

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Audio and sound quality troubleshooting
Inquiry Sub-Category	Static or buzzing sound
Description	Customers complain about hearing static noise or a buzzing sound from their TV's audio output, and are in need of troubleshooting steps to eliminate the unwanted noise.
Data Size	5,016 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

____ could be causing ____ resulting ____ a persistent ____ sound ____ our satellite ____ ____ ?
 Is ____ possible that interference ____ to ____ for ____ ____ from ____ satellite ____ ?
 Is ____ factor that ____ our satellite ____ buzz?
 ____ in the speakers may ____ caused ____ with the satellite ____ .
 Is it possible ____ speaker ____ satellite system ____ malfunctioning due to ____ kind ____ ?
 Why ____ satellite ____ speaker ____ so ____ ?
 Which sources ____ be ____ the hum ____ speakers.
 ____ speaker ____ has a persistent ____ sound.
 It's ____ satellite receiver's speaker ____ is making ____ with the ____ .
 Is interference the ____ we ____ a constant ____ speaker ____ ?
 There ____ a lot ____ buzz in the speakers ____ of something ____ .
 There is ____ satellite ____ with ____ .
 ____ interference explain why we hear ____ receiver?
 ____ cause of ____ hum ____ the ____ output of ____ satellite receiver?
 Is ____ that someone is ____ satellite system and ____ a loud ____ through the ____ ?
 Is it related ____ persistent ____ sound through the ____ ?
 Can you ____ the speaker output of our ____ receiver ____ ?
 ____ want ____ know the factors ____ may contribute to ____ ongoing ____ sound ____ our satellite ____ .
 ____ the satellite speaker ____ make ____ ?
 Is it ____ that continuous ____ receiver speaker ____ ?
 ____ sources ____ be ____ in our SAT/Receiver's speakers.
 There ____ in ____ due ____ something interfering with our satellite ____ .
 ____ our satellite receiver ____ ?
 Perhaps some ____ of ____ loud hum ____ speaker port on our ____ ?
 Is there ____ hum in the ____ speaker ____ ?
 ____ for a cause for continuous ____ satellite receiver ____ .
 ____ like to ____ the factors that ____ contribute to ____ ongoing ____ through ____ speaker outlet.
 ____ receiver ____ a ____ hum.

_____ tell _____ the reason _____ receiver's speaker _____ is buzzing?
 _____ you _____ what _____ causing _____ output on our satellite _____ buzz?
 _____ sources _____ be _____ speakers hum, resulting _____ a _____ hum?
 There _____ been _____ a _____ in _____ speaker outlet of our _____.
 _____ it _____ that _____ receiver's _____ outlet _____ causing a persistent _____ noise?
 Can you _____ the _____ humming on my _____ TV _____?
 _____ interference that makes the _____ satellite _____ hum.
 _____ it possible _____ of interference _____ causing a loud _____ speaker port on the _____?
 _____ there _____ factors causing the satellite receiver _____?
 There _____ a _____ coming out _____ SAT/Receiver's speakers.
 Which _____ could be _____ the _____ to _____?
 _____ a satellite _____ speaker _____?
 _____ is the cause _____ in _____ speakers?
 Which _____ could _____ receiving unit's speakers _____ hum _____ on _____ system?
 _____ any factors that _____ contribute to an _____ sound _____ the satellite _____?
 Is it _____ speaker _____ a humming sound?
 _____ our _____ receiver's _____ hum continuously?
 _____ interference, _____ a _____ hum from our speaker _____?
 We _____ a satellite _____ is _____ sound through _____ speaker.
 _____ to humming _____ in a satellite _____?
 There _____ sound _____ from the _____ receiver speaker outlet.
 We _____ know the factors that might _____ to the _____ coming _____ receiver's speaker _____.
 _____ you know _____ factors _____ might _____ ongoing _____ sound _____ our _____ receiver's speaker outlet?
 _____ does humming _____ the speakers _____ our satellite _____?
 Is _____ a reason _____ satellite receiver's _____ outlet _____ buzzing _____?
 Can _____ the _____ of our _____ speaker _____ buzzing?
 Can you _____ us _____ might cause _____ satellite device?
 _____ persistent humming come _____ of the satellite receiver?
 _____ does humming go _____ the speaker _____ the _____?
 _____ making a _____ humming sound through the _____.
 _____ does our _____ keep humming?
 Any _____ is causing the satellite receiver _____?
 _____ causes the humming _____ in _____?
 _____ causes the _____ the _____ speaker outlet?
 Do you think that a _____ hum _____ receiver is _____?
 Can you _____ why this _____ is _____ your satellite receiver _____?
 Is there a possible _____ for _____ hum _____ outlet?
 _____ does our satellite receiver discharge _____ annoying humming _____?
 _____ with our _____ feed causing this buzz _____ the _____?
 Is _____ for continuous _____ the satellite _____ speaker outlet?
 When our _____ what _____ interference?
 Is it possible that _____ sort _____ causing our _____ hum _____?
 Why _____ the _____ humming?
 Could _____ be _____ is _____ cause _____ the _____ the satellite receiver speaker _____?
 _____ source _____ interference that keeps our _____ humming _____ the _____ outlet?
 _____ related to _____ humming _____ through the _____ speaker outlet?
 _____ in the speakers _____ to something interfering with our _____?
 Is there _____ reason for the _____ the satellite _____?
 Is the _____ outlet _____ our _____ receiver _____ behind _____ buzzing?
 Why is _____ making _____ outlet _____ receiver _____ so much?

_____ are wondering if _____ factors that _____ an _____ sound through _____ satellite receiver's speaker _____.

Is it possible _____ satellite receiver's _____ outlet is _____ by _____?

_____ does _____ speaker of _____ satellite _____?

Are _____ tell _____ what _____ cause a _____ hum from our _____?

Is _____ the _____ system _____ a loud hum _____ of interference?

_____ satellite _____ speaker hums _____ occurs.

Any reason _____ in the _____ speaker _____?

Why _____ constant humming _____ the _____ outlet?

_____ know what _____ this _____ humming noise _____ satellite receiver speakers.

_____ do we hear _____ hum from the _____ satellite _____?

_____ speaker _____ satellite _____ hums when interference _____ involved.

_____ the satellite receiver speaker _____ has _____ for continuous hum?

_____ for a cause for _____ constant _____ the _____ outlet.

_____ a persistent humming noise through _____ receiver's _____.

_____ satellite _____ making a _____ sound through _____ speaker?

_____ a _____ in _____ receiver's speaker.

_____ does our _____ receiver _____ humming sound _____ the speaker?

_____ are _____ getting _____ ongoing _____ buzz through _____ receiver speakers?

Why _____ it that _____ interference _____ making _____ satellite receiver buzz nonstop?

_____ your satellite receiver _____ annoying _____ through the _____?

_____ do _____ hear _____ hum from _____ outlet _____ the satellite _____?

_____ you know _____ a _____ hum _____ our _____ might affect _____ speaker _____?

Constant _____ satellite _____ what causes _____?

Is interference to _____ our _____ speaker _____ hum?

We _____ know the _____ that may _____ a _____ sound _____ our _____ speaker outlet.

_____ the SAT/Receiver speakers hum?

Wondering why a constant _____ out of _____ box's _____.

Something _____ a consistent _____ from _____ satellite _____ plug?

_____ tell me _____ speaker output is buzzing?

_____ it _____ that the factors _____ contribute to an _____ through our satellite _____?

Why is _____ receiver _____ an _____ through the speaker?

_____ it _____ that _____ receiver _____ outlet is humming?

_____ a constant _____ in our _____ speaker.

_____ the hum _____ a _____ speaker _____?

_____ it possible _____ satellite receiver's speaker _____ causing _____ persistent _____?

It _____ possible _____ satellite receiver's _____ is _____ persistent humming sound.

_____ does _____ outlet have humming _____?

_____ it the _____ of _____ hum on _____ satellite TV _____?

_____ you aware of _____ source _____ on my satellite TV _____?

Why does _____ receiver _____ an _____ sound?

_____ is noise coming from _____ speaker outlet _____.

Why _____ the _____ outlet _____ our satellite _____ constantly _____?

Why _____ humming _____ the satellite receiver's _____?

What is _____ from the _____ output _____ our _____ receiver?

Why _____ we get _____ in the _____ outlet _____ our _____?

_____ is _____ persistent humming sound _____ our _____ receiver speaker _____.

_____ it _____ satellite receiver's _____ outlet _____ making humming noises?

_____ it possible that some kind _____ interference _____ a _____ noise _____ port on the _____?

Is the _____ coming _____ receiver's _____ outlet _____ of interference?

_____ is _____ that the satellite receiver's _____ making interference that _____ humming _____.

Which _____ might be causing _____ of the _____ speakers?

Why is the interference _____ the speaker _____ receiver _____ the _____?

Is _____ a cause _____ hum _____ the _____ receiver _____ outlet?

_____ there a cause _____ humming noise from _____ speakers?

_____ it _____ to _____ persistent _____ sound through _____ satellite _____ speaker outlet?

What do _____ our satellite _____ to hum _____?

_____ is a _____ that our _____ receiver's _____ is making a _____.

The _____ hums due to interference.

Something _____ the _____ speakers make _____ annoying _____ noise.

_____ interference be _____ a _____ hum from the speaker _____?

_____ you tell _____ about the _____ might _____ to _____ humming sound through our _____ outlet?

I would _____ factors _____ might contribute to _____ ongoing humming _____ through our _____ outlet.

We hear _____ speaker outlet on our satellite _____.

Is _____ cause _____ the hum _____ the _____ receiver _____?

_____ it possible _____ our _____ receiver's _____ outlet is making _____ humming _____?

_____ do _____ a _____ sound from _____ satellite receiver?

_____ that might _____ to _____ ongoing humming _____ through our _____ receiver's speaker _____?

Why _____ that interference is _____ the speaker outlet _____ your _____?

_____ there _____ a cause _____ constant _____ in _____ satellite receiver speaker _____?

_____ humming _____ the speaker _____ of our satellite receiver?

Is there a _____ our _____ speaker outlet _____ humming _____?

_____ to a constant _____ through _____ satellite receiver speaker _____?

_____ it possible that _____ receiver's _____ resulting in a _____ sound?

It is _____ the _____ outlet _____ making _____ humming sound.

Is _____ satellite _____ outlet making a _____ sound?

_____ what is _____ the satellite receiver _____ hum?

_____ causing the _____ receiver _____ to _____?

_____ why the _____ outlet of _____ satellite _____ buzzing.

_____ this be the _____ continuous _____ in the _____ outlet?

The speaker outlet _____ the _____ humming sound.

_____ because _____ is making _____ speaker _____ your satellite _____ buzz?

_____ is a _____ humming _____ coming _____ our _____ receiver _____ outlet.

_____ is _____ constant _____ coming _____ of our _____ speakers.

Is it _____ satellite receiver's speaker _____ making interference _____ leads _____ a _____ humming _____?

_____ satellite _____ speaker _____ due _____ interference.

Something _____ making a humming _____ receiver's _____ outlet.

_____ is interference making the speaker _____ satellite receiver _____?

_____ permanent hum _____ our satellite _____ the speaker Outlet?

_____ it _____ our _____ speaker _____ humming?

We hear _____ the _____ on _____ satellite receiver.

_____ possible _____ the speaker port _____ the satellite _____ causing _____ loud hum?

We _____ a constant _____ from _____ speaker outlet on _____ satellite _____ it _____?

_____ that the _____ why the speaker _____ of _____ buzzing?

_____ tell me the _____ the constant _____ on my _____ speakers?

The speaker _____ of our _____ receiver _____ for a _____.

What _____ the hum from _____ satellite _____?

_____ receiver's speaker _____ interference with _____ humming sound?

Why _____ receiver's _____ hum?

_____ it _____ that the _____ receiver's _____ outlet _____ making interference _____ a _____?

Is it _____ causes _____ hum _____ the _____ outlet _____ our satellite _____?

_____ we get persistent _____ through _____ speaker outlet of _____?

Why _____ through the speaker outlet of _____?

The _____ on our satellite _____ may be _____ humming _____.

_____ sound from the satellit _____ caused by _____?

_____ that a _____ hum _____ our _____ device _____ its speaker outlet?

_____ why your satellite receiver _____ making an _____ through my _____.

_____ is _____ satellite _____ speakers to have an _____ noise?

_____ the hum _____ from our satellite receiver's _____ by _____?

Could the _____ our satellite receiver _____ result _____ interference?

We _____ hum _____ speaker _____ on our _____ receiver.

_____ is _____ receiver speakers making _____ annoying humming _____?

What is _____ cause of _____ humming sound from _____ receiver's _____?

_____ might be a reason _____ ongoing _____ the satellite _____.

_____ the satellite TV _____ making _____ annoying hum?

_____ interference _____ causes us to _____ a hum on _____?

Why _____ satellite _____ humming sound?

Is it possible _____ our satellite _____ Outlet _____ sound?

Why _____ we getting _____ through our satellite _____ speakers?

_____ receiver's speaker _____ with a humming sound?

_____ in our _____ receiver?

Why is _____ off _____ into _____?

_____ hear _____ hum _____ our satellite receiver, could _____ interference?

Is _____ possible _____ the speaker outlet on the _____ with _____ sound?

Why _____ we hear _____ hum _____ speaker outlet on _____.

_____ interference _____ why _____ a constant _____ on _____ satellite receiver?

_____ possible that our satellite _____ speaker _____ making a _____.

_____ would _____ to know the factors _____ might contribute _____ humming sound _____ our satellite _____.

Why does the _____ speaker _____ a _____?

What causes the _____ our satellite _____ speaker _____?

What _____ satellite receiver _____ this noise?

_____ you tell _____ make our satellite device _____?

Is _____ a _____ for _____ our satellite receiver?

Why is _____ speaker outlet on the _____ satellite _____ nonstop?

_____ you _____ the satellite receiver's _____ outlet is always _____?

What are _____ underlying _____ for _____ humming _____ coming _____ receiver's speaker outlet?

_____ does my _____ receiver make _____ the _____ port?

_____ possible that _____ interference is _____ a _____ hum _____ the _____ port on our satellite _____.

A constant hum _____ SAT/Receiver's speakers _____ caused _____ sources _____.

Could interference explain _____ hear a _____ hum _____ our _____?

_____ behind the _____ in the _____ outlet _____ our _____ receiver.

Why _____ receiver discharge a _____ sound into _____?

Wondering why there's _____ coming _____ of our satellite _____.

Is it _____ speaker outlet is making _____ a humming sound?

_____ that the satellite receiver's _____ outlet is _____ causing _____ humming _____?

What _____ satellite _____ hum so _____?

_____ a reason for the _____ comes _____ satellite box?

_____ tell _____ the reason for _____ buzzing from our satellite _____?

What _____ the cause of the _____ hum _____?

_____ me what _____ making _____ satellite receiver speakers _____?

Is _____ the reason _____ hum _____ the speaker _____ on _____ satellite _____?

_____ making the satellite _____ they are humming?
 _____ receiver _____ outlet _____ hum in _____.
 Why _____ satellite _____ make noise through the _____?
 _____ anyone explain _____ humming _____ the satellite speaker _____?
 Why is _____ satellite _____ making a _____ through _____?
 _____ a loud hum _____ the speaker port of _____.
 Why does persistent humming _____ through the _____ of _____?
 _____ there is _____ sound in _____ satellite speaker _____?
 Why _____ outlet of our satellite _____ buzz?
 What makes _____ humming _____ in the _____?
 _____ you _____ from our satellite receiver _____ by interference?
 Any _____ making _____ satellite _____ buzzing?
 _____ the satellite speaker _____ constantly?
 _____ there any reason _____ ongoing humming _____ speaker _____?
 _____ you help _____ cause _____ hum from our _____ device?
 _____ persistent humming _____ the speaker _____ of our satellite _____.
 Is _____ speaker outlet _____ satellite _____ the reason _____ hear a _____?
 Can _____ factor that _____ our _____ receiver to buzz?
 _____ satellite _____ speaker _____.
 Why are _____ noises _____ the _____ of _____ receiver?
 We _____ like to _____ the _____ that _____ to a humming sound _____ our _____ speaker _____.
 _____ persistent _____ coming out of our satellite _____ speaker _____.
 _____ does _____ speaker outlet of the _____ persistent _____?
 _____ persistent humming sound _____ coming _____ satellite receiver's _____.
 There _____ a _____ in the _____ satellite receiver.
 _____ from _____ speaker _____ on our satellite receiver.
 A _____ hum coming out of _____ be _____ by which _____.
 _____ receiver's speaker _____ making _____ with our _____ sound?
 _____ there a _____ for the _____ in the _____ speaker _____?
 There is a _____ through _____ speaker _____ of _____ satellite _____.
 _____ possible that some _____ of interference _____ making _____ satellite _____ loudly?
 Does _____ why we hear _____ constant _____ the _____ outlet?
 _____ a _____ buzzing through the _____ outlet _____ our satellite _____?
 Can you _____ the factor _____ the satellite _____ buzz?
 _____ that _____ satellite receiver's speaker _____ is _____ a _____ sound?
 Is _____ a _____ for the _____ buzz _____ box?
 _____ causes _____ to come _____ our _____ receiver's speaker _____?
 Is _____ possible _____ receiver's _____ outlet is making _____ causes a _____ sound?
 _____ come _____ satellite _____ speakers?
 _____ interference _____ reason _____ we hear _____ hum from _____ speakers?
 _____ it possible our _____ receiver's _____ outlet is _____ that _____ humming _____?
 _____ be _____ hum in _____ satellite _____ speaker outlet.
 What _____ the _____ sound _____ speaker outlet?
 _____ tell _____ the _____ that might _____ to _____ ongoing _____ sound _____ satellite receiver's speaker outlet?
 Is _____ interference that _____ us to _____ constant hum _____ our _____?
 _____ about _____ cause _____ the buzzing sound _____ satellit _____.
 What _____ humming _____ a _____ speaker?
 _____ noise in _____ speakers caused by something _____ feed?
 Is it _____ constant hum coming _____ caused by interference?
 We are _____ the factors _____ to an _____ humming sound _____ our _____ receiver's speaker _____.

Are _____ cause for _____ constant _____ in the _____ receiver speaker _____?

_____ is interference _____ a buzz _____ the _____ of _____ receiver?

The satellite _____ making _____ annoying hum _____ why?

_____ come our _____ receiver _____ buzzing?

Is _____ speaker _____ of _____ satellite receiver _____ interference with _____?

What _____ going _____ keeps buzzing through _____ outlet of _____ satellite _____?

_____ receiver has an _____ through _____ speakers.

_____ factor _____ causes our satellite _____ speaker _____ to _____ buzzing?

_____ the _____ receiver's speaker outlet is making a humming _____?

_____ it _____ the satellite receiver's _____ outlet _____ interference _____ persistent humming _____?

Is _____ an explanation _____ ongoing _____ in _____ outlet?

Why is the _____ speaker outlet on _____ satellite _____?

_____ you _____ a _____ the _____ buzzing _____ our satellite receiver's speaker _____?

_____ is _____ that _____ is _____ a _____ through the satellite receiver's speaker _____.

_____ if _____ outlet _____ our satellite receiver is the _____ for _____.

Is there a _____ that some _____ of interference _____ causing _____ loud hum _____ port on _____?

_____ come our _____ receiver _____ an annoying _____ sound _____ speaker?

Could interference _____ why _____ hear _____ our satellite _____?

_____ interference the _____ we hear _____ hum from _____ receiver?

_____ wonder _____ outlet of the _____ buzzing because of something.

_____ speaker _____ our satellite _____.

_____ may be _____ cause _____ in satellite receiver speaker _____.

_____ the satellite receiver's speaker _____ with a _____ humming _____?

_____ it _____ that a loud hum _____ the _____ port _____ satellite system is _____?

There's a _____ receiver's speaker outlet.

_____ it possible that some sort _____ interference is _____ hum through the _____ system.

Does _____ why _____ hum from the _____ outlet?

_____ anyone _____ satellite _____ make this annoying humming noise?

Is something going on _____ satellite _____ makes _____ buzz?

Do _____ believe _____ is causing _____ hum from our _____?

Why _____ still occurring _____ the _____ speaker _____?

It is _____ that the _____ outlet is _____ a persistent _____.

There _____ a _____ humming _____ coming _____ the satellite _____ speaker _____

_____ humming sound _____ coming from our _____ receiver's _____.

The _____ a _____ hums.

_____ is persistent humming _____ the speaker outlet _____ the _____?

_____ is a _____ receiver's _____ is making interference with _____ humming sound.

Is _____ speaker outlet _____ a humming _____?

How come we _____ a constant _____ the _____ outlet _____ satellite _____?

Is _____ that interference is _____ the _____ on _____ satellite system to _____?

Is _____ the _____ hear a _____ on _____ satellite receiver?

_____ it _____ that _____ interference _____ making a loud _____ through the speaker port _____?

_____ are _____ satellite _____ humming?

Why is _____ that _____ receiver _____ this annoying _____ noise?

_____ it possible _____ speaker outlet _____ our satellite _____ making interference _____ sound?

Is there any _____ the ongoing _____ in the _____?

How _____ satellite _____ hum _____ speakers?

_____ speaker _____ satellite receiver makes _____ hum.

Could the hum from _____ caused by _____?

_____ that our satellite receiver's _____ is making interference, _____ a _____?

Is there ____ cause for ____ in ____ receiver ____ Outlet?
 ____ reason for a ____ the satellite receiver ____ outlet?
 We'd like to know the ____ might contribute to ____.
 ____ our satellite receiver making ____ humming sound ____ the ____?
 There ____ possibility ____ continuous ____ the satellite receiver speaker ____.
 Is it ____ that ____ device ____ cause ____ permanent hum from ____?
 There is ____ possibility that ____ outlet ____ with the humming sound.
 Question ____ how come satellite ____ hum into ____?
 Can ____ identify ____ our satellite ____ to buzz?
 ____ tell me ____ the ____ receiver's ____ keeps buzzing?
 The ____ outlet makes ____ constant humming ____.
 Is it possible that a permanent hum ____ our ____?
 Is ____ possible that someone ____ interfering ____ the satellite ____ causing a ____ through ____ speaker ____?
 ____ the underlying cause of ____ coming from ____ satellite ____ speaker ____?
 ____ causing our satellite ____ hum?
 ____ a ____ of ____ permanent ____ from our ____ device ____ the speaker outlet?
 ____ humming ____ the satellite receiver?
 Is it ____ from ____ device may affect our speaker ____?
 Are ____ related ____ through the ____ receiver's speaker outlet?
 ____ of our satellite receiver ____ been buzzing ____ a ____.
 Is it ____ satellite ____ speaker outlet ____ a ____ humming ____?
 Is ____ that a ____ speaker ____ making a humming ____?
 Do you ____ interference ____ from our ____ receiver?
 Was there ____ for ____ in ____ satellite speaker ____?
 Why ____ satellite TV speaker outlet ____ annoying ____?
 There is a ____ coming from our ____ speaker ____.
 Why are ____ humming ____ satellite receiver ____ output?
 ____ speaker ____ satellite receiver has ____ coming ____ it.
 ____ causes ____ ongoing ____ the speaker outlet of ____ receiver?
 ____ come ____ receiver's audio output ____?
 ____ causes ____ in ____ speakers?
 ____ it ____ that some ____ interference ____ making ____ on ____ satellite system hum?
 ____ for the noise ____ our satellit speakers?
 ____ is a humming sound ____ from ____.
 ____ receiver's speaker ____ has ____ persistent ____ sound.
 Why ____ the ____ speaker ____?
 ____ is ____ constant ____ coming from ____ speakers.
 The hum ____ from ____ outlet could ____ by interference.
 Why ____ satellite speaker ____?
 Is it the factor ____ our ____ speaker ____?
 ____ you ____ me ____ might ____ in ____ permanent ____ from ____ satellite device?
 ____ is ____ noise from the satellite ____.
 ____ it ____ speaker ____ of our ____ receiver is making ____ humming ____?
 ____ our satellite ____ to ____ loudly?
 Is it possible that ____ on ____ receiver ____ a noise?
 ____ is the speaker outlet of ____?
 ____ tell ____ what might cause a hum ____ our ____?
 Wondering ____ a reason ____ our satellite receiver is buzzing ____.
 Is ____ for ____ continual hum ____ satellite receiver?
 Any idea ____ the ____ speakers ____ annoying noise?

Which ____ the ____ sound ____ the satellite ____?

Why do ____ hear a ____ receiver?

____ is the ____ of ____ our satellite ____?

Is ____ possible ____ satellite receiver's speaker outlet is ____ and causing ____?

Why ____ buzz ____ the speaker outlet of ____ receiver ____?

Is there ____ the ____ output ____ satellite receiver ____ buzz?

____ constant hum coming ____ the ____ speaker outlet due ____?

____ cause ____ the satellite receiver plug to ____?

Our ____ is hummed ____ interference.

____ it possible ____ satellite ____ is ____ a humming sound?

____ are ____ ongoing background buzz ____ satellite ____ speaker.

Are our ____ with a humming sound?

Are we buzzing through the ____ our ____ because ____?

____ are ____ reasons behind the humming sound ____ our ____ speaker ____?

What is ____ a constant hum from ____ satellite ____?

____ come ____ receiver ____ making an ____ through my speakers?

Is ____ speaker ____ on our satellite receiver to ____?

____ are our ____ audio outputs ____?

____ is the ____ speaker outlet on ____ satellite ____ to buzz ____?

Is ____ sort of ____ is ____ loud hum ____ speaker ____ on our satellite system?

____ satellite receiver's ____ output ____ humming?

____ the reason for buzzing ____ of ____ satellite receiver?

Do you ____ the constant ____ from our ____ receiver ____ interference?

Is ____ in the ____ due ____ something interfering ____ our ____?

____ constant ____ our ____ speakers could ____ to ____ sources are interfering.

Seeking a ____ the hum ____ the ____ outlet.

____ speaker ____ humming sound.

Why does ____ speaker ____ of ____ satellite receiver?

We ____ to know ____ contribute ____ our ____ receiver's speaker outlet ____.

Why ____ making ____ speaker outlet ____ lousy ____ receiver buzz nonstop?

____ satellite ____ speaker ____ make noise?

____ you ____ the ____ of ____ buzzing from the ____ receiver ____?

There is a ____ in ____ speaker ____ satellite ____.

____ possible that our ____ receiver's speaker ____ is making ____ which ____ a ____?

____ is it that ____ satellite ____?

There is ____ makes ____ receiver speaker ____.

There could be ____ our ____ outlet ____ hum.

____ the underlying reasons ____ the humming sound ____ from ____ satellite ____?

What is ____ interference ____ a constant hum ____ receiver?

____ through ____ speaker outlet of our satellite receiver ____?

____ is ____ causing a loud hum through ____ our satellite system.

How is ____ satellite ____ are making ____ humming noise?

Which ____ making the ____ hum loudly?

____ be ____ possible cause ____ in the satellite ____ speaker outlet.

____ possible that our ____ receiver's speaker ____ interference ____ a constant humming ____?

____ causes the ____ of our satellite ____ make ____?

____ if ____ cause ____ continuous hum in ____ receiver speaker ____.

____ it possible ____ the satellite ____ is interfering ____ a persistent ____?

____ it possible the ____ our ____ is buzzing?

____ you tell me ____ reason ____ the ____ speaker output ____?

Is there _____ with _____ satellite feed _____ speakers buzz _____ much?

_____ is _____ the _____ in our _____ receiver speaker?

_____ causes our _____ receiver's speaker _____?

_____ reason for _____ humming _____ satellite speaker outlet?

_____ why the speaker output of _____ satellite _____ buzzing?

There might _____ a _____ for _____ receiver speaker outlet.

_____ is causing this _____ humming _____ from _____ speakers?

Why do _____ humming sound from our _____?

_____ it be that _____ from _____ receiver is caused by _____?

Why does _____ speaker outlet _____ satellite _____ persistent _____?

_____ the cause _____ from the _____ output of _____ satellite receiver?

Can you tell _____ the _____ behind _____ constant _____ on _____ satellite _____?

I _____ like to _____ to _____ ongoing humming sound _____ satellite receiver's speaker outlet.

_____ is _____ for buzzing through _____ outlet _____ the satellite _____?

Why _____ satellite receiver make a _____ through _____?

_____ you looking for _____ the hum in _____ satellite receiver _____?

There is _____ noise from _____ satellite receiver.

Wondering _____ satellite box's audio _____ has a _____.

_____ causes a _____ sound _____ the _____?

_____ you _____ of the buzzing from our _____?

What _____ the reasons for _____ from our _____ receiver's _____ outlet?

_____ speaker outlet on _____ receiver making _____ humming _____?

_____ speaker outlet _____ our _____ has an _____ buzz that may be _____.

Why does _____ speaker outlet _____ satellite receiver _____?

_____ idea _____ making the satellite _____ hum?

_____ possible _____ satellite receiver's speaker _____ making interference causing _____ humming _____?

_____ why _____ are buzzing.

_____ speaker outlet is _____ interference and creating a _____ humming sound?

_____ causing a _____ from _____ receiver?

Is it _____ speaker _____ of _____ that is _____?

_____ that our satellite receiver's speaker outlet _____ interference _____ humming sound?

Is it possible that _____ outlet _____ makes _____ humming sound?

_____ receiver makes an annoying _____ through the _____.

_____ persistent humming sound _____ heard _____ satellite _____ speaker _____.

_____ is _____ interference making the _____ Outlet on your _____ receiver _____?

_____ the cause of _____ through _____ satellite speaker?

Does _____ know what is causing _____ buzz?

_____ making interference with a humming sound?

There _____ a _____ humming _____ the _____ receiver's speaker _____?

_____ there _____ reason _____ humming _____ our satellite receiver's speaker outlet?

There _____ a persistent humming _____ coming _____ satellite receiver through _____.

Is it _____ the satellite _____ Speaker Outlet is _____?

_____ a loud hum _____ the _____ port on _____ system.

Why _____ your _____ playing _____ hum?

_____ mark, _____ come _____ satellite _____ into _____?

Is it _____ sound in _____ speaker _____?

_____ satellite receiver _____ persistent humming in _____ output?

_____ there _____ cause for a _____ in _____ satellite _____ speaker _____?

_____ receiver's speaker outlet may _____ interference _____ humming sound.

Why is interference _____ on _____ satellite receiver _____ nonstop?

____ there ____ cause ____ continual hum in the satellite ____ ?
 ____ you ____ us ____ cause of ____ from our ____ device?
 Why do ____ speakers ____ hum from your satellite ____ ?
 Why are we ____ background buzz ____ speakers ____ receiver?
 ____ the ____ making ____ Outlet on ____ receiver buzz so much?
 ____ there an ____ the ____ coming from ____ satellite ____ ?
 Is there ____ reason for ____ humming ____ satellite ____ ?
 ____ you ____ us about the factors that ____ to ____ through the satellite ____ speaker ____ ?
 There is a persistent ____ satellite ____ Outlet.
 ____ it possible that ____ speaker ____ receiver is ____ interference ____ a ____ sound?
 What ____ causes of the buzz in the ____ satellite ____ ?
 Is something messing with ____ causing ____ the speakers?
 There's ____ hum ____ satellite receiver ____ .
 What ____ the reasons ____ the ____ in ____ speaker ____ satellite receiver?
 ____ you ____ the ____ of buzzing ____ our ____ receiver speaker ____ ?
 ____ outlet of ____ satellite receiver buzzing ____ of ____ ?
 Is it ____ that ____ a ____ continuous ____ in the ____ speaker outlet?
 ____ to ____ me the source of ____ constant ____ on ____ TV speakers?
 What ____ our ____ receiver speaker ____ ?
 Why ____ humming ____ speaker ____ continuing?
 ____ coming from ____ satellite receiver's speaker outlet ____ to ____ ?
 There is a ____ in ____ satellite receiver ____ outlet.
 ____ the satellite receiver's speaker ____ ?
 ____ satellite ____ hums because ____ interference.
 ____ our satellite ____ speaker Outlet is ____ a ____ humming sound?
 ____ making ____ speaker outlet on ____ satellite receiver buzz all ____ ?
 ____ hear ____ loud hum ____ the speaker ____ on ____ satellite receiver?
 Possible ____ in ____ receiver ____ outlet?
 Is ____ why ____ outlet of our satellite ____ is ____ ?
 Why ____ the interference ____ speaker outlet ____ your satellite ____ buzz all ____ ?
 ____ not ____ what is ____ receiver speakers hum.
 Is there ____ chance ____ our satellite receiver's ____ outlet is ____ interference ____ ?
 There is a ____ satellite ____ .
 Why ____ making the ____ on your ____ receiver buzz ____ ?
 ____ do we ____ a constant ____ our satellite receiver?
 ____ related ____ humming sound through the ____ receiver's speaker ____ ?
 ____ a persistent ____ sound through the satellite ____ .
 ____ you ____ factor ____ causes the ____ speaker ____ to buzz?
 What causes ____ to hum ____ ?
 Why are we ____ hum ____ the speaker ____ on ____ satellite ____ ?
 There ____ a humming ____ in ____ speaker ____ .
 Which sources ____ be ____ hum ____ speakers ____ SAT/Receiver's speakers?
 ____ in ____ outlet of our ____ receiver could be caused ____ .
 Why is the ____ making ____ speaker's ____ satellite ____ buzz ____ ?
 ____ receiver's ____ outlet make a continuous humming ____ ?
 Is ____ blame for the ____ from ____ speaker ____ on ____ satellite ____ ?
 ____ satellite ____ outlet, what ____ sound?
 Is it ____ our satellite receiver's ____ Outlet is making ____ ?
 There might be a cause for ____ outlet.
 Any ____ what ____ receiver speakers buzzing?

What is _____ receiver speakers _____ loudly?

_____ to know the factors _____ contribute to _____ ongoing _____ sound _____ our satellite _____ outlet.

_____ possible that _____ satellite receiver's speaker _____ is _____ humming _____.

_____ does _____ receiver play an annoying _____ through _____?

Why _____ satellite speaker _____ sound?

Why _____ hear _____ from the speaker _____ at _____ satellite _____?

What is _____ the _____ receiver's speakers _____ buzz _____?

_____ causes humming through _____?

_____ a _____ for humming _____ satellite speaker outlet?

_____ may be causing the _____ outlet of the _____?

_____ there _____ factor causing _____ satellite _____ speakers _____ buzz?

What causes the _____ of _____ satellite _____?

There _____ a persistent humming sound coming _____ outlet.

_____ causing an ongoing buzz _____ speaker outlet of _____ receiver?

It's possible that _____ sort _____ loud _____ through the _____ port _____ the satellite system.

There was a _____ sound _____ receiver speaker _____.

What is _____ annoying _____ from the satellite _____?

_____ may be the cause _____ the _____ in _____ speaker _____ receiver?

What _____ in _____ satellite receiver?

_____ the _____ is _____ the speaker _____ receiver buzz nonstop?

Why _____ we _____ persistent _____ speaker outlet _____ the _____ receiver?

_____ there _____ causing the hum _____ receiver?

_____ identify what may cause _____ permanent _____ from _____ device?

_____ is there a _____ sound _____ from the _____ speaker _____?

_____ do you _____ humming _____ the _____ of _____ satellite receiver?

_____ is _____ constant humming _____ satellite receiver plug.

Is there _____ our _____ speaker _____ keeps buzzing?

_____ a _____ cause for the _____ satellite _____ speaker outlet?

_____ is my _____ making _____ annoying _____?

_____ is the satellite _____ a _____ hum through _____?

_____ it possible that our _____ receiver's _____ making interference, _____ causes _____ sound?

Possible cause _____ in _____ speaker _____?

We _____ the factors _____ contribute to an _____ sound _____ the _____ receiver's speaker outlet.

What _____ our satellite receiver _____ a constant _____?

What causes our _____ speaker _____?

_____ the _____ coming from the _____ be caused _____ interference?

_____ is a possibility _____ the _____ outlet of our satellite _____ is _____.

Is _____ causing a _____ the _____ output _____ our _____ receiver?

_____ it possible _____ interference _____ causing a loud _____ through the speakers _____ our _____ system?

_____ is making the _____ outlet on your satellite receiver _____?

Is _____ possible _____ satellite _____ making _____ which leads _____ a humming sound?

_____ possible _____ receiver's speaker outlet _____ making interference, which _____ a _____ humming sound?

_____ outlet _____ the satellite receiver _____ be making _____ sound.

_____ interference _____ blame _____ the continual _____ coming _____ satellite receiver?

_____ speaker _____ receiver has _____ hum.

Do you _____ a hum _____ satellite receiver?

_____ does _____ receiver speaker outlet _____ humming?

_____ is a constant hum _____ our _____.

Why _____ satellite receiver making _____ hum through _____?

_____ could be _____ speakers hum loudly?

Are you _____ the hum in the _____ outlet?

Is _____ responsible for _____ our _____ receiver?

_____ the _____ for the constant humming _____ the _____ TV speakers?

What is making _____ satellite receiver _____ humming _____?

There _____ a persistent _____ from _____ satellite _____ outlet.

_____ possible _____ our satellite receiver's speaker outlet is _____.

_____ is _____ that _____ outlet is making _____ that causes a humming _____.

Why _____ we hear _____ constant hum _____ the _____ outlet _____ receiver

We need _____ know the _____ contribute to _____ humming _____ through _____ satellite receiver's speaker _____

_____ the _____ receiver's speaker _____ causing _____ a _____ sound?

Is _____ possible that _____ kind _____ interference _____ a loud hum through the _____ port _____?

What _____ a permanent _____ our _____ device that affects our _____?

Why _____ our _____ receiver play _____ through _____ speaker?

I wonder _____ reason _____ for buzzing through _____ outlet _____ our _____.

_____ there a _____ of _____ causing _____ receiver to keep _____ speaker _____?

Is there a _____ for hum in _____ outlet?

_____ receiver's speaker _____.

Is it _____ that makes _____ speaker _____?

There _____ ongoing buzz in _____ speaker outlet _____ our _____ that may _____ caused _____.

_____ does this interference _____ speaker _____ on your satellite _____?

_____ do _____ hear _____ humming through _____ outlet of _____ receiver?

_____ possible that _____ causes our _____ speaker outlet _____ hum?

Can _____ tell _____ factor causing our satellite _____?

_____ your satellite _____ playing an annoying _____ the _____?

There _____ a humming sound in _____.

Is there _____ reason _____ humming _____ satellite _____ outlet?

Wondering _____ on with _____ speaker _____ our satellite receiver?

Can _____ tell me _____ the _____ receiver's speakers _____?

The satellite _____ outlet may be _____ sound.

_____ the interference making the _____ outlet _____ your _____ receiver _____ much?

Are _____ for ongoing _____ in the _____ speaker _____?

What _____ a constant _____ in _____?

_____ persistent humming _____ can _____ through _____ speaker outlet _____ our satellite _____.

_____ idea what is _____ the _____ receiver _____ hum?

Is _____ possible _____ our satellite receiver's _____ is _____?

_____ the _____ factors behind _____ humming sound coming _____ outlet _____ our satellite _____?

_____ causes _____ satellite _____ to make _____?

_____ know why _____ are making this noise?

Why is an _____ outlet of our satellite _____ interference?

Does _____ know why the _____ this annoying humming _____?

_____ noise _____ from the _____ of _____ satellite receiver?

Is _____ the cause _____ the _____ coming _____ outlet?

Why _____ outlet on the satellite receiver _____ constantly?

_____ a permanent _____ from our satellite device _____ affect _____ speaker _____?

Is interference _____ we _____ a hum from _____ on our _____ receiver?

Why _____ the satellite _____ emitting _____?

Our satellite _____ constantly hums, _____?

_____ it possible _____ our _____ speaker _____ is making _____ that _____ a _____ sound?

Can _____ cause _____ buzzing from the satellite receiver _____?

_____ interference _____ hear a _____ from _____ on the satellite receiver?

_____ is interference _____ the _____ on your _____ receiver _____?
 We want _____ know the factors _____ satellite _____ speaker outlet _____.
 Is _____ a _____ our _____ speaker output to _____?
 _____ is a _____ from our _____ receiver's speaker _____.
 Can you tell _____ the satellite _____ speaker output _____?
 _____ out of our _____ speakers might _____ caused by _____ sources.
 _____ you _____ why _____ interference _____ your satellite _____ buzz?
 _____ possible that _____ speaker port _____ system _____ malfunctioning due to some sort _____?
 Is there _____ learn _____ the _____ may _____ to _____ humming sound through _____ satellite receiver's speaker _____?
 _____ there a reason _____ receiver's _____ outlet _____ humming sound?
 _____ need to know _____ factors that might _____ to _____ humming sound _____ our _____
 _____ related _____ sound through the satellite receiver's speaker _____?
 Can you _____ why _____ is making _____ buzz?
 Why does persistent _____ go _____ the _____ of the _____?
 _____ it possible that a loud _____ through _____ on our _____ system is caused _____ of _____?
 Why is the _____ the _____ outlet _____ the _____ receiver _____?
 Why is the _____ outlet _____?
 _____ the reason behind _____ constant _____ speaker outlet _____ satellite receiver?
 The _____ outlet of _____ satellite _____ is _____ occurs.
 Is interference _____ constant hum from the speaker _____?
 _____ of our constant _____ the speaker _____ on _____ satellite receiver?
 _____ is a persistent humming _____ coming _____ receiver's _____ Outlet.
 We _____ to _____ the factors _____ contribute to the _____ sound _____ satellite receiver's _____ outlet.
 _____ be _____ causing the satellite _____ to hum.
 Can _____ tell _____ speaker _____ on _____ receiver is buzzing?
 _____ the _____ from our satellite _____ because _____ interference?
 A _____ from our satellite receiver's _____ output _____ caused _____.
 _____ hum coming from _____ satellite receiver _____ to _____?
 _____ the cause _____ a _____ our satellite device?
 _____ it be _____ hum in _____ satellite _____ outlet?
 Is _____ that _____ humming _____ our satellite receiver's _____ outlet is _____ to _____?
 _____ don't _____ why the satellite _____ making a _____ my _____.
 _____ it _____ the _____ receiver is making a humming sound?
 Is it _____ that our satellite _____ speaker _____ causing _____ humming _____?
 _____ speaker outlet of _____ receiver _____ making _____ humming _____.
 Any _____ what is _____ the satellite receiver's _____?
 Why _____ satellite receiver making _____ noise _____ speaker?
 Why do we _____ satellite _____?
 Is _____ humming from _____ satellite _____ plug _____ to _____?
 _____ a _____ sound coming off _____ satellite receiver's _____ outlet.
 _____ it possible that our _____ speaker _____ a _____ sound?
 _____ the _____ caused by something _____ with our _____ feed?
 _____ sources could be _____ hum uncontrollably?
 Why does _____ satellite _____ have _____?
 _____ a _____ that the _____ receiver's speaker outlet _____ a _____ humming _____.
 Do you think _____ hum _____ is due _____ interference?
 _____ the satellite _____ a hum _____ my speakers?
 Why _____ the speaker outlet of _____ receiver _____?
 _____ there a _____ the satellite _____ speakers _____ always _____?
 Why does the _____ make the _____ on your _____ receiver _____?

Why is the _____ satellite _____ bothering us?

It is possible that _____ speaker _____ satellite _____ is _____ sound.

Is _____ possible _____ the speaker _____ satellite _____ is making _____ humming sound?

_____ is _____ the _____ outlet on _____ satellite receiver _____ buzz _____?

_____ interference _____ the speaker's _____ your satellite _____ buzz?

There _____ a constant _____ in _____ speakers that _____ caused _____ interfering _____ satellite _____.

_____ is _____ the _____ speakers to _____.

_____ noise coming from _____ of _____ interfering with our _____ feed?

_____ may be making _____ speakers _____?

_____ speaker outlet on our satellite _____ could _____ humming _____.

_____ come _____ is making the _____ outlet _____ your satellite _____?

_____ the _____ of the constant _____ sound from our _____?

_____ the _____ coming from _____ speaker outlet _____ satellite receiver _____ interference?

What _____ hum from _____ satellite receiver's speakers?

Possible cause _____ satellite _____ speakers?

_____ possible _____ satellite _____ outlet is _____ interference _____ a humming sound?

Why is the _____ speaker outlet _____ your _____ receiver buzz _____?

_____ our satellite _____ speaker _____ contributes to our humming _____?

Is _____ possible _____ a _____ hum _____ the _____ our _____ system is caused _____ something?

_____ satellite receiver's speaker _____ is buzzing continuously?

_____ it possible _____ receiver's speaker outlet _____ making _____ results in _____ persistent _____?

_____ causing the satellite _____ speakers _____ a _____ hum?

_____ speaker _____ RECEIVER hums.

_____ seeking _____ hum _____ the satellite receiver speaker outlet?

Is _____ source of _____ constant _____ TV speakers known?

_____ there _____ interfering with _____ that makes the speakers _____?

What are the underlying _____ behind _____ coming _____ satellite _____ speaker _____?

Is _____ a source _____ receiver's speaker to hum?

Question mark, how _____ the _____ into _____?

_____ you tell me _____ satellite _____ speakers hum?

A constant _____ coming _____ of _____ speakers _____ be _____ to sources _____.

Do you think _____ hum _____ the _____ receiver is _____?

Possible cause for _____ hum _____ a _____ outlet?

Could there _____ hum _____ the _____ receiver speaker outlet?

Why _____ the satellite _____ have _____?

A _____ the speaker _____ of our _____ receiver _____ causing _____.

_____ to _____ factors that may contribute to the _____ sound _____ our satellite _____.

Is _____ of something that _____ happening _____ the speaker _____ of _____?

What _____ hum _____ satellite receiver?

_____ that _____ is causing _____ loud _____ through _____ speaker port of _____ satellite _____?

_____ may be _____ causing _____ continual hum from _____.

_____ it possible that _____ satellite _____ making a recurring _____ sound?

_____ idea _____ causing the _____ speakers to _____ constantly?

_____ don't know _____ the satellite receiver's speakers _____.

_____ it _____ that some sort _____ is causing _____ through the _____ port on the _____?

Why are we getting _____ ongoing buzz _____ speakers _____?

What _____ receiver's speaker _____ hum?

I wonder if some _____ interference _____ a _____ the speaker port on the _____.

_____ our satellite receiver's _____ is _____ because of _____ persistent humming sound?

_____ hum _____ speaker outlet on _____ receiver could _____ by interference.

_____ the speaker _____ from unwanted _____ satellite?

What _____ satellite speaker _____ so _____?

_____ there a _____ in the satellite receiver speaker?

Do _____ a constant _____ from our _____ receiver _____ by _____?

Possible cause _____ continuous _____ receiver speaker _____?

_____ the _____ of the _____ receiver _____ persistent humming sound?

_____ satellite receiver _____ make a _____?

_____ it possible that _____ is making interference _____ causes _____ persistent _____ sound?

Why do _____ keep _____ receiver's audio output?

Is _____ continual _____ coming _____ our satellite _____ due _____?

_____ the cause of the _____ in our _____?

Why is interference _____ the speaker _____ on _____ buzz _____ much?

_____ is _____ interference making _____ outlet _____ crummy satellite receiver _____?

Is it _____ satellite receiver's _____ outlet _____ resulting _____ persistent humming sound?

_____ you tell _____ what is _____ a _____ from the _____ plug?

_____ could _____ the SAT/Receiver's _____ hum?

_____ speaker outlet of our satellite _____ making _____ humming _____?

_____ humming sound through the satellite _____ speaker outlet?

_____ interference _____ makes _____ hear _____ constant _____ in our _____ receiver?

Is it because of _____ a _____ from the _____ outlet?

_____ it _____ that the _____ receiver's speaker outlet is _____ a _____?

Is _____ to a _____ through the satellite _____ Outlet?

Which _____ might _____ SAT/Receiver's _____ to _____?

The _____ satellite receiver has _____ buzzing for quite _____.

_____ do we _____ buzzing _____ speaker outlet _____ satellite receiver?

Which _____ could cause _____ SAT/Receiver's _____ hum _____?

Is there _____ source of interference _____ causes _____ through _____?

I _____ what is _____ a consistent _____ from _____ satellite _____ plug.

_____ causing _____ constant hum _____ the _____ receiver _____ output?

_____ speaker _____ the satellite receiver may _____ a humming _____.

Is _____ a _____ for the _____ satellite receiver's _____ outlet?

_____ of _____ satellite receiver is _____ persistent humming comes _____.

_____ tell me the _____ of _____ constant humming on my _____?

What _____ the reasons _____ the constant humming sound _____ our _____?

_____ persistent humming come _____ satellite receiver speaker _____?

_____ come _____ speaker _____ hums?

What is the _____ of _____ in _____ speaker _____?

Something is _____ speakers _____.

How _____ satellite gives _____ into speakers?

_____ humming sound _____ our satellite receiver's _____ is a _____.

Is it _____ speaker outlet is making _____ with a _____?

Why _____ an annoying hum?

_____ receiver _____ a humming noise.

What _____ satellite speaker _____ hum _____?

What _____ a humming sound _____?

A persistent humming sound _____ the _____ of _____ satellite _____.

_____ causing a constant _____ satellite receiver?

Why is my _____ receiver making _____ speaker _____?

Is _____ that our satellite _____ speaker outlet _____ making interference and _____?

Which _____ causing the hum coming _____ SAT/Receiver's speakers?

_____ be _____ the hum from our _____ receiver's speaker _____.

_____ our satellite _____ keep humming?

The _____ may _____ to an _____ our satellite _____ speaker outlet _____ unknown.

What is _____ cause _____ constant humming _____ coming _____ satellite receiver's _____ outlet?

Is it possible _____ our satellite _____ speaker _____ could _____ ongoing _____?

_____ a _____ in the _____ outlet?

_____ you think _____ hum _____ our satellite _____ by interference?

Is _____ a _____ that contributes _____ an ongoing _____ our satellite _____ outlet?

_____ is the _____ the speaker _____ lousy satellite receiver _____ so _____?

_____ it _____ a _____ humming sound through _____ satellite _____ Outlet?

_____ speaker hum in _____ receiver?

Is there _____ reason for _____ speaker outlet?

_____ anyone know _____ causing _____ humming _____ satellite receiver plug?

Wondering what is causing _____ satellite _____ to _____ outlet.

_____ come _____ satellite _____ hums?

_____ related to a constant humming _____ receiver's speaker _____?

_____ hear persistent humming _____ receiver speaker outlet?

We _____ from _____ speaker _____ on our _____ receiver.

_____ are we _____ a constant _____ satellite receiver?

_____ are wondering about _____ to _____ humming _____ through our satellite receiver's speaker outlet.

_____ receiver's _____ outlet _____ a _____ sound.

Are it _____ a persistent humming _____ the _____ speaker _____?

Why _____ interference make the _____ on _____ satellite receiver _____?

Is _____ related _____ a _____ humming _____ through _____ satellite receiver's _____?

_____ the reason why we _____ a hum on _____?

_____ tell me _____ receiver's speaker _____ is buzzing?

What makes the _____?

This _____ in the speakers is _____ interfering _____ our satellite _____.

_____ that interference is making the speaker _____ receiver buzz?

_____ is _____ satellite receiver _____ a loud humming noise _____?

_____ outlet of _____ satellite receiver _____ be _____ a _____ sound.

Did _____ contribute to an ongoing humming _____ through our satellite receiver's _____?

_____ there any _____ humming in the _____ speaker _____?

Someone wants _____ know what is causing the _____.

How _____ satellite _____ a _____ hum _____?

_____ tell me the _____ speaker buzzing _____ our satellite _____?

_____ the _____ outlet keep humming?

_____ it related _____ hum through the _____ speaker outlet?

Is there _____ reason why our _____ speaker _____ a _____?

_____ a _____ hum in _____ satellite speaker outlet?

Which _____ could be _____ hum coming _____ of _____ SAT/Receiver's _____?

_____ for _____ a satellite speaker _____?

_____ it _____ that _____ permanent hum from our _____ affect our _____?

_____ idea why the _____ are _____?

_____ hear _____ constant hum from _____ speaker outlet _____ our _____.

How _____ our _____ TV _____ emitting a hum?

There is a _____ the speaker of the _____.

Is there a _____ why _____ receiver _____ through the _____?

_____ it _____ that a loud hum _____ port on the _____ is caused by _____ interference?

What _____ causing _____ receiver _____ to make _____ annoying _____?

____ identify ____ factor ____ our satellite ____ to buzz?
 ____ satellite receiver ____ keep buzzing?
 ____ possible that the speaker outlet ____ satellite ____ interference that causes a persistent ____?
 Why is ____ outlet ____ sound?
 ____ tell us about ____ that ____ to an ____ our satellite receiver's speaker outlet?
 ____ anything ____ the satellite receiver's ____ to ____?
 ____ it ____ some sort ____ is causing ____ loud hum in ____ system?
 Why is ____ in ____ speaker ____ of ____ satellite ____?
 ____ that ____ receiver's speaker outlet ____ interference that results ____ a ____ sound.
 ____ it possible ____ speaker ____ is making ____ a ____ humming sound?
 ____ persistent humming occurs ____ the ____ of our ____ receiver?
 What ____ sound ____ satellite speaker outlet?
 ____ the ____ the ____ of ____ receiver due to something?
 ____ like ____ the ____ that ____ contribute to ____ ongoing ____ sound through our ____ receiver speaker ____.
 Can ____ me what caused the ____ output ____ satellite receiver ____?
 Why do we have ____ receiver?
 There ____ constant ____ the ____ speaker.
 ____ causes ____ satellite ____ to ____ so ____?
 ____ is there ____ in a satellite speaker ____?
 ____ our satellite ____ hum?
 Which sources ____ the ____ to hum?
 We need ____ know ____ factors ____ might ____ an ongoing humming sound ____ satellite receiver ____.
 Why ____ the ____ making ____ on ____ satellite ____ buzz nonstop?
 ____ causing ____ satellite ____ speakers to make ____ hum?
 ____ something ____ with ____ satellite feed ____ this loud ____ the ____?
 ____ a ____ hum from ____ satellite ____?
 Can ____ me ____ source of the ____ humming ____ speakers?
 ____ sort of interference is ____ loud ____ through the ____ on the satellite system?
 Which sources could ____ causing the ____ SAT/Receiver's ____?
 A ____ sound ____ be ____ to the satellite receiver's ____.
 Why is ____ interference making ____ speaker ____ satellite ____ continuously?
 Wondering why ____ box's ____ keeps ____.
 ____ cause for ____ hum in the satellite ____ outlet?
 ____ do ____ a constant hum ____ the ____ receiver?
 What ____ on our ____ receiver to ____ noise?
 ____ there ____ why ____ receiver speakers ____ this ____ humming noise?
 ____ that may contribute to ____ humming sound through our ____ outlet?
 ____ possible ____ satellite ____ outlet causes continuous hum?
 ____ think interference ____ causing a ____ hum from ____ receiver?
 Is it related to ____ continuously humming ____ the ____?
 ____ is ____ that our ____ outlet ____ making ____ humming noise.
 Is it possible ____ satellite ____ speaker ____ makes ____ humming sound?
 ____ our satellite ____ hums.
 ____ does humming ____ from the ____ satellite receiver?
 Is ____ possible ____ outlet is making a humming ____?
 ____ receiver speakers are ____ a ____ noise.
 Why ____ there a ____ humming ____ our ____ speaker outlet?
 ____ is ____ satellite ____ speaker ____?
 ____ is the interference making ____ speaker ____ your ____ buzz?
 ____ the ____ humming ____ coming from the ____ receiver's speaker ____?

Is _____ in _____ speakers caused _____ interfering with _____ satellite feed?

_____ interference the reason why _____ hear _____ the speaker _____?

We hear a _____ our _____ could it _____ interference?

_____ is _____ the satellite _____ make _____ annoying humming _____?

_____ the satellite receiver's _____ is making _____ leads to a humming _____?

There is a constant hum _____ the _____.

_____ sources might _____ making our _____ loudly?

How is _____ receiver speakers _____ this annoying _____?

Why _____ hum _____ our satellite _____ audio output?

_____ why the speaker _____ satellite _____ is _____ buzzing.

_____ is a _____ speaker _____ humming.

_____ causes the _____ receiver's Speaker _____?

Is _____ noise _____ from _____ speakers due to _____?

Wondering why our satellite _____ humming sound.

Can _____ me why our satellite _____ a _____ speaker _____?

_____ what might _____ satellite receiver _____ through _____ speaker outlet.

The _____ of _____ satellite receiver _____ when _____ is _____.

Is _____ related to a _____ sound _____ the satellite _____?

Can you _____ me _____ the _____ output _____ buzzing?

Can _____ tell me the reason for _____ satellite _____?

_____ tell me _____ of _____ speaker _____ buzzing from our _____ receiver?

_____ speaker _____ satellite _____ hums.

_____ you looking _____ cause for the hum _____ outlet?

Can you _____ might happen _____ when our _____ device hums?

There's _____ constant _____ from _____ speakers.

A _____ hum can be _____ our _____.

_____ know why the _____ speaker _____ humming?

_____ do _____ think _____ causing _____ satellite receiver _____ hum?

_____ possible _____ speaker _____ on our satellite receiver is _____ a persistent _____?

Why is _____ making the _____ the _____ receiver buzz _____ time?

Why is our _____ through the _____?

What are the underlying _____ behind _____ constant _____ the _____ receiver speaker _____?

What is causing _____ annoying _____ the satellite _____.

Why _____ the _____ come from the _____ outlet _____ satellite _____?

Does anyone _____ what is _____ from the _____ plug?

_____ do _____ hear a constant hum _____ the _____ outlet in _____?

_____ possible _____ receiver's speaker outlet _____ making _____ sound.

_____ there a chance that our satellite receiver's _____ sound?

_____ does our satellite _____ a _____?

_____ any idea what is making _____ hum?

Wondering _____ the _____ audio output _____ a constant _____.

Is _____ a reason _____ constant _____ our satellite receiver's _____?

Why _____ the satellite _____ outlet _____?

_____ may _____ cause for the hum in _____ satellite _____.

Why _____ we _____ persistent humming through _____?

_____ interference be the _____ hum _____ our satellite receiver?

_____ is _____ consistent humming _____ the _____ receiver?

Is the _____ behind _____ through _____ outlet _____ our _____ receiver?

_____ is a _____ sound _____ the _____ receiver speakers.

Why does the interference _____ speaker _____ your _____ receiver buzz _____?

_____ is a _____ constant hum in _____ satellite receiver speaker _____.

_____ receiver's speaker _____ because _____.

_____ interference _____ for the _____ hum _____ our satellite _____?

Which _____ may _____ our _____ speakers to _____?

_____ there _____ possible _____ continuous _____ in the _____ receiver _____ outlet?

Wondering why _____ box's audio _____ always _____ sound.

_____ possible _____ the _____ speaker _____ making a humming sound?

_____ do _____ think _____ interference, causing our satellite _____ to _____?

_____ we hear _____ hum _____ the speaker outlet on _____ satellite _____?

Is it possible _____ factors _____ to an ongoing humming sound _____ our satellite _____?

Is _____ interference that _____ hear _____ constant hum _____ the _____?

_____ is _____ cause _____ the continuous _____ coming from _____ receiver's _____ outlet?

Which causes our _____ to _____?

Why _____ our _____ keep making an _____ humming _____?

Is it _____ speaker outlet _____ the _____ buzzing _____ it?

_____ causing _____ that _____ a hum from our _____?

What makes the _____?

_____ ongoing _____ in _____ outlet of the _____ may _____ due _____ interference.

Why _____ our _____ keep playing _____ humming _____ the speaker?

Is _____ that _____ constant hum from our _____ due to _____?

The _____ of _____ receiver might be making interference _____ humming _____.

Can you tell _____ that causes our _____ buzz?

Something might _____ hum _____ speaker port on _____ satellite system.

Possible _____ for _____ hum in the satellite _____?

_____ the _____ receiver speakers to _____?

Could _____ hum in _____ receiver speaker _____?

_____ satellite receiver's _____ outlet _____ making a _____ sound.

A persistent humming _____ be heard through _____.

_____ satellite receiver the reason we _____ a constant _____?

There _____ a _____ hum _____ the _____ receiver speaker outlet.

Why are there persistent humming _____ speaker outlet _____?

Our _____ speaker hums, what _____?

Why _____ the speaker _____ of the _____ play _____?

Can _____ tell _____ how _____ satellite _____ is buzzing?

_____ interference causing _____ constant _____ our satellite _____?

_____ humming sound _____ from the speaker _____ receiver.

Is _____ a _____ for _____ in satellite receiver _____?

An ongoing _____ in the _____ outlet _____ our _____ to interference.

Which _____ causing a hum _____ SAT/Receiver's speakers?

Why does _____ satellite _____ my _____?

_____ does the _____ speaker _____?

What is _____ constant hum from _____ satellite _____?

_____ why _____ satellite _____ audio output _____ humming sound.

_____ is _____ coming _____ SAT/Receiver's speakers.

_____ need to understand _____ that _____ contribute _____ an _____ humming _____ our satellite _____ speaker outlet.

Why _____ satellite _____ annoying humming sound through the _____?

I _____ know if _____ factors that might contribute to _____ sound through _____ receiver's _____ are _____ you.

Is it possible _____ satellite _____ a _____ humming sound?

Why does the interference _____ your satellite _____ to buzz _____?

_____ it _____ that _____ of interference is _____ the speaker _____ system hum?

Is there _____ for an _____ sound through the satellite _____?

The _____ our satellite receiver's _____ could _____ due to _____.

_____ the interference _____ the _____ outlet _____ your satellite _____ noise?

Why _____ the interference making _____ on _____ satellite _____ much?

There's _____ our satellite _____ speaker.

Is _____ cause _____ constant hum in a _____ receiver _____?

_____ causes _____ sound _____ a _____ speaker

_____ in the speaker _____ our _____ might _____ caused by interference.

What's _____ for _____ in the _____ outlet?

_____ it possible _____ satellite receiver's speaker outlet _____ interference _____ sound?

_____ possibility of continuous hum in _____ satellite receiver _____?

_____ our _____ speaker outlet is _____ interference with _____ humming _____?

_____ cause for continual _____ in _____ speaker _____?

Is there _____ of interference that _____ speaker to _____?

There could _____ problem with the hum _____ satellite _____ speaker _____.

Can _____ me what caused _____ receiver _____ output to _____?

_____ be _____ reason for ongoing humming _____ speaker outlet.

_____ speaker _____ hums when interference occurs.

_____ would like to know _____ factors _____ might _____ humming sound _____ our _____ speaker outlet.

Which sources could _____ causing a hum _____.

Is there _____ reason _____ the _____ satellite box?

Is _____ some sort _____ interference is _____ speaker port _____ our _____ to hum?
