

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Software updates and download support
Inquiry Sub-Category	Software installation inquiries
Description	Questions about the process of installing software on the telecommunications equipment, troubleshooting installation errors, and clarifying any dependencies or requirements for successful installation.
Data Size	6,190 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ there any file formats _____ when updating our _____?

Do you _____ any _____ file formats that _____ should _____ of our telecommunication devices?

_____ recommended _____ formats _____ telecom device _____?

_____ considered _____ specific file _____ the update of _____ devices?

Is it necessary _____ us _____ consider _____ for the update of _____?

During the _____ process of our telecom _____ you _____ preferred _____ formats?

_____ we _____ formats to update our _____ devices?

We want to upgrade our _____ but _____ know _____ use.

_____ updating telecom devices, _____ have _____ suggestions _____ file _____?

Upgrading _____ there _____ preferred files to _____?

Is _____ preferred files _____ use when _____ devices?

There are ____ file ____ when ____ a telecom ____.

Do you ____ file ____ for ____ updating of telecommunications ____?

____ telecommunication hardware and software ____ any useful file ____.

What are the file ____ should ____ used ____ telecom ____?

Is ____ any ____ formats ____ consider when ____ our ____ devices?

____ the phone system upgrade, ____ any ____?

During ____ process ____ our telecom equipment, ____ any file formats ____ preferred?

____ possible ____ consider specific file formats for our ____?

Will ____ to ____ any ____ for the ____ of ____ telecom devices?

Which ____ formats should ____ used ____ devices?

Is there ____ file ____ for ____ telecom ____ update?

How ____ update our telecom ____ file formats?

____ we have to consider ____ particular ____ the ____ our telecom ____?

Should ____ files ____ considered when updating our ____?

We might want ____ look ____ any ____ updating ____ devices.

Do ____ have to ____ different ____ to ____ telecom devices?

Useful ____ a telecom ____ update?

There ____ some file formats ____.

____ formats ____ telecom updates?

____ file ____ should ____ taken into account when ____.

Do we ____ any file ____ updating ____ devices?

Please tell ____ about ____ to ____ in updating ____ telecom devices.

What file ____ be ____ new ____ gear?

____ have to ____ specific ____ during the update ____ telecom devices?

What file ____ should ____ consider for the ____ telecom ____?

____ formats should be taken into ____ updating ____ telecom ____?

____ formats ____ used while updating our telecom ____?

Is ____ a ____ that we ____ focus on ____ upgrade of ____ device?

Do ____ explore certain ____ formats in ____ update our telecom ____?

____ for ____ formats to ____ telecom ____?

During the ____ process ____ our ____ equipment, can ____ advice ____ file formats?

____ take ____ into account ____ updating our devices?

When ____ upgrade our telecom ____ should ____ use?

____ are ____ should consider for our telecom device ____.

____ if any preferred file ____ be ____ the upgrade ____ our telecom equipment?

____ recommend ____ format considerations ____ updating telecommunications devices?

____ file formats ____ focus on ____ our ____ devices?

Is ____ possible ____ useful file format ____ order ____ our ____ and software systems?

Which ____ should we ____ when ____ our devices?

____ take ____ into account ____ updating our ____ devices.

Is ____ file ____ we ____ prioritize during the ____ of our ____?

Which file ____ should ____ taken ____ account ____ devices?

____ we need to consider file ____ the ____ devices?

Do you think ____ telecom updates?

Is there ____ have to worry about ____ our telecom ____?

____ to consider ____ types for ____ updates?

During our ____ to a telecom ____ tell ____ the ____ formats?

____ suggest any ____ file format options ____ upgrade ____ telecommunication ____ software systems?

____ it ____ the upgrade of ____ telecommunication devices, what ____ formats ____ focus ____?

Do you suggest ____ considerations ____ telecommunication devices?

Do _____ file formats for updating telecom _____?

We should _____ formats to _____ telecom devices.

Do you know _____ file _____ we should focus _____ for _____ our _____?

_____ file _____ do you _____ are _____ for _____ telecom _____?

Do _____ format considerations to update _____ devices?

Should _____ tell us _____ formats that should _____ considered _____ upgrade _____ our telecom equipment?

Should _____ look at files _____ a _____?

_____ updating our telecom devices, do you _____ recommendations for _____?

When updating _____ do _____ any recommendations on _____ formats?

Are there _____ formats _____ need to _____ our _____ equipment _____?

_____ file formats should be looked into when _____?

_____ we required _____ types for telecom _____?

Should there be file _____?

_____ upgrade _____ telecom equipment, can you _____ on _____ formats are preferred?

_____ file formats _____ taken _____ when _____ upgrade _____ telecom devices.

Which _____ should we use _____ devices?

Do we _____ into different _____ updates?

_____ you recommend particular file _____ updating of _____ devices?
