

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Phone and device compatibility queries
Inquiry Sub-Category	Network coverage queries
Description	Customers inquire about the availability and strength of network coverage in specific locations to determine if their phones or devices will work properly in those areas.
Data Size	5,099 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ does _____ differ between urban _____ rural _____?

_____ differences between urban and rural _____?

_____ rural _____ urban networks _____?

_____ reach _____ across _____ countryside

Rural versus _____ network _____.

There _____ between the _____ and _____ areas _____ networks.

Network _____ between _____ rural

What about _____ networks?

How is _____ different _____ rural and _____?

_____ cities _____ rural areas have different _____?

There's _____ urban _____ networks.

Is _____ in the _____ and _____ areas?

There _____ in the _____ and _____.

Network availability _____ different _____ urban.

Can you _____ between _____ and rural areas?

What is the _____ in _____ rural and _____?

The _____ is different _____ rural.

_____ differences in _____ coverage _____ urban and rural _____?

_____ you think about network coverage _____ vs _____?

Network _____ varies among _____ areas.

_____ network _____ urban versus rural?

_____ the city and _____ varies.

_____ the difference between rural and _____ on _____?

_____ be a difference _____ urban and _____ network _____.

_____ you tell _____ if there _____ in _____ and rural _____ strength?

_____ differences in network coverage _____ urban _____ areas?

_____ coverage _____ city and _____?

_____ are _____ the urban and _____.

What do you think about _____?

_____ rural network coverage.

There _____ variations _____ urban and _____ network _____.

_____ in rural _____ city differ?

_____ rural and urban network _____?

_____ do networks _____ cities _____ areas?

_____ and rural areas, _____ coverage _____?

_____ do _____ differ _____ and urban areas?

Is _____ different _____ rural areas _____ in _____ areas?

_____ it different between _____ coverage.

_____ is the _____ in rural and _____ areas?

Is _____ coverage different _____ rural _____?

_____ the separation between _____ network _____?

_____ a disparity in _____ coverage between _____ and _____?

_____ coverage can _____ in urban _____.

_____ exposure _____ between _____ countryside.

_____ a question _____ network _____ in urban _____ areas.

_____ vs rural in _____

_____ coverage different between _____ and _____?

_____ coverage may not _____ in urban and _____.

_____ vary between _____ and _____ areas?

What _____ network _____ vs. rural?

How is network _____ the _____ areas?

Is there a _____ urban and _____?

_____ work _____ cities and rural _____?

_____ is _____ differences _____ urban _____ rural _____?

_____ does city and _____?

There are differences _____ for _____.

_____ is _____ urban vs rural network _____?

How _____ differ _____ and rural?

_____ and _____ areas have _____ coverage?

Is _____ in _____ between urban and rural _____.

A question _____ coverage _____ rural and _____.

_____ different is _____ rural _____ network.

Differences _____ urban and _____ areas.

_____ is _____ difference in _____ coverage between _____ and _____.

What _____ the _____ between _____

_____ any discrepancy _____ network _____ urban _____ rural regions?

_____ network coverage _____ you _____ city and country?

Networks _____ for _____ and _____.

How _____ is the urban _____.

What are _____ differences _____ & _____ distribution?

The _____ coverage in _____ and _____.

Can _____ me _____ network coverage _____ the countryside.

_____ reception, how it _____ in _____ city _____?

_____ differences in _____ between urban _____ rural areas?

_____ coverage _____ areas and rural areas?

There's _____ between _____ coverage _____ city dwellers and _____.

_____ network _____ and _____ areas varies.

What _____ the difference _____ reception _____ the _____ and _____?

_____ about _____ coverage between _____ country.

_____ there _____ network coverage _____ urban areas?

What's the differences _____ availability _____ countryside?

_____ networks _____ in _____ rural areas?

_____ networks _____ between _____ cities and _____ areas?

_____ be _____ difference _____ network coverage _____ urban centers _____ rural regions?

_____ are _____ rural areas different _____ it _____ to network _____?

What _____ the comparison _____ network coverage _____ in _____ rural _____?

_____ does _____ networks _____ the cities _____ rural areas _____?

There is a question _____ urban _____ rural _____.

What _____ between _____ rural network coverage?

When it _____ network _____ and rural areas, how _____ they _____?

_____ in cities _____ rural areas.

The _____ service _____ rural _____ city.

Were _____ discrepancies in _____ rural and urban _____?

How _____ between _____ and rural _____?

Where are _____ differences _____ network _____ between _____ rural?

What _____ the difference _____ and _____ on _____ network?

There are some _____ network _____ and rural _____.

What is coverage _____ network _____ urban _____ rural _____?

_____ vs _____ networks: what is _____?

_____ coverage _____ between _____ areas.

What _____ reach across _____ and _____?

The networks differ _____ areas.

_____ variations _____ urban and _____ network _____.

_____ the _____ in _____ coverage _____ urban centers _____ rural areas?

_____ are _____ among urban and _____.

The differences _____ the _____ networks.

_____ for urban/rural

How _____ be a _____ in _____ between _____ and _____ regions?

_____ between urban and _____?

_____ reach _____ in _____ rural areas.

The _____ vary in cities _____.

What is the _____ urban _____ rural _____

Do _____ cities and rural _____.

What is _____ network coverage availability _____ and _____ areas.

_____ the _____ the urban _____ rural networks?

_____ between network coverage _____ rural _____ urban areas.

_____ the _____ in _____ coverage between urban and _____?

Is _____ between city _____ country?

Network _____ can _____ in _____ urban areas.

_____ are _____ in network _____ for urban _____ areas.

_____ are _____ between the _____ networks.

_____ about network _____ rural _____?

_____ there _____ in urban and rural _____?

There is contrast _____ network _____ urban _____ zones.

_____ rural, network coverage _____.

The _____ the cities _____ vary.

_____ there _____ differences between urban _____ rural?

_____ the distribution _____ the _____ in _____ urban and _____?

_____ vs _____ in _____ reach.

What is the difference _____ rural areas?

_____ are differences _____ network _____ between rural _____

_____ the difference between network coverage _____ cities _____?

_____ coverage varies by _____.

In _____ boonies, how do _____ reception _____?

_____ think about _____ coverage of _____ vs. rural.

_____ regards to network availability, _____ do _____ compare?

What _____ difference _____ coverage _____ city dwellers and country _____.

Rural _____ urban _____ differences?

How _____ rural _____ city _____?

There is _____ the _____ in rural and _____.

_____ discrepancy _____ network coverage between _____ centers and rural _____?

_____ cities _____ the _____ how does network _____?

How _____ networks _____ different _____ rural areas?

_____ there _____ in _____ network coverage.

_____ coverage _____ urban and rural?

What _____ between _____ rural network coverage.

_____ there _____ difference in network _____ and urban _____?

How _____ rural _____ network coverage?

Rural/urban network availability _____.

_____ coverage varies _____ urban _____.

_____ do rural and urban areas compare _____ to _____?

There _____ in network _____ and rural areas.

What _____ the networks of _____ cities _____ like?

_____ rural and city?

_____ of _____ and rural areas _____ different.

Why _____ urban and _____ distribution _____?

Network _____ discrepancies exist in _____.

_____ there _____ between urban _____ rural _____?

_____ and rural _____ network _____ varies.

What _____ the _____ coverage on the network?

_____ you _____ the _____ network _____ rural and urban areas?

How do _____ urban _____ rural _____ differ?

_____ network _____ in the _____ and _____?

_____ the net availability _____ cities _____?

_____ are differences _____ network coverage for _____ areas.

_____ gap between _____ vs _____ coverage?

The coverage _____ varies _____ cities _____ countryside.

There is _____ question _____ rural _____ strength.

There's a _____ network _____ between urban _____.

_____ network _____ the urban-rural area.

_____ and rural _____ have network _____.

There _____ different variations in _____ coverage.

_____ between urban _____ network _____?

Network _____ varies from _____.

_____ differences _____ coverage across urban and rural _____?

_____ is network reach _____ the _____ cities?

Network _____ between _____ city _____ country?

_____ do networks change _____ urban _____ ?

There _____ differences between _____ and _____ areas.

The _____ cover has a _____ in _____.

_____ a question about _____ rural and urban _____.

_____ for different _____ and _____ areas?

_____ is _____ in network coverage _____ the _____ and rural _____.

_____ the _____ diff in city _____.

_____ differently do _____ rural networks _____?

_____ is _____ difference _____ network _____ urban and rural?

_____ it comes to _____ what are the differences _____ urban _____ ?

_____ do networks _____ and rural areas _____?

_____ rural networks _____ different.

What _____ the _____ network _____ rural/urban?

The _____ for _____ and country _____ is _____.

What _____ the difference between _____ and _____ coverage _____ ?

There are network _____ the _____ regions.

There are differences _____ urban-rural divide.

What _____ the difference between _____ rural _____

_____ between cities and _____?

Is the _____ and _____ diff in _____?

How _____ cities and _____?

Do we _____ coverage _____ urban _____ rural areas?

_____ do _____ countryside network _____ compare?

Where _____ coverage _____ between urban _____?

_____ urban _____ have different network _____?

How _____ network distribution in _____ rural _____?

_____ are the differences _____ reach between _____ and _____?

How does _____ vary _____ rural?

_____ difference in _____ for urban/rural?

How _____ between cities _____ areas?

_____ different _____ and rural _____?

_____ have a _____ on _____ urban-rural _____ differences.

_____ there _____ reason _____ disparity _____ network coverage _____ urban _____ and rural _____?

There's a _____ about _____ strength _____ rural areas.

What difference _____ between urban _____ rural _____?

How _____ cities _____ areas vary?

_____ a variation _____ urban _____ rural network _____.

Network reach varies _____ areas.

_____ are _____ rural and _____ areas.

_____ what is the _____ rural and urban _____?

_____ in urban _____ rural network _____?

_____ are _____ in urban-rural.

Is _____ different _____ in _____ and _____ areas.

_____ the networks _____ in cities _____ rural _____?

What are _____ differences in _____?

There _____ question _____ coverage availability in _____ and rural _____.

_____ the _____ net availability _____ cities and countryside?

How different _____ and _____.

_____ do _____ cities _____ rural areas?

_____ the _____ in networks _____ and urban areas?

There _____ difference _____ rural network strength.
 What _____ like _____ and cities?
 How _____ networks in _____ from _____?
 coverage on _____ varies _____ and rural _____.
 There _____ differences _____ network coverage in _____ areas.
 What's _____ between network _____ the city and _____?
 _____ about _____ availability _____ and countryside?
 _____ reception compare _____ and boonies.
 _____ is _____ between network coverage in _____ cities?
 Net _____ areas is different.
 Can _____ be variations _____ network range _____ and _____?
 Is _____ different _____ areas _____ rural areas
 _____ is _____ differences between urban and rural _____?
 _____ it possible _____ and _____ have different _____ coverage?
 _____ network coverage _____ in _____ and country?
 The networks _____ the cities and _____ areas _____.
 Is there _____ difference in network _____ rural _____?
 The _____ rural _____ urban coverage _____.
 What distinguishes _____ from _____?
 What is _____ difference in net _____ and _____?
 _____ is networks _____ rural _____ urban _____?
 _____ network _____ city and country?
 What _____ exist between cities _____ on _____ network?
 What _____ network _____ mean _____ rural?
 Can you tell _____ about network coverage _____?
 In _____ reach _____ are _____ urban and rural.
 There are _____ in _____ reach _____ urban _____.
 _____ there different network coverage in _____?
 _____ the disparity in network coverage between _____ urban _____?
 _____ different in _____ cities _____ the countryside?
 _____ explain the difference in _____ coverage _____ cities and _____?
 _____ there a _____ between _____ rural/urban?
 _____ vs _____ differences in _____.
 _____ are the differences _____ network coverage for _____ dwellers?
 Is there _____ rural and _____ areas?
 _____ network distribution in urban _____?
 _____ cities _____ rural _____ have different _____?
 _____ difference between the networks rural and _____?
 _____ networks _____ for _____ rural?
 _____ there _____ urban _____ rural network coverage?
 How do _____ countryside have _____?
 Are _____ network coverage between urban _____ centers?
 _____ the _____ in network _____ for _____ and _____ dwellers?
 _____ network coverage vary _____ areas?
 _____ do you _____ about network coverage _____ and _____?
 When _____ network _____ availability, how are urban _____ compared?
 What _____ and _____ coverage?
 How can _____ a discrepancy in _____ between _____ areas?
 What's the _____ between _____ for cities _____?
 _____ urban vs _____ networks.

How are _____ in urban _____?

_____ has _____ city and rur.

_____ areas, network coverage differs.

A question _____ network _____.

_____ rural _____ and urban _____ have _____ coverage?

What is the _____ in _____ country and _____?

_____ the difference _____ urban network _____?

How different _____ countryside _____?

How _____ rural networks differ _____?

_____ difference in _____ coverage _____ urban _____ rural regions?

How _____ differ in _____ areas.

How does _____ network _____ in _____ city _____ boonies?

_____ network's _____ between _____ and urban areas?

Is _____ difference _____ and _____ networks?

_____ in _____ between cities and countryside?

_____ network _____ between _____ countryside and cities?

Network coverage _____ rural.

What is _____ cities and _____ the network?

How different _____ rural _____.

What _____ the difference _____ the city and the _____?

_____ the city _____ rural networks?

Is there _____ disparity _____ city _____?

_____ rural and urban _____ network _____ different.

_____ difference between _____ rural _____ coverage.

_____ rural _____ coverages differ?

Is _____ network coverage _____ areas different?

_____ rural _____ urban _____ when _____ to network coverage availability?

Network coverage _____ city dwellers and _____.

What is the _____ coverage in cities _____?

_____ access differences between city _____.

_____ in urban-rural divide.

_____ a difference in _____ coverage _____ regions and urban _____?

_____ gap between _____ rural network _____

_____ in _____ coverage between rural regions and _____?

_____ the network coverage _____ city and _____?

_____ the network different _____ areas?

Can you _____ about the _____ urban _____ rural network _____.

Network _____ versus country?

_____ is the _____ coverage on the network.

_____ differences in _____ urban-rural _____.

There are _____ between _____ availability for rural _____.

How does network _____ in _____ boonies?

In urban areas _____ rural _____ coverage _____?

_____ discrepancies in network coverage between _____ and _____?

_____ vs rural _____ network _____

_____ in _____ between _____ and rural _____.

How does _____ and _____ networks _____?

_____ you _____ me _____ network _____ is _____ between urban centers _____ rural _____?

Network coverage _____ between city _____.

What _____ is _____ in _____ city and _____?

How _____ the _____ differ between _____ and _____ areas?
 _____ are _____ in _____ availability - rural _____.

There is _____ availability between the _____ and _____.

When _____ comes _____ coverage _____ how _____ rural areas differ?
 _____ discrepancies in the city _____.

What is _____ distribution _____ and _____?
 _____ coverage different _____ rural _____ urban _____?
 _____ urban _____ areas, are network _____?
 _____ in network coverage _____ urban _____ and rural regions?
 _____ are _____ differences _____ network coverage _____ urban and _____.

How do _____ rural _____ differ in _____ of _____ coverage _____?
 Urban and _____ areas _____ coverage.
 _____ are differences in network _____ rural zones.
 _____ difference in network _____ between _____ rural areas.
 _____ networks _____ different between _____ cities _____ areas.
 _____ there _____ difference _____ network _____ urban _____ rural areas?

How _____ compare _____ reception _____ the _____ to _____ boonies?
 _____ is _____ difference between the rural _____?

How _____ and _____ differ?

How _____ networks in the _____ areas _____?

What is the _____ with network _____ and _____?
 _____ distribution _____ network _____ the _____ and rural areas?
 _____ it possible that _____ have different network _____?
 _____ in network _____ between urban _____ rural areas.

The _____ in _____ areas differs.
 _____ there _____ in _____ coverage between rural _____?

There's _____ difference _____ network _____ for city _____ dwellers.
 Is _____ a _____ between _____.
 _____ vary between _____ rural areas?

Network _____ in urban _____ areas may _____.

Does _____ coverage _____ urban and _____?
 _____ reach _____ in _____ and countryside

How does _____ in the city _____?

How _____ and rural _____?

Is _____ network _____ rural and urban _____.
 _____ a _____ between _____ coverage in _____ and _____ regions?
 _____ there _____ in network coverage _____ urban _____ rural regions?

Differences in network _____ urban _____
 _____ do _____ differ _____ urban/rural _____?

What are _____ differences _____ for city and _____?
 _____ there _____ differences _____ coverage in _____ rural areas?
 _____ networks differ for _____ rural?
 _____ the difference _____ the network coverage in rural _____?
 _____ between _____ coverage urban and _____.

What is the differences _____ coverage _____ urban _____?

Net _____ can differ _____ urban _____.

What _____ urban _____ networks?
 _____ network coverage different _____ rural?
 _____ differences between the _____ and _____.

Do _____ and _____ areas _____ different _____ coverage _____?

Network coverage varies _____ rural _____.

How _____ networks to _____ ones?

How _____ networks _____ in _____?

Coverage _____ network _____ rural _____ urban areas.

_____ does the _____ urban and rural network _____?

_____ vary in _____ rural areas?

_____ are _____ network _____ across cities and _____.

Network coverage in _____ different _____ areas.

What _____ the difference _____ and country dwellers?

_____ network coverage _____ different in urban and _____ areas?

_____ differences _____ rural net distribution.

_____ are differences in _____ between rural _____ urban _____.

There _____ differences between _____ urban _____.

_____ differences in rural and _____.

_____ possible _____ is different between urban _____ and _____ regions?

There _____ a _____ about signal strength _____ areas.

_____ differences between _____ coverage for _____ country _____.

_____ is a _____ rural and urban areas.

_____ urban _____ rural areas are _____.

Is _____ rural _____ coverage _____?

_____ range between urban and rural _____?

There _____ variations _____ network range between _____ rural _____ do _____ compare network reception in _____ city _____?

Are networks _____?

Is _____ discrepancies _____ network coverage between _____ urban _____?

Network coverage _____ in cities _____.

_____ me about the _____.

What _____ the _____ between network _____ in _____ and _____?

_____ network coverage _____ city and _____?

What _____ the _____ urban _____ network coverage.

What _____ difference between _____ network coverage availability?

Do rural _____ areas have _____ coverage of _____?

_____ the _____ between network _____ urban and rural _____?

_____ in _____ cities _____ countryside?

_____ differences between the _____ network.

There are differences _____ coverage _____ urban and _____.

_____ coverage varies _____ urban _____ rural _____.

What _____ between city and _____ on the _____?

When it comes to _____ what _____ difference between _____ dwellers?

_____ are the differences _____ rural _____ on the _____?

_____ about _____ coverage between urban _____?

Network _____ different _____ to rural.

_____ network _____ different _____ and city?

_____ and rural _____ coverage is _____.

_____ in network _____ in _____ areas.

_____ between urban vs rural _____.

_____ the _____ between _____ urban _____ on the networks?

_____ net availability _____ different for _____.

_____ are _____ between _____ and _____ network.

When _____ network coverage _____ do urban and rural areas _____?

_____ cities _____ rural areas?

_____ difference between rural and _____ network.

_____ there _____ in network _____ urban and rural _____?

How _____ networks vary between _____?

_____ varies in cities _____ the _____.

The _____ differ.

What is the _____ network coverage _____ cities _____?

Network _____ urban vs rural _____.

Is _____ differences _____ coverage _____ urban and _____?

_____ a _____ in _____ strength _____ cities and rural _____?

_____ networks _____ rural _____ urban?

What is the _____ disparity in _____ coverage _____ centers and _____?

_____ urban _____ rural networks.

Network _____ different _____ and urban _____.

There _____ differences in network coverage _____ countryside.

There is _____ about _____ strength _____ and _____ areas.

What is the difference between network _____ country?

_____ coverage is _____ the same in _____ rural _____.

What _____ rural _____ network _____ look _____?

What are _____ differences between _____ and _____?

_____ there a _____ in the _____ and _____?

_____ rural differences _____ reach.

_____ there _____ in _____ coverage between cities and _____?

_____ network differences between city _____.

What are _____ areas like?

_____ network's _____ is _____ urban and _____.

_____ vs rural _____ network reach.

What are the differences _____ cities _____ rural _____?

Does _____ in the city _____?

What is _____ in _____ between _____ and countryside?

_____ network _____ in rural _____ differ from _____?

What _____ the _____ in _____ reach _____ cities and _____?

_____ network coverage _____ and _____ areas?

_____ network differences _____ and rural areas.

There are _____ network _____ and urban.

In _____ coverage _____ do urban _____ rural areas compare?

_____ coverage _____ cities or _____?

What _____ the _____ in _____ coverage _____ the countryside _____ the _____?

_____ of urban and _____.

How _____ differ between _____?

Is there _____ difference _____ rural _____ in _____ range?

Are _____ differences between _____ rural _____?

There is _____ network that _____ different _____ cities and _____.

What _____ difference in network coverage _____ cities.

How are networks different _____?

network _____ the _____ and rural _____

_____ does _____ network _____ vary _____ cities and the _____?

What differences _____ see between _____ network coverage?

How are _____ different _____ rural?

Network _____ cities and _____.

_____ cover, diff in _____ rur?

_____ urban and rural zones.

_____ in _____ range between _____ areas

Network _____ in _____ country vary.

What do _____ think _____ of urban _____ rural?

What do _____ look like _____?

_____ there any _____ network coverage _____ and rural areas?

The _____ has a _____ the city _____ Rur.

When it _____ to _____ coverage availability, _____ do _____ match up?

Can you explain _____ in _____ coverage _____ and urban _____?

_____ are networks _____ urban _____ rural _____?

Network _____ by _____ and _____

What is the _____ in _____ and countryside?

_____ discrepancies in network _____ cities and _____ areas?

In _____ the _____ what _____ network _____ look like?

_____ rural _____ reach _____ differences.

_____ there any _____ between _____ and rural areas?

_____ network _____ different between _____ and _____?

In _____ boonies, how does _____ network reception _____?

_____ is urban & _____ net _____?

There _____ differences between _____ availability _____ and urban _____.

_____ vs rural _____ reach _____.

urban _____ Differences in _____

_____ is the _____ in net _____ cities _____ countryside?

_____ between rural _____ urban networks?

How do _____ the city _____ areas?

What _____ the differences in _____ between _____ and _____?

_____ coverage _____ the network _____ between cities _____ rural _____.

_____ network's _____ varies _____ urban _____ rural.

There _____ between _____ rural networks.

_____ is _____ network coverage between urban _____ rural _____.

What _____ differences _____ network coverage _____ urban _____ rural?

_____ different between _____ urban network _____?

_____ is different in _____

Do _____ differences for _____ across urban _____ rural _____?

Are there _____ urban and _____ coverage?

_____ network coverage different _____ country?

_____ are differences among _____.

What _____ network _____ look like in _____?

_____ do networks _____ between _____ areas?

_____ network coverage differ _____ areas?

There could _____ in network _____ and rural _____.

_____ the _____ between urban _____ coverage?

_____ and urban networks _____.

_____ coverage _____ cities _____ countryside?

Rural _____ urban _____ coverage availability.

network _____ and countryside

_____ coverage _____ and urban areas?

_____ between _____ and rural areas is _____.

What are _____ like _____?

____ network ____ diff in city ____ ____
 How ____ networks ____ for urban ____ ____?
 ____ can ____ ____ range between urban ____ rural areas.
 ____ ____ in network reach.
 What ____ look like ____ and rural ____
 ____ coverage differences ____ divide
 city ____ country: ____ differences?
 Network ____ in rural ____ urban _____.
 ____ a ____ rural ____ urban network ____.
 There are ____ differences ____ rural ____.
 What ____ rural ____ urban network ____?
 What ____ reach and cities and countryside?
