

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Automotive Parts Retailers
<b>Inquiry Category</b>	Technical assistance with part installation
<b>Inquiry Sub-Category</b>	Torque specifications and tightening sequences
<b>Description</b>	Customers seeking information on the correct torque specifications and tightening sequences for the installation of certain automotive parts, ensuring proper alignment and secure fitment to avoid any future issues.
<b>Data Size</b>	5,455 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)**

What \_\_\_\_ recommendation for \_\_\_\_ but \_\_\_\_ excessive force when \_\_\_\_ screws in \_\_\_\_ \_\_\_\_?

Can you tell me more \_\_\_\_ screw \_\_\_\_ force \_\_\_\_?
