

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	VOD playback and streaming issues
Inquiry Sub-Category	Buffering issues
Description	Customers reporting problems with video buffering while trying to stream videos on VOD platforms, leading to interrupted playback or long loading times.
Data Size	5,881 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

_____ any _____ or adjustments that _____ be made _____ improve _____ and _____ issues _____ VOD content?

There _____ you _____ to make this _____ more _____ and _____ issues.

_____ can one _____ to modify _____ setup _____ streaming?

_____ a _____ to increase the _____ of _____ streamed _____ buffering interruptions.

_____ to improve my streaming _____ settings, while _____ buffering issues?

Can _____ make _____ improve _____ quality _____ buffer reduction?

_____ there a _____ to improve _____ visuals and _____ pauses with _____?

_____ it possible _____ to improve streaming _____ reduce _____?

Is _____ possible _____ for streaming _____ buffering, _____ on-demand _____?

_____ I make streaming _____ buffering _____?

How can the _____ smooth _____ be _____ excess buffer?

There can _____ quality and minimize buffering.

Is it _____ to change settings to improve _____?

_____ a _____ improve streaming performance _____ limit on-demand _____.

_____ looking for ways to _____ stream's _____ buffering

Is it possible to _____ for _____ buffering?

Is _____ possible _____ buffering and _____ settings on my _____?

Is there _____ to maximize _____ and _____ interruptions?

Is there any way _____ increase _____ quality _____?

_____ be changed _____ better streaming quality _____ buffering?

_____ there a _____ to make _____ stream _____ more _____ and _____ buffering _____?

_____ recommend _____ modifications _____ would _____ the _____ streamed content _____ eliminate buffering interruptions?

How do _____ modify _____ streaming _____ less buffering?

_____ any way to increase video-on-demand _____ buffers?

Are there _____ make _____ fix buffering _____ on-demand programming?

Are there any changes _____ can be _____ improve _____?

_____ find ways to enrich _____ visuals and _____ pauses?

Is _____ a way _____ streaming performance and _____?

Is there a fix for _____ extra buffering _____?

Is _____ possible to _____ settings to improve streaming _____?

Can you help _____ the video _____ streaming _____?

Can _____ improve the _____ or _____?

Is _____ possible to _____ the settings _____ better videos _____?

What _____ done _____ video quality and _____ buffer _____?

Is there a _____ stream _____ minimize buffering?

_____ changes _____ made to help _____?

Do _____ have any suggestions _____ to fortify _____ VOD _____?

_____ any _____ of changing the settings _____ the _____ transmission?

_____ with streaming and buffering?

_____ way _____ the flow of _____ while fixing issues?

What settings _____ to _____ streaming _____ and minimize _____?

Modifications _____ buffering _____ watching _____ online.

Is it possible _____ to _____ video _____ reduce interruptions, _____ settings?

Can I change settings _____ and _____?

Is there _____ way to _____ the VOD _____?

_____ change _____ configuration _____ improves video quality _____ buffer occurrences?

There are methods _____ enrich web-streamed _____ and _____ pauses _____.

_____ some changes _____ be made _____ better _____ streaming quality and _____.

Changes _____ boost video-on-demand _____ while decreasing buffers.

_____ there any _____ to _____ buffering _____ video _____ demand?

_____ there a _____ to increase _____ flow of _____ on _____ stalling _____?

Is _____ possible _____ settings _____ videos with _____ buffering?

_____ possible _____ shorten _____ on-demand content?

_____ changes _____ configuration _____ you _____ that _____ video _____ and _____ buffer occurrences?

_____ will help _____ buffering issues _____ on _____.

Is _____ a _____ to _____ and _____ load pauses with On-Demand _____?

Is _____ available to enhance _____ quality and _____?

Alterations _____ improve streamed _____ clarity _____ avoid _____.

Is there a way _____ stream _____ minimize _____.

_____ may _____ reduce _____ watching videos _____.

_____ can _____ buffering in _____.

_____ it _____ to _____ the flow _____ video-on-demand while _____ stalling _____?

Can you help to _____ video _____ through settings _____ adjustments?

Can altering _____ be used _____ buffering in _____?

Is _____ you _____ do _____ enhance _____ play-back, reduce interruptions _____ settings?

Can _____ be _____ that reduce buffering and _____?

_____ a way _____ increase _____ quality of streamed content _____ interruptions?

_____ frequent buffers in VoD _____.

_____ improve _____ quality _____ buffering?

_____ can _____ stop _____ constant buffering when _____ video _____ demand?

Is it _____ to change _____ picture and reduced _____?

_____ there any _____ to increase the _____ of Video-On-Demand _____?

Is _____ maximize streaming quality and minimize _____?

_____ changes _____ you _____ improve _____ quality _____ buffer occurrences?

Is it possible _____ streaming experience by adjusting settings _____?

How can _____ modify their _____ VOD _____?

_____ would like _____ there is _____ to _____ the amount _____ VOD interruptions.

_____ improve streaming _____ and limit _____?

Is _____ way to _____ flow of _____ at _____ same time _____ issues?

Is it _____ improve _____ quality _____ minimize buffering?

_____ can _____ done to enhance streaming quality, _____ buffering.

Can _____ for _____ and better streaming?

Modifications can _____ reduce _____ viewing _____.

_____ possible to _____ for a better _____ picture _____ less _____?

_____ there settings _____ enhance _____ quality and minimize _____?

_____ a way _____ modify _____ for _____ VOD streams?

_____ there a _____ to _____ video-on-demand _____ while _____ buffers?

Is _____ way to _____ Video-On-Demand _____ still fixing stalling issues?

_____ are adjustments that can _____ made _____ fix _____ programming.

_____ can _____ setup _____ better _____ on demand streams?

_____ there _____ way to _____ buffering _____ video on _____?

Is _____ a _____ performance and limit interruption.

_____ there _____ to _____ buffering _____ in our on-demand _____?

_____ you _____ improve the _____ on demand _____ reduce _____?

Is there _____ reduce buffering when _____ videos?

_____ can _____ buffering on-demand _____?

Is _____ any _____ to _____ streaming _____ and minimize _____?

_____ there _____ way to increase _____ buffering?

Can there _____ made _____ streaming _____ and reduce _____?

Is _____ you to help _____ enhance video _____ interruptions, and _____ settings?

Can changing _____ buffering _____ VoD media?

_____ make _____ better _____ limit buffering?

_____ settings can increase _____ quality while reducing _____.

Is there a _____ to _____ of _____ and limit _____?

_____ it possible _____ reduce video _____ VoD _____?

Is it possible _____ modify the _____ quality _____?

_____ any _____ to _____ quality better and the _____ less?

_____ way to enhance streaming _____ and _____ buffering?

Is _____ to _____ the _____ on demand _____ better?

_____ altering options _____ buffering _____ VoD _____.

_____ altering options help _____ buffering _____?

Is _____ any _____ to improve _____ of my streamed _____ interruptions?

_____ settings reduce buffering _____ streaming _____?

Is there _____ to _____ the _____ reduce buffering.

Is there _____ way _____ fix _____ issues in _____ programming?

_____ a way _____ improve stream quality _____ decrease _____?

_____ there _____ to boost stream _____ and _____?

_____ be _____ minimize _____ and improve streaming quality?

_____ can _____ to _____ streaming quality and minimize _____.

Is _____ way to _____ livestream picture _____ better?

_____ change the _____ my _____ to _____ my streaming _____ buffering?

Can you _____ the video on demand _____ better _____?

_____ I _____ my _____ to _____ my buffering _____ streaming?

Is _____ for _____ to _____ video _____ reduce interruptions, _____ adjust settings?

_____ it _____ you to _____ enhance _____ streaming _____ and _____ buffering?

_____ are alterations _____ boost video-on-demand stream quality

_____ be _____ to _____ video-on-demand stream quality _____ decreasing _____.

_____ there _____ to _____ and minimize buffering?

____ it possible to modify settings ____ better ____ issues?
 ____ there ____ way ____ modify the ____ for smoother ____ and ____?
 Can ____ streaming quality ____ be ____?
 ____ possible ____ minimize buffering with on-demand content?
 ____ stream quality and ____ buffering?
 Is ____ way ____ could fix ____ issues in ____?
 Is it ____ to adjust ____ to improve ____ streaming experience ____ buffering ____?
 ____ it possible ____ for better streaming quality ____ buffering ____?
 Can ____ options ____ amount ____ buffering ____ VoD media?
 Is it possible ____ quality ____ by fixing ____?
 Is there ____ to ____ streaming or extra ____?
 ____ can ____ when watching on-demand.
 Can I ____ settings to ____ stream quality ____?
 Is there ____ that ____ about ____ watching video on ____?
 ____ there ____ adjustments we ____ make ____ fix ____ in ____ on-demand ____?
 ____ to change the settings ____ livestream ____ better buffering?
 ____ can be done ____ increase ____ stream ____ reducing ____?
 Is ____ a ____ to enhance ____ quality, ____ minimize ____?
 ____ the changes ____ quality and buffer ____?
 Is ____ set settings ____ streamed videos?
 I ____ to ____ there ____ a way ____ VOD interruptions.
 ____ be used to ____ streaming quality ____?
 ____ there ____ way to boost ____ and make ____ less ____?
 Is it possible ____ fix stalling ____ flow ____ Video-On-Demand?
 ____ there any ____ buffering and ____ streaming quality?
 ____ possible to adjust ____ to ____ my ____ experience and ____ issues?
 Which settings should be changed ____ buffering?
 Is ____ to ____ the ____ of streaming and ____ buffering?
 ____ anything we can do about buffering ____ on ____?
 What ____ do ____ their setup for smooth ____ streams?
 ____ it ____ to ____ and minimize buffering ____ settings ____ adjustments?
 ____ it possible ____ change ____ settings ____ streaming quality and ____?
 What ____ done to ____ streaming with ____ buffering?
 Is it possible ____ change settings to ____ speed?
 ____ settings exist ____ improve ____ quality ____ buffering?
 Can ____ made to maximize ____ streaming ____ and ____?
 ____ there ____ fixes ____ improve ____ quality and minimize ____?
 ____ are settings available ____ quality ____ prevent buffering.
 Is there any ____ streaming ____ and ____?
 ____ change settings ____ improve streaming ____ buffering?
 ____ possible to ____ improve streaming quality ____ minimize buffering?
 Is ____ possible ____ settings ____ streamed videos ____ reduced ____?
 ____ I alter settings ____ better ____ quality ____ less ____?
 ____ anything ____ can do to improve the ____ minimize ____?
 ____ ways to ____ buffering while ____ video on ____.
 Is ____ any ____ can ____ enhance video ____ reduce ____ and adjust ____?
 ____ anything ____ can boost stream quality ____ minimize ____?
 ____ there be ____ web-streamed visuals ____ curb ____ pauses?
 ____ settings be adjusted ____ better ____ quality ____ buffering?
 ____ there a way ____ fix buffering ____ on-demand ____?

Increased _____ drop in buffer occurrences can be _____ with _____.

_____ possible _____ settings to _____ streaming quality and limit _____?

Can you help _____ on _____ and _____ buffering?

_____ there a _____ to _____ the _____ while fixing stalling issues?

How can we _____ quality _____ buffering?

Any _____ can _____ to better _____ and minimize buffering?

Which settings can be _____ to increase _____?

_____ settings allow you _____ enhance streaming _____ buffering?

_____ there _____ way _____ web-streamed visuals _____ load pauses _____ on-demand footage?

_____ a way _____ improve _____ quality with _____ buffering?

Is there _____ to improve _____ limit _____ of VOD?

Is it _____ streamed video quality _____ buffer _____?

How _____ aid video _____ buffer _____?

Is it _____ to help _____ reduce _____ and change settings?

Are _____ to be made _____ improve _____ quality and _____?

_____ it _____ improve _____ VOD stream quality _____ reduce _____?

_____ anything that can be done about _____ video _____?

Is _____ fix buffering _____ in our on-demand _____?

Is _____ any settings that _____ be _____ to improve _____ buffering?

Alterations _____ improve _____ while _____ excessive buffers.

Is _____ video-on-demand stream quality while reducing _____?

_____ possible _____ you to enhance _____ play _____ reduce _____ and adjust _____?

Modifications might _____ issues during _____.

Is _____ increase streaming quality _____ reduce _____ with _____ shows?

_____ there a _____ streaming _____ limit the number of interruptions?

_____ there _____ modify their setup for _____ streams?

Looking _____ ways to decrease _____ while _____ video _____.

Is _____ any _____ changes _____ can _____ better video _____ reduced buffering problems?

_____ I change _____ fix my buffering _____ issues?

_____ to _____ streaming quality and minimize _____ buffering?

Better video _____ with _____?

_____ reduce buffering _____ improve streaming _____?

Can _____ streaming _____ and limit _____?

_____ ways to enrich web-streamed visuals _____ curb _____ on _____ footage.

Is _____ to _____ flow of _____ whilst addressing stalling _____?

What can one do _____ for smoother VOD _____?

Is it possible _____ better streaming _____ less buffering?

_____ there _____ make to make better _____ streaming _____ less _____ problems?

Can altering _____ the _____ of _____ in VoD _____?

Is _____ any _____ to _____ watchable and _____ buffering issues?

It's possible _____ improve _____ prevent _____.

There's a _____ to modify the setup _____ streams.

_____ a _____ to increase the flow of Video- _____?

_____ there a way _____ buffering _____ VOD stream?

_____ settings _____ enhance _____ and _____ buffering?

_____ a _____ to _____ streaming quality _____ minimize buffering?

_____ a way _____ adjust the _____ streaming quality and less _____?

_____ there a _____ to enhance the _____ of Video-On-Demand _____?

With _____ buffering, is it _____ change settings for _____?

How can _____ the _____ streaming?

Is _____ possible _____ improve the streaming _____ reduce _____?

Is it possible to _____ on demand _____ reducing _____ disruptions?

_____ way to enhance the _____ without _____ the issues?

Alterations could _____ streamed _____ and _____ excessive _____.

Can adjustments improve _____ and _____?

_____ can possibly _____ buffering _____ online.

Is there a way _____ in _____ media.

Is there _____ way _____ modify settings _____ buffering when _____ demand?

_____ better _____ streaming _____ reduced buffering?

Altered _____ can reduce _____ VoD _____.

_____ it _____ to _____ the _____ and limit _____ buffering?

_____ it _____ to improve _____ quality and buffer _____?

_____ improve streaming quality _____ buffering?

Is there settings available _____ and _____ buffering?

_____ I alter my settings _____ quality and _____?

_____ options can _____ reduce _____ buffering _____ VoD _____.

_____ adjusted to prevent buffering _____ videos?

Changing settings can _____ video _____ while _____.

Can changing options cut _____ VoD media?

_____ to fortify _____ VOD stream transmission speed and _____.

Is there _____ to enhance streaming _____ buffering?

Will _____ to improve buffering _____ streaming quality?

_____ to enhance _____ flow of _____ whilst fixing _____ issues?

_____ settings can be _____ improve _____ and _____ buffering?

_____ settings _____ enhance streaming quality _____ buffering?

There _____ enhance web-streamed visuals and _____ pauses _____ footage.

_____ settings to improve _____ experience while avoiding buffering?

_____ I adjust _____ to improve my _____ and _____ buffering _____?

_____ you _____ enhance the video _____ or minimize buffering?

_____ can be made _____ the streaming quality _____ buffering?

Alterations _____ improve streamed _____ while _____ buffers are _____.

_____ anything we can _____ to fix buffering _____ programming?

_____ do _____ quality and _____ buffer occurrences?

Are there _____ to improve _____ visuals _____ On-Demand footage?

Looking for _____ improve my _____ quality _____ problems?

Is it possible to _____ video _____ quality _____ reduce _____?

_____ there any _____ video _____ demand's _____ and reduce buffering disruptions?

Modification _____ settings is possible to boost _____.

Is there _____ way _____ streaming _____ can be improved and _____?

_____ are possible _____ for _____ video streaming _____ less _____.

Are _____ changes we could _____ to _____?

_____ settings _____ for _____ and _____ buffering?

Altered _____ able to counteract frequent buffering _____.

Changing _____ can boost streamed _____ quality _____ diminishing _____.

Is _____ increase video-on-demand stream quality while decreasing _____?

Is it _____ certain settings _____ order _____ my streaming _____ avoiding _____ issues?

Is there a way to adjust _____?

Can settings _____ and _____ buffering?

_____ of streamed videos _____ avoiding excessive buffers.

_____ it _____ as to boost stream quality?

____ it ____ adjust configurations to ____ reduce load pauses?
 Is ____ possible ____ fix ____ in ____ programming?
 ____ there a way ____ improve ____ quality and ____?
 What can ____ done to ____ and ____ VOD ____?
 Is ____ a way ____ improve ____ performance ____ number ____ pauses?
 ____ you ____ on how to improve the ____ and ____ buffering?
 Is ____ minimize buffering and maximize ____ quality?
 ____ about adjusting ____ enhance web-streamed visuals ____ curb ____?
 Is it possible to ____ number ____ buffers ____ VoD ____?
 Increased ____ quality ____ a decrease in ____ be achieved through ____.
 ____ there a way to ____ poor ____ extra ____ content?
 ____ any ____ we can ____ to ____ buffering issues ____ our on-demand ____?
 Is there a ____ to ____ troubles in ____.
 Is ____ fix ____ and streaming on my ____?
 ____ there any way to ____ quality ____ buffering?
 Are ____ ways to ____ and minimize ____?
 Is ____ any configuration changes I ____ make ____ streaming ____ less ____?
 ____ can we ____ streaming ____ buffering?
 There are ____ be ____ to ____ this stream more ____ and less ____.
 ____ it possible ____ reduce the ____ of ____ buffering ____ media?
 ____ I ____ settings ____ boost streaming ____ and reduce ____?
 Can I adjust ____ settings to improve ____ buffering ____?
 Is there ____ buffering with ____ video?
 ____ way ____ improve streaming ____ and reduce ____ number of ____?
 ____ be alterations to boost ____?
 Which ____ could ____ to ____ streaming and prevent ____?
 ____ possible to change settings ____ as ____ quality?
 ____ can we ____ better ____ less buffering?
 Is it ____ to adjust the ____ of ____?
 Is it ____ to ____ video ____ quality ____ reduce buffering?
 ____ possible to enhance the ____ On-Demand whilst ____ stalling ____?
 Modifications ____ buffering ____ videos online.
 Is ____ way ____ improve stream quality ____ buffering?
 Are ____ settings available?
 ____ option ____ enhance streaming quality ____ minimize buffering?
 ____ it ____ possible to improve ____ quality and ____?
 ____ there a way to ____ flow ____ whilst fixing ____?
 ____ there a fix ____ stream ____ and ____ buffering?
 Are there any ____ or ____ can ____ to ____ quality or reduce ____?
 Alterations can ____ video ____ avoiding ____ buffers.
 There are ____ available for better ____ with ____.
 There ____ to ____ stream quality and minimize ____.
 ____ good for ____ buffering on-demand videos?
 ____ adjustments be made ____ reduce ____ and ____ streaming ____.
 ____ be ____ prevent buffering on-demand videos?
 ____ of video-on-demand quality ____ preventing ____.
 Better video ____ buffering is ____ could be ____?
 Is it ____ change ____ settings ____ that ____ reduced buffering?
 Can settings ____ buffering and ____?
 ____ there a way ____ enhance ____ flow of video on ____ at ____ time ____ issues?

_____ for ways to _____ buffering and _____ quality?

Is _____ way to fix _____ in _____ programming?

There _____ some possible fixes to boost _____.

Is there a _____ the flow of _____ On-Demand _____ issues?

Is _____ possible _____ change _____ smoother streaming and _____?

Can _____ be _____ boost _____ and minimize buffering?

Can settings _____ the streaming _____ buffering?

Are _____ any _____ or changes that can _____ streaming _____ and _____?

Is there a _____ stream _____ more watchable and minimize _____ issues?

Is it _____ alter streaming _____ and buffering _____?

Is _____ I _____ do _____ make it better _____ streaming with reduced _____?

_____ it possible _____ the quality _____ video on demand while _____?

Are there _____ make to fix buffering in _____?

_____ options _____ be used _____ frequent _____ VoD media.

_____ possible to adjust _____ for better streaming _____ less _____?

Which streaming _____ settings _____ changed?

_____ settings _____ to enhance streaming quality _____?

_____ there _____ that can _____ made to _____ quality and _____ buffering?

_____ help enhance and _____ buffering _____ settings or _____?

_____ you _____ changes _____ the quality and _____ reduction?

Can I _____ my _____ and reduce buffering?

_____ way to boost _____ of _____ while _____ stalling issues?

Better video _____ and _____ possible.

_____ methods _____ enhance _____ curb load _____ with on-demand footage.

The settings _____ be _____ to _____ and prevent _____.

_____ that _____ made _____ make this _____ more _____ and less _____ buffering issues?

_____ settings can _____ to improve streaming _____ buffering?

Is there anything _____ better _____ streaming with _____?

Is there a _____ to _____ streaming quality _____ buffering _____?

_____ you _____ the streaming _____ stop the bufferin' nonsense?

_____ settings _____ adjustments that can _____ made _____ of streaming and reduce buffering?

_____ altering options reduce _____ in _____?

Is it _____ on demand's quality and _____?

Alterations may enhance _____ clarity _____ excessive _____.

Is it possible to _____ buffering _____ tweaking _____?

_____ can _____ settings _____ better _____ and less buffering?

_____ changes in _____ do _____ aid video _____ and buffer _____?

_____ you _____ the _____ on demand streaming quality and _____?

_____ possible _____ change _____ settings _____ and _____ when watching VOD?

_____ there anything _____ can be _____ to increase video-on-demand stream _____?

Is _____ to _____ of video-on-demand while _____ time fixing stalling issues?

_____ improve _____ and reduce VOD buffering?

Is _____ any _____ for _____ video streaming with _____?

_____ better _____ streaming quality and reduce buffering?

_____ improvements to improve buffering _____ streaming _____?

_____ looking _____ ways _____ decrease _____ viewing video _____ demand.

Is _____ to modify _____ setup _____ smoother _____ streams?

There _____ to boost stream _____ and _____ buffering.

Is _____ any _____ to reduce buffering in _____?

_____ you suggest changes _____ improve _____ video on _____ stream _____?

Is _____ possible _____ to improve video on demand while _____?

Can altering _____ in VoD _____?

_____ for buffering _____ stream quality?

There _____ settings for enhancing _____ and _____.

_____ possible _____ the setup _____ smoother VOD streams.

_____ it possible _____ quality _____ and reduce buffering?

Can _____ be a _____ VOD stream _____?

Is there _____ to _____ streaming _____ buffering, or _____?

_____ to _____ curb load pauses with on-demand footage?

_____ have any secret _____ fixes for _____ my VODs _____ much _____ loading breaks?

_____ there any _____ upgrade buffering _____ quality?

_____ a way to increase the _____ of _____ On-Demand _____ issues?

_____ can enhance streaming _____ and _____

Is there _____ way _____ the settings _____ better streamed videos _____?

_____ do I change the settings _____ smoother _____?

Are _____ settings available to improve _____ buffering?

Can _____ be changes _____ to improve _____ buffering?

_____ possible to improve _____ and _____ buffering with _____ content?

_____ streaming quality and _____?

_____ possible to _____ my _____ on _____ while avoiding buffering _____ adjusting _____ settings?

_____ can _____ do _____ stop _____ when _____ video _____ demand?

_____ done _____ streaming quality and reduce buffering?

Altered options can _____ frequent buffers _____ media.

Alterations _____ video _____ decreasing _____ issues.

_____ settings _____ changed _____ better _____ quality _____ less buffering?

_____ there a way _____ of VOD stream?

Is _____ to _____ quality of my streamed _____ eliminate buffering _____?

_____ it _____ improve video on demand while _____ settings?

Is there any _____ streaming quality and _____ with video _____?

_____ you _____ do to _____ streaming _____ and reduce buffering?

Do _____ improve _____ quality _____ buffering?

Is _____ a _____ to change _____ for better _____?

_____ you know if any _____ adjustments can be _____ to _____ streaming _____?

_____ there _____ to _____ streaming quality _____ minimize _____?

Is there a _____ improve my _____ quality and _____ buffering _____.

_____ or _____ and limit buffering?

_____ streaming quality and _____ buffering?

_____ to _____ video-on-demand stream _____ while reducing buffering.

Is it _____ change _____ to _____ and avoid buffers?

Can _____ be _____ to _____ quality _____ reduce buffering?

Which settings _____ enhance streaming and prevent _____?

_____ it _____ the _____ better streamed videos with _____ buffering?

Would it be _____ change _____ for better _____ videos _____?

Is it _____ adjust _____ for _____ livestream picture _____ reduce _____?

Is _____ a _____ modify settings _____ smooth streaming and _____?

I want _____ if _____ any changes _____ can _____ for _____ less buffering.

_____ there _____ get _____ streaming _____ and limit interruptions?

Is _____ more watchable and less buffering?

_____ can _____ videos' clarity _____ avoid _____ buffers.

_____ changes _____ to _____ buffering _____ on-demand content.

_____ settings be _____ to _____ minimize buffering?

_____ any suggestion _____ switch _____ settings _____ the _____ stream transmission speed?

_____ changes are _____ to aid video _____ occurrences?

_____ it _____ to improve video _____ avoiding buffering _____?

Is it _____ to _____ settings _____ livestream _____ and _____?

Is _____ possible to _____ video-on-demand stream _____ decreasing _____?

Is it _____ to improve _____ stream quality _____?

Is _____ possible to _____ the _____ streaming _____ and _____?

_____ there any way to improve _____ reduce _____?

Is it beneficial in _____ limiting buffer _____?

Can _____ improve the _____ quality _____ limit _____?

How can I _____ my settings _____ streaming _____?

_____ changing _____ the _____ buffers in _____?

_____ be _____ to _____ video _____ and _____ buffer occurrences?

_____ there be changes to _____ streaming quality _____?

_____ there changes _____ can _____ streaming _____ reduce buffering?

Which _____ can be _____ prevent buffering _____?

Is _____ a _____ flow of Video-on-Demand _____ fixing stalling _____?

Is _____ possible _____ quality and _____ buffering through settings or _____?

Is _____ change _____ for better streaming _____ and _____ buffering?

_____ buffering with _____ something _____ can be done.

Are there _____ buffering _____ quality?

_____ a _____ improve streaming _____ limit the interruptions?

How can one make _____ for _____ streams?

Is _____ way _____ buffering and improve streaming _____?

_____ to improve the overall quality _____ of streaming?

There are _____ to _____ web-streamed _____ load pauses _____ On-Demand _____.

_____ a way to _____ streaming _____ on demand content?

Is _____ possible to _____ to enhance _____ and _____ buffering.

Help, what can _____ stop buffering _____ I _____ on _____?

Can you _____ the _____ of video _____ and _____ buffering?

_____ possible to _____ the video on demand _____ issues?

_____ a _____ to _____ up the _____ of Video-On-Demand while _____ issues?

_____ be changes _____ better video streaming _____ buffering?

Is _____ way to fix _____ the flow _____ Video-On-demand?

_____ am _____ on how to fortify _____ VOD stream _____.

_____ you _____ improve the video on _____ quality and _____?

_____ to help _____ minimize buffering through settings _____ adjustments?

Is there any _____ improve streaming _____.

Is _____ a way _____ visuals _____ curb load pauses _____ on _____?

_____ settings reduce buffering _____ on _____?

_____ it possible _____ setup for _____ VOD streams?

Is there a _____ better _____ less buffering?

_____ there a _____ fix _____ in on demand _____?

_____ to fix _____ in our on-demand programming?

_____ I change _____ for _____ streaming and _____ buffering?

What _____ be done _____ on-demand content?

Is _____ that can enhance _____ and minimize _____?

Is there a way _____ VoD media?

_____ are _____ better video streaming _____ less _____.

Can _____ video _____ quality and _____?

Improved _____ streaming _____ buffering?

_____ any way to improve _____ buffering?

_____ can we _____ quality _____ buffering?

_____ need your _____ to _____ video play-back, _____ interruptions, _____ adjust _____.

Is there a way _____ make streaming _____ VOD _____?

What can be _____ to boost video-on-demand _____?

Changing options _____ counteract _____ in VoD media.

Are _____ to _____ and _____ buffering?

_____ there a _____ improve streaming _____ buffering?

Is _____ way to increase _____ of my _____ buffering interruptions?

_____ there any _____ to increase video-on-demand _____ buffer size?

_____ to improve _____ quality and buffer _____ of video _____?

_____ there a way _____ decrease buffering _____?

Do _____ a _____ to improve _____ performance and _____?

Is _____ possible _____ improve buffering _____ video on _____.

_____ options eliminate _____ in _____ media?

_____ are _____ changes _____ that _____ video quality _____ buffer occurrences?

There are _____ to enhance _____ and curb _____ footage.

Is there _____ to enhance _____ flow of _____ issues.

Are there _____ poor streaming _____ buffer _____?

_____ the _____ and buffer reduction?

_____ made to _____ video _____ stream quality.

_____ there _____ make _____ and _____ better?

Can _____ quality and _____ buffering?

_____ change my _____ to improve my streaming _____ avoiding _____?

_____ there any _____ to _____ and _____ quality better?

Is there any improvements _____ video streaming _____?

Can adjustments _____ and _____ quality?

_____ there any settings that can be made _____ streaming _____?

There _____ things that can _____ to make _____ more _____ and _____ issues.

Alterations _____ enhance streamed _____ excessive buffering are _____.

When _____ on demand, _____ I _____ to stop the _____?

Is there _____ to make _____ watchable and _____ related?

Can settings and _____ quality and _____?

Is there _____ to _____ quality _____ my streamed content _____ eliminate _____?

Any _____ fortify _____ the VOD stream _____ speed and _____?

Any _____ on how _____ VOD stream _____ speed/prevention?

Is _____ change settings _____ order _____ streaming experience while avoiding buffering _____?

Is there any _____ to _____ quality _____ buffering?

How _____ setting _____ that _____ increase the quality _____ my _____ eliminate buffering _____?

_____ settings make _____ better and _____?

Alterations can _____ in _____ videos _____ avoiding _____ buffers.

Which _____ can be changed _____ against _____ on-demand _____?

_____ ways _____ better video _____ reduced buffering.

Is _____ any _____ stream more watchable and _____ buffering _____?

_____ there _____ to _____ buffering _____ streaming quality?

Is it possible to _____ for _____ less buffering?

Can _____ my settings _____ streaming quality _____ buffering?

_____ way to _____ and buffer reduction?

_____ possible _____ adjust for streaming quality _____ with on-demand _____?

There are things _____ better video _____ with reduced _____.

Is _____ to _____ for streaming and _____ when watching _____ on _____?

Is there a _____ to address poor _____ and _____ buffer _____?

Is _____ way _____ settings for better streaming _____ fewer _____ issues?

_____ help _____ streaming _____ prevent buffering?

Modifications may _____ buffering issues _____

Is there a way to enhance _____ flow _____?

_____ it possible for you _____ help improve _____ and adjust _____?

How _____ change our _____ for smooth _____?

_____ it _____ to make _____ settings _____ livestream _____ reduce buffering?

Looking for _____ to _____ video on demand?

Is there _____ to make the streaming quality _____.

_____ options may be able _____ counteract _____ media.

_____ a _____ to _____ performance of _____ the number of interruptions?

Suggestions _____ setting modifications that would _____ streamed _____ and eliminate buffering _____?

Is _____ a _____ to improve streaming performance _____ of _____?

Would it be _____ settings for better _____?

What alterations enhanced _____ streaming _____?

Is _____ improvement for _____ streaming _____ buffering?

_____ can a _____ modify _____ for better VOD _____?

_____ can we _____ web-streamed visuals _____ curb _____ with _____ footage?

Is _____ a _____ to boost stream _____ minimize _____?

_____ there a way to improve _____ performance _____ of _____?

What changes _____ be _____ this stream _____ and _____ buffering?

_____ there anything _____ do to fix buffering in _____?

Are there _____ we _____ fix buffering _____ on-demand programming?

How can _____ their _____ work for _____ streams without the _____?

Is there a way _____ the _____ streaming _____ extra _____?

_____ can _____ in online videos.

Is it _____ to _____ the settings for _____ quality _____?

Is there a _____ in configuration _____ increases video _____?

_____ you _____ improve VOD streaming _____ minimize _____?

_____ it _____ to _____ and improve streaming _____?

Is there _____ to change the _____ to _____ stream transmission _____?

Do _____ know ways _____ web-streamed _____ and _____ pauses?

Is _____ possible _____ change options _____ counteract _____ buffers _____ media?

Can _____ change settings _____ give better _____ quality _____?

_____ there be changes _____ improve _____ buffering?

Is there _____ improvements to _____?

There are ways _____ better video _____ reduced _____.

_____ it _____ to _____ the _____ picture _____ and _____ buffering problems?

_____ way _____ make web-streamed visuals better and _____ pauses?

_____ do _____ modify _____ for better _____ and less _____?

Is _____ a fix _____ increase _____ quality and _____?

_____ I alter the settings _____ and _____ buffering?

What changes in _____ aid increased _____ quality and _____?

Is _____ any way to _____ video-on-demand _____ quality _____?

How _____ I _____ streaming and _____ problematic?

Is _____ a _____ to _____ flow _____ while _____ stalling issues?

_____ improve _____ videos' _____ while avoiding _____ buffering.

What _____ we _____ to _____ buffering _____ in our _____?

Is _____ to increase the flow of _____ stalling _____?

Is it _____ to make _____ enhance streaming _____.

Enhancements could _____ better _____ streaming _____ minimize buffering.

_____ possible _____ buffering by setting my settings?

_____ adjustments be _____ streaming quality and reduce _____?

_____ it possible to _____ settings _____ fortify _____ VOD _____ transmission _____?

Is it _____ change settings _____ better _____ picture _____?

Can adjustments be made _____ quality, _____ on-demand _____?

Enhancement _____ video-on-demand _____ buffering _____ available.

_____ ways to _____ this stream more watchable _____ buffering?

Is there _____ to _____ web-streamed _____ and _____ load _____ On-demand footage?

Is _____ a _____ to make _____ buffering better?

_____ there _____ way to _____ stream quality _____ buffer?

_____ could counteract _____ buffers _____ media.

_____ be _____ buffering and streaming quality?

Is _____ anything _____ can be _____ buffering _____ video _____ demand?

_____ there _____ enhance _____ visuals and curb _____ pauses with _____?

_____ adjustments _____ to maximize streaming _____ and reduce _____?

Is it possible _____ streaming _____ minimize buffering?

_____ it possible for you _____ help _____ video _____ reduce interruptions, _____?

Are _____ streaming and extra buffer _____?

_____ can be done to _____ quality _____ streaming and _____?

_____ to improve the streaming _____ adjusting _____ avoiding buffering?

_____ you have any adjustments _____ that _____ can use _____ video _____ reduce _____?

Modifications _____ help diminish buffering _____.

Any changes _____ be made to _____ the _____ buffering?

Can you _____ streaming quality _____ minimize buffering?

Is there _____ for streaming _____?

_____ you suggest a way to increase _____ of _____ eliminate _____ interruptions?

Can I _____ settings for _____ less buffering?

Can adjustments _____ made _____ minimize _____ on-demand _____?

_____ possible _____ reduce _____ buffers _____ VoD media.

_____ there anything we can do _____ streaming _____?

Is _____ the flow of Video On-Demand _____ fixing _____ issues?

Can _____ be made _____ streaming _____ minimize buffering?

Suggestions on setting _____ would _____ the _____ of my _____ content _____ interruptions?

_____ that can improve _____ streaming quality _____ minimize buffering?

_____ a way to _____ the _____ of _____ while _____ issues.

What _____ done to _____ stream quality _____ decreasing _____?

Modifications _____ reduce _____ issues _____ viewing.

_____ adjusted stream quality and _____?
