

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	DVR and recording features support
Inquiry Sub-Category	DVR Storage Capacity and Expansion
Description	Providing information on the DVR's storage capacity, options for expanding storage, and troubleshooting storage-related problems to ensure uninterrupted recording and viewing.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Will our stored data _____ if _____ power outages _____ we _____ and _____ restoration/rebooting processes _____?
 _____ recordings _____ protected _____ if there is a _____ loss?
 _____ saved _____ there if _____ electricity _____ off _____ we watch something?
 Will _____ recordings _____ saved _____ power _____ occurs?
 _____ we _____ sure that _____ recordings _____ their data _____ disruptions?
 If the _____ goes _____ Will _____ saved recordings _____?
 Did _____ keep _____ we _____ powerout?
 _____ there a _____ if there is a _____ failure?
 _____ the recordings _____ if _____ off?
 Will the _____ if the _____ goes _____ we're watching?
 Will our _____ remain _____ if the power goes _____ and _____ and _____?
 _____ recordings survive the _____ going _____?
 _____ can we _____ that _____ won't have _____ loss during _____ while _____ content?
 Should _____ or damage to the _____ if _____ is a show _____ a _____ out?
 Will _____ even _____ power outages _____ the _____ for restarts grows?
 Is the saved recordings _____ the electricity _____ off _____ we _____?
 _____ keep data _____ watch powerout?
 _____ if _____ saved _____ will be _____ during _____ disruptions.
 _____ we _____ data safe when we _____ or _____?
 Is it _____ recorded content _____ by electricity _____?
 Is our _____ still _____ if _____ viewing and _____ restart our _____ source?
 _____ we keep data _____ when watching _____ failures?
 _____ the recorded _____ power failures?
 Will _____ be there if the _____ goes _____ when we're _____?
 Will the data _____ if _____ out at our _____?
 _____ my recordings be protected _____ power _____?
 _____ the _____ of data be safe _____ power _____ a show?
 Are our saved _____ still there _____ the _____ off _____ something?

____ we watch ____ record ____ did we ____ safe?
 ____ my recordings be secured even ____ need for ____ more after ____ ?
 Do we ____ data ____ power out?
 Is ____ on ____ content if ____ is a Blackout?
 ____ there is ____ power failure while ____ or ____ programming, ____ your system ensure that ____ ?
 Will ____ recordings ____ with us if ____ out?
 Did we ____ data ____ while we ____ ?
 Is it ____ that we won't ____ data on ____ ?
 ____ stored recordings be secure ____ the event ____ a ____ ?
 ____ disruptions, can we be ____ we ____ viewing or recording?
 If ____ black ____ while watching ____ material will not ____ damaged.
 ____ the ____ stay ____ as we watch ____ record ____ ?
 ____ we ____ data safe when ____ outages?
 If ____ without power ____ viewing ____ our data still valid?
 ____ recorded ____ files ____ okay ____ the power failure?
 ____ recorded ____ stay intact even ____ power is ____ ?
 Does recorded ____ stay ____ even ____ is knocked ____ ?
 ____ we experience a ____ out ____ our ____ will the stored ____ ?
 ____ the saved ____ be ____ if ____ goes off?
 ____ recorded ____ the ____ even when ____ knocked out?
 ____ recordings be safe ____ the event of ____ power loss?
 ____ the recordings ____ if the electricity ____ while we're ____ something?
 Will ____ recordings be ____ even if ____ is ____ ?
 Did ____ as ____ watch power ____ ?
 ____ the recorded content ____ electrical failure?
 If we ____ power ____ activities, is ____ data still ____ ?
 ____ recorded/ watched ____ despite power ____ ?
 Is recorded data ____ intact ____ out for a ____ of ____ ?
 ____ we ____ safe when we ____ outage?
 ____ stored info be ____ is a power ____ during ____ ?
 ____ all of my ____ safe ____ a power shortage?
 If there ____ failures while ____ watch ____ and ____ and reboot ____ are complete, ____ .
 Will ____ be secured ____ the event ____ power ____ ?
 ____ we ____ that during power ____ won't ____ data ____ our ____ content?
 ____ we be ____ that ____ power disruptions, we do ____ by ____ ?
 ____ there ____ out, can the saved ____ be ____ ?
 Will ____ still be there if the ____ we ____ watching ____ ?
 ____ the recordings be safe under ____ restart?
 ____ data still ____ even ____ are having ____ failures?
 ____ we're watching and ____ still available after ____ power ____ ?
 ____ we keep the data safe when ____ power ____ ?
 ____ we be ____ that there won't be a ____ power disruptions ____ ?
 Are ____ when we watch or record ____ ?
 ____ the ____ failure, ____ files be ok?
 ____ that during power disruptions ____ won't ____ data ____ recorded ____ ?
 ____ our data safe ____ we watch ____ record ____ ?
 Did ____ keep the data safe ____ outages?
 ____ all ____ my recordings ____ safe when there is ____ ?
 Will ____ info be ____ if there ____ a ____ shortage ____ shows?
 ____ the ____ be saved ____ power goes ____ ?

Is _____ still intact even if _____ power _____?

_____ power disruptions, can _____ we won't _____ data by _____ content?

If _____ electricity goes _____ are watching something, _____ our _____ there?

_____ the _____ info ok if _____ shortage _____ our shows?

_____ my recordings be secured in _____ power _____?

Will our _____ recordings _____ be _____ if the _____ goes _____ while we're _____?

Will our _____ still be _____ if the _____ off _____ watching?

If _____ are power _____ we are _____ and _____ will our _____?

_____ the recordings _____ safe _____ power shortages or restarts?

If a _____ at our _____ the _____ info be _____?

Is our _____ power _____ off, since _____ will watch and record _____?

_____ be _____ is a power outage _____ our shows?

Does recorded data _____ intact _____ if power _____ show?

_____ the saved recordings _____ if the electricity _____ something?

_____ while we watch or record _____ failures?

Despite the _____ failure will recorded/ _____?

_____ the saved _____ still _____ electricity _____ off while _____ watching something?

While _____ and subsequent restoration/rebooting _____ out, _____ we _____ certain that our _____ remains intact?

Does recorded _____ remain _____ even though we _____?

Does our _____ remain intact _____ while we _____ shows?

_____ go _____ while _____ record, is our data still intact?

_____ my _____ be secured even _____ for _____ and restoration _____ necessary?

_____ if _____ goes out while we are watching and _____?

_____ there be no _____ or _____ to _____ if _____ show is _____?

Will _____ be secured even _____ there _____ be _____ required?

_____ all _____ recordings _____ safe _____ there _____ a power loss?

Can _____ make sure _____ not _____ the _____ is off or _____ recording is _____?

_____ recorded _____ still intact _____ is knocked out?

_____ we be sure _____ we _____ our recordings during _____?

_____ recordings _____ in _____ of power disruptions where the _____ for _____ becomes _____?

_____ my _____ be _____ when the _____ goes _____?

_____ the _____ goes _____ can we save _____?

_____ we be certain _____ we won't _____ viewing/ _____ power disruptions?

Will _____ okay if there _____ power failure _____ show?

If the system needs to _____ a _____ outage, _____ keep _____ safe?

Did we _____ our _____ watching or _____ power _____?

Will _____ recordings _____ secured _____ power failures _____ need for _____ grows?

_____ data _____ we record _____ failures?

_____ stay intact despite the power _____ during a _____?

When _____ electricity goes _____ the _____ recordings _____ there?

_____ be _____ or _____ to the _____ if there is a show with _____ cut?

Does _____ stay _____ after power _____?

_____ be _____ that _____ we won't lose _____ by viewing/ recording _____?

_____ recorded data _____ intact _____ if power _____ off _____ we _____ shows?

Does _____ undamaged even if power is _____?

Will the _____ recordings _____ when _____ is a _____?

Will recorded/watch _____ okay _____ failure?

Can _____ sure that our recorded _____ not be _____ power _____?

Will _____ there _____ the power goes off?

_____ my _____ secured when _____ are restarts _____ needed?

_____ we _____ we do not lose our _____ during _____?
 _____ our saved _____ if the electricity goes _____ watch something?
 Is the _____ data _____ even if _____ power _____?
 _____ the saved _____ there if the _____ goes _____ while we're _____?
 Can _____ certain _____ our recordings _____ be lost _____ disruptions?
 How can _____ sure _____ there _____ data loss during _____ when viewing/recording _____?
 _____ content _____ watching and recording _____ valid _____ blackout?
 Will _____ be protected _____ power shortages _____ restarts?
 Does _____ data _____ as long _____ there is _____ restoration?
 _____ our _____ remain _____ goes out while we _____ shows?
 Will the stored _____ be _____ a _____ at our shows?
 Did _____ the data _____ while _____ watch or record _____?
 _____ be _____ during a power _____?
 Will all of _____ be secure _____ case _____ a _____?
 _____ there be _____ saved content if _____ a blackout?
 _____ recorded data stay _____ when _____ are having _____?
 _____ if _____ be _____ during power _____ while _____ content and the subsequent fixing/reboot
 Can _____ that _____ lose _____ by viewing/ recording content _____ disruptions?
 Will my _____ secured even _____ is a need _____ or _____?
 _____ my _____ secured _____ the event _____ power shortages?
 Will _____ files be _____ failure.
 Will recorded/ _____ be _____ despite _____ failure?
 Did we keep data _____ when _____ or _____.
 Does recorded _____ stay intact _____ power _____ out for _____ while _____?
 _____ my _____ be secured _____ will _____ restarts or restore _____?
 Will our _____ be _____ if the _____ goes _____ we _____ watching?
 Is it _____ wont lose data _____ recordings _____ power _____?
 _____ any _____ data _____ is stopped because of an energy _____?
 Will the recordings be _____ there _____ restarts?
 _____ ensure that _____ are not disrupted in the event _____ power failure while _____?
 _____ all of _____ be secure _____ is a power _____?
 Can we be _____ that _____ lose _____ recordings during _____?
 _____ power is cut or recording _____ stopped _____ you _____ sure _____ files _____?
 _____ power failure, _____ recorded or _____ files _____?
 _____ there be the _____ power goes off?
 _____ andreboot process complete if _____ failures _____ we watch?
 _____ there are power _____ we _____ watching _____ will our data _____?
 Will my _____ even if there _____ or _____ needed?
 If _____ power _____ watch _____ and the restoration _____ processes are complete.
 _____ recordings be secured in the event _____ needed?
 Do _____ when _____ watch _____ record power losses?
 _____ make _____ that the files _____ not _____ recording is _____ or the _____ is _____?
 _____ be there _____ the electricity went off?
 _____ power _____ can _____ we wont lose data by viewing/recording _____?
 Is _____ intact _____ though the power is _____ a _____?
 _____ recorded _____ intact _____ if _____ power goes out _____ a _____?
 Will _____ recordings _____ secured when there _____?
 Can we _____ certain that _____ will be no data _____ disruptions _____?
 Does _____ intact when _____ is _____ failure?
 Does our data stay _____ shows with _____ power?

Will _____ be _____ there is a _____ for a _____?

_____ go without _____ then restart _____ power source, is _____ intact?

_____ there is a black out, _____ material _____?

During _____ interruptions and system _____ will _____ be _____?

Does _____ data _____ even _____ outs?

Is _____ recordings _____ if _____ off?

Will _____ unaffected _____ power failures?

Will the _____ when the power goes _____?

Is there a guarantee _____ undamaged saved _____ when _____?

_____ be secured _____ if _____ is _____ to restore the power?

_____ we be sure _____ data _____ lost during _____ power _____ and _____?

_____ be _____ record what happens if our electricity _____?

Will _____ recordings _____ there if the electricity _____ we are _____?

Does recorded _____ is _____ out?

_____ our data _____ intact if _____ without power _____ and _____ our power grid?

Does the content we're _____ recording _____ blackout?

_____ information _____ watch or record power _____?

_____ recordings be safe when there's a _____?

If the electricity _____ will _____ recordings _____?

Will _____ be _____ even _____ be restarts _____ restore needed?

Will _____ recordings _____ there if _____ electricity _____ we watch a _____?

If _____ power _____ will the _____ be there.

_____ recordings _____ safe despite power _____ restarts?

_____ my _____ the event of _____ power failure?

_____ data stay intact _____ are power outages?

Did we keep the data safe _____ or _____?

_____ recordings be saved _____ interruption _____?

_____ power disruptions can we _____ sure we don't _____?

_____ data _____ power goes out during a show?

_____ the stored data be _____ if _____ power _____ our _____?

Will there be _____ while we _____ recorder, and _____ restoration _____ is _____?

Will the stored recordings be _____ even _____ is _____ restart?

Will _____ secured _____ when _____ is restored?

Does _____ intact even _____ for a period of time?

_____ there _____ power failures _____ we watch and _____ and reboot _____ are complete, will _____ happen?

_____ the _____ recordings _____ there _____ electricity goes off?

_____ our data still _____ without power _____ viewing/recording activities?

Does _____ data stay intact _____ if _____ out on _____?

_____ the _____ failure, _____ and watched files be _____?

_____ we _____ certain _____ we don't lose _____ by _____ content during _____?

Did we _____ safe when we _____?

_____ recordings _____ be there _____ electricity _____ off while we watch _____?

_____ recorded _____ intact if power is out for _____ show?

_____ my recordings be _____ even _____ will _____ restarts _____ restore _____?

_____ the _____ save the _____ is a power _____?

Does our data remain _____ if _____ power _____ we _____ shows?

_____ my recordings be _____ when _____ power goes _____?

_____ we be sure _____ power disruptions we _____ lose data by _____?

Will _____ recordings _____ secured even _____ cases _____ power _____ where _____ need _____ restarts _____?

_____ able to keep our _____ data if _____ a _____ failure?

Is _____ data still _____ though power is _____ during _____?

_____ that there won't be any data loss _____ power _____ while _____?

Did we keep data _____ the _____ outages?

_____ that _____ lost during power disruptions while viewing/recording content?

Did we _____ safe _____ we watch _____ power _____?

_____ a guarantee on undamaged _____ case of a _____?

_____ failure will _____ files _____ ok?

Will the _____ be secured _____ power _____ restarts?

_____ my recordings _____ in the event of a _____ outage?

_____ saved recordings _____ be there _____ off while we are _____ something?

_____ the stored recordings be _____ power _____ restart?

_____ the _____ data stay intact when the _____?

_____ of my recordings be protected _____ outage?

_____ of my recordings _____ secure even in the event _____?

_____ the stored _____ be _____ a power _____ occurs _____ shows?

Is the recorded _____ electricity _____ during _____?

_____ we _____ the data safe _____ we _____ failures?

Can _____ sure that _____ won't lose data _____ during _____ disruptions?

Is the _____ the recordings _____ under _____ shortages _____?

_____ data stay intact _____ there _____ a _____ failure?

_____ data _____ intact _____ is _____ for a _____ of time?

_____ depend _____ the _____ to remain _____ while we _____ work _____ restoring?

_____ we be _____ that _____ power _____ not _____ data by viewing/recording _____?

If _____ electricity _____ off _____ we _____ watching _____ our _____ recordings _____ be there?

How can we _____ certain _____ the _____ be _____ while we watch/record/reboot?

_____ power outages and we _____ something, will _____ intact?

_____ keep _____ safe _____ record powerouts?

Will recorded/watched _____ be _____ despite _____?

_____ the storage of data _____ safe _____ there _____ a power _____?

_____ data _____ even _____ power _____ out for a _____?

Will _____ be secured _____ the _____ is _____?

Will the _____ be secure _____ restarts?

_____ my _____ secure even _____ are restarts and _____ needed?

Will the saved recordings _____ if the _____?

Does _____ data remain _____ we are _____ failures?

_____ there _____ a power shortage _____ our shows, _____ info _____ okay?

Should there be _____ to the _____ material, if there _____ show with _____?

Will recorded and watched _____ the _____ failures?

Will recordings _____ a power _____?

Is _____ data still _____ power is _____?

_____ we be sure _____ power disruptions, _____ won't _____ our recorded _____?

_____ recordings be secured _____ is a power shortage?

Is our data intact _____ go without _____ activities?

Will my _____ if there is _____ off?

While viewing/recording _____ and subsequent _____ done, _____ we _____ our _____ remains intact?

Will _____ watched _____ be _____ despite the _____ failure?

_____ saved recordings still be _____ the _____ goes _____ we _____ something?

_____ we _____ data _____ as _____ watched _____ power failures?

_____ storage _____ be safe if _____ goes out during _____ show?

_____ there a _____ undamaged _____ content when _____ goes out?

_____ goes _____ and _____ can't record _____ will we still have that _____?

_____ my recordings be _____ there _____ a _____ failure?

_____ watched files _____ even after _____ failure.

Will _____ secure under power _____ restarts.

_____ data _____ intact even though we _____ having power _____?

_____ safe as _____ watch power _____?

Can the _____ failures of electricity?

_____ we be _____ that the _____ won't be lost _____ disruptions?

If the electricity goes _____ we _____ recordings _____ be _____?

Will _____ be _____ power failure?

_____ data undamaged even though _____ out on _____?

_____ my recordings be secured _____ there _____ need to _____ later?

_____ recordings _____ there _____ goes off and we watch _____?

When _____ out and _____ activities _____ the _____ safe?

_____ recorded _____ stay _____ there is a power _____?

Will the recordings _____ the electricity _____ and _____ watch something _____?

Can we _____ the data _____ our recordings _____ lost _____ power _____?

_____ intact even if power goes out _____ record shows?

_____ of my recordings be secure _____ there is _____?

Can _____ be certain _____ won't lose _____ on _____ content _____ disruptions?

Is _____ recorded _____ even _____ there are power _____?

_____ recorded data _____ intact if _____ goes _____ show?

_____ the _____ goes _____ we _____ save our data?

If we _____ during viewing/recording _____ are our _____ still _____?

_____ safe _____ we watch or record power _____?

If _____ go without _____ our _____ source, is our _____ valid?

_____ recorded/ _____ files be _____ power _____ eventually?

Can _____ secured even _____ there is _____ a restoration?

Is the data _____ powerouts?

Is _____ safe when we _____?

Will my _____ be _____ of _____ shortages where the _____ restarts becomes _____?

_____ my _____ be secured in _____ of restarts _____?

_____ the _____ if the power goes _____ during _____ show?

_____ recorded/watch files be alright _____?

_____ it _____ to say _____ we _____ lose _____ during power disruptions?

During power _____ be _____ do not lose data _____ content?

If the _____ goes off _____ watch something, will _____ there?

Does our recorded _____ intact _____ we lose power _____ we _____?

Are _____ still there _____ the _____ goes off while _____ are _____?

Is our _____ data _____ we _____ again, if the _____ goes off?

While _____ and subsequent _____ are conducted, _____ be sure _____ our _____ remains _____?

_____ be certain that data _____ during power disruptions _____ watch/record/reboot?

Will my recordings be _____ power failures?

_____ is _____ guaranteed for viewing/ _____ during _____ Outage?

Does _____ data stay _____ power _____ out for a _____ of _____?

_____ recordings _____ if a _____ occurs?

_____ recordings _____ secured even if _____ a _____ disaster?

_____ all of _____ recordings _____ if _____ is _____ power failure?

If electricity _____ something, will the saved _____ there?

_____ there be _____ loss or _____ to _____ material _____ there _____ a black _____?

_____ safe _____ record powerout?

Will _____ recordings _____ electricity _____ and we watch something again?

_____ power failures while we _____ and _____ will _____ restoration and reboot _____ completed?

Is _____ guarantee on _____ saved _____ power goes out?

Will stored _____ if _____ a power _____ during our _____?

_____ my _____ secured _____ there _____ a power shut _____?

Will all of my recordings be _____ power _____?

Is our data _____ intact _____ go without power _____ the _____?

Will my _____ be _____ there is _____ loss?

_____ all of my _____ secured even _____ there is _____?

_____ we be _____ lose data when we watch/record _____ disruptions?

How can _____ sure that _____ data won't _____ during _____ disruptions _____ viewing/recording _____?

Is data safe _____ we watch _____?

_____ our _____ hold _____ despite the _____ being out?

_____ recordings _____ there if electricity goes _____ while we _____ watching _____?

We _____ know _____ there _____ be data _____ disruptions _____ viewing/recording content _____ subsequent _____.

_____ can we _____ sure that there _____ be _____ during power disruptions while _____?

Is continuity guaranteed for _____?

Did _____ keep _____ safe _____ we _____.

If _____ power outages, _____ we be able _____ our stored _____?

Did we _____ safe _____ watch _____ record _____ failures?

_____ be affected _____ electricity failures during _____ sessions?

_____ recorded _____ still intact even if _____ out during _____?

Is _____ data still intact _____ go without _____ viewing/recording _____?

_____ us _____ our data _____ lost in case _____ power interruption?

_____ the storage of _____ be _____ if _____ is a power _____?

Can _____ sure _____ lose recordings during _____ disruptions?

Will _____ data remain _____ goes out while _____ and record?

_____ keep data safe if we _____?

_____ keep data safe as _____ or _____ the _____ failures?

When the _____ or when the _____ stopped _____ you make _____ the files are _____?

Will my _____ be _____ even when _____ restarts and _____?

While _____ and subsequent _____ procedures are carried out, can _____ that _____ data remains _____?

_____ be _____ damage _____ saved material if _____ a show _____ black out?

_____ we _____ the _____ to _____ intact while _____ and restore?

If a _____ interruption occurs, _____ saved?

Will _____ recordings be _____ in the _____ and _____ needed?

Are _____ recordings saved if _____ a _____?

_____ the _____ stay _____ even _____ the power _____ out?

_____ the electricity _____ while _____ are watching something, _____ saved _____ be _____?

_____ power disruptions, can _____ certain that _____ lose _____ viewing/recording content?

Can _____ be _____ power _____ we _____ lose data by _____ content?

_____ our _____ okay if we _____ record _____ outage?

Will _____ of my _____ safe _____ case of power _____?

If _____ without power during _____ our _____ still be _____?

_____ can _____ certain _____ there _____ during _____ disruptions when viewing/recording content and _____ subsequent fixing/reboot

Will _____ be alright _____ power _____?

Can you _____ disrupted when _____ power _____ cut or the recording _____ stopped?

Did _____ keep _____ as we watch _____ failures?

_____ recorded and _____ files _____ okay despite _____ eventually?

_____ the power _____ we keep the _____ safe?
 If _____ is a black _____ the stored info _____ alright?
 How can _____ be certain that there _____ viewing/recording _____ during _____ disruptions?
 _____ my _____ recordings be secure _____ when there _____ power _____?
 _____ our _____ because _____ watch _____ again if the power _____ off?
 Can you make _____ the files are _____ when power _____ stopped?
 Will the recordings _____ secure _____ power shortages or _____?
 Does recorded _____ intact if _____ are _____?
 If _____ is a black _____ while watching _____ chance that the _____ will _____ damaged?
 Despite power failure, will _____ and _____?
 _____ all of my recordings _____ even _____ a _____ shortage?
 _____ we _____ sure _____ disruptions we won't _____ on recorded content?
 _____ data safe _____ we _____ power cuts?
 _____ my _____ even if _____ is _____ need for _____ restoration?
 _____ my _____ be secured _____ if _____ a _____ outage?
 _____ there _____ guarantee _____ saved content when there _____ a _____?
 _____ the _____ recordings _____ under _____ shortages or restarts?
 Will _____ recordings be _____ if _____ goes off and we watch something _____ again?
 _____ be _____ during _____ shortages or restarts?
 If there _____ while we _____ and _____ restoration _____ will be complete
 _____ the stored information _____ safe if _____ is _____ at _____ shows?
 Will watched/ _____ power failure?
 _____ recorded content _____ unaffected _____ failures?
 _____ if the electricity goes off and _____ are watching _____?
 _____ our saved _____ still _____ there if _____ off _____ watching something?
 _____ the _____ save _____ if there _____ power disruption?
 _____ my _____ be safe _____ if _____ are restarts _____ needed?
 _____ the stored _____ alright if _____ is a power _____ shows?
 If _____ power outage _____ shows, will _____ info be ok?
 _____ my _____ be _____ even _____ need _____ restart them after _____ outage?
 _____ all _____ stored _____ even if there is _____ power failure?
 Will _____ remain intact _____ the _____ out _____ we _____ recording and _____?
 Can _____ sure that _____ power _____ we _____ lose _____ recorded _____ we've watched?
 Will _____ even if _____ be restarts _____ restore needed?
 _____ our recorded data _____ intact even _____ power goes out _____?
 _____ our _____ if we go without power _____ activities or later _____ power _____?
 _____ we safeguard _____ when _____ watch or _____ failures?
 _____ we keep _____ safe when we _____?
 Will the stored _____ alright if the _____ out _____?
 _____ stored _____ safe during power _____?
 _____ keep _____ safe when _____ the powerouts?
 _____ be saved after a _____?
 Can we be _____ that _____ won't _____ when _____ during _____ disruptions?
 _____ recordings be _____ when _____ and restore needs?
 Will _____ stored _____ okay if the _____ during _____ shows?
 Will _____ stored recordings _____ safe _____ are _____ or restarts?
 _____ the data _____ even though the _____ is out _____?
 _____ saved _____ if _____ goes off while we're watching?
 _____ recorded/watch files be ok _____?
 Does _____ data _____ despite power being _____ period _____ time?

Is there a _____ on _____ when it's _____?

_____ the _____ recordings be still if _____ goes _____?

Is _____ possible that the _____ content _____ electricity _____?

_____ we _____ won't lose our recordings during _____?

Does the _____ stay _____ even _____ is _____ for a _____ of _____?

_____ my _____ be _____ for restarts and restoration occurs?

_____ recorded _____ to _____ intact even though _____ power failures?

Can we keep _____ data _____ if there _____ power _____?

Can _____ that data on _____ recorded _____ have watched _____ lost during power _____?

Will the recordings _____ even _____ power _____ or _____?

Will _____ be okay _____ power _____?

_____ data stay _____ is out _____ a period of time _____ a _____?

_____ data still _____ if we _____ having _____ failures?

Will _____ secured _____ if there is a need _____ later?

Did we _____ our _____ watch and record _____ outages?

_____ be protected when there _____ a need _____ restoration?

_____ be sure that _____ won't be _____ viewing/recording content during _____?

Does _____ data _____ even after power is _____ a _____?

_____ we _____ the _____ safe when _____ or recorded _____?

_____ recorded _____ intact when _____ are _____ power failures?

Will _____ stored recordings _____ if _____ power _____ or restarts?

Is _____ recorded _____ intact _____ though power is _____ a _____?

_____ intact if _____ power goes out _____ we watch/record _____?

Can _____ be _____ that data _____ recorded _____ will _____ power disruptions?

_____ power _____ out _____ recording _____ safe to assume _____ data is safe?

_____ the _____ needs to restart _____ outage can _____ our saved data _____?

_____ stored _____ okay if we experience a _____ shows?

_____ be safe in _____ of _____ power failure?

Will the stored information be okay if _____ at _____?

_____ stored _____ experience a black out at _____ shows?

Data safety _____ we watch _____?

Will watched _____ recorded files be _____?

Can you _____ sure _____ aren't _____ the _____ is _____ the _____ is stopped?

_____ be no loss _____ damage _____ material in the event _____ a show _____?

When the _____ off, _____ our saved recordings _____?

_____ be certain _____ during _____ disruptions _____ lose data by _____ recording _____?

_____ the _____ be safe _____ during a power _____ or _____?

_____ stored info be _____ if there is _____ shows?

_____ the saved recordings be _____ the _____ out?

Does our _____ remain _____ even if _____ power while _____?

_____ we _____ the _____ as we record power _____?

_____ my _____ be secured in _____ of _____ cut?

Can we be sure _____ power _____ lose our _____?

Will _____ of my _____ be safe _____ power blackout?

_____ the stored recordings be _____ even during _____?

_____ still _____ even though power is _____ during _____ show?

_____ information _____ if there _____ a black out _____ our _____?

_____ recordings _____ safe when the power goes _____?

Can _____ make sure the _____ are _____ power is _____ or _____?

We _____ know _____ data will _____ lost _____ power _____ viewing/recording content and _____.

Does recorded _____ stay intact _____ being knocked _____?

_____ data _____ intact even _____ power goes _____ while _____ watch/record shows?

Will _____ there _____ power _____ while _____ recorder _____ restoration and reboot processes _____ complete?

_____ our recorded _____ stay intact even _____ a _____ outage?

When _____ recording, is _____ stuff okay when we _____?

_____ recorded data remain _____ the _____ a _____ failure?

If we _____ without _____ or recording _____ our _____ still there?

_____ restoration and reboot process _____ there are _____ we watch and recorder?

Will _____ watched _____ be _____ power _____?

_____ be sure _____ be data _____ during _____ disruptions while viewing/recording _____ and the _____ fixing/rebooting _____ the _____ recordings still be _____ if _____ power _____?

Is the stored _____ a _____ occurs _____ our shows?

Does _____ data _____ intact _____ if _____ for a bit?

Is the _____ secure _____ under _____ shortages _____?

Did _____ keep _____ we watch _____ record power _____?

_____ stay safe when we _____ record _____ outages?

_____ recorded _____ intact even _____ is _____ a _____ of _____ on shows?

_____ the _____ data _____ power goes out during our shows?

If there are power _____ while _____ watch _____ and _____ restoration and reboot _____ it _____ possible.

_____ keep _____ safe if _____ record power _____?

Can we depend on _____ intact while _____ record _____ restore?

_____ the recordings be _____ even during _____ shortages _____?

_____ to _____ we _____ data safe _____ we _____ or _____ power failures.

_____ our _____ are safe during power disruptions?

_____ recorded _____ still intact even _____ power _____ and _____?

_____ viewing/recording activities _____ restoration/rebooting procedures are carried _____ we _____ our _____ intact?

Will my _____ if there _____ restarts and _____?

_____ my recordings be secure _____ there's _____ outage?

_____ recordings _____ the power goes off?

Will _____ and _____ be _____ despite power _____.

Is _____ safe as _____ record power _____?

_____ recordings be saved if _____ is _____ outage?

Does recorded data _____ exist _____ if _____ power _____?

How _____ we _____ certain that _____ won't be _____ data loss during _____ while _____?

_____ all _____ my recordings _____ secure _____ in _____ event _____ a power _____?

_____ be saved _____ there _____ power interruption?

_____ be ok if _____ shortage occurs at our _____?

_____ the _____ goes off _____ watch _____ the saved recordings _____ be _____?

Will saved recordings _____ be _____ if _____ goes _____ watch?

How can _____ be _____ that _____ won't _____ data loss _____ while _____?

_____ make _____ disrupted _____ power is cut _____ recording is stopped?

While _____ shows, _____ our _____ remain _____ despite _____ being out?

Is our _____ still _____ if _____ without power _____ viewing and _____?

Will _____ system _____ in the event _____ failure?

_____ we _____ certain that during _____ disruptions _____ lose data _____ content?

Will the saved _____ when _____ watch _____ the _____ goes off?

_____ power _____ out for _____ period of _____ on _____ recorded data _____?

_____ we _____ sure _____ recordings _____ not _____ during power disruptions?

Will stored info be _____ the _____ out _____ our _____?

_____ data continue to be _____ even _____ we _____ failures?

____ we ____ that our recordings ____ be ____ power disruptions?
 ____ the ____ last after a power failure?
 ____ certain that data ____ our recordings ____ lost during ____ disruptions?
 ____ be sure ____ data won't be lost when we ____ power ____?
 Does ____ data stay ____ is ____ during a show
 ____ saved ____ power goes off?
 Will ____ system save ____ in ____ event ____ power ____?
 There could ____ power failures ____ recorder, and ____ restoration ____ are done.
 Will ____ files ____ fine ____ power failure?
 Is ____ safe ____ watch or ____ failures?
 Will ____ saved ____ be ____ if ____ electricity ____ we watch?
 Is continuity ____ during a ____?
 How is continuity ____ recording ____ during a ____?
 ____ recorded ____ still intact even when power is ____ a ____?
 Will the ____ and ____ files be ok ____?
 Will ____ recordings ____ secured even ____ a power ____?
 Will the system save ____ if ____?
 ____ the ____ data safe if ____ is ____ cut during ____ shows?
 If a power shortage ____ at ____ will ____ stored ____?
 There ____ power failures ____ we ____ and recorder and the ____ andreboot ____.
 Is ____ stuff ____ while ____ watch ____ record, ____ restart occurs?
 ____ watched files be ok ____ failure?
 ____ your ____ make sure that files are not ____ power ____ you watch or record ____?
 If ____ is a power outage ____ will ____ info ____ alright?
 ____ are ____ failures while we ____ and ____ and ____ restoration andreboot processes ____ that be?
 ____ the ____ content remain ____ electricity ____?
 Can ____ that we ____ data during ____ disruptions ____ viewing/recording content?
 ____ it possible for ____ content to remain ____ failures?
 Does ____ stay intact even if ____ for ____ on shows?
 Will ____ recordings be there ____ electricity ____ off while ____?
 ____ we ____ our data safe when ____ record ____?
 Does recorded ____ remain ____ we ____ having a ____ failure?
 ____ you make ____ that ____ files are ____ disrupted ____ stopped or power ____?
 Is ____ stored ____ if we ____ a ____ our shows?
 ____ goes ____ we ____ not able ____ what ____ happening, will we ____ have that saved?
 Does recorded ____ even when ____ power ____ during ____ shows?
 If we ____ without power during ____ is our ____?
 During power disruptions ____ we be sure ____ lose ____ content?
 ____ the ____ under power shortages or restarts?
 Can you make sure the ____ disrupted when ____ is ____ or ____?
 Will the ____ if the power ____ out ____ our ____?
 Will ____ information be ____ if there is ____ at ____ shows?
 ____ stored info be ____ a power ____ during ____ shows?
 Does recorded data ____ power ____ out for ____ show?
 Does ____ data ____ intact ____ is out ____ a show?
 For viewing/recording after ____ failure, ____ is ____?
 How can ____ be ____ that there ____ be no ____ loss during power ____ content ____ subsequent ____
 Does ____ data stay ____ even though ____ have ____ restoration?
 Will ____ recordings be ____ of power ____ the ____ restarts/restoration becomes required?
 Will the ____ be safe ____ there ____ power outage ____ shows?

Will _____ watched _____ be _____ after power _____?

Will _____ be there if electricity _____?

_____ data safe after _____ or _____ power _____?

Does _____ data _____ intact even after _____ a show?

Will _____ my _____ be _____ in _____ event _____ a _____ shortage?

Will my _____ be _____ after a _____?

Will _____ stored info be ok _____ there is a _____?

_____ that during power disruptions _____ won't lose _____ on _____ content?

Did _____ safe when we _____ failure?

Will _____ recordings be _____ even if _____ restarts _____ required?

If the electricity goes _____ will _____ able _____ save _____?

Is our _____ data still intact _____ there _____ outage?

Was data safe when _____ failures?

Can _____ recorded content _____ by _____?

Will _____ be _____ power _____ where the need for _____ required?

_____ there if we _____ power?

Do we _____ data _____ we _____ record _____ outages?

_____ data _____ intact even _____ goes out _____ a period _____ time?

If _____ off, is _____ data safe _____ record again?

_____ the _____ information _____ if we experience _____ black _____ at _____?

Can recorded _____ by electricity _____?

_____ recorded content _____ the electricity failures we _____?

Does _____ stay intact when power is _____?

Did we _____ safe _____ power outages?

_____ the _____ if _____ lose power?

Will the _____ when power goes _____?

Is our _____ still _____ we _____ without power _____ activities _____ restart _____ grid?

How _____ we _____ that _____ won't be data loss _____ while viewing/recording content _____ subsequent _____

_____ saved recordings there _____ electricity _____ off?

Is _____ even when _____ a need for _____ restoration?

_____ there _____ failures while we _____ recorder, and _____ restoration and reboot _____ complete.

Will _____ information _____ alright if there _____ power _____ at the _____?

If there _____ a power _____ we _____ data safe?

_____ recordings _____ even if power _____ out _____ a while?

Will the recorded/ _____ the power failure?

Will _____ there _____ a need for a restoration?

Will _____ save recordings _____ power interruption?

_____ the _____ watching/recording persist after _____ failure?

Is recorded data _____ power _____ during _____ shows?

_____ data stay _____ despite _____ being out _____ a while _____?

Did _____ data safe while _____ record _____ outs?

How _____ we be sure that _____ won't _____ data _____ during _____ while _____?

Will _____ save _____ in _____ of a _____ cut?

_____ watched _____ be okay despite _____ failure?

_____ data _____ as _____ watch _____ power failures?

Can _____ that our _____ lose _____ during power disruptions?

_____ be any loss or damage _____ saved material _____ a show _____ blackout?

Do _____ when we record _____?

Can _____ be _____ our _____ lose data during _____ disruptions?

Will _____ recordings _____ if _____ is _____ for a restoration?

Will _____ watched _____ be _____ power failure?

Did _____ keep data _____ when _____?

Is _____ information _____ the power goes out _____ shows?

Can _____ be _____ that there _____ data loss during _____ disruptions _____ content and the _____?

_____ recorded _____ when the _____ out during our shows?

Will my _____ when _____ a power issue?

Does _____ data _____ intact _____ power _____ out for a _____?

_____ recordings saved if there's _____?

_____ can we _____ certain _____ be lost _____ power disruption while _____ content?

Does _____ even though _____ are having power _____

Will _____ be there _____ goes _____?

Are _____ recordings _____ if the _____?

Is our _____ go without power during viewing/recording _____ later restart _____?

Is our stuff _____ while we _____ before the _____?

Will _____ recordings _____ secured _____ where the _____ for _____ and _____ becomes _____?

_____ recorded/watched _____ be ok despite _____ failure?

Will the _____ information be _____ if there's _____ power _____?

_____ we watch or _____ power outages?

Will _____ my _____ safe even if there's a _____?

Should _____ be _____ loss or _____ to _____ material _____ there is _____ with _____ power _____?

_____ my _____ be protected even _____ there _____ power _____?

If _____ electricity _____ while _____ watch something, _____ still have our _____?

_____ the _____ if the _____ and we watch something _____?

_____ we _____ sure _____ data won't be lost during _____ disruptions _____?

Is _____ safe when _____ or _____?

_____ still intact _____ though we _____ failures and need _____?

_____ our data _____ intact if _____ and we _____ and recording?

When power is knocked _____ intact?

If _____ power failures while we watch and _____ and reboot _____ could _____.

_____ our _____ if _____ power goes out _____ we _____ and restoring?

_____ recorded data remain intact even though we _____ out _____?

Can we _____ that during power disruptions, _____ lose _____?

_____ the _____ information be safe _____ the _____ goes out _____?

_____ by electricity failures when we _____?

_____ we keep _____ safe as _____ power failures?

Does the recorded _____ stay _____ out _____ a show?

_____ keeping data safe _____ watch or _____ power _____?

Will _____ files _____ okay despite _____ power failure?

Is our _____ still intact _____ we go _____ power _____?

_____ safe when _____ watch _____ outages?

_____ the _____ to restart _____ have a _____ outage, can we keep _____ saved _____?

Can we _____ we won't _____ our _____ disruptions?

_____ safe _____ we'll watch _____ again _____ the power goes off?

Is _____ guarantee on _____ saved content _____ blackout?

_____ stored _____ if there is _____ black _____ at our _____?

_____ be _____ loss _____ saved material if there is a _____ without _____ power _____?

_____ recordings be secured _____ power shortages _____ need for restarts becomes _____?

_____ we _____ without _____ during viewing/recording _____ our data still _____?

If _____ needs _____ restart _____ there's _____ power outage, can we _____ saved _____?

Is _____ that _____ data _____ recorded content during _____ disruptions?

_____ watched files _____ fine despite the _____ ?
 _____ as we _____ record _____ outages?
 If the _____ we _____ saved data safe?
 _____ recorded/ _____ alright despite the power failure?
 _____ process _____ if _____ power failures _____ we watch and recorder?
 Is _____ even if _____ power failures?
 _____ and _____ again if the power _____ off, _____ is our _____ ?
 _____ my _____ be _____ when there will be _____ restore _____ ?
 _____ we _____ certain that there won't be _____ loss during _____ while _____ recording _____ ?
 Will our _____ there after _____ electricity _____ we watch something?
 Will _____ files be okay _____ ?
 Will _____ files _____ a _____ failure?
 Will _____ recordings be _____ a _____ interruption?
 Did we _____ our data safe _____ we _____ ?
 _____ recordings _____ safe if there is a _____ shortage _____ ?
 Will the _____ recordings _____ the power _____ out?
 _____ files be _____ during power _____ ?
 Will _____ recordings _____ secured even _____ there are _____ and _____ ?
 Is data safe _____ power loss?
 _____ we store _____ when we _____ record powerouts?
 _____ power interruption occurs, will _____ recordings?
 _____ recorded data stay _____ even _____ power _____ for _____ of time?
 Does _____ even though power _____ for a show?
 _____ recordings _____ there is _____ power cut?
 _____ my _____ be secured _____ after a _____ ?
 Does data _____ we _____ or _____ powerouts?
 Will saved recordings be _____ when _____ ?
 _____ we keeping _____ as _____ or _____ power failures?
 _____ we be _____ we don't _____ content during power _____ ?
 _____ still intact if we go without power _____ activities _____ grid?
 Does the _____ stay intact even _____ power _____ during _____ ?
 _____ all of my _____ even in _____ event _____ a power _____ ?
 Is data _____ as _____ ?
 Did _____ data safe _____ watch or _____ failures?
 Will _____ be no _____ or loss _____ the _____ if _____ a _____ out?
 Can the _____ saved _____ is a _____ interruption?
 _____ recorded _____ intact even _____ power goes out _____ we watch/record _____ ?
 Will _____ stored _____ be _____ power goes out?
 Does recorded data survive _____ power _____ ?
 Do _____ keep _____ as _____ record _____ failures?
 Can _____ be _____ there _____ be data _____ during _____ viewing/recording content?
 Will _____ watched files _____ despite _____
 _____ recorded data _____ intact even if we lose _____ ?
 If _____ goes off, _____ we _____ able to _____ recordings?
 Will _____ be _____ in the event of _____ power _____ ?
 If there _____ power failures _____ watch _____ and the _____ is complete.
 Does data remain _____ watch or _____ outages?
 Will my _____ secured even if _____ are _____ ?
 _____ your system _____ to _____ if _____ a _____ failure while you _____ watching or recording?
 _____ able to _____ what _____ happening if electricity _____ off?

Does ____ data ____ even ____ there is ____ power ____?

Can we ____ sure ____ don't ____ our recordings ____ power ____?

____ be saved ____ there's a ____ interruption?

Did ____ keep ____ safe ____ we watched ____ power ____?

Will ____ recordings be secured ____ if ____ power ____?

____ data remain ____ after ____ long as there ____ a restoration?

There is ____ saved ____ be lost if there ____ out.

____ my recordings be ____ in ____ power ____ the ____ for ____ becomes required?

____ okay if there is a ____ failure ____ shows?

____ power goes ____ recording activities happen, ____ it ____ assume the ____ is ____?

Will ____ data ____ if there is ____ the show?

Was ____ we watch ____ record ____ failures?

Will ____ saved ____ there if ____ watch ____ and ____ goes off?

Did ____ keep ____ safe ____ or record power ____?

____ power goes ____ the saved ____ be present?

Can we ____ that ____ on ____ not ____ lost during power disruptions?

____ recordings ____ there ____ is a power cut?

Will all ____ in the ____ of a power failure?

Is ____ if ____ watch power failures?

____ we ____ be ____ to record ____ the electricity ____ off?

____ data ____ when ____ watch powerouts?

Does ____ data ____ exist even ____ we ____ failures?

____ keep our data safe ____ powerouts?

____ our saved recordings be there ____ goes ____?

____ data ____ as ____ power out?

____ there be recordings ____ if the ____?

____ all of ____ recordings be ____ in ____ of ____ outage?

Will ____ recordings be ____ even if ____ and ____ needed?

Can ____ we won't lose data ____ recorded content ____ power ____?

Will the ____ recordings be ____ of power ____?

____ all of my ____ safe even if ____ a ____?

____ and watched files ____ despite ____ failure?

____ safe even ____ there will be ____ restore needed?

Will the saved recordings ____ we ____ the electricity ____ off?

When the ____ is cut or ____ recording is ____ can ____ the files ____ not ____?

____ electricity goes off ____ we ____ the recordings ____ there?

Will ____ be ____ if ____ electricity goes off ____ watch something?

____ be there if the ____ off while we ____?

Can we ____ data on ____ content we have ____ won't ____ during power ____?

Is our ____ still intact ____ without ____ recording activities?

Will all ____ my ____ even ____ there is a ____?

If ____ experience ____ black out ____ our ____ will the ____ be ____?

Is ____ data ____ if ____ without ____ during ____ or recording.

____ the ____ we're watching/recording ____ after ____ out?

____ the ____ goes off ____ will our saved recordings ____ there?

Will all ____ recordings ____ when there's a ____ failure?

Is ____ saved ____ still ____ if the ____ while we're ____?

____ stored info ok ____ a black ____ our shows?

Is data ____ watch ____ record ____?

____ saved ____ there ____ power goes out?

_____ data _____ if _____ go _____ power during viewing/recording _____ our power grid?
 Does _____ remain intact _____ if power _____ we watch/record _____?
 Will _____ okay _____ power failure?
 Does _____ data _____ when power _____?
 _____ data remain intact even though _____ out?
 _____ the _____ by electricity _____ during recorded sessions?
 Will my _____ in _____ the need for _____ grows?
 _____ viewing/recording _____ and _____ restoration/rebooting _____ are carried out, _____ we be _____ is not damaged?
 restoration and reboot _____ be _____ are _____ failures while we _____ and _____.
 _____ recorded data _____ even _____ power goes out _____ show?
 _____ the stored _____ be _____ a _____ shortage or _____?
 If _____ power _____ viewing _____ recording activities, _____ our _____ still exist?
 _____ our data still valid _____ without power _____ viewing/recording _____ and later _____ our _____?
 _____ saved recordings _____ be _____ if the electricity goes _____ we _____?
 Will _____ preserved in case _____ a power _____?
 _____ restoration _____ process _____ there are _____ failures _____ we watch and recorder.
 If there is a black _____ while watching _____ is _____ material _____ damaged?
 _____ recorded _____ files be okay even _____ power _____?
 Does the _____ watching/recording _____ the _____ after _____ power _____?
 Will recorded/watch _____ okay _____ failure.
 _____ our _____ if we go without _____ during viewing _____ later _____ source?
 Does the _____ we're _____ after a blackout?
 _____ we _____ we will not _____ our _____ during _____ disruptions?
 Will _____ saved _____ still _____ the _____ goes out while _____ are _____?
 _____ goes _____ while we watch something, will _____ still be _____?
 _____ keep _____ safe to _____ or record _____ failures?
 Can _____ certain _____ our recordings _____ be _____ during _____ disruptions?
 If the _____ will our saved _____ there?
 Will our saved _____ be _____ power _____ off?
 Can _____ that the _____ won't be lost _____ disruption and _____ fixes?
 Will _____ saved _____ there if the _____ while we are _____?
 _____ our stuff safe while we _____ the restart _____?
 Does _____ data _____ intact _____ power _____ a show?
 Will _____ there _____ power goes off while we're watching?
 Did _____ keep _____ data safe as _____?
 Despite _____ will _____ be okay.
 _____ our saved _____ safe _____ we'll _____ record again if _____ power _____?
 Will _____ there _____ we watch _____ recorder, and _____ and reboot processes are _____.
 _____ stay _____ though power is _____ for a while on _____?
 _____ unaffected if the power _____ out while _____ are _____ and _____?
 _____ stored recordings be _____ under _____ or restarts.
 _____ be secured in cases of _____ outages _____ the need for _____?
 Will our _____ remain undamaged _____ out and _____ able to restore _____?
 _____ our recorded _____ intact _____ though we watch/record shows _____?
 If the electricity _____ off while _____ recordings be _____?
 Can we _____ sure that _____ lose _____ on recorded _____ power _____?
 Did _____ safe when _____ power outages?
 Will recorded _____ watched files _____ OK _____?
 _____ recordings be secured _____ if the _____ becomes more _____ power outage?
 _____ all _____ my recordings _____ protected even _____ power failure?

Were _____ safe when _____ record power _____?
 Will _____ be _____ goes _____ and we watch something again?
 _____ be _____ or _____ to saved _____ if _____ show with no power?
 _____ all of my _____ secure _____ if _____ power outage?
 _____ remain _____ even though power is _____ a show?
 Can the _____ recordings _____ there if _____ power _____?
 _____ watched _____ be okay, despite _____?
 _____ be secure if _____ is a power _____ or _____?
 _____ data safe _____ record _____ watch power _____?
 Can we be _____ there _____ be _____ during _____ disruptions _____ viewing and _____?
 _____ the stored info alright _____ a _____ out _____ shows?
 Does recorded _____ undamaged even _____ are _____ power _____?
 _____ recorded _____ undamaged even _____ power is _____?
 Will _____ recordings be _____ a power _____?
 Will my _____ be _____ even _____ there _____ a need _____ restoration?
 Can we _____ sure _____ our recordings _____ power disruptions?
 Will _____ kept safe during _____ system restarts?
 _____ data stay _____ when we _____ powerouts?
 Will the _____ information be ok if _____ is _____ black _____?
 Does _____ recorded _____ stay _____ even _____ the _____ is _____ during _____ shows?
 _____ can _____ that there _____ be _____ loss during _____ disruptions while we _____ content?
 We'll watch _____ record _____ if the _____ is our _____?
 If _____ power _____ off will _____ be _____?
 Will _____ data _____ undamaged _____ goes out and we _____ recording?
 Will my _____ secured _____ cases _____ shortages _____ the need for restarts/restoration _____?
 Will _____ be secured _____ there will _____ restarts and _____?
 Will _____ have _____ saved recordings _____ electricity _____ off while we _____?
 Did we keep our data _____ we _____ or _____?
 _____ we keep data safe _____ we _____ or _____?
 _____ data remain _____ even though _____ is _____ out?
 _____ the stored _____ if _____ a power _____ at our shows?
 _____ power _____ our saved _____ safe _____ we'll watch and _____ again?
 How _____ guaranteed for _____ and recording during _____?
 _____ the _____ goes _____ is _____ we will watch and _____ again?
 Do you _____ if there is a blackout?
 Does recorded _____ if _____ goes out _____ while during a _____?
 Does _____ content stay _____ power _____?
 Can _____ unaffected by power _____?
 _____ the power goes _____ saved data safe?
 If _____ electricity _____ off _____ we're watching, _____ still be _____?
 Did _____ data safe _____ we watch _____?
 _____ to keep data safe while we _____ record _____?
 If the electricity goes _____ something, _____ recordings still _____ there?
 Will _____ of my _____ be _____ safe in _____ event _____ power _____?
 Will _____ info be _____ if _____ have _____ black out _____ our _____?
 _____ viewing/recording activities and subsequent restoration/rebooting _____ we trust that our _____?
 Will _____ be _____ power failure?
 _____ keep _____ while _____ watch or record _____ outages?
 Will _____ of my _____ in the _____ power loss?
 _____ my _____ be _____ when _____ be restarts and restore _____?

_____ sure that during power _____ lose data by _____ recording?
 Will _____ secured _____ in _____ of power failures _____ a _____ necessary?
 Is _____ no _____ damage _____ saved _____ if there is _____ with _____ Blackout?
 _____ we keep _____ data _____ as we _____ powerouts?
 Is _____ we're _____ still _____ strong after a blackout?
 Is _____ okay if there is _____ shortage _____ our _____?
 _____ there be _____ loss _____ on the saved _____ there _____ a _____ out?
 Will the _____ save the recordings _____ goes _____?
 Does anyone _____ a _____ on undamaged _____ a blackout?
 If _____ power _____ at our _____ will the _____ ok?
 Is _____ data still _____ though power _____ out for _____ of _____ on _____?
 _____ all _____ my recordings be _____ if there _____ outage?
 _____ my saved files going _____ be _____ during _____?
 If there are _____ outages _____ are recording _____ remain intact?
 Will my recordings _____ if there is _____ or _____ power?
 Does _____ recorded data _____ intact _____ the power _____ out _____ shows?
 _____ info be _____ have a black out at _____ shows?
 Should our _____ be _____ since _____ watch and _____ if _____ power _____ off?
 Is _____ saved recordings _____ is a power _____?
 Will _____ recordings _____ be _____ if the _____ goes _____ when _____ watching?
 Can we be sure _____ won't _____ power disruptions?
 We _____ to _____ that during _____ disruptions _____ data by _____ content.
 Did we _____ data safe when we _____?
 Will the _____ there if the power _____?
 Will _____ still _____ unaffected by _____?
 _____ be sure that _____ lose _____ on our recorded content _____?
 _____ our data intact _____ we _____ power during viewing _____?
 Does the recorded data remain _____ even _____ out _____ watch/record _____?
 Will our saved _____ still _____ if _____ electricity _____ off _____ watch _____?
 Can _____ be _____ that we _____ not lose _____ power _____?
 _____ we be _____ data _____ be _____ power _____ while viewing/recording content?
 Will _____ system _____ recordings _____ a power cut?
 _____ of _____ recordings _____ even if there _____ a power _____?
 _____ the recordings _____ saved _____ is _____ power disruption?
 Does _____ data still _____ even _____ we have power _____?
 _____ keep _____ safe while _____ watch or record _____?
 While viewing/recording _____ subsequent restoration/rebooting procedures _____ out _____ we _____ that _____ data _____ intact?
 Does recorded _____ stay _____ after the _____ out on _____?
 _____ intact _____ though power is out _____ a _____ of time?
 Can your system ensure that files _____ in the _____ a _____ watching or _____?
 _____ my recordings _____ secured _____ the _____ for restarts and _____ takes _____?
 Is _____ data still _____ we go _____ power during _____?
 _____ stay intact even if power _____ out _____ while _____ shows?
 Can your system make sure _____ not _____ the event _____ a _____ failure while _____?
 _____ the _____ goes _____ saved data _____ since we will _____ and _____ again?
 Will _____ be secure even under power _____?
 _____ the _____ recordings _____ secured under power shortages _____?
 _____ our _____ watch or record power failures?
 _____ safety _____ we _____ record powerouts?
 _____ goes off, is the _____ recordings _____?

_____ there _____ power failures _____ we watch _____ recorder and the _____ processes _____
_____ recorded data _____ even if _____ is _____ out _____ show?
_____ our recorded _____ intact despite power _____ occurring _____ we _____?

Are _____ there _____ power interruption?

_____ recordings be secured when _____ is _____ need _____ restore?

_____ there _____ power _____ watch _____ recorder and the _____ is complete, will we?

Will my recordings be _____ cases of _____?

_____ keep _____ if we _____ powerouts?

Is _____ data still _____ we _____ during viewing?

Does _____ stay _____ even though _____ having _____ power failure?

If _____ is a show with _____ blackout, _____ loss _____ to saved _____?

Is _____ safe when _____ power-outages?

_____ keep data _____ as we record _____?

_____ data safe as _____ powerouts?

Will my recordings _____ secured even _____ for _____ restoration becomes _____?

Will the stored _____ if _____ power _____ happens _____ shows?

_____ we _____ data _____ we watch or _____ power _____?

_____ keeping data _____ as _____ power out?

_____ saved _____ be there _____ we _____ the power?

_____ stuff alright if _____ watching _____ during an outage?

_____ our _____ still intact even _____ we _____ shows _____ out?

Will recorded _____ alright after power _____?

_____ data remain intact _____ there _____ while we watch _____ record?

Despite power failure _____ files _____?

Is _____ if _____ powerouts?

How _____ be _____ that there won't be _____ loss _____ viewing/recording content and _____ fix/reboot

Is there a _____ undamaged saved _____ is a _____?

Will _____ still be there _____ the electricity goes _____ while _____ are _____?

Will the recordings be _____ when there _____ a _____?

_____ be _____ our stored data if there _____ a _____ outage?

Does _____ recorded data _____ remain _____ even _____ we are _____?

_____ intact even though _____ shows with power out?

Is the _____ info ok if the _____ goes _____?

_____ data _____ we watch _____ record _____?

If _____ power _____ will we _____ saved recordings?

Will the saved recordings _____ is power _____?

_____ data remain _____ even during _____ failures _____ long _____ there _____ a _____?

Does recorded data remain _____ even _____ a _____?

Is recorded _____ unaffected _____ electricity _____ during _____?

Is there _____ saved material won't be damaged _____ is _____ out?

Did we _____ the _____ safe when _____ watched _____ failures?

If _____ while we watch and _____ restoration _____ is complete ,

Is the _____ unaffected _____ electricity _____ during our _____?

Will _____ be secured when _____ power _____?

_____ the electricity _____ off, _____ the saved recordings _____?

Will the saved _____ still exist if _____?

Will my _____ case _____ restarts or _____ needed?

While viewing/recording activities and _____ restoration/rebooting procedures are _____ out, _____ sure _____ is still _____?

Is _____ data safe _____ or _____ powerout?

_____ keep our data safe while _____ failures?

When we _____ does recorded _____ remain intact?
_____ kept safe as we _____ record _____ failures?
_____ recorded _____ watched _____ be _____ despite power _____?
_____ data safe when _____ watch power failures?
Is _____ guarantee _____ undamaged _____ if there _____ a blackout?
_____ the _____ if the power goes _____?
_____ be there _____ the electricity _____ off?
Will the _____ there is a power _____?
Is _____ we still _____ our _____ the electricity goes _____?
Will the _____ recordings be _____ power _____ restarts?
Will _____ of my recordings be _____ of _____ power failure?
Will _____ alright despite the _____?
There could _____ power _____ watch and _____ and _____ restoration and reboot _____ is _____.
When there is a power _____ data _____?
Is _____ data _____ intact even _____ power failure?
Will the _____ be secure if _____ off?
Do _____ keep the data _____ or _____ powerouts?
_____ intact _____ if power goes off _____ a show?
Is our data _____ when we _____?
_____ we go _____ during _____ activities, _____ our _____ still intact?
_____ my recordings _____ secured _____ of power _____ where _____ need for restarts _____?
If _____ goes off, _____ saved _____ safe _____ we'll watch and _____?
