

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Power steering fluid leaking from car
Inquiry Sub-Category	Fluid Leak Prevention Tips
Description	Customers request advice on preventing power steering fluid leaks, including proper maintenance techniques, periodic fluid checks, and potential causes of leaks such as worn-out hoses, seals, or reservoirs.
Data Size	5,018 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ are the signs ____ hoses ____ lead to ____ steering ____ leakage?
 ____ identify the signs of ____ hoses ____ power ____ leaks?
 ____ are ____ to look ____ indicate ____ wear ____ a ____ steering fluid ____.
 Is it possible that power ____ can ____ if ____ out?
 ____ you ____ the ____ malfunctioning ____ and ____ steering fluid leaking?
 ____ some ____ for that could indicate ____ wear ____ a ____ of ____ steering fluid.
 There are ____ worn-out hoses causing ____ steering ____.
 ____ a few ____ look ____ to indicate ____ hose wear ____ power steering ____ is ____.
 What ____ symptoms of worn-out ____ steering ____ leaks?
 ____ fluid can leak if ____ are ____ but ____ do you see?
 ____ wear and ____ on ____ indicate ____ the steering fluid ____ leaking?
 ____ there a ____ boosting power steering leakage?
 ____ there ____ of worn-out hoses ____ power ____ fluid leaking?
 There ____ some signs ____ looked ____ to ____ wear and a power steering ____.
 ____ are power ____ can ____ if hoses are ____ out.
 Wear ____ hoses is ____ sign that ____ steering fluids ____.
 There are ____ for ____ indicate hose wear and ____ leaks.
 Does worn ____ fluid leaks?
 ____ are ____ of worsening ____ that could ____ steering leak.
 ____ signs to ____ for that ____ hose wear ____ power ____ fluid leak.
 It might ____ signs ____ that ____ power steer'n ____ huh?
 ____ the ____ tear on ____ tell ____ that the power steering fluids are ____?
 ____ may ____ caused by ____ hoses.
 ____ be ____ worn-out ____ and potential ____ power ____ caused by this ____.
 ____ are the ____ hoses that ____ to ____ steering fluid leaks?
 ____ leaking steering fluid indicative ____ hoses ____?
 ____ hose wear will make power ____ dripped stuff.
 Do you know ____ steering ____ leaking because of worn ____?

_____ that worn-out hosing and potential loss _____ steering _____ seen.

_____ Steering _____ leak due _____ worn _____?

_____ are _____ signs that _____ be _____ for to indicate _____ possibility _____ power steering leak.

There are signs _____ hose wear _____ be _____ sign _____ steer'n _____.

_____ are _____ out for _____ indicate hose wear _____ steering fluid.

There may _____ cause leaks in power _____ fluid.

If hoses _____ worn _____ steering fluid _____ leak.

_____ possible that _____ wear _____ make power _____ drips.

_____ possible for power steering _____ if _____ worn out.

There are some _____ tell you _____ there _____ leak of the power _____ hose _____.

_____ you know _____ steering _____ can leak, _____ are _____ out?

What signs show _____ cause power steering _____?

Is it possible _____ steering _____ leak _____ broken _____?

PS _____ caused _____ worn-out hoses?

_____ are signs _____ suggest worn-out _____ potential _____ of _____ steering.

It's _____ that _____ of hose _____ might _____ steer'n drip _____.

_____ should I watch _____ that show wear on _____ hose _____ possibly _____ of _____?

What _____ that show wear on _____ hoses _____ fluid leak on _____ power _____.

There _____ be _____ of worn-out _____ and _____ loss of _____ due _____ a _____.

Steering _____ be caused by _____?

_____ you tell _____ the signs of worn-out _____ can _____ fluid leak?

_____ should be looking for to indicate hose wear and _____ power _____.

Some signs _____ are _____ wear _____ the possibility of steering _____.

Is there _____ of _____ hoses that _____ lead to _____ fluid _____?

_____ worn-out _____ cause power steering fluid leaks?

_____ signs to _____ for _____ the possible _____ the _____ steering _____ wear on _____ hose.

There _____ signs to _____ that show hose _____ possibly _____ leaks.

_____ to _____ for _____ may indicate hose _____ and a _____ of steering _____.

Is power steering _____ hoses?

Some _____ should _____ for _____ hose wear and _____ possibility of _____ leaking.

What signs should _____ show _____ the hose and possible _____ power _____ fluid?

Can _____ if worn hoses cause _____ leakage?

There are _____ to _____ for _____ see _____ wear _____ power steering fluid _____.

Does wear and _____ hoses _____ that _____ fluid is _____?

_____ are some signs _____ to indicate _____ wear and _____ leak _____ power steering _____.

_____ signs that should be _____ for to _____ the _____ of _____ hose and _____ the _____ steering.

There are signs that _____ indicate _____ leak of _____ steering _____.

_____ you _____ what _____ power steering _____ leak _____ hoses _____ worn out.

Can _____ identify _____ signs of _____ can lead to _____ leaking?

_____ signs _____ for that _____ fluid _____ on the power _____ wear _____ the hoses?

There could be signs of hose _____ stuff.

_____ it _____ that old hoses cause _____ steering _____?

_____ are _____ that _____ should look _____ indicate _____ hose wear or _____ of _____ steering fluid.

_____ signs _____ power steering fluid leaks?

I'm looking _____ signs _____ on _____ hoses _____ fluid _____ the power _____.

Can _____ tell if _____ power _____ leaking due _____ faulty _____?

_____ identify _____ symptoms of _____ steering _____ leaks when _____ become faulty?

_____ know _____ worn out hose might mean that power _____ is _____?

_____ power _____ fluid can leak _____ are worn- _____ but _____ other signs _____ know?

What _____ I _____ that show wear _____ hose and potential _____ power _____ fluid?

Are _____ of power _____ leak?

You _____ look for _____ hose wear and _____ leaks.

What signs _____ I _____ for _____ wear _____ the hose and _____ of power _____ fluid?
_____ may _____ signs of _____ out that cause power _____ leaks.

_____ good idea to _____ signs _____ potential steering fluid leaks.

Steering fluid _____ from _____.

_____ cause an issue with _____?

There _____ signs that _____ fluid leaks _____ worn out.

Power steering fluid can _____ out, _____ signs do you know?

_____ sign that indicates _____ wear _____ steering fluid leak?

Is _____ power _____ from _____ hoses?

There may _____ signs of _____ worn _____ and leaking _____.

_____ whether the power steering fluid is leaking _____?

What _____ am _____ looking for _____ show wear on the _____ on _____ steering?

_____ there an _____ worn hoses _____ power steering _____.

Does the wear _____ on _____ indicate _____ fluid is leaking?

What _____ should I be _____ that show _____ on _____ and _____ of power _____ fluid?

_____ there _____ of steering fluid _____ being worn out?

_____ worn-out _____ and _____ loss of power steering _____ could be _____.

What _____ I _____ show wear _____ the hoses or fluid _____ on the _____?

Can _____ lead _____ a _____ leak?

_____ power _____ fluid can leak _____ hoses _____ out but _____ signs?

_____ cause power steering fluid _____.

Can _____ trouble with steering _____?

I _____ signs of hose wear _____ could _____ power _____.

Can _____ tell _____ worn-out hoses can _____ power _____ fluid _____?

_____ leak can be caused _____ hoses?

There are some _____ to look for that _____ wear _____ the _____.

A leak of _____ fluid may be _____ becoming _____.

_____ the wear and _____ on the hoses _____ that _____ leaking?

Power steering fluid _____ if hoses _____ worn- out _____ signs _____?

There are _____ be _____ to _____ wear and _____ power steering _____ leak.

What _____ I look out _____ wear on _____ hoses or fluid _____ the _____?

_____ worn-out hoses a _____ fluid leakage?

Is there a sign _____ wear and _____ leakage?

What signs _____ I look _____ that _____ hoses or fluid _____ the _____?

_____ hose wear _____ possible steering fluid leaks.

The signs _____ hoses _____ could _____ to power steering _____.

There _____ power _____ leaks caused by faulty _____.

The _____ of worn-out _____ could lead to _____.

_____ worn out _____ steering fluid leaking?

Is it _____ that _____ hoses _____ steering _____ leaks?

Do _____ know _____ worn-out hoses will _____ power _____ leaks?

Any _____ power steering hoses _____?

_____ can I find out _____ leaking because of worn _____?

The _____ of _____ out _____ to _____ steering fluid leaking.

_____ be _____ of faulty _____ causing power steering _____.

_____ signs _____ should be _____ to indicate hose wear _____ a _____ steering fluid leak.

_____ identify _____ hoses that _____ boosting power steering _____?

_____ there _____ steering _____ from _____ hoses?

There are _____ steering leaks caused _____ faulty _____.

_____ could _____ signs _____ suggest worn-out _____ potential _____ power steering due _____ situation.

_____ are signs _____ wear might make power _____.

Potential steering fluid leaks _____ hose _____ are _____ should watch _____.

_____ I _____ show wear on the hose and a leaking _____ power _____ fluid?

Do you _____ if _____ hoses _____ power _____?

_____ steering fluid can leak if _____ but what _____ signs _____ there?

What _____ be looking _____ that show _____ hose and potential _____ steering fluid?

_____ there _____ hoses boosting power _____ leaks?

There may be _____ hoses _____ PS fluid.

You should _____ for _____ wear and _____ steering fluid _____.

What signs _____ and _____ the hoses _____ you _____ fluids are leaking?

_____ is possible _____ signs _____ wear _____ make _____ steer'n drips.

Old hoses _____ steering fluid _____.

Can _____ the signs _____ hoses _____ cause power steering fluid _____?

_____ hoses _____ worn out, power steering _____ but what _____ know?

How can I tell if power _____ worn _____?

_____ signs _____ for when I see wear on _____ fluid leak _____ power steering?

_____ are worn _____ power steering fluid _____ what _____ signs do _____ see?

The signs _____ look for are _____ wear _____ potential power _____.

Is leaking steering _____ of worn _____?

There _____ to look for _____ could indicate _____ power _____ fluid leak.

_____ you know _____ signs _____ hoses that lead to _____ power _____?

You know _____ the hoses are worn out, but what _____ signs _____?

A power _____ leak is possible _____ symptoms _____ deteriorated _____.

I _____ hose wear will _____ steer'n drip stuff?

There's a chance _____ steering _____ if _____ are worn _____.

There _____ steering fluid leaks could _____ caused by _____.

Do you _____ what _____ power steering _____ if _____ broken?

What signs _____ that _____ wear _____ the _____ and possibly leaking _____ steering fluid?

_____ may be leaking because of _____ wear _____ the hoses.

_____ do _____ tear on hoses tell _____ the _____ power steering fluids?

Is there _____ to identify _____ a steering leak?

_____ are some signs that _____ hose wear _____ steering _____ leaking.

Power _____ caused _____ faulty hoses?

Is _____ out hoses a _____ of power _____?

_____ signs _____ should alert you to _____ power steering fluid _____ hose _____.

_____ steering fluid _____ leak if _____ out, _____ do you know _____?

_____ power _____ leak _____ due _____ symptoms of deteriorated _____.

Can _____ tell _____ hoses boost power steering _____?

_____ it possible _____ power _____ is _____ because of _____ worn-out hoses?

_____ it _____ that the _____ fluid is _____ due _____ wear _____ tear _____ hoses?

_____ are indications _____ hoses in _____ steering.

_____ older _____ cause _____ fluid to _____?

_____ signs _____ wear that _____ potentially make _____ steer'n drip _____.

Power steering fluid _____ are worn-out _____.

How _____ locate _____ wear that _____ to _____ oil _____?

There are signs _____ worn _____ hoses that could lead _____.

There _____ some signs _____ look for _____ indicate _____ potential power _____ fluid leak.

There _____ signs that you _____ look _____ hose _____ power steering fluid _____.

There _____ to look _____ that indicate _____ wear _____ steering fluid _____.

There _____ be signs of hose wear _____ steer'n _____.

_____ steering _____ leaking from _____ hoses.

Can _____ cause leaking _____ fluid?

What signs would _____ look for _____ on the _____ potential _____ steering fluid?

Is _____ that worn out _____ will result _____ steering _____?

What signs should _____ that _____ the power steering hoses _____ fluid _____?

_____ warning signs _____ steering _____ leaking?

_____ steering _____ leak _____ hoses are worn _____ what other _____ out there?

There _____ signs of _____ wear _____ signs of _____ steer'n drip _____.

_____ hosing _____ potential _____ power steering could _____ signs of _____ situation.

How to spot _____ in _____?

_____ signs of worn out hoses _____ may _____ power _____ fluid _____?

There _____ that there is a leak of power steering _____.

Steering fluid _____ caused _____ worn _____.

There _____ you _____ look for _____ hose wear and _____ steering _____ leak.

How _____ I know _____ my _____ steering _____ leaking _____ of _____ hoses?

_____ the hoses tell you _____ the leaking power steering fluids?

It _____ be _____ hose _____ that _____ make _____ steer'n _____ stuff.

_____ that could indicate _____ potential loss _____ power steering.

Is _____ that weakened _____ might _____ leaks in _____ fluid.

Power steering _____ broken hoses _____ signs.

I _____ for _____ wear on _____ hoses _____ fluid leaking on _____ steering.

_____ are signs _____ be _____ for _____ hose _____ and the possible leak of _____ power _____.

Can you tell me _____ lead to _____ steering _____?

_____ that _____ worn-out _____ loss of power steering _____ be signs.

_____ signs _____ I _____ for _____ indicate hose wear _____ power steering _____?

There _____ to look _____ might indicate hose wear and _____ fluid.

_____ worn-out hosing and potential loss of power _____ situation.

Can you _____ the difference _____ power _____ fluid leak _____?

The power steering fluid can _____ if hoses _____ but _____ are _____?

There _____ signs that _____ be _____ to indicate hose _____ and _____ steering _____.

_____ evidence _____ hoses leaking _____ fluid?

_____ what signs _____ steering _____ can leak _____ are worn out?

There are _____ to _____ for _____ indicate _____ leak of the power steering _____ wear.

_____ could _____ so-called _____ hosing _____ potential loss of power _____ this.

_____ suggest worn-out _____ are causing _____ steering fluid _____?

Can _____ tell me _____ power steering fluid leak?

Is _____ evidence _____ hoses _____ steering leakage?

_____ are some signs to look _____ to indicate _____ a _____ steering _____

It may _____ wear that _____ power _____ drip stuff.

_____ power steering leaks that _____ be _____ hoses?

The _____ of _____ hoses _____ lead _____ power _____ leakage.

_____ red _____ might _____ the power steering fluid _____ weakened _____?

_____ fluid leak due _____ worn _____?

_____ me _____ worn out hoses are _____ for _____ steering _____ leak?

_____ should _____ I see wear _____ the hoses _____ fluid _____ the power steering?

Is _____ indication of worn-out hoses _____ could lead _____ steering _____?

_____ possible that the _____ are worn and _____ leak of _____ fluid?

_____ know if _____ fluid will leak _____ are _____ out?

_____ to _____ that leads _____ power steering _____ leaks?
 _____ you _____ when a _____ steering fluid leak _____ faulty hoses?
 _____ like to know _____ are signs _____ wear _____ hoses or _____ the power steering.
 _____ the indications _____ to power steering leakage?
 _____ power steering _____ could _____ if broken hoses _____.
 _____ may be _____ hose _____ make power _____ drips.
 _____ are _____ signs _____ should be looked _____ that hose wear _____ power _____ fluid _____.
 _____ is _____ hosing and potential _____ of _____ steering can _____ seen.
 _____ are _____ should _____ for to indicate hose wear _____ a _____ steering _____.
 What _____ to look _____ that indicate hose _____ power _____ leaks?
 Symptoms _____ failing _____ power steering leak?
 _____ does the wear and tear on _____ that _____ steering _____ leaking?
 There could _____ that suggest _____ loss of power _____ to _____ situation.
 _____ signs _____ I look _____ the _____ on _____ hose _____ leaking power _____ fluid?
 _____ you _____ signs of _____ mean that _____ steering fluid is _____?
 _____ signs _____ look for _____ hose wear _____ leaking _____ fluid.
 Is it _____ steering _____ is _____ of the worn _____ hoses?
 _____ know power _____ fluid _____ leak if hoses _____ worn _____ but _____ warning signs do _____?
 _____ of the power _____ failing.
 Is _____ indication _____ faulty _____ hoses?
 _____ are _____ and potential loss _____ steering indications.
 _____ you _____ become faulty and lead to _____ leaks?
 The _____ fluid can _____ worn _____ what other signs is there?
 Is _____ possible _____ power _____ fluid leaks _____ be a result _____?
 _____ be _____ leak _____ fluid if hoses are worn _____.
 _____ there any sign _____ out hoses _____ power steering _____?
 _____ that _____ are caused by faulty hoses.
 It's _____ that _____ of hose wear _____ to power _____.
 Is old _____ power _____ leak?
 If _____ what _____ you know _____ the power steering _____ leaks?
 _____ are worn _____ fluid _____ leak, _____ what other signs do you _____ that?
 How _____ tell if _____ steering _____ leak is _____ to _____ hoses?
 What _____ should I look for _____ the _____ steering hoses _____ fluid _____?
 _____ you _____ signs of _____ may lead to power _____ fluid leak?
 _____ you know what to _____ if the _____ power _____ fluid _____ worn _____?
 _____ possible that weakened _____ might _____ power _____ fluid _____?
 The wear _____ a sign that power steering _____ is _____.
 What signs do _____ wear _____ on _____ the leaking steering _____?
 _____ the signs _____ worn-out _____ indicative _____ steering fluid _____?
 There are _____ signs that should tell _____ if _____ is _____ leak _____ steering _____.
 _____ signs of worn out hoses _____ power _____ leak.
 Can you _____ worn hoses boost _____ steering _____?
 _____ is possible for _____ steering _____ the hoses are _____ out.
 There are _____ that should be looked _____ to _____ or _____ leak _____ steering fluid.
 _____ are _____ look for to indicate that _____ wear and a _____ steering _____.
 What are _____ signs _____ worn _____ steering fluid hose?
 _____ are _____ signs that _____ hoses are _____ power steering _____.
 What signs _____ look for _____ and power steering fluid _____?
 _____ should I look for _____ of hose wear _____ power _____?
 _____ are _____ look _____ that could _____ leak _____ steering fluid and hose _____.

_____ you _____ what signs _____ steering _____ leaking _____ hoses _____ worn out?

What are _____ of _____ worn-out power _____ hose?

_____ you know _____ worn _____ the power _____ fluid leaks?

_____ signs should I look for that _____ on _____ and _____ the _____ steering fluid?

Is there _____ sign of _____ that _____ power steering fluid _____?

Do _____ look _____ on the hoses or fluid _____ on the _____?

Can _____ tell me _____ worn-out hoses can _____ power _____?

_____ signs should I be _____ for _____ the hose _____ fluid leak?

_____ tell the _____ between _____ and _____ steering leaking?

_____ signs of _____ might make for _____ drip _____.

Is _____ a sign _____ for that shows wear _____ the _____ leak on _____ steering?

_____ you _____ if the worn _____ are boosting power _____?

_____ are _____ of power steering _____ leaks _____ hoses _____.

_____ leaking steering fluid a _____ of hoses _____?

_____ for that could indicate a leak of steering _____ and _____.

_____ it possible _____ steering fluid _____ be _____ old hoses?

_____ indications of worn _____ boost power steering _____?

_____ you think I _____ look _____ signs _____ wear and _____ fluid _____?

_____ are _____ of hose wear that _____ related _____ drips.

_____ wear could make _____ steer'n drip stuff.

I _____ to _____ to look _____ that indicate _____ wear _____ potential _____ steering _____ leak.

The _____ for _____ steering fluid leaks and _____ wear.

_____ steering fluid leaking.

You know _____ steering fluid _____ hoses _____ out, but what are the _____?

_____ of power _____ is possible if the _____ are _____.

_____ tell the difference between faulty _____ power _____ fluid _____?

Power steering _____ can leak if _____ are old, _____ what _____?

What _____ signs that _____ hoses could _____ to _____ fluid _____?

Symptoms _____ deteriorated _____ lead _____ power steering leak.

A _____ of _____ steering fluid _____ seen if the _____.

_____ don't _____ what signs _____ for that _____ wear _____ steering fluid leak.

The leaking of power _____ of worn hoses.

_____ are signs of _____ wear, _____ steer'n drips.

_____ should be _____ for _____ indicate _____ hose wear and the _____ of power _____ fluid.

A potential _____ leak _____ are some signs that should be _____.

_____ are _____ bad _____ could cause a power _____ leak.

There are _____ that indicate worn out hosing _____ steering _____ a _____.

_____ signs should I be looking for _____ show _____ the _____ hoses _____?

Can you _____ the signs of worn-out hoses that _____ steering _____?

_____ look for _____ of _____ wear and _____ power _____ fluid _____?

There are signs of hose _____ drip stuff.

_____ hoses that _____ in _____ steering?

What _____ I _____ for _____ the hoses or fluid _____ the power steering?

Are _____ hoses that might lead _____ steering fluid _____?

_____ worn out, power steering fluid can leak, _____ signs _____ of?

_____ should I look _____ show wear on the hose _____ potentially _____ steering _____?

What _____ I watch _____ that show _____ on the hose _____ possibly _____ power _____?

What _____ steering fluid leaks due to _____ hoses?

_____ look _____ of hose wear _____ steering fluid leaks.

Is it possible _____ the hoses _____ becoming worn _____ power _____?

_____ signs that should _____ are hose wear _____ a _____ power steering _____.
 There are signs that _____ and potential _____ power steering _____ a _____.
 _____ hoses can _____ and lead _____ the _____ power _____ fluid.
 Is _____ any _____ worn-out hoses _____ fluid?
 Is it possible _____ of _____ and _____ steering _____ leak?
 can old _____ power steering _____?
 There _____ be leaks in _____ steering _____ if _____ found.
 Does old hoses _____ power _____?
 _____ looking _____ signs of wear _____ hoses or _____ leak _____ power steering.
 Is it possible _____ the power _____ leaking _____ out hoses?
 _____ hoses a cause _____ power steering _____?
 _____ are _____ that cause power steering fluid leaks?
 _____ hoses _____ power steering fluid can _____ what _____ you know?
 Is _____ possible _____ bad hoses _____ lead _____ power _____ leaks?
 _____ should _____ for in _____ the hoses or fluid _____ on the power _____?
 What signs _____ I look _____ show _____ on the hose _____ the _____ of _____?
 _____ identify _____ of _____ out hoses that _____ result in _____ fluid leaking?
 Power steering _____ by spotting hose wear.
 The _____ hoses are signs _____ power steering fluids _____.
 The _____ leak could _____ symptoms of deteriorated _____.
 _____ you tell _____ worn hoses _____ power _____ leak?
 There are some signs _____ indicate that _____ steering fluid _____
 _____ are some _____ that _____ indicate _____ of steering _____ and _____ wear.
 _____ signs should I _____ for that show wear _____ the _____ and _____ power steering _____?
 _____ signs of worn out hoses _____ in _____ steering _____.
 _____ and _____ hoses a _____ that the _____ fluids are leaking?
 _____ a _____ fluid leak is due to _____ hoses?
 _____ possible that _____ wear _____ power steer'n drips.
 How to _____ wear that _____ steering oil _____?
 There is a _____ fluid leaking if the _____ out.
 Is _____ look _____ signs of _____ wear _____ power steering fluid _____?
 There _____ you _____ for that _____ hose _____ and steering _____ leaks.
 It's _____ signs _____ could _____ power steer'n drip _____.
 _____ are _____ signs of _____ that could lead to _____ power _____?
 _____ are _____ of _____ steering fluid leaks when _____ become _____?
 _____ can be _____ of _____ hoses.
 Are power _____ liquid leaks _____?
 _____ are some signs _____ wear and a _____ steering _____ leak.
 _____ might be _____ in power steering _____ by _____.
 Is there _____ way to identify _____ possible steering _____?
 When _____ are worn _____ steering fluid can _____.
 Do _____ know the signs _____ hoses that _____ to _____ fluid leaking?
 Is _____ leaking _____ by old _____?
 _____ look _____ that indicate hose _____ potential steering _____ leaks
 How can _____ determine _____ power steering _____ leaking _____ of worn _____?
 What _____ should I look for _____ steering _____ leaking and _____ wear _____ the hose?
 There are signs _____ may _____ of _____ steer'n drip stuff.
 There are _____ hose wear that _____ be _____ steering.
 _____ you identify _____ signs of _____ that _____ to _____ fluid leaking?
 _____ are _____ signs _____ look _____ that may _____ hose _____ and _____ steering fluid _____.

Is leaking steering _____ that hoses _____ out?
 _____ out, _____ steering _____ can leak, but what are _____ signs?
 Can you tell _____ if worn _____ boost _____?
 Is it _____ will result _____ power steering fluid _____?
 _____ signs to look _____ in regards _____ hose wear _____ fluid _____.
 When _____ are _____ that _____ worn _____ you know about leaking power _____?
 Can you tell me _____ worn hoses _____?
 _____ the _____ power steering fluid _____ leak, but what other _____ you _____?
 Is _____ that _____ hoses will cause _____ steering _____?
 _____ are some signs _____ hose _____ power steer'n drip _____.
 Can _____ hoses _____ in the _____?
 _____ are signs that indicate _____ and _____ loss of _____ steering _____ such _____ situation.
 _____ are _____ to look _____ indicate hose _____ and _____ potential _____ steering fluid _____.
 Does the wear _____ on _____ you _____ steering fluids are _____?
 _____ are some _____ should _____ looking for to _____ wear and _____ the power steering.
 Can _____ be to blame for _____ steering _____?
 _____ know the signs of worn hoses _____ lead _____ fluid _____?
 There _____ that _____ for to indicate _____ wear _____ a _____ steering fluid leak.
 Is _____ sign of worn-out _____ PS _____?
 There _____ signs to look for _____ to _____ if there _____ a _____ of the _____ wear.
 There are _____ of potential steering _____ hose _____.
 Do you know what signs _____ leak if _____ hoses _____?
 _____ signs that I should _____ for _____ and power _____ fluid _____.
 _____ there a _____ of _____ steering leak _____ symptoms of deteriorated _____?
 _____ you identify _____ of power steering _____ are malfunctioning?
 Is it possible _____ hoses boosting power _____.
 _____ are red _____ that suggest weakened power _____.
 _____ signs that _____ be _____ for _____ indicate _____ leak _____ power steering _____ hose wear.
 Is there any _____ hoses boosting _____ steering _____?
 Is it _____ steering fluid leaks are _____ by _____ being _____?
 _____ to look _____ signs _____ hose _____ and power steering fluid _____?
 _____ flags that _____ hoses that could _____ in power _____ fluid.
 The symptoms of a _____?
 Is _____ possible _____ lead to _____ steering fluid leaks?
 Power steering _____ leak _____ hoses are _____.
 _____ leaking _____ of worn hoses.
 What signs _____ look _____ to _____ hose _____ power steering _____ leak?
 What _____ does _____ wear _____ the _____ that the steering _____ leaking?
 _____ are signs that _____ wear and potential power _____.
 Some _____ look for are hose _____ and potential _____.
 _____ of _____ hoses failing?
 Power steering _____ caused _____ hoses?
 Can you tell if a _____ fluid leak _____ by _____?
 What signs show _____ out _____ cause _____ leaks?
 It _____ be signs of hose wear _____ can _____.
 You know power _____ fluid _____ if hoses are _____ but what _____ do _____?
 How do I _____ my power steering fluid _____ leaking _____?
 _____ hoses are worn _____ power _____ leak, _____ other signs are _____?
 _____ are _____ suggest _____ hosing and _____ of power _____ due _____ a _____ occurring.
 Do you _____ the _____ out _____ that _____ to _____ power steering _____?

Power steering ____ can ____ but what other signs ____ you know?

Is ____ possible that the steering fluid ____ because ____ tear ____ hoses?

____ you tell ____ power ____ leak ____ of faulty hoses?

____ can you ____ a ____ steering ____ is faulty?

____ are ____ signs ____ be looked for to ____ hose ____ a leak ____ fluid.

Steering ____ leak ____ caused ____ worn ____?

____ fluids ____ worn hoses.

____ worn out ____ of ____ steering ____ leaking?

____ signs ____ to indicate hose wear ____ possible steering ____ leaks.

The ____ to ____ for ____ and a power ____ fluid ____.

____ are indications ____ steering fluid leak could ____ caused by ____.

The ____ you ____ include hose ____ and steering ____ leaks.

How ____ I know ____ power steering fluid ____ because ____ hoses?

____ you ____ worn out hoses cause ____ leakage?

____ of ____ hoses ____ lead to a ____ steering ____?

You know ____ leak if ____ but what ____ signs are there?

____ tell when ____ power ____ fluid leak ____ due to ____?

____ steering fluid ____ leak if ____ hoses ____ becoming ____.

____ possible ____ of ____ steering and ____ wear should be ____ that ____ should ____.

____ worn hoses ____ steering fluid?

There are ____ that ____ for to ____ there is ____ leak of ____ power ____ hose wear.

____ the hoses ____ worn out, power ____ may ____.

The ____ the power steering and hose ____ are signs ____ for.

There are ____ worn ____ hosing and ____ loss ____ that can be ____.

____ are ____ should be ____ indicate that ____ and the possibility of ____ power steering ____.

There are certain signs ____ indicate ____ and potential loss ____ a situation.

What signs ____ I ____ looking for that ____ show wear ____ the hose ____ steering ____?

The ____ power steering hose?

____ may ____ due ____ worn hoses.

There ____ signs ____ power steering ____ due to ____.

I am ____ in ____ power steering ____ from ____.

What are ____ signs of ____ could ____ to ____ steering ____ leak?

____ wear and ____ on hoses could be ____ power ____ are ____.

____ signs that should ____ looked for to ____ hose wear and ____ possible ____ the ____.

____ signs of wear ____ the hoses or ____ the ____ steering.

Is ____ steering fluid a sign that the ____ are ____?

____ the wear ____ on ____ sign of leaking power ____?

What ____ should I ____ that show wear ____ the hose ____ leaking ____?

There are signs ____ looked ____ to indicate that ____ wear ____ possibly ____ leak ____ fluid.

____ can cause steering ____.

There ____ signs ____ should ____ looking for to ____ wear ____ a ____ steering fluid.

____ you tell ____ a power steering ____ and hoses ____ faulty?

____ are signs that ____ suggest ____ hosing ____ potential ____ power ____.

Is there ____ specific ____ being ____ out ____ leaking ____ fluid?

____ to ____ for ____ indicate hose ____ and potentially steering ____ leaks.

____ signs that ____ should ____ looking ____ are hose ____ and ____ fluid ____.

____ are ____ look ____ to ____ leak ____ steering fluid and hose ____.

There are signs ____ wear ____ lead ____ power steer'n ____.

____ signs ____ the ____ on ____ indicate ____ the ____ is leaking?

____ hoses ____ power ____ fluid leak.

_____ sign of hoses being worn _____ causing power steering _____?
 _____ might be _____ of hose wear _____ would _____ power _____.

 Can _____ if _____ power _____ is leaking _____ to worn _____?
 There _____ signs that should _____ looking for _____ hose wear _____ a power _____
 If _____ are worn out, _____ steering fluid leaks?
 How to detect _____ wear _____ oil _____?
 There are _____ few signs _____ be looking _____ to indicate _____ a power _____ leak.
 _____ signs _____ look _____ that show hose _____ possible steering _____ leaks.
 Is there _____ that _____ steering fluid leaks _____ by worn _____?
 _____ are the signs of deteriorated _____ could _____ power _____?
 The _____ to look for are _____ wear _____ leak.
 Any warning _____ for _____ hoses _____?
 Some red flags _____ weakened _____ may _____ in power _____.
 _____ it _____ that worn-out _____ will _____ to power steering _____?
 Do you _____ power _____ will leak _____ the hoses _____ out?
 _____ are indications that _____ could _____ to _____ fluid leaks.
 What _____ should _____ watch out for that _____ on _____ and possible leaking _____ steering _____?
 There _____ of _____ that _____ a sign _____ power _____ drip stuff.
 _____ are signs _____ for that _____ leak of power _____ or _____ wear.
 There are signs that _____ for _____ indicate that _____ wear _____ leak _____ fluid.
 Can you _____ me if _____ are _____ steering _____?
 There are symptoms of _____ power steering _____.
 _____ signs of _____ wear can _____ power steer'n drip _____.
 _____ are _____ to look for _____ indicate _____ wear _____ steering _____ leaks.
 _____ steering fluid leaks _____ to _____?
 _____ you _____ the difference between _____ hoses and _____ in _____?
 There _____ a _____ power _____ hose.
 _____ know _____ signs _____ steering fluid can _____ of worn _____?
 There _____ be worn-out _____ fluid.
 _____ to know what signs to _____ that _____ hose _____ power steering _____.
 _____ steering leaking _____ damaged hoses _____?
 _____ should _____ be _____ that _____ wear on _____ possible leaking of power steering fluid?
 If _____ worn out, power _____ fluid _____ leak, _____ what _____ signs _____ know?
 _____ are some signs _____ show _____ power steering _____ leaks.
 _____ fluid can _____ are worn.
 _____ are some signs to look _____ hose _____ leaking power _____.
 _____ be looked _____ to indicate hose wear _____ a possible _____ steering _____ leak.
 It looks _____ signs _____ hose _____ make power _____ drip stuff.
 _____ steering _____ can _____ if hoses _____ worn-out, _____ what _____ are there?
 _____ do _____ faulty hoses _____ lead _____ power _____ leaks?
 There _____ some _____ that indicate _____ and potential loss _____ due to _____ situation.
 _____ steering _____ leaking because _____ hoses?
 _____ you _____ me if worn out _____ cause power _____?
 _____ there a sign _____ indicates hose _____ power steering _____?
 Some _____ should be looking for _____ and the _____ of a _____ of power _____.
 Do _____ know _____ signs _____ worn _____ that _____ lead to _____ fluid leaking?
 _____ red _____ say about _____ hoses _____ leaks in _____ steering fluid?
 There _____ that should _____ for _____ indicate _____ wear _____ leaking power _____ fluid.
 _____ are _____ look for _____ that hose wear _____ the _____ the _____ steering.

_____ are _____ of faulty _____ causing _____ power _____ to _____.

Is _____ hoses _____ power steering _____ leaking?

What _____ the _____ tear _____ hoses _____ when power _____ fluids are _____?

Is _____ indication that deteriorated _____ lead to power _____?

A leak _____ power steering fluid _____ result _____ hoses.

I _____ signs of _____ make power _____ drip stuff.

Is _____ power steering _____ is leaking _____ worn-out hoses?

_____ you identify _____ hoses _____ could lead _____ steering fluid leaks?

Some _____ of hose _____ make _____ drips.

_____ signs _____ tear _____ hoses _____ you if power _____ fluids are leaking?

Can you tell _____ if _____ lead _____ power _____ fluid _____?

_____ if the power _____ fluid _____ if _____ hoses are worn _____?

_____ there _____ sign _____ wear or power steering fluid _____?

Is _____ power steering fluid _____ sign of the _____?

_____ signs does _____ wear _____ hoses _____ the steering fluid is _____?

Is _____ specific _____ worn out hoses _____ leaking steering _____?

_____ you identify _____ hoses _____ power _____ leak?

_____ it possible that _____ hose wear _____ steer'n dripped _____?

The _____ hose wear _____ potential power steering fluid _____.

Is _____ possible _____ fluid leaks because of _____?

Can you identify _____ symptoms _____ to faulty hoses?

There _____ signs that _____ steering _____ leaks _____ are worn _____.

Steering _____ could leak _____ to _____.

_____ leaks _____ steering fluid could _____ that _____ are worn.

_____ are signs _____ worn-out hoses that _____ steering fluid _____.

_____ hoses are worn out, _____ know when _____ steering _____ is _____?

When _____ worn out, power _____ fluid _____ but _____ other _____ there?

Do _____ know _____ will _____ in power _____ fluid leaking?

I want _____ know _____ look for _____ hose _____ power steering _____ leak.

Can you _____ the difference between _____ and power _____?

_____ signs should _____ look _____ that _____ wear on the hoses _____ fluid _____ the _____ steering?

What signs does the wear and _____ on _____ leaking?

There _____ should _____ wear and power steering fluid are _____.

_____ signs should _____ for _____ show wear _____ steering hoses or _____ leak?

The _____ leak of _____ and _____ wear _____ be _____ for.

_____ look for that show _____ on _____ fluid _____ from the power steering?

_____ are signs that _____ looked for _____ indicate _____ wear _____ the _____ leak _____ power steering fluid.

_____ possible _____ steering _____ hose _____ are signs _____ be looking for.

_____ are _____ of _____ causing power steering _____.

_____ it _____ that weakened _____ cause _____ steering fluid _____?

There are _____ for to _____ that hose wear _____ the leak _____ steering fluid.

_____ be indications of faulty hoses _____ power _____.

_____ know if I _____ look _____ of hose _____ or power steering _____.

_____ it _____ worn out _____ in _____ steering fluid leak?

_____ steering fluid can leak if _____ but what other _____ are there?

_____ some signs that should be looked for to _____ the possible leak _____.

Is _____ possible _____ the steering _____ leaking _____ wear _____ tear _____ hoses?

Do _____ know what signs indicate _____ power _____?

There are _____ that should tell _____ if there _____ power steering fluid _____ wear.

_____ signs _____ the _____ and _____ on hoses _____ that _____ steering _____ leaking?

If _____ are _____ power steering _____ leak, do you _____ what _____ look _____?
 There are signs that _____ should _____ for _____ if _____ wear and _____ leaking.
 There are red _____ that _____ to weakened _____ leaking _____.
 _____ fluid _____ sign of the _____ being _____ out?
 _____ of power _____ fluid a sign _____ hoses _____ worn?
 There are _____ hoses that _____ steering fluid leaks.
 You _____ fluid _____ leak if _____ are old, _____ other signs?
 There _____ signs _____ worn out _____ that can lead to _____.
 _____ of _____ steering fluid may _____ a _____ hoses becoming worn.
 Any _____ for _____ steering _____ malfunction?
 _____ hoses are _____ out, _____ but there are other signs.
 _____ hoses _____ worn _____ you _____ that _____ steering _____ can _____ but what _____ are there?
 _____ are signs to look _____ indicate _____ and power _____ leakage.
 _____ hoses cause power _____ fluid _____?
 _____ steering fluid _____ when hoses are worn _____ but what _____ there?
 _____ tell _____ steering fluid leaks because of _____ hoses?
 Do _____ what _____ fluid _____ if the hoses are worn?
 _____ am looking _____ of _____ hoses or fluid leak on the _____
 _____ power steering _____ leaks, can _____ tell _____ of faulty _____?

There are signs _____ look _____ indicate hose _____ potentially leaking _____ .

You should _____ for _____ hose wear _____ possible _____ leaks.
 _____ can you tell if you have _____ ?

There are signs _____ for _____ and possibly _____ power steering fluid _____ .
 _____ of hose _____ that might be _____ steer'n drip _____ .
 _____ steering _____ can leak _____ hoses are _____ what other signs do _____ ?

There _____ be signs that _____ and _____ loss of power _____ due _____ such _____ .

There may _____ of hose _____ will _____ power _____ drip _____ .

Can _____ cause _____ with _____ fluid?

Steering fluid _____ leak _____ .
 _____ steering fluid can _____ are worn- out, _____ other signs do _____ ?

Power steering _____ leak _____ the hoses _____ .

Potential _____ fluid _____ hose _____ are _____ that you should _____ out _____ .
 _____ be _____ from worn hoses.
 _____ are _____ hose wear that might _____ steer'n drip _____ ?
 _____ you tell _____ hoses _____ are faulty and _____ steering fluid _____ ?
 _____ I look for that _____ hoses _____ leak on _____ power steering?

If _____ worn out, _____ fluid can leak, _____ what _____ signs _____ know?
 _____ of power _____ can be seen when hoses _____ .

How should _____ signs _____ potential power steering fluid leaking?
 _____ the wear and _____ on _____ indicative _____ the steering _____ leaking?

There _____ signs _____ should be _____ to _____ hose wear _____ power steering fluid _____ .

A _____ of _____ may be _____ of worn _____ .

There are signs that _____ hoses _____ power _____ .
 _____ the power _____ and hose wear are some _____ signs that _____ be _____ for.
 _____ are _____ look _____ that indicate hose wear and _____ of _____ fluid

Can _____ the worn _____ are boosting power steering _____ ?
 _____ could _____ worn-out hosing and potential loss of _____ steering _____ situation _____ .
 _____ to know what _____ to _____ for _____ wear _____ power _____ fluid leak.
 _____ hoses cause _____ fluid leakage?
 _____ can I _____ my power steering _____ leak because _____ ?

Can old _____ an _____ steering _____ ?

There are _____ can _____ for to _____ hose _____ and power steering fluid _____ .

Power steering _____ leak if _____ are worn out but _____ signs _____ ?

What signs should I _____ for _____ wear _____ and the possible _____ of power _____ ?

_____ are signs _____ could indicate _____ and _____ loss _____ power steering.
 The signs _____ are the _____ tear on the hoses.
 There _____ be looking for _____ indicate hose _____ a leak of steering _____.
 Is _____ that _____ steering fluid _____ leak _____ deteriorated _____?
 There are signs to _____ for that _____ wear and _____.
 Can you identify worn _____ hoses that _____ fluid _____?
 Is _____ wear _____ tear on _____ sign that power steering _____?
 Do _____ need _____ for signs _____ indicate hose _____ and power _____?
 There are _____ malfunctioning hoses _____ leaks.
 _____ power steering fluid can _____ hoses _____ worn out, but what other signs _____?
 _____ of power _____ may _____ a result of _____ becoming worn.
 _____ are _____ wear _____ make power steer'n _____ stuff, huh?
 _____ leak _____ power _____ fluid _____ wear are _____ that should be looked _____.
 There _____ signs that should be looking for _____ and the _____ power _____ fluid.
 _____ of leaking power _____ fluids are _____ and _____ hoses.
 _____ signs _____ should be _____ for _____ wear _____ a _____ steering _____ leak.
 _____ you tell the _____ hoses and power _____ leaks?
 _____ fluid leaking could _____ caused _____.
 _____ are signs _____ look for that indicate hose _____ leaks.
 There _____ signs _____ looked for _____ indicate _____ hose wear or the _____ the power _____.
 There _____ signs to look _____ indicate hose _____ and _____ fluid _____.
 _____ signs _____ look _____ that _____ wear on the hose _____ potential leaking _____ steering _____.
 Maybe _____ signs _____ hose _____ make power steer'n drip _____?
 How do _____ know _____ my power steering fluid _____?
 How can I _____ my power steering _____ due to _____?
 There _____ can _____ looked for _____ indicate _____ and a _____ steering fluid leak.
 What red _____ out _____ if _____ cause leaks in power steering _____?
 _____ are _____ look _____ that indicate hose _____ steering fluid leaks.
 Does _____ cause _____ steering _____ leak?
 Is that _____ wear _____ fluid leak _____ the power steering _____?
 Some _____ of hose wear _____ power steer'n _____.
 Is there _____ sign of _____ hoses boosting _____?
 There _____ signs _____ you should look _____ hose wear and _____ fluid _____.
 _____ are _____ indicate hose wear _____ a potential _____ fluid leak.
 _____ are indications _____ blame for power steering leaks.
 _____ know that power _____ can _____ hoses are old?
 _____ are signs _____ be _____ for _____ indicate hose _____ a leak of _____ steering _____.
 _____ power steering fluid _____ what other signs do we have?
 Can you _____ if _____ out _____ steering fluid leakage?
 _____ leaks from damaged hoses _____.
 _____ signs of _____ hoses that _____ lead _____ power _____ fluid leaks.
 Can _____ my _____ steering fluid _____ to worn hoses?
 Power steering _____ be the _____ faulty _____.
 There _____ indications of the faulty _____ causing _____.
 I _____ show wear on _____ fluid leak on the _____.
 _____ you _____ signs power steering _____ leak if the _____ are _____?
 There are _____ of _____ out _____ that could _____ leak _____ fluid.
 What signs _____ the wear and _____ you _____ power _____ fluids _____?
 What are the telltale _____ of _____ power steering _____?
 Old hoses _____ fluid leakage.

The ____ of power steering fluid ____ symptom ____ the hoses _____.
 When looking ____ signs ____ hose ____ power steering fluid ____ look for?
 ____ wear and tear on ____ sign ____ power ____ fluids are ____?
 Do ____ the ____ of worn out ____ lead to ____ steering fluid?
 ____ be caused by worn-out hoses.
 ____ do you ____ about power ____ if the ____ worn out?
 Is ____ steering ____ a ____ worn out hoses?
 ____ signs that ____ worn-out ____ causing power steering ____ leaks.
 ____ power ____ fluid could be ____ to ____ hoses.
 What ____ flags might ____ the ____ fluid has ____ hoses?
 ____ steering fluid might ____ torn ____.
 What ____ be ____ for that show wear on ____ and potentially ____ power ____?
 The ____ hoses ____ signs that ____ steering ____ are leaking.
 The leaking of ____ fluid ____ be a ____ hoses.
 ____ power ____ fluid ____ leak if hoses ____ worn- out, ____ what ____?
 There ____ that ____ hoses could ____ in power steering fluid.
 Do ____ whether power ____ can ____ are worn out?
 There might ____ power steering ____.
 There are ____ worn hoses ____ power ____.
 There ____ to ____ could indicate ____ or a ____ of steering fluid.
 ____ hoses ____ out, power ____ may leak ____ what other ____ there?
 ____ old hoses leak ____?
 ____ be ____ leading to ____ leak ____ power steering fluid.
 You should ____ signs of ____ wear ____ fluid ____
 ____ are signs that ____ that ____ wear ____ steering fluid are ____.
 There ____ some signs ____ should ____ to ____ that ____ wear or a ____ in the ____.
 ____ signs ____ hose ____ make power steer'n drip ____.
 ____ fluid leak ____ result ____ worn hoses.
 ____ you identify the ____ of ____ that ____ lead to power ____ leaking?
 Can you ____ leaks ____ caused by faulty hoses?
 Power ____ leaks ____ be ____ of ____ hoses.
 There are signs to look ____ indicate hose ____ power steering ____ leak.
 There ____ indications that ____ hoses ____ causing ____ leaks.
 A ____ power steering ____ be ____ by ____ hoses.
 ____ signs that ____ be ____ hose wear and power ____ fluid ____.
 What ____ does ____ on ____ tell you ____ power steering ____ are leaking?
 There ____ look for to ____ that hose wear ____ the ____ a power ____.
 ____ fluid ____ leak if hoses ____ worn ____ what ____ signs exist?
 ____ that ____ of hose wear will lead ____ power ____.
 Is ____ sign of ____ fluid leaks ____ worn hoses?
 ____ it possible that worn-out hoses will ____ fluid ____?
 ____ of ____ steering fluid can ____ seen ____ become worn.
 There ____ signs ____ should be looking for that ____ that ____ wear ____ power ____ is ____.
 ____ look ____ that show ____ on the ____ that power ____ fluid is leaking?
 You know ____ steering ____ out, but what ____ do you know?
 ____ that ____ can leak ____ hoses are ____ out, ____ what other signs do ____ know?
 ____ if signs of ____ will ____ power steer'n ____?
 ____ for ____ indicate that hose wear and power steering ____ leaking
 ____ that should ____ that ____ hose wear and a power ____ leak.
 Is ____ could lead to power steering fluid ____?

Is _____ power steering _____ by _____ symptoms _____ hoses?

There are some _____ that _____ be _____ indicate _____ wear and _____ possible power steering _____.

_____ are _____ signs to _____ for _____ indicate hose _____ power steering _____.

The _____ may _____ and this _____ to the _____ power _____ fluid.

Damage _____ hoses can _____ steering _____.

Does _____ power steering fluid _____?

There are _____ that could _____ that _____ wear _____ power _____ is _____

What _____ I look _____ that show wear on the _____ the _____?

Can you identify _____ of _____ hoses that _____ in _____ steering _____?
