

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network speed and performance concerns
Inquiry Sub-Category	Slow internet connection
Description	Customers experiencing slow network speeds or delays in accessing data services.
Data Size	8,087 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Is the ____ internet ____ to ____ congestion or ____ technical ____?
____ congested internet?

What ____ causing the ____ ____ ____ issue?

There is ____ possibility ____ and traffic congestion.

Is ____ laggy due to ____.

____ technical problems causing ____ net?

The ____ speed ____ due to ____ congestion or ____ glitch.

Is ____ slow Internet ____ to ____ or ____ tech ____?

____ internet may have a ____.

____ experiencing ____ problem that ____ impacting the web ____?

I ____ the ____ is ____ by ____ congestion ____ simply old technical nonsense.

The ____ glitch or congestion.
____ caused by ____ or ____ issues?

____ of poor ____ connection: ____?

____ slow internet ____ network congestion or ____ issues?

Slow ____ or ____ problem?

I don't ____ if this is a sluggish ____ is ____.

Network overload or ____ to blame ____ slow ____.

____ the ____ because of network ____?

____ or ____ network issue?

____ causes ____ network jam, or ____ issue?

Are the ____ network performance ____ congestion or ____?

I wonder if ____ is ____ traffic ____ a tech ____.

____ it ____ sluggish ____ is ____ to ____ congestion or technical ____?

____ is ____ or a ____ issue?

____ the ____ because of ____ networks?

Is the ____ pace ____ to ____?

The internet is sluggish: ____?

Internet ____ or ____ glitch?

The internet speed seems ____ be ____ congestion ____ nonsense.

The poor ____ be ____ crowded networks ____ problems.

Slow ____ be due to ____ traffic ____ a ____.

Is the internet ____ issues ____ overload?

_____ congestion or technical issues _____ to blame _____.

Is this connection _____ links?

Is _____ glitch or is _____ congested network?

Are _____ troubles _____ web _____?

Are _____ experiencing _____ connection _____ impacting _____ internet speeds?

Isn't the _____ heavy traffic _____ tech hitch?

Is _____ because of congested _____ that _____ is?

_____ technical issue _____ my _____ fi _____?

_____ be _____ issue with crowded networks _____ issues.

This sloth-like _____ be _____ mess _____ some _____ rubbish.

Is online _____ due to _____ tech _____?

_____ connection a result of congestion _____ technical _____?

Network overload _____ the _____ slow _____.

_____ a slow web _____ to _____.

_____ the _____ due to _____ network?

The _____ slow due _____ heavy network _____.

_____ sluggishness, from _____ hiccup?

The _____ decreased due to _____ or a technical _____.

Slow _____ congestion _____ problem?

Network congestion or a _____ is _____ slow _____ speed.

_____ is _____ question of if the _____ is _____ due _____ or a _____.

_____ delayed: congested network or tech _____?

Network traffic _____ technical issues _____ the net _____.

Is _____ sluggish _____ due _____ congestion?

_____ internet _____ network or technical _____.

What is _____ the _____ network jam _____ tech _____?

Is _____ a slow connection, network congested _____?

_____ if the internet speed _____ caused _____ dumb network congestion _____.

The internet is _____ or technical problems.

_____ the _____ internet speed _____ by some dumb _____?

Maybe _____ a _____ a congested _____.

Could it be _____ internet _____ slow due _____?

_____ slow net speed _____ congestion or a tech _____.

_____ a _____ problem or tech glitch?

The _____ is _____ down _____ traffic _____ or technical _____.

_____ is the _____ of _____ connection, _____ jam _____ problem?

_____ sluggishness _____ from a system hiccup _____.

_____ network problem or _____ internet?

_____ confirm that _____ a slow net _____ network trouble _____ problems.

_____ sluggish connection, network _____ or just _____?

Is it _____ tech _____ or _____ slows _____ online _____?

_____ Internet slow _____ to a tech _____ or _____?

_____ from network congestion?

Heavy _____ can cause _____.

_____ the slow _____ speed due _____ or a _____ issue?

_____ is interfering _____ internet _____.

Slow internet - _____ with _____?

_____ performance is possible due to _____ tech _____.

_____ glitch _____ the _____ internet?

_____ is _____ slow down _____ traffic overflow or technical _____.

Slow ____ could be ____ to _____.
 _____ tech ____ or congestion ____?
 _____ overload or ____ flaws _____ slow _____.
 _____ tech ____ is the internet _____.
 _____ is slower due to ____ or _____.
 Is _____ because of _____ a tech problem?
 Network congestion is _____.
 Is sluggish online _____ to _____?
 _____ the slow ____ network _____ tech problem?
 _____ the _____ down due ____ traffic ____ or technical ____?
 A technical glitch _____ network _____ caused _____ web.
 _____ the ____ network performance be blamed _____ a ____ error?
 _____ technical ____ is slowing things down.
 _____ network issue, ____ glitch?
 _____ internet connection _____ by ____ congestion
 Is ____ the reason _____ decreased _____?
 _____ internet _____ caused by dumb network congestion _____ technical _____.
 The _____ or ____ glitch?
 _____ online performance ____ due ____ congestion or a _____?
 _____ or ____ glitch?
 Connection is slow ____ to _____.
 The _____ poor ____ of ____ networks ____ tech issues.
 What is _____ with the slow ____ network ____ or _____?
 The ____ is congested or _____?
 Any _____ that ____ this ____ internet?
 Is there ____ laggy _____ problems?
 _____ is it _____ tech related?
 _____ internet is poor _____ networks
 _____ the slow ____ connection down _____ congestion _____ issues?
 _____ congested network ____ a ____ glitch?
 _____ internet ____ be related ____ network ____ or technical _____.
 Slowness _____ by ____ congestion or _____?
 There ____ a ____ of ____ net _____.
 _____ an issue with crowded ____ or ____ trouble.
 Is ____ an ____ with _____ internet?
 Is _____ by dumb ____ congestion or ____ technical stupidity?
 _____ down ____ to the ____ overflow or ____ hitch.
 Is _____ overload, ____ a ____ problem?
 _____ a ____ of poor net connection because _____ technical _____.
 Is the internet slowing ____ due _____ technical ____?
 _____ internet snail-paced _____ network _____ is ____ just messing up?
 _____ internet, ____ issue ____ technical ____?
 Was ____ sluggish ____ caused ____ a _____?
 Slow _____ caused _____ issue ____ technical glitch.
 _____ experiencing technical ____ on ____ web?
 _____ is congested, _____ slow, or it's _____ tech crap?
 Is there a ____ glitch ____ causes _____ speed?
 Is the internet ____ because _____ or _____?
 _____ the ____ slow ____ of tech ____?
 Is _____ internet due ____ crowded ____?

_____ internet seems to _____ due _____ congested _____.

Slow internet _____ either a _____ technical glitch

_____ or _____ faults causes _____ internet.

_____ net _____ because _____ a network issue?

_____ the _____ internet a _____ problems _____ overcrowded networks?

Please confirm _____ is _____ due _____ network problems.

Network congestion _____ a _____ issue _____ be _____ reason for the _____ .

_____ congestion can _____ internet _____.

Is _____ online _____ from _____ tech problem?

Was _____ internet slow due _____ traffic overflow _____ ?

_____ Internet _____ be slow _____ congestion _____ technical issues.

_____ is _____ issue with crowded networks or _____.

_____ is _____ tech _____ or congestion fault?

The web _____ slow, _____ network _____ a tech glitch?

Is _____ internet _____ to _____ is _____ just people messing up?

_____ slowed down because of _____ technical hitch.

_____ internet: congestion or tech _____?

_____ the _____ sluggish _____ to _____ networks?

_____ of heavy traffic or _____ tech hitch?

_____ slowdowns _____ be caused _____ traffic _____ or _____ hitch.

_____ tech _____ or overload?

Is _____ the networks that are congested _____ internet _____ ?

_____ having _____ impacting our _____ speeds?

_____ is slow due to traffic _____ problem.

Is _____ performance _____ congestion?

Please _____ that there _____ a _____ to _____ or technical problem.

_____ the _____ slow _____ networks congested _____ is _____ just the _____ up?

Is the laggy _____ network _____ or _____?

Slow internet connection possible _____.

Why is the web _____ network _____ or _____?

_____ there a _____ a network jam, or _____ problem?

_____ or _____ another tech bad?

Slow net caused by network _____.

Is the _____ bad _____?

This slow _____ may _____ glitch.

Slow _____ be caused _____ congestion _____ glitch.

_____ is _____ by network _____ trouble.

Please confirm, the _____ slow due _____ trouble or _____.

_____ it _____ net overload, _____ technology problem, _____?

The _____ is slow caused _____ technical hitch.

_____ the internet connection _____ due _____ problem?

Slow web, is it _____ tech _____ a _____?

Is _____ possible that technical _____ speeds?

_____ network/tech _____ causes sluggish _____.

_____ internet _____ by congestion?

The _____ congested, the connection _____ or _____?

The _____ to crowded networks.

_____ internet is slow _____ network _____ or _____ problems.

There is _____ sluggishness _____ a _____ hiccup.

_____ internet _____ issue _____ technical glitch?

Is the ____ performance hampered ____ congestion ____ a ____?

Is ____ with ____ network or a tech ____?

Network ____ or ____ technical issue may ____ to ____ for ____ slow ____.

____ sluggishness from ____ or ____?

____ the network ____ because of ____ a technical ____?

____ internet ____ slow ____ to ____ network ____

Could ____ internet ____ slow ____ to ____?

Net ____ could ____ from crowding ____ hiccup

____ the slow ____ a ____ network ____?

____ we experiencing a ____ problem ____ web ____?

____ or ____ technical ____ possible ____ of the ____ internet connection.

____ lagging due to congestion ____ tech ____?

____ a ____ the laggy internet?

____ internet is slow due ____ or ____ difficulties.

Is ____ technical ____ affecting ____ speed?

____ decreased ____ was ____ by congestion ____ technical error.

There is ____ question ____ bad connection ____ congestion or a technical ____.

____ technical problem that is impacting our ____?

____ the Internet ____ because ____ heavy ____ a tech ____.

____ net ____ can result in traffic congestion ____.

____ the poor ____ of ____ or technology?

____ the ____ performance decreasing ____ of ____ a ____ error?

____ slow because ____ crowded network/tech error?

____ causes ____ network ____ tech problem?

Slow connections ____ be ____ crowded networks ____ difficulties.

Is ____ due to network ____?

The ____ slow ____ a technical ____?

There ____ network traffic ____ that ____ net.

____ be ____ due to ____ networks.

____ network ____ why the ____ is slow?

Internet slowness is related ____.

____ congestion or tech?

____ net ____ is ____ by ____ congestion or ____ tech ____

____ overload or tech ____ are ____ blame ____ slow ____.

____ internet is slow ____ of ____ tech fault.

____ has been ____ network ____ due ____ congestion or ____ technical error.

____ the internet ____ due ____ problem?

The internet slowed ____ due ____ or ____.

Slow internet connection, ____ hiccup?

Slow connections ____ either an ____ networks ____ problems.

____ due to crowded networks or tech ____.

____ connection slow due to congestion ____ a ____?

____ internet ____ by congestion?

____ can be ____ or ____ problem.

Is the reduced ____ caused ____ congestion or ____?

The ____ is ____ because ____ congestion ____ issues.

sluggish online ____ or tech ____

The slow ____ is ____ up ____ a network problem ____.

Is ____ internet ____ as ____ network congestion?

There is an internet problem, ____ or ____?

_____ web could _____ congestion mess _____ some tech _____.

Slow internet _____ heavy traffic _____ a _____ hitch

What causes _____ network jam, _____ or _____?

_____ slow _____ speed _____ due to network congestion _____ tech _____

_____ problem: _____ a tech _____.

_____ cause of _____ might _____ a _____ problem.

_____ confirm _____ there _____ slow net due to _____ technical trouble.

_____ tech _____ congestion fault?

_____ the _____ be _____ because of _____?

Is _____ slow because _____ or _____?

_____ the _____ of overcrowded networks _____ problems?

Is the _____ slower because of _____?

Is lower _____ caused by _____ or _____ technical _____?

_____ internet _____ of _____ glitch or congestion fault?

The _____ is slow due to _____ technical _____.

_____ net _____ to _____ jams?

_____ is slow, _____ congested?

_____ reason for sluggishness?

Slowness _____ due _____ network _____ or a _____ flaw.

The internet _____ have _____ or traffic _____.

_____ congestion on the _____ tech issue.

Slow web _____ to heavy network _____ glitch.

Is _____ internet connected _____ network _____ or _____ issues?

_____ traffic jams cause _____?

The internet _____ be _____ to a technical _____ or _____.

_____ networks cause _____ poor _____?

Is _____ because _____ that this _____ is sluggish?

Network _____ or _____ is _____ slowness?

_____ problem _____ congestion affecting online performance?

Net sluggishness, _____ crowding, _____?

Slow internet _____ tech related _____?

Are _____ experiencing a _____ or _____?

Internet _____ down _____ caused _____ overflow or _____ hitch.

Network congestion _____ internet _____.

_____ a tech glitch _____ problem _____ the web?

Are we experiencing _____ trouble?

_____ the slow connection, network jam, _____?

_____ traffic _____ causing a _____?

_____ congestion _____ the slow internet.

_____ problems: _____ tech glitch.

Network congestion or _____ issue _____ be behind _____ slow _____.

_____ is _____ by networking _____ or _____ faults.

_____ be _____ by _____ problem or network _____.

_____ or _____ glitch _____ Internet problem.

Slow _____ connection _____ due to network _____ a _____ issue.

Is _____ because _____ problems or _____?

Heavy network traffic or a _____ be _____ blame _____ slow _____.

Is _____ snail-paced internet _____ networks _____ or _____ up?

Is _____ because _____ crowded networks or _____?

_____ with _____ web speed _____ crowded network/tech _____.

Is _____ network _____ speed?

Please confirm _____ the _____ slow _____ network _____ a technical issue.

Is it _____ that _____ slow _____ due to _____?

_____ congestion _____ trouble causing _____?

_____ there a tech _____ network _____ causing _____ slow _____ speed?

Is _____ on _____ because you _____ handle _____ or _____ is _____?

_____ this _____ networks are _____ or is it _____ of _____ up?

_____ connection _____ to network _____?

Is _____ link _____ or a technical issue?

_____ online performance _____ or tech problem?

_____ it congestion _____ the _____ a _____ concern?

Are _____ a _____ problem?

_____ this _____ internet down _____ congested _____?

_____ is _____ network _____ by _____ or a _____ error.

Internet slowness may _____ by _____.

_____ internet _____ been slow due to congestion _____.

Maybe _____ web _____ a _____ mess or _____ rubbish?

Poor _____ could _____ a result _____ congestion.

Is _____ down to congestion _____ issues?

_____ it a problem _____ the internet _____ glitch?

_____ or _____ may cause slow _____.

_____ is _____ a slow _____ jam, or tech _____?

_____ confirm that _____ slow _____ due _____ network trouble or technical _____.

_____ congestion is _____ possible _____ of _____ slow _____.

Is _____ internet connection _____ or an issue?

_____ internet _____ slow due _____ network _____?

A _____ or a _____?

_____ net _____ slow because of _____?

_____ internet might _____ a network _____ glitch.

_____ the _____ or a _____ glitch?

Network _____ technical could be _____ cause _____.

_____ the internet _____ glitch?

_____ is _____ slow connection, _____ network _____ or both?

Is the _____ due to _____ issue _____ network congestion?

_____ comes from network overload _____.

_____ problem _____ congestion problem?

_____ this _____ speed caused _____ dumb network _____ or just _____?

Is _____ network performance affected _____ or _____ technical _____?

_____ there _____ problems _____ web _____?

_____ internet is slow, _____ of networks congested or is _____?

Network traffic _____ technical _____ the _____?

_____ the internet slow _____ of problems _____.

Is _____ because of _____ congestion?

Is this _____ network _____ just _____ tech shit?

_____ slow down due to traffic _____ or _____.

The internet _____ to _____ busy networks.

_____ internet is slower _____ is a _____.

Is _____ to congestion?

Is _____ internet _____ of _____ traffic _____ something?

_____ there _____ issue affecting web _____?

_____ networks _____ be _____ the slow internet.
 _____ slow connection, _____ congested or _____ another tech _____?
 _____ internet _____ slow _____ there is _____?
 _____ reason for _____ tech concern?
 _____ due _____ heavy traffic _____ something else?
 Internet _____ be _____ congestion _____ technical troubles.
 Is _____ glitch _____ a _____ network?
 Slow _____ be _____ or a glitch
 Net _____ related to crowding _____ system _____.
 _____ internet _____ network _____ or glitch?
 _____ internet can _____ a network issue or _____.
 _____ of net _____ or tech _____?
 Is _____ wi-fi _____ affected by a _____?
 _____ poor internet _____ crowded networks or _____?
 _____ this is a sluggish _____ network congested _____ something _____.
 _____ a _____ network _____ a _____ glitch?
 _____ laggy because of _____?
 _____ performance _____ congestion
 _____ cause the slower _____.
 _____ connection, _____ or tech related _____
 Network _____ jams are _____ slow _____
 _____ net connection because _____ congestion and technical flaws.
 Slow _____ a _____ problem?
 Is the _____ to heavy _____ or _____ hitch?
 I'm not sure if slow _____ or a _____ hitch.
 _____ internet connection, _____ network _____?
 Is the internet _____ network issues _____?
 _____ decreased network performance _____ caused by _____ a _____ technical _____.
 _____ slow, tech glitch _____ fault?
 _____ wonder if _____ internet _____ due to traffic _____ tech _____.
 _____ the _____ bad due _____ crowded _____?
 _____ could be _____ speed.
 _____ web _____ of _____ network _____ or _____ glitch?
 Is _____ internet laggy because _____?
 The network _____ jams may _____ slow _____.
 _____ internet _____ be _____ to network _____ or technical _____
 _____ problem that makes online performance _____?
 Is _____ internet _____ of _____ problem?
 Network congestion or _____ could _____ sluggish internet.
 _____ there a _____ problem _____ down _____ performance?
 Slow internet, network _____?
 Is _____ poor internet _____ to _____ networks _____ issues?
 Is this _____ internet speed caused _____ network congestion _____?
 _____ network _____ affecting the speed?
 _____ the _____ sluggish _____ of _____?
 _____ in network _____ caused by congestion _____ a _____ problem?
 Slow connection _____ with _____ networks _____ technical troubles.
 Is the poor _____ due to crowded _____?
 _____ technical _____ impacting web _____?
 Could the decreased _____ be caused _____ technical error?

_____ or _____ glitch is the _____?

_____ the _____ the delayed _____ problem with the _____?

_____ there a reason _____ slowness?

Is the Internet _____ congestion _____?

_____ glitch or issue.

Network _____ or _____ issues could _____ the cause _____ the _____.

_____ the _____ of networks congested _____ is it _____ messing with _____?

The internet _____ or there is _____.

_____ is the cause _____ the sluggish _____ or tech _____?

Is decreased network _____?

_____ is _____ the sluggish connection, network _____ or _____?

Slow _____ is caused by _____ or technical _____.

_____ could _____ caused _____ network congestion?

Network _____ slow _____ tech _____?

_____ this slow internet?

Slow _____ an issue with crowded _____ or _____.

_____ poor internet the _____ crowded networks _____ technology?

_____ could _____ by _____ problems or congestion.

_____ congestion and technical _____ possibilities _____ internet.

The internet may _____ congestion or _____ problems.

Complicated network or _____ is the _____ for _____.

Slow _____ an _____ with _____ or technical troubles.

Is _____ down _____ traffic overflow or _____ hitch?

_____ problem, Congestion _____ Tech _____?

_____ the _____ laggy _____ overcrowded networks?

Is _____ a result _____ congestion?

Is this _____ that is congested _____ a _____?

Internet _____ congestion _____ flaw?

_____ jam, slow _____ or _____ is it?

_____ internet _____ because _____ networks _____ or _____ just messing up?

_____ confirm _____ the _____ was _____ due _____ or technical issues.

_____ slow net speed _____ be due _____ network congestion _____.

Is a _____ speed of my _____?

There _____ internet or a _____ with the _____.

The _____ is it _____ network _____ or a tech _____?

_____ connection _____ with crowded networks or technical _____.

Is the internet _____ slow _____?

The internet might _____ congested _____.

The _____ is _____ or a _____?

Slow internet can _____ by _____.

_____ internet _____ to _____ congested or is _____ due _____ messing up?

The internet _____ slower _____ congestion or _____.

Network traffic _____ problems or _____?

The internet _____ slow _____ network _____

_____ connection _____ be related to _____.

Is _____ technical _____ the internet _____?

_____ to problems or crowded networks?

Network congestion _____ a _____ slowness.

Network overload _____ are to _____ for _____ internet.

_____ congestion or technical _____ be _____ of slow _____.

Slow ____ or ____ with the ____?

Network traffic jams ____ cause ____ net?

Is ____ a technical glitch ____ this slow ____?

It's ____ that this ____ network ____ another tech crap?

Is ____ internet ____ traffic or ____?

Slow ____ network ____ or ____ glitch.

____ may be tech ____ congestion ____.

____ internet ____ may be ____ by ____ network ____ old technical nonsense.

____ is ____ cause ____ a slow ____ network ____ or ____ problem?

____ internet ____ slow: network ____ glitch?

____ the internet slow ____ network congestion ____ issues?

____ the internet slow because ____ technical glitch?

____ the net was ____ due ____ network trouble ____ trouble.

Network traffic ____ slow net.

____ net? ____ tech trouble?

Network ____ tech ____ cause the ____ internet.

The turtle-speed internet ____ a ____ network or ____.

The internet is ____ is it ____ problem with ____?

____ techfaults cause ____ internet.

____ speed ____ by dumb network congestion ____ simply ____ technical nonsense?

____ the ____ performance affected ____ congestion or a ____?

____ slow internet ____ and tech issues.

____ network ____ that ____ slow internet connection.

Does ____ internet not work ____ crowded ____ tech ____?

____ web is tied ____ with ____ problem or tech ____.

Network traffic jams ____?

____ traffic ____ or technical ____ causing ____?

____ are affecting ____?

internet slows down ____ traffic ____ hitch

Please confirm ____ Net is slow ____ or technical ____.

Is ____ slow ____ due ____ or a tech ____?

Is ____ decreased network ____ of ____ or ____ technical error?

Is sluggish online ____ because ____ congestion ____?

Is ____ internet ____ crowded networks?

Is network ____ cause ____ slow ____?

____ internet ____ be slow ____ network ____ technical issues.

Network ____ glitch is what causes ____ internet.

There ____ traffic jams ____ slow ____.

____ we ____ issue that is impacting ____?

____ internet slowness ____ or technical ____?

____ the ____ due to ____ issues?

Is ____ internet ____ to ____?

Could it ____ internet ____ slow ____ to congested ____?

____ web tied up ____ a ____ tech garbage.

____ because ____ networks ____ or is it due ____ something?

Is ____ laggy because ____ networks ____?

The slow Web is ____ by ____ or ____ garbage.

____ on the internet: ____ glitch?

____ the connection ____ network jam ____ issue?

Is the ____ or a technical error?

Internet _____ caused _____ technical problems.

_____ is _____ network jam _____ tech problem?

The internet _____ or _____?

_____ traffic _____ are _____ net.

Slower _____ could _____ network congestion _____ technical _____.

_____ internet _____ because _____ networks _____ or just _____ up?

_____ internet because of _____ congestion _____ technical _____?

What _____ cause of the _____ jam, _____ connection, _____ problem?

Are we experiencing _____ problem _____ our web _____?

_____ net is caused _____ traffic jams _____ technical _____.

Internet _____ congestion, _____?

_____ due to traffic _____ tech _____?

Net _____ crowding _____ system _____?

_____ internet _____ to network issues?

_____ poor internet _____ caused _____ dumb network _____ or just _____ nonsense?

_____ slow connection, network _____ another _____ crap?

Internet _____ congestion _____ a _____ technology?

_____ the _____ network performance due _____ congestion or _____?

_____ or _____ tech _____ may _____ the slow net _____.

Is _____ in _____ due _____ or a technical problem?

Is _____ connection bad because _____ or _____?

The poor _____ is related to _____ tech _____.

_____ jams or _____ problems _____ affecting _____ net?

_____ internet _____ be due to _____.

Is _____ connection affected _____ congestion?

_____ tech concern _____ cause of delayed internet.

Are _____ with the internet?

_____ Internet _____ due to _____ traffic or _____ hitch?

_____ or technical _____ are slowing _____.

Network _____ technical issues _____ blame for sluggish _____?

Is _____ slow _____ a technical _____?

There _____ web _____ to crowded _____ error.

Is it congestion or _____ causes _____ performance?

Slow internet _____ either _____ or _____.

_____ is a _____ connection, a _____ jam, _____ a _____.

Is it annoying _____ have _____ connection, _____ just another tech _____?

The web _____ slow, _____ it a network _____ or _____?

_____ the slow web _____ a _____ network _____ a _____ glitch?

Is _____ to network congestion?

_____ be _____ because of _____ networks?

_____ internet or _____ the network?

Slow _____ due _____ traffic _____ or _____?

_____ internet slow _____ to _____?

Slow connection _____ an _____ crowded _____ technical trouble.

_____ network/tech error _____ of sluggish _____ speed.

Slow internet due _____?

Is the slow net speed due _____?

_____ internet? _____ or tech concern?

_____ slow due to network _____.

_____ internet is _____ overload or tech _____ right?

____ internet ____ congestion or ____ glitch.
 ____ internet connection slower ____ of ____ congestion ____ technical problem?
 Network ____ or tech faults are ____ internet.
 ____ web is ____ due ____ network ____ or technical ____.
 ____ internet connection, ____?
 ____ web ____ a ____ problem or a tech glitch?
 Why ____ internet ____ issue?
 ____ slow due to ____ networks.
 ____ slowness could be ____ by congestion ____.
 Is this internet slow because ____ because of messing ____?
 ____ a ____ in network performance ____ by ____?
 The internet might ____ of ____.
 ____ a poor ____ connection ____ to traffic congestion or ____.
 Slow internet ____ or ____?
 ____ web ____ of heavy ____ a technical glitch?
 ____ on ____ the slow connection, network ____ tech ____?
 ____ the internet connection ____ to network ____ a technical ____?
 ____ jams are impacting ____?
 Is ____ up by a ____ problem or tech ____?
 ____ we ____ a ____ issue?
 ____ the internet ____ overcrowded networks?
 Could ____ internet be ____ of ____?
 The ____ internet ____ to network congestion.
 ____ internet connection ____ be congestion ____.
 Is the connection bad because ____?
 ____ the ____ a technical problem ____ a ____ issue?
 ____ slow: ____ congestion fault
 ____ speed is caused by crowded network ____.
 ____ connection ____ congestion ____ tech ____ hiccup.
 Is there ____ tech glitch ____ the ____?
 Is ____ network performance down to ____ technical ____?
 It ____ be ____ overload, ____ problem or both.
 Slow internet ____ be ____ problem.
 ____ slow internet ____ caused by dumb ____ just ____ nonsense?
 ____ the internet ____ network ____ or ____ it just messed ____?
 Slower ____ result ____ network congestion ____ technical issues.
 The internet might ____ of network ____ issues.
 ____ net speed ____ to ____ congestion or ____ tech glitch?
 ____ speed a tech ____?
 ____ slower network ____ to ____ or a technical ____?
 ____ issue affecting my ____ speed?
 ____ it ____ net slowdown ____ a strange ____?
 ____ the ____ congested or is it just ____ messing up?
 Please ____ the ____ slow ____ to network ____ or technical ____.
 Slow internet is ____ heavy traffic or ____.
 ____ internet ____ crowded networks?
 Internet ____ tech glitch?
 Is the slow ____ by ____?
 ____ problem ____ internet ____ slow down?
 Do ____ think the poor ____ crowded networks?

_____ or _____ fault causes a _____.

Is this _____ internet _____ to _____ congested _____ just _____ up?

Slow _____ caused by congestion or _____.

Is there a _____ connection _____ congestion _____ a _____?

The _____ internet _____ be _____ by _____ a technical issue.

Network overload or tech _____?

Is the _____ slow _____ network _____?

Net sluggishness _____ by crowding or _____ system _____.

Network _____ jams are _____ the _____.

_____ or _____ can cause sluggish _____.

_____ is _____ cause _____ sluggish connection, network jam _____?

Slow connection _____ an issue _____ networks or _____.

Is the slow _____ network?

Please confirm _____ is slow due _____ problems or _____.

_____ there _____ technical glitch _____ this _____?

What _____ the _____ sluggish _____ or tech problem?

_____ network _____ caused by _____ or a technical _____?

Slow _____ be _____ with crowded networks or _____.

_____ network traffic _____ or technical _____.

There is an _____ by _____ overflow or _____.

_____ internet is _____ a _____ technical _____.

Slow _____ is _____ by network _____ jams _____ defects.

Is the _____ slow _____ of _____ a _____ issue?

Slow internet _____ a _____ issue _____ a _____ problem.

Network traffic _____ cause of the _____?

_____ connection _____ be caused by _____?

_____ the _____ caused by dumb network congestion _____ technical _____?

Is _____ performance _____ result of _____?

_____ congestion or a _____ the cause _____ the _____ speed.

_____ internet connection _____ congestion?

_____ is _____ glitch _____ an _____ with the internet.

Network _____ is causing _____ internet _____.

The _____ is _____ to congestion _____ technical _____.

Network overload or _____ faults _____.

_____ is slow, is that _____ by _____?

_____ web slow because of _____ congested _____ or _____ glitch?

Is there _____ congestion _____?

Is _____ cause _____ web speed _____ network?

Is the _____ down _____ overflow or technical _____?

_____ speed from _____ or _____?

_____ the connection bad _____ congestion or technical _____?

_____ or tech trouble?

_____ be _____ to network congestion.

_____ slow connection is an issue _____ networks _____.

Network _____ may _____ the _____.

_____ slow web has _____ network problem _____.

Is _____ because of network _____?

Slow _____ connection causing _____?

Is sluggish _____ to congestion _____ issues?

_____ has been _____ due to heavy _____.

Network overload ____ tech faults ____ ____ slow ____.

What is causing the ____ tech issue?

____ the ____ speed ____ of congestion or a ____?

____ network ____ blame for ____?

Is ____ because ____ a congested network ____ tech ____?

The ____ could be a ____ or ____ tech ____.

Network ____ is affecting ____?

The ____ is ____ by network ____ or ____ problems.

____ the poor internet ____ by dumb ____ congestion ____ old ____?

____ connection ____ be ____ by ____ congestion.

____ congestion or ____ are ____ culprits of sluggish ____.

sluggish ____ is ____ to ____ tech problem.

____ be ____ because of congestion or ____ technical ____.

The ____ slow ____ the network ____.

Internet slowness is ____ by ____?

How ____ explain ____ slow ____ network jam or ____?

____ speed ____ by a congested ____?

____ an issue ____ networks or ____ trouble that ____ slow.

____ connection slow ____ crowded ____ connections?

The ____ had ____ problem with ____ or technical ____.

____ internet is ____ is ____ networks or problems?

Internet ____ slow: ____ glitch or ____.

____ was ____ network ____ technical problems.

Network ____ causing ____ slow ____?

____ a tech ____ that ____ online ____?

The ____ slow due to ____ traffic or ____.

____ connection issue ____ is impacting ____ speeds?

Internet ____ due to congestion ____ technical ____.

Is ____ online ____ due to ____ or ____?

Is ____ internet ____ due ____ networks congested ____ it messing ____?

____ due to a tech ____?

Is the ____ crowding ____ a system ____?

____ the ____ tech glitch?

Traffic ____ and technical flaws are ____ poor ____.

The ____ the network ____ congested, ____ just another ____ crap?

Are ____ experiencing technical ____ web ____?

____ by dumb ____ congestion or by technical nonsense?

____ sluggish internet due ____ congestion ____ technical ____?

____ issues ____ speeds?

Was ____ slow because ____ congestion ____ issues?

____ internet slowed down due ____ traffic ____ hitch.

There is ____ internet ____ congestion ____.

Are heavy traffic or a tech ____ the ____?

____ internet connection ____ of network ____.

____ internet ____ network overload and ____ faults.

The ____ due to ____ congested.

The internet ____ slow: ____ congestion ____?

____ it due ____ a congested ____ or ____?

I ____ slow ____ speed is ____ network congestion or ____ tech ____.

Network overload ____ tech defects ____.

Is ____ possible ____ the internet ____ because ____ congested ____?

Does ____ work because ____ crowded networks ____ technology?

Is ____ internet ____ because ____ a technical problem?

____ connections is ____ crowded networks or ____ problems.

____ congestion ____ cause ____ slow ____.

____ is slow, is ____ a ____ issue or ____ tech ____?

____ this ____ slower because ____ networks congested or ____ of messing ____?

____ slow due to the ____ congestion.

____ either a network ____ or ____ glitch

____ if the net ____ due to network ____ technical ____.

Slow ____ be due ____ or technical issue.

Internet ____ congestion ____ tech ____?

____ it a ____ a technology ____?

Is the ____ bad because of ____ networks ____?

____ slowing down because of ____ overflow ____ technical ____.

The ____ may be ____ by dumb network congestion ____ technical ____.

Internet ____ tech ____ or ____ fault.

____ traffic ____ causing ____ slower net?

Slow ____ due to ____ fault, right?

____ connection affected by ____ a ____?

____ network is ____ tech thing?

Slow ____ congestion problem?

Tech glitch ____ fault ____ the ____?

The internet is slow ____ to heavy network ____

____ bad ____ dumb network congestion or technical nonsense?

____ a technical ____ causing this ____?

____ the decreased network ____ be due to congestion ____?

____ network issue affecting ____?

The ____ be ____ network congestion or a ____ issue.

Is ____ Internet ____ or a tech hitch.

The ____ is ____ networks or tech issues.

Network ____ cause ____ connections.

____ network crowding ____ blame for ____?
