

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Compatibility with other devices inquiries
Inquiry Sub-Category	Operating System Compatibility
Description	Customers inquire about whether their smartphone is compatible with specific operating systems, such as Android or iOS, and if they can update to the latest version.
Data Size	5,054 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can ____ switch from iOS ____ Android ____ vice ____ without losing ____ with ____?
 ____ to make ____ lose the compatibility ____ third-party apps when ____ toANDROID.
 Is there ____ to transfer my data ____ after I ____ toAndroid?
 ____ possible that ____ third-party apps ____ services will not ____ when ____ toandroid?
 Is it possible ____ with all ____ apps when ____ transfer ____ toANDROID?
 ____ it possible ____ data compatibility with ____ services ____ be ____ to switch toAndroid?
 It ____ possible that third-party apps ____ data ____ substitution ofiOS ____.
 How can ____ sure that ____ compatibility ____ apps when I ____ toANDROID?
 When moving a ____ from an Apple ____ device, do ____ compatibility with ____?
 Third-party ____ may not ____ compatible ____ substitution ofiOS ____
 ____ data ____ my ____ and ____ apps still be ____ even if I switch ____ platform?
 ____ curious if I ____ losing ____ with third-party applications.
 Will ____ third-party apps ____ services, ____ with ____ connectivity, remain ____ Apple to ____ other platform?
 ____ the ____ my ____ and third-party apps still be ____ after ____ theiOS ____ theAndroid platform?
 ____ the ____ have ____ with external ____ and ____ it is ____ from ____ Apple ____ anANDROID device?
 ____ it possible ____ third-party ____ and services will ____ working ____ switch from ____ to ____?
 ____ a smooth ____ of ____ between thirdparty ____ and ____ if ____ fromiOS toandroid.
 ____ curious if I ____ fromiOS toANDROID ____ data compatibility with ____ apps.
 Is it ____ my ____ apps ____ won't ____ I switch from Apple to ____?
 ____ it ____ switch ____ toANDROID without having a ____ app out ____?
 How ____ I make ____ I ____ with third-party apps when I ____?
 Is it ____ my ____ apps won't stop working ____ switch ____?
 Is ____ ofcompatibilities ____ apps and ____ possible if ____ fromiOS toAndroid?
 I ____ if I ____ switch between the two phoneOSs ____ apps.
 Is it ____ that ____ other services would ____ jeopardized when ____?
 ____ can ____ sure that ____ lose the ____ with third-party apps ____ I ____
 ____ it possible to ____ data and ____ servicesync if ____ toandroid?
 The ____ may not ____ with third-party data ____ apps.

Is there _____ smooth _____ for third _____ apps _____ if you _____ to Android?

How _____ I transition _____ the _____ phones _____ up _____ with third party _____?

_____ make _____ that I don't _____ the _____ with _____ I switch to ANDROID.

Is _____ I will _____ able _____ in other apps if I _____ the Android?

_____ possible that _____ services will _____ stop working once _____ switch _____ Apple to the Android?

I _____ if I could switch _____ two phone OSs _____ compatibility _____ third _____.

_____ third-party _____ and data _____ compatible if I _____?

_____ my third-party _____ and services will _____ stop working when _____ switch _____ Apple _____ Android.

When _____ external apps and _____ happens if _____ move from an Apple device _____ device?

_____ the _____ apps and third-party _____ still _____ even after abandoning iOS _____?

_____ can _____ make _____ I don't _____ compatibility _____ apps _____ I _____ to both?

_____ possible to change between iOS and _____?

Is it possible to _____ compatible _____ if I _____?

_____ wonder how I could _____ phone OSs without _____ compatibility _____ third-party _____

Do we _____ applications _____ data when _____ an Apple device to _____?

In terms of compatibility _____ external apps and data, _____ from an _____ device _____?

_____ you _____ me if it's possible _____ use third-party _____ to either iOS _____?

In the case _____ the _____ it possible to keep _____ services sync?

_____ to have other _____ with data if I switch _____?

_____ that my third-party _____ will not stop working _____ I switch _____?

Is _____ to switch _____ system's _____ data incompatible with _____ party applications and service?

Can I _____ I _____ compatibility with _____ apps _____ moving between ANDROID?

_____ it _____ keep my data and third _____ I switch _____?

Is _____ possible that _____ with _____ would _____ put at _____ when _____ to Android?

_____ compatibility with external apps and _____ if _____ move _____ device to an Android device?

Will my _____ apps _____ services, along _____ data _____ remain functional _____ switch from Apple _____?

I wondered _____ switch between _____ giving up _____ with other apps.

_____ that _____ apps _____ services _____ stop working _____ switch between Apple and Android?

_____ I make sure _____ don't _____ my _____ third-party _____ when _____ transition to ANDROID?

Will I be _____ to _____ same _____ other _____ if _____ to the Android?

_____ third-party apps _____ compatible if I _____ to Android?

Will _____ from my apps _____ third-party _____ still be compatible _____ for Android?

Can _____ in _____ of the third party _____ if _____ to Android from iOS?

Is _____ apps and services won't _____ working _____ I switch to the _____?

_____ am _____ from an Apple device to _____ device, _____ I safe to _____ for _____?

_____ wonder _____ my _____ and third party _____ I switch from Apple to _____ alternative operating _____.

Is it _____ to _____ between the _____ operating _____ making my _____ third _____ apps?

_____ the _____ from my third-party _____ compatible if _____ switch _____ Apple _____ another _____?

_____ it possible to _____ data _____ if _____ switch to Android?

_____ if _____ can switch from iOS _____ without losing _____ with _____ apps.

_____ my apps and _____ apps still be compatible, _____ abandoning iOS _____.

_____ possible to jump _____ Android without problems _____ external services?

I _____ if _____ is _____ between the two phone OSs _____ giving up data compatibility _____.

I _____ to _____ sure that I _____ the _____ with third-party _____ while I _____

_____ there _____ smooth transfer _____ compatibility _____ and _____ if you _____ to Android?

Is _____ possible to keep _____ with all _____ from iOS to Android?

Can _____ my data in _____ third-party apps _____ I switch _____?

Will I be _____ to maintain _____ in other _____ services _____ to the _____?

_____ Apple device to an ANDROID _____ with external applications and data

_____ between the two _____ systems, _____ my connections _____ other _____ disrupted?

Is _____ to keep my _____ third-party _____ switch to Android?

_____ it possible _____ have _____ other apps or programs _____ change from _____ to Android?

_____ the data _____ apps still _____ compatible even _____ abandoning ios for ANDROID?

_____ I _____ to the Android, _____ I be _____ to keep _____ in _____ and _____?

In _____ case _____ a switch from _____ to android is _____ to _____ services sync.

_____ don't know if _____ necessary to sacrifice _____ with _____ services when _____.

_____ a smooth transfer _____ incompatible _____ and _____ you _____ from iOS to Android?

Is there compatibility with _____ apps _____ data _____ phone from _____ device _____ an ANDROID _____?

I _____ if I could switch _____ the _____ data compatibility with the _____.

_____ I _____ from iOS to android _____ losing _____ compatibility with _____ party _____?

_____ I make sure _____ I _____ lose third-party _____ when _____ to ANDROID?

_____ possible _____ in _____ case of a _____ from ios to _____.

_____ I switch between the two operating _____ party apps?

Is _____ smooth _____ of _____ for _____ apps _____ if _____ switch from iOS to Android?

_____ between _____ two _____ system's without _____ being incompatible _____ third-party apps?

In _____ with _____ apps _____ linkages, what _____ you _____ from an Apple _____ to _____ device _____ another OS?

Will the _____ my apps _____ third-party apps still _____ for ANDROID?

_____ it _____ that I will not _____ with _____ programs _____ I _____ from iOS to Android?

Is it _____ to _____ to ANDROID _____ ios without putting _____ app _____?

Is _____ that my third-party apps _____ will _____ stop _____ when I _____ to Android?

_____ it possible that _____ third-party apps _____ stop _____ after I _____?

Do I have _____ messing up third-party apps _____ I _____ on _____?

_____ switch _____ can I _____ my data in all _____ the _____ apps?

_____ want to switch between _____ operating _____ leaving my _____ incompatible with 3rd _____ apps _____.

_____ it possible _____ from iOS to ANDROID without putting _____ out of _____?

Is _____ possible that my _____ apps _____ won't stop _____ after _____ switch _____ Apple _____?

How can I make _____ that _____ the compatibility _____ when _____ between Android

I wonder how _____ between _____ two phone OSs without _____ compatibility _____ third-party _____.

_____ it possible _____ services _____ stop working _____ I _____ from Apple to _____?

Is it possible that _____ third-party _____ not _____ after I switch _____?

I _____ party apps will _____ I switch from Apple to _____ platform.

_____ to _____ with third party _____ if I switch _____ to ANDROID?

In the _____ of a _____ from _____ ios _____ is it possible _____ migrate _____ and _____?

Is _____ to switch _____ two _____ but keep _____ compatible with _____ party _____?

Is _____ possible _____ connections with other _____ would be disrupted _____ I _____?

Is it _____ for _____ to _____ when I switch from iOS _____?

How _____ I make _____ that _____ the _____ with _____ when _____ switch to Android.

Will my third-party _____ be functional _____ from Apple to _____?

Can _____ tell _____ if it _____ possible to _____ third-party _____ to either iOS or Android?

I'm _____ is possible _____ switch _____ without _____ compatibility _____ third-party service.

I _____ know _____ my _____ apps _____ will _____ compatible _____ I _____ to Android.

In terms of compatibility with _____ and data _____ when you move _____ an _____ to _____?

_____ be _____ third-party apps _____ data _____ I transition to android.

_____ a _____ to move my data and use third _____ after I _____ to Android.

Is _____ possible _____ not stop _____ after I switch from _____ to _____ Android?

_____ curious _____ can _____ to android _____ my compatibility _____ third-party software

Is _____ possible that _____ third-party services won't _____ I _____ from _____ to _____?

_____ I _____ switch between _____ phone OSs without giving up _____ third-party app.

I wonder _____ could switch _____ without giving up data compatibility with _____.

Is _____ jump ship from iOS _____ without problems _____ and services?

Do I keep ____ data ____ if I switch ____?

____ there a way ____ move ____ and ____ third party apps ____ from iOS to ____?

Keeping ____ websites ____ applications is being explored, ____ any ____ data transfer between ____ IOS ____

When ____ compatibility with external ____ and ____ what ____ when you move ____ Apple ____ to ____ Android ____?

Will ____ be able to ____ other apps ____ services if ____ move ____?

Is there a way ____ move ____ use ____ party ____ I switch ____?

Can ____ switch ____ the ____ operating ____ and ____ my data compatible ____ apps?

____ to use other ____ if I switch ____ toAndroid?

____ I ____ my ____ and applications ____ I ____ toAndroid ____?

____ to have compatible data ____ switch fromiOS toAndroid?

Is ____ possible ____ my third-party ____ and ____ will not stop ____ Apple andAndroid?

____ it possible ____ keep my ____ in ____ of the ____ if I ____?

____ I swap ____ two ____ system's without leaving my ____ incompatible ____ applications?

Can ____ between the two operating ____ my ____ incompatible ____ third- party ____?

I ____ to ____ I don't ____ the compatibility with ____ apps when ____.

____ do I ____ between the two ____ with third-party apps?

If you ____ from ____ ios ____ possible to keep ____?

____ substitution ofiOS forANDROID may ____ with ____ apps ____.

Is it possible ____ transition between ____ compromising ____ compatibility?

____ my ____ and ____ party ____ if I switch ____ Android fromiOS?

____ data from ____ third-party ____ still ____ after abandoningiOS forANDROID?

____ possible ____ my ____ won't ____ working ____ I switch ____ to theAndroid.

It is ____ apps and ____ work ____ substitution ofiOS forANDROID.

I'm curious ____ I can switch fromiOS ____ my ____.

Is ____ a ____ of thirdparty ____ data ____ you ____ fromiOS toAndroid.

Is ____ possible that ____ compatibility ____ might be ____ when I ____ toAndroid?

____ to ____ with external ____ and data linkages, ____ happens ____ from an ____ to an Android ____?

I don't know ____ have to give ____ compatible services if ____.

In terms ____ compatibility ____ what ____ when you move ____ device to anAndroid device?

Will ____ be ____ keep ____ with other apps ____ if I go ____?

____ it possible ____ my third-party ____ services ____ when I ____ apple toandroid?

____ curious about whether I can ____ toandroid without ____ third-party ____.

____ want to ____ sure that I don't ____ apps ____ I ____ betweenAndroid

Is it ____ my ____ apps and services ____ not ____ working ____ I ____ apple ____?

____ can ____ make ____ that I ____ with ____ apps ____ I switch toANDROID?

____ I make ____ don't lose ____ third-party apps ____ switch to ____?

I am ____ an Apple device ____ an Android ____ safe ____ compatibility ____ my services?

____ am ____ from an ____ device, so am ____ safe ____ keep ____ for my services

Will my ____ services, ____ data ____ remain functional when ____ Apple to a different ____ system?

I'm curious if ____ switch ____ losing data compatibility ____.

____ possible ____ from ____ to Android ____ issues with ____ apps and services?

____ to make ____ I don't ____ compatibility ____ third-party ____ when ____ transition toANDROID.

Is it possible ____ my data ____ the thirdparty apps ____ switch ____?

____ ok to ____ my data ____ party applications if ____ switch ____?

____ you think ____ between the ____ mobile operating ____ is ____ without ____ third-party apps?

How could ____ switch ____ the ____ without giving ____ data ____ with ____ third-party ____?

Is data ____ mobile operating ____ possible without compromising ____ with third- ____?

____ possible that ____ third-party ____ working when ____ switch from ____ toandroid?

____ it ____ thirdparty apps and data to ____ compatible ____ toAndroid?

____ wonder ____ could ____ between the ____ without ____ up ____ compatibility with a third ____ app.

_____ a _____ a smooth transfer of compatibilities for third party _____ if _____ switch _____.
 _____ smooth transfer _____ between _____ apps _____ data _____ you switch from iOS to Android.
 _____ transfer _____ for _____ if you switch from iOS to Android?
 _____ the _____ my _____ third-party _____ compatible after abandoning the iOS _____ for the ANDROID _____?
 It's possible _____ apps and _____ won't _____ switch to android.
 I _____ curious _____ I _____ to android without losing _____ compatibility with _____.
 _____ switch to Android _____ I _____ my data in any _____ third party _____?
 I wonder _____ my data _____ third party apps _____ still _____ I switch from _____.
 I _____ if _____ transfer data _____ the _____ operating _____ maintaining compatibility with _____ third-party _____
 _____ am moving from _____ device to _____ so _____ to keep my _____ compatible?
 Can I _____ the _____ phones, _____ keep _____ data compatible _____ 3rd _____?
 _____ data _____ may not _____ when I switch _____
 Is there _____ way _____ keep _____ data _____ third _____ apps after _____ switch _____?
 Would _____ transfer of _____ compatibilities for _____ and data be possible if _____?
 _____ it possible to keep _____ compatible _____ 3rd party apps _____ transferring _____ to android _____?
 When I ditch _____ for _____ operating _____ I wondered _____ my apps _____ remain _____.
 Is _____ possible _____ third-party services _____ will not stop _____ after _____ switch from _____ to _____?
 Can _____ between _____ without leaving my data incompatible _____ party applications
 Will the _____ my apps still _____ compatible _____?
 Is there a _____ data and _____ after I switch from iOS _____?
 Is there a _____ data _____ servicesync if _____ switch from _____?
 Is _____ maintain compatibility _____ apps if I move _____?
 _____ smooth transfer _____ app compatibilities for _____ and _____ if _____ swap to android
 Is it _____ and _____ stop working when _____ switch to the ANDROID?
 _____ is _____ my third-party apps _____ will _____ working _____ I _____ from Apple to the _____
 _____ if _____ can _____ from iOS to ANDROID without _____ with _____ party service.
 _____ my data _____ party apps will work _____ to _____ system other than Apple.
 _____ a phone _____ Apple _____ to _____ do _____ have _____ with external data and apps?
 Can _____ between the two operating _____ leaving _____ with _____ party apps _____ services?
 _____ am _____ if _____ can keep _____ in third party _____ if _____ switch _____.
 I don't _____ third-party apps and _____ are _____ switch to android.
 Is it _____ services _____ stop working _____ I change from apple _____?
 _____ it _____ keep _____ compatible _____ all 3rd party apps when _____ iOS _____?
 _____ I be able _____ with other _____ if _____ to the Android?
 _____ can _____ make sure _____ lose the compatibility _____ third-party _____ I switch _____?
 Is _____ possible that my _____ won't stop working _____ apple _____.
 When it _____ to _____ with _____ and _____ linkages, what _____ when you _____ from _____ device _____ an Android _____?
 Can I not lose _____ I _____ from iOS to android?
 _____ possible to _____ services if I switch to _____?
 _____ how _____ could switch between the two _____ without _____ data _____ third-party.
 _____ need _____ keep _____ sync with _____ third party _____ I switch between _____ and ANDROID?
 I'm _____ if _____ keep _____ third-party software if _____ switch to android.
 When _____ a phone from an Apple _____ an ANDROID _____ we _____ compatibility _____ external applications _____?
 _____ tell _____ if it's possible to use _____ apps _____ I _____?
 I want _____ switch _____ the _____ phone OSs _____ giving up _____ with _____.
 I wondered if I _____ between the two operating _____ while _____ maintaining _____ with _____.
 When _____ a _____ device to an ANDROID _____ do we _____ compatibility with _____ data?
 _____ of a switch from _____ ios _____ the android, _____ it _____ to _____ and keep servicesync?
 Will my _____ services still _____ when _____ from Apple _____?
 _____ my _____ along _____ data connection, _____ functional when _____ switch to Android?

____ am moving from ____ Apple ____ an ____ so am I ____ my compatible services?
 ____ possible ____ compatibility ____ other ____ would ____ compromised if I were ____ a platform other than ____?
 I ____ sure ____ I ____ lose ____ with ____ when I transition to Android.
 In ____ compatibility ____ apps/ data linkages, ____ happens when ____ move from ____ device to an ____?
 ____ it possible ____ third party ____ and data if ____?
 ____ to transfer app ____ for ____ applications and data ____ swap ____?
 Third-party apps and ____ not ____ compatible when ____
 How can ____ I ____ third-party ____ when I switch ____?
 In ____ case ____ a ____ from the ____ it ____ keep data ____ servicesync?
 Will the data from my ____ third-party ____ ditch the iOS ____?
 ____ wonder if ____ between the ____ phoneOSs ____ data compatibility ____ third-
 ____ possible ____ compatibility of other services ____ be ____ at risk ____ I ____ to Android?
 When moving a ____ an ANDROID ____ have ____ external applications and ____?
 ____ moving ____ phone ____ an ____ an ANDROID device, do external ____ data ____ exist?
 ____ that ____ my connections ____ other apps ____ I shifted to iOS/Android?
 Can I ____ all of the ____ apps after ____ switch ____?
 ____ it ____ that my third-party apps ____ not stop working ____ between ____ and ANDROID?
 ____ have to ____ data ____ with third-party ____ if I switch ____ iOS ____?
 Is ____ apps and services ____ stop working after I switch ____ apple ____?
 I ____ to switch ____ to ANDROID ____ deal ____ third ____ data.
 ____ the data from ____ apps ____ apps ____ be ____ the ios platform for ____ platform?
 ____ of ____ with external apps and data ____ what ____ you move from ____ Android device?
 ____ it ____ that ____ apps ____ services won't stop ____ I switch ____ the android?
 I ____ could switch ____ phoneOSs ____ giving up ____ compatibility with other ____.
 ____ possible ____ my ____ apps and services ____ remain functional if I ____ Android?
 Can you ____ if ____ to use ____ apps ____ change ____ either iOS or Android?
 Is ____ possible to ____ servicesync ____ an switch from the ____.
 Can ____ switch ____ IPHONE if ____ need ____ my data in ____ third ____ services?
 ____ can I make ____ don't ____ compatibility ____ my third-party ____ when ____ switch ____?
 ____ it ____ shift between iOS/Android ____ link to other?
 I ____ to ____ with the third ____ services, so can I switch ____ IPHONE?
 ____ curious ____ can switch ____ losing compatibility ____ third-party software.
 ____ a ____ to ____ an ANDROID device, ____ have compatibility with external apps and data?
 I ____ if I have to ____ compatibility with other ____ switch ____.
 ____ possible that my third-party ____ services won't ____ working ____ switch ____ the android?
 When moving an ____ device ____ does it have compatibility ____ data?
 Is it ____ to ____ a ____ of ____ between ____ and ____ if ____ switch to Android?
 ____ I ____ between ____ phoneOSs without ____ data compatibility with ____?
 ____ is possible to ____ servicesync in the ____ from ios ____
 Is it ____ to switch ____ keeping ____ data compatible ____ third party ____?
 ____ a ____ for third party apps ____ data ____ you switch ____ to Android
 ____ can I transition ____ two phones without compromising ____ party apps?
 ____ I switch to Android ____ I keep ____ applications?
 ____ phone ____ Apple ____ an ANDROID device ____ we have compatibility with external ____?
 ____ possible that ____ data ____ other ____ be compromised ____ I switched ____ an ____ other than Apple's?
 How can I ____ do not ____ with ____ apps ____ I ____ to ANDROID?
 Is data transfer ____ operating systems possible ____ compatibility ____ third-party ____?
 When moving a ____ from ____ to an ANDROID device, ____ have compatibility ____ and ____?
 I ____ know if I have to sacrifice ____ compatibility ____ other ____ I ____ to ____.
 Will the ____ my apps and ____ apps still ____ after ____ ios ____?

____ data transfer ____ the ____ mobile ____ systems ____ compatibility with ____ apps?
 Is ____ possible that ____ third-party apps ____ will work ____ I switch ____ the ____?
 Third-party apps and ____ not ____ compatible ____ substitution of iOS ____.
 ____ possible to switch ____ without the ____ app ____ out ____ sync?
 ____ my third-party apps ____ services ____ after I ____ Apple ____ Android?
 ____ possible to ____ data compatible with ____ 3rd party ____ transferring ____ to ANDROID or ____.
 Can ____ my data ____ the ____ if I switch to Android ____?
 Is ____ possible to keep ____ the ____ a ____ ios to ____?
 ____ am ____ if ____ can switch ____ to android ____ losing ____ third-party ____.
 ____ would like to make ____ that I don't ____ third-party ____ when ____ switch ____.
 ____ smooth transfer of app ____ third-party applications ____ possible if ____ to android ____?
 ____ it ____ that ____ apps and ____ stop ____ after ____ from Apple to the ____?
 Is ____ possible ____ and ANDROID without messing ____ third party ____?
 ____ can ____ between the two phone OSs without giving ____ with ____ third-party ____?
 Will my ____ apps and services, along ____ data connection, ____ switch ____ Apple ____ an ____?
 Is ____ a smooth transfer of compatibilities ____ third party ____ with ____ to Android?
 I don't know if ____ sacrifice data ____ with ____ I ____ to Android.
 ____ there a way to get ____ of ____ and ____ Android?
 ____ possible to jump ____ from iOS to ANDROID ____ problems ____ external ____?
 I ____ to switch ____ android without ____ to deal with ____
 ____ I ____ switch between ____ two phone OSs without sacrificing ____ compatibility ____ apps.
 How ____ get ____ two ____ on the ____ compatibility ____ third party apps?
 In the ____ switch from ____ to ____ is ____ possible to ____ services sync?
 I'm ____ if there is ____ transfer ____ data ____ third party apps ____ switch to Android.
 ____ apps ____ compatible with ____ substitution of iOS for ANDROID.
 I ____ if it ____ possible ____ transfer ____ operating systems while ____ having ____ with ____ third-party app.
 ____ if my ____ party apps will ____ when I ____ to an alternative system.
 ____ moving ____ from ____ Apple device ____ an ANDROID device ____ have ____ with external apps and ____?
 ____ I ____ between ____ operating systems ____ my data compatible with ____ party ____?
 ____ it ____ transfer ____ for ____ data ____ you switch from iOS to Android?
 I'm ____ if I can switch ____ losing my ____ with ____.
 ____ comes to compatibility ____ apps ____ what happens ____ you move ____ an ____ to an Android device?
 ____ apps ____ services won't ____ after I switch to the Android?
 Is ____ services sync ____ case ____ switch from ____ ios to the android platform?
 Will my ____ apps ____ along with ____ data ____ remain functional, if ____ Apple ____?
 ____ it ____ I will be ____ to keep ____ apps and ____ if I move ____?
 There ____ a possibility ____ transfer ____ compatibility between ____ data if you ____ to Android.
 I'm ____ if ____ third-party apps and data ____ to Android.
 ____ the two mobile operating ____ be done without ____ compatibility ____ third-party ____?
 I need ____ keep ____ data ____ party services, ____ I ____ IPHONE and ANDROID?
 How ____ I ____ the ____ phones without ____ on data ____ third ____ apps?
 Is ____ for me to ____ third party apps ____ switch to ____ system ____ than ____?
 Will the ____ my apps ____ still be compatible ____ abandoning the iOS ____?
 Is ____ possible ____ keep ____ switch from ios ____?
 Is it possible ____ losing ____ compatibility with third-party ____?
 ____ possible ____ switch ____ iOS to ANDROID without ____ of sync.
 Do I ____ data compatibility with ____ apps ____ Android?
 ____ that I ____ issues ____ other apps ____ programs if I switch ____ iOS to Android?
 Is ____ way to keep ____ and ____ party apps ____ I ____ to android?
 ____ it possible ____ and keep ____ in a ____ from ____ to android?

_____ not lose my _____ third-party _____ if I switch _____?
 _____ be _____ to _____ compatibility _____ and services if _____ move to the android?
 _____ switch between the two phone OSs without _____ data compatibility.
 _____ I have _____ I switch from apple to androids?
 _____ my _____ and _____ apps still _____ after abandoning the iOS for the ANDROID?
 _____ have _____ sacrifice data _____ with other services _____ I _____ to android.
 _____ to _____ that I don't _____ compatibility with _____ while I transition _____.
 _____ moving an _____ phone to an ANDROID device, _____ compatibility _____ and data?
 _____ it _____ to keep _____ switch from _____ to android
 Do we have _____ external applications _____ data _____ we _____ Apple _____ an ANDROID _____?
 _____ to have other _____ that work with data _____ I _____?
 Will _____ be able to _____ compatibility with _____ services if I _____?
 _____ am _____ if there _____ a way _____ my data and _____ third _____ after _____ switch _____.
 _____ it _____ third-party apps _____ working once _____ switch _____ Apple and Android?
 I wonder _____ I _____ switch between the _____ phone OSs without giving _____.
 _____ wonder if _____ third party _____ work when I switch _____ an operating _____ other _____.
 _____ it _____ that _____ will be able to maintain _____ apps _____ if I move _____?
 In terms of _____ with external apps and _____ linkages, _____ when _____ from an Apple _____ to _____?
 Will the data _____ my _____ third-party apps _____ be compatible, _____ abandoning _____?
 Certain _____ data may not _____ compatible _____ the substitution _____.
 _____ possible _____ I will keep my data _____ third party _____ switch _____?
 Is _____ possible _____ apps won't _____ working _____ switch from Apple _____ the ANDROID
 _____ my third-party _____ with _____ data connection, remain _____ after I _____ from Apple to _____?
 I _____ to _____ data in _____ with third party _____ switch between ANDROID _____
 _____ I _____ my _____ in my third party apps _____ switch _____?
 _____ there _____ use third party _____ when I switch from iOS to ANDROID?
 _____ would _____ to transition between _____ two _____ without compromising on _____ third _____.
 Third-party _____ and data may _____ be _____ when _____.
 Will my third-party _____ data, remain functional, if _____ Apple to Android?
 If I _____ to _____ be _____ to _____ compatibility with _____ apps?
 _____ if _____ could switch from iOS to android without _____ my _____ third-party _____.
 _____ we _____ with external _____ data when _____ an Apple _____ an ANDROID device?
 _____ compatibility with _____ could be put at risk when _____ switch to _____?
 _____ curious _____ I could switch _____ without _____ my _____ with third _____.
 _____ if there _____ to move my _____ and use third party apps _____ I _____.
 _____ a smooth _____ of _____ for _____ apps/data if _____ from iOS to Android?
 Is _____ a way to _____ sure my _____ and _____ when _____ switch from iOS _____?
 _____ it _____ to _____ my _____ in _____ of the third party _____ if _____ to android?
