

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection accuracy
Description	Inquiries regarding the accuracy and reliability of the leak detection methods used by the utility company.
Data Size	5,051 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

How ____ you ____ the accuracy ____ and what ____ taken to improve them ____ needed?

____ actions ____ take, and what ____ do you follow to ____ accurate leak detection?

What ____ taken ____ leak detection ____?

How ____ your leak detecting techniques ____?

____ will ____ make sure ____ detection ____ is reliable?

How are ____ trying ____ sure you ____ good ____ leak detection?

____ do ____ which ____ in the ____ to make the leak detection ____?

____ steps ____ be taken to make sure that ____ accurate?

What steps ____ being taken ____ leak ____?

____ it possible that your ____ methods are ____ planned?

What ____ should ____ ensure accuracy ____ leak detection techniques?

What do ____ do to ____ sure you ____ a ____?

____ are ____ to ____ sure you ____ a leak detection ____ works?

____ is ____ best ____ to maintain ____ detection tactics?

____ actions should be ____ to assure ____ your ____ Detection ____?

How ____ you know your ____ methods ____ improvements need ____ made?

____ can be done ____ leak detection ____?

____ steps ____ be ____ to make sure ____ leak ____ accurate?

____ you improve ____ leak detection ____ necessary?

____ be done ____ the ____ of ____ detecting approaches?

What ____ doing ____ sure ____ a good method ____ catching leaks?

____ which steps ____ take to make ____ leak ____ methods ____ accurate?

____ steps ____ you taking ____ sure you have ____ detection method?

What ____ to ensure accuracy ____ leak ____ methods?

What ____ methods to ensure ____ your ____ detection ____?

____ to ensure ____ of your leak ____ were ____.

What do you do ____ needs ____ be ____?

____ be ____ ensure the accuracy of your leak ____

How is your leak ____ guaranteed ____?

____ steps are ____ detection ____ if you need them?

____ your leak detection methods ____ improvements planned?

_____ to enhance leak _____

_____ can be _____ to make the _____ methods _____?

_____ you _____ sure _____ detection techniques _____ correct?

_____ you _____ for _____ accuracy _____ leak detection methods _____ place?

_____ steps _____ take _____ improve the _____ leak detecting approaches?

What _____ take _____ make leak _____ more accurate?

Steps _____ improve _____ detection accuracy?

What _____ make sure _____ accuracy _____ your leak _____ techniques?

_____ do you know _____ steps to _____ make the _____ detection _____?

_____ you make sure _____ the methods _____ accurate?

What _____ be taken _____ ensure the _____ of _____ detecting _____?

What _____ you _____ to _____ leak detection _____ are _____?

_____ do to make _____ you have a _____ method of _____ detection?

What are the _____ you _____ ensure accurate _____ and _____ are you going _____ if _____ are _____?

How _____ make _____ leak detection _____ accurate, _____ steps are taken to make _____ better?

_____ you _____ to make your _____ more reliable _____ detecting _____?

_____ we _____ leak detection _____ accurate?

_____ do _____ determine which steps to _____ to _____ the _____ accurate?

What _____ do _____ take to _____ detection, and what _____ take _____ necessary?

Is there _____ in place to _____ the _____ detection _____?

_____ you _____ to make _____ you have good leak _____ techniques?

Measures _____ taken _____ improve leak _____?

Can you guarantee the _____ of _____ leak detection procedures, _____ them _____?

How will _____ sure you _____ detection methods?

Any _____ be taken to _____ detection accuracy?

_____ take _____ make _____ leak detection methods better?

Are _____ guarantee the _____ of your _____ detection procedures _____ do _____ them?

What _____ be taken to _____ of _____ leak detection _____?

_____ you _____ procedures _____ for improving the accuracy _____ leak detection _____?

What actions _____ to ensure _____ correct _____ your leak detecting _____?

What _____ are being _____ to _____ detection _____?

How _____ precise leak _____ methods?

_____ to _____ the accuracy of leak _____?

_____ steps do _____ to ensure _____ detection, _____ actions do _____ take if _____?

How _____ determine your _____ detection methods and _____ of improvements need _____?

_____ improve _____ detection _____ ensure accuracy?

What _____ are _____ determine _____ reliability of _____ you use _____ leaks?

_____ are you _____ to _____ leak detection techniques _____?

What _____ the steps _____ have _____ reliability of your _____ detecting leaks?

How will you _____ sure _____ methods _____ accurate?

How _____ you _____ accuracy _____ leak detection _____?

_____ maintain accurate leak _____ methods?

How do you _____ accuracy _____ your leak _____ and what _____ do to _____?

_____ the _____ you take _____ make your _____ detection methods _____?

_____ taken _____ detection accuracy?

How do _____ get _____ accurate leak _____?

How do you _____ your leak _____ what should be done _____ them?

_____ should _____ taken to _____ the accuracy _____ leak detecting _____?

How can _____ be _____ place _____ improve _____ accuracy?

What _____ are taken _____ make your _____ detection _____?

What _____ do to _____ the _____ methods more _____?
 Are there _____ enhancing _____ accuracy of _____ detection _____ place?
 _____ you _____ sure _____ methods for detecting _____ are reliable?
 _____ are you doing _____ your _____ techniques accurate?
 _____ you know _____ make the _____ more accurate?
 What are _____ doing _____ that _____ have _____ good _____ to _____ leaks?
 _____ you going to do _____ make _____ you _____ good way _____ find _____?
 What steps are _____ to _____ what _____ are taken if _____?
 How do you _____ leaks are _____?
 What are _____ to assess _____ of _____ for detecting leaks?
 What steps _____ taken _____ in _____ finding methods?
 _____ do you know which steps _____ taken to _____ leak _____?
 What steps _____ you _____ to _____ accurate _____ what _____ you _____ to _____ if improvements _____ needed?
 _____ are your actions to _____ leak detection _____?
 What _____ done to _____ that the _____ detection _____ are _____?
 What _____ you _____ ensure the accuracy of _____?
 What _____ take to _____ leak _____ techniques perfect?
 Do you _____ in _____ to _____ the _____ methods when necessary?
 _____ you _____ which steps _____ needed _____ make the _____ detection methods _____?
 What _____ you take to _____ detection, and _____ do _____ take if _____?
 _____ ensure that leaks _____ detected _____?
 What _____ taking to _____ sure you have the _____ leak?
 _____ to retain precise _____ detection tactics?
 _____ you _____ sure _____ methods _____ reliable for _____ leaks?
 _____ actions should be _____ to ensure _____ the _____ detection _____?
 _____ have _____ place _____ that the leak detection methods are _____?
 _____ you keep _____ methods accurate?
 _____ are _____ to make _____ you get a good _____?
 What _____ steps you take _____ accurate leak _____ what are the actions _____ take _____?
 _____ should _____ ensure accuracy _____ your leak detection techniques?
 How _____ going to make sure that _____ accurate?
 _____ you doing to _____ sure _____ method for detecting _____?
 _____ you _____ accurate leak detection _____?
 _____ will _____ improve the _____ of your leak _____?
 _____ should _____ to _____ your leak _____ methods as accurate _____?
 How _____ you _____ precise _____ methods?
 _____ make sure _____ leak Detection _____ are accurate?
 Do _____ have procedures in _____ of the leak _____?
 _____ actions _____ be _____ to _____ accuracy of _____ detection techniques?
 What _____ should _____ taken _____ make _____ your _____ detection methods?
 _____ should take to _____ accurate leak detection?
 _____ you _____ leak _____ verification and _____?
 _____ should be taken _____ accurate _____ detection methods?
 _____ you _____ procedures _____ place to enhance the accuracy _____ detection _____?
 There _____ be _____ leak detection _____ so how do you know _____ take to make _____?
 What steps _____ you _____ accurate leak _____ and _____ actions _____ take if need _____?
 _____ are the _____ precise leak _____ tactics?
 How _____ you _____ the accuracy _____ approaches _____ leak _____?
 What are you doing _____ sure _____ for finding leaks?
 _____ are _____ doing to make sure _____ have a proper _____?

What _____ doing _____ sure your leak _____ is effective?

What are you _____ to make sure _____ have _____ method _____?

Do _____ have _____ to verify the accuracy of _____ detection _____?

What _____ that _____ used to improve leak _____?

What _____ to make sure _____ leak _____ method _____ have _____?

How are _____ to _____ your _____ detection methods are _____.

What are your _____ to _____ the _____ your leaking _____?

How _____ accurate _____ detection and _____ actions do _____ if necessary?

What _____ to make sure that leak _____ techniques _____?

What is _____ to improve _____?

_____ have processes _____ can _____ the _____ of leak detection methods?

Which actions _____ the accuracy _____ your leak _____ methods?

What _____ you do _____ precise _____ tactics?

_____ steps taken to _____ detection _____?

How do _____ know _____ needed _____ order to _____ leak _____ methods?

_____ you _____ us _____ how _____ leak detection methods are _____?

_____ to _____ sure your _____ Detection techniques are accurate?

_____ are _____ in _____ to increase _____ detection _____?

What _____ you _____ make _____ your leak _____ techniques are _____?

_____ do _____ know _____ your _____ are for detecting _____?

What _____ taken to _____ of your methods for _____?

What _____ of your leak detection techniques

What _____ made _____ ensure accurate leaks _____?

_____ do _____ out your leak _____ methods _____ be improved?

If needed, _____ do _____ improve leak _____?

How _____ make sure your _____ detection _____ are _____?

What actions _____ to make _____ leak detection _____?

If there _____ future needs, what steps _____ be _____ leak _____ better?

How do you _____ leak detection methods, _____ made?

_____ anyone _____ measures in _____ improve the _____ your leak detection _____?

_____ your _____ ensure accurate _____ detection?

What should be _____ of your _____ detecting techniques?

_____ accurate leaks findings?

_____ have procedures in place to _____ the _____ leak _____ methods?

What are _____ measures _____ make leak detection _____?

How _____ know if _____ leak _____ methods _____ correct?

_____ make sure _____ detection methods _____ accurate?

How do you know _____ leak detection method more _____?

How _____ decide on the _____ and _____ detection method?

How _____ improve _____ accuracy _____ your leak _____ approaches?

How _____ what steps to _____ make leak _____ accurate?

How _____ detection methods _____ improved _____?

What can _____ improve the _____ your approach _____ leak _____?

Can _____ guarantee the preciseness of _____ detection _____ how _____ them when _____?

_____ done to improve _____ accuracy?

_____ are the _____ take to improve _____ accuracy of _____ detection _____?

_____ safeguards in place for accurate _____?

How _____ you _____ reliability of your methods _____ detecting _____ and _____?

How _____ your leak _____ accurate?

_____ are taken _____ increase _____ accuracy of _____ leak _____ methods?

What are _____ going to do _____ make _____ a good _____?

How _____ you _____ steps to take _____ make the _____ detection _____?

If _____ necessary, what _____ improve leak detection?

_____ can you guarantee _____ leak _____?

What are _____ ensure _____ leak detection method?

_____ the _____ take to _____ accuracy of your leak detecting _____?

What _____ ensure _____ leak detection, and what _____ should you _____ if _____?

Do you have _____ in place _____ detection _____ needed?

_____ you putting in place to _____ sure you _____ good method _____?

_____ are the measures you _____ to make _____ accurate?

What steps _____ you _____ accurate leak _____?

What steps are taken to _____ the _____ of _____?

What _____ to make _____ the _____ of your _____ detection _____?

In case improvements _____ needed, _____ do _____ what _____ do you follow _____ leak detection?

What steps _____ for detecting leaks are reliable?

How _____ steps _____ take to make _____ leak detection methods _____?

What changes _____ improve the accuracy _____ detecting approaches?

_____ actions _____ be taken to _____ your _____ Detection techniques?

What can _____ guarantee _____ leak _____ methods?

_____ steps are taken if errors _____ methods?

How can you _____ detection method's _____ improvements?

What _____ you going to _____ to _____ accurate _____ detection _____ are you going _____ do _____?

_____ you _____ of your _____ detection procedures? _____ do you _____ when necessary?

What are _____ your leak detecting techniques _____?

How _____ you determine _____ and _____ your leaking detection _____?

What _____ done _____ ensure accurate _____ methods?

_____ can _____ in _____ leak detection techniques?

_____ do _____ do to make sure _____ techniques _____?

_____ can _____ improve the _____ accuracy?

_____ steps do _____ take to _____ accurate _____ detection, _____ what _____ you _____ if _____ necessary?

To make sure _____ have a _____ of _____ what _____ taking?

_____ are _____ out _____ you have a _____ method of _____ detection?

What is _____ to _____ leak _____?

What steps are _____ to _____ your _____ needed?

_____ you doing to _____ detection _____ perfect?

_____ are _____ trying _____ do _____ sure _____ have a good _____ to _____ the _____?

What steps _____ detection methods if they aren't _____?

_____ measures _____ used to ensure accuracy _____ detection _____?

_____ we keep _____ leak detection _____?

Can _____ sure _____ leak detection _____ and improve _____?

How _____ figure _____ your leak _____ method's _____ improvements?

What can be _____ precise leak _____?

_____ you have _____ place _____ the accuracy _____ leak detection _____?

_____ you taking to make _____ get _____ good leak _____?

_____ know _____ reliability of your _____ to detect _____?

_____ like to _____ detection _____ verified and any planned improvements.

How _____ you determine your leak detection _____ can _____?

How are your _____ detection _____ and any _____?

What _____ are _____ place to _____ leak detection accuracy?

_____ make your leak _____ methods more _____?

_____ do you _____ to _____ your leak _____ techniques _____?
 What are _____ doing to make _____ you _____ reliable _____ to _____?
 What _____ the _____ way to ensure the _____ leak _____?
 _____ about maintaining _____ leak _____?
 _____ are you doing to _____ method for detecting _____?
 What _____ to _____ precise _____ detection tactics?
 _____ do you do _____ make sure _____ a _____ leak detection?
 What _____ should _____ ensure the accuracy _____ leak detecting _____?
 _____ you need _____ take to make the _____ detection methods _____?
 What are _____ must take to _____ leak _____?
 _____ are _____ sure you _____ a _____ method _____ detect _____ leak?
 _____ are _____ to _____ leak detection _____?
 What are the steps you _____ take to _____ leak _____?
 _____ are _____ taking to get _____ good _____ finding _____?
 What _____ you _____ leak detection?
 What are you doing _____ make _____ you get _____ method _____?
 _____ make _____ you have a _____ leak detection techniques?
 What _____ taken _____ the reliability _____ your methods _____ detecting _____?
 What _____ the _____ you _____ taking _____ make sure _____ have a _____ of _____?
 What _____ doing to make sure _____ an effective _____?
 _____ your leak _____ methods _____ and any _____?
 _____ are you going _____ do to _____ leak _____ method _____ and reliable?
 What do _____ find out the reliability of your _____?
 What _____ doing _____ make sure you _____ the _____ method _____ leak _____?
 What _____ you taking _____ leak _____ methods?
 _____ are _____ doing _____ make _____ a good _____ to look _____ leaks?
 _____ do you _____ to ensure _____ leak _____ and _____ will _____ do if improvements _____?
 There are _____ taken _____ leak _____
 _____ you ensure _____ detection _____ accurate, and _____ steps _____ to improve them?
 _____ can we do _____ leak detection _____?
 _____ determine your leaking detection method's verification _____?
 _____ are you _____ ensure accurate leak detection, and what _____ take _____?
 _____ measures to ensure _____ accuracy of your _____?
 _____ are _____ steps _____ take to improve _____ detection methods _____?
 How do you _____ to _____ the leak _____ methods work _____?
 Do you _____ procedures in _____ for improving _____ methods?
 What _____ be _____ to ensure _____ of _____ for detecting _____?
 _____ processes in place _____ ensure _____ of _____ detection methods?
 How can _____ be _____ enhance leak _____?
 _____ are _____ doing to ensure accurate _____?
 _____ is done _____ leak detection _____?
 _____ leak detection methods' _____ improvements determined?
 _____ do _____ ensure your leak detection techniques are _____?
 _____ be taken _____ improve the _____ of _____ leak _____ approaches?
 What _____ taken to make your _____ if needed?
 _____ know how _____ make the _____ detection _____ more _____?
 Can you _____ leak detection _____?
 What do you _____ to _____ your _____ detection procedures _____?
 What are _____ doing to make _____ get _____ right _____ leaks?
 _____ should _____ done to _____ the accurate use _____ detecting _____?

____ you ____ your leak detection techniques ____?
 ____ do you know which ____ in order to ____ detection ____ work ____?
 ____ the accuracy ____ leak ____ methods, and what do you do ____ improve ____?
 What are ____ going to do ____ your ____ detection ____ reliable?
 Do ____ have procedures in ____ to ensure ____ of the ____?
 ____ is ____ ascertain ____ reliability ____ your methods for detecting ____?
 How ____ you make sure that ____ detection ____?
 ____ keep ____ leak detection tactics?
 ____ details ____ your leak detection methods are verified?
 ____ actions should you take ____ your leak ____ work?
 Can ____ be improvements ____ accurate ____ findings?
 measures ____ enhance leak ____
 ____ are ____ going to do to ____ sure ____ leaking ____?
 How ____ you ensure ____ your ____ detection methods ____?
 Can ____ make ____ more reliable and ____?
 What ____ improve leak detection?
 Do ____ have processes ____ place ____ the ____ detection methods?
 ____ are ____ to ____ to ____ leak detection methods ____ accurate?
 ____ you going ____ make ____ you have accurate methods ____?
 ____ taken to improve ____ precision?
 ____ action should ____ ensure accuracy of ____ leak ____ techniques?
 ____ actions ____ be taken ____ make ____ detection ____ are accurate?
 How can ____ precise ____ tactics?
 What precautions ____ taking to ____ sure ____ method of ____ detection?
 ____ your steps ____ your leak ____ techniques perfect?
 ____ are ____ to ____ leak ____ methods?
 ____ you ____ which steps are ____ leak detection better?
 ____ do you ____ your ____ methods more ____ what can you do to ____?
 What are ____ taken to increase ____ detection ____?
 ____ have ____ place ____ ensure accurate leak detection methods ____ when ____?
 How do ____ make sure ____ have ____ detection ____?
 ____ are ____ actions ____ take ____ make ____ detection methods accurate?
 ____ are you ____ keep ____ method to find ____?
 ____ actions ____ taken ____ of the ____ your leak detecting techniques?
 ____ are ____ doing to ____ leak ____ tactics?
 If ____ need to improve ____ what ____ you taking?
 ____ it ____ doing to ____ sure you have ____ good ____ of ____ detection?
 What ____ you ____ to make ____ detection ____ is reliable and ____?
 Do you have processes ____ the ____ of leak detection methods ____?
 ____ you determine your leak ____ any improvements ____ need ____ be ____?
 ____ should be ____ improve the accuracy of ____ leak ____?
 Can ____ in ____ leak ____ methods?
 Do you ____ in place ____ ensure leak ____ methods ____?
 ____ have ____ to maintain ____ detection tactics?
 How ____ you ____ check the ____ your leak ____ methods?
 ____ you do to ensure ____ leak ____ and ____ should ____ improvements ____ necessary?
 What ____ you making sure you ____ good ____ to ____?
 ____ do ____ make sure ____ detection ____ are ____?
 What action ____ of leak Detection techniques?
 How ____ determine your ____ detection method's ____ and ____?

____ you taking ____ to ____ sure ____ have ____ leak detection ____?
 ____ can you ____ sure ____ accurately detected?
 How are ____ make sure ____ detection is reliable?
 ____ to ____ accurately?
 ____ are ____ make sure you ____ efficient ____ of leak detection?
 What ____ done ____ accuracy ____ your leak Detection techniques?
 What are ____ to ____ sure that leak ____?
 ____ are ____ leak ____ tactics ____?
 How are ____ leak detection methods ____ and ____ ____?
 ____ maintain ____ leak detection tactics?
 What ____ take ____ detection, and what ____ you take if necessary?
 What ____ to ____ detection techniques?
 ____ there procedures ____ verify the ____ of leak ____ methods ____ enhancements?
 ____ are the measures ____ enhance ____ accuracy?
 ____ should be done ____ leak ____ techniques are ____?
 ____ to ensure accurate ____ findings?
 What actions ____ to ____ accuracy of ____ leak ____ techniques?
 ____ do to make leak ____ accurate?
 What are you ____ do ____ make ____ a good ____ leak detection?
 Is there ____ the ____ of ____ detection ____ and enhancements when ____?
 Do you ____ the processes ____ to ____ the accuracy ____ leak ____?
 ____ steps ____ be taken to ____ detection methods ____?
 ____ are made ____ leaks findings?
 ____ can you do to ____ sure ____ detection procedures ____?
 ____ are ____ you ____ to make ____ your ____ Detection ____ are accurate?
 Is ____ a ____ sure ____ accurate leak detection methods ____?
 What ____ will ____ ensure accurate ____ findings?
 ____ are ____ measures ____ your leak detection techniques?
 ____ do you ____ accuracy in ____ leak ____?
 ____ would you ____ detection ____?
 ____ should ____ to ____ accuracy of ____ Detection techniques?
 How ____ make your ____ accurate?
 What steps ____ taken ____ the leak ____ methods ____ if ____ needs?
 Is ____ guarantee the preciseness ____ your leak ____ and ____ you ____ them?
 ____ can we ____ leaks ____ detected?
 What ____ actions ____ should take to ensure accurate ____?
 ____ can you ____ the preciseness ____ leak detection procedures?
 There are ____ that can be taken ____ accuracy ____ detection ____.
 ____ required, ____ you ____ leaks ____ and enhance the ____?
 ____ to be done to ____ accuracy ____ your ____ methods?
 ____ sure leak detection works the way ____?
 ____ be done to ____ leak ____ methods?
 ____ going to ____ sure your method of leak ____?
 ____ doing to make sure you have ____ for finding ____?
 What ____ the measures taken ____?
 What should ____ done to ____ leak ____ accurate?
 ____ can the ____ of ____ detecting ____ be improved?
 What ____ to ensure the accuracy ____ your ____ techniques?
 ____ actions ____ to make sure the ____ are accurate?
 ____ do ____ know if your ____ are accurate?

What should _____ done _____ the _____ of _____ methods _____ detecting _____?
 _____ you going _____ to make sure that _____ leak _____ method _____?
 _____ actions should _____ to make _____ your leak detecting _____ are _____?
 How _____ we _____ detection _____?
 What actions _____ taken to make _____ detection _____ are _____?
 How do _____ get _____?
 _____ do _____ are accurately detected?
 _____ you trying _____ to ensure you have _____ good _____ detection _____?
 There _____ measures _____ be taken to _____ the _____ your leak _____.
 What steps do you take _____ detection?
 _____ about your leak _____ and _____?
 What _____ be taken in _____ make _____ Detection techniques _____?
 _____ you _____ to make sure _____ method for _____ a leak?
 What _____ be _____ maintain _____ leak detection _____.
 Any steps _____ more accurate?
 _____ take _____ accurate _____ detection, and what should _____ do if _____ are necessary?
 _____ do _____ leak detection methods are accurate, _____ how do _____ them?
 _____ your _____ detection methods _____ and any _____ improvements.
 _____ can we _____ leaking _____ tactics?
 How _____ you figure _____ verification and improvements _____ leak _____?
 How _____ you _____ to make _____ your leak detection _____?
 _____ preciseness of your leak detection _____ should _____ revise them?
 How _____ precise leak detection _____?
 _____ you determine the validity of _____ leak _____?
 _____ make _____ you _____ good _____ detection techniques, _____ are _____ doing?
 _____ should you _____ to _____ of _____ leak _____ techniques?
 So what _____ you doing to make _____ good _____ leak _____?
 _____ you _____ sure the _____ detection _____?
 _____ do _____ your leak _____ methods and _____ do _____ make _____?
 How _____ leak _____ methods _____ and _____ planned improvements?
 _____ do _____ which steps _____ to _____ taken _____ order _____ improve _____ leak detection _____?
 _____ are _____ steps _____ can take _____ improve _____ of your leak _____?
 How _____ that _____ leak detection methods _____ and _____ steps are _____ to improve them?
 _____ is _____ for _____ reliability of _____ for detecting leaks?
 _____ make sure _____ use for detecting leaks are reliable?
 _____ do you _____ must _____ to _____ the leak detection _____ more accurate?
 _____ measures are _____ improve _____ techniques?
 _____ you make _____ get accurate _____ detection techniques?
 What _____ should _____ make _____ that your leak detection _____?
 _____ are _____ taking to make sure your leak _____?
 _____ make _____ methods for detecting leaks are reliable?
 _____ doing to ensure _____ good method _____ finding leaks?
 _____ should be _____ to _____ the accuracy _____ detecting techniques?
 _____ do you _____ to improve _____ accuracy _____ leak detecting _____?
 Measures can _____ to _____ the _____ of _____ leak _____ methods.
 What actions should _____ ensure _____ leak _____ method?
 What actions _____ you taking _____ your _____ detection techniques _____?
 _____ you _____ preciseness of your _____ detection procedures _____ you revise _____?
 What _____ to _____ sure _____ the correct method to find _____?
 _____ measures to make _____ more _____?

_____ are you _____ make _____ use _____ good _____ of leak detection?

_____ should _____ taken to _____ certain _____ accuracy of _____ leak _____ techniques?

What _____ you doing _____ make sure _____ you _____ good _____ detection _____?

If _____ are future _____ know which steps to take _____ make _____ detection _____ better?

How _____ the _____ of your methods for _____?

How _____ you _____ whether _____ detection methods _____ correct?

_____ are you going to do _____ make _____ have _____ leak _____ that _____?

Are there processes _____ place to _____ of _____ leak _____?

_____ is _____ maintaining precise _____ detection tactics?

_____ you detect _____ reliably?

What _____ should _____ take to _____ method more accurate?

_____ are your _____ ensure _____ your leak detection techniques?

_____ actions should _____ ensure _____ in your _____ detection methods?

What can _____ to make your _____ accurate?

How _____ you _____ leaking _____ more accurate?

What _____ you _____ to _____ your leak detecting _____ accurate?

How can _____ sure that _____ techniques _____ accurate?

What should be _____ precise _____ detection _____?

_____ should _____ to make _____ you _____ good method _____ detecting the leak?

_____ are you _____ your leak detection _____ reliable?

_____ what improvements _____ made _____ ensure _____ findings?

What _____ leak detection more _____?

_____ detection methods verified _____ any _____ planned?

What _____ you _____ to _____ you _____ leak detection method.

Do _____ actions should be taken to ensure _____ your _____ methods?

What are you _____ to _____ the _____ your _____ techniques?

How should you _____ leak _____ techniques _____ accurate?

What _____ you _____ to _____ leak _____ accurate, and what _____ do _____ if necessary?

_____ you doing _____ make sure _____ have a _____ method for _____?

Do _____ that the _____ detection methods are _____?

_____ should _____ take to _____ detection techniques flawless?

Do _____ have _____ the _____ of leak detection methods?

_____ steps _____ you _____ to _____ detection, _____ what actions _____ you take _____ needed?

_____ you taking to make _____ that _____ detection method _____?

_____ are _____ sure you _____ good way to detect leaks?

How _____ taken _____ leak detection?

_____ do you _____ more accurate, and how do you _____ them _____?

_____ taken to make _____ accurate.

What are _____ doing _____ make _____ for _____ detection works?

How _____ make _____ the accuracy of your _____?

_____ actions _____ you _____ ensure accuracy of _____ leak _____ techniques?

_____ actions should _____ to make _____ leak detection techniques _____?

How _____ know _____ steps to _____ the leak _____ methods better?

What _____ you _____ to _____ find _____ good method to find leaks?

What _____ to make sure your _____ detection methods _____?

Are you _____ any _____ to make _____ method of _____ detection?

What _____ your _____ ensure _____ techniques are perfect?

What _____ be _____ to _____ accurate _____?

What _____ you doing _____ sure _____ have good _____ Detection _____?

_____ you _____ processes _____ place _____ ensure the _____ leak _____ methods?

____ your leak ____ and any ____ for improvements?
 ____ improve the accuracy ____ detection?
 ____ steps are ____ ensure accurate leak ____ techniques?
 How ____ verification and ____ of the leak ____ method?
 ____ you ____ ensure ____ detection, and what ____ you take if necessary?
 ____ you ____ to ____ your leak detection methods more accurate?
 What improvements ____ be ____ ensure ____ findings?
 ____ are ____ doing ____ sure ____ have a good ____ to ____ leaks?
 ____ to make sure that ____ detection methods are ____?
 How ____ you determine ____ of your ____ for ____ and ____ improvements?
 ____ you ____ detection ____ better if there are ____ needs?
 How ____ ensure ____ leak ____ techniques?
 What are the ____ to ____ detection accuracy?
 What are you ____ do to ____ that your method ____ leak ____ is ____?
 ____ you guarantee ____ of ____ methods?
 How ____ you ____ techniques are precise?
 How are you going ____ are correct?
 What ____ you taking to ____ you ____ a good ____ finding ____?
 ____ measures you use to ____ your ____ detection techniques ____ accurate?
 ____ in place ____ enhancing the accuracy of leak ____?
 ____ should ____ do ____ maintain ____ leak ____?
 What actions ____ be ____ accuracy ____ your leak ____ method?
 ____ are you doing to ____ a good leak ____?
 What ____ you doing ____ sure that ____ good ____ detection ____?
 What ____ you taking ____ make ____ you ____ to ____ leaks?
 So, what ____ you ____ to ____ you ____ a ____ leak ____ method?
 ____ you have ____ processes ____ place to ____ the accuracy ____ methods?
 What ____ do to ____ detection techniques ____ precise?
 ____ to increase leak ____
 What ____ your ____ you ____ a ____ leak detection method?
 ____ are the actions ____ should ____ your leak detection ____ accurate?
 ____ the correct accuracy of your leak detecting techniques?
 ____ do you do ____ sure your ____ detection procedures ____?
 What ____ take ____ make ____ leak detection techniques ____?
 What ____ you going ____ do ____ make ____ you ____ a reliable ____ detection?
 How ____ you ____ your leak detection methods ____ precise and what ____?
 ____ is your ____ detection ____ verified ____ improvements planned?
 What ____ your measures ____ ensure ____ are accurate?
 What ____ are taken ____ assess the ____ detecting leaks.
 Measures can ____ to enhance the ____ your ____ detection ____.
 ____ do you ____ accurate ____ techniques?
 What steps have you ____ leak ____ more accurate?
 ____ taken to make ____ more ____ in detecting leaks?
 What ____ to determine the reliability ____ methods ____ leaks?
 How ____ leak detection ____ more ____ how do ____ improve them ____ necessary?
 ____ you ____ make sure leak detection ____?
 What ____ taken to determine ____ reliability ____ your methods ____ detection ____?
 How ____ you ____ what ____ to be taken in ____ to ____ leak ____ methods ____?
 What are ____ for ensuring ____ of your leak ____?
 What should ____ done ____ are errors ____ your leakage ____?

_____ you do _____ sure you have a good _____ the _____?
 _____ do to _____ the accuracy _____ leak detection methods?
 _____ be done _____ accurate leak detection _____?
 _____ it _____ to _____ precise leak detection _____?
 What _____ are you _____ to _____ accuracy _____ leak _____ techniques?
 What are _____ measures you use _____ of _____ leak _____ techniques?
 What steps can _____ take to _____ the _____ approaches?
 What _____ be done _____ accuracy of your _____?
 How _____ your _____ method's verification _____ improvements?
 _____ steps _____ taken _____ check _____ reliability of your methods _____?
 _____ changes should be _____ ensure the _____ leak _____ techniques?
 _____ do _____ figure out _____ steps _____ needed to make _____ detection _____?
 What _____ you take _____ make _____ leak detection method reliable _____?
 What _____ should be _____ to ensure _____ leak _____ accurate?
 What _____ going to do _____ your leak _____ work?
 _____ do _____ do _____ precise _____ detection?
 _____ there _____ future needs, what steps _____ you take _____ detection _____ better?
 _____ ensure the _____ of your leak Detection techniques?
 _____ will _____ your leak _____ methods _____?
 What _____ doing to _____ your _____ detection _____ does its _____?
 _____ steps can you _____ make your _____ more accurate?
 _____ you _____ the preciseness _____ detection procedures _____ how _____ you _____ when necessary?
 What _____ you going _____ to ensure _____ detection techniques?
 How should _____ methods?
 Are there _____ measures in place _____ leak _____ methods _____?
 So, _____ to _____ sure you _____ a good _____ of leak _____?
 _____ do you _____ your _____ more accurate, _____ steps _____ taken to improve them?
 _____ are _____ taken _____ improve leak _____?
 _____ required, can you enhance the _____ effectively?
 _____ should we _____ doing _____ sure _____ have a _____ method _____ detection?
 _____ your steps _____ your leak detection techniques _____?
 _____ actions _____ be taken to _____ leak detection _____?
 _____ your leak _____ verified _____ any future improvements?
 Measures _____ leak detection _____?
 _____ are the steps _____ are taken _____ improve _____ accuracy _____ leak _____?
 What _____ you _____ to _____ accurate _____ detection _____ are you doing _____ improve _____?
 _____ are you doing to _____ sure _____ good _____ detection _____.
 How _____ you _____ steps _____ needed to make the _____ accurate?
 How _____ make your _____ more precise?
 How _____ make your leak _____ methods more _____ and _____ to _____ them better?
 _____ are _____ of your procedures for _____ identification?
 _____ you ensure _____ are detected _____?
 _____ steps _____ make _____ leak detection methods better?
 _____ should be taken _____ make _____ your leak Detection _____ accurate?
 Are there _____ in _____ accuracy of leak detection _____?
 If there _____ do you _____ steps to _____ to _____ the _____ detection _____ better?
 How can you make _____?
 _____ should be taken to ensure _____ leak detecting _____?
 _____ do _____ determine your leak _____ methods and _____ them?
 Can _____ taken to _____ detection precision?

_____ are you doing to _____ you have sound _____ ?
 What _____ be taken _____ accuracy _____ your leak _____ techniques?
 _____ make sure you have _____ leak detection _____ ?
 _____ measures being _____ to improve _____ detection _____ ?
 _____ your leak detection methods _____ any improvements to _____ ?
 _____ do you _____ method's verification _____ improvements?
 _____ actions _____ taken to _____ the _____ of _____ Detection techniques?
 Is _____ make sure _____ leak detection methods are _____ ?
 _____ the measures _____ accuracy of your _____ detection techniques?
 _____ are _____ to make sure _____ leak _____ method _____ and useful?
 What _____ be taken _____ the _____ of your leak _____ ?
 _____ do you do _____ ensure _____ detection, and what actions _____ take _____ ?
 _____ actions do _____ to make _____ techniques good?
 Are you _____ sure _____ to find leaks?
 _____ you _____ your leak _____ methods are _____ what _____ are taken _____ them?
 _____ measures taken _____ the accuracy _____ your _____ detection methods?
