

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Flooring repairs or replacements
Inquiry Sub-Category	Flooring types
Description	Explaining different flooring materials and their pros and cons to help customers make informed decisions about which type of flooring is best suited for their needs and budget.
Data Size	5,690 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

How ____ tile compare ____ materials when ____ to water resistance ____?

You should ____ the ____ other options.

Is ____ resistant ____ water than alternative ____?

____ does ____ against ____ in terms of ____ resistance and ____?

Does ____ have the same ____ to wetness ____?

Does tile last ____ and staying intact.

Does ____ last ____ terms of withstanding ____ products?

Does ____ do well ____ and ____?

When it ____ water resistance and ____ how do tile ____?

____ tile as ____ water ____ other materials.

____ have ____ water ____ that other ____?

____ up against the rest for ____ out water?

____ you tell me ____ tile ____ against the ____ out water?

Does tile ____ a better ____ withstanding water?

____ hold up against the ____ proof ____?

Is there ____ between ____ materials for water ____?

____ compare to other substances when ____ longevity ____ water ____?

____ tile have any advantages ____ materials for ____?

tile's ____ resistance is ____ other ____.

____ provide ____ water than other ____?

How ____ up when ____ to withstanding water?

____ tile more resistant ____ water ____?

Does ____ hold ____ well ____ the event ____ damage?

____ do tile's ____ and ____ stack up ____ alternatives?

What ____ resistance ____ durability like?

I want ____ know ____ the rest for keeping out ____.

____ hold ____ against water damage?

____ we ____ to alternative ____ ability ____ resist water?

Do _____ to know how _____ comes to water _____?

_____ up well to _____ damage?

How _____ tile _____ other _____ against water _____?

Tile's _____ resistance and _____ stacks _____ against _____.

_____ its competitors in terms of water _____.

_____ the differences between tiles in terms _____ ability to _____?

How _____ tiles _____ from other _____ longevity and _____ resistance?

Want to know _____ performs _____ water resistance and _____?

_____ we evaluate the _____ against _____ to resist water?

Are tile's _____ resistance and _____ other _____?

_____ resistant to water _____?

Wondering _____ compare _____ other materials for _____ water.

How can tile _____ water _____?

_____ do better _____ water and last _____ other _____?

_____ distinguishes _____ from _____ materials _____ comes _____ the ability _____ resist damage from _____?

_____ tile _____ up against _____?

Compare the waterproofness _____ of _____.

_____ should be _____ the waterproofness _____ tiles _____ alternatives.

_____ well _____ it comes _____ lifespan and repel _____?

_____ resistance _____ are _____ tile vs other materials.

_____ last _____ water damage _____ time?

Can _____ me about _____ longevity of tiles compared _____ materials?

_____ does _____ to other _____ when _____ longevity and _____ repellences?

_____ more _____ and water resistant _____ other materials?

_____ tile have _____ resistance to water damage _____?

_____ any comparison _____ tiles for resisting water _____?

Does _____ have _____ same water _____ and lifespan _____?

_____ compare _____ other options for longevity _____ water _____?

_____ does tile stack _____ against _____ in _____ longevity _____ water _____?

How _____ with other materials _____ resisting _____?

_____ does _____ stack up _____ other tiles _____ terms _____ water _____?

_____ how _____ able to resist water.

_____ of _____ to alternative _____ ability to resist water?

_____ tile have _____ resistance to _____ damage _____ other _____?

_____ survive water damage better _____?

Is _____ resilient to _____ materials?

Is tile _____ substances _____ resisting _____?

Does tile _____ time and _____ repel water?

Can you tell _____ and _____ of the tile?

_____ fare _____ against water _____ longevity than _____ materials?

_____ against water than _____ options?

_____ well tiles _____ with _____ materials that _____ water.

What are the _____ and water _____ between tiles _____?

_____ waterproofness _____ tiles should _____ alternatives.

Compare _____ and durability _____.

_____ differences _____ tile and _____ materials are water _____.

_____ longevity and water _____ are compared _____ materials.

Does tile _____ same _____ and _____ other materials?

How similar _____ tile and _____ materials _____ resistance?

_____ resistance and longevity compared to _____.

_____ makes _____ different from other products _____ comes _____ against _____?

_____ tile _____ lasting _____ water?

When it comes to _____ resistance, what _____ tile and _____?

_____ tile _____ or durable?

_____ any _____ against water _____ of the other materials?

_____ to _____ resistance, how _____ compare to others?

_____ you tell _____ what _____ of tile are like?

_____ is _____ like against _____ materials?

_____ measure the _____ tiles _____ other materials _____ resist water?

Does _____ water resistance and durability as _____?

_____ other materials when _____ comes to water _____ and longevity?

_____ tile _____ durable _____ water resistant _____ other materials?

Does the _____ up against _____?

Wondering _____ tiles _____ with _____ materials for _____ water.

_____ tile _____ superior _____ to other materials?

Does tile _____ up _____?

_____ do tiles _____ when _____ comes _____ longevity _____ water _____?

How _____ fare in _____ and lasting?

_____ the waterproofness of _____ against _____.

_____ as good _____ the others on standing _____ water?

_____ waterproofness _____ durability _____ tiles need _____ be _____ against _____ options.

How _____ tiles _____ in terms of _____ resistance _____?

_____ tile _____ water in the _____ way _____ materials?

_____ do tiles _____ terms of _____ water _____ longevity?

Does tile have better water _____ and _____?

Wondering how _____ other materials _____ water?

_____ materials, is tile _____?

_____ like _____ the water resistance _____ longevity of _____.

Is tile resistant to _____ lasts _____?

_____ be more _____ water than other _____?

_____ makes tile _____ products _____ to long- lasting _____ and protection _____ moisture?

_____ interested _____ the _____ longevity _____ tile compared _____ other materials.

Does _____ last _____ terms of withstanding _____ and longevity _____?

_____ do tiles _____ and _____ water out of _____?

What _____ the _____ other materials _____ water resistance?

Is tile _____ to _____?

Does _____ have _____ decent _____ ability to repel _____?

_____ hold _____ against other waterproof _____?

_____ have _____ water resistance _____ materials?

Wondering _____ well _____ compared _____ materials for resisting _____.

Does tile last as long _____ of withstanding _____?

What _____ the comparison _____ tile _____ resistant to water?

_____ and _____ is tile against _____?

_____ more _____ damage than other alternatives?

_____ perform _____ than other materials _____ terms _____ water?

Can _____ tell me _____ resistance and _____?

_____ keep up with _____?

_____ water _____ and longevity _____ to _____.

_____ perform _____ well as _____ else _____ standing up _____ water?

Is _____ against water _____ than _____ other materials?

____ tile ____ against water and last ____ long ____?
 Wondering ____ tiles ____ any ____ other materials ____ resisting ____.
 Does ____ the other waterproof ____?
 ____ best ____ compare the ____ of tiles versus ____.
 ____ tile ____ longevity and ability ____ water?
 How ____ tile stack up against other ____ keeping ____?
 ____ water resistance andDurability, what is the difference ____ and ____?
 Does tile ____ better than ____ when ____ to ____ resistance and ____?
 Does ____ the same ____ as ____ materials?
 How long ____ tile protect ____ to ____?
 ____ the waterproofness of ____ compared ____?
 ____ substances in ____ withstanding ____ and staying intact?
 ____ and other materials ____ water ____ other materials?
 ____ provide better ____ against water ____?
 ____ against other water ____ materials?
 How do ____ hold ____ against materials that ____?
 Does tile ____ damage?
 Try to ____ tiles to ____.
 ____ know how tiles fare ____ it ____ to ____ longevity?
 Can ____ up ____ water and ____ a long ____?
 Is ____ how well ____ compare to ____ materials ____ resisting ____?
 How long ____ tiles ____ against ____ compared ____ materials?
 Which tiles ____ best ____ and ____ to water?
 ____ tile able to ____ up ____ last a ____ time?
 ____ water resistant ____ other fabrics?
 Is ____ able ____ last a long time?
 ____ tile's ____ resistance and longevity ____ other material?
 ____ more ____ than other ____ in ____ of ____ water?
 ____ tell me about ____ water ____ andLongevity ____ tile ____ to other ____?
 Are tile's ____ resistance ____ related ____ other ____?
 ____ compare to other materials ____ are water ____?
 What ____ differences ____ tiles and ____ for water ____?
 There ____ water resistance and ____.
 How does ____ up ____ alternative options ____ water ____?
 I would ____ to ____ well your tile ____ up ____ the ____ for ____.
 What is ____ of ____ other materials when ____ water resistance?
 When comparing ____ with ____ materials, ____ there ____ resistance?
 Does ____ hold ____ than alternatives?
 ____ if tiles are ____ to ____ materials ____ water?
 What ____ the difference ____ tile ____ when it comes to ____?
 Compare ____ and ____ tiles against other ____.
 How do tiles ____ water ____?
 Do tiles perform better ____ other ____ of withstanding ____?
 How do tiles ____ longevity ____ out ____?
 ____ fare when ____ comes to ____ water?
 Does tile hold ____ water ____?
 Wondering ____ different from other ____ for ____ water.
 ____ idea to ____ waterproofness and ____ of tiles.
 ____ is waterproof ____ compared to ____?
 ____ tile last longer than ____ when it ____?

____ tile retain more ____ last longer ____ other ____?
 What is the ____ against ____ materials?
 What ____ different from ____ materials ____ ability ____ resist ____ from water?
 Can ____ give ____ the water resistance ____ longevity of ____?
 Does ____ water ____ than ____?
 How do ____ compare to ____ materials ____ comes ____ resistance?
 ____ tell me ____ between ____ water resistance and other ____?
 ____ the waterproofness ____ tile compared ____ alternatives?
 ____ differences ____ tiles and ____ materials ____ resisting water?
 ____ tile ____ water resistance and durability ____ materials?
 ____ against other materials when ____ to resisting ____ damage?
 The waterproofness ____ to ____ against alternative options.
 Do ____ up against water damage ____ materials?
 Does tile fare ____ terms of ____ than ____?
 ____ tile water ____ like ____.
 When it ____ does tile ____ up ____ other options?
 Does tile ____ differences in ____ than other ____?
 ____ resistance to water ____ than other ____?
 Can you ____ us ____ water ____ longevity?
 ____ you ____ me ____ on tile's ____ and ____ compared to ____ materials?
 tile ____ other substances ____ considering longevity ____ repellence
 How ____ fare ____ water-proof materials?
 ____ makes tile ____ from ____ terms ____ its ability ____ resist damage ____ water?
 How do ____ lifespan ____ out water?
 ____ to ____ damage like other ____?
 ____ tile ____ longer in ____ of ____ and ____ compared to other ____?
 Does tile ____ well ____ its ____ ability ____ water?
 Does ____ resist ____ than other ____?
 There ____ for a ____ between ____ and ____ of tiles.
 ____ resistance compare to ____ materials?
 Is ____ differences in tile's water ____?
 Does ____ the ____ qualities as other ____?
 How does tile ____ up ____ alternative options ____ resilience and ____?
 Is tile ____ water ____ alternative ____?
 tile's ____ resistance ____ up against ____
 ____ tile ____ from ____ compared to alternatives?
 Is ____ more ____ options against ____?
 ____ tile do ____ water ____ longevity?
 Does tile do better in ____ water resistance ____?
 ____ want ____ know ____ your ____ up against ____ for keeping out water.
 ____ to ____ tiles ____ it comes to water resistance and ____?
 ____ tile more durable ____ damage?
 ____ tiledurable ____ water ____ compared ____ alternatives.
 ____ is compared ____ when considering ____ and ____ repellence.
 How ____ fare in terms ____ to ____?
 ____ tile ____ the ____ better than ____?
 ____ compares to ____ materials ____ it ____ to water ____ longevity
 Does ____ have ____ same water resistance ____ materials?
 How do tiles hold ____ other ____?
 How do tiles fare ____ materials ____ comes to ____ water ____?

Is tile better _____ and last _____?

_____ tile's water _____ longevity comparable _____ other materials?

Is _____ any more resistant _____ water _____ other _____?

How _____ tile fare _____ resist water damage _____?

_____ tile's _____ resistance _____ other _____.

Is _____ as other _____?

_____ distinguishes tile _____ materials in regards to _____ to _____ water _____?

Does tile _____ water and longevity _____ other _____?

_____ to assess the _____ tiles _____ the ability of alternative _____ water?

Is tile comparable _____ substances _____ it comes _____ repelling?

_____ to _____ what is the relationship between _____ and other _____?

_____ tile _____ to water _____ different _____?

Is _____ water _____ long-term?

_____ up against water-proof _____?

_____ from _____ materials _____ it comes to _____ to resist _____ damage?

What _____ tile's water resistance _____?

_____ you want to _____ tile's longevity and _____?

What _____ water _____ and _____ against _____ materials?

In _____ withstanding water, _____ tile _____ than other _____?

Do you _____ how _____ tile _____ up against _____ rest for _____?

Does _____ last a _____ time _____ be _____ repel _____?

Is _____ long and _____ resistant _____ materials?

How _____ stack up _____ the rest _____ keeping out _____?

_____ the comparison _____ tile and other _____ in _____ of _____?

How well _____ tiles _____ against _____ keeping out water?

Does tile _____ water _____ as _____ do?

How do _____ other materials _____ of water resistance?

_____ tile _____ better to _____ other materials?

How _____ fare in _____ of _____ resistance _____ alternatives?

Can you _____ information _____ the _____ lifespan of tile?

What are _____ differences between tiles' _____ damage from _____?

What is the _____ tiles and _____ for _____?

Is tile _____?

Do _____ know _____ tile does against _____ resistance _____ longevity?

_____ it _____ to _____ does tile compare?

Is _____ resistant to _____ lasting longer _____ substances?

_____ tile more resistant to _____ than other _____?

Are _____ resistant _____ and _____ longer?

What _____ does _____ compared _____ alternatives?

_____ you _____ me more about _____ water _____ and _____?

_____ tile's _____ and ability to repel _____?

Is _____ and _____ to water than _____ substances?

How do tile and _____ against _____ over _____?

_____ water _____ longevity, _____ does tile _____ up?

_____ able to _____ up against water _____ a long _____.

Does tile _____ same _____ water and _____ materials?

Do _____ know _____ well your _____ stacks _____ against _____ water out?

How _____ fare against _____ in _____ of water _____?

Does _____ water resistance and _____?

How _____ tiles _____ to other _____ in _____ water _____?

How _____ measure _____ withstood _____ and _____?
 _____ and _____ proof materials hold up?

How _____ resistance and _____ compare against other _____?
 _____ vs _____ competitors in terms of water _____.

Does _____ up _____ than alternatives?
 _____ a need to compare _____ waterproofness _____ tiles.

Does tile cope _____ water _____ other _____?

Is _____ as good as _____ up to water?
 _____ it comes to water _____ andDurability, _____ the _____ between _____ materials?
 _____ there any difference _____ between _____ and _____ things?

How do tile's _____ compare with other _____?
 _____ do _____ perform in _____ of resistance _____ longevity?

Wondering _____ tiles are able to resist _____?
 _____ is the _____ versus alternatives?
 _____ any difference _____ water _____ andDurability _____ tiles and _____ materials?
 _____ tile's water _____ longevity compared _____ other _____?
 _____ there _____ between _____ and other _____ that have the _____ to _____ damage?

Does tile _____ withstanding _____ and _____ it _____ intact over _____?

How do _____ other materials _____ water _____?
 _____ differences _____ water _____ when compared with other _____.

Is _____ water _____ longer than alternatives?
 _____ tiles _____ to other materials _____ are _____ water.
 _____ you _____ to know _____ tile _____ to water resistance and _____?

How _____ hold up _____ water-proof _____?

Does tile _____ water _____ other _____?
 _____ tile more resistant _____ lasting _____?
 _____ tile hold up _____ and _____ environments?
 _____ the _____ longevity of _____ against _____.

tile's water resistance _____ compare favorably _____.

Want _____ know _____ tile _____ comes _____ water resistance?
 _____ same _____ resistance as other materials?

How does tile _____ time _____ damage?
 _____ the _____ resistance and longevity of _____ compared to _____?
 _____ tile resist water _____ materials?
 _____ any _____ at _____ against _____ than other materials?
 _____ tougher against _____ than _____ options?
 _____ how _____ compare _____ other materials _____ to water.

Does _____ have _____ same _____ as other _____?
 _____ good _____ other materials against water _____?
 _____ tile survive _____ last longer _____?
 _____ does tile measure up _____ lasting?
 _____ in tile's water _____ lifespan.

_____ do _____ water resistance _____ against alternative materials?

Is _____ against water _____ alternatives?

Wondering about _____ comparative effectiveness of _____.

What distinguishes tile _____ comes _____ their ability _____ resist _____ damage?
 _____ it comes to lifespan and _____ out _____ tile _____?

Do _____ hold _____ better against water _____ other _____?
 _____ do tiles fare in _____ and durability?

Is _____ and _____ other materials?

Does _____ damage compared to other materials?

_____ tile _____ and _____ resistant as other _____?

_____ tile's _____ and resilience _____ to _____ materials?

Is _____ any more effective at _____ than _____ materials?

Is _____ better at repelling _____ options?

tile is _____ other _____ considering water _____

_____ well tiles are _____ resisting _____?

How does _____ fare _____ it _____ to water _____?

_____ is the _____ and _____ materials _____ it comes _____ water resistance?

_____ resistant to _____ than other _____

Is there _____ resistance between _____ tile and other _____?

_____ tile have the _____ repel water _____ others?

Is _____ to _____ the _____ of tiles against _____ resist water?

Is tile _____ than _____ for _____ water and _____?

It is _____ compare the _____ and durability _____.

When _____ comes to water resistance _____ tile _____ than _____ materials?

How _____ tile different from _____ water resistance?

_____ resistance _____ lifespan _____ other materials.

_____ tile _____ against water _____?

_____ resistance and _____ are _____ other materials

In _____ standing _____ how good is tile?

_____ difference in _____ resistance between _____ and alternatives?

Is _____ good at resisting _____ materials?

Which tiles fare better in _____ resistance _____?

Does _____ have _____ in _____ resistance _____ to _____ materials?

_____ water resistance _____ tiles can be _____ other materials.

_____ does tile _____ up when it _____ to _____?

Is _____ to water _____ some alternative _____?

_____ tile and other materials _____ of water resistance?

_____ does tile fit in _____?

Wondering _____ tiles have _____ as other _____ resisting water?

How do _____ fares compared _____ other _____ resistance _____ longevity?

_____ have better water _____ against _____?

What _____ tile do _____ materials?

Does tile _____ longer _____ resistance than _____ materials?

Does tile _____ longer _____ withstanding water _____ materials?

_____ tiles compare _____ for _____ for a long time?

_____ are _____ and longevity _____ other materials?

Can _____ tell me _____ water resistance _____ durability?

Is tile _____ against _____ other _____?

Is _____ as water _____ options?

_____ be compared in terms _____ its _____ water?

Does tile _____ better _____ substances _____ resisting _____?

_____ tiles _____ water _____ other materials?

_____ comes _____ water resistance _____ durability, what's _____ difference _____ tile _____ materials?

In _____ of _____ and _____ to water, _____ fare?

_____ tile _____ as other things?

Does _____ excel _____ up _____ water?

_____ as water resistant as _____?

Does tile do a _____ water than _____?

How is ____ different ____ tiles ____ keeping out ____?

____ than all the ____ things on ____ up ____ water?

____ do tile and ____ to ____ and ____ repellence?

____ it ____ to ____ resistance and longevity ____ does ____ compare ____ other ____?

____ tile ____ water than other ____?

What ____ the ____ resistance of ____ compared ____ alternatives?

____ tolerate ____ better than ____ materials?

____ tile's water ____ and longevity similar ____ that ____?

____ tile ____ resist water damage ____ time ____ other ____?

How ____ tile perform in terms ____ longevity ____?

Is ____ durable and ____?

How is tile ____ in keeping ____?

Is tile ____ damage ____ alternatives?

How do ____ tiles stack up ____ in ____ out ____?

____ tile ____ water ____ to others?

Can ____ assess the longevity ____ against ____?

What is the difference ____ tile ____ to performance ____ protection ____ water?

Tiles are ____ to ____ substances ____ considering ____ repellence.

____ tile ____ against water?

What are ____ abilities ____ resist damage from the ____?

____ compared to other ____ last a long ____?

____ are ____ between tiles ____ resisting water ____ other ____?

Is ____ tile stacks up against the others for ____?

Is ____ as ____ other materials?

Does tile ____ for water resistance ____?

Is ____ as ____ resistant ____ material?

How ____ measure ____ against ____?

Is tile ____ and ____?

Is ____ water resistance than ____ materials?

Does ____ a ____ time and is able ____?

Does tile ____ against ____ than ____ materials?

____ provide me ____ resistance and longevity of tile?

____ good is tile's water ____?

____ well do ____ up against the other ____ keeping out ____?

____ possible to ____ longevity of tiles against alternative materials' ____?

Is tile ____ and durable ____?

What are ____ differences ____ tile and ____ water ____?

Are ____ and ____ to ____ as other materials?

____ as good ____ on standing up ____ water?

____ does tile perform when ____ water resistance ____?

____ the waterproofness of ____ options.

____ tile better ____ and water ____ other materials?

I wonder if ____ more ____ and water ____ than ____.

____ tiles able ____ water compared ____ alternative ____?

Is ____ better than all ____ standing ____ to water?

How ____ and other ____ against each other?

____ tile perform ____ well as ____ for water ____ longevity?

____ tile ____ the ____ resistant and durable ____ as other ____?

____ tile's ____ resistance ____ to ____ materials?

How ____ tile ____ to other ____ considering ____ and ____ repellence?

How ____ tile stack up ____ of ____?

____ tile ____ protecting ____ the effects of ____ damage?

How ____ tile's ____ resistance ____ against other ____?

____ does tile fare ____ longevity?

____ tiles different ____ in terms of resistance ____ water and ____?

Can you ____ me ____ water ____ and longevity of ____ to ____?

Is ____ any ____ in ____ durability when comparing tile with ____?

____ of tiles compared to alternative ____?

____ between tile and ____ materials for ____ resistance ____ longevity?

____ able ____ repel ____ and ____ long ____ it last?

How does ____ against ____ for water ____?

Does ____ perform better ____ substances ____ water over time?

____ resist water better than ____?

Does ____ last ____ other ____ that ____ water?

What is the ____ water ____ tile?

____ than other materials ____ water resistance ____ longevity?

____ does ____ to other ____ in terms ____ longevity ____ resistance?

____ resist ____ differently than ____ materials?

How ____ tile compared ____ resilience and longevity?

Is tile ____ of ____ other ____?

Wondering if tiles ____ than other ____ resisting ____.

____ in ____ withstanding water and ____ than other substances?

____ tile work for ____ and ____?

Does tile ____ than other ____ withstanding water ____ staying intact?

Does ____ better ____ water resistance and ____ materials?

Is ____ as ____ keeping water ____ as other ____?

____ considering ____ water ____ how does ____ compare?

Is ____ waterproof compared ____?

____ is ____ water ____ of ____ against other materials?

How does ____ do against ____?

Is ____ good as ____ on standing up ____.

Is ____ resistant compared to ____ materials?

Is ____ impervious to ____ longer than other ____?

What ____ the ____ tile compared ____ its ____?

Is ____ more ____ resistant ____ last ____ than ____ materials?

Do ____ hold ____ against ____ like ____ materials?

____ tile better ____ other ____ for ____ and longevity?

Are ____ waterproof ____ to ____?

Is ____ more resistant ____ options?

____ makes tile ____ from other ____ comes to the ____ water damage?

____ to ____ how ____ compare against ____.

Is tile ____ than ____ when ____ comes to water ____?

____ tile ____ to ____ substances when ____ water repellence?

It ____ necessary ____ compare ____ waterproofness andDurability ____.

____ tile as ____ as alternatives?

Does tile ____ same lifespan ____ water ____ as ____?

____ water ____ of tile are ____.

____ tile ____ long ____ to other ____?

____ tile ____ water ____ or longevity?

What about tile's ____ and longevity ____ materials?

____ tile fare ____ than other ____?
 How ____ it comes to lasting ____ water?
 Is tile ____ durable ____ resistant ____ alternative materials?
 Do tiles have ____ same ____ other materials?
 Does tile resist ____ materials?
 Is ____ as ____ as ____ materials?
 Is ____ long-term?
 How does tile ____ to ____ thinking about ____ water ____?
 Is tile ____ water ____?
 What ____ resistance ____ compared ____ other materials?
 Is ____ superior ____ water and ____?
 ____ have ____ resistance than other ____?
 How ____ tile's water ____ compare ____?
 Can ____ tell ____ well your ____ stacks ____ against ____ for keeping out ____?
 ____ tile ____ has better water resistance ____ materials?
 ____ the waterproofness and ____ tiles ____.
 Does ____ well against ____ damage?
 ____ tile resistant to ____?
 Does ____ against ____ damage.
 How ____ stack ____ water resistance and longevity?
 What ____ tile ____ other materials ____ can resist ____ of ____?
 ____ a ____ tile and ____ for water resistance.
 Can ____ tell ____ lifespan of ____ compared to other materials?
 ____ we ____ tiles to other materials' ability ____?
 Where does ____ to lifespan ____ out ____?
 Wondering how ____ materials ____ resist water.
 ____ you ____ has better water ____ than other ____?
 ____ to water resistance ____ longevity, ____ does tile ____ other materials.
 Is tile more ____ to ____ compared ____?
 ____ does ____ protect against water ____?
 ____ better ____ repelling water ____ other options?
 What is the comparative effectiveness of ____ materials ____?
 Is ____ and last longer?
 Does ____ better in ____ than other ____?
 ____ if tiles ____ to water ____ other ____ are?
 ____ and resilience ____ tiles should ____ compared with ____.
 Can ____ to ____ substances ____ considering ____ water repellence?
 tiles compare ____ other substances when ____ repellence
 What distinguishes ____ from ____ it ____ to ____ ability ____ resist ____ damage?
 Does tile ____ lifespan ____ ability to repel ____?
 Can ____ determine ____ longevity of tiles ____ ability to ____?
 ____ look ____ the ____ of ____ against other ____ that resist ____?
 Is ____ different ____ other materials in ____ and longevity?
 What ____ differences ____ tile ____ it ____ to performance and protection ____ water?
 There's ____ to ____ the ____ and durability ____ tiles.
 ____ as resistant ____ as other ____.
 Is ____ and long- ____?
 Can tile ____ water ____ time?
 Does ____ longer ____ can ____ water?
 Does ____ perform well ____?

_____ maintain its _____ water _____ longevity better _____ materials?
 _____ is the _____ resistance of tile _____ materials?
 What distinguishes tile _____ other _____ have the _____ to resist _____?
 _____ hold _____ against _____ proof materials?
 _____ to compare _____ waterproofness _____ of tiles.
 _____ water _____ of tiles are compared with _____.
 Is _____ possible _____ evaluate _____ longevity of tiles against _____ resist _____?
 Does tile _____ more _____ materials?
 _____ well does tile hold _____?
 _____ makes tile _____ from other _____ comes to the _____ damage from _____?
 _____ resistant to _____ damage _____ other options
 _____ does tile fare in _____ water _____ vs _____?
 Is _____ water _____ as other _____?
 _____ comparison _____ waterproofness of _____ and alternatives.
 How _____ it comes to water?
 How _____ do against _____?
 Does tile _____ when wet?
 _____ and longevity match _____ with other materials?
 Is _____ resistant _____ then alternatives?
 Try to _____ the _____ of _____.
 How does _____ compare _____ and _____ repellence?
 What _____ effectiveness of tile and _____ against _____?
 _____ does tile _____ against other materials in _____?
 Can we _____ of tiles _____ to resist water?
 _____ is tile compared to _____?
 Does _____ a better water _____ to _____ materials?
 _____ know _____ tile stacks _____ against the rest for keeping _____?
 Is _____ water resistant _____?
 How does _____ of water resilience _____ longevity?
 What _____ between tile _____ other _____ resist water damage?
 When _____ waterresistance and _____ how _____ compare to _____ materials?
 _____ does tile _____ alternatives in regards _____ resilience _____ longevity?
 Wondering _____ are any _____ than other materials _____?
 _____ tile as _____ lasting _____ water _____ other materials?
 Can you tell _____ water resistance _____ lifespan of _____?
 Is tile _____ to _____ than _____ option?
 Is _____ any better _____ against _____ than other _____?
 How are _____ from _____ their water resistance _____ longevity?
 _____ tile water-resistant, _____ other _____?
 _____ able to resist water _____ other _____?
 _____ would _____ to _____ about _____ water _____ and longevity _____ tile.
 _____ to determine the _____ of tiles against _____ materials _____ water?
 _____ more water _____ than _____ items?
 How _____ fare _____ other materials _____ water _____?
 _____ water-proof _____ the _____ materials?
 Does _____ long time and _____ repel _____?
 Is tile _____ and _____ compared to _____?
 Do _____ longer in water?
 _____ how well _____ are compared to _____ water.
 _____ water resistance _____ materials is compared.

What differentiates _____ from _____ materials when it _____ to _____ from water?
_____ a comparison _____ resisting _____ and other materials?
When _____ comes to _____ and other materials _____.
_____ as good _____ resisting _____ and _____ long _____ other materials?
How _____ fare against _____ terms of _____ water resistance?
_____ tile _____ better _____ other materials?
_____ you _____ about the water resistance _____ longevity of _____?
Does _____ tolerate _____ other alternatives?
In _____ durability, what is _____ comparison between _____ other materials?
Is _____ a _____ resistance _____ comparing tile _____ other materials?
_____ water _____ of tile compare to other materials?
I _____ to _____ how well _____ up _____ the _____ for _____ water out.
Does _____ with water than _____?
_____ more _____ to water damage than _____?
tile compares _____ when considering longevity _____ water _____.
Is _____ and _____ resistant?
_____ up against _____ other _____ materials?
Can _____ tell us about _____ and _____?
Can _____ me how _____ does _____ it comes to _____ out _____?
_____ you want _____ how _____ performs in _____ of _____ resistance _____ longevity?
In relation _____ longevity and _____ resilience, _____ does _____?
How _____ is tile in terms _____?
How _____ to _____ for water resilience and _____?
Does _____ long for _____?
_____ water resistance than other materials?
You _____ the waterproofness _____ tiles versus _____.
Is _____ to water _____ than _____ options?
Is _____ water than _____ options?
Is _____ to water _____ lasts longer _____ materials?
Wondering how _____ for _____ water.
_____ want _____ how tile performs _____ regards _____ water resistance _____ longevity?
_____ does _____ against other water-proof _____?
_____ water resistance _____ lifespan compare _____
Is tile _____ water _____ than _____ types of _____?
Can _____ tell me about _____ water _____ long it will _____?
_____ longer _____ than other alternatives?
_____ tiles _____ as durable as _____ materials _____ water?
_____ tile's water _____ and durability _____ to _____?
_____ want to _____ tiles compare with _____ for _____ water.
Does _____ last _____ after _____ wet?
_____ to learn _____ the water resistance and _____ tile _____ to _____.
Can _____ materials _____ water resistance?
_____ does tile _____ up when _____ withstanding _____ and lasting?
_____ tiles _____ the same _____ as other materials _____ resisting _____.
_____ there a _____ between _____ and _____ for water resistance?
You should _____ and _____ of _____ against other _____.
How do _____ perform _____ to _____ and _____ resistance?
In terms _____ resistance, _____ do tiles _____ to other _____?
_____ is a _____ waterproofness _____ durability of _____.
Does tile _____ in _____ withstanding water _____ staying _____?

What ____ difference ____ water resistance and ____ between ____ and ____?
 I ____ tile stacks up against ____ others for ____ water.
 ____ we gauge ____ materials' ability to resist water?
 Does ____ any differences ____ resistance when ____ with ____ materials?
 ____ want ____ know about ____ water resistance ____ lifespan ____ tile ____ other ____.
 ____ tile ____ up ____ comes to water and ____?
 Want ____ about tile's water ____?
 How does ____ stand up ____ water ____?
 Will ____ be ____ water ____ materials?
 ____ about ____ resistance and longevity compared to ____ materials.
 ____ is ____ different from ____ tiles in terms of ____?
 ____ have a ____ lifespan ____ water?
 A ____ of the ____ of tiles ____ required.
 Is ____ durable ____ other ____ in terms ____ withstanding ____?
 How is tile ____ materials ____ longevity and water ____?
 ____ and ____ should be compared with alternatives.
 ____ more ____ water ____ other alternatives?
 ____ tile ____ materials for withstanding water?
 Is ____ in ____ of ____ water than ____ substances?
 ____ tiles compare with ____ water for a long ____.
 ____ as ____ resistant ____ another material?
 How does ____ against ____ other water-proof ____?
 ____ waterproofness ____ tile compared ____ alternatives?
 ____ differentiates ____ products when ____ comes ____ and protection against water?
 Does tile ____ water ____ material?
 Is ____ against ____ than alternatives?
 ____ tile ____ against ____ and last a ____ other materials?
 Is tile ____ other ____ water and longevity?
 ____ waterproofness of ____ to alternatives.
 ____ are tiles different from ____ materials ____ to ____ longevity?
 Is tile superior ____ substances ____ and ____ longer?
 The ____ resistance and ____ compared ____ other materials.
 Is there ____ between ____ materials for water ____?
 Do tile ____ better than ____ of withstanding ____?
 Does ____ have ____ water resistance ____ longer than ____?
 ____ have better ____ other materials?
 ____ resistance ____ longevity are what ____ tile vs ____.
 Does tile ____ other materials?
 Does ____ water resistance compared ____ materials?
 ____ does ____ stack up against ____ in ____ resistance?
 ____ tile as ____ the ____ materials?
 ____ a good idea ____ compare ____ of ____ versus ____ options.
 ____ the ____ in their ability to resist damage ____?
 ____ tile ____ durable ____ water resistance ____ other ____?
 ____ tile more ____ water then ____?
 Is ____ at resisting ____ longer?
 ____ waterproof ____ lasts a long ____ to ____ materials?
 ____ it ____ longevity ____ water ____ do tiles compare to other ____?
 What ____ differences ____ tile ____ materials ____ water resistance and ____?
 How does tile ____ in ____ and longevity?

It is ____ good idea ____ compare ____ waterproofness ____ ____ ____ alternatives.

Does ____ beat other materials ____ ____ ____?

The ____ resistance ____ longevity ____ ____ ____ compared.

Does ____ hold ____ ____ ____ damage, similar to ____ materials?

____ is ____ water resistance and ____ ____ ____ alternatives?

____ curious ____ the comparative ____ ____ tiles for ____ water.

____ the longevity of ____ ____ materials' ability to resist ____?

Compare ____ waterproofness ____ durability ____ tiles ____ ____ options.

You ____ compare the waterproofness ____ resilience ____ ____ ____ options.

____ tile ____ against ____?

____ is tile ____ ____ to water than ____ ____?

Are tile's water resistance ____ ____ ____ as ____ of other ____?

____ do ____ stacks up ____ other options ____ it ____ ____ ____ water resilience?
