

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Foreign transaction fees and currency conversion
Inquiry Sub-Category	Currency conversion rate questions
Description	Customers have questions regarding the exchange rate used by the credit card company when converting foreign currency transactions into their local currency. They seek information on how the rate is determined, if it is competitive, and how they can compare it to other rates.
Data Size	8,602 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
