

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Troubleshooting and problem-solving support
Inquiry Sub-Category	Energy Efficiency
Description	Inquiries regarding energy-saving features and optimizing the energy efficiency of appliances.
Data Size	12,131 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Is it ____ to adjust ____ ____ appliance ____ ____ its power-saving ____?
____ we ____ ____ to save ____?
Can my ____ improve ____?
How do ____ improve the ____ ____ ____?
____ to ____ settings ____ this ____ ____ help ____ save power.
Can ____ ____ device to use ____?
How do I adjust ____ ____ better ____?
____ way ____ ____ to save energy?
How can ____ ____ sure my ____ ____ efficient?
____ ____ save power ____ settings?
Is it possible ____ ____ machine's preferences ____ ____ efficiency?
I ____ a ____ to ____ this ____ ____ less power.
____ settings ____ changed ____ enhance ____ efficiency?
Is changing the ____ ____ machine ____ to make it ____ energy ____?
Can it ____ to ____ gizmo's ____ to ____ eco-friendliness ____?
May I ____ my ____ settings ____ its ____?
____ can I ____ my ____ ____ least energy?
____ changes ____ be used ____ my ____ power savings.
____ there any ____ to modify ____ saver ____ machine?
Could ____ settings to ____ power-saving ____?
Is ____ possible to change ____ settings ____ ____.
____ my appliance be ____?
Ways ____ maximize the power-saving ____ ____?
Use ____ to increase my ____ ____.
Will ____ the ____ on ____ unit help ____?
How ____ I set up ____ ____ in ____ machine?
Can anyone suggest ____ to adjust ____ ____ power efficiency?
____ it ____ settings of this ____ for ____ power savings?
____ settings be ____ to ____ savings?
Is there ____ to improve ____ the various ____ and ____ my device?
Enhancement of ____ savings ____ settings ____
____ ____ there ____ mod ____ boost ____ appliance's energy smarts?

Is ____ possible ____ appliance configuration to ____ more ____?

____ maximize ____ power-saving ____ of ____ item?

Can ____ suggest a ____ appliance settings ____ better ____ efficiency?

____ appliance ____ for ____ energy

How do ____ the setting ____?

____ possible ____ play ____ options ____ gadgets for better ____ electricity?

Is there ____ way ____ modify the ____ energy ____?

Is ____ efficiency feasible?

Is it ____ trim ____ machine's ____.

____ settings on this ____ be changed ____ it more ____.

Is ____ maximize the ____ ability?

Can ____ enhance my appliance's ____ efficiency?

Can ____ alter ____ in ____ unit?

Is it possible to ____ gizmo's ____ its ____ abilities?

Can ____ settings ____ the ____ changed to save ____?

Is ____ more power?

Is ____ change some ____ for better ____?

Will adjusting ____ improve the ____ to ____ energy?

____ I be able to ____ to ____ more ____?

Is ____ the ____ on ____ home ____ likely ____ it more ____?

Can I change ____ save ____?

Is it possible ____ for more ____ efficient ____?

____ settings be adjusted ____ improve ____ power-saving capabilities?

What ____ in my appliance to reduce ____?

Can ____ my device for ____?

____ I ____ my ____ efficiency?

How ____ save energy ____ appliance?

Is there somethin' you can ____ to ____ contraption ____?

Will ____ be able to ____ to save ____?

____ change product's settings ____ efficiency?

____ settings be ____ order ____ conserve energy.

____ of ____ settings can ____.

____ possible to alter ____ configurations ____ efficient power ____?

Is ____ way to ____ appliance ____ for power ____?

____ okay ____ change the settings to aim ____?

Can ____ settings be changed ____ more ____ thrifty?

Can you suggest a ____ to ____ settings ____ power ____?

____ don't ____ modifying ____ on ____ machine would make it more ____.

Is it ____ change ____ to ____?

____ the unit's ____ make ____ in saving energy?

Can ____ altered ____ conserve more ____.

____ possible ____ settings on ____ appliance ____ improve power-saving capabilities?

____ you ____ to maximize the ____ of the ____?

Is it ____ the ____ on ____ to maximize ____ skills?

How ____ I save ____ my ____?

____ I make ____ less energy?

It is possible ____ up gizmo's config ____.

____ to increase ____ my item?

____ it likely ____ on my machine ____ make it more ____?

Will adjusting the ____ help ____ energy?

Is there _____ to improve settings _____ usage.
 _____ we use _____ device's setting _____ more?
 Can _____ change _____ in _____ appliance _____ save more _____?
 _____ there _____ saving _____ my appliance?
 Is _____ doable to _____ better _____
 Is _____ possible to tune-up _____ config _____ boost _____?
 Is it _____ change _____ energy _____?
 _____ possible _____ the settings on _____ appliance to use _____?
 Is it _____ save electricity _____ playing _____ options on _____?
 Ways to _____ power-saving _____ of _____?
 _____ option in _____ appliance to _____ consumption?
 _____ we improve _____ for _____ energy _____?
 Adjusting the _____ preferences _____ energy _____.
 _____ possible _____ change settings _____ appliance to use less _____?
 Can the _____ be changed _____?
 Can _____ be adjusted _____ less _____?
 I want to _____ appliance settings _____.
 Can my _____ be adjusted _____ improve _____?
 Does _____ sense to modify appliance _____ energy?
 _____ possible _____ the power-savings _____ my equipment?
 _____ options _____ modes of my device be _____ improve _____?
 _____ it _____ adjust the settings _____ power?
 _____ adjusting _____ machine's preferences enhance _____?
 _____ I _____ my device more _____?
 _____ the _____ adjusted in order to _____ more _____?
 _____ there a _____ power-saving capabilities better?
 Is _____ improve _____ power-saving capabilities?
 To _____ the _____ ability _____ item.
 _____ improve the power-saving ability _____.
 _____ about adjusting _____ chops?
 _____ to _____ efficiency _____ the _____ and options of my device?
 _____ okay for me _____ change the settings in _____ consumption?
 _____ power-saving _____ better.
 _____ that changing setting options would _____ my _____ machine more _____?
 _____ it _____ to change the _____ to try _____ cut _____?
 Can _____ settings of _____ changed _____ save power?
 _____ there _____ do to make it _____ power?
 How can I _____ the _____ ability _____
 _____ the unit be _____ in _____ to _____?
 _____ it _____ to change _____ to _____ electricity?
 _____ it possible _____ change _____ efficiency?
 Should _____ change my _____ settings _____ its _____?
 Is there _____ to _____ the settings on my _____ power _____?
 _____ may _____ adjustments _____ energy efficiency in _____ product.
 _____ power-saving _____ of _____ appliance _____ altered?
 Will the _____ adjusted _____ maximize its ability _____ energy?
 Can _____ changed to _____ energy?
 How _____ I _____ the _____ efficient?
 To maximize its power-saving _____ the _____ on this _____?
 _____ possible _____ improve _____ utilization in _____ device

Will _____ the parameters _____ make _____ more energy _____?
 _____ can _____ for less _____ usage?

Can _____ change setting _____ more _____?
 _____ it _____ to make changes _____ equipment's _____ get better _____?
 _____ I best use energy-saving _____ device?

Is it _____ change the settings for _____?
 _____ there _____ make this thing _____ less power?

Any chance _____ could reduce _____?
 _____ the _____ allow for different _____?
 _____ the _____ changed to _____ reduce _____ use?

Can _____ be changed to _____?

It would be possible _____ settings _____.

I _____ to _____ use less _____
 _____ possible _____ appliance configurations _____ order to save _____ power?

Is _____ parameters _____ unit going _____ help _____ energy?
 _____ we modify configurations _____?
 _____ device's _____ saving _____ be _____ through settings _____.
 _____ adjustments _____ my appliance's _____?
 _____ possible _____ with options _____ gadgets for saving _____?
 _____ it _____ to _____ the _____ for energy _____?

Is _____ way _____ the settings of my _____ to _____?
 _____ improve my _____ power-efficiency?

What can _____ do _____ my appliance to _____?
 _____ changes _____ for _____ energy efficiency in _____ product?

Is changing _____ on _____ home machine _____ to _____ it _____ energy _____?
 _____ to change _____ configurations to make _____ more _____?

Is _____ device's _____ to save _____ power?
 _____ increase _____ power savings through _____ changes.

Is it _____ my appliance for _____ consumption?

How am _____ to _____ the product _____?
 _____ alter settings for better _____?
 _____ options _____ my _____ machine _____ to _____ it more energy efficient.
 _____ I make _____ settings _____ efficient?

Can I modify _____ of my _____ savings?

Can _____ save power _____ setting _____?
 _____ I _____ efficiency in my _____?

I _____ wondering if _____ can _____ my device _____ better _____.

It's _____ set _____ to save _____.

Can _____ get _____ for _____ energy efficiency _____ my _____?
 _____ there any options _____ it _____ less _____?

Is _____ possible _____ settings _____ better _____?

Is _____ possible to change my _____ to _____?

Do I have _____ in my unit?
 _____ I _____ efficiency with _____ device?

Is it _____ to _____ unit's _____?

Does _____ features _____ will save _____?
 _____ to _____ energy _____ possible?

Does _____ device _____ options _____ save _____?
 _____ possible to reprogram _____ power-saving _____?
 _____ I get the product's setting _____ more _____?

____ it ____ to ____ with ____ for energy ____?
 ____ you adjust ____ energy?
 ____ it possible to ____ changes ____ improve ____ in this ____?
 Changing setting options ____ my home ____ energy efficient.
 ____ do I ____ power-saving ____ of ____?
 ____ settings to conserve ____?
 ____ use less juice, right?
 Can ____ settings ____ get ____ features?
 Is it ____ efficiency of ____ unit?
 ____ it ____ to boost savings?
 ____ we make ____ appliance settings ____ for ____ efficiency?
 Is ____ possible ____ save ____ electricity ____ with ____ on the ____?
 ____ power-saving functions in ____ be ____?
 ____ of appliance?
 Is ____ a way to ____ for ____ energy ____.
 ____ I alter my ____ settings ____ more ____?
 Is ____ modify my appliance to ____?
 Adjusting ____ machine's preferences ____ is possible.
 ____ about tweaking settings ____?
 ____ settings be ____ to ____ more ____.
 ____ we ____ by changing ____ settings?
 ____ it possible ____ appliance configurations ____ increased power ____?
 Is ____ a ____ to modify appliance ____ power?
 Can the ____ of ____ device ____ save more?
 ____ to adjust this ____ to save ____?
 ____ settings ____ saving energy ____ viable.
 How ____ I ____ my ____ ability?
 Is it ____ to tune-up ____ in ____ eco-friendliness abilities?
 ____ power ____ on this machine?
 Isn't ____ do to make ____ contraption ____ less juice?
 Can ____ thing ____ save power?
 ____ should I ____ energy-saving ____ device?
 ____ changes ____ increase my device's ____.
 ____ settings doable ____ better ____?
 ____ are ____ for fine ____ power ____ functions on ____ machine?
 ____ it ____ to ____ the power-saving function ____ my ____?
 Can ____ modify ____ appliance ____ reduce ____?
 ____ there ____ improve energy efficiency ____ my product?
 Is ____ to ____ my ____ controls to ____ consumption?
 ____ would ____ to know if ____ on my home machine ____ more ____ efficient.
 ____ the power ____ of ____ device?
 ____ I make ____ more efficient?
 Is ____ a ____ to tailor the settings on ____ maximized ____?
 How ____ appliance ____ save energy?
 ____ my appliance settings to ____?
 ____ there ____ way to ____ my ____ with ____ appliance settings?
 ____ if I can modify ____ energy efficiency.
 ____ I supposed ____ my machine's ____ to reduce ____?
 ____ possible ____ my device to improve ____ efficiency?
 How can ____ the ____ efficient?

How _____ improve the _____ efficiency _____ my _____?
_____ appliance _____ saving energy _____ viable.
Can _____ save _____ changing _____ settings on my _____?
_____ it okay to _____ with the settings _____ reduce _____?
Might it _____ possible to change _____ to _____?
The _____ could be _____ save _____.
The _____ my _____ be improved _____ changing _____ settings.
_____ settings on _____ machine likely to make _____ energy-efficient?
_____ it possible to _____ energy efficiency?
Will _____ settings _____ better power _____?
_____ can we _____ to make _____ use _____?
Is _____ to change configurations and _____?
There _____ options to maximize _____ at _____.
_____ need to modify _____ controls to _____ consumption?
Making _____ increase _____ device's _____ savings.
_____ be _____ to _____ less power?
Is _____ to play with _____ the _____ for _____ electricity?
Adjustment _____ appliance _____ save _____.
Can _____ conserve more energy?
Is _____ to _____ to _____ power?
Is there _____ to save power and _____?
Is _____ modify my equipment's settings _____ power-savings?
_____ it possible to alter _____ save _____ power?
How can _____ optimal _____ preservation in _____?
_____ I _____ by _____ appliance settings?
Is _____ possible to _____ power-savings _____ changing the _____?
_____ it possible _____ change _____ settings _____ energy _____.
_____ like _____ adjust _____ settings _____ save more power.
It _____ possible _____ tune up _____ config _____ abilities.
Is it _____ to change _____ configurations _____ use?
_____ available for increased energy _____ product?
I _____ some _____ make this thing use _____.
_____ to make my _____ more power efficient?
_____ it possible _____ device to be adapted _____ improve _____?
Is it ok if _____ change _____ aim at _____?
Are we _____ to _____ this _____ setting _____ save _____?
_____ change _____ settings for my _____ to _____ more _____?
Is there a way _____ the product's _____?
Can the _____ adjusted to _____?
Is _____ possible _____ change _____ efficiency _____?
_____ maximize my _____ potential?
Adjusting _____ save energy.
_____ the _____ adjusted to _____ efficiency?
_____ the _____ controls _____ to _____ consumption?
Can _____ change _____ maximize _____ efficiency?
Can settings be altered _____?
_____ appliance _____ save power.
_____ appliance settings _____ power.
_____ my device _____ way to _____?
Ain't you _____ this _____ use less _____?

_____ possible _____ change _____ configurations to help save _____?
 Is _____ to adjust the _____ of my _____ to _____?
 Can I change _____?
 _____ to _____ options on the gadget to _____?
 _____ modify _____ settings on this thingamajig _____ power _____ skills?
 _____ my appliance _____ changes?
 Can _____ the consumption of _____?
 _____ it ok to _____ settings to _____ for _____?
 Is _____ possible to _____ settings _____?
 Is _____ possible _____ play _____ options _____ better saving electricity?
 It's possible _____ appliance _____ power.
 _____ to save energy can be _____?
 Is it _____ my _____ to reduce _____?
 Is _____ possible to _____ in _____ to _____ it use _____ power?
 My device's _____ be _____.
 Changing _____ machine's preferences _____ efficiency.
 Modifications _____ on _____ thingamajig could _____ maximize _____ power-saving skills.
 _____ possible _____ tune _____ the gizmo's _____ to _____ it more _____?
 There are _____ to _____ my _____.
 Is it _____ my appliance _____?
 Adjusting _____ can _____ electricity.
 Is _____ for the _____ options of _____ be changed to improve energy _____?
 Can _____ make _____ appliance _____ usage _____?
 Will there be _____ maximize _____ power-saving _____ item?
 Is _____ to improve _____ to cut consumption?
 Can I adjust _____ use _____?
 _____ modify settings to maximize power-saving _____?
 _____ there any available adjustments to _____ appliance _____?
 _____ make my _____ power-saving?
 I _____ like _____ set up _____ preservation _____ machine.
 _____ it _____ to _____ appliance configurations to _____ power?
 Is it possible _____ of appliances _____ power?
 What _____ I do _____ consumption _____ my _____?
 Can _____ settings _____ changed _____ reduce _____?
 Is _____ possible _____ make my device's settings _____?
 _____ my home machine might _____ more energy efficient.
 _____ change _____ equipment's _____ to _____ save more power?
 _____ it _____ to adjust appliance _____ better power _____?
 It's _____ adjust settings _____ energy _____.
 _____ would _____ possible _____ adjust _____ for energy _____.
 _____ can _____ use less _____?
 _____ way _____ modify _____ power saver _____ on the machine?
 Do _____ think it's _____ change settings for _____?
 Are there any _____ appliance that _____?
 Can I _____ to make _____ use less electricity?
 Can the _____ to _____ energy _____?
 _____ I change _____ on my _____ to maximize _____?
 _____ it possible _____ could be _____ to improve energy _____?
 Is it _____ to _____ with _____ to _____ abilities?
 My device _____ to _____ efficiency.

How can _____ to save _____?

_____ to modify _____ for _____ savings

Can _____ appliances settings _____ save _____ power?

Can _____ make _____ the _____ utilization?

Is _____ realistic to change _____ energy?

_____ be _____ to _____ power-saving functions in my _____?

Is it possible _____ modify settings _____ save more _____?

_____ it _____ to adjust settings for _____?

_____ the appliance settings be _____?

_____ I change _____ on my _____ to _____ power-saving?

_____ to _____ settings may help _____ my equipment's _____.

Increase _____ device's _____ by _____ settings.

Is _____ change appliance _____ for _____ better _____ efficiency?

_____ I _____ my _____ efficiency _____ save energy?

Will adjusting _____ the _____ ability _____ conserve _____?

_____ to _____ unit save power?

Does adjusting the _____ improve _____?

_____ there _____ changes _____ maximum _____ efficiency?

_____ be _____ save more power?

Is _____ possible _____ change _____ settings _____ my _____ better _____ power?

_____ I _____ appliance settings more _____?

_____ to maximize _____ power- saving ability _____?

Can I _____ the efficiency _____?

Is _____ feasible to _____ to _____ power?

Are there any _____ for _____?

Is _____ for _____ to change _____ settings in _____ consumption?

Can I change _____ power?

_____ I _____ savings with _____ appliances?

Devices _____ adjusted to save _____.

You _____ mak this _____ less _____.

How _____ custom tweaking _____ chops?

Will _____ to _____ with this device's setting?

Is _____ appliance's _____ efficiency _____ by _____?

_____ the _____ adjusted for _____ power _____?

My _____ be increased with _____ changes.

Can _____ gizmo be improved _____?

_____ be _____ to save _____?

Can _____ my device _____ efficiency?

_____ there _____ that _____ be _____ for _____ efficiency?

_____ is _____ appliance settings to _____ power.

There _____ to _____ device's energy savings.

_____ my machine's controls _____ consumption.

_____ can help enhance _____ savings.

Is _____ any chance that _____ reduce appliance _____?

Is _____ adjust _____ product for increased _____ efficiency?

_____ to _____ an optimal energy preservation in _____.

How _____ I _____ less _____ device?

_____ it _____ to change _____ my appliance _____ save _____ power?

Should I _____ controls to _____?

Is it _____ to _____ the settings on _____ it more _____ efficient?

Is ____ possible ____ adjust ____ ____ decrease consumption?
____ you ____ able ____ ____ contraption use less juice?
Will adjusting ____ unit's parameters ____ ____ ability ____ ____ energy?
____ there ____ way ____ this machine to ____ tune ____ ____ functions?
Is it ____ ____ setting options ____ my ____ machine ____ improve ____ ____?
____ ____ ____ modified to ____ more power?
Do ____ ____ a way ____ adjusting appliance ____ for better ____ ____?
____ we ____ the ____ of this thingamajig ____ ____ its power-saving ____?
____ it possible ____ ____ device's setting to save ____ ?
____ I ____ do to set up optimal ____ ____ my machine?
adjust device ____ ____ electricity
Is ____ possible ____ change the settings to ____ ____ ?
Will ____ ____ any adjustments in ____ ____ lower consumption?
____ this ____ ____ changed to ____ ____ power?
What ____ I ____ to improve my ____ for ____ ____ ?
____ ____ ____ way to ____ appliance settings ____ better power ____ ?
____ altering the unit's ____ ____ its ability ____ conserve ____ ?
____ there ____ way ____ can improve power use ____ ____ ?
____ I do to ____ ____ on ____ appliance?
Can ____ settings ____ ____ to ____ more ____ .
____ ____ be changed for ____ savings?
____ settings ____ ____ to improve power ____ ?
____ if ____ any mod ____ ____ my appliance's ____ smarts.
____ the ____ ____ appliance ____ adjusted to ____ save power?
____ ____ power, can ____ ____ be changed?
I wonder if it's ____ to adjust ____ ____ ____ .
____ adjusted ____ ____ the ____ ability ____ conserve energy?
____ change ____ ____ my equipment ____ make ____ use less power?
____ can I set ____ machine up ____ ____ of ____ ?
____ it ____ to make ____ to ____ equipment's ____ to get ____ ____ ?
Can ____ ____ about custom tweaks ____ ____ chops?
____ it possible to ____ ____ for ____ ____ savings?
Is ____ ____ enhance ____ functions?
____ settings ____ save ____ possible?
____ can my ____ maintain ____ ____ preservation?
Is there ____ ____ that I ____ ____ appliance power ____ ?
Changing ____ ____ can save ____ .
I ____ wondering ____ there ____ any ____ adjustments ____ ____ appliance.
You can ____ something ____ make ____ ____ use ____ juice.
____ ____ be ____ adjustments ____ increased ____ efficiency?
Do the ____ ____ the ____ of energy- efficient ____ ?
____ appliance settings be ____ for ____ ____ ?
____ can ____ ____ energy with my ____ ?
____ ____ ____ appliances' ____ to save more power?
____ ____ wondering if I can ____ ____ ____ save more power.
____ can ____ ____ settings more ____ efficient?
____ ____ any available ____ ____ my appliance to ____ consumption?
Is ____ feasible to change ____ power-saving ____ in ____ ____ ?
What can ____ ____ ____ make ____ appliances more energy ____ ?
____ there a ____ ____ ____ appliance power-saving ____ ?

_____ the _____ save me power?
 Is _____ okay if I _____ the _____ to _____?
 _____ I alter appliance _____ efficiency?
 _____ to tune _____ device _____ maximal power efficiency?
 _____ it _____ to _____ settings _____ save more power?
 Is _____ a way _____ equipment's _____ more efficient?
 What can _____ do _____ maximize _____ in my _____?
 _____ it _____ to _____ appliance's _____ capabilities?
 _____ setting _____ on my _____ machine _____ to improve _____ efficiency?
 _____ settings _____ altered _____ improve energy _____?
 _____ I _____ settings to _____ power?
 _____ settings be _____ more power?
 Is _____ adjust _____ settings _____ my appliance to _____ power _____?
 Can _____ change appliance settings _____?
 _____ possible _____ adjust the _____ to _____ more power?
 Can _____ modify _____ settings _____ order _____ save more _____?
 Can _____ settings _____ appliance _____ maximize power-saving capabilities?
 Should _____ different _____ of my _____ changed _____ improve energy efficiency?
 _____ can _____ down on appliance _____ usage?
 Can I _____ changes _____?
 _____ make my _____ more _____?
 Is it possible _____ the settings _____ improve _____?
 _____ possible _____ electricity _____ options on gadgets?
 _____ I alter my _____ to _____?
 Do _____ let you _____ efficient _____?
 Will I make changes _____ settings _____ power-savings?
 _____ do _____ make _____ better _____ efficiency?
 Can we _____ power-saving skills?
 _____ appliance _____ adjusted to _____ power efficiency?
 _____ we _____ the _____ to save _____?
 Would _____ be possible _____ configurations and _____?
 _____ I reprogram _____ device's _____ to _____ more _____?
 _____ it _____ change my machine's _____ to reduce _____?
 Is _____ practical _____ for _____ savings?
 _____ it _____ to _____ appliance configurations in _____ power?
 _____ settings be _____ for _____ efficiency?
 _____ a chance I _____ the appliance _____ usage?
 _____ settings _____ be adjusted _____ save _____.
 Can you make _____ juice?
 _____ increase energy efficiency in my product?
 Are _____ adjustments _____ more _____ my product?
 _____ it _____ to modify _____ settings to _____?
 Is there _____ I _____ to make _____ product _____ energy _____?
 _____ do to set _____ optimal energy _____ in _____ machine?
 _____ it _____ to change _____ configurations for _____ power _____?
 _____ it _____ CHANGE _____ for _____ savings?
 Can I change the _____?
 Is _____ possible _____ me _____ change appliance settings for _____?
 _____ to maximize _____ item's _____?
 _____ it _____ change my _____ save more power?

Is ____ possible to ____ gizmo's config to ____ eco-friendly?
 ____ a ____ to ____ power ____ in this device?
 ____ there a way ____ tailoring ____ on my appliance to ____?
 ____ possible ____ modify appliance configurations for ____ savings?
 ____ the different modes of ____ be ____ improve energy ____?
 Can ____ appliance ____ power?
 Can I change ____ settings ____ my ____ maximize ____?
 ____ might ____ to my equipment's ____ to ____ its ____.
 Adjusting ____ can improve ____ efficiency.
 ____ modify this ____ to save ____?
 ____ to ____ equipment's power-savings, ____ change its settings?
 ____ this device's set up to ____?
 Can ____ change the settings on ____ it ____ efficient?
 ____ change the settings ____ order to cut ____?
 ____ be ____ to save ____.
 ____ I make ____ appliance to reduce ____?
 The machine's preferences could ____ changed ____ make ____.
 ____ my ____ more efficient?
 ____ I ____ my ____ to ____ more power?
 Is there ____ to adjust ____ for less ____?
 ____ adjusting ____ the ____ make it use ____ energy?
 ____ the setting of ____ product to improve ____?
 ____ modes ____ options of my device ____ changed to ____ efficiency?
 The device's ____ savings ____.
 ____ doable ____ improve power-saving functions ____ unit?
 ____ be ____ to conserve ____ power
 How can the settings ____ conserve ____?
 My ____ be ____ by settings changes.
 Can ____ of this appliance ____ adjusted ____ power?
 ____ possible ____ settings to ____ more savings?
 ____ it ____ to make ____ to save ____ power?
 ____ there any ____ thing can ____ less ____?
 There ____ achieve ____ savings on ____ device.
 ____ you ____ you ____ this ____ use less juice?
 ____ there a ____ to ____ less power?
 ____ a ____ settings for less energy use?
 ____ there ____ to ____ the settings on my ____ for maximized ____?
 ____ it possible ____ settings ____ my machine to make ____ more ____?
 Through ____ changes, ____ can ____ my device's ____.
 There are ways to ____ in ____.
 ____ device contain features ____ electricity?
 Can I enhance ____?
 Is it ____ with the ____ of reducing consumption?
 ____ settings ____ adjusted to ____ power.
 ____ we ____ for less ____ usage?
 Is there ____ to ____ settings ____?
 It ____ to change settings ____ energy ____.
 ____ wonder if there's a ____ appliance's energy ____.
 I wonder ____ adjust ____ machine's ____ reduce consumption.
 My ____ power ____ can be ____ changes.

Can _____ tailor the _____ on _____ appliance _____ savings?
Is _____ save _____ my unit?
How _____ changes _____ power-saving _____?
The device's _____ and _____ be tailored _____ energy _____.
_____ adjustments possible to _____ power _____?
_____ a _____ to maximize power _____ in my _____?
_____ it _____ improve _____ functions?
_____ to save _____ by _____ settings.
_____ there any adjustments _____ my _____ for _____?
_____ device settings _____ can _____ done.
How can I maximize _____.
Can _____ settings _____ conserve more _____?
_____ can _____ power-saving adjustments _____ appliance.
_____ be adjusted to _____ use?
_____ power-saving _____ in my unit?
_____ the device's _____ to _____ more?
_____ it possible to modify _____ for _____?
Is it _____ that _____ setting _____ machine _____ it more energy efficient?
Is there a _____ to save _____?
Do _____ controls allow _____ of _____ features?
_____ are _____ adjustments to be _____ to my _____.
_____ it _____ to adjust _____ appliance settings _____ power?
Can I make _____ my _____ improve _____ power-savings?
Is _____ possible to _____ improve power utilization?
_____ to alter _____ appliance to lower _____?
Can _____ change _____ to _____ power?
Can the _____ altered _____ make _____ more _____ efficient?
Is _____ a _____ reduce _____ consumption?
Is it possible _____ my _____ my appliance?
Can _____ modify _____ to _____ power?
Is there a _____ to _____ settings _____ better _____?
How _____ setting _____ settings _____ power?
It is possible _____ use _____ power.
Can _____ on my _____ to maximize power _____?
Can there _____ for _____?
_____ it _____ enhance my _____ power-saving _____?
_____ change the _____ for _____ for better energy _____?
_____ to _____ settings for energy efficiency.
Will _____ my _____ power-savings by _____ its _____?
Can _____ change _____ save more?
_____ I can do to _____ power utilization _____ the _____?
Is _____ feasible to _____ configurations _____?
Are you _____ use _____ in _____ contraption?
Does _____ controls _____ creation of _____ efficient _____?
Is _____ possible _____ with _____ save me power?
Can changing _____ energy?
_____ there _____ to make _____ appliance use less _____?
_____ possible to save _____ with _____ the gadgets?
_____ be adjusted to save _____?
Can _____ be changed _____ benefit _____?

_____ can _____ to _____ the efficiency of my _____?
 Will _____ able _____ adjust the _____ to _____ power?
 _____ this _____ settings be _____ more?
 Can _____ of _____ appliance be changed to _____ power savings?
 _____ this thing use less _____.
 Does my _____ have _____ changes _____ efficiency?
 _____ to save _____?
 Can the _____ modes of _____ device _____ to improve _____?
 _____ power savings
 Is it _____ for _____ be made _____ efficient?
 Does _____ allow for _____?
 Is _____ to _____ in my _____ to _____ my consumption?
 I _____ enhance my device's power _____ the _____.
 Might _____ my appliance's _____?
 Can the _____ be _____ to _____?
 _____ are options _____ the _____ that could be used _____.
 _____ my appliance's _____ can _____ improved.
 _____ you _____ the settings to _____?
 Does _____ device _____ electricity?
 _____ I save appliance _____?
 _____ settings of _____ could be changed _____ maximize _____ power-saving _____.
 You might be _____ make _____ use _____ juice.
 Any _____ I _____ appliances use _____?
 Will my device _____ maximum _____?
 _____ functions feasible _____ unit?
 Is there a chance _____ can _____ appliance _____?
 Will adjusting _____ parameters _____ unit _____ energy?
 _____ way _____ settings for better _____?
 Is _____ way _____ adjust _____ for _____ power savings on _____ appliance?
 _____ it _____ that changing _____ on _____ would make _____ more _____?
 Can the _____ this _____ adjusted _____ improve the _____ savings?
 Is there _____ to tailor the settings _____ appliance _____ maximize _____?
 _____ device _____ make it more efficient?
 Will _____ parameters change _____ ability _____ conserve energy?
 _____ there _____ changes in the _____ that _____ efficiency?
 Can _____ make _____ to _____ device's settings to _____?
 _____ possible _____ power _____ adjusting appliance settings.
 _____ settings be changed to _____ even more _____?
 _____ can _____ to maximize the _____ of my _____?
 Can _____ device be adjusted _____ its _____?
 Can _____ altered to _____ energy _____?
 _____ to make it use _____ power?
 _____ adjusted _____ be _____ to conserve _____?
 It's possible _____ config _____ boost _____.
 How _____ efficiency of my _____?
 Is there _____ adjustments in my _____ reducing _____?
 _____ anyone _____ ways to _____ this _____ use _____ power?
 Possible _____ save energy?
 _____ changing _____ possible _____ energy?
 _____ can I maximize the _____ of _____?

Is it ____ to change ____ config to ____ ____ ____ ?
____ ____ to alter settings for ____ ?
Can ____ functions be ____ ____ unit?
Is ____ possible to ____ ____ function ____ my ____ ?
Is it doable to ____ ____ config ____ ____ it ____ ?
Can ____ ____ appliance ____ to conserve ____ ?
How do I ____ the ____ ____ ?
Does ____ ____ to modify configurations ____ ____ more power?
Can ____ ____ ____ settings to ____ more power?
Does ____ ____ to adjust appliance ____ ____ better power ____ ?
Is ____ a way ____ ____ ____ less energy usage.
Can ____ come ____ ____ way ____ make ____ thing ____ less power?
____ a good ____ to ____ with the settings ____ ____ reduced consumption?
Is ____ way it ____ ____ power?
____ ____ possible adjustments ____ my ____ to lower ____ .
How ____ I maximize ____ efficiency ____ ?
____ settings ____ ____ energy ____ possible?
It's ____ to ____ settings ____ energy ____ .
Is it possible ____ ____ power ____ modifying ____ ?
How can I ____ ____ my machine ____ ____ ?
Can ____ settings ____ ____ for ____ savings?
____ machine's preferences ____ ____ make it more ____ efficient?
Do you ____ ____ appliance's ____ capabilities?
Can ____ be modified ____ ____ power?
Can there be ____ ____ make ____ thing use ____ ____ ?
____ it possible to ____ ____ my equipment's settings ____ help ____ save ____ ?
Is ____ possible ____ modify ____ configurations to ____ ____ savings?
____ ____ altered for better ____ savings?
Is ____ ____ settings ____ the appliance to maximize ____ savings?
____ ____ play with options on the gadget to ____ ____ ?
Can they make ____ ____ use ____ ____ ?
____ ____ to ____ appliance ____ to increase power ____ ?
____ ____ settings to ____ energy?
Is it ____ ____ my appliance's settings ____ ____ power?
How can ____ increase ____ ____ of ____ item?
Can ____ change ____ device's ____ ____ save ____ power
____ it possible to ____ ____ settings ____ energy ____ ?
Adjusting ____ ____ to enhance energy ____ ____ or not?
____ ____ save energy be adjusted?
How ____ I increase ____ ____ ability ____ my item?
____ it possible to ____ settings in ____ appliance ____ ____ ?
____ ____ possible ____ settings ____ energy efficiency.
Do the settings need to be ____ ____ ____ ?
____ this ____ settings ____ changed to ____ ____ ?
I ____ to ____ ____ for better ____ .
In order to maximize ____ power-saving ____ could ____ ____ ____ ?
Is ____ any ____ ____ on ____ appliance?
Is it ____ to ____ appliances ____ ____ energy ____ ?
____ ____ ____ appliance's efficiency better?
May I ____ ____ ____ use ____ power?

Are there _____ I _____ my product _____ energy efficiency?
 _____ possible _____ settings to _____ energy.
 _____ the _____ be _____ to _____ energy?
 _____ can I _____ the _____ on my _____?
 _____ could change the _____ on this thing a magic _____ power-saving _____.

If I _____ the _____ and _____ at _____ consumption, is _____?
 _____ it possible _____ for power savings?
 _____ possible _____ changes _____ will improve power utilization?

Is it _____ configurations _____ save power?
 Is it _____ my equipment's _____ to save power?
 _____ the adjustments _____ my _____ efficiency?
 Can _____ enhance my _____?
 _____ there a _____ to fine _____ power _____ functions _____ this _____?
 _____ the _____ appliance be _____ save on power?
 _____ you can _____ this _____ juice?
 _____ any _____ to _____ power saver _____?
 _____ can _____ adjust _____ increase power efficiency?

Is _____ to _____ appliance configurations _____?
 _____ it _____ for me _____ tinker _____ to aim _____ reduced consumption?
 I _____ to change appliance settings _____ efficiency.
 Can we _____ power-savings?
 Is _____ possible that _____ device _____?
 Any _____ appliance settings _____ efficient?
 Can _____ this _____ setting to _____?
 _____ to change appliance _____ and _____.

Can I _____ settings _____ my _____ improve _____ saving capabilities?
 _____ it possible to _____ electricity with _____ the _____?
 _____ the settings of my appliance _____ power?
 Can _____ be _____ to save _____?
 May I _____ consumption?
 _____ it be _____ to play around _____ options _____ the gadget _____?
 _____ any _____ make the thing _____ less power?
 Is it _____ tune _____ for more _____ use?
 _____ energy savings on device

Is _____ play _____ gadgets to save up electricity?
 How about saving _____ settings?
 There are power _____ this _____ are _____ any _____?
 Is _____ mod to _____ appliance's _____ efficiency?
 _____ I increase my _____?
 How can _____ maximize energy _____?
 _____ to know if _____ settings for better savings.
 Is _____ make _____ better _____ savings?
 _____ my device's power _____ be done _____ changes.
 _____ maximize _____ efficiency _____ my device?
 May _____ adjust _____ to reduce _____?
 _____ there _____ way _____ adjust _____ my appliance to maximize power _____?
 Is _____ way to _____ settings _____ less energy _____?
 _____ I change _____ settings _____ appliance to _____ power?
 _____ wonder if _____ change settings _____ energy efficiency.
 Will _____ unit's parameters _____ adjusted _____ make _____ energy?

Can settings _____?

Is there _____ can do _____ appliance power _____?

Could my _____ be _____ to improve energy _____?

_____ can _____ adjust the _____ for better _____?

_____ it possible to _____ the unit's _____ energy?

_____ is a _____ on my appliance more efficient.

Is _____ me _____ the _____ in _____ to reduce consumption?

I don't know if _____ are _____ appliance's _____ smarts.

Options can be _____ to _____ energy _____ the _____.

_____ I best _____ energy-saving _____ on _____ device?

_____ do I make _____ have optimal _____?

_____ it _____ possible to _____ my _____ to improve _____?

Can changes be _____ my appliance's _____?

_____ there _____ to save _____ with _____ appliance?

_____ I improve my _____ controls _____?

Is there _____ change _____ energy _____?

What _____ I do _____ the power _____ in _____?

Is it _____ decrease _____ machine's _____?

_____ to maximize _____ of my _____?

_____ there _____ energy efficiency?
