

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Requesting historical usage data
Inquiry Sub-Category	Equipment performance evaluation
Description	Customers experiencing equipment malfunctions or inefficiencies may request historical usage data to identify patterns, diagnose problems, and evaluate the performance of gas-powered appliances or HVAC systems.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

How can _____ historical _____ for _____ HVAC _____ efficiency?

Should I _____ evaluate _____ system after _____ usage record?

Could I _____ past _____ records in _____ to _____ effectiveness of _____ and _____ conditioning system?

Can _____ to _____ the _____ of my heating and cooling system?

Is there _____ to get historical _____ to _____ efficiency?

_____ I acquire _____ usage records _____ heating and _____ system?

_____ way for me to get _____ data _____ and/or _____ check?

Is _____ an _____ for me _____ get the old _____ the _____ of _____?

_____ obtain past usage records to evaluate _____ effectiveness of _____?

_____ it _____ historical data on _____ usage _____ the past to _____ system _____?

Is it _____ to get past usage _____ to _____ effectiveness _____ heating _____?

Where _____ I find the _____ consumption _____ the HVAC _____?

_____ I find the _____ how efficient my _____ air _____ are?

Is it possible _____ at my _____ system effectiveness with _____?

_____ I acquire _____ usage _____ in _____ evaluate _____ heating, _____ and air _____ system?

_____ historical _____ records that can _____ used _____ the efficiency of _____ system?

Is _____ possible to use _____ evaluate system efficiency?

_____ do I _____ regarding how _____ my _____ and airconditioning system _____?

_____ I get past _____ evaluate _____ of _____ and cooling system?

Where have I found _____ on how _____ and _____ system _____?

_____ do I find _____ about _____ efficient my heating _____ air _____?

_____ I _____ usage records in _____ to evaluate _____ effectiveness of _____ house _____ and air _____?

How _____ I need _____ of _____ system _____ for my _____?

Where _____ I find _____ data about _____ heating and _____?

_____ you give _____ data on airconditioning _____ help _____ efficiency in _____ future?

I _____ usage _____ to evaluate my heating _____ cooling _____.

Could I _____ usage _____ assess the effectiveness _____ heating, _____ and airconditioning?

_____ if it is possible _____ old _____ check heating and _____ efficiency.

Is it _____ me _____ obtain _____ records to _____ at my heating _____ ?

Is there a way _____ data _____ can _____ used _____ efficiently an _____ ventilating and air _____

Could _____ get _____ records to _____ effectiveness of _____ heating, plumbing, _____ ?

_____ can I get _____ on _____ efficient my _____ and _____ really _____ ?

Where do I find _____ on _____ my _____ and _____ was?

How _____ we get _____ heating and cooling _____ analysis?

_____ am wondering _____ I can _____ used _____ evaluating _____ systems.

_____ retrieve _____ usage _____ for evaluating _____ and cooling system?

Where _____ the _____ data on how efficient _____ use is?

Where _____ previous _____ for the HVAC system?

Should _____ at _____ usage records to _____ effectiveness _____ heating and cooling _____ ?

_____ it _____ gather historical data _____ analysis?

I am wondering _____ is _____ to _____ access to old _____ the _____ of the _____ .

_____ to get _____ records in _____ to evaluate my _____ plumbing and _____ .

_____ acquire past _____ records _____ order _____ evaluate the effectiveness _____ and airconditioning _____ ?

Can you give _____ historical data on airconditioning usage _____ ?

For evaluation purposes, _____ I need to _____ records _____ the _____ ?

Is it _____ at _____ heating and _____ effectiveness using _____ usage _____ ?

I _____ to _____ data _____ evaluate the _____ aHVAC system

Is _____ for me to acquire past usage records _____ the _____ my _____ air _____ ?

_____ acquire past _____ records _____ order to _____ the effectiveness of _____ heating and _____ system?

_____ do I find the past _____ how _____ and airconditioning _____ ?

I would _____ to _____ records _____ look _____ my heating _____ system.

Is _____ a way _____ used _____ for evaluating my _____ .

Could _____ get past _____ to _____ the effectiveness of _____ heating _____ ?

HistoricalHVAC usage _____ be able _____ obtained to evaluate _____ .

_____ you _____ historical _____ on airconditioning usage _____ the _____ in order to assess _____ in _____ ?

_____ get used data _____ evaluating efficiency for my _____ .

_____ possible for me to _____ past _____ evaluate my _____ heating _____ conditioning system?

_____ I get _____ usage records _____ effectiveness _____ my Heating, Plumbing, _____ ?

Could _____ past usage records to evaluate _____ heating, plumbing _____ ?

I _____ wondering _____ can get access _____ usage data that _____ the _____ air-conditioning.

Could _____ past _____ records to evaluate my heating, _____ ?

_____ do _____ find past _____ about how efficient _____ conditioners were?

I _____ past usage _____ to evaluate the _____ ventilating _____ airconditioning.

Where _____ historical _____ on how _____ heating and air conditioning _____ ?

_____ it possible to _____ usage _____ in order _____ of my heating _____ ?

Should I _____ usage records _____ evaluate my _____ effectiveness?

_____ have _____ data on _____ efficient _____ air conditioning use _____ been?

Can _____ give _____ data on airconditioning _____ the past _____ assess efficiency?

Is _____ any way _____ usage data for evaluating _____ ?

_____ can I _____ past _____ how efficient _____ air conditioning is?

Could I _____ to _____ the effectiveness _____ my _____ and air conditioning _____ ?

Can I _____ past usage records in order to _____ heating, _____ ?

Could I get past usage _____ in _____ the _____ heating _____ system?

_____ was wondering if I could get past _____ records _____ evaluate _____ .

Is _____ possible _____ use _____ usage _____ see how my _____ ?

Could _____ past usage _____ to evaluate the effectiveness _____ my _____ plumbing _____ ?

_____ to get _____ records _____ HVAC system usage _____ evaluation purposes?

_____ can _____ find previous data _____ my heating _____ air conditioning _____ ?

Is _____ possible to acquire past _____ in _____ to _____ the _____ my heating _____ system?
 _____ could _____ usage _____ order _____ the effectiveness _____ my heating, _____ and cooling.
 _____ I _____ data on how efficient my _____ conditioning _____ heating _____ been?
 _____ it possible to obtain past _____ in _____ to _____ my _____ system?

Where _____ I _____ data on _____ efficient _____ and air conditioner _____?
 Should _____ get _____ record _____ out _____ heating, ventilating, and air _____?
 _____ there a way _____ data _____ can _____ used to evaluate _____ heating and cooling _____ works?
 _____ it _____ to _____ past _____ records in _____ assess _____ effectiveness of _____ heating _____ airconditioning system?

Where do _____ find historical _____ how efficient my _____ are?
 _____ get past usage _____ the effectiveness of my _____ and airconditioning?
 Can _____ acquire _____ records in order _____ effectiveness _____ my heating, plumbing _____?
 _____ to know _____ I can _____ access to _____ shows the _____ the heating and air.
 Can _____ obtain past usage _____ order _____ the _____ my _____ plumbing and _____?
 I _____ know how _____ access historical _____ HVAC _____.

_____ do _____ past data on _____ and heating use is?
 Can you _____ historical data on _____ usage _____ the _____ to help _____ efficiency in _____?
 Could I get _____ usage _____ to _____ if my heating, _____?
 _____ get past data to evaluate my heating _____?

I am wondering _____ I _____ to _____ usage _____ shows air and _____ efficiency.
 There's a _____ about _____ data _____ historical _____ efficiency.
 Is it _____ give _____ airconditioning _____ in _____ to help assess efficiency?
 _____ I _____ usage records to see how _____ cooling work?
 _____ to obtain past usage records to _____ effectiveness of _____ system?
 _____ it possible to give _____ past to help assess efficiency?

I am _____ past data _____ how efficient my heating _____ air _____.
 _____ usage _____ in order to _____ my heating _____ cooling _____ effectiveness?
 _____ I _____ past _____ to _____ effectiveness of _____ heating _____ cooling system?
 _____ there _____ use _____ data for _____ the efficiency of the HVAC _____?
 _____ data on _____ usage to help assess efficiency?

I am wondering _____ can get access _____ old _____ to _____ of _____ heating, vent
 There is a chance of _____ figures _____ evaluate _____.

_____ I _____ to look at my heating _____ cooling system _____?
 Where did _____ prior _____ efficient my _____ and airconditioning use _____?
 _____ get past usage _____ to evaluate the _____ my _____ and _____?
 Can _____ past _____ records to see _____ my heating, ventilating, _____?
 _____ get _____ records in order to evaluate _____ heating and airconditioning system?

Where _____ I locate past _____ efficient my _____ use was?
 _____ it possible _____ to acquire _____ records in _____ to evaluate _____ heating _____ air _____ system?
 I _____ like _____ look _____ my _____ cooling _____ effectiveness _____ the _____ of past _____ records.

Is it possible to _____ about the use of _____ to _____ efficiency of _____?
 _____ I obtain _____ usage _____ to _____ my heating _____ cooling _____?
 I'm looking _____ historical usage _____ to _____ the _____ of _____ cooling _____.

_____ it possible to obtain historical _____ evaluating HVAC _____?
 _____ can _____ find recorded use _____ to _____ the _____ my heating _____?
 _____ possible to _____ on _____ usage in _____ past _____ assess efficiency?

How _____ we get _____ statistics _____ HVAC _____ analysis?
 _____ there any _____ data _____ how _____ heating _____ use is?
 _____ there a _____ to get time-stamped _____ on _____ efficiently _____ system works?
 _____ it possible _____ me _____ for _____ the efficiency of HVAC systems?

Where _____ find _____ data regarding _____ heating _____ airconditioning _____ efficiency?

_____ get past usage _____ order _____ evaluate _____ effectiveness _____ my _____ plumbing, and _____?
 Can you _____ historical data _____ airconditioning _____ in _____ past _____ help _____ efficiency?
 _____ usage _____ could _____ used _____ effectiveness _____ heating and cooling system.
 I _____ historical usage _____ for _____ the _____ system.
 I _____ I can _____ to the old usage data _____ the efficiency _____ air _____.
 Could I acquire _____ at _____ and cooling system effectiveness?
 _____ acquire past _____ to _____ my _____ cooling system effectiveness?
 Where can I _____ previous data on _____ heating _____?
 _____ would like to evaluate _____ of my _____ system _____ getting past usage _____.
 Should I _____ evaluate my _____ air-conditioning system's effectiveness?
 Is _____ to get time- stamped _____ tells _____ an heating and cooling system _____?
 _____ it possible _____ obtain _____ usage _____ order to evaluate the _____ of _____ and _____ conditioning system?
 _____ be _____ to get _____ for _____ effectiveness _____ my heating and cooling system?
 Where can _____ past heating _____ data _____ measure efficiency?
 _____ I get _____ records so that I can evaluate the effectiveness of _____?
 Could _____ usage records to _____ the _____ of my _____ air _____ system?
 _____ can _____ find _____ statistics _____ my HVAC system?
 Is _____ past _____ evaluate the effectiveness of _____ heating _____ cooling system?
 _____ am _____ I _____ get access _____ usage data that _____ the efficiency _____ the heating, _____.
 I _____ to _____ records _____ evaluate my heating, ventilating _____ airconditioning.
 There is _____ me to _____ access to _____ data _____ efficiency _____ my heating.
 _____ there past _____ on how efficient _____ heating _____ airconditioning _____?
 _____ I _____ past _____ on the _____ of _____ and airconditioning?
 _____ past data _____ how efficient my _____ heating is?
 _____ I _____ past data _____ how _____ my _____ and _____ conditioning is?
 I want to _____ if _____ data for evaluating efficiency _____.
 I would _____ to evaluate _____ Heating, _____ and _____ obtaining past usage _____.
 Where _____ I _____ on how _____ heating and _____ conditioner was?
 Where _____ I _____ past data on how _____ conditioning _____ are?
 _____ it possible to look at _____ heating _____ system _____ help _____ records?
 Where do I _____ how efficient _____ heating _____ conditioning _____ was?
 _____ it possible to _____ past _____ relevant _____ assessing _____ system effectiveness?
 Is _____ possible to get old _____ and/or efficiency _____?
 _____ you provide _____ data _____ usage in the past _____ order to _____ in the _____?
 _____ if I can get _____ to _____ data that _____ of heating _____ air.
 Is it possible _____ usage _____ to evaluate _____ effectiveness _____ system?
 _____ obtain past _____ records _____ the _____ of my heating, _____ air-conditioning?
 _____ usage records for my _____ and _____ system?
 _____ did I _____ previous _____ on heating _____ airconditioning _____ efficiency?
 Can _____ past usage _____ to evaluate the _____ of _____ heating, plumbing, _____?
 Where _____ I _____ data regarding _____ my heating _____ use _____ been?
 _____ usage records to assess _____ effectiveness _____ heating, plumbing, and _____?
 Where _____ data _____ how _____ my airconditioning and heating system _____?
 _____ wondering _____ can _____ old usage data that _____ efficiency of the heat and air.
 _____ I _____ past _____ records to _____ effectiveness of my _____ heating _____ system?
 Can _____ get _____ records _____ to _____ effectiveness of _____ heating, _____ and airconditioning?
 _____ I acquire _____ usage records _____ heating and cooling _____ effectiveness?
 _____ get _____ usage _____ order to look at my heating _____?
 I _____ like to acquire _____ records in _____ to _____ the effectiveness _____ my _____ Air-conditioning.
 Could I get _____ usage _____ assess _____ my heating and _____?

_____ usage records in order _____ look _____ my _____ and _____ system effectiveness?
 _____ come _____ to _____ historical _____ of the HVAC system _____ evaluation _____?
 _____ get past _____ records to assess _____ of _____ and _____ conditioning system?
 _____ know _____ past _____ how efficient _____ heating and airconditioning _____ is.
 _____ find past data on how _____ conditioning use is?
 Is it _____ acquire _____ records in order _____ effectiveness of _____ house _____ and airconditioning _____.
 _____ do you get past _____ how _____ heating and air _____?
 _____ am _____ I can get _____ to _____ old _____ data _____ see how efficient the _____ is.
 Is it possible to _____ evaluate the effectiveness of my _____?
 Where _____ I _____ data to evaluate my _____ cooling _____?
 _____ wondering _____ I can _____ access _____ the _____ usage _____ see the efficiency of _____.
 _____ it _____ to _____ usage records _____ order to _____ heating and _____ system _____?
 Is _____ possible to _____ in order _____ look at my _____ cooling _____.
 _____ I get past _____ records to _____ if _____ and airconditioning _____ working?
 Where have _____ data on heating _____ use _____ measure _____?
 _____ records to evaluate the effectiveness _____ my heating, _____ cooling?
 _____ am I _____ to _____ data on _____ efficient my _____ and _____ are?
 _____ need to _____ past _____ records _____ evaluate _____ effectiveness of _____ ventilating and _____.
 _____ chance for _____ usage figures to be _____ system efficiency.
 _____ past usage records _____ look _____ my _____ and cooling _____?
 _____ past usage _____ to _____ my _____ ventilating, and airconditioning?
 Could _____ get past _____ records _____ evaluate my _____ airconditioning?
 Could _____ use _____ records to evaluate my heating, _____?
 _____ acquire past usage _____ order _____ check _____ heating _____ cooling _____ effectiveness?
 Is _____ a way to get _____ data _____ how efficiently _____ ventilating, _____?
 _____ past _____ records to assess the _____ my heating _____ system?
 _____ to _____ historical HVAC usage statistics _____ evaluation?
 _____ possible to look _____ my _____ and _____ system through _____ usage _____?
 _____ would like _____ acquire _____ usage _____ in _____ to evaluate the _____ heating, ventilating and _____.
 _____ do _____ find the _____ how _____ my _____ airconditioning use is?
 _____ that _____ could _____ usage records to _____ at my _____ and _____ system?
 _____ need past usage records _____ of my heating, _____ air _____.
 I would _____ to acquire past _____ records _____ my heating _____ system.
 _____ possible _____ past data _____ assessing HVAC system effectiveness.
 Should _____ usage _____ evaluate the effectiveness of _____ air conditioning system?
 I want to find historical _____ analyzing _____ of _____.
 _____ to give historical _____ airconditioning usage in the _____ help determine _____?
 Can I get _____ usage records _____ the effectiveness _____ air-conditioning?
 Is _____ to _____ usage _____ order _____ check _____ and cooling system effectiveness?
 Is it possible _____ past _____ order to evaluate my _____ heating _____.
 Where do _____ find _____ on how _____ and air conditioning _____?
 _____ need _____ get _____ records of the _____ system _____ for _____.
 _____ I get _____ usage _____ to check the effectiveness _____ and _____?
 _____ in order to look at my _____ and _____ system?
 Where _____ I find _____ how efficient _____ heating _____ airconditioning _____ is?
 Is it possible to get _____ usage _____ to _____?
 _____ it _____ to check the _____ of the heating _____ cooling system with old _____.
 _____ I _____ past _____ to evaluate _____ effectiveness of _____ heating, _____ and _____?
 Could I obtain _____ to evaluate my _____ air conditioning _____?
 Can I get _____ usage records _____ and cooling _____?

I need ____ find ____ on how efficient my heating _____.
 Should ____ get past ____ to ____ heating and ____ system?
 Is ____ possible to obtain ____ records ____ the ____ of my heating ____ air ____?
 Should ____ get past ____ records ____ evaluate ____ effectiveness ____ heating, plumbing, ____ system?
 Is there a ____ to ____ efficiency for the HVAC ____?
 Where ____ I find past ____ on ____ efficient ____ heating ____ air ____ been?
 I am looking ____ on ____ efficient ____ heating ____ air ____ use ____.
 ____ I ____ usage records in ____ my heating, plumbing, and ____.
 ____ get past ____ effectiveness ____ my Heating, Plumbing, and Air ____ system?
 ____ wondering if ____ can see ____ data ____ shows the efficiency of _____.
 ____ obtain ____ usage ____ to evaluate my ____ ventilating and ____?
 Can ____ past usage records to ____ my ____ and ____?
 ____ it possible to ____ old ____ to ____ the ____ of ____ system?
 Any ____ getting past data to ____ cooling system?
 I'm wondering ____ get ____ the old usage data that show the ____ of _____.
 I would ____ to acquire ____ usage records ____ the ____ of my Heating, ____ system.
 Where did ____ the past ____ heating and ____ use was?
 Where can I ____ data ____ how efficient ____ and airconditioning ____?
 Where ____ I find ____ previous data on ____ airconditioning ____ to ____?
 Is it possible ____ give ____ airconditioning ____ in ____ to help determine efficiency ____ the ____?
 ____ wondering if I ____ access to ____ old ____ data that ____ the ____ air-conditioning.
 Where do ____ on how efficient my heating and ____?
 Could I ____ past usage records ____ the effectiveness ____ heating ____ system?
 ____ it possible to ____ access to ____ records to gauge ____ heating ____ system?
 Is ____ me to ____ past usage ____ in ____ to ____ at ____ heating ____ cooling system?
 Could I get ____ records ____ my heating ____ airconditioning ____ evaluate ____?
 ____ did I find ____ data ____ how efficient ____ heating ____ conditioning use ____?
 ____ possible to get past usage ____ to ____ my ____ and ____ system?
 I need ____ records ____ evaluate ____ effectiveness of ____ air ____ system.
 ____ there ____ to get ____ usage ____ to evaluate ____ efficiency?
 ____ I get past usage ____ in ____ my ____ plumbing, and ____?
 Is there ____ past data to ____ my heating and ____?
 ____ to find ____ data ____ efficient my heating and airconditioning _____.
 Is it ____ find ____ on how ____ my ____ and ____ conditioning use ____?
 Where ____ past ____ on how ____ my air conditioning ____ been?
 ____ chance ____ me ____ get access ____ the ____ data ____ heating and/or efficiency check?
 Can I ____ past ____ to ____ the ____ of ____ heating, ____ airconditioning?
 I ____ to ____ data ____ heating and air ____ use was.
 ____ I ____ a past usage ____ assess my heating, ____ and ____?
 ____ I get ____ usage records ____ assess ____ of my ____ heating ____?
 Is ____ possible ____ me ____ look ____ my heating ____ with past usage ____?
 ____ the ____ data on ____ my ____ airconditioning system is?
 I'm ____ I can get ____ to the ____ that shows the ____ the ____ air conditioning.
 ____ get past ____ records ____ assess the ____ of my HVAC ____?
 ____ a way to ____ data for ____ in HVAC systems?
 ____ possible to ____ airconditioning usage data to help ____?
 ____ would like ____ past ____ evaluate ____ heating, ____ and cooling equipment.
 ____ do I get ____ usage data for ____ the ____ of ____ heating ____?
 I ____ wondering ____ get ____ to the old ____ data ____ the efficiency ____ the air-conditioning.
 Where ____ find ____ data on how efficient my ____ use ____?

_____ past usage _____ in _____ to evaluate the _____ my _____ ventilating, _____ cooling _____.
 Is _____ possible to _____ usage _____ order _____ assess _____ effectiveness _____ my heating _____ airconditioning system?
 _____ I found _____ data _____ how efficient my _____ and air _____?
 _____ usage figures _____ be _____ to _____ the system _____.
 _____ wondering if I could _____ access _____ old _____ data that shows _____ of _____ heating, _____.
 Ways to _____ usage _____ evaluating _____ and cooling _____.
 _____ I _____ past usage _____ to check _____ and cooling system?
 _____ possible _____ obtain _____ records to evaluate my heating _____ air _____?
 _____ I _____ usage _____ to _____ house _____ and air conditioning system works?
 _____ past usage records in _____ assess the effectiveness _____ my house heating and _____ system?
 I _____ if I can _____ the _____ that _____ efficiency _____ the air-conditioning
 _____ figures _____ help evaluate _____ efficiency.
 _____ should _____ records to _____ the effectiveness _____ and cooling system.
 _____ am _____ get access to _____ data that _____ efficiency of heating and air.
 _____ do _____ data _____ how efficient my heating _____ has been?
 _____ am in _____ of _____ for the efficiency _____.
 Where _____ get _____ data _____ how efficient my heating and _____?
 _____ there any past _____ my heating and _____ is?
 _____ for me to get access _____ old _____ for _____ check of my _____.
 Should I _____ usage records _____ my heating _____?
 _____ want historical _____ for evaluating _____ efficiency of _____ HVAC _____.
 _____ acquire _____ in _____ to evaluate my _____ and air conditioning system?
 Access _____ old _____ us _____ the energy-efficiency of our air _____.
 _____ like to acquire past usage records in order _____ evaluate _____ heating, plumbing, _____.
 Is _____ any chance _____ getting past _____ to _____ and cooling _____?
 Can I use _____ past _____ record to _____ system?
 _____ there a chance of _____ to evaluate my _____ cooling _____?
 _____ would like to _____ records _____ order _____ my heating, ventilating _____ airconditioning.
 I _____ like _____ acquire past _____ records to evaluate the _____ heating, _____.
 Is there _____ to _____ to evaluate the _____ of HVAC _____?
 Is _____ way to get _____ functioning of the HVAC
 _____ I acquire past _____ records _____ my heating _____ airconditioning _____ be _____?
 Is _____ possible _____ get _____ for _____ efficiency of HVAC systems?
 _____ usage figures can _____ to evaluate _____ efficiency.
 Access to _____ records _____ gauge the energy _____ of the _____.
 _____ looking for _____ data _____ how efficient _____ heating and air _____.
 _____ can I _____ to assess the _____ of _____ heating and _____?
 _____ I _____ record to _____ heating, ventilating, and air conditioning _____?
 Is it _____ get past _____ to evaluate _____ effectiveness _____ system?
 _____ historical HVAC _____ info?
 Should _____ get _____ usage records in _____ my _____ air, _____ system?
 Is _____ possible to _____ access _____ old _____ to _____ efficiency of _____ and _____ system?
 Should _____ check past usage _____ determine _____ my heating _____ cooling _____?
 If you want _____ assess _____ can _____ past _____ usage _____?
 _____ past usage records _____ evaluate _____ heating, _____ and _____ conditioning system?
 _____ get _____ usage _____ to evaluate _____ of my cooling and _____?
 I wonder _____ can _____ to the old _____ the efficiency of heating and _____.
 There is a possibility _____ historical HVAC _____ figures _____ evaluate _____ efficiency.
 Can _____ past _____ records _____ order _____ assess _____ effectiveness _____ my heating, _____ airconditioning?
 Where _____ past data _____ heating and airconditioning _____ to _____?

____ I get ____ usage ____ order ____ the effectiveness of my ____ and ____ system?
 Should ____ past usage records ____ heating and cooling system?
 Should I ____ usage record ____ and air-conditioning system's effectiveness?
 Are we ____ to ____ historical information ____ use ____ to ____ predictions about the efficiency ____ heating?
 ____ possible to use ____ to judge how my ____?
 Is ____ old records ____ gauge the energy-efficiency ____ air conditioning?
 Where can ____ data on ____ my ____ and ____ is?
 I could acquire past ____ order ____ evaluate the effectiveness ____ ventilating, ____ equipment.
 ____ acquire past ____ records ____ my heating, ____ cooling equipment?
 Where ____ I ____ data on ____ efficient my ____ and ____ use ____?
 Is it ____ to get ____ in order ____ see my ____ effectiveness?
 ____ there a way to ____ on efficiency ____?
 Where ____ i ____ on how efficient my heating and ____?
 Is ____ to ____ data about how efficient ____ airconditioning ____ is?
 ____ it possible to ____ records to gauge the ____ our ____ conditioning?
 ____ do I ____ past data on ____ and airconditioning use ____?
 ____ do I ____ past data ____ how ____ my ____ airconditioning ____ is?
 Is past ____ records a good ____ evaluate the ____ my ____ and ____?
 Where did ____ find ____ on heating ____ airconditioning use ____?
 ____ give me historical ____ past in order to assess ____ efficiency ____ the future?
 ____ get past ____ records to ____ heating, ventilating ____ airconditioning?
 Is it ____ acquire ____ usage records ____ to ____ and airconditioning system?
 ____ usage ____ to evaluate system efficiency.
 ____ use ____ past usage record to ____ my ____ air-conditioning system's ____?
 Where can ____ recorded ____ for my ____ system?
 ____ get the ____ to evaluate my heating, air-conditioning ____?
 Should I ____ usage record ____ evaluate my heating, ____ conditioning ____?
 ____ I get ____ usage ____ evaluate my ____ and air-conditioning?
 Is ____ to ____ records ____ HVAC system usage ____ evaluation?
 Is ____ a way ____ use the ____ to evaluate ____?
 Where ____ get past ____ on ____ efficient ____ airconditioning use is?
 ____ can I find ____ about ____ efficient ____ heating ____ use is?
 Should ____ for assessing the effectiveness ____ my ____ air conditioning system?
 ____ historical ____ airconditioning usage in ____ past to assess efficiency?
 I ____ if I ____ the old usage data that ____ the ____ air.
 Is it possible ____ get ____ cooling and heating system?
 Is it possible ____ me ____ past ____ records ____ to evaluate the effectiveness ____ heating ____ system?
 ____ possible ____ find ____ data ____ how ____ my ____ and airconditioning use has ____?
 ____ evaluate the ____ of ____ Plumbing, and Air conditioning system ____ obtaining ____ usage ____.
 Is ____ usage records to look ____ and heating system?
 ____ locate previous data ____ efficient my ____ and ____ system is?
 ____ would like to acquire ____ in order to look at ____.
 I would ____ to get past usage ____ to ____ heating, ____ and air ____.
 Could ____ past usage ____ to ____ my plumbing, heating, and ____?
 ____ can ____ obtained to evaluate system ____.
 Should I acquire ____ records ____ evaluate ____ house heating and airconditioning ____?
 ____ are past data ____ efficient ____ heating and ____ is?
 Where do you get past data ____ airconditioning use ____?
 ____ do I find past data on ____ my heating ____?
 Could ____ acquire ____ usage ____ in ____ evaluate ____ heating, ____ and airconditioning?

What ____ we do to get ____ the ____ efficiency ____?
 ____ I ____ the ____ data ____ how efficient my heating ____ system really ____?
 ____ do I ____ on ____ efficient my ____ and air conditioning ____?
 Is it ____ retrieve past usage ____ evaluating ____?
 ____ there past data ____ how efficient ____ heating ____ is?
 Can I ____ records ____ the effectiveness of ____ conditioning system?
 ____ would like to get past usage ____ heating, ____ and ____.
 ____ am ____ if ____ can get ____ the ____ usage data that shows ____ efficiency.
 Could ____ acquire past ____ records ____ order to ____ heating and ____?
 I would like ____ usage records ____ order ____ evaluate the ____ house ____ airconditioning system.
 Can ____ get ____ records ____ the effectiveness ____ heating, ventilating and Airconditioning?
 ____ past usage ____ in order to evaluate ____ plumbing, ____ conditioning?
 ____ I purchase ____ records in order ____ of ____ house heating ____ airconditioning system?
 ____ I get ____ usage records ____ to look at ____ and ____ system ____?
 ____ the ____ data on how ____ my heating and ____ conditioning ____?
 I'm wondering if I can ____ access to old usage ____ that ____ heating ____.
 Can I ____ records ____ to evaluate ____ ventilating and cooling?
 HistoricalHVAC usage ____ be used to ____ system ____.
 Should I get ____ evaluate my ____ air-conditioning system?
 Where ____ data on how ____ my heating ____ air ____ was?
 Where did I ____ on ____ efficient my heating ____ air ____ been?
 Is ____ possible ____ old ____ how my AC is working?
 ____ want to ____ historical usage ____ for ____ the efficiency ____ heating ____ cooling ____
 I'm wondering ____ can get access ____ usage ____ that ____ the ____.
 ____ I ____ past ____ records to ____ the effectiveness ____ and air ____ system?
 ____ would ____ to ____ past ____ in ____ to evaluate the ____ myHeating, Plumbing, ____ Air-conditioning.
 ____ there a way ____ time- ____ data that shows ____ efficiently an ____ and ____?
 I'm wondering ____ I have ____ old usage ____ efficiency of ____ heating, air.
 Is ____ possible to ____ data ____ for my ____ system?
 ____ I find ____ data ____ how ____ my heating and air ____?
 Is ____ data on heating ____ use ____ measure efficiency?
 ____ to know if ____ access to the old ____ data that shows ____ heating, air.
 Is ____ possible to ____ usage ____ to ____ my heating, ____ air ____ system?
 Where ____ I ____ previous data on ____ heating ____ system ____ is?
 ____ wondering ____ can get ____ usage data ____ the efficiency ____ the air-conditioning.
 ____ I ____ past ____ to ____ heating, ventilating, ____ cooling systems?
 Is ____ any ____ gives historical usage trends ____ HVAC ____?
 ____ you think it's ____ get historical ____ usage ____ efficiency?
 There are ways ____ recover ____ data ____ evaluating ____.
 ____ it ____ to get the ____ usage ____ that ____ efficiency ____ air-conditioning?
 Where did I ____ data ____ how ____ my heating ____ was?
 I would ____ to acquire ____ usage ____ in order ____ evaluate ____ heating ____.
 ____ get a ____ usage ____ to ____ my heating, air-conditioning ____?
 ____ I ____ past usage ____ the effectiveness ____ my heating, ____ and ____?
 ____ usage in the past can be provided ____ help assess system ____
 Is ____ to ____ old data for ____ and/or efficiency ____.
 Where ____ I find the ____ of ____ use to ____?
 Is ____ acquire ____ records in order to ____ at ____ heating system?
 I ____ like ____ acquire ____ records for evaluating the ____ my ____.
 I ____ usage data for ____ the ____ heating and cooling ____.

_____ I _____ data _____ how efficient my _____ and air conditioning _____ ?
 Could I purchase _____ records to _____ my _____ cooling?
 Can _____ get past _____ the effectiveness of _____ heating _____ air _____ system?
 Should I get _____ usage records to _____ the _____ heating, _____ ?
 _____ a _____ use the data _____ evaluate the _____ of _____ HVAC _____ ?
 Can _____ past _____ records to _____ my _____ plumbing, and air _____ ?
 How can _____ usage _____ for evaluating HVAC _____ ?
 _____ do _____ data on _____ efficient my _____ and air _____ was?
 _____ do _____ data on how _____ my heating _____ conditioning is?
 Should I _____ records to look at _____ cooling system _____ ?
 _____ we use historical information _____ use of _____ device _____ predictions _____ the _____ of _____ heating?
 Could _____ past usage _____ order _____ check out _____ heating _____ cooling _____ effectiveness?
 Where will _____ how efficient my heating and _____ use _____ ?
 It _____ possible _____ get _____ figures to evaluate _____ the system.
 I'm _____ if _____ get access to the old _____ shows _____ the _____ vent
 Is it _____ to _____ access to old records to _____ the _____ heating _____ cooling _____ ?
 Should _____ acquire past usage _____ the effectiveness _____ my heating, _____ system?
 Is there a _____ time-stamped _____ on _____ ventilating, and air conditioning system _____ ?
 _____ get _____ usage records to _____ how _____ and _____ system is working?
 _____ I acquire _____ my heating _____ cooling system effectiveness?
 _____ I find historical _____ to evaluate _____ heating _____ appliance?
 _____ need _____ get _____ of the _____ conditioning system _____ for _____ purposes.
 _____ get _____ records to check the _____ of _____ cooling systems?
 Could I get past usage records to evaluate _____ house _____ .
 Is it possible _____ acquire _____ usage records to look _____ cooling _____ ?
 It _____ possible _____ find historical HVAC _____ to _____ system _____ .
 _____ past usage _____ to _____ my cooling and _____ system?
 _____ I _____ past _____ evaluate the effectiveness of my _____ ventilating _____ ?
 Could _____ records to evaluate my Heating, _____ and _____ ?
 Where can I _____ how efficient my heating _____ system _____ ?
 Is it possible _____ give _____ on airconditioning _____ in the past _____ assess _____ future?
 Where can _____ find _____ data _____ heating _____ use _____ efficiency
 _____ I _____ past _____ records _____ order _____ heating, ventilating, and Airconditioning?
 Is _____ to _____ past usage records _____ determine the effectiveness _____ my _____ and airconditioning _____ ?
 _____ it _____ to _____ at my heating and _____ system effectiveness _____ records?
 Is it _____ the _____ my _____ unit using historical usage _____ ?
 Where did _____ the _____ data _____ efficient _____ and _____ use was?
 Where _____ I _____ past data _____ efficient _____ heating _____ airconditioning _____ is?
 I'm _____ for historical _____ for _____ the efficiency _____ system
 I'm wondering if _____ get _____ the old usage data _____ how _____ the _____ air _____ .
 _____ source that provides _____ usage _____ for the _____ of the HVAC _____ ?
 Should _____ use a past _____ to evaluate _____ my heating, _____ ?
 I'm looking _____ past _____ how efficient _____ and _____ has been.
 Is _____ possible to _____ past _____ for _____ heating _____ to be evaluated?
 Where _____ I get _____ on _____ my _____ and air _____ use _____ been?
 Should _____ get _____ usage records _____ my heating and _____ system.
 Should my _____ air-conditioning system's effectiveness _____ by _____ ?
 Past usage records _____ be useful _____ effectiveness _____ heating _____ cooling _____ .
 Is _____ to acquire past _____ records to _____ out my _____ system _____ ?
 Can _____ obtain past usage _____ order to evaluate _____ heating and _____ ?

_____ past _____ on _____ efficient my heating _____ really is?
 Where _____ I find previous data _____ my _____ and _____ are?
 Should _____ acquire past _____ records in order _____ evaluate _____ and _____?
 Could I _____ past _____ in order to evaluate the effectiveness of _____ heating _____?
 _____ I obtain _____ records _____ heating, _____ and refrigeration system?
 _____ get past use _____ the effectiveness of my _____ heating _____ airconditioning _____?
 _____ I _____ record _____ evaluate _____ effectiveness of my heating and air-conditioning _____?
 Can _____ data _____ usage in the past so we can assess _____ in _____?
 HistoricalHVAC _____ could _____ used to _____ efficiency.
 _____ I acquire _____ usage _____ the _____ of _____ heating, plumbing, _____ air-conditioning?
 Can _____ my heating _____ cooling _____ with _____ help _____ past usage _____?
 Can _____ provide historical data on _____ past to _____ assess the system _____ in _____?
 Are _____ to assess system _____ with historical _____ HVAC _____?
 Where do I _____ on _____ heating and _____ system's _____?
 _____ I _____ the _____ efficient _____ airconditioning and heating use is?
 _____ I get _____ use records _____ effectiveness of my _____ heating _____ conditioning _____?
 I would _____ to _____ records _____ order to evaluate _____ heating, _____ Air _____ system.
 I want _____ usage records _____ of _____ heating and cooling _____.
 _____ acquire past usage _____ for evaluating the effectiveness _____ my heating _____?
 _____ want to find _____ usage data to _____ the efficiency _____ system.
 _____ have I found _____ information on how _____ air conditioning use _____?
 Is _____ for me _____ to _____ data for my _____ efficiency check?
 _____ to acquire past _____ records _____ order to _____ effectiveness of _____ heating, plumbing, _____.
 Could I use _____ records _____ determine the effectiveness of _____?
 HistoricalHVAC _____ are _____ system efficiency.
 _____ do I _____ about _____ efficient _____ heating _____ conditioning use is?
 Is _____ to acquire past _____ effectiveness of myHVAC system?
 _____ can I _____ past _____ how _____ my heating and _____ is?
 Where can I find _____ heating _____ airconditioning _____ efficiency.
 _____ there _____ I _____ use the _____ to _____ the efficiency ofHVAC _____?
 _____ do _____ access historical _____ on _____?
 _____ I able to _____ previous data _____ my heating and air _____?
 _____ would _____ to _____ access to _____ old _____ that _____ efficiency of the _____ air.
 _____ past usage _____ used to evaluate _____ my house _____ and airconditioning _____?
 _____ would _____ the effectiveness of _____ heating, _____ and air _____ system by acquiring past _____.
 Is it possible to _____ the _____ my _____ unit with _____?
 _____ I check _____ records to see _____ my heating and _____?
 _____ it _____ provide historical _____ on airconditioning usage _____ past _____ help _____ efficiency?
 Can I _____ past _____ to evaluate _____ of my _____ and _____?
 Where _____ I find _____ air conditioning _____ to measure efficiency?
 _____ would _____ to acquire past usage records _____ to assess the _____ plumbing, _____ air-conditioning.
 _____ would _____ to old _____ for the efficiency check of _____.
 Is it possible to _____ historical data _____ to _____ efficiency?
 Can I obtain past usage _____ heating _____ air conditioning system?
 Is there _____ get time-stamped _____ on how _____ an _____ and _____ unit _____?
 Where _____ I _____ past _____ and _____ to measure efficiency?
 Could _____ past _____ records to evaluate my Heating, _____ and _____?
 _____ the past _____ how efficient my _____ and _____ was?
 _____ I buy _____ usage _____ to _____ at my heating _____?
 I _____ if _____ could _____ usage records to _____ my _____ cooling _____.

Can I _____ records to evaluate _____ my heating, _____ air-conditioning?
 _____ to get _____ data _____ efficiency for the HVAC system?

Is _____ possible _____ find _____ usage _____ HVAC efficiency.
 _____ I obtain _____ usage records in _____ see _____ and _____ effectiveness?

Is _____ to get _____ HVAC _____ to see _____ the _____ is?
 Where _____ past _____ how _____ heating and air conditioner use _____?
 Where _____ past _____ on _____ efficient my _____ and _____ are?

I _____ past _____ records in order to _____ plumbing and air-conditioning.
 I _____ like to evaluate the effectiveness of _____ heating _____ airconditioning _____ records.
 I _____ wondering _____ I _____ usage data to show the efficiency of _____.

Where do _____ past _____ on _____ efficient my _____ and air _____?
 _____ you _____ historical _____ on airconditioning _____ the past to _____ assess _____ the future
 Is _____ for _____ to obtain past usage records in _____ and cooling _____ effectiveness?
 Is it _____ provide historical _____ usage in _____ past to help _____.

Where did _____ find past _____ about _____ heating and _____ conditioning _____?
 Is it _____ to get past _____ evaluating _____?
 Could _____ past usage records _____ my _____ and cooling system _____?
 _____ get the past _____ how efficient my heating and _____?
 _____ get _____ usage _____ in _____ the effectiveness of my heating, plumbing, _____?

I'm _____ I _____ access to old _____ that shows _____ efficiency of _____.
 Where _____ I find _____ data on how efficiently _____ heating _____?
 Should I acquire _____ to evaluate _____ effectiveness of _____ conditioning system?
 _____ it _____ obtain past usage records _____ to look _____ heating _____ cooling _____ effectiveness?
 _____ can _____ find _____ past data on _____ efficient _____ heating _____ conditioners _____?

It _____ possible to obtain _____ in order _____ evaluate _____.
 Where I can _____ past _____ on _____ efficient _____ heating _____ airconditioning _____?
 _____ am I _____ to find _____ on _____ my heating and _____ conditioning _____ has _____?
 Should I get _____ to _____ my heating, _____?
 Should I get past _____ records _____ the _____ conditioning system?

Where did I _____ past data on _____ heating _____ was?
 Should _____ to get _____ for assessing _____ effectiveness of my HVAC _____?
 _____ I found past data on how _____ heating _____ air _____?
 Could I _____ usage _____ to _____ at my _____ and _____?
 Historical HVAC use _____ be _____ to evaluate _____.

I am _____ if _____ to get _____ data to check the efficiency _____ the _____.
 _____ am _____ data _____ how efficient my _____ conditioning use is.
 Can we _____ historical information _____ the _____ determine the efficiency _____ heating?
 _____ data _____ air conditioning _____ the past can help _____.
 _____ it _____ to get past _____ records _____ to _____ the effectiveness _____ my _____ airconditioning system?
 _____ you _____ data _____ how efficient my heating and air _____?

Is it _____ to _____ past usage _____ to look at my _____ and _____?
 _____ records to evaluate my _____ heating and _____ system?
 _____ historical HVAC _____ figures _____ be _____ the system efficiency.
 _____ it possible to provide _____ airconditioning _____ in _____ past to _____ in the future?
 I _____ data for evaluating _____ of ahvac system
 _____ you provide _____ on airconditioning usage _____ help determine efficiency?

Can you _____ on airconditioning usage _____ help gauge _____ efficiency in the _____?
 _____ can _____ past data about how _____ my _____ air conditioning _____?
 Can _____ historical data _____ airconditioning usage _____ to help _____ in the future
 _____ data on HVAC usage _____ be _____ to _____.

____ I get _____ check _____ effectiveness _____ my heating, air-conditioning system?
_____ like to acquire _____ records to evaluate _____ of my _____ and _____.
Is it possible _____ records _____ effectiveness of my _____ cooling system.
Could I get _____ usage _____ effectiveness _____ my heating, ventilating _____?
Could I acquire past _____ records _____ my _____ and _____?
_____ I get past _____ to evaluate my _____ and _____?
_____ I _____ the past _____ on how _____ my heating and airconditioning _____?
_____ if I _____ get access _____ shows _____ efficiency of the heating, air.
_____ am wondering if _____ can _____ access to old _____ to _____ the efficiency _____.
_____ would _____ to _____ past usage _____ in _____ evaluate _____ air _____ system.
Can _____ obtain past _____ in _____ to _____ and air conditioning _____?
Could I _____ past usage records _____ to _____ out _____ system?
_____ I _____ a past _____ record _____ check _____ heating, _____ system?
Where do _____ about how _____ my _____ and air _____ is?
_____ possible to _____ access _____ old records _____ the energy _____ of _____ HVAC?
I would like to _____ I _____ get _____ to the old _____ that _____ efficiency _____ the _____.
_____ it possible to acquire _____ records in _____ to examine _____ cooling _____?
Where can _____ past data on airconditioning _____ measure _____?
Is it _____ AC _____ by using old usage data?
Can I _____ usage records _____ my _____ plumbing, _____ air-conditioning?
_____ possibility to evaluate system efficiency
Could I obtain past _____ heating, ventilating, _____ cooling _____?
Is it possible _____ get _____ to evaluate my heating, _____?
_____ it possible to _____ used _____ evaluating my _____?
Where can _____ past data on _____ efficiently my _____ conditioning _____ has _____?
Is _____ a _____ to _____ used data _____ the efficiency _____?
Do you _____ historical _____ analyze _____ efficiency _____ ventilating, _____ air conditioning system?
_____ I _____ previous data on _____ heating and _____ use was?
_____ do _____ past _____ how efficient my _____ and _____ is?
_____ it possible _____ me to obtain past usage records _____ evaluate _____ effectiveness _____ and _____ system?
I am wondering _____ could _____ usage _____ shows _____ of the heating, air.
Where do _____ previous data _____ the _____ my _____ air conditioning _____?
Can _____ obtain past _____ in _____ to _____ the effectiveness of my _____ and _____?
_____ need past usage records _____ evaluate _____ cooling _____.
HistoricalHVAC _____ are possible _____ system _____.
_____ need historical records of the _____ usage _____ evaluation _____?
_____ acquire _____ records to _____ heating and cooling system _____?
_____ find past _____ my air conditioning and heating use _____ been?
_____ is _____ chance _____ usage figures _____ used to evaluate system _____.
Where _____ I find _____ on how _____ and _____ use is?
Where _____ I _____ past data on _____ of my _____ airconditioning _____?
I _____ to _____ past _____ on how _____ my _____ air _____ use _____ been.
_____ you provide _____ data on _____ the _____ to help determine system _____ the _____?
Access _____ old _____ would _____ us gauge _____ our _____ and _____ conditioning system.
Should _____ past usage records _____ the _____ of _____ heating and _____ conditioning _____?
_____ do I get _____ about _____ my heating _____ airconditioning _____ is?
To assess _____ efficiency, can you _____ data _____?
_____ past usage _____ order to _____ the effectiveness of _____ house heating _____ air _____ system?
_____ there _____ way I _____ for _____ efficiency ofHVAC systems?
_____ possible to acquire _____ in _____ to _____ the _____ house heating and airconditioning system?

_____ acquire past usage records _____ to evaluate _____ ventilating, _____ airconditioning?
 How do _____ find past _____ records _____?
 _____ system efficiency _____ with historicalHVAC usage figures.
 Could I get _____ records to evaluate _____ my _____ plumbing, _____?
 _____ possible to obtain _____ figures to evaluate _____
 Where _____ I find previous _____ on _____ efficient my _____ has _____?
 Is _____ possible for me _____ get past _____ order _____ at _____ heating _____ system effectiveness?
 _____ you _____ historical _____ on _____ usage in the past _____ assess efficiency?
 Could _____ acquire past _____ order to _____ my _____ air conditioning?
 _____ I _____ past usage _____ to look _____ my _____ and cooling _____?
 Where _____ find _____ about _____ my heating and air _____ use _____?
 I am wondering if _____ gain _____ to _____ data _____ shows the _____ of _____ heating, _____.
 _____ I get past use _____ evaluate my _____ ventilating, _____ air _____?
 Could _____ usage records _____ used to _____ the _____ my _____ system?
 _____ can I find _____ past _____ efficient _____ and _____ use was?
 Where _____ I _____ past _____ regarding _____ my _____ and air _____ was?
 Is _____ possible _____ me to _____ past usage _____ evaluate _____ and airconditioning _____?
 I _____ if _____ to the _____ usage data that shows the _____ heating, air.
 Where _____ find _____ past data _____ how _____ my _____ conditioner and _____?
 I am wondering _____ obtain old _____ that _____ the efficiency _____ air.
 _____ to _____ historical _____ trends for HVAC system performance _____?
 Is _____ possible to _____ usage _____ evaluatingHVAC _____ efficiency?
 _____ I _____ records _____ determine the _____ of my heating, _____ airconditioning?
 _____ check past _____ to _____ how my _____ and cooling _____ is _____?
 _____ do you _____ data on how efficient _____ system really _____?
 I _____ trying to _____ out _____ access historical data _____.
 _____ records _____ look at my heating and cooling _____.
 _____ I _____ usage records _____ evaluate my heating, _____ and _____?
 _____ you _____ provide historical data _____ usage _____ past _____ order to assess efficiency in _____?
 Is _____ any _____ I can _____ the data to _____ efficiency _____?
 Is there _____ place _____ find historical _____ evaluate HVAC efficiency?
 Is there _____ to get access _____ data _____ the _____ check _____ my heating?
 _____ get past usage _____ to _____ my Heating, _____ and Airconditioning?
 I _____ past _____ efficient my heating _____ airconditioning system is.
 _____ historicalHVAC _____ to evaluate _____ is possible.
 _____ an opportunity _____ get _____ figures to evaluate system _____.
 _____ might _____ past _____ in order _____ my heating, plumbing, and air-conditioning.
 _____ a way _____ data to evaluate _____ ofHVAC systems?
 _____ usage records in order to _____ my _____ and _____ system?
 _____ am wondering if I _____ to old usage data _____ the efficiency _____ heating, _____.
 Where have I _____ how efficient my _____ and _____ use _____ been?
 Could _____ past usage records _____ to _____ effectiveness of _____ heating, plumbing _____?
 Could _____ acquire _____ usage records _____ look _____ and cooling system's _____?
 _____ get _____ usage records _____ look _____ effectiveness of my heating _____ cooling _____?
 _____ I _____ past _____ evaluate my heating, ventilating and _____ conditioning _____?
 Is there a _____ to _____ the data _____ evaluate the _____?
 Is _____ to _____ past usage _____ to evaluate _____ heating and _____?
 Is _____ possible _____ give _____ on airconditioning _____ the past _____ help assess _____?
 I _____ to know how _____ historical _____ efficiency.
 I would _____ to acquire past _____ for _____ the _____ of _____.

Is it _____ historical _____ usage statistics _____ efficiency?

_____ I _____ past _____ in _____ to evaluate my _____ plumbing, _____ air-conditioning?

_____ possible to _____ usage records _____ evaluate my heating _____ cooling _____?

_____ old _____ would _____ us _____ the energy-efficiency of _____ conditioning.

Can I _____ usage _____ heating, plumbing, and air _____?

I would like to acquire past _____ records _____ the _____ my _____ Plumbing, _____ Air-conditioning.

I want to _____ if _____ use _____ data to judge _____ AC _____.

_____ do _____ find previous _____ regarding how efficient my _____ airconditioning _____?

Is _____ possible to get _____ use _____ look _____ heating _____ system effectiveness?

I would like _____ acquire _____ for evaluating my _____ cooling _____.

_____ you _____ data on _____ usage in the _____ to help _____?

Should I _____ to evaluate _____ heating, _____ system's effectiveness?

Could _____ get past usage _____ in _____ to _____ my house heating _____?

Should i _____ usage _____ to _____ my heating, _____ and _____ system?

Is _____ to _____ data on airconditioning usage _____ the _____ to help evaluate _____ the _____?

_____ I _____ heating and _____ system through past usage _____?

_____ do you _____ data on _____ my heating _____ system is?

_____ was _____ if _____ could _____ usage _____ for evaluating _____ effectiveness of my _____ and cooling _____.

Can _____ provide _____ on _____ use in the _____ help _____ efficiency?

_____ find past data on _____ efficient my _____ and heating _____?

_____ I _____ past usage _____ evaluate _____ heating, ventilating and _____?

_____ wondering if I _____ get _____ the _____ usage data that _____ efficiency _____?

_____ possible to give historical data on _____ usage in _____ past _____ help _____ efficiency _____?

_____ it _____ to get _____ look at my _____ cooling system?

How come I need _____ the _____ system usage _____?

Could I _____ past _____ records to _____ cooling?

Where do I _____ the _____ efficient my _____ conditioner was?

Where can I _____ previous _____ about _____ efficient my _____ is?

_____ I _____ past usage records in _____ to evaluate my _____?

_____ it _____ to _____ past _____ see _____ and cooling system effectiveness?

Do you _____ if there _____ chance _____ data _____ evaluate _____ HVAC effectiveness?

_____ have I _____ previous data on _____ efficient _____ conditioning use _____?

Where do _____ on heating _____ airconditioning _____ to measure _____?

_____ to _____ historicalHVAC _____ figures to evaluate system _____.

_____ it possible _____ get _____ usage records for _____ my heating _____ cooling _____?

Could _____ get _____ usage _____ to inspect _____ heating and _____ system?

I would _____ to acquire past _____ determine _____ effectiveness _____ my heating, _____.

_____ did I _____ past data on _____ my _____ and _____ use _____?

Is it _____ to _____ on _____ usage _____ the _____ to assess system efficiency?

Can _____ get _____ records _____ evaluate the effectiveness of _____ and Airconditioning?

I am wondering _____ can get _____ the old _____ data that _____ efficiency _____ air.

_____ do _____ the past _____ my air conditioning _____ heating _____?

_____ wondering if _____ get the _____ data that _____ efficiency _____ the heating, vent.

_____ wondering _____ I _____ get _____ the old _____ data that shows _____ efficiency _____ heating, air.

Where _____ I _____ data _____ how _____ my heating _____ air conditioner _____?

_____ a way _____ time-stamped _____ about how efficiently an heating, _____ air conditioning _____?

Where _____ I get past _____ my _____ and airconditioning _____?

Is there _____ to get time-stamped _____ on _____ heating, ventilating, _____ air-conditioning _____?

Is _____ possible _____ acquire past usage _____ the _____ of my _____ heating _____ system?

_____ I _____ past usage _____ look _____ my heating _____ cooling _____?

_____ do _____ past data about _____ efficient my _____ and _____ conditioning _____?
 Could I get past _____ order _____ evaluate _____ heating _____ cooling _____?
 Is there any _____ can use _____ data to _____ efficiency _____?
 Is it _____ to _____ historical usage _____ for evaluating heating _____?
 There's _____ chance _____ historical HVAC usage figures _____ system _____
 How _____ data for _____ systems?
 Is _____ possible to _____ past _____ in _____ assess my heating _____ effectiveness?
 Could _____ use past _____ of my heating, _____ and air conditioning?
 _____ am _____ historical data for the _____ the HVAC.
 Is _____ to get _____ to _____ records to _____ energy-efficiency of _____?
 I _____ to get historical data _____.
 Is there a chance _____ can get _____ data _____ effectiveness?
 I need _____ find _____ my heating and _____ use was.
 Where _____ data _____ heating _____ air _____ use to measure efficiency?
 _____ I _____ usage record to evaluate _____ and _____ system?
 I _____ know _____ can _____ past _____ my heating and cooling system.
 _____ to _____ past use record to _____ heating, air-conditioning _____?
 Can _____ past usage records _____ my _____ Plumbing, and _____ system?
 In _____ to _____ the _____ of my _____ and _____ need past _____ records.
 Is it _____ to provide _____ on HVAC usage _____ system _____?
 I want to _____ usage _____ analyzing _____ of a _____ and _____ system.
 _____ am _____ if I _____ get access _____ old _____ data, that _____ the _____ heating, air.
 Where _____ I find _____ data _____ how _____ my _____ and air _____?
 _____ am wondering _____ I _____ get _____ the _____ usage data _____ shows _____ efficiency _____ heating, air ,
 Can _____ get past usage records in _____ evaluate the _____ of _____ heating, _____ conditioning _____?
 Can _____ give _____ data on air conditioning usage _____ in order to _____ assess _____ the _____?
 Is it possible _____ me to acquire past _____ records _____ the _____ heating _____ air conditioning _____?
 _____ utilization statistics for _____ HVAC efficiency analysis?
 Is _____ possible to find historical usage _____ system _____.
 I _____ like _____ get _____ data for the _____ check of _____ heating.
 I need help _____ historical _____ the _____ of _____ heating and _____.
 _____ historical _____ on air conditioning usage in _____ past _____ order to _____ the future?
 Is it _____ usage records _____ evaluate my _____ heating and _____ conditioning _____?
 Is it _____ get _____ records to _____ the _____ of my _____ heating and air _____?
 Where am _____ able _____ on _____ and air conditioning use to _____?
 _____ I _____ past _____ on how _____ my heating and _____ conditioning use _____?
 _____ to _____ past _____ to evaluate my heating, _____ and _____ conditioning.
 _____ I _____ records to evaluate the effectiveness _____ heating, _____ cooling?
 I want _____ find _____ data on how efficient _____ and _____.
 _____ I _____ past usage _____ see _____ house heating and air conditioning _____?
 Should I _____ usage _____ to _____ out my _____ ventilating, _____ conditioning system?
 _____ did _____ find _____ how efficient _____ and air conditioning use was?
 _____ if I can get _____ to the _____ data which _____ the heating, air.
 _____ I found the _____ data _____ how _____ heating and _____ conditioning _____ has _____?
 I _____ historical usage _____ to evaluate the _____ system.
 _____ I _____ past usage _____ check _____ ventilating and air conditioning system?
 _____ there a _____ old data for _____ and efficiency check?
 _____ there _____ way for me to _____ data for _____ efficiency _____?
 _____ for past _____ on _____ my heating _____ air _____ use has been.
 _____ get past usage records _____ check _____ of _____ cooling and _____?

_____ to old _____ would help _____ of our _____ conditioning.
 I _____ like to acquire _____ the _____ of _____ heating, _____ and airconditioning.
 Where _____ past information _____ efficient my _____ airconditioning use was?
 Could _____ usage records _____ evaluate my heating, ventilating _____ Airconditioning?
 Could I _____ records in _____ to evaluate the _____ of _____ and _____ conditioning system?
 _____ it _____ to get _____ usage _____ my heating _____ cooling system effectiveness?
 _____ it _____ get historical _____ system _____ for evaluation purposes?
 I am _____ can _____ access to old _____ that shows _____ efficiency.
 How can _____ statistics regarding HVAC _____ analysis?
 _____ use past usage records _____ evaluate the effectiveness _____ heating _____ ?
 I _____ to acquire _____ usage records in order _____ evaluate _____ heating, _____ and airconditioning
 I'm _____ if I _____ access _____ old _____ that shows _____ of _____.
 _____ I obtain _____ usage _____ to _____ and air conditioning system?
 _____ find _____ for evaluating the _____ a HVAC system.
 Does _____ a chance _____ getting past data to _____ ?
 Could I obtain past _____ records _____ effectiveness of _____ plumbing, and _____ ?
 _____ way _____ the data _____ evaluating the efficiency of _____ system?
 I need _____ historical _____ forHVAC _____.
 _____ to acquire _____ usage records _____ examine _____ heating _____ cooling system?
 Is _____ possible _____ obtain _____ usage data for evaluating _____ ?
 Where _____ information on how _____ my heating _____ conditioning _____ been?
 Where _____ I get _____ on how _____ my _____ air _____ use _____ ?
 _____ do I _____ data about _____ efficient my heating _____ system _____ ?
 _____ trying to find _____ how _____ access _____ onHVAC _____.
 _____ would like to know _____ to the _____ data that shows the _____ the heating, _____.
 Where _____ data _____ efficient _____ heating and airconditioning was?
 Is _____ possible to _____ past usage records _____ my _____ cooling system _____ ?
 Where do I _____ regarding _____ use _____ measure efficiency?
 Do _____ think _____ possible to _____ historicalHVAC usage _____ to _____ ?
 Can I _____ usage _____ in order to _____ at _____ cooling _____ ?
 _____ I could get _____ the old usage _____ that shows _____ efficiency _____ air-conditioning.
 Is it _____ past usage records _____ look _____ my _____ cooling _____.
 Are you able _____ historical data on _____ usage _____ past in _____ ?
 Where can _____ find _____ on how _____ my heating _____ use _____ ?
 _____ I _____ past _____ records to _____ the _____ heating, plumbing, and _____ ?
 _____ it _____ to get past _____ evaluating _____ systems?
 _____ it _____ to provide _____ on _____ in _____ that I _____ assess system _____ in the future?
 I _____ of historical _____ efficiency
 _____ to _____ records would be _____ in _____ energy-efficiency _____ our heating _____ cooling _____.
 _____ ways to retrieve past _____ evaluatingHVAC systems.
 Where do I _____ the _____ on _____ and _____ conditioning use is?
 I need _____ historical _____ efficiency.
 Could I _____ records _____ check _____ my heating _____ cooling _____ ?
 _____ usage records _____ see _____ heating and cooling _____ effectiveness?
 _____ do _____ find _____ data on how efficient my _____ air _____ ?
 _____ might _____ usage records _____ my heating, plumbing, and airconditioning.
 I _____ I _____ access the _____ data to see the _____ the _____ vent.
 _____ can I use _____ data _____ effectiveness of the _____ and air _____ ?
 _____ can I find _____ data _____ how _____ my heating _____ conditioning _____ has _____ ?
 _____ do I find _____ records of _____ ?

Can ____ use old usage ____ how ____ AC ____ functioning?
 ____ on airconditioning usage in the ____ to help ____ efficiency?
 Where do I find ____ on ____ efficient my ____ heating ____ been?
 Could ____ get past ____ the effectiveness ____ my ____ ventilating, ____ cooling?
 Is ____ possible ____ AC's working ____ old usage data?
 Where ____ find ____ data ____ how ____ heating and air ____ are?
 Does ____ if there ____ a ____ of getting past ____ to ____?
 I ____ like ____ usage records ____ order to evaluate my ____ cooling.
 Where ____ able ____ data ____ efficient my heating and air conditioning ____?
 Is ____ to ____ historical information on ____ of the device ____ predictions ____ heating efficiency?
 I ____ acquire ____ usage ____ my heating, plumbing, and airconditioning
 ____ I acquire past ____ in ____ evaluate the ____ of my ____ airconditioning ____?
 Should I ____ record in order ____ evaluate my ____?
 ____ do I ____ past ____ on how efficient ____ heating ____ systems ____?
 Can ____ acquire ____ to evaluate my heating, plumbing and ____?
 ____ am wondering if ____ data ____ shows efficiency of air-conditioning.
 Should I take ____ past usage ____ to evaluate ____?
 I ____ like to obtain ____ usage records ____ my heating, ____ and ____ system.
 Is ____ to ____ past ____ records to check out my ____ and ____?
 Is ____ to collect past ____ records ____ HVAC ____?
 Should I ____ past usage records in ____ evaluate my ____?
 Is there a chance of ____ my ____ conditioning ____?
 ____ usage ____ to evaluate ____ effectiveness ____ heating, plumbing, and air-conditioning?
 ____ looking for ____ for ____ the efficiency ____ HVAC system.
 Is ____ any information on ____ performance analysis?
 I'd ____ know ____ I can ____ access to ____ old usage ____ the ____ of ____ heating, air.
 ____ it possible ____ acquire past usage ____ evaluate the effectiveness of my ____ and ____?
 ____ get past usage ____ in ____ evaluate ____ of ____ home heating and ____ system?
 ____ historical data ____ airconditioning usage in the ____ assess its efficiency?
 Is ____ a ____ I can use ____ data ____ efficiency ____?
 ____ can ____ utilization ____ regarding HVAC efficiency analysis.
 Can I ____ records ____ evaluate my heating, ____ and air conditioning ____?
 Where ____ I find ____ use ____ my HVAC ____?
 ____ find past usage records to look ____ system?
 Could ____ past ____ evaluate the effectiveness of ____ plumbing, ____ air-conditioning.
 ____ I get past usage records ____ check ____?
 ____ usage records to ____ out my ____ and ____ system?
 ____ I ____ the ____ how efficient my heating ____ airconditioning use ____?
 ____ it possible to ____ past ____ to ____ the ____ my house ____ system?
 ____ get ____ usage ____ in ____ evaluate the effectiveness of ____ ventilating, and ____?
 Is ____ obtain ____ usage ____ to ____ at ____ cooling ____ heating system?
 Is it ____ to get ____ HVAC efficiency?
 ____ if ____ get access to the old usage ____ the efficiency ____ the ____ vent
 Can I ____ old ____ to judge my ____?
 ____ offer ____ for analyzing the ____ of ____ and cooling system?
 ____ you ____ data on airconditioning usage ____ the past ____ assess ____?
 ____ there a ____ get used ____ efficiency in ____ system?
 Where do ____ the ____ data on ____ efficient my ____ have been?
 ____ I get past ____ records to see if ____ heating, ____?
 ____ to get past ____ to evaluate ____ air conditioning effectiveness?

Is _____ possible _____ get _____ usage data that _____ of the _____ ?
 _____ past _____ on how efficient my heating _____ really is?
 _____ acquire _____ usage records in _____ my heating and cooling system _____?
 _____ would like _____ get _____ usage records _____ order _____ the effectiveness of _____ heating, _____ airconditioning.
 _____ recorded use statistics _____ assess _____ effectiveness of _____ cooling system.
 Where _____ find past data on _____ efficient _____ heating use _____?
 Can you _____ historical data _____ air _____ usage _____ the _____ efficiency?
 Could I use past _____ to _____ heating and _____?
 I _____ to find historical usage data _____ of _____ system
 Access _____ old _____ would _____ helpful _____ determining _____ efficiency of _____ heating _____ system.
 _____ an _____ for me _____ data for my _____ and/or efficiency _____?
 Is _____ to get past _____ my _____ and cooling system _____?
 _____ you provide _____ data _____ in the _____ in _____ assess efficiency?
 I would _____ acquire _____ usage records _____ order to _____ effectiveness _____ heating _____.
 Is it _____ to get _____ to _____ effectiveness of my _____ cooling system?
 Should _____ acquire _____ usage _____ evaluate _____ ventilating, and cooling?
 Should _____ past usage records for _____ the _____ of _____ and _____?
 I'm curious if _____ to the old usage _____ that shows _____ efficiency _____ heating _____.
 _____ am wondering if I _____ get access _____ the _____ to see _____ the heating, _____.
 _____ usage records _____ evaluate _____ house heating and _____ conditioning system?
 Where did _____ find _____ data _____ efficient my _____ and air _____?
 _____ acquire past _____ to evaluate _____ heating, ventilating _____ airconditioning?
 Can I acquire _____ records in _____ evaluate _____ heating, plumbing, _____?
 Could _____ records to _____ my _____ and cooling system?
 Can _____ past usage _____ in _____ to evaluate my _____ and _____?
 Is _____ possible to get _____ usage _____ evaluate my _____ and airconditioning _____?
 _____ I get _____ usage _____ evaluate the _____ heating and cooling _____
 Should _____ check _____ to evaluate _____ air-conditioning system's effectiveness?
 _____ can find _____ how _____ my heating and _____ system really _____?
 Should I _____ usage records to _____ if _____ and _____ effective?
 Should I acquire _____ to _____ my house _____ airconditioning _____?
 _____ you able _____ provide historical _____ on _____ usage to _____?
 _____ I get _____ usage records _____ order to evaluate _____ of my _____?
 _____ I can find _____ my heating and _____ conditioning use _____?
 _____ need to _____ past _____ in _____ to _____ the _____ of my heating, plumbing, _____.
 _____ it _____ usage records _____ to _____ my heating and cooling system?
 _____ curious _____ I can _____ access to the old _____ shows _____ efficiency _____.
 Can you _____ historical _____ on _____ past to _____ assess efficiency?
 Is there an _____ me to _____ for _____ and efficiency _____?
 HistoricalHVAC usage _____ can _____ be used _____ efficiency.
 _____ I find previous data _____ and _____ conditioning use has been?
 Where did I _____ past _____ on how efficient _____ use _____?
 _____ there _____ way to retrieve past usage data _____ evaluating _____?
 _____ wondering _____ access to _____ old usage data that _____ how _____ air-conditioning is.
 Is it _____ to _____ usage records in _____ see _____ heating and _____?
 I need _____ records in order _____ house _____ and air conditioning system.
 _____ data about how _____ and air _____ use has been?
 _____ need _____ historical data for the _____ the heating and _____.
 Could I get _____ to evaluate _____ effectiveness _____ Heating, _____ and _____?
 Could _____ past usage records to evaluate _____ plumbing, _____?

Is _____ find past data about how efficient _____ air _____?

Can you _____ us _____ about airconditioning _____ in _____ to help _____?

I wonder if _____ acquire past _____ to look at _____ cooling _____.

Is it _____ past _____ records _____ look _____ and cooling system?

Can _____ acquire past _____ records to _____ and _____ system?

I _____ past _____ records in order to evaluate _____ effectiveness _____ my _____ ventilating, and _____.

_____ records would _____ us _____ the energy-efficiency _____ our HVAC.

_____ would _____ to find _____ on how efficient my _____ was.

I _____ curious if _____ can get access _____ the old _____ the _____ heating and _____.

_____ get past _____ records to _____ my home _____ and air conditioning _____?

Is _____ possible _____ to evaluate the effectiveness _____ the _____ and cooling _____?

_____ do _____ my previous data _____ how _____ airconditioning use was?

_____ if _____ can get _____ the old usage data _____ efficiency of the _____ air.

Is _____ possible to _____ past usage _____ order to _____ at my _____ cooling _____?

Should _____ past _____ records _____ order to _____ my heating and _____?

Where _____ I _____ data _____ how efficient _____ heating _____ air _____ are?

Where _____ data _____ heating _____ conditioning to be used _____ judge it?

Is there _____ for me _____ get _____ to old _____ for my _____?

What _____ the _____ way _____ past usage _____ for _____ evaluation?

Where _____ the past _____ on how efficient my heating _____?

In _____ assess _____ efficiency in _____ can _____ give _____ on _____ usage in the past?

Is it _____ past _____ records in _____ to _____ heating and _____ system?

_____ past data _____ how efficient my _____ and air conditioning _____?

Could I use _____ records _____ my _____ ventilating and _____?

_____ possible way _____ system _____ is _____ obtaining historicalHVAC usage _____.

_____ it _____ past _____ records to see _____ heating and _____ system _____?

_____ possible to gain _____ usage records _____ look at my _____ effectiveness?

Is _____ way to get used data _____ my _____?

I'm wondering _____ possible _____ get _____ to old _____ to _____ HVAC _____.

Is there a way _____ data about _____ an heating, _____ conditioning system _____?

_____ don't _____ where to find past _____ efficient my heating _____ airconditioning _____.

_____ I _____ the data on _____ efficient _____ heating and _____ use _____ been?

Is there _____ I _____ the _____ to evaluate efficiency _____?

Where do I find _____ my _____ and air conditioning _____?

_____ there _____ chance _____ getting past data _____ evaluate _____ and _____ equipment?

_____ usage _____ for _____ efficiency of a heating and _____ system.

_____ usage records for assessing the effectiveness of _____ and air conditioning _____?

_____ historical _____ for evaluating the _____ of a HVAC _____.

_____ come _____ need to _____ records _____ theHVAC system _____ for _____ purposes?

_____ wondering _____ I _____ get the _____ usage data _____ shows the _____ of _____ heating, _____.

Where can I locate _____ on _____ my _____ and _____ is?

Can I _____ at my _____ and _____ effectiveness by acquiring _____?

Could _____ get past _____ records to _____ my _____ and _____.

Is it possible to get _____ order to evaluate the _____ of _____ and _____?

I _____ wondering _____ can get _____ to the _____ usage data that showed _____ the _____

_____ it _____ to take _____ usage records _____ at _____ cooling system?

Should _____ take _____ to evaluate _____ effectiveness _____ heating, _____ and refrigeration system?

I wonder _____ can _____ to the _____ data _____ shows _____ efficiency of the heating _____.

_____ I locate _____ data _____ heating _____ airconditioning use _____ measure _____?

_____ you _____ data _____ airconditioning _____ in _____ past to help determine efficiency _____?

I _____ to obtain _____ records in _____ evaluate the effectiveness of my _____ and _____ .

I want to evaluate _____ heating _____ airconditioning _____ by _____ past usage _____ .

How _____ find past _____ on heating _____ airconditioning use _____ ?

_____ might acquire past _____ records to _____ the _____ my _____ ventilating _____ .

Is it _____ find data _____ how efficient my heating _____ ?

Is it possible _____ usage records to _____ at my cooling _____ ?

If _____ to _____ provide historical data on air _____ usage _____ past?

Could _____ use _____ records to evaluate the _____ heating, _____ and _____ ?

Where do _____ find past _____ on _____ of my _____ and _____ ?

Should I _____ records _____ check out my _____ and air _____ ?

Where _____ I find _____ data on _____ and airconditioning use _____ ?

_____ do I _____ past data on _____ heating and _____ are?

_____ a way _____ use the _____ evaluate efficiency _____ system?

_____ wondering _____ I _____ get access to the old usage _____ shows _____ of the _____

_____ would like to get _____ in order _____ my _____ and airconditioning.
