

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Water quality and safety concerns
Inquiry Sub-Category	Waterborne Illness
Description	Questions regarding potential contamination of the water supply and the risk of waterborne illnesses, such as giardia or cryptosporidium, and information on prevention and treatment.
Data Size	7,382 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ me _____ request additional _____ local _____ supply specifically for giardiaand crypto-sporidia?

Is _____ possible to _____ demand more _____ giardia and the _____ drinking _____?

_____ be _____ to check _____ the _____ of giardiaand in my _____?

_____ there _____ chance _____ requesting _____ tests for giardi _____ water?

Is _____ possible to get _____ tests _____ and _____ our water?

I _____ to know if _____ be _____ additional tests on my _____ supply solely for _____ and

I was _____ if _____ detecting giardia along with the otheridium in _____ source.

_____ my _____ for giardia and cryptid?

_____ any chance _____ could ask for _____ my _____ water for giardia and _____ diseases?

_____ it _____ additional _____ be _____ detecting substances like giardia _____ our local _____ provisions?

Can _____ for more checks on _____ our _____ water?

Is _____ any chance _____ would _____ able to get _____ testing on _____?

Can I _____ for _____ focused on _____ giardia _____ other substances _____ our _____?

_____ it be _____ to _____ a _____ the water source for _____.

Is _____ a _____ for _____ to _____ intensified testing for _____ my _____ sources?

I want _____ know if _____ an option to _____ Giardia _____ sources.

_____ could be requested.

_____ possible _____ my municipally _____ water only, with a focus on _____ presence of giardiaand

Can _____ ask _____ more analysis focused _____ detecting _____ substances _____ our _____ drinking-water _____?

_____ it possible to get additional tests _____ based _____ neighborhood?

I _____ wondering if _____ an _____ to request intensified testing specifically _____ in _____ water _____.

_____ it possible to get _____ on _____ supply _____ giardiaand.

Would _____ possible to _____ information _____ presence of _____ in my _____ source?

Is _____ request _____ testing _____ my _____ supply to _____ giardiasis and other _____?

Is it _____ drinking water _____ giardia and Cryptosporidium only?

Is _____ me _____ additional _____ on _____ water supply for giardiaand?

_____ to _____ if _____ would be _____ conduct additional tests _____ my _____ supply _____ order to _____ giardia _____ other

How _____ I _____ testing for _____?

Is _____ for me _____ ask _____ on my water _____ giardiaand?
_____ give me a favor _____ test my water _____?
Can _____ test my tap water _____ giardia and _____?
Can _____ get _____ testing _____ water supply _____ giardia?
_____ feasible to _____ additional tests for Giardia and _____ local _____?
Would it _____ to request additional giardia _____ water system?
_____ conduct additional testing _____ Giardia andCrypto-sporidium in _____ water?
Can we _____ look _____ the _____ water supply?
_____ a _____ look _____ the local water supply _____ giardia?
_____ is a chance _____ ask _____ checks on _____ water _____ detect _____.
Would _____ possible to focus _____ on _____ Cryptosporean _____ our water?
_____ willing to _____ additional tests _____ water _____ only for the detection _____?
_____ it _____ to _____ more _____ on Giardia and _____ parasites in _____ tap _____?
_____ would _____ to know _____ it is possible _____ request additional _____ supply for giardiaand.
Is it possible _____ formally _____ our drinking water?
_____ I _____ examination _____ my local water source _____ look for giardia and _____?
Can _____ have _____ tested _____ giardia _____?
_____ favour and test my tap water _____ giardia?
_____ would _____ to _____ if _____ can get more _____ for _____ and _____ my _____ supply.
_____ would _____ to _____ if you _____ test _____ local H2O _____ for _____
Is _____ to look _____ the _____ giardiaand in the _____?
_____ possible to _____ testing to specifically _____ andCrypto-sporidium in _____ water _____?
I _____ like to _____ local _____ for giardiaand.
Can _____ get more _____ the local water _____ for _____?
Is it _____ to _____ Giardida _____ in _____ local tap water?
_____ get additional testing on my _____ giardia?
_____ investigate _____ presence of _____ in my _____ source?
_____ possible that more testing _____ on the presence _____ giardia _____ our _____?
_____ tap water tested for giardia _____?
Could _____ ask for more _____ regarding _____ taps?
_____ option _____ request _____ to _____ Giardia andCrypto-sporidium in my _____ water sources?
_____ possible _____ perform _____ analysis on _____ water only _____ a specific focus on _____ presence of _____
Can I get _____ testing _____ drinking water?
Can _____ if I _____ get additional _____ giardia _____ water supply?
Further _____ on _____ giardia/cypto-waterbugs _____ requested.
Can _____ get _____ testing _____ giardiaand in _____?
_____ it possible to request _____ my _____ giardiasis and crypto infections?
_____ chance to get the _____ tested for _____?
_____ it _____ to _____ tests focused on _____ and other contaminants in _____?
Could I ask _____ analysis _____ the _____ my _____?
_____ possible _____ ask for additional _____ to _____ for giardiaandcrypto-sporidia _____ water?
_____ possible to _____ further examination _____ the _____ of giardiaand _____ water source?
_____ get _____ tests focused on detecting _____ the water _____?
_____ have _____ water tested for _____ and cryptosporidium?
_____ I _____ my _____ to make sure _____ water is _____ of _____?
_____ you be _____ to _____ additional tests _____ water _____ solely _____ of detecting giardia and _____?
Is it _____ to conduct _____ and Crypto-sporidium _____ local water?
Is it _____ intensified _____ target _____ my local water sources?
I _____ if _____ could get extra exams _____ detecting _____ the _____ water _____.
Is it _____ tests for _____ in my _____ water?

Can _____ for giardia _____ parasites _____ water supply?

Is _____ possible to ask for a _____ of _____ water _____ that _____ on _____ and _____?

_____ analysis regarding the giardia/cyproto-waterbugs?

Can _____ check _____ giardia and _____ in _____ water?

_____ would like _____ know if _____ is _____ chance that I could ask _____ more _____ for _____.

_____ I request _____ on the water _____?

Is _____ possible _____ have _____ testing _____ on _____ supply _____ target giardia and Crypto-sporidia _____ areas?

_____ request a _____ examination of my _____ water _____ specifically targeting giardia and _____?

_____ it _____ request more testing on my _____ supply _____?

Could _____ more _____ focused _____ detecting _____ community's water source?

Can _____ arrange _____ additional testing to make _____ my tap _____?

_____ be _____ for me to request _____ giardia _____ for _____ water _____?

_____ me if _____ can get additional _____ for _____ and cryptosporidium?

_____ to know _____ is any _____ of _____ extra tests _____ and crypto-sporidia in my _____.

_____ was _____ if I could get more _____ focused on detecting _____ and _____ in _____.

_____ I ask _____ more _____ see _____ my tap _____ contains giardia and _____?

_____ chance _____ requesting additional tests for giardia and crypto-sporidia _____?

_____ it _____ to _____ a dedicated examination _____ my _____ source _____ giardia and _____ presence?

_____ there a chance _____ crypto-sporidia in my tap water?

Is _____ possible _____ to get _____ testing on my water _____.

Is it _____ to _____ more _____ my local _____ supply _____ giardia and _____?

_____ I ask _____ further analysis _____ my taps?

Is _____ more testing _____ giardia and crypto-sporidia?

Can _____ more exams _____ giardia along _____ the otheridiums in _____ water _____?

Can there _____ additional testing _____ giardia _____?

Is it possible to _____ more _____ Giardia _____ the _____ in our _____?

Can _____ me by testing my _____ giardia?

_____ there _____ option to request more testing for _____ and _____?

Is there _____ of _____ for _____ in my tap water.

_____ I _____ tests _____ on detecting _____ in _____ water source?

Can _____ the water _____ giardia?

Is it possible _____ to _____ at _____ and the other contaminants _____?

Is there a _____ requesting _____ in the tap _____?

Can you let _____ you _____ tap _____ for giardia?

_____ further _____ done _____ the _____ in my taps?

_____ there a _____ request _____ for Giardia _____ water sources?

_____ any _____ of _____ additional tests _____ crypto-sporidia in _____ tap water?

_____ there a way _____ focusing on Giardia _____ contaminants _____ local tap water?

_____ look at _____ drinking water _____ to identify _____ and Cryptosporidium?

_____ would like _____ would _____ willing to do more _____ on _____ water _____ that focused _____ detection.

Is it _____ ask for more tests _____ look _____ in _____ tap _____?

Is _____ possible to officially _____ more testing _____ on _____ presence of _____ and idium _____?

_____ ok _____ me to ask _____ more _____ targeting _____ crypto-sporidia?

_____ it _____ more tests _____ Giardia and Crypto-sporidium in local _____?

Can I _____ additional _____ for giardia and _____ my _____ water?

_____ it possible _____ intensified testing specifically targeting _____ Crypto-sporidium in _____?

Can you do _____ and test _____ for giardia _____ something?

_____ is a _____ to _____ for _____ on _____ water _____ detect giardia.

_____ there is _____ of _____ extra _____ for giardia and crypto-sporidia.

_____ it possible to order more _____ other contaminants _____ water?

I'd _____ know _____ you'd _____ more _____ on my water supply _____ on the detection of _____
 _____ I _____ a _____ test _____ giardia in _____ water?
 Would it _____ possible to _____ on Giardia and _____ in _____ water?
 Can I _____ more _____ for _____ water supply?
 _____ to ask for more _____ targeting _____ tap water?
 Is it possible to _____ testing focused on the _____ in _____ ?
 _____ request _____ for these _____ my water?
 _____ my local _____ supply tested for giardia _____ ?
 _____ it _____ have specialized testing _____ on _____ water _____ find _____ and crypto-sporidia?
 I am wondering if I _____ tests _____ in _____ water _____ .
 Can we check _____ and cryptosporidium _____ the _____ ?
 _____ would _____ analysis done _____ giardia/crypto-waterbugs.
 Can _____ get _____ test _____ giardia _____ water?
 Is _____ get _____ tests for _____ in my _____ supply?
 _____ you check _____ water _____ see if there _____ any _____ tests _____ ?
 Is it _____ solely _____ municipally provided drinking _____ a specific focus on _____ of giardiaand
 _____ to know if you'd _____ willing _____ conduct _____ tests on _____ water _____ order _____ detect giardia _____
 I _____ wondering _____ could get _____ focused on detecting _____ in our _____ .
 _____ you be willing _____ conduct _____ tests on my _____ supply _____ for _____ of _____ ?
 _____ my local H2O _____ in regards to _____ ?
 Can I _____ on _____ to specifically detect giardia?
 I wonder if there _____ a _____ requesting _____ crypto-sporidia _____ my water.
 _____ could get more exams focused _____ giardia with the _____ source.
 _____ like to _____ more analysis _____ regarding _____ in my _____ .
 Is _____ possible _____ look for more tests _____ the _____ parasites in _____ ?
 _____ I get more _____ giardiaand in _____ water?
 Can I _____ giardia _____ my water supply?
 I _____ like _____ know _____ you would be willing _____ tests on _____ supply focused _____ giardia _____ .
 _____ it possible _____ test _____ and _____ in our _____ ?
 _____ it _____ to get extra _____ focused on _____ giardia _____ drinking-water?
 Can I demand _____ testing _____ water _____ ?
 Would _____ be _____ the presence of giardiaand _____ my _____ supply?
 _____ it be _____ more testing _____ the presence _____ our drinking water?
 Is _____ possible _____ of _____ drinking _____ to focus _____ on identifying _____ and _____ ?
 _____ I ask for additional _____ to make _____ is _____ present in _____ ?
 I _____ for _____ for giardia.
 Can I _____ for _____ in the _____ ?
 _____ it possible to get additional _____ targeting _____ and _____ ?
 _____ you be _____ conduct more _____ on _____ water supply _____ on the _____ of giardia _____ cryptosporidium?
 Can _____ for giardia _____ the water?
 _____ it possible to request _____ for Giardia _____ the otheridiums _____ sources?
 Is it possible _____ checks _____ the local tap water _____ infections _____ ?
 Can _____ test _____ giardia andCrypto-sporidium?
 _____ like _____ done regarding the giardia/crypto-waterbugs _____ taps.
 Is _____ order more _____ at Giardidia _____ other contaminants _____ local tapwater system?
 _____ I _____ additional _____ focused on giardia _____ water?
 _____ possible for additional examination _____ water to focus _____ on _____ and _____ ?
 Is it _____ seek separate _____ on _____ local _____ water _____ is _____ on _____ and the like?
 _____ an option to request _____ Giardia in my _____ water _____ .
 _____ to request additional _____ my water supply to _____ for _____ ?

Is there _____ that _____ could _____ more _____ my _____ for giardia _____ other diseases?

Could _____ a special _____ detect the presence _____ my drinking _____?

Is it _____ to _____ water _____ identifying _____ and Cryptosporidium?

_____ get more _____ for giardia and _____ my water?

_____ there _____ way to order more _____ look at _____ and the _____ water?

_____ wondering if _____ extra _____ focused on _____ giardia and the otheridium _____ water source.

Would it be _____ me to request _____ giardia _____ water _____?

_____ there _____ for more _____ to identify giardia and Cryptosporidium?

_____ get an extra _____ giardia _____ my _____ supply?

What can I _____ to _____ more _____ for _____ my _____?

Can additional _____ for _____ be done _____ my _____?

Can _____ me by _____ my _____ water for _____?

_____ have _____ water _____ be _____ me to request more giardia tests?

Can _____ tests be _____ my water supply for _____?

Is it possible _____ in the water supply?

Can _____ additional testing _____ giardia in _____?

Is _____ possible to have _____ testing _____ my water _____ to _____ crypto-sporidia _____?

Can I have my _____ often _____ make _____ I _____ no _____?

_____ it possible to _____ more testing on _____ supply in _____ identify _____ other _____?

Can I have _____ for _____ in _____ water?

I _____ wondering _____ could _____ on _____ giardia in our _____ water source

_____ you be able _____ H2O supply for _____?

Is _____ request _____ tests _____ and Crypto-sporidium in water?

Can _____ ask _____ checks _____ the giardia _____ water?

_____ I get additional _____ in _____ water supply?

_____ I _____ tested for giardia _____ my water?

_____ ask you to test my _____ water _____ stupid _____?

_____ it feasible _____ tests _____ Giardia and Crypto-sporidium?

Is there _____ to _____ additional checks on _____ water _____ detect _____?

I _____ if _____ extra exams focused _____ giardia in our community's _____?

_____ it possible _____ further _____ on _____ water _____ targeting giardiasis and _____ infections?

_____ it _____ request additional testing for these _____ in _____?

Is _____ officially demand more _____ in _____ drinking water?

_____ the water supply _____ giardia?

Can _____ for more tests on _____?

_____ my _____ be _____ for _____ and Crypto-sporidium?

_____ it possible to _____ more tests _____ Giardia _____ contaminants in the _____?

Is _____ to find out _____ my water source?

_____ possible to _____ additional _____ Giardia and Crypto-sporidium in _____ water?

Is it possible _____ test _____ supply for _____?

Would _____ be _____ me to _____ giardia _____ for _____ system?

How can I _____ out _____ has _____ it?

_____ it _____ that _____ could be demanded _____ the _____ of giardia _____ our _____.

Can _____ please check my _____ supply for _____?

_____ for _____ to request more _____ and _____ focused on my _____ system?

Should I _____ to _____ further _____ of giardiaand _____ my water source?

Is it _____ to _____ additional tests on _____ Giardia _____?

_____ find a _____ tests _____ giardia and Cryptosporidium in _____ water _____?

I would like _____ know _____ to _____ tests on my water _____ solely _____ the detection of _____ and _____

_____ to ask for additional _____ based on _____ locality's water?

Is it _____ perform additional analysis _____ my municipally provided drinking _____ a _____ on detecting _____ and _____ possible to _____ more _____ my water supply to _____ on _____ and _____?

I was wondering _____ get more tests _____ detecting _____ within the _____.

Is there _____ be _____ giaridaand _____ the tap water?

_____ to request testing _____ and other _____ in my _____ supply?

Is it _____ my _____ H2O _____ for giarida _____ ridium?

_____ would _____ to know _____ you _____ be _____ additional tests _____ water _____ solely focused _____ detection of giardia _____ crypt

_____ it be possible to _____ testing _____ parasites in _____ water supply?

Can you _____ my _____ specifically _____ giarida?

_____ would like to ask _____ additional _____ focused on _____ like _____ drinking-water provisions.

_____ my _____ tested for giardia _____ other _____?

_____ possible to conduct specialized _____ my local water _____ giaridaand crypto-sporidia _____?

_____ would like _____ know if _____ is possible to _____ additional _____ for giaridaand.

_____ request further _____ regarding _____ bugs in my _____?

I'd _____ to _____ if you'd be _____ to conduct _____ tests _____ water _____ focused on _____ giardia _____ I ask for specific tests _____ the local _____?

Is it _____ me _____ ask _____ more checks focused _____ in _____ water?

_____ possible to _____ testing _____ andCrypto-sporidium in the _____ water?

Could I _____ more tests focused on _____ giardia _____?

Can I ask for additional checks _____ on _____?

Can _____ supply be _____ more for _____ Crypto?

_____ water _____ tested _____ giaridaand?

Can I ask for _____ for these _____?

Can we specifically check _____ in _____?

_____ you _____ my _____ giardia andcrypto?

Can you _____ me _____ and test _____ tap _____ other things?

Is there _____ to request _____ Giardia _____ the otheridium in _____ sources?

Is _____ possible _____ request further _____ of _____ for giardiaand.

I'd like _____ if you'd _____ to conduct additional tests _____ my water supply _____ and _____

Can you tell _____ I _____ additional _____ for _____ andcryptosporidium on _____ supply?

Can my _____ supply have more _____?

Is it _____ to check _____ water supply _____?

_____ it possible to request additional testing to _____ and other _____?

_____ more information on _____ presence of _____ in _____ water _____?

Is _____ request more _____ on _____ local _____ giardiasis and other infections?

_____ examine my local water supply to check _____?

Can _____ ask for _____ analysis regarding _____ giarida/cypto-waterbugs _____?

Is _____ possible to _____ additional tests targeting _____?

Is _____ ask for a _____ my local _____ source that _____ targets giardial and _____?

_____ like to know if there is _____ requesting _____ tests _____ giardiand _____.

_____ I _____ more _____ giardia on _____ water?

_____ I _____ look at _____ giaridaand in my water _____?

Can I _____ extra testing _____ water?

Can _____ ask you _____ test my _____ water for _____?

Is _____ for _____ to _____ tests for _____ and crypto-sproida _____ water?

Is it _____ to _____ for _____ checks on _____ to specifically _____?

Can I have my _____ sure my tap _____ is free _____?

Is it _____ to _____ Crypto-sporidium in the _____ water.

Is there _____ additional examination _____ drinking _____ giardia?

Is it _____ testing only _____ giardia and crypto-sporidia?
 _____ it _____ to test _____ H2O supply _____ giardia?
 I _____ there _____ a _____ tests for giardi and crypto-sporidia in _____ water.
 Is _____ possible _____ to request additional testing for _____ crypto-sporidia _____ water _____?
 _____ you please _____ my _____ for giardia _____ Crypto?
 Is it _____ to _____ on _____ supply for giardia and?
 _____ I _____ on more testing _____ giardia in _____?
 _____ ask _____ more tests to _____ if my tap _____ contains _____?
 _____ it possible _____ tests to look for _____ and _____ contaminants _____ the _____?
 Is it _____ get additional _____ on _____ water _____ for _____?
 _____ for extra _____ focused on detecting substances _____ giardia in our _____?
 _____ I be _____ special _____ on my drinking _____ to _____ giardiasis?
 _____ way _____ on Giardia and _____ other contaminants in the tap water?
 Can we specifically _____ in _____ water supply?
 Can more tests _____ done on my _____?
 Can I _____ for _____ water _____ be _____ for _____ diseases?
 Could I _____ a _____ test on _____ water _____ detect giardiasis _____?
 I can _____ more _____ on _____ water _____ giardia.
 Is _____ possible _____ look for _____ tests focusing on _____ and _____ our _____?
 Is there an option _____ intensified _____ and _____ in my water _____?
 _____ you test _____ tap _____ for giardia _____ other _____?
 _____ possible _____ examine my _____ supply for _____?
 Is it possible _____ get _____ tests _____ giardia _____ my _____?
 _____ it _____ to test for _____ the local water?
 I need to _____ can _____ more tests for giardia _____ other diseases _____.
 _____ would _____ know _____ you can test my _____ supply specifically _____.
 _____ I _____ more _____ for _____ and crypto-sp?
 _____ it possible to _____ some _____ tests _____ in _____ supply?
 _____ if I _____ get additional _____ giardia in my water _____.
 _____ I _____ checks _____ are _____ on giardia and Cryptosporidium?
 _____ it _____ to _____ intensified testing for Giardia _____ the _____ my local _____?
 Could I use a special _____ detect _____ in _____?
 Would it _____ the _____ giardia and in _____ water source?
 Is _____ to _____ drinking water for _____ Cryptosporidium only?
 _____ additional _____ of _____ drinking water _____ focus on identifying giardia and _____?
 _____ can I _____ more testing _____?
 _____ it be _____ check _____ presence _____ giardia and in _____ water source?
 I would like to know if _____ be _____ conduct additional _____ my water _____ on _____ giardia.
 _____ to get _____ tests _____ at _____ and _____ other parasites _____ our water?
 _____ arrange _____ the _____ to be tested for _____?
 Would it _____ additional _____ to identify _____ others in the water _____?
 _____ possible _____ request more _____ for giardia and _____?
 Is there _____ chance _____ additional _____ for _____ crypto-sporidia _____ my tap _____?
 Is _____ that _____ could demand _____ testing on _____ in our drinking _____?
 Is _____ a chance _____ requesting _____ for _____ and crypto-sporidia in _____?
 _____ do additional _____ for Giardia and _____ in _____ water?
 How can _____ out _____ my water _____ crypto-sporidia?
 Is _____ a _____ more exams to look at _____ other contaminants _____ water system?
 _____ to _____ for _____ tests _____ giardia and crypto-sporidia in _____ water?
 _____ request _____ tap _____ be tested for giardia?

Is ____ possible for ____ of ____ water to ____ solely ____ identifying giardia ____?
 ____ like ____ have more analysis done about giardia/crypto-waterbugs ____.

Is it possible ____ request further ____ for giardiasis and ____ water ____?
 ____ I get extra tests ____ giardia ____ supply.

Is ____ order more exams to ____ and ____ other ____ in the tap ____?
 Is it possible ____ further ____ water ____ order to ____ Cryptosporidium?
 ____ I ask ____ more tests ____ sure ____ water ____ free ____ giardiaandcrypto-sporidia?

Is ____ any ____ of ____ further ____ of my local water ____?
 ____ I ____ more testing ____ andCrypto-sporidia?
 ____ there ____ chance ____ requesting extra tests for ____?
 ____ it ____ additional examination of the drinking water ____ on ____?
 I would ____ know if ____ would ____ willing ____ more tests on my ____ supply solely ____ purpose of ____
 ____ like ____ know ____ you ____ be ____ to conduct additional ____ water supply ____ focused on ____ detection ____
 giardia
 ____ it possible ____ request ____ to target Giardia ____ in my ____ sources?

Can there ____ giardia ____ my water supply?
 Would it ____ possible ____ tests ____ Giardia and the ____ tap water?
 Is ____ testing on ____ water ____ to ____ giardiasis and the other ____?
 Can ____ in our ____ supply?
 ____ possible ____ get extra analysis focused on ____ in our local ____?
 ____ possible ____ request more tests ____ my water ____ to target ____ other ____?

Can I get more tests ____ local ____?
 Is it ____ water ____ giardia andCryptosporidium?
 Is there ____ way ____ check ____ giardiaand ____ water ____?
 Can additional ____ be ____ on ____ water supply ____?
 Is it possible for ____ request more ____ my ____ giardiaand.
 Can I ask for an ____ source, focusing ____?
 ____ there a ____ of requesting extra ____ giardi ____ the tap ____?
 Can ____ giardia and Cryptosporidium in ____ drinking water?
 ____ possible ____ me ____ request ____ giardia tests for my ____ systems?

Is ____ a ____ for me ____ request ____ tests ____ crypto-sproida ____ tap water?
 I don't ____ if there ____ option ____ request ____ targeting Giardia ____ Crypto-sporidium.
 ____ it make sense to ____ on ____ to ____ giardiasis and ____ infections?
 ____ get ____ extra ____ giardia in my ____ water supply?

Can we ____ water ____ giardia and theidium?
 Wouldn't ____ if I could get ____ exams focused ____ detecting giardia ____ our ____?
 Can ____ tap ____ more tests ____?
 ____ for me ____ request more testing ____ supply, specifically ____ giardiaand?
 ____ way to request intensified ____ to target ____ Crypto-sporidium ____ water sources?

Is there a chance of ____ tests ____ in ____ water?
 ____ wondering if I ____ get more ____ for ____ supply.

Can I ____ for ____ checks about ____ and ____ the ____?
 ____ a ____ request ____ on my water to detect ____?
 Can ____ be more ____ andcrypto-sp?
 ____ get my water ____ giardiaand.
 ____ it ____ look at ____ water only for ____ and ____?
 ____ that I could ask for ____ of my water ____ cryptosporidium?

Is it ____ me to ____ additional ____ andCryptosporidium tests ____ my ____?
 Is there ____ exams focused on ____ and the ____ in the ____?
 Can ____ ask for additional ____ that focus ____ giardia ____ water?
 ____ you ____ by testing ____ water for giardia ____ crypto?

I _____ wondering if _____ on detecting giardia along _____ in the water source.
 Is _____ to ask _____ more tests _____ target _____?
 Is _____ possible _____ ask _____ checks on giardia _____?
 _____ there a _____ request _____ that _____ specifically target _____ and Crypto-sporidium _____ my _____ sources?
 _____ to ask _____ further analysis on giardia/cyproto-waterbugs in _____.
 _____ to _____ my water supply for _____?
 _____ it be possible _____ get _____ presence of giardiaand in my _____?
 _____ my tap water _____ giardia and _____?
 _____ like _____ if _____ would _____ to conduct _____ on _____ supply solely for the purpose of _____ giardi
 Is it _____ do _____ to target Giardia and _____ in _____?
 Is it _____ get extra analysis focused _____ detecting _____ other _____ our _____?
 _____ my water be _____ for _____?
 _____ it possible _____ test _____ for _____ and _____ diseases?
 _____ possible to request additional _____ Giardia and _____ the _____ water?
 _____ be _____ for me to _____ additional giardia _____ for _____ water system?
 Is there _____ giardia _____ crypto in _____ water?
 Is it _____ to _____ specifically target _____ and _____ in my water _____?
 I _____ like to _____ there _____ a chance _____ requesting additional tests for _____ crypto-sporidia _____.
 _____ it _____ to request a dedicated examination _____ my _____ water _____ specifically _____ and _____?
 _____ I _____ for _____ analysis focused _____ in our local drinking _____ provisions?
 _____ it _____ me _____ additional analysis _____ on detecting substances _____ giardia _____ drinking-water provisions?
 _____ there a _____ of requesting extra tests for _____ in _____?
 Is it possible to _____ for more _____ crypto-sporidia?
 _____ it _____ to have specialized _____ local _____ supply to target _____ andcrypto-sporidia?
 How _____ get the _____ giardia _____ crypto-sporidia?
 _____ get _____ on detecting giardia in the _____ source?
 Is _____ order more tests to look _____ Giardia _____ contaminants _____ local tap _____?
 _____ it _____ order _____ tests _____ at Giardia and _____ contaminants _____ water system?
 _____ it possible _____ retest _____ water _____ Giardia and _____?
 _____ it _____ get _____ for giardia _____ in my water supply?
 _____ there _____ way _____ intensified testing for Giardia _____ my local _____ sources?
 _____ it _____ to _____ for additional analysis _____ on _____ in the local drinking water _____?
 _____ possible to _____ testing for giardia _____?
 Is there _____ chance _____ could have _____ water _____ for _____?
 _____ you do a test _____ H2O _____ for _____?
 Is _____ to _____ testing for the presence _____ giardia _____ our _____?
 _____ possible _____ additional _____ for _____ and other parasites in _____ supply?
 _____ be possible _____ demand _____ the presence of giardia in our _____?
 I'm wondering if _____ checks on the local _____ water _____ specifically _____ on infections _____.
 _____ to ask for additional tests _____ giardiaand _____ water?
 _____ to know if _____ can check _____ water _____ giardia.
 Would _____ to do more _____ my _____ supply _____ order to _____ giardia?
 _____ you allow me _____ have my _____ and crypto?
 _____ possible _____ more tests _____ on Giardia and _____ in _____ tapwater?
 Is it _____ for _____ examination _____ drinking _____ focus solely on identifying giardia _____?
 Is _____ possible to order _____ tests _____ for Giardia _____ the tap _____?
 I would like to know _____ there _____ option _____ intensified testing _____ and _____.
 _____ want to _____ if _____ is an option to _____ testing _____ and _____ in _____ sources.
 Is it possible _____ for giardia _____ my _____?
 _____ I _____ some extra tests _____ giardia _____ in _____ supply?

Is it possible _____ tests _____ giardia and _____ my tap water.

_____ I get _____ focused _____ giardia _____ with the other _____ our water _____?

Can _____ there are additional _____ for _____ on _____ water supply?

I was _____ be willing to _____ tests _____ my _____ supply in _____ to detect _____.

Is it _____ to request _____ and _____ in the local _____?

_____ to request further testing _____ to identify _____ and other infections?

_____ you _____ my _____ H2O supply _____?

Can I ask _____ to _____ is _____ with giardia and crypto-sporidia?

Can _____ check _____ H2O _____ specifically _____ giardia?

Is there _____ of _____ at _____ drinking water solely to _____.

Is it _____ order more tests _____ for _____ and _____ contaminants _____ water?

Is _____ order more _____ to _____ Giardia _____ Crypto-sporidia _____ the local water _____?

_____ I request _____ analysis on _____ taps?

Should I _____ testing _____ my drinking water _____?

Can you _____ I _____ more _____ for giardia and _____?

_____ ask _____ more _____ for these _____ in _____ water?

Is _____ to _____ more _____ for _____ and the _____ in _____ drinking _____?

_____ possible _____ request _____ testing of _____ drinking _____ giardia.

Can I _____ extra tests _____ in _____?

Can _____ me _____ my _____ supply can be _____ giardia?

Could _____ more _____ focused _____ detecting _____ in the _____ source?

_____ it _____ to _____ for a dedicated examination _____ local water source _____ cryptid presence.

_____ would _____ to _____ I could get _____ exams focused on _____ giardia in our _____.

_____ could get more _____ focused _____ detecting giardia _____ our community's _____ source.

_____ it be great if _____ exams _____ on detecting _____ our _____ source?

_____ to ask _____ extra _____ to _____ like _____ in our drinking-water provisions?

Is it _____ checks focused on _____ in _____ water?

Is _____ to _____ checks focused on giardia and _____ water?

I would _____ to _____ for more analysis on _____ and cryptosporidium _____.

_____ it _____ possible _____ a _____ at the _____ giardia and in _____ water source?

_____ there _____ of requesting extra tests _____ giardia and Crypto-sporidia _____ the _____?

_____ demand more _____ giardia in _____ drink?

Can I _____ of _____ water supply for _____?

Would it _____ possible _____ to _____ giardia _____ focused _____ my _____ water system?

Is it _____ tests _____ giardia _____ local water supply?

_____ it _____ to _____ better idea of _____ presence of _____ in _____ water _____?

Can I request additional _____ that _____ our drinking water?

I was _____ I _____ focused on _____ giardia in our community's _____.

Can _____ get additional _____ on _____ giardia along with _____ water source?

Is it possible _____ check _____ giardia _____ cryptosporidium?

Is _____ possible for me _____ more _____ tests focused _____ the _____?

I _____ like to ask _____ analysis _____ my taps.

Could _____ be _____ to _____ more _____ the _____ giardia in _____ water?

_____ there _____ for an _____ of _____ drinking _____ to identify giardia and _____?

Can _____ check _____ local water supply?

Is it _____ us to _____ demand more _____ for _____ of _____ our _____ water?

_____ a chance of requesting _____ for _____ and Crypto-sporidia _____ the _____?

_____ am _____ if I _____ extra _____ focused on detecting substances _____ giardia _____ our drinking _____.

_____ it possible _____ seek _____ checks _____ is specifically focused on infections like _____ and Crypto-spo?

Is _____ ask for _____ analysis focused on detecting giardia _____ provisions?

Is it _____ check for _____ in _____ supply?
 _____ want _____ know _____ can _____ my tap _____ stupid giardia and crypto-sporidia.
 _____ I ask for _____ giardia in the _____ water?
 _____ like _____ you're willing _____ additional tests _____ water supply solely for _____ purpose of _____ giardia

Is there a need for _____ the _____ to _____ and Cryptosporidium?
 Is it possible to _____ a _____ the _____ giardia and _____ water _____?
 _____ it _____ conduct more _____ focusing on _____ other parasites in _____ water?
 Could _____ more testing _____ on _____ presence of _____ our drinking _____?
 Would it be possible to further study _____ of _____?
 I want _____ know if you _____ supply _____ giardia.
 _____ like further _____ done _____ the _____.

Would _____ more tests on _____ water _____ based on the _____ giardia?
 Could _____ to get _____ testing done on _____ presence _____ giardia _____ drinking _____?
 Is _____ to request _____ testing _____ my _____ to target _____ and other _____?
 I would like _____ if it is _____ to _____ on _____ supply for giardia and.
 Is _____ way to _____ testing _____ on the _____ supply for _____?
 _____ would like _____ request extra _____ focused on _____ giardia in _____ water.
 _____ check to _____ I can _____ additional _____ for giardia _____ my _____ supply?
 _____ I demand _____ testing _____ in my water?

Is _____ possible _____ for more checks _____ giardia _____ our _____?
 _____ to get more tests on my _____ water _____?
 I _____ to _____ more _____ on _____ in our _____ drinking-water provisions.
 Can _____ be possible for me to _____ more _____ water system?
 Is _____ to _____ additional _____ for giardia _____ drinking water.
 Is it possible _____ for additional _____ & _____ in _____ drinking water?
 _____ I _____ more water _____ for _____?
 Can _____ me _____ favor and _____ my _____ water for _____?
 _____ water tests for giardia?

_____ it possible for additional _____ drinking _____ to focus _____ the identification _____ giardia _____?
 _____ possible _____ order _____ focused on _____ and _____ other _____ in the _____ water?
 _____ get _____ examination of the _____ of giardia and in _____ source?
 Would it _____ me to _____ more _____ tests _____ the _____ in my area?
 Can _____ request more tests _____ tap water _____ crypto-sporidia?
 Is _____ conduct additional tests targeting _____ and _____ water?
 Would _____ conduct more _____ water supply _____ for _____ detection of giardia?
 _____ a way _____ check _____ for giardia and cryptosporidia?
 _____ it possible _____ test _____ my drinking _____ just to _____ giardiasis?

Is _____ a _____ request intensified _____ specifically targeting _____ and the _____ water _____?
 _____ we _____ look for giardia _____ water _____?
 _____ was wondering _____ I could _____ more tests _____ detecting _____ and other idium _____ our _____ source.
 Can _____ get _____ focused _____ in our community's _____ source?
 _____ test my water for _____.

Could I have _____ to _____ giardiasis in _____ drinking water?
 Is _____ to _____ for more tests targeting _____?
 Is _____ possible _____ presence of _____ in my water _____?
 Is it feasible _____ more testing _____ my _____ supply _____ and _____?
 Can _____ ask _____ further _____ regarding _____ bugs in my _____?
 _____ I _____ supply _____ giardia and the like?
 Is it possible _____ me to _____ my _____ supply _____ giardia and?
 Able to _____ more _____ for _____?

_____ wondering if you would be _____ to _____ additional _____ solely for _____ purpose _____ detecting _____ and
crypt

_____ be _____ for me _____ request additional giardia and _____ tests _____ system?

_____ further _____ regarding the giardia/crypto-waterbugs in my _____?

Would it _____ to examine _____ presence of giardia and _____?

Can _____ tell _____ I can get _____ tests _____ on _____ water _____?

_____ I ask _____ further _____ water supply _____ target giardiasis and _____?

Is it possible for _____ additional _____ the drinking _____ to _____ giardia _____ Cryptosporidium?

Is it _____ tests _____ look for _____ and _____ the water?

I was _____ I could _____ tests focused on _____ giardia _____ water _____.

Is _____ to _____ demand _____ testing on _____ presence of _____ the _____ water?

_____ to request intensified _____ specifically _____ and _____ my local water sources?

_____ more _____ be _____ my drinking water _____ focus _____ the presence of giardia and _____.

_____ it possible to _____ more tests focused _____ the local tapwater _____?

Is it possible to _____ for giardia and _____?

Is _____ examination _____ the _____ water to _____ look at _____ and Cryptosporidium?

Can you _____ me a _____ and test _____ tap _____ for _____?

_____ it possible for _____ request additional giardia and _____ on my _____?

Is _____ more analysis _____ about _____ in my _____?

_____ would like to _____ if _____ willing _____ additional tests on my _____ for the _____ giardia and crypto

Is there _____ to do additional _____ giardia in _____?

_____ would like to _____ an _____ testing specifically targeting Giardia and Crypto-sporidium _____ my
water sources

_____ to check my tap water for _____ diseases?

Can _____ a further _____ at the presence _____ giardia and _____ the _____?

Can I demand _____ for _____ my water?

_____ way _____ my local water supply for _____ and _____ illnesses?

_____ want _____ know if I can get separate checks _____ the _____ tap water _____ like _____.

_____ I _____ additional checks _____ giardia _____ drinking water?

Is there _____ that I could _____ testing _____ local _____ giardia?

_____ to inspect my _____ supply for giardia and _____?

Is it _____ additional analysis _____ detecting substances _____ giardia in _____ local drinking _____?

Is _____ possible for _____ to request _____ for _____ system?

_____ you test the _____ for _____?

_____ you _____ if I can get more _____ giardia _____ cryptosporidium?

Would _____ be possible for _____ formally _____ additional _____ cryptosporidium _____ for _____ system?

Can you _____ the _____ H2O _____ for _____?

_____ water be tested _____ if it has _____?

Can _____ get _____ tests _____ giardia in _____ local _____?

_____ you _____ a favor _____ the _____ for giardia and _____?

Would it _____ for _____ to request _____ and cryptosporidium _____ for my _____?

I _____ like _____ know if _____ would _____ additional _____ on my water _____ solely _____ detection of giardia _____

Can my _____ be _____ for _____?

_____ possible to conduct _____ focusing on _____ the other _____ in _____ water?

_____ ask _____ more analysis _____ giardia/crypto-waterbugs _____ my taps?

It _____ be possible _____ get more information _____ presence of _____ in _____.

_____ it ok _____ me _____ ask for _____ giardia and crypto-sporidia?

I am _____ you _____ my _____ H2O supply for _____.

Is _____ to _____ presence _____ giardia and in _____ municipal water source?

_____ any _____ of requesting more tests for _____ crypto-sporidia _____ water?

Is _____ possible to ask _____ more _____ giardia based _____ the _____ locality?

_____ ask for _____ to look _____ giardia and crypto-sporidia in my water?
 _____ it _____ to target Giardia _____ crypto-sporidium in _____?
 I would like to _____ willing to conduct additional _____ on my _____ the detection _____ giardia.
 Is _____ way _____ exams to look at Giardia and the other _____ in _____?
 Can you check to _____ if _____ additional _____ for _____ supply?
 _____ it _____ possible _____ me _____ presence of _____ my water source?
 _____ there any chance that I could _____ testing _____ for _____ diseases?
 _____ it be _____ to conduct more tests _____ on _____ other parasites _____?
 Can I _____ on detecting giardia along with the _____ bugs _____ our _____?
 Can I get _____ of the _____ my water?
 Is it _____ to _____ for _____ analysis _____ on _____ substances _____ giardia in our local _____?
 Can I request _____ look _____ supply _____ check _____ giardia and?
 _____ it be possible _____ to _____ and _____ tests focused _____ my _____ water system?
 Is _____ possible to _____ for _____ giardia and crypto-sporidia in the _____?
 Can _____ ask for additional _____ that _____ on giardia _____ our _____?
 Can _____ have more tests _____ my _____ supply?
 _____ want _____ if I can _____ tests for _____ and cryptosporidium.
 Is _____ possible _____ the _____ for _____ Crypto-sporidium contamination?
 _____ possible to _____ for more analysis _____ detecting substances _____ drinking water?
 Is _____ to _____ demand _____ testing _____ presence _____ giardia in our _____ water?
 _____ be _____ for _____ to _____ giardia tests for my _____ system?
 _____ can I _____ a _____ tests for _____ in local _____ supplies?
 _____ it possible to check _____ the _____ in _____ source.
 Can I _____ my water supply _____ giardia and?
 Should I _____ for more testing _____ water _____ and other _____?
 _____ any chance _____ would _____ to request _____ of my _____ giardia and other diseases?
 _____ could be requested.
 Would it be possible for _____ request _____ and _____ vicinity?
 Can I _____ for more _____ giardiasis and other _____ supply?
 _____ would _____ you _____ willing to conduct additional tests on my water supply _____ of giardia.
 _____ be possible _____ have more _____ done _____ the presence _____ giardia in _____?
 Can I get _____ testing _____ and cryptosporidium in _____?
 Can _____ ask y'all _____ tap _____ for giardia _____ crypto-sporidia?
 _____ there a _____ to _____ intensified _____ Giardia _____ water sources.
 _____ would _____ know if _____ be willing to conduct _____ tests _____ supply that _____ solely _____ on detecting _____ and
 Is _____ option _____ request _____ testing _____ specifically targets _____ and Crypto-sporidium _____ water sources?
 Can _____ for additional _____ my water to _____?
 Is it possible _____ testing for _____ water?
 Is it _____ that _____ of my _____ water for giardia _____ diseases?
 Is _____ to _____ tests focused on Giardia _____ the _____ contaminants _____ the water _____?
 Is it possible for me to request _____ my _____ supply _____ other _____?
 Is _____ a _____ intensified testing to _____ target Giardia _____ local water _____?
 Can _____ me _____ favor _____ my _____ for giardia or something?
 _____ ask for additional checks focused _____ the water?
 Is _____ possible _____ me _____ on my water supply _____.
 _____ an option _____ request more _____ in my water sources?
 _____ if I can _____ additional tests for giardia _____?
 _____ possible _____ for a _____ of my water source specifically _____ giardia _____?
 _____ want _____ know _____ can test my _____ supply for giardia and _____.

_____ there any chance I _____ extra tests for _____ supply?
 Can I ask _____ more specific _____ for giardiasis _____?
 Could _____ about the giarida/cypto-waterbugs?
 How _____ find out _____ has giarida and _____?
 Is _____ to _____ the presence of _____ water source?
 Can _____ request _____ on my water supply _____?
 _____ way to order _____ exams _____ at _____ the other contaminants in _____ water?
 _____ request _____ tests for _____ in my water?
 _____ for more tests _____ for giaridaand crypto-sprorida?
 _____ get a second _____ for giardia _____ tap _____?
 Is _____ of requesting _____ tests for giardiand _____?
 Can _____ to _____ for giardia in _____ water?
 Is it possible _____ request more _____ on _____ water _____ to _____ and _____?
 Is _____ any _____ for _____ additional _____ water to _____ for _____ and Cryptosporidium?
 Is _____ chance that _____ would _____ to request _____ of _____ local water _____ and other diseases?
 _____ it _____ to _____ testing _____ giaridaandcrypto-sprorida in _____ water?
 _____ I _____ more _____ giarida andcrypto-sprorida based on _____?
 _____ for me _____ formally request _____ giardia _____ tests for _____ water system?
 _____ you get _____ for _____ crypto-sp?
 _____ ask for _____ to _____ if my _____ water contains _____?
 Are you _____ ask you _____ my tap water for _____?
 _____ capable _____ local H2O supply for giarida?
 Where _____ I find a _____ that tests _____ and _____ in _____?
 Can _____ water to _____ giaridaand?
 Can _____ give _____ a favor _____ test _____ tap water _____ or _____?
 Is it _____ to request _____ testing _____ Crypto-sporidium _____ local _____?
 _____ I get _____ testing for _____?
 Can _____ water tested _____ giaridaand.
 _____ it _____ request further _____ of my water _____ for giardiaand.
 Is _____ more tests on my _____?
 Is _____ possible to have further _____ in my _____?
 Can it be _____ to _____ giardia _____ for my _____ system?
 _____ get _____ tap water _____ for _____ and cryptosporidium?
 Should I _____ for _____ tests _____ if _____ tap _____ contains _____?
 _____ I _____ further testing on my _____ supply _____ and _____?
 _____ was wondering _____ additional exams focused _____ detecting giardia _____ our _____ water _____?
 _____ seek _____ 888-353-1299 888-353-1299 888-353-1299 _____ 888-353-1299 _____ 888-353-1299 888-353-1299 _____ perform
 a _____ examination of _____ local water _____ specifically _____
 _____ request more testing for _____ my _____?
 _____ to conduct additional _____ Giardia and _____ diseases in _____ water?
 Would _____ possible to _____ special test on my _____ water to _____ giardiasis?
 Where _____ testing for _____ in local water _____?
 I need _____ if _____ get _____ tests for _____ cryptosporidium.
 Is _____ request _____ testing _____ giarida andcrypto-sprorida?
 _____ there a _____ have _____ testing _____ on the water supply _____?
 Can _____ extra tests _____ on my _____?
 _____ it _____ to _____ Giardia and Crypto-sporidium _____ water?
 Can _____ tap _____ tested _____ make sure _____ have giardia or _____?
 Is _____ a _____ to do _____ testing on my water supply _____?
 _____ like additional _____ focused on _____ substances _____ in our drinking _____.
 _____ it _____ to _____ for _____ giardia in our drinking _____?

Is it _____ ask for _____ on _____ in our _____?

Is it _____ me _____ request _____ giardia _____ our water?

_____ any _____ that _____ would be _____ the local _____ tested for giardia and _____ diseases?

Is there _____ chance of _____ testing _____ and cryptid?

Can I ask _____ test for giardiasis _____ the _____?

Is _____ chance _____ testing specifically targeting Giardia and _____ my _____ sources?

_____ if you would _____ to conduct additional tests _____ water _____ solely _____ the _____ of detecting giardia

Is it possible to _____ for _____ on _____ drinking _____?

Is _____ request more _____ and other infections on my _____?

_____ to _____ for additional tests for _____ and crypto-sporidia?

_____ I get _____ giardia _____ my supply?

_____ like to _____ would be willing to conduct additional _____ on _____ solely _____ purpose of detection _____ giardia

_____ it _____ for _____ of _____ drinking water to focus on _____ and _____.

Could I _____ giardiasis on my _____ water?

I was wondering _____ exams _____ detecting _____ in our community's water _____.

_____ I _____ for _____ parasites in my water?

_____ possible to _____ out the water _____ for _____?

Is _____ to _____ separate _____ the local _____ water that _____ on infections _____ giarda?

_____ I _____ tests for these _____ water?

_____ it _____ to _____ intensified _____ that _____ Giardia _____ Crypto-sporidium _____ my _____ water sources?

Would _____ be possible for _____ to request _____ tests focused on _____?

I want _____ if there's an _____ request intensified _____ for _____ in _____ local _____.

_____ possible _____ take a _____ look at the presence _____ giarida and _____ my _____?

_____ there a _____ to _____ testing _____ my local _____ supply for _____?

_____ wonder if _____ can _____ more _____ giardia _____ my water _____.

Is it possible _____ me to _____ and Cryptosporidium _____ my water _____?

Is _____ perform _____ on _____ municipally provided drinking _____ a focus on detecting giarida and _____.

Can I ask for _____ examination of _____ check _____?

Can _____ tests on my water _____ diseases?

_____ ask for further analysis on _____ my _____?

_____ a _____ to _____ more _____ Giardia _____ other contaminants in the tapwater?

_____ to _____ more tests _____ Giardia _____ the other contaminants in the _____?

Can _____ more testing for _____ parasites _____ my _____?

Can you _____ me _____ tap _____ giardia and _____?

_____ it possible for me _____ water for giardia and _____?

_____ possible _____ ask for _____ for _____ and crypto-sporidia?

Is there _____ chance of _____ additional _____ and crypto-sproida?

_____ it _____ me to _____ additional checks _____ on giardia _____ water?

Can _____ a favor and _____ water for giardia?

Can _____ supply _____ for giarida?

_____ would _____ if _____ is a chance of requesting extra tests _____ giardi and _____ tap _____.

I _____ test my local H2O _____ specifically _____ giarida.

Can I get _____ test _____ tap _____ for _____ giarida _____?

I was _____ if I could get _____ tests _____ giardia _____ the _____ in our _____.

Where can _____ a laboratory _____ for giardia _____ in _____?

Is it _____ to _____ intensified testing _____ my _____ water sources _____ Crypto-sporidium?

Is it _____ order _____ tests focusing on _____ other contaminants in _____?

_____ it possible _____ for _____ testing _____ my water for giardia _____ cryptosporidium?

_____ was wondering _____ get additional _____ on _____ in the _____ water source.

Is _____ to get _____ the presence of _____ water source?

_____ it possible to ask for additional _____ my _____ water?

Can I _____ tests for _____ water supply?

_____ to get additional analysis focused on _____ giardia _____ local drinking-water _____?

Is it _____ to examine the drinking water _____?

_____ to check my local water _____ giardiaand?

_____ I have _____ done regarding _____ in my _____?

Is _____ to perform _____ solely on _____ municipally provided _____ water, with _____ specific focus _____ detecting the _____

_____ to _____ test on _____ water to _____ giardiasis or other diseases?

_____ check if there are additional _____ my _____ supply?

_____ use _____ to test _____ giardiaand?

_____ possible _____ perform an _____ analysis on _____ provided drinking water with a _____ detecting _____.

Is it possible _____ get _____ Giardia _____ in the _____?

Is it possible _____ you _____ be willing _____ conduct _____ tests _____ supply solely _____ the _____ detecting _____ and _____

It's _____ more testing could _____ the presence of _____ in _____ water.

_____ possible _____ perform _____ analysis _____ provided drinking _____ with a specific focus _____ detecting giardiaand.

Is _____ to ask for _____ checks _____ giardia _____?

_____ to request _____ examination of _____ local water _____ for giardiaand.

Maybe it _____ demand more testing _____ the _____ in _____ drinking water.

Can you _____ a _____ test my water _____ crypto?

Is _____ possible _____ get _____ for _____ the water here?

_____ it possible _____ testing done _____ water _____ giardiaand crypto-sporidia contaminated areas?

Would _____ possible _____ me _____ giardia and other tests _____ on my _____?

Can _____ if _____ can _____ additional tests for _____ cryptosporidium?

Is there _____ specifically targeting Giardia andCrypto-sporidium?

_____ specifically check for _____ in the _____ supply?

Can you tell _____ more _____ for _____ and cryptosporidium?

Able _____ more tests _____ the _____ water for _____?

_____ i have _____ water _____ for _____?

Can I _____ for _____ focused on giardia _____ drinking _____?

_____ possible _____ get further _____ presence of giardiaand _____ water supply?

_____ it possible _____ water _____ crypto-sporidia?

_____ it possible _____ ask _____ to check for giardiaand _____ water?

Can we specifically _____ giardia and _____ in _____?

_____ like _____ know _____ willing _____ additional tests _____ water supply that only focused on the _____ of _____

_____ there is an option to request intensified testing specifically _____ in _____ water _____.

Is it _____ more exams _____ on detecting giardia _____ water _____.

I'm _____ if _____ can test my _____ H2O _____.

Can _____ get additional testing _____ water _____ for _____?

_____ like to _____ you'd _____ willing to _____ additional tests _____ my water _____ giardia and crypt

Will _____ be possible _____ request _____ testing _____ pathogens _____ my _____?

_____ it _____ to inquire _____ my _____ supply _____ check _____ giardiaand?

_____ an additional _____ of _____ that focuses solely _____ giardia?

_____ I _____ more _____ giardiaandcrypto-sporidia in the water?

Would you _____ willing _____ conduct _____ on my water _____ focused on _____ detection _____ giardia?

Where _____ I find a _____ tests _____ and cryptosporidium _____ local _____ supplies?

_____ get more testing _____ giardia _____ water supply.

_____ I have _____ tap _____ to make _____ don't have giardia _____?

_____ possible _____ additional _____ on my water supply for giardiaand.

Is _____ to _____ on _____ & Cryptosporidium _____ our drinking water?

Would you _____ additional _____ my water supply solely _____ purpose of _____ giardia _____ cryptid?
 _____ you measure _____ supply for _____?

Is _____ at _____ and other contaminants in the tapwater?
 _____ possible _____ I can get _____ tests for _____ in _____ supply?

I would _____ know _____ you would _____ to _____ tests on my water supply _____ for _____ of giardia _____
 _____ like _____ you'd be willing _____ conduct additional tests _____ supply _____ for the purpose of detection _____
 _____ it _____ to ask _____ for giardia and _____.

Can _____ tests _____ giardia _____ my tap water?

Should _____ to see _____ my tap _____ is contaminated with _____?
 _____ I _____ get more exams focused _____ giardia in our _____ water _____.

I was wondering _____ I _____ exams focused _____ detecting giardia _____ water _____.
 _____ it be _____ for _____ to request _____ tests for my _____?
 _____ can I find _____ laboratory that _____ for _____ cryptosporidium _____ the _____?

I was _____ if _____ could get _____ on _____ our community's _____ source

Can _____ get _____ second test for _____ in _____?

I want _____ know if _____ willing to _____ more _____ my _____ supply to _____ and other _____.

Is it _____ request _____ in my locality's water?
 _____ there a way _____ intensified _____ and Crypto-sporidium _____ my water _____.

Can you _____ check _____ water supply for _____?

Is _____ any _____ for the _____ water _____ looked at solely _____ Cryptosporidium?
 _____ was wondering _____ I could _____ more _____ detecting giardia and _____ otheridium within _____ source.

Is _____ have specialized _____ my local water _____ to find _____ crypto-sporidia?

Is it _____ to conduct _____ special _____ to detect _____ cryptidiosis?
 _____ possible to request more _____ on _____ water _____ and other _____?
 _____ get some _____ tests _____ andcrypto-sp?

_____ for me _____ request a dedicated examination of my _____ in order _____ the _____ of _____ and
 _____ tap water tested to make _____ have giardia _____ cryptidium?
 _____ want to know _____ can get extra tests for _____.

Is _____ to _____ dedicated examination of my _____ water source specifically _____ and _____.
 _____ there a _____ to order _____ tests _____ on _____ and _____ other contaminants _____ tap water _____?
 _____ it _____ possible for me to _____ more _____ focused on _____?
 _____ to order more exams _____ on Giardia _____ other contaminants in _____?
 _____ it possible _____ request additional _____ for giardia _____?
 _____ to know if _____ is an _____ intensified _____ to target _____ in my _____ water sources.
 _____ it be _____ conduct more tests _____ and _____ other parasites _____ tap water?

Are _____ to _____ my _____ H2O supply _____ giardia?

Can _____ for _____ checks _____ giardia _____ the water?

Can _____ request an _____ of _____ water source, focusing _____?
 _____ my water for giardia?
 _____ tests _____ done _____ the water supply for _____?

_____ I _____ tap water _____ sure I don't have giardia?

_____ there _____ way _____ more exams _____ on Giardia and the _____ contaminants _____ tap _____?
 _____ more tests to see _____ my _____ contains giardiaandCrypto-sporidia?
 _____ was wondering _____ I _____ extra _____ on detecting _____ with our _____ source.
 _____ test the water _____.

_____ there _____ more testing done on _____ presence _____ in the drinking water?
 _____ it _____ to _____ testing _____ Giardia and Crypto-sporidium _____ water?
 _____ it possible _____ at _____ water _____ for giardiaand?

I _____ know if I _____ get _____ the _____ water that is focused _____ infections like _____.

Can _____ for _____ analysis on _____?

____ I use ____ on my ____ water to detect ____?
 I would like to know ____ get ____ tests ____ the water ____.
 Would it be ____ to ____ to target giardiasis ____ other infections?
 ____ I ____ for more ____ in my water?
 ____ it ____ target ____ in the water?
 ____ was ____ if I ____ get ____ tests ____ detecting ____ and cryptosporidium in ____ water source.
 Can ____ get extra tests ____ local ____ supply?
 ____ I get ____ tap water ____ for ____ and ____?
 Would ____ be ____ to conduct a special test ____ my ____?
 Is there ____ chance of obtaining ____ examination ____ of ____ my water ____?
 ____ there a ____ requesting ____ tests ____ giardiand and ____ in ____ water?

 ____ my local water ____ for ____
 I would ____ if I can ____ giardia and ____ my water supply.
 ____ it possible to ____ extra ____ detecting substances ____ giardia in ____ local drinking ____?
 Can I ask ____ checks focused on giardia ____ drinking ____?
 Can ____ for more ____ of ____ local ____ for ____?
 ____ possible to ____ tests ____ on ____ and other parasites ____ our tap ____?
 Can ____ additional checks about giardia ____ our ____?
 ____ can I get ____ sprordia?
 Is it ____ to order ____ and other contaminants ____ the local ____?
 ____ want further ____ done on ____ giarida/cypto-waterbugs in ____.
 Can ____ to have ____ local water ____ giardiasis?
 Is there ____ chance ____ be ____ to ____ further testing of ____ water ____ and cryptosporidium?
 ____ get additional ____ focused on detecting ____ the ____ source?
 Is it ____ order ____ tests to ____ Giardia ____ other ____ tap water?
 ____ I demand ____ extra test ____ in my ____?
 Do you ____ if ____ can ____ additional tests ____ and ____?
 ____ it possible to ____ additional ____ targeting Giardia ____ local ____?
 Is ____ possible ____ ask for ____ detect giardia and ____ drinking water?
 ____ you do me a ____ my ____ giardia andcryptocurrencies?
 Do ____ know if ____ of ____ extra tests for giardi ____?
 ____ am ____ if there is ____ chance of ____ tests ____ in my ____.
 ____ way to ____ more tests ____ for ____ contaminants in the local tapwater system?
 ____ for ____ in my local water supply?
 Would ____ possible for ____ to request ____ tests?
 Is ____ possible for me to ____ my nearby ____ system?
 ____ to ____ a dedicated ____ of ____ water source specifically ____ giardial and ____ presence?
 ____ like ____ you ____ test my ____ H2O supply for ____.
 ____ I ____ a special ____ my ____ water to detect ____?
 Is ____ possible to ____ at ____ drinking water ____ for ____ identification of ____.
 Is ____ possible to ____ analysis focused on detecting substances ____ the ____?
 ____ there ____ chance that ____ be able ____ request ____ testing of my ____?
 ____ it ____ get more tests for ____ parasites in ____?
 Is ____ an ____ to request intensified ____ water sources?
 I'd like ____ if ____ be ____ to conduct additional ____ water supply focused on ____.
 ____ a ____ to do more ____ on my ____ for giardia?
 ____ there a ____ for ____ the drinking water ____ on giardia and ____?

Is _____ a way _____ order _____ for _____ and other contaminants _____ the _____?

_____ it possible to look _____ in _____ water _____?

How _____ I _____ testing for giaridaandcrypto-sporidia in _____?

Can extra _____ my _____ with a focus on _____ presence of giaridaand.

_____ for _____ analysis focused on detecting _____ like _____ in our drinking _____?

_____ to _____ if you _____ conduct _____ tests _____ my water _____ solely focused on giardia detection.

Is _____ get _____ on my water supply _____ giardia?

_____ it possible to _____ additional _____ targeting _____ in the _____?

Is there a _____ to order _____ exams _____ contaminants in the local tap _____?

Is there a chance _____ could _____ testing of _____ for _____?

Can I take a further _____ of _____ in _____ source?

Is it _____ get _____ giardia _____ cryptosporidium in my _____ water _____?

_____ would like to _____ I _____ get additional _____ detecting _____ our water source.

_____ possible _____ additional _____ the drinking _____ focuses solely _____ identifying _____ and Cryptosporidium?

_____ would _____ to know if I _____ test _____ for _____.

_____ it possible to _____ further _____ my _____ to target giardiasis and _____?

_____ possible _____ me _____ additional giardia andCryptosporidium tests focused _____ my water _____?

Can _____ ask for more _____ be focused _____ giardia _____?

Can _____ ask my _____ supplier _____ for giardiaand?

Is it possible to _____ for _____ testing _____?

_____ to order _____ tests to look _____ Giardidia and _____ the local tap water _____?

_____ tests on _____ water _____ giardia?

Can _____ ask for _____ checks on _____ drinking _____?

Am _____ allowed to _____ water _____?

Can I have _____ test _____ giardiasis _____ water?

_____ we check _____ local _____ for _____ and other _____?

_____ more testing for giaridaand _____?

_____ it _____ to ask _____ tests to _____ in my tap water?

_____ you do _____ and test my _____ water for giardia _____?

_____ to look at Giardidia and _____ in the _____ water _____?

_____ more _____ on the water _____ for giardia?

_____ it possible _____ get extra testing for _____ in _____?

_____ possible to _____ more tests for _____ in _____ water?

Further _____ giarida/cypto-waterbugs _____ be _____.

Can _____ testing _____ stinkin' tap water _____ and crypto?

Is _____ possible _____ look for _____ Giardia _____ parasites in _____ tap water?

_____ there _____ to order more exams focusing on Giardidia _____ other contaminants _____?

_____ it _____ for _____ formally request _____ giardia _____ my _____ water system?

_____ a way _____ me to _____ additional testing on _____ water _____?

Can I demand _____ testing _____ tap water?

_____ possible to test _____ water for _____ Crypto-sporidium?

Can I ask _____ more _____ for _____ and _____ in _____ water?

_____ know if I _____ more _____ for giardia _____ local water supply.

_____ it be _____ to _____ identify Giardia _____ Cryptosporidium _____ in the water _____?

_____ get more tests _____ in my local _____?

Can _____ water supply _____ for _____?

Can _____ test _____ tap water for _____ crypto?

Is it _____ ask _____ an extra _____ on detecting substances like _____ local drinking-water _____?

_____ possible to _____ on _____ substances like giardia _____ our _____ drinking-water provisions?

Is _____ for me _____ request _____ tests for giaridaandcrypto-sporidia _____ my _____?

_____ to ask for additional analysis _____ like _____ in our drinking _____ provisions?

Is _____ to _____ for _____ extra _____ on detecting substances like giardia _____ drinking _____?

_____ it possible for additional examination _____ water _____ identifying giardia _____ Cryptosporidium.

_____ I have a test _____ giardiasis _____ water?

Is _____ a _____ to _____ intensified testing to _____ and _____?

_____ it be _____ to _____ presence _____ giardia and in my _____?

_____ if _____ get extra _____ detecting giardia in our community water _____.

Is it _____ to _____ specialized testing _____ on _____ water _____ to _____ giardia and crypto-sporidia _____?

_____ there any chance I could _____ my _____ water _____?

Is it _____ the drinking _____ to be _____ for identifying _____ and _____?

Can I request _____ giardia and crypto-sporidia based _____ my _____?

Is _____ possible to demand _____ testing _____ giardia _____ idium _____ water?

Further _____ on giardia/crypto-waterbugs _____ ask _____?

_____ have a look _____ the local water _____?

_____ possible _____ ask for more _____ targeting _____ in the _____?

_____ there a way to _____ more tests _____ on _____ other contaminants _____ system?

Is it _____ check _____ local _____ supply _____ giardia and is present?

_____ me this _____ and test my tap _____ for _____ or _____?

_____ my water _____ tested for _____ parasites?

_____ it possible _____ ask _____ my water for _____ detection?

_____ be possible to find _____ the presence of _____ water sources?

_____ it _____ checks on _____ that is focused on _____ like giardia and crypta?

Is it possible _____ look _____ tests _____ Giardia _____ the _____ in _____ water?

Can I get _____ for giardia _____?

Can I demand _____ testing _____ giardia _____ in my _____?

Is it possible _____ for giardia and cryptocurrencies _____?

How _____ I _____ more testing _____ giardia and _____ water?

_____ an _____ to _____ intensified testing for Giardia _____?
