_____ are _____ when streaming doesn't _____ lots _____.

_____ know _____ doing _____ streaming doesn't _____ to my broadband usage?

_____ you _____ the times _____ doing _____ like _____ add to _____ monthly internet _____?

_____ are _____ when _____ won't _____ as bandwidth use.

_____ certain periods _____ will _____ contribute to my _____ limit.

_____ there a specific _____ video streaming won't use _____?

_____ video streaming _____ from consuming bandwidth _____ hours?

There _____ time periods _____ not consume _____.

Can _____ such as watching _____ done _____ data usage _____ certain hours?

Is it _____ certain _____ videos _____ affect my overall bandwidth _____?

_____ utilizing platforms _____ wouldn't _____ an _____ on our transmission _____?

There may be _____ when _____ use _____ bandwidth.

Is _____ to _____ video _____ specific times that _____ network _____?

_____ are times _____ video _____ doesn't affect _____.

When _____ video _____ be _____ using _____ data capacity?

_____ time _____ contribute _____ data usage _____ video streaming.

Can _____ please _____ me _____ video streaming services won't _____ my _____?

_____ streaming at _____ not use _____ bandwidth.

Can you _____ when using video _____ affect _____ bandwidth _____?

Is _____ a _____ period where video _____ isn't _____ my _____?

Is video streaming _____ towards bandwidth _____ certain _____?

When using _____ streaming _____ affect _____?

_____ set _____ where _____ doesn't _____ data?

There can _____ when video streaming _____ use _____.

There are some _____ periods _____ streaming _____ bandwidth.

There are _____ certain _____ such _____ videos, won't affect _____ usage.

_____ to _____ using video _____ services _____ my bandwidth usage.

Video streaming _____ exempt from using _____.

There are _____ streaming won't count _____ bandwidth _____.

Are _____ periods _____ doesn't _____ lot of bandwidth?

Is it possible for _____ actions, like watching _____ done _____ usage?

Does _____ activities, _____ video streaming, are not _____ contribute to _____ consumption?

_____ that mean that certain _____ as _____ streaming _____ not contribute _____?

Sometimes _____ isn't _____ for _____ tasks, like _____.

Video streaming _____ use _____ times.

Is there a time _____ performing tasks _____ won't _____ limit?

Can _____ tell _____ when _____ streaming doesn't _____ to _____ usage?

_____ for certain actions, such as watching videos _____ be _____ adding to _____ overall data _____?

Are _____ any dedicated _____ when certain _____ video streaming, _____ consume _____ bandwidth?

_____ streaming be exempt from _____ up _____ capacity?

_____ you know if there _____ isn't _____ my precious bandwidth?

Can _____ give me _____ about _____ using _____ streaming _____ my usage?

_____ you tell me if _____ video streaming _____ my _____ usage?

_____ a _____ when video _____ use up so much _____?

_____ streaming _____ up data?

_____ are times when streaming _____ a _____ data.

Is _____ periods _____ streaming _____ bandwidth?

Do _____ not count towards _____ use _____ in _____ streaming?

_____ you _____ are dead _____ where video _____ isn't ruining _____?

Is _____ for certain _____ as _____ videos _____ data usage during certain hours of _____ or night
_____ video streaming doesn't affect _____?

Video _____ doesn't use up bandwidth _____ of _____.

Time _____ consume the _____?

_____ there _____ time when _____ won't contribute to _____ usage _____?

There are _____ when video _____ will not _____ towards _____.

_____ that _____ that certain _____ video streaming, _____ bandwidth consumption?

Is there _____ time _____ streaming _____ up a lot _____?

_____ know _____ there _____ any _____ periods where video _____ my bandwidth?

_____ mean certain _____ like _____ streaming _____ to contribute to bandwidth _____?

_____ streaming won't count towards _____ usage when _____.

Is _____ when video _____ can _____ less bandwidth?

_____ there _____ specific time _____ like video _____ won't _____?

_____ video streaming not consume my available _____?

When _____ is not _____ towards _____ consumption, are there _____?

There _____ times _____ video streaming _____.

Is _____ actions, such _____ watching videos _____ to _____ affecting overall data usage?

_____ counted towards data _____ when engaging _____ video _____.

Is _____ streaming _____ from _____ during specific _____?

_____ doesn't _____ up bandwidth _____ specific _____.

There are certain _____ video streaming won't _____ consumption.

Is it possible _____ certain _____ such as _____ online, to _____ without adding _____ the _____?

_____ are times _____ video-streaming _____ not _____ to my _____ usage limit.

Sometimes _____ isn't _____ specific _____ such as _____ streaming.

Is video _____ counting towards _____ use _____ certain _____.

Can you tell _____ streaming services will _____ bandwidth usage?

_____ that video streaming isn't going _____ my _____?

_____ won't count _____ usage, are there _____ hours?

_____ activities, such as video streaming, do not _____ my _____ you kindly _____ any dedicated _____?

Can _____ show me _____ when doing things _____ video _____ add to my _____?

Is _____ streaming to have _____ periods?

_____ there a _____ to stream videos during specific _____ affect _____?

There are _____ video _____ isn't counted towards _____.

_____ it true that _____ videos won't _____ my _____?

_____ which hours _____ using _____ streaming _____ affect _____ internet usage limit?

_____ consume my available bandwidth during _____.

_____ any _____ when video-streaming _____ not contribute _____ my usage _____?

There _____ streaming _____ consume bandwidth.

Is it possible that certain _____ such as _____ won't _____?

There may _____ time when _____ doesn't use _____ much _____.

_____ can be time periods when _____.

_____ like _____ not consume my available bandwidth?

_____ there _____ any dead periods _____ isn't _____ my bandwidth, can _____ tell _____?

There are times _____ contribute to my _____ limit, _____ periods?

When _____ doesn't _____ there time _____?

When video _____ won't count _____ there specific _____?

Is _____ periods _____ isn't consuming _____?

I am _____ are any dead periods where _____ isn't _____.

When _____ video streaming shouldn't use _____ capacity?

Is _____ specific _____ activities like _____ streaming _____ use up _____?

Is _____ to _____ non-bandwidth consuming slots?

_____ you come up _____ hours _____ streaming and _____ don't use up _____?

Can certain _____ such as _____ be _____ adding to _____ usage during _____ hours _____ the _____ and _____?

_____ periods _____ not _____ data use during _____ like _____ streaming.

_____ to know _____ things like _____ streaming doesn't add to _____ broadband usage.

_____ that _____ that _____ like video _____ contribute to bandwidth _____?

Are _____ times when using _____ streaming _____ affect bandwidth _____?

_____ may _____ from _____ towards data use when engaged _____ video streaming.

_____ are _____ video _____ exempt from _____ up the _____ capacity?

_____ there times when doing _____ video streaming _____ my _____ broadband _____?

_____ are certain times when video-streaming _____ overall _____ limit.

_____ it _____ for certain actions, _____ videos _____ to _____ done without increasing _____?

_____ there _____ period _____ tasks like _____ won't _____ my _____ limit?

How _____ video streaming _____ my bandwidth usage?

Video _____ a _____ period.

Will video _____ have _____?

_____ that _____ streaming doesn't _____ bandwidth usage?

_____ certain actions _____ as streaming _____ will not affect my _____?

Does that mean that _____ activities, _____ video _____ aren't _____ contribute towards _____?

_____ can't count towards _____ data usage _____ times.

_____ wouldn't have an _____ on our transmission capacity?

_____ any time when _____ not count towards data _____?

Is _____ possible to _____ as _____ online, without increasing data _____ during _____ hours?

Do _____ know the _____ doing things _____ video streaming _____ add _____ my _____ usage?

_____ specific times when video _____ not _____ toward _____ consumption?

_____ may _____ use _____ the _____ bandwidth _____ certain times.

_____ it _____ that certain _____ like streaming _____ won't _____ my overall _____?

_____ possible that _____ activities, such as _____ not consume _____ bandwidth?

Do _____ have _____ information about when using _____ streaming services _____?

Is there _____ where _____ streaming is _____ going to _____ my _____?

_____ of _____ will _____ like _____ streaming not consume my _____ bandwidth?

Video _____ use up _____ certain times.

_____ time period is _____ when _____ won't _____ my _____ bandwidth?

_____ time _____ the _____ used for video streaming?

There are _____ when streaming _____ consume _____ of _____.

Sometimes, bandwidth isn't used _____ such _____ video _____.

Do _____ know if using _____ streaming _____ affect my _____?

Is it possible that some _____ don't _____ my _____?

Video _____ have bandwidth-free _____

_____ want to know _____ certain _____ like _____ videos, _____ not _____ usage.

_____ certain activities, _____ video _____ consume _____ available bandwidth, could _____ me of any _____ slots?

There _____ times when _____ can't _____ towards _____ usage.

Is there _____ does not _____ towards _____ data usage?

_____ streaming _____ use _____ any bandwidth during certain _____.

There _____ time periods when _____.

_____ if there are _____ periods _____ doesn't _____ my data.

_____ there _____ dedicated time slot for _____ streaming _____ doesn't _____ available _____?
 _____ are _____ the streaming _____ consume _____.
 _____ you know when _____ streaming _____ my broadband _____?
 _____ to _____ certain actions, such as _____ videos _____ adding _____ data _____ at certain _____ of _____ or night
 _____ have periods without _____?
 _____ there a _____ when _____ won't _____ toward bandwidth _____?
 Is it _____ that _____ such _____ watching _____ my bandwidth?
 _____ there a time _____ won't _____ my _____ limit.
 Time when _____ won't _____.
 _____ when _____ like video-streaming won't contribute to _____ usage _____.
 Are _____ when bandwidth is not used _____?
 Can _____ streaming _____ of bandwidth-free _____?
 _____ streaming isn't _____ any bandwidth.
 _____ isn't _____ up _____ specific _____ such as video _____?
 Is _____ any _____ won't affect _____ overall bandwidth usage?
 _____ you _____ there _____ periods _____ streaming isn't _____ ruin my bandwidth?
 Is _____ possible _____ conduct _____ actions, _____ as _____ videos online, _____ adding _____ usage during certain hours?
 _____ you know if _____ dead periods where _____ isn't _____ bandwidth?
 _____ to _____ certain _____ watching videos online, _____ adding to data _____ during certain _____?
 _____ streaming _____ shouldn't use up _____.
 Is _____ a _____ stream videos _____ times that _____ to the _____ activity?
 _____ are times _____ video streaming _____ bandwidth _____.
 _____ periods _____ not count towards _____ while _____ video _____.
 _____ if video _____ will not affect my _____?
 Can you _____ me _____ on when using video _____ will not _____?
 _____ streaming _____ consuming _____?
 _____ there any periods _____ isn't going _____ my bandwidth?
 _____ actions, including video streaming, are _____ total bandwidth _____.
 There _____ video streaming does not use _____.
 _____ tasks, like video-streaming, will _____ my usage _____.
 _____ there a _____ streaming doesn't _____ up _____ bandwidth?
 _____ periods _____ towards data use _____ engaging in activities like _____.
 Video streaming may _____ of _____.
 Is _____ way to stream _____ during _____ times that won't _____ activity?
 _____ streaming _____ consume data?
 When _____ video _____ doesn't affect _____ use, are _____ specific _____?
 Can _____ actions, _____ watching videos online, not add _____ data usage _____ the _____ night?
 Is there a _____ time _____ video _____ bandwidth?
 _____ such as watching videos online, be _____ without _____ to overall data usage at _____ the _____?
 Is it _____ certain _____ as video _____ consume _____ bandwidth?
 Does _____ activities such _____ streaming aren't going _____ to _____ consumption?
 _____ such _____ streaming not consume my available bandwidth?
 Have _____ with secret hours where _____ and _____ consume my _____?
 _____ are _____ when video streaming _____ count _____ usage.
 _____ not _____ my data usage _____ certain times.
 _____ if _____ times _____ contribute to my usage limit.
 _____ there any specific _____ where _____ affect my overall _____?
 Is _____ specific _____ where _____ videos _____ affect my bandwidth _____?
 _____ that mean video _____ is _____ going _____ contribute _____ consumption?
 Does _____ activities, such as _____ aren't _____ contribute toward bandwidth use?

____ there any time ____ videos ____ affect my ____ usage?
 ____ of ____ streaming have ____ periods.
 ____ hours ____ using services ____ streaming videos not ____ limit?
 ____ video streaming not be ____ certain ____?
 ____ video streaming exempt ____ counting towards ____ certain ____?
 ____ tell ____ about when ____ streaming services won't ____ bandwidth usage?
 Some ____ watching ____ don't ____ data ____.
 Have ____ come ____ with ____ secret hours ____ consume my ____?
 ____ won't count towards ____ on certain ____.
 ____ time when video ____ won't consume ____ bandwidth?
 Is ____ certain actions, such ____ videos ____ without adding to ____ during the ____ or night?
 ____ streaming ____ consume ____ of data?
 ____ there ____ specific time ____ video streaming ____ towards ____ use?
 ____ it be possible to ____ videos ____ won't ____ the total network ____?
 ____ can video ____ be ____ from ____ data capacity?
 ____ won't use up ____ specific ____.
 There ____ using video streaming ____ affect ____.
 I ____ there ____ periods where ____ streaming ____ ruining ____ bandwidth.
 Can you tell me ____ video ____ affect my ____ usage.
 Are ____ specific ____ when video streaming ____ bandwidth ____?
 When ____ doesn't ____ bandwidth, ____ time ____?
 ____ explain ____ when using video ____ won't affect my bandwidth ____?
 There ____ when ____ services ____ video ____ affect usage.
 ____ it ____ to use services like video ____ without ____?
 Video streaming ____ data usage during ____ times.
 ____ it ____ to ____ videos during ____ times that ____ contribute ____ network?
 Is ____ exempt from ____ the ____ are specific?
 Is there a ____ affect bandwidth use?
 Is ____ exempt ____ bandwidth ____ are specific hours?
 ____ there times when ____ video ____ bandwidth use?
 ____ when streaming doesn't ____ bandwidth.
 ____ you tell me if there are ____ is not ____?
 ____ time frames exist ____ which ____ actions, like ____ don't consume ____?
 There ____ be times ____ streaming ____.
 ____ is ____ time when ____ streaming ____ up bandwidth.
 ____ streaming will ____ my available ____ a ____ time period.
 ____ specific hours when activities ____ video ____ counted?
 ____ curious ____ there ____ any ____ where video ____ ruining my bandwidth.
 ____ streaming ____ have periods ____ bandwidth-free ____.
 Can ____ actions, such ____ be done ____ to the ____ certain times of ____ day or night?
 Is ____ a ____ when ____ isn't ____ up bandwidth?
 ____ don't ____ are ____ periods ____ video-streaming will ____ to my ____ limit.
 ____ possible that ____ actions, ____ as ____ videos, do not consume ____?
 ____ is the specific ____ when ____ streaming will not consume ____?
 ____ activities can be exempt ____ using ____ data ____.
 Is ____ that ____ videos ____ affect my ____ allocation?
 ____ a ____ time ____ impact my usage limit?
 Sometimes ____ data?
 ____ possible to stream videos ____ times ____ wont ____ to the total ____?
 Is ____ certain ____ when ____ streaming ____ use a lot ____?

Are _____ hours when _____ count towards _____ consumption?

What is _____ when _____ video streaming won't consume _____?

Can _____ bandwidth-free periods?

_____ video _____ not _____ bandwidth _____ times?

I _____ know _____ there _____ dedicated time _____ certain _____ such _____ streaming, that don't consume _____ bandwidth.

Time when _____ consume _____.

There _____ when video-streaming won't contribute to _____.

Is there a _____ not contribute to my _____ limit?

Is there _____ set of _____ video-streaming _____ not contribute to _____?

There are specific _____ video _____ bandwidth usage.

What _____ frames _____ where certain _____ as _____ videos, _____ consume any _____?

_____ streaming _____ up bandwidth at _____.

_____ are _____ when _____ doesn't _____ bandwidth.

Is it _____ times _____ contribute to the network activity?

When _____ is not _____ used _____ specific tasks, such _____?

Video _____ activities _____ periods.

I _____ wondering _____ certain _____ such as streaming videos, _____ bandwidth usage.

Do specific _____ certain _____ such _____ that don't consume _____ bandwidth?

Can you _____ me _____ time when _____ add to _____ broadband _____?

What is _____ video _____ won't consume _____ bandwidth?

Video _____ use _____ certain times.

_____ there _____ specific _____ certain actions, such as streaming _____ my _____ usage?

_____ are times when _____ contribute _____ my usage _____.

_____ are times _____ actions, such as streaming _____ won't _____ overall _____.

_____ exempt from consuming bandwidth _____ times?

When certain _____ such _____ video _____ consume my _____ you inform _____ about any dedicated _____?

_____ streaming isn't _____ contribute toward bandwidth _____?

Is _____ a _____ streaming doesn't _____ up _____ lot _____ bandwidth?

_____ you know _____ when doing _____ like _____ streaming _____ to _____ broadband usage?

Streaming _____ not _____ towards _____.

Is it _____ to _____ certain times _____ to total _____ activity?

When _____ video _____ from _____ up the _____ capacity?

_____ such as watching videos, don't consume my _____ bandwidth.

Can certain actions, like _____ without adding _____ the data _____ hours?

Can _____ if _____ are _____ periods _____ video _____ won't _____ my bandwidth?

_____ when streaming _____ consume _____?

_____ are _____ services _____ video streaming does _____ affect bandwidth _____.

_____ there _____ to _____ videos _____ times that won't _____ towards network _____?

_____ streaming not counted _____ data _____ during _____ times _____ year?

_____ to know _____ there _____ dedicated time _____ when _____ activities, such _____ streaming, don't consume _____.

Are _____ any _____ where video streaming _____ my _____?

_____ periods when video-streaming won't _____ the _____ limit.

_____ there _____ periods _____ video streaming won't _____ bandwidth?

Video streaming don't _____ certain times.

Are there times _____ tasks like _____ to my _____?

_____ there _____ when video streaming won't _____ up _____?

_____ a _____ period _____ won't contribute to the usage _____?

Can streaming _____ not _____ the _____ certain times?

_____ not _____ towards my _____ usage during _____ periods.

_____ there any _____ slots when certain activities, _____ streaming, _____ consume _____ bandwidth?

_____ certain activities, _____ as _____ don't _____ available _____ could you _____ inform me of _____ dedicated time _____?

Is it possible that _____ to contribute towards _____?

Is there a _____ when streaming _____?

There are times when _____ doesn't _____ an effect _____.

_____ dedicated time slot for video _____ when it doesn't _____?

Is _____ counted towards my _____ certain times?

_____ doesn't _____ up bandwidth _____ times.

What _____ time period will _____ like _____ consume _____ bandwidth?

_____ a _____ video streaming doesn't use _____ bandwidth?

Does _____ mean certain activities, _____ as video streaming, are _____ to _____?

_____ mean video _____ going to contribute _____ consumption?

Do _____ things like _____ streaming do _____ add to _____ monthly broadband usage?

_____ actions, specifically _____ not be included in _____ total _____.

_____ way _____ videos that won't contribute to _____ activity.

Is it _____ particular _____ videos, don't consume any _____ my _____?

Is _____ saying that _____ such as video streaming, _____ going _____ bandwidth _____?

Can _____ streaming not _____ a _____ of bandwidth _____?

When _____ activities, such _____ video _____ consume my _____ could you kindly tell me _____ dedicated _____?

Is _____ a _____ video _____ not use up bandwidth?

_____ streaming _____ not use _____ bandwidth during certain _____.

Can you tell me when doing _____ to _____ broadband _____?

_____ exempt _____ counting towards _____ use?

_____ you _____ a time _____ video streaming _____ add to my broadband _____?

_____ it _____ certain actions, such as _____ be conducted without _____ the _____ usage _____ certain _____ of the

Does _____ activities such _____ video _____ are not _____ to _____ consumption?

_____ you _____ periods where video streaming won't ruin my _____?

_____ you _____ me information _____ video streaming services will _____ affect _____ bandwidth _____?

_____ video streaming will not count towards _____?

_____ possible _____ stream video during _____ times _____ won't contribute _____ activity?

_____ specific _____ when video streaming doesn't _____ bandwidth.

_____ possible _____ to the data usage within certain hours?

Is _____ certain actions, like watching _____ do _____ consume _____ bandwidth?

_____ times _____ streaming will _____ to my usage limit.

_____ streaming _____ periods?

Do _____ frames _____ in _____ actions, like _____ videos, _____ consume my _____?

_____ periods _____ streaming doesn't _____ data.

_____ times _____ video streaming _____ my _____ bandwidth?

Do you _____ when _____ video _____ don't _____ monthly broadband usage.

I wonder _____ actions, such _____ streaming videos, _____ affect _____ bandwidth _____.

_____ streaming may be exempt _____.

There's _____ when _____ doesn't _____ bandwidth.

Video _____ activities won't _____ towards _____.

Some _____ data usage for activities _____ video streaming.

There are _____ not used for _____ tasks, _____ as _____ streaming.

_____ it possible _____ videos during specific _____ contribute to network _____?

_____ where video streaming does _____ count towards _____ data _____.

Is _____ when doing things like _____ does not _____ broadband usage?

_____ streaming _____ from consuming _____ after _____ hours?

_____ you come up with _____ magical hours _____ and such _____ bandwidth?

There _____ times when _____ won't consume _____ lot _____.

_____ it possible that _____ bandwidth consumption?

Can _____ confirm _____ there _____ dead _____ where video streaming _____ bandwidth?

Video _____ should _____ use up _____ at _____.

_____ streaming _____ much data?

Can you confirm that _____ isn't _____ bandwidth?

_____ is _____ video _____ use up much bandwidth.

_____ you _____ me _____ streaming services _____ affect my bandwidth _____.

When will activities like _____ use up _____?

Video streaming _____ not use _____ bandwidth _____.

_____ periods _____ does not consume a lot _____.

_____ can _____ times when _____ does _____ bandwidth.

Can _____ the times when using _____ streaming services _____ not _____ bandwidth usage?

_____ streaming is _____ usage in certain periods.

Can certain _____ such as _____ videos _____ be conducted without adding _____ the _____ usage _____ of _____ or _____?

Can _____ me _____ where video streaming isn't ruining _____ bandwidth?

_____ streaming _____ consume _____ the specific time period.

Are _____ time _____ video _____ services _____ affect my bandwidth _____?

_____ is _____ time _____ streaming will not _____ available bandwidth?

_____ streaming exempt _____ towards _____ usage?

_____ there certain _____ video _____ doesn't affect bandwidth _____?

Do you _____ an example _____ times _____ streaming doesn't _____ my _____ usage?

_____ streaming _____ going _____ contribute to _____ consumption?

When _____ activities, _____ streaming, do _____ consume _____ available bandwidth, could _____ dedicated time slots?

Can video streaming not use _____ at _____?

There _____ specific _____ streaming won't count _____ bandwidth _____.

_____ want to _____ using video _____ services won't _____ my _____.

_____ streaming _____ exempt from _____ up the _____ capacity?

_____ may be times _____ bandwidth isn't used _____ specific tasks, _____.

Do you know if _____ any _____ periods _____ is not _____ to _____ bandwidth?

Do _____ when doing things _____ as video _____ doesn't add _____?

Video _____ isn't _____ my _____ at certain times.

_____ you know _____ video streaming _____ monthly broadband usage?

_____ streaming _____ bandwidth-free periods?

Is _____ a _____ when _____ things like video _____ add to my _____?

When _____ used _____ by _____ like video streaming, _____ there any _____?

_____ there a particular time _____ video _____ doesn't _____.

_____ video streaming _____ bandwidth-free _____?

What is the _____ period _____ like video _____ won't _____ my _____?

Are _____ certain _____ when video streaming _____ consumption?

There are times _____ streaming _____

_____ possible that certain actions, _____ my bandwidth usage?

Video streaming do _____ my data usage _____.

Is _____ specific time when _____ streaming won't _____?

Is _____ possible _____ use video _____ not affect _____ use?

Do you have _____ when doing _____ video streaming doesn't add _____ my _____ usage?

Specific actions, including video _____ do _____ towards _____ total _____.

_____ it possible for certain actions, such _____ watching _____ without _____ the overall _____ usage?

Video streaming _____ not _____ towards _____ usage during _____.

Does _____ mean video streaming _____ going _____ contribute _____ the _____?

Video ____ have ____ periods.

____ activities like video ____ will not ____ bandwidth consumption?

There are ____ when using ____ like ____ streaming ____ usage.

____ video ____ up a lot ____ at specific times?

____ periods ____ won't consume ____?

____ there ____ streaming won't consume ____?

____ blocks don't ____ bandwidth usage ____ things ____ streaming.

____ streaming ____ up up bandwidth ____ times?

____ time ____ where using video streaming services will not affect ____?

There ____ periods where ____ use ____.

____ possible ____ stream ____ times that ____ contribute to network activity?

Can ____ about ____ where using ____ services ____ affect my bandwidth usage?

Video ____ might ____ bandwidth ____ certain times.

There ____ times ____ streaming is ____ towards my data ____.

Is ____ way to ____ during specific ____ won't affect ____ total ____ activity?

____ won't ____ towards bandwidth ____ are specific hours

Video ____ count towards ____ data ____ certain times.

____ activities, such as video ____ not ____ my ____ bandwidth, could you ____ know about ____ dedicated ____?

____ specific ____ video ____ does ____ affect bandwidth consumption?

____ streaming ____ use ____ bandwidth

Is it possible to tell me ____ using ____ bandwidth usage?

____ you show me ____ when ____ things like video streaming ____ broadband ____?

____ may ____ set periods ____ streaming ____ my data

Video streaming ____ not ____ during ____ times.

Can ____ me ____ using ____ service won't ____ my bandwidth use?

There ____ times when ____ consume ____.

Is ____ dead ____ where video streaming ____ my precious ____?

____ possible ____ certain actions, like watching ____ to be conducted without adding ____ the ____ certain ____?

Are ____ data use for video streaming?

____ you know ____ using video ____ services will not ____?

____ don't count ____ data ____ when engaged ____ video ____.

When video streaming ____ towards ____ there ____ hours?

I ____ there ____ a time when ____ streaming ____ use ____.

____ it possible that ____ such as watching ____ up ____ bandwidth?

Can ____ such as watching videos online, ____ adding to ____ usage?

Is it possible for certain actions, ____ conducted without adding to ____ overall ____?

If ____ as video streaming, don't ____ bandwidth, could you ____ let ____ know about ____ time ____

During which ____ does ____ like ____ videos do ____ my internet ____?

Is it ____ that ____ streaming ____ not affect my ____ usage?

____ there ____ time ____ consume data?

____ a ____ magical ____ where ____ consume my bandwidth?

Can you ____ if ____ not ____ my bandwidth?

Video ____ may ____ count towards data ____ periods.

Some time ____ contribute to data ____ it ____ video ____.

Is ____ stream videos ____ specific ____ that ____ contribute ____ network activity?

Clarify whether specific ____ video ____ excluded ____ the ____ consumed

I need ____ when ____ things like video streaming ____ add ____ usage.

Video ____ use up as ____ certain times.

____ are times when video-streaming ____ usage limits.

There ____ periods ____ streaming ____ bandwidth.

Can videos _____ during _____ times that won't _____ network activity?

Does _____ mean that _____ like video _____ to contribute _____ bandwidth _____?

_____ there _____ time _____ video streaming won't contribute _____?

_____ specific _____ when video streaming doesn't _____ all of the _____?

_____ frames exist _____ certain actions, such as watching videos, _____?

_____ a _____ stream _____ during _____ specific time _____ won't affect network activity?

If certain _____ time exist, _____ using platforms _____ videos not _____ an _____ on _____ current _____?

What _____ the specific _____ activities like _____ streaming _____ my bandwidth?

Can you give me a time _____ streaming _____ my _____ usage?

What _____ the _____ period when activities _____ streaming aren't consuming _____?

_____ that mean certain _____ such _____ going to _____ to _____ consumption?

_____ tell _____ if video _____ affect my bandwidth usage?

Is _____ possible _____ stream _____ times that won't contribute _____ activity?

_____ certain periods exempt from _____ when engaging _____ like video _____?

_____ it mean that _____ such as _____ streaming are not _____ bandwidth _____?

Does _____ video streaming _____ going to _____ to _____ consumption?

_____ to know whether specific _____ video streaming, _____ from _____ total _____ consumed.

_____ streaming _____ available bandwidth during a certain time _____.

_____ it possible that _____ video streaming _____ bandwidth usage?

Time _____ streaming won't _____ a _____?

Is _____ to stream _____ specific _____ that don't contribute _____ network _____?

_____ are certain _____ that _____ streaming _____ bandwidth consumption.

_____ mean _____ activities, _____ don't contribute toward bandwidth consumption?

_____ it possible to stream _____ during specific times _____ network activity?

_____ there _____ time _____ streaming _____ bandwidth?

If _____ activities, such as video _____ don't _____ could _____ please tell _____ any _____ time _____?

_____ any dead _____ when _____ streaming _____ ruining my _____?

_____ video streamed have _____?

_____ confirm _____ video streaming _____ going _____ ruin _____ bandwidth?

Please _____ if specific actions, _____ video streaming, _____ total bandwidth _____.

Are _____ specific times when video streaming _____ bandwidth _____?

_____ bandwidth _____ not _____ by specific _____ as video _____?

There are _____ doesn't _____ my data.

_____ that activities like video streaming don't _____?

_____ you know if any _____ exist where _____ streaming isn't _____?

Can you _____ me _____ times _____ video streaming doesn't _____ monthly _____?

Is there a time when doing things _____ add to _____?

_____ exempt from using _____ capacity when?

Is _____ stream videos during _____ that won't _____ to network _____.

Is _____ periods when _____ my usage limit?

Do _____ know _____ video _____ won't affect _____?

_____ such _____ streaming videos, _____ affect my _____ usage during certain _____.

Is _____ possible _____ videos _____ specific times _____ contribute to _____ network _____?

Video _____ cannot _____ towards my _____ usage _____ certain _____.

_____ give me information _____ streaming services won't affect _____ usage?

There _____ times _____ streaming won't _____ towards _____ consumption.
