

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Issues with car's exhaust system
Inquiry Sub-Category	Check engine light due to exhaust issues
Description	Customers contact shops regarding a triggered check engine light, suspecting that it could be related to their exhaust system. They inquire about diagnostic services to identify the specific problem causing the light to illuminate and the subsequent repairs required.
Data Size	5,137 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

How ____ does it ____ ____ diagnose ____ issue ____ the ____ ____ causing check engine light?

Exactly ____ long ____ ____ diagnose a car's ____ problem?

How long ____ it ____ ____ identify ____ problem ____ a vehicle's ____ ____ cause ____ ____ lamp?

How ____ ____ ____ take ____ figure out what ____ wrong ____ my car's exhaust system if the ____ engine ____ ____ ?

____ long does ____ you ____ diagnose ____ ____ exhaust system that ____ be causing ____ ____ engine light?

____ do you ____ ____ take for determining ____ with a ____ exhaust ____ ____ a check engine light?

What ____ the ____ ____ time it takes ____ ____ a ____ car exhaust ____ ?

How ____ ____ ____ required ____ a proficient ____ ____ system error ____ ____ check engine indicator?

How long ____ it take ____ identify the ____ ____ issue ____ ____ engine light ____ flash?

____ know how long it takes ____ ____ system fault ____ ____ found?

____ long ____ ____ take for your professionals to ____ vehicle's exhaust ____ ____ a ____ engine light?

____ long ____ ____ take to figure out what's ____ ____ car's exhaust ____ ?

How ____ ____ ____ for ____ ____ with a vehicle's ____ to cause ____ check engine ____ to come ____ ?

How ____ ____ it ____ to ____ out what ____ wrong ____ the car's exhaust that ____ the ____ ____ ?

How long will it ____ to ____ ____ ?

____ much ____ does ____ ____ you ____ ____ a problem ____ my ____ exhaust system ____ could ____ causing a check engine ____ ?

____ ____ give ____ estimate of how long ____ ____ take to diagnose ____ ____ the exhaust ____ of a ____ ?

How ____ does it ____ ____ determine issues ____ a ____ exhaust, leading ____ the activation ____ the ____ ____ ?

____ my check ____ light is on, can ____ ____ the ____ time ____ exhaust-related ____ ?

It takes a ____ ____ ____ what's ____ with ____ car's ____ that causes ____ check engine ____ .

____ ____ ____ it ____ for ____ ____ to diagnose a ____ exhaust ____ that causes a check ____ light?

____ you ____ ____ long professionals ____ ____ to find ____ problematic ____ ____ causing the check ____ indicator?

How ____ do ____ think ____ ____ take for a ____ ____ system ____ ____ be diagnosed?

____ amount ____ time is ____ to ____ an ____ ____ trouble?

What is the duration ____ ____ ____ system to ____ found?

____ long does it take to ____ the ____ ____ ?

Please tell me ____ ____ time professionals ____ ____ ____ a problematic car-exhaust ____ ____ the check ____ indicator.

_____ time _____ specialists need _____ see _____ defect in your _____ and illuminate its _____ sign?
 _____ long _____ it usually _____ figure _____ what is wrong _____ the _____ of _____?
 _____ my check _____ is _____ can you tell me _____ for _____ exhaust _____ to be _____?
 The _____ light is _____ the car's exhaust system, _____ is _____ for _____?
 How _____ do _____ need _____ find a flaw _____ the _____ system of _____ its warning sign?
 How _____ does _____ take to diagnose _____ to _____ exhaust, if _____ triggering _____ the check engine _____?
 Do _____ how long it takes _____ to identify _____ issue _____ causes _____ check engine _____?
 Do _____ know how long it _____ exhaust _____ my car?
 How _____ would _____ to _____ out _____ the car's exhaust?
 When a _____ exhaust _____ in _____ light, what is the average time frame to _____?
 _____ take to _____ of my car, if the check engine light _____?
 _____ it take _____ checked engine light for a _____ blasted exhaust _____?
 What time _____ it _____ a car's exhaust _____?
 How _____ will _____ to _____ the check _____ light for a _____ system?
 _____ is it taking _____ a _____ system fault?
 _____ long _____ will _____ to _____ car's exhaust problem?
 How _____ it likely _____ to identify an automobile's _____?
 How long _____ it take for professionals to _____ check _____ indicator?
 How _____ does _____ take _____ issues _____ vehicle's exhaust, _____ the _____ engine light illumination?
 How _____ time _____ needed for a _____ of _____ system _____ check engine indicator?
 How long should it take _____ car's exhaust system and _____ the _____ the _____ check engine _____?
 _____ time _____ required _____ a diagnosis _____ an exhaust system _____ that causes _____ engine _____ go off?
 _____ diagnose _____ trouble in vehicles?
 _____ much time _____ takes _____ figure out _____ wrong _____ exhaust?
 How _____ would it take _____ an _____ light _____?
 What _____ the _____ time for _____ with _____ lead to the check engine _____?
 _____ is the _____ duration _____ find _____ cause of _____ system _____ in _____?
 How _____ it take to find _____ your car's exhaust _____?
 _____ to diagnosis Exhaust troubles _____?
 How much _____ do _____ need to identify a _____ car-exhaust _____ engine _____?
 How long _____ take to _____ out what's wrong _____ exhaust _____ causes _____ engine light?
 _____ long _____ me to figure _____ wrong _____ exhaust _____ if _____ check engine light is on?
 _____ you _____ an estimation _____ long _____ takes to _____ a vehicle's _____ system _____?
 How long _____ take _____ car exhaust system to _____?
 How _____ it _____ to _____ a _____ affects _____ emissions, resulting in an illuminated check _____?
 _____ will it take _____ check _____ if there is _____ engine _____ on?
 Can _____ tell _____ how long _____ vehicle's exhaust system trouble?
 How _____ time _____ it _____ you _____ my car's exhaust _____ is malfunctioning?
 _____ to _____ takes to find a vehicle's _____ system fault.
 _____ long did _____ take _____ the _____ exhaust _____ the Check-Eng _____ to be _____?
 How long does _____ take _____ system of a _____?
 What _____ diagnose an _____ emissions-related trouble?
 _____ should _____ take _____ diagnose _____ problem in _____ system _____ should it take to fix an illuminated _____ engine
 _____ much time is usually required _____ diagnose _____ exhaust _____ error _____ causes _____ engine _____ off?
 How long _____ it take _____ figure _____ what is _____ car's _____?
 How _____ does it take _____ diagnose _____ malfunctioning _____?
 Can you _____ how long it takes _____ faulty _____ an _____ light?
 How long do _____ think it takes _____ with _____ exhaust to _____ to a _____?
 _____ does _____ take _____ out _____ with the exhaust system of _____ car?
 How _____ is needed _____ resolve _____ check enginelight-exhaust _____?

_____ to _____ takes to _____ exhaust system fault linked to _____ lit _____ check engine indicator.

How _____ is it _____ take to _____ problem with _____ vehicle's _____ leading _____ an illuminated _____?

How long does _____ take for determining _____ vehicle's exhaust, _____ check _____?

How _____ is _____ time _____ takes _____ diagnose _____ car's exhaust _____?

_____ much _____ is required for a _____ diagnosis of _____ exhaust _____ error that _____ the _____ indicator _____?

When _____ check engine _____ tell me when the _____ time _____ an exhaust-related problem _____?

_____ long _____ take _____ resolve aspect causing check _____ light-exhaust _____?

How long will _____ identify a check _____ light _____ related _____ system?

How _____ does _____ to _____ a _____ exhaust _____ problem?

How much _____ it _____ to _____ troubles _____ vehicles?

How _____ take to diagnose issues _____ exhaust system that _____ a check _____?

What _____ the _____ duration _____ an automobile's _____ trouble?

_____ long does it take for your professionals _____ diagnose a _____ causes _____ check _____?

_____ long will it take _____ related to _____ exhaust, specifically when _____ cause the _____ off?

Can _____ give an estimate _____ how long _____ will take _____ diagnose _____ problem in the _____ resolve causes _____

How _____ take _____ diagnose my car's exhaust system _____ could be _____ check engine _____?

_____ much time do specialists need _____ a _____ in your _____ exhaust _____ and _____ its _____ sign?

_____ is required _____ proficient diagnosis of any _____ system error _____ a check engine _____?

I _____ to _____ long _____ takes _____ detect _____ exhaust system fault _____ lit up check _____ indicator.

What do you _____ will _____ to _____ out _____ my check engine light _____ system?

How _____ to _____ possible defect in your car's _____ system _____ illuminating its warning _____?

_____ you _____ how _____ take to _____ a vehicle's exhaust system _____?

_____ anyone tell _____ how long it takes to _____ a fault _____ the _____ system _____ check _____?

How much time do specialists need _____ possible _____ your _____ system _____ warning sign?

_____ typical time for _____ faulty _____ exhaust system _____ discovered?

What is _____ to _____ an _____ emissions-related problem?

_____ take _____ a problem _____ the car's exhaust system _____ how long would _____ take _____ illuminated check engine

_____ of _____ needed to resolve _____ check _____ light-exhaust malfunction?

How much time _____ it taken _____ out _____ the _____ exhaust?

How _____ it _____ car repair _____ to _____ the exhaust _____ that cause the _____ to appear?

How _____ it take _____ check _____ exhaust _____ a car if _____ an _____ on?

How long do you _____ takes _____ a car's _____?

Do _____ know _____ long _____ to diagnose a problem _____ the car's _____ system and _____ cause _____ illuminated engine

How long _____ you _____ to _____ exhaust _____ in _____?

_____ do you _____ find a vehicle's _____ system fault?

How long _____ takes _____ identify _____ emission problem that causes _____ lit-up check _____.

How _____ the exhaust _____ malfunction of a _____?

_____ does it _____ figure _____ what's wrong _____ car's exhaust that causes the _____ engine _____?

Does anyone _____ long _____ to _____ an exhaust system fault _____ lit _____ check engine _____.

Do _____ how _____ it _____ to _____ exhaust system malfunction?

How long will _____ take _____ a _____ causing _____ engine _____?

_____ long does it take for determining issues _____ exhaust _____ to _____ light?

How long does it _____ to _____ the _____ system _____.

Do _____ what it _____ figure _____ the problem _____ light and exhaust system?

_____ much time _____ required _____ an _____ that causes the _____ engine indicator _____ sound?

How much _____ it _____ diagnose _____ exhaust _____ that could be _____ a check engine _____?

How long _____ it _____ to figure out _____ is happening _____ system?

_____ take _____ issues _____ a vehicle's _____ leading to activation of the _____ engine light?

What ____ the ____ duration ____ a ____ car exhaust ____?
 ____ you tell me how ____ it ____ to ____ system ____?
 ____ to diagnose the problems ____ car's ____ system ____ could ____ triggering the check engine light?
 How ____ it take ____ identify ____ related issue in ____?
 ____ take ____ find ____ automotive emission issue ____ causes a lit-up ____ display?
 ____ long does it ____ figure out an automotive ____ that ____ a ____ check engine ____?
 How ____ does it ____ to diagnose an ____?
 ____ much time do ____ require to identify ____ car exhaust ____ the ____ indicator?
 ____ long ____ it ____ determine the ____ a ____ exhaust, leading to the ____ light?
 How long ____ to identify the exhaust related issue ____ check ____ to ____ on?
 How much ____ professionals need ____ identify a ____ car-exhaust ____ causing the ____?
 ____ long ____ it ____ diagnose ____ vehicle's ____ system malfunction?
 ____ is ____ average ____ taken to ____ automobile's ____ related trouble?
 What is ____ the diagnosis ____ an automobile's ____ related trouble?
 What ____ the ____ time it takes ____ with a ____?
 How ____ it take to ____ exhaust of ____ if ____ light ____ on?
 What ____ length of ____ required to ____ emissions-related trouble?
 I ____ to know ____ long ____ takes ____ diagnose the ____ a vehicle.
 How ____ does ____ take ____ out what's ____ my car's exhaust ____ light is on?
 What ____ the ____ issues related ____ exhaust, when the check engine ____ is triggered?
 I ____ to know ____ long ____ to identify ____ car's exhaust ____.
 What ____ the average ____ issues ____ leading to ____ check engine light?
 What is the average duration ____ detecting ____?
 ____ it ____ me to figure out ____ wrong with ____ system if the ____ engine ____ is on ____ is ____ typical ____ for ____ a faulty car ____?
 Can anyone tell ____ takes to detect ____ fault linked ____ a light ____ engine ____?
 ____ it take to figure out ____ happening to ____ exhaust?
 ____ want to know how long ____ usually ____ to ____ an ____ system ____ a lit up ____.
 ____ long does ____ for ____ proficient ____ of ____ exhaust ____ error that causes ____ engine ____ to flash?
 ____ me ____ long it takes ____ detect a fault ____ the ____?
 How ____ can it ____ for ____ exhaust ____ an engine ____?
 ____ would it take to ____ the ____ issue ____ the check engine ____ up?
 ____ know how ____ it takes for ____ automobile's emissions-related ____ to ____?
 I ____ long it would take ____ diagnose an ____ concern.
 ____ long ____ it ____ to diagnose ____ exhaust system ____ the check ____ light illumination?
 What ____ the ____ required ____ identify an ____ exhaust ____ issue?
 ____ on, can you ____ me ____ time to look for an exhaust related ____?
 ____ much time ____ to ____ system ____ if ____ engine indicator is activated?
 How long does ____ take to identify ____ automotive ____ complication ____ a ____?
 How ____ time do specialists ____ a ____ in ____ exhaust ____ illuminating its respective warning ____?
 How long ____ the time it ____ car's ____ problem?
 I need ____ know ____ will take ____ identify a check engine ____ related to ____ exhaust ____.
 How long does ____ take ____ a ____ in the car's exhaust ____ how ____ take to fix ____ light
 Can you ____ time professionals need to ____ issue ____ the check engine indicator?
 ____ do ____ repair experts ____ issues related to the exhaust ____ cause the check ____?
 How long ____ it ____ to figure ____ on ____ exhaust system?
 ____ is necessary ____ resolve aspect ____ check ____ light-exhaust ____?
 How ____ does it ____ take to identify an automotive ____ issue ____ a ____?
 How ____ time does ____ to spot ____ possible ____ in your ____ system while illuminating its ____?
 ____ take to check the exhaust ____ my ____ if a ____ engine light ____?

How long ____ it take for ____ the ____ vehicle's exhaust ____ lead to the ____?

How ____ time are professionals usually ____ a problematic ____ that ____ engine indicator?

What ____ the ____ time of determining ____ with ____ which leads to ____ engine ____?

how ____ take ____ a car's exhaust problem?

Can you tell me ____ long ____ identify ____ exhaust system ____?

How ____ it take you ____ a ____ check ____ light ____ a ____ system?

How ____ for ____ issues with a vehicle's exhaust, leading to the check ____?

How ____ it take to inspect ____ my ____ engine light is ____?

____ much ____ would ____ take ____ an ____ exhaust-related issue.

What is the ____ detect ____ exhaust system fault with ____ up check ____ indicator?

____ will ____ to identify a ____ issue in ____ automobile?

____ specialists need to find a problem ____ car's exhaust system ____ illuminate its ____?

____ much ____ do you ____ take ____ problems with ____ car's ____ system that ____ triggering ____ engine light?

How ____ it ____ to diagnose a car ____ system ____ engine light?

____ does it ____ car repair ____ issues in the ____ cause a check engine warning?

____ to ____ exhaust issue that causes the check engine light to ____?

How long ____ it ____ your professionals to ____ a vehicle's ____ that emits ____ engine ____?

____ the ____ to ____ a car's exhaust problem?

____ long ____ it ____ emissions related trouble ____ be diagnosed?

How ____ does it take for your ____ vehicle's exhaust system ____ check engine ____?

____ is it usually ____ exhaust ____ fault to ____ diagnosed?

How long ____ you to ____ going on ____ your car's exhaust ____?

____ it take to detect ____ light caused ____ exhaust?

____ time ____ needed ____ proficient diagnosis of an ____ system error ____ check ____ to go off?

____ does ____ determining ____ with ____ exhaust to ____ to the check engine light?

How ____ detect ____ engine light ____ to faulty exhaust?

____ it possible ____ tell ____ how long it takes ____ identify ____ exhaust ____?

____ does ____ for the exhaust ____ my car to ____ checked if the ____ on?

____ diagnosis time ____ exhaust ____ issue?

How long ____ it take ____ system ____ causes a ____ engine light?

How long ____ it ____ for ____ to be identified ____ the check engine light ____?

____ long does it ____ out what's happening with the ____ your ____?

How long ____ take for an ____ system ____ cause a ____ light ____ come ____?

How long would it ____ to diagnose ____ in ____ of ____ and ____ it take ____ fix the ____ check engine

____ the ____ time ____ to diagnose issues ____ to ____ exhaust ____ result in ____ affecting ____ check engine light?

____ needed ____ diagnose an ____ emissions-related trouble ____ by ____ check ____ light?

How long it ____ to identify ____ emission ____ a lit-up ____ is interesting.

How long does it take ____ out ____ with ____ car's ____?

Can anyone ____ it takes ____ detect an exhaust ____ with a light up ____?

How ____ it take to ____ the exhaust ____ car?

When the ____ engine light ____ by ____ car ____ is the average ____ frame to ____?

____ long will you ____ diagnose exhaust troubles ____?

What ____ frame does it ____ related ____ exhaust when they result in ____ affecting the check ____?

____ long to ____ in vehicles?

____ long does ____ figure ____ is happening with ____ car's exhaust ____?

How much ____ are ____ to ____ a ____ car-exhaust issue causing ____ indicator?

What ____ length of ____ needed to diagnose ____ trouble?

How much time ____ it ____ you to ____ my car's ____ be ____?

____ long ____ a ____ exhaust ____ malfunction take ____ diagnose?

How ____ you ____ takes ____ detect an exhaust ____ fault linked to ____ up ____ engine ____?

_____ is the average time frame to _____ related to car _____ specifically when _____ effecting _____ engine _____?

_____ long does it take _____ the exhaust _____ my car, if _____ check _____ light _____?

How much time _____ to figure _____ the _____ exhaust?

_____ is needed _____ out _____ going on with the car's _____?

How _____ does _____ to _____ an automobile's _____ issue?

_____ long do you _____ it _____ figure _____ is wrong with _____ car's exhaust _____?

_____ long does it normally _____ car's _____ fault to be _____?

_____ typical _____ to _____ an automobile's emissions-related trouble?

_____ long do _____ think _____ would take _____ problem _____ engine light _____ be solved?

How _____ for determining _____ with a vehicle's _____ to lead _____ engine light being _____?

_____ does it _____ diagnose a _____ exhaust problems?

_____ long _____ take for determining issues _____ a vehicle's exhaust to _____ the _____ going _____?

_____ typical _____ time it takes to _____ an _____ emissions _____ trouble?

How _____ does it _____ for _____ system _____ to _____ diagnosed?

_____ much _____ take _____ determining _____ with _____ exhaust, _____ to the check engine light?

_____ me _____ long _____ takes _____ exhaust _____ fault to be detected?

How long _____ a _____ problem?

What is _____ needed _____ diagnose _____ automobile's emissions-related _____?

_____ will it _____ to check the _____ of _____ car _____ there is _____?

_____ long does _____ take car _____ experts to _____ related _____ the exhaust system _____ can _____ a _____?

_____ is the duration _____ diagnose _____ automobile's emissions-related _____?

_____ how long it usually _____ to detect _____ system _____ with a check _____ indicator?

_____ average time _____ issues with _____ vehicle's _____ leads _____ check _____ light.

How _____ to _____ to car exhaust if _____ check engine light to illuminate?

How much time do _____ to diagnose _____ problem _____ car's _____ could be _____ a _____ light?

How _____ it _____ for a _____ diagnosis _____ exhaust _____ error that causes the check _____ indicator _____?

How _____ does it take _____ the _____ exhaust?

How long does _____ take to _____ exhaust system _____?

_____ is _____ typical time it takes to identify _____ a _____ cause an _____ check _____ lamp?

_____ want _____ how long it _____ identify _____ vehicle's exhaust _____ issue.

_____ long does _____ to diagnose the exhaust _____ fault _____ causes _____ light?

_____ long _____ it required to resolve _____ check _____?

How _____ is _____ diagnose _____ exhaust system _____ that _____ the _____ indicator to _____ off?

_____ long will _____ take you _____ diagnose my car's _____ that _____ a check engine _____?

How _____ did _____ the faulty exhaust to _____ the Check-Eng light _____?

How _____ do specialists _____ a _____ your car's _____ system and illuminate its warning _____?

I was _____ long it _____ take to diagnose _____ concern.

_____ time is _____ for _____ competent diagnosis _____ that _____ check engine indicator to go off?

What _____ should one _____ to diagnose a _____ in _____ illuminated check _____?

How long does _____ take _____ to fix a check _____ caused by _____?

_____ does _____ take _____ check the exhaust _____ vehicle if _____ is a _____?

How _____ does _____ take _____ diagnose issues _____ they cause the check _____ light to _____ off?

_____ the _____ required _____ diagnose a car's emissions _____?

_____ it _____ professionals to identify a car-exhaust issue causing _____ indicator?

How long _____ it _____ to diagnose _____ system error that causes _____ engine _____ to _____?

When _____ check engine _____ give me the usual time for the _____ be _____?

Can _____ tell me how _____ takes to detect _____ system _____ a lit _____ check _____?

_____ much time does it take _____ diagnose _____.

Do _____ know the _____ it _____ diagnose an exhaust _____?

_____ do _____ need to find a flaw _____ your car's _____ while _____ its warning _____?
 How _____ it _____ exhaust _____ a check engine light in an _____?
 Can _____ average time _____ takes _____ detect an _____ system fault with a _____ up _____ indicator?
 How _____ will it _____ diagnose _____ car _____ when _____ result in triggering _____ affecting the check _____?
 _____ troubles _____ how long does _____ to diagnose?
 _____ much _____ professionals _____ identify _____ problematic car exhaust _____ causing _____ check engine _____?
 _____ it take _____ figure _____ what is wrong with _____ car's exhaust system _____ engine light _____?
 How much _____ needed for _____ of an _____ system _____ causes _____ check engine indicator?
 What is _____ duration _____ car's exhaust system _____ to _____?
 _____ do _____ it will _____ diagnose _____ related to car exhaust, _____ when they _____ check engine _____?
 _____ like _____ long it takes _____ detect an _____ linked _____ a lit up check _____ indicator.
 _____ you _____ me how long it usually _____ figure _____ what's wrong _____ exhaust _____?
 Can _____ tell _____ long it _____ to detect an _____ system _____ linked _____ a lit up _____.
 _____ the average _____ for _____ with a vehicle's _____ leading to _____ activation of _____ engine light?
 _____ to _____ an _____ emission _____ that _____ a lit up check engine display?
 What _____ the _____ to diagnose issues _____ to car _____ result in _____ or affecting _____ check engine _____?
 What is _____ average time for _____ vehicle's exhaust, _____ to _____ check engine _____ being _____?
 _____ my _____ light _____ on, _____ you _____ the usual time _____ diagnose an _____ related problem?
 _____ want to know _____ time _____ need to identify _____ causing the check engine _____.
 _____ long _____ take _____ diagnose a car's exhaust _____ a _____ engine _____?
 Can you tell _____ how long _____ will _____ the stupid _____ for _____ car's blasted exhaust _____?
 _____ long it _____ figure _____ what is happening with _____ car's _____?
 How _____ does _____ take _____ diagnose _____ system issue in _____?
 _____ the _____ time period for _____ issues with _____ to _____ check engine light?
 _____ does it take to diagnose an automobile's _____ trouble _____ engine _____?
 Can anyone _____ how _____ takes _____ a exhaust _____ fault to _____?
 How long does it _____ a _____ system _____?
 Does anyone know how long _____ takes _____ detect _____ with a _____ check engine _____?
 What _____ of _____ does _____ take _____ a _____ exhaust?
 How long _____ it take to _____ trouble?
 _____ time _____ typically have _____ a problematic _____ causing the check engine _____?
 _____ much _____ do professionals _____ to identify a _____ car-exhaust issue _____ engine _____?
 How _____ does it _____ diagnose _____ specifically when it causes the _____ to go off?
 Exhaust troubles in cars, _____ long _____ to _____?
 Someone wants _____ know how _____ it _____ diagnose a _____.
 _____ average time frame _____ diagnose issues related _____ exhaust, _____ triggering or _____ the check engine light?
 _____ does it take to _____ exhaust _____ error _____ causes _____ check engine _____ sound?
 What _____ the _____ duration _____ an _____ emissions-related troubles?
 _____ long does it _____ for my _____ to _____ there is _____ check _____ light _____?
 How _____ does _____ diagnose the _____ malfunction of _____ vehicle?
 How long does _____ for _____ diagnose issues _____ the vehicle's _____ system that _____ the _____ engine _____?
 _____ is the _____ time _____ issues with _____ exhaust, leading _____ the check engine light _____?
 _____ is the _____ taken to diagnose _____ automobile's _____?
 _____ the _____ needed to diagnose an _____ emissions _____ trouble?
 _____ time _____ to figure out what's wrong with my _____?
 How _____ time do professionals _____ identify _____ issue causing the _____ engine _____?
 _____ how _____ it takes _____ detect an _____ system fault _____ to a _____ up _____ engine _____.
 _____ much time does it _____ to figure _____ what's wrong _____ my _____?
 How long does it take _____ with _____ car's _____ system?
 _____ does _____ take to figure _____ what _____ wrong _____ vehicle's exhaust _____?

_____ it take _____ figure out _____ with _____ vehicle's exhaust?
 _____ want _____ long it will _____ to _____ exhaust-related _____ light concern.
 How _____ take _____ a malfunctioning _____ system of a _____?
 How _____ it take to _____ issues _____ to car exhaust, _____ when they _____ engine _____ to _____?
 How _____ usually take to figure _____ problem _____ your _____ exhaust system?
 How _____ do _____ to _____ exhaust troubles in _____?
 How _____ takes to _____ out _____ with _____ car's _____ if the check engine _____ is _____?
 _____ the average time _____ a _____ with _____ car's exhaust?
 How long _____ take _____ diagnose _____ engine light _____?
 If the _____ light is on, _____ does _____ exhaust of my _____?
 Can _____ estimate of how _____ it _____ identify a _____ system fault?
 How long _____ car's _____ system fault _____ to _____?
 How _____ does it take for _____ diagnosis _____ exhaust _____ error _____ a _____ engine indicator?
 _____ know _____ long _____ take to _____ exhaust-related engine light concern.
 How much _____ for a _____ of an _____ system _____ that _____ the check _____ indicator _____ malfunction?
 How _____ does it _____ diagnose a _____ exhaust system that _____ check engine light?
 How _____ it _____ to diagnose issues _____ to _____ exhaust _____ they result _____ triggering _____ affecting _____ check _____?
 _____ long can _____ a car's exhaust problem?
 If the check _____ on, how long does _____ take to _____ what's wrong _____ exhaust _____?
 How long does _____ to _____ System malfunction?
 How long can _____ take to _____ exhaust _____ if a check _____ on?
 How much _____ do specialists _____ to _____ a _____ in your _____ system and _____ its warning _____?
 How _____ to sort _____ exhaust problem and get the _____ light _____?
 How long should it _____ to _____ a problem _____ car's exhaust system and _____ should _____ resolve the _____?
 _____ long does a _____ system _____ typically _____ to _____ diagnosed?
 How _____ time do specialists need to _____ a flaw _____ system _____ order to _____ its _____?
 How _____ time _____ for _____ to _____ a _____ defect in your _____ exhaust _____ illuminating its warning _____?
 How _____ would _____ take for _____ issues _____ a vehicle's _____ lead _____ the _____ light?
 How long it takes _____ an automotive _____ complication _____ causes _____ lit-up check engine _____.
 Can anyone _____ the average _____ takes to detect _____ system _____ with a check _____?
 _____ long _____ it take to _____ an _____ emission _____ that causes _____ lit-up _____?
 What _____ the _____ frame to diagnose _____ related _____ car exhaust when _____ engine light to _____?
 _____ does it take _____ check engine _____ problem related to the _____ system of _____?
 When car exhaust issues _____ in _____ affecting the _____ engine _____ what is _____ diagnose?
 What is _____ time _____ to _____ exhaust, specifically _____ triggering or affecting the check engine light?
 _____ to diagnose _____ exhaust _____ Check-Eng _____ issue.
 How long does _____ take _____ an automobile to _____?
 What time does it _____ is wrong _____ car's exhaust _____?
 _____ it take _____ to _____ system issue?
 How _____ does it _____ to _____ vehicle's _____ fault?
 _____ take to diagnose _____ exhaust system malfunction?
 How long _____ for _____ to _____ is happening with _____ car's _____ system?
 _____ does it take _____ determining issues _____ a _____ lead to _____ light coming on?
 _____ is the _____ needed _____ an automobile's emissions-related _____?
 How long _____ exhaust is _____?
 _____ long _____ diagnose an exhaust-related engine _____ problem?
 How _____ will it take _____ an exhaust-related _____?
 _____ you tell _____ long it _____ to diagnose _____ engine light _____?
 _____ long does _____ take _____ my _____ system to be fixed if _____ light _____ on?

_____ it usually _____ to _____ what's _____ with the _____ exhaust?

How _____ do _____ would take _____ diagnose _____ related engine light _____?

_____ I have to figure _____ wrong with my _____ exhaust _____?

How _____ is _____ to _____ out what's _____ car's _____ that causes the check engine _____?

How _____ does _____ take _____ an _____ emission problem that _____ lit-up check-engine _____?

_____ long does _____ take to find _____ to _____ car's _____ system?

_____ long _____ it take to diagnose an _____ by the check _____?

How _____ time _____ to _____ an automobile's exhaust _____ issue?

_____ know how _____ to identify _____ engine light problem with the _____ exhaust _____?

What _____ the average _____ frame for determining issues with _____ exhaust, which _____ engine _____?

How much time do specialists _____ possible defect in _____ system _____ illuminating _____ respective _____ sign?

_____ you to diagnosis _____ check engine light for a car's _____?

How long _____ it take to figure _____ with the exhaust _____ your _____?

How _____ professionals _____ to identify _____ problematic car-exhaust _____ cause the _____ engine _____?

_____ long does _____ for _____ to figure _____ how _____ car's _____ system _____ malfunctioning?

_____ the average duration to locate _____ malfunction _____ engine light?

Can you estimate how _____ will _____ to identify _____ exhaust _____?

How _____ take to diagnose _____ car's exhaust system _____?

_____ long does _____ take to check the _____ car _____ there's a _____?

_____ you _____ long it will _____ to _____ an exhaust system _____?

How _____ usually _____ to diagnose a faulty _____ system?

How _____ take _____ diagnose an exhaust related _____ light _____?

_____ long _____ to identify _____ exhaust issue causing the _____ engine _____ illuminate?

_____ average duration _____ a _____ exhaust _____ in a car?

Can anyone tell _____ long _____ to detect an exhaust _____ to a _____ up check _____?

How long _____ take for someone to _____ system _____?

How long would _____ going on _____ your _____ exhaust system?

_____ much time is required to _____ a _____ automobile's _____?

_____ long will it take _____ exhaust-related issue _____ identified?

_____ check engine light is _____ long does it _____ to figure _____ what's _____ car's _____ system.

_____ much time is needed for _____ locate _____ possible defect _____ car's exhaust _____ illuminate _____ sign?

What is the _____ frame _____ diagnose issues related _____ car _____ when _____ results _____ triggering _____ check engine _____?

How _____ usually take to _____ an automotive emission issue _____ causes _____ engine _____?

_____ it _____ to figure _____ what's _____ on _____ car's exhaust system?

What is _____ average _____ diagnose issues _____ to car _____ results _____ triggering _____ affecting _____ check engine light?

_____ much time _____ needed _____ diagnose _____ automobile's emissions _____?

_____ time _____ you _____ check engine _____ issue _____ car's exhaust system?

How long does _____ for the _____ of my _____ check engine light _____ on?

How _____ time _____ professionals usually take to _____ a _____ causing the _____?

_____ you _____ me how long _____ would _____ to diagnose _____ problem?

Do you know the _____ it takes _____ exhaust _____?

How _____ does it take _____ a check engine _____ issue with _____?

_____ time does _____ take to _____ what is _____ with the _____ car?

_____ long will it _____ to _____ an _____ emissions-related _____?

How _____ typically take _____ a problem with a _____ resulting _____ an _____ engine lamp?

How _____ to _____ a _____ exhaust system fault?

How long does it _____ to _____ issues _____ car exhaust, _____ when they _____ a check _____?

How _____ it take _____ problem in _____ car's exhaust system and how _____ to solve _____ check engine

_____ time do specialists _____ find _____ defect in the exhaust _____ of _____ while illuminating _____ sign?
 _____ long _____ take _____ out what _____ wrong with _____ car's exhaust?
 How long _____ take _____ diagnose _____ to _____ exhaust _____ there is a check _____ on?
 _____ take to identify _____ a vehicle's emissions, _____ in a _____ engine lamp?
 _____ you _____ what time _____ takes _____ vehicle's exhaust _____ fault?
 How long _____ it _____ going on _____ your car's exhaust?
 How long _____ it take for _____ to be _____ in _____?
 How _____ it takes _____ a _____ problems?
 Can _____ give _____ it will _____ diagnose a problem _____ the car's exhaust system?
 Can _____ tell _____ how _____ it _____ to detect an _____ system _____?
 How long does _____ to diagnose a _____ which _____ to _____ Check Engine _____?
 _____ long does _____ to find _____ exhaust _____ an engine light?
 How much _____ do _____ to _____ problematic _____ issue that causes the _____?
 _____ long _____ to identify the exhaust issue that _____ light to _____ on?
 How _____ required to _____ aspect causing check _____ malfunction?
 _____ me the estimated time _____ diagnose an exhaust _____ problem?
 _____ is _____ time frame _____ diagnose issues _____ to _____ when _____ result in triggering _____ engine light?
 _____ does it _____ for _____ car's exhaust _____ fault _____ be _____?
 When _____ check _____ is _____ can you tell _____ usual time _____ diagnosis _____ an _____ related _____?
 _____ long does it _____ to diagnose _____ check engine _____ for _____ blasted _____?
 _____ you know _____ long _____ takes to diagnose _____ issue _____ car's _____?
 _____ do you _____ diagnose a problem in _____ system and figure out why _____ check _____ light is
 How _____ take _____ diagnosis _____ vehicle's _____ system malfunction?
 _____ can it _____ identify an automobile's exhaust-related _____?
 How long _____ what is wrong with the _____?
 How much time _____ identify _____ exhaust-related _____ of an _____?
 What is the typical time _____ a faulty _____?
 _____ long does it _____ engine light being _____ a _____ exhaust?
 _____ long does _____ for determining _____ a vehicle's _____ to cause a _____ engine _____ go _____?
 _____ much time do people _____ identify _____ problematic car-exhaust issue _____ check _____?
 How _____ it _____ to diagnose an _____ problem?
 How much time do experts need _____ find a defect _____ exhaust _____ while _____?
 What does it take to _____ the _____ malfunction _____?

 How much _____ is _____ to _____ a _____ problem?
 _____ an illuminated check engine _____ is _____ problem _____ a _____ emissions, what _____ the _____ time to _____ problem?
 _____ is the _____ time _____ to identify _____ exhaust-related _____?
 _____ want _____ know how _____ it _____ detect _____ exhaust _____ with a check engine _____.
 _____ do specialists need _____ possible defect in _____ car exhaust _____ while _____ its warning _____?
 How long does _____ usually _____ an _____ light _____ caused _____ faulty exhaust?
 How long _____ it _____ for determining issues with _____ exhaust to _____ the _____ flash?
 How _____ specialists need to _____ in your car's exhaust system while _____ sign?
 How long it _____ to figure out _____ that _____ a _____ check engine display _____.
 How long would _____ take _____ identify the _____ check _____ light _____ go _____?
 _____ time _____ take to identify _____ automobile's exhaust-related _____?
 Do _____ know how _____ to diagnose the _____ system _____?
 _____ required to diagnose an _____ emissions related _____?

_____ does it usually _____ to _____ a _____ causing an _____ light?

I want to _____ long _____ takes to identify _____ check _____ related to the _____.

How _____ is _____ usually _____ a car's _____ system _____?

How _____ do you think it _____ to diagnose a _____ in the _____ exhaust _____ and _____ illuminated check _____ it _____ figure out _____ engine light and _____ problem?

_____ diagnose faulty exhaust result in _____ issue?

_____ will it take to _____ the _____ issue _____ the check _____ flash?

_____ long do _____ think _____ will take to _____ my car's exhaust _____ be _____ engine light?

_____ check engine _____ on, how _____ will it _____ figure out _____ is _____ with _____ car's _____ system?

_____ do _____ think _____ takes to determine _____ with _____ vehicle's exhaust, leading _____ check engine _____?

How _____ does it take to identify an _____ lit-up check- _____?

How _____ do _____ take _____ diagnose _____ my car's exhaust _____ that _____ be triggering the _____ light?

_____ expected _____ be the _____ takes to identify a problem _____ a vehicle's emissions, _____ to _____ engine _____?

_____ long _____ to _____ out _____ automotive emission complication that causes _____ display?

How _____ it _____ to detect an _____ linked _____ a lit _____ check _____ indicator?

_____ long will _____ for determining _____ with a _____ to lead _____ engine light?

_____ the average _____ a car _____ fault to be _____?

What _____ the _____ time _____ takes _____ an automobile's emissions-related _____?

_____ is needed _____ diagnose an _____ trouble?

How long _____ it take to diagnose _____ related to _____ engine _____ to appear?

Do you _____ an _____ to _____ a vehicle's exhaust system fault?

Can you tell _____ long _____ to _____ a problematic car-exhaust issue that causes _____?

_____ much time _____ usually _____ to identify a _____ issue _____ check _____ indicator?

_____ long _____ take _____ a _____ in _____ vehicle's _____ the illuminated check engine symbol?

How _____ does _____ your professionals to _____ issues _____ vehicle's exhaust system _____ cause _____ light?

How _____ takes to diagnose _____ issue?

What is the _____ time frame _____ issues related to _____ they cause _____ light _____ off?

How long does _____ take _____ find out _____ the exhaust _____?

_____ car exhaust issue results _____ triggering _____ engine light, what _____ the average time _____ diagnose?

How much _____ is it _____ professionals _____ identify a _____ issue _____ the _____ engine _____?

_____ is the _____ frame _____ exhaust issues, specifically when _____ result _____ triggering or affecting _____ check _____?

How long _____ Exhaust troubles in vehicles?

_____ it supposed to take _____ identify a _____ with _____ vehicle's emissions and _____ an _____?

What _____ to identify _____ with _____ vehicle's _____ resulting _____ illuminated check engine lamp?

How _____ it usually _____ a faulty exhaust?

_____ the _____ to identify exhaust system _____ causes _____ engine light?

Can _____ me how _____ takes to identify _____ vehicle's _____ system _____?

How _____ does it take to figure _____ going on with _____?

How _____ time would it take to _____?

_____ the average _____ frame to diagnose issues _____ to car _____ when the _____ engine _____?

How _____ can it _____ for _____ issues _____ exhaust, leading _____ the _____ engine _____?

What is the _____ time _____ to _____ issues related _____ specifically _____ they cause _____ check _____ flash?

_____ long _____ to _____ what's wrong with the car's _____?

What _____ the _____ time _____ issue to be solved?

_____ long will it take to _____ silly _____ light _____ blasted _____ system?

How _____ you _____ will take to _____ car's exhaust system _____ for the illuminated check engine light

How _____ will _____ take for _____ car's _____ system _____ found?

How _____ time professionals _____ to identify a problematic _____ the _____ indicator?

_____ much _____ diagnose an _____ system _____ that _____ check engine indicator to flash?

_____ is it usually required to _____ an exhaust _____ error that _____ the _____ indicator _____ ?
 Can anyone tell _____ how _____ it _____ a exhaust system fault _____ with _____ lit up _____ ?
 How _____ time does _____ for specialists _____ identify a defect _____ your _____ exhaust system _____ illuminating _____ ?
 _____ long will _____ to diagnose a _____ light for _____ exhaust _____ ?
 How much time _____ need to _____ a possible _____ your car's exhaust _____ its _____ sign?
 How _____ diagnose a malfunction in _____ vehicle's emissions _____ an illuminated _____ symbol?
 _____ anyone tell me how long it _____ takes to detect _____ exhaust _____ lit up _____ ?
 Can anyone _____ me how _____ it typically _____ to _____ exhaust _____ with _____ check engine indicator?
 I don't _____ how long _____ will _____ to _____ exhaust-related _____ concern.
 How much _____ typically _____ to _____ a problematic _____ causing _____ check _____ indicator?
 What _____ required to diagnose _____ automobile's _____ related troubles?
 _____ long does it _____ to _____ a car _____ ?
 How much _____ specialists _____ to _____ defect in your car's exhaust system _____ sign?

 _____ long does it take _____ car's _____ to _____ diagnosed?
 How _____ do you _____ to _____ problems in _____ ?
 Can you _____ how long _____ takes to figure _____ what's _____ system if _____ check engine light _____
 _____ long _____ it _____ to figure out _____ happening _____ car's _____ system?
 What _____ of _____ is _____ to diagnose _____ emissions-related _____ ?
 _____ does it take to figure _____ what is _____ with _____ ?
 Does _____ it usually takes _____ an _____ system _____ a lit _____ check engine indicator?
 What time _____ it _____ to diagnose an _____ ?
 What _____ average _____ a car's _____ system fault _____ diagnosed?
 Can _____ tell me _____ it _____ to diagnose an issue _____ system _____ a _____ ?
 How _____ it _____ malfunction _____ cause the _____ engine _____ in an automobile?
 How _____ do _____ usually _____ detect _____ faulty exhaust?
 How _____ time _____ out _____ with a car's exhaust?
 _____ long it usually takes _____ out what is going _____ your _____ ?
 _____ car _____ issues _____ in _____ or affecting a _____ engine _____ what _____ average time frame _____ ?
 _____ would it take _____ identify _____ exhaust-related _____ an automobile?
 How long does _____ to _____ checked _____ the check engine _____ on?
 _____ much time is _____ a proficient _____ of _____ exhaust system error that _____ engine _____ ?
 How _____ it _____ a _____ exhaust system that causes a check engine _____ ?
 Does _____ a long _____ to figure out what's _____ the _____ ?
 What _____ it _____ a _____ with a vehicle's emissions, resulting _____ an _____ engine lamp?
 _____ to _____ how much time _____ need _____ a problematic car-exhaust _____ causing the _____ indicator.
 How _____ time do _____ identify a _____ issue _____ the _____ engine _____ ?
 _____ time to _____ a car's exhaust _____ ?
 How long does _____ to _____ car _____ specifically when the _____ engine light is _____ ?
 _____ is the average duration _____ car exhaust system?
 How long _____ take to _____ related _____ car exhaust, _____ a check _____ light to go _____ ?
 _____ it take a _____ to figure out _____ the _____ exhaust?
 How _____ time is required _____ a _____ diagnosis _____ an exhaust _____ causes a _____ indicator?
 What is _____ average time _____ to _____ issues _____ to car exhaust, specifically _____ it _____ the _____ light _____ ?
 How long _____ usually _____ out what _____ wrong with a _____ ?
 _____ long _____ it take to _____ a problem _____ a vehicle's _____ resulting _____ lamp?
 How long does it _____ to identify _____ that _____ engine display?
 How _____ does _____ figure out what is wrong with _____ of _____ ?
 How long _____ it take to resolve causes for _____ problem _____ the car's _____ system?

_____ you tell me the average _____ frame _____ diagnose issues related _____ car exhaust, _____ affecting the _____ engine _____

_____ it _____ to diagnose _____ exhaust system malfunction.

_____ is the amount of time professionals _____ need _____ a _____ issue causing _____ indicator?

_____ the _____ duration for _____ problems to _____ check engine _____ in an _____?

_____ long would it take _____ identify _____ exhaust _____ causes _____ light to _____ on?

I have _____ about how long _____ identify a _____ system _____.

_____ to _____ a _____ affecting a vehicle's emissions, resulting in _____ illuminated check engine _____?

_____ long will _____ to identify an _____ related _____?

How _____ time is needed _____ diagnose _____ system _____ that causes _____ check engine _____ show _____?

How much _____ it take _____ out if _____ car's _____ is malfunctioning?

How _____ time _____ to identify a _____ related _____?

_____ is the _____ time _____ diagnose _____ car's exhaust system _____?

_____ it take specialists to _____ a _____ car's exhaust system while illuminating its _____?

How _____ time do specialists need to _____ defect _____ exhaust _____ while illuminating its _____ warning _____?

_____ the estimated _____ it will _____ identify _____ automobile's exhaust _____ issue?

How long _____ think it is to _____ exhaust _____?

How long _____ take to _____ the _____ system of a car _____ how _____ it take to _____ the _____ engine _____

_____ long should it take _____ identify a _____ emissions _____ cause _____ illuminated check _____ lamp?

_____ long is _____ diagnose a car's exhaust _____?

I _____ how long _____ takes _____ a _____ engine light problem _____ car's exhaust system.

What _____ the _____ time _____ to identify an _____ issue?

_____ long is _____ an _____ emissions-related trouble?

_____ long _____ it take _____ out _____ emission _____ that causes a _____ display?

How long _____ it _____ a _____ system _____ could be triggering _____ check engine light?

_____ engine light _____ to _____ car's exhaust system, so how long _____ take _____ to be _____?

What _____ length _____ time _____ identify a vehicle's exhaust system _____?

How _____ does _____ take _____ issues related _____ exhaust _____ they lead _____ triggering _____ affecting the check _____?

_____ much time do specialists need _____ detect _____ defect in _____ exhaust _____ warning sign?

How _____ car _____ issues related to _____ exhaust system that _____ a check engine warning?

What is _____ average _____ to diagnose _____ related to _____ exhaust, specifically _____ result _____ triggering _____ check _____?

How long does it _____ to _____ related _____?

How _____ does it take to _____ what's wrong _____?

_____ anyone tell me _____ long _____ takes _____ detect an exhaust _____ fault linked _____ lit _____ check _____

_____ long _____ it _____ to figure out what _____ the _____ system _____ car?

What _____ needed to diagnose an automobile's _____?

_____ tell _____ how _____ it takes to detect an exhaust _____ there _____ lit up _____ indicator?

_____ tell me how long it _____ to detect _____ system _____ with _____ up _____ indicator?

Do you know _____ long _____ to diagnose _____ exhaust _____?

How _____ is required for a _____ diagnosis _____ system _____ that _____ a check _____?

_____ long does it take to diagnose issues related to car _____ triggering or _____?

Can you tell _____ the _____ of _____ it _____ to _____ vehicle's _____ system _____?

Average _____ time _____ car's exhaust _____?

_____ long _____ it take _____ figure out _____ going on _____ exhaust _____ car?

How _____ would _____ an automobile's _____ issue causing _____ check engine light _____ go _____?

_____ do specialists need to _____ defect in _____ car's exhaust system _____ illuminating _____ sign?

What _____ a typical _____ issues with a _____ exhaust?

Can _____ provide an _____ of how _____ takes _____ a vehicle's _____ system _____?

_____ time _____ take to figure out what's _____ with the _____ exhaust?

How _____ it _____ for an exhaust _____ to _____ the _____?

_____ would _____ know how _____ it _____ take to identify _____ exhaust _____ fault.

_____ usually _____ it takes _____ a problem _____ vehicle's emissions, resulting _____ illuminated engine lamp?

Can anyone tell me how long _____ an _____ engine _____?

_____ you provide me with an _____ how _____ it _____ identify a _____ fault?

How long _____ take to diagnose _____ exhaust _____?

_____ long _____ it _____ to diagnose a _____ exhaust _____ and how long _____ solve the illuminated check engine

Do _____ know _____ it will _____ to identify an _____ related _____?

What is the _____ time to _____ exhaust _____?

How long does it take _____ malfunction?

_____ much time is _____ for _____ skilled _____ of an _____ error that causes _____ to _____ off?

_____ trying _____ out _____ it takes _____ identify a _____ system fault.

_____ me _____ long _____ takes to _____ the _____ of my car?

Can anyone _____ me how _____ it _____ system fault if there _____ lit _____ engine indicator?

I _____ to know _____ will take to identify _____ problem _____ to the _____ exhaust system.

How _____ do _____ think it takes for an _____ cause _____ check _____?

How _____ repair _____ take to diagnose _____ the exhaust _____ a check engine warning?

How _____ usually take to diagnose _____ with _____ exhaust _____ that could _____ triggering a _____ engine _____?

Can you tell me how _____ would _____ to diagnose a problem in _____ and _____ the _____?

_____ how long _____ takes to detect _____ exhaust _____ fault linked _____ a lit _____ indicator.

How long does _____ diagnose _____ car's exhaust system that could be causing _____?

When _____ check _____ is on, can _____ me _____ long _____ takes _____ diagnose an _____ problem?

If _____ check _____ light is _____ long _____ it take to _____ out what is going _____ my _____?

_____ of time do _____ to _____ a problematic car-exhaust issue _____ the _____ engine _____?

How _____ will _____ take _____ identify _____ issue _____ causes the check _____ to _____?

How long _____ system _____ take to be _____?
