

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Requests for energy-saving tips or recommendations
Inquiry Sub-Category	Renewable energy alternatives
Description	Customers request information on renewable energy options such as solar panels or wind turbines to decrease their reliance on traditional power sources.
Data Size	8,323 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ renewable _____ solar panels help me _____ on electric bills?
_____ I use _____ energy _____ like _____ panels to _____ my _____?
_____ panels _____ to lower my _____?
Are solar panels _____ to result _____?
If we _____ in renewable _____ resources _____ as solar _____ on electric _____.
I _____ to know how solar panels and _____ lower _____ costs.
_____ cheaper choice for electricity?
_____ solar _____ money _____ electric bills?
_____ can _____ my electric _____
How _____ solar panels _____ my _____?
Will _____ panels _____ bills?
Do _____ help _____ lower _____?
I wondered if _____ solar _____ would _____ cost.
_____ decrease my utility costs?
_____ am wondering _____ adopting _____ or other _____ can help lower my _____.
_____ installing solar panels _____ money _____ bills?
_____ solar panels _____ total electricity _____?
_____ solar panels _____ to _____ costs?
_____ we invested in renewable _____ we _____ save _____ electric _____.
Will using _____ save on _____?
_____ power help _____ monthly _____?
_____ how _____ energy sources, _____ solar panels, maximize _____ bill savings?
_____ for _____ to _____ down on my electric charges?
_____ power _____ lower bills.
Can you _____ me how _____ such as solar panels _____ bill _____?
_____ might _____ used to reduce my _____ expenses?
_____ it possible _____ choose _____ solar to _____ costs?
_____ wonder _____ I can _____ savings by _____ for _____.
How _____ photovoltaics _____?

_____ reduce my power _____?

_____ it possible _____ like solar _____ save money?

_____ solar help _____ bills?

_____ to cut my _____ with solar panels?

_____ can _____ energy such _____ solar _____ used _____ costs?

Can _____ be reduced by _____ panels?

Can solar _____ save _____.

Will renewable sources _____?

Is _____ effective at _____ my _____?

Is _____ chance of saving _____ electric bills _____ solar _____?

_____ going _____ panels could save _____ money.

Sun _____ might reduce _____ electric _____.

_____ it _____ of electric bills with sun _____?

_____ to know _____ solar _____ can _____ my electrical expenses.

Will solar _____ my _____?

_____ we invest _____ renewable power _____ as solar panels, _____ save money _____ electric _____.

_____ solar panels _____ to _____ my _____ costs?

Is _____ possible _____ save _____ using _____ for _____ generation?

Is _____ helping _____ reduce electric _____?

_____ the financial advantages _____ incorporating solar _____ solutions into _____?

Sun power _____ of _____ bills.

Do _____ and _____ lower bills?

_____ I install solar _____ in order _____ on _____?

_____ solar _____ cheaper _____ use electricity?

_____ having solar _____ cut _____ costs?

What _____ do _____ bring _____ electricity _____?

_____ to save _____ I switch to solar and _____ green _____?

_____ money by using sustainable _____?

_____ going _____ solar _____ my monthly _____ expenses?

_____ panels can help _____ electricity _____.

_____ reduce electricity costs?

_____ wonder _____ renewable _____ will reduce _____ power _____.

Does renewable energy like _____ charges?

_____ possible to _____ electricity by _____ solar panels?

_____ panels might save _____.

_____ solar reduce _____?

_____ I _____ solar _____ to reduce _____ electric _____?

Can solar _____ used to _____?

_____ going _____ reduce monthly _____ charges?

_____ save money?

_____ solar panels _____ in lower _____ for _____?

How _____ solar _____ help _____ my _____ expenses?

_____ solar panels _____ electricity _____?

_____ opting for _____ help with _____?

_____ of solar _____ sustainable energy _____ can _____ lower my monthly _____.

How can _____ solar _____ help with _____?

_____ sources may reduce _____

_____ using solar _____ or other sustainable energy alternatives can _____ costs?

I _____ panels will reduce _____ costs.

_____ going _____ with _____ decrease _____ bills?

Is _____ panels _____ lower my electricity costs?
 _____ me save money on power?

Solar panels _____ help _____ reducing _____.
 _____ sun _____ gadgets save _____ on _____?

_____ can electricity prices _____ photovoltaics?

Can _____ panels help _____ bills?

How _____ using renewable _____ such _____ panels reduce _____ expenses?
 _____ solar _____ help _____ the _____ charges?
 _____ of solar panels _____ power _____?

Can you tell _____ how using _____ sustainable energy _____ can _____ my monthly _____?
 _____ do _____ panels increase electric _____?
 _____ my electricity bills.
 _____ panels _____ money on electricity?

How _____ solar energy _____ reduce _____?
 _____ can _____ down on costs?

Is _____ benefit _____ solar panels _____ power _____?

Will _____ panels _____ total _____?
 _____ panels can _____ to help _____ my _____ expenses.
 _____ panels cut my _____ expense?
 _____ other _____ alternatives be used to lower my utility _____?

Solar _____ could save _____ money on _____.
 _____ my electric costs?

_____ am wondering _____ panels _____ energy alternatives _____ help _____ my utility costs.
 _____ solar _____ me save _____?
 _____ it possible that _____ power expenses?
 _____ would like _____ if _____ panels save me _____ utilities.
 _____ advantages can be expected _____ incorporate _____ panel solutions _____ usage.

Will solar panels _____?
 _____ wonder if it _____ save money _____ using _____.
 _____ panels _____ a lower electric _____?
 _____ renewable sources _____ solar _____ bill _____?

Investments _____ could help lower _____ electrical _____.
 _____ panels cut down my _____?

How can _____ solar _____ reduce _____ electricity expenses?

When _____ solar _____ solutions into our _____ what _____ can be _____?

How _____ help _____ down _____ prices?

If _____ in renewable power _____ panels, we _____ potentially save money on _____.

How _____ energy _____ such as solar _____ increase electric _____?

How _____ photovoltaics _____ energy _____?

Can _____ such _____ solar decrease _____?
 _____ is _____ to _____ money _____ using _____.

Do solar _____ save _____ on _____?
 _____ we _____ solar panel _____ into _____ usage, what financial _____ expect?

Is it _____ save money _____ installing _____?
 _____ can _____ panels maximize _____ bill _____?
 _____ like solar can _____.

Are _____ a _____ option?

Can _____ save _____ panels?

Can solar _____ down _____?
 _____ my power _____ renewable sources?

Solar ____ may ____ total ____.

____ with ____ power reduce monthly ____?

How can solar ____ save money ____ bills?

____ solar ____ of reducing ____ expenses?

Can I ____ to renewable ____ like solar ____?

I am ____ if ____ panels ____ a cheaper ____ choice ____.

____ photovoltaics do to reduce ____?

Can ____ such as ____ be used to ____ funds?

Would ____ panels ____ utility bills?

Is ____ way ____ money on electricity ____ panels?

If ____ in ____ resources like solar panels, ____ would ____ money ____ billing.

____ reduce my ____ costs?

Does ____ with ____ an ____ on my ____ costs?

Investing in ____ panels ____ help lower ____.

____ could reduce my ____.

____ cost of electric bills be reduced ____?

Can ____ electricity ____ reduced ____ panels?

____ to solar panels ____ me money?

____ opting ____ sources ____ electrical ____ less?

____ a ____ to lower bills?

____ renewable sources ____ power expenses?

____ decrease electric bills?

Do ____ and other renewable ____ sources help ____?

____ possible ____ understand how ____ panels ____ electric bill savings?

____ it ____ to save ____ if I switch ____ solar ____ choices?

I ____ wondering ____ I ____ see savings by ____.

____ make ____ prices go down?

Should solar ____ utilized ____ decrease ____?

____ panels ____ to reduce my ____?

____ you ____ how ____ sources, such ____ solar ____ electric bill savings?

Will ____ reduce my ____?

____ possible ____ save electric bills ____ using solar ____?

How ____ solar ____ electricity ____?

Is it ____ save ____ by ____ to ____ power?

Can solar ____ me?

Is ____ to reduce my ____ costs?

I wonder ____ getting ____ panels would ____ my ____.

Can solar ____ me ____?

____ invested ____ renewable power resources ____ solar ____ save some ____ electric billing.

Will the ____ electricity bills?

Do renewable ____ as solar ____?

____ panels ____ reduce my ____ electricity costs?

How ____ solar panels ____ alternatives help lower ____?

Can ____ cut down on ____?

How can ____ find ____ financial benefits ____ going ____?

____ solar ____ reduce ____ costs?

Can solar ____ effect on ____ charges?

____ solar ____ with power ____?

____ how solar can cut ____ costs.

How ____ renewable ____ sources ____ panels maximize electric bill ____?

____ I save ____ by ____ renewable energy ____ power?
 How ____ solar panels ____ me ____ electric bills?
 ____ it ____ to expect ____ utility ____ with sun- ____?
 ____ the cost ____ electric bills.
 ____ sun power ____ to ____ electric ____?
 I ____ to ____ by ____ solar panels.
 Is ____ have reduced ____ with affordable ____ technologies?
 ____ cost-saving to ____ to ____ and ____ green choices?
 I don't know if solar ____ cut ____.
 ____ it ____ for solar panels ____ my ____ expenses?
 Can ____ help reduce ____?
 ____ panels reduce ____ monthly costs?
 Will ____ money ____ sustainable power ____?
 Is ____ possible ____ by ____ solar power?
 ____ it possible ____ panels to reduce ____ costs?
 ____ having ____ panels save ____ utilities?
 ____ using ____ panels ____ my ____ costs?
 Is ____ possible ____ energy to ____ energy prices?
 ____ solar panels ____ money ____ electric ____?
 ____ installing solar ____ my electric ____?
 I ____ solar panels ____ down ____ electric charges.
 Would ____ my bill?
 Is ____ solar ____ could reduce ____ electricity expenses?
 How can ____ energy alternatives be ____ to ____ utility costs?
 ____ of ____ reduced by solar panels?
 Will ____ by solar panels?
 ____ electric bills ____ be reduced by ____ power.
 ____ we invest ____ renewable power ____ like ____ panels ____ save ____ bill?
 Can ____ costs?
 I want ____ know ____ solar ____ can cut ____.
 ____ are ____ of using ____ energy ____ power.
 ____ solar stuff beat ____?
 ____ it ____ for ____ panels to ____ my ____ expenses?
 ____ panels can ____ on ____ bills.
 ____ be able to ____ electricity expenses?
 Is ____ solar ____ a cheaper ____ use ____?
 ____ getting ____ panels ____ my ____ cost?
 ____ using solar panels ____ total ____?
 I am ____ if ____ will ____ my bill ____.
 Can I expect ____ sun-powered technologies?
 ____ you ____ me ____ choosing ____ like solar can reduce ____?
 Will ____ panels reduce ____ electric ____?
 If we ____ renewable ____ resources like solar panels we ____ save money ____ bill.
 ____ opting ____ renewables lower ____?
 Do sun ____ gadgets save ____?
 Could ____ sources ____ costs?
 I ____ if solar panels ____ electric ____.
 ____ renewable sources ____ as ____ lower ____?
 ____ green with solar ____ expenses?
 Will solar ____ lower ____?

_____ use of _____ panels lower _____?
 _____ solar _____ electric charges?
 Can _____ tell _____ the _____ which _____ panels _____ electric bill savings?
 Solar _____ generation may offer _____ electric bills.
 _____ save money by _____ power?
 _____ solar _____ on electricity?
 _____ panels _____ reduce my _____.
 Is _____ to _____ power savings?
 Will _____ power bills?
 Will installing solar _____ bills?
 Can solar _____ bill?
 _____ I _____ utility costs _____ sun power?
 Solar _____ may _____ costs.
 Will _____ solar panels _____ decrease _____ costs?
 Does _____ for _____ generation save money _____ electric _____?
 Is _____ on utility payments?
 _____ it _____ to use _____ sources like _____ to _____ fees?
 _____ going green _____ me _____ on electricity?
 _____ panels _____ used to _____ my _____ expenses?
 How _____ bring _____ electricity prices?
 Would solar _____ other green _____?
 Is solar _____ to _____ my _____.
 Will going _____ with _____ save _____ on _____?
 Is my _____ reduced _____ solar _____?
 Is _____ lower the _____?
 How _____ solar panels _____ me _____ money _____ bills?
 _____ be trimmed _____ going with renewable power.
 Will _____ lower _____ costs?
 _____ can _____ my electric _____.
 _____ solar _____ reduce electricity _____?
 _____ solar panels _____ me money on _____ electric _____?
 Do you _____ how adopting _____ panels _____ other sustainable energy _____ my _____?
 _____ solar panels help _____?
 _____ for renewable power _____ electrical _____?
 _____ decrease my electricity _____?
 Will _____ panels _____ bill costs?
 Are solar _____ way to _____?
 _____ the solar _____ my electricity _____?
 _____ I invest _____ solar _____ order _____ lower my _____ expenses?
 _____ we _____ in renewable power resources we could _____ save _____.
 _____ solar panels _____ with my _____?
 _____ save money _____ electricity?
 _____ tell me how _____ cut _____?
 Can solar _____ really _____ my _____ bills?
 _____ can help _____ finances.
 _____ it _____ that _____ electricity costs?
 Can _____ panels possibly _____ electricity _____?
 Solar panels _____ help _____ bill.
 Will installing solar _____ in lower electric _____?
 Would _____ save _____ money _____ solar _____?

Can _____ to solar _____ money?

I _____ know _____ solar _____ cut down costs.

Is using _____ energy _____ way _____ cut electric bills?

Can _____ cut _____ bill?

Are _____ able to _____ down _____?

Is _____ save _____ by _____ solar power?

Can _____ Solar _____ costs?

_____ panels _____ help _____ cut my _____.

How _____ panels _____ electric _____ savings?

Is it possible for _____ options _____ costs?

Can sun _____?

_____ solar _____ with _____ electric bill?

_____ it _____ userenewables _____ solar to decrease energy _____?

Can _____ expect _____ costs when _____ sun-powered technologies?

_____ wonder if _____ reduce _____ electricity expenses.

_____ wondered _____ solar _____ cut _____ utilities cost.

_____ solar _____ cut my _____ expenses?

_____ renewable _____ like _____ panels help _____ my electricity costs?

_____ for solar _____ save me _____?

Will having solar options _____ a _____?

_____ solar panels _____ me _____ on _____?

_____ I _____ I use _____ panels?

_____ on energy costs?

Are _____ savings on _____ solar panels _____ used?

_____ solar options save _____ on energy _____?

_____ solar _____ it _____ to spend _____?

_____ panels _____ able to reduce my _____?

_____ solar panels _____ electricity _____?

_____ solar panels save _____ money _____?

Can _____ conserve _____?

_____ solar panels _____ fees?

_____ solar panels _____ electric charges?

_____ want to know if _____ see _____ by _____ for _____.

_____ it _____ renewable _____ reduce my _____?

_____ money on my utility bills?

My expenses _____ electricity may _____ I _____ green _____ solar.

_____ solar _____ my electric charges?

_____ possible for me _____ savings by using _____?

_____ panels _____ cut my _____ bill _____?

How can _____ options _____ reduce my electricity expenses?

_____ solar panels _____ reducing electricity _____?

_____ panels _____ cheaper electricity choice _____?

_____ power _____ monthly electric charges.

_____ it possible for _____ panels to _____?

_____ there _____ electric bills if you _____ solar _____?

_____ in renewable _____ resources like _____ panels, we could _____ lot of money _____ electric _____.

Is _____ cut _____ electric bill?

Is there a _____ I switch _____?

Can I _____ utility _____ affordable sun-powered technologies?

_____ it _____ that solar panels will _____ my _____?

____ power can be ____ to _____.
 ____ to see ____ utility costs with sun-powered _____.
 ____ installing ____ panels ____ lower electric ____?
 Can ____ lower utility ____ with ____ sun powered ____?
 ____ possible to ____ renewable ____ such ____ solar panels, maximizes electric ____ savings?
 ____ it ____ solar ____ can trim monthly ____ charges?
 ____ green ____ such as solar panel ____ funds?
 ____ wonder if I could ____ by using _____.
 ____ savings with sun-powered ____?
 ____ I save cash ____?
 ____ solar ____ electricity costs?
 Can ____ solar panels maximize electric ____?
 Solar panels can help me ____ on _____.
 I am ____ if ____ can ____ electric ____ costs.
 ____ panels ____ to ____ electric charges?
 Can ____ power ____ reduce ____?
 ____ solar panels will ____ bills?
 ____ wonder if ____ solar ____ can save ____ money.
 ____ savings on electric ____ by using ____ panels.
 Is ____ panels effective ____ on ____?
 ____ solar ____ my electric bills?
 Can solar ____ me ____ money ____ my electric ____?
 ____ reduce my bill costs?
 Can I ____ with sun-powered ____?
 ____ panels for energy ____ be able ____ money on electric _____.
 Is it possible to expect ____ sun-powered _____.
 What do photovoltaics ____ bring ____?
 Can solar ____ my bills?
 Is ____ solar ____ to cut ____ bill?
 ____ money by going ____ panels?
 ____ going ____ power ____ electric charges?
 ____ solar panels ____ reduce ____ costs.
 Is it possible ____ lower my electrical ____ as solar ____?
 ____ to ____ money by ____ solar systems?
 ____ am ____ how ____ other sustainable energy ____ help lower ____ utility costs.
 Is it possible to ____ your ____ installing ____?
 Will solar panels ____ other ____ energy ____ lower ____ utility ____?
 ____ costs of ____ reduced ____ solar panels?
 ____ if solar ____ or other ____ alternatives can help ____ utility _____.
 Is ____ reduced utility costs ____ sun-powered technologies?
 Will ____ solar decrease ____ fees?
 How can solar panels ____ sustainable ____ alternatives ____ me ____ monthly ____?
 ____ do ____ power prices?
 Is ____ to ____ bills?
 I ____ if ____ panels will cut ____ bill _____.
 Is it ____ to ____ money ____ solar panels ____ energy?
 Can opting ____ solar ____?
 ____ going ____ with ____ affect ____ cost of ____?
 ____ I expect lower ____ costs ____ to ____?
 Is ____ panels save money ____ electricity.

_____ possible _____ save _____ with solar _____?
 How can _____ energy _____ help _____ finances?
 _____ panels have the _____ to _____ money _____.
 _____ know _____ green with solar will lower _____ costs.
 Can solar panels _____ used _____ my _____?
 _____ sun power reduce _____ electricity?
 I _____ know if _____ panels _____ money _____ utilities.
 _____ and _____ sustainable _____ lower my utility costs.
 Can you explain how _____ energy _____ such _____ panels can _____?
 Can _____ help _____ electric bills?
 Is solar panels _____ to _____ electric _____?
 Is _____ possible to save _____ bills _____ use _____ like _____ panels?
 Can _____ if I _____ to renewable _____ like _____ power?
 _____ to know how _____ or _____ energy _____ can _____ lower my monthly utility _____.
 Will using _____ reduce _____ expenditures?
 _____ renewable sources _____ expenses?
 Can I expect _____ save on _____ costs _____?
 _____ opting for _____ renewable energy _____ payments?
 Can _____ power _____ reduce _____?
 I want _____ know how solar panels _____ other _____ can _____ my _____.
 My electric _____ be cut _____ by _____.
 Is it possible that going _____ can _____ monthly _____?
 _____ panels save money _____?
 _____ if going for solar panels _____ money.
 _____ it _____ to _____ solar power to _____ fees?
 _____ solar _____ me money.
 _____ solar panels _____ electric bill _____?
 Can solar _____ my _____ usage?
 Can Sun _____ bill _____?
 _____ solar panels _____ bills?
 _____ I _____ money _____ using _____ power?
 Solar panels _____ expenses.
 Solar _____ bill _____.
 Will _____ reduce energy _____?
 Does going _____ solar _____ cut _____ electric _____.
 _____ solar _____ electricity bills?
 Is _____ power _____ going to be _____ renewable _____?
 I _____ interested _____ learning how adopting _____ or _____ sustainable _____ lower my _____ utility costs.
 May _____ reduce my power _____?
 How _____ costs?
 _____ can solar panels _____?
 Will _____ electricity costs?
 Do _____ cut _____ expenses?
 Solar _____ will _____ expenses?
 _____ solar panels _____ my electricity bill?
 _____ panels will _____ my _____.
 _____ going _____ help _____ monthly electric charges?
 _____ solar panels _____ lower electric bill for _____?
 _____ solar _____ save _____ money?
 Can _____ panels _____ my _____ charges?

How can ____ adoption ____ panels or other ____ energy alternatives ____ my ____?

Will ____ of ____ panels result ____ electric ____ for me?

Will ____ cut my monthly ____?

____ going with ____ power going to ____ electric ____?

Will using ____ my utility ____?

Do solar ____ me ____ on ____?

____ possible to choose ____ energy like ____ that ____ cut down ____?

____ I expect ____ in ____ costs ____ to ____ technologies?

____ reduce electrical costs?

Is ____ save ____ by choosing ____?

Will solar ____ power ____?

____ panels a way to ____ utilities?

Can ____ get a ____ electricity choice ____ panels?

Will ____ cost ____ be reduced ____ to solar ____?

Solar ____ money on electric bills

Is solar panels ____ electricity ____?

____ using ____ panels help reduce ____ electricity expenses?

____ may ____ me ____ on my ____ bills.

Is ____ a benefit to using ____ panels ____?

____ it ____ save money ____ I ____ to ____ or other ____ options?

Is ____ panels for energy generation ____ on ____ bills?

____ the use of sun energy ____ of ____?

____ solar panel use decrease ____?

____ reduce ____ bill costs?

Is it possible to ____ money ____ of ____?

Will solar gizmos ____ help ____?

Can ____ see ____ by ____ solar ____?

____ solar panels ____ me ____ money on my ____?

____ decrease electricity expenses.

____ can ____ use ____ renewable energy sources, ____ solar ____ maximize electric ____?

____ in ____ panels ____ lower ____ electrical costs.

Can you ____ renewable energy ____ solar ____ maximizes electric bill ____?

Is ____ possible to ____ by ____ devices?

Will opting ____ electrical payments?

Will ____ solar panels ____ costs?

Can ____ save ____ if ____ use ____?

How ____ panels ____ sustainable ____ alternatives help my ____ costs?

____ possible to ____ money through the use ____?

How ____ panels ____ other ____ energy alternatives ____ my ____ costs?

Can ____ my ____ usage?

Is ____ solar ____ to ____ with energy ____?

Is ____ renewable sources ____ decrease ____ power expenses?

____ we invest ____ renewable ____ like ____ panels, ____ can ____ of money on electric billing.

How ____ help in reducing my ____?

____ going ____ solar power enough to ____ electric ____?

Is ____ possible ____ solar ____ my electricity costs.

____ solar ____ power savings?

If we ____ renewable ____ like ____ panels, ____ save ____ lot on electric ____.

____ solar ____ my energy costs?

Can ____ sources ____ energy fees?

Does _____ my bills?

_____ might using solar _____ in reducing my _____?

Is _____ possible _____ figure _____ solar panels _____ electric _____ savings?

Is there benefit _____ on _____?

Will _____ panels _____ in cheaper electric _____ me?

renewable sources _____ reduce _____.

_____ are _____ to _____ renewable _____ for _____ power.

_____ reduce total _____ costs?

Where _____ bring _____ prices?

Can _____ panels _____ electric _____?

_____ solar panels _____ of electricity?

_____ it _____ to save _____ go solar?

_____ make _____ difference to my _____?

Is _____ possible _____ panels _____ money on electricity.

What _____ can be _____ if _____ solar _____ solutions _____ our electrical _____?

Is _____ panels _____ cheaper _____ to _____?

_____ solar panels help _____ bill?

_____ panels _____ my utility _____?

_____ solar _____ lower _____ costs?

How _____ save money?

_____ help lower _____?

Do _____ how _____ electric bill savings?

_____ possible to expect lower utility _____ sun _____?

Does the _____ and other _____ save me _____?

Is _____ save _____ by using renewables like _____?

_____ somehow bring down _____ costs?

_____ choosing _____ energy help my _____?

_____ if _____ solar _____ can help lower _____ electrical expenses.

Is _____ possible _____ adopting _____ energy _____ solar _____ maximizes electric bill _____?

How _____ solar _____ reduce my _____?

_____ power decrease electric _____?

Will _____ sources be able to _____?

_____ you _____ how _____ other sustainable energy _____ my monthly utility costs?

How can _____ as _____ reduce my electricity expenses?

_____ can _____ used to _____ monthly utility costs?

_____ are ways _____ use renewable _____ for _____.

_____ panels _____ my electric _____?

_____ panels _____ sustainable energy alternatives help to _____ my monthly _____?

_____ likely to reduce my _____?

Will _____ panels _____ money on _____ bill?

Will _____ help _____ total electricity _____?

Will _____ renewable energy _____ the amount _____ electrical _____?

Do _____ panels _____ me _____ utility bills?

_____ reduce electricity expenses?

Does using _____ panels for _____ save _____?

How can _____ the financial benefits _____?

_____ green with solar help _____ on electricity?

_____ solar solutions _____ power _____?

_____ solar panels _____ lower my _____.

_____ installing solar panels will _____ electric bills?

_____ to cut back on your _____ installing solar _____?
 _____ panels _____ my electric _____?
 _____ I _____ panels _____ help _____ my overall _____ expenses?
 _____ solar panels help _____ electricity _____?
 _____ for renewables _____ electrical payments?
 Can _____ solar _____ cut _____ bills down?
 Should I use _____ panels to _____?
 _____ panels _____ be a _____ my electrical expenses.
 _____ invest in _____ panels to _____ my _____ expenditures?
 _____ it _____ to spend _____ installing solar _____?
 Is using solar _____ reducing my _____?
 Is _____ possible to reduce _____ with solar _____?
 I wonder _____ I _____ savings by _____ panels.
 Will opting _____ electrical payments?
 _____ there savings _____ electric _____ we use _____ for _____ generation?
 Renewables _____ might _____ lower _____.
 _____ it be done to spend less _____?
 How _____ down _____ costs?
 _____ power _____ costs?
 Do _____ power _____ utility payments?
 _____ possible _____ lower my electrical expenses _____ in solar _____.
 _____ solar _____ me money?
 Solar _____ reduce my overall _____.
 _____ panels cut down on _____?
 Is it _____ having solar _____ save _____ costs?
 Is using solar panels _____ a _____ save _____ bills?
 Should I _____ for _____ cheaper _____ choice?
 Will using _____ panels _____ my _____?
 Can _____ panels _____ costs?
 solar panels _____?
 Will _____ reduce _____ costs?
 Can solar _____ money on _____?
 _____ it possible to _____ sources _____ solar to _____ fees?
 Is it _____ renewable sources _____ can lower _____?
 Is there _____ saving on electricity _____ energy _____?
 _____ using _____ decrease _____ bills?
 Can _____ solar _____ energy _____?
 _____ solar panels _____ my electric _____?
 How can _____ down _____?
 _____ panels _____ at reducing _____ electricity _____?
 Can _____ panels reduce _____?
 _____ financial _____ when _____ solar panel solutions _____ our electrical usage?
 What _____ photovoltaics _____ to _____ prices?
 Solar _____ may be _____ help _____ overall electricity expenses.
 I wonder if _____ a cheaper _____ choice.
 Do renewable _____ solar help _____?
 Do _____ how choosing renewable energy _____ costs?
 _____ help reduce my _____?
 Can solar _____ save _____ electricity?
 _____ panels _____ some money?

Can renewable ____ such ____ save ____?

Is it ____ to save ____ if ____ solar?

____ possible to reduce the ____ of money ____ installing ____?

Is ____ on power savings?

If ____ invest ____ renewable ____ resources like solar ____ we save money ____?

____ photovoltaic panels save ____?

Can Sun ____ electric ____?

____ decrease my ____ bills?

I ____ if solar ____ my electrical ____.

____ solar ____ to reduce ____ costs?

____ opting ____ decrease the ____ payments?

____ reduce ____ electricity costs?

Will ____ panels help ____ savings?

I ____ know ____ or other sustainable ____ alternatives can lower ____ costs.

____ it ____ solar ____ lower bills?

____ be cost-saving ____ if I ____ to ____.

Choosing ____ use ____ energy ____ my ____.

____ benefit of solar panels ____ power ____?

Can solar panels ____ on ____?

____ explain how renewable ____ such as solar ____ electric bill ____?

Is it ____ solar ____ cut down on ____?

How ____ and renewable energy ____ used to ____?

Should ____ panels ____ used ____ electricity ____?

Do solar ____ save ____ utilities?

____ solar ____ help cut ____ bills?

Can I ____ using sustainable power ____?

Can ____ power ____ cost ____ electric ____?

____ panels saving me ____ utilities?

____ opting ____ lead to less ____ payments?

Can ____ panels help me save ____?

Will ____ solar ____ cut ____?

____ renewable ____ like ____ energy fees?

____ can we maximize ____ incorporating solar panel ____ electrical ____?

Is ____ solar ____ save me ____ on utilities?

Can solar stuff ____ save me ____ electric ____?

____ it possible to spend ____ devices?

____ solar panels possible ____ my ____?

Can solar ____ me ____ my ____?

____ solar panels ____ bills?

How might using renewable energy ____ help ____ my electricity ____?

Investing in solar panels ____.

____ to ____ if solar ____ can ____ my ____ expenses.

____ it ____ that ____ lowers my electricity expenses?

I'm ____ if ____ green with ____ electricity costs.

____ solar panels ____ me ____ utilities?

Will I ____ my electric ____ if I ____ solar ____?

____ to ____ money by choosing solar?

____ solar panels ____ down ____?

____ solar ____ help with ____ electricity ____?

____ I save money ____ switch ____ solar or ____ choices?

How ____ photovoltaics ____ rates?

I ____ could save ____ money.

____ can solar panels make ____ on electric ____?

Is going ____ save ____ money?

____ going ____ panels save me ____?

____ the ____ gadgets reduce ____ costs?

____ panels will ____ my ____?

____ solar power ____ renewable energy ____ help reduce ____ charges?

Does going ____ with ____ my ____?

Can ____ shiny ____ things ____ cut down ____ bills?

____ the cost ____ be ____ solar panels?

____ panels affect ____ expenses?

My expenses ____ be ____ solar ____.

____ it possible ____ use renewables ____ solar ____ fees?

____ panels ____ my ____ bill costs?

____ power resources ____ solar panels we could save ____ money on electric billing.

____ solar panels ____ electrical expenses.

____ the solar panels ____ bill?

Will solar panels ____ on ____?

Does solar ____?

____ the ____ of solar panels ____ in ____ bills?

I ____ see ____ from ____ for solar panels.

Will ____ panels ____ my bill?

____ going ____ solar have ____ affect ____ my electricity ____?

____ get cost-saving benefits ____ switch ____ solar and ____ choices?

Is it possible to ____ solar ____?

____ solar power ____ money ____ utility ____?

____ sun ____ help ____ electric ____?

Solar power ____ reduce ____.

____ of ____ result in reduced electric bills?

____ we ____ in ____ resources like ____ we could potentially ____ on electric ____.

Can solar panels cut ____?

Is it possible ____ costs by using solar panels or ____?

____ sources ____ solar reduce their ____?

Will ____ bring ____ costs?

____ using solar panels decrease ____?

Will ____ solar ____ electric bills?

____ want ____ solar panels will cut ____ electric ____ costs.

solar ____ electric bills

Should ____ install solar ____ reduce my ____?

____ using ____ help ____ utility expenses?

Is ____ to save money ____ solar ____?

____ solar ____ cost of electricity?

____ panels help ____ bills?

Will ____ for energy ____ reduce ____ bills?

Can ____ cut my ____?

How can solar ____ save ____ electric bills?

____ panels can ____ my electricity ____.

____ any ____ electric bills from using ____ panels?

Is it possible ____ reduced ____ with sun ____.

Can I _____ to use solar _____?

_____ options _____ able to save _____?

How can _____ access the _____ going _____?

Can _____ panels save _____

Is _____ to use _____ by _____ solar devices?

Is there a _____ that can _____?

Can Renewables like solar _____?

_____ on energy costs?

_____ to save money _____ I switch to _____?

I _____ if _____ panels _____ cut my _____ expenses.

_____ utilizing solar panels help _____?

_____ solar _____ bills?

Can _____ like _____ bill costs?

Renewable energy _____ such _____ solar panels, _____ electricity expenses.

How _____ I _____ to reduce _____?

_____ green _____ solar have an _____ my monthly _____ costs?

_____ solar _____ me finances?

_____ really decrease my _____ costs?

_____ energy _____ lower energy _____.

_____ panels help reduce _____ electric _____?

_____ panels going to lower _____?

_____ able to cut down my _____?

_____ power save money _____ bills?

_____ going green _____ solar _____ energy costs?

How _____ solar _____ reduce _____ electricity _____?

Are renewable _____ solar _____ lower _____?

I _____ if I could _____ by going _____.

Will _____ lower _____ expenses?

_____ panels save money?

_____ ways _____ for cheaper power.

Would the cost of utilities _____ reduced _____?

_____ can be expected _____ using _____ panel solutions in _____ usage?

Should _____ electricity costs?

Does using _____ energy _____?

How can using renewable _____ as _____ panels, _____ electricity _____?

_____ I _____ solar and _____ green choices, can _____ save _____?

Can sun _____ make a _____?

_____ solar _____ to cut _____ bill?

_____ using solar _____ bill costs?

_____ Sun _____ decrease _____ bills?

Can _____ lower electricity _____?

_____ in solar panels, _____ save money on electric _____.

Can I _____ to save _____ with _____ technologies?

_____ would _____ lower _____ electrical expenses.

_____ to save money _____ solar devices?

Will _____ be able to _____ bill costs _____ solar _____?

_____ power help _____ electric _____?

There _____ that _____ power costs.

_____ utilizing solar panels _____?

Is _____ possible to _____ solar panels _____?

Will the _____ solar _____ lead to lower _____?

_____ solar _____ reduce _____ expenses?

Does going _____ renewable _____ electric _____?

_____ can electricity prices _____ by _____?

Can _____ make my _____?

_____ want to _____ will reduce my bill _____.

_____ possibly help lower _____ expenses.

Solar panels _____ help _____ my _____.

_____ renewables reduce electrical _____?

How _____ using solar panels _____ sustainable _____ my monthly _____ costs?

Solar _____ could save _____ money _____.

Will _____ help _____ me _____ on my _____ bill?
