

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Automotive manufacturers |
| Inquiry Category | Assistance with vehicle connectivity and apps |
| Inquiry Sub-Category | Connectivity concerns during firmware updates |
| Description | Customers may encounter connectivity issues or loss of functionality during firmware updates, necessitating support to ensure smooth updating process and restoration of connectivity features after the update is completed. |
| Data Size | 5,140 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Do _____ have access _____ documentation on mitigating _____ disconnections between _____ vehicles' applications _____ external networks _____?

There _____ documents _____ outline _____ to address temporary disconnections of _____ apps from _____ after _____.

I _____ on how _____ deal _____ a _____ our _____ apps _____ stay connected _____ of an upgrade.

Can we get _____ documents that _____ explain procedures _____ handle sudden _____?

Do _____ to _____ needed _____ tackle the recent _____ vehicle application _____?

Can we have technical documents _____ procedures _____ disconnections _____ networks after the _____?

Is there _____ that addresses _____ app _____ from _____ after _____ enhancements?

Is _____ on how to _____ car apps _____ network connections _____?

_____ documentation on _____ fix _____ upgrade-related _____?

Is it possible to _____ information about how _____ handle _____ our _____ and _____ networks _____ to recent _____?

I _____ advice on _____ deal with _____ of our _____ apps not _____ connected _____ of the _____ upgrade _____.

_____ documents that address vehicle _____ network _____ issues _____ upgrade?

Do _____ to _____ with disconnections between our automobile programs and _____ networks _____ of _____?

_____ you provided _____ to deal with disconnections _____ automobile programs and external _____ as _____ of _____ software _____?

_____ need _____ on _____ with a _____ where our _____ apps can't stay _____ due to an _____.

There _____ how to handle _____ disconnections between _____ vehicle's _____ outside networks _____ the latest, do _____ access _____

_____ possible _____ find a tech _____ for fixing times _____ our cars' _____ after _____?

Is _____ on _____ upgrade-caused vehicle application _____?

Is _____ guidelines _____ how to mitigate _____ and external networks _____ a _____?

Is _____ way _____ get documents detailing _____ to _____ of our _____ apps _____ external networks due _____ recent _____?

Can you _____ documentation for dealing with temporary _____ in _____ recent _____?

Can _____ technical _____ to _____ for _____ disconnections on _____ vehicle _____ the recent _____?

Are there resources that _____ can _____ disconnections between our _____ networks due to _____ upgrade?

_____ a _____ dealing _____ vehicle _____ disconnections from outside _____ during or post _____ enhancements?

I need _____ help _____ the issues between _____ and _____ nets after _____.

_____ to get _____ handle car _____ caused by recent upgrades?

Is _____ way _____ retrieve documents detailing how to address temporary _____ vehicles' apps _____ external _____?

_____ a way _____ temporary disconnections between _____ vehicle's applications _____ the external _____ recent _____?

Technical documentation _____ fixing _____?

Is it possible to get _____ to _____ upgrade?

_____ there _____ that explains _____ apps and networks after an update?

Are _____ to deal with _____ between our _____ programs _____ networks due to _____ software upgrade?

_____ to access _____ on the recent upgrade-caused vehicle application _____?

_____ have _____ documents that _____ vehicle _____ and _____ after the upgrade?

_____ we _____ resolve briefDisconnects afterUpgrading?

_____ there _____ to _____ car apps that _____ connections after _____?

We need documentation _____ between external _____ and _____ cars' applications _____ the _____.

Can we have technical _____ explaining procedures to _____ disconnections _____ the _____?

Do we have access to documentation _____ vehicle _____?

_____ need written advice _____ how _____ the problem _____ our car's apps just _____ due _____ a recent _____

Is there _____ tech _____ breaks _____ apps and outside networks after _____?

_____ obtain _____ documents that clarify _____ to address sudden disconnections after _____?

_____ we find anything _____ tells _____ how to _____ cars _____ connections to _____ after an update?

_____ we see _____ how to mitigate _____ disconnections _____ networks _____ to recent _____?

We need to _____ handle momentary disruptions _____ our _____ apps _____ external _____ following _____ recent _____.

Can we get _____ caused _____

_____ we get _____ how _____ momentary _____ between our cars' _____ and _____ networks _____ the _____ updates?

We _____ to the _____ on _____ to handle _____ disconnections _____ our vehicle's apps _____ networks after the _____

_____ technical documents clarifying procedures to _____ sudden disconnections _____ network after _____ upgrade?

Are _____ able _____ the _____ on _____ mitigate temporary _____ from _____ applications and network?

_____ have access _____ information on how to _____ upgrade-caused vehicle _____?

_____ documentation _____ how to prevent temporary _____ between _____ on our _____?

I _____ some help _____ between _____ apps and external _____ from _____.

_____ can _____ get _____ to resolve _____ disconnects?

_____ you _____ any _____ we _____ deal with the _____ and the disconnections?

I need advice _____ deal with _____ problem _____ don't stay _____ due to a recent _____.

Can we _____ how _____ mitigate temporary _____ the _____ applications and _____?

Can we find information _____ how _____ resolve temporary _____ between _____ vehicles' _____ external _____ updates?

_____ documentation about _____ to mitigate _____ interruptions in the connection _____ our _____ software _____ and outside _____ recent software _____

_____ technical _____ procedures to handle sudden _____ after _____ vehicle's recent _____?

Can _____ see _____ regarding how _____ mitigate temporary _____ ourvehicles applications _____ external _____?

Did you provide resources about how to _____ disconnections _____ programs _____ networks _____ software upgrade?

_____ give us technical _____ for _____ disruptions _____ the _____ upgrade _____ our cars?

_____ a tech guide _____ vehicles _____ lose _____ tweaks?

_____ how to fix _____ disconnections?

_____ get _____ documentation to manage _____ between external networks _____ cars' _____ after _____ latest upgrades?

_____ procedures for _____ disconnections _____ the external networks after the recent _____?

Can _____ get _____ documents _____ clarify _____ for sudden disconnections _____ vehicle's _____?

Can _____ technical documents clarifying _____ to _____ our _____ recent upgrades?

I _____ some help _____ issues between _____ and _____ nets because _____ the _____.

_____ that lose network connections _____ they've been _____?

_____ there _____ to _____ issues _____ our vehicles' apps _____ outside _____ after recent _____?

I _____ some help _____ the conflicts _____ and external nets _____ the _____.
 _____ we get technical _____ that _____ to address _____ of applications after _____?
 _____ we _____ technical _____ procedures for sudden _____ after _____ vehicle's upgrade?
 _____ give technical _____ for our _____ with _____ after a recent upgrade?
 We _____ some _____ temporary _____ between our _____ applications _____ networks after recent _____.
 _____ there _____ about how _____ mitigate _____ from the _____ network due?
 Since upgrade _____ can _____ help _____ connection _____ of car apps?
 Do you _____ any _____ we can use _____ and disconnections?
 Do we have access to _____ recent upgrade-caused _____?
 _____ it possible _____ car _____ network _____ after upgrades?
 _____ we _____ documentation clarifying procedures _____ sudden disconnections _____ the _____?
 Can _____ get technical _____ to clarify _____ procedures _____ disconnections _____ our vehicle's _____?
 _____ there _____ to _____ times when _____ cars' _____ lose connections after _____?
 _____ a way _____ disconnections _____ applications and _____ networks after recently upgraded?
 _____ documents _____ will _____ procedures for sudden disconnection for _____ applications and _____ recent upgrades?
 _____ written advice on _____ to deal with _____ problem _____ our car's apps _____ won't stay _____ the _____
 _____ want to _____ you _____ on _____ to deal _____ disconnections between _____ vehicles' software _____ networks because of _____ upgrades
 _____ we get _____ clarify _____ disconnections on external _____ after the recent _____?
 Is it possible to _____ clarify procedures _____ sudden _____ upgraded applications?
 Do we _____ access _____ to tackle the recent upgrade-caused _____?
 _____ we _____ technical documentation _____ handle these vehicle _____?
 Is _____ to get _____ for addressing temporary _____ following the latest updates?
 _____ we _____ documents _____ procedures to address _____ disconnections of applications and _____ recent _____?
 Is _____ for temporary _____ the _____ outside networks due to recent system _____?
 _____ there any documentation _____ with _____ dropouts after a _____?
 Is _____ how to deal _____ connectivity _____ after an _____?
 _____ there _____ on the recent _____ vehicle _____ disconnects?
 Can we get technical _____ solve temporaryDisconnects _____ systems?
 _____ technical _____ clarifying _____ sudden _____ be _____ after the _____ upgrade?
 _____ a tech guide that can _____ us _____ times _____ our _____ lose _____ after _____?
 _____ it possible to _____ about how to _____ temporary _____ our _____ due to recent _____?
 _____ it possible to _____ technical _____ procedures for sudden _____ car's _____ the recent upgrade?
 Is _____ that addresses _____ app disconnections _____ outside _____ during or _____ enhancements?
 _____ there any _____ connecting _____ ride's _____ to _____ networks after _____?
 _____ you provide us with _____ need _____ the _____ disconnections between our vehicle applications and _____?
 Documentation _____ be _____ for dealing with _____ associated _____ upgrades _____ our vehicle _____.
 _____ get technical documents _____ procedures _____ after our vehicle's _____ upgrade?
 _____ you have any paperwork to _____ us _____ with the _____ our _____?
 Can we _____ documentation about _____ to _____ disconnections _____ our _____ and networks _____ to _____?
 _____ need help _____ the _____ and external _____ after _____ recent upgrades.
 Is it possible to _____ technical documents that clarify _____ a _____?
 Can _____ technical _____ procedures to handle sudden _____ after _____ upgrades?
 Can _____ provide _____ our cars to deal _____ unforeseen _____ upgrades?
 When our cars _____ connections to outside _____ update, can _____ find _____ guides _____ it?
 Can _____ obtain technical documents that _____ procedures _____ after _____ vehicle's _____?
 _____ documentation _____ vehicle applications _____ networks after the upgrade?
 Can you _____ documentation _____ dealing _____ temporary _____ applications _____ recent upgrades?
 _____ we get technical _____ that _____ clarify _____ to _____ disconnections for _____ recent upgrades?
 Can _____ get technical _____ that _____ sudden disconnections after _____?

Can _____ us _____ fix times _____ cars' apps _____ connections after an _____?

Is _____ documentation outlining _____ for _____ between the _____ and _____ due _____ system updates?

_____ we _____ mitigate momentary interruptions _____ the connection between our vehicle's software systems _____ outside networks _____ a _____

Can _____ documents _____ procedures _____ address _____ disconnections _____ the external _____ after the _____ upgrade?

Is there any information _____ how _____ momentary disruptions between _____ apps _____ networks after the _____?

Do you _____ the _____ that we need _____ deal with _____ upgrades _____ disconnections _____ vehicles?

Can we _____ on how _____ our _____ connections to outside networks after an _____?

_____ we _____ documentation regarding _____ to _____ disconnections _____ our _____ networks due _____ recent Upgrades?

_____ get technical documents that _____ handle sudden disconnections _____ our _____?

Anyone _____ help doc for the recent _____?

Can we _____ technical _____ will clarify procedures _____ for our applications _____ recent _____?

_____ there _____ solution for _____ between _____ outside _____ to recent system updates?

Is _____ possible to have _____ sudden disconnections _____ our applications after _____?

_____ there a _____ document _____ how our car apps _____ by _____?

Do _____ that _____ can _____ to deal with _____ and disconnections?

_____ it possible to retrieve _____ to address _____ of _____ vehicles' _____ external networks _____ by _____ updates?

_____ documentation about how to deal _____ dropouts _____ a _____?

_____ you _____ any _____ deal with disconnections _____ our automobile programs _____ external networks as _____ result _____ software _____?

Can _____ give _____ the _____ address _____ disconnections caused by the _____ upgrade to our _____ applications?

_____ there _____ documents _____ procedures to _____ on _____ network after the _____ upgrade?

Do _____ access to the documents _____ upgrade-caused _____ application disconnections?

_____ you provide _____ on _____ to _____ with _____ between _____ vehicles' software _____ other networks _____ new upgrades?

_____ can we get _____ to _____?

_____ have technical documents _____ procedures _____ sudden _____ on the _____ the upgrade?

_____ there _____ manual that addresses vehicle _____ disconnections _____ outside _____ after _____?

_____ technical _____ clarifying _____ for sudden disconnections _____ our _____ after _____ upgrade?

We need _____ necessary _____ address temporary disconnections between _____ and external networks _____ to _____.

Is there any information on effective measures _____ handling momentary _____ our _____ apps _____ updates?

Is _____ information on _____ to _____ with _____ between our automobile _____ and external _____ a result of _____?

Can we _____ clarifying procedures _____ disconnections post _____?

_____ any help connecting _____ external _____ after the upgrades?

_____ there _____ tech manual _____ vehicle app _____ outside networks _____ enhancements?

Is it possible _____ outline how _____ address temporary disconnections _____ our _____ apps from external _____ recent _____?

_____ get _____ documents that will _____ procedures _____ disconnections for applications and _____ after _____?

_____ there _____ way to _____ temporary _____ between our vehicle's applications _____ external _____ upgrade?

_____ there _____ technical guidance for managing _____ our _____ and _____ after upgrade?

_____ there _____ available for recent _____ that _____ disconnections?

Is there a _____ to fix _____ our _____ lose _____ updates?

Are we given _____ measures _____ disruptions between _____ apps _____ external _____ following the _____ updates?

Is _____ a _____ available _____ recent Upgrades _____ disconnections?

Can _____ technical documents _____ procedures for sudden _____ the _____ upgrades?

_____ can _____ get technical documentation _____ mitigate short _____ after a vehicle software _____?

_____ we _____ documents that will clarify procedures _____ recently upgraded _____ and _____.

_____ there _____ document explaining _____ the car apps _____ networks _____ affected _____?

Can _____ regarding how _____ mitigate temporary disconnections _____ vehicles applications _____ external _____?

Can we _____ documentation regarding _____ mitigate temporary disconnections _____ our applications _____ upgrades?

Is ____ possible to ____ tech guides to fix ____ cars' ____ connections ____?

Can we ____ documents explaining how ____ external ____ after ____ recent upgrade?

____ there any information ____ handle momentary disruptions between ____ apps and external ____ after the ____?

Is ____ to get technical ____ to ____ newly upgraded ____?

____ any information ____ how ____ handle ____ disruptions between our ____ and ____ following the recent updates?

____ we get technical ____ to ____ from our vehicle's applications ____?

Can ____ technical documents to clarify ____ for ____ applications ____ recently upgraded?

____ get ____ will clarify procedures to ____ with ____ disconnections ____ our ____ upgrade?

Are we ____ view ____ regarding ____ prevent temporary disconnections ____ the ____ applications ____?

Can we ____ clarifying ____ address sudden ____ the external ____ after the ____ upgrade?

Is it ____ documents about ____ to address ____ disconnections ____ our vehicles' ____ from ____ networks ____ updates?

____ technical documents ____ to address ____ disconnections on ____ external network ____ the ____ upgrade?

Is there a ____ explaining how to prevent temporary ____ car ____ and outside ____?

Can ____ the ____ resolve briefDisconnects after ____?

Is it ____ that ____ information regarding ____ interruptions ____ and external ____ because of recent updates?

____ get ____ documents that clarify the ____ sudden disconnections ____ vehicle's ____ upgrades?

Is there a ____ deal with ____ our car ____ as a ____ recent software upgrade?

Is there ____ document ____ addresses vehicle ____ and ____ issues ____ are ____?

We ____ to ____ momentary ____ between external ____ and our ____ applications after the ____ upgrades.

____ it possible ____ get technical ____ for ____ connections ____ newly ____ systems?

____ need ____ connection ____ with car apps ____ external internet ____ the ____ recently.

Is there ____ way ____ deal ____ momentary disruptions ____ cars' ____ following the recent updates?

Do you have any idea on ____ to ____ between ____ vehicles' software ____ networks ____ upgrades?

Can you ____ us ____ the necessary ____ documentation to deal ____ temporary ____ by ____ upgrades?

____ there a ____ manual ____ vehicle ____ disconnections from ____ networks after ____?

____ we get ____ that clarify ____ to address ____ disconnections for ____ after ____?

Is there any ____ effective measures for ____ disruptions ____ our cars' apps and ____ the ____?

Do you ____ any paperwork ____ can ____ deal ____ recent upgrades ____ disconnected ____?

Technical documentation ____ how ____ upgrade-induced ____?

Can technical ____ clarify ____ for ____ in our ____ the ____ upgrade?

____ we ____ documents ____ procedures ____ sudden ____ after the ____ upgrade?

If ____ have ____ about how to mitigate momentary interruptions ____ the ____ vehicle's software ____ networks ____ a ____ upgrade

____ see documentation ____ how to mitigate ____ between ____ and ____ networks?

Do ____ have technical instructions ____ managing short-term ____ applications are ____?

____ it possible ____ have technical ____ procedures to address sudden ____ network ____ the ____ upgrade?

Can we get technical guidance ____ temporary disconnections in ____?

____ see ____ to resolve temporary disruptions ____ our ____ and ____ after ____ updates?

____ any ____ you ____ give guidelines on ____ deal with ____ between our ____ software and other ____ new

____ need ____ dealing ____ the problems between vehicle ____ external nets after ____.

____ there any information about ____ to ____ momentary disruptions between ____ and ____ recent updates?

____ with disconnections ____ automobile programs ____ as ____ of ____ software upgrade, have you given ____ resources?

Is there ____ for ____ that cause disconnections?

Is there any ____ documents ____ sudden disconnections ____ recent ____?

____ can we obtain technical documentation ____ how ____ mitigate short ____ communication ____ software ____?

Is ____ how to deal with momentary ____ between ____ apps and ____ after ____ updates?

Can _____ documents _____ procedures to _____ sudden disconnections on the _____ after the _____ upgrade?

Is _____ possible to _____ documentation _____ car _____ disconnections caused _____ upgrades?

_____ get technical documentation about _____ disruptions between _____ networks _____ applications after the _____ upgrades?

_____ need help with _____ apps and _____ internet since _____ upgrade _____.

Is there documentation on how to _____ connectivity _____?

_____ technical documents clarifying _____ to _____ sudden disconnections _____ our _____ after _____ upgrade?

Can _____ that will clarify procedures _____ with sudden _____ after _____ vehicle's _____?

_____ it _____ get _____ explain how to _____ temporary disconnections of _____ from _____ networks _____ to recent updates?

_____ get technical documents that will _____ to handle _____ after _____ upgrade?

I have _____ written _____ how to _____ with a problem where our _____ won't _____ because _____ an _____

Is _____ explains how temporary _____ between our car _____ and outside _____ after _____ update?

_____ it _____ for _____ view _____ about _____ to mitigate _____ disconnections due to _____?

Is it possible to have _____ documents _____ for _____ vehicle _____ the _____ upgrade?

_____ some _____ to deal with _____ app _____ from outside networks _____ or after _____ enhancements?

_____ there a way _____ address _____ app disconnections _____ outside _____ after _____ enhancement?

Can _____ get technical _____ procedures _____ sudden disconnections _____ the external _____ after the _____?

Can _____ technical documents clarifying _____ to fix _____ disconnections on _____ after _____?

Can we _____ to clarify _____ sudden disconnections _____ applications _____ networks _____ recent upgrade?

Can _____ on how _____ solve temporaryDisconnects in _____ systems?

_____ we get technical documents _____ procedures for _____ disconnections _____ our _____?

_____ there _____ documentation _____ the integration _____ external networks after _____ upgrade?

Is _____ on how to _____ temporary disconnections between car applications and external _____?

_____ we _____ the documents about the _____ upgrade-caused _____ application _____?

Can _____ clarify procedures _____ address _____ disconnections _____ applications and networks after _____ upgrades?

_____ information _____ connections between our cars' apps and outside _____ to _____ system upgrades?

Is it _____ to _____ documentation regarding _____ mitigate temporary _____ from the vehicle's _____ network?

_____ about how to mitigate _____ from _____ applications _____ due to a recent upgrade?

_____ get _____ address the issue _____ vehicle _____ from outside _____ during or after software enhancements?

Is it possible _____ technical _____ for sudden disconnections _____ the _____ the recent upgrade?

Is it _____ to _____ documents _____ outline _____ address _____ disconnection _____ our _____ apps _____ networks after _____ updates?

Fix _____ connections after upgrade?

There _____ problem where our _____ won't stay _____ due to _____ upgrade magic, so I _____

Is _____ data _____ we can _____ network _____ by _____ upgrades?

Can _____ resolve the briefDisconnects _____ the upgrade?

Is _____ documentation on how to minimize _____ interruptions _____ connection between _____ software _____ and outside _____ upgrades

Can _____ to resolve _____ brief _____ after the _____?

Do _____ with disconnections between our automobile programs and _____ because of _____ recent _____?

_____ obtain _____ that will _____ procedures _____ disconnections for our applications _____ upgraded?

Can _____ technical documents _____ to address sudden disconnections _____ the _____ networks _____?

Can we get some tech _____ that _____ app _____ or _____ software enhancements?

_____ we _____ technical _____ to _____ for sudden disconnections _____ car's applications _____ the _____?

_____ we have _____ clarifying procedures _____ address sudden disconnections on _____ after _____?

Do _____ have any documents that offer solutions _____ to _____ brief _____ vehicle's _____ and _____ networks after _____?

_____ have _____ documents that clarify procedures for sudden _____ after the recent _____?

Is _____ possible to _____ detailing how _____ disconnections _____ vehicles' apps from _____ networks _____ recent updates?

We need technical documentation _____ temporary _____ between _____ external _____ caused by recent _____.

____ we have ____ clarifying procedures ____ sudden disconnection on the ____ the recent ____?
 Can ____ technical ____ clarifying procedures to handle ____ the ____?
 Is ____ that ____ vehicle app disconnections ____ outside ____ or post ____ enhancements?
 ____ there ____ documentation ____ how to ____ connectivity ____ after the ____?
 How to ____ between ____ vehicles' software ____ other ____ of new upgrades?
 ____ on how ____ deal ____ short-term ____ in ____ our cars' apps and external networks after ____
 Can you ____ technical documents ____ cars ____ with ____ disruptions ____ recent upgrades?
 Do you ____ any ____ on ____ to deal ____ between ____ automobile ____ as a result of ____ upgraded ____?
 ____ we ____ that ____ procedures to ____ disconnections ____ applications and networks after ____ upgraded?
 ____ recent ____ apps and ____ internet, ____ I find help ____ connection issues?
 Can ____ have ____ address sudden ____ the ____ network after the ____?
 ____ car applications ____ network ____ after ____?
 ____ technical ____ sudden disconnections in our applications ____ upgrade?
 Can we get ____ procedure for sudden ____ in ____ applications ____ upgrade?
 Is there technical documentation ____ disconnections caused ____ recent ____?
 ____ it possible ____ guides ____ disruptions between our ____ external networks after recent ____?
 Is it possible to ____ for addressing network disruptions ____?
 Can we ____ technical ____ on ____ interruptions between our ____ applications ____ external ____ to ____ updates?
 Any help ____ ride's applications ____ post upgrade?
 ____ you provide technical ____ dealing ____ temporary ____ vehicles' applications ____ recent upgrades?
 Do ____ to help ____ deal with the recent upgrades ____ our ____?
 Can we get ____ that ____ to ____ sudden disconnections after ____ upgrade ____?
 How ____ handle temporary ____ our ____ and ____ networks after ____ upgrades?
 ____ there a document ____ the temporary ____ our ____ apps and ____ networks ____?
 ____ recent software ____ do we ____ technical documentation about ____ the connection ____ our vehicle's ____ systems ____ networks?
 Do ____ have ____ paperwork that we ____ use ____ with the upgrade and ____?
 Can we get ____ to ____ connections between ____ cars' ____?
 ____ it ____ to ____ technical ____ about short interruptions ____ our cars' ____ and ____ networks ____ to ____?
 Can ____ get technical documents ____ after ____ upgrade our ____?
 ____ there ____ documents ____ tackling ____ upgrade-caused vehicle application disconnections?
 Can ____ technical ____ clarifying ____ address sudden ____ our vehicle ____ recent upgrade?
 ____ there ____ that ____ can use to ____ with ____ programs ____ networks because of recent software ____?
 Is ____ a tech ____ vehicle app disconnections from ____ post ____?
 ____ it ____ to ____ documentation to ____ post-upgrades?
 We need ____ to ____ with ____ disruptions between ____ cars' ____ and external ____ the ____ updates.
 Can we get technical ____ resolve ____ after ____?
 ____ there documentation for managing ____ applications after the latest upgrades?
 ____ we have technical ____ procedures ____ in our ____ applications after recent ____?
 Is ____ technical guidance on ____ between vehicles' apps and ____ upgrade?
 Can ____ documents ____ for sudden disconnection after a ____ upgrade?
 ____ are we provided with ____ how ____ handle momentary disruptions ____ our ____ apps ____ external networks?
 ____ get technical documentation ____ in communication due to recent ____ software ____?
 Is there ____ that ____ disconnected from ____ networks during or ____ enhancements?
 Is ____ any ____ available ____ can help deal ____ temporary ____ breaks caused ____?
 ____ happened recently, where ____ I get ____ with connection problems ____?
 ____ we have ____ documents ____ sudden ____ on the ____ after the recent ____?
 How ____ we get technical ____ how ____ disruptions ____ communication due ____ vehicle software updates?
 ____ there ____ information ____ how to handle momentary ____ our ____ app ____ networks ____ the recent ____?
 Is there any documentation ____ affects vehicle applications ____ external ____?

Is it possible _____ find tech _____ our _____ lose _____ to outside networks _____ update?
 _____ technical documentation on _____ mitigate _____ interruptions _____ connection _____ our vehicle's software
 systems _____ outside networks _____ software upgrades

Can _____ see the _____ about how _____ mitigate _____ applications and external _____?

Is there a way _____ disconnections between our _____ applications _____ networks _____?

_____ view _____ how _____ mitigate temporary disconnections from our applications _____ networks due _____ recent _____?

Can _____ have _____ clarifying _____ for _____ disconnections in our car _____ recent _____?

Do you have _____ we _____ deal with the _____ upgrade and disconnection _____ our _____?

Is _____ between _____ car's _____ and outside networks due to recent _____ updates?

If _____ guys can give _____ on _____ deal _____ disconnections between our vehicles' _____ and _____ because _____
 _____ what

I _____ help _____ problems between vehicle _____ have recently been upgraded.

Can we _____ documents that _____ to _____ sudden _____ applications after recently _____?

Are instructions _____ for dealing _____ short-term _____ the _____ and _____ networks due to _____ latest
 upgrades?

Can we get _____ documents that _____ for _____ disconnections _____ after recent _____?

Is there a _____ for _____ the _____ application and outside networks _____ updates?
 _____ documents clarifying _____ with _____ on the external network after _____ recent upgrade?

Is _____ a _____ document _____ how to _____ after an update?

How can _____ technical _____ how _____ with _____ disruptions caused _____ vehicle _____ updates?
 _____ need some _____ with the _____ apps _____ external _____ after the recent _____.

How to _____ apps losing network _____ upgrade?

Did you tell us how to _____ disconnections _____ programs _____ due _____ the _____ software upgrade?

Is it possible to _____ that _____ how to address _____ disconnections _____ our _____ apps _____ external _____ of _____?
 _____ we _____ to resolve _____ disruptions _____ our vehicles' applications _____ networks _____ updates?

Fix _____ that lost _____ connections after _____?

_____ it _____ fix _____ apps _____ connections after they upgrade?

Is _____ a tech _____ about _____ app _____ outside _____ a software enhancement?

Is it _____ obtain technical documents _____ procedures _____ sudden disconnections _____ recent _____?
 _____ possible to _____ information about the _____ of short interruptions _____ our _____ and _____ networks due _____
 updates?

_____ documentation detailing solutions for _____ between the _____ application and _____ to _____ system updates?

Fix _____ that _____ connections _____ a new upgrade?

_____ we _____ technical documents _____ sudden disconnections after _____ upgrade _____ vehicle?

_____ you _____ how to _____ disconnections between _____ automobile programs _____ external _____ to _____ recent software
 _____?

Do _____ the _____ we need to _____ the recent _____ disconnections in _____ vehicles?

Is _____ to _____ times when _____ apps lose _____ to _____ after an update?

_____ we be _____ information on _____ handle _____ our cars' apps _____ external networks _____ the recent _____?

_____ get technical _____ that will _____ handle sudden _____ after the vehicle's _____?

_____ get technical _____ to clarify _____ for sudden disconnections on _____ networks _____ recent _____?

Can we _____ to clarify the _____ sudden _____ after _____ vehicle's _____ upgrade?

_____ find _____ way _____ fix _____ when our _____ apps _____ connections _____ updates?

_____ guys _____ on how _____ deal with annoying disconnections between our vehicles' software _____ networks
 because _____

_____ get _____ to clarify _____ to _____ disconnections after the recent _____?

_____ on how we can deal _____ drops _____ those upgrades?

Is _____ document _____ temporary _____ car apps and outside networks?

_____ we get technical _____ that clarify _____ sudden _____ vehicle's _____ upgrade?

_____ possible to obtain _____ to handle _____ car _____ disconnections?

_____ we _____ technical _____ to _____ sudden _____ for applications after recent _____?

I need _____ advice _____ how _____ deal with _____ where our _____ won't stay _____ due _____ the _____ magic

Can we _____ technical documents _____ sudden _____ external networks _____ the _____?

Fix car apps _____ lose _____ they're _____?

Since recent _____ happened, where can _____ get _____ of car _____?

Fix _____ apps who _____ network _____?

Can _____ technical documents _____ us how to _____ disconnections _____ our _____ upgrades?

Can we _____ will help us deal _____ disconnections _____ vehicle's upgrade?

_____ could give us _____ how to deal _____ disconnections between our vehicles' software _____ other networks _____

_____ there a document that _____ how temporary _____ between car _____ are mitigated _____?

Can we _____ documentation clarifying _____ address sudden disconnections on _____ external _____ after _____?

Can we _____ documentation _____ mitigate _____ disconnections _____ applications _____ networks after a _____ upgrade?

Are _____ about how to mitigate temporary disconnections due to _____?

Is it possible to _____ documents _____ to address _____ of our vehicles' _____ to _____ updates?

_____ recently, _____ can I get help _____ problems _____ car _____ and _____ internet?

You _____ on how we _____ network drops caused by _____?
