

[Demo] NLP Dataset for Customer Service Automation

Company Type	Retail Banks
Inquiry Category	Interest rates and investment options
Inquiry Sub-Category	Mortgage rates and options
Description	Customers inquire about current mortgage interest rates, comparing different mortgage products, such as fixed-rate or adjustable-rate mortgages. They often seek guidance on the various options available, including down payment requirements, loan terms, and any associated costs.
Data Size	5,105 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Retail Bank" customer inquiry. (Purchased data will not be masked.)
