

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Electricity Suppliers |
| Inquiry Category | Damaged infrastructure reporting |
| Inquiry Sub-Category | Outage Reporting |
| Description | Customers report power outages in their area, providing details such as the location and duration of the outage, enabling prompt response from Electricity Suppliers. |
| Data Size | 5,053 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How do I _____ power _____ Include _____ where _____ occurred and _____ has been.

Instructions on _____ an electrical _____ occurrence _____ time at that _____ might _____ to _____.

Inform me about _____ duration and _____ failure

Tell _____ power _____ and how _____ it lasted.

Instructions on _____ about _____ and _____ that _____ may be provided.

_____ to know what _____ find _____ I _____ a power _____ and duration.

How _____ you complain about _____ and interruption _____?

How can I _____ failure _____ I _____ time and _____?

Instructions on _____ an electrical _____ and _____ at that _____ can _____.

_____ on notifying about _____ outage's _____ time _____ spot may _____ given.

How do I _____ a power _____ going on _____?

_____ where the _____ was _____ how _____ it took.

How _____ power _____ that has been _____ on for some _____?

I _____ like to know _____ to _____ the _____ in _____ of place and _____ time.

Please _____ us the _____ the outage and _____.

_____ should be _____ report an _____ along with the _____ and _____?

How do I report _____ I _____ how long _____ has _____ going _____.

How _____ report a _____ failure _____ location _____ duration?

_____ what I can find to _____ a _____ failure with _____ and duration.

_____ us know _____ the outage and _____ duration.

_____ where the loss _____ how _____ it took.

_____ wish to give me instructions on _____ an _____ outage's _____ at that _____.

How do _____ a power failure _____ lasted _____ long _____?

_____ on notifying about _____ incident and time _____ could be _____.

_____ on _____ about _____ electrical outage's _____ at _____ spot _____ be offered to _____.

Please provide _____ the outage.

_____ notifying about _____ outage's _____ time at that _____ if you _____ it to me?

_____ where the _____ and the time _____ lasted.

How _____ failure be reported _____ I _____ see _____ and _____ it _____?

Tell _____ the power _____ happened and _____ long it's _____.

_____ power failure, _____ me _____ location and duration.

_____ me _____ location and _____ the power outage.

_____ do I _____ a _____ going on for a _____?

_____ duration of _____ outage are _____.

_____ loss, location and _____ frame were _____.

With information on where the _____ happening and how long _____ been going _____ is _____ most _____ way _____?

Please _____ us know the _____ and _____ the _____ of _____.

I want _____ a power failure if _____ know _____.

How do I report _____ power _____ existed _____?

_____ to report a _____ duration.

How do _____ power interruption that's _____ for _____ long time?

_____ the loss of electricity _____ the length.

Provide information about _____ the _____ how long _____ had _____.

_____ you may _____ to _____ me _____ on notifying _____ an _____ outage and _____ at _____ spot.

_____ do I report _____ failure _____ a _____ and a _____?

I _____ guidance _____ a power _____ and duration.

How would _____ report _____ power failure _____ I _____ duration?

I _____ where to file _____ blackouts in _____ place, length of _____ specifics.

_____ do I _____ power _____ has a _____ and location?

You _____ able to give _____ instructions _____ notifying _____ an electrical _____ occurrence _____ at _____ spot?

_____ can _____ report a _____ failure _____ order to _____ and _____?

Please tell me _____ the _____ disruption is _____ long _____ persisted.

Please _____ me of _____ location and _____ the current _____.

Instructions on notifying about _____ electrical outage's _____ at that spot, _____ give _____?

Inform authorities _____ an _____ with essential _____ and _____?

_____ are _____ if _____ want to _____ power _____ location and duration.

_____ me _____ went _____ and how long _____ has been.

_____ location _____ the power cut and the _____ it.

What is _____ a power failure with _____ on where _____ happening _____ long it has been _____ on?

Please _____ a _____ and duration.

Instructions _____ notifying about _____ electrical outage's _____ and _____ may _____ something you _____.

What is _____ best way of _____ failure with location _____?

Tell me _____ power interruption _____ and how _____ occurred.

Please tell us _____ of the electricity _____.

_____ example, you might be _____ me instructions _____ about an _____ outage's occurrence and _____ at _____.

_____ report a _____ interruption? Provide information _____ problem _____ how long it _____.

_____ way to report _____ power _____ with _____ happening and how long it's been going _____?

_____ on _____ about _____ outage's occurrence _____ that spot _____ be _____ give me that?

 _____ me _____ location _____ of the power outage.
 I _____ whereabouts _____ timelines _____ blackouts.
 _____ about the exact location as _____ the _____ of _____ power _____.
 The current electrical _____ should _____ date and _____.
 _____ for _____ reporting _____ include locations and _____.
 Tell me _____ of the power interruption _____ time _____.
 How _____ report _____ interruption? Tell me _____ happened _____ it had been.
 The _____ location _____ should be _____.
 I _____ to know where _____ file _____ for _____ in terms _____ place and _____ of _____.
 _____ me _____ location _____ the outage and _____.
 _____ to _____ how to _____ power failure with location _____ in _____.
 Please tell me _____ as the _____ of a power _____.
 How should _____ report _____ failure _____ location _____ duration?
 Instructions _____ notifying _____ an _____ occurrence and _____ that spot _____ offered to _____.
 Tell me how _____ power _____ long ago _____ happened.
 What _____ way _____ report _____ failure that has location _____ information?
 _____ provide _____ length _____ the electricity loss.
 _____ can _____ report an _____ failure, _____ details _____ location and time?
 Guidelines _____ reporting power _____ include _____ of _____.
 _____ I want _____ report a _____ on location and _____ I need _____ what _____ dealing with.

Instructions ____ notifying ____ outage's occurrence ____ time ____ possible.

____ power interruption? How ____ has it been ____ on?

____ have questions ____ a power ____ with ____ on location ____ duration.

____ the ____ method of reporting ____ failure if I ____ and duration?

Instructions ____ notifying ____ electrical ____ occurrence ____ time ____ spot may be of ____.

Instructions ____ notifying ____ electrical outage's ____ and time may ____ be ____.

____ reporting ____ include ____ and time.

Promptly report ____ duration ____ blackouts.

____ about ____ outage's occurrence and ____ at that ____ for example, you ____ want ____ give ____ to ____?

Instructions ____ notifying ____ an ____ occurrence ____ time may be ____ given ____ me.

Please ____ us ____ and time of the ____.

____ me what ____ how long the ____ went ____.

Guidelines ____ power ____ include details of location ____.

Where do ____ you ____ being ____ and how ____ I've ____ suffering?

____ there ____ to ____ outage along with when and ____ happened?

How do ____ a power ____ if ____ on location ____ duration?

I ____ the power disruption ____ happening and ____ has persisted.

____ I report a ____ failure with ____ the ____ and ____?

You ____ give me instructions ____ about ____ occurrence and time at that place.

____ some questions if I ____ to ____ with duration and ____.

____ instructions on notifying ____ an electrical ____ time at that spot, for ____.

I need to ____ to ____ how ____ it will last.

Power ____ be reported location ____ frame ____.

To ____ a power ____ location and ____ do I ____?

How ____ informed ____ site and duration if ____ is a loss ____ electricity ____?

What ____ way ____ reporting ____ failure on location ____ duration?

____ location ____ duration of ____ outage

What is the ____ way ____ report ____ with ____ on how ____ been going ____ and where?

____ location and time ____ report power loss ____.

____ want to give me ____ about an ____ occurrence and time at ____?

____ do I report ____ interruption?

____ the ____ way to ____ a ____ failure with ____ on ____ and ____?

____ me ____ location ____ of the power blackout.

Instructions about ____ about ____ electrical outage's ____ and ____ at ____ may be ____ to ____.

What can ____ an electrical failure, ____ on the ____ and time ____?

If ____ power failure ____ location ____ duration I need to ____ that.

____ about ____ power interruption ____ how long it ____?

____ me ____ location ____ power cut and ____ of time it ____.

____ time no power existed should ____ in ____ report.

____ me the ____ cut and how ____ it took.

Instructions on notifying about an ____ at ____ spot, ____ example, you ____ offer it to ____ ,

____ to file reports ____ terms of place, duration and details.

If I want to ____ power ____ know ____ happened and how ____ it ____.

____ you please ____ me the location ____ the ____ failure?

____ need to know ____ the ____ was ____ how ____ took.

____ notifying about ____ electrical outage ____ and ____ time ____ occurs ____ the spot could ____.

____ electrical ____ to be ____ with ____.

Instructions ____ notifying about an ____ and ____ that ____ be possible, ____ example.

Tell me ____ the ____ interruption ____ place and ____ it's ____.
