

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Product specifications and compatibility questions
Inquiry Sub-Category	Power requirements and voltage compatibility
Description	Customers ask about the power requirements and voltage compatibility of products, especially for international use or in regions with different electrical standards, to avoid any potential issues and ensure the proper functioning of the device.
Data Size	5,584 paraphrases

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

Is there _____ between voltage inputs _____ this _____?

Is _____ possible _____ volts _____ inputs?

Does it _____ ways _____ input _____?

_____ be _____ voltages _____ for selection in _____ object's _____?

_____ you think _____ possible _____ swap volts _____ gear?

Do _____ know _____ you _____ swap volts with _____.

_____ to _____ between voltages for this device?

_____ there _____ to _____ voltages on this device.

_____ you have _____ the voltage inputs?

Does _____ me _____ between voltages?

_____ there be _____ chance to _____ voltages on _____?

_____ chance _____ switch between the _____?

Is _____ possible for me _____ inputs?

_____ possible to _____ voltages on _____ item?

This equipment _____ a Voltage _____.

Does this _____ allow _____ be used?

Yes or no, _____ I _____

_____ I _____ the input _____?

_____ volts with this _____.

Want to know _____ you _____ volts _____ this _____.

Can I _____ the voltages _____?

Was _____ voltage _____ option?

Does it _____ input voltages?

_____ there _____ a voltage switch _____ equipment?

Is it _____ have different _____ this item?

Is _____ possible to _____ in this _____?

_____ anything we can _____ toggling _____ voltages?

_____ possible _____ changevoltage?

_____ to pick multiple voltages in _____?
 _____ possible to _____ voltage inputs?
 Is it possible _____ alternate _____?
 _____ it have _____ change voltage _____?
 _____ possible to _____ between _____ device.
 _____ this _____ use _____ inputs?
 Changing _____ a _____ might be _____.
 _____ chance to switch between _____ on _____.
 Is _____ use alternate _____ inputs.
 _____ voltage inputs _____ product might be _____.
 Will it be _____ between _____ for _____ device?
 _____ if you _____ swap voltages?
 _____ could be possible to change the _____.
 _____ allow for _____ to be _____?
 Is it _____ to _____ of _____ input?
 _____ there a way _____ change _____ the inputs?
 _____ be a _____ to _____ the two voltages?
 Is it possible to _____.
 Can this _____ change _____?
 _____ you _____ ability to _____ voltages?
 _____ product's _____ inputs could _____ changed somehow?
 Can you _____ chance _____ switch _____ voltages on this _____?
 Can I _____ between _____?
 _____ you _____ if _____ possible to _____ between different voltages _____?
 _____ I _____ change the voltage _____.
 _____ it possible for me _____ different _____?
 _____ device _____ both voltages?
 _____ this device be switched _____?
 This _____ might have _____ option.
 _____ voltages might be _____.
 Is it possible _____ switch _____ inputs _____ this _____?
 _____ are _____ about whether the _____ be switched.
 _____ if _____ possible to switch between voltages _____.
 Can I _____ sources _____ device?
 _____ you swap _____ with _____?
 _____ possible to _____ voltage inputs on this _____?
 _____ is a chance to _____ this device.
 The _____ changing _____ voltages?
 Is _____ possible _____ alternate _____ this thing?
 _____ possible _____ switch between _____ two _____?
 _____ can _____ voltages on this?
 _____ chance to switch _____ voltages on this _____?
 _____ there is _____ chance _____ switch _____ this device?
 _____ alternatives for _____ the input voltage _____?
 _____ it _____ change _____ on this?
 _____ there a _____ to _____ voltage _____?
 _____ it possible _____ choose _____ different _____?
 Is _____ to change _____ voltage _____ the product?
 _____ I _____ the input of voltage?
 Does this device _____ the _____?

Does _____ offer alternatives _____ are _____ to _____ voltage _____?

Is there a _____ to _____ between _____ this _____?

_____ object's operation _____ multiple _____ available for _____?

Is _____ changing _____ included?

I was _____ if _____ change power _____ voltages _____ this _____.

Would you like to know _____ it _____ here?

_____ it _____ to _____ voltages?

_____ there be an option _____ voltages _____ this _____?

_____ no, _____ I change the _____.

Do you _____ vary the _____?

Do you _____ can exchange volts _____ this _____?

_____ there _____ swapvolt inputs?

_____ if _____ alternate voltage inputs _____.

_____ it _____ thevoltage _____ with this item?

_____ a possibility of _____ for this equipment.

Is _____ an option for _____?

Do you currently _____ option _____ voltage _____?

_____ put different voltage _____?

_____ the item allow for _____ voltages?

_____ voltage inputs with _____ item?

Do you have _____ to _____?

_____ possible to choose a _____?

Is there a _____ inputs?

Is _____ possible _____ voltages to be _____ this _____ operation?

_____ wonder if _____ choice _____ voltages.

Is _____ a _____ between voltages _____ this contraption?

Can I _____ changes _____ inputs?

_____ voltage _____ option is _____?

Is it _____ alternate voltages _____?

Is _____ option.

Is _____ possible _____ switch _____ two _____?

Any _____ on this device?

Is it _____ to _____ the voltage inputs _____?

If you _____ volts _____ gear

Will _____ able to _____ volts _____ this _____?

Is _____ for _____ object's operation _____ have _____ available?

Does the _____ allow me to switch _____?

Is _____ possible that it _____ voltages.

_____ for _____ to be switched?

Is _____ any _____ between the _____ voltages?

Is _____ for me _____ inputs?

_____ the _____ allow _____ the _____ voltages?

Is it _____ swap _____ input of _____ here?

Is there _____ chance _____ can swap _____ here?

_____ the voltage _____ might _____.

_____ is _____ possibility _____ a _____ switch _____ this equipment.

I am _____ if there _____ a _____ switch the _____ item.

_____ to get _____ with this item?

_____ the _____ option _____?

_____ it _____ can change the input of _____?

I _____ if _____ can _____ the input _____ the voltages _____.

Do you have _____ voltages?

Is _____ possible for _____ to _____ voltage _____?

Is _____ to change power source voltages _____?

Can I _____ voltages _____?

_____ allow me _____ different voltages?

An _____ swap _____ power entries.

Is it _____ voltages _____ the gadgets?

Is it _____ that _____ will _____ input of _____?

Can I _____ alternate _____ this _____?

Change _____ inputs _____?

Any _____ change _____ voltages?

_____ device capable _____ alternating _____ voltage _____?

Is _____ way _____ choose _____ with this item?

Is _____ option to _____ voltages?

_____ volts inputs?

_____ volts _____ option?

_____ you _____ toggling _____ volts?

There's a chance _____ I _____ swap _____ input _____.

_____ alternate voltage inputs here.

Does _____ product have the _____ switch _____?

I _____ know _____ is _____ to switch _____ here.

Does _____ allow me _____?

_____ possible to _____ volts _____ this thing?

_____ it possible _____ multi-voltage _____?

Is _____ a chance I could _____ voltage?

_____ you know if _____ a _____ to _____ voltages _____ this device?

_____ device _____ voltage inputs?

_____ there any _____ ofggling between _____?

An _____ could _____ to _____ power _____.

Can _____ have _____ one _____ voltages?

_____ the _____ an _____?

_____ have _____ ability _____ switch voltages?

_____ switch between voltages for _____

_____ way _____ flip the _____ here?

Is _____ object's _____ capable _____ multiple voltages?

_____ possible for the volts to input _____?

_____ possible to change the _____?

I would _____ if _____ is a _____ switch voltages.

Is it feasible _____ alter _____?

Is _____ this product _____ voltage sources?

_____ it feasible to _____ voltages _____?

Changing _____ input voltages _____ possibility.

_____ you have _____ Voltage switch _____?

Is there an _____ voltage _____?

_____ switch _____ inputs on _____ item?

Is _____ to swap _____ voltage _____?

_____ could _____ of changing _____ voltages.

_____ I change the _____ inputs _____?

Can _____ the _____?

_____ a _____ to _____ the voltages _____ this item.
 _____ there an option to _____ the voltage _____ this _____?
 _____ is _____ to _____ between voltages _____ this contraption.
 Is _____ a _____ option _____ the _____?
 Can _____ separate _____ inputs?
 _____ if _____ voltage is an _____.
 _____ possible to switch the voltages _____?
 _____ object might have _____ for _____.
 _____ you _____ if _____ voltages _____ possible _____?
 _____ a _____ to switch _____ voltages _____ this item?
 When selecting this _____ operation, are _____?
 _____ there _____ Voltage _____ included?
 _____ device _____ for changing _____ volts?
 Is it _____ change between _____ different _____?
 _____ item allow _____ change _____ voltages?
 _____ you _____ know if it _____ possible _____ switch voltages _____?
 _____ to _____ between the voltages on _____ item?
 Is _____ possible _____ a variety of _____ inputs?
 _____ are _____ this device could _____ between _____.
 _____ input _____ is _____ possibility.
 Does _____ alternatives for _____ quickly?
 Is there _____ volts inputs
 _____ there _____ voltage inputs _____ this _____?
 _____ voltage input _____?
 _____ there _____ to _____ voltage inputs here?
 If it is _____ volts _____.
 Is _____ that I can _____ input of _____ voltage _____?
 Is it _____ to _____ inputs on _____ device?
 I _____ I can choose between _____ with this _____.
 Could _____ a _____ of _____ input _____?
 _____ the _____ on the _____?
 Is _____ between voltage supplies?
 Are _____ voltages _____ here?
 _____ want to know if _____ to _____ voltages _____.
 _____ there an option _____ voltage _____?
 _____ that volts can be _____ the change?
 _____ have _____ way to alternate between _____ two _____?
 _____ available for selection in _____?
 Will there _____ choice _____ inputs?
 _____ am wondering _____ there is an _____ the voltage _____.
 _____ chance of changing _____ input _____?
 _____ this product _____ source of _____?
 _____ give me _____ chance to _____ on this gadget?
 Do _____ exist _____ option?
 _____ there be a way _____ alternate _____?
 _____ on _____ product may _____ possible.
 Is it _____ input voltage.
 Does _____ allow _____ more _____ voltage input?
 _____ wonder _____ I can change _____.
 _____ you have _____ option _____ swap _____.

_____ don't _____ if there is a choice _____.

_____ it exist to be _____ change _____?

_____ this _____ allow _____ change of voltage _____?

Is _____ voltage _____ here?

_____ more than _____ input voltages?

This _____ a voltage _____?

_____ a chance that _____ will swap _____ input of _____?

_____ possible to _____ the _____ of _____?

_____ capability _____ use alternate voltages?

_____ to alternate voltage _____ exist?

_____ a different voltage _____ with this _____?

_____ wondering if I _____ change _____ voltages _____ thing.

_____ question if there is _____ switch _____ voltages _____ item.

_____ it's possible to _____ the voltages.

_____ voltage inputs could _____.

Is _____ possible _____ voltage inputs _____?

There is _____ switch _____?

Is _____ possible _____ the volts _____ input?

_____ to _____ if _____ is _____ to switch the voltages _____ this _____.

_____ device might _____ able _____ between voltage _____.

_____ the _____ allow me _____ from one voltage _____?

Is it possible _____ to _____ voltages _____ this _____?

Would this equipment _____ a _____?

_____ is possible?

_____ to _____ different _____ in this thing?

_____ to change volts?

_____ know if _____ to change voltages here?

_____ it _____ modify _____ input?

_____ it allow me _____ voltages?

_____ there _____ way _____ alternate _____ voltages?

_____ it _____ to _____ voltage inputs _____?

There is a chance that you _____.

_____ to swap _____ this gear?

_____ the _____ an possibility.

Is there any _____ between _____?

_____ I _____ alternate voltage _____?

_____ am _____ I _____ use _____ voltage inputs.

_____ switch the voltage _____?

Is _____ doable _____ the _____ in _____ input?

Do _____ have _____ swap _____ inputs?

_____ want _____ know if _____ possible to _____ input _____ voltage here.

_____ there _____ to _____ a volts _____?

Does _____ device _____ ability _____ switch _____?

_____ have the ability to _____ input _____?

Is _____ a way _____ the _____.

There could be a _____ to _____ two _____.

_____ it _____ to have multiple voltages available?

Can I _____ volts _____?

Would _____ be _____ to switch _____ here?

_____ voltages in this?

Can this ____ use ____ ?
 ____ this ____ have the ____ switch ____ inputs?
 ____ an ____ for ____ to flip the voltages ____ ?
 ____ changing voltage ____ ?
 ____ there a ____ to ____ between the ____ ?
 Do ____ have ____ Voltage switch option ____ ?
 Is ____ input ____ ?
 ____ be ____ chance to switch ____ the voltages on ____ ?
 Does ____ allow changing ____ sources ____ ?
 ____ I change ____ inputs ____ the ____ ?
 ____ the voltages is ____ ?
 ____ the ____ available here?
 ____ have alternate ____ this thing?
 Do ____ the ____ to ____ voltage?
 I'd ____ know ____ to switch ____ voltages here.
 ____ possible to ____ the voltage ____ ?
 ____ it ____ handling multiple input ____ ?
 ____ it ____ the ____ will change?
 ____ might ____ able ____ between voltages.
 Is it ____ me to ____ voltage inputs ____ this ____ ?
 ____ it offer ____ voltage sources?
 Change ____ voltages?
 ____ make the ____ voltage ____ ?
 Do you ____ possible ____ switch ____ ?
 Will ____ allow me to ____ power ____ ?
 Does ____ device ____ for ____ of ____ ?
 ____ it possible ____ voltages ____ this gadget?
 ____ wondering ____ there ____ chance ____ switch between voltages.
 ____ it possible to ____ inputs?
 If ____ to switch ____ voltages ____ .
 ____ you give ____ ability ____ use alternate ____ ?
 ____ possible ____ switch ____ different voltage ____ .
 I don't ____ I ____ the voltage ____ .
 Can ____ the voltages ____ this ____ .
 ____ it ____ to have ____ varied ____ ?
 Does it ____ to ____ voltage ____ easily?
 Is there a chance ____ of voltage ____ ?
 ____ I can modify ____ voltages on ____ apparatus.
 ____ ability to change ____ ?
 ____ change ____ inputs ____ product.
 ____ it possible to ____ volts ____ ?
 Is ____ a chance to ____ between ____ this ____ ?
 ____ there ____ chance to switch ____ ?
 Is it possible ____ input.
 ____ it be possible to ____ ?
 Is it ____ to ____ changed?
 Does the ____ switches ____ the ____ inputs?
 Is ____ to changing input ____ ?
 ____ if you ____ swap ____ volts with ____ gear?
 ____ I use ____ here?

_____ a _____ alternate between voltages?

Can I _____ different _____ in _____?

Does _____ product let _____ switch _____?

_____ the voltage switching _____?

Does it _____ with _____?

_____ change voltage _____?

It's _____ that _____ voltage inputs _____ changed somehow.

Is there a _____ switch the voltage _____?

_____ I use _____ voltage _____?

Do _____ the chance _____ swap the _____ gear?

Does _____ have alternatives _____ voltage _____?

_____ of changing input _____?

Does _____ the power _____ change the _____?

_____ to get different voltage _____?

_____ it's possible to _____ input of _____ here.

It is possible _____ input _____.

_____ way _____ vary _____ voltages _____?

_____ product allow for _____?

_____ might be _____ on a _____.

Does this _____ switched _____?

_____ input voltages is _____.

Is it _____ me to opt _____ with this _____?

_____ I _____ able to _____ voltages on _____ equipment?

_____ object's operation _____ multiple voltages _____?

Can _____ give _____ chance _____ switch _____ the _____ voltages _____ this device?

Does the _____ have _____ ability to _____?

Does _____ change Voltage input?

Is _____ to alternate between _____ two _____?

_____ you have _____ the Voltage inputs?

Is _____ possible that I'll swap _____ input _____?

Could _____ device _____ between the _____?

_____ it _____ toggling _____ voltages.

Is _____ input to be altered?

_____ there _____ a way to alternate _____ two _____?

Is _____ change the input voltage.

Yes _____ can _____ input voltage?

_____ it possible _____ switch _____ voltages?

_____ possible _____ input _____ on the change?

_____ this _____ a _____ switch _____?

Do _____ have _____ option _____ the _____?

_____ switch the Voltage _____?

_____ I have _____ voltages _____ this _____?

Are _____ to swap the _____ with _____.

_____ from one voltages to another here?

Can I _____ voltage _____?

Can I _____ voltage _____ item?

_____ a _____ change the voltages _____ the thing?

Is this _____ option _____?

_____ this _____ have a _____ of _____ voltages _____ selection?

_____ way _____ change _____ inputs on this device?

Is there ____ chance that ____ can swap ____ of ____ ?
____ wonder ____ can ____ voltage inputs on this.
I don't ____ can ____ voltages on this.
____ options ____ toggling between input ____ ?
____ alternatives to changing ____ voltage ____ ?
____ know if you can swap ____ gear.
Is it ____ to ____ voltages for ____ operation?
Does it offer ____ input ____ ?
There ____ to ____ the two voltages?
Is ____ I can change ____ inputs?
Does ____ for different ____ inputs?
____ the voltages ____ option ____ ?
Was ____ voltage switch ____ ?
Possible ____ to have ____ between voltages.
____ it ____ for ____ to ____ the input of the ____ ?
Is ____ possible ____ swap ____ input of voltage ____ .
____ there ____ choice to change the voltages ____ .
____ is possible to switch between voltages ____ .
____ an option for ____ switch ____ ?
It's possible ____ the input ____ the ____ here.
____ it possible to have a ____ ?
Can I choose ____ ?
____ I change ____ voltage ____ this?
____ change the settings ____ voltage ____ ?
Does it ____ change the ____ ?
Would there be ____ between the voltages ____ device?
Does it ____ able ____ change voltage ____ .
____ could ____ a ____ of ____ voltages.
____ input alterations ____ ?
Can this device ____ ?
____ possible for ____ to change ____ source ____ with ____ item?
Is there a ____ the ____ here?
Is changing ____ possible on ____ ?
____ this product ____ change of ____ ?
____ be able ____ swap the ____ with this ____ ?
____ Voltage input ____ ?
Want ____ know if it's ____ voltages here.
Is ____ included?
____ product allow ____ switch ____ voltages?
Changing input ____ a ____ .
Does ____ multiple input ____ ?
____ have different ____ inputs ____ this ____ ?
Could this ____ be switched ____ ?
____ to ____ voltage input.
____ voltage inputs ____ product?
There is a ____ the voltages for ____ .
____ is ____ of ____ the ____ voltages.
____ it ____ for you ____ use ____ inputs?
____ it possible ____ choose a ____ inputs?
Is there ____ chance ____ the input ____ here?

Possible _____ voltages for _____ device?

Is _____ available here?

_____ possible _____ switch _____ voltages here.

_____ has a _____ switch _____?

Is _____ modify _____ Voltage input?

_____ I can _____ the input of _____ voltages here?

_____ be able _____ swap _____ with this _____?

_____ would like _____ know _____ is a chance to _____.

Want _____ if _____ is _____ to _____ voltages here.

_____ multiple voltages available _____?

Changing voltages _____ could be _____.

_____ is _____ between the two voltages _____ this appliance.

Can _____ on _____ thing _____ changed?

_____ switch _____ voltages is possible _____.

_____ anyone _____ a _____ alternate between different _____?

Is _____ product _____ between _____ sources?

_____ if I _____ alternate voltage inputs _____.

_____ to _____ between the _____ voltages on this _____?

Is it _____ alter the _____.

I am wondering _____ inputs.

Does _____ switch between voltages?

Is it possible for _____ be _____ the _____?

Can I _____ the _____ inputs _____?

_____ there _____ switch _____ in _____ equipment?

_____ there an _____ to _____?

_____ ability to _____ between voltages?

_____ a choice _____ comes _____ voltage inputs?

_____ alternate _____ inputs here?

_____ possible _____ switch the voltage _____?

Is it _____ on _____ product?

Is _____ to change _____ Input?

Changing the _____ voltages _____.

_____ the voltage _____?

Would it be _____ change _____ easily?

Is _____ a _____ to switch the voltages _____?

_____ there a _____ that _____ the _____ of the voltage _____?

_____ would like to _____ if changing _____ is _____.

Does an _____ my voltages?

_____ I _____ voltages on _____ item?

Do _____ have the _____ to swap volts _____?

Does the _____ me _____ voltages?

Is it possible _____ take different _____ item?

Is change _____ an _____?

_____ the device _____ voltage _____?

Do _____ have a chance to _____ on _____ device?

In the object's _____ are _____?

Change of _____?

_____ choose _____ voltages?

_____ it possible _____ switch _____ for this _____.

_____ voltage inputs could _____?

It could _____ to _____ input _____.
 _____ to know if _____ to _____ voltages _____.
 Changing _____ input voltage _____.
 How _____ I alternate _____ the _____?
 _____ want to know _____ I _____ voltage inputs.
 _____ a chance that this _____ switched between _____.
 Does _____ me _____ voltages?
 _____ I change the _____ this?
 Is it possible to change _____ inputs _____?
 Is _____ the input _____?
 Is _____ possible _____ with multiple _____?
 Can _____ voltages _____ supplies?
 Is _____ a _____ different voltage _____ this item?
 Is _____ toggling up voltage?
 Change _____?
 _____ item _____ me _____ change _____?
 _____ to change the _____ inputs or _____?
 _____ there _____ chance _____ changing _____ on this device?
 Is it possible _____ this device _____ switch _____?
 _____ there _____ way to _____ the voltages _____ this _____?
 _____ I _____ the _____ this device?
 Do you _____ swap _____ inputs?
 _____ a way to _____ voltages of _____ item?
 _____ if _____ can _____ the voltages here?
 _____ possible for _____ to switch between voltages?
 _____ voltages be input _____?
 _____ the _____ operation _____ multiple voltages _____ selected?
 _____ accept multiple _____ voltages?
 _____ choose between _____ voltage _____ with this _____?
 _____ it _____ to _____ input?
 _____ possible _____ the voltage _____ to _____?
 _____ it possible for _____ available for selection in _____ operation?
 Does _____ device _____ voltage _____?
 How _____ alternate _____ the voltages _____?
 _____ possible to _____ inputs _____ this?
 Does _____ voltage sources?
 Do you _____ forggling _____ input _____?
 Is _____ to _____ input voltage _____?
 Could _____ voltage inputs be _____?
 _____ device _____ to be switched?
 Is _____ for multiple _____ to be used _____ selection _____?
 _____ possible _____ the _____ voltage _____ could _____.
 I am _____ can _____ voltages.
 _____ it _____ to _____ the voltage
 I _____ know if I can _____ the _____ of _____.
 Is it _____ to _____?
 _____ there's _____ way _____ alternate between _____?
 Is there a _____ of _____?
 Is it possible to _____ with _____.
 Is _____ to _____ to _____ different _____ here?

Is it ____ to ____ voltage ____?

____ there ____ option to ____ inputs.

Do ____ have ____ between voltages?

There ____ a ____ available here.

Will ____ to ____ voltage input?

It's ____ for this ____ to ____.

____ it possible to ____ for ____ with ____ item?

____ I change the voltages ____?

Is ____ possible to change ____?

____ voltage ____ option?

____ it feasible to ____ the ____?

____ a ____ to swap voltages?

____ it ____ toggled the ____ or ____?

____ a ____ to change ____ in this thing?

____ that this ____ could be switched ____ voltages.

____ this device use ____?

swapping ____ power ____ an ____?

____ item ____ to change ____?

____ multiple ____ for ____ operation?

There ____ a ____ to switch between ____ voltages ____ this ____.

Is ____ possible ____ different ____ inputs?

____ various input voltages?

____ it provide ____ changing ____ voltages?

Would ____ gear ____ you ____ with it?

____ want ____ know ____ there is a ____ inputs.

Is ____ choose ____ different voltages with ____ item.

Is it possible ____ use ____?

____ this item ____ me to ____?

____ that I ____ swap the ____ of voltages?

____ there ____ way to ____ between ____?

Is it possible ____ on the ____?

____ inputs on ____ product is ____?

Is ____ that I can ____ the input ____?

Is ____ product ____ switch ____ sources?

Is there a way for ____ here?

Can ____ adjust the ____ this ____?

____ any ____ to flip the ____?

Is it ____ to ____ inputvoltage ____?

____ you ____ it ____ possible to ____ the voltages?

Is ____ to ____ voltage ____ with this item?

____ there ____ way toggling ____ voltage ____?

Do ____ a choice to ____ voltages ____ the ____?

Is ____ a way ____ change ____?

Changing the ____?

____ a ____ a voltage switch for this ____.

Change voltage ____ might ____ possible ____.

Do ____ have ____ to ____ the voltages of ____?

____ allow you ____ swap volts ____ it?

____ this product allow ____ alternating ____?

____ it possible ____ can swap the ____ the ____ here?

_____ able _____ voltage inputs?
 _____ be a _____ to _____ two voltages here?
 Is _____ a way _____ inputs?
 Is it _____ on _____ change?
 Can _____ change _____?
 _____ wonder if I _____ use _____.
 _____ it _____ this device _____ switch _____ voltages?
 _____ a _____ to swap _____ of the inputs?
 Do _____ know _____ it is possible to _____?
 _____ it possible _____ it _____ offer _____?
 _____ the item allow me _____?
 Is this _____ to _____ inputs?
 _____ don't _____ if changing _____ option.
 _____ possible to _____ with this item?
 _____ possible to adjust _____ input _____.
 _____ there different ways _____ between _____?
 Is it _____ that _____ can _____ the _____ the _____ here?
 _____ I can _____ voltage inputs here.
 _____ device _____ used _____ different voltages?
 _____ if _____ is _____ to change the voltages.
 Do _____ know if _____ can _____ the _____ this _____.
 _____ it _____ to change the _____ on _____?
 _____ use alternative voltage _____?
 Are _____ to alternate _____ here?
 How about toggling _____ different _____?
 _____ for _____ toggling between voltages?
 _____ there _____ way to alternate _____?
 _____ there _____ to _____ the volts _____ this item?
 _____ you _____ to _____ the _____ inputs?
 Is _____ possible _____ switch _____?
 _____ wonder _____ I could switch _____.
 Is _____ a way _____ change the _____ this _____?
 Can _____ voltages _____ this thing?
 _____ there _____ to _____ the voltage _____?
 _____ there _____ to choose between _____?
 Is there _____ between various _____?
 Would you _____ to _____ if it's possible _____ voltages _____?
 Can _____ volts in _____ thing?
 _____ there _____ way _____ alternate voltages _____?
 _____ it _____ to change _____ voltage _____?
 Does _____ alternate _____ inputs exist?
 _____ don't know if _____ input of _____ here.
 _____ it _____ change _____ voltage on this _____.
 _____ input voltage _____ a _____.
 _____ I _____ in here?
 _____ could _____ possible on _____ product.
 It _____ possible to switch between _____ this _____.
 I wonder _____ I _____ change _____ voltage _____.
 Is _____ a _____ volts input _____ change?
 _____ believe _____ is _____ to _____ between voltages?

Is _____ with alternate voltage _____?

Is _____ of _____ the _____ inputs?

Change _____ inputs might be _____.

_____ chance _____ change between voltages on _____ device?

_____ offer _____ ability to use _____?

_____ a _____ to alternate _____ here?

_____ it _____ to modify _____ voltages _____ apparatus?

_____ could be possible to _____ voltage _____ product.

Does _____ device allow _____ inputs?

_____ it _____ to switch _____ volts _____?

_____ you _____ of _____ inputs?

Is it _____ for _____ to swap _____ here?

_____ you _____ an _____ to _____ voltage _____?

_____ changing _____ voltage _____ option?

_____ it possible for multiple voltages _____ be _____ object's _____?

Is it _____ voltage inputs on _____?

Can _____ use _____ voltage _____?

Is _____ way to alternate _____?

Are _____ various input voltages?

_____ voltage inputs _____ on the _____?

_____ the _____ allow me _____ two voltages?

I wonder _____ is _____ swap the _____ of voltage _____.

_____ you _____ the option _____ voltage _____?

_____ possible _____ it to _____ multi-voltage _____?

Does _____ device _____ for _____ inputs?

Does _____ device _____ for _____?

_____ there _____ voltage switch _____?

_____ can I _____ the voltage _____?

Does _____ for the ability _____ input voltage?

Are _____ capable _____ multiple _____ voltages?

_____ a chance _____ switch _____ different _____ this device.

Does this _____ the _____ voltages?

_____ this product let _____ between _____?

Is it possible to choose _____?

Is _____ possible _____ could _____ input _____?

I don't _____ there _____ for voltage inputs.

Do _____ have _____ ability to _____ in _____ inputs?

_____ it _____ alternate _____ inputs _____ the thing?

_____ device be _____ between _____?

Might _____ be _____ between voltages for this _____?

Is _____ way _____ voltage sources quickly?

Could _____ be possible _____ change the _____ the _____?

_____ this _____ the voltage sources?

Should _____ alternate voltage inputs?

Is it possible _____ here?

Does it _____ changing _____ input _____ sources?

The _____ voltage _____ may _____ changed _____.

_____ it is _____ the voltages.

Is there a way _____ two _____ inputs?

_____ it _____ to _____ the input _____ voltage here?

____ I alter ____ voltages ____ device?
 I'm not sure if there ____ switch the voltages ____ .
 ____ there ____ switched option ____ ?
 Changing ____ product's ____ possible.
 Is ____ possible ____ voltage ____ this?
 ____ anyone ____ to switch between ____ on this ____ ?
 Is ____ to ____ voltages?
 ____ have an ____ change the ____ ?
 Are there ways toggling ____ ?
 Is ____ way ____ change the voltage ____ ?
 ____ you ____ the option ____ swap ____ ?
 ____ switch between electrical ____ ?
 Is ____ between ____ for ____ device?
 ____ this ____ be ____ with ____ inputs?
 ____ could ____ a voltage ____ this equipment.
 ____ an option ____ changevoltage?
 Is ____ possible for ____ for different ____ inputs?
 ____ it possible to ____ sources very ____ ?
 ____ switch between ____ ?
 ____ it possible that ____ could swap ____ voltage?
 If ____ to ____ the ____ here.
 Can you ____ gear?
 This object may ____ selection.
 ____ chance to ____ between the ____ voltages?
 I ____ know if multiple ____ are ____ for ____ .
 Would you be ____ to swap the ____ ?
 Maybe ____ a way ____ alternate between ____ ?
 ____ a chance you ____ swap volts with ____ .
 Does the ____ allow ____ to ____ between ____ ?
 I ____ I can use ____ this thing.
 ____ would ____ to know ____ to switch ____ voltages.
 ____ there be a ____ switch ____ ?
 ____ to change ____ the voltages?
 Is ____ switch voltages ____ ?
 ____ it doable ____ alter ____ of ____ inputs?
 Is ____ a ____ have alternate ____ in this ____ ?
 ____ to ____ voltage inputs ____ a product?
 Is ____ possible ____ this ____ can alternate ____ voltage ____ ?
 ____ you swap ____ this gear?
 ____ possible to ____ between voltages on ____ gizmo?
 Is ____ possible ____ me ____ swap ____ input of the ____ ?
 ____ it possible to ____ this thing.
 ____ is aPossibility ____ input ____ .
 Is it ____ for ____ device ____ switched ____ voltages?
 Does ____ let you ____ the ____ ?
 There ____ a ____ swap ____ input of voltage ____ .
 It is possible ____ device to ____ switched ____ .
 Does ____ product allow ____ be ____ ?
 ____ you ____ option ____ swap volts?
 Does this ____ voltage ____ ?

Changing the ____ voltage ____ possible.

____ there ____ way to alternate ____ inputs ____ this ____?

____ have the ____ swap ____ volts?

Is ____ voltage ____ options ____?

Will ____ the ability ____ power source voltages with ____?

____ think ____ to switch between ____ for this ____?

____ there exist ____ for a ____?

____ anyone ____ way to switch ____ on this ____?

Is there ____ option ____ inputs?

____ I change ____ voltages on ____?

____ there ____ to ____ input ____ sources?

____ it handle ____ input ____?

Possible change ____ inputs ____ a ____?

Can ____ me a ____ alternate ____ the ____ voltages here?

____ possible ____ get ____ for selection in this object's ____?

Can ____ switched ____ this gadget?

Can the ____ this device?

____ voltage inputs could ____ somehow.

Do you have the ____ to ____ with ____?

____ I use alternative voltages ____?

____ for the device ____ be switched between ____.

Can there ____ multiple voltages available ____ operation?

Does this item allow ____?

Is ____ feasible to switch ____ device?

____ it ____ input voltages ____ change?

____ alternatives ____ changing input voltage ____?

____ to switch voltage ____?

Is ____ to switch ____ the voltages on ____?

I wonder if I ____ swap ____ here.

____ option to swap the ____?

Can I ____ voltage ____ item?

Does the item ____ change ____?

____ swap the volts with ____ gear?

Does the ____ allow me toggling ____?

____ there ____ way to ____ the voltages ____?

____ object's ____ to choose ____ voltages?

____ a ____ of changing ____ input ____.

There ____ to swap these ____ entries.

____ be possible ____ switch ____ the ____?
