

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Clarification on product specifications
Inquiry Sub-Category	Material composition
Description	Customers inquire about the material composition of a part, such as whether it is made of aluminum, steel, or plastic. They want to understand the durability and quality of the product.
Data Size	12,455 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

Is it possible ____ obtain ____ was ____ in manufacturing this part?

Would ____ to clarify ____ metallic composition ____ this part?

____ you ____ with the ____ that ____ to make ____ component?

____ it be ____ to ____ specific information ____ the metal ____ piece?

What ____ did ____ use ____ this ____?

____ find out more ____ the ____ o' metal ____ that ____?

I ____ to ____ about ____ employed ____ the ____ of that object.

____ you ____ information about the ____ for this part?

____ it possible ____ tell me about ____ for manufacturing ____ part?

Do you ____ possible to know ____ combo ____ thisWidget?

Is ____ possible ____ about this part's ____ alloy?

____ you ____ what metal alloy ____ the manufacture of ____?

Do ____ remember ____ to make this component?

____ the ____ alloy used for manufacturing this ____?

Is there ____ on ____ alloy used in ____?

I ____ it is ____ to find ____ which ____ alloy was used ____.

Can specifics ____ obtained ____ the ____ used ____ fabrication?

____ there ____ regarding ____ metal ____ of this?

Where ____ about ____ particular ____ used in the ____ of ____ object?

Can ____ the ____ combination of the ____ they used ____ part?

____ metal ____ is ____ in this ____?

Is ____ to find out ____ a ____ alloy ____ in ____ part?

Is ____ possible ____ locate the ____ alloy used ____?

____ it's possible ____ know exactly what ____ metals ____ used?

What ____ used in making the ____?

Is ____ data ____ the precise metal ____ part?

Is ____ any ____ out what ____ of ____ it is?

How about ____ combined ____ make these components?

Is there a way _____ used?

Do you _____ any _____ metals _____ to make up _____ components?

I _____ wondering _____ you _____ tell _____ precise _____ in this piece.

_____ would like _____ the name of _____ alloy _____ for _____ this _____.

It is _____ to know _____ alloy _____ producing _____ section.

Can _____ about _____ metals that _____ make up these components?

Can _____ combination _____ they used _____ this part, or not?

Would _____ feasible _____ get the _____ metal _____ used in _____ piece?

How about the _____ alloy used _____ part?

I _____ which _____ alloy is used _____ part.

_____ a _____ to know the alloy _____?

Is _____ to _____ info _____ this _____ metal alloy?

_____ were _____ to make _____ part?

_____ sort of _____ is _____ that _____?

_____ it possible to determine _____ metal _____ production?

_____ get the exact _____ used in making _____.

Can _____ get _____ information _____ metal blend _____ item?

_____ you _____ metal _____ they used to _____ part?

Do _____ access to information about _____ that was _____ this _____?

Could _____ find _____ metal composition?

Is _____ to figure out what _____ is _____ this _____?

_____ was _____ in this _____?

Is _____ to give _____ which metals _____ used?

Is it possible _____ about _____ metal used _____ this?

_____ wanted _____ the _____ of metal _____ was used _____ this component.

Is it _____ to find _____ exactly what _____ this _____?

_____ like to _____ which _____ was used to _____ the _____.

Is _____ possible _____ find out about the _____ it _____?

_____ discover details _____ the metal _____?

_____ you tell me _____ metal alloy _____ for _____.

_____ metal mix is _____ that?

Is it possible _____ tell me _____ sort of alloy _____?

Do you know _____ metal _____ was _____?

_____ you _____ metal _____ to make that component?

_____ sort _____ alloy is used _____ make _____?

_____ it _____ know the _____ of _____ used in _____ production _____?

_____ you have _____ to _____ which _____ alloy _____ used _____ make this _____?

Is _____ way to _____ the _____ on the _____?

_____ name _____ the alloy _____ here?

_____ you know more about _____ metals _____ were _____ to _____ the _____?

Is it _____ learn about the _____ metal _____?

Is there _____ can tell me _____ the _____ alloy they put _____?

Is _____ about the metal _____ in making this.

I _____ like _____ know _____ that is _____ to make this component.

_____ it be possible to _____ details _____ used to fabricate _____?

_____ learn _____ about _____ that is used in _____ making of _____ object?

Any _____ regarding the _____ this?

Do you have _____ information _____ the _____ for _____ part?

_____ it possible _____ out if _____ metal alloy was _____ part?

Is it possible _____ info _____ blend _____ that item?

_____ possible _____ information about what _____ of alloy _____ in making that _____?

What sort _____ they _____ in _____?

_____ this part's metal _____ discovered.

_____ it _____ to get information on _____ metal blend _____ to make _____?

What metal _____ make _____ part?

Can _____ me details on _____ utilized for _____?

_____ you _____ the metallic compound used for _____?

_____ would be nice to _____ this part.

_____ you have access _____ about _____ used _____ make the part?

I would _____ to _____ metal is in _____ part.

Is it possible _____ information _____ the _____ utilized _____ fabrication?

_____ I learn _____ used in _____ the object?

Can _____ tell _____ more _____ were used _____ these components?

Do _____ anything _____ about the metals _____ to make _____ components?

_____ we find out _____ type of _____ blend _____ item?

Can you _____ the type _____ metal used _____?

_____ am curious _____ composition of this _____.

What _____ the specific _____ blends _____?

_____ this _____ with a _____ blend?

I _____ know about the metals _____ combined to _____ components.

_____ metal blend in that _____?

_____ the type _____ metal _____ that _____.

_____ it possible to _____ alloy _____ used _____ build this.

_____ the precise _____ alloy _____ to _____ this part?

_____ you _____ the combination _____ used for this _____?

Can _____ tell me _____ used _____ make this _____?

Is _____ possible for _____ tell _____ the type _____ in _____ that part?

_____ I ask if _____ what metallic _____ went into creating _____ parts?

_____ to know _____ of _____ mixture _____ creating this item.

_____ can _____ learn about the _____ making of that _____?

_____ metal is used for _____?

Do you _____ any information on _____ manufacturing _____ part?

Can we _____ metal _____ part?

_____ that was employed here?

_____ it possible to get _____ metal was used _____ component?

How about _____ that was _____?

_____ you tell me _____ combination _____ to make _____ part was?

_____ want to know which _____ blend is _____?

What is _____ composition in _____?

_____ kind _____ mix _____ used for _____?

_____ I learn _____ metal is used _____ this _____?

_____ possible _____ determine which _____ alloy _____ used in this _____?

I _____ to learn _____ about the alloy _____ of _____ object.

_____ want to _____ the _____ alloy _____ to _____ it.

_____ is _____ metal _____ for this _____?

Is it _____ what _____ of alloy they _____ in that _____?

_____ you tell me the _____ of _____ used _____ make _____ part?

_____ it _____ specific information _____ the _____ of metal _____ in this piece?

Is _____ any information regarding _____ utilized _____ fabrication?

I would _____ interested _____ learning _____ metal mix _____ this part.

Do _____ about the precise metal alloy _____?
 _____ it _____ get _____ metal _____ used to make this component?
 _____ for me _____ metal alloy incorporated in this product?
 _____ to _____ the _____ metal used in production?
 _____ is _____ metal blend _____ piece?
 _____ want to _____ what _____ of _____ went _____ it.
 _____ it possible for me to _____ the _____ involved _____ product?
 Can _____ tell us about the _____ that _____ this _____?
 What sort _____ used?
 I _____ to _____ type _____ metal alloy employed to _____ component.
 _____ combination of metals _____ used to _____ the part?
 _____ possible to _____ details _____ metal _____ in this?
 _____ there _____ way to find _____ alloy _____ used _____?
 _____ me if _____ is a way _____ find _____ metals _____ here.
 _____ there specific information _____ the _____ utilized _____ fabrication?
 Could we _____ the _____ composition?
 Is it _____ to get details on _____ metal blend _____?
 Should _____ ask _____ there's a _____ out what _____ went into _____ these _____?
 What _____ are in _____ piece?
 Can _____ tell _____ the specific _____ of metals _____ used _____ part?
 _____ you _____ me about the _____ metal _____ for _____?
 _____ know which _____ alloy _____ this _____?
 _____ was _____ mix _____ to make _____?
 _____ there _____ we _____ uncover _____ the metal composition?
 I _____ to _____ what _____ of metal was used _____.
 _____ can _____ learn _____ used in the _____ of the _____?
 _____ want to know _____ metal blend used _____ piece.
 Is it _____ me _____ get a _____ the _____ incorporated in this _____?
 Would _____ be _____ get _____ about _____ metallic composition _____ in _____ component?
 _____ can _____ find _____ about _____ metal blend in _____ item?
 _____ it _____ to _____ information about the _____ used _____ making _____?
 _____ used to make that _____?
 I _____ love _____ know the _____ alloy _____ to make _____ component.
 _____ type of _____ would it _____ to _____ this _____?
 _____ metal was _____ to _____ this piece?
 Is there _____ on _____ metal _____?
 _____ is _____ to _____ out which _____ was used _____ part.
 _____ information regarding a _____ blend _____ in _____?
 I want _____ the type of _____ create _____ item.
 _____ know _____ about the _____ that _____ combined _____ make _____ components?
 _____ what kind of metal _____ to make _____ thing.
 Do you know the type _____ metal that _____?
 Is _____ way _____ locate _____ that was used for this _____?
 _____ alloy _____ used in _____ part?
 _____ was _____ if _____ was _____ to get _____ the _____ used.
 I'd _____ what metal _____ into making this _____.
 Is it possible _____ clarification _____ was used?
 I _____ like _____ know _____ of metal went _____ creating _____.
 Do you have _____ metal _____ for _____?
 Tell _____ the piece.

_____ to know what combo _____ metals _____ this _____?
 Is it _____ get _____ what _____ of metal was used _____ this _____?
 _____ it _____ for me to get detailed _____ about _____ in _____ product?
 _____ it possible to _____ the _____ metal _____ production.
 Is _____ way to _____ out _____ metal used here?
 _____ metals _____ used for _____?
 _____ find _____ exact _____ alloy used in this _____?
 _____ possible _____ specific metal alloy _____ this part.
 _____ what type of metal is used?
 Which _____ alloy _____ used _____ make _____ piece?
 Can _____ what type of _____ they _____ this?
 Is there a _____ out _____ of _____ was used to _____ this _____?
 _____ you have any information _____ metal alloy _____ make _____ part?
 _____ am wondering _____ is possible to get _____ of the _____.
 Information about _____ composition _____ part _____ be helpful.
 I _____ to find _____ what type of _____ is _____.
 _____ it possible to uncover details _____ part's _____?
 _____ should _____ able to _____ out which metal _____ made _____.
 _____ this piece _____ metal alloy?
 What kind _____ used for this _____.
 Is it _____ get specific information _____ the _____ blend _____ in _____?
 I _____ find _____ which metal alloy _____ used _____ this _____.
 _____ you _____ me _____ metal blend _____ that item.
 _____ was employed _____?
 What _____ of _____ did _____ this _____ with?
 It's _____ know exactly _____ of metals _____ this _____.
 _____ you know _____ alloy was _____ part?
 Can you _____ the exact _____ they _____ to make _____ part?
 What type _____ they _____ in _____?
 _____ it _____ to find out which metal _____ was _____ manufacturing _____?
 _____ give _____ exact _____ of metals _____ used for _____ part?
 Specificities about _____ compound _____ for fabrication _____ obtained.
 _____ it possible for _____ to _____ exact _____ used in this _____?
 Is there _____ way _____ obtain information _____ alloy?
 I would _____ to learn _____ used for _____ part.
 Can _____ the combination of metals _____ to make this part _____?
 What kind _____ you use to _____ this _____?
 _____ there be details _____ the _____ compound used _____?
 _____ want to learn about _____ to make _____ part.
 _____ you _____ about which _____ alloy _____ used _____ manufacturing this _____?
 Do you _____ what metal _____ this _____ of?
 Can _____ find out _____ the _____?
 How _____ I _____ what _____ used _____?
 _____ the metal alloy used.
 _____ you _____ me the _____ used to _____ this _____?
 _____ you tell _____ the part is _____ of?
 _____ want _____ type _____ metallic mixture _____ creating this _____.
 _____ to _____ alloy _____ into making _____ part, _____ if you _____ too busy.
 Could you tell _____ what _____ alloy they _____ in _____?
 _____ of _____ is _____ to make _____?

Do you have ____ to ____ metal ____ in ____ this part?

Is it ____ which metallic composition was ____ in ____?

Which type ____ went ____ this ____?

____ to get ____ sense of the metal alloy ____ in ____ product?

____ there ____ way to ____ the metal ____ here?

I want ____ know ____ alloy they used ____ this ____.

I ____ know which ____ mixture ____ used to create the ____.

____ like to ____ about the ____ alloy ____ in making ____.

____ need ____ know which precise metal blend ____.

____ you ____ access ____ what ____ was used to make ____ part?

____ precise ____ used for this part?

Do ____ have any ____ about which ____ was used ____ making ____?

Do ____ information about the ____ metal ____ used for ____?

____ I learn more about ____ this part?

____ there ____ way to find ____ which ____ was used in ____?

Is ____ to know ____ unique alloy used ____ that ____?

Can ____ know the type ____ blend in ____?

____ would like ____ which metal ____ made this ____.

____ the specific ____ this piece?

What ____ mix was used to make ____?

____ you ____ information on the ____ that was ____ making ____ part?

____ want ____ know if there ____ any way ____ find ____ were used ____.

Can I ____ used ____ making this part?

____ it ____ get to ____ what combo of ____ created this ____?

____ type ____ metal ____ to ____ this piece?

Can you tell ____ metal alloy ____ for ____?

Is it ____ to ____ out the ____ producing ____?

____ more ____ about the composition ____ part's metal?

____ me about the metal ____ crafting this ____?

Is ____ possible ____ get details ____ the ____ used ____ component?

Which ____ is ____ piece?

____ metal alloy made ____?

____ blend in this ____?

I ____ the ____ metal alloy that ____ used ____ make ____ part.

What specific ____ alloy ____ used ____ the ____?

Can you ____ the ____ alloy ____ is used for ____?

____ possible ____ me to ____ of the metal alloy incorporated ____ this ____?

I ____ like ____ know ____ type ____ alloy ____ in that part.

Do ____ know ____ that was ____ in manufacturing this ____?

____ you ____ the metals ____ were ____ to make ____ the components?

____ wondering ____ possible to ____ details about the ____ used in ____.

____ was ____ here?

____ is ____ blend ____ this piece?

What ____ metal mix ____ it?

____ it ____ of what type of metal ____ used?

I want ____ know ____ metal ____ nonsense ____ part.

____ it ____ to ____ the ____ on what ____ used?

Can ____ tell me the alloy ____?

Is it ____ learn ____ alloy used ____ making this ____?

____ I ____ information ____ the ____ alloy?

_____ we find _____ about _____ composition?

Can you _____ me _____ combination of _____ to make this _____?

Can _____ tell _____ about _____ type _____ blend?

I'm _____ a _____ out what metals were used.

What unique _____ used _____ section?

Is it possible to _____ details _____ in this?

_____ alloy was _____ build this _____?

_____ possible _____ me _____ learn more about _____ metal _____ is _____ in this _____?

_____ know the alloy that _____ used _____ of this _____?

_____ which _____ alloy they _____ to make _____ part?

_____ would _____ possible _____ clarify the metallic composition _____.

_____ could be _____ to _____ the _____ of metal _____ production.

I would like _____ the type _____ metal _____ to _____.

_____ would like _____ know about _____ metal alloy _____ in _____.

Do you _____ metal _____ for making _____ part?

_____ to _____ unique alloy was used in _____.

Can _____ information on the type of _____ used to _____?

Is it possible _____ get _____ what _____ of _____ used to _____ this _____?

_____ learn _____ the metal _____ was used _____ making this _____?

_____ it possible _____ me to obtain _____ about the _____ used _____ this _____?

Would it _____ possible _____ details _____ the _____ blend _____ make _____ piece?

Is _____ obtain information about _____ metal _____ making this _____?

Is _____ possible to _____ me what kind _____ alloy _____ to _____ that _____?

_____ what _____ metal was used in making this _____?

What _____ of _____ mix _____ for this _____?

Can you get _____ metal alloy?

_____ you _____ me the type of metal that _____?

_____ we _____ about _____ composition of this part's _____?

_____ would like _____ about _____ particular alloy used _____ object.

Can _____ get _____ metallic compound _____ for fabrication?

_____ was used _____ part?

Is there a _____ find out what _____ the _____?

I need _____ type _____ alloy used in _____ component.

_____ details about the _____ compound used for _____?

I _____ to _____ type of _____ mixture used.

_____ it possible to _____ what _____ metal was _____ this component?

_____ me know _____ alloy was used _____ this _____.

I wanted to know which _____ was _____.

Is it possible to _____ what combo _____ this _____?

_____ you have _____ way _____ out _____ specific metal alloy _____?

Is _____ which alloy _____ employed?

What _____ mix used in _____?

_____ you _____ me about _____ compound _____ for fabrication.

_____ you _____ tell _____ what kind of _____ they _____ in _____ part?

_____ it possible _____ the name of _____ metal _____ used to _____ this _____?

_____ you let me know if _____ way _____ metals were used _____?

Can _____ tell _____ determine _____ exact metal blend?

Which metallic _____ used during _____ of _____ component?

Did you _____ alloy _____ for manufacturing _____ component?

Where can _____ learn _____ the alloy _____ making _____ object?

I _____ learn about the _____ metal mix _____ craft this _____.
 _____ any information on _____ metal alloy _____ the part?
 Is there a way _____ was used?
 _____ you give me more _____ about the _____ that _____ used _____?
 _____ I _____ information _____ the _____ used in the _____ of _____ object?
 Do _____ have access _____ information about the _____ used _____?
 Is _____ any chance _____ finding _____ metallic mix went _____ these _____?
 There is _____ metal _____ used _____ make _____.
 Is _____ possible _____ me to _____ an _____ exact _____ incorporated in _____ product?
 _____ it _____ get _____ about _____ was _____ to make this component?
 _____ it possible _____ learn about the exact _____ for _____?
 Would _____ know its _____ composition?
 _____ which metal _____ used in _____ this part?
 Can _____ me what _____ of metal _____ making _____ part?
 _____ it known _____ was _____ to build _____ piece?
 _____ possible to get _____ details _____ metal blend _____ make _____ piece?
 May _____ if _____ a chance _____ out _____ metallic mix _____ used for?
 _____ me what _____ metal blend _____ in this _____?
 _____ metal was _____ for _____.
 _____ alloy was _____ this?
 _____ we _____ about _____ o' metal blend?
 Would it be possible _____ know _____ of metal _____?
 _____ it _____ for you _____ detail which _____ were used _____?
 _____ a chance to _____ which _____ alloy _____ used to _____.
 _____ to know the metal alloy _____ in _____.
 _____ they _____ part, _____ metal _____ was used?
 I _____ metal alloy _____ making this part.
 _____ wondering _____ there _____ a chance _____ finding _____ mix went into _____ these parts.
 _____ there a _____ alloy used _____ manufacture _____?
 _____ it _____ of exactly which metals were _____ during fabrication?
 _____ we _____ to _____ details about the _____?
 _____ you know which metal blend _____ used _____?
 Where can _____ find _____ alloy _____ in the _____ of that _____?
 _____ information _____ which metal _____ was used in _____ this _____?
 _____ metal _____ was used for _____?
 The _____ part may be shared.
 _____ kind of _____ this thing?
 Will _____ tell me _____ alloy _____ used to _____ part?
 _____ this part _____ with _____ metal _____?
 What is the _____ used _____ make this?
 Can _____ tell _____ metal composition?
 Can you _____ metal that was _____?
 What _____ metal was _____ for making _____?
 I don't know which metal _____ was _____.
 _____ to get the _____ on _____ type of _____ was _____?
 _____ of metal _____ making _____ thing?
 _____ it possible _____ metal alloy?
 _____ me what _____ metal is used in _____.
 Is _____ way to _____ metal _____ in this _____?
 You can _____ me _____ combination of _____ they _____ for _____.

_____ there a chance _____ can find _____ what _____ metallic mix _____ parts?
 _____ more about a _____ blend _____ in _____.
 Is it _____ which _____ was used _____ this _____?
 _____ alloy _____ for _____ part?
 I am _____ which _____ alloy is used _____.
 _____ you tell _____ exact _____ of metals _____ making this part or _____?
 _____ a _____ to find out which _____ is?
 _____ you _____ a _____ to discover _____ metals were _____?
 I _____ to _____ the _____ of metallic _____ used to _____.
 Is there _____ out what the _____ is?
 Can I _____ which metal _____ part?
 _____ tell me _____ type of _____ put _____ making that part?
 It _____ possible _____ alloy was _____.
 _____ it _____ to get _____ description _____ the metal _____ in making _____?
 Can you tell _____ of metals _____ used _____ make that _____?
 _____ identify which metal _____ this _____?
 I want to _____ what _____ metal _____ that _____.
 Can you _____ more _____ about the metals that were _____ make _____?
 _____ you _____ information about the metallic _____ utilized _____?
 Is it possible to _____ about the _____ it _____?
 Do _____ which metal alloy is _____ in _____?
 Is _____ I can find out which _____ used?
 I _____ wondering if _____ is _____ to _____ out _____ were used _____.
 Is _____ any _____ kind _____ metal was used _____ make _____ thing?
 _____ possible to know _____ unique _____ was _____.
 Do _____ the metal _____ used _____ this component?
 Is it possible _____ information?
 _____ tell me which _____ of _____ they _____?
 What _____ metallic _____ was _____ producing this component?
 _____ you tell me the _____?
 Is there any information _____ in this _____?
 _____ you let us know which _____ is _____?
 Which _____ used to produce _____?
 Was _____ details _____ the composition of the _____?
 I wonder _____ is _____ to find _____ metals were _____ here.
 _____ it _____ for _____ to get _____ metal alloy that _____ used in _____ product?
 Can we learn about _____?
 Do you _____ of metal _____ to make _____ thing?
 Can _____ tell me _____ specific metal _____ in _____?
 _____ is _____ different metal blend _____?
 I _____ learn _____ about _____ metallic _____ used for this item.
 _____ you _____ me with _____ exact _____ of metals they used _____?
 Where can _____ find information _____ the _____?
 _____ wonder if it's possible _____ get details _____ in _____.
 _____ we get information about _____ blend in _____?
 It is possible _____ out about _____ alloys used _____.
 Are you _____ with the _____ manufacturing this component?
 _____ like _____ learn about the _____ in making the _____.
 I'd _____ know the _____ metal _____ is used to _____ component.
 _____ the precise metal _____ used in crafting this _____.

Tell me what ____ of metals ____ used ____ ____ ____ .
 Where can I ____ the ____ making of the object?
 Is ____ to ____ which ____ alloy ____ this part.
 I'm ____ if ____ is a ____ find out what metals ____ ____ ____ .
 I want to ____ was used ____ part.
 Can you ____ me ____ metal ____ used to ____ the ____ ?
 I ____ find ____ alloy they ____ this project.
 ____ what ____ of ____ was ____ to make this piece?
 I want to ____ metal alloy ____ into ____ this ____ .
 ____ want ____ what ____ of metal ____ is in this ____ .
 ____ tell me which ____ was used ____ make ____ part.
 Which metal ____ used ____ piece?
 ____ it possible to get a description ____ used ____ component?
 ____ I learn ____ alloy used ____ making ____ object?
 ____ show me the combination of ____ they ____ make ____ ?
 Do ____ have any ____ alloy used for manufacturing ____ ?
 ____ want ____ know ____ type ____ mixture that was used ____ create ____ ____ .
 Is ____ any ____ alloy available?
 Is ____ a ____ to ____ metal mix ____ ?
 I ____ if you could ____ kind of alloy they put ____ ____ ____ .
 ____ it ____ for ____ to get detailed ____ the metal ____ in this ____ ?
 There ____ any ____ on ____ metal ____ of ____ ?
 ____ it ____ to locate the ____ ?
 Can ____ out ____ type of ____ that made ____ ?
 ____ you ____ it's ____ to ____ what combo of ____ it ____ ?
 Is ____ possible ____ learn which ____ alloy ____ in ____ of ____ part?
 ____ part's ____ alloy available ____ be ____ ?
 I want to know ____ metallic mixture ____ was ____ to ____ ____ .
 ____ to get ____ on ____ metal blend used for this ____ ?
 ____ you ____ to ____ exactly what ____ of metals it was?
 ____ us more ____ about the metal alloy ____ ?
 ____ you ____ to ____ information ____ the ____ alloy used ____ make ____ part?
 ____ I find out ____ they used in ____ project?
 ____ you tell ____ type of ____ put into ____ part?
 Is there ____ way ____ metal alloy used ____ ?
 Is ____ possible for me to ____ exact ____ that ____ used in ____ ?
 I ____ wondering ____ I ____ the metal alloy ____ in ____ .
 ____ share the specific metal ____ this ____ ?
 I want to know more ____ mixture used ____ ____ .
 ____ you ____ information on this ____ metal ____ ?
 ____ do ____ know ____ which alloy was ____ ?
 I want to ____ mix they used for ____ part.
 Is there ____ out the ____ used here?
 I need ____ know ____ exact alloy ____ this ____ .
 ____ way ____ find out which metal ____ being ____ ?
 Did you know about ____ metal ____ in ____ ?
 Can ____ me ____ used to make ____ part?
 ____ it ____ to get information ____ exact ____ alloy ____ in ____ ?
 Let me ____ the ____ alloy used ____ ____ .
 I ____ need of ____ the metal ____ used.

_____ there _____ discovering _____ mix went into creating these _____?
 Is it _____ get _____ alloy used in _____?
 Is there _____ to _____ the type _____ is _____ this part?
 Is _____ get the information on _____ metal _____?
 What information _____ you _____ the _____ blend _____ this _____?
 _____ the _____ metallic mixture used to _____ this item.
 _____ you tell _____ if there is _____ to discover the _____?
 _____ of metal _____ to create _____ part?
 Are _____ able _____ tell _____ combination _____ metals _____ to _____ this part?
 _____ you give _____ information about _____ metal _____ in this _____?
 _____ kind _____ metal _____ this _____?
 I would _____ type of _____ that _____ make this part.
 I _____ to _____ what alloy _____ in _____ project.
 _____ know _____ metal alloy _____ into making _____ part, _____ is _____ just _____?
 _____ you tell me the _____ of metals _____ used _____ part _____?
 I _____ like _____ the _____ of this.
 _____ want _____ how metallic _____ was used to _____ item.
 What _____ metal _____ they using?
 Can _____ me _____ metal alloy is _____ to _____ this _____ or are _____?
 Could we _____ composition _____ this metal?
 Is _____ possible _____ me _____ the _____ used _____ this product?
 _____ it possible to get _____ on _____ part's _____?
 _____ know what metal _____ they used _____ make _____?
 Specifics concerning _____ metallic _____ used _____ fabrication can _____.
 _____ was used for _____?
 Is _____ possible _____ me to _____ into _____ metal alloy involved _____ product?
 _____ to know _____ they used.
 Can _____ tell _____ what _____ of alloy _____ in that _____?
 _____ is _____ to know the _____ used in production.
 What _____ used _____ this part?
 Details on _____ here.
 _____ possible _____ me which metal _____ in this piece?
 Do you know _____ metal _____ was _____ for _____?
 Can you give details _____ metallic _____ for _____?
 _____ i _____ out what alloy they used _____?
 Is _____ say _____ precise metallic _____?
 I'd like _____ there is a _____ discover what metals _____.
 _____ looking _____ information on the _____.
 Do _____ information about the metal that _____ make _____ component?
 Can you tell _____ which _____ used _____ this _____?
 _____ you specify the metallic _____?
 Is _____ to _____ the type of _____ manufacturing?
 _____ of _____ made _____ part?
 _____ there _____ name _____ the _____ used to make _____ piece?
 Did you _____ about the _____ alloy that was _____?
 _____ it _____ possible _____ get _____ on _____ of _____ blend used in this _____?
 Is that _____ made _____ metal _____?
 Can _____ get information on _____ metal blend _____ that _____?
 Is it _____ to figure _____ combo of _____ item?
 Does _____ information on _____ metal _____?

I wondered _____ there _____ a _____ metals _____ used here.
_____ any _____ know what _____ mixture _____ into _____ that device?
Is it possible _____ details _____ what _____ was used?
_____ blend of metal _____ this _____?
_____ me the _____ metals _____ the piece.
_____ possible to _____ which metallic composition _____ make the component?
Could _____ be _____ clarify which _____ composition was _____ this component?
I _____ there was _____ way _____ what metals were _____ here.
_____ to get _____ about which metallic _____ was used?
_____ about _____ metal _____ of _____ part.
_____ metallic _____ was used _____ piece?
Is the _____ this _____ known?
_____ you let _____ know _____ metal _____ used?
_____ like to _____ about the _____ used _____ the _____ of _____ object.
Is _____ find out which specific metal _____ part?
_____ you _____ to _____ me the _____ metal _____ used _____ this _____?
_____ like _____ learn _____ the alloy employed in _____ object.
Is _____ made with _____ metal _____?
Is it _____ out the alloy _____ it?
Did you _____ that part?
It _____ to _____ which unique _____ was _____.
Did _____ know _____ discover what _____ were used _____?
_____ me what _____ metals are in _____.
_____ am _____ a chance _____ finding _____ what metallic mix went into _____ parts.
Can _____ the metal _____ this _____?
_____ tell me _____ metal was _____?
_____ to know which metal was _____ to _____.
_____ it possible _____ get detailed insights _____ metal _____ utilized _____ this product?
_____ metal alloy information?
_____ it _____ which piece _____ used?
Is _____ possible to _____ the name of _____ used _____ part?
_____ about _____ metal blend _____ production?
_____ me what _____ of _____ went into _____ this component?
_____ to _____ of _____ alloy employed to make this _____.
_____ type of _____ for this _____?
Is _____ any information _____ of metal _____ to make _____ thing?
_____ be _____ to _____ details on _____ metal blend used _____ this _____.
Is _____ way to _____ type of _____ part contains?
Did you know what _____ of _____ was _____?
Is there any _____ used?
_____ would be _____ know _____ metallic composition _____ when _____ this component.
_____ you have _____ concerning _____ metal _____?
_____ you have any information _____ metal blend _____?
Is it possible to _____ of metals _____ this _____?
Is there a _____ out _____ of _____ there is?
I _____ to _____ the _____ of _____ used in _____.
Can you tell _____ the combination _____ metals _____ for _____?
Does it _____ was used _____ make _____ piece?
Can _____ me know _____ about the metals _____ were _____ these _____?
_____ specific _____ used?

____ it ____ to ____ information about ____ metal ____ used ____ this piece.
 ____ of metal mix was ____ this?
 I would ____ know which ____ blend ____ this ____.
 I ____ to ____ particular metals that ____ used to ____ components.
 Is there ____ find ____ metal alloy is ____ this part?
 ____ it known which ____ was ____ to ____ piece?
 Do ____ know anything about ____ metal alloy ____ in ____?
 Can there ____ information ____ utilized for fabrication?
 I ____ to ____ metal ____ is used ____ make this ____.
 Is it ____ find out ____ metal alloy ____ for ____?
 Is ____ get ____ metal used ____ the manufacturing of ____ part?
 ____ to ____ which ____ was used?
 ____ you ____ the metal alloy ____ was used ____ make ____?
 Should ____ a chance of finding ____ what ____ into ____ these ____?
 Where can ____ find ____ on the ____ used in ____?
 Do ____ know what ____ of ____ to make the ____?
 ____ you ____ access ____ information regarding ____ metal used ____ making ____?
 ____ anyone ____ me ____ type of metal blend ____ item?
 ____ section ____ possible ____ know which unique alloy ____.
 ____ like ____ know if ____ is a ____ what ____ were used.
 ____ there any ____ alloy used?
 ____ metal blend in this ____?
 ____ it possible ____ the metal ____ production.
 ____ with ____ metal alloy ____ to make this part?
 Do you know if the metal ____ manufacturing ____ this ____?
 ____ you ____ which metal ____ was ____ the part?
 ____ know ____ type of metallic mixture used.
 ____ you let me ____ o' metal blend?
 ____ would like to ____ type of alloy ____ put in ____.
 Can ____ tell me ____ alloy used ____ this part?
 I want ____ alloy ____ used ____ this part.
 ____ need of ____ metal alloy used.
 ____ want ____ what ____ of alloy ____ put in ____ part.
 Is it ____ to ____ out about ____ metal ____ in ____?
 ____ find information ____ the alloy employed in ____ that ____?
 ____ me what the ____ are ____ in ____.
 I wonder if there ____ metal used here.
 Is ____ alloy that was ____ in the manufacturing of ____ component?
 ____ you ____ me the exact ____ metals they ____?
 ____ know ____ type of ____ was that made this ____?
 ____ you tell me the ____ they ____ for this ____?
 ____ need ____ is a way to discover ____ were used.
 ____ discover ____ alloy they used to ____?
 ____ it possible ____ about the ____ blend ____ that item?
 ____ to get ____ the metal alloy ____ in this?
 Can you tell ____ metal ____ used?
 Do you have access to the ____ regarding ____ part?
 Is there ____ way to find out ____ alloy ____?
 ____ you ____ more about the metal alloy ____ for ____?
 What ____ metal ____ to make ____ thing.

_____ of _____ put in that _____?

_____ possible to _____ details _____ which metals _____ in fabrication?

Can you _____ into making this part, _____ are _____ too busy?

Will you _____ me _____ exact _____ of _____ used to _____ this _____?

Tell _____ about a _____ in production.

I need _____ the _____.

_____ was utilized in _____ this _____?

Could _____ discover details about _____?

_____ me the _____ blend in _____ item.

_____ it possible _____ figure out which _____ alloy _____ used _____ this _____?

Were you able _____ me _____ to make _____ component?

I _____ know _____ that they used _____ make this _____.

_____ would like _____ out _____ alloy they used _____ build _____.

Can anyone tell _____ alloy _____ used _____ build _____?

_____ possible to get the details about _____ metal _____ making _____?

_____ know what _____ this _____ is from?

_____ possible _____ to understand _____ metal alloy used _____ making _____ product?

_____ the metal composition _____ that _____?

_____ was wondering _____ there is _____ way to find _____ were _____.

Is it _____ to _____ alloy was _____ in manufacturing this _____?

Do _____ of metals they used for this _____?

_____ you _____ what _____ metal mix they _____?

Is there _____ metal _____ in _____ this _____?

Do _____ know _____ alloy _____ for this _____?

Can you tell _____ the metal _____ used _____ part _____?

Is _____ way to find out _____ alloy _____ used _____ this _____?

_____ tell me _____ metal blend _____ that item.

Is there _____ about the specific metal _____ used _____?

_____ the part's _____ be _____?

I _____ a _____ about which _____ they _____ this part.

Where can I _____ alloy used in _____ that _____?

_____ it _____ to get _____ on the _____ this part?

What type _____ metal _____ used to _____ piece?

Please _____ about the type of _____ in _____.

Which metal alloy _____ utilized _____?

_____ you _____ accurate _____ the metal _____?

_____ it known _____ metal _____ used to _____ piece?

_____ the precise metal _____ for this part?

_____ like to _____ which exact alloy was _____ component.

Do you _____ which metal alloy was _____ this _____?

What _____ alloys are _____ part?

_____ information on the metal _____ used _____ make this _____?

I want _____ is used for the _____.

Is it _____ to obtain _____ this _____ metal _____?

Hey, can _____ tell me _____ was _____?

_____ possible _____ metal type used in production.

_____ the metal mix _____ to make _____?

_____ would like to _____ about the _____ in _____ the _____.

Would _____ get the details on the _____ blend _____ this _____?

How _____ which alloy _____?

I'm _____ on metal alloy _____.

Is _____ possible to _____ metal alloy used in _____ part?

I am wondering _____ it _____ to _____ metal _____ in making this.

_____ possible _____ learn more _____ metal alloy that is _____ this product?

_____ possible to _____ out the _____ making it?

Did _____ the precise _____ alloy _____ this _____?

Is _____ known _____ alloy was _____ create this _____?

Is _____ possible _____ alloy was used in _____ part?

Do _____ have _____ regarding _____ metal _____ used to make _____ component?

_____ the _____ metal alloy used to _____ this _____?

_____ would like _____ which _____ contained in this piece.

_____ find out what kind _____ the part?

_____ it possible to provide details _____ metals were _____?

Is _____ a specific type _____ that _____ make this _____?

Is it possible to _____ the _____ compound _____ fabrication?

_____ wonder if it's _____ get details _____ metal used _____ this.

_____ like to _____ metal _____ they used to make _____.

Can anyone _____ me the _____?

_____ possible to _____ details _____ used in fabrication?

Is there _____ to _____ the _____ for making this _____?

Can you give _____ of _____ that were _____ make _____ components?

Tell _____ the metal _____ into making this _____.

What _____ metals were used _____ thing?

Is _____ way to _____ the metal alloy that was _____ to _____?

Does _____ on _____ metal _____ exist?

_____ want _____ know what type of _____ was _____ making _____.

_____ the metal _____ this part?

_____ you _____ exact _____ they used to make this part?

_____ you have _____ regarding the _____ alloy _____ to make this _____?

_____ kind _____ alloy was used _____ make this _____?

What _____ metals _____ used for _____?

_____ way to _____ out what _____ metal _____ is?

_____ could get _____ type _____ metal alloy used _____ make this component.

_____ you know _____ metallic _____?

_____ type _____ metal is _____ to _____?

Tell me _____ of _____ is used _____ piece.

_____ like _____ know the metal alloy _____ part.

Is _____ possible for me _____ detailed information about _____ metal _____ this _____?

_____ have _____ on _____ metal alloy?

Do you think it is _____ exactly _____ combo _____ this widget?

Can _____ the _____ used for _____ component?

_____ there _____ metal _____ that makes _____?

_____ a _____ metal _____ in production?

_____ find _____ the alloy used in the fabrication of _____?

_____ about _____ particular metal _____ in _____?

_____ can I _____ out about the _____ in making _____?

_____ alloy is _____ part?

_____ is used _____ creating _____ part?

_____ am _____ if it _____ possible _____ get details about _____ metal _____.

Is _____ any information you could give about _____ they _____ that _____?

I _____ like _____ alloy used in _____ that object.
 _____ we find out more about _____ composition _____?
 Is there a _____ metal _____ used here?
 _____ there _____ way _____ find _____ what type of metal _____ part.
 Do you _____ any _____ used in making this _____?
 _____ you _____ me the _____ metals that they used _____ make _____?
 _____ give _____ description of the _____ alloy _____?
 Is it _____ metal _____ used _____ the piece?
 _____ there _____ to discover which _____ for this part?
 _____ it _____ to _____ about _____ was used to create _____ component?
 Is it possible for you _____ details _____ metals _____?
 Do you _____ the _____ that _____ to make _____?
 _____ it possible to share _____ for this _____.
 _____ metal _____ used in _____ this _____ is _____ known.
 I _____ information about the _____ of _____ mixture _____.
 Can _____ tell _____ which _____ alloy _____ this _____?
 _____ there a specific _____ alloy used _____?
 _____ am curious about _____ used in _____ part.
 I want to _____ the metal _____ they _____ this _____.
 I _____ wondering if there _____ to discover _____ metal _____ used _____.
 I _____ know _____ about _____ metal composition of _____ part.
 What kind of metal _____ used _____?
 _____ want to know which metal _____ they _____.
 _____ you have information about the _____ that _____?
 _____ there a way _____ what metal _____ is _____ this _____.
 I _____ to know what _____ alloy _____ the part.
 Is there _____ about which metal _____ in this piece?
 _____ provide me _____ specific metal _____ used to _____ this _____?
 Would _____ be possible _____ what _____ composition was used _____ this _____?
 _____ alloy _____ used to manufacture this component.
 What _____ for the part?
 What _____ of _____ used in the _____ this _____?
 _____ we find _____ type _____ metal blend _____ in _____ item?
 Can _____ what alloy _____ to build this?
 Tell _____ can we _____ more about _____?
 Which _____ of metal was _____ in _____?
 Can you tell _____ name of _____ used _____?
 _____ you _____ me the _____ that they _____?
 I _____ wondering if _____ possible _____ information _____ the metal _____ in making _____.
 _____ I _____ alloy they used to _____ it?
 What type _____ into _____ thing?
 Do _____ what metal _____ used for _____ part?
 I would _____ to know which _____ to make _____.
 Do you _____ any information _____ metal alloy _____ in _____?
 _____ would _____ to know _____ there's _____ that _____ metallic mix went _____ parts.
 Do you _____ of the metal alloy _____ this component?
 _____ would _____ know which _____ alloy _____ used to make _____.
 _____ it possible for _____ understand _____ in making this product?
 _____ like _____ out the _____ of _____ is used to make this _____.
 What is the _____ used _____ part?

_____ possible to get clarification _____ composition _____ used?
 I _____ to know if there _____ way to discover what _____ .
 Can you _____ specific _____ the metallic _____ utilized _____ ?
 Can _____ tell me _____ metal _____ to _____ this _____ in?
 _____ like to _____ sort of alloy _____ making that part.
 _____ were combined _____ make these _____ ?
 Is _____ possible _____ me to get a detailed _____ into _____ alloy _____ ?
 _____ metal mix _____ make this?
 _____ we get _____ of metal _____ ?
 Are you _____ the _____ alloy _____ making _____ part?
 Can _____ tell _____ the _____ of metals they used _____ this _____ ?
 Is _____ a way _____ specific metal _____ ?
 _____ it _____ to _____ the _____ used in the part?
 Are _____ to tell me _____ exact _____ metals _____ used?
 _____ alloy _____ for the _____ ?
 What _____ metal alloy used for _____ part?
 _____ possible _____ out _____ of metal was used in _____ part?
 _____ it possible _____ me what _____ of alloy _____ put in _____ make _____ ?
 Could you tell me _____ the _____ composition _____ ?
 _____ there _____ chance that I _____ out what _____ into creating _____ parts?
 _____ this part made _____ ?
 _____ trying to _____ what _____ alloy _____ into _____ this part.
 I would _____ to know _____ combination _____ metals _____ this part.
 _____ of the _____ compound used in fabrication _____ .
 _____ know what _____ to make _____ part or not?
 Is it _____ to get _____ used to _____ component?
 _____ you _____ any info on _____ alloy _____ this _____ ?
 _____ me _____ the metal alloy used _____ this part?
 Can _____ tell me _____ is _____ ?
 _____ about the metal _____ used in _____ ?
 _____ we _____ the _____ made the part?
 Is _____ way I _____ which metal alloy was _____ ?
 Do _____ know _____ metal alloy _____ used _____ this component?
 I need _____ metals _____ used _____ .
 Can there be means _____ the _____ ?
 Is it _____ to _____ out what _____ of _____ ?
 _____ you _____ me the exact _____ of _____ this part?
 _____ you _____ what _____ of _____ into making this part?
 I'm _____ as to which metal _____ in _____ .
 Can you _____ about the _____ metallic _____ for _____ ?
 _____ you provide details regarding _____ used _____ fabrication?
 Could you tell me _____ name of _____ metal _____ ?
 _____ the _____ metal alloy that made this _____ ?
 I _____ know the _____ metal _____ used to manufacture this _____ .
 _____ get _____ on what type _____ was used to create _____ ?
 _____ me know about the _____ metal blend _____ that _____ ?
 _____ anybody _____ goes into making this part?
 _____ there _____ to _____ metal alloy used _____ this part?
 _____ it _____ to _____ the metal blend used _____ this piece?
 _____ metal alloy they used.

_____ curious _____ there _____ a _____ to discover what metals _____.

_____ am _____ in _____ metal blend _____ this piece.

_____ it's _____ to _____ what combo of metals formed _____.

_____ have _____ on _____ metal _____ used in making this part?

Would _____ to clarify the _____ of _____ when _____ this component?

_____ there _____ way to find _____ metal _____ is _____ here?

Can _____ tell _____ about the _____ blend _____ this _____?

Which _____ is used _____ this _____?

I _____ like _____ know _____ exact _____ that _____ for _____ component.

_____ be _____ about the metal used in making _____?

_____ about the metal alloy that _____ used _____ this part?

_____ me what metals _____ of.

_____ me what the exact _____ of _____ they _____ this part was?

Is _____ possible _____ know _____ unique _____ was used _____ section?

_____ you tell _____ metal blend?

I _____ know details _____ metal _____ the part.

Is there a _____ out _____ metal _____ used _____ the part?

_____ it possible to figure _____ what _____ of _____ this _____?

Can it _____ which metallic composition was _____ making _____ component?

Is _____ possible _____ me to _____ out which metal _____?

_____ you _____ access to information _____ the metal alloy _____ in _____?

_____ there any information _____ here?

Which alloy _____?

Can _____ tell us more _____ the _____ used _____ manufacturing _____?

_____ find out about the _____ alloy _____ that object?

I would like _____ they _____ to build this.

_____ we _____ out which _____ used?

_____ made _____ part?

_____ of _____ part's _____ could _____ uncovered.

_____ information about the _____ metal alloy _____ in crafting _____?

_____ would like to know _____ type of _____ for _____.

_____ me _____ about _____ type o' metal _____ in _____.

_____ am curious _____ the _____ metal alloy used _____.

What metal _____ is _____ in _____?

_____ want to _____ type of metal _____ component _____ made _____.

I'm _____ for _____ the metal _____.

_____ of metal mix _____ using _____ this piece?

_____ of metal blend is _____ this _____?

Is it _____ to find out _____ alloy _____ in manufacturing _____.

Is _____ possible to tell me _____ in _____ piece?

Is _____ the metal that is used in making _____?

_____ you _____ to know what combo of _____ formed?

It's possible to _____ clarification about _____ was _____.

_____ metal alloy that _____ in the _____ of this component?

What type _____ metal blend _____ for _____?

_____ metal alloy was _____?

_____ of _____ used here?

Is it _____ description of _____ metal _____ in _____ this?

In which _____ this _____?

Is _____ to _____ out about _____ particular _____?

Would you _____ tell _____ what _____ were used _____?

Can _____ get information _____ which metal _____ in this _____?

Is _____ metal alloy _____?

_____ the information on this _____ be _____?

_____ would like to know _____ type _____ metallic _____ creating _____ item.

_____ information available on _____ alloy?

Is it _____ to _____ which metal _____ used _____ this part?

_____ wondering if it _____ possible to _____ details _____ metal _____ in making _____.

I _____ like _____ what _____ they _____ to make that part.

_____ it be possible _____ get information about _____ used _____ this _____?

_____ is used _____ production?

_____ it _____ to _____ details _____ metal used _____ create this _____?

_____ sharing the _____ metal _____ this part _____?

Can you tell me about _____ used _____ this _____?

_____ know the type _____ metallic mixture _____ creating the _____.

_____ that the alloy _____ this?

Is there _____ information _____ what metal _____ this _____?

_____ want _____ know _____ of the metal _____ used _____ make this _____.

Is it _____ know the _____ of metal _____?

_____ is possible for _____ to _____ detailed insights _____ in this product.

_____ you know what _____ this component?

I want to _____ of metals _____ for the _____.

_____ anything you _____ me about the _____ they _____ in _____ that part?

_____ it possible to get information _____ of _____ in _____ component?

_____ type _____ alloy was used _____ make _____ part?

_____ want to _____ about _____ mix they used.

Did you _____ the metal _____ used _____ manufacturing this _____?

_____ a metal _____ made _____ part?

Do you _____ which _____ alloy _____ the part?

_____ of alloy was _____?

_____ you _____ any information _____ metal _____ used _____ the part?

What _____ the metal alloy _____ in this _____?

_____ alloy _____ employed _____ this?

Do _____ know anything _____ that were combined _____ make _____ components?

Can _____ the type of metal alloy _____ in _____?

I am _____ about _____ metals _____ were _____ up these _____.

Can _____ which metal alloy _____?

Is there _____ way to find _____ the _____ here?

Do _____ have any _____ the metal _____ component?

Can _____ out what kind of _____ used _____ build _____?

_____ you tell _____ they _____ the exact _____ of _____ for this _____ not?

_____ learn more _____ part's metal _____?

_____ it possible to _____ into the _____ used _____ product?

_____ not _____ alloy was used in making _____.

I want _____ what type _____ mixture _____ used.

_____ to _____ specific _____ about the metal blend used _____ this _____?

Where _____ more _____ the alloy _____ used _____ make the object?

_____ could _____ the particular alloy _____?

_____ interested _____ learning _____ was _____ for manufacturing this _____.

Would it be _____ know _____ alloy was _____ that _____?

_____ for me to _____ the exact metal alloy included _____?
 _____ any chance _____ finding _____ metallic mix _____ making these parts?
 _____ anyone know _____ of metal _____ used in _____ this _____?
 _____ you share _____ for this _____?
 How _____ exact metal blend _____?
 Can you _____ me _____ specific _____ alloy _____ here?
 How _____ find out which metal alloy _____?
 Which alloy _____ in _____?
 _____ about _____ metal alloy employed _____ manufacture this component.
 _____ of metal alloy is used _____ component?
 _____ you _____ more about _____ metals that _____ combined _____ these parts?
 _____ on the metal alloy _____ in this part?
 I want _____ know what metal alloy goes _____ part, _____ are _____ to listen.
 Let me _____ alloy _____ component.
 Can _____ information on _____ metal blend is _____ piece?
 _____ it possible _____ find out _____ was used _____ part?
 _____ give me _____ metal used in this _____?
 I _____ to _____ mixture used to create this _____.
 _____ there a way to find _____ metal _____?
 Is there a way _____ metals _____ used _____ area?
 I was wondering which alloy _____ this _____.
 Is it possible that _____ goes _____ this _____?
 Which _____ employed _____?
 _____ want _____ learn _____ particular alloy used in _____ the _____.
 I _____ like _____ know more _____ the _____ metals used to _____.
 _____ information about _____ specific _____ alloy used for _____ this _____?
 Is it _____ provide _____ on the _____ in this _____?
 _____ kind _____ metals is _____ this _____?
 _____ alloy was used in the _____ of _____?
 What _____ about _____ metal alloy used _____ this _____?
 _____ could _____ learn _____ about the alloy _____ was _____?
 _____ idea on _____ of this?
 _____ there _____ learn what _____ of metal _____ in _____ part?
 Is _____ possible _____ get _____ what metallic _____ used?
 I'm curious about _____ type _____ metal _____ to manufacture _____.
 _____ you _____ me information _____ the _____ alloy _____?
 I want _____ what type _____ metal _____ this part.
 Is it _____ figure out _____ alloy was _____ the _____?
 _____ metal blend is _____ piece?
 _____ there a _____ to find out the _____ alloy _____?
 Can I learn more _____ this part.
 _____ want _____ know _____ type _____ metal _____ make this component.
 Is it _____ discover a _____ blend _____ in _____?
 _____ you tell _____ what kind _____ metals _____ for _____ part?
 What _____ the _____ metal _____ this _____?
 _____ you tell me _____ find the specific metal _____?
 _____ way to get information about _____ alloy was _____ to _____ part?
 _____ of _____ was _____ for this _____?
 _____ wondering _____ is possible to get _____ metal used _____.
 _____ metal _____ in _____ part?

_____ out _____ alloy is used?

_____ it possible for me _____ learn more _____ the metal _____?

What _____ metal _____ making this _____?

Is it possible _____ details concerning _____ utilized for _____?

_____ can _____ learn _____ the _____ used to _____ object?

_____ there information _____ this part's metal?

Can we _____ what type _____ metal _____ is in _____?

_____ you _____ more _____ the _____ alloy _____ in crafting _____ part?

_____ you _____ the metal alloy _____ used?

Which _____ alloy _____ utilized _____ section?

Can I _____ out what _____ used _____ this _____?

I would like _____ the particular metal mix _____ used _____.

_____ type _____ metal _____ used _____ component?

_____ you know anything about the _____ part?

_____ could _____ more about the alloy _____ in _____ object?

_____ like to learn about the _____ mix _____ crafting this _____.

Is _____ a _____ identify the _____ here?

Is _____ a _____ of _____ out what _____ metallic _____ create these parts?

_____ wonder if _____ possible _____ know _____ of metals _____ this item.

_____ know which metal _____ in this part.

I want _____ of metal blend in _____ item.

_____ to _____ what alloy _____ used in this _____.
